

# HUMAN VS BIGFOOT

PARENTAL  
ADVISORY  
EXPLICIT CONTENT

1  
00:00:00,320 --> 00:00:06,909  
[Applause]

2  
00:00:15,650 --> 00:00:11,379  
excuse me ma'am in pain

3  
00:00:22,020 --> 00:00:15,660  
early bird gets the worm oh that's a new

4  
00:00:28,359 --> 00:00:24,970  
thank you and hello welcome back to

5  
00:00:32,860 --> 00:00:28,369  
monsters talking about them and this is

6  
00:00:35,950 --> 00:00:32,870  
the I like to call the attack a tape

7  
00:00:38,619 --> 00:00:35,960  
canyon the story I found online was you

8  
00:00:42,310 --> 00:00:38,629  
repeat that you broke up I really held

9  
00:00:43,810 --> 00:00:42,320  
the attack a tape canyon okay

10  
00:00:46,390 --> 00:00:43,820  
yeah let me know if I break up when I'm

11  
00:00:49,119 --> 00:00:46,400  
going through this so I could make sure

12  
00:00:50,830 --> 00:00:49,129  
it's all recorded but uh when I

13  
00:00:53,500 --> 00:00:50,840

originally found this but I found it

14

00:00:55,060 --> 00:00:53,510

online the actual title is called I

15

00:00:57,220 --> 00:00:55,070

thought the eight men of Mount st.

