1
00:00:00,310 --> 00:00:05,950
[Applause]

2
00:00:14,900 --> 00:00:08,960
you know it's it's skullenbones day

3
00:00:16,640 --> 00:00:14,910
oh no that I did not even know the

4
00:00:20,480 --> 00:00:16,650
skullenbones day until I went on

5
00:00:22,820 --> 00:00:20,490
conspiracy reddit yeah so its Skull and

6
00:00:26,540 --> 00:00:22,830
Bones day I believe the Brussels Airport

7
00:00:29,050 --> 00:00:26,550
bombing happened on March 22nd I was

8
00:00:31,160 --> 00:00:29,060
gonna celebrate by a by hazing people by

9
00:00:33,350 --> 00:00:31,170
tarring and feathering people randomly

10
00:00:35,720 --> 00:00:33,360
in the street and making them run around

11
00:00:38,180 --> 00:00:35,730
a house with their pants around their

12
00:00:40,790 --> 00:00:38,190
ankles mm-hmm yeah shove a little

13
00:00:42,260 --> 00:00:40,800

plunger up the butt and just point

14

00:00:44,690 --> 00:00:42,270

laughs kind of stuff that's how I

15

00:00:46,670 --> 00:00:44,700

celebrate but go on please so there's a

16

00:00:50,450 --> 00:00:46,680

little terrorist attack or something in

17

00:00:53,000 --> 00:00:50,460

the UK today and something went on tell

18

00:00:57,500 --> 00:00:53,010

people what happened for anybody who

19

00:01:00,020 --> 00:00:57,510

doesn't know so apparently some dude

20

00:01:02,060 --> 00:01:00,030

mowed people down and some shots were

21

00:01:04,759 --> 00:01:02,070

fired outside of Parliament they got the

22

00:01:07,340 --> 00:01:04,769

Prime Minister out of there and some you

23

00:01:11,440 --> 00:01:07,350

know unmarked police vehicle or

24

00:01:17,719 --> 00:01:14,179

it's a confirmed terrorist attack I'm in

25

00:01:19,460 --> 00:01:17,729

in England yeah they reported that it

26

00:01:21,230 --> 00:01:19,470

was this one guy and then they said no

27

00:01:23,570 --> 00:01:21,240

couldn't be that guy cuz he's in jail

28

00:01:25,460 --> 00:01:23,580

I'm still not sure exactly who it is but

29

00:01:28,070 --> 00:01:25,470

they said you know Drudge of course

30

00:01:30,200 --> 00:01:28,080

being as sensational as he is a saint UK

31

00:01:34,429 --> 00:01:30,210

Parliament cop stabbed pedestrians mowed

32

00:01:37,910 --> 00:01:34,439

down and so he's got uh you know all

33

00:01:39,560 --> 00:01:37,920

this stuff on on the Drudge Report right

34

00:01:42,380 --> 00:01:39,570

now but it's basically saying that

35

00:01:47,080 --> 00:01:42,390

there's a knifeman terrorists in London

36

00:01:51,050 --> 00:01:47,090

and five people so far have been killed

37

00:01:53,719 --> 00:01:51,060

so another terrorist event so that's

38

00:01:54,969 --> 00:01:53,729

that's quite a bit for England in one

39

00:01:58,520 --> 00:01:54,979

fell swoop

40

00:02:00,499 --> 00:01:58,530

well yeah the mayors say it's like a the

41

00:02:02,749 --> 00:02:00,509

cost of living in a city is you have to

42

00:02:04,910 --> 00:02:02,759

endure terrorism and he of course he's

43

00:02:08,059 --> 00:02:04,920

the first Islamic mayor I believe of

44

00:02:10,460 --> 00:02:08,069

London yeah he's a yeah I believe so

45

00:02:13,250 --> 00:02:10,470

yeah it's fine I you know I don't have

46

00:02:13,790 --> 00:02:13,260

anything against Islam but it's like I

47

00:02:16,280 --> 00:02:13,800

don't know

48

00:02:19,010 --> 00:02:16,290

that's I mean if it were my city and

49

00:02:21,050 --> 00:02:19,020

people I loved and they were saying yeah

50

00:02:23,870 --> 00:02:21,060

deal with it I don't know how happy I'd

51
00:02:26,110 --> 00:02:23,880
be to hear that so I wouldn't care

52
00:02:28,790 --> 00:02:26,120
either way as long as they uphold the

53
00:02:31,460 --> 00:02:28,800
guy they would I live by over there the

54
00:02:31,850 --> 00:02:31,470
Magna Carta I don't know what do they

55
00:02:34,820 --> 00:02:31,860
got

56
00:02:37,130 --> 00:02:34,830
what is that 1216 yeah I mean what about

57
00:02:41,240 --> 00:02:37,140
the Mayfair they still abide by the the

58
00:02:42,860 --> 00:02:41,250
Mayflower Compact I do I think I never

59
00:02:45,950 --> 00:02:42,870
