1
00:00:00,320 --> 00:00:05,530

[Applause]

2
00:00:16,460 --> 00:00:11,830

all right I finally have a segment on

3
00:00:20,029 --> 00:00:16,470

twin telepathy we've all heard stories

4
00:00:22,400 --> 00:00:20,039

over the years about twins and their

5
00:00:24,920 --> 00:00:22,410

amazing connection with one another and

6
00:00:27,290 --> 00:00:24,930

I'm sure if you've grew up watching the

7
00:00:30,080 --> 00:00:27,300

unsolved mysteries there's some kind of

8
00:00:32,749 --> 00:00:30,090

weird psychic or telepathic connection

9
00:00:34,549 --> 00:00:32,759

with twins and I did a little bit of

10
00:00:36,639 --> 00:00:34,559

research into this we haven't talked

11
00:00:39,650 --> 00:00:36,649

about the psychics telekinesis telepathy

12
00:00:41,420 --> 00:00:39,660

psionics at all too much on on this

13
00:00:42,860 --> 00:00:41,430

podcast and I want to del back into this

14

00:00:45,940 --> 00:00:42,870

topic it's kind of an interesting

15

00:00:50,060 --> 00:00:45,950

subject to me do you know anything about

16

00:00:53,900 --> 00:00:50,070

about twins and telekinesis in telepathy

17

00:00:55,250 --> 00:00:53,910

Joe just that I was a little jealous of

18

00:00:57,350 --> 00:00:55,260

all the twins I knew because I was

19

00:01:00,049 --> 00:00:57,360

always like I wonder if they can like

20

00:01:03,200 --> 00:01:00,059

mind meld and stuff like that like

21

00:01:05,179 --> 00:01:03,210

everything they say they can do yeah I

22

00:01:08,420 --> 00:01:05,189

always find that fascinating gröna

23

00:01:11,390 --> 00:01:08,430

growing up as well and a little jealous

24

00:01:12,380 --> 00:01:11,400

of anybody with a twin just in case they

25

00:01:15,020 --> 00:01:12,390

didn't have that kind of special

26

00:01:16,550 --> 00:01:15,030

connection of telepathy very very

27

00:01:19,700 --> 00:01:16,560

jealous best stuff so I do have some

28

00:01:22,429 --> 00:01:19,710

examples of some pretty interesting

29

00:01:24,609 --> 00:01:22,439

things concerning twins and telepathy so

30

00:01:26,570 --> 00:01:24,619

I'll read down to a few counts here and

31

00:01:28,429 --> 00:01:26,580

let me know if you get bored please

32

00:01:31,340 --> 00:01:28,439

absolutely then let me know if you get

33

00:01:34,460 --> 00:01:31,350

bored of this this one this first

34

00:01:38,240 --> 00:01:34,470

segment a little paragraph here is about

35

00:01:39,770 --> 00:01:38,250

Linda and Terry Jamison Linda and Terry

36

00:01:41,240 --> 00:01:39,780

Jamison are twins from the United States

37

00:01:43,130 --> 00:01:41,250

who claim to have predicted the

38

00:01:46,249 --> 00:01:43,140

September 11th attacks two years ahead

39

00:01:47,660 --> 00:01:46,259
of time on November 2nd 1999 they

40

00:01:49,700 --> 00:01:47,670
claimed that through an automatic

41

00:01:51,170 --> 00:01:49,710
writing process there would be a

42

00:01:53,090 --> 00:01:51,180
terrorist attack on the federal

43

00:01:55,880 --> 00:01:53,100
government and the World Trade Center in

44

00:01:57,920 --> 00:01:55,890
2001 the actual quote is we are seeing

45

00:02:00,530 --> 00:01:57,930
various terrorist attacks on federal on

46

00:02:03,080 --> 00:02:00,540
the federal government and also the New

47

00:02:05,420 --> 00:02:03,090
York Trade Center the World Trade Center

48

00:02:08,419 --> 00:02:05,430
the twins did not specify the time or

49

00:02:10,430 --> 00:02:08,429
indicate who would be responsible the

50

00:02:12,680 --> 00:02:10,440
Jameson twins also protected that John F

51

00:02:14,960 --> 00:02:12,690

Kennedy jr. would die

52

00:02:16,820 --> 00:02:14,970

plane crash however it has been pointed

53

00:02:20,090 --> 00:02:16,830

out that the gyms and twins are

54

00:02:22,610 --> 00:02:20,100

frequently incorrect in December 2003

55

00:02:24,830 --> 00:02:22,620

they incorrectly predicted that Saddam

56

00:02:27,110 --> 00:02:24,840

Hussein would be killed by US troops and

57

00:02:32,120 --> 00:02:27,120

that Polk draw John Paul the second

58

00:02:35,540 --> 00:02:32,130

would die on June 2004 your die into

59

00:02:36,890 --> 00:02:35,550

June 2004 okay so when did we pop off

60

00:02:42,920 --> 00:02:36,900

Saddam's head though it wasn't that long

61

00:02:44,810 --> 00:02:42,930

after though yeah I mean he was hanged

62

00:02:47,450 --> 00:02:44,820

when did Saddam die could you guys

63

00:02:50,170 --> 00:02:47,460

looked at up for me real quick yeah well

64

00:02:53,810 --> 00:02:50,180

I read this next one I'm cuz yeah he

65

00:02:57,170 --> 00:02:53,820

went through like a trial and trying

66

00:02:58,910 --> 00:02:57,180

jury and then they hanged him there's

67

00:03:02,150 --> 00:02:58,920

footage out there you can jerk off to if

68

00:03:05,360 --> 00:03:02,160

you want to yeah December 30 2006

69

00:03:10,130 --> 00:03:05,370

mm okay well the twins are wrong in that

70

00:03:14,540 --> 00:03:10,140

account so here is another story from

71

00:03:16,190 --> 00:03:14,550

both Richard and Damian Powell's even

72

00:03:18,620 --> 00:03:16,200

though the idea of a special connection

73

00:03:21,020 --> 00:03:18,630

between identical twins is often myth

74

00:03:23,210 --> 00:03:21,030

and legend little research has been done

75

00:03:25,510 --> 00:03:23,220

in this field the book twin telepathy

76
00:03:27,620 --> 00:03:25,520
claims an overwhelming body of evidence

77
00:03:29,990 --> 00:03:27,630
indicating that there is indeed a

