1
00:00:00,320 --> 00:00:08,000

[Applause]

2
00:00:12,589 --> 00:00:09,860

before you to news I do have some stuff

3
00:00:14,539 --> 00:00:12,599

that I want to get to this is um he

4
00:00:17,810 --> 00:00:14,549

asked me UFOs stuff guys you believe

5
00:00:20,000 --> 00:00:17,820

that maybe well maybe can you believe

6
00:00:22,099 --> 00:00:20,010

that I actually have UFO stuff to talk

7
00:00:24,590 --> 00:00:22,109

about I don't even know what does that

8
00:00:27,290 --> 00:00:24,600

mean do you know what is something

9
00:00:29,599 --> 00:00:27,300

there's been a lot of interesting

10
00:00:30,800 --> 00:00:29,609

there's a words there there there are no

11
00:00:33,680 --> 00:00:30,810

words there because all the words no

12
00:00:36,950 --> 00:00:33,690

plane there I can't see it all the words

13
00:00:39,340 --> 00:00:36,960

are on my screen and there's bad for

14

00:00:43,040 --> 00:00:39,350

whatever reason there's been a lot of

15

00:00:46,220 --> 00:00:43,050

roswell news lately from eyewitness

16

00:00:48,799 --> 00:00:46,230

testimony to stories about what really

17

00:00:50,810 --> 00:00:48,809

happened in there it's all coming to

18

00:00:54,850 --> 00:00:50,820

battery now and I do have some some

19

00:00:57,319 --> 00:00:54,860

audio that I can't play from you from

20

00:01:00,380 --> 00:00:57,329

supposed I witness is and what they

21

00:01:10,969 --> 00:01:00,390

actually saw at Roswell some deathbed

22

00:01:13,820 --> 00:01:10,979

confessions if you will pretty like the

23

00:01:15,410 --> 00:01:13,830

one you see on television this is an old

24

00:01:17,870 --> 00:01:15,420

guy probably this 90 is giving a

25

00:01:19,700 --> 00:01:17,880

deathbed confession a video showing

26

00:01:22,910 --> 00:01:19,710

former deputy sheriff claims to have

27

00:01:25,929 --> 00:01:22,920

seen a flying saucer and dead aliens at

28

00:01:30,560 --> 00:01:25,939

the alleged UFO crash site Roswell in

29

00:01:32,480 --> 00:01:30,570

1947 has been released last month the

30

00:01:36,170 --> 00:01:32,490

Express UK exclusive revealed how the

31

00:01:38,749 --> 00:01:36,180

testimony of late Charles H fog Asst

32

00:01:40,910 --> 00:01:38,759

former deputy sheriff of Big Springs and

33

00:01:43,190 --> 00:01:40,920

Howard County Texas was the latest

34

00:01:45,560 --> 00:01:43,200

person to claim to a witness a legendary

35

00:01:52,490 --> 00:01:45,570

UFO crash in the desert around the town

36

00:01:55,310 --> 00:01:52,500

of Roswell nearly 70 years ago and this

37

00:01:57,530 --> 00:01:55,320

is another deathbed confession why wait

38

00:01:59,510 --> 00:01:57,540

now though I don't understand and this

39

00:02:01,850 --> 00:01:59,520

is an old video obviously this is this

40

00:02:04,580 --> 00:02:01,860

is an older thing they probably filmed

41

00:02:06,319 --> 00:02:04,590

this a while ago but I mean look once

42

00:02:07,700 --> 00:02:06,329

you're in your 70s who gives you [h__h] if

43

00:02:09,559 --> 00:02:07,710

you believe in aliens or not at that

44

00:02:11,180 --> 00:02:09,569

point I just kind of imagine once you

45

00:02:12,390 --> 00:02:11,190

reach 70s you start talking about

46

00:02:13,920 --> 00:02:12,400

Bigfoot and aliens

47

00:02:16,890 --> 00:02:13,930

have been talking about that much sooner

48

00:02:19,649 --> 00:02:16,900

in life so I I don't know why why you

49

00:02:22,530 --> 00:02:19,659

wait this is originally interview

50

00:02:27,380 --> 00:02:22,540

happened in 1999 when he was at the age

51
00:02:31,170 --> 00:02:27,390
of 81 so why is this big news now

52
00:02:34,830 --> 00:02:31,180
ideally now mr. Fulton

53
00:02:38,160 --> 00:02:34,840
mr. focus claimed to have been driving