forget about it I carry one around with

60
00:02:48,590 --> 00:02:45,960
me yeah I'm an indentured servant but

61
00:02:50,810 --> 00:02:48,600
that's a different thing yeah I don't

62
00:02:52,580 --> 00:02:50,820
know I mean they they they have their

63
00:02:54,470 --> 00:02:52,590

own laws and rules in Parliament and all

64

00:02:55,700 --> 00:02:54,480

that stuff and apparently the Queen

65

00:02:57,530 --> 00:02:55,710

doesn't run anything even though she

66

00:03:03,380 --> 00:02:57,540

does yeah they had a little terrorist

67

00:03:05,960 --> 00:03:03,390

event this is the hey like I said in 322

68

00:03:08,600 --> 00:03:05,970

the Brussels Airport bombing happened

69

00:03:11,120 --> 00:03:08,610

and I thought we could look a little bit

70

00:03:12,320 --> 00:03:11,130

at Skull and Bones which I think we've

71

00:03:13,940 --> 00:03:12,330

talked about on the show before but I

72

00:03:17,300 --> 00:03:13,950

don't know how much we've dove into it I

73

00:03:18,440 --> 00:03:17,310

don't think we've talked about it but I

74

00:03:20,449 --> 00:03:18,450

think we've only talked about it maybe

75

00:03:23,060 --> 00:03:20,459

as a fraternity that a lot of

76

00:03:26,420 --> 00:03:23,070

politicians and members of the ruling

77

00:03:28,850 --> 00:03:26,430

elite belong to yeah it's a it's an

78

00:03:30,979 --> 00:03:28,860

interesting little little thing used to

79

00:03:34,070 --> 00:03:30,989

be a conspiracy theory and there's a guy

80

00:03:35,570 --> 00:03:34,080

named Antony Sutton wrote a book I have

81

00:03:37,640 --> 00:03:35,580

this book it's actually a pretty decent

82

00:03:41,449 --> 00:03:37,650

read you go through it fast and he he

83

00:03:43,970 --> 00:03:41,459

has source documents in the book but

84

00:03:46,820 --> 00:03:43,980

years ago he appeared he's dead now but

85

00:03:49,610 --> 00:03:46,830

he appeared on a show where he talked

86

00:03:51,830 --> 00:03:49,620

about this and I figured might be

87

00:03:53,630 --> 00:03:51,840

interesting to look a little bit at this

88

00:03:56,000 --> 00:03:53,640

and you can stop me whenever but I have

89

00:03:57,380 --> 00:03:56,010

just a few clips and we can see how it

90

00:03:59,270 --> 00:03:57,390

relates to what's happening today and

91

00:04:06,650 --> 00:03:59,280

see if there's any connection so here's

92

00:04:09,880 --> 00:04:06,660

here's our little intro well up to six

93

00:04:11,770 --> 00:04:09,890

months ago I denied that the was

94

00:04:13,600 --> 00:04:11,780

purposely because I think I couldn't

95

00:04:16,390 --> 00:04:13,610

prove what I suspected their conspiracy

96

00:04:18,060 --> 00:04:16,400

I couldn't prove there was one for six

97

00:04:22,400 --> 00:04:18,070

months ago

98

00:04:25,070 --> 00:04:22,410

received

99

00:04:27,290 --> 00:04:25,080

the catalogue which is the membership

100

00:04:32,210 --> 00:04:27,300

list of the society all the way back to

101
00:04:34,220 --> 00:04:32,220
a concise way and I received some of

102
00:04:37,540 --> 00:04:34,230
their internal documents enough for me

103
00:04:45,550 --> 00:04:40,530
the way they correspond with each other

104
00:04:47,830 --> 00:04:45,560
the operations within the order to some

105
00:04:52,360 --> 00:04:47,840
extent their problems

106
00:04:53,830 --> 00:04:52,370
and to some extent to objective can you

107
00:04:55,960 --> 00:04:53,840
get that all right it's hard to

108
00:04:59,140 --> 00:04:55,970
understand I don't know if he's drunk or

109
00:05:00,850 --> 00:04:59,150
you know has an accent yeah I think he

110
00:05:03,280 --> 00:05:00,860
has an accident okay but he also could

111
00:05:04,840 --> 00:05:03,290
be trouble guy it could be drunk yeah I

112
00:05:07,629 --> 00:05:04,850
would be drunk if I had all this

113
00:05:10,570 --> 00:05:07,639

information he's got a lot of

114

00:05:13,000 --> 00:05:10,580

information on what skull and bones yeah

115

00:05:17,560 --> 00:05:13,010

he has so apparently he was sent

116

00:05:19,690 --> 00:05:17,570

anonymously this just a box of

117

