

ANCIENT BUILDER ALIENS

1
00:00:00,320 --> 00:00:07,870
[Applause]

2
00:00:16,240 --> 00:00:12,080
and now we'll move on to some UFO alien

3
00:00:20,390 --> 00:00:16,250
[h__h] all right thank you excuse me

4
00:00:22,519 --> 00:00:20,400
excuse me excuse me I don't know am I

5
00:00:25,279 --> 00:00:22,529
having a good day Joe am I having a good

6
00:00:27,140 --> 00:00:25,289
pod right now uh you know what I'm

7
00:00:28,820 --> 00:00:27,150
enjoying myself I don't know how clown

8
00:00:32,179 --> 00:00:28,830
baby feels about this but you definitely

9
00:00:34,220 --> 00:00:32,189
seem tense you feel like it seems yeah

10
00:00:36,290 --> 00:00:34,230
yeah yeah it seems like were you

11
00:00:38,780 --> 00:00:36,300
molested or something

12
00:00:42,290 --> 00:00:38,790
I mean somebody rape you happened well I

13
00:00:44,060 --> 00:00:42,300

have a story about that okay I talked

14

00:00:46,279 --> 00:00:44,070

about the story on the on the podcast I

15

00:00:50,510 --> 00:00:46,289

think many times but I have a memory I

16

00:00:52,910 --> 00:00:50,520

cannot place and when I went into the

17

00:00:54,410 --> 00:00:52,920

the most when I when I got my hernia

18

00:00:56,479 --> 00:00:54,420

operation I asked the anesthesiologist

19

00:00:57,799 --> 00:00:56,489

and some nurses so they Hey when I got

20

00:01:00,049 --> 00:00:57,809

my tie like because they asked you have

21

00:01:01,610 --> 00:01:00,059

you had any operations before that you

22

00:01:03,860 --> 00:01:01,620

have to have all this this upfront

23

00:01:05,299 --> 00:01:03,870

knowledge and they said yeah I got my

24

00:01:08,050 --> 00:01:05,309

tonsils taken out and ran around this

25

00:01:11,690 --> 00:01:08,060

period of time I have a distinct memory

26
00:01:14,060 --> 00:01:11,700
of being tied face down all my arms like

27
00:01:16,550 --> 00:01:14,070
one hand tied to the end of the bed the

28
00:01:19,070 --> 00:01:16,560
other right hand and to the other end of

29
00:01:22,100 --> 00:01:19,080
the bed and then my my feet spread so

30
00:01:24,410 --> 00:01:22,110
you look at an X you know tied down and

31
00:01:25,940 --> 00:01:24,420
I remember a person a nurse or a woman

32
00:01:27,800 --> 00:01:25,950
standing behind me trying to like come

33
00:01:30,140 --> 00:01:27,810
for me and I've never been in a room

34
00:01:32,660 --> 00:01:30,150
full of other children screaming just

35
00:01:34,219 --> 00:01:32,670
like me and I remember being a little

36
00:01:36,770 --> 00:01:34,229
term I had to the left and look back and

37
00:01:40,039 --> 00:01:36,780
kind of glance and I managed to get my

38
00:01:43,700 --> 00:01:40,049

left leg free of the bindings in

39

00:01:45,649 --> 00:01:43,710

kickback at the the the person standing

40

00:01:47,179 --> 00:01:45,659

guards nurse and remember making contact

41

00:01:52,810 --> 00:01:47,189

and feeling a great amount of gratitude

42

00:01:58,280 --> 00:01:55,789

okay now this is a very bombs terrible

43

00:02:02,060 --> 00:01:58,290

distinct memory it's been with me for as

44

00:02:05,749 --> 00:02:02,070

long as I can remember from age 7 on it

45

00:02:08,300 --> 00:02:05,759

happened right around I think 5 6 7 and

46

00:02:09,949 --> 00:02:08,310

I've asked various medical professional

47

00:02:11,089 --> 00:02:09,959

professionals in death that's the thing

48

00:02:12,709 --> 00:02:11,099

they do

49

00:02:14,989 --> 00:02:12,719

and even most recent when I went in

50

00:02:16,789 --> 00:02:14,999

there I made a made a point to ask they

51
00:02:18,709 --> 00:02:16,799
said that's not standard practice oh

52
00:02:22,489 --> 00:02:18,719
they would only tie you down if you were

53
00:02:25,369 --> 00:02:22,499
thrashing about and maybe any care that

54
00:02:27,259 --> 00:02:25,379
you would harm yourself in some way and

55
00:02:29,089 --> 00:02:27,269
so now I'm left with left with his

56
00:02:30,110 --> 00:02:29,099
memory or is it a dream because it

57
00:02:34,610 --> 00:02:30,120
doesn't feel like a dream

58
00:02:36,920 --> 00:02:34,620
it feels like a [h__h] memory do I go

59
00:02:38,300 --> 00:02:36,930
into hypnotic regression and open those

60
00:02:40,039 --> 00:02:38,310
can of worms and not know what at least

61
00:02:42,470 --> 00:02:40,049
it could be nothing it could be just a

62
00:02:45,050 --> 00:02:42,480
dream I'm having a pretty good life

63
00:02:48,949 --> 00:02:45,060

right now I have a good job good career

64

00:02:50,809 --> 00:02:48,959

getting this girl do I want to open up

65

00:02:54,170 --> 00:02:50,819

this can of worms of really exploring

66

00:02:57,349 --> 00:02:54,180

this memory of being tied down to a bed

67

00:02:59,720 --> 00:02:57,359

face down with a bunch of other

68

00:03:04,550 --> 00:02:59,730

screaming children around me where was I

69

00:03:06,319 --> 00:03:04,560

yes live streaming yes do that that can

70

00:03:10,009 --> 00:03:06,329

be one of the Saturday hangover shows

71

00:03:12,789 --> 00:03:10,019

just one show works on Saturday I don't

72

00:03:16,069 --> 00:03:12,799

know dude it's a very real memory for me

73

00:03:20,679 --> 00:03:16,079

and sure it's fine we just one show be

74

00:03:23,659 --> 00:03:20,689

fine one show in an hour

75

00:03:25,759 --> 00:03:23,669

good 30 30 minutes or so like you're

76
00:03:27,830 --> 00:03:25,769
part of an MKULTRA operation back in the

77
00:03:29,449 --> 00:03:27,840
early 80s and sorry this is we turned

78
00:03:31,159 --> 00:03:29,459
into okay

79
00:03:35,080 --> 00:03:31,169
some kind of wannabe artist who works in

80
00:03:37,429 --> 00:03:35,090
nineteen now yeah a deadbeat IT

81
00:03:38,689 --> 00:03:37,439
alcoholic in Eternia who has no

82
00:03:39,949 --> 00:03:38,699
furniture hitting new furniture and you

83
00:03:43,129 --> 00:03:39,959
roll around the floor to dry yourself

84
00:03:47,199 --> 00:03:43,139
off after showers basically Mike you're

85
00:03:54,439 --> 00:03:51,710
and you have your one boob one boob a

86
00:03:55,490 --> 00:03:54,449
massage by myself because at that point

87
00:03:59,209 --> 00:03:55,500
my girlfriend's not gonna want to touch

88
00:04:02,539 --> 00:03:59,219

me at all this guy doesn't even have

89

00:04:06,619 --> 00:04:02,549

furniture Andy's got repressed memories

90

00:04:08,029 --> 00:04:06,629

of being gang-raped one time one time I

91

00:04:13,249 --> 00:04:08,039

came over and he was rolling around the

92

00:04:15,409 --> 00:04:13,259

floor trying to dry himself off dog hair

93

00:04:17,539 --> 00:04:15,419

but he was at least try he's constantly

94

00:04:19,490 --> 00:04:17,549

covered in dog hair for some reason and

95

00:04:22,850 --> 00:04:19,500

he makes his coffee in the toilet is

96

00:04:24,830 --> 00:04:22,860

that normal I don't know Sanka

97

00:04:29,210 --> 00:04:24,840

it's Sanka it's this

98

00:04:31,879 --> 00:04:29,220

it's powder good copy yeah um I'm sure

99

00:04:32,960 --> 00:04:31,889

she and I she's in this girl I don't

100

00:04:37,909 --> 00:04:32,970

know if you'd put up with that [h__\h]

