1
00:00:00,320 --> 00:00:05,769

[Applause]

2
00:00:14,390 --> 00:00:08,230

all right I'm going to run down some

3
00:00:17,180 --> 00:00:14,400

creepy weird items and just a weekend

4
00:00:19,730 --> 00:00:17,190

review of cryptozoology paranormal in

5
00:00:22,220 --> 00:00:19,740

some conspiracy garbage that I like to

6
00:00:22,640 --> 00:00:22,230

talk about and I hope you like to hear

7
00:00:25,640 --> 00:00:22,650

about it

8
00:00:27,859 --> 00:00:25,650

did you know clown baby that there is an

9
00:00:33,380 --> 00:00:27,869

International cryptozoology Museum and

10
00:00:38,540 --> 00:00:33,390

it was founded in 2003 nowhere is that

11
00:00:46,369 --> 00:00:38,550

well I'm glad you asked it uh it is a

12
00:00:49,850 --> 00:00:46,379

non-profit and it is a 501c3 and state

13
00:00:52,670 --> 00:00:49,860

of Maine nonprofit museum so I believe

14

00:00:54,920 --> 00:00:52,680

it's in the state of Maine I'm not sure

15

00:00:57,200 --> 00:00:54,930

if that's true that's what I have in my

16

00:01:03,529 --> 00:00:57,210

notes I'm going to confirm this right

17

00:01:05,210 --> 00:01:03,539

now would you like to go sure he said

18

00:01:07,219 --> 00:01:05,220

Maine yeah I got to plan that one out

19

00:01:10,190 --> 00:01:07,229

though well I mean I'm gonna I'm

20

00:01:14,179 --> 00:01:10,200

verifying exactly you know note I don't

21

00:01:20,179 --> 00:01:14,189

like about the zoology Museum is that

22

00:01:22,640 --> 00:01:20,189

their website doesn't have an instant it

23

00:01:23,749 --> 00:01:22,650

doesn't have an instant address if it

24

00:01:26,330 --> 00:01:23,759

gives us scroll down a little bit but

25

00:01:31,069 --> 00:01:26,340

yeah it is in Maine it's in Portland

26

00:01:34,219 --> 00:01:31,079

Maine and this cryptozoology museum it

27

00:01:36,140 --> 00:01:34,229

is the International College Museum has

28

00:01:38,390 --> 00:01:36,150

many rare and unique pieces of

29

00:01:41,060 --> 00:01:38,400

remarkable evidence some of the items on

30

00:01:43,810 --> 00:01:41,070

exhibit are actual hair samples from the

31

00:01:48,410 --> 00:01:43,820

abominable snowman Bigfoot Yahweh and

32

00:01:50,420 --> 00:01:48,420

various ask why first they're a letter

33

00:01:54,980 --> 00:01:50,430

from the actor Jimmy Stewart is on

34

00:01:59,480 --> 00:01:54,990

display as he is linked to the Hannah

35

00:02:03,350 --> 00:01:59,490

guy or patty boshy Yeti hand mystery huh

36

00:02:07,999 --> 00:02:03,360

I did not know this Jimmy Stewart had a

37

00:02:12,080 --> 00:02:08,009

run-in with a Yeti can you look that up

38

00:02:13,750 --> 00:02:12,090

climb baby yeah sure Jimmy Jimmy Stewart

39

00:02:16,210 --> 00:02:13,760

Yeti experience

40

00:02:19,210 --> 00:02:16,220

because apparently this is on display at

41

00:02:21,850 --> 00:02:19,220

the cryptozoology Museum and they also

42

00:02:24,940 --> 00:02:21,860

have at this museum a physical matter or

43

00:02:28,030 --> 00:02:24,950

fecal matter from a small Yeti and that

44

00:02:29,530 --> 00:02:28,040

was collected by Tom slick I'm not sure

45

00:02:32,490 --> 00:02:29,540

who Tom slick is but I'm sure we'll find

46

00:02:36,210 --> 00:02:32,500

out a little later there's our slick

47

00:02:40,539 --> 00:02:36,220

jesus what a [h__h] porn name there's a

48

00:02:44,860 --> 00:02:40,549

is also other samples from Sask wife

49

00:02:47,830 --> 00:02:44,870

from the in search of television series

50

00:02:50,710 --> 00:02:47,840

there are various exhibits from last

51
00:02:53,259 --> 00:02:50,720
requests and mysteries at Museum there

52
00:02:56,979 --> 00:02:53,269