00:05:20,800 --> 00:05:19,700

information the story is pretty

118

00:05:22,960 --> 00:05:20,810

interesting when you look at Anthony

119

00:05:24,250 --> 00:05:22,970

Sutton this guy wrote a lot of books he

120

00:05:27,070 --> 00:05:24,260

wrote Wall Street and the rise of Hitler

121

00:05:29,080 --> 00:05:27,080

you know he he looked into history where

122

00:05:30,640 --> 00:05:29,090

a lot of people were afraid to look he's

123

00:05:32,500 --> 00:05:30,650

the guy who kind of find out found out

124

00:05:35,379 --> 00:05:32,510

that there was the Bush's who were

125

00:05:36,969 --> 00:05:35,389

funding the Nazis and Brown Brothers

126

00:05:38,650 --> 00:05:36,979

Harriman and all that stuff and all that

127

00:05:40,150 --> 00:05:38,660

stuff kind of ties into skullenbones and

128

00:05:43,120 --> 00:05:40,160

the Nazis all tie in to that stuff but

129

00:05:45,219 --> 00:05:43,130

he see he's talking about 1833 you know

130

00:05:48,730 --> 00:05:45,229

so that goes back quite a quite a while

131

00:05:50,860 --> 00:05:48,740

like this is a secret society that yeah

132

00:05:53,409 --> 00:05:50,870

as we'll get to later is is still around

133

00:05:57,130 --> 00:05:53,419

still prevalent and still matters and

134

00:05:58,750 --> 00:05:57,140

the 322 relevance is kind of why I

135

00:06:01,000 --> 00:05:58,760

thought it might be fun to look into

136

00:06:05,080 --> 00:06:01,010

this stuff so here's here's why we look

137

00:06:12,460 --> 00:06:05,090

at the significance of 322 if I can get

138

00:06:15,190 --> 00:06:12,470

it to load I'm sorry or something why a

139

00:06:18,860 --> 00:06:15,200

22 there's several series for this one

140

00:06:26,399 --> 00:06:21,330

originated with the Mostyn 'is the Greek

141

00:06:31,350 --> 00:06:26,409

and 322 BC as one theory another one is

142

00:06:34,409 --> 00:06:31,360

that the stems from the founding date in

143

00:06:39,120 --> 00:06:34,419

the United States which was 1832 so

144

00:06:48,240 --> 00:06:43,140

the last two numbers 32 the second

145

00:07:00,060 --> 00:06:48,250

chapter of founded in 1832 a skull and

146

00:07:01,590 --> 00:07:00,070

crossbones prominent so the logo for

147

00:07:04,550 --> 00:07:01,600

people who don't know is the skull and

148

00:07:07,050 --> 00:07:04,560

crossbones with the numbers 3 to 2

149

00:07:09,240 --> 00:07:07,060

you'll see this when you do like this is

150

00:07:11,640 --> 00:07:09,250

one of those rabbit hole opener things

151
00:07:13,050 --> 00:07:11,650
where you kind of like I don't want to

152
00:07:14,310 --> 00:07:13,060
believe it I don't want to believe it I

153
00:07:15,390 --> 00:07:14,320
don't want to believe but then like the

154
00:07:17,310 --> 00:07:15,400
more you look into it you're kind of

155
00:07:21,270 --> 00:07:17,320
like well [h__h] it's kind of hard not to

156
00:07:24,330 --> 00:07:21,280
believe it now there's a lot of so to go

157
00:07:27,480 --> 00:07:24,340
back to what happened on the today with

158
00:07:30,420 --> 00:07:27,490
the terrorist attack in London on 3 to 2

159
00:07:33,320 --> 00:07:30,430
and then there's one last year in

160
00:07:37,890 --> 00:07:33,330
Brussels on three to two you have the

161
00:07:40,800 --> 00:07:37,900
skullenbones symbol or numerology 3 to 2

162
00:07:43,170 --> 00:07:40,810
is adjust the quince quince events or is

163
00:07:44,610 --> 00:07:43,180

gone bones using these terrorist groups

164

00:07:48,570 --> 00:07:44,620

if you send some kind of signal to

165

00:07:50,940 --> 00:07:48,580

somebody it's interesting yeah and you

166

00:07:53,940 --> 00:07:50,950

know if you get into that sort of the

167

00:07:56,850 --> 00:07:53,950

esoteric things around conspiracy lore

168

00:07:58,590 --> 00:07:56,860

there's a lot there like even the owl on

169

00:08:01,650 --> 00:07:58,600

the dollar bill and the shape of the owl

170

00:08:03,720 --> 00:08:01,660

and the owl and a Moloch and all that

171

00:08:05,490 --> 00:08:03,730

stuff with the Bohemian Grove like

172

00:08:07,680 --> 00:08:05,500

