

# Navy SEALS vs Bigfoot

1  
00:00:00,320 --> 00:00:05,740  
[Applause]

2  
00:00:11,000 --> 00:00:08,450  
everyone in this audio segment I read a

3  
00:00:12,950 --> 00:00:11,010  
few stories about Bigfoot Navy SEALs and

4  
00:00:14,660 --> 00:00:12,960  
strange encounters if you don't like

5  
00:00:17,990 --> 00:00:14,670  
offensive language please don't listen

6  
00:00:27,679 --> 00:00:18,000  
we curse a lot thanks for listening talk

7  
00:00:33,010 --> 00:00:27,689  
to you later my phone get off my phone

8  
00:00:37,819 --> 00:00:35,810  
you don't play that alarm enough I don't

9  
00:00:43,369 --> 00:00:37,829  
I'm going to play here on out the

10  
00:00:45,500 --> 00:00:43,379  
resident grant just randomly they won't

11  
00:00:47,600 --> 00:00:45,510  
get annoying at all I have some

12  
00:00:51,290 --> 00:00:47,610  
paranormal stuff here and I'd like to

13  
00:00:52,670 --> 00:00:51,300

talk to you about and I'll get down to

14

00:00:55,069 --> 00:00:52,680

the nitty-gritty of some of these uh

15

00:00:59,840 --> 00:00:55,079

these crazy stories that I have procured

16

00:01:01,970 --> 00:00:59,850

for your listening pleasure this one's

17

00:01:06,469 --> 00:01:01,980

called the reptilian in Bigfoot

18

00:01:10,700 --> 00:01:06,479

guardians from the portal nice okay what

19

00:01:15,050 --> 00:01:10,710

he's trying to bear with me okay yes it

20

00:01:19,130 --> 00:01:15,060

is a story from Kentucky and comes from

21

00:01:21,649 --> 00:01:19,140

the year 1991 and this is the afternoon

22

00:01:24,410 --> 00:01:21,659

time and this is like a first-hand

23

00:01:27,469 --> 00:01:24,420

account of what was going on the witness

24

00:01:30,679 --> 00:01:27,479

space he was working on a 160-acre farm

25

00:01:32,120 --> 00:01:30,689

at the time and one day while eating

26

00:01:33,620 --> 00:01:32,130

lunch with a friend he was told that

27

00:01:35,420 --> 00:01:33,630

there have been some hunters sneaking

28

00:01:37,190 --> 00:01:35,430

onto the property he finished up his

29

00:01:39,679 --> 00:01:37,200

lunch got his gun has started to walk

30

00:01:41,719 --> 00:01:39,689

down the fence row planning to cut into

31

00:01:45,260 --> 00:01:41,729

the woods and sneak up on him want to

32

00:01:46,850 --> 00:01:45,270

take all those goddamn trespassers he

33

00:01:48,649 --> 00:01:46,860

had been out there for about 45 minutes

34

00:01:49,730 --> 00:01:48,659

to an hour and was making his way

35

00:01:53,060 --> 00:01:49,740

through the woods when suddenly

36

00:01:58,130 --> 00:01:53,070

something stepped out from behind a tree

37

00:02:00,230 --> 00:01:58,140

he yelled friend or foe the yell friend

38

00:02:01,819 --> 00:02:00,240

or foe in pointed his gun at it he

39

00:02:03,859 --> 00:02:01,829

couldn't believe his eyes because

40

00:02:07,900 --> 00:02:03,869

they're standing in front of them and

41

00:02:13,650 --> 00:02:07,910

his gun was three and a half foot tall

42

00:02:15,840 --> 00:02:13,660

gray being suddenly the witness felt the

43

00:02:18,960 --> 00:02:15,850

being talking to him telepathically and

44

00:02:22,590 --> 00:02:18,970

he had a feeling it was a young female

45

00:02:28,530 --> 00:02:22,600

and it was scared and telling him it was

46

00:02:31,380 --> 00:02:28,540

going to run up a little hill just then

47

00:02:34,440 --> 00:02:31,390

it took off running up that very hill he

48

00:02:35,730 --> 00:02:34,450

followed it with his gun barrel as as it

49

00:02:39,120 --> 00:02:35,740

reached the top of the hill suddenly

50

00:02:42,650 --> 00:02:39,130

there was a flash of light and a sort of

51  
00:02:46,230 --> 00:02:42,660  
a portal or a door open out of nowhere

52  
00:02:47,520 --> 00:02:46,240  
it was about four feet wide and probably