78
00:03:33,229 --> 00:03:30,000
special connection one of these

79
00:03:36,199 --> 00:03:33,239
experiments involved 8 year-old Richard

80
00:03:38,210 --> 00:03:36,209
pals who was put in a soundproof room in

81
00:03:40,160 --> 00:03:38,220
front of a bucket filled with ice cold

82
00:03:42,110 --> 00:03:40,170
water on command

83
00:03:46,220 --> 00:03:42,120
Richard plunged his arm into the cold

84
00:03:49,090 --> 00:03:46,230
water giving a gasp as he did so in

85
00:03:51,410 --> 00:03:49,100
another room well out of sight in and

86
00:03:54,860 --> 00:03:51,420
earshot his identical twin brother

87
00:03:57,100 --> 00:03:54,870
Damien was wired to a polygraph as the

88
00:04:01,040 --> 00:03:57,110

polygraph expert monitored his

89

00:04:06,440 --> 00:04:01,050

respiration abdominal muscles pulse and

90

00:04:10,310 --> 00:04:06,450

the skin response all all the Damien had

91

00:04:12,890 --> 00:04:10,320

to show all all Damien had to do was sit

92

00:04:15,500 --> 00:04:12,900

there quietly and tune into his brothers

93

00:04:18,050 --> 00:04:15,510

feelings at the exact moment of Richard

94

00:04:21,050 --> 00:04:18,060

sharp intake of breath caused by the

95

00:04:22,820 --> 00:04:21,060

freezing water there was a sudden blip

96

00:04:26,090 --> 00:04:22,830

on the line monitoring Damien's

97

00:04:29,690 --> 00:04:26,100

respiration Ulrich's parent rich

98

00:04:32,090 --> 00:04:29,700

was asked to open a cardboard box in in

99

00:04:34,790 --> 00:04:32,100

it was a huge rubber snake that jumped

100

00:04:38,240 --> 00:04:34,800

out at him this too was instantly picked

101
00:04:40,760 --> 00:04:38,250
up by his twin as a pulse line on the

102
00:04:42,710 --> 00:04:40,770
chart clearly entity indicated the book

103
00:04:44,870 --> 00:04:42,720
also concluded that there are three

104
00:04:47,420 --> 00:04:44,880
especially telepathically prone groups

105
00:04:49,760 --> 00:04:47,430
mothers and newborn babies dogs and

106
00:04:53,360 --> 00:04:49,770
their owners and identical twins of

107
00:04:55,580 --> 00:04:53,370
these it is the twins who pick up pick

108
00:04:58,580 --> 00:04:55,590
up the signal at full strength most

109
00:05:02,330 --> 00:04:58,590
often provided that they're in the right

110
00:05:05,570 --> 00:05:02,340
state of mind how about that one Joe hey

111
00:05:07,390 --> 00:05:05,580
like that I want to see video this is

112
00:05:11,270 --> 00:05:07,400
pretty intense

113
00:05:13,220 --> 00:05:11,280

mm-hmm-hmm I like it so this next this

114

00:05:17,810 --> 00:05:13,230

last one that I'm gonna read in this

115

00:05:20,840 --> 00:05:17,820

group of psionic kind of weird things to

116

00:05:24,440 --> 00:05:20,850

do with twins this one's he's a little

117

00:05:27,140 --> 00:05:24,450

bit more bizarre when it comes to twins

118

00:05:28,970 --> 00:05:27,150

the only reason I know psionic is

119

00:05:31,460 --> 00:05:28,980

because of XCOM which we've talked about

120

00:05:32,720 --> 00:05:31,470

on the show many times but the only

121

00:05:33,050 --> 00:05:32,730

reason why I know what it's supposed to

122

00:05:35,480 --> 00:05:33,060

mean

123

00:05:37,310 --> 00:05:35,490

yeah always I knew Sonic's cuz I'm a

124

00:05:39,980 --> 00:05:37,320

role-playing nerd and that's what I grew

125

00:05:41,950 --> 00:05:39,990

up playing was like Dean D and here

126

00:05:47,240 --> 00:05:41,960

isn't limited where psionics is used

127

00:05:51,610 --> 00:05:47,250

okay hey and let that far away so this

128

00:05:56,900 --> 00:05:51,620

this next one is from ELISA and Paula

129

00:05:59,930 --> 00:05:56,910

Bernstein and it's a 1969 is the year on

130

00:06:01,730 --> 00:05:59,940

this one ELISA ELISA and Paula were born

131

00:06:03,230 --> 00:06:01,740

to a woman with schizophrenia and will

132

00:06:06,490 --> 00:06:03,240

put up for adoption

133

00:06:08,210 --> 00:06:06,500

child psychologist dr. Bernard

134

00:06:10,040 --> 00:06:08,220

consultant to the adoption agency

135

00:06:11,810 --> 00:06:10,050

believe the twins should be separated to

136

00:06:14,750 --> 00:06:11,820

improve there's such a psychological

137

00:06:17,300 --> 00:06:14,760

development so Ally I think Eliza and

138

00:06:20,330 --> 00:06:17,310

Paula were sent to different families

139

00:06:22,910 --> 00:06:20,340

Eliza knew that she had been adopted but

140

00:06:25,280 --> 00:06:22,920

neither one but but neither one knew

141

00:06:27,140 --> 00:06:25,290

that they were twins when Eliza turn 33

142

00:06:29,890 --> 00:06:27,150

she decided to contact in New York State

143

00:06:34,250 --> 00:06:29,900

adoption information very what's that

144

00:06:36,409 --> 00:06:34,260

33 33 yeah so when Eliza Eliza turned 33

145

00:06:38,840 --> 00:06:36,419

she decided to contact in New York State

146

00:06:39,930 --> 00:06:38,850

adoption information registry to look

147

00:06:42,990 --> 00:06:39,940

for her birth mother

148

00:06:46,200 --> 00:06:43,000

it was then that she also discovered she

149

00:06:50,220 --> 00:06:46,210

had a twin about six months later the

150

00:06:52,830 --> 00:06:50,230

twins were reunited what makes a story

151
00:06:55,710 --> 00:06:52,840
even more incredible is that it was also

152
00:06:59,310 --> 00:06:55,720
discovered that Eliza and Paula were

153
00:07:02,100 --> 00:06:59,320
part of a secret nature versus nurture

154
00:07:05,730 --> 00:07:02,110
study by dr.