obviously symbolism matters to these

173

00:08:09,870 --> 00:08:07,690

people yeah I think numerology astrology

174

00:08:11,640 --> 00:08:09,880

does I think it does matter I think I do

175

00:08:15,810 --> 00:08:11,650

believe in some sort of summer some

176

00:08:18,540 --> 00:08:15,820

summer form of magic yeah I know Greg

177

00:08:21,330 --> 00:08:18,550

Karl wood of the higher side chats

178

00:08:23,220 --> 00:08:21,340

podcast he goes pretty deep into that

179

00:08:24,690 --> 00:08:23,230

kind of stuff it's hard for me to wrap

180

00:08:27,390 --> 00:08:24,700

my head around sometime cuz I don't live

181

00:08:30,060 --> 00:08:27,400

in that world it'd be much like if you

182

00:08:31,140 --> 00:08:30,070

you know like walked into a room and

183

00:08:33,719 --> 00:08:31,150

everyone's playing Magic the Gathering

184

00:08:35,430 --> 00:08:33,729

they're talking this sort of lingo and

185

00:08:36,540 --> 00:08:35,440

language or able communicate because

186

00:08:39,270 --> 00:08:36,550

they know exactly what's going on

187

00:08:41,250 --> 00:08:39,280

because they're in that that community

188

00:08:42,659 --> 00:08:41,260

we're not in that community of ruling

189

00:08:45,450 --> 00:08:42,669

elites install on bones so we don't know

190

00:08:47,310 --> 00:08:45,460

we can't even really touch this scratch

191

00:08:49,260 --> 00:08:47,320

the surface of what they mean you only

192

00:08:51,750 --> 00:08:49,270

guess it's like when I hear people

193

00:08:52,860 --> 00:08:51,760

talking their Pokemon go players and

194

00:08:55,140 --> 00:08:52,870

they're saying all these things

195

00:08:57,269 --> 00:08:55,150

I'm like what what country am i in right

196

00:09:01,530 --> 00:08:57,279

now no idea what you're talking about

197

00:09:03,990 --> 00:09:01,540

what the hell is this yeah so anyway he

198

00:09:08,670 --> 00:09:04,000

gets so he gets all these lists of names

199

00:09:10,079 --> 00:09:08,680

and and it's names for several years and

200

00:09:12,480 --> 00:09:10,089

he describes the whole thing it's

201
00:09:14,880 --> 00:09:12,490
basically 15 people in their junior year

202
00:09:16,740 --> 00:09:14,890
are selected they become what they call

203
00:09:19,310 --> 00:09:16,750
Knights and then in their senior year

204
00:09:22,829 --> 00:09:19,320
which is you know this is one of the few

205
00:09:26,970 --> 00:09:22,839
skull and bones as well as some others

206
00:09:29,460 --> 00:09:26,980
in these you know elite universities

207
00:09:31,320 --> 00:09:29,470
they have senior societies not

208
00:09:32,910 --> 00:09:31,330
fraternities not like when you're a

209
00:09:35,400 --> 00:09:32,920
freshman and you're initiated and you're

210
00:09:38,130 --> 00:09:35,410
pledging these are for juniors who are

211
00:09:39,990 --> 00:09:38,140
tapped and 15 for skull and bones are

212
00:09:42,269 --> 00:09:40,000
tapped every year as juniors and they

213
00:09:44,310 --> 00:09:42,279

become Knights and then they become

214

00:09:46,260 --> 00:09:44,320

initiated in their senior year which

215

00:09:47,880 --> 00:09:46,270

involves like laying in a coffin and all

216

00:09:49,670 --> 00:09:47,890

kinds of crazy stuff there's video and

217

00:09:52,079 --> 00:09:49,680

stuff out there I want to be a wizard

218

00:09:53,730 --> 00:09:52,089

yeah be nice you can't though you gotta

219

00:09:57,329 --> 00:09:53,740

you have to join the KKK for that oh

220

00:09:59,880 --> 00:09:57,339

[h__h] no I'm not doing that so anyway he

221

00:10:01,320 --> 00:09:59,890

says that you know the the documents

222

00:10:03,150 --> 00:10:01,330

that he has and this guy's a historian

223

00:10:06,240 --> 00:10:03,160

with the Hoover Institute so he's no

224

00:10:08,640 --> 00:10:06,250

slouch you know he's a PhD historian so

225

00:10:10,560 --> 00:10:08,650

he tracks down the careers of some of

226

00:10:13,260 --> 00:10:10,570

these people and that leads them to ask

227

00:10:15,150 --> 00:10:13,270

like who which skullenbones members are

228

00:10:17,400 --> 00:10:15,160