53  
00:02:50,160 --> 00:02:47,530  
eight feet tall

54  
00:02:51,750 --> 00:02:50,170  
it was brightly lit inside and you could

55  
00:02:54,930 --> 00:02:51,760  
see a little bit he could see the little

56  
00:02:57,390 --> 00:02:54,940  
being standing in it now it looked like

57  
00:02:59,840 --> 00:02:57,400  
it was wearing a tight fitted black suit

58  
00:03:04,830 --> 00:02:59,850  
of some sort I'm assuming he meant the

59  
00:03:06,690 --> 00:03:04,840  
three-foot being suddenly out of the

60  
00:03:08,430 --> 00:03:06,700  
corner of his left eye he saw what

61  
00:03:11,370 --> 00:03:08,440  
looked like something running towards

62  
00:03:14,970 --> 00:03:11,380  
him he wheeled around and writing for

63  
00:03:16,080 --> 00:03:14,980

him was a lizard like humanoid five to

64

00:03:18,990 --> 00:03:16,090

six feet tall

65

00:03:22,710 --> 00:03:19,000

and he saw and was holding a Longstaff

66

00:03:24,570 --> 00:03:22,720

in one of his hands according to the

67

00:03:28,199 --> 00:03:24,580

witness the humanoids face was more

68

00:03:30,930 --> 00:03:28,209

insect-like and had blue eyes again he

69

00:03:33,720 --> 00:03:30,940

had a feeling that it was a little

70

00:03:34,949 --> 00:03:33,730

female beings father or guardian so I

71

00:03:38,970 --> 00:03:34,959

don't know why if you got like some kind

72

00:03:43,410 --> 00:03:38,980

of telepathic transmission there at this

73

00:03:45,840 --> 00:03:43,420

point suddenly to his right seven at

74

00:03:49,400 --> 00:03:45,850

this boy suddenly to his right a seven

75

00:03:52,320 --> 00:03:49,410

or eight foot tall being brown and hairy

76  
00:03:54,740 --> 00:03:52,330  
bigfoot-type creature suddenly appeared

77  
00:03:58,260 --> 00:03:54,750  
standing there the witness didn't hear

78  
00:04:01,080 --> 00:03:58,270  
didn't hear it or didn't even hear her

79  
00:04:04,500 --> 00:04:01,090  
speak but he heard it in his mind and it

80  
00:04:06,630 --> 00:04:04,510  
said no don't hurt him just then the

81  
00:04:09,690 --> 00:04:06,640  
lizard looking humanoid looked right at

82  
00:04:12,660 --> 00:04:09,700  
the witness and in his eyes the colors

83  
00:04:14,490 --> 00:04:12,670  
changed from the yellowish gold to a

84  
00:04:18,690 --> 00:04:14,500  
brown color and that's it that's all the

85  
00:04:22,860 --> 00:04:18,700  
story right there the creatures from

86  
00:04:26,040 --> 00:04:22,870  
Portal reptilian a grade' being and a

87  
00:04:28,250 --> 00:04:26,050  
Bigfoot all hanging around this weird

88  
00:04:33,840 --> 00:04:28,260

portal

89

00:04:38,760 --> 00:04:33,850

what do you think about that Joe pink

90

00:04:41,640 --> 00:04:38,770

sir didn't happen I'm with you these

91

00:04:44,400 --> 00:04:41,650

stories are tough they are tough they

92

00:04:50,610 --> 00:04:44,410

doing a lot of just um gotta believe

93

00:04:52,890 --> 00:04:50,620

what the author said you do um but if we

94

00:04:56,969 --> 00:04:52,900

had if he excluded those things and what

95

00:04:59,700 --> 00:04:56,979

we had left to read exactly me I love

96

00:05:00,780 --> 00:04:59,710

all this stuff this stuff is phenomenal

97

00:05:02,550 --> 00:05:00,790

me

98

00:05:06,990 --> 00:05:02,560

I like these first first-hand accounts

99

00:05:11,250 --> 00:05:07,000

uh I like that in this in this story

100

00:05:13,440 --> 00:05:11,260

there's there was a rep a gray alien a

101  
00:05:15,090 --> 00:05:13,450  
comma a common gray alien today I'm

102  
00:05:16,560 --> 00:05:15,100  
gonna rump that he'll leave me alone to

103  
00:05:18,540 --> 00:05:16,570  
go jump in this portal and then I had of

104  
00:05:20,940 --> 00:05:18,550  
a note out of nowhere of reptilian

105  
00:05:23,490 --> 00:05:20,950  
appeared with a insect face I don't know