155
00:07:08,130 --> 00:07:05,740
Newbauer and his colleagues dr. Bernard

156
00:07:12,090 --> 00:07:08,140
knew bara was a noted child psychologist

157
00:07:13,800 --> 00:07:12,100
and studied five sets of twins and one

158
00:07:17,190 --> 00:07:13,810
set of triplets who were all

159
00:07:19,140 --> 00:07:17,200
deliberately separated at birth the

160
00:07:21,960 --> 00:07:19,150
adopted families would travel separately

161
00:07:26,000 --> 00:07:21,970
to the center once a month for 12 years

162
00:07:28,470 --> 00:07:26,010
for IQ tests and speech speech analysis

163
00:07:32,010 --> 00:07:28,480

researchers would also visit their homes

164

00:07:34,230 --> 00:07:32,020

and film the children plain adoptive

165

00:07:36,810 --> 00:07:34,240

parents were told that they were part of

166

00:07:39,000 --> 00:07:36,820

a child development study but were kept

167

00:07:41,700 --> 00:07:39,010

in the dark about the twin triplet

168

00:07:44,010 --> 00:07:41,710

aspect the set of triplets

169

00:07:46,380 --> 00:07:44,020

the two other sets of twins in the study

170

00:07:48,300 --> 00:07:46,390

have also been reunited but it was not

171

00:07:50,700 --> 00:07:48,310

known if the remaining two sets of twins

172

00:07:52,890 --> 00:07:50,710

have the controversial study has not

173

00:07:56,370 --> 00:07:52,900

been published but will be published in

174

00:08:01,380 --> 00:07:56,380

year 2000 in 66 when most of the

175

00:08:05,550 --> 00:08:01,390

participants will likely be dead how

176

00:08:07,020 --> 00:08:05,560

bizarre is that so he has to I have to

177

00:08:11,100 --> 00:08:07,030

make it till then know if they have

178

00:08:13,500 --> 00:08:11,110

psychic powers I guess so this these

179

00:08:15,630 --> 00:08:13,510

people deliberately slay according to

180

00:08:18,659 --> 00:08:15,640

this article deliberately tried to

181

00:08:20,790 --> 00:08:18,669

separate these twins or triplets who are

182

00:08:23,700 --> 00:08:20,800

preferred option and then track their

183

00:08:25,380 --> 00:08:23,710

progress as a nurture versus nature kind

184

00:08:27,270 --> 00:08:25,390

of thing God knows what they discovered

185

00:08:30,090 --> 00:08:27,280

what's so controversial about the study

186

00:08:38,130 --> 00:08:30,100

that can't be released until 2060 six

187

00:08:39,870 --> 00:08:38,140

where do they find [h__\h] insanity we

188

00:08:41,520 --> 00:08:39,880

should start our own experiment with

189

00:08:45,330 --> 00:08:41,530

service adopting twins and separate them

190

00:08:48,150 --> 00:08:45,340

I guess yes yes you know it's often I've

191

00:08:50,880 --> 00:08:48,160

often believed that I've had a twin I've

192

00:08:53,460 --> 00:08:50,890

all I've often felt that that was your

193

00:08:56,700 --> 00:08:53,470

twin I believe that my my

194

00:08:58,590 --> 00:08:56,710

twin his name Kevin I believe so do you

195

00:09:00,510 --> 00:08:58,600

use that name a lot for someone random

196

00:09:02,790 --> 00:09:00,520

persons and they even Hitler I'm gonna

197

00:09:04,500 --> 00:09:02,800

try to reach him I think I'm gonna try

198

00:09:06,600 --> 00:09:04,510

to reach out to Kevin right now can you

199

00:09:07,680 --> 00:09:06,610

guys give me you guys indulge me for a

200

00:09:10,530 --> 00:09:07,690

second me try to reach out to him when

201
00:09:14,460 --> 00:09:10,540
we use my my size my psionic powers to

202
00:09:18,000 --> 00:09:14,470
reach out to my twin but you try to make

203
00:09:20,270 --> 00:09:18,010
him jizz as pants Kevin Kevin are you

204
00:09:24,900 --> 00:09:20,280
there can you hear me

205
00:09:29,010 --> 00:09:24,910
yes Kevin the segment's not going to

206
00:09:32,460 --> 00:09:29,020
good I don't I don't think the audience

207
00:09:36,480 --> 00:09:32,470
is really into psychic twins that much I

208
00:09:38,490 --> 00:09:36,490
think I might be boring them Kevin and

209
00:09:40,230 --> 00:09:38,500
also I don't want to do my taxes can you

210
00:09:42,090 --> 00:09:40,240
do my taxes for me I think I'm a little

211
00:09:44,100 --> 00:09:42,100
late at this point the IRS might be