16

00:00:58,389 --> 00:00:57,230

Helens Washington the attack in Canada I

17

00:01:01,630 --> 00:00:58,399

think is a better name for it but either

18

00:01:04,299 --> 00:01:01,640

way this is done by a stories told by

19

00:01:05,650 --> 00:01:04,309

Fred Beck of Kelso Washington he was a

20

00:01:09,700 --> 00:01:05,660

member of the party that were attacked

21

00:01:11,200 --> 00:01:09,710

by these uh what Apes if you will and it

22

00:01:13,090 --> 00:01:11,210

was recorded by his son he told the

23

00:01:15,130 --> 00:01:13,100

story to his son as soon it was

24

00:01:18,580 --> 00:01:15,140

published online now mind you just took

25

00:01:21,580 --> 00:01:18,590

place in July of 1924 party of five

26  
00:01:24,730 --> 00:01:21,590  
miners were attacked by these 895 I love

27  
00:01:27,609 --> 00:01:24,740  
that show greater act five miners as in

28  
00:01:29,560 --> 00:01:27,619  
their gold prospectors not under 18 okay

29  
00:01:34,530 --> 00:01:29,570  
oh man because it sounded pretty hot

30  
00:01:36,730 --> 00:01:34,540  
alright yeah peachy certain um perfect

31  
00:01:39,190 --> 00:01:36,740  
in the area of Mount st. Helens

32  
00:01:41,230 --> 00:01:39,200  
Washington and apparently had been

33  
00:01:44,289 --> 00:01:41,240  
prospecting there for about six years in

34  
00:01:46,149 --> 00:01:44,299  
the scene a Lewis River area and from

35  
00:01:48,399 --> 00:01:46,159  
time to time there they'd come across

36  
00:01:50,080 --> 00:01:48,409  
these rather large tracts in creek beds

37  
00:01:53,350 --> 00:01:50,090  
and largest they said that they had

38  
00:01:58,149 --> 00:01:53,360

measured measured nineteen inches in

39

00:01:59,590 --> 00:01:58,159

length now in the middle of July in 1924

40

00:02:01,780 --> 00:01:59,600

they had set out to their cabin they had

41

00:02:06,580 --> 00:02:01,790

built their by their their claim they'd

42

00:02:08,080 --> 00:02:06,590

staked given for prospecting now all

43

00:02:10,749 --> 00:02:08,090

throughout the first week they heard

44

00:02:13,150 --> 00:02:10,759

noises during the evening the first week

45

00:02:16,060 --> 00:02:13,160

of their arrival that is their shrill

46

00:02:17,199 --> 00:02:16,070

peculiar whistling they hear coming from

47

00:02:20,500 --> 00:02:17,209

one ridge and then they'd hear an

48

00:02:21,759 --> 00:02:20,510

answering this loop like that you hear

49

00:02:23,949 --> 00:02:21,769

that at one rage was the need here

50

00:02:25,860 --> 00:02:23,959

another one yet correct yeah that it

51  
00:02:31,500 --> 00:02:25,870  
comes from a different Ridge exactly

52  
00:02:34,930 --> 00:02:31,510  
maybe it was an echo perhaps but as we

53  
00:02:36,670 --> 00:02:34,940  
find out it was definitely no echo

54  
00:02:40,780 --> 00:02:36,680  
they also heard booming and thumping

55  
00:02:42,880 --> 00:02:40,790  
sounds in the distance hmm now one day

56  
00:02:44,590 --> 00:02:42,890  
the I guess you could say the morning

57  
00:02:46,780 --> 00:02:44,600  
prior to the attack

58  
00:02:48,610 --> 00:02:46,790  
two people would have been the guy

59  
00:02:50,650 --> 00:02:48,620  
telling the story Fred and another guy

60  
00:02:54,160 --> 00:02:50,660  
Hank went to go get water and a stream

61  
00:02:55,360 --> 00:02:54,170  
about 100 yards from the cabin now they

62  
00:02:56,710 --> 00:02:55,370  
took their rifles with him because of

63  
00:02:59,890 --> 00:02:56,720

the sound they'd been hearing and during

64

00:03:01,690 --> 00:02:59,900

the evening and night at their cabin now

65

00:03:03,850 --> 00:03:01,700

they're going to the stream one person

66

00:03:06,190 --> 00:03:03,860

the guy Hank yelled raised his rifle and

67

00:03:08,080 --> 00:03:06,200

when Fred had looked up he saw a hairy

68

00:03:11,560 --> 00:03:08,090

creature about a hundred yards away on

69

00:03:13,060 --> 00:03:11,570

the side of a little canyon it was at

70

00:03:14,560 --> 00:03:13,070

this time we went behind a tree and

71

00:03:16,210 --> 00:03:14,570

poked its head out from one side and

72

00:03:18,100 --> 00:03:16,220

that's when they apparently had they

73

00:03:23,170 --> 00:03:18,110

