1
00:00:00,320 --> 00:00:06,260
[Applause]

2
00:00:06,270 --> 00:00:14,200
[Music]

3
00:00:21,830 --> 00:00:19,490
excuse me my baby and I watched the

4
00:00:22,880 --> 00:00:21,840
newest documentary about about the

5
00:00:26,179 --> 00:00:22,890
Mothman

6
00:00:28,009 --> 00:00:26,189
of Point Pleasant put out by small town

7
00:00:30,140 --> 00:00:28,019
monsters who we had we had that director

8
00:00:31,519 --> 00:00:30,150
and I think writer on the show a few

9
00:00:33,410 --> 00:00:31,529
months ago when he was actually I think

10
00:00:35,840 --> 00:00:33,420
was he just finishing raising money for

11
00:00:38,270 --> 00:00:35,850
the movie yeah that's correct

12
00:00:40,069 --> 00:00:38,280
and I miss Tariq I mistakenly invited

13
00:00:41,600 --> 00:00:40,079

him on the show because I don't know how

14

00:00:44,330 --> 00:00:41,610

to read Kickstarter suggesting that he

15

00:00:47,090 --> 00:00:44,340

needed a few more thousand dollars and

16

00:00:48,139 --> 00:00:47,100

but he far exceeded what he needed so he

17

00:00:49,580 --> 00:00:48,149

just kind of came on the show to

18

00:00:50,150 --> 00:00:49,590

[h__\h] with us anyways because he's a

19

00:00:53,569 --> 00:00:50,160

good guy

20

00:00:55,250 --> 00:00:53,579

um I think after our show he still he

21

00:00:56,930 --> 00:00:55,260

got like an extra like 3.5 thousand

22

00:01:01,010 --> 00:00:56,940

dollars so hopefully we contributed to

23

00:01:02,869 --> 00:01:01,020

some of that I mean he already uh he's

24

00:01:04,579 --> 00:01:02,879

the Mothman coming out net well it just

25

00:01:06,020 --> 00:01:04,589

came out it just got released and

26

00:01:07,640 --> 00:01:06,030

premiered but he has a invasives at

27

00:01:09,260 --> 00:01:07,650

Chestnut Ridge coming down so there was

28

00:01:13,789 --> 00:01:09,270

a - good - part of us coming out of his

29

00:01:15,980 --> 00:01:13,799

fall yeah um and I watched the Mothman

30

00:01:19,670 --> 00:01:15,990

documentary the news ones out I'll post

31

00:01:23,240 --> 00:01:19,680

a link in the description very well done

32

00:01:24,340 --> 00:01:23,250

it was filmed very well I tweeted to the

33

00:01:26,510 --> 00:01:24,350

guy cuz I was actually quite

34

00:01:29,870 --> 00:01:26,520

enthusiastic about this that it was very

35

00:01:31,999 --> 00:01:29,880

is a very well crafted and researched

36

00:01:35,780 --> 00:01:32,009

documentary about Mothman winces in

37

00:01:37,730 --> 00:01:35,790

history had various interviews with

38

00:01:39,679 --> 00:01:37,740

people who came in contact with the

39

00:01:42,590 --> 00:01:39,689

various paranormal encounters beat

40

00:01:44,270 --> 00:01:42,600

Mothman or alien encounters it's very

41

00:01:48,620 --> 00:01:44,280

well put together it was about an hour

42

00:01:50,179 --> 00:01:48,630

hour and 15 minutes um I guess I was

43

00:01:51,679 --> 00:01:50,189

actually kind of left wanting a little

44

00:01:53,539 --> 00:01:51,689

bit more I actually was kind of left

45

00:01:56,990 --> 00:01:53,549

wanting some conclusions there were no

46

00:01:58,490 --> 00:01:57,000

conclusions really drawn from this so if

47

00:02:01,219 --> 00:01:58,500

you want to kind of learn into the

48

00:02:04,190 --> 00:02:01,229

beginning like just explain the the

49

00:02:06,319 --> 00:02:04,200

Mothman background for any new listeners

50

00:02:08,059 --> 00:02:06,329

and for me who needs a refresher because

51
00:02:10,880 --> 00:02:08,069
I think I've just seen the Kevin Costner

52
00:02:11,700 --> 00:02:10,890
movie yeah well I can play some clips I

53
00:02:14,970 --> 00:02:11,710
ended up

54
00:02:18,270 --> 00:02:14,980
procured cultivated from this and this

55
00:02:22,110 --> 00:02:18,280
might set it up a little bit about what

56
00:02:24,990 --> 00:02:22,120
the origins of the Mothman or even just

57
00:02:28,940 --> 00:02:25,000
Point Pleasant in West Virginia is about

58
00:02:31,650 --> 00:02:28,950
and this goes a little deep but it's uh

59
00:02:34,520 --> 00:02:31,660
narrated by Kevin Costner that's not

60
00:02:38,220 --> 00:02:34,530
true at all that's actually just a

61
00:02:40,140 --> 00:02:38,230
blatant lie but I made that up yeah well

62
00:02:42,560 --> 00:02:40,150
we'll carry on and here is the first

63
00:02:45,570 --> 00:02:42,570

little clip from the Mothman documentary

64

00:02:49,100 --> 00:02:45,580

chief cornstalk you know was was a

65

00:02:51,000 --> 00:02:49,110

Shawnee hey wait wait wait time out what

66

00:02:54,870 --> 00:02:51,010

chief cornstalk

67

00:02:58,800 --> 00:02:54,880

yeah yeah they go back they go back to

68

00:03:00,660 --> 00:02:58,810

like colonial times when the the

69

00:03:02,670 --> 00:03:00,670

settlers were coming in and chasing the

70

00:03:04,500 --> 00:03:02,680

Native Americans out of West Virginia so

71

00:03:05,880 --> 00:03:04,510

it goes pretty far back yeah you're

72

00:03:07,620 --> 00:03:05,890

actually just kind of have to listen to

73

00:03:09,510 --> 00:03:07,630

it and then aim

74

00:03:10,890 --> 00:03:09,520

everybody goes sorry that's just a crazy

75

00:03:13,200 --> 00:03:10,900

day I've never heard anything like it

76

00:03:15,300 --> 00:03:13,210

chief cornstalk yeah that's my nickname

77

00:03:16,680 --> 00:03:15,310

yes not you're not like the chief of

78

00:03:20,370 --> 00:03:16,690

police he's not like chief cornstalk

79

00:03:22,530 --> 00:03:20,380

yeah he's innocent lost hog this is like

80

00:03:24,150 --> 00:03:22,540

a Native American not like you know

81

00:03:28,200 --> 00:03:24,160

chief you know hot dog or something like

82

00:03:32,190 --> 00:03:28,210

that this is captain hot dog here yeah

83

00:03:34,460 --> 00:03:32,200

this is a Native American okay unless

84

00:03:37,170 --> 00:03:34,470

you want you show a little respect okay

85

00:03:38,580 --> 00:03:37,180

yes okay thank you felt really

86

00:03:41,250 --> 00:03:38,590

insensitive I'm going to continue with

87

00:03:45,090 --> 00:03:41,260

this clip chief cornstalk you know was

88

00:03:47,100 --> 00:03:45,100

was a Shawnee chief who was reportedly

89

00:03:49,920 --> 00:03:47,110

murdered by some

90

00:03:52,740 --> 00:03:49,930

settlers over a land dispute in a son

91

00:03:59,010 --> 00:03:56,400

the legend is told that upon his dying

92

00:04:01,440 --> 00:03:59,020

breath that he cursed you know the town

93

00:04:04,110 --> 00:04:01,450

