

MISSISSIPPI Monkey Man

BIGFOOT • SASQUATCH

1
00:00:00,320 --> 00:00:05,740
[Applause]

2
00:00:17,750 --> 00:00:10,959
let's move on to some stuff and things

3
00:00:20,870 --> 00:00:17,760
excuse me it was the piece of [h__h] it

4
00:00:24,200 --> 00:00:20,880
was sweet tooth from twisted metal yeah

5
00:00:25,849 --> 00:00:24,210
[h__h] yeah that's correct

6
00:00:28,279 --> 00:00:25,859
I have a couple different things here

7
00:00:30,740 --> 00:00:28,289
that I want to get to to fulfill our

8
00:00:33,020 --> 00:00:30,750
obligations to the paranormal and

9
00:00:35,240 --> 00:00:33,030
conspiracy community there's a lot of

10
00:00:37,700 --> 00:00:35,250
you out there I know and we have

11
00:00:39,530 --> 00:00:37,710
obligation to to fulfill to you the

12
00:00:41,119 --> 00:00:39,540
listener who cares about this though I

13
00:00:44,119 --> 00:00:41,129

care about it too something to give

14

00:00:46,190 --> 00:00:44,129

clown baby and Joe an opportunity to

15

00:00:49,340 --> 00:00:46,200

pick what we talk about next

16

00:00:52,220 --> 00:00:49,350

so I even add some crazy conspiracy

17

00:00:53,750 --> 00:00:52,230

stuff in that realm so yeah love it okay

18

00:00:55,910 --> 00:00:53,760

so I have a couple headlines here that I

19

00:00:57,080 --> 00:00:55,920

want to run passion you let me know what

20

00:00:59,959 --> 00:00:57,090

you want to talk about when it comes to

21

00:01:02,450 --> 00:00:59,969

conspiracy stuff I have a story entitled

22

00:01:07,910 --> 00:01:02,460

my encounter with the Mississippi monkey

23

00:01:10,460 --> 00:01:07,920

man then I have one called u.s. special

24

00:01:14,870 --> 00:01:10,470

forces hunt killer Bigfoot group in

25

00:01:17,270 --> 00:01:14,880

Western North Carolina Western North

26

00:01:20,840 --> 00:01:17,280

Carolina they also have rectangular

27

00:01:23,210 --> 00:01:20,850

alien beasts found on the moon and

28

00:01:25,880 --> 00:01:23,220

there's a picture right there and I also

29

00:01:28,399 --> 00:01:25,890

have a bit of a more of a fun story

30

00:01:31,789 --> 00:01:28,409

called top 10 festivals for UFO and

31

00:01:36,550 --> 00:01:31,799

alien lovers mmm I always love a good

32

00:01:41,649 --> 00:01:36,560

listicle clown baby what do you think um

33

00:01:52,760 --> 00:01:50,149

monkey man okay in May in May of 2009 a

34

00:01:54,950 --> 00:01:52,770

man never named talked about his night

35

00:01:57,580 --> 00:01:54,960

he encountered the Mississippi monkey

36

00:02:01,069 --> 00:01:57,590

man during a late-night trip back from

37

00:02:04,609 --> 00:02:01,079

Norfolk and I'm gonna try to peruse this

38

00:02:06,109 --> 00:02:04,619

read if you will and so please uh who

39

00:02:08,600 --> 00:02:06,119

stick with me and this is he's

40

00:02:12,320 --> 00:02:08,610

accountant with the Mississippi monkey

41

00:02:13,460 --> 00:02:12,330

man it was a very hot summer night I was

42

00:02:15,530 --> 00:02:13,470

coming back from

43

00:02:17,810 --> 00:02:15,540

virginia beach and me and my girlfriend

44

00:02:20,870 --> 00:02:17,820

at the time we're together and by the

45

00:02:22,130 --> 00:02:20,880

time i had got them but me my girlfriend

46

00:02:24,380 --> 00:02:22,140

worked together by the time I got into

47

00:02:27,020 --> 00:02:24,390

Mississippi I left Virginia early in the

48

00:02:30,710 --> 00:02:27,030

morning in Mike in the car but it's how

49

00:02:32,720 --> 00:02:30,720

I got the Mississippi Highway 59 it was

50

00:02:36,020 --> 00:02:32,730

already close to midnight or maybe 1:00

51
00:02:38,870 --> 00:02:36,030
in the morning highway 59 is Eastern

