1
00:00:00,320 --> 00:00:05,559

[Applause]

2
00:00:09,980 --> 00:00:08,059

I'm going to do a segment right here I'm

3
00:00:12,830 --> 00:00:09,990

going to do some conspiracy clean-up and

4
00:00:16,700 --> 00:00:12,840

paranormal clean-up on what I haven't

5
00:00:20,570 --> 00:00:16,710

seen in the world as of late are Leeson

6
00:00:23,570 --> 00:00:20,580

past few days I have a few articles here

7
00:00:27,859 --> 00:00:23,580

that I have procured for your listening

8
00:00:31,040 --> 00:00:27,869

enjoyment Joe and Kalon baby okay now I

9
00:00:34,389 --> 00:00:31,050

have a good article here titled did

10
00:00:38,030 --> 00:00:34,399

aliens interfere in the Vietnam War

11
00:00:39,889 --> 00:00:38,040

soldiers give shocky account of such

12
00:00:41,650 --> 00:00:39,899

okay would you like to hear some

13
00:00:44,810 --> 00:00:41,660

accounts of that might shock you

14

00:00:46,220 --> 00:00:44,820

definitely okay great absolutely because

15

00:00:49,549 --> 00:00:46,230

there were there are stories of the Foo

16

00:00:51,799 --> 00:00:49,559

Fighters in world war 2 2009 I was on

17

00:00:57,139 --> 00:00:51,809

vacation uh with my father

18

00:00:59,979 --> 00:00:57,149

oh no staying in this is another thing

19

00:01:02,389 --> 00:00:59,989

on that very page but as we all like no

20

00:01:05,690 --> 00:01:02,399

web page is like a autoplay video at

21

00:01:07,609 --> 00:01:05,700

this point many Vietnam War veterans

22

00:01:10,580 --> 00:01:07,619

have come forward since the fierce

23

00:01:11,810 --> 00:01:10,590

fighting officially ended in 1975

24

00:01:14,359 --> 00:01:11,820

including high-ranking military

25

00:01:17,330 --> 00:01:14,369

officials claiming to have spotted UFOs

26

00:01:21,469 --> 00:01:17,340
of alien origin the most reputable

27

00:01:23,060 --> 00:01:21,479
claimer is Captain George filer the

28

00:01:25,370 --> 00:01:23,070
third who worked for the US Secret

29

00:01:28,190 --> 00:01:25,380
Service in Vietnam who says he saw a UFO

30

00:01:30,649 --> 00:01:28,200
interacting with us Jets

31

00:01:33,469 --> 00:01:30,659
he claimed one of our planes flew about

32

00:01:35,569 --> 00:01:33,479
500 knots and sudden a UFO appeared and

33

00:01:38,990 --> 00:01:35,579
circle the aircraft several times before

34

00:01:41,810 --> 00:01:39,000
flew off at three times the speed of our

35

00:01:44,109 --> 00:01:41,820
Air Force jets it's a technology that is

36

00:01:46,069 --> 00:01:44,119
far superior to ours

37

00:01:49,219 --> 00:01:46,079
since his retirement from the military

38

00:01:51,800 --> 00:01:49,229

and with his experience in UFO sightings

39

00:01:53,830 --> 00:01:51,810

captain Fowler I'm sorry yeah captain

40

00:01:55,760 --> 00:01:53,840

Fowler dedicated his life to

41

00:01:58,580 --> 00:01:55,770

extraterrestrial activity running a

42

00:02:00,260 --> 00:01:58,590

website national UFO Center but the

43

00:02:02,780 --> 00:02:00,270

captain but captain Fowler it's not the

44

00:02:05,289 --> 00:02:02,790

only person to have seen UFOs that are

45

00:02:07,969 --> 00:02:05,299

not of this earth during the ill-fated

46

00:02:09,380 --> 00:02:07,979

Vietnam War why did I be like the

47

00:02:10,430 --> 00:02:09,390

article that had to you know put that

48

00:02:11,840 --> 00:02:10,440

little jab in there the ill-fated

49

00:02:14,960 --> 00:02:11,850

Vietnam War

50

00:02:18,370 --> 00:02:14,970

I don't know they provide some editorial

51
00:02:21,590 --> 00:02:18,380
ization there or editorializing

52
00:02:25,490 --> 00:02:21,600
Pete Missoula who served in the Vietnam

53
00:02:27,980 --> 00:02:25,500
War from 1965 to the end of the decade

54
00:02:31,730 --> 00:02:27,990
said before his death in 1987 that he

55
00:02:34,010 --> 00:02:31,740
