1
00:00:00,320 --> 00:00:06,099
[Applause]

2
00:00:11,509 --> 00:00:08,120
transition over and get some stuff

3
00:00:16,790 --> 00:00:11,519
started a little hootie-hoo what do you

4
00:00:18,380 --> 00:00:16,800
want to wish everyone out there I got I

5
00:00:20,269 --> 00:00:18,390
got a second right now guys I watched

6
00:00:24,580 --> 00:00:20,279
the documentary over the weekend called

7
00:00:29,109 --> 00:00:24,590
unacknowledged it is a UFO documentaries

8
00:00:33,410 --> 00:00:29,119
and grier he's done various talks about

9
00:00:37,610 --> 00:00:33,420
UFOs and super secret space programs by

10
00:00:38,780 --> 00:00:37,620
Lockheed Martin Raytheon and he's been

11
00:00:40,940 --> 00:00:38,790
all over it in it we've actually played

12
00:00:43,340 --> 00:00:40,950
some clips one in the past on this very

13
00:00:46,760 --> 00:00:43,350

show he's big big in the UFO community

14

00:00:50,510 --> 00:00:46,770

huge in fact I would say probably the

15

00:00:54,619 --> 00:00:50,520

biggest at this point he's a former

16

00:00:55,130 --> 00:00:54,629

emergency emergency room doctor he's got

17

00:00:56,930 --> 00:00:55,140

Pino

18

00:01:00,110 --> 00:00:56,940

he's got some brains on he's got some

19

00:01:05,270 --> 00:01:00,120

smarts he in 90s he just threw himself

20

00:01:06,920 --> 00:01:05,280

into the UFO community and became kind

21

00:01:08,800 --> 00:01:06,930

of like it seems like the point where

22

00:01:11,450 --> 00:01:08,810

people would just send him documents and

23

00:01:14,240 --> 00:01:11,460

often make FOIA requests and he would

24

00:01:15,590 --> 00:01:14,250

somehow be this point of contact we here

25

00:01:17,780 --> 00:01:15,600

just collect all this stuff and then

26

00:01:20,149 --> 00:01:17,790

give presentations on what he has

27

00:01:23,929 --> 00:01:20,159

discovered and I had some clips from

28

00:01:26,990 --> 00:01:23,939

this documentary if you guys would want

29

00:01:29,780 --> 00:01:27,000

to hear sure let's go ahead not really

30

00:01:32,990 --> 00:01:29,790

giving you a choice you know I'm kind of

31

00:01:38,569 --> 00:01:33,000

give you done any research on to in into

32

00:01:40,520 --> 00:01:38,579

alien penises hmm there might we might

33

00:01:42,889 --> 00:01:40,530

have some speculation about that in some

34

00:01:44,719 --> 00:01:42,899

further clips but I'll play the intro

35

00:01:47,179 --> 00:01:44,729

clip just kind of setups is about in a

36

00:01:49,280 --> 00:01:47,189

minute long just to set up this brand

37

00:01:51,980 --> 00:01:49,290

new documentary unacknowledged you can

38

00:01:54,410 --> 00:01:51,990

get it on Amazon Prime order for like I

39

00:01:58,249 --> 00:01:54,420

think twelve bucks and it is a great

40

00:02:00,889 --> 00:01:58,259

movie to show people if you want to kind

41

00:02:03,920 --> 00:02:00,899

of get more interested in this strange

42

00:02:07,010 --> 00:02:03,930

phenomenon it presents a lot of good

43

00:02:07,640 --> 00:02:07,020

information here is the intro I can

44

00:02:11,240 --> 00:02:07,650

introduce

45

00:02:15,170 --> 00:02:11,250

who says there are more things between

46

00:02:18,680 --> 00:02:15,180

heaven and hell than any of us have

47

00:02:20,990 --> 00:02:18,690

accepted and I have the witnesses and

48

00:02:28,190 --> 00:02:21,000

the documents to prove it ladies and

49

00:02:30,440 --> 00:02:28,200

gentlemen dr. Stevenson on may 9 2001 20

50

00:02:32,990 --> 00:02:30,450

military government and corporate

51
00:02:36,020 --> 00:02:33,000
witnesses held a press conference in

52
00:02:37,940 --> 00:02:36,030
Washington DC and these are folks who

53
00:02:40,940 --> 00:02:37,950
have been involved in so-called black

54
00:02:41,810 --> 00:02:40,950
budget or covert unacknowledged project

55
00:02:44,750 --> 00:02:41,820
that's great

56
00:02:47,390 --> 00:02:44,760
Roger a decade-long conspiracy to cover

57
00:02:49,820 --> 00:02:47,400
up extraterrestrial visitation

58
00:02:54,020 --> 00:02:49,830
these unacknowledged special access

59
00:02:56,750 --> 00:02:54,030
projects are taking in at least 40 to 80

60
00:02:59,660 --> 00:02:56,760
billion dollars per year and the study

61
00:03:02,930 --> 00:02:59,670
of extraterrestrial technology in covert

62
00:03:04,820 --> 00:03:02,940
military program and they are sitting on

63
00:03:07,670 --> 00:03:04,830

technologies that can change the world

64

00:03:10,610 --> 00:03:07,680

forever this technology would liberate

65

00:03:13,580 --> 00:03:10,620

Earth from possibly environmental

66

00:03:16,520 --> 00:03:13,590

devastation and poverty in a single

67

00:03:17,720 --> 00:03:16,530

generation and in you know in some

68

00:03:19,400 --> 00:03:17,730

previous episodes that we've done we

69

00:03:21,710 --> 00:03:19,410

talked about some free energy we've

70

00:03:24,080 --> 00:03:21,720

talked about the UFO phenomenon ad

71

00:03:28,580 --> 00:03:24,090

nauseam pretty much at this point but

72

00:03:30,080 --> 00:03:28,590

it's also a very interesting phenomenon

73

00:03:32,420 --> 00:03:30,090

because it's where paranormal in

74

00:03:35,120 --> 00:03:32,430

political conspiracies combined because

75

00:03:37,340 --> 00:03:35,130

you have this weird aerial phenomenon

76

00:03:39,710 --> 00:03:37,350

which is possibly extraterrestrial in it

77

00:03:41,780 --> 00:03:39,720

if you believe the stories of Roswell

78

00:03:45,759 --> 00:03:41,790

well this crashed UFO technology that

79

00:03:48,229 --> 00:03:45,769

maybe got integrated into our society

80

00:03:50,300 --> 00:03:48,239

through various corporations and if

81

00:03:52,699 --> 00:03:50,310

there is as much evidence as dr. Greer

82

00:03:55,789 --> 00:03:52,709

is suggesting then where is the

83

00:03:57,680 --> 00:03:55,799

scientific community where are they why

84

00:04:00,110 --> 00:03:57,690

if there's this plethora of evidence

85

00:04:02,060 --> 00:04:00,120

where the [h__\h] is everybody to say yeah

86

00:04:03,770 --> 00:04:02,070

this is real I don't think the

87

00:04:07,400 --> 00:04:03,780

scientific community really cares about

88

00:04:08,960 --> 00:04:07,410

odin's at least the ones you hear about

89

00:04:11,770 --> 00:04:08,970

as far as global warming is concerned

90

00:04:13,900 --> 00:04:11,780

there is uh there is some interesting

91

00:04:16,490 --> 00:04:13,910

[Music]

