

Missing 411

Dakota James
Dulce Base

1
00:00:00,320 --> 00:00:05,829
[Applause]

2
00:00:18,349 --> 00:00:13,759
can I please do this hey what is all

3
00:00:20,420 --> 00:00:18,359
this stuff yeah I guess we could start

4
00:00:22,189 --> 00:00:20,430
with an update on that missing person

5
00:00:23,599 --> 00:00:22,199
Dakota James we had followed for a long

6
00:00:26,179 --> 00:00:23,609
time from Pittsburgh

7
00:00:27,560 --> 00:00:26,189
you know Thursday I got the link for

8
00:00:33,040 --> 00:00:27,570
you're going to put it right into karat

9
00:00:36,650 --> 00:00:33,050
shop okay and you the video there but I

10
00:00:39,740 --> 00:00:36,660
got it yeah this is a basically a

11
00:00:43,400 --> 00:00:39,750
missing 411 update right kind of pretty

12
00:00:46,910 --> 00:00:43,410
much nice so you want to give an actor

13
00:00:49,279 --> 00:00:46,920

before I play this or yeah in case

14

00:00:51,250 --> 00:00:49,289

you're the first time listener I guess

15

00:00:54,830 --> 00:00:51,260

we forgot about this guy he was a guy

16

00:00:57,619 --> 00:00:54,840

who went out drinking I think after work

17

00:00:59,990 --> 00:00:57,629

one night wasn't too it wasn't too late

18

00:01:02,360 --> 00:01:00,000

when he was trying to go home I think

19

00:01:04,969 --> 00:01:02,370

last time he was a seen on camera in

20

00:01:06,980 --> 00:01:04,979

downtown Pittsburgh was outside of a tea

21

00:01:11,480 --> 00:01:06,990

station which is our underground kind of

22

00:01:12,679 --> 00:01:11,490

subway thing yeah he disappears a lot

23

00:01:14,539 --> 00:01:12,689

has one ever saw him I think they'd

24

00:01:16,580 --> 00:01:14,549

brought tracking dogs I traced his scent

25

00:01:19,370 --> 00:01:16,590

to the river and then he was missing for

26

00:01:21,620 --> 00:01:19,380

I want to say at least two and a half

27

00:01:24,170 --> 00:01:21,630

months or so maybe two months until his

28

00:01:26,210 --> 00:01:24,180

body washed up about seven miles

29

00:01:29,240 --> 00:01:26,220

downstream as the crow flies from

30

00:01:30,980 --> 00:01:29,250

downtown Pittsburgh which really I think

31

00:01:32,749 --> 00:01:30,990

is even seven I can remember I said I

32

00:01:34,280 --> 00:01:32,759

looked it up as like five miles five or

33

00:01:36,080 --> 00:01:34,290

seven days it wasn't far at all

34

00:01:38,660 --> 00:01:36,090

I'm glad that was the last that we heard

35

00:01:40,760 --> 00:01:38,670

about this and apparently we got the

36

00:01:42,740 --> 00:01:40,770

autopsy results back and his family

37

00:01:44,060 --> 00:01:42,750

areas disputed and the final verdict

38

00:01:47,060 --> 00:01:44,070

here from the coroner was that his death

39

00:01:50,030 --> 00:01:47,070

is bad to tease his death was accidental

40

00:01:52,130 --> 00:01:50,040

and they're hiring Cyril Wecht he's a

41

00:01:54,170 --> 00:01:52,140

famous medical examiner in coroner to do

42

00:01:56,240 --> 00:01:54,180

an autopsy of a private one now Oh

43

00:01:58,760 --> 00:01:56,250

interesting cool what's the state listen

44

00:02:00,920 --> 00:01:58,770

it was ruled an accident but new at six

45

00:02:02,120 --> 00:02:00,930

his family doesn't believe that and

46

00:02:04,730 --> 00:02:02,130

tonight they're getting help

47

00:02:06,109 --> 00:02:04,740

high-profile help from famed forensic

48

00:02:07,819 --> 00:02:06,119

pathologist Cyril Wecht

49

00:02:09,559 --> 00:02:07,829

to get closure channel 11's Renee

50

00:02:12,160 --> 00:02:09,569

Kaminski spoke to him and learned how he

51
00:02:14,559 --> 00:02:12,170
will try to do that

52
00:02:16,150 --> 00:02:14,569
at least that we are told Dakota's

53
00:02:19,000 --> 00:02:16,160
parents have already begun the process

54
00:02:21,370 --> 00:02:19,010
of getting the report to the autopsy

55
00:02:23,620 --> 00:02:21,380
results of findings here at the medical

56
00:02:25,990 --> 00:02:23,630
examiner's office to turn over to dr.