101
00:04:43,290 --> 00:04:37,919
but you guys some of them some healing

102
00:04:49,740 --> 00:04:43,300
stuff here some other alien stuff today

103
00:04:55,620 --> 00:04:49,750
I just mine alright this is about the

104
00:04:58,380 --> 00:04:55,630
ancient builder race of aliens and there

105
00:05:00,210 --> 00:04:58,390
have been rumors pictures photographs of

106
00:05:03,660 --> 00:05:00,220
the moon and there's various structures

107
00:05:06,420 --> 00:05:03,670
on the moon that ufologist people who

108
00:05:08,730 --> 00:05:06,430
are in the conspiracy realm see look

109
00:05:11,340 --> 00:05:08,740
there's a dome there is there's a

110
00:05:13,170 --> 00:05:11,350
monolith there and people pointed that

111
00:05:16,440 --> 00:05:13,180
as evidence of some kind of ancient

112
00:05:19,500 --> 00:05:16,450
civilization that once may be inhabited

113
00:05:22,320 --> 00:05:19,510

our solar system and create a structures

114

00:05:24,630 --> 00:05:22,330

I mean people have always said at least

115

00:05:25,260 --> 00:05:24,640

have always said while they're on the

116

00:05:27,450 --> 00:05:25,270

History Channel

117

00:05:30,510 --> 00:05:27,460

not in on the the show ancient aliens

118

00:05:31,620 --> 00:05:30,520

that the pyramids you know that maybe

119

00:05:34,290 --> 00:05:31,630

they were constructed by aliens

120

00:05:36,030 --> 00:05:34,300

themselves I mean look at the it's this

121

00:05:37,260 --> 00:05:36,040

bit of rumor as far as I can go back

122

00:05:39,620 --> 00:05:37,270

Zacharias they shouldn't have talked

123

00:05:41,400 --> 00:05:39,630

about it it's been all over the place so

124

00:05:44,160 --> 00:05:41,410

that's what we're gonna talk about right

125

00:05:48,300 --> 00:05:44,170

now the ancient go to race of aliens

126

00:05:50,460 --> 00:05:48,310

that may have inhabited our earth in our

127

00:05:51,570 --> 00:05:50,470

solar system are you with me jokes I was

128

00:05:55,650 --> 00:05:51,580

very importantly you're with me right

129

00:05:58,490 --> 00:05:55,660

now I'm totally with you I I'm very well

130

00:06:00,600 --> 00:05:58,500

aware of the aliens built the pyramids

131

00:06:03,300 --> 00:06:00,610

obviously logistically this was a

132

00:06:06,740 --> 00:06:03,310

challenge people who questioned it so

133

00:06:09,150 --> 00:06:06,750

yeah open on board so I made a bunch of

134

00:06:12,240 --> 00:06:09,160

little notes to myself things I want to

135

00:06:13,950 --> 00:06:12,250

touch on so when it comes to our solar

136

00:06:15,480 --> 00:06:13,960

system

137

00:06:17,910 --> 00:06:15,490

people think that earth is a very

138

00:06:19,530 --> 00:06:17,920

special place it feels you know look we

139

00:06:22,320 --> 00:06:19,540

have a lot of a lot of [\h__\h] water

140

00:06:24,030 --> 00:06:22,330

here it's in a perfect zone for life a

141

00:06:27,240 --> 00:06:24,040

lot of good things happen or love earth

142

00:06:27,990 --> 00:06:27,250

great planet it just so happens from all

143

00:06:33,000 --> 00:06:28,000

the best

144

00:06:35,310 --> 00:06:33,010

love earth who doesn't love her it's the

145

00:06:36,840 --> 00:06:35,320

greatest we gotta build a wall to keep

146

00:06:38,940 --> 00:06:36,850

all the other people out of here alright

147

00:06:43,500 --> 00:06:38,950

nobody loves earth more than I do

148

00:06:47,310 --> 00:06:43,510

everybody knows this exactly earth is

149

00:06:48,890 --> 00:06:47,320

that good but apparently there's a lot

150

00:06:51,420 --> 00:06:48,900

of other people didn't know this as well

151
00:06:53,040 --> 00:06:51,430
I've been compiling this from a bunch of

152
00:06:55,890 --> 00:06:53,050
different books I'll put some links up

153
00:06:58,620 --> 00:06:55,900
in the the YouTube video via

154
00:07:03,660 --> 00:06:58,630
remember to but apparently our son is

155
00:07:06,150 --> 00:07:03,670
right next to a galactic Stargate it's a

156
00:07:08,670 --> 00:07:06,160
nice exactly it's great you know you

157
00:07:11,070 --> 00:07:08,680
wonder if it's super convinced like

158
00:07:12,870 --> 00:07:11,080
being next to the subway in New York

159
00:07:13,140 --> 00:07:12,880
City it's so convenient prime real

160
00:07:15,510 --> 00:07:13,150
estate

161
00:07:17,850 --> 00:07:15,520
exactly Joe and our son is part of a