of Point Pleasant for 200 years but I

94

00:04:08,040 --> 00:04:04,120

think that you know of all towns have

95

00:04:10,110 --> 00:04:08,050

their share of problems and tragedies

96

00:04:12,710 --> 00:04:10,120

and things like that first time it was

97

00:04:17,250 --> 00:04:12,720

hard I was in a play in the early 1900

98

00:04:21,150 --> 00:04:17,260

we family tore down a local grade school

99

00:04:23,550 --> 00:04:21,160

here about six years ago we found a

100

00:04:27,450 --> 00:04:23,560

closet they didn't know about we found

101
00:04:29,640 --> 00:04:27,460
in play in 1923 that the entire town

102
00:04:32,070 --> 00:04:29,650
settled on the hamster and in that play

103
00:04:35,790 --> 00:04:32,080
when the big thing just points out

104
00:04:40,110 --> 00:04:35,800
getting shot and cursing full clauses so

105
00:04:42,150 --> 00:04:40,120
that's kind of a older kind of history

106
00:04:44,760 --> 00:04:42,160
of what's going on in Point Pleasant

107
00:04:46,740 --> 00:04:44,770
like that there's an urban legend or a

108
00:04:49,140 --> 00:04:46,750
rural legend there right there in this

109
00:04:52,020 --> 00:04:49,150
town and it's a smaller town so people

110
00:04:56,370 --> 00:04:52,030
talk and it's very easy for legends to

111
00:04:59,190 --> 00:04:56,380
get built out of gossip possibly not

112
00:05:01,530 --> 00:04:59,200
saying what that is what this is but

113
00:05:05,310 --> 00:05:01,540

even in town that Jeff and I grew up in

114

00:05:08,010 --> 00:05:05,320

there is a place that was a supposed

115

00:05:09,659 --> 00:05:08,020

supernatural place called Rogue rogue

116

00:05:14,040 --> 00:05:09,669

Hollow where we would go with there's

117

00:05:16,260 --> 00:05:14,050

various tales of a ghost or creature

118

00:05:18,000 --> 00:05:16,270

maybe bridge hi baby bridge Devil's

119

00:05:21,240 --> 00:05:18,010

Triangle and we would go back there all

120

00:05:23,700 --> 00:05:21,250

the time and as us as teenagers you know

121

00:05:25,530 --> 00:05:23,710

we're a little bit more open to the idea

122

00:05:28,380 --> 00:05:25,540

we'd be out there all the time and try

123

00:05:29,780 --> 00:05:28,390

to [h__\h] with each other and so you can

124

00:05:33,690 --> 00:05:29,790

only imagine you know in a small towns

125

00:05:35,220 --> 00:05:33,700

stories like that do go around and so

126

00:05:38,220 --> 00:05:35,230

the more story here the more it becomes

127

00:05:40,710 --> 00:05:38,230

real so I don't know that plays into it

128

00:05:42,180 --> 00:05:40,720

at all granted there's a lot more

129

00:05:45,360 --> 00:05:42,190

interesting sightings that are happening

130

00:05:47,640 --> 00:05:45,370

here in the 1960s at Point Pleasant that

131

00:05:50,250 --> 00:05:47,650

happened where Jeff and I grew up but

132

00:05:52,230 --> 00:05:50,260

that mentality might still exist where

133

00:05:54,140 --> 00:05:52,240

there's the town's folks talking amongst

134

00:05:57,030 --> 00:05:54,150

each other oh my god chief cornstalk

135

00:06:01,040 --> 00:05:57,040

cursed this town and that explains all

136

00:06:05,130 --> 00:06:01,050

the misfortune that will befall us yes

137

00:06:05,830 --> 00:06:05,140

wait Haiti didn't uh in the 700 Pat

138

00:06:08,020 --> 00:06:05,840

Roberts

139

00:06:09,900 --> 00:06:08,030

about haiti's earthquake was a result of

140

00:06:12,220 --> 00:06:09,910

them being devil worshipers or whatever

141

00:06:15,730 --> 00:06:12,230

exactly it happens all the time I mean

142

00:06:17,500 --> 00:06:15,740

you can find God's wrath and anything

143

00:06:20,080 --> 00:06:17,510

you want I mean I mean I'm sure Pat

144

00:06:22,080 --> 00:06:20,090

Robertson said you know the the gays are

145

00:06:24,580 --> 00:06:22,090

being killed by AIDS because of God oh

146

00:06:27,430 --> 00:06:24,590

yeah you've gotta have that on record

147

00:06:29,800 --> 00:06:27,440

multiple times yeah so I mean you can

148

00:06:31,600 --> 00:06:29,810

say it whether it's an Indian chief

149

00:06:33,250 --> 00:06:31,610

curse in the town now granted it might

150

00:06:35,290 --> 00:06:33,260

have a little more impact if you're a

151
00:06:37,090 --> 00:06:35,300
bunch of settlers and you just shot an

152
00:06:40,090 --> 00:06:37,100
Indian chief and his dying breath is I

153
00:06:43,390 --> 00:06:40,100
curse you yeah well that might affect me

154
00:06:45,190 --> 00:06:43,400
I probably wouldn't like that one bit in

155
00:06:47,340 --> 00:06:45,200
fact I'd rather I'd rather kill somebody

156
00:06:49,150 --> 00:06:47,350
fast enough Slade couldn't curse me

157
00:06:50,830 --> 00:06:49,160
hopefully she came right in the head

158
00:06:53,260 --> 00:06:50,840
yeah Sherman head or at least choke em

159
00:06:55,240 --> 00:06:53,270
so they can't talk crowd that's the

160
00:06:56,469 --> 00:06:55,250
trick you got to prevent the held hold

161
00:06:58,090 --> 00:06:56,479
their hand so they can't spell it out in

162
00:07:01,450 --> 00:06:58,100
the air either don't you curse me no

163
00:07:04,750 --> 00:07:01,460

sign language don't mouth anything no

164

00:07:08,439 --> 00:07:04,760

cursing you have you learned anything

165

00:07:12,969 --> 00:07:08,449

from killing shaman Jesus Christ right

166

00:07:14,920 --> 00:07:12,979

never give a shaman a dying breath uh so

167

00:07:18,969 --> 00:07:14,930

this this next clip kind of goes into

168

00:07:21,460 --> 00:07:18,979

some early sightings of the Mothman and

169

00:07:23,080 --> 00:07:21,470

or Birdman and what people have

170

00:07:25,870 --> 00:07:23,090

witnessed and possibly some occurrences

171

00:07:27,730 --> 00:07:25,880

around those you know good part is the

172

00:07:28,900 --> 00:07:27,740

the interview original witnesses from

173

00:07:31,719 --> 00:07:28,910

when the incident actually occurred

174

00:07:34,000 --> 00:07:31,729

mm-hmm they go into some pretty

175

00:07:37,600 --> 00:07:34,010

interesting stuff no doubt now Joe um

176
00:07:40,150 --> 00:07:37,610
before I please but what what exactly do

177
00:07:41,409 --> 00:07:40,160
you know about the Mothman sightings or

178
00:07:43,540 --> 00:07:41,419
anything like that I mean you don't

179
00:07:46,589 --> 00:07:43,550
follow this so what do you know I know I

180
00:07:50,320 --> 00:07:46,599
just remember that bridge scene with the

181
00:07:52,510 --> 00:07:50,330
Kevin Costner from the movie I remember