saw you at those during the conflict he

56
00:02:37,280 --> 00:02:34,020
said there were several times while I'm

57
00:02:39,860 --> 00:02:37,290
patrolling the jungle that I had a time

58
00:02:43,250 --> 00:02:39,870
I time to look up at the stars

59
00:02:46,040 --> 00:02:43,260
I saw more than a few unusual shooting

60
00:02:50,120 --> 00:02:46,050
stars that maneuver in a way no meteor

61
00:02:53,330 --> 00:02:50,130
could in one incident he and his squad

62
00:02:56,510 --> 00:02:53,340
saw a UFO hovering over a paddy field in

63
00:02:58,100 --> 00:02:56,520

palm trees where they are pinned down he

64

00:03:00,350 --> 00:02:58,110

said I couldn't believe what I saw the

65

00:03:02,300 --> 00:03:00,360

other guys saw too but afterwards we

66

00:03:04,780 --> 00:03:02,310

were too shocked to talk about it much

67

00:03:08,210 --> 00:03:04,790

I'd have to say what the hell was that

68

00:03:12,230 --> 00:03:08,220

exactly what the hell is this another

69

00:03:17,630 --> 00:03:12,240

witness says General George as

70

00:03:20,210 --> 00:03:17,640

Brown is said to have alleged I'm sorry

71

00:03:23,510 --> 00:03:20,220

mmm-hmm this is kind of a written in a

72

00:03:25,850 --> 00:03:23,520

weird way another witness George a

73

00:03:28,100 --> 00:03:25,860

General George s Brown says the alleged

74

00:03:31,220 --> 00:03:28,110

UFO caused confusion among his allies

75

00:03:34,070 --> 00:03:31,230

general Brown said I do not know if the

76

00:03:36,350 --> 00:03:34,080

story was ever told they were not called

77

00:03:39,500 --> 00:03:36,360

UFOs they were labeled as enemy

78

00:03:41,600 --> 00:03:39,510

helicopters they were seen at night and

79

00:03:43,880 --> 00:03:41,610

in certain places once they were

80

00:03:46,220 --> 00:03:43,890

observed in the early summer of 68 it

81

00:03:49,460 --> 00:03:46,230

triggered a small battle we never found

82

00:03:52,220 --> 00:03:49,470

an enemy we only found ourselves but

83

00:03:53,510 --> 00:03:52,230

someone had fired and shot there it was

84

00:03:56,390 --> 00:03:53,520

always the same we could not identify

85

00:03:58,910 --> 00:03:56,400

the enemy and yet we were reacting once

86

00:04:02,630 --> 00:03:58,920

we even damaged an Australian ship and

87

00:04:05,150 --> 00:04:02,640

this is of more accounts goes it was on

88

00:04:09,350 --> 00:04:05,160

a little bit about people who have a

89

00:04:11,530 --> 00:04:09,360

witness strange things in battle and

90

00:04:14,510 --> 00:04:11,540

there are some other accounts of

91

00:04:19,880 --> 00:04:14,520

soldiers that while they're in Vietnam

92

00:04:22,280 --> 00:04:19,890

even firing upon alien creatures one

93

00:04:24,470 --> 00:04:22,290

even claiming to hit one

94

00:04:28,810 --> 00:04:24,480

is it's kind of remarkable because these

95

00:04:32,330 --> 00:04:28,820

people are trained to observe and see

96

00:04:34,280 --> 00:04:32,340

threatening behaviors and an enemy and

97

00:04:36,320 --> 00:04:34,290

they're able to observe extraordinary

98

00:04:37,730 --> 00:04:36,330

things and report back but you can only

99

00:04:40,670 --> 00:04:37,740

imagine these guys are talking about it

100

00:04:42,590 --> 00:04:40,680

how many people don't report it you know

101
00:04:44,660 --> 00:04:42,600
this does have a chi over with Bigfoot I

102
00:04:46,900 --> 00:04:44,670
covered the Rockets of Vietnam soldiers

103
00:04:50,240 --> 00:04:46,910
encounter during the Vietnam War the

104
00:04:54,500 --> 00:04:50,250
rock ape the rock Apes of Vietnam yeah

105
00:04:56,930 --> 00:04:54,510
yeah I do remember that and I we I think

106
00:05:00,140 --> 00:04:56,940
we may have even talked about a story of

107
00:05:04,370 --> 00:05:00,150
