

A person is riding a brown horse on a dirt path that winds through a lush green field. The path is reddish-brown and shows some tire tracks. The surrounding vegetation is dense and green. The overall scene is captured in a slightly grainy, vintage-style video frame.

Mysterious 'lost' pygmy tribe of Indonesia ...

1
00:00:00,320 --> 00:00:06,430
[Applause]

2
00:00:11,120 --> 00:00:09,500
everyone I'm a little drunk in this

3
00:00:14,150 --> 00:00:11,130
audio segment we're talking about the

4
00:00:16,670 --> 00:00:14,160
Indonesian pygmy sighting I struggle to

5
00:00:18,740 --> 00:00:16,680
read as I always do just now a little

6
00:00:20,990 --> 00:00:18,750
bit more impaired check the video

7
00:00:23,660 --> 00:00:21,000
description for links to the story and

8
00:00:25,810 --> 00:00:23,670
the video we go off on many tangents and

9
00:00:27,920 --> 00:00:25,820
loop it all back around to cryptozoology

10
00:00:29,929 --> 00:00:27,930
Bigfoot and a whole bunch of other

11
00:00:33,049 --> 00:00:29,939
things thanks for listening and I will

12
00:00:40,610 --> 00:00:33,059
talk to you later I have right now let's

13
00:00:46,280 --> 00:00:44,900

let me just pay I'm having a domino pain

14

00:00:51,229 --> 00:00:46,290

but I have a story right now for

15

00:00:55,630 --> 00:00:51,239

everyone not there this is a new video

16

00:00:58,220 --> 00:00:55,640

that has come out this is like a a weird

17

00:01:01,720 --> 00:00:58,230

Indonesian video it is an article this

18

00:01:06,640 --> 00:01:01,730

comes from Krypton mundo dot-com and

19

00:01:09,770 --> 00:01:06,650

this is a reported video of a pygmy in

20

00:01:12,520 --> 00:01:09,780

Indonesian pygmy jumping out in the

21

00:01:16,999 --> 00:01:12,530

front of a bunch of like motocross guys

22

00:01:21,230 --> 00:01:17,009

running down this road and then being

23

00:01:23,410 --> 00:01:21,240

followed like I finally on the feed is

24

00:01:26,260 --> 00:01:23,420

fishy I rang Ben deck yeah like the

25

00:01:30,350 --> 00:01:26,270

Vietnamese kind of like Bigfoot but it's

26
00:01:32,300 --> 00:01:30,360
smaller much smaller these guys it looks

27
00:01:34,340 --> 00:01:32,310
like a [h__\h] pygmy I'll play I'll play

28
00:01:36,710 --> 00:01:34,350
the audio i know you must mean right now

29
00:01:40,609 --> 00:01:36,720
but just listen to it and I'll describe

30
00:01:50,600 --> 00:01:40,619
it in detail please there's a song right

31
00:01:52,910 --> 00:01:50,610
now here and it's gonna go into some

32
00:01:55,460 --> 00:01:52,920
motocross guys going whatever is gonna

33
00:01:57,699 --> 00:01:55,470
wreck up around the bend and it the bend

34
00:02:01,339 --> 00:01:57,709
turns to the right the wreck and then

35
00:02:04,730 --> 00:02:01,349
pops a pygmy it looks like a guy in the

36
00:02:07,480 --> 00:02:04,740
loincloth running down this two lane

37
00:02:09,830 --> 00:02:07,490
dirt road and then the motocrosser

38
00:02:14,059 --> 00:02:09,840

drives to the right and the pygmy dies

39

00:02:17,600 --> 00:02:14,069

off to the left now that's about it

40

00:02:19,760 --> 00:02:17,610

right there now this comes so this is

41

00:02:22,339 --> 00:02:19,770

from the Oracle is this a member of the

42

00:02:24,770 --> 00:02:22,349

Indonesian lost pygmy try mysterious

43