there potentially around today and i

229

00:10:19,860 --> 00:10:17,410

thought that the answer was relevant as

230

00:10:21,540 --> 00:10:19,870

it pertains to the last maybe 15 20

231

00:10:27,990 --> 00:10:21,550

years of what's happened the whoever

232

00:10:30,350 --> 00:10:28,000

Institute yes [h__\h] shocking while

233

00:10:33,780 --> 00:10:30,360

doing that I came across some

234

00:10:36,860 --> 00:10:33,790

interesting documents some members have

235

00:10:38,450 --> 00:10:36,870

they're not too happy and safe

236

00:10:41,360 --> 00:10:38,460

become involved with the stuff too 10 to

237

00:10:44,180 --> 00:10:41,370

20 years in particular unless the

238

00:10:45,710 --> 00:10:44,190

memorandum he vote in 1932 it was

239

00:10:48,800 --> 00:10:45,720

favor'd away in his papers I didn't

240

00:10:50,990 --> 00:10:48,810

think anybody found it before I did and

241

00:10:52,910 --> 00:10:51,000

it was a six-page my mind upon the order

242

00:10:54,350 --> 00:10:52,920

naming some of the members and said it

243

00:10:58,730 --> 00:10:54,360

was the most sordid thing ever happened

244

00:11:00,470 --> 00:10:58,740

in this to the man so back to my point I

245

00:11:03,019 --> 00:11:00,480

have to reconstruct their objectives

246

00:11:06,290 --> 00:11:03,029

what are the objectives in the words of

247

00:11:09,320 --> 00:11:06,300

one member night is light if you have

248

00:11:12,740 --> 00:11:09,330

the power you use it to achieve your

249

00:11:15,260 --> 00:11:12,750

objectives what is the objective as you

250

00:11:17,210 --> 00:11:15,270

look at the histories of individual

251
00:11:20,600 --> 00:11:17,220
members it can only be one thing about

252
00:11:25,640 --> 00:11:20,610
quiet power to use part for the wrong

253
00:11:28,310 --> 00:11:25,650
purposes now that I can read I can I can

254
00:11:30,410 --> 00:11:28,320
see that I mean anybody who stays in

255
00:11:33,140 --> 00:11:30,420
power I think wants to keep it in some

256
00:11:35,120 --> 00:11:33,150
way with another acting in the same

257
00:11:37,700 --> 00:11:35,130
capacity just look what President Obama

258
00:11:41,720 --> 00:11:37,710
is doing now he's beholding a lot of

259
00:11:44,990 --> 00:11:41,730
power with protest groups and has openly

260
00:11:46,579 --> 00:11:45,000
said that through various channels

261
00:11:48,140 --> 00:11:46,589
communication that he doesn't want the

262
00:11:51,800 --> 00:11:48,150
Trump administration situation to

263
00:11:53,630 --> 00:11:51,810

succeed and I think even a lot of the

264

00:11:56,240 --> 00:11:53,640

Democratic Pro strip protesters want to

265

00:11:58,220 --> 00:11:56,250

undermine the current administration

266

00:12:00,530 --> 00:11:58,230

that's a way to keep power I mean

267

00:12:02,270 --> 00:12:00,540

obviously he maintains power in some way

268

00:12:03,920 --> 00:12:02,280

especially these ruling elite people

269

00:12:07,840 --> 00:12:03,930

they want to keep their power in any

270

00:12:11,900 --> 00:12:07,850

shape in any way they can make sense

271

00:12:13,250 --> 00:12:11,910

yeah so I and and and that's you're

272

00:12:15,260 --> 00:12:13,260

talking about like a secret shadow

273

00:12:18,200 --> 00:12:15,270

government that there's been alleged for

274

00:12:20,720 --> 00:12:18,210

Obama to be running inside a DC where

275

00:12:22,370 --> 00:12:20,730

he's got everybody who basically worked

276

00:12:24,620 --> 00:12:22,380

for the Obama administration coming up

277

00:12:26,270 --> 00:12:24,630

to his house and they're supposedly

278

00:12:29,390 --> 00:12:26,280

running secret ops and today we actually

279

00:12:31,699 --> 00:12:29,400

have evidence that in fact you know

280

00:12:33,860 --> 00:12:31,709

Trump was spied on by the Obama

281

00:12:35,240 --> 00:12:33,870

administration one of the House of

282

00:12:36,350 --> 00:12:35,250

Representatives I have that clip if you

283

00:12:38,240 --> 00:12:36,360

want to get to that but I don't want to

284

00:12:40,840 --> 00:12:38,250