162
00:07:19,950 --> 00:07:17,860
cluster of other stars which is

163
00:07:21,900 --> 00:07:19,960

considered a Blue Zone which is really

164

00:07:24,420 --> 00:07:21,910

good when it comes to like real estate

165

00:07:26,010 --> 00:07:24,430

and our Galactic Stargate that our son

166

00:07:27,450 --> 00:07:26,020

is next to that means that when you

167

00:07:30,450 --> 00:07:27,460

travel through the Stargate you could

168

00:07:33,030 --> 00:07:30,460

wind up in another galaxy now you've

169

00:07:34,530 --> 00:07:33,040

seen probably seen like movies like the

170

00:07:35,820 --> 00:07:34,540

movie Stargate where they travel through

171

00:07:38,520 --> 00:07:35,830

and they go to some other part of the

172

00:07:39,960 --> 00:07:38,530

galaxy and we have local AI according to

173

00:07:41,760 --> 00:07:39,970

other it seriously there's there's other

174

00:07:43,170 --> 00:07:41,770

localized versions of the Stargate we

175

00:07:45,690 --> 00:07:43,180

can travel from point A to point B very

176

00:07:48,060 --> 00:07:45,700

quickly this is a galactic Stargate that

177

00:07:50,580 --> 00:07:48,070

her son is next to which makes a prime

178

00:07:52,200 --> 00:07:50,590

[h__\h] real estate for every other

179

00:07:56,490 --> 00:07:52,210

civilization out there that wants to get

180

00:08:05,760 --> 00:07:56,500

involved in this money-making scheme our

181

00:08:08,160 --> 00:08:05,770

son actually is also part of a Glencore

182

00:08:10,550 --> 00:08:08,170

I'm sorry a solar system white junkyard

183

00:08:13,320 --> 00:08:10,560

so our Sun sits in the middle of

184

00:08:17,280 --> 00:08:13,330

essentially what is considered by many

185

00:08:19,050 --> 00:08:17,290

to be a junkyard because alien races

186

00:08:21,840 --> 00:08:19,060

since we're in such prime real estate

187

00:08:23,880 --> 00:08:21,850

other alien civilizations have come to

188

00:08:25,890 --> 00:08:23,890

our solar system built up structures

189

00:08:28,260 --> 00:08:25,900

done they're done whatever they had to

190

00:08:30,960 --> 00:08:28,270

do for their own civilization and left

191

00:08:32,880 --> 00:08:30,970

their ship behind and apparently

192

00:08:35,370 --> 00:08:32,890

according to some people that our entire

193

00:08:37,290 --> 00:08:35,380

solar system is littered with ancient

194

00:08:41,190 --> 00:08:37,300

technology you see that on the moon

195

00:08:44,040 --> 00:08:41,200

possibly Phobos one of the moons

196

00:08:48,420 --> 00:08:44,050

circling Mars you see it on Mars itself

197

00:08:52,890 --> 00:08:48,430

Mars has a quorum is they have what

198

00:08:54,630 --> 00:08:52,900

squirrels or else might they might Mars

199

00:08:56,940 --> 00:08:54,640

might be a junkyard then there's various

200

00:08:59,280 --> 00:08:56,950

other moons around Jupiter that had been

201
00:09:03,840 --> 00:08:59,290
rumored to be least inhabitable in some

202
00:09:05,280 --> 00:09:03,850
way and so this builder race is what

203
00:09:09,810 --> 00:09:05,290
we're going back to this boat arrays

204
00:09:12,200 --> 00:09:09,820
that has come a long time ago and they

205
00:09:15,240 --> 00:09:12,210
have built up structures on the moon

206
00:09:19,830 --> 00:09:15,250
contributing to this solar system wide

207
00:09:23,430 --> 00:09:19,840
junkyard now there's a something I

208
00:09:26,550 --> 00:09:23,440
talked about before in the secret space

209
00:09:28,620 --> 00:09:26,560
program there is if you believe that the

210
00:09:30,720 --> 00:09:28,630
government has way more technology than

211
00:09:35,370 --> 00:09:30,730
with a letting on and that they have it

212
00:09:38,160 --> 00:09:35,380
they have access to advance let's say

213
00:09:40,050 --> 00:09:38,170

propulsion systems alien technology that

214

00:09:42,150 --> 00:09:40,060

we call that the ruling elite in many of

215

00:09:45,000 --> 00:09:42,160

the books I read they they call that the

216

00:09:47,730 --> 00:09:45,010

Cabal and so the Cabal or the ruling

217

00:09:49,710 --> 00:09:47,740

elite are very aware of this ancient

218

00:09:51,540 --> 00:09:49,720

technology that earth and the solar

219

00:09:53,070 --> 00:09:51,550

system has been visited by civilization

220

00:09:53,880 --> 00:09:53,080

before and they're pretty [h__\h]