52
00:02:41,450 --> 00:02:38,880
Mississippi and it is very very lonely

53
00:02:44,090 --> 00:02:41,460
you just have highway 59 with the

54
00:02:47,030 --> 00:02:44,100
traffic going that way and the traffic

55
00:02:49,660 --> 00:02:47,040
coming this way and you got all the tall

56
00:02:52,520 --> 00:02:49,670
trees on both sides and nothing else

57
00:02:54,470 --> 00:02:52,530
maybe you might have a little rest area

58
00:02:56,960 --> 00:02:54,480
or a little mom-and-pop gas station

59
00:03:00,590 --> 00:02:56,970
every 15 to 20 miles but in between

60
00:03:03,530 --> 00:03:00,600
there is nothing as I drove that night I

61
00:03:05,660 --> 00:03:03,540
was tired and I was on the road from the

62
00:03:07,610 --> 00:03:05,670
morning since this since the state of

63
00:03:09,830 --> 00:03:07,620

Virginia my girlfriend was already

64

00:03:12,230 --> 00:03:09,840

asleep and my little boy was in the

65

00:03:14,420 --> 00:03:12,240

backseat because I'm a night person I

66

00:03:17,870 --> 00:03:14,430

didn't have a problem staying awake as I

67

00:03:20,930 --> 00:03:17,880

drove down the highway on the side I saw

68

00:03:25,940 --> 00:03:20,940

a man a man walking walking kind of fast

69

00:03:27,350 --> 00:03:25,950

looking down very tall looping man that

70

00:03:33,350 --> 00:03:27,360

I thought that he was wearing a coat

71

00:03:35,990 --> 00:03:33,360

loping is Edward L o P ing loping you're

72

00:03:38,750 --> 00:03:36,000

it's not loopiness loping a very tall

73

00:03:42,199 --> 00:03:38,760

loopy man that I thought was wearing a

74

00:03:46,100 --> 00:03:42,209

coat I thought what the hell is he doing

75

00:03:49,250 --> 00:03:46,110

here first of all yeah to loop run or

76
00:03:52,940 --> 00:03:49,260
move with a long bounding stride okay I

77
00:03:57,440 --> 00:03:52,950
need a tall person running okay a

78
00:03:59,060 --> 00:03:57,450
looping man okay a very tall loping man

79
00:04:00,800 --> 00:03:59,070
that I thought was wearing a coat I

80
00:04:03,020 --> 00:04:00,810
thought what the hell is he doing here

81
00:04:05,300 --> 00:04:03,030
first of all and why in the hell is he

82
00:04:08,330 --> 00:04:05,310
wearing a damn coat on this hot

83
00:04:10,850 --> 00:04:08,340
Mississippi night I said honey I saw a

84
00:04:14,509 --> 00:04:10,860
man walking alone I need to help him she

85
00:04:16,849 --> 00:04:14,519
said are you crazy I said no I'm not I'm

86
00:04:19,640 --> 00:04:16,859
going to offer him a ride I'm gonna give

87
00:04:21,050 --> 00:04:19,650
him some money so that as soon as we get

88
00:04:23,480 --> 00:04:21,060

to the next town he can get a room and

89

00:04:24,750 --> 00:04:23,490

buy himself a nice hot meal or whatever

90

00:04:27,720 --> 00:04:24,760

well this guy

91

00:04:29,100 --> 00:04:27,730

a really nice guy he sounds nice but I

92

00:04:33,000 --> 00:04:29,110

don't know why he wouldn't give him a

93

00:04:34,950 --> 00:04:33,010

banana hmm well first of all he didn't

94

00:04:36,450 --> 00:04:34,960

know this was a Mississippi monkey man

95

00:04:39,090 --> 00:04:36,460

he thought it was a tall guy wearing

96

00:04:42,780 --> 00:04:39,100

like a large coat or an overcoat or

97

00:04:45,090 --> 00:04:42,790

something okay so yeah maybe he didn't

98

00:04:46,470 --> 00:04:45,100

have a banana on him that's true then

99

00:04:50,760 --> 00:04:46,480

not everyone has a banana in their

100

00:04:52,230 --> 00:04:50,770

pocket show oh it's unfortunate because

101
00:04:53,580 --> 00:04:52,240
you never know who you're gonna meet you

102
00:04:57,900 --> 00:04:53,590