opened fire on it pretty sure was

74

00:03:25,000 --> 00:03:23,180

estimated right Wow dead-on and they

75

00:03:28,420 --> 00:03:25,010

thought the creature was about 70 feet

76  
00:03:29,760 --> 00:03:28,430  
tall with a blackish brown hair and now

77  
00:03:31,810 --> 00:03:29,770  
after they opened fire on it it

78  
00:03:33,550 --> 00:03:31,820  
disappeared from their view for a short

79  
00:03:36,370 --> 00:03:33,560  
time but then they saw it running fast

80  
00:03:36,790 --> 00:03:36,380  
and upright about 200 yards down little

81  
00:03:38,980 --> 00:03:36,800  
Canyon

82  
00:03:44,970 --> 00:03:38,990  
it took a few more potshots at it before

83  
00:03:50,170 --> 00:03:47,320  
enjoying the 8 you the Alex Jones

84  
00:03:52,450 --> 00:03:50,180  
goodness sound effects perfect yeah Alex

85  
00:03:54,970 --> 00:03:52,460  
Jones fully work you want to play better

86  
00:03:56,770 --> 00:03:54,980  
get those ready for ya you better get

87  
00:03:58,360 --> 00:03:56,780  
those ready for later because uh-huh

88  
00:04:00,190 --> 00:03:58,370

they took their water back and explained

89

00:04:02,200 --> 00:04:00,200

the incident to the rest of the mining

90

00:04:03,700 --> 00:04:02,210

party and everyone in the party agreed

91

00:04:06,100 --> 00:04:03,710

that they should leave first light the

92

00:04:07,780 --> 00:04:06,110

next morning as it was too dark to leave

93

00:04:09,310 --> 00:04:07,790

right then to get back to their truck

94

00:04:12,790 --> 00:04:09,320

which I believe was a few hours hike

95

00:04:14,710 --> 00:04:12,800

away over they had parked it so at

96

00:04:16,720 --> 00:04:14,720

approximately midnight at that night

97

00:04:18,190 --> 00:04:16,730

everyone was awakened the guy Hank was

98

00:04:21,190 --> 00:04:18,200

sleeping on the floor was yelling and

99

00:04:23,620 --> 00:04:21,200

kicking but the noise is awakened

100

00:04:26,640 --> 00:04:23,630

actually everybody in the cabin with a

101  
00:04:30,160 --> 00:04:26,650  
tremendous thud against the cabin wall I

102  
00:04:33,580 --> 00:04:30,170  
have now what it looks dad you know what

103  
00:04:35,560 --> 00:04:33,590  
happened what did happen was one of

104  
00:04:37,600 --> 00:04:35,570  
these creatures apparently made that

105  
00:04:39,550 --> 00:04:37,610  
sound and hit the cabin so hard I know

106  
00:04:41,200 --> 00:04:39,560  
V they call it chinking but it's the

107  
00:04:42,640 --> 00:04:41,210  
stuff that holds the cabin logs together

108  
00:04:45,260 --> 00:04:42,650  
when you're looking at old wood cabin

109  
00:04:46,760 --> 00:04:45,270  
don't that kind of like grout

110  
00:04:52,940 --> 00:04:46,770  
that some of that had been not free and

111  
00:04:54,170 --> 00:04:52,950  
landed on the guy Hank so they heard a

112  
00:04:55,610 --> 00:04:54,180  
great commotion outside it's not like

113  
00:04:57,170 --> 00:04:55,620

there's a great number of feet trampling

114

00:05:00,080 --> 00:04:57,180

around rattling all over a pile of

115

00:05:02,630 --> 00:05:00,090

unused they said shakes and I look the

116

00:05:04,490 --> 00:05:02,640

word up Airy it's archaic I think it

117

00:05:07,250 --> 00:05:04,500

means like mine shaking you know like

118

00:05:09,230 --> 00:05:07,260

gold panning pans so imagine a bunch of

119

00:05:17,120 --> 00:05:09,240

feet running over metal gold banging

120

00:05:21,080 --> 00:05:17,130

pans that's like this admission you can

121

00:05:22,550 --> 00:05:21,090

okay just why I don't know but I guess

122

00:05:23,930 --> 00:05:22,560

that'll be closest we can get unless you

123

00:05:25,370 --> 00:05:23,940

want to go get some pans from downstairs

124

00:05:27,800 --> 00:05:25,380

and jump up and down on them you can't

125

00:05:31,190 --> 00:05:27,810

do that so at this point everyone grab

126

00:05:35,060 --> 00:05:31,200

their guns and currently the only were

127

00:05:38,600 --> 00:05:35,070

able to see progressive applicants not

128

00:05:40,400 --> 00:05:38,610

exactly and but they were only able to

129

00:05:42,170 --> 00:05:40,410

ever able to see three creatures

130

00:05:43,880 --> 00:05:42,180

together at a time outside of the hole