54
00:02:40,050 --> 00:02:38,170
with an unarmed sheriff from the from

55
00:02:42,660 --> 00:02:40,060
Texas to Roswell to pick up a prisoner

56
00:02:44,879 --> 00:02:42,670
on the night of the alleged crash when

57
00:02:47,160 --> 00:02:44,889
details of the incident incident came

58
00:02:49,710 --> 00:02:47,170
over the police radio he was interviewed

59
00:02:55,170 --> 00:02:49,720
in 1999 by Los Angeles private

60
00:02:57,740 --> 00:02:55,180
investigator of Deanna beaver mm-hmm who

61
00:03:01,319 --> 00:02:57,750
was looking into Roswell and other

62
00:03:05,190 --> 00:03:01,329
interviewers whose initials are only

63
00:03:07,710 --> 00:03:05,200

given as LR what that means dr. Scott

64

00:03:09,569 --> 00:03:07,720

said in a book unlike other eyewitness

65

00:03:11,610 --> 00:03:09,579

accounts where a few people actually

66

00:03:14,729 --> 00:03:11,620

reported seeing bodies this witness

67

00:03:17,729 --> 00:03:14,739

reported seeing the craft antibodies in

68

00:03:21,780 --> 00:03:17,739

a crash that appeared significant enough

69

00:03:27,619 --> 00:03:21,790

to report now this is just one article

70

00:03:31,250 --> 00:03:27,629

that I found on this and this is another

71

00:03:37,170 --> 00:03:31,260

article this one's title I saw aliens in

72

00:03:41,039 --> 00:03:37,180

Roswell UFO CIA agent says in shocking

73

00:03:44,670 --> 00:03:41,049

deathbed confession so we have a deputy

74

00:03:48,750 --> 00:03:44,680

sheriff and then we have an alleged CIA

75

00:03:50,219 --> 00:03:48,760

agent talking this is all within like a

76

00:03:53,670 --> 00:03:50,229

week or two of each other

77

00:03:55,589 --> 00:03:53,680

why let's can we start at the beginning

78

00:03:58,199 --> 00:03:55,599

yeah with your military career and just

79

00:04:02,399 --> 00:03:58,209

walk through what exactly your

80

00:04:06,420 --> 00:04:02,409

experiences were was in the drafted into

81

00:04:07,690 --> 00:04:06,430

the military mm-hmm and got into the US

82

00:04:10,119 --> 00:04:07,700

Army

83

00:04:11,229 --> 00:04:10,129

it out dude can you make it can you just

84

00:04:13,390 --> 00:04:11,239

make a little bit more exciting I know

85

00:04:15,309 --> 00:04:13,400

you're old and you're dying but he's

86

00:04:16,659 --> 00:04:15,319

like yeah it's all so [\h__\h] alien they

87

00:04:19,390 --> 00:04:16,669

were sucking each other's [\h__\h] and

88

00:04:21,580 --> 00:04:19,400

they're flying around his head okay have

89

00:04:24,090 --> 00:04:21,590

any genitalia I just punch it up a

90

00:04:28,330 --> 00:04:24,100

little bit buddy glad I was sent to the

91

00:04:31,080 --> 00:04:28,340

signal training centre Sian eastern

92

00:04:35,409 --> 00:04:31,090

United States what year would this big

93

00:04:37,870 --> 00:04:35,419

58 I went through the Sigma training

94

00:04:41,620 --> 00:04:37,880

okay this guy's a [h__h] bore and he

95

00:04:43,120 --> 00:04:41,630

probably died of boredom because he died

96

00:04:52,240 --> 00:04:43,130

before he probably killed his children

97

00:04:54,490 --> 00:04:52,250

of boredom sorry well this guy he

98

00:04:57,340 --> 00:04:54,500

claimed to have served in the US Army

99

00:05:02,379 --> 00:04:57,350

worked for the CIA and worked for the US

100

00:05:05,469 --> 00:05:02,389

Air Force project Bluebook as well um in

101
00:05:08,770 --> 00:05:05,479
the his most shocking claim was that he

102
00:05:11,710 --> 00:05:08,780
has been given access to area 51 and has

103
00:05:14,860 --> 00:05:11,720
seen a variety of UFOs recovered by the

104
00:05:18,580 --> 00:05:14,870
US military these were said to include

105
00:05:20,260 --> 00:05:18,590
flying saucers that have been procured