221

00:09:55,500 --> 00:09:53,890

protected of

222

00:09:56,910 --> 00:09:55,510

protective of it and they don't want to

223

00:10:00,180 --> 00:09:56,920

release that information now unless they

224

00:10:02,340 --> 00:10:00,190

release it out on their own and so Joe

225

00:10:06,210 --> 00:10:02,350

in clown baby you probably know this as

226

00:10:09,420 --> 00:10:06,220

predicted programming and so with movies

227

00:10:11,130 --> 00:10:09,430

like 2001 Space Odyssey it's been

228

00:10:13,500 --> 00:10:11,140

rumored that that is that's predicted

229

00:10:14,940 --> 00:10:13,510

programming that they in that movie

230

00:10:18,000 --> 00:10:14,950

there's an obelisk on the moon there's

231

00:10:20,340 --> 00:10:18,010

obelisk that transformed that ships into

232

00:10:25,950 --> 00:10:20,350

something more than what they are that

233

00:10:27,120 --> 00:10:25,960

was a form of disclosure I know it's

234

00:10:33,090 --> 00:10:27,130

kind of hard to wrap your head around

235

00:10:35,730 --> 00:10:33,100

but apparently that there is there is AG

236

00:10:39,900 --> 00:10:35,740

lactic universal rule when it comes to

237

00:10:42,540 --> 00:10:39,910

good and evil and if you believe in good

238

00:10:44,760 --> 00:10:42,550

and evil side of stuff if you are going

239

00:10:46,830 --> 00:10:44,770

to do evil you have to announce it in

240

00:10:51,540 --> 00:10:46,840

some way to get the public on your side

241

00:10:54,360 --> 00:10:51,550

and only today uh yeah look a false-flag

242

00:10:56,460 --> 00:10:54,370

chemical weapons attack sure hmm

243

00:10:58,920 --> 00:10:56,470

you could either do predictive

244

00:11:02,010 --> 00:10:58,930

programming like the way they did they

245

00:11:04,770 --> 00:11:02,020

announced the World Trade Center strike

246

00:11:06,120 --> 00:11:04,780

through the Lone Gunmen TV series they

247

00:11:07,860 --> 00:11:06,130

have to announce it in some way and

248

00:11:10,770 --> 00:11:07,870

that's the world just gonna bring that

249

00:11:13,200 --> 00:11:10,780

same thing up yeah apparently and all

250

00:11:14,100 --> 00:11:13,210

the 9/11 code and Simpsons and all the

251

00:11:16,440 --> 00:11:14,110

other places yeah

252

00:11:18,090 --> 00:11:16,450

so that apparently that kind of like

253

00:11:20,520 --> 00:11:18,100

what we call it like what people say

254

00:11:23,940 --> 00:11:20,530

would it's coincidence it's purposely

255

00:11:26,220 --> 00:11:23,950

used to announce things they're like hey

256

00:11:27,390 --> 00:11:26,230

here's our symbol is congrats in it it's

257

00:11:29,520 --> 00:11:27,400

a confession

258

00:11:31,050 --> 00:11:29,530

so you're basically by agreeing to use

259

00:11:33,990 --> 00:11:31,060

our money with the all-seeing eye

260

00:11:36,420 --> 00:11:34,000

you're green to our system and it's kind

261

00:11:39,540 --> 00:11:36,430

of like money magic it is this cabal

262

00:11:41,520 --> 00:11:39,550

they've really an elite from everything

263

00:11:43,260 --> 00:11:41,530

I read they they believe they use black

264

00:11:46,950 --> 00:11:43,270

magic they use the meme magic they use

265

00:11:49,410 --> 00:11:46,960

everything all this crazy [h__h] that is

266

00:11:50,940 --> 00:11:49,420

all rumored to take place these guys are

267

00:11:52,890 --> 00:11:50,950

using it they announce their intentions

268

00:11:56,460 --> 00:11:52,900

through media in any way she performs

269

00:11:58,350 --> 00:11:56,470

through movies money or print and they

270

00:12:01,290 --> 00:11:58,360

announce it that way and that's how they

271

00:12:04,740 --> 00:12:01,300

get our man unconscious or even

272

00:12:06,840 --> 00:12:04,750

conscious agreement and so if one

273

00:12:09,930 --> 00:12:06,850

faction of the cabal wants to go to war

274

00:12:12,540 --> 00:12:09,940

they got to get the the consent of the

275

00:12:16,920 --> 00:12:12,550

masses in order to do it or else the

276

00:12:18,810 --> 00:12:16,930

they break the law of the or the balance

277

00:12:20,280 --> 00:12:18,820

of the universe as well and then you

278

00:12:21,630 --> 00:12:20,290

know there are other alien races that

279

00:12:24,180 --> 00:12:21,640

are kind of taking note of what's going

280

00:12:26,010 --> 00:12:24,190

on and they will only interfere if the

281

00:12:27,450 --> 00:12:26,020

cabal really doesn't do it with the will

282

00:12:28,320 --> 00:12:27,460

of the people so as long as the cabal

283

00:12:31,290 --> 00:12:28,330

has the will of people they can do

284

00:12:33,870 --> 00:12:31,300

anything they [\h__\h] want the Cabal is

285

00:12:36,000 --> 00:12:33,880

well we're real aware of the ancient

286

00:12:37,830 --> 00:12:36,010

builders and they do everything they can

287

00:12:39,330 --> 00:12:37,840

to kind of just gently release it

288

00:12:41,310 --> 00:12:39,340

because if they can control the release

289

00:12:44,670 --> 00:12:41,320

of information then they can kind of

290

00:12:46,530 --> 00:12:44,680

control how the disclosure happens and

291

00:12:50,040 --> 00:12:46,540

disclosure is the release of an

292

00:12:52,620 --> 00:12:50,050

announcement of are we being visited by

293

00:12:56,250 --> 00:12:52,630

aliens where what are their intentions

294

00:12:58,650 --> 00:12:56,260

and and where do they come from so there

295

00:13:00,590 --> 00:12:58,660

could be anywhere from three to ten

296

00:13:04,620 --> 00:13:00,600

different civilizations that have built

297

00:13:06,270 --> 00:13:04,630

ancient artifacts on the moon most of

298

00:13:09,480 --> 00:13:06,280

the moon runways were built by the ancient

299

00:13:11,520 --> 00:13:09,490

builders and the Cabal themselves

300

00:13:16,020 --> 00:13:11,530

believe that they are direct descendants

301

00:13:18,810 --> 00:13:16,030

of this builder race so Hillary's an

302

00:13:20,670 --> 00:13:18,820

alien now - well they believe they're

303

00:13:24,470 --> 00:13:20,680

direct descendants of it now the

304

00:13:27,390 --> 00:13:24,480

structures on the moon for the most part

305

00:13:30,420 --> 00:13:27,400

is rumored to be built out of a

306

00:13:32,010 --> 00:13:30,430

transparent aluminum material they're

307

00:13:34,080 --> 00:13:32,020

translucent you can see through them

308