57
00:02:29,350 --> 00:02:26,000
wet so his office is where we headed to

58
00:02:32,260 --> 00:02:29,360
find out what he intends to do they want

59
00:02:33,970 --> 00:02:32,270
to have me review things you can't 11

60
00:02:36,400 --> 00:02:33,980
News has learned early this morning the

61
00:02:38,050 --> 00:02:36,410
parents of Dakota James are so upset by

62
00:02:40,270 --> 00:02:38,060
the medical examiner's ruling of

63
00:02:42,190 --> 00:02:40,280

accidental drowning for their son they

64

00:02:44,170 --> 00:02:42,200

have hired renowned forensic pathologist

65

00:02:48,550 --> 00:02:44,180

dr. Cyril Wecht to review the case now

66

00:02:50,350 --> 00:02:48,560

they've contacted me as I you know I had

67

00:02:52,600 --> 00:02:50,360

anticipated based on what they had said

68

00:02:54,400 --> 00:02:52,610

dr. Wecht told channel 11 Jeff and Pam

69

00:02:56,170 --> 00:02:54,410

James reached out to him in early March

70

00:02:58,390 --> 00:02:56,180

when their son's body was recovered from

71

00:02:59,199 --> 00:02:58,400

the Ohio River after being missing for

72

00:03:00,790 --> 00:02:59,209

more than a month

73

00:03:02,890 --> 00:03:00,800

they didn't believe then and they don't

74

00:03:04,840 --> 00:03:02,900

believe now Dakota's death was anything

75

00:03:08,770 --> 00:03:04,850

but suspicious it is my understanding

76

00:03:10,660 --> 00:03:08,780

that the family is not accepting this

77

00:03:12,370 --> 00:03:10,670

and they are very unhappy from the

78

00:03:13,660 --> 00:03:12,380

January night he went missing after a

79

00:03:15,759 --> 00:03:13,670

night on the town with friends in

80

00:03:17,770 --> 00:03:15,769

downtown Pittsburgh throughout the 40

81

00:03:20,050 --> 00:03:17,780

days of searching Dakota's family and

82

00:03:22,150 --> 00:03:20,060

friends have suspected foul play his

83

00:03:24,009 --> 00:03:22,160

family believes whatever happened to

84

00:03:26,470 --> 00:03:24,019

Dakota happened after he was caught by

85

00:03:28,360 --> 00:03:26,480

surveillance in Katz Plaza heading

86

00:03:30,220 --> 00:03:28,370

toward the Roberto Clemente bridge

87

00:03:31,900 --> 00:03:30,230

dr. Wecht said when it comes to a

88

00:03:33,819 --> 00:03:31,910

drowning though in the absence of a

89

00:03:35,199 --> 00:03:33,829

witness trauma to the victim's body or

90

00:03:37,509 --> 00:03:35,209

some sign of a struggle

91

00:03:39,520 --> 00:03:37,519

it could be almost impossible to tell

92

00:03:42,910 --> 00:03:39,530

the difference between accident suicide

93

00:03:45,759 --> 00:03:42,920

or homicide but it's there he says he

94

00:03:49,500 --> 00:03:45,769

intends to find it I do believe there

95

00:03:53,590 --> 00:03:49,510

has to be some evidence of some kind

96

00:03:56,050 --> 00:03:53,600

visual physical investigative something

97

00:04:01,300 --> 00:03:56,060

to indicate how does this young man get

98

00:04:03,970 --> 00:04:01,310

into the water okay dr. Wecht told me he

99

00:04:05,590 --> 00:04:03,980

will review autopsy reports photos test

100

00:04:08,470 --> 00:04:05,600

results as well as all those police

101
00:04:10,569 --> 00:04:08,480
reports relating to the investigation no

102
00:04:12,640 --> 00:04:10,579
word tonight on when he will release his

103
00:04:13,840 --> 00:04:12,650