people in soldiers like us a squad in

108
00:05:06,650 --> 00:05:04,380
Vietnam firing upon UFOs and aliens -

109
00:05:09,700 --> 00:05:06,660
and just in those aliens just

110
00:05:13,430 --> 00:05:09,710
disappearing in front of their eyes

111
00:05:15,380 --> 00:05:13,440
bizarre [h__h] but these these stories

112
00:05:17,960 --> 00:05:15,390
that we do that we just read right there

113
00:05:20,330 --> 00:05:17,970

these are more of the classical kind of

114

00:05:24,170 --> 00:05:20,340

UFOs in the sky doing incredible

115

00:05:27,230 --> 00:05:24,180

maneuvers around military jet Ojo what's

116

00:05:29,690 --> 00:05:27,240

going on there what's going on hey can

117

00:05:33,980 --> 00:05:29,700

you what are you here children screaming

118

00:05:37,790 --> 00:05:33,990

you're molesting yes I went out to the

119

00:05:39,830 --> 00:05:37,800

beach to go [h__h] look at the beach so I

120

00:05:41,840 --> 00:05:39,840

can go back into the room just find this

121

00:05:45,250 --> 00:05:41,850

amigo [h__h] on the beach you know mute it

122

00:05:49,040 --> 00:05:45,260

until I die mute it until I thought okay

123

00:05:51,020 --> 00:05:49,050

yeah with the raw Cape of Vietnam very

124

00:05:53,240 --> 00:05:51,030

interesting stuff and you know we

125

00:05:55,010 --> 00:05:53,250

typically win from what we've read where

126
00:05:57,800 --> 00:05:55,020
you have UFO sightings there's going to

127
00:06:00,320 --> 00:05:57,810
be some Sasquatch or Bigfoot sightings

128
00:06:02,660 --> 00:06:00,330
as well I don't know why but they seem

129
00:06:04,910 --> 00:06:02,670
to go hand in hand a little bit for

130
00:06:06,470 --> 00:06:04,920
whatever reason do you remember the

131
00:06:10,100 --> 00:06:06,480
exact article you read clown baby about

132
00:06:11,360 --> 00:06:10,110
the the rockets in Vietnam uh we

133
00:06:13,520 --> 00:06:11,370
couldn't be flying back it might have

134
00:06:16,100 --> 00:06:13,530
been weak and weird or something off

135
00:06:17,570 --> 00:06:16,110
mysterious universe okay yeah we

136
00:06:20,120 --> 00:06:17,580
probably have to probably find that

137
00:06:22,760 --> 00:06:20,130
again and post that under under this

138
00:06:25,400 --> 00:06:22,770

clip because it might you know kind of

139

00:06:27,230 --> 00:06:25,410

directly relate I mean I invited we

140

00:06:30,380 --> 00:06:27,240

should try to also what I'd like to do

141

00:06:33,790 --> 00:06:30,390

is find some additional stories from

142

00:06:35,720 --> 00:06:33,800

soldiers in different wars that have

143

00:06:39,110 --> 00:06:35,730

interesting

144

00:06:42,470 --> 00:06:39,120

periences paranormal UFO doesn't matter

145

00:06:45,050 --> 00:06:42,480

I'll start researching that a little bit

146

00:06:48,470 --> 00:06:45,060

I don't I don't know why they would have

147

00:06:51,020 --> 00:06:48,480

any more validity than a regular person

148

00:06:54,890 --> 00:06:51,030

but there's something about when a

149

00:06:58,550 --> 00:06:54,900

soldier or veteran tells a story there's

150

00:07:01,240 --> 00:06:58,560

almost an instant credibility to it

151
00:07:03,650 --> 00:07:01,250
because they're in a [h__h] up situation

152
00:07:04,960 --> 00:07:03,660
and I don't know I assume that they're

153
00:07:07,880 --> 00:07:04,970
not going to make up anything

154
00:07:10,880 --> 00:07:07,890
supernatural or unreal because whether

155
00:07:12,560 --> 00:07:10,890
experiencing is already incredible and

156
00:07:14,090 --> 00:07:12,570
unreal they're in a life-and-death

157
00:07:17,510 --> 00:07:14,100
situation do you really think they're

158
00:07:18,710 --> 00:07:17,520
going to make up [h__h] about UFOs when

159
00:07:20,290 --> 00:07:18,720
they're at the end of a life on their

160
00:07:22,760 --> 00:07:20,300