is a footprint cast that was taken in

53
00:03:01,650 --> 00:02:56,989
2001 during a ledge encounter of a

54
00:03:06,569 --> 00:03:01,660
Bigfoot and there's many many other

55
00:03:07,720 --> 00:03:06,579
items on display at the crypto zoology

56
00:03:11,050 --> 00:03:07,730
zoology

57
00:03:11,890 --> 00:03:11,060
Museum calm you can take you can take a

58
00:03:14,199 --> 00:03:11,900
look over there

59
00:03:15,789 --> 00:03:14,209
it's in Portland Maine would you head

60
00:03:20,620 --> 00:03:15,799
out over there claw baby and take a look

61
00:03:22,089 --> 00:03:20,630
around uh Merv I'm down to go but it's

62
00:03:26,819 --> 00:03:22,099
more than just let's just head on over

63
00:03:29,349 --> 00:03:26,829

it's kind of little I mean we should

64

00:03:30,940 --> 00:03:29,359

okay I'm going to plan this out but yes

65

00:03:33,879 --> 00:03:30,950

definitely we can have a whole podcast

66

00:03:37,569 --> 00:03:33,889

anyone don't want to join us so show up

67

00:03:40,720 --> 00:03:37,579

with a hundred people yeah so 100 minus

68

00:03:43,330 --> 00:03:40,730

98 when it comes to the Jimmy Stewart

69

00:03:46,300 --> 00:03:43,340

he's an actor or was an actor if anybody

70

00:03:49,150 --> 00:03:46,310

doesn't know um and in the in the hand

71

00:03:52,180 --> 00:03:49,160

of the Yeti I actually have the story

72

00:03:55,509 --> 00:03:52,190

here if you wouldn't yet I found it it's

73

00:03:57,520 --> 00:03:55,519

quite a story yeah it's it's it's kind

74

00:04:01,150 --> 00:03:57,530

of interested it is quite a story I

75

00:04:03,400 --> 00:04:01,160

don't know if I can do a synopsis of

76

00:04:05,830 --> 00:04:03,410

this but I will try it turns out if a

77

00:04:07,839 --> 00:04:05,840

group of Nepalese monks are missing

78

00:04:09,640 --> 00:04:07,849

their Yeti hand they'll accept a

79

00:04:12,189 --> 00:04:09,650

replacement from the same people who

80

00:04:14,050 --> 00:04:12,199

crafted the costume and weapons for the

81

00:04:16,210 --> 00:04:14,060

Lord of the Rings movie just don't

82

00:04:17,879 --> 00:04:16,220

expect them to forget how Jesus they

83

00:04:20,279 --> 00:04:17,889

were smuggled part of the hand

84

00:04:23,309 --> 00:04:20,289

out under the nose of custom officials

85

00:04:26,909 --> 00:04:23,319

or how the ensuing attention led to the

86

00:04:31,769 --> 00:04:26,919

theft of the monks other Yeti relics Wow

87

00:04:33,330 --> 00:04:31,779

how fascinating this is an incredibly

88

00:04:36,390 --> 00:04:33,340

long story and there's actually a

89

00:04:39,600 --> 00:04:36,400

picture here of of the Yeti hand there

90

00:04:43,610 --> 00:04:39,610

is an original giddy scalp and hand in

91

00:04:47,070 --> 00:04:43,620

this picture and the scalp looks very

92

00:04:49,140 --> 00:04:47,080

bulbous it looks very like overly

93

00:04:54,360 --> 00:04:49,150

dome-shaped in very large in comparison

94

00:04:55,709 --> 00:04:54,370

to what what you'd see on a human jade

95

00:04:58,649 --> 00:04:55,719

you wanna take a look at this I'll put

96

00:05:01,649 --> 00:04:58,659

this in care shop but I'm watching this

97

00:05:03,119 --> 00:05:01,659

let the clown chair I'm trying to look

98

00:05:05,670 --> 00:05:03,129

through it it's against all mysteries a

99

00:05:06,929 --> 00:05:05,680

part that covers the actual hand and

100

00:05:08,249 --> 00:05:06,939

Jimmy Stewart but you're gonna keep

101
00:05:10,769 --> 00:05:08,259
killing I can try and find well if you

102
00:05:14,429 --> 00:05:10,779
can find it if I can plate I'm looking

103
00:05:16,140 --> 00:05:14,439
at a time again it seems 14 minutes long

104
00:05:20,129 --> 00:05:16,150
