[Applause]

2  
00:00:13,400 --> 00:00:11,089

Sasquatch thoughts rape attack Sara

3  
00:00:15,589 --> 00:00:13,410

important organ wrote to be on the

4  
00:00:18,080 --> 00:00:15,599

darkness with an interesting Sasquatch

5  
00:00:21,679 --> 00:00:18,090

encounter this comes from phantoms and

6  
00:00:24,439 --> 00:00:21,689

monsters calm and they put out a lot of

7  
00:00:27,500 --> 00:00:24,449

cool books about cryptozoological

8  
00:00:28,880 --> 00:00:27,510

encounters UFOs all that kind of stuff

9  
00:00:30,650 --> 00:00:28,890

that's great I've actually purchased a

10  
00:00:32,780 --> 00:00:30,660

few of the books and I've read a few

11  
00:00:37,880 --> 00:00:32,790

stories right here on the old Potter

12  
00:00:40,760 --> 00:00:37,890

caster Potter caster I'm gonna delve

13  
00:00:43,030 --> 00:00:40,770

into this this isn't my story but

14

00:00:44,959 --> 00:00:43,040

because I'm frustrated I'm a frustrated

15

00:00:46,910 --> 00:00:44,969

anthropologist frustrated because I

16

00:00:48,529 --> 00:00:46,920

can't find a job in my field I'm trying

17

00:00:50,569 --> 00:00:48,539

to keep my skills sharp by collecting

18

00:00:52,600 --> 00:00:50,579

other people's stories I live in

19

00:00:55,610 --> 00:00:52,610

Portland Oregon and in my neighborhood

20

00:00:57,799 --> 00:00:55,620

word has gotten around to my neighbors

21

00:01:01,310 --> 00:00:57,809

that I'm always open for story a lot of

22

00:01:03,860 --> 00:01:01,320

them are pure gossip and I'm saving them

23

00:01:05,810 --> 00:01:03,870

for a paper on a micro status changes in

24

00:01:07,640 --> 00:01:05,820

progressive neighborhoods exciting stuff

25

00:01:09,289 --> 00:01:07,650

for us eggheads but occasionally I get

26

00:01:12,980 --> 00:01:09,299

more unusual stories hopefully I

27

00:01:16,039 --> 00:01:12,990

remember to ask for all the pertinent

28

00:01:18,530 --> 00:01:16,049

questions my neighbor will call her

29

00:01:19,820 --> 00:01:18,540

Annie is an avid outdoors woman ever

30

00:01:21,109 --> 00:01:19,830

since I moved back moved her

31

00:01:23,780 --> 00:01:21,119

neighborhood which is about 10 years ago

32

00:01:24,740 --> 00:01:23,790

every weekend and holiday she was off

33

00:01:27,140 --> 00:01:24,750

somewhere hiking in the mountains

34

00:01:29,630 --> 00:01:27,150

forests or high desert plateau then

35

00:01:32,359 --> 00:01:29,640

suddenly last September she sold off her

36

00:01:34,280 --> 00:01:32,369

camping and climbing gear after a month

37

00:01:39,499 --> 00:01:34,290

of being home a homebody

38

00:01:41,660 --> 00:01:39,509

and took a blimp surfing in January she

39

00:01:43,730 --> 00:01:41,670

knocked my door and asked if I wanted a

40

00:01:45,800 --> 00:01:43,740

strange story I could tell us that

41

00:01:48,109 --> 00:01:45,810

something was eating her and I vited her

42

00:01:52,280 --> 00:01:48,119

in having her having just put on a pot

43

00:01:54,410 --> 00:01:52,290

pot of tea one pot of tea and a plate of

44

00:01:57,740 --> 00:01:54,420

gingerbread cookies later I had the

45

00:02:00,139 --> 00:01:57,750

whole story out of her back in September

46

00:02:01,999 --> 00:02:00,149

she had gone hiking on one of those last

47

00:02:04,370 --> 00:02:02,009

beautiful days before winter in the

48

00:02:07,340 --> 00:02:04,380

rains back in the deep country of

49

00:02:10,760 --> 00:02:07,350

Columbia the Columbia River club' River