deathbed I find that hard to believe

161
00:07:25,250 --> 00:07:22,770
maybe there are some people later they

162
00:07:27,950 --> 00:07:25,260
they were doing a lot of asses in

163
00:07:31,370 --> 00:07:27,960

Vietnam true and she could buy dwarves

164

00:07:34,160 --> 00:07:31,380

and leprechauns too so yeah I you know

165

00:07:36,560 --> 00:07:34,170

that does happen I've done a fair bit of

166

00:07:38,960 --> 00:07:36,570

ass in my day and I've had some

167

00:07:41,720 --> 00:07:38,970

hallucinations but I knew that they were

168

00:07:43,910 --> 00:07:41,730

hallucinations I knew I could tell what

169

00:07:45,410 --> 00:07:43,920

was real and what wasn't even though I

170

00:07:48,260 --> 00:07:45,420

was on acid maybe I didn't take enough

171

00:07:49,730 --> 00:07:48,270

acid people I'm looking for any at Betsy

172

00:07:52,400 --> 00:07:49,740

your point I actually agree with you

173

00:07:54,470 --> 00:07:52,410

like there is some credibility just by

174

00:07:55,610 --> 00:07:54,480

default he's like even one of my

175

00:07:57,200 --> 00:07:55,620

favorite accounts and I think we've

176
00:08:00,710 --> 00:07:57,210
talked about on the show was a pilot who

177
00:08:02,780 --> 00:08:00,720
was travelling to Japan and and by the

178
00:08:04,370 --> 00:08:02,790
simple fact that he was a pilot I think

179
00:08:07,220 --> 00:08:04,380
he was like a like a commercial

180
00:08:08,780 --> 00:08:07,230
you know passenger jet pilot and he was

181
00:08:10,580 --> 00:08:08,790
talking about this flying object that

182
00:08:12,220 --> 00:08:10,590
was kind of tailing him and moving

183
00:08:14,840 --> 00:08:12,230
around and all his stuff and it was like

184
00:08:18,050 --> 00:08:14,850
there was like recordings of this and

185
00:08:18,530 --> 00:08:18,060
documented in somebody's getting call no

186
00:08:20,270 --> 00:08:18,540
honey

187
00:08:22,520 --> 00:08:20,280
but yeah there was it was there was a

188
00:08:24,320 --> 00:08:22,530

credibility lent to it just by the

189

00:08:25,580 --> 00:08:24,330

simple nature that there was this pilot

190

00:08:27,500 --> 00:08:25,590

and like why the [h__\h] is this pilot

191

00:08:29,930 --> 00:08:27,510

saying this and obviously he would know

192

00:08:32,240 --> 00:08:29,940

about what flight kind of the plant

193

00:08:34,760 --> 00:08:32,250

patterns are possible you would imagine

194

00:08:37,400 --> 00:08:34,770

so yeah you definitely would imagine so

195

00:08:40,430 --> 00:08:37,410

I have another headline here to wrap up

196

00:08:44,540 --> 00:08:40,440

my UFO segment this one's titled the

197

00:08:48,560 --> 00:08:44,550

scientist that has proven alien UFOs had

198

00:08:49,370 --> 00:08:48,570

have landed on earth and this is all

199

00:08:52,750 --> 00:08:49,380

kind of wrapped

200

00:08:56,360 --> 00:08:52,760

round of family that witnessed a UFO

201
00:08:59,480 --> 00:08:56,370
landing and the physical evidence left

202
00:09:08,630 --> 00:08:59,490
behind after that landing doctor Errol

203
00:09:11,020 --> 00:09:08,640
Falk or uh dr. arrow Hawk FAA ruk how

204
00:09:15,520 --> 00:09:11,030
would you guys pronounce that last name

205
00:09:19,640 --> 00:09:15,530
SAR UK farouq farouq farouq and maybe

206
00:09:21,350 --> 00:09:19,650
Farouk okay dr. Earl Farooq has

207
00:09:23,570 --> 00:09:21,360
published the findings of his

208
00:09:25,850 --> 00:09:23,580
investigation into a substance left on

209
00:09:29,270 --> 00:09:25,860
the ground after a famous UFO sighting

210
00:09:32,030 --> 00:09:29,280
in a book which has concluded extra

211
00:09:35,360 --> 00:09:32,040
treasure activity is the only

212
00:09:37,400 --> 00:09:35,370
explanation for this in a self-published

213
00:09:39,620 --> 00:09:37,410