182
00:07:54,700 --> 00:07:52,520
the moss on the cover of the movie I

183
00:07:58,570 --> 00:07:54,710
don't remember a whole lot about it

184
00:08:01,060 --> 00:07:58,580
other than it was like paranormal about

185
00:08:02,560 --> 00:08:01,070
it so the background err stuff that

186
00:08:04,270 --> 00:08:02,570
you're getting is really good because I

187
00:08:06,430 --> 00:08:04,280
do I just don't know anything about it

188
00:08:08,379 --> 00:08:06,440

okay I don't know if it's actually like

189

00:08:10,270 --> 00:08:08,389

a moth like is it a giant flying moth

190

00:08:12,640 --> 00:08:10,280

type creature I don't know if it's like

191

00:08:15,930 --> 00:08:12,650

they just call him that because he like

192

00:08:18,250 --> 00:08:15,940

may be covered in dust or something no

193

00:08:19,659 --> 00:08:18,260

well hopefully this is he hang around

194

00:08:22,159 --> 00:08:19,669

lights you know

195

00:08:24,379 --> 00:08:22,169

banging around against light posts and

196

00:08:26,299 --> 00:08:24,389

[h__\h] nothing I know about that no I

197

00:08:27,709 --> 00:08:26,309

don't know about that specifically but I

198

00:08:29,449 --> 00:08:27,719

don't think it's that kind of mob I

199

00:08:31,279 --> 00:08:29,459

don't think it's a literal Mothman it's

200

00:08:33,139 --> 00:08:31,289

just the name okay like that I like the

201
00:08:35,629 --> 00:08:33,149
idea of a Mothman those just kind of

202
00:08:38,269 --> 00:08:35,639
like bumping into the you know store for

203
00:08:41,839 --> 00:08:38,279
once at night that's a big goofy but I

204
00:08:44,209 --> 00:08:41,849
I'm with you all right here's the other

205
00:08:46,069 --> 00:08:44,219
second clip here hey

206
00:08:48,290 --> 00:08:46,079
during the early part of the 20th

207
00:08:50,960 --> 00:08:48,300
century with frequent disasters

208
00:08:54,290 --> 00:08:50,970
befalling 20 pleasant rumors about a

209
00:08:56,480 --> 00:08:54,300
bizarre Birdman began to circulate the

210
00:08:59,689 --> 00:08:56,490
moon startling fact about these Birdman

211
00:09:02,319 --> 00:08:59,699
stories is that they occur over 50 years

212
00:09:07,519 --> 00:09:02,329
prior to the Mothman encounters of the

213
00:09:09,530 --> 00:09:07,529

1960s professor James K Jones Glenville

214

00:09:11,480 --> 00:09:09,540

State College documented multiple

215

00:09:13,970 --> 00:09:11,490

sightings of the Birdman in his book

216

00:09:16,929 --> 00:09:13,980

haunted Valley and Warfel males of

217

00:09:19,819 --> 00:09:16,939

Appalachia the sightings began around

218

00:09:22,129 --> 00:09:19,829

1914 with the creature being described

219

00:09:24,319 --> 00:09:22,139

as a large bird with the head of a man

220

00:09:28,009 --> 00:09:24,329

and a wings grant of at least a dozen

221

00:09:30,889 --> 00:09:28,019

feet he was said to be of monstrous size

222

00:09:33,740 --> 00:09:30,899

and was covered in dark reddish feathers

223

00:09:35,540 --> 00:09:33,750

that glistened in the sunlight according

224

00:09:38,269 --> 00:09:35,550

to Jones sightings of the Birdman

225

00:09:40,819 --> 00:09:38,279

persisted well into the 1940s where it

226
00:09:43,670 --> 00:09:40,829
was reported by Masuka move along the

227
00:09:46,560 --> 00:09:43,680
Ohio River just outside of the width

228
00:09:49,530 --> 00:09:46,570
these encounters were also said to be

229
00:09:54,210 --> 00:09:49,540
Ukraine were envelope to a tragic

230
00:09:57,930 --> 00:09:54,220
occurrence so that's a kind of a

231
00:10:02,040 --> 00:09:57,940
down-low on how the sightings of the

232
00:10:04,230 --> 00:10:02,050
Mothman pre looted horrible events or

233
00:10:08,220 --> 00:10:04,240
you saw the Mothman after a horrible

234
00:10:09,990 --> 00:10:08,230
event beat a flood a bridge collapsing

235
00:10:14,030 --> 00:10:10,000
or something like that but they saw that

236
00:10:18,090 --> 00:10:14,040
as a bad omen and there's various

237
00:10:20,790 --> 00:10:18,100
witness testimony about encountering

238
00:10:22,050 --> 00:10:20,800

this Mothman a lot of them and Jeff

239

00:10:24,900 --> 00:10:22,060

correct me if I'm wrong a lot of the

240

00:10:27,960 --> 00:10:24,910

witnesses were people driving on the

241

00:10:30,620 --> 00:10:27,970

road and seeing something overhead and

242

00:10:33,180 --> 00:10:30,630

how the Mothman was actually kind of

243

00:10:37,320 --> 00:10:33,190

following along with the car hovering

244

00:10:41,040 --> 00:10:37,330

over top and almost dive-bombing at time

245

00:10:45,120 --> 00:10:41,050

and kind of almost testing the car in

246

00:10:47,010 --> 00:10:45,130

its reaction as if it were prey not

247

00:10:48,510 --> 00:10:47,020

really dive bomb or it would also really

248

00:10:49,710 --> 00:10:48,520

would have did with a lot of the

249

00:10:51,180 --> 00:10:49,720

sightings it would they would keep it

250

00:10:52,530 --> 00:10:51,190

would keep pace next to the car no

251
00:10:53,910 --> 00:10:52,540
matter how fast they would go we'd

252
00:10:56,640 --> 00:10:53,920
always keep pace and kind of looking at

253
00:10:57,990 --> 00:10:56,650
them yeah and there were reports like

254
00:11:00,570 --> 00:10:58,000
some of the guys were going you know

255
00:11:02,520 --> 00:11:00,580
like 90 to 100 miles an hour and this

256
00:11:06,330 --> 00:11:02,530
thing was keeping pace there's also

257
00:11:08,670 --> 00:11:06,340
various witness accounts of walking and

258
00:11:10,650 --> 00:11:08,680
accidentally coming upon the Mothman and

259
00:11:13,970 --> 00:11:10,660
this thing taking off straight up

260
00:11:17,610 --> 00:11:13,980
vertically as is that we're a helicopter

261
00:11:20,580 --> 00:11:17,620
bizarre things like that and this thing

262
00:11:22,890 --> 00:11:20,590
flying in maneuvering in ways where it

263
00:11:24,780 --> 00:11:22,900

could be viewed like a bird but also

264

00:11:28,130 --> 00:11:24,790

vertical takeoff is not something you

265

00:11:31,010 --> 00:11:28,140

typically see with a with a bird so

266

00:11:35,610 --> 00:11:31,020

bizarre kind of weird things like that

267

00:11:38,790 --> 00:11:35,620

and definitely uh what they do report is

268

00:11:41,970 --> 00:11:38,800

a large creature with in at least a ten

269

00:11:44,670 --> 00:11:41,980

foot wing wingspan so that's a big

270

00:11:47,070 --> 00:11:44,680

[h__h] bird Joe that sounds

271

00:11:48,150 --> 00:11:47,080