50

00:02:12,320 --> 00:02:10,770

Gorge she told me that she told me the

51  
00:02:13,700 --> 00:02:12,330  
exact location but I don't feel right

52  
00:02:17,540 --> 00:02:13,710  
about releasing the information

53  
00:02:19,610 --> 00:02:17,550  
why not yeah okay whatever the worst

54  
00:02:22,040 --> 00:02:19,620  
that can happen several hours into the

55  
00:02:24,740 --> 00:02:22,050  
hike she she started to notice a

56  
00:02:27,980 --> 00:02:24,750  
distance stinking snow like rotting eggs

57  
00:02:30,080 --> 00:02:27,990  
and manure because she was hiking along

58  
00:02:32,930 --> 00:02:30,090  
a small seasonal Creek she thought maybe

59  
00:02:37,670 --> 00:02:32,940  
something like a deer had disturbed some

60  
00:02:40,250 --> 00:02:37,680  
skunk some skunk in the area it was a

61  
00:02:43,490 --> 00:02:40,260  
little late in the season for for skunk

62  
00:02:45,500 --> 00:02:43,500  
cabbage but not impossibly so and he

63  
00:02:48,260 --> 00:02:45,510

said that this thing didn't dissipate

64

00:02:50,690 --> 00:02:48,270

for about 20 minutes then it was gone as

65

00:02:52,880 --> 00:02:50,700

the trail climbed to a higher elevation

66

00:02:55,400 --> 00:02:52,890

she began to feel she was being watched

67

00:02:57,560 --> 00:02:55,410

because she still had miles to go before

68

00:03:00,080 --> 00:02:57,570

she reached the campsite she didn't stop

69

00:03:01,870 --> 00:03:00,090

but remained alert as mountain lions are

70

00:03:05,030 --> 00:03:01,880

known to be in the area

71

00:03:07,760 --> 00:03:05,040

she went on for about 10 minutes then as

72

00:03:09,920 --> 00:03:07,770

she went as she was coming around the

73

00:03:11,560 --> 00:03:09,930

boulder someone grabbed her by the

74

00:03:14,480 --> 00:03:11,570

shoulders and threw her to the ground

75

00:03:16,910 --> 00:03:14,490

stunned and with the wind knocked out of

76

00:03:18,380 --> 00:03:16,920

her she lay there for a moment when she

77

00:03:20,870 --> 00:03:18,390

went a short fellow

78

00:03:23,180 --> 00:03:20,880

with facial tattoos and a machete

79

00:03:25,970 --> 00:03:23,190

threatened her and shouted at her in

80

00:03:28,760 --> 00:03:25,980

Spanish we have a problem with

81

00:03:33,040 --> 00:03:28,770

undocumented immigrant gangs growing

82

00:03:35,570 --> 00:03:33,050

Mary-Jane in the backwoods most of it

83

00:03:37,790 --> 00:03:35,580

clear must be cleared up when Washington

84

00:03:39,860 --> 00:03:37,800

State and Oregon legalize recreational

85

00:03:42,320 --> 00:03:39,870

weed but gang still grow for the purpose

86

00:03:43,880 --> 00:03:42,330

of selling in Idaho Annie didn't speak

87

00:03:47,930 --> 00:03:43,890

any Spanish but thought the guy was

88

00:03:49,820 --> 00:03:47,940

gonna rape and kill her given that he

89

00:03:52,190 --> 00:03:49,830

straddled her and grabbed her shirt and

90

00:03:55,280 --> 00:03:52,200

tried to rip it off of her of course

91

00:04:01,960 --> 00:03:55,290

it's a it's a Mexican yes of course in

92

00:04:05,210 --> 00:04:01,970

the backwoods of Oregon yes no hmm yeah

93

00:04:08,960 --> 00:04:05,220

that's when the most horrific war roar

94

00:04:11,570 --> 00:04:08,970

came from the bushes so loud that Annie

95

00:04:15,740 --> 00:04:11,580

could said she could feel it reverberate

96

00:04:17,990 --> 00:04:15,750

in her chest that's also when at all she

97

00:04:20,030 --> 00:04:18,000