92

00:04:18,379 --> 00:04:16,500

statements around that yes go I mean you

93

00:04:20,360 --> 00:04:18,389

can go one way or the other but yeah

94

00:04:22,670 --> 00:04:20,370

sometimes scientist is the

95

00:04:25,550 --> 00:04:22,680

care because it really depends on who is

96

00:04:29,560 --> 00:04:25,560

funding them and this next clip kind of

97

00:04:32,420 --> 00:04:29,570

speaks to Carl Sagan and what happened

98

00:04:33,890 --> 00:04:32,430

with Carl Sagan because he was onboard

99

00:04:36,200 --> 00:04:33,900

with being kind of open to this

100

00:04:37,450 --> 00:04:36,210

phenomenon and then some kind of

101
00:04:40,400 --> 00:04:37,460
happened to him

102
00:04:42,830 --> 00:04:40,410
never is there any compelling physical

103
00:04:45,230 --> 00:04:42,840
evidence the question is who are people

104
00:04:47,689 --> 00:04:45,240
like Carl Sagan and before him professor

105
00:04:50,629 --> 00:04:47,699
donald nymphal it turns out that Sagan

106
00:04:52,790 --> 00:04:50,639
in his early career actually spoke and

107
00:04:55,219 --> 00:04:52,800
wrote about UFOs in a way that was

108
00:04:57,409 --> 00:04:55,229
affirmative there was legitimate after

109
00:05:00,260 --> 00:04:57,419
he was threatened by the intelligence

110
00:05:02,480 --> 00:05:00,270
community and blackmailed he then began

111
00:05:05,060 --> 00:05:02,490
to debunk the issue skepticism is very

112
00:05:06,920 --> 00:05:05,070
healthy and I'm a big skeptic about more

113
00:05:08,659 --> 00:05:06,930

than 90% of the information out there on

114

00:05:12,140 --> 00:05:08,669

the subject which the public needs to be

115

00:05:14,060 --> 00:05:12,150

skeptical however skepticism is not just

116

00:05:17,930 --> 00:05:14,070

blindly denying everything that's

117

00:05:20,659 --> 00:05:17,940

legitimate for example we have 3500

118

00:05:23,600 --> 00:05:20,669

cases where extraterrestrial vehicles

119

00:05:26,029 --> 00:05:23,610

have landed and less physical traces we

120

00:05:28,760 --> 00:05:26,039

have 4,000 cases where they have been

121

00:05:31,100 --> 00:05:28,770

tracked on radar and seen by pilots we

122

00:05:33,879 --> 00:05:31,110

have an enormous amount of photo and

123

00:05:36,560 --> 00:05:33,889

video evidence and physical evidence and

124

00:05:39,740 --> 00:05:36,570

in our last project brought out an

125

00:05:41,990 --> 00:05:39,750

actual body that is most likely not of

126

00:05:46,129 --> 00:05:42,000

human origin so the question becomes

127

00:05:48,170 --> 00:05:46,139

what is the metric for the evidence well

128

00:05:50,060 --> 00:05:48,180

the evidence is actually overwhelming

129

00:05:52,189 --> 00:05:50,070

there's more evidence for UFOs and there

130

00:05:54,409 --> 00:05:52,199

are four black holes most of the

131

00:05:56,120 --> 00:05:54,419

theories and astrophysics most of the

132

00:05:58,129 --> 00:05:56,130

evidence for most of the medicines you

133

00:06:01,909 --> 00:05:58,139

take I'm speaking now as a trauma doctor

134

00:06:03,350 --> 00:06:01,919

and yet we have this blockage in the

135

00:06:05,450 --> 00:06:03,360

mainstream median scientific

136

00:06:10,490 --> 00:06:05,460

establishment saying where is the

137

00:06:12,650 --> 00:06:10,500

evidence so very same kind of brings up

138

00:06:15,140 --> 00:06:12,660

what you kind of brought up Joe is you

139

00:06:16,580 --> 00:06:15,150

know there's you can I guess you can

140

00:06:19,279 --> 00:06:16,590

form any kind of evidence you want

141

00:06:21,800 --> 00:06:19,289

around any kind of system of belief that

142

00:06:23,150 --> 00:06:21,810

you want if as long as as long as you

143

00:06:25,490 --> 00:06:23,160

got enough scientists around you to

144

00:06:29,149 --> 00:06:25,500

debunk it or to prop up and you kind of

145

00:06:32,990 --> 00:06:29,159

fought if we just change the data we can

146

00:06:34,290 --> 00:06:33,000

change it I'm looking at the Carl Sagan

147

00:06:35,670 --> 00:06:34,300

thing it's really

148

00:06:40,170 --> 00:06:35,680

hard to find any evidence of him

149

00:06:41,850 --> 00:06:40,180

speaking in the affirmative for UFOs and

150

00:06:44,760 --> 00:06:41,860

aliens yeah I don't know I'm have to

151
00:06:46,469 --> 00:06:44,770
take the word of dr. Greer on this and I

152
00:06:46,920 --> 00:06:46,479
will say the movie is very well put

153
00:06:51,390 --> 00:06:46,930
together

154
00:06:54,059 --> 00:06:51,400
it is very professionally done it's very

155
00:06:55,890 --> 00:06:54,069
you know easy to watch and digest it's

156
00:06:57,930 --> 00:06:55,900
very quick it goes through a lot of

157
00:07:00,420 --> 00:06:57,940
information and I'm only playing like

158
00:07:02,550 --> 00:07:00,430
one minute clip here one more clips at a

159
00:07:06,119 --> 00:07:02,560
time here there's a lot more information

160
00:07:08,550 --> 00:07:06,129
goes a lot deeper and I can't recommend

161
00:07:12,749 --> 00:07:08,560
it enough especially if you are a fan of

162
00:07:14,010 --> 00:07:12,759
UFOs and you kind of want to show it to

163
00:07:15,420 --> 00:07:14,020

somebody who's maybe on the fence a

164

00:07:17,129 --> 00:07:15,430

little bit show them this there's plenty

165

00:07:19,110 --> 00:07:17,139