212
00:09:46,620 --> 00:09:44,110
coming for me can I give him your

213
00:09:52,440 --> 00:09:46,630

address can you pay my taxes for me

214

00:09:54,330 --> 00:09:52,450

Kevin please by the way I found this mix

215

00:09:56,370 --> 00:09:54,340

is even better I wish would talk more

216

00:09:58,590 --> 00:09:56,380

Kevin Kevin I just saw this episode of

217

00:10:00,300 --> 00:09:58,600

Seinfeld it's pretty funny I wish you

218

00:10:03,870 --> 00:10:00,310

were here of it I guess you get a few me

219

00:10:05,190 --> 00:10:03,880

laughing all right bye I don't you gotta

220

00:10:09,860 --> 00:10:05,200

say bye when you hang up with somebody

221

00:10:12,540 --> 00:10:09,870

in telepathy ma'am it's a good question

222

00:10:13,980 --> 00:10:12,550

what is the etiquette there you take

223

00:10:16,950 --> 00:10:13,990

Mike out and he would say Kevin out

224

00:10:21,510 --> 00:10:16,960

Kevin out you haven't Kevin in Mike in

225

00:10:21,800 --> 00:10:21,520

oh maybe I should knock hey Kevin it's

226

00:10:25,530 --> 00:10:21,810

me

227

00:10:27,749 --> 00:10:25,540

are you are you there dude

228

00:10:29,340 --> 00:10:27,759

I was thinking about you that's kind of

229

00:10:30,660 --> 00:10:29,350

jerking off kind of wondering since

230

00:10:34,259 --> 00:10:30,670

you're my twin if you were jerking off

231

00:10:36,720 --> 00:10:34,269

to hey let's try to orgasm together

232

00:10:38,850 --> 00:10:36,730

that's not gay is it I mean we're not

233

00:10:45,030 --> 00:10:38,860

touching each other we're just kind of

234

00:10:46,290 --> 00:10:45,040

is that wrong okay Mike out I don't know

235

00:10:56,519 --> 00:10:46,300

if you can turn it flip the on and off

236

00:11:00,240 --> 00:10:56,529

like that Joe out bizarre no well you're

237

00:11:02,309 --> 00:11:00,250

gonna get a swag then you're gonna get

238

00:11:03,019 --> 00:11:02,319

it like you on YouTube again yet again

239

00:11:05,759 --> 00:11:03,029

Joe

240

00:11:05,999 --> 00:11:05,769

that's just like two seconds doesn't

241

00:11:07,769 --> 00:11:06,009

matter

242

00:11:10,259 --> 00:11:07,779

dozens and we'll probably find it in

243

00:11:11,699 --> 00:11:10,269

Viacom Oh smash down on you yeah

244

00:11:13,530 --> 00:11:11,709

you gotta be really careful about that

245

00:11:17,309 --> 00:11:13,540

okay that's so it's fair use

246

00:11:19,319 --> 00:11:17,319

alright so funny off that song anymore

247

00:11:20,999 --> 00:11:19,329

well you can tell me it's fair use you

248

00:11:22,949 --> 00:11:21,009

can you can and I believe you but we

249

00:11:24,180 --> 00:11:22,959

both believe you hundred yeah but you're

250

00:11:27,150 --> 00:11:24,190

right we're not the people you got to

251

00:11:31,199 --> 00:11:27,160

argue with so let's go let's go back

252

00:11:33,030 --> 00:11:31,209

into this twin telepathy real quick no

253

00:11:36,809 --> 00:11:33,040

wrap this up we'll get on to some news

254

00:11:38,579 --> 00:11:36,819

so according to another article that I

255

00:11:40,740 --> 00:11:38,589

found the idea of twin telepathy has

256

00:11:44,809 --> 00:11:40,750

been around for well over a century it

257

00:11:49,199 --> 00:11:44,819

appears for example in in 1844

258

00:11:52,590 --> 00:11:49,209

Alexandria Dumas energy mas yeah

259

00:11:54,090 --> 00:11:52,600

Alexandre Dumas had a novella called the

260

00:11:56,610 --> 00:11:54,100

Corsican brothers it tells the story of

261

00:11:58,860 --> 00:11:56,620

two once conjoined brothers who were

262

00:12:01,379 --> 00:11:58,870

separated at Birth yet even as adults

263

00:12:04,170 --> 00:12:01,389

continue to share not only thoughts but

264

00:12:07,230 --> 00:12:04,180

also physical sensations as one of the

265

00:12:11,550 --> 00:12:07,240

Trent twins described however far apart

266

00:12:11,939 --> 00:12:11,560

we are now we still have one in the same

267

00:12:15,120 --> 00:12:11,949

body

268

00:12:17,970 --> 00:12:15,130

so whatever impression physical or

269

00:12:20,579 --> 00:12:17,980

mental one of us perceives it has an

270