work the compelling scientific evidence

214

00:09:43,460 --> 00:09:39,630

of UFOs the british-born chemist of

215

00:09:48,470 --> 00:09:43,470

turkish heritage examined in detail the

216

00:09:52,280 --> 00:09:48,480

boy's UFO case in Kansas USA on the

217

00:09:53,840 --> 00:09:52,290

evening of November 2nd 1971 the case

218

00:09:56,210 --> 00:09:53,850

has been kept fairly quiet from the

219

00:09:59,720 --> 00:09:56,220

public for what appears to be obvious

220

00:10:01,400 --> 00:09:59,730

reasons it is considered by some alien

221

00:10:04,100 --> 00:10:01,410

investigators as one of the most

222

00:10:07,250 --> 00:10:04,110

compelling UFO cases on record due to

223

00:10:09,670 --> 00:10:07,260

the scorched ring left on the ground

224

00:10:14,120 --> 00:10:09,680

apparently when the UFO landed

225

00:10:16,520 --> 00:10:14,130

dr. Farooq has published the findings of

226

00:10:18,050 --> 00:10:16,530

his investigating investigations into

227

00:10:20,810 --> 00:10:18,060

the substance left on the ground after

228

00:10:23,210 --> 00:10:20,820

the famous UFO sighting in a book which

229

00:10:25,460 --> 00:10:23,220

has concluded the extraterrestrial

230

00:10:30,230 --> 00:10:25,470

activity is the only explanation for

231

00:10:33,740 --> 00:10:30,240

this leftover sub substance okay

232

00:10:37,850 --> 00:10:33,750

although he remained unable to fully

233

00:10:40,900 --> 00:10:37,860

identify the soil compound he claimed to

234

00:10:44,800 --> 00:10:40,910

detect highly water soluble organic

235

00:10:47,900 --> 00:10:44,810

compound which is potentially

236

00:10:50,000 --> 00:10:47,910

chemiluminescence and this could have

237

00:10:54,520 --> 00:10:50,010

been responsible for the alleged glow

238

00:10:56,780 --> 00:10:54,530

scene at the time he said so this guy

239

00:10:58,130 --> 00:10:56,790

scientists including because of some

240

00:11:00,560 --> 00:10:58,140

stuff he found on the ground

241

00:11:03,400 --> 00:11:00,570

basically slime material Slimer from

242

00:11:06,759 --> 00:11:03,410

Ghostbusters or something that alien

243

00:11:09,059 --> 00:11:06,769

are here new to this evidence now I am I

244

00:11:11,230 --> 00:11:09,069

sure P the book is full of more

245

00:11:14,670 --> 00:11:11,240

investigations but certainly this

246

00:11:16,660 --> 00:11:14,680

article is written about this one event

247

00:11:27,280 --> 00:11:16,670

and a climate what do you think about

248

00:11:30,309 --> 00:11:27,290

this yeah ah plausible I don't oh well

249

00:11:32,019 --> 00:11:30,319

if you uh if you look at some of the

250

00:11:35,619 --> 00:11:32,029

Amazon reviews this guy's

251
00:11:38,470 --> 00:11:35,629
self-publishing on Amazon and ah and so

252
00:11:42,150 --> 00:11:38,480
I mean it you can look at some reviews

253
00:11:46,689 --> 00:11:42,160
and you can make your own decision it is

254
00:11:49,269 --> 00:11:46,699
about ten bucks and I don't know if it's

255
00:11:50,889 --> 00:11:49,279
worth it for me I do like the I do like

256
00:11:52,210 --> 00:11:50,899
I do let the scientific investigations

257
00:11:55,119 --> 00:11:52,220
of the stuff I like that they approached

258
00:11:58,420 --> 00:11:55,129
it in a scientific way and that's why I

259
00:12:01,749 --> 00:11:58,430
like the black black vault comm is a

260
00:12:05,319 --> 00:12:01,759
just a huge collection of UFO sightings

261
00:12:06,850 --> 00:12:05,329
there is this basic data there and you

262
00:12:08,189 --> 00:12:06,860
could make some assumptions about what's

263
00:12:11,230 --> 00:12:08,199

going on and there is constant

264

00:12:12,699 --> 00:12:11,240

evaluation by scientists there's there's

265

00:12:15,939 --> 00:12:12,709

tests being done constantly on