106  
00:05:26,760 --> 00:05:23,500  
that means because to me you would be

107  
00:05:29,010 --> 00:05:26,770  
able to discern what a reptile would

108  
00:05:31,409 --> 00:05:29,020  
look like versus an insect you would

109  
00:05:33,320 --> 00:05:31,419  
imagine and then out of nowhere a

110  
00:05:36,330 --> 00:05:33,330  
Bigfoot is like someone's writing like a

111  
00:05:37,740 --> 00:05:36,340  
paranormal fanfiction and they included

112  
00:05:41,300 --> 00:05:37,750  
every kind of weird thing they're good

113  
00:05:43,290 --> 00:05:41,310

in the story it didn't make me then uh

114

00:05:45,810 --> 00:05:43,300

then Wolfie went back to his home planet

115

00:05:47,850 --> 00:05:45,820

yes and then and then a dog man came out

116

00:05:49,950 --> 00:05:47,860

of nowhere and started making a fire and

117

00:05:52,890 --> 00:05:49,960

then a poltergeist came and started

118

00:05:54,960 --> 00:05:52,900

playing cards with me it says if you do

119

00:05:58,050 --> 00:05:54,970

a skeptic episode we're like alright

120

00:06:01,080 --> 00:05:58,060

Roswell alien crash 1947 now this seems

121

00:06:03,900 --> 00:06:01,090

implausible so next topic we could we

122

00:06:05,820 --> 00:06:03,910

could I mean most of the stuff we talked

123

00:06:07,440 --> 00:06:05,830

about is implausible because there's no

124

00:06:09,930 --> 00:06:07,450

evidence there's no pictures is very

125

00:06:14,940 --> 00:06:09,940

little video and the stuff that is being

126

00:06:16,680 --> 00:06:14,950

spread around that like security ten or

127

00:06:18,570 --> 00:06:16,690

whatever on YouTube is [h\_\_\h] fake you

128

00:06:19,890 --> 00:06:18,580

know there's not good there's not a lot

129

00:06:23,370 --> 00:06:19,900

of good evidence out there when it comes

130

00:06:25,100 --> 00:06:23,380

to this cryptozoology [h\_\_\h] the the most

131

00:06:27,029 --> 00:06:25,110

concrete stuff you have is like the

132

00:06:29,700 --> 00:06:27,039

disappearance of people which is missing

133

00:06:31,770 --> 00:06:29,710

for 11 which is the absence of people

134

00:06:33,779 --> 00:06:31,780

being around you knew someone was there

135

00:06:35,610 --> 00:06:33,789

and now they're gone and what happened

136

00:06:36,990 --> 00:06:35,620

yes it's all speculation after that

137

00:06:39,959 --> 00:06:37,000

that's evidence

138

00:06:40,870 --> 00:06:39,969

being based on the absence of evidence

139

00:06:42,940 --> 00:06:40,880

there

140

00:06:47,470 --> 00:06:42,950

evidence that I knew a person named

141

00:06:49,630 --> 00:06:47,480

Steve and now Steve's shoes are here and

142

00:06:51,880 --> 00:06:49,640

I don't have a Steve so the lack of

143

00:06:52,720 --> 00:06:51,890

evidence of Steve is now evidence of

144

00:06:54,400 --> 00:06:52,730

something else

145

00:06:55,810 --> 00:06:54,410

I like the missing four one one that's

146

00:06:58,810 --> 00:06:55,820

one of my favorites others on the

147

00:07:01,810 --> 00:06:58,820

paranormal segment all right I have

148

00:07:04,750 --> 00:07:01,820

another story here for you this is us

149

00:07:11,860 --> 00:07:04,760

special Force Special Forces hunt killer

150

00:07:16,660 --> 00:07:11,870

Bigfoot in North Carolina oh man I want

151

00:07:18,940 --> 00:07:16,670

some art for this all right now this

152

00:07:21,280 --> 00:07:18,950

just came in this is a from phantoms

153

00:07:23,830 --> 00:07:21,290

phantoms in monsters comm they received

154

00:07:25,990 --> 00:07:23,840

a letter from a person claiming to be a

155

00:07:28,360 --> 00:07:26,000

former Special Forces operative

156

00:07:33,930 --> 00:07:28,370

regarding a mission he was on back in

157

00:07:38,110 --> 00:07:33,940

the early 90s okay in the early 90s I