00:12:23,220 --> 00:12:20,589

after effect on the other which is very

271

00:12:27,990 --> 00:12:23,230

interesting and then I also have various

272

00:12:32,850 --> 00:12:28,000

up accounts and links to experiments

273

00:12:35,780 --> 00:12:32,860

done on twins and I went so far as to go

274

00:12:37,530 --> 00:12:35,790

ahead and look at the the

275

00:12:39,160 --> 00:12:37,540

counter-argument to this when it comes

276

00:12:42,730 --> 00:12:39,170

to

277

00:12:45,840 --> 00:12:42,740

but what is a scientific explanation for

278

00:12:50,170 --> 00:12:45,850

some of these things when it comes to

279

00:12:55,260 --> 00:12:50,180

telepathy and feelings and impression

280

00:13:00,300 --> 00:12:55,270

and according to live science.com Joe

281

00:13:04,420 --> 00:13:00,310

much of this is just thrown up to

282

00:13:05,860 --> 00:13:04,430

coincidence and good guessing and that's

283

00:13:07,960 --> 00:13:05,870

what it comes down to that that's what I

284

00:13:10,540 --> 00:13:07,970

have from light life science calm is

285

00:13:15,820 --> 00:13:10,550

like it can all kind of be explained

286

00:13:17,710 --> 00:13:15,830

away by by coincidence and good guessing

287

00:13:20,500 --> 00:13:17,720

and some of these stories are made up

288

00:13:22,270 --> 00:13:20,510

according to two life science okay so

289

00:13:24,460 --> 00:13:22,280

this is why I would want video I would

290

00:13:26,740 --> 00:13:24,470

want like a side-by-side split-screen of

291

00:13:29,140 --> 00:13:26,750

dude stick in his hand in the water and

292

00:13:31,470 --> 00:13:29,150

the cold water and the tell of the

293

00:13:33,940 --> 00:13:31,480

polygraph or whatever the hell it is and

294

00:13:36,400 --> 00:13:33,950

the other dude in the other room far

295

00:13:39,160 --> 00:13:36,410

away I would want to see like is it

296

00:13:40,780 --> 00:13:39,170

measured and steady and all of this is I

297

00:13:43,210 --> 00:13:40,790

mean you could totally fake it I get it

298

00:13:45,550 --> 00:13:43,220

but I would love to see that because

299

00:13:47,950 --> 00:13:45,560

that would make it it dummy it's

300

00:13:52,990 --> 00:13:47,960

compelling it's compelling stuff guy

301
00:13:57,550 --> 00:13:53,000
agree and your twin feel that no what

302
00:14:00,760 --> 00:13:57,560
about this oh no okay

303
00:14:04,840 --> 00:14:00,770
what if I uh Emma carried up his pooper

304
00:14:17,110 --> 00:14:04,850
what about this is your twin bruising -

305
00:14:19,060 --> 00:14:17,120
I have an article here that says the

306
00:14:22,390 --> 00:14:19,070
study of identical identical twins

307
00:14:26,260 --> 00:14:22,400
indicates many mental illnesses are

308
00:14:29,410 --> 00:14:26,270
genetic and this also this article goes

309
00:14:32,200 --> 00:14:29,420
on to say that they studied the twins

310
00:14:34,780 --> 00:14:32,210
that were separated as well and they

311
00:14:36,610 --> 00:14:34,790
started them for genetic mental

312
00:14:38,620 --> 00:14:36,620
illnesses or myth Allah says that we're

313
00:14:42,460 --> 00:14:38,630

never perceived to be genetic in some

314

00:14:45,640 --> 00:14:42,470

way and and there's some pretty pretty

315

00:14:50,380 --> 00:14:45,650

interesting findings here and like it

316

00:14:51,400 --> 00:14:50,390

goes into like environmental factors

317

00:14:57,340 --> 00:14:51,410

that contribute

318

00:14:58,900 --> 00:14:57,350

to mental illnesses and it's and this is

319

00:15:00,730 --> 00:14:58,910

what I what I found to be interesting in

320

00:15:02,829 --> 00:15:00,740

this entire article says one-third of

321

00:15:04,930 --> 00:15:02,839

the population that means everyone one

322

00:15:07,869 --> 00:15:04,940

third of the population is affected by

323

00:15:10,600 --> 00:15:07,879

three major family families of

324

00:15:14,139 --> 00:15:10,610

psychiatric illnesses biological

325

00:15:17,439 --> 00:15:14,149

disorders life experiences like a abuse

326

00:15:20,290 --> 00:15:17,449

and neglect and how we can be bent out

327

00:15:23,350 --> 00:15:20,300