findings but Channel eleven we'll bring

104
00:04:15,400 --> 00:04:13,850
them to you when

105
00:04:16,840 --> 00:04:15,410
happens reporting live at the medical

106
00:04:19,410 --> 00:04:16,850
examiner's office tonight I'm Renee

107
00:04:22,990 --> 00:04:19,420
Kaminski Channel 11 News

108
00:04:25,690 --> 00:04:23,000
mm interesting I forgot how high-profile

109
00:04:27,700 --> 00:04:25,700
co-rect is apparently he's done some

110
00:04:29,860 --> 00:04:27,710
appearances on television consulting on

111
00:04:33,610 --> 00:04:29,870
the desks of high-profile cases some of

112
00:04:35,410 --> 00:04:33,620
them are RFK Sharon Tate Brian Jones

113
00:04:38,280 --> 00:04:35,420

lesser who he is the sippy knees limbic

114

00:04:44,320 --> 00:04:38,290

Liberation Army shootout John F Kennedy

115

00:04:47,080 --> 00:04:44,330

Elvis JonBenet Ramsey Daniel Van Damme

116

00:04:50,950 --> 00:04:47,090

some guy whose funky high-profile

117

00:04:52,900 --> 00:04:50,960

vintage foster yeah Anna Cole Smith at

118

00:04:55,300 --> 00:04:52,910

14,000 autopsies apparently I just read

119

00:04:56,890 --> 00:04:55,310

down here the bottom of page in 65 he

120

00:04:58,480 --> 00:04:56,900

presented a paper critiquing the Warren

121

00:05:02,950 --> 00:04:58,490

Commission to the meeting of American

122

00:05:04,660 --> 00:05:02,960

Academy of Forensic Science so what guys

123

00:05:07,390 --> 00:05:04,670

this guy's kind of a big deal when it

124

00:05:10,690 --> 00:05:07,400

comes to educating deaf so I guess we'll

125

00:05:12,850 --> 00:05:10,700

get a probably a good final analysis of

126

00:05:16,540 --> 00:05:12,860

what happened will they test for GHB I

127

00:05:19,360 --> 00:05:16,550

don't know we could email him yeah look

128

00:05:23,380 --> 00:05:19,370

out son of tips yes good luck maybe he

129

00:05:26,680 --> 00:05:23,390

needs it but hopefully decent I don't

130

00:05:29,260 --> 00:05:26,690

know but hopefully I do we we suspected

131

00:05:31,720 --> 00:05:29,270

this was kind of weird when we first

132

00:05:34,420 --> 00:05:31,730

brought it up a few months ago in

133

00:05:36,490 --> 00:05:34,430

possibly missing four one one relayed I

134

00:05:39,970 --> 00:05:36,500

maybe since the movies kind of dropped

135

00:05:41,980 --> 00:05:39,980

and that's becoming more of a well known

136

00:05:43,510 --> 00:05:41,990

phenomenon that we're gonna be a little

137

00:05:45,610 --> 00:05:43,520

more curious about what happens to her

138

00:05:48,910 --> 00:05:45,620

loved ones when they go missing and are

139

00:05:50,830 --> 00:05:48,920

found in weird ways yeah well he

140

00:05:52,720 --> 00:05:50,840

accidentally falling into the water and

141

00:05:55,090 --> 00:05:52,730

winding up it definitely is kind of

142

00:05:58,810 --> 00:05:55,100

suspicious in a way he just you know

143

00:06:00,010 --> 00:05:58,820

jumped off the bridge I guess they ruled

144

00:06:02,620 --> 00:06:00,020

it accidental really don't believe the

145

00:06:04,810 --> 00:06:02,630

suicide so I guess we'll find out well

146

00:06:06,880 --> 00:06:04,820

definitely uh he accidentally fell off

147

00:06:09,460 --> 00:06:06,890

the bridge apparently well they'll be

148

00:06:10,470 --> 00:06:09,470

okay how do you how do you accidentally

149

00:06:14,230 --> 00:06:10,480

fall off a bridge