pretty bit I wonder if the yeah that you

272

00:11:49,710 --> 00:11:48,160

would probably just want to drink that

273

00:11:51,860 --> 00:11:49,720

with a white wine if you were able to

274

00:11:53,760 --> 00:11:51,870

catch it and get that thing in the oven

275

00:11:57,470 --> 00:11:53,770

sounds like it could be good

276

00:12:01,639 --> 00:11:57,480

sure absolutely I mean why not

277

00:12:03,680 --> 00:12:01,649

of basted it yeah you definitely want to

278

00:12:05,889 --> 00:12:03,690

lock in those flavors yeah you're

279

00:12:08,509 --> 00:12:05,899

looking for like turkey man mm-hmm

280

00:12:09,829 --> 00:12:08,519

so I want to tell you wake me up when we

281

00:12:12,590 --> 00:12:09,839

get to turkey man and he's almost

282

00:12:15,470 --> 00:12:12,600

finished in lobster man lobster man pig

283

00:12:20,780 --> 00:12:15,480

man let's get Guy Fieri down here and

284

00:12:22,759 --> 00:12:20,790

open up a restaurant guy here welcome to

285

00:12:26,509 --> 00:12:22,769

crypto town we're gonna go hunt the

286

00:12:29,269 --> 00:12:26,519

Mothman and baste it I like that the

287

00:12:32,509 --> 00:12:29,279

crypto buffet you could have like you

288

00:12:35,060 --> 00:12:32,519

know Mothman cutlets and Bigfoot cutlets

289

00:12:37,910 --> 00:12:35,070

and Mothman drumsticks and stuff like

290

00:12:40,100 --> 00:12:37,920

that but in this documentary they talk

291

00:12:43,040 --> 00:12:40,110

about like people were very concerned

292

00:12:47,060 --> 00:12:43,050

and word spread and people did come in

293

00:12:49,430 --> 00:12:47,070

with guns and rifles willing to hunt as

294

00:12:52,009 --> 00:12:49,440

Mothman and they're like well we shoot

295

00:12:54,680 --> 00:12:52,019

do we get to keep it and can we kill too

296

00:12:56,990 --> 00:12:54,690

you know like they were they were up in

297

00:12:57,530 --> 00:12:57,000

arms they wanted this thing dead at all

298

00:12:59,090 --> 00:12:57,540

cost

299

00:13:00,500 --> 00:12:59,100

they were well done I think that's the

300

00:13:02,689 --> 00:13:00,510

police they were talking about that if

301

00:13:04,160 --> 00:13:02,699

we find it can we kill it and if there's

302

00:13:05,840 --> 00:13:04,170

two can we shoot both of them or

303

00:13:07,309 --> 00:13:05,850

something yeah the kids were sure if it

304

00:13:09,439 --> 00:13:07,319

is a new species or whatever the hell

305

00:13:11,900 --> 00:13:09,449

was for his aliens clothes it's not

306

00:13:14,329 --> 00:13:11,910

unlikely the Bigfoot story with that

307

00:13:16,759 --> 00:13:14,339

that new Bigfoot story is killing

308

00:13:19,160 --> 00:13:16,769

Bigfoot where it is legal to kill a

309

00:13:20,240 --> 00:13:19,170

Bigfoot what or they outlawed it I don't

310

00:13:22,400 --> 00:13:20,250

know is it

311

00:13:23,990 --> 00:13:22,410

I think I don't know if it's up for

312

00:13:25,970 --> 00:13:24,000

debate in Louisiana or it's good

313

00:13:27,949 --> 00:13:25,980

ambiguous legally ambiguous in Oklahoma

314

00:13:29,960 --> 00:13:27,959

it's legal yeah go to Oklahoma if you

315

00:13:33,230 --> 00:13:29,970

want to kill cryptids they is fair game

316

00:13:35,030 --> 00:13:33,240

out there you start a restaurant and

317

00:13:39,110 --> 00:13:35,040

work on a business plan now you can do

318

00:13:42,889 --> 00:13:39,120

this yeah dream big dream big kill mini

319

00:13:46,879 --> 00:13:42,899

Bigfoot in Mothman now a Mayans first

320

00:13:49,400 --> 00:13:46,889

and leaner in culinary arts in this next

321

00:13:53,780 --> 00:13:49,410

clip this where it gets a little strange

322

00:13:59,329 --> 00:13:53,790

where the cryptid kind of world of

323

00:14:01,160 --> 00:13:59,339

Mothman intersects with paranormal alien

324

00:14:03,319 --> 00:14:01,170

encounters here we go Joe

325

00:14:06,319 --> 00:14:03,329

hold on Janice hold on to your butts

326

00:14:08,750 --> 00:14:06,329

well do the Mothman incidents weren't

327

00:14:12,860 --> 00:14:08,760

the only unusual events taking place in

328

00:14:13,460 --> 00:14:12,870

West Virginia during 1966 on November

329

00:14:15,860 --> 00:14:13,470

2nd

330

00:14:18,530 --> 00:14:15,870

a man named woodrow derenberger is

331

00:14:22,010 --> 00:14:18,540

accosted on highway 77 while driving

332

00:14:23,930 --> 00:14:22,020

home from Parkersburg West Virginia his

333

00:14:26,960 --> 00:14:23,940

antagonist is the occupant of an

334

00:14:29,720 --> 00:14:26,970

unidentified flying object which lands

335

00:14:31,930 --> 00:14:29,730

on the road in front of him the being

336

00:14:36,610 --> 00:14:31,940

speaks to derenberger telepathically

337

00:14:39,650 --> 00:14:36,620

referring to himself as and criticals

338

00:14:42,140 --> 00:14:39,660

much like the Mothman stories would just

339

00:14:44,390 --> 00:14:42,150

two weeks later injured Cole draws

340

00:14:47,030 --> 00:14:44,400

national media attention as derenberger

341

00:14:49,220 --> 00:14:47,040

calmly and matter-of-factly relays the

342

00:14:52,040 --> 00:14:49,230

details of his encounter to reporters

343

00:14:55,850 --> 00:14:52,050

today he stands is one of the most

344

00:14:58,130 --> 00:14:55,860

fascinating UFO stories on record also

345

00:15:00,710 --> 00:14:58,140

on November 2nd in nearby gallup allah

346

00:15:03,010 --> 00:15:00,720

so hyc the woman is outside that she

347

00:15:05,600 --> 00:15:03,020

sees a bright flash in the sky above her

348

00:15:08,000 --> 00:15:05,610

she looks up in time to see a massive

349

00:15:11,000 --> 00:15:08,010

cylinder shaped object appear in a

350

00:15:13,430 --> 00:15:11,010

downward trajectory the object lands in

351
00:15:16,310 --> 00:15:13,440
parking lot and toon plane dressed men

352
00:15:18,950 --> 00:15:16,320
exit the craft proceeded to ask her a

353
00:15:22,190 --> 00:15:18,960
series of questions in a bizarre dialect

354
00:15:25,370 --> 00:15:22,200
at the same time two men traveling on

355
00:15:27,920 --> 00:15:25,380
highway 77 near Parkersburg in the same

356
00:15:30,020 --> 00:15:27,930
vicinity as woodrow derenberger have

357
00:15:33,380 --> 00:15:30,030
their own brush with a man who sounds

358
00:15:38,180 --> 00:15:33,390
suspiciously like Indrid cold or as they

359
00:15:40,550 --> 00:15:38,190
referred to him the grinning man it's a

360
00:15:44,020 --> 00:15:40,560
pretty bizarre [h__\h] men in black you