266

00:12:19,840 --> 00:12:15,949

blackbaud.com so I don't know why this

267

00:12:23,340 --> 00:12:19,850

one I don't know I read the article it's

268

00:12:25,540 --> 00:12:23,350

not he's saying it's conclusive proof of

269

00:12:27,280 --> 00:12:25,550

aliens landing but why couldn't it be

270

00:12:29,559 --> 00:12:27,290

just a plasma ball generated by the

271

00:12:31,870 --> 00:12:29,569

atmosphere that touchdown left that ring

272

00:12:34,030 --> 00:12:31,880

and it wasn't intelligently controlled I

273

00:12:35,620 --> 00:12:34,040

I don't know

274

00:12:39,069 --> 00:12:35,630

we've seen things like ball lightning

275

00:12:41,319 --> 00:12:39,079

and there's a no theories that it's just

276

00:12:45,189 --> 00:12:41,329

plasma balls generated naturally by the

277

00:12:48,340 --> 00:12:45,199

atmosphere of Earth I don't I don't know

278

00:12:51,429 --> 00:12:48,350

why UFOs are dragged into this right

279

00:12:53,379 --> 00:12:51,439

away based on this guy's analysis why am

280

00:12:54,939 --> 00:12:53,389

i why am I the one being reasonable here

281

00:12:59,470 --> 00:12:54,949

why am I the one saying is not a healer

282

00:13:02,400 --> 00:12:59,480

I should of course it's alien please I J

283

00:13:04,840 --> 00:13:02,410

I shouldn't be so measured in controlled

284

00:13:06,749 --> 00:13:04,850

IQ be out there screaming tell me

285

00:13:09,309 --> 00:13:06,759

telling matter that aliens are coming

286

00:13:12,990 --> 00:13:09,319

yeah they are landing and or leave it

287

00:13:16,990 --> 00:13:13,000

random grass I don't know

288

00:13:17,710 --> 00:13:17,000

free I think is a Bigfoot Bigfoot was

289

00:13:21,579 --> 00:13:17,720

deployed

290

00:13:23,590 --> 00:13:21,589

by the aliens to fight with the with

291

00:13:25,329 --> 00:13:23,600

Charlie and that's why it was so hard

292

00:13:28,720 --> 00:13:25,339

for the United States to win war in

293

00:13:31,360 --> 00:13:28,730

every what could be a Mima the siting

294

00:13:34,319 --> 00:13:31,370

deciding in the book was in 1971 so

295

00:13:38,410 --> 00:13:34,329

right around Vietnam era

296

00:13:39,790 --> 00:13:38,420

I'm sorry climate what deficit yogi

297

00:13:45,340 --> 00:13:39,800

collision and family and say that line

298

00:13:46,990 --> 00:13:45,350

again I tried to find the spot furthest

299

00:13:48,280 --> 00:13:47,000

away from anybody who could hear me but

300

00:13:51,100 --> 00:13:48,290

frankly I just don't care

301
00:13:53,530 --> 00:13:51,110
yeah yeah I mean do they even understand

302
00:13:57,490 --> 00:13:53,540
you I mean you're just American talk in

303
00:13:59,949 --> 00:13:57,500
an ugly language language right yes true

304
00:14:02,319 --> 00:13:59,959
everybody here is speaking multiple

305
00:14:04,929 --> 00:14:02,329
languages and Here I am good yeah you

306
00:14:07,509 --> 00:14:04,939
got any more that booze I'd like to

307
00:14:09,670 --> 00:14:07,519
drink some of it I I do have one more

308
00:14:12,490 --> 00:14:09,680
thing that kind of goes with the UFO

309
00:14:13,660 --> 00:14:12,500
thing and that is I share Plato's during

310
00:14:16,179 --> 00:14:13,670
the Alex show segment but this is a

311
00:14:18,939 --> 00:14:16,189
trump to release secret technology to

312
00:14:21,610 --> 00:14:18,949
the public and Alex Jones has been

313
00:14:23,740 --> 00:14:21,620

harping on this as well is that the

314

00:14:25,809 --> 00:14:23,750

reason why the establishment wants to

315

00:14:28,840 --> 00:14:25,819

take down Trump is that he is going to

316

00:14:30,429 --> 00:14:28,850

release advanced technology Trump is

317

00:14:31,900 --> 00:14:30,439

going to release advanced technology and

318

00:14:39,249 --> 00:14:31,910

this is Alex Jones talking about a