150

00:06:17,980 --> 00:06:14,240

I mean I down there's a boardwalk here

151
00:06:20,080 --> 00:06:17,990
in Austin and um and and I jog with my

152
00:06:21,280 --> 00:06:20,090
phone and they listening to podcasts and

153
00:06:24,820 --> 00:06:21,290
stuff like that but he listening and I'm

154
00:06:26,980 --> 00:06:24,830
always uh well not us sure I don't I

155
00:06:29,379 --> 00:06:26,990
hate this show

156
00:06:32,650 --> 00:06:29,389
well I generally listen to music podcast

157
00:06:34,210 --> 00:06:32,660
like KEXP or NPR all songs considered a

158
00:06:38,320 --> 00:06:34,220
media monarchy

159
00:06:40,270 --> 00:06:38,330
that after my music runs out because

160
00:06:43,930 --> 00:06:40,280
it's fun to jog music rather than a

161
00:06:46,270 --> 00:06:43,940
heady thing like that but I'm always

162
00:06:48,400 --> 00:06:46,280
afraid like I'm gonna drop my phone even

163
00:06:51,700 --> 00:06:48,410

though it's like I'm holding it it's in

164

00:06:53,740 --> 00:06:51,710

my hand and at any moment what if I drop

165

00:06:56,080 --> 00:06:53,750

it now it could go in the river you want

166

00:07:10,360 --> 00:06:56,090

to know what I work out too with that I

167

00:07:12,940 --> 00:07:10,370

work out it is lifting a beat to lift

168

00:07:17,520 --> 00:07:12,950

you I have that on a five-hour loop when

169

00:07:24,370 --> 00:07:20,490

all I'm saying is that it's possible to

170

00:07:26,350 --> 00:07:24,380

accidentally fall drop up stuff all that

171

00:07:29,230 --> 00:07:26,360

they you know I don't know if I buy the

172

00:07:31,000 --> 00:07:29,240

accidental death thing it's very

173

00:07:33,460 --> 00:07:31,010

straightening the buddies already have a

174

00:07:36,430 --> 00:07:33,470

lien on your arm where you can hook your

175

00:07:39,370 --> 00:07:36,440

phone in to see your husband and they're

176
00:07:40,960 --> 00:07:39,380
stupid I don't buy anything [\h__\h] okay I

177
00:07:43,930 --> 00:07:40,970
care about that aren't even allowed I

178
00:07:45,310 --> 00:07:43,940
don't like accessories you know when I I

179
00:07:46,600 --> 00:07:45,320
don't want to break out of the segment

180
00:07:49,120 --> 00:07:46,610
are we ready to break out of the segment

181
00:07:51,040 --> 00:07:49,130
cuz I would go on a rant about they were

182
00:07:52,779 --> 00:07:51,050
still day talking about this I think

183
00:07:54,310 --> 00:07:52,789
we're still talking about missing 411 I

184
00:07:55,990 --> 00:07:54,320
believe we should talk about missing

185
00:07:58,779 --> 00:07:56,000
four one one because I just shared a

186
00:08:01,240 --> 00:07:58,789
clip this is a survivor man is going to

187
00:08:03,670 --> 00:08:01,250
be doing some unexplained disappearances

188
00:08:06,010 --> 00:08:03,680

oh I was looking at that that's his that

189

00:08:07,960 --> 00:08:06,020

looks like unless he's doing more that's

190

00:08:10,300 --> 00:08:07,970

his bit from there's some clips from the

191

00:08:12,820 --> 00:08:10,310

actual missing foreign movie in that

192

00:08:14,620 --> 00:08:12,830

where did you share that clip at it's in

193

00:08:18,040 --> 00:08:14,630

care chop it's in the carrot shop

194

00:08:20,560 --> 00:08:18,050

goddamn yeah you could play that son of

195

00:08:22,570 --> 00:08:20,570

a [h__h] or anybody doesn't know carrot

196