I got to find a spot where they say go

105
00:05:21,990 --> 00:05:20,139
to that 620 620 yeah okay although

106
00:05:23,999 --> 00:05:22,000
obviously go to it I want like the

107
00:05:27,779 --> 00:05:24,009
untold mysteries music here we go

108
00:05:31,890 --> 00:05:27,789
I love that today you did a scene I'll

109
00:05:34,260 --> 00:05:31,900
go to 6 6 15 radians extension so the

110
00:05:37,110 --> 00:05:34,270
Latian we got 6 15 we're talking about

111
00:05:39,389 --> 00:05:37,120
the Yeti it's old hand and all stuff the

112
00:05:41,610 --> 00:05:39,399
footprint measured 10 inches long and 7

113
00:05:43,290 --> 00:05:41,620

inches wide it has some of the same

114

00:05:45,600 --> 00:05:43,300

characteristics of the foot been

115

00:05:48,779 --> 00:05:45,610

discovered by Eric Shipton six years

116

00:05:50,090 --> 00:05:48,789

earlier it was a short squat oversquare

117

00:05:52,850 --> 00:05:50,100

type of footprint

118

00:05:55,100 --> 00:05:52,860

and I sent it to the various physical

119

00:05:58,460 --> 00:05:55,110

anthropology experts around the country

120

00:06:01,310 --> 00:05:58,470

and what they easily the terminology

121

00:06:04,040 --> 00:06:01,320

came back was unique but we don't know

122

00:06:05,900 --> 00:06:04,050

what it is the discovery of the

123

00:06:09,080 --> 00:06:05,910

footprints made headlines around the

124

00:06:11,960 --> 00:06:09,090

world slick and burn began preparing a

125

00:06:16,040 --> 00:06:11,970

second expedition determined not only to

126

00:06:19,250 --> 00:06:16,050

see a Yeti but to capture one in

127

00:06:21,440 --> 00:06:19,260

February of 1915 Peter Byrne returned to

128

00:06:22,670 --> 00:06:21,450

the Himalayas to embark on an exhausting

129

00:06:25,220 --> 00:06:22,680

four-month Trek

130

00:06:28,790 --> 00:06:25,230

Tom Swift finance the operations that

131

00:06:31,160 --> 00:06:28,800

remained behind I want to know who Tom

132

00:06:34,040 --> 00:06:31,170

slick is something that's mine he's done

133

00:06:37,520 --> 00:06:34,050

the money an oil businessman adventurer

134

00:06:38,780 --> 00:06:37,530

uh so he's apparently an oil tycoon and

135

00:06:40,820 --> 00:06:38,790

he liked to adventure around the world

136

00:06:43,070 --> 00:06:40,830

for these types of things ok cool bring

137

00:06:46,130 --> 00:06:43,080

months into the expedition burn hit the

138

00:06:50,900 --> 00:06:46,140

jackpot he met a Buddhist monk when

139

00:06:52,810 --> 00:06:50,910

markable story to tell good you've been

140

00:06:55,760 --> 00:06:52,820

looking for a Yeti

141

00:06:58,100 --> 00:06:55,770

he likes scotch there's this old man and

142

00:07:00,920 --> 00:06:58,110

one evening while we were sitting there

143

00:07:02,570 --> 00:07:00,930

and having a drink and talking he he

144

00:07:08,140 --> 00:07:02,580

said to me he whispered he said you know

145

00:07:08,150 --> 00:07:12,770

hmm-what yet de

146

00:07:17,090 --> 00:07:15,020

and he said would you like to see it and

147

00:07:21,080 --> 00:07:17,100

I said yes [h__h] yeah dude so we went

148

00:07:22,970 --> 00:07:21,090

back up to the temple we went into the

149

00:07:25,880 --> 00:07:22,980

top part of the temple and he showed me

150

00:07:29,690 --> 00:07:25,890

this hand about the size of human hands

151

00:07:31,940 --> 00:07:29,700

cut off at the wrist I considered it

152

00:07:33,440 --> 00:07:31,950

very significant and I took some

153

00:07:37,580 --> 00:07:33,450

pictures over to meet recent flash

154

00:07:40,160 --> 00:07:37,590

pictures I asked why are you laughing

155

00:07:42,980 --> 00:07:40,170