of documents in here that would at least

166

00:07:20,430 --> 00:07:19,120

give them pause to say holy [\h__\h] there's

167

00:07:22,339 --> 00:07:20,440

something else going on here

168

00:07:25,649 --> 00:07:22,349

definitely something else going on and

169

00:07:28,080 --> 00:07:25,659

you know throughout the entire movie you

170

00:07:30,689 --> 00:07:28,090

know careers like flashing up these

171

00:07:32,820 --> 00:07:30,699

these documents that have been released

172

00:07:34,950 --> 00:07:32,830

by even the CIA or four-year requests or

173

00:07:38,029 --> 00:07:34,960

people that have leaked and documents

174

00:07:40,230 --> 00:07:38,039

and he's like here is take a look and

175

00:07:42,089 --> 00:07:40,240

some of this kind of hard to deny

176

00:07:44,550 --> 00:07:42,099

especially when you see people in this

177

00:07:48,300 --> 00:07:44,560

in this documentary speaking so

178

00:07:50,279 --> 00:07:48,310

passionately about the subject it's kind

179

00:07:52,740 --> 00:07:50,289

of it's hard not to believe them I know

180

00:07:53,879 --> 00:07:52,750

it's not a good metric to believe some

181

00:07:55,740 --> 00:07:53,889

funny because they speak passionately

182

00:07:57,839 --> 00:07:55,750

about the subject but for me I was like

183

00:08:01,469 --> 00:07:57,849

you know I believe why not why the hell

184

00:08:04,170 --> 00:08:01,479

not talk like I'm going to believe you I

185

00:08:05,459 --> 00:08:04,180

did find a preacher the drunk crazy out

186

00:08:07,350 --> 00:08:05,469

of the corner he's pretty he's pretty

187

00:08:12,749 --> 00:08:07,360

passionate heart did not believe exactly

188

00:08:15,269 --> 00:08:12,759

I'm on board I'll follow this guy into

189

00:08:18,330 --> 00:08:15,279

battle yeah I thought stuff on Carl

190

00:08:21,959 --> 00:08:18,340

Sagan but you did so this is an

191

00:08:23,580 --> 00:08:21,969

interview from somebody for Project

192

00:08:25,589 --> 00:08:23,590

Camelot we come across the stuff when

193

00:08:27,959 --> 00:08:25,599

you look at conspiracy stuff Project

194

00:08:31,200 --> 00:08:27,969

Camelot does a lot of this stuff but

195

00:08:35,939 --> 00:08:31,210

here's supposedly some friends of Carl

196

00:08:37,769 --> 00:08:35,949

Sagan's and here's what he claims in

197

00:08:39,630 --> 00:08:37,779

this interview is very disappointing to

198

00:08:43,199 --> 00:08:39,640

me because not only was Carl wrong he

199

00:08:45,540 --> 00:08:43,209

also fudged data he published a picture

200

00:08:47,670 --> 00:08:45,550

of the face in Parade magazine the large

201

00:08:49,350 --> 00:08:47,680

face um a popular

202

00:08:51,480 --> 00:08:49,360

article saying that the face was just a

203

00:08:54,139 --> 00:08:51,490

natural formation but he doctored the

204

00:08:56,490 --> 00:08:54,149

picture to make it look like a face

205

00:08:58,350 --> 00:08:56,500

that's weird why are you doctor to make

206

00:09:01,829 --> 00:08:58,360

it look more like a face and then write

207

00:09:03,840 --> 00:09:01,839

it off it only was tampered with by

208

00:09:04,639 --> 00:09:03,850

Sagan before being released to the

209

00:09:08,340 --> 00:09:04,649

public

210

00:09:12,060 --> 00:09:08,350

yeah so that's that one and then O'Leary

211

00:09:13,710 --> 00:09:12,070

also went on record and stated I began

212

00:09:14,880 --> 00:09:13,720

to realize just directly from the

213

00:09:17,310 --> 00:09:14,890

scientific point of view not only

214

00:09:19,740 --> 00:09:17,320

hearsay that this man was colluding with

215

00:09:22,320 --> 00:09:19,750

NASA this man being Carl Sagan that

216

00:09:24,300 --> 00:09:22,330

there might be more to this than before

217

00:09:27,240 --> 00:09:24,310

Carl was on a committee with a number of

218

00:09:29,340 --> 00:09:27,250

notable people there was a report issued

219

00:09:31,740 --> 00:09:29,350

by the Brookings Institution in 1961 and

220

00:09:34,170 --> 00:09:31,750

that's about when I knew Carl during

221

00:09:36,750 --> 00:09:34,180

those years the 60s mostly was when I

222

00:09:39,480 --> 00:09:36,760

work closely with them that he and this

223

00:09:41,699 --> 00:09:39,490

other group said well if any ETS ever

224

00:09:43,650 --> 00:09:41,709

showed up on earth that have to be

225

00:09:45,240 --> 00:09:43,660

covered up that's the only way we're

226

00:09:47,639 --> 00:09:45,250

going to be able to manage this because

227

00:09:49,220 --> 00:09:47,649

if we can then it would be too much of a

228

00:09:52,170 --> 00:09:49,230

culture shock huh

229

00:09:53,880 --> 00:09:52,180

well I have a clip here I'm probably not

230

00:09:56,820 --> 00:09:53,890

going to play it this is a bit of a

231

00:09:58,380 --> 00:09:56,830

longer one but it goes there's a big big

232

00:10:02,610 --> 00:09:58,390

segment but a segment here about Marilyn

233

00:10:04,850 --> 00:10:02,620

Monroe JFK and how Marilyn Monroe may

234

00:10:08,370 --> 00:10:04,860

have been kind of rubbed out for

235

00:10:09,930 --> 00:10:08,380

possibly knowing too much about the UFO

236

00:10:12,840 --> 00:10:09,940

phenomenon because she was not only

237

00:10:15,030 --> 00:10:12,850