00:08:24,460 --> 00:08:22,580

shop is our secret place that we'd like

197

00:08:26,409 --> 00:08:24,470

to go to to share information

198

00:08:29,590 --> 00:08:26,419

well that's because yeah the snow Manor

199

00:08:32,190 --> 00:08:29,600

got all the secret information so here

200

00:08:35,639 --> 00:08:32,200

I'll play this clip from Survivorman

201
00:08:37,769 --> 00:08:35,649
eight miles that's as the crow flies

202
00:08:41,189 --> 00:08:37,779
it's impossible to walk out here at the

203
00:08:43,829 --> 00:08:41,199
crow would fly in the span of less than

204
00:08:46,410 --> 00:08:43,839
24 hours you have to believe that this

205
00:08:52,319 --> 00:08:46,420
two-year-old covered perhaps as many as

206
00:08:59,009 --> 00:08:52,329
12 miles that's the strong start yeah

207
00:09:01,139 --> 00:08:59,019
as it was clothing we found ripped and I

208
00:09:02,790 --> 00:09:01,149
figure it's likely from barbed wire

209
00:09:06,470 --> 00:09:02,800
fences either going through them or

210
00:09:12,980 --> 00:09:09,139
he's out there walking around really

211
00:09:16,250 --> 00:09:12,990
investigating what's going on and even

212
00:09:19,100 --> 00:09:16,260
with a full moon tonight I can't see

213
00:09:22,160 --> 00:09:19,110

anything going through this bush so if

214

00:09:23,900 --> 00:09:22,170

I'm a two-year-old child and I've got to

215

00:09:25,189 --> 00:09:23,910

walk through this a crawl through this I

216

00:09:28,879 --> 00:09:25,199

get to this time of night

217

00:09:33,740 --> 00:09:28,889

I can't see Keith going anywhere I can't

218

00:09:37,420 --> 00:09:33,750

go anywhere how the two-year-old could

219

00:09:41,870 --> 00:09:37,430

travel the topography I'm traveling now

220

00:09:45,139 --> 00:09:41,880

little shoes and and it was sub-freezing

221

00:09:49,700 --> 00:09:45,149

temperatures even if he was a kid full

222

00:09:55,850 --> 00:09:52,970

it's just kind of sad man this is

223

00:09:58,269 --> 00:09:55,860

roughly the area the searchers found him

224

00:10:04,340 --> 00:09:58,279

his father was about a hundred yards

225

00:10:07,690 --> 00:10:04,350

that way and he's found here face down

226

00:10:10,430 --> 00:10:07,700

in the snow hot and coke beside him

227

00:10:12,769 --> 00:10:10,440

searcher finds him father one maybe two

228

00:10:19,150 --> 00:10:12,779

hundred yards away runs over picks him

229

00:10:21,440 --> 00:10:19,160

up and he's alive Wow

230

00:10:24,620 --> 00:10:21,450

yeah that's straight from the movement

231

00:10:26,480 --> 00:10:24,630

for in one movie it is okay the the best

232

00:10:29,030 --> 00:10:26,490

part is they interview that guy the kid

233

00:10:31,280 --> 00:10:29,040

they found the inner demons movie and

234

00:10:33,410 --> 00:10:31,290

one of the kids we're that now man say

235

00:10:35,240 --> 00:10:33,420

what do you say uh I'd have to watch it

236

00:10:37,190 --> 00:10:35,250

again I forget some interesting things

237

00:10:40,370 --> 00:10:37,200

he doesn't really he doesn't remember a

238

00:10:42,740 --> 00:10:40,380

lot of it hmm yeah that seemed to be dig

239

00:10:44,780 --> 00:10:42,750

he's been going around a lot lately

240

00:10:46,130 --> 00:10:44,790

I don't remember don't you reckon

241

00:10:48,110 --> 00:10:46,140

eventually I can just say I still have

242