know talking about sometimes you got a

103
00:05:00,780 --> 00:04:57,910
little bit sometimes got a carrot you

104
00:05:03,360 --> 00:05:00,790
know yeah no carrots and bananas they're

105
00:05:06,330 --> 00:05:03,370
interchangeable you know at night

106
00:05:07,320 --> 00:05:06,340
whatever yeah whatever feels good all

107
00:05:09,420 --> 00:05:07,330
right to continue on with the story

108
00:05:12,840 --> 00:05:09,430
let's finish it up guys please do

109
00:05:16,380 --> 00:05:12,850
ensuing us so this is very serious the

110
00:05:18,690 --> 00:05:16,390
monkey man is serious it is serious up

111
00:05:20,820 --> 00:05:18,700
the continued on so I put the car in

112
00:05:23,310 --> 00:05:20,830
reverse to make sure that I wouldn't

113
00:05:27,510 --> 00:05:23,320

that I wouldn't get ahead you know what

114

00:05:29,970 --> 00:05:27,520

that means I would want head while I was

115

00:05:32,130 --> 00:05:29,980

driving I jail please your malarkey is

116

00:05:37,680 --> 00:05:32,140

getting very tiresome and you might be

117

00:05:41,960 --> 00:05:37,690

in goj all pretty soon they prosecute

118

00:05:45,270 --> 00:05:41,970

gays harder coke jail judicial system

119

00:05:46,620 --> 00:05:45,280

oppresses gays so I put the car in

120

00:05:49,230 --> 00:05:46,630

reverse to make sure I wouldn't get

121

00:05:51,600 --> 00:05:49,240

ahead I was already about 2,000 feet

122

00:05:55,380 --> 00:05:51,610

ahead of him when I was going to reverse

123

00:05:57,240 --> 00:05:55,390

and he was closer to the woods he was

124

00:06:00,780 --> 00:05:57,250

actually on the shorter of the highway I

125

00:06:03,030 --> 00:06:00,790

stopped the car and he stops he looks at

126

00:06:04,470 --> 00:06:03,040

me and I noticed a massive man and my

127

00:06:06,600 --> 00:06:04,480

eyes are trying to adjust to the

128

00:06:08,760 --> 00:06:06,610

darkness of the night and I said sir

129

00:06:12,180 --> 00:06:08,770

sir I would like to offer you some money

130

00:06:14,190 --> 00:06:12,190

sir so that you could rent a room in the

131

00:06:17,250 --> 00:06:14,200

next town he looks at me and I realize

132

00:06:20,040 --> 00:06:17,260

it was not a man looking at me

133

00:06:23,160 --> 00:06:20,050

he made a loud loud screeching sound

134

00:06:28,200 --> 00:06:23,170

that even today my ears hurt and then he

135

00:06:31,260 --> 00:06:28,210

ran into the woods I was horrified I got

136

00:06:33,180 --> 00:06:31,270

into the car is it honey I didn't say

137

00:06:35,580 --> 00:06:33,190

anything else I put the car in first

138

00:06:37,060 --> 00:06:35,590

gear in drove 85 miles an hour and my

139

00:06:39,310 --> 00:06:37,070

girlfriend was like what happened

140

00:06:42,160 --> 00:06:39,320

happen honey what what what happened out

141

00:06:43,300 --> 00:06:42,170

there I said honey it wasn't a man it

142

00:06:45,310 --> 00:06:43,310

was a sasquatch

143

00:06:47,950 --> 00:06:45,320

I just had an encounter with a Bigfoot

144

00:06:49,810 --> 00:06:47,960

later on I realized that there have been

145

00:06:51,970 --> 00:06:49,820

stories dating back to the 1800s and

146

00:06:55,630 --> 00:06:51,980

1700 about the Mississippi monkey man

147

00:06:58,930 --> 00:06:55,640

stories passed on by the Slovenian

148

00:07:03,090 --> 00:06:58,940

people back then have often

149

00:07:05,680 --> 00:07:03,100

talked about the Mississippi monkey man

150

00:07:07,950 --> 00:07:05,690

all right and we can now post a link up

151

00:07:11,860 --> 00:07:07,960

to this story this is from phantom

152

00:07:14,920 --> 00:07:11,870

phantoms and monsters calm yes my home