361
00:15:47,480 --> 00:15:44,030
have flying moth men creatures and

362
00:15:48,680 --> 00:15:47,490
people encountering these are these

363
00:15:53,180 --> 00:15:48,690

people in real life

364

00:15:55,340 --> 00:15:53,190

so this Indrid cold guy there's a lot of

365

00:15:57,560 --> 00:15:55,350

information out there so he in this in

366

00:15:59,840 --> 00:15:57,570

that clip the the person who encountered

367

00:16:01,730 --> 00:15:59,850

injured cold the men in black said he

368

00:16:05,690 --> 00:16:01,740

had a story to tell so what the [h__h] was

369

00:16:09,230 --> 00:16:05,700

his story well according to some reports

370

00:16:15,440 --> 00:16:09,240

that Ingrid Cole this man in black came

371

00:16:17,690 --> 00:16:15,450

from a planet named lanu luo Berliner oh

372

00:16:20,390 --> 00:16:17,700

and the germ Eddy's galaxy and that

373

00:16:22,290 --> 00:16:20,400

there were two other granny men with him

374

00:16:25,590 --> 00:16:22,300

by the name of demo

375

00:16:29,580 --> 00:16:25,600

Essen and Karl are dough can you believe

376

00:16:33,390 --> 00:16:29,590

that so these men in black that we see

377

00:16:36,570 --> 00:16:33,400

pop up at UFO events are actually aliens

378

00:16:38,250 --> 00:16:36,580

themselves coming down here I mean this

379

00:16:39,750 --> 00:16:38,260

goes with the Bigfoot stuff we talked

380

00:16:42,980 --> 00:16:39,760

about with them being sort of the

381

00:16:46,100 --> 00:16:42,990

sentries that they kind of send down

382

00:16:47,880 --> 00:16:46,110

wasn't that the theory from one of the

383

00:16:50,730 --> 00:16:47,890

accounts that we were looking into

384

00:16:52,890 --> 00:16:50,740

that's uh one is like I read that in the

385

00:16:55,830 --> 00:16:52,900

the Pennsylvania of sightings book that

386

00:16:57,630 --> 00:16:55,840

I left your house clown baby is that I

387

00:17:01,500 --> 00:16:57,640

think his name is

388

00:17:03,390 --> 00:17:01,510

I forget the Stan Gordon that he has ran

389

00:17:06,390 --> 00:17:03,400

in at least in Pennsylvania has run into

390

00:17:08,340 --> 00:17:06,400

many different sightings where now

391

00:17:12,420 --> 00:17:08,350

there's a Bigfoot around but there is a

392

00:17:15,420 --> 00:17:12,430

UFO around almost as if these cryptids

393

00:17:17,700 --> 00:17:15,430

these Bigfoot or even Mothman are

394

00:17:19,620 --> 00:17:17,710

possibly Scouts that's the conclusion I

395

00:17:21,870 --> 00:17:19,630

came to that their boots on the ground

396

00:17:25,740 --> 00:17:21,880

maybe these malt men are wings in the

397

00:17:27,060 --> 00:17:25,750

air who knows when what if I mean just

398

00:17:29,340 --> 00:17:27,070

to get crazy with it what if they're

399

00:17:31,170 --> 00:17:29,350

like actually harvesting critters like

400

00:17:33,480 --> 00:17:31,180

you look at like the Star Wars Cantina I

401
00:17:35,670 --> 00:17:33,490
know it's a stupid example you have all

402
00:17:37,320 --> 00:17:35,680
these wacky looking critters and if

403
00:17:39,690 --> 00:17:37,330
you're coming from galaxies where you

404
00:17:41,730 --> 00:17:39,700
can go into hyperspace and we believe

405
00:17:42,990 --> 00:17:41,740
the alien technology so far advanced

406
00:17:45,420 --> 00:17:43,000
that you literally could traverse

407
00:17:47,070 --> 00:17:45,430
galaxies you know and the time it would

408
00:17:49,650 --> 00:17:47,080
take us to go down to the gas station

409
00:17:52,440 --> 00:17:49,660
then if they could be just picking up

410
00:17:56,160 --> 00:17:52,450
you know it'd be like picking up like a

411
00:18:00,330 --> 00:17:56,170
feral dogs in Mexico you know and then

412
00:18:01,950 --> 00:18:00,340
going out to going over to Sweden and

413
00:18:05,370 --> 00:18:01,960

setting them loose and just seeing what

414

00:18:07,020 --> 00:18:05,380

happens I think that's as valid theory

415

00:18:08,700 --> 00:18:07,030

as any you're gonna do a genetic

416

00:18:10,800 --> 00:18:08,710

experimentation you have to set it loose

417

00:18:12,720 --> 00:18:10,810

in the wild and see what happens a lot

418

00:18:14,730 --> 00:18:12,730

of these the Mothman reports and

419

00:18:17,310 --> 00:18:14,740

sightings happen around an abandoned

420

00:18:21,300 --> 00:18:17,320

munitions factory in a team tea plant

421

00:18:23,610 --> 00:18:21,310

and it's this kind of weird there's a

422

00:18:25,680 --> 00:18:23,620

lot of interaction there's a lot of

423

00:18:27,390 --> 00:18:25,690

reports but there is a creature out

424

00:18:29,840 --> 00:18:27,400

there and these people who are reporting

425

00:18:32,370 --> 00:18:29,850

it firmly believe what they see

426

00:18:34,410 --> 00:18:32,380

especially with this men in black

427

00:18:34,730 --> 00:18:34,420

encounter with Indian coal and some

428

00:18:36,770 --> 00:18:34,740

other

429

00:18:38,960 --> 00:18:36,780

there's a couple different three four

430

00:18:42,910 --> 00:18:38,970

different sightings all relating back to

431

00:18:46,220 --> 00:18:42,920

this guy all kind of similar features in

432

00:18:47,690 --> 00:18:46,230

acting and very peculiar way I don't

433

00:18:50,060 --> 00:18:47,700

think your genetic experimentation is

434

00:18:52,520 --> 00:18:50,070

too far off why not I mean if you're

435

00:18:55,220 --> 00:18:52,530

going to if you're if you have the

436

00:18:57,410 --> 00:18:55,230

ability and you make a creature why not

437

00:19:00,290 --> 00:18:57,420

set a list whether it is the US military

438

00:19:02,030 --> 00:19:00,300

doing it or an alien civilization what

439

00:19:03,080 --> 00:19:02,040

does it matter at that point the US

440

00:19:04,850 --> 00:19:03,090

military's probably got to keep it

441

00:19:06,200 --> 00:19:04,860

confined but ultimately they're gonna

442

00:19:07,520 --> 00:19:06,210

want to use it as a weapon and see what

443

00:19:10,490 --> 00:19:07,530

happens so they're going to want to turn

444

00:19:11,930 --> 00:19:10,500

it loose in some way so why not let it

445

00:19:14,060 --> 00:19:11,940

loose on your own population and

446

00:19:15,260 --> 00:19:14,070

especially if you're Nathan civilization

447

00:19:21,440 --> 00:19:15,270

what do you care about a bunch of humans

448

00:19:22,970 --> 00:19:21,450

but oh especially that's for you you

449

00:19:25,190 --> 00:19:22,980

think about like some of the dumb [h__\h]