sleeping with JFK but also RFK she was

238

00:10:17,460 --> 00:10:15,040

fond okay both of the brothers and she

239

00:10:19,380 --> 00:10:17,470

was getting all this information she

240

00:10:20,610 --> 00:10:19,390

wasn't like the Eskimo Bros yeah he

241

00:10:22,230 --> 00:10:20,620

didn't like the way she was being

242

00:10:24,449 --> 00:10:22,240

treated by both of them so she was

243

00:10:27,480 --> 00:10:24,459

supposedly going to have a big press

244

00:10:32,970 --> 00:10:27,490

conference and and expose all this stuff

245

00:10:36,000 --> 00:10:32,980

and so they they kill her but I do have

246

00:10:39,050 --> 00:10:36,010

a clip here about something that's going

247

00:10:42,840 --> 00:10:39,060

on right now and so did we talk about

248

00:10:45,690 --> 00:10:42,850

for quite a while which is the CIA in

249

00:10:47,910 --> 00:10:45,700

the media and how you can kind of see

250

00:10:49,710 --> 00:10:47,920

the entire media get on board with a

251
00:10:52,340 --> 00:10:49,720
narrative and they just kind of run it

252
00:10:55,070 --> 00:10:52,350
into the ground this

253
00:10:58,730 --> 00:10:55,080
this this clip from unacknowledged

254
00:11:01,700 --> 00:10:58,740
speaks to that and this officially was

255
00:11:05,090 --> 00:11:01,710
released by the CIA talking about how

256
00:11:09,170 --> 00:11:05,100
they have people embedded in all the

257
00:11:12,020 --> 00:11:09,180
major media to change alter and affect

258
00:11:18,170 --> 00:11:12,030
stories to their benefit now you are

259
00:11:20,810 --> 00:11:18,180
faked is so every news agency every

260
00:11:24,860 --> 00:11:20,820
television radio station in Albuquerque

261
00:11:28,880 --> 00:11:24,870
Santa Fe area had our snitches in there

262
00:11:29,420 --> 00:11:28,890
so we knew and we paid we paid a good

263
00:11:32,090 --> 00:11:29,430

money

264

00:11:35,590 --> 00:11:32,100

one of the reasons of it the people he's

265

00:11:37,910 --> 00:11:35,600

paid and and that was controversial that

266

00:11:41,750 --> 00:11:37,920

someone controversial you know the

267

00:11:43,610 --> 00:11:41,760

national media desk I'm not in a name

268

00:11:46,370 --> 00:11:43,620

and we now have relationships with

269

00:11:49,220 --> 00:11:46,380

reporters from every underlined major

270

00:11:51,500 --> 00:11:49,230

wire service newspaper news weekly and

271

00:11:53,810 --> 00:11:51,510

television network in the nation in many

272

00:11:57,520 --> 00:11:53,820

instances we have persuaded reporters to

273

00:12:00,170 --> 00:11:57,530

postpone change hold or even scrap

274

00:12:02,480 --> 00:12:00,180

stories that could have adversely

275

00:12:05,270 --> 00:12:02,490

affected national security interest or

276
00:12:07,700 --> 00:12:05,280
jeopardized our sources and methods and

277
00:12:11,210 --> 00:12:07,710
it goes on to then say that they have

278
00:12:13,310 --> 00:12:11,220
the same within academic circles there's

279
00:12:17,240 --> 00:12:13,320
a finding that the byte committee made

280
00:12:20,300 --> 00:12:17,250
that they had verified 42 full-time

281
00:12:21,870 --> 00:12:20,310
Central Intelligence Agency paid

282
00:12:25,110 --> 00:12:21,880
employees

283
00:12:28,230 --> 00:12:25,120
that were inserted inside the major

284
00:12:30,600 --> 00:12:28,240
national news media centers oh yeah and

285
00:12:33,690 --> 00:12:30,610
most of them ended up being the so

286
00:12:35,960 --> 00:12:33,700
called national security reporters there

287
00:12:37,830 --> 00:12:35,970
you go so why why does anybody believe

288
00:12:39,510 --> 00:12:37,840

anything is coming out of mainstream

289

00:12:41,190 --> 00:12:39,520

media we've known this for years you

290

00:12:44,550 --> 00:12:41,200

have Project Mockingbird you have all

291

00:12:46,170 --> 00:12:44,560

this kind of stuff and so why I just

292

00:12:49,020 --> 00:12:46,180

don't get it maybe this is easier to

293

00:12:51,600 --> 00:12:49,030

digest in accept it than have to really

294

00:12:55,230 --> 00:12:51,610

think about it I guess seizure go on

295

00:12:56,700 --> 00:12:55,240

with your life and day we just what did

296

00:12:58,050 --> 00:12:56,710

you send in the in the chat that you got

297

00:12:59,640 --> 00:12:58,060

some second stuff you put in a chat

298

00:13:02,340 --> 00:12:59,650

there Joe yeah it's just for you guys

299

00:13:05,490 --> 00:13:02,350

looking at later basically I mean I sent

300

00:13:07,980 --> 00:13:05,500

the page that I was reading from with

301

00:13:09,990 --> 00:13:07,990

the interview and then another thing

302

00:13:11,970 --> 00:13:10,000

which is probably Carl Sagan talking

303

00:13:14,280 --> 00:13:11,980

about how aliens and UFOs are not real

304

00:13:15,870 --> 00:13:14,290

or whatever but I don't know what could

305

00:13:18,870 --> 00:13:15,880

Sagan said about all that stuff I loved

306

00:13:21,240 --> 00:13:18,880

Sagan stuff I used to watch we're not in

307

00:13:23,670 --> 00:13:21,250

the universe house yeah I liked it too

308

00:13:25,560 --> 00:13:23,680

it's good yeah I didn't I don't really

309

00:13:27,600 --> 00:13:25,570

have anything against because I don't

310

00:13:29,790 --> 00:13:27,610

know enough about his stance one way or