00:13:36,030 --> 00:13:34,090

very strong and I talked about

309

00:13:38,390 --> 00:13:36,040

transparent aluminum a few episodes ago

310

00:13:40,710 --> 00:13:38,400

and it's actually a real thing right now

311

00:13:44,160 --> 00:13:40,720

but it's also and I started off in a

312

00:13:48,900 --> 00:13:44,170

Star Trek and there's like a material

313

00:13:51,210 --> 00:13:48,910

built for the Star Trek universe some of

314

00:13:55,170 --> 00:13:51,220

the rooms on the moon our at least five

315

00:13:57,810 --> 00:13:55,180

million years old and throughout our

316

00:14:00,950 --> 00:13:57,820

local cluster which is our our Sun in

317

00:14:03,450 --> 00:14:00,960

like maybe 35 other stars around us

318

00:14:06,630 --> 00:14:03,460

basically surrounding that the the

319

00:14:08,280 --> 00:14:06,640

Galactic portal the Builder race have

320

00:14:11,190 --> 00:14:08,290

left their marks they've gone into those

321

00:14:12,300 --> 00:14:11,200

systems they built things and they kind

322

00:14:13,290 --> 00:14:12,310

of just put the technology down there

323

00:14:16,250 --> 00:14:13,300

maybe they can communicate with one

324

00:14:18,360 --> 00:14:16,260

another and that's that now unlike

325

00:14:20,310 --> 00:14:18,370

Donald Trump going into a community

326

00:14:22,020 --> 00:14:20,320

developing houses getting out going to

327

00:14:23,220 --> 00:14:22,030

another Community Development houses so

328

00:14:25,560 --> 00:14:23,230

the Builder race is like the Donald

329

00:14:27,420 --> 00:14:25,570

Trump's of aliens hey going in here

330

00:14:28,800 --> 00:14:27,430

we're gonna build we're gonna do some

331

00:14:30,390 --> 00:14:28,810

good things we got a good crime tract

332

00:14:32,880 --> 00:14:30,400

we're gonna get a good deal get in there

333

00:14:35,610 --> 00:14:32,890

and get out improve the real estate I

334

00:14:39,150 --> 00:14:35,620

would I would view this builder race of

335

00:14:43,050 --> 00:14:39,160

aliens as real-estate moguls to put it

336

00:14:45,150 --> 00:14:43,060

in simple terms they want to build in

337

00:14:46,710 --> 00:14:45,160

world's worst good they don't want to

338

00:14:48,870 --> 00:14:46,720

build on mercury they're not building

339

00:14:52,500 --> 00:14:48,880

structures on mercury defy the Sun I

340

00:14:54,930 --> 00:14:52,510

don't see yeah okay okay okay okay I

341

00:14:57,180 --> 00:14:54,940

could see that so the the the you know

342

00:14:59,390 --> 00:14:57,190

like not the United States the earth is

343

00:15:01,530 --> 00:14:59,400

one giant real estate project by the

344

00:15:04,380 --> 00:15:01,540

ancient builders the Builder race you

345

00:15:05,940 --> 00:15:04,390

what you one could say that sure okay

346

00:15:07,080 --> 00:15:05,950

now there's a there's a bunch of

347

00:15:10,050 --> 00:15:07,090

different other things going on here

348

00:15:14,000 --> 00:15:10,060

like a really crazy stuff like about

349

00:15:18,060 --> 00:15:14,010

advancing your consciousness a lot of

350

00:15:20,700 --> 00:15:18,070

the ancient Egyptians they did the feats

351
00:15:24,390 --> 00:15:20,710
of strength not like George Costanza

352
00:15:26,940 --> 00:15:24,400
don't be talking about but to test their

353
00:15:29,220 --> 00:15:26,950
fear so when they ascended to the next

354
00:15:31,560 --> 00:15:29,230
plane they wouldn't be fearful they

355
00:15:34,890 --> 00:15:31,570
would have their fear under control and

356
00:15:37,560 --> 00:15:34,900
that's the human moving from the 3rd to

357
00:15:40,140 --> 00:15:37,570
the 4th level of consciousness now there

358
00:15:41,510 --> 00:15:40,150
are beings there are our aliens that

359
00:15:44,660 --> 00:15:41,520
live in the sixth

360
00:15:46,670 --> 00:15:44,670
vii the Builder race lives in the seven

361
00:15:49,280 --> 00:15:46,680
are the sixth and so there's one level

362
00:15:52,910 --> 00:15:49,290
above them it's all [h__h] complicated

363
00:15:58,880 --> 00:15:52,920

here Joe when you're dealing with my

364

00:16:00,310 --> 00:15:58,890

fault really crazy [\h__\h] okay yeah crazy

365

00:16:03,050 --> 00:16:00,320

song with us

366

00:16:04,340 --> 00:16:03,060

so the Builder race the Builder is

367

00:16:07,040 --> 00:16:04,350

millions when we're talking about left

368

00:16:10,100 --> 00:16:07,050

possible structures on the moon and may

369

00:16:12,200 --> 00:16:10,110

have assisted in some way with some

370

00:16:15,310 --> 00:16:12,210

knowledge on earth they could have been

371

00:16:19,360 --> 00:16:15,320

on earth over two billion years ago

372

00:16:21,560 --> 00:16:19,370

according to some of the books I read

373

00:16:26,000 --> 00:16:21,570

now if you're asking what they might

374

00:16:29,750 --> 00:16:26,010

look like they might be maybe three

375

00:16:32,080 --> 00:16:29,760

times as tall as a human that would put

376

00:16:37,150 --> 00:16:32,090

them about the same height as the

377

00:16:39,800 --> 00:16:37,160

rumored american giants that you see and

378

00:16:42,020 --> 00:16:39,810

so there's a there's a nice TED talk

379

00:16:43,550 --> 00:16:42,030

that we talk about continuously on this

380

00:16:46,400 --> 00:16:43,560

show that has been taken down repeatedly

381

00:16:46,970 --> 00:16:46,410

about a guy who has found structures

382

00:16:48,560 --> 00:16:46,980

vieira

383

00:16:52,490 --> 00:16:48,570

what's his name uh that's Jim Vieira

384

00:16:53,840 --> 00:16:52,500

Vieira and you you can yeah Jim Vieira

385

00:16:56,150 --> 00:16:53,850

and you could look them up it's the

386

00:16:59,150 --> 00:16:56,160

ancient mound builders I have the clip

387

00:17:01,550 --> 00:16:59,160

if anybody wants to email the show as

388

00:17:04,310 --> 00:17:01,560

for the clip I saved it one of the

389

00:17:06,710 --> 00:17:04,320

reloaded copies that the Smithsonian and

390

00:17:08,870 --> 00:17:06,720

all their entities are all like nope

391

00:17:11,480 --> 00:17:08,880

this clip is not safe for the internet

392

00:17:13,640 --> 00:17:11,490

why is it why do they not want it on the

393

00:17:15,260 --> 00:17:13,650

Internet yeah Giants are fictional

394

00:17:18,949 --> 00:17:15,270

things what's the big [h__h] deal

395

00:17:21,199 --> 00:17:18,959

I don't know so a kook a kook got on

396