450

00:19:26,630 --> 00:19:25,200

we talked about on the show before that

451
00:19:28,700 --> 00:19:26,640
the United States military wanted to do

452
00:19:30,770 --> 00:19:28,710
like let's look put a nuke on the moon

453
00:19:33,370 --> 00:19:30,780
you know it blow up the moon it's like

454
00:19:35,780 --> 00:19:33,380
let's just see what happens you know

455
00:19:37,700 --> 00:19:35,790
who's to say the aliens aren't like and

456
00:19:39,500 --> 00:19:37,710
[h__h] it is a bunch of dumb bastards who

457
00:19:41,060 --> 00:19:39,510
are arguing about over who's more racist

458
00:19:43,400 --> 00:19:41,070
than the other let's just send some of

459
00:19:46,060 --> 00:19:43,410
those Bigfoot that we picked up on you

460
00:19:48,740 --> 00:19:46,070
know whatever planet see what happens

461
00:19:50,660 --> 00:19:48,750
with them drop them down there and

462
00:19:53,660 --> 00:19:50,670
nothing happens great if they happen to

463
00:19:57,380 --> 00:19:53,670

take over town and rise up great you

464

00:19:58,460 --> 00:19:57,390

know it's not how many other clips did

465

00:20:00,380 --> 00:19:58,470

you have you had one where it covers

466

00:20:03,350 --> 00:20:00,390

John keel coming down to investigate

467

00:20:05,390 --> 00:20:03,360

some of this stuff laughs I just have I

468

00:20:08,480 --> 00:20:05,400

have two more clips one is an actual

469

00:20:10,700 --> 00:20:08,490

eyewitness encounter of the Mothman and

470

00:20:11,990 --> 00:20:10,710

then another one about the Mothman fest

471

00:20:14,799 --> 00:20:12,000

I don't want to play too much I mean

472

00:20:18,169 --> 00:20:14,809

there is an entire documentary out there

473

00:20:21,500 --> 00:20:18,179

ííd recommend people buy it it is worth

474

00:20:23,750 --> 00:20:21,510

your time it's very intriguing you'll

475

00:20:26,240 --> 00:20:23,760

learn a lot about this if you're if

476

00:20:27,770 --> 00:20:26,250

you're new to like the Bigfoot and

477

00:20:29,990 --> 00:20:27,780

Mothman and all these kind of crazy

478

00:20:33,620 --> 00:20:30,000

stories this is actually a nice kind of

479

00:20:35,360 --> 00:20:33,630

intro to it it's very well done so I'll

480

00:20:37,760 --> 00:20:35,370

play just two more clips here and then

481

00:20:43,460 --> 00:20:37,770

we can move on this one is a story about

482

00:20:46,520 --> 00:20:43,470

a man encountering mouth man there were

483

00:20:48,360 --> 00:20:46,530

various reports of the Mothman sightings

484

00:20:52,890 --> 00:20:48,370

of being of a super and

485

00:20:55,530 --> 00:20:52,900

nature almost a mental type vision of

486

00:20:58,140 --> 00:20:55,540

whatever this thing was I lived up on

487

00:21:01,800 --> 00:20:58,150

Jefferson Avenue sports my wife and I on

488

00:21:06,690 --> 00:21:01,810

we were about 19 years old I think at

489

00:21:08,910 --> 00:21:06,700

the time we went to bed at night the bed

490

00:21:12,390 --> 00:21:08,920

the way the bed was it was a window on

491

00:21:14,520 --> 00:21:12,400

my left and sometime in the night and it

492

00:21:17,520 --> 00:21:14,530

seems to me I he was about three o'clock

493

00:21:21,030 --> 00:21:17,530

and I was facing that window and I

494

00:21:23,070 --> 00:21:21,040

looked out the window and looked out the

495

00:21:25,170 --> 00:21:23,080

streetlight it was a crossing I remember

496

00:21:29,210 --> 00:21:25,180

to think that it was a car I'm gonna

497

00:21:32,430 --> 00:21:29,220

cross the crossing and I turned my head

498

00:21:35,100 --> 00:21:32,440

was right I mean I could still feel that

499

00:21:39,540 --> 00:21:35,110

it really hurt my head to the right

500

00:21:43,980 --> 00:21:39,550

and there this to me it was the devil

501
00:21:47,430 --> 00:21:43,990
Multi man standing there by my bed and I

502
00:21:48,860 --> 00:21:47,440
just sort of froze up and I tried to

503
00:21:50,720 --> 00:21:48,870
talk

504
00:21:54,169 --> 00:21:50,730
and i couldn't've this awful horrible

505
00:21:56,960 --> 00:21:54,179
feeling and I thought Lord what to do

506
00:22:00,019 --> 00:21:56,970
this this thing is here must this evil

507
00:22:02,960 --> 00:22:00,029
presence and it was standing there and

508
00:22:06,649 --> 00:22:02,970
it had a body about six feet tall or the

509
00:22:08,749 --> 00:22:06,659
dirty lunar color and see any buttons or

510
00:22:12,649 --> 00:22:08,759
zippers or anything like that but it was

511
00:22:15,470 --> 00:22:12,659
a grey form like a solid robe and then

512
00:22:17,419 --> 00:22:15,480
without seeing the down the arm then the

513
00:22:19,070 --> 00:22:17,429

hands were down or whatever their own is

514

00:22:24,259 --> 00:22:19,080

orient they kind of disappeared a lot of

515

00:22:31,629 --> 00:22:24,269

intimacy then and red eyes and kind of

516

00:22:38,160 --> 00:22:35,779

you know I can feel that it was this

517

00:22:40,120 --> 00:22:38,170

evil 100% evils

518

00:22:44,720 --> 00:22:40,130

[Music]