311

00:13:32,430 --> 00:13:29,800

the other and I should state upfront

312

00:13:34,290 --> 00:13:32,440

that I'm not being paid by this uh by

313

00:13:36,690 --> 00:13:34,300

dr. Steven Greer to talk about his movie

314

00:13:38,640 --> 00:13:36,700

but it's not an advertisement right this

315

00:13:40,080 --> 00:13:38,650

is just I'm just kind of this is what I

316

00:13:41,880 --> 00:13:40,090

watch this is what I did on Saturn I

317

00:13:45,330 --> 00:13:41,890

like on Saturday night I just watch sit

318

00:13:48,360 --> 00:13:45,340

around watch stuff about UFOs so I do

319

00:13:51,540 --> 00:13:48,370

have a few more clips that I will play

320

00:13:55,070 --> 00:13:51,550

killing what's that Jeff and keep on

321

00:13:59,130 --> 00:13:55,080

going keep on going this next clip is

322

00:14:04,680 --> 00:13:59,140

about Lockheed Martin Ben rich the the

323

00:14:06,990 --> 00:14:04,690

former CEO of Lockheed Martin and he's

324

00:14:09,720 --> 00:14:07,000

an interesting guy and he had a lot of

325

00:14:12,660 --> 00:14:09,730

interesting things to say we have things

326

00:14:14,670 --> 00:14:12,670

flying in a Nevada desert that are 50

327

00:14:16,350 --> 00:14:14,680

years beyond what you can comprehend if

328

00:14:18,840 --> 00:14:16,360

you've seen it on Star Wars or Star Trek

329

00:14:20,310 --> 00:14:18,850

we've been there done that or decided it

330

00:14:22,470 --> 00:14:20,320

wasn't worth the effort so that's coming

331

00:14:25,710 --> 00:14:22,480

from been rich been rich headed the

332

00:14:26,820 --> 00:14:25,720

skunk works between 1975 and 1991 this

333

00:14:29,280 --> 00:14:26,830

is the original letter

334

00:14:31,650 --> 00:14:29,290

from been rich on Lockheed advanced

335

00:14:34,140 --> 00:14:31,660

Aeronautics company letterhead I am a

336

00:14:36,090 --> 00:14:34,150

believer and so is Kelly Johnson and

337

00:14:39,620 --> 00:14:36,100

here it says dear Ben there are two

338

00:14:43,050 --> 00:14:39,630

categories a man-made UFOs be

339

00:14:45,840 --> 00:14:43,060

extraterrestrial UFOs Dear John yes I'm

340

00:14:47,220 --> 00:14:45,850

a believer in both categories I feel

341

00:14:50,400 --> 00:14:47,230

everything is possible

342

00:14:53,070 --> 00:14:50,410

many of our man-made UFOs were unfunded

343

00:14:54,930 --> 00:14:53,080

opportunities in both categories there

344

00:14:57,150 --> 00:14:54,940

are lots of coops and charlatans be

345

00:15:01,910 --> 00:14:57,160

cautious been rich we now have the

346

00:15:04,980 --> 00:15:01,920

technology to take e.t home Ben rich CEO

347

00:15:07,740 --> 00:15:04,990

Lockheed skunkworks it is being covered

348

00:15:09,720 --> 00:15:07,750

up but probably not for the reasons you

349

00:15:12,000 --> 00:15:09,730

might think within the intelligence

350

00:15:15,570 --> 00:15:12,010

communities they have something called

351

00:15:16,920 --> 00:15:15,580

ace in the hole technologies so secret

352

00:15:20,550 --> 00:15:16,930

they didn't even talk about it

353

00:15:23,310 --> 00:15:20,560

November 12th of 1988 was their dog and

354

00:15:26,070 --> 00:15:23,320

pony show a classified military exhibit

355

00:15:27,570 --> 00:15:26,080

at Norton Air Force Base and that often

356

00:15:29,280 --> 00:15:27,580

a separate section of the hangar behind

357

00:15:31,470 --> 00:15:29,290

occurred which was opened up once

358

00:15:33,360 --> 00:15:31,480

everyone had gathered were three of

359

00:15:36,090 --> 00:15:33,370

these so-called alien reproduction

360

00:15:38,250 --> 00:15:36,100

vehicles or a RVs the craft itself was

361

00:15:39,600 --> 00:15:38,260

hovering off the floor with no landing

362

00:15:42,180 --> 00:15:39,610

gear underneath had nothing supporting

363

00:15:44,670 --> 00:15:42,190

it from above to see something you know

364

00:15:46,950 --> 00:15:44,680

travel across 12 miles of airspace and

365

00:15:49,490 --> 00:15:46,960

under a second half make a couple of

366

00:15:51,930 --> 00:15:49,500

right angle turns and not make a

367

00:15:54,270 --> 00:15:51,940

supersonic shock wave of any kind no

368

00:15:57,210 --> 00:15:54,280

sonic boom which I personally witnessed

369

00:15:58,950 --> 00:15:57,220

on a number of occasions just it changes

370

00:16:02,420 --> 00:15:58,960

your whole perspective there were some

371

00:16:05,700 --> 00:16:02,430

very good folks like secretary Forrestal

372

00:16:08,100 --> 00:16:05,710

there you go so you got some pretty

373

00:16:12,080 --> 00:16:08,110

interesting stuff being said about men

374

00:16:15,540 --> 00:16:12,090

rich and what he said foggy is that

375

00:16:18,410 --> 00:16:15,550

Markie Martin and he said that they're

376

00:16:21,420 --> 00:16:18,420

talking about that technology in a 1988

377

00:16:23,700 --> 00:16:21,430

airshow having that bad technology and

378

00:16:24,840 --> 00:16:23,710

the quotes from Ben rich were they

379

00:16:28,080 --> 00:16:24,850

contributed about we have a technology

380

00:16:30,860 --> 00:16:28,090

to take e.t on those back in like 91 or

381

00:16:33,810 --> 00:16:30,870

the 80s oh wow they've had some

382

00:16:36,930 --> 00:16:33,820

according to me pretty awesome [h__h]