of shape by them and ordinary issues of

328

00:15:27,309 --> 00:15:23,360

human happiness which I found to be

329

00:15:32,889 --> 00:15:27,319

quite interesting one third of the

330

00:15:36,550 --> 00:15:32,899

population is affected by some

331

00:15:39,939 --> 00:15:36,560

psychiatric illness so that means one of

332

00:15:42,730 --> 00:15:39,949

us on the show Joe but it's probably me

333

00:15:45,069 --> 00:15:42,740

is well are you think you have a

334

00:15:47,410 --> 00:15:45,079

biological disorder or do you think life

335

00:15:50,189 --> 00:15:47,420

experience through abuse and neglect has

336

00:15:55,679 --> 00:15:50,199

contributed to your mental disorder yes

337

00:16:04,420 --> 00:16:01,319

Dee answerde all the above yes

338

00:16:06,189 --> 00:16:04,430

none of the above it's it's like you

339

00:16:08,559 --> 00:16:06,199

know when your mom freebase is crack

340

00:16:10,870 --> 00:16:08,569

cocaine in the womb obviously this is a

341

00:16:13,179 --> 00:16:10,880

biological thing but it didn't help

342

00:16:15,220 --> 00:16:13,189

you know the being thrown down the

343

00:16:17,650 --> 00:16:15,230

stairs and out the window and [h__\h] none

344

00:16:20,559 --> 00:16:17,660

of that [h__\h] helped either so it's a

345

00:16:24,579 --> 00:16:20,569

combination you get a little crazy hey

346

00:16:25,629 --> 00:16:24,589

john-boy I I do agree I didn't know you

347

00:16:29,050 --> 00:16:25,639

went through all that you got around a

348

00:16:32,019 --> 00:16:29,060

window no I didn't some of that was made

349

00:16:40,960 --> 00:16:32,029

up some of it was not you can guess okay

350

00:16:43,030 --> 00:16:40,970

you got thrown down the stairs you two a

351

00:16:45,429 --> 00:16:43,040

crack pipe through window yeah I mean

352

00:16:49,240 --> 00:16:45,439

maybe your mom was just trying to crack

353

00:16:50,499 --> 00:16:49,250

pipe at my I mom while she was pregnant

354

00:16:52,240 --> 00:16:50,509

with me I don't even know how the crack

355

00:16:53,619 --> 00:16:52,250

pipe got in there do they even have

356

00:16:57,850 --> 00:16:53,629

crack at that time I mean you're born in

357

00:17:00,100 --> 00:16:57,860

1977 right 878 probably you know that

358

00:17:02,799 --> 00:17:00,110

was probably early crack yeah yeah that

359

00:17:05,020 --> 00:17:02,809

was that was mid to late mid mid to late

360

00:17:09,490 --> 00:17:05,030

coke early crack early

361

00:17:11,980 --> 00:17:09,500

early crack free HIV which is a pretty

362

00:17:13,870 --> 00:17:11,990

good time period you know that's where

363

00:17:19,630 --> 00:17:13,880

you want to be with the crack yeah it

364

00:17:23,170 --> 00:17:19,640

was like pre crack like mid coke pre HIV

365

00:17:25,600 --> 00:17:23,180

good stuff yeah really did not exist

366

00:17:28,510 --> 00:17:25,610

until Ronald Reagan said it did really

367

00:17:30,850 --> 00:17:28,520

correct yeah you guys have any more

368

00:17:34,090 --> 00:17:30,860

questions about or statements about twin

369

00:17:36,100 --> 00:17:34,100

telepathy and psionics I just want to

370

00:17:37,870 --> 00:17:36,110

know like how many twins are banging

371

00:17:40,480 --> 00:17:37,880

what's the statistics on this because

372

00:17:42,820 --> 00:17:40,490

I've seen gay porn with like dude twins

373

00:17:45,490 --> 00:17:42,830

banging and I'm kind of like grossed out

374

00:17:47,140 --> 00:17:45,500

by it well yeah I do called twincest

375

00:17:49,000 --> 00:17:47,150

yeah twin sets we talked about this

376

00:17:53,140 --> 00:17:49,010

before and actually have a story right

377

00:17:57,640 --> 00:17:53,150

here his titled porn twin sex worker

378

00:18:01,780 --> 00:17:57,650

made about 15000 euro a month selling

379

00:18:04,030 --> 00:18:01,790

dirty knickers I don't know if you mean

380

00:18:08,140 --> 00:18:04,040

underwear I guess I don't know I mean I

381

00:18:09,120 --> 00:18:08,150

said [h__\h] curse okay I said knickers

382

00:18:13,750 --> 00:18:09,130

okay

383

00:18:18,640 --> 00:18:13,760

knickers porn twins sex worker selling

384

00:18:22,720 --> 00:18:18,650