131

00:05:46,910 --> 00:05:43,890

that had just been knocked in the wall

132

00:05:48,800 --> 00:05:46,920

of the cabin now this is really when the

133

00:05:51,050 --> 00:05:48,810

attack started they started throwing the

134

00:05:53,720 --> 00:05:51,060

they the creatures turn to three large

135

00:05:54,920 --> 00:05:53,730

and small rock some of them none of them

136

00:05:56,450 --> 00:05:54,930

breached the cabin but some of them did

137

00:05:57,020 --> 00:05:56,460

actually fall through the chimney of the

138

00:05:59,330 --> 00:05:57,030

fireplace

139

00:06:01,930 --> 00:05:59,340

now they shot their guns hours when

140

00:06:04,460 --> 00:06:01,940

every time their creatures attacked and

141

00:06:06,200 --> 00:06:04,470

they especially everyone freaked out

142

00:06:09,170 --> 00:06:06,210

open to fire when the creatures got on

143

00:06:12,800 --> 00:06:09,180

the roof of the cabin and apparently got

144

00:06:15,700 --> 00:06:12,810

on the roof the cabin Jesus Christ it's

145

00:06:17,090 --> 00:06:15,710

a full-on sasquatch assault yeah it

146

00:06:19,610 --> 00:06:17,100

sounds good

147

00:06:21,890 --> 00:06:19,620

that's hot mmm but they also during the

148

00:06:24,080 --> 00:06:21,900

attack did break apart one of the bunks

149

00:06:25,730 --> 00:06:24,090

to get one of a long pole from other

150

00:06:27,650 --> 00:06:25,740

bunk beds to press up against the door

151  
00:06:28,910 --> 00:06:27,660  
because the creatures were pushing

152  
00:06:31,730 --> 00:06:28,920  
against it and the whole drawer was

153  
00:06:34,340 --> 00:06:31,740  
vibrating from every impact wow this

154  
00:06:35,570 --> 00:06:34,350  
whole like there's a lot of words and

155  
00:06:37,580 --> 00:06:35,580  
what you're talking about that sound

156  
00:06:38,900 --> 00:06:37,590  
really hot maybe take some of the other

157  
00:06:42,380 --> 00:06:38,910  
words out big time

158  
00:06:45,860 --> 00:06:42,390  
yeah polls and impact and I find it

159  
00:06:47,270 --> 00:06:45,870  
flooding it yeah the others see the

160  
00:06:51,830 --> 00:06:47,280  
black a feeling of Edom was also in the

161  
00:06:56,450 --> 00:06:51,840  
cabin with them apparently fired tons of

162  
00:06:59,499 --> 00:06:56,460  
wrath I'm strip troubadour cursory

163  
00:07:03,609 --> 00:06:59,509

collecting right in the trail one

164

00:07:05,569 --> 00:07:03,619

apparently at one point they thought the

165

00:07:06,919 --> 00:07:05,579

creatures were pushing hard against one

166

00:07:08,269 --> 00:07:06,929

side of the cabinet and they thought was

167

00:07:09,229 --> 00:07:08,279

in an attempt to actually flip it over

168

00:07:12,199 --> 00:07:09,239

on its side

169

00:07:14,689 --> 00:07:12,209

oh wow they're trying to flip the cabin

170

00:07:16,939 --> 00:07:14,699

oh yeah real

171

00:07:20,089 --> 00:07:16,949

that's like best no you know

172

00:07:22,759 --> 00:07:20,099

little what I was the wolf's will blew

173

00:07:24,229 --> 00:07:22,769

the pigs house down a big bad wolf big

174

00:07:26,149 --> 00:07:24,239

bad wolf yeah this is like I'm going to

175

00:07:27,049 --> 00:07:26,159

turn your goddamn house over these are

176

00:07:31,249 --> 00:07:27,059

big bad feet

177

00:07:34,669 --> 00:07:31,259

yeah crazy bad big feet but anyway is

178

00:07:36,079 --> 00:07:34,679

the attack continued for the remainder

179

00:07:38,449 --> 00:07:36,089

of the night with only short intervals

180

00:07:41,239 --> 00:07:38,459

of breaks in between I guess so the

181

00:07:44,259 --> 00:07:41,249

creatures could catch their breath now

182

00:07:48,100 --> 00:07:44,269

one of the creatures a Bigfoot yeah

183

00:07:51,709 --> 00:07:48,110

he's a got a missing handle Florida on

184

00:07:54,559 --> 00:07:51,719

well you see what happens now one of the

185

00:07:55,759 --> 00:07:54,569

creatures uh get close to the cabin and

186

00:07:56,989 --> 00:07:55,769

where the opening whether the hole is

187

00:07:59,359 --> 00:07:56,999

not from the wall and reach this arm

188

00:08:01,339 --> 00:07:59,369

through the hole in the wall and sees

189

00:08:03,649 --> 00:08:01,349