00:10:50,269 --> 00:10:48,120

it oh uh I'll just mail it to you you've

243

00:10:50,750 --> 00:10:50,279

been saying that for three weeks clone

244

00:10:53,150 --> 00:10:50,760

baby

245

00:10:55,670 --> 00:10:53,160

yeah I will make it to the post office

246

00:10:57,560 --> 00:10:55,680

one of these days dude it's like right

247

00:10:59,390 --> 00:10:57,570

around the corner from you i go differ i

248

00:11:00,740 --> 00:10:59,400

go for work a lot of the times we had to

249

00:11:03,710 --> 00:11:00,750

mail stuff like checks that need to be

250

00:11:07,070 --> 00:11:03,720

said quick so while we're on missing for

251
00:11:10,510 --> 00:11:07,080
one one i do have a clip that might

252
00:11:17,690 --> 00:11:10,520
pertain to it if you will indulge me

253
00:11:21,380 --> 00:11:17,700
sure this comes from philip snyder a guy

254
00:11:27,680 --> 00:11:21,390
who claims to have had intimate access

255
00:11:33,230 --> 00:11:27,690
to the dulce base where there was a

256
00:11:37,430 --> 00:11:33,240
supposed alien battle where the NWO met

257
00:11:41,000 --> 00:11:37,440
with alien civilizations and he claims

258
00:11:44,530 --> 00:11:41,010
to have been an engineer and and to work

259
00:11:47,210 --> 00:11:44,540
with people dealing with these

260
00:11:52,610 --> 00:11:47,220
off-planet kind of technologies and he

261
00:11:55,040 --> 00:11:52,620
had this to say about missing people and

262
00:11:58,400 --> 00:11:55,050
I pick us up this is what I do I pick

263
00:12:01,730 --> 00:11:58,410

things up like this and human beings

264

00:12:04,699 --> 00:12:01,740

as a mixture of the vitamins for their

265

00:12:07,910 --> 00:12:04,709

food they get high off of our adrenal

266

00:12:10,490 --> 00:12:07,920

he's talking about what he's talking

267

00:12:13,100 --> 00:12:10,500

about the aliens I'll rewind a little

268

00:12:18,650 --> 00:12:13,110

bit more this is what they were taking

269

00:12:21,379 --> 00:12:18,660

in fear and loathing this is a wanted

270

00:12:22,280 --> 00:12:21,389

living more the alien agenda is one in

271

00:12:25,220 --> 00:12:22,290

the same

272

00:12:29,300 --> 00:12:25,230

it's will take over and the decimation

273

00:12:30,530 --> 00:12:29,310

of the population of this planet I'm

274

00:12:32,509 --> 00:12:30,540

going to tell you something a little bit

275

00:12:37,280 --> 00:12:32,519

different about the alien species - bad

276

00:12:38,559 --> 00:12:37,290

news ones there are nine races of alien

277

00:12:41,929 --> 00:12:38,569

populations

278

00:12:44,480 --> 00:12:41,939

hey I'm not in is a bad enough to hating

279

00:12:47,300 --> 00:12:44,490

guy was that the Canadian guy

280

00:12:48,800 --> 00:12:47,310

the defense minister yeah what about it

281

00:12:52,999 --> 00:12:48,810

well how many races did he say their

282

00:12:54,590 --> 00:12:53,009

fill occurs like 42 that's like a secret

283

00:12:56,360 --> 00:12:54,600

of the universe number yeah I thought it

284

00:12:58,639 --> 00:12:56,370

more like 7 or 9 or something like that

285

00:13:01,340 --> 00:12:58,649

if it lines up that that would be

286

00:13:04,069 --> 00:13:01,350

absolutely incredible gaming sorry we

287

00:13:05,689 --> 00:13:04,079

don't know where the Defense Minister of

288

00:13:07,460 --> 00:13:05,699

Canada got his information could have

289