158

00:07:39,970 --> 00:07:38,120

was with the teams in the Navy we were

159

00:07:42,190 --> 00:07:39,980

sanctioned by enough fed government

160

00:07:44,380 --> 00:07:42,200

agency to put a stop to several

161

00:07:47,410 --> 00:07:44,390

aggressive Sasquatch in the high country

162

00:07:50,140 --> 00:07:47,420

in Western North Carolina we all thought

163

00:07:53,170 --> 00:07:50,150

it was a joke at the missions briefing

164

00:07:56,830 --> 00:07:53,180

but it was no joke my partner in our

165

00:08:00,430 --> 00:07:56,840

team of 12 was a swimbot setup where's

166

00:08:03,270 --> 00:08:00,440

this from the article yeah where does it

167

00:08:06,280 --> 00:08:03,280

come from phantoms and monsters comm

168

00:08:07,930 --> 00:08:06,290

just uh done so I step up from ghost

169

00:08:10,030 --> 00:08:07,940

Siri what you don't think it's like CNN

170

00:08:11,350 --> 00:08:10,040

communist is not Fox News words I

171

00:08:13,030 --> 00:08:11,360

wouldn't read Z at any of their

172

00:08:20,050 --> 00:08:13,040

adjustment now it's written by Fareed

173

00:08:21,400 --> 00:08:20,060

Zakaria my partner in our team of 12 was

174

00:08:23,680 --> 00:08:21,410

my swim buddy he was a Native American

175

00:08:26,590 --> 00:08:23,690

this man wasn't scared of anything

176  
00:08:28,690 --> 00:08:26,600  
before we were ordered to go out during

177  
00:08:30,100 --> 00:08:28,700  
the briefing all these agents were

178  
00:08:32,380 --> 00:08:30,110  
showing us slides of what these

179  
00:08:35,320 --> 00:08:32,390  
creatures did the people adults and

180  
00:08:37,420 --> 00:08:35,330  
children like as well as the damage done

181  
00:08:40,060 --> 00:08:37,430  
to vehicles and homes anyway my buddy

182  
00:08:44,560 --> 00:08:40,070  
turned out turned white with sheer fear

183  
00:08:46,240 --> 00:08:44,570  
he told me this is bad really bad when

184  
00:08:48,370 --> 00:08:46,250  
we arrived in the little mountain

185  
00:08:50,470 --> 00:08:48,380  
village town the sheriff medicine he

186  
00:08:53,020 --> 00:08:50,480  
told us about he told us that he'd never

187  
00:08:55,540 --> 00:08:53,030  
been so happy to see us

188  
00:08:56,800 --> 00:08:55,550

since he'd been in Korea I'm sorry he

189

00:08:58,840 --> 00:08:56,810

never told us even so happiest to the

190

00:09:01,360 --> 00:08:58,850

cavalry says he'd been in Korea he

191

00:09:04,330 --> 00:09:01,370

showed us the actual places where as he

192

00:09:06,370 --> 00:09:04,340

put it this is where those [h\_\_\h] those

193

00:09:12,790 --> 00:09:06,380

big hairy demons destroyed this or

194

00:09:15,160 --> 00:09:12,800

killed him or her or them or there my

195

00:09:17,530 --> 00:09:15,170

buddy was taking everything in like I

196

00:09:19,240 --> 00:09:17,540

never saw him two before after talking

197

00:09:21,610 --> 00:09:19,250

with the sheriff our lieutenant told us

198

00:09:24,580 --> 00:09:21,620

to fire up because we're going out

199

00:09:26,920 --> 00:09:24,590

hunting as we were getting our gear up

200

00:09:28,540 --> 00:09:26,930

and ready my buddy said to me you know I

201  
00:09:31,540 --> 00:09:28,550  
always thought my grandfather was

202  
00:09:33,640 --> 00:09:31,550  
telling the scary stories about he and

203  
00:09:38,560 --> 00:09:33,650  
his brothers when they fought the wild

204  
00:09:40,510 --> 00:09:38,570  
men mm-hmm we started in around the

205  
00:09:43,660 --> 00:09:40,520  
court altar we started in around 49

206  
00:09:46,180 --> 00:09:43,670  
hours by 1600 we found lots and lots of

207  
00:09:48,730 --> 00:09:46,190  
tracks we started tracking them we made

208  
00:09:53,140 --> 00:09:48,740  
out at least seven different individuals

209  
00:09:56,410 --> 00:09:53,150  