00:02:28,000 --> 00:02:24,780

small figure is caught on camera screen

44

00:02:32,150 --> 00:02:28,010

out of the undergrowth in remote area of

45

00:02:33,530 --> 00:02:32,160

North Sumatra well those guys because

46

00:02:35,180 --> 00:02:33,540

they definitely saw something on video

47

00:02:36,559 --> 00:02:35,190

could say there are stopping and getting

48

00:02:38,059 --> 00:02:36,569

off their bikes and looking's it doesn't

49

00:02:40,070 --> 00:02:38,069

think of a CGI there they were seeing

50

00:02:42,260 --> 00:02:40,080

something yeah I don't think this is CG

51
00:02:44,180 --> 00:02:42,270
re I think this is something real here

52
00:02:46,100 --> 00:02:44,190
no I don't care all looking for it I

53
00:02:48,380 --> 00:02:46,110
don't know if this is like fakery if

54
00:02:52,399 --> 00:02:48,390
they put like some kind of child up to

55
00:02:54,020 --> 00:02:52,409
do this boat I I don't know at this

56
00:02:57,830 --> 00:02:54,030
point the person

57
00:03:01,250 --> 00:02:57,840
spotted in Vanek the northern tip of

58
00:03:02,870 --> 00:03:01,260
Sumatra he appeared to be half naked and

59
00:03:05,690 --> 00:03:02,880
ran down dirt track carried a large

60
00:03:08,740 --> 00:03:05,700
stick after a group of bikers chased him

61
00:03:13,760 --> 00:03:08,750
the man dived into the budget brushes

62
00:03:15,470 --> 00:03:13,770
bushes and disappeared in 2013 2003

63
00:03:17,900 --> 00:03:15,480

archeologists found evidence of an

64

00:03:23,180 --> 00:03:17,910

ancient race of small Hobbit like humans

65

00:03:27,520 --> 00:03:23,190

on the island of floors or Flores on the

66

00:03:32,110 --> 00:03:27,530

other side of the Apple Lagoon

67

00:03:47,900 --> 00:03:32,120

all right well you trace the archipelago

68

00:03:50,630 --> 00:03:47,910

yeah it looks like it looks like the The

69

00:03:54,440 --> 00:03:50,640

Dude's holding something - yeah he's

70

00:03:56,780 --> 00:03:54,450

only he's only the spear yeah that's

71

00:03:58,640 --> 00:03:56,790

pretty much that's something else man do

72

00:04:01,220 --> 00:03:58,650

you think do you think they're go or do

73

00:04:05,270 --> 00:04:01,230

you think they put out so this is what

74

00:04:07,069 --> 00:04:05,280

I'm asking if this by these beam or not

75

00:04:09,800 --> 00:04:07,079

be Mex bikers the motocross sirs then

76

00:04:11,720 --> 00:04:09,810

the Brydon we're on the trail you gonna

77

00:04:14,080 --> 00:04:11,730

[h__\h] that thing or not like I don't know

78

00:04:22,270 --> 00:04:16,640

yes revenge for missing four and one

79

00:04:29,870 --> 00:04:26,810

Jesus is bad no I can't we need we need

80

00:04:33,230 --> 00:04:29,880

new material I you're right

81

00:04:35,529 --> 00:04:33,240

we're really moving worse you're gonna

82

00:04:40,520 --> 00:04:35,539

[h__\h] it man

83

00:04:45,320 --> 00:04:40,530

that's all this podcast is a Bigfoot can

84

00:04:48,140 --> 00:04:45,330

i [h__\h] it can i [h__\h] those that's all

85

00:04:53,719 --> 00:04:48,150

this is dude you're right we need a new

86

00:04:56,450 --> 00:04:53,729

stick it's bad but usually I bring this

87

00:04:59,180 --> 00:04:56,460

up so let's say this story is legitimate

88

00:05:01,490 --> 00:04:59,190

and that there is like a small tribe of

89