one of the axes axes they had from

190

00:08:05,119 --> 00:08:03,659

prospecting by the handle and tried to

191

00:08:06,739 --> 00:08:05,129

pull it through but before to get the

192

00:08:08,869 --> 00:08:06,749

axe out the guy Fred who is the

193

00:08:10,189 --> 00:08:08,879

storyteller he quickly turned the head

194

00:08:12,709 --> 00:08:10,199

of the axe uprights we've got caught

195

00:08:14,600 --> 00:08:12,719

between the logs and at the same time

196

00:08:16,579 --> 00:08:14,610

the guy Hank shot barely missing Fred's

197

00:08:18,350 --> 00:08:16,589

hand the creature let go and they pulled

198

00:08:21,889 --> 00:08:18,360

the axe back in and they put in the safe

199

00:08:22,879 --> 00:08:21,899

place apparently these creatures perhaps

200

00:08:25,339 --> 00:08:22,889

know how to use some kind of rudimentary

201  
00:08:27,259 --> 00:08:25,349  
tools they know the ax would be I guess

202  
00:08:30,289 --> 00:08:27,269  
helpful in getting it into the cabin at

203  
00:08:32,449 --> 00:08:30,299  
their giant Bigfoot muscles couldn't do

204  
00:08:35,559 --> 00:08:32,459  
but maybe there's one the axe to you

205  
00:08:38,480 --> 00:08:35,569  
know kill the humans with that too yeah

206  
00:08:40,909 --> 00:08:38,490  
but being attacked just sorry it ended

207  
00:08:42,290 --> 00:08:40,919  
just before daylight and just as soon as

208  
00:08:44,840 --> 00:08:42,300  
it was light enough they came cautiously

209  
00:08:46,069 --> 00:08:44,850  
out of the cabin and it's not long

210  
00:08:47,780 --> 00:08:46,079  
before they saw one of the ape-like

211  
00:08:50,329 --> 00:08:47,790  
creatures standing about 80 yards away

212  
00:08:54,139 --> 00:08:50,339  
near the edge of what is now known as a

213  
00:08:56,030 --> 00:08:54,149

canyon three times at the creature it

214

00:08:57,980 --> 00:08:56,040

toppled over the cliff and down into the

215

00:09:00,889 --> 00:08:57,990

gorge or the canyon some four hundred

216

00:09:02,509 --> 00:09:00,899

feet below and then at this point once

217

00:09:04,040 --> 00:09:02,519

they dispatch this ape-like creature

218

00:09:04,879 --> 00:09:04,050

they stuff everything they could into

219

00:09:07,999 --> 00:09:04,889

their knapsacks

220

00:09:09,769 --> 00:09:08,009

and they fled for their truck now they

221

00:09:11,179 --> 00:09:09,779

did ended up escaping and they made it

222

00:09:11,860 --> 00:09:11,189

to a ranger station where apparently

223

00:09:13,600 --> 00:09:11,870

they had

224

00:09:15,550 --> 00:09:13,610

- this Ranger earlier about the large

225

00:09:17,769 --> 00:09:15,560

tracts aid found in the creek bed and

226

00:09:19,690 --> 00:09:17,779

you said let us know so you know you

227

00:09:21,300 --> 00:09:19,700

find out what they are and they did and

228

00:09:24,070 --> 00:09:21,310

the Rangers were just astonished and

229

00:09:28,000 --> 00:09:24,080

that's kind of Early's off I do have a

230

00:09:30,070 --> 00:09:28,010

short quote from the incident about how

231

00:09:31,510 --> 00:09:30,080

the local press and people reacted in to

232

00:09:34,060 --> 00:09:31,520

some stuff it was interesting I can

233

00:09:40,019 --> 00:09:34,070

already feel it's quick cuz there any

234

00:09:43,750 --> 00:09:40,029

depression thanks what the hell that is

235

00:09:45,670 --> 00:09:43,760

yeah nice change okay so it's fine this

236

00:09:48,400 --> 00:09:45,680

is this is this is the end okay good hey

237

00:09:51,269 --> 00:09:48,410

girl okay go mark break now big I'll

238

00:09:55,720 --> 00:09:51,279

home go yeah dude haha

239

00:09:57,550 --> 00:09:55,730

look guy thank you Alex oh no the guy

240

00:09:59,140 --> 00:09:57,560

narrating the story said after the local

241

00:10:01,300 --> 00:09:59,150

reporters interviewed us that came from

242

00:10:02,530 --> 00:10:01,310

Portland in Seattle even a big-name

243

00:10:05,380 --> 00:10:02,540

hunter from England came asking

244

00:10:06,579 --> 00:10:05,390

questions heat a large gun with him that

245

00:10:08,650 --> 00:10:06,589

must have been used to kill an elephant

246

00:10:10,510 --> 00:10:08,660

many people flocked to the Mount st.