153

00:07:17,260 --> 00:07:14,930

page I love Jude I'd love to say I order

154

00:07:19,540 --> 00:07:17,270

books from from this website I love

155

00:07:23,950 --> 00:07:19,550

these first-person accounts about these

156

00:07:25,330 --> 00:07:23,960

encounters this I mean this guy seen a

157

00:07:27,520 --> 00:07:25,340

hitchhiker essentially inside a rose

158

00:07:29,110 --> 00:07:27,530

like oh my god this guy has a coat I'm

159

00:07:33,630 --> 00:07:29,120

gonna pull over on the side of road try

160

00:07:37,870 --> 00:07:33,640

to offer him money for food and a room

161

00:07:39,130 --> 00:07:37,880

he's completely insane to me I see

162

00:07:41,170 --> 00:07:39,140

people on the side of the road all the

163

00:07:43,660 --> 00:07:41,180

[h__h] time and I don't I guess I don't

164

00:07:45,820 --> 00:07:43,670

have the inkling to pull over and give

165

00:07:47,470 --> 00:07:45,830

them money this guy wasn't even just

166

00:07:50,050 --> 00:07:47,480

offering to help hey where's your car

167

00:07:52,000 --> 00:07:50,060

are you broken down this guy what it was

168

00:07:54,460 --> 00:07:52,010

a chick this guy was like take my money

169

00:07:57,910 --> 00:07:54,470

please take my money you know what what

170

00:08:01,810 --> 00:07:57,920

if it was a chick with a big ol pair of

171

00:08:03,510 --> 00:08:01,820

you know at least B pluses or C's I'm

172

00:08:07,090 --> 00:08:03,520

not a kid again I'm not a breast guy

173

00:08:09,400 --> 00:08:07,100

breasts are nice what about boob do you

174

00:08:11,380 --> 00:08:09,410

like one boob do you like singular boobs

175

00:08:19,750 --> 00:08:11,390

ah I'm more of a I'm more of a butt guy

176

00:08:20,320 --> 00:08:19,760

I saw your booth I'm yeah I'm more of an

177

00:08:22,840 --> 00:08:20,330

ass man

178

00:08:23,340 --> 00:08:22,850

boobs are nice but it's not everything

179

00:08:25,510 --> 00:08:23,350

to me

180

00:08:27,640 --> 00:08:25,520

you gotta you gotta have a nice ass

181

00:08:29,770 --> 00:08:27,650

that's that's that's that's true so this

182

00:08:31,660 --> 00:08:29,780

Sasquatch had a nice ass yeah I would I

183

00:08:32,950 --> 00:08:31,670

would have pulled over sure I think the

184

00:08:34,659 --> 00:08:32,960

guy's not telling the whole story I'm

185

00:08:36,730 --> 00:08:34,669

thinking to you is he thought he was a

186

00:08:38,709 --> 00:08:36,740

dude instead of wanting to just give him

187

00:08:39,700 --> 00:08:38,719

money so he could get a room from that I

188

00:08:41,770 --> 00:08:39,710

think he wanted to get a room I think

189

00:08:43,209 --> 00:08:41,780

you're trying to pick up some lot lizard

190

00:08:44,560 --> 00:08:43,219

he's not telling the whole story

191

00:08:46,390 --> 00:08:44,570

he may have like he may have saw

192

00:08:47,100 --> 00:08:46,400

somebody inside the highways like oh my

193

00:08:50,009 --> 00:08:47,110

god I seen

194

00:08:51,990 --> 00:08:50,019

Rico because some in the movies you see

195

00:08:54,210 --> 00:08:52,000

like sometimes like hookers wear

196

00:08:56,759 --> 00:08:54,220

overcoats so they can flash us so they

197

00:08:59,040 --> 00:08:56,769

can show the goods so maybe he thought

198

00:09:01,949 --> 00:08:59,050

oh this this person's wear an overcoat

199

00:09:03,780 --> 00:09:01,959

in it in this hot Mississippi heat maybe

200

00:09:06,660 --> 00:09:03,790

they want to show the goods maybe they

201
00:09:10,980 --> 00:09:06,670
got the Lucie that Bigfoot donger you

202
00:09:19,710 --> 00:09:10,990
know heavy let me let me see that that

203