the dirty knickers for 15,000 euro a

385

00:18:26,580 --> 00:18:22,730

month or these twins look [h__\h] evil

386

00:18:29,890 --> 00:18:26,590

holy [h__\h] you some ugly twins in fact

387

00:18:32,290 --> 00:18:29,900

I'm gonna put this in the in the in the

388

00:18:36,220 --> 00:18:32,300

the the the Dino's dance you guys gonna

389

00:18:38,080 --> 00:18:36,230

take a look at these these broads lady

390

00:18:44,050 --> 00:18:38,090

lay a twins yeah

391

00:18:46,120 --> 00:18:44,060

caitli 25 and from are these twins are

392

00:18:49,390 --> 00:18:46,130

they just pretending maybe twins oh my

393

00:18:51,340 --> 00:18:49,400

god yeah that is weird as hell but that

394

00:18:53,350 --> 00:18:51,350

what happened to their face what's going

395

00:18:56,080 --> 00:18:53,360

on with this face is this house shopped

396

00:18:58,510 --> 00:18:56,090

is this one is what is going on so Kim

397

00:19:01,300 --> 00:18:58,520

Lee she's teaming up with her twin

398

00:19:03,160 --> 00:19:01,310

sister the pair worked as escorts as

399

00:19:05,860 --> 00:19:03,170

well as taking part in a series of

400

00:19:07,690 --> 00:19:05,870

raunchy adult movies Kate he's ruining

401
00:19:08,980 --> 00:19:07,700
sent them back if they said that escort

402
00:19:13,210 --> 00:19:08,990
all right Zena

403
00:19:16,570 --> 00:19:13,220
Lee has revealed any bet that she bulk

404
00:19:17,629 --> 00:19:16,580
buys multiple packs of pants for three

405
00:19:20,839 --> 00:19:17,639
euro and

406
00:19:25,549 --> 00:19:20,849
host them and post them out to sleazy

407
00:19:27,619 --> 00:19:25,559
punters for a 30 euro a pop after

408
00:19:30,949 --> 00:19:27,629
wearing them during a sweaty gym session

409
00:19:33,499 --> 00:19:30,959
or daily outings the former porn star

410
00:19:36,109 --> 00:19:33,509
said the first time I got a request for

411
00:19:37,940 --> 00:19:36,119
my used underwear I thought it was a bit

412
00:19:40,729 --> 00:19:37,950
weird buy a suit and realized there was

413
00:19:42,769 --> 00:19:40,739

a huge market for it it's an easy way to

414

00:19:46,099 --> 00:19:42,779

make money I just wear the pants once

415

00:19:48,349 --> 00:19:46,109

then fold them into a jiffy bag and send

416

00:19:50,329 --> 00:19:48,359

them out how about that and these twins

417

00:19:50,979 --> 00:19:50,339

are doing together it's a family

418

00:19:54,139 --> 00:19:50,989

business

419

00:19:54,649 --> 00:19:54,149

resist capitalism keeping it in the

420

00:19:57,199 --> 00:19:54,659

family

421

00:19:59,149 --> 00:19:57,209

yeah and so I think there's actually a

422

00:20:07,639 --> 00:19:59,159

video here I've talked about it like dig

423

00:20:10,579 --> 00:20:07,649

up people that's going yes like it kept

424

00:20:14,109 --> 00:20:10,589

indoors and at the end of the day if I

425

00:20:16,609 --> 00:20:14,119

didn't do it and gives you an discount

426
00:20:19,819 --> 00:20:16,619
excuse me can you get this card how do

427
00:20:24,259 --> 00:20:19,829
you get this kind yeah she said studi

428
00:20:26,649 --> 00:20:24,269
discount rewind this like yes dude

429
00:20:29,329 --> 00:20:26,659
understand thinking caps and doors and

430
00:20:31,249 --> 00:20:29,339
at the end of the day if I didn't do it

431
00:20:33,409 --> 00:20:31,259
and gives you a discount

432
00:20:35,690 --> 00:20:33,419
then the gonna go she's talking about

433
00:20:38,419 --> 00:20:35,700
giving sex lessons not necessarily just

434
00:20:41,089 --> 00:20:38,429
selling a current event is this it's

435
00:20:46,669 --> 00:20:41,099
like sound English it's it's a is like a

436
00:20:48,349 --> 00:20:46,679
British Isle munchkin accent I was

437
00:20:50,389 --> 00:20:48,359
trying to pin it down munch in is kind

438
00:20:51,709 --> 00:20:50,399

of perfect yeah the lollipop yields turn

439

00:20:53,239 --> 00:20:51,719

in some weird tricks these days a new

440

00:20:55,159 --> 00:20:53,249

ship and using own hard time

441

00:20:58,959 --> 00:20:55,169

[h__h] God you get this card you

442

00:21:03,859 --> 00:21:01,159

yeah how do you get this [h__h]