Joe I just because it's like of course

156

00:07:44,990 --> 00:07:42,990

this is what he would do yeah I take

157

00:07:50,330 --> 00:07:45,000

some pictures you think it a selfie with

158

00:07:53,390 --> 00:07:50,340

it back in 1955 all right he's got the

159

00:07:55,130 --> 00:07:53,400

hand on his butt on his crotch yeah the

160

00:07:58,280 --> 00:07:55,140

sleeping bag and I think woke up look at

161

00:08:00,320 --> 00:07:58,290

Ranelagh Jimmy Stewart couldn't get hey

162

00:08:03,380 --> 00:08:00,330

put to sell your pants yeah of course

163

00:08:05,390 --> 00:08:03,390

uncle I have it and he said no he said

164

00:08:07,820 --> 00:08:05,400

it must never leave the temple here if

165

00:08:09,470 --> 00:08:07,830

it leaves the temple various canals will

166

00:08:09,860 --> 00:08:09,480

befall the temple and the community and

167

00:08:13,900 --> 00:08:09,870

so on

168

00:08:17,090 --> 00:08:13,910

ou can have a part of it and he said no

169

00:08:19,250 --> 00:08:17,100

the dude was asking days like can I can

170

00:08:21,620 --> 00:08:19,260

I keep it and I kind of have a finger

171

00:08:23,900 --> 00:08:21,630

and yeah cause I like it

172

00:08:26,540 --> 00:08:23,910

got his lickin I just hadn't stick it up

173

00:08:28,460 --> 00:08:26,550

my ass just for a second as you guys say

174

00:08:30,500 --> 00:08:28,470

I were like Bigfoot faces I'm just going

175

00:08:32,740 --> 00:08:30,510

to put the tip of the tip in just a tip

176

00:08:35,209 --> 00:08:32,750

that was a Tom's like scientific team

177

00:08:38,000 --> 00:08:35,219

the alleged Yeti hand was unlike

178

00:08:41,180 --> 00:08:38,010

anything they had seen before opinion

179

00:08:45,220 --> 00:08:41,190

was divided was it human was it eight or

180

00:08:48,250 --> 00:08:45,230

was it an entirely new species

181

00:08:49,509 --> 00:08:48,260

very compelling and there's actually a

182

00:08:53,680 --> 00:08:49,519

section here in the article it talks

183

00:08:56,110 --> 00:08:53,690

about smuggling of this um Byrne

184

00:08:58,300 --> 00:08:56,120

smuggled by teacup little bit in this

185

00:09:01,030 --> 00:08:58,310

bottle by the way what's I don't know if

186

00:09:03,910 --> 00:09:01,040

it'll cover it on the video or not well

187

00:09:04,449 --> 00:09:03,920

I'm just kind of I'm gonna wrap this up

188

00:09:07,090 --> 00:09:04,459

a little bit

189

00:09:09,759 --> 00:09:07,100

Jeff okay Byrne smuggled a finger in

190

00:09:12,910 --> 00:09:09,769

some skin from the hand across the

191

00:09:16,300 --> 00:09:12,920

Nepalese border into India where he made

192

00:09:18,400 --> 00:09:16,310

a round of you with a mate around a

193

00:09:20,800 --> 00:09:18,410

village in Calcutta with American movie

194

00:09:22,870 --> 00:09:20,810

star Jimmy Stewart in his wife Gloria

195

00:09:24,819 --> 00:09:22,880

the famous couple agreed to smuggle the

196

00:09:26,730 --> 00:09:24,829

finger into the United Kingdom for

197

00:09:30,370 --> 00:09:26,740

research by slicks friend and

198

00:09:32,889 --> 00:09:30,380

primatologist Osmond hill of the

199

00:09:35,460 --> 00:09:32,899

Zoological Society of London which they

200

00:09:37,569 --> 00:09:35,470

did by hiding it within Gloria Stewart's

201

00:09:40,210 --> 00:09:37,579

undergarments in her luggage

202

00:09:42,970 --> 00:09:40,220

so they actually stuck it this finger in

203

00:09:45,639 --> 00:09:42,980

her underwear in her luggage luggage to

204

00:09:48,639 --> 00:09:45,649

smuggle it into the kingdom how about

205

00:09:50,470 --> 00:09:48,649

this [h__h] and we prosecute them that

206

00:09:52,269 --> 00:09:50,480