initially placed the height about ten

98

00:04:24,409 --> 00:04:20,040

feet tall later she said it may have

99

00:04:26,900 --> 00:04:24,419

only been eight feet hairy person

100

00:04:29,350 --> 00:04:26,910

grabbed the guy on top of her

101  
00:04:31,880 --> 00:04:29,360  
and threw him into the trees perhaps

102  
00:04:34,220 --> 00:04:31,890  
needlessly to say Annie didn't stick

103  
00:04:37,760 --> 00:04:34,230  
around she ran down the trail and I oh

104  
00:04:42,380 --> 00:04:37,770  
she collapsed about an hour out from her

105  
00:04:45,650 --> 00:04:42,390  
car by of the hell is she doing in the

106  
00:04:47,720 --> 00:04:45,660  
woods an hour away from her car when she

107  
00:04:49,760 --> 00:04:47,730  
came around a long time when she came

108  
00:04:53,480 --> 00:04:49,770  
around she was laid out on the trail

109  
00:04:55,190 --> 00:04:53,490  
head covered in leaf litter my short

110  
00:04:57,020 --> 00:04:55,200  
that endure my short leaf litter is she

111  
00:04:59,600 --> 00:04:57,030  
swears she was too far within the

112  
00:05:01,880 --> 00:04:59,610  
trailhead when she passed out and she

113  
00:05:04,220 --> 00:05:01,890

certainly wouldn't have placed as she

114

00:05:05,960 --> 00:05:04,230

shouldn't she certainly wouldn't have

115

00:05:09,830 --> 00:05:05,970

had the peace of mind to cover herself

116

00:05:11,510 --> 00:05:09,840

and leaves it was getting on I was

117

00:05:14,240 --> 00:05:11,520

getting on to be Twila Twilight at that

118

00:05:16,490 --> 00:05:14,250

point so she limped to a car and drove

119

00:05:18,320 --> 00:05:16,500

back to Portland the next day is when

120

00:05:20,480 --> 00:05:18,330

she sold all of her camping and climbing

121

00:05:23,090 --> 00:05:20,490

gear as if she had noticed and he

122

00:05:26,330 --> 00:05:23,100

noticed the smell during that during the

123

00:05:29,210 --> 00:05:26,340

attack I asked her what she felt and

124

00:05:32,000 --> 00:05:29,220

what possibly saved her but she me

125

00:05:34,490 --> 00:05:32,010

basically this person just tried to prod

126  
00:05:37,850 --> 00:05:34,500  
and even say what it was and she swears

127  
00:05:41,270 --> 00:05:37,860  
that the Sasquatch shake a Bigfoot saved

128  
00:05:50,270 --> 00:05:41,280  
her from being raped by a drug growing

129  
00:05:52,700 --> 00:05:50,280  
immigrant I think it's a regret sex it

130  
00:05:57,650 --> 00:05:52,710  
sounds like to me this is the first of

131  
00:05:59,680 --> 00:05:57,660  
I've heard of a do gir Sasquatch we've

132  
00:06:03,320 --> 00:05:59,690  
we've read stories on the show before of

133  
00:06:05,990 --> 00:06:03,330  
a woman having sex with a Sasquatch in a

134  
00:06:07,940 --> 00:06:06,000  
marijuana field we've had reports of

135  
00:06:11,210 --> 00:06:07,950  
people seeing sasquatches are hearing

136  
00:06:13,850 --> 00:06:11,220  
Sasquatch rustle round and in the woods

137  
00:06:16,480 --> 00:06:13,860  
or possibly attack livestock or do

138  
00:06:21,310 --> 00:06:16,490

something like this this is the first

139

00:06:24,440 --> 00:06:21,320

instance where I've seen a super Bigfoot

140

00:06:29,060 --> 00:06:24,450

yeah and you got to throw these Mexicans

141

00:06:32,240 --> 00:06:29,070

into the trees where they belong yeah we

142

00:06:35,570 --> 00:06:32,250

now know that the Bigfoot doesn't like

143

00:06:39,350 --> 00:06:35,580

Mexicans he he detests them and throws