247

00:10:12,730 --> 00:10:10,520

Helens area looking for the great hairy

248

00:10:14,380 --> 00:10:12,740

apes or the mountain Devils I myself

249

00:10:15,910 --> 00:10:14,390

went back with two reporters and

250

00:10:17,829 --> 00:10:15,920

detective from Portland Oregon

251

00:10:19,750 --> 00:10:17,839

we found large tracts and they were

252

00:10:21,760 --> 00:10:19,760

photos and they photographed them we do

253

00:10:24,280 --> 00:10:21,770

not see any of the eight men then nor

254

00:10:26,740 --> 00:10:24,290

can we find ones that we had shot you

255

00:10:29,290 --> 00:10:26,750

know earlier that week earlier I don't

256

00:10:30,670 --> 00:10:29,300

know how to follow our the gap of time

257

00:10:31,630 --> 00:10:30,680

was between when they shot and they went

258

00:10:35,260 --> 00:10:31,640

back with the reporters but they

259

00:10:36,430 --> 00:10:35,270

couldn't find regardless so I tried to

260

00:10:40,600 --> 00:10:36,440

look up something sitting missing

261

00:10:42,370 --> 00:10:40,610

there's a great hunt of 1924 I couldn't

262

00:10:44,560 --> 00:10:42,380

maybe the newspaper of articles are so

263

00:10:47,230 --> 00:10:44,570

old I'd have to try and find them in the

264

00:10:49,000 --> 00:10:47,240

old paper archives in that area but a

265

00:10:50,620 --> 00:10:49,010

the thing I could find a reference that

266

00:10:51,880 --> 00:10:50,630

gray tape on which was parent was the

267

00:10:54,480 --> 00:10:51,890

thing that took place after this four

268

00:10:57,370 --> 00:10:54,490

tons of people would flock to the area

269

00:10:58,510 --> 00:10:57,380

was that a that hunt so I have to do

270

00:11:01,000 --> 00:10:58,520

some more research and apparently a

271

00:11:03,730 --> 00:11:01,010

famous explorer disappeared of a

272

00:11:05,290 --> 00:11:03,740

mountain eight st. Helens that I I could

273

00:11:07,150 --> 00:11:05,300

talk about him later he was in that ape

274

00:11:09,010 --> 00:11:07,160

Canyon on Wikipedia article I'd sent to

275

00:11:10,390 --> 00:11:09,020

you guys and carrots shot but uh she

276

00:11:12,820 --> 00:11:10,400

wanted to try to keep it on the shorter

277

00:11:19,330 --> 00:11:12,830

side of things because I already had two

278

00:11:23,530 --> 00:11:21,980

yeah that's uh I thought you're going to

279

00:11:29,210 --> 00:11:23,540

read the article

280

00:11:30,710 --> 00:11:29,220

what article of the eyewitnesses oh no I

281

00:11:32,930 --> 00:11:30,720

already re-read that the local reporters

282

00:11:34,760 --> 00:11:32,940

interviewed us okay that's a quota

283

00:11:37,610 --> 00:11:34,770

beyond I thought it was a much more

284

00:11:39,980 --> 00:11:37,620

substantial that was short short I

285

00:11:43,130 --> 00:11:39,990

didn't I didn't know that that was the

286

00:11:48,080 --> 00:11:43,140

end because I don't know I I don't know

287

00:11:50,840 --> 00:11:48,090

I I was expecting some kind of like uh I

288

00:11:56,180 --> 00:11:50,850

ending statement I guess okay I don't

289

00:12:00,200 --> 00:11:56,190

know in the end was the radio at that

290

00:12:02,620 --> 00:12:00,210

sound that s10 yeah he's at balls I

291

00:12:05,570 --> 00:12:02,630

guess I could have done it like a

292

00:12:07,790 --> 00:12:05,580

transition or something like that like I

293

00:12:09,230 --> 00:12:07,800

mean it's oh no I mean pretty