sounds like smuggling biological

207

00:09:53,740 --> 00:09:52,279

material well I'm sure it would be very

208

00:09:56,350 --> 00:09:53,750

difficult to get through customs like

209

00:09:59,410 --> 00:09:56,360

are you carrying any fruit vegetables or

210

00:10:01,569 --> 00:09:59,420

Yeti appendages yes now they don't have

211

00:10:03,490 --> 00:10:01,579

that question well samples uh no just a

212

00:10:05,199 --> 00:10:03,500

Yeti finger what was that oh nothing

213

00:10:08,380 --> 00:10:05,209

never mind Butterfinger Butterfinger

214

00:10:10,900 --> 00:10:08,390

Butterfinger the TSA would be all over

215

00:10:15,280 --> 00:10:10,910

this [h__h] like we're just gonna throw it

216

00:10:18,460 --> 00:10:15,290

away this is I love I love these stories

217

00:10:22,000 --> 00:10:18,470

these these paranormal stories involving

218

00:10:25,449 --> 00:10:22,010

movie stars it gives an element of like

219

00:10:29,189 --> 00:10:25,459

realism they did it brings us to a whole

220

00:10:32,319 --> 00:10:29,199

new level it's not under it's not like

221

00:10:34,269 --> 00:10:32,329

there's also story and maybe I ought to

222

00:10:36,509 --> 00:10:34,279

get into solidity but there's a story

223

00:10:39,250 --> 00:10:36,519

about Jackie Gleason in Richard Nixon

224

00:10:42,699 --> 00:10:39,260

driving into a military base and Nixon

225

00:10:46,500 --> 00:10:42,709

is showing Jackie Gleason alien bodies

226

00:10:49,629 --> 00:10:46,510

and I'll break up with that story for

227

00:10:51,550 --> 00:10:49,639

next week's podcast or maybe even this

228

00:10:54,160 --> 00:10:51,560

this weekend show about Jackie Gleason a

229

00:10:55,689 --> 00:10:54,170

Richard Richard Nixon looking at alien

230

00:10:58,100 --> 00:10:55,699

bodies together I love it when famous

231

00:11:01,970 --> 00:10:58,110

people celebrities are

232

00:11:04,220 --> 00:11:01,980

our captivated by this weird [h__\h] it as

233

00:11:05,120 --> 00:11:04,230

weird as the sound it kind of brings it

234

00:11:06,560 --> 00:11:05,130

back down to earth

235

00:11:11,600 --> 00:11:06,570

I mean much like Tom DeLonge who's

236

00:11:13,160 --> 00:11:11,610

obsessed with UFOs and disclosure I'm

237

00:11:16,550 --> 00:11:13,170

glad Jimmy Stewart is obsessed with

238

00:11:17,060 --> 00:11:16,560

Bigfoot it's just bizarre to me but it's

239

00:11:20,480 --> 00:11:17,070

awesome

240

00:11:22,340 --> 00:11:20,490

yeah and Tom DeLonge you know he's

241

00:11:24,199 --> 00:11:22,350

following in the footsteps of the

242

00:11:25,970 --> 00:11:24,209

Great's before him so you might be

243

00:11:28,940 --> 00:11:25,980

wondering okay they smuggle this finger

244

00:11:29,509 --> 00:11:28,950

into England to have it to have it

245

00:11:32,150 --> 00:11:29,519

looked at

246

00:11:34,220 --> 00:11:32,160

well back in London he'll examine the

247

00:11:36,380 --> 00:11:34,230

finger and declared it to be of human

248

00:11:38,269 --> 00:11:36,390

origin although a number of scientists

249

00:11:41,600 --> 00:11:38,279

in slicks circle weren't convinced and

250

00:11:44,360 --> 00:11:41,610

Hill himself later expressed doubts skin

251
00:11:47,420 --> 00:11:44,370
taken by burn also didn't prove

252
00:11:50,829 --> 00:11:47,430
definitive and test and testing of the

253
00:11:53,150 --> 00:11:50,839
skin decades later by US television show

254
00:11:57,170 --> 00:11:53,160
unexplained mysteries also found no

255
00:12:00,139 --> 00:11:57,180
clear answer as to the skins origin the

256
00:12:01,880 --> 00:12:00,149
hand at the monastery vanished in 1991

257
00:12:04,790 --> 00:12:01,890
after the story of Yeti