00:05:05,270 --> 00:05:01,500

pygmies out there in Indonesia and these

90

00:05:07,370 --> 00:05:05,280

are like smaller humanoids and you might

91

00:05:09,530 --> 00:05:07,380

want to you might ask like Oh what is a

92

00:05:11,570 --> 00:05:09,540

what is a pygmy a pygmy is a member of

93

00:05:13,430 --> 00:05:11,580

an ethnic group whose average height is

94

00:05:15,020 --> 00:05:13,440

usually short and they're probably

95

00:05:17,690 --> 00:05:15,030

justifying to pick me as a member for

96

00:05:21,770 --> 00:05:17,700

any group of adult men where the average

97

00:05:23,360 --> 00:05:21,780

height is less than four feet in 11

98

00:05:27,650 --> 00:05:23,370

inches that's about a hundred and fifty

99

00:05:31,090 --> 00:05:27,660

centimeters that defines a pygmy so if

100

00:05:34,460 --> 00:05:31,100

there's pygmy like random weird pygmy

101

00:05:37,700 --> 00:05:34,470

tribes out there why can't there be a

102

00:05:40,190 --> 00:05:37,710

Bigfoot or Sasquatch that mean less

103

00:05:42,410 --> 00:05:40,200

populate less less populated but still

104

00:05:45,200 --> 00:05:42,420

the same if there's like humanoid

105

00:05:47,240 --> 00:05:45,210

pygmies out there in a tribe why not a

106

00:05:49,580 --> 00:05:47,250

Bigfoot why not a troll why not a goat

107

00:05:51,650 --> 00:05:49,590

man it seems completely plausible

108

00:05:53,720 --> 00:05:51,660

there's so many different Amazon tribes

109

00:05:55,340 --> 00:05:53,730

they have yet to be discovered or have

110

00:05:57,350 --> 00:05:55,350

been discovered and they just don't want

111

00:06:00,620 --> 00:05:57,360

anything to do with the modern world

112

00:06:03,230 --> 00:06:00,630

there is an island off of India and Sri

113

00:06:05,480 --> 00:06:03,240

Lanka that had you can't step foot on

114

00:06:07,190 --> 00:06:05,490

there if you're from the modern world

115

00:06:10,040 --> 00:06:07,200

those [h__h] kill you

116

00:06:11,240 --> 00:06:10,050

vice the hell you're on it north I think

117

00:06:14,060 --> 00:06:11,250

is the North Sentinel island or

118

00:06:17,320 --> 00:06:14,070

something yeah it's like so there are

119

00:06:20,930 --> 00:06:17,330

these pockets there's these pockets of

120

00:06:22,730 --> 00:06:20,940

non modernization that go on and

121

00:06:25,640 --> 00:06:22,740

something but sometimes the modern world

122

00:06:27,980 --> 00:06:25,650

bumps into this weird other primitive

123

00:06:30,260 --> 00:06:27,990

world doesn't make anyone less real than

124

00:06:32,270 --> 00:06:30,270

the other but sometimes they run into

125

00:06:33,800 --> 00:06:32,280

another one another and that's what I

126

00:06:36,920 --> 00:06:33,810

think maybe happened here

127

00:06:38,600 --> 00:06:36,930

I'm not want an egg all fake yeah sure

128

00:06:40,310 --> 00:06:38,610

when I'm willing to take it for what it

129

00:06:42,350 --> 00:06:40,320

is and talk about the possibilities of

130

00:06:43,610 --> 00:06:42,360

the really demon a pygmy tribe in

131

00:06:47,780 --> 00:06:43,620

Indonesia that's fine

132

00:06:50,600 --> 00:06:47,790

laws with me I mean we've seen reports

133

00:06:52,520 --> 00:06:50,610

of like Bigfoot skunk Apes I've seen a

134

00:06:54,830 --> 00:06:52,530

lot of stories about skunk ape you type