519

00:22:49,190 --> 00:22:44,730

so I will cut it right there it's uh

520

00:22:51,230 --> 00:22:49,200

okay interesting stuff very interesting

521

00:22:54,350 --> 00:22:51,240

stuff he calls it a demon I mean that's

522

00:22:56,270 --> 00:22:54,360

in his opinion this guy called her demon

523

00:22:58,430 --> 00:22:56,280

and then said the Lord's Prayer and this

524

00:23:02,440 --> 00:22:58,440

thing kind of faded away and I've read

525

00:23:07,400 --> 00:23:02,450

that kind of account many times were

526

00:23:12,230 --> 00:23:07,410

people who encounter whether it's a gray

527

00:23:14,150 --> 00:23:12,240

alien or some kind of weird ghost or DD

528

00:23:15,860 --> 00:23:14,160

or something like that they'll say the

529

00:23:19,040 --> 00:23:15,870

Lord's prior and this thing will go away

530

00:23:22,550 --> 00:23:19,050

as if invoking Jesus Christ has some

531

00:23:24,200 --> 00:23:22,560

kind of special power oh please

532

00:23:28,160 --> 00:23:24,210

gay men I'm just reporting what I hear I

533

00:23:32,570 --> 00:23:28,170

read all of the you know alien creatures

534

00:23:38,410 --> 00:23:32,580

encrypted they all understand the power

535

00:23:43,430 --> 00:23:38,420

of Christ and I can tell her mhmmm

536

00:23:45,770 --> 00:23:43,440

they're all the same thing now okay no

537

00:23:48,470 --> 00:23:45,780

hey you know I don't know I don't know I

538

00:23:50,600 --> 00:23:48,480

don't know I'm just saying like I doubt

539

00:23:52,760 --> 00:23:50,610

if aliens come down to this plant or

540

00:23:57,500 --> 00:23:52,770

Bigfoot comes around is like he's scared

541

00:23:59,300 --> 00:23:57,510

off because look Jesus I mean Dracula I

542

00:24:03,370 --> 00:23:59,310

can understand because he is of this

543

00:24:06,470 --> 00:24:03,380

earth and he is demonic arguably

544

00:24:10,240 --> 00:24:06,480

absolutely aliens I they give a damn I

545

00:24:14,590 --> 00:24:10,250

have one final clip here and here we go

546

00:24:16,710 --> 00:24:14,600

the Mothman festival came about back in

547

00:24:19,620 --> 00:24:16,720

2003

548

00:24:22,680 --> 00:24:19,630

as a way to capitalize a little bit on

549

00:24:23,940 --> 00:24:22,690

the movie the Mothman Prophecies and you

550

00:24:27,090 --> 00:24:23,950

know get some people to come downtown

551
00:24:29,549 --> 00:24:27,100
you know help out the merchants and the

552
00:24:31,799 --> 00:24:29,559
downtown stores and things like that and

553
00:24:33,600 --> 00:24:31,809
15 years later it's going to be one of

554
00:24:36,539 --> 00:24:33,610
the biggest vessels in the state West

555
00:24:42,760 --> 00:24:36,549
Virginia we draw crowds of 10,000 plus

556
00:24:48,100 --> 00:24:44,230
there are a lot of people who like the

557
00:24:52,660 --> 00:24:48,110
festival and and they like the Mothman

558
00:24:56,340 --> 00:24:52,670
museum now there's a few in the

559
00:24:58,890 --> 00:24:56,350
community there are a few skeptics

560
00:25:05,640 --> 00:24:58,900
have you done come back I don't say who

561
00:25:07,110 --> 00:25:05,650
wants royalties working for me that's

562
00:25:07,860 --> 00:25:07,120
what it's all about that right there

563
00:25:10,640 --> 00:25:07,870

isn't it

564

00:25:13,440 --> 00:25:10,650

the festival and commerce down there ah

565

00:25:16,890 --> 00:25:13,450

that seems to be good right I like isn't

566

00:25:19,530 --> 00:25:16,900

Roswell like a giant UFO tourism place -

567

00:25:21,600 --> 00:25:19,540

oh yeah definitely they got their

568

00:25:24,390 --> 00:25:21,610

tourism lock down they have festivals

569

00:25:27,240 --> 00:25:24,400

they have all that kind of stuff so it

570

00:25:29,580 --> 00:25:27,250

makes good business sense for them to be

571

00:25:32,660 --> 00:25:29,590

involved and perpetuate the legend

572

00:25:36,900 --> 00:25:32,670

sightings and stories absolutely yeah

573

00:25:39,120 --> 00:25:36,910

yeah you want to actually come up with

574

00:25:42,540 --> 00:25:39,130

some stories get some witnesses who saw

575

00:25:46,470 --> 00:25:42,550

a Bigfoot or a Mothman smoking a joint

576
00:25:49,140 --> 00:25:46,480
and then they can legalize weed and have

577
00:25:51,900 --> 00:25:49,150
a cryptid festival and do like Colorado

578
00:25:53,880 --> 00:25:51,910
but then with a multiplier yeah hey

579
00:25:56,970 --> 00:25:53,890
girls I got a ghost in my bed come check

580
00:26:00,360 --> 00:25:56,980
it out my bed haunted my back at a

581
00:26:02,040 --> 00:26:00,370
haunted man I need help we're gonna have

582
00:26:04,320 --> 00:26:02,050
to bounce on it repeatedly to get that

583
00:26:09,320 --> 00:26:04,330
ghost out of there and bring beer tea we

584
00:26:14,520 --> 00:26:12,480
well the Mothman festival is September

585
00:26:16,200 --> 00:26:14,530
16th and 17th in Point Pleasant West

586
00:26:17,970 --> 00:26:16,210
Virginia

587
00:26:19,050 --> 00:26:17,980
y'all ought to go that's right up in

588
00:26:21,120 --> 00:26:19,060

your neighborhood you could all drive

589

00:26:23,370 --> 00:26:21,130

there relatively indeed matter day and

590

00:26:25,410 --> 00:26:23,380

Sunday because we could go down Friday

591

00:26:27,450 --> 00:26:25,420

and hit it up Saturday leave Sunday we

592

00:26:31,080 --> 00:26:27,460

can go bar-hopping you kicked out of the

593

00:26:35,150 --> 00:26:31,090

festival it's like she good idea bring

594

00:26:38,910 --> 00:26:35,160

the recorder yeah let's get arrested

595

00:26:41,790 --> 00:26:38,920

there's OTT area bus tours all righty

596

00:26:42,960 --> 00:26:41,800

let's do it just blow some [h__h] up over

597

00:26:49,960 --> 00:26:42,970

there

598

00:26:52,510 --> 00:26:49,970

we're going to go hunting for Mothman do

599

00:26:55,930 --> 00:26:52,520

bong reps and hunt cryptids yeah

600

00:27:01,360 --> 00:26:55,940

bong rips for Mothman come on

601
00:27:03,580 --> 00:27:01,370
I got a smoke that bro damn man come on

602
00:27:06,010 --> 00:27:03,590
out of a hole I'm gonna do a little

603
00:27:08,770 --> 00:27:06,020
ecstasy with Mothman see what happens

604
00:27:09,610 --> 00:27:08,780
a little crazy a little crazed do some

605
00:27:11,440 --> 00:27:09,620
bath salts

606
00:27:13,899 --> 00:27:11,450
well there's attractions enhancers

607
00:27:17,110 --> 00:27:13,909
vendors oh there's cosplay - good god

608
00:27:17,740 --> 00:27:17,120
guest speakers live bands bus tour live

609
00:27:21,760 --> 00:27:17,750
bands

610
00:27:23,200 --> 00:27:21,770
there Slayer flan ah let me check it out

611
00:27:25,680 --> 00:27:23,210
mmm check

612
00:27:29,560 --> 00:27:25,690
I wonder if I can book battle ax them

613
00:27:31,570 --> 00:27:29,570

and they're not not any major Aris

614

00:27:34,000 --> 00:27:31,580

measure not listen anything right now it

615

00:27:35,770 --> 00:27:34,010

can't be that good it'd be great if like

616

00:27:38,130 --> 00:27:35,780

the Rolling Stones like to show their

617

00:27:42,870 --> 00:27:38,140

stone clean the Malta mint for their

618

00:27:45,010 --> 00:27:42,880

Madonna yeah my dad was playing Mothman

619

00:27:46,480 --> 00:27:45,020

what kind of cosplayers I kind of just

620

00:27:48,580 --> 00:27:46,490

come their dresses like Star Trek or

621

00:27:53,590 --> 00:27:48,590

something doesn't matter I saw someone

622

00:27:55,690 --> 00:27:53,600

in ghostbusters great we just go as see

623

00:27:57,610 --> 00:27:55,700

the Blues Brothers yeah yeah no they're

624

00:27:58,840 --> 00:27:57,620

in Star Wars I do I see people in Star

625

00:28:01,779 --> 00:27:58,850

Wars right now so it's pretty much

626
00:28:03,460 --> 00:28:01,789
cosplay anything so nondenominational

627
00:28:06,370 --> 00:28:03,470
cosplay we don't even have to come and

628
00:28:08,890 --> 00:28:06,380
dress up as like Bigfoot or or Wolfe

629
00:28:12,430 --> 00:28:08,900
Manor or Mothman I mean we just go as

630
00:28:16,000 --> 00:28:12,440
Nazis yeah loses West Virginia Nazis