319

00:14:41,740 --> 00:14:39,259

little bit no honest in this plan yeah

320

00:14:43,990 --> 00:14:41,750

no one's untouchable by other men much

321

00:14:45,610 --> 00:14:44,000

less God back so where is he talking

322

00:14:47,259 --> 00:14:45,620

about this it's gonna and God is

323

00:14:51,009 --> 00:14:47,269

beginning to cut down the global is just

324

00:14:52,929 --> 00:14:51,019

like rats because I'm I want to see what

325

00:14:54,549 --> 00:14:52,939

technology do you understand that it's

326
00:14:57,460 --> 00:14:54,559
admitted in congressional hearings that

327
00:14:58,860 --> 00:14:57,470
they call it disruptive technologies a

328
00:15:01,269 --> 00:14:58,870
two hundred miles to the gallon

329
00:15:03,730 --> 00:15:01,279
carburetor they had twenty five years

330
00:15:07,179 --> 00:15:03,740
ago hell forty years ago they had a

331
00:15:09,150 --> 00:15:07,189
hundred somehow solar panels that

332
00:15:12,189 --> 00:15:09,160
basically never break never go out and

333
00:15:13,540 --> 00:15:12,199
then have five times the gathering

334
00:15:16,179 --> 00:15:13,550
capacity the very best systems today

335
00:15:18,189 --> 00:15:16,189
things like that they're slowly doling

336
00:15:20,350 --> 00:15:18,199
out the technology the elites are on

337
00:15:22,210 --> 00:15:20,360
incredible power trips sequestering it

338
00:15:23,350 --> 00:15:22,220

for a breakaway civilization the

339

00:15:24,990 --> 00:15:23,360

future's here it's just not evenly

340

00:15:30,009 --> 00:15:25,000

distributed

341

00:15:33,519 --> 00:15:30,019

it's in DoublePlay depth in ten

342

00:15:37,239 --> 00:15:33,529

to flood the entire planet with true

343

00:15:40,239 --> 00:15:37,249

globalism with America as the operating

344

00:15:43,600 --> 00:15:40,249

system the true America not the modern

345

00:15:45,720 --> 00:15:43,610

liberal globalist eugenics America but

346

00:15:47,739 --> 00:15:45,730

but really working with people really

347

00:15:51,100 --> 00:15:47,749

standing up for cultures that have good

348

00:15:54,519 --> 00:15:51,110

societies crushing radical Islam so and

349

00:15:56,229 --> 00:15:54,529

he's proposing Alex Jones is proposing

350

00:16:00,850 --> 00:15:56,239

that Trump is going to flood the market

351
00:16:04,569 --> 00:16:00,860
and release this secret technology to be

352
00:16:07,590 --> 00:16:04,579
used by the human race in order to have

353
00:16:12,369 --> 00:16:07,600
a more energy-efficient a more green

354
00:16:14,199 --> 00:16:12,379
energy economy and this is disruptive

355
00:16:16,600 --> 00:16:14,209
technology this is Star Trek technology

356
00:16:20,679 --> 00:16:16,610
is what he's talking about here a little

357
00:16:25,749 --> 00:16:20,689
bit Star Trek where energy could be

358
00:16:28,749 --> 00:16:25,759
somewhat limitless and it would release

359
00:16:30,879 --> 00:16:28,759
me hold that the oil companies have and

360
00:16:33,489 --> 00:16:30,889
and in the current power companies have

361
00:16:38,049 --> 00:16:33,499
and free it up a little bit if you had

362
00:16:41,650 --> 00:16:38,059
access if energy cost dropped by let's

363
00:16:43,480 --> 00:16:41,660

say 150th like your instead of paying 16

364

00:16:46,389 --> 00:16:43,490

bucks a month for your electric you're

365

00:16:48,340 --> 00:16:46,399

paying six would not be just amazing and

366

00:16:49,539 --> 00:16:48,350

it also piss a lot of people out they

367

00:16:54,519 --> 00:16:49,549

won't let that they wouldn't let the

368

00:16:56,799 --> 00:16:54,529

technology out okay I'm being here

369

00:16:58,269 --> 00:16:56,809

there's there are a lot of engineers

370

00:17:00,489 --> 00:16:58,279

believe it or not a lot of very smart

371

00:17:03,029 --> 00:17:00,499