00:09:21,420 --> 00:09:19,720
dick was a woman but you would assume

204
00:09:23,819 --> 00:09:21,430
that he'd probably tell from the stature

205
00:09:25,740 --> 00:09:23,829
that it was a larger person and you

206
00:09:28,710 --> 00:09:25,750
don't really encounter too many women

207
00:09:31,259 --> 00:09:28,720
over six-foot not very often so he

208
00:09:33,509 --> 00:09:31,269
probably could tell that it was a larger

209
00:09:35,069 --> 00:09:33,519
person most likely not a woman walking

210
00:09:38,400 --> 00:09:35,079
down the road that had an overcoat on

211
00:09:40,860 --> 00:09:38,410
possibly a flasher and he pulled over to

212
00:09:43,530 --> 00:09:40,870
offer money which is kind of weird you'd

213
00:09:45,810 --> 00:09:43,540

typically offer a ride or assistance

214

00:09:47,009 --> 00:09:45,820

with her car not offer money so there's

215

00:09:48,509 --> 00:09:47,019

probably something going on in this

216

00:09:50,519 --> 00:09:48,519

guy's head that he was actually pointing

217

00:09:56,280 --> 00:09:50,529

over to the side of road to offer money

218

00:09:59,040 --> 00:09:56,290

for sex I don't know that's the only

219

00:10:02,250 --> 00:09:59,050

thing I can assume from from the story

220

00:10:04,680 --> 00:10:02,260

but that's the story that half of the

221

00:10:07,170 --> 00:10:04,690

the Mississippi monkey man I will

222

00:10:08,910 --> 00:10:07,180

continue to investigate this and if I

223

00:10:10,530 --> 00:10:08,920

happen to come across these stories I'll

224

00:10:12,840 --> 00:10:10,540

read them for you and listeners if you

225

00:10:15,180 --> 00:10:12,850

have any stories about the Mississippi

226

00:10:17,569 --> 00:10:15,190

monkey man cinnamon or give a call in

227

00:10:20,699 --> 00:10:17,579

two six one four three eight eight nine

228

00:10:23,569 --> 00:10:20,709

109 and tell us about the well you know

229

00:10:26,389 --> 00:10:23,579

about the Mississippi monkey men and

230

00:10:29,880 --> 00:10:26,399

while we're at it let's remind listeners

231

00:10:34,139 --> 00:10:29,890

anybody who's new come on in to the

232

00:10:36,300 --> 00:10:34,149

slack chat where we are very active all

day long if you like that kind of a

234

00:10:42,300 --> 00:10:39,790

thing - it's an ongoing thread basically

235

00:10:44,579 --> 00:10:42,310

where it's a commentary and you can join

236

00:10:47,130 --> 00:10:44,589

the slack chat by emailing our big dumb

237

00:10:51,630 --> 00:10:47,140

239

00:10:56,610 --> 00:10:54,040

insanity yeah you can just get in there

240

00:10:58,889 --> 00:10:56,620

and get crazy excuse me

241

00:11:00,809 --> 00:10:58,899

245

00:11:07,980 --> 00:11:07,480

we're gonna call you asses [\h__\h] over and

246

00:11:10,799 --> 00:11:07,990

over again

247

00:11:12,179 --> 00:11:10,809

[\h__\h] yeah we're gonna use emojis all

248

00:11:15,540 --> 00:11:12,189

over your ass

249

00:11:17,009 --> 00:11:15,550

big time so yeah it's fun you can if you

250

00:11:19,109 --> 00:11:17,019

have any stories that you want us to

251

00:11:22,079 --> 00:11:19,119

read or comment on slack shad is the

252

00:11:25,919 --> 00:11:22,089

perfect opportunity to submit this man

253

00:11:29,489 --> 00:11:25,929

we do have a patreon and if you wanna

254

00:11:31,739 --> 00:11:29,499

hit that up it's can we search for our

255

00:11:33,569 --> 00:11:31,749

big dumb mouth on patreon obdam behind

256

00:11:36,960 --> 00:11:33,579

those obdam and it's all buddy I'm

257

00:11:39,929 --> 00:11:36,970

honest yeah because my cast is so good

258

00:11:43,049 --> 00:11:39,939

yeah he has to come into a [\h__\h] sock