106
00:05:26,290 --> 00:05:20,270
and cultivated from Roswell New Mexico

107
00:05:28,390 --> 00:05:26,300
in 1947 and this guidance goes on on the

108
00:05:30,550 --> 00:05:28,400
conspiracy theories were compounded by

109
00:05:33,250 --> 00:05:30,560
the fact that the US government did not

110
00:05:35,460 --> 00:05:33,260
acknowledge the base exists until 2013

111
00:05:38,500 --> 00:05:35,470
talking about area projects our area 51

112
00:05:40,690 --> 00:05:38,510
so this is just another one comes from

113
00:05:42,940 --> 00:05:40,700

the express UK I'm not on the Express UK

114

00:05:44,710 --> 00:05:42,950

is pushing this other than probably

115

00:05:46,830 --> 00:05:44,720

giving a lot of hits out of this we're

116

00:05:49,629 --> 00:05:46,840

talking about hopefully get you excited

117

00:05:53,770 --> 00:05:49,639

to get me excited but they should have

118

00:05:58,570 --> 00:05:53,780

you or me with with a tired old men yes

119

00:06:00,820 --> 00:05:58,580

just to do synopsis synopses synopsize

120

00:06:02,890 --> 00:06:00,830

or have somebody come in and and and

121

00:06:06,700 --> 00:06:02,900

talk about what the old man's if you may

122

00:06:10,060 --> 00:06:06,710

not know yeah so this is the last story

123

00:06:14,650 --> 00:06:10,070

about Roswell an alien this comes from

124

00:06:17,640 --> 00:06:14,660

The Daily Star UK okay yes this one is

125

00:06:19,240 --> 00:06:17,650

this alien invasion is even stranger

126
00:06:22,270 --> 00:06:19,250
than

127
00:06:23,830 --> 00:06:22,280
Roswell claims UFO hunter so I'll play

128
00:06:26,260 --> 00:06:23,840
this little bit here that there is

129
00:06:29,590 --> 00:06:26,270
another famous crash that happened

130
00:06:32,020 --> 00:06:29,600
before Roswell just a month before in

131
00:06:35,410 --> 00:06:32,030
fact that has been just as highly

132
00:06:39,340 --> 00:06:35,420
debated and is itself surrounded in

133
00:06:42,130 --> 00:06:39,350
mystery and strangeness and that is what

134
00:06:45,370 --> 00:06:42,140
has become known as the Maury Island

135
00:06:47,470 --> 00:06:45,380
incident so what was the Maury Island

136
00:06:50,950 --> 00:06:47,480
incident and why is it such an

137
00:06:53,110 --> 00:06:50,960
interesting case to study well a brief

138
00:06:55,990 --> 00:06:53,120

summary of what happened here was that

139

00:06:59,680 --> 00:06:56,000

in June 1947 again just a month before

140

00:07:02,140 --> 00:06:59,690

the famous Roswell crash two men by the

141

00:07:04,570 --> 00:07:02,150

name of Fred Chrisman and Harold Dahl

142

00:07:08,050 --> 00:07:04,580

reported seeing what looked to them as

143

00:07:11,380 --> 00:07:08,060

flying Donuts in the area after which

144

00:07:13,690 --> 00:07:11,390

and according to versions of this legend

145

00:07:17,110 --> 00:07:13,700

it was said that the incident involved

146

00:07:19,570 --> 00:07:17,120

one or more UFOs that had either dropped

147

00:07:21,610 --> 00:07:19,580

something or had crashed and

148

00:07:24,909 --> 00:07:21,620

disintegrated the fragments of which

149

00:07:27,460 --> 00:07:24,919

damaged Christman's boat killing a dog

150

00:07:28,680 --> 00:07:27,470

and according to some versions hurt

151

00:07:32,200 --> 00:07:28,690

someone

152

00:07:35,980 --> 00:07:32,210

Amanda we go okay so some pretty

153

00:07:36,820 --> 00:07:35,990

interesting stuff there and that's never

154

00:07:38,760 --> 00:07:36,830

heard of that one before

155

00:07:41,950 --> 00:07:38,770

no I think new divides it's nice to uh

156

00:07:44,230 --> 00:07:41,960

to get that out there and but the this

157

00:07:46,900 --> 00:07:44,240

is the so called this in this article

158

00:07:50,920 --> 00:07:46,910