get too far away from Skull and Bones

285

00:12:44,720 --> 00:12:40,850

thing because I have one more clip of

286

00:12:46,100 --> 00:12:44,730

Antony Sutton his book is about skull

287

00:12:48,590 --> 00:12:46,110

and bones he's got a lot of good stuff

288

00:12:50,300 --> 00:12:48,600

out there really good historian so this

289

00:12:50,600 --> 00:12:50,310

is where we get into Jeff's favorite

290

00:12:52,699 --> 00:12:50,610

thing

291

00:12:54,199 --> 00:12:52,709

Galion dialectic he was but this is how

292

00:13:04,490 --> 00:12:54,209

this is and this is where it becomes

293

00:13:06,829 --> 00:13:04,500

relevant today one is April Hammond who

294

00:13:10,519 --> 00:13:06,839

is the I suppose the chief financial

295

00:13:12,889 --> 00:13:10,529

angels a Democratic Party the other is

296

00:13:16,310 --> 00:13:12,899

the vice-president George Herbert Walker

297

00:13:19,040 --> 00:13:16,320

Bush the Bush family is quite prominent

298

00:13:20,360 --> 00:13:19,050

was in the order and if you go back and

299

00:13:23,930 --> 00:13:20,370

still a little you're fine

300

00:13:25,430 --> 00:13:23,940

oh [h__h] oh no Joe Joe that's I mean

301

00:13:27,889 --> 00:13:25,440

that's really all we really need from

302

00:13:30,170 --> 00:13:27,899

that one because what I want to get to

303

00:13:33,380 --> 00:13:30,180

is so basically you had the top

304

00:13:35,540 --> 00:13:33,390

Democratic financier Harriman who was

305

00:13:37,430 --> 00:13:35,550

heir to Brown Brothers Harriman which is

306

00:13:39,920 --> 00:13:37,440

one of the firm's that was responsible

307

00:13:42,949 --> 00:13:39,930

for funding the Nazis and making sure

308

00:13:46,910 --> 00:13:42,959

that Hitler got to power so this guy is

309

00:13:49,310 --> 00:13:46,920

the top Democratic financier who is

310

00:13:51,829 --> 00:13:49,320

apparently neck-and-neck opposed to

311

00:13:54,199 --> 00:13:51,839

George W Bush both of them were in the

312

00:13:57,710 --> 00:13:54,209

order I like the fact that they called

313

00:13:59,240 --> 00:13:57,720

the order yeah yeah yeah and they're

314

00:14:02,110 --> 00:13:59,250

called Knights and patriarchs and all

315

00:14:04,370 --> 00:14:02,120

that stuff so then when we look at the

316

00:14:06,110 --> 00:14:04,380

2004 election we had this very

317

00:14:08,300 --> 00:14:06,120

interesting scenario that led to the

318

00:14:10,610 --> 00:14:08,310

death of one of America's top newsmen

319

00:14:13,699 --> 00:14:10,620

and I don't know how many people

320

00:14:16,610 --> 00:14:13,709

remember this spelling the bones the

321

00:14:17,870 --> 00:14:16,620

secret society it's so sickly we can't

322

00:14:27,920 --> 00:14:17,880

talk about what does that mean for

323

00:14:39,240 --> 00:14:36,840

and view both for members of spelling

324

00:14:40,350 --> 00:14:39,250

bones a secret society of the L what

325

00:14:43,800 --> 00:14:40,360

does that tell us

326

00:14:45,300 --> 00:14:43,810

not much because it's a secret is there

327

00:14:47,730 --> 00:14:45,310

a secret handshake is there a secret

328

00:14:50,220 --> 00:14:47,740

code I wish there were something secret

329

00:14:52,440 --> 00:14:50,230

I could manifest 322 a secret number

330

00:14:54,240 --> 00:14:52,450

there are all kinds of Secrets then one

331

00:14:56,190 --> 00:14:54,250

thing is not a secret I disagree with

332

00:14:57,990 --> 00:14:56,200

this president's direction that he's

333

00:15:00,090 --> 00:14:58,000

taking the country we could do a better

334

00:15:01,740 --> 00:15:00,100

job and I intend to do it and we'll be

335

00:15:03,230 --> 00:15:01,750

watching be safe on the campaign trail

336

00:15:06,650 --> 00:15:03,240

John Kerry thanks for joining us

337

00:15:09,900 --> 00:15:06,660

so this is Tim Russert yep Tim Russert

338

00:15:13,920 --> 00:15:09,910

interviewing Bush and Kerry on separate

339

00:15:14,870 --> 00:15:13,930

interviews and and then shortly after

340

00:15:16,910 --> 00:15:14,880

all this happened

341

00:15:20,490 --> 00:15:16,920

[Music]