383

00:16:39,240 --> 00:16:36,940

technology for a long time and we seen

384

00:16:40,050 --> 00:16:39,250

[h__h] we're still drive around and

385

00:16:42,660 --> 00:16:40,060

converging

386

00:16:45,980 --> 00:16:42,670

and fire cars where our cars are powered

387

00:16:49,560 --> 00:16:45,990

by fire and pretty tiny explosions as to

388

00:16:52,950 --> 00:16:49,570

explosion gun yeah great thanks let's

389

00:16:55,200 --> 00:16:52,960

blow up dinosaur juice yes pretty much

390

00:16:57,030 --> 00:16:55,210

it's kind of ridiculous I mean this and

391

00:16:59,730 --> 00:16:57,040

this goes into that goes in some like

392

00:17:01,970 --> 00:16:59,740

some Tesla technology and what happened

393

00:17:04,830 --> 00:17:01,980

with Tesla what he was developing and

394

00:17:06,180 --> 00:17:04,840

why was kept secret it goes also into

395

00:17:08,850 --> 00:17:06,190

some free energy stuff that we talked

396

00:17:11,940 --> 00:17:08,860

about a few episodes ago with the guy in

397

00:17:15,030 --> 00:17:11,950

Columbus Ohio created a car that ran off

398

00:17:16,860 --> 00:17:15,040

the water so this listen movie touches

399

00:17:20,070 --> 00:17:16,870

on a lot of different subjects and it

400

00:17:20,640 --> 00:17:20,080

makes a good case that we're being

401

00:17:22,680 --> 00:17:20,650

hoodwinked

402

00:17:25,830 --> 00:17:22,690

we're being we're being hornswoggled

403

00:17:28,710 --> 00:17:25,840

goddammit don't you say on say yes we

404

00:17:32,760 --> 00:17:28,720

are Jews we're being lied to a little

405

00:17:37,980 --> 00:17:32,770

bit I refuse to believe that now these

406

00:17:39,660 --> 00:17:37,990

next two segments this gets into Project

407

00:17:43,500 --> 00:17:39,670

Blue Beam don't collide on't think they

408

00:17:45,090 --> 00:17:43,510

call it as such but this is or remind us

409

00:17:47,460 --> 00:17:45,100

what Blue Beam is against the project

410

00:17:51,710 --> 00:17:47,470

I'm not as up on the UFO thing Project

411

00:17:55,590 --> 00:17:51,720

Blue Beam would be a fake alien invasion

412

00:17:58,200 --> 00:17:55,600

basically the US government or any other

413

00:18:00,450 --> 00:17:58,210

government would create vehicles that

414

00:18:04,230 --> 00:18:00,460

look like UFOs and then they would act

415

00:18:07,400 --> 00:18:04,240

like they would be coming into the the

416

00:18:10,500 --> 00:18:07,410

the airspace of the United States and

417

00:18:12,620 --> 00:18:10,510

attacking or abducting people to cause

418

00:18:17,610 --> 00:18:12,630

fear and panic within the population

419

00:18:21,540 --> 00:18:17,620

okay to elicit a policy response or

420

00:18:24,600 --> 00:18:21,550

public outcry mmm that's what you want

421

00:18:27,840 --> 00:18:24,610

that's what you need then and here is

422

00:18:29,550 --> 00:18:27,850

the the first one right here they could

423

00:18:31,740 --> 00:18:29,560

pull it off they could definitely pull

424

00:18:34,440 --> 00:18:31,750

it off right now they have the

425

00:18:35,320 --> 00:18:34,450

technology to mimic the form fit and

426

00:18:37,600 --> 00:18:35,330

function

427

00:18:40,030 --> 00:18:37,610

of extraterrestrial UFOs they have the

428

00:18:41,920 --> 00:18:40,040

technology absolutely it's seamless and

429

00:18:43,600 --> 00:18:41,930

you can never tell the difference if

430

00:18:44,920 --> 00:18:43,610

they do have a false flag invasion

431

00:18:46,750 --> 00:18:44,930

they're going to use one of these this

432

00:18:50,680 --> 00:18:46,760

is the Hudson Valley boomerang this is

433

00:18:53,200 --> 00:18:50,690

1982 to 1989 over 25,000 eyewitnesses

434

00:18:55,990 --> 00:18:53,210

reported this craft they can use these

435

00:18:58,570 --> 00:18:56,000

saucers the cigars the pyramids the

436

00:19:00,460 --> 00:18:58,580

triangles as a United coalition and

437

00:19:03,550 --> 00:19:00,470

that's how they're going to do it we're

438

00:19:05,910 --> 00:19:03,560

talking about 150 to 170 two feet across

439

00:19:08,560 --> 00:19:05,920

for the wingspan which is the identical

440

00:19:11,260 --> 00:19:08,570

wingspan of the b-2 stealth bomber so

441

00:19:13,570 --> 00:19:11,270

the question we need to ask is was some

442

00:19:15,490 --> 00:19:13,580

of that 22 point four billion used on

443

00:19:17,710 --> 00:19:15,500

the beach according to this program it's

444

00:19:21,340 --> 00:19:17,720

the exact same time frame when they

445

00:19:23,410 --> 00:19:21,350

power up and when they accelerate it

446

00:19:25,270 --> 00:19:23,420

looks like a spark off a grimy land you

447

00:19:27,310 --> 00:19:25,280

could never know the difference so if

448

00:19:29,560 --> 00:19:27,320

they wanted to hoax an alien invasion

449

00:19:33,760 --> 00:19:29,570

they could do it and they could do it in

450

00:19:36,250 --> 00:19:33,770

a way that's a hundred percent this

451
00:19:37,030 --> 00:19:36,260
pretty so parallel projects are talking

452
00:19:39,280 --> 00:19:37,040
about while they're building

453
00:19:41,740 --> 00:19:39,290
conventional bombers nothing not even

454
00:19:43,060 --> 00:19:41,750
like the b2 inside at the time it wasn't

455
00:19:44,650 --> 00:19:43,070
conventional because that stealth

456
00:19:47,530 --> 00:19:44,660
technology but there'd bottle sum of

457
00:19:49,980 --> 00:19:47,540
money to a very similar-looking craft

458
00:19:53,350 --> 00:19:49,990
but with a different propulsion system

459
00:19:54,760 --> 00:19:53,360
so we just not had an instance where

460
00:19:56,620 --> 00:19:54,770
we'd have to use this technology yet

461
00:20:00,160 --> 00:19:56,630
publicly or maybe it's being used right

462
00:20:02,260 --> 00:20:00,170
now I honestly I don't know like why we

463
00:20:04,030 --> 00:20:02,270

if this is a sin the whole technology

464

00:20:05,800 --> 00:20:04,040

why wouldn't you just take use it and

465

00:20:07,810 --> 00:20:05,810

take out all your enemies but at that

466

00:20:10,330 --> 00:20:07,820

point you're making a lot of money off

467

00:20:12,070 --> 00:20:10,340

of being at in constant war in constant

468

00:20:14,470 --> 00:20:12,080

conflict so this money continues to pour

469

00:20:16,150 --> 00:20:14,480

into these programs so everyone gets a

470

00:20:22,960 --> 00:20:16,160

[h__h] paycheck it's welfare for the

471

00:20:24,970 --> 00:20:22,970

for the war machine yeah you can't have

472

00:20:28,840 --> 00:20:24,980

for education in universal healthcare

473

00:20:31,870 --> 00:20:28,850

when you're building [h__h] UFOs mm-hmm

474

00:20:33,900 --> 00:20:31,880

remember that Romero uses the Carol

475

00:20:37,300 --> 00:20:33,910

rosin chick was always talking about

476
00:20:38,740 --> 00:20:37,310
Verner von braun talking about how they

477
00:20:42,400 --> 00:20:38,750
were going to make the fake alien

478
00:20:44,920 --> 00:20:42,410
invasion and all that stuff was coming

479
00:20:46,000 --> 00:20:44,930
after the Cold War I remember that one

480
00:20:47,650 --> 00:20:46,010
week all we have

481
00:20:49,270 --> 00:20:47,660
double-time they think they go into that

482
00:20:51,550 --> 00:20:49,280
in this documentary as well they talked

483
00:20:56,260 --> 00:20:51,560
about over and around Braun and his

484
00:21:00,130 --> 00:20:56,270
warning he saw this kind of deep state

485
00:21:01,570 --> 00:21:00,140
this deep super-secret kind of projects

486
00:21:03,370 --> 00:21:01,580
getting out of control and almost having

487
00:21:07,000 --> 00:21:03,380
you're having when you have this kind of

488
00:21:09,100 --> 00:21:07,010

technology in the hands of so few is a

489

00:21:10,960 --> 00:21:09,110

breakaway civilization when you can just

490

00:21:13,090 --> 00:21:10,970

go and do whatever the hell you want and

491

00:21:14,140 --> 00:21:13,100

go to different planets and not tell

492

00:21:16,060 --> 00:21:14,150

anybody you have a breakaway

493

00:21:18,520 --> 00:21:16,070

civilization you have special access to

494

00:21:20,500 --> 00:21:18,530

knowledge of universe in the solar

495

00:21:21,970 --> 00:21:20,510

system that the rest of the population

496

00:21:26,830 --> 00:21:21,980

doesn't and so they're making a

497

00:21:27,970 --> 00:21:26,840

unilateral decisions for for almost our

498

00:21:29,920 --> 00:21:27,980

entire solar system and who they

499

00:21:31,420 --> 00:21:29,930

interact with if there are are other

500

00:21:33,760 --> 00:21:31,430

alien species and they're making these

501
00:21:38,110 --> 00:21:33,770
deals we're not eating part of this [h__h]