135

00:06:56,420 --> 00:06:54,840

in skunk ape right now in Google type in

136

00:06:59,060 --> 00:06:56,430

news it's gonna come down the Florida

137

00:07:01,670 --> 00:06:59,070

there's reports of skunk apes in Florida

138

00:07:04,520 --> 00:07:01,680

right now not a big [h__\h] deal this

139

00:07:07,130 --> 00:07:04,530

this is going on I don't think it's that

140

00:07:11,020 --> 00:07:07,140

far-fetched to consider this is real

141

00:07:14,150 --> 00:07:11,030

that Bigfoot is real and all these other

142

00:07:16,490 --> 00:07:14,160

weird things that we read about it might

143

00:07:17,990 --> 00:07:16,500

be some validity to it it's not that not

144

00:07:20,760 --> 00:07:18,000

that's not that far stretch I don't

145

00:07:24,090 --> 00:07:20,770

think at this point

146

00:07:29,320 --> 00:07:24,100

especially if this pygmy story is true I

147

00:07:31,450 --> 00:07:29,330

think it gives even more validity to

148

00:07:35,500 --> 00:07:31,460

Sasquatch and Bigfoot because these are

149

00:07:37,900 --> 00:07:35,510

people these guys man people do weird

150

00:07:40,540 --> 00:07:37,910

[h__\h] there you can kind of relate to a

151
00:07:42,010 --> 00:07:40,550
person who I mean whether or not they're

152
00:07:43,180 --> 00:07:42,020
in a tribe or not you can kind of get

153
00:07:44,950 --> 00:07:43,190
into her mentality you know they want to

154
00:07:46,840 --> 00:07:44,960
explore they see weird bikes and stuff

155
00:07:49,420 --> 00:07:46,850
like that yeah they want to interact a

156
00:07:50,680 --> 00:07:49,430
little bit yeah they're scared but

157
00:07:53,670 --> 00:07:50,690
you'll interact with them a little bit

158
00:07:55,720 --> 00:07:53,680
not that not that far off I think is

159
00:07:58,870 --> 00:07:55,730
somewhat reasonable there's a lot of

160
00:08:00,130 --> 00:07:58,880
stories about this two pygmy tribes

161
00:08:01,390 --> 00:08:00,140
there's photographs

162
00:08:04,210 --> 00:08:01,400
the only thing I'm disappointed about

163
00:08:07,690 --> 00:08:04,220

with this video on this trail I can't

164

00:08:10,120 --> 00:08:07,700

get a good look at this guy's donkey

165

00:08:12,010 --> 00:08:10,130

packet of course yeah what it what are

166

00:08:14,230 --> 00:08:12,020

these pygmies packing do they have pygmy

167

00:08:15,430 --> 00:08:14,240

sized penises or like man-sized yeah you

168

00:08:17,020 --> 00:08:15,440

got a little stanking you're hanging on

169

00:08:19,210 --> 00:08:17,030

what's going on there dude that would be

170

00:08:21,820 --> 00:08:19,220

a that would be amazing if they just had

171

00:08:23,980 --> 00:08:21,830

normal dude sized penises on like little

172

00:08:27,250 --> 00:08:23,990

bodies might be what if their vaginas

173

00:08:28,960 --> 00:08:27,260

are just as big yeah I mean like that'd

174

00:08:33,310 --> 00:08:28,970

be very disappointing if you're a pygmy

175

00:08:35,529 --> 00:08:33,320

trying to be sexist towards your your

176

00:08:38,610 --> 00:08:35,539

wife yeah give her an orgasm sure

177

00:08:41,050 --> 00:08:38,620

absolutely I'm great with you yeah

178

00:08:44,320 --> 00:08:41,060

pussy's way too big oh that's actually

179

00:08:46,720 --> 00:08:44,330

maybe they're more evolved their [h__\h]