342

00:15:22,200 --> 00:15:20,500

NBC News and it is my sad duty to report

343

00:15:24,990 --> 00:15:22,210

this afternoon that my friend and

344

00:15:27,270 --> 00:15:25,000

colleague Tim Russert the moderator of

345

00:15:29,760 --> 00:15:27,280

Meet the Press and NBC's Washington

346

00:15:32,970 --> 00:15:29,770

bureau chief collapsed and died early

347

00:15:36,270 --> 00:15:32,980

this afternoon while at work at the NBC

348

00:15:38,850 --> 00:15:36,280

news bureau and Washington yeah so so

349

00:15:43,760 --> 00:15:38,860

I'm feeling figure out exactly when

350

00:15:48,120 --> 00:15:43,770

russer died he died June 13th 2008

351

00:15:49,380 --> 00:15:48,130

mm-hmm so I'm not sure look he asked

352

00:15:50,370 --> 00:15:49,390

some pretty interesting questions there

353

00:15:52,080 --> 00:15:50,380

I'll give tell gift

354

00:15:54,240 --> 00:15:52,090

Timmy that that he really kind of like

355

00:15:57,090 --> 00:15:54,250

an immediate thing it wasn't a media

356

00:16:00,150 --> 00:15:57,100

thing but he definitely poked him I mean

357

00:16:02,040 --> 00:16:00,160

that's it I would say for for poking

358

00:16:06,030 --> 00:16:02,050

people he was pretty bold by saying the

359

00:16:08,370 --> 00:16:06,040

number talking about the this and kudos

360

00:16:12,330 --> 00:16:08,380

to good old Timmy Russert for doing that

361

00:16:14,850 --> 00:16:12,340

but yeah he died but less than maybe a

362

00:16:17,490 --> 00:16:14,860

year later in that than from asking

363

00:16:18,300 --> 00:16:17,500

those questions know if it was in 2008

364

00:16:20,310 --> 00:16:18,310

it would have been about four years

365

00:16:22,530 --> 00:16:20,320

later oh I'm sorry you're right I'm

366

00:16:25,260 --> 00:16:22,540

sorry I was because you said look you

367

00:16:26,910 --> 00:16:25,270

know it's the same thing with um Podesta

368

00:16:28,350 --> 00:16:26,920

and Breitbart and everything else you

369

00:16:31,080 --> 00:16:28,360

know Breitbart didn't die immediately

370

00:16:33,720 --> 00:16:31,090

after accusing John Podesta of being a

371

00:16:34,569 --> 00:16:33,730

pedophile you know he died months and

372

00:16:36,759 --> 00:16:34,579

months months

373

00:16:38,169 --> 00:16:36,769

later of a heart attack I think Tim

374

00:16:39,669 --> 00:16:38,179

Russert eventually does it say what he

375

00:16:44,369 --> 00:16:39,679

died of I think it was a heart attack

376

00:16:48,129 --> 00:16:44,379

um let's see here correspondent and I

377

00:16:50,199 --> 00:16:48,139

I'm gonna look for right now because I

378

00:16:52,319 --> 00:16:50,209

just want to share this clip also I had

379

00:16:55,030 --> 00:16:52,329

to fight one time they wanted me to find

380

00:16:57,660 --> 00:16:55,040

to find out if there was such a thing as

381

00:17:00,639 --> 00:16:57,670

as a poison that was undetectable

382

00:17:03,639 --> 00:17:00,649

especially one that seemed to mimic a

383

00:17:05,649 --> 00:17:03,649

heart attack that would kill someone but

384

00:17:13,569 --> 00:17:05,659

it would appear that they had a heart

385

00:17:15,779 --> 00:17:13,579

attack I did find such a thing and a

386

00:17:18,789 --> 00:17:15,789

special one was developed which

387

00:17:21,939 --> 00:17:18,799

potentially would be able to enter the

388

00:17:25,240 --> 00:17:21,949

target without perception the poison was

389

00:17:28,539 --> 00:17:25,250

frozen into some sort of dart and then

390

00:17:31,750 --> 00:17:28,549

it was shot at very high speed into the

391

00:17:34,000 --> 00:17:31,760

person so at when it reached the person

392

00:17:35,889 --> 00:17:34,010

it would melt inside them and the only

393

00:17:38,169 --> 00:17:35,899

thing would be like one little tiny red

394

00:17:38,769 --> 00:17:38,179

dot on their body which was hard to

395

00:17:40,480 --> 00:17:38,779

detect

396

00:17:44,230 --> 00:17:40,490

there wouldn't be a needle left or

397

00:17:46,779 --> 00:17:44,240

anything like that in the person so this

398

00:17:49,600 --> 00:17:46,789

is a heart attack gun this is a 1975

399

00:17:50,889 --> 00:17:49,610

congressional hearing this church

400

00:17:54,639 --> 00:17:50,899

committee a we've talked about on the

401
00:17:56,370 --> 00:17:54,649
show before this is this is from 1975

402
00:17:59,320 --> 00:17:56,380
now if you look at into Skull and Bones

403
00:18:01,570 --> 00:17:59,330
three-to-two Skull and Bones day Skull

404
00:18:04,570 --> 00:18:01,580
and Bones and the CIA are intimately

405
00:18:08,409 --> 00:18:04,580
connected as well as the OSS which was

406
00:18:10,450 --> 00:18:08,419
the precursor to the CIA and so you know

407
00:18:14,680 --> 00:18:10,460
to think that the CIA had a heart attack

408
00:18:17,590 --> 00:18:14,690
gun in 1975 and before you just you have

409
00:18:21,100 --> 00:18:17,600
to wonder like what kind of radical

410
00:18:22,690 --> 00:18:21,110
crazy technology do they have now to get

411
00:18:24,220 --> 00:18:22,700
people to die and it makes me think of

412
00:18:25,930 --> 00:18:24,230
people like michael hastings who

413
00:18:29,919 --> 00:18:25,940

apparently was close to a lot of this

414

00:18:32,549 --> 00:18:29,929

paedophile CIA spying stuff whose car

415

00:18:36,009 --> 00:18:32,559

was not hacked but was probably hacked

416

00:18:38,289 --> 00:18:36,019