502
00:21:42,160 --> 00:21:38,120
where's Captain Kirk [h__h] do you

503
00:21:44,890 --> 00:21:42,170
remember this news article from this was

504
00:21:50,320 --> 00:21:44,900
2007 human race will split into two

505
00:21:53,380 --> 00:21:50,330
different species I off of what you were

506
00:21:54,970 --> 00:21:53,390
just saying I I do remember the headline

507
00:21:55,380 --> 00:21:54,980
I don't remember exactly what it was

508
00:21:58,120 --> 00:21:55,390
about

509
00:21:59,830 --> 00:21:58,130
it's a the human race will split into

510
00:22:01,510 --> 00:21:59,840
two different species and attractive

511
00:22:03,460 --> 00:22:01,520
intelligent ruling elite and an

512
00:22:05,440 --> 00:22:03,470
underclass of dim-witted ugly

513
00:22:10,720 --> 00:22:05,450

goblin-like creatures according to a top

514

00:22:12,970 --> 00:22:10,730

scientists they're making the arguments

515

00:22:16,570 --> 00:22:12,980

and you're just saying now breakaway

516

00:22:18,970 --> 00:22:16,580

civilization yeah and there'd it'd be

517

00:22:21,400 --> 00:22:18,980

like down here like Judd babies yeah we

518

00:22:22,870 --> 00:22:21,410

will just eat and rats and [h__h] and

519

00:22:25,600 --> 00:22:22,880

they're going to be flying around you

520

00:22:27,040 --> 00:22:25,610

know banging in UFOs you know I'm to be

521

00:22:29,290 --> 00:22:27,050

forced to make money in some kind of

522

00:22:31,270 --> 00:22:29,300

like donkey show or something because

523

00:22:33,790 --> 00:22:31,280

I'm just trying to feed Bucky yeah I

524

00:22:36,220 --> 00:22:33,800

mean because I have to feed my dog and

525

00:22:37,540 --> 00:22:36,230

I'll be eating dog food and my dog will

526

00:22:42,070 --> 00:22:37,550

be eating cat food just gonna be bad

527

00:22:42,460 --> 00:22:42,080

people I don't want that nobody wants

528

00:22:48,640 --> 00:22:42,470

that

529

00:22:49,930 --> 00:22:48,650

now I do have a one well I'm a budget I

530

00:22:53,260 --> 00:22:49,940

think this is going to be the last one

531

00:22:56,620 --> 00:22:53,270

arm when it comes to overtalk are now

532

00:22:59,740 --> 00:22:56,630

lead movie unacknowledged so you asked

533

00:23:02,529 --> 00:22:59,750

about alien penises

534

00:23:06,100 --> 00:23:02,539

and at least alien Anatomy doesn't

535

00:23:08,500 --> 00:23:06,110

really go into penises but in this one

536

00:23:10,899 --> 00:23:08,510

this talks about this is the second part

537

00:23:13,960 --> 00:23:10,909

to the alien false flag and it kind of

538

00:23:18,039 --> 00:23:13,970

goes into talking about what these

539

00:23:21,279 --> 00:23:18,049

beings possibly could be they started

540

00:23:25,299 --> 00:23:21,289

doing all kinds of psychological warfare

541

00:23:29,110 --> 00:23:25,309

and Trainmen of the public by staging

542

00:23:31,539 --> 00:23:29,120

hoaxed events such as cattle mutilations

543

00:23:34,270 --> 00:23:31,549

oh it's Appliance also did that the

544

00:23:37,960 --> 00:23:34,280

covert paramilitary program human so if

545

00:23:40,360 --> 00:23:37,970

you wanted to start indoctrinated into a

546

00:23:42,730 --> 00:23:40,370

false threat from outer space that

547

00:23:46,360 --> 00:23:42,740

Wernher von Braun warned us about you

548

00:23:49,539 --> 00:23:46,370

would start staging events that look

549

00:23:52,240 --> 00:23:49,549

alien but that are completely man-made

550

00:23:55,000 --> 00:23:52,250

that are scary and scare the hell out of

551
00:23:56,919 --> 00:23:55,010
people UFO encounters are categorized

552
00:23:58,960 --> 00:23:56,929
into four groups close encounters of the

553
00:24:00,390 --> 00:23:58,970
Fourth Kind include people who claim to

554
00:24:02,500 --> 00:24:00,400
have been abducted by extraterrestrials

555
00:24:04,720 --> 00:24:02,510
if you had a close encounter of the

556
00:24:06,399 --> 00:24:04,730
Fourth Kind and you are back you're

557
00:24:07,270 --> 00:24:06,409
anxious to hear from you enter stage

558
00:24:09,370 --> 00:24:07,280
left

559
00:24:12,100 --> 00:24:09,380
you got these sort of anti-gravity

560
00:24:14,860 --> 00:24:12,110
devices with creatures that look like

561
00:24:17,590 --> 00:24:14,870
ETS that are actually man-made robotic

562
00:24:20,470 --> 00:24:17,600
system they're called program life-forms

563
00:24:24,419 --> 00:24:20,480

and you hear that okay program

564

00:24:28,299 --> 00:24:24,429

life-forms so that he basically

565

00:24:30,130 --> 00:24:28,309

engineered robots which is always the

566

00:24:32,169 --> 00:24:30,140

not speculation about how these

567

00:24:34,779 --> 00:24:32,179

creatures could travel so far across

568

00:24:36,490 --> 00:24:34,789

light-years welder they're they're made

569

00:24:38,350 --> 00:24:36,500

they're basically an island robots

570

00:24:40,960 --> 00:24:38,360

they're not real they have no emotion of

571

00:24:42,610 --> 00:24:40,970

a major theory about the greys is that

572

00:24:45,399 --> 00:24:42,620

they're actually indeed these kind of

573

00:24:46,690 --> 00:24:45,409

yep bio robots but he's saying dr.

574

00:24:51,390 --> 00:24:46,700

greaver saying that they're actually

575

00:24:54,370 --> 00:24:51,400

made here by us as a way to create this

576
00:24:56,890 --> 00:24:54,380
psychological conditioning on the on us

577
00:25:00,909 --> 00:24:56,900
the population come bizarre-o

578
00:25:03,340 --> 00:25:00,919
continuance clip robotic system they're

579
00:25:05,010 --> 00:25:03,350
called program life-forms and you start

580
00:25:08,650 --> 00:25:05,020
doing select

581
00:25:09,520 --> 00:25:08,660
interfaces with the public we did do

582
00:25:13,050 --> 00:25:09,530
that yes

583
00:25:17,230 --> 00:25:13,060
OSI did that there was a special group

584
00:25:20,320 --> 00:25:17,240
out of the 7600 second year Intel wing

585
00:25:25,330 --> 00:25:20,330
at Fort Belvoir Becky Mountain did that

586
00:25:26,640 --> 00:25:25,340
they had these people they had maybe

587
00:25:27,890 --> 00:25:26,650
some sort of defects

588
00:25:32,120 --> 00:25:27,900

[Music]