00:13:09,019 --> 00:13:07,470

got up miss Virgie I'll look it up while

290

00:13:11,629 --> 00:13:09,029

you play right into you play the clip

291

00:13:13,340 --> 00:13:11,639

because I'm curious about that they're

292

00:13:15,129 --> 00:13:13,350

not cannibals they don't eat the flesh

293

00:13:18,319 --> 00:13:15,139

and the bones and all that kind of stuff

294

00:13:21,190 --> 00:13:18,329

to use the glandular secretions of

295

00:13:24,430 --> 00:13:21,200

animals in human beings

296

00:13:27,430 --> 00:13:24,440

as a mixture of the vitamins for their

297

00:13:33,220 --> 00:13:27,440

food they get high off of our adrenal

298

00:13:33,230 --> 00:13:39,150

it's something like cocaine to them

299

00:13:45,780 --> 00:13:44,040

now what can we do about it we get right

300

00:13:46,530 --> 00:13:45,790

now if we do nothing we can do nothing

301
00:13:49,080 --> 00:13:46,540
about it

302
00:13:51,270 --> 00:13:49,090
and it will continue to go on basically

303
00:13:53,070 --> 00:13:51,280
we'll be led in the dark and you'll keep

304
00:13:54,980 --> 00:13:53,080
seeing more and more people disappear

305
00:13:57,390 --> 00:13:54,990
right now as a hundred thousand children

306
00:14:00,300 --> 00:13:57,400
totally unaccountable through FBI

307
00:14:02,490 --> 00:14:00,310
archives cannot be traced anywhere

308
00:14:03,600 --> 00:14:02,500
they haven't been murdered nobody's ever

309
00:14:05,370 --> 00:14:03,610
seen them I think they're holed

310
00:14:07,320 --> 00:14:05,380
underneath in some of these bases and

311
00:14:11,610 --> 00:14:07,330
they're summarily done away with and

312
00:14:14,190 --> 00:14:11,620
they are literally now that is a scary

313
00:14:17,370 --> 00:14:14,200

thing indeed some and I'm not asking you

314

00:14:20,190 --> 00:14:17,380

to believe me in total I am asking you

315

00:14:22,140 --> 00:14:20,200

to seriously do enough homework that you

316

00:14:24,150 --> 00:14:22,150

can go out in through the public record

317

00:14:26,550 --> 00:14:24,160

through the congressional records find

318

00:14:31,340 --> 00:14:26,560

out who's voting for what and go from

319

00:14:34,770 --> 00:14:31,350

there I guess I thought that little clip

320

00:14:37,680 --> 00:14:34,780

probably related to missing for one one

321

00:14:40,130 --> 00:14:37,690

a little bit but he's talking about kids

322

00:14:43,410 --> 00:14:40,140

and people being taken underground

323

00:14:46,530 --> 00:14:43,420

taking down two underground bases and to

324

00:14:48,510 --> 00:14:46,540

be experimented with with it whatever

325

00:14:51,630 --> 00:14:48,520

way I don't know but the Survivorman

326

00:14:54,180 --> 00:14:51,640

clip we saw was the the kid found face

327

00:14:56,580 --> 00:14:54,190

face down in the snow and alive but

328

00:14:58,020 --> 00:14:56,590

doesn't remember too much so there's a

329

00:14:59,910 --> 00:14:58,030

lot of things we need to reconcile here

330

00:15:01,470 --> 00:14:59,920

and I don't know how we do that with the

331

00:15:03,810 --> 00:15:01,480

alien agenda with this guy's talking

332

00:15:06,200 --> 00:15:03,820

about and the missing 411 stuff and then

333

00:15:10,400 --> 00:15:06,210

you have Bigfoot thrown in pretty much

334

00:15:13,560 --> 00:15:10,410

yes the Bigfoots are sent out as

335

00:15:15,690 --> 00:15:13,570