Russert died of a heart attack yeah hey

417

00:18:39,240 --> 00:18:38,299

the gun works I mean there should be a

418

00:18:41,550 --> 00:18:39,250

buzz

419

00:18:43,370 --> 00:18:41,560

we should be cheap I don't know if we

420

00:18:46,620 --> 00:18:43,380

should be cheering that he died of a

421

00:18:49,500 --> 00:18:46,630

heart attack but he did die of a heart

422

00:18:53,390 --> 00:18:49,510

attack it said he had a history of

423

00:18:56,400 --> 00:18:53,400

coronary coronary artery disease led to

424

00:19:01,830 --> 00:18:56,410

an infraction in ventricular

425

00:19:04,200 --> 00:19:01,840

fibrillation blah blah but who knows now

426

00:19:06,150 --> 00:19:04,210

I do like theory that he was killed her

427

00:19:09,990 --> 00:19:06,160

you know they used the heart attack gun

428

00:19:14,430 --> 00:19:10,000

on him who knows but I like the theory

429

00:19:16,680 --> 00:19:14,440

that Breitbart was taken out he rubbed

430

00:19:19,020 --> 00:19:16,690

the wrong way that's pretty nice for

431

00:19:20,460 --> 00:19:19,030

sure oh man and I've been watching a lot

432

00:19:23,040 --> 00:19:20,470

of Breitbart lately and I almost feel

433

00:19:26,220 --> 00:19:23,050

like drug-drug Breitbart the

434

00:19:30,420 --> 00:19:26,230

organization the news website has become

435

00:19:32,550 --> 00:19:30,430

a pale failure compared to what Andrew

436

00:19:34,050 --> 00:19:32,560

Breitbart was about like if I go back

437

00:19:35,910 --> 00:19:34,060

and I watch some of these videos of

438

00:19:38,280 --> 00:19:35,920

Andrew Breitbart man this guy had some

439

00:19:39,840 --> 00:19:38,290

really wild and great ideas he reminds

440

00:19:41,340 --> 00:19:39,850

me of Matt Drudge in a way where he's

441

00:19:44,160 --> 00:19:41,350

talking about like the democratization

442

00:19:46,200 --> 00:19:44,170

of information and journalism you know

443

00:19:48,090 --> 00:19:46,210

and I think this is why you would make

444

00:19:50,010 --> 00:19:48,100

an example of a guy like Breitbart

445

00:19:52,410 --> 00:19:50,020

because he does say all this stuff and

446

00:19:54,810 --> 00:19:52,420

the funny thing about the Breitbart

447

00:19:57,000 --> 00:19:54,820

death is that his coroner dies of

448

00:19:59,520 --> 00:19:57,010

cyanide poisoning you know what like a

449

00:20:01,440 --> 00:19:59,530

couple days later or something after the

450

00:20:03,060 --> 00:20:01,450

coroner investigates Breitbart stuff

451

00:20:04,860 --> 00:20:03,070

it's just there's just too much

452

00:20:07,710 --> 00:20:04,870

craziness around that thing

453

00:20:10,020 --> 00:20:07,720

pretty good huh yeah well I mean are

454

00:20:13,170 --> 00:20:10,030

they gonna take out Alex Jones I mean oh

455

00:20:15,840 --> 00:20:13,180

his composition Alex keeps saying that

456

00:20:18,660 --> 00:20:15,850

he's gonna be taken out it's real it's

457

00:20:22,950 --> 00:20:18,670

real I'm mad they keep saying he's on

458

00:20:26,610 --> 00:20:22,960

air every day that he's gonna be taken

459

00:20:36,350 --> 00:20:26,620

out Milou a form of crap today talking

460

00:20:39,240 --> 00:20:36,360

about how he's lost 80 pounds yeah I

461

00:20:41,280 --> 00:20:39,250

love this this skull and bone stuff I

462

00:20:44,040 --> 00:20:41,290

love the the numerology and the

463

00:20:47,370 --> 00:20:44,050

symbolism all this kind of the dark

464

00:20:50,760 --> 00:20:47,380

underbelly of the of the the ruling

465

00:20:51,930 --> 00:20:50,770

elites and cleaning gross stuff Andy

466

00:20:52,830 --> 00:20:51,940

hasn't really talked about too much

467

00:20:55,260 --> 00:20:52,840

lately so I'm

468

00:20:56,880 --> 00:20:55,270

being brought up again yeah this is the

469

00:20:59,460 --> 00:20:56,890

with the deep parts of the rabbit hole

470

00:21:00,930 --> 00:20:59,470

it's easy to look at the top level and

471

00:21:02,940 --> 00:21:00,940

go yeah it could be a conspiracy but

472

00:21:04,409 --> 00:21:02,950

when you go back look into this I mean

473

00:21:06,000 --> 00:21:04,419

the history of Skull and Bones in

474

00:21:08,070 --> 00:21:06,010

general there's Wikipedia stuff on there

475

00:21:09,810 --> 00:21:08,080

it's even gets pretty conspiratorial

476
00:21:11,190 --> 00:21:09,820
even on Wikipedia but when you look at

477
00:21:14,279 --> 00:21:11,200
people I can't any sudden man you get

478
00:21:16,380 --> 00:21:14,289
some really interesting connections with

479
00:21:18,269 --> 00:21:16,390
you know who's helping who and the

480
00:21:19,919 --> 00:21:18,279
Hegelian dialectic and all that stuff

481
00:21:21,299 --> 00:21:19,929
that clip didn't play accident close the

482
00:21:23,580 --> 00:21:21,309
window before it got to it but he

483
00:21:25,620 --> 00:21:23,590
basically says that when you have John

484
00:21:27,330 --> 00:21:25,630
Kerry versus George Bush or in that case

485
00:21:29,850 --> 00:21:27,340
that he's describing Harriman versus

486
00:21:31,919 --> 00:21:29,860
Bush they're basically setting up two

487
00:21:34,649 --> 00:21:31,929
different opposition points so that they

488
00:21:37,279 --> 00:21:34,659

can go for the planned merge of what

489

00:21:43,440 --> 00:21:37,289

they actually want so it's interesting

490

00:21:43,590 --> 00:21:43,450

yeah it's it's all bizarre to me I love