we made first contact around 1930 and it

210  
00:09:58,570 --> 00:09:56,420  
was almost dark the point the point man

211  
00:10:02,160 --> 00:09:58,580  
stopped dead in his tracks is spoke into

212  
00:10:04,870 --> 00:10:02,170  
his headset I see one it's [h\_\_h] huge

213  
00:10:07,660 --> 00:10:04,880

the lieutenant said if you have a shot

214

00:10:10,780 --> 00:10:07,670

take it she shot the massive hairy beast

215

00:10:12,880 --> 00:10:10,790

with a 7.62 millimeter round and it

216

00:10:15,400 --> 00:10:12,890

acted like a mosquito bite then this

217

00:10:18,970 --> 00:10:15,410

creature turned around and let out a god

218

00:10:20,800 --> 00:10:18,980

awful roar are pouring in quickly switch

219

00:10:24,100 --> 00:10:20,810

to full auto this time the creature

220

00:10:27,330 --> 00:10:24,110

dropped like a rock after 10 7.62

221

00:10:30,130 --> 00:10:27,340

millimeter rounds cut up his chest

222

00:10:31,570 --> 00:10:30,140

general Stewart come come on yeah did

223

00:10:32,680 --> 00:10:31,580

you good as soon as soon as the Beast

224

00:10:34,540 --> 00:10:32,690

dropped you go up there and feed those

225

00:10:39,210 --> 00:10:34,550

balls or was with us God what's going on

226

00:10:42,250 --> 00:10:39,220

down there who knows after first contact

227

00:10:45,580 --> 00:10:42,260

the Asians radioed in and said they

228

00:10:48,100 --> 00:10:45,590

wanted one alive our lieutenant told

229

00:10:49,090 --> 00:10:48,110

them they were lieutenant told them to

230

00:10:51,670 --> 00:10:49,100

go screw themselves

231

00:10:53,560 --> 00:10:51,680

it took three days and nights with

232

00:10:56,020 --> 00:10:53,570

almost no sleep but we dropped seven

233

00:10:58,710 --> 00:10:56,030

hairy bastards we found the missing

234

00:11:01,870 --> 00:10:58,720

people or rather what was left of them

235

00:11:03,970 --> 00:11:01,880

we had one casualty when our team

236

00:11:06,190 --> 00:11:03,980

members was snatched straight up into a

237

00:11:06,910 --> 00:11:06,200

tree there was nothing anyone that could

238

00:11:09,670 --> 00:11:06,920

have done

239

00:11:12,580 --> 00:11:09,680

for him that night to this day thinking

240

00:11:15,100 --> 00:11:12,590

of those three days and she sends chills

241

00:11:17,860 --> 00:11:15,110

down my spine you want he won't find

242

00:11:19,410 --> 00:11:17,870

those three days in any military record

243

00:11:21,760 --> 00:11:19,420

or mission log

244

00:11:24,519 --> 00:11:21,770

going into the mission debriefing where

245

00:11:27,370 --> 00:11:24,529

normally we we were asked thousands of

246

00:11:33,100 --> 00:11:27,380

questions about every shot fired every

247

00:11:35,230 --> 00:11:33,110

angle in every every of every situation

248

00:11:37,450 --> 00:11:35,240

that occurred we simply were told that

249

00:11:38,980 --> 00:11:37,460

the pastor days we were doing rigorous

250

00:11:42,190 --> 00:11:38,990

Mountain training and during the

251  
00:11:44,620 --> 00:11:42,200  
training period we lost a man and with

252  
00:11:47,170 --> 00:11:44,630  
that the debriefing team stood up and

253  
00:11:49,269 --> 00:11:47,180  
walked out now normally we have an

254  
00:11:53,290 --> 00:11:49,279  
individual debriefing for the whole team

255  
00:11:55,990 --> 00:11:53,300  
but this one and but this was the one

256  
00:11:59,250 --> 00:11:56,000  
and only time where it was just the team

257  
00:12:03,850 --> 00:11:59,260  
so to answer your your next question

258  
00:12:06,850 --> 00:12:03,860  
three days government for Tran I'm sorry

259  
00:12:08,980 --> 00:12:06,860  
for so the answer that you're reading by

260  
00:12:11,500 --> 00:12:08,990  
the way I know it does yeah I glancing

261  
00:12:13,990 --> 00:12:11,510  