443

00:21:07,029 --> 00:21:03,869

alright let us card oh you should mate

444

00:21:09,440 --> 00:21:07,039

okay well I enjoy freshers week okay and

445

00:21:10,999 --> 00:21:09,450

if I don't do it they're gonna go

446

00:21:13,609 --> 00:21:11,009

somewhere else we're gonna go out and

447

00:21:17,149 --> 00:21:13,619

freshers week all week and sleep with

448

00:21:19,369 --> 00:21:17,159

people like just without protection and

449

00:21:21,199 --> 00:21:19,379

stuff like that and they're gonna sleep

450

00:21:23,569 --> 00:21:21,209

with other munchkins not necessarily

451
00:21:25,609 --> 00:21:23,579
this ugly much like what they might know

452
00:21:27,949 --> 00:21:25,619
or they might or money or something very

453
00:21:29,700 --> 00:21:27,959
nice and and and have sex with them and

454
00:21:33,090 --> 00:21:29,710
use protection and not have to

455
00:21:35,909 --> 00:21:33,100
for it so are you targeting this this

456
00:21:37,529 --> 00:21:35,919
audience how do you do that I do it on

457
00:21:41,610 --> 00:21:37,539
the internet but I just don't target

458
00:21:44,519 --> 00:21:41,620
just students like and obviously I'm

459
00:21:47,130 --> 00:21:44,529
gonna do it freshers week this is

460
00:21:50,039 --> 00:21:47,140
fascinating me so these twins are making

461
00:21:53,519 --> 00:21:50,049
money by selling their their pants their

462
00:21:54,899 --> 00:21:53,529
knickers and selling sex lessons to

463
00:21:56,130 --> 00:21:54,909

students and you get a student discount

464

00:21:58,620 --> 00:21:56,140

you just gotta show them that you

465

00:22:02,039 --> 00:21:58,630

actually are enrolled in a school and

466

00:22:08,610 --> 00:22:02,049

and you get a discount how about that

467

00:22:11,549 --> 00:22:08,620

clown baby yeah sounds great these two

468

00:22:13,500 --> 00:22:11,559

not as bad as the the twincest

469

00:22:19,680 --> 00:22:13,510

that we talked about where there were

470

00:22:21,810 --> 00:22:19,690

two gay twin guys that were performing

471

00:22:25,080 --> 00:22:21,820

multiple sex acts on each other at

472

00:22:26,460 --> 00:22:25,090

various times and in filming it for

473

00:22:30,149 --> 00:22:26,470

pleasure and money

474

00:22:33,480 --> 00:22:30,159

yeah DM me if you want a copy you

475

00:22:33,930 --> 00:22:33,490

actually have it no God come on come on

476
00:22:39,060 --> 00:22:33,940
man

477
00:22:43,889 --> 00:22:39,070
no way no it's creepy it's so it's

478
00:22:47,220 --> 00:22:43,899
beyond beyond creepy okay beyond creepy

479
00:22:49,049 --> 00:22:47,230
creepy is is fantasizing like having sex

480
00:22:50,730 --> 00:22:49,059
with your stepsister oh you're not I

481
00:22:53,820 --> 00:22:50,740
mean that's creepy

482
00:22:56,940 --> 00:22:53,830
okay I see yeah that's it the twin says

483
00:23:00,690 --> 00:22:56,950
like fantasizing in a fantasizing about

484
00:23:02,880 --> 00:23:00,700
having sex with your twin is it's a step

485
00:23:06,870 --> 00:23:02,890
beyond that that's almost narcissism

486
00:23:09,269 --> 00:23:06,880
like be onyx beyond like beyond help at

487
00:23:12,630 --> 00:23:09,279
that point yes like Buffalo Bill do you

488
00:23:15,690 --> 00:23:12,640

see the God [h__h] me yeah it's very weird

489

00:23:18,240 --> 00:23:15,700

stuff to me but I don't know is there

490

00:23:23,100 --> 00:23:18,250

anything illegal about having sex with

491

00:23:27,029 --> 00:23:23,110

your twin mmm I think there are a dozen

492

00:23:29,130 --> 00:23:27,039

states most days oh yeah like yeah

493

00:23:31,680 --> 00:23:29,140

there's probably kind of breaking some

494

00:23:33,810 --> 00:23:31,690

kind of decency law I guess I'm always

495

00:23:35,220 --> 00:23:33,820

looking for the loopholes but what is

496

00:23:39,180 --> 00:23:35,230

the left say about this with a beef

497

00:23:41,370 --> 00:23:39,190

order against it no no I I feel like

498

00:23:43,320 --> 00:23:41,380

this is one of those things where it

499

00:23:45,680 --> 00:23:43,330

could get to the level of em

500

00:23:48,120 --> 00:23:45,690

we had salon talking about you know

501
00:23:49,710 --> 00:23:48,130
pedophiles I'm a pedophile not a monster

502
00:23:51,720 --> 00:23:49,720
all this stuff got deleted one pizza

503
00:23:53,370 --> 00:23:51,730
gate broke so you know I could imagine

504
00:23:55,050 --> 00:23:53,380
this coming back and going on yeah now

505
00:23:55,920 --> 00:23:55,060
it's just totally cool you don't

506
00:23:58,350 --> 00:23:55,930
understand

507
00:24:01,200 --> 00:23:58,360
all right enough why is it little weird

508
00:24:05,130 --> 00:24:01,210
I think it's time that we actually get