589

00:25:34,970 --> 00:25:32,130

economic effects that were brought

590

00:25:35,659 --> 00:25:34,980

brought into to fool people and thinking

591

00:25:38,810 --> 00:25:35,669

they're aliens

592

00:25:41,210 --> 00:25:38,820

yeah I can't give you any specifics

593

00:25:43,070 --> 00:25:41,220

because it's the program is so

594

00:25:44,899 --> 00:25:43,080

classified and they probably still doing

595

00:25:48,350 --> 00:25:44,909

it I wouldn't doubt Donna they were

596

00:25:52,240 --> 00:25:48,360

still doing it so this guy's bringing

597

00:25:54,350 --> 00:25:52,250

MIT people with defects to act like

598

00:25:57,140 --> 00:25:54,360

aliens so they can create these

599

00:25:59,240 --> 00:25:57,150

abduction scenarios so people are

600

00:26:01,639 --> 00:25:59,250

traumatized so they'll tell the story so

601
00:26:06,260 --> 00:26:01,649
we believe in alien abduction this seems

602
00:26:08,210 --> 00:26:06,270
so fantastical but it does go with the

603
00:26:09,889 --> 00:26:08,220
Mirage men thing where it's like we want

604
00:26:13,399 --> 00:26:09,899
you to believe we just don't want you to

605
00:26:14,870 --> 00:26:13,409
know what to believe what the right

606
00:26:17,419 --> 00:26:14,880
things are to believe this is like the

607
00:26:20,180 --> 00:26:17,429
hologram plane thing in the 911

608
00:26:20,600 --> 00:26:20,190
conspiracy [h__\h] yeah so we don't even

609
00:26:23,299 --> 00:26:20,610
know

610
00:26:26,690 --> 00:26:23,309
so these alien abductions one if they're

611
00:26:28,789 --> 00:26:26,700
real are they even being done by aliens

612
00:26:33,200 --> 00:26:28,799
at this point are they here are our own

613
00:26:36,169 --> 00:26:33,210

government and yeah and so is the

614

00:26:39,590 --> 00:26:36,179

missing 411 part of this as well is the

615

00:26:41,870 --> 00:26:39,600

missing 411 are these abductions being

616

00:26:46,070 --> 00:26:41,880

perpetrated by fake aliens created by

617

00:26:51,200 --> 00:26:46,080

our own government hell yeah they you

618

00:26:54,799 --> 00:26:51,210

know that that's a little uh it's quite

619

00:26:57,919 --> 00:26:54,809

a theory yes it is quite a theory I

620

00:26:59,960 --> 00:26:57,929

think it's crazy enough to be true well

621

00:27:02,240 --> 00:26:59,970

that is true the law I mean the most

622

00:27:04,010 --> 00:27:02,250

more outlandish and unlikely it is the

623

00:27:05,480 --> 00:27:04,020

actually more likely it is to be true it

624

00:27:06,980 --> 00:27:05,490

is prune as well thank you for reminding

625

00:27:09,680 --> 00:27:06,990

me of prunes well we need to bring back

626
00:27:12,310 --> 00:27:09,690
prunes law more and more like Occam's

627
00:27:15,139 --> 00:27:12,320
razor but backwards yes

628
00:27:18,260 --> 00:27:15,149
it's bizarre like when you when you when

629
00:27:20,269 --> 00:27:18,270
you go down the rabbit hole this far to

630
00:27:22,250 --> 00:27:20,279
like it's one thing to acknowledge and

631
00:27:24,409 --> 00:27:22,260
kind of believe in the possibility of

632
00:27:26,360 --> 00:27:24,419
aliens exist and yeah they might be here

633
00:27:29,480 --> 00:27:26,370
on earth and sure I could see them

634
00:27:33,409 --> 00:27:29,490
wanting to do abductions and experiments

635
00:27:35,180 --> 00:27:33,419
on on human beings but then to go to the

636
00:27:37,039 --> 00:27:35,190
next step say oh well they're not really

637
00:27:40,000 --> 00:27:37,049
aliens they're actually biological

638
00:27:41,680 --> 00:27:40,010

robots created by our own government to

639

00:27:44,860 --> 00:27:41,690

create panic and

640

00:27:49,049 --> 00:27:44,870

here so when there is an actual fake

641

00:27:52,690 --> 00:27:49,059

alien war you'll be willing to fight it

642

00:27:55,090 --> 00:27:52,700

this is it's so insane but then if we

643

00:27:58,149 --> 00:27:55,100

keep having alien abductions occur over

644

00:28:00,330 --> 00:27:58,159

- over what 50 60 years now how much

645

00:28:03,190 --> 00:28:00,340

experimenting do these aliens have to do

646

00:28:04,749 --> 00:28:03,200

you figured they'd collect that DNA by

647

00:28:06,159 --> 00:28:04,759

now everything they needed but of course

648

00:28:08,619 --> 00:28:06,169

they don't know if they're doing I don't

649

00:28:10,330 --> 00:28:08,629

know they just want to tickle some balls

650

00:28:14,619 --> 00:28:10,340

and play with some B holes I don't know

651
00:28:17,139 --> 00:28:14,629
either Sick Puppies probably what it is

652
00:28:19,740 --> 00:28:17,149
yeah that's what I would do to invented

653
00:28:22,860 --> 00:28:19,750
robots I just want to tickle ball yeah

654
00:28:26,619 --> 00:28:22,870
it's a billion dollar robot ball tickler

655
00:28:29,619 --> 00:28:26,629
be surprised maybe have an anti-gravity

656
00:28:35,249 --> 00:28:29,629
ball to curse my crabs big balls the

657
00:28:38,399 --> 00:28:35,259
whole touchiers yes why not ah boy um

658
00:28:42,039 --> 00:28:38,409
yeah it's when you it's it's

659
00:28:44,700 --> 00:28:42,049
mind-boggling to really kind of consider

660
00:28:47,799 --> 00:28:44,710
stuff and it's insane

661
00:28:49,810 --> 00:28:47,809
but it's fun food for thought at a

662
00:28:51,100 --> 00:28:49,820
certain point because you have to

663
00:28:53,169 --> 00:28:51,110

consider this kind of stuff and I do

664

00:28:55,629 --> 00:28:53,179

have AI 5 clip Clips here from like a

665

00:29:00,009 --> 00:28:55,639

Podesta talking about this I have stuff

666

00:29:04,180 --> 00:29:00,019

from the Canadian military talking about

667

00:29:09,279 --> 00:29:04,190

this and and how this scientists tried

668

00:29:11,919 --> 00:29:09,289

to undermine any sort of valid sighting

669

00:29:13,149 --> 00:29:11,929

of a UFO when Project Blue Book came out

670

00:29:14,139 --> 00:29:13,159

and all that kind of stuff there's a lot

671

00:29:16,539 --> 00:29:14,149

of information in this documentary

672

00:29:19,119 --> 00:29:16,549

highly recommend it go on Amazon

673

00:29:21,190 --> 00:29:19,129

purchase it and share it with your loved

674

00:29:23,470 --> 00:29:21,200

ones and then put yourself your own

675

00:29:30,440 --> 00:29:23,480

alien and tickle some pee holes

676

00:29:37,820 --> 00:29:35,360

oh all right we sitting there Joe I

677

00:29:40,730 --> 00:29:37,830

think what I said I think you get to

678

00:29:49,220 --> 00:29:40,740

cash that check now for promoting their

679

00:29:51,260 --> 00:29:49,230

movie I should all \$15 yeah and then

680

00:29:51,890 --> 00:29:51,270

cash that one from Vladimir Putin too

681

00:29:55,250 --> 00:29:51,900

would you

682

00:29:58,760 --> 00:29:55,260

oh sure thanks for uh sure Thank You

683

00:30:02,930 --> 00:29:58,770

Russia ah boy

684

00:30:06,860 --> 00:30:02,940

um Joe what do you know what do you got

685

00:30:11,810 --> 00:30:06,870

I don't I mean I've got everything at

686

00:30:16,910 --> 00:30:11,820

all I adapt its go I got Bigfoot stuff

687

00:30:17,570 --> 00:30:16,920

for Pete's sakes what it's [h__h] well

688

00:30:19,820 --> 00:30:17,580

okay

689

00:30:21,320 --> 00:30:19,830

then tell me what I want to do I think

690

00:30:22,880 --> 00:30:21,330

the Bigfoot thing might be better for

691

00:30:25,010 --> 00:30:22,890

the Saturday show so you should tune