after three days government agents came

262  
00:12:18,010 --> 00:12:14,000  
in and removed all seven corpses in flew

263  
00:12:19,480 --> 00:12:18,020

them out very good them three days well

264

00:12:22,690 --> 00:12:19,490

they they were out the woods for three

265

00:12:25,570 --> 00:12:22,700

days hunting in communities three or do

266

00:12:28,690 --> 00:12:25,580

seven creatures yeah they dumped them

267

00:12:30,430 --> 00:12:28,700

with Osama off the deck of a battleship

268

00:12:32,200 --> 00:12:30,440

they're possible well I didn't do that

269

00:12:33,490 --> 00:12:32,210

bad really whatever on to enrage the

270

00:12:37,060 --> 00:12:33,500

Bigfoot community and make a martyr out

271

00:12:41,290 --> 00:12:37,070

of them so now you never know could just

272

00:12:43,870 --> 00:12:41,300

in flare more strife within the Bigfoot

273

00:12:46,620 --> 00:12:43,880

community so in the here you have a

274

00:12:50,380 --> 00:12:46,630

story of what I can only speculate a

275

00:12:54,510 --> 00:12:50,390

12-member team of Navy SEALs going into

276

00:12:58,510 --> 00:12:54,520

a u.s. region to take out seven Bigfoot

277

00:13:01,480 --> 00:12:58,520

it seems very like but like predator s

278

00:13:04,930 --> 00:13:01,490

like the movie predator you know where

279

00:13:08,590 --> 00:13:04,940

these guys are dropped in and they're

280

00:13:10,690 --> 00:13:08,600

they're briefed and one of their team

281

00:13:13,120 --> 00:13:10,700

members is gone but they came out they

282

00:13:16,660 --> 00:13:13,130

came out with with seven or three dead

283

00:13:20,020 --> 00:13:16,670

bodies or or seven dead SAS quiet what

284

00:13:22,270 --> 00:13:20,030

if this is so out of the ordinary

285

00:13:24,610 --> 00:13:22,280

the proles if this is true they're also

286

00:13:28,600 --> 00:13:24,620

startled when confronting these these

287

00:13:31,120 --> 00:13:28,610

Bigfoot sasquatch wouldn't ask why what

288

00:13:33,040 --> 00:13:31,130

do you think that it would take some

289

00:13:36,970 --> 00:13:33,050

hair or something like that some kind of

290

00:13:38,590 --> 00:13:36,980

memento from these killings a Bigfoot

291

00:13:42,010 --> 00:13:38,600

dick a Bigfoot dick

292

00:13:46,480 --> 00:13:42,020

oh what a chop wanna wear it around

293

00:13:48,730 --> 00:13:46,490

their neck or their neck Italy buckler's

294

00:13:53,560 --> 00:13:48,740

now hear apocalypse now that's right

295

00:13:56,650 --> 00:13:53,570

Bigfoot now I mean it is some kind of

296

00:14:01,720 --> 00:13:56,660

just Sasquatch ellipse now some some

297

00:14:05,620 --> 00:14:01,730

kind of memento some kind of memento you

298

00:14:08,050 --> 00:14:05,630

would imagine that that they would keep

299

00:14:10,480 --> 00:14:08,060

an orb not share stories or share

300

00:14:11,830 --> 00:14:10,490

stories with loved ones like now why

301  
00:14:14,110 --> 00:14:11,840  
wouldn't this be bigger this is like the

302  
00:14:16,120 --> 00:14:14,120  
only wetter written about this I go my

303  
00:14:17,830 --> 00:14:16,130  
photos would be leaks I think they're go

304  
00:14:19,480 --> 00:14:17,840  
to the Jack Black movie where he wasn't

305  
00:14:21,490 --> 00:14:19,490  
killed the Minotaur he came walking back

306  
00:14:25,600 --> 00:14:21,500  
with to dick where to dick around his

307  
00:14:29,950 --> 00:14:25,610  
neck look so necklace now going yeah

308  
00:14:33,190 --> 00:14:29,960  
so why why was the Navy SEAL team or the

309  
00:14:37,360 --> 00:14:33,200  
Special Forces team uses 7.62 ammo as a

310  
00:14:39,340 --> 00:14:37,370  
place as opposed to five by six isn't

311  
00:14:42,310 --> 00:14:39,350  
the seven six to the NATO or is it five

312  
00:14:44,620 --> 00:14:42,320  