and the other articles there they go

159

00:07:55,350 --> 00:07:50,930

into that this Roswell crash from 1947

160

00:07:59,290 --> 00:07:55,360

was actually the u.s. military

161

00:08:02,440 --> 00:07:59,300

experiment with genetically modified

162

00:08:03,820 --> 00:08:02,450

humanoids on board and that was actually

163

00:08:08,080 --> 00:08:03,830

Jeff I don't know if you remember that

164

00:08:10,210 --> 00:08:08,090

book I gave you about called area 51 but

165

00:08:15,880 --> 00:08:10,220

that was actually reported in that book

166

00:08:18,159 --> 00:08:15,890

as well that the alien habit I think I

167

00:08:20,170 --> 00:08:18,169

gave it to you I might be right here

168

00:08:24,130 --> 00:08:20,180

somewhere I know look in that the report

169

00:08:26,260 --> 00:08:24,140

in that is that this this flying disc

170

00:08:31,350 --> 00:08:26,270

that's supposed to crash at Roswell was

171

00:08:34,139 --> 00:08:31,360

like a procured of Nazi flying saucer

172

00:08:35,759 --> 00:08:34,149

and that genetically modified humanoids

173

00:08:37,680 --> 00:08:35,769

were on board piling this thing the

174

00:08:38,850 --> 00:08:37,690

crash people came across it and they

175

00:08:42,480 --> 00:08:38,860

thought they're aliens because they were

176

00:08:46,860 --> 00:08:42,490

a genetic experiments in the book it

177

00:08:49,710 --> 00:08:46,870

said they were Stalin that it was done

178

00:08:51,509 --> 00:08:49,720

by the USSR at the time other reporters

179

00:08:54,480 --> 00:08:51,519

that they were genetic experiments from

180

00:08:56,400 --> 00:08:54,490

a leftover nazi Nazi regime and then in

181

00:08:59,090 --> 00:08:56,410

these articles it says US military

182

00:09:00,720 --> 00:08:59,100

basically aborting all mention of

183

00:09:03,750 --> 00:09:00,730

extraterrestrials or anything's at this

184

00:09:06,660 --> 00:09:03,760

point so so convoluted you can't wrap

185

00:09:09,750 --> 00:09:06,670

your head around it and Roswell is such

186

00:09:11,610 --> 00:09:09,760

a contested topic there's so many

187

00:09:13,050 --> 00:09:11,620

different stores have have come out

188

00:09:14,819 --> 00:09:13,060

about it and so when you see these

189

00:09:17,220 --> 00:09:14,829

deathbed confessions you don't know what

190

00:09:19,530 --> 00:09:17,230

to believe yeah I mean you want you want

191

00:09:22,829 --> 00:09:19,540

to believe him at face value but you

192

00:09:24,840 --> 00:09:22,839

know it at this at this point in time

193

00:09:26,550 --> 00:09:24,850

does it really even matter does it

194

00:09:27,110 --> 00:09:26,560

really matter what really happened at

195

00:09:29,370 --> 00:09:27,120

Roswell

196

00:09:31,500 --> 00:09:29,380

remember in finding it I do think it

197

00:09:33,780 --> 00:09:31,510

does if I like if they recovered

198

00:09:36,150 --> 00:09:33,790

artifacts and all that stuff I want to

199

00:09:38,160 --> 00:09:36,160

see this stuff I want to know well that

200

00:09:40,769 --> 00:09:38,170

bag as I said that matter well you

201
00:09:43,319 --> 00:09:40,779
played the people you pipe do it during

202
00:09:46,170 --> 00:09:43,329
the Mothman segment and it like they're

203
00:09:48,360 --> 00:09:46,180
experiencing sort of this this

204
00:09:49,980 --> 00:09:48,370
adrenaline like I don't know if it's

205
00:09:52,259 --> 00:09:49,990
fear I don't know what it is that's

206
00:09:54,360 --> 00:09:52,269
happening but it's like we all live for

207
00:09:57,420 --> 00:09:54,370
these moments right I want to I want to

208
00:09:59,880 --> 00:09:57,430
hear I said bright I want to feel that I

209
00:10:03,630 --> 00:09:59,890
want to be like holy [h__\h] what the [h__\h]