144

00:06:40,460 --> 00:06:39,360

them at every chance it's a peace ask

145

00:06:43,820 --> 00:06:40,470

why are quite right

146

00:06:45,710 --> 00:06:43,830

just yeah they hate Mexicans they they

147

00:06:47,000 --> 00:06:45,720

all voted for Trump I think that he got

148

00:06:49,340 --> 00:06:47,010

all of the Sasquatch vote

149

00:06:50,510 --> 00:06:49,350

big time yeah beegley we're in

150

00:06:53,390 --> 00:06:50,520

California they'll just give you a

151  
00:06:55,550 --> 00:06:53,400  
license if you're a sasquatch I like

152  
00:06:59,980 --> 00:06:55,560  
this story because there's an

153  
00:07:04,070 --> 00:06:59,990  
interaction that is protective in nature

154  
00:07:06,530 --> 00:07:04,080  
like the Sasquatch will has a high

155  
00:07:09,320 --> 00:07:06,540  
enough reasoning or intellect that it

156  
00:07:11,360 --> 00:07:09,330  
recognize that one person was in danger

157  
00:07:13,460 --> 00:07:11,370  
it was about to be raped and killed by

158  
00:07:18,560 --> 00:07:13,470  
another person so it tried to protect

159  
00:07:20,750 --> 00:07:18,570  
the woman I like that element of it but

160  
00:07:22,100 --> 00:07:20,760  
at a certain point in time wouldn't

161  
00:07:24,200 --> 00:07:22,110  
wouldn't that I know she's probably

162  
00:07:27,680 --> 00:07:24,210  
scared out of her mind but wouldn't you

163  
00:07:29,450 --> 00:07:27,690

would curiosity or fear take over you in

164

00:07:31,250 --> 00:07:29,460

that instance Jo I would have to in my I

165

00:07:32,780 --> 00:07:31,260

would have to if I even if those were

166

00:07:32,780 --> 00:07:33,470

running away I would turn around go holy

167

00:07:40,100 --> 00:07:36,830

today really to see a Bigfoot save my

168

00:07:43,460 --> 00:07:40,110

ass I would have to turn around take a

169

00:07:44,990 --> 00:07:43,470

look it's so unusually and again we talk

170

00:07:47,420 --> 00:07:45,000

about like everybody's got a goddamn

171

00:07:50,060 --> 00:07:47,430

camera in their pocket if you're running

172

00:07:52,070 --> 00:07:50,070

away even if you are mortified that the

173

00:07:55,250 --> 00:07:52,080

Mexican got thrown into a tree and

174

00:07:58,130 --> 00:07:55,260

Bigfoot did it and you almost got raped

175

00:08:01,040 --> 00:07:58,140

like it might be nice for posterity to

176

00:08:03,409 --> 00:08:01,050

have a picture of that situation but I

177

00:08:05,180 --> 00:08:03,419

guess you know hey I've heard that women

178

00:08:06,860 --> 00:08:05,190

walk around with the fear of being raped

179

00:08:08,810 --> 00:08:06,870

because apparently one in four women are

180

00:08:10,219 --> 00:08:08,820

being raped on campus so they probably

181

00:08:12,530 --> 00:08:10,229

don't have time to around with all

182

00:08:15,620 --> 00:08:12,540

the rapes that are happening to them I I

183

00:08:20,180 --> 00:08:15,630

don't know I'm just surprised like that

184

00:08:23,030 --> 00:08:20,190

she would be so cavalier to go hiking by

185

00:08:25,490 --> 00:08:23,040

herself an hour hike away from her car

186

00:08:26,780 --> 00:08:25,500

be stopped an hour away from her car

187

00:08:29,270 --> 00:08:26,790

which meant she might have been like 2

188

00:08:30,710 --> 00:08:29,280

or 3 hours away from there you know yeah

189

00:08:32,300 --> 00:08:30,720

we don't know we don't know where she

190

00:08:34,370 --> 00:08:32,310