00:17:22,850 --> 00:17:21,209

stage at a TED talk I don't know it's

397

00:17:24,560 --> 00:17:22,860

not a big deal you know people get on

398

00:17:26,000 --> 00:17:24,570

stage and talk about Bigfoot all the

399

00:17:28,880 --> 00:17:26,010

time we talk about this [h__h] all the

400

00:17:30,380 --> 00:17:28,890

time nobody pulls the videos down it's

401
00:17:31,880 --> 00:17:30,390
only when you you know it's the

402
00:17:34,130 --> 00:17:31,890
Streisand effect just like when you want

403
00:17:35,600 --> 00:17:34,140
it pulled down obviously there's

404
00:17:37,790 --> 00:17:35,610
something there that you don't want

405
00:17:40,220 --> 00:17:37,800
people to see it's just [h__\h] obvious

406
00:17:42,200 --> 00:17:40,230
very bizarre and that guy stumbled upon

407
00:17:44,120 --> 00:17:42,210
it and that wasn't the controlled

408
00:17:45,590 --> 00:17:44,130
release of information that if you

409
00:17:47,090 --> 00:17:45,600
believe in the Cabal order ruling elite

410
00:17:48,890 --> 00:17:47,100
that's not the way they wanted it

411
00:17:50,330 --> 00:17:48,900
because he was actually not genuine guy

412
00:17:50,870 --> 00:17:50,340
he speaks like I can't believe what I

413
00:17:53,060 --> 00:17:50,880

found

414

00:17:54,920 --> 00:17:53,070

he saw his genuine excitement in finding

415

00:17:58,340 --> 00:17:54,930

all these big structures that

416

00:17:59,960 --> 00:17:58,350

only updates nothing to build you know

417

00:18:01,880 --> 00:17:59,970

I'd be like it'd be like if your mom

418

00:18:04,040 --> 00:18:01,890

walked in on you masturbator like your

419

00:18:08,840 --> 00:18:04,050

mom seriously come and check this out

420

00:18:11,420 --> 00:18:08,850

I'm about to [h__\h] [h__\h] yeah you seen this

421

00:18:16,700 --> 00:18:11,430

before mom coming to the shower with me

422

00:18:20,450 --> 00:18:16,710

basically almost yeah yeah so like for

423

00:18:22,010 --> 00:18:20,460

the for the folks who want it like they

424

00:18:27,980 --> 00:18:22,020

want to like they're jacking off mom

425

00:18:30,530 --> 00:18:27,990

opens the door you're like oh god thing

426

00:18:32,090 --> 00:18:30,540

you know that's how it goes I mean the

427

00:18:33,920 --> 00:18:32,100

fact that they're clamping down on Jim

428

00:18:36,830 --> 00:18:33,930

Vieira like he's excited about it

429

00:18:39,830 --> 00:18:36,840

everybody else is like no no no no Jim

430

00:18:41,090 --> 00:18:39,840

Vieira is a crazy person nobody listens

431

00:18:42,320 --> 00:18:41,100

to him even though he's been doing this

432

00:18:44,900 --> 00:18:42,330

for a year this is gonna get a little

433

00:18:46,640 --> 00:18:44,910

bit more bizarre though she I'm gonna

434

00:18:49,340 --> 00:18:46,650

rum and wrap this up real quick but it's

435

00:18:51,800 --> 00:18:49,350

gonna get a little bit more bizarre so

436

00:18:54,260 --> 00:18:51,810

apparently the Buddha race well three

437

00:18:58,970 --> 00:18:54,270

times the size of no more human also

438

00:19:02,080 --> 00:18:58,980

have an apparent feline appearance much

439

00:19:05,780 --> 00:19:02,090

like the Sphinx Lisi in ancient Egypt

440

00:19:09,110 --> 00:19:05,790

like a hybrid feline humanoid kind of

441

00:19:10,850 --> 00:19:09,120

thing just about 18 feet tall though the

442

00:19:12,140 --> 00:19:10,860

Builder race apparently lost their

443

00:19:14,420 --> 00:19:12,150

ability to make transparent aluminum

444

00:19:17,840 --> 00:19:14,430

some time ago so they decided to use

445

00:19:20,060 --> 00:19:17,850

stone instead instead there are they're

446

00:19:21,950 --> 00:19:20,070

actually the Builder race of these these

447

00:19:24,770 --> 00:19:21,960

ancient aliens they're happy happy and

448

00:19:26,330 --> 00:19:24,780

positive and friendly people who shared

449

00:19:28,520 --> 00:19:26,340

their knowledge they weren't malicious

450

00:19:32,000 --> 00:19:28,530

at all they actually wanted to spread

451
00:19:33,500 --> 00:19:32,010
knowledge and wisdom throughout all the

452
00:19:36,440 --> 00:19:33,510
planets that they visited and that's why

453
00:19:38,810 --> 00:19:36,450
the the Cabal hates them but they're

454
00:19:40,820 --> 00:19:38,820
descended from them so don't hate your

455
00:19:45,320 --> 00:19:40,830
family [\h__\h] don't be a [\h__\h]

456
00:19:46,520 --> 00:19:45,330
hater I don't I don't I don't know now

457
00:19:51,350 --> 00:19:46,530
this this is where it's gonna take an

458
00:19:53,240 --> 00:19:51,360
insane crazy turn no so we just talked

459
00:19:55,520 --> 00:19:53,250
about predictive programming like 9/11

460
00:19:58,670 --> 00:19:55,530
you saw that in the the the series of

461
00:20:02,150 --> 00:19:58,680
lone gunman 2001 with the release of

462
00:20:04,580 --> 00:20:02,160
some kind of alien intelligence helping

463
00:20:08,070 --> 00:20:04,590

you evolve mankind and

464

00:20:10,740 --> 00:20:08,080

various kinds of like you know subtle

465

00:20:13,620 --> 00:20:10,750

attempts to interject a helping hand

466

00:20:16,860 --> 00:20:13,630

into humanity now this goes into Star

467

00:20:20,000 --> 00:20:16,870

Wars apparently according to some George

468

00:20:22,590 --> 00:20:20,010

Lucas was approached about putting some

469

00:20:25,860 --> 00:20:22,600

true alien tech into his Star Wars

470

00:20:28,710 --> 00:20:25,870

movies like that Death Star now there

471

00:20:31,470 --> 00:20:28,720

are the Buddha race did build defense

472

00:20:34,770 --> 00:20:31,480

systems and there are various defense

473

00:20:37,040 --> 00:20:34,780

systems set up in every planet or play a

474

00:20:41,780 --> 00:20:37,050

planetary system like the Death Star to

475

00:20:45,530 --> 00:20:41,790

protect against malicious outside alien

476
00:20:47,430 --> 00:20:45,540
intelligences and so George Lucas was

477
00:20:50,310 --> 00:20:47,440
apparently approached to put the Death

478
00:20:53,820 --> 00:20:50,320
Star in there to break it in as some

479
00:20:57,120 --> 00:20:53,830
kind of predictive programming also he

480
00:20:59,190 --> 00:20:57,130
put in c-3po which is a droid which the

481
00:21:03,510 --> 00:20:59,200
builders actually built as well

482
00:21:05,670 --> 00:21:03,520
these droid creatures now this seems so

483
00:21:07,170 --> 00:21:05,680
far-fetched it does seem pretty [h__h]