people I said but a lot of these people

372

00:17:05,529 --> 00:17:03,039

are engineers and they're showing

373

00:17:09,610 --> 00:17:05,539

examples of places around the world that

374

00:17:12,370 --> 00:17:09,620

are connected to these you know sort of

375

00:17:16,029 --> 00:17:12,380

free energy source systems and and it is

376

00:17:19,149 --> 00:17:16,039

very very possible other governments are

377

00:17:21,250 --> 00:17:19,159

helping to make this happen in other

378

00:17:23,019 --> 00:17:21,260

countries and I do believe there's a

379

00:17:25,419 --> 00:17:23,029

concerted effort because that's again

380

00:17:27,699 --> 00:17:25,429

it's a lot of money that all these coal

381

00:17:33,399 --> 00:17:27,709

and oil folks aren't going to get

382

00:17:35,019 --> 00:17:33,409

there's a huge the business model the

383

00:17:36,370 --> 00:17:35,029

same with even the record companies I

384

00:17:39,789 --> 00:17:36,380

know so it's sort of a stretch to

385

00:17:41,230 --> 00:17:39,799

compare it but when mp3s came out I mean

386

00:17:43,570 --> 00:17:41,240

what did they do they fought it tooth

387

00:17:45,700 --> 00:17:43,580

and nail because they

388

00:17:48,520 --> 00:17:45,710

had a business model that they didn't

389

00:17:51,010 --> 00:17:48,530

want to change and so they sued

390

00:17:53,650 --> 00:17:51,020

seven-year-old girl you know because

391

00:17:56,920 --> 00:17:53,660

they downloaded a Metallica track or

392

00:18:00,340 --> 00:17:56,930

something yeah I mean because you know

393

00:18:03,400 --> 00:18:00,350

it was a freshman girl she sued freshman

394

00:18:06,370 --> 00:18:03,410

girls because the current business model

395

00:18:08,290 --> 00:18:06,380

was good enough and heaven forbid new

396

00:18:09,790 --> 00:18:08,300

technology alters their business model

397

00:18:11,680 --> 00:18:09,800

got a suit out of existence you got a

398

00:18:13,510 --> 00:18:11,690

patent it you got to buy it up and lock

399

00:18:13,780 --> 00:18:13,520

it away so people don't have access to

400

00:18:21,130 --> 00:18:13,790

it

401
00:18:25,480 --> 00:18:21,140
fossil fuels aren't going away anytime

402
00:18:29,860 --> 00:18:25,490
sit right Polly agree a bit of a pipe

403
00:18:31,420 --> 00:18:29,870
dream um that's all I got on UFOs and

404
00:18:33,790 --> 00:18:31,430
technology I don't know if Trump's gonna

405
00:18:35,410 --> 00:18:33,800
release it I don't this is what we've

406
00:18:37,000 --> 00:18:35,420
been reading all this kind of weird

407
00:18:39,130 --> 00:18:37,010
stuff that Trump's gonna change the

408
00:18:40,900 --> 00:18:39,140
world he's gonna he's gonna release

409
00:18:42,250 --> 00:18:40,910
alien technology he's gonna make

410
00:18:44,200 --> 00:18:42,260
everything better I don't know and I

411
00:18:46,330 --> 00:18:44,210
don't know why Alex Jones is talking

412
00:18:47,440 --> 00:18:46,340
about this like this it really is alien

413
00:18:50,440 --> 00:18:47,450

technology that they're talking about

414

00:18:51,790 --> 00:18:50,450

here well if there's any times release

415

00:18:53,230 --> 00:18:51,800

it for Trump he should do it now since

416

00:18:55,390 --> 00:18:53,240

that's special prosecutors good boys

417

00:18:57,790 --> 00:18:55,400

yeah you know you're right times now

418

00:19:00,730 --> 00:18:57,800

dude release the the teleporters and

419

00:19:02,440 --> 00:19:00,740

give me my enterprise all right give me

420

00:19:04,380 --> 00:19:02,450

a lightsaber Trump now I look the other

421

00:19:09,390 --> 00:19:04,390

way all the rush your stuff Thanks

422

00:19:11,590 --> 00:19:09,400

um all right Paulie you got anything uh

423

00:19:13,840 --> 00:19:11,600

yeah you guys think a brake ball you