five six the NATO um there's a seven six

313  
00:14:46,960 --> 00:14:44,630

- that's a NATO it's a higher-caliber so

314

00:14:49,090 --> 00:14:46,970

look it up there's a seven six - NATO

315

00:14:51,850 --> 00:14:49,100

you're thinking of thirty-nine thus dak

316

00:14:53,680 --> 00:14:51,860

uses but I mean maybe maybe they knew

317

00:14:55,420 --> 00:14:53,690

they're going out there fighting bigger

318

00:14:57,820 --> 00:14:55,430

creature they wanted a larger bowl as

319

00:15:00,250 --> 00:14:57,830

opposed to basically the the smaller

320

00:15:04,780 --> 00:15:00,260

five five six round there's a seven six

321

00:15:08,680 --> 00:15:04,790

- 51 millimeters NATO okay but why do

322

00:15:10,480 --> 00:15:08,690

you use it yeah by a five six is the

323

00:15:13,120 --> 00:15:10,490

common one right yeah

324

00:15:14,770 --> 00:15:13,130

a high five six yeah Derek's not big

325

00:15:17,440 --> 00:15:14,780

enough for these Bigfoot appearance five

326

00:15:18,580 --> 00:15:17,450

five six typically was shot out of like

327

00:15:21,610 --> 00:15:18,590

an ar-15

328

00:15:25,060 --> 00:15:21,620

where the 7.62 is typically shot out of

329

00:15:27,400 --> 00:15:25,070

like an ak-47 these are typical not

330

00:15:30,370 --> 00:15:27,410

indicative of every rifle I don't need

331

00:15:33,100 --> 00:15:30,380

people commenting on this [h\_\_h] okay wow

332

00:15:33,730 --> 00:15:33,110

wow bullet bullet and gun education

333

00:15:36,360 --> 00:15:33,740

right now

334

00:15:38,860 --> 00:15:36,370

it's not even good I'm using

335

00:15:44,820 --> 00:15:38,870

generalities here people don't take me

336

00:15:46,840 --> 00:15:44,830

at s all white people are terrible hmm

337

00:15:49,150 --> 00:15:46,850

so Joey Sarge you like that you like

338

00:15:53,710 --> 00:15:49,160

this a Navy SEAL story better or the

339

00:15:56,380 --> 00:15:53,720

previous reptilian and a Bigfoot going

340

00:15:58,390 --> 00:15:56,390

into a portal story Hey I just wish like

341

00:16:01,690 --> 00:15:58,400

I just wish there was like something

342

00:16:04,120 --> 00:16:01,700

like evidence like you know audio-visual

343

00:16:06,520 --> 00:16:04,130

something there is like isn't my voice

344

00:16:08,860 --> 00:16:06,530

enough something yeah I mean I like it

345

00:16:10,420 --> 00:16:08,870

but I could read a ghost story and go as

346

00:16:14,650 --> 00:16:10,430

I must happen let me tell you a story

347

00:16:16,690 --> 00:16:14,660

about the ferry okay exactly

348

00:16:18,940 --> 00:16:16,700

Neil deGrasse Tyson told me that the

349

00:16:23,680 --> 00:16:18,950

tooth fairy's a thing it does it does

350

00:16:25,990 --> 00:16:23,690

get to that point I like this stuff I'm

351

00:16:29,230 --> 00:16:26,000

going to continue to dig into it

352

00:16:32,530 --> 00:16:29,240

hopefully at some point there's going to

353

00:16:34,690 --> 00:16:32,540

be some kind of x-files dumping you know

354

00:16:36,280 --> 00:16:34,700

down down the road we'll get pictures of

355

00:16:38,170 --> 00:16:36,290

all this stuff that the FBI has been

356

00:16:42,100 --> 00:16:38,180

hoarding this at at some point I mean

357

00:16:45,940 --> 00:16:42,110

he'll in in October supposedly the CIA

358

00:16:48,190 --> 00:16:45,950

is gonna release the GfK piles yeah

359

00:16:50,170 --> 00:16:48,200

right we'll see if that happens yeah I

360

00:16:53,380 --> 00:16:50,180

mean for know what anybody doesn't know

361

00:16:54,900 --> 00:16:53,390

that I mean there's a lot of SATA JFK

362

00:16:58,030 --> 00:16:54,910

assassination files that have been

363

00:17:01,630 --> 00:16:58,040

declared top-secret or just be moved

364

00:17:03,610 --> 00:17:01,640

easily until it'll be what's that he

365

00:17:05,350 --> 00:17:03,620