210
00:10:06,829 --> 00:10:03,640
is that I want that feeling but I feel

211
00:10:09,810 --> 00:10:06,839
like so many people are full of crap

212
00:10:12,360 --> 00:10:09,820
that's the thing and that's why I just I

213
00:10:14,280 --> 00:10:12,370

try to give some validity to these

214

00:10:15,389 --> 00:10:14,290

deathbed confessions because is it the

215

00:10:17,910 --> 00:10:15,399

end of their life they just want to

216

00:10:19,860 --> 00:10:17,920

spill their guts I get it I I understand

217

00:10:21,930 --> 00:10:19,870

that but why wait so long when you can

218

00:10:24,930 --> 00:10:21,940

have more of an impact earlier in your

219

00:10:26,699 --> 00:10:24,940

life and I know there are people who do

220

00:10:29,130 --> 00:10:26,709

that they write books they get it out

221

00:10:32,819 --> 00:10:29,140

there to call lunatics or flim-flam

222

00:10:35,069 --> 00:10:32,829

artists or make oil salesmen I get that

223

00:10:36,600 --> 00:10:35,079

but it's hard when it comes to Roswell

224

00:10:38,579 --> 00:10:36,610

there's been so many different stories

225

00:10:40,350 --> 00:10:38,589

from the government itself of the book

226

00:10:42,150 --> 00:10:40,360

like I imagined that I gave the kalam

227

00:10:43,560 --> 00:10:42,160

baby which is a pretty goddamn thick

228

00:10:45,450 --> 00:10:43,570

book it goes over

229

00:10:47,820 --> 00:10:45,460

the Department of Energy and the Atomic

230

00:10:50,340 --> 00:10:47,830

Energy Commission and all the

231

00:10:54,390 --> 00:10:50,350

experiments have been at area 51 and

232

00:10:57,690 --> 00:10:54,400

it's very thorough and that all those

233

00:11:02,160 --> 00:10:57,700

reports are in contrast to what people

234

00:11:03,420 --> 00:11:02,170

in the eyewitnesses hold as truth and so

235

00:11:04,680 --> 00:11:03,430

how you wrap your head around it you

236

00:11:06,150 --> 00:11:04,690

just have to throw it up in the air and

237

00:11:07,170 --> 00:11:06,160

you can't believe any of it or not let

238

00:11:10,740 --> 00:11:07,180

all of it's true

239

00:11:12,570 --> 00:11:10,750

I it's really hard I really want to

240

00:11:15,120 --> 00:11:12,580

believe that they recovered some kind of

241

00:11:17,940 --> 00:11:15,130

crashed alien disk and and they have

242

00:11:19,320 --> 00:11:17,950

that technology and it's being used in

243

00:11:21,420 --> 00:11:19,330

some way I don't know if it came from

244

00:11:24,660 --> 00:11:21,430

Roswell or some other crash I don't know

245

00:11:26,280 --> 00:11:24,670

I do believe that the US government does

246

00:11:28,020 --> 00:11:26,290

have some pretty [h__h] awesome

247

00:11:32,610 --> 00:11:28,030

technology I don't know exactly where it

248

00:11:35,370 --> 00:11:32,620

came from but we're not going to every

249

00:11:36,720 --> 00:11:35,380

told the truth about that and at least

250

00:11:38,250 --> 00:11:36,730

not in our lifetime as far as I'm

251
00:11:43,220 --> 00:11:38,260
concerned because there's too much money

252
00:11:49,530 --> 00:11:46,440
god what a depressing thing I just led

253
00:11:52,290 --> 00:11:49,540
us into yeah yeah you let us down a big

254
00:11:54,390 --> 00:11:52,300
old black hole yeah I do and I'm the one

255
00:11:57,990 --> 00:11:54,400
who has to drink [h__\h] peppers and

256
00:12:01,620 --> 00:11:58,000
lemons all night well yeah I agree

257
00:12:03,060 --> 00:12:01,630
jalapenos yeah I am already like I'm

258
00:12:04,560 --> 00:12:03,070
gonna go refill my bring the break I'm

259
00:12:06,420 --> 00:12:04,570
gonna go refill my drink real quick and