484
00:21:10,500 --> 00:21:07,180
the santur and I gotta I gotta say it is

485
00:21:12,300 --> 00:21:10,510
is this is we say hey we when you go up

486
00:21:16,230 --> 00:21:12,310
to somebody say hey man Star Wars is

487
00:21:18,200 --> 00:21:16,240
real man it's it's stupid but there is

488
00:21:21,360 --> 00:21:18,210

I'll provide this in the slack ship

489

00:21:24,990 --> 00:21:21,370

there apparently someone claims to have

490

00:21:27,750 --> 00:21:25,000

found a head of a droid on the moon

491

00:21:31,020 --> 00:21:27,760

Richard C Hoagland for anybody doesn't

492

00:21:33,480 --> 00:21:31,030

know he's a big ancient Mars guy but

493

00:21:36,620 --> 00:21:33,490

just reflect yet take a look and see if

494

00:21:39,300 --> 00:21:36,630

you see a droid head on the moon that

495

00:21:42,480 --> 00:21:39,310

kind of looks like c-3po in a wave if

496

00:21:44,850 --> 00:21:42,490

you look at a certain way and people

497

00:21:46,890 --> 00:21:44,860

really [h__\h] reach and here it is here

498

00:21:49,140 --> 00:21:46,900

here's the picture of a droid head on

499

00:21:50,580 --> 00:21:49,150

the [h__\h] moon take a look at

500

00:21:56,010 --> 00:21:50,590

that

501
00:21:59,040 --> 00:21:56,020
it's a zoom zoomed in and it definitely

502
00:22:00,690 --> 00:21:59,050
looks like a skull of some sort yeah

503
00:22:02,370 --> 00:22:00,700
yeah and it's got some look some kind of

504
00:22:04,650 --> 00:22:02,380
like copper thing at the bottom I don't

505
00:22:09,000 --> 00:22:04,660
know that that was a gas mask or some

506
00:22:12,360 --> 00:22:09,010
sort Glen going Google or no you can

507
00:22:13,920 --> 00:22:12,370
type in robot head on moon and this will

508
00:22:15,600 --> 00:22:13,930
pick up the full resolution picture will

509
00:22:16,770 --> 00:22:15,610
pop up and you can see it from like a

510
00:22:17,769 --> 00:22:16,780
black and white you can see different

511
00:22:22,200 --> 00:22:17,779
angles that's

512
00:22:29,889 --> 00:22:22,210
see this zoom didn't want and all that

513
00:22:31,389 --> 00:22:29,899

it's very curious yeah yeah I guess when

514

00:22:32,830 --> 00:22:31,399

you see it in context with everything

515

00:22:37,719 --> 00:22:32,840

around it it looks a little bit more

516

00:22:39,190 --> 00:22:37,729

robot head no it's not bad like I know

517

00:22:41,229 --> 00:22:39,200

the all I want to see what it wants to

518

00:22:43,379 --> 00:22:41,239

see wants to see you want to see faces

519

00:22:47,139 --> 00:22:43,389

and clouds you want to see those stuff

520

00:22:49,320 --> 00:22:47,149

but you don't I mean there's no like

521

00:22:52,570 --> 00:22:49,330

we're just based on this image of course

522

00:22:54,549 --> 00:22:52,580

I'm wondering if it's even on the moon

523

00:22:58,029 --> 00:22:54,559

at all like what if this is a picture of

524

00:22:59,320 --> 00:22:58,039

somebody's you know [h__h] backyard or

525

00:23:01,089 --> 00:22:59,330

something what is my own personal

526
00:23:06,039 --> 00:23:01,099
soundstage that I have to make my own

527
00:23:09,129 --> 00:23:06,049
moon videos exactly just like dude face

528
00:23:10,089 --> 00:23:09,139
who did 10 20 2001 who you're just

529
00:23:13,060 --> 00:23:10,099
talking about with predictive

530
00:23:16,029 --> 00:23:13,070
programming Kubrick Kubrick yeah which I

531
00:23:18,549 --> 00:23:16,039
mean look who brick is surrounded with

532
00:23:21,820 --> 00:23:18,559
conspiracy theories around them oh yeah

533
00:23:24,820 --> 00:23:21,830
tons did you know that my might my code

534
00:23:27,430 --> 00:23:24,830
to get into the apartment like if I want

535
00:23:32,379 --> 00:23:27,440
to dial my own phone hmm and unlock the

536
00:23:35,349 --> 00:23:32,389
door is 2 3 7 which is no no guys go on

537
00:23:39,310 --> 00:23:35,359
down there we got it we gotta go we can

538
00:23:41,339 --> 00:23:39,320

do you you know that like room 237 is

539

00:23:44,200 --> 00:23:41,349

like the conspiracy theory that that's

540

00:23:46,119 --> 00:23:44,210

Kubrick's admission that he faked the

541

00:23:48,549 --> 00:23:46,129

moon landing and all that stuff I heard

542

00:23:50,619 --> 00:23:48,559

that yeah and I loved all that [h__h] I

543

00:23:52,749 --> 00:23:50,629

loved all that [h__h] when they said it

544

00:23:57,159 --> 00:23:52,759

was 237 I was like you gotta be [h__h]

545

00:23:59,619 --> 00:23:57,169

kidding me I have a conspiracy code to

546

00:24:01,389 --> 00:23:59,629

get in I look up everything I just read

547

00:24:02,589 --> 00:24:01,399

with the builders danger boaters I don't

548

00:24:04,989 --> 00:24:02,599

know if it's true I think it's great

549

00:24:08,409 --> 00:24:04,999

fodder to talk about it's fun yeah it's

550

00:24:09,969 --> 00:24:08,419

funny it's fun to talk about and this is

551
00:24:12,099 --> 00:24:09,979
taken from a bunch of different books I

552
00:24:16,029 --> 00:24:12,109
didn't even get into the guardians of

553
00:24:19,989 --> 00:24:16,039
this planet in the 7th density or the

554
00:24:22,450 --> 00:24:19,999
law of one very weird stuff when you go

555
00:24:24,999 --> 00:24:22,460
when you go this deep into UFO research

556
00:24:27,039 --> 00:24:25,009
you're in inevitable it's inevitable

557
00:24:29,650 --> 00:24:27,049
that you're gonna bump against a bump up

558
00:24:31,570 --> 00:24:29,660
against spirituality and

559
00:24:33,720 --> 00:24:31,580
reaching new levels of a consciousness

560
00:24:37,050 --> 00:24:33,730
and all this kind of stuff gets bizarre

561
00:24:41,040 --> 00:24:37,060
honestly it gets really [h__\h] bizarre

562
00:24:43,960 --> 00:24:41,050
but it's pretty interesting and these

563
00:24:45,250 --> 00:24:43,970

people as pretty soon that these people

564

00:24:47,830 --> 00:24:45,260

have this kind of interpretation of

565

00:24:49,870 --> 00:24:47,840

history and humanity and how he came to

566

00:24:51,580 --> 00:24:49,880

be I don't know we know that there's

567

00:24:52,900 --> 00:24:51,590

some kind of ruling really a really an

568

00:24:56,470 --> 00:24:52,910

elite out there we do we know they have

569

00:24:58,420 --> 00:24:56,480

some kind of influence that is a very

570

00:25:02,980 --> 00:24:58,430

extreme man oh we've seen false flag

571

00:25:04,090 --> 00:25:02,990

attacks this happened right now I don't

572

00:25:06,750 --> 00:25:04,100

know about this [h__h] maybe the

573

00:25:09,850 --> 00:25:06,760

distraction is fun to think about I

574

00:25:10,870 --> 00:25:09,860

don't I don't I I want to believe with

575

00:25:12,930 --> 00:25:10,880

all the [h__h] I want to believe in

576

00:25:14,860 --> 00:25:12,940

Bigfoot I want to believe in in

577

00:25:17,320 --> 00:25:14,870

chupacabra and all that stuff but I

578

00:25:19,540 --> 00:25:17,330

haven't been confronted with it and so I

579

00:25:21,370 --> 00:25:19,550

really don't know how to feel about this

580

00:25:25,630 --> 00:25:21,380

other than it's nice fiction to read

581

00:25:28,180 --> 00:25:25,640

sometimes you know I it's so bizarre so

582

00:25:31,210 --> 00:25:28,190

bizarre so out there that is hard to

583

00:25:34,210 --> 00:25:31,220

believe this itself everything I read

584

00:25:38,290 --> 00:25:34,220

very well could be [h__h]