294

00:12:12,380 --> 00:12:09,240

interesting it was a tale from a guy who

295

00:12:15,050 --> 00:12:12,390

was there back in 1924 allegedly it when

296

00:12:16,670 --> 00:12:15,060

this attack occurred and I guess they

297

00:12:19,130 --> 00:12:16,680

couldn't find the body but I guess we

298

00:12:20,570 --> 00:12:19,140

see that a lot a lot of Bigfoot research

299

00:12:22,430 --> 00:12:20,580

they say we can never find the body

300

00:12:24,200 --> 00:12:22,440

perhaps they bury their dead or cremate

301  
00:12:28,430 --> 00:12:24,210  
them we don't know I guess that's kind

302  
00:12:32,180 --> 00:12:28,440  
of cooperated sat there and it's like

303  
00:12:34,640 --> 00:12:32,190  
old school Bigfoot lore yeah and well I

304  
00:12:35,990 --> 00:12:34,650  
remember it wasn't there was it there's

305  
00:12:37,580 --> 00:12:36,000  
a History Channel show or something we

306  
00:12:38,960 --> 00:12:37,590  
were searching for Bigfoot apparently

307  
00:12:40,580 --> 00:12:38,970  
they're getting rocks for another cabin

308  
00:12:42,860 --> 00:12:40,590  
one night was that proven to be fake or

309  
00:12:44,690 --> 00:12:42,870  
I don't know actually I remember at

310  
00:12:47,210 --> 00:12:44,700  
least with this story there's people up

311  
00:12:49,460 --> 00:12:47,220  
and they have guns and they're shooting

312  
00:12:50,960 --> 00:12:49,470  
back and there's an interaction there

313  
00:12:54,250 --> 00:12:50,970

there's there's a struggle there's a

314

00:12:57,260 --> 00:12:54,260

conflict it creates a good story and

315

00:13:00,710 --> 00:12:57,270

they're concerned there's a newspaper

316

00:13:03,140 --> 00:13:00,720

article about it I like I wish there

317

00:13:06,800 --> 00:13:03,150

more lies like this yeah exactly there's

318

00:13:08,660 --> 00:13:06,810

no real good Bigfoot like this Harry and

319

00:13:11,510 --> 00:13:08,670

the Hendersons and like this but

320

00:13:14,420 --> 00:13:11,520

there's no real good like thriller like

321

00:13:17,270 --> 00:13:14,430

suspense thriller Bigfoot movie that

322

00:13:19,880 --> 00:13:17,280

like takes an actual account and makes

323

00:13:22,520 --> 00:13:19,890

it I can't think of one that's fun like

324

00:13:23,930 --> 00:13:22,530

a you know like a adapted for a movie

325

00:13:25,790 --> 00:13:23,940

based on a true story or even a

326

00:13:28,090 --> 00:13:25,800

fictionalized Bigfoot movie I think

327

00:13:31,700 --> 00:13:28,100

there's a huge opportunity there

328

00:13:32,470 --> 00:13:31,710

absolutely and sends you the link

329

00:13:34,540 --> 00:13:32,480

for this

330

00:13:36,129 --> 00:13:34,550

you guys going to read I am good crunch

331

00:13:39,129 --> 00:13:36,139

this down from probably like five pages

332

00:13:41,920 --> 00:13:39,139

into like to send me be like girls and

333

00:13:45,250 --> 00:13:41,930

put all links in the carrot chopped so I

334

00:13:46,120 --> 00:13:45,260

can post them with YouTube will do I can

335

00:13:49,240 --> 00:13:46,130

do that right now

336

00:13:52,569 --> 00:13:49,250

and I think are you are you ending this

337

00:13:55,210 --> 00:13:52,579

segment now Jeff that that would be that

338

00:13:57,009 --> 00:13:55,220

I'm concluding that for now I can um I

339

00:13:59,379 --> 00:13:57,019

can cover the follow up about the

340

00:14:01,480 --> 00:13:59,389