180

00:08:49,180 --> 00:08:46,730

are human sized mm-hmm and therefore the

181

00:08:52,210 --> 00:08:49,190

pygmy penises can't get them to come and

182

00:08:54,340 --> 00:08:52,220

so they're more evolved civilization

183

00:08:58,240 --> 00:08:54,350

because they never get their women to

184

00:09:01,180 --> 00:08:58,250

have orgasms and bite and therefore

185

00:09:02,620 --> 00:09:01,190

they're never great or sexist or

186

00:09:06,730 --> 00:09:02,630

whatever it is you're are you I feel

187

00:09:09,550 --> 00:09:06,740

yeah yeah it so it all makes sense well

188

00:09:14,830 --> 00:09:09,560

I guess only if you dissect it as much

189

00:09:18,630 --> 00:09:14,840

as we do yeah when you're trying to loop

190

00:09:22,120 --> 00:09:18,640

it all back around sure yeah what uh

191

00:09:24,250 --> 00:09:22,130

modern-day research of sexuality between

192

00:09:26,470 --> 00:09:24,260

a man and women into a pygmy tribe I

193

00:09:28,840 --> 00:09:26,480

don't know if it's gonna work but I how

194

00:09:31,510 --> 00:09:28,850

[h__h] bad sorry I just thinking about

195

00:09:33,550 --> 00:09:31,520

all the the second the pygmy thing I

196

00:09:36,010 --> 00:09:33,560

love the Bigfoot stuff yes

197

00:09:38,290 --> 00:09:36,020

validates this idea that what couldn't

198

00:09:40,060 --> 00:09:38,300

there be [h__h] out there there supposedly

199

00:09:42,400 --> 00:09:40,070

tribes that people are still finding and

200

00:09:44,590 --> 00:09:42,410

all this stuff but yeah like how [h__h]

201

00:09:46,690 --> 00:09:44,600

good do you have it to start bitching

202

00:09:48,790 --> 00:09:46,700

about the fact that men want you to get

203

00:09:50,950 --> 00:09:48,800

have an orgasm yeah exactly a good is

204

00:09:53,920 --> 00:09:50,960

your life how [\h__\h] privileged are you

205

00:09:56,530 --> 00:09:53,930

yeah Jesus Christ as well comes down to

206

00:09:59,290 --> 00:09:56,540

like how bored are you to find reasons

207

00:10:00,370 --> 00:09:59,300

to complain the grand I can play a

208

00:10:03,040 --> 00:10:00,380

little [\h__\h] time

209

00:10:06,220 --> 00:10:03,050

she's about mundane [\h__\h] I don't

210

00:10:13,180 --> 00:10:06,230

complain about how I'm living complain

211

00:10:17,170 --> 00:10:13,190

about like importance I'm gonna get

212

00:10:18,790 --> 00:10:17,180

fresh free to today that's normal fresh

213

00:10:23,950 --> 00:10:18,800

[\h__\h] attitude you little [\h__\h]

214

00:10:28,800 --> 00:10:23,960

yeah that stinky [\h__\h] of yours

215

00:10:32,260 --> 00:10:28,810

goddamnit you piece of [\h__\h] [\h__\h] yeah

216

00:10:35,710 --> 00:10:32,270

[\h__\h] give me where's your [\h__\h]

217

00:10:40,420 --> 00:10:35,720

menus no words there's a bunch of

218

00:10:46,630 --> 00:10:40,430

pictures on the [\h__\h] menu I can't

219

00:10:52,870 --> 00:10:46,640

read it drive-through knows no words

220

00:10:54,550 --> 00:10:52,880

that there's no words there bring a

221

00:10:56,470 --> 00:10:54,560

sound board through the drive-thru and

222

00:10:58,510 --> 00:10:56,480

have somebody report it yeah just got

223

00:11:02,050 --> 00:10:58,520

theirs they want to marry a guy and a

224

00:11:07,600 --> 00:11:02,060

babe alright sir pull through I mean how

225

00:11:10,060 --> 00:11:07,610

can we serve you fresh I'm a bisexual so

226

00:11:13,090 --> 00:11:10,070

does that mean you want a mocha chai

227

00:11:18,130 --> 00:11:13,100

latte or something I'm thinking about

228

00:11:21,650 --> 00:11:18,140

coming out all right thank you should

229

00:11:24,120 --> 00:11:21,660

alright please pull it around

230

00:11:26,470 --> 00:11:24,130

[Music]