should be declassified like in the next

366

00:17:06,910 --> 00:17:05,360

10 to 20 years so then I get to Disney

367

00:17:09,010 --> 00:17:06,920

pageantry Middle's keep making this top

368

00:17:12,400 --> 00:17:09,020

secret for eternity well I I heard that

369

00:17:14,230 --> 00:17:12,410

the 2017 in October that a good chunk of

370

00:17:15,820 --> 00:17:14,240

them are going to be released and I only

371

00:17:19,240 --> 00:17:15,830

could speculate why's that

372

00:17:21,310 --> 00:17:19,250

probably you know Lee Harvey Oswald was

373

00:17:24,730 --> 00:17:21,320

a CIA agent at some point and that's

374

00:17:26,950 --> 00:17:24,740

going to look bad yeah yeah it's gonna

375

00:17:29,800 --> 00:17:26,960

be wide web down in Louisiana there's a

376

00:17:31,420 --> 00:17:29,810

lot of evidence on that our last episode

377

00:17:34,630 --> 00:17:31,430

we had Ryan Dawson on he's working on a

378

00:17:37,390 --> 00:17:34,640

JFK video documentary he needs support

379

00:17:38,890 --> 00:17:37,400

he's asking for money for this but uh he

380

00:17:41,620 --> 00:17:38,900

didn't even ask us to promote it but

381

00:17:43,420 --> 00:17:41,630

yeah I mean there's so much even during

382

00:17:47,640 --> 00:17:43,430

the time which is why we even talked

383

00:17:53,170 --> 00:17:47,650

about this on the show is a CIA document

384

00:17:54,790 --> 00:17:53,180

1:12 32 1205 whatever where they they

385

00:17:57,070 --> 00:17:54,800

came up with the term conspiracy

386

00:18:00,010 --> 00:17:57,080

theorist remember that yeah

387

00:18:01,690 --> 00:18:00,020

1010 35 I think was the the number so

388

00:18:03,160 --> 00:18:01,700

CIA document tempted by they come up

389

00:18:05,590 --> 00:18:03,170

with this term conspiracy theorists they

390

00:18:06,160 --> 00:18:05,600

go to friendly media I mean if you read

391

00:18:09,040 --> 00:18:06,170

the whole thing

392

00:18:11,140 --> 00:18:09,050

it's just crazy and nobody at the time

393

00:18:12,940 --> 00:18:11,150

believed it people at the time didn't

394

00:18:15,460 --> 00:18:12,950

even believe it and now people still

395

00:18:18,550 --> 00:18:15,470

don't believe it there's a lot of

396

00:18:22,440 --> 00:18:18,560

interesting documents out there maybe

397

00:18:26,850 --> 00:18:22,450

you next week I'll read the world war 2

398

00:18:30,520 --> 00:18:26,860

briefing about how to disrupt and

399

00:18:34,300 --> 00:18:30,530

destroy bureaucracies by inserting

400

00:18:37,140 --> 00:18:34,310

yourself into one and it radiates like a

401  
00:18:40,030 --> 00:18:37,150  
modern document of how corporations work

402  
00:18:42,100 --> 00:18:40,040  
with commentry ISM have yeah with over

403  
00:18:46,630 --> 00:18:42,110  
complications of committees and meetings

404  
00:18:49,420 --> 00:18:46,640  
and you base all sabotaging your the

405  
00:18:51,970 --> 00:18:49,430  
business of your opposing country by

406  
00:18:53,950 --> 00:18:51,980  
trying to participate too much and

407  
00:18:56,620 --> 00:18:53,960  
having everything formalized so nothing

408  
00:18:58,950 --> 00:18:56,630  
ever gets done I need you know what

409  
00:19:02,050 --> 00:18:58,960  
independent investigator yeah yeah right

410  
00:19:04,420 --> 00:19:02,060  
yeah you know I think it would be fun to

411  
00:19:08,470 --> 00:19:04,430  
do because I see a lot of like UFO stuff

412  
00:19:11,230 --> 00:19:08,480  
coming out and encrypted stuff that it

413  
00:19:13,390 --> 00:19:11,240

it might be worth even bringing into the

414

00:19:15,670 --> 00:19:13,400

hangover shows where we actually do

415

00:19:17,860 --> 00:19:15,680

video share our screens because that's

416

00:19:20,470 --> 00:19:17,870

where you could actually look at what