259

00:11:45,359 --> 00:11:43,059

and he can't even dry himself off on a

260

00:11:47,549 --> 00:11:45,369

towel roll around of the carpet he has

261

00:11:50,220 --> 00:11:47,559

to roll on the carpet to dry himself off

262

00:11:53,100 --> 00:11:50,230

kisi has nothing is nothing he's very

263

00:11:55,769 --> 00:11:53,110

broken he pimps very well that he's a

264

00:11:58,259 --> 00:11:55,779

very broken man with nothing work

265

00:12:05,669 --> 00:11:58,269

covered in dog hair everyday heroes

266

00:12:09,419 --> 00:12:05,679

reward and horny some of these things

267

00:12:11,730 --> 00:12:09,429

are true our show is all about what you

268

00:12:13,829 --> 00:12:11,740

can discern for yourself this is why we

269

00:12:16,379 --> 00:12:13,839

have people like Ryan Dawson on we talk

270

00:12:18,059 --> 00:12:16,389

about things that maybe are kind of

271

00:12:19,799 --> 00:12:18,069

serious but then we talk about things

272

00:12:22,590 --> 00:12:19,809

that are kind of a little bit weird and

273

00:12:24,150 --> 00:12:22,600

so when we have you know this little mix

274

00:12:26,220 --> 00:12:24,160

of things we want you to be able to

275

00:12:28,739 --> 00:12:26,230

decide for yourself and if you think

276

00:12:33,059 --> 00:12:28,749

there's any value here we hope you can

277

00:12:35,340 --> 00:12:33,069

help us out come in naked yeah i coming

278

00:12:37,379 --> 00:12:35,350

279

00:12:39,419 --> 00:12:37,389

for one dollar a month or two dollars a

280

00:12:41,340 --> 00:12:39,429

month or five dollars a month it goes

281

00:12:44,039 --> 00:12:41,350

right back into the show I'm not living

282

00:12:45,749 --> 00:12:44,049

a lavish lifestyle obviously if you lot

283

00:12:49,110 --> 00:12:45,759

284

00:12:52,470 --> 00:12:49,120

let the people know that I live in in

286

00:12:58,109 --> 00:12:55,360

the radio studio I'd live for doing the

287

00:13:00,329 --> 00:12:58,119

show I put everything back into it and I

288

00:13:02,489 --> 00:13:00,339

enjoy doing it and I'll continues to do

289

00:13:05,340 --> 00:13:02,499

it no matter what but it certainly does

290

00:13:06,809 --> 00:13:05,350

help to get some listener donations and

291

00:13:08,449 --> 00:13:06,819

appreciation it's gonna go right back in

292

00:13:11,160 --> 00:13:08,459

the show buy a new equipment and

293

00:13:12,639 --> 00:13:11,170

hopefully giving some stickers and

294

295

00:13:17,609 --> 00:13:14,930

but joy I got a break dude I do need I

296

00:13:20,579 --> 00:13:17,619

do need furniture for my apartment I

297

00:13:22,929 --> 00:13:20,589

invite my cos dem t-shirt designs

298

00:13:24,400 --> 00:13:22,939

299

00:13:26,559 --> 00:13:24,410

who wants a submitted design will

300

00:13:29,079 --> 00:13:26,569

definitely entertain it obviously weirdo

301

00:13:30,819 --> 00:13:29,089

we're all capable of doing it I don't

302

00:13:33,129 --> 00:13:30,829

know Jeff as he can probably do the

303

00:13:34,540 --> 00:13:33,139

accounting yeah Joe and I actually have

304

00:13:36,280 --> 00:13:34,550

art degrees we can actually do it we

305

00:13:38,319 --> 00:13:36,290

just we're running out of time we're

306

00:13:40,329 --> 00:13:38,329

just we're far too busy fighting the new

307

00:13:46,689 --> 00:13:40,339

world order to design t-shirts okay

308

00:13:48,639 --> 00:13:46,699

stop whining if you get Arnold and now

309

00:13:54,160 --> 00:13:48,649

like together I'll just feel miserable

310

00:13:55,419 --> 00:13:54,170

yeah to be very gentle with that knows

311

00:13:57,850 --> 00:13:55,429

how to treat a woman