258
00:12:07,610 --> 00:12:04,800
relic aired meanwhile Peter Byrne began

259
00:12:11,780 --> 00:12:07,620
a hunt for another mythological creature

260
00:12:13,880 --> 00:12:11,790
the Sasquatch but uh the abominable

261
00:12:18,139 --> 00:12:13,890
snowman aka the Yeti versus the

262
00:12:19,310 --> 00:12:18,149
Sasquatch Bigfoot we all we all can kind

263
00:12:22,519 --> 00:12:19,320

of agree they're probably from the same

264

00:12:25,340 --> 00:12:22,529

lineage in some way and if you if you

265

00:12:28,189 --> 00:12:25,350

text I mean isn't isn't the the human

266

00:12:30,800 --> 00:12:28,199

DNA in the orangutan DNA pretty much 99%

267

00:12:32,480 --> 00:12:30,810

the same I think you think he had the

268

00:12:34,939 --> 00:12:32,490

chimpanzee or whatever you know I'm

269

00:12:35,750 --> 00:12:34,949

talking about a monkey guy one of those

270

00:12:38,990 --> 00:12:35,760

many guys

271

00:12:42,139 --> 00:12:39,000

the chimps in in the humans are 99%

272

00:12:43,970 --> 00:12:42,149

identical in DNA so if they did testing

273

00:12:47,300 --> 00:12:43,980

and they said it came back as human

274

00:12:50,360 --> 00:12:47,310

how different are we from the Yeti the

275

00:12:54,310 --> 00:12:50,370

Sask why maybe not that maybe not that

276

00:12:57,829 --> 00:12:54,320

different but I'll post up this link

277

00:13:01,579 --> 00:12:57,839

that you guys could all read when it

278

00:13:04,189 --> 00:13:01,589

comes to the Yeti Jimmy Stewart and the

279

00:13:07,519 --> 00:13:04,199

missing hand of the Yeti from the

280

00:13:09,710 --> 00:13:07,529

monastery in Nepal I think we should dig

281

00:13:11,720 --> 00:13:09,720

up Jimmy Stewart's body to find out if

282

00:13:14,329 --> 00:13:11,730

it's in his corpses but

283

00:13:15,049 --> 00:13:14,339

yeah how can I be sternness get buried

284

00:13:17,840 --> 00:13:15,059

with it sure

285

00:13:20,299 --> 00:13:17,850

yeah people get buried with a stranger

286

00:13:23,809 --> 00:13:20,309

things than that Joe that's not thanking

287

00:13:26,419 --> 00:13:23,819

mmm I mean he might left a note maybe

288

00:13:28,609 --> 00:13:26,429

he's like a like an Egyptian pharaoh get

289

00:13:31,039 --> 00:13:28,619

buried with everything gold and diamonds

290

00:13:32,960 --> 00:13:31,049

and yet even you gotta pull the brain

291

00:13:34,669 --> 00:13:32,970

out they pulled the brains out and [h__h]

292

00:13:36,650 --> 00:13:34,679

for whatever reason I don't even know no

293

00:13:38,599 --> 00:13:36,660

I mean they did that just just be

294

00:13:40,909 --> 00:13:38,609

clonely yeah yeah you don't want your

295

00:13:42,919 --> 00:13:40,919

brains leaking out into the coffin make

296

00:13:45,889 --> 00:13:42,929

it look all on-site I'm slightly for

297

00:13:47,509 --> 00:13:45,899

FIFA we should do a segment on that why

298

00:13:50,479 --> 00:13:47,519

did they take the brains out of the

299

00:13:51,619 --> 00:13:50,489

people they had a special tool for this

300

00:13:53,030 --> 00:13:51,629

and everything is like if you're just

301

00:13:54,349 --> 00:13:53,040

going to mummify the damn thing why does

302

00:13:55,840 --> 00:13:54,359

the brain have to come out what are you

303

00:13:58,669 --> 00:13:55,850

going to do with it

304

00:14:00,109 --> 00:13:58,679

they eat it like if they eat it if they

305

00:14:03,289 --> 00:14:00,119

ate it maybe that would make sense

306

00:14:05,389 --> 00:14:03,299

I don't know and we'll look into that

307

00:14:08,419 --> 00:14:05,399

Joe maybe next time lead rail on your

308

00:14:10,819 --> 00:14:08,429

arm derail Big John do outside hole hand