585

00:25:39,940 --> 00:25:38,300

disinformation I don't know this is what

586

00:25:47,080 --> 00:25:39,950

I compiled from like two or three

587

00:25:50,980 --> 00:25:47,090

different books reading greens for

588

00:25:52,720 --> 00:25:50,990

[h__h] nerds man yeah sounds we all

589

00:25:54,880 --> 00:25:52,730

know you need plenty of books you like

590

00:25:56,410 --> 00:25:54,890

to slam down not the slam books oh hey

591

00:25:59,290 --> 00:25:56,420

Brooke what happened to the Builder race

592

00:26:05,710 --> 00:25:59,300

they mysteriously disappeared no one

593

00:26:07,390 --> 00:26:05,720

knows no one knows no Oh Joey

594

00:26:09,520 --> 00:26:07,400

that's all I got that's all I got the

595

00:26:12,310 --> 00:26:09,530

aliens I basically talked like a half

596

00:26:14,950 --> 00:26:12,320

hour there didn't I do you think that

597

00:26:18,190 --> 00:26:14,960

the aliens hire Mexicans to build their

598

00:26:20,110 --> 00:26:18,200

[h__h] good question

599

00:26:21,250 --> 00:26:20,120

well I mean you hired the Germans the

600

00:26:22,870 --> 00:26:21,260

Germans have a bigger connection with

601
00:26:24,640 --> 00:26:22,880
the aliens then and then the Mexicans as

602
00:26:27,490 --> 00:26:24,650
far as I know there's a lot UFO activity

603
00:26:30,400 --> 00:26:27,500
in Mexico around like easily volcanoes

604
00:26:32,020 --> 00:26:30,410
but the Germans have that Nazi draconian

605
00:26:36,790 --> 00:26:32,030
connection with the rural societies so I

606
00:26:37,990 --> 00:26:36,800
don't know man it's tough yeah German

607
00:26:39,850 --> 00:26:38,000
engineering

608
00:26:42,130 --> 00:26:39,860
do you ever hear a Mexican engineer

609
00:26:42,880 --> 00:26:42,140
you're of German engineering I think you

610
00:26:45,850 --> 00:26:42,890
hear about

611
00:26:48,820 --> 00:26:45,860
Mexican guitars and you go Oh max it's

612
00:26:49,930 --> 00:26:48,830
hard I play a lot of missing missing

613
00:26:53,350 --> 00:26:49,940

users all right they're fine

614

00:26:57,070 --> 00:26:53,360

I think I'm brain itself they need to

615

00:26:59,740 --> 00:26:57,080

rebrand yourself I think so

616

00:27:02,950 --> 00:26:59,750

Yeah right not that bad no it's fine exa

617

00:27:10,110 --> 00:27:02,960

Co here I got a tagline Mexico we're not

618

00:27:12,790 --> 00:27:10,120

that bad Mexico yeah it could be worse I

619

00:27:15,070 --> 00:27:12,800

play a lot of Mexican instruments I

620

00:27:17,710 --> 00:27:15,080

think it's they're fine I've nothing

621

00:27:21,040 --> 00:27:17,720

against it Guzman yeah you'd be favorite

622

00:27:25,000 --> 00:27:21,050

one the the tequila bottle yes what a

623

00:27:29,290 --> 00:27:25,010

good in there destruction sure Mexico

624

00:27:31,690 --> 00:27:29,300

you like drugs Mexico has a lot of UFO

625

00:27:34,270 --> 00:27:31,700

sightings I'm in a lot of interesting

626

00:27:37,030 --> 00:27:34,280

stuff goes on down there any uh all

627

00:27:38,230 --> 00:27:37,040

those runes down there as well so don't

628

00:27:41,800 --> 00:27:38,240

dismiss it yeah I know you've been

629

00:27:43,570 --> 00:27:41,810

pretty crass comments towards the

630

00:27:44,410 --> 00:27:43,580

Mexican people don't dismiss a man

631

00:27:45,130 --> 00:27:44,420

they'll come back and get you

632

00:27:47,380 --> 00:27:45,140

[h__\h]

633

00:27:49,480 --> 00:27:47,390

nah man I'll get yeah I think so you

634

00:27:52,750 --> 00:27:49,490

know there's some really hot Mexicans

635

00:27:56,050 --> 00:27:52,760

out there I'm okay with me yeah dude you

636

00:27:58,390 --> 00:27:56,060

like Latino guys I'd be alright with

637

00:28:01,120 --> 00:27:58,400

that yeah yeah really anything that's

638

00:28:03,250 --> 00:28:01,130

not oh yeah you know anything like I

639

00:28:04,840 --> 00:28:03,260

told you the white people face like the

640

00:28:06,400 --> 00:28:04,850

white guy I look at myself in the mirror

641

00:28:08,920 --> 00:28:06,410

and I'm like oh god this is gonna get

642

00:28:11,200 --> 00:28:08,930

bad yeah I just think white people are

643

00:28:13,330 --> 00:28:11,210

just like disgusting so you know yeah we

644

00:28:15,940 --> 00:28:13,340

don't wanna age we'll know we don't age

645

00:28:18,190 --> 00:28:15,950

well at all but then you have like Asian

646

00:28:20,170 --> 00:28:18,200

people who aged really well up until 60

647

00:28:22,780 --> 00:28:20,180

and then they absolutely drop off yes

648

00:28:23,590 --> 00:28:22,790

Eric is gonna look like mr. Miyagi in

649

00:28:29,460 --> 00:28:23,600

like five years

650

00:28:30,790 --> 00:28:29,470

yeah funny it's like a crazy accent do I

651
00:28:33,610 --> 00:28:30,800
start

652
00:28:37,900 --> 00:28:33,620
why you do that like I hope it just like

653
00:28:40,720 --> 00:28:37,910
comes out yeah you want Marian Dora you

654
00:28:44,500 --> 00:28:40,730
should ask this this biscuits 860 get

655
00:28:47,370 --> 00:28:44,510
the accent and we'll continue living are

656
00:28:49,780 --> 00:28:47,380
you guys at legally married in Texas

657
00:28:52,240 --> 00:28:49,790
it's legal everywhere with the Supreme

658
00:28:53,950 --> 00:28:52,250
Court decision which I actually opposed

659
00:28:56,980 --> 00:28:53,960
I opposed it by the way because I do

660
00:29:02,580 --> 00:28:56,990
believe it is a states rights issue

661
00:29:05,470 --> 00:29:02,590
yeah we are officially married federally

662
00:29:07,360 --> 00:29:05,480
which I do you want to change the