basically and we'll would they be Scouts

336

00:15:17,880 --> 00:15:15,700

or something I don't know we talked

337

00:15:20,550 --> 00:15:17,890

about that I also very complicated I

338

00:15:22,290 --> 00:15:20,560

mean I have the you know the the

339

00:15:25,110 --> 00:15:22,300

government lied about this the Green

340

00:15:27,300 --> 00:15:25,120

Berets sightings this this guy is so

341

00:15:31,740 --> 00:15:27,310

many different stories when it comes to

342

00:15:33,510 --> 00:15:31,750

what's going on with the NWO and in the

343

00:15:36,630 --> 00:15:33,520

alien agenda it's it's ridiculous

344

00:15:40,820 --> 00:15:36,640

oh boy there's a few more minnesota's I

345

00:15:43,590 --> 00:15:40,830

have a whole book on on this this base

346

00:15:45,930 --> 00:15:43,600

Dulce like and I've been trying to read

347

00:15:48,750 --> 00:15:45,940

through it and pick it pick out some of

348

00:15:51,540 --> 00:15:48,760

the more interesting so-called human

349

00:15:52,560 --> 00:15:51,550

alien experiments that are going on in

350

00:15:54,450 --> 00:15:52,570

this and

351

00:15:55,920 --> 00:15:54,460

you know I've been lacking in some

352

00:15:58,560 --> 00:15:55,930

segments lately but I'm going to ramp

353

00:16:00,390 --> 00:15:58,570

that back up and I'll take care of some

354

00:16:04,260 --> 00:16:00,400

business but I'll play a little bit more

355

00:16:07,590 --> 00:16:04,270

this do your own program do your own

356

00:16:10,620 --> 00:16:07,600

agenda and do your own speaking out and

357

00:16:15,050 --> 00:16:10,630

if enough of us do this there is some

358

00:16:21,790 --> 00:16:16,880

however we don't have a whole heap of

359

00:16:26,870 --> 00:16:24,290

technological governments on this planet

360

00:16:28,940 --> 00:16:26,880

raping the planet we're going to run out

361

00:16:31,610 --> 00:16:28,950

of everything that we need they're going

362

00:16:34,930 --> 00:16:31,620

to pollute everything in sight in the

363

00:16:38,210 --> 00:16:34,940

better part of 20 years something to him

364

00:16:40,850 --> 00:16:38,220

no yeah we've heard that for how long

365

00:16:43,460 --> 00:16:40,860

now exactly so I don't know the guy has

366

00:16:47,330 --> 00:16:43,470

an interesting story I like to indulge

367

00:16:50,300 --> 00:16:47,340

in that kind of stuff but you know

368

00:16:52,190 --> 00:16:50,310

without some more proof of what went

369

00:16:53,870 --> 00:16:52,200

down there I mean he holds up his hand

370

00:16:55,850 --> 00:16:53,880

and this kind of looks like it got shot

371

00:16:58,700 --> 00:16:55,860

off by a laser beam and that's what he

372

00:17:00,500 --> 00:16:58,710

said happened he's got a pretty goddamn

373

00:17:02,480 --> 00:17:00,510

image for his story do you want you want

374

00:17:06,920 --> 00:17:02,490

to hear how you want to hear how his

375

00:17:07,699 --> 00:17:06,930

story he started I don't know I mean we

376

00:17:08,900 --> 00:17:07,709

can move on

377

00:17:12,920 --> 00:17:08,910

you know I'll I'll leave that for

378

00:17:16,970 --> 00:17:12,930

another clip about how he got saved from

379

00:17:20,530 --> 00:17:16,980

the alien battle and I'll always it the

380

00:17:25,579 --> 00:17:20,540

next time how about that yeah okay good

381

00:17:27,560 --> 00:17:25,589