was trying to get to the campsite and

191

00:08:35,990 --> 00:08:34,380

then she turn around yeah like it's just

192

00:08:38,839 --> 00:08:36,000

dangerous it doesn't have like a lot of

193

00:08:40,610 --> 00:08:38,849

good logic and safety precautions in

194

00:08:42,920 --> 00:08:40,620

mine here maybe she was so comfortable

195

00:08:46,639 --> 00:08:42,930

with the outdoors that she took it for

196

00:08:48,170 --> 00:08:46,649

granted and didn't take enough

197

00:08:49,879 --> 00:08:48,180

equipment with her she'd have a GPS

198

00:08:52,369 --> 00:08:49,889

tracker she didn't have a GoPro that she

199

00:08:54,379 --> 00:08:52,379

was filming Illi don't know you know as

200

00:08:56,119 --> 00:08:54,389

I do and I go camping I don't want to

201  
00:08:57,949 --> 00:08:56,129  
remember anything especially when I go

202  
00:08:59,210 --> 00:08:57,959  
to really nice camp places I just don't

203  
00:09:00,170 --> 00:08:59,220  
take any pictures I don't want to know

204  
00:09:03,499 --> 00:09:00,180  
who's with me

205  
00:09:06,230 --> 00:09:03,509  
I don't want any sunsets sunrises all of

206  
00:09:09,639 --> 00:09:06,240  
that is bullcrap I go to be

207  
00:09:13,129 --> 00:09:09,649  
completely away from any reliable

208  
00:09:15,290 --> 00:09:13,139  
documentation of anything I do the same

209  
00:09:18,350 --> 00:09:15,300  
thing I ask I ask my one my best friends

210  
00:09:19,970 --> 00:09:18,360  
to actually chloroform me and then they

211  
00:09:22,939 --> 00:09:19,980  
drop me in the middle of woods at three

212  
00:09:24,949 --> 00:09:22,949  
o'clock in the morning the only way to

213  
00:09:27,350 --> 00:09:24,959

camp yeah that's how I can't and I'm

214

00:09:30,919 --> 00:09:27,360

also naked and he gives me a toothbrush

215

00:09:32,540 --> 00:09:30,929

that's it well you never know if you're

216

00:09:34,669 --> 00:09:32,550

gonna need to make out with a Bigfoot in

217

00:09:36,769 --> 00:09:34,679

the middle you want that fresh breath

218

00:09:40,609 --> 00:09:36,779

yeah first impressions are very

219

00:09:42,980 --> 00:09:40,619

important part I like that Bigfoot is

220

00:09:44,600 --> 00:09:42,990

he's helping people it makes me think

221

00:09:47,059 --> 00:09:44,610

that if we ever can get one of these

222

00:09:49,040 --> 00:09:47,069

goddamn Bigfoot's in a net and capture

223

00:09:50,840 --> 00:09:49,050

them then we need to make like micro

224

00:09:52,309 --> 00:09:50,850

Bigfoot's to have as pets so that they

225

00:09:55,160 --> 00:09:52,319

can save you from all the Mexican

226

00:09:56,629 --> 00:09:55,170

rapists the hump is try to fight for us

227

00:09:59,540 --> 00:09:56,639

I want a Bigfoot to do my taxes I don't

228

00:10:01,669 --> 00:09:59,550

want to do it save me from the I know

229

00:10:03,650 --> 00:10:01,679

you need to pick me Bigfoot just to do

230

00:10:07,189 --> 00:10:03,660

this in account I just some it's just so

231

00:10:09,079 --> 00:10:07,199

complicated please we will train your

232

00:10:10,340 --> 00:10:09,089

Bigfoot to do your taxes they have it

233

00:10:11,569 --> 00:10:10,350

playing the park ranger out there when

234

00:10:13,910 --> 00:10:11,579

you play my accountant

235

00:10:18,980 --> 00:10:13,920

it's a potbelly Bigfoot I'm tired of

236

00:10:21,650 --> 00:10:18,990

doing taxes yeah yeah pimp so good

237

00:10:22,340 --> 00:10:21,660

yeah they do all right let's get off