231

00:11:32,110 --> 00:11:26,480

do you like to supersize that for 99

232

00:11:39,760 --> 00:11:32,120

cents [h__\h] thing okay what does that

233

00:11:43,120 --> 00:11:39,770

mean what does that mean what does that

234

00:11:44,350 --> 00:11:43,130

mean um alright we're gonna carry it

235

00:11:46,120 --> 00:11:44,360

we're I think it's time to get through

236

00:11:46,620 --> 00:11:46,130

some headlines here we a long way to go

237

00:11:48,270 --> 00:11:46,630

guys

238

00:11:50,340 --> 00:11:48,280

thing I had to say is if you look at the

239

00:11:54,290 --> 00:11:50,350

thumbnail of the YouTube video it's

240

00:11:58,740 --> 00:11:56,910

is probably just a normal size do you

241

00:12:00,900 --> 00:11:58,750

mean longer ya know what if it's

242

00:12:02,910 --> 00:12:00,910

stronger it's so big that they has to

243

00:12:04,260 --> 00:12:02,920

carrying did see his loops out around on

244

00:12:07,890 --> 00:12:04,270

the front he holds it like a few feet

245

00:12:10,380 --> 00:12:07,900

off to the side let's see if that's the

246

00:12:11,760 --> 00:12:10,390

case you could jump rope with it and

247

00:12:12,990 --> 00:12:11,770

then when you plant your flag in the

248

00:12:13,800 --> 00:12:13,000

ground you're actually sticking your dog

249

00:12:16,980 --> 00:12:13,810

on the ground

250

00:12:20,060 --> 00:12:16,990

so all right whatever and that's all

251
00:12:22,770 --> 00:12:20,070
sexist yeah very very sexist absolutely

252
00:12:25,980 --> 00:12:22,780
yeah I'm on board with sexism I like it

253
00:12:30,360 --> 00:12:25,990
dude I [\h__\h] hate women men suck too

254
00:12:36,240 --> 00:12:30,370
come on excuse me

255
00:12:37,950 --> 00:12:36,250
how you Pam so good thanks Alex yeah I'm

256
00:12:41,579 --> 00:12:37,960
sorry I apologize

257
00:12:43,200 --> 00:12:41,589
we apologize still have ran into him I'm

258
00:12:45,240 --> 00:12:43,210
still looking for him got my eyes peeled

259
00:12:46,410 --> 00:12:45,250
I think yeah go to the local barbecue

260
00:12:48,540 --> 00:12:46,420
place you got a barbecue place down

261
00:12:51,180 --> 00:12:48,550
there in Austin oh no there's no

262
00:12:55,610 --> 00:12:51,190
barbecue places here yeah hard to

263
00:12:57,680 --> 00:12:55,620

believe no I haven't seen any I'll ask

264

00:13:00,269 --> 00:12:57,690

around

265

00:13:03,810 --> 00:13:00,279

where's the ads you guys kept barbecue

266

00:13:09,269 --> 00:13:03,820

or is there only one place you could you

267

00:13:13,430 --> 00:13:09,279

guys have a Tim Horton's okay good can't

268

00:13:16,440 --> 00:13:13,440

get barbecue a Tim Horton's is fresh I

269

00:13:17,820 --> 00:13:16,450

need a barbecue sandwich at six o'clock

270

00:13:24,390 --> 00:13:17,830

in the morning do you have a here in

271

00:13:27,960 --> 00:13:24,400

Texas you have barbecue Timbits they're

272

00:13:31,470 --> 00:13:27,970

probably so down there yeah barbecued

273

00:13:33,690 --> 00:13:31,480

balls that's what we do I think it's

274

00:13:37,160 --> 00:13:33,700

time for the [h__h] news now it's time

275

00:13:39,239 --> 00:13:37,170

for the news

276

00:13:40,530 --> 00:13:39,249

all right this Punisher where every