631
00:28:19,570 --> 00:28:16,010
there you go not too far off pretty

632
00:28:21,930 --> 00:28:19,580
close so what Joe to wind this this

633
00:28:25,230 --> 00:28:21,940
segment up about Mothman what do you

634
00:28:28,000 --> 00:28:25,240
what do you think's going on as the

635
00:28:32,110 --> 00:28:28,010
riptides skeptic here what do you think

636
00:28:33,970 --> 00:28:32,120
I just want to know what he tastes like

637
00:28:36,700 --> 00:28:33,980
with you know buffalo sauce or do you

638
00:28:39,880 --> 00:28:36,710

want to roast this thing like is it an

639

00:28:42,430 --> 00:28:39,890

herb thing what do you do when you find

640

00:28:43,899 --> 00:28:42,440

it it's a he's like a bird man so I'm

641

00:28:45,820 --> 00:28:43,909

willing to take that chance if people

642

00:28:48,190 --> 00:28:45,830

will eat crickets and ants and these

643

00:28:51,279 --> 00:28:48,200

kinds of things and I think it's worth

644

00:28:52,779 --> 00:28:51,289

while like tracking this sucker down and

645

00:28:55,240 --> 00:28:52,789

then doing like you say you got to baste

646

00:28:56,320 --> 00:28:55,250

it you got to lock in those flavors and

647

00:28:59,529 --> 00:28:56,330

let's see what happens then

648

00:29:08,860 --> 00:28:59,539

the science I like age and yeah for

649

00:29:11,830 --> 00:29:08,870

dinner exactly I like to eat one of

650

00:29:14,169 --> 00:29:11,840

those no you're breaking up a lot I

651

00:29:16,450 --> 00:29:14,179

don't know I just I do bill Jeff do you

652

00:29:18,850 --> 00:29:16,460

hear that yeah he just kind of drops off

653

00:29:20,799 --> 00:29:18,860

yeah he kind of dropped for like a few

654

00:29:23,529 --> 00:29:20,809

seconds and then pops back up I'm not

655

00:29:25,450 --> 00:29:23,539

sure what's going on but we'll hang with

656

00:29:27,039 --> 00:29:25,460

it maybe it'll clear up this is the

657

00:29:30,419 --> 00:29:27,049

exact same thing I experienced last week

658

00:29:34,659 --> 00:29:30,429

yeah I don't know we'll deal with it uh

659

00:29:36,720 --> 00:29:34,669

your isp throttle you Joe she has

660

00:29:39,990 --> 00:29:36,730

amazing eyes be down here in Austin I

661

00:29:45,009 --> 00:29:40,000

don't know I don't

662

00:29:48,340 --> 00:29:45,019

they're very for the same price you're

663

00:29:49,930 --> 00:29:48,350

lovable it's absolutely yeah you're

664

00:29:54,009 --> 00:29:49,940

you're like you're not finishing your

665

00:29:56,830 --> 00:29:54,019

sentences it's like I mean sometimes I

666

00:29:58,779 --> 00:29:56,840

would like to watch the movie and but

667

00:30:04,080 --> 00:29:58,789

sometimes when I will my favorite actor

668

00:30:06,580 --> 00:30:04,090

is Tom Cruise actually I invite my

669

00:30:09,330 --> 00:30:06,590

preference I change my own Skype

670

00:30:15,600 --> 00:30:09,340

references with the don't I have that

671

00:30:18,669 --> 00:30:15,610

one preference were you a sort of auto

672

00:30:21,070 --> 00:30:18,679

yeah you can you can try that sure you

673

00:30:23,919 --> 00:30:21,080

can try to auto it and see that does

674

00:30:25,120 --> 00:30:23,929

anything I think you're falling off

675

00:30:28,680 --> 00:30:25,130

because if a microphone though

676

00:30:33,250 --> 00:30:28,690

let's Jeff let's not rule out variables

677

00:30:35,320 --> 00:30:33,260

every variable is true at this point

678

00:30:38,200 --> 00:30:35,330

let's just write with our Italians

679

00:30:41,019 --> 00:30:38,210

yeah so I mean I hope that nothing gets

680

00:30:42,700 --> 00:30:41,029

cut off here and just say that I think

681

00:30:45,700 --> 00:30:42,710

you ended it well with the money-making

682

00:30:48,100 --> 00:30:45,710

name because I think people want

683

00:30:50,230 --> 00:30:48,110

attention I mean we live in victimhood

684

00:30:52,860 --> 00:30:50,240

culture obviously attention is a good

685

00:30:55,539 --> 00:30:52,870

thing so it's like oh you poor poor

686

00:30:57,580 --> 00:30:55,549

Muslims you know how are you relating

687

00:30:59,620 --> 00:30:57,590

this to [h__h] politics mind blasts a

688

00:31:02,169 --> 00:30:59,630

ditch and that I done with Mothman I

689

00:31:03,490 --> 00:31:02,179

know about I do think it relates or it's

690

00:31:05,350 --> 00:31:03,500

like it's just like we want attention

691

00:31:07,510 --> 00:31:05,360

and so it's like first it starts with

692

00:31:10,000 --> 00:31:07,520

like oh I got abducted or my kid got

693

00:31:12,580 --> 00:31:10,010

abducted or I saw a Bigfoot

694

00:31:15,730 --> 00:31:12,590

scared me or ate my dog or something and

695

00:31:18,430 --> 00:31:15,740

you get attention and and that sort of

696

00:31:21,670 --> 00:31:18,440

starts like what Mike Hussein at the

697

00:31:23,470 --> 00:31:21,680

small town gossip thing and geez Jeff

698

00:31:28,120 --> 00:31:23,480

could you [h__\h] rage a little harder

699

00:31:31,620 --> 00:31:28,130

ya rage Jeff and everybody likes

700

00:31:34,600 --> 00:31:31,630

attention negative or positive and yeah

701
00:31:36,940 --> 00:31:34,610
if you can turn it into a money-making

702
00:31:38,890 --> 00:31:36,950
scheme like Roswell is obviously done

703
00:31:41,110 --> 00:31:38,900
like I mentioned with Colorado with the

704
00:31:42,880 --> 00:31:41,120
weed tourism son say is like just

705
00:31:45,460 --> 00:31:42,890
combine the two and saying you know

706
00:31:47,980 --> 00:31:45,470
Bigfoot is a giant [h__h] Rastafarian

707
00:31:50,200 --> 00:31:47,990
he's not you know he's got dreads

708
00:31:52,300 --> 00:31:50,210
actually that's why he looks as hairy

709
00:31:54,070 --> 00:31:52,310
and crazy as he did I was because he's

710
00:31:56,380 --> 00:31:54,080
actually smoking weed he is the king of

711
00:31:57,970 --> 00:31:56,390
Rasta and then you know turn this all

712
00:31:59,830 --> 00:31:57,980
into a festival legalize weed and then

713
00:32:01,060 --> 00:31:59,840

make a whole thing of it because that's

714

00:32:02,890 --> 00:32:01,070

what I'm if the whole there's a whole

715

00:32:07,000 --> 00:32:02,900

festival around Mothman windup why the

716

00:32:08,350 --> 00:32:07,010

hell not um I I can I can buy that but

717

00:32:10,120 --> 00:32:08,360

just because there's a festival around

718

00:32:12,130 --> 00:32:10,130

it doesn't negate that people actually

719

00:32:14,110 --> 00:32:12,140

saw something real it's I mean you're

720

00:32:15,580 --> 00:32:14,120

walking a fine line there and I know

721

00:32:17,620 --> 00:32:15,590

people want to capitalize off of

722

00:32:20,710 --> 00:32:17,630

everything and just because Hollywood

723

00:32:22,990 --> 00:32:20,720

makes movies about aliens doesn't mean a

724

00:32:25,810 --> 00:32:23,000

means do not exist but I get your point

725

00:32:28,090 --> 00:32:25,820

I I don't know if I agree with how you

726

00:32:30,460 --> 00:32:28,100

apply it to politics maybe just maybe

727

00:32:32,110 --> 00:32:30,470

gloss over that a little bit but I'll

728

00:32:33,340 --> 00:32:32,120

let them go up to listen back and play

729

00:32:36,780 --> 00:32:33,350

back you probably made a very valid

730

00:32:40,420 --> 00:32:36,790

point that isn't listened to or did you

731

00:32:42,340 --> 00:32:40,430

I just said everybody likes attention no

732

00:32:44,260 --> 00:32:42,350

attention fever positive but I would

733

00:32:47,140 --> 00:32:44,270

love to see I think ultimately I think I

734

00:32:49,120 --> 00:32:47,150

go back to something you always say if

735

00:32:52,210 --> 00:32:49,130

you have a cell phone like everybody

736

00:32:54,820 --> 00:32:52,220

[h__h] does and you saw Bigfoot but

737

00:32:56,920 --> 00:32:54,830

where the [h__h] is the footage there's

738

00:32:58,540 --> 00:32:56,930

not a lot of it out there not a lot of

739

00:33:00,030 --> 00:32:58,550

convincing Twitter jumping that's for

740

00:33:02,230 --> 00:33:00,040

damn sure