missing a kind of Explorer guy on

341

00:14:04,720 --> 00:14:01,490

Saturday who also disappeared around at

342

00:14:06,639 --> 00:14:04,730

Canyon uh my I'm just trying to I'm just

343

00:14:09,730 --> 00:14:06,649

trying to wrap it up so I can do like a

344

00:14:11,949 --> 00:14:09,740

transition out you know yeah that's a

345

00:14:18,430 --> 00:14:11,959

that's a letter T's for Saturday okay

346

00:14:20,800 --> 00:14:18,440

right transition is I'm trying to be

347

00:14:25,990 --> 00:14:20,810

everyone keeps talking more coats there

348

00:14:27,400 --> 00:14:26,000

be right there everyone keeps talking he

349

00:14:30,730 --> 00:14:27,410

got he talked some more

350

00:14:33,180 --> 00:14:30,740

Mike's gonna hate I think Mike's again

351

00:14:35,319 --> 00:14:33,190

I'm not drinking I'm completely sober

352

00:14:36,939 --> 00:14:35,329

I'm just trying to like I'm just trying

353

00:14:38,650 --> 00:14:36,949

to like create these nightly a little

354

00:14:42,550 --> 00:14:38,660

earring just trying to like create nice

355

00:14:43,900 --> 00:14:42,560

little packages and you know it's for

356

00:14:44,980 --> 00:14:43,910

you right here yeah I'm just you know

357

00:14:47,019 --> 00:14:44,990

I'm trying to be a little bit more

358

00:14:49,150 --> 00:14:47,029

professional with this looks like that

359

00:14:50,800 --> 00:14:49,160

makes it easier to edit yeah it makes it

360

00:14:53,110 --> 00:14:50,810

easier to edit when you when you do this

361

00:14:56,949 --> 00:14:53,120

stuff and like you know have a

362

00:14:58,360 --> 00:14:56,959

definitive conclusion like hey duh you

363

00:15:01,300 --> 00:14:58,370

know now that I'm done with the story

364

00:15:02,650 --> 00:15:01,310

what do you Mike and Joe think about

365

00:15:04,720 --> 00:15:02,660

this or something like that

366

00:15:05,920 --> 00:15:04,730

I'll start ending it with that's all

367

00:15:06,519 --> 00:15:05,930

folks whenever I'm done with

368

00:15:09,579 --> 00:15:06,529

monster-of-the-week

369

00:15:12,699 --> 00:15:09,589

that is a awesome or we could get the

370

00:15:15,129 --> 00:15:12,709

rainbow Reading Rainbow sounds like

371

00:15:18,100 --> 00:15:15,139

don't take my word for it read the book

372

00:15:21,430 --> 00:15:18,110

or you can do charlie Shango mhm so by

373

00:15:24,040 --> 00:15:21,440

thing if you do what kind of dog is that

374

00:15:25,960 --> 00:15:24,050

or you can do uh is a classic shablagoo

375

00:15:29,410 --> 00:15:25,970

like to you can I mean you can do that

376

00:15:31,269 --> 00:15:29,420

when you're when you're ending Jeff just

377

00:15:33,370 --> 00:15:31,279

something so I can kind of get it like a

378

00:15:35,259 --> 00:15:33,380

feel of when you're about ready to wind

379

00:15:37,930 --> 00:15:35,269

up you know that's it

380

00:15:40,929 --> 00:15:37,940

overall love a segment I love the divine

381

00:15:41,759 --> 00:15:40,939

down why hey let's get this straight

382

00:15:44,139 --> 00:15:41,769

yeah

383

00:15:45,400 --> 00:15:44,149

winding down we are winding down a

384

00:15:46,120 --> 00:15:45,410

little bit no we're not we're winding it

385

00:15:49,450 --> 00:15:46,130

up man we had

386

00:15:52,570 --> 00:15:49,460

News we got to do I absolutely

387

00:15:55,630 --> 00:15:52,580

absolutely love segments like that with

388

00:15:57,580 --> 00:15:55,640

the Bigfoot and the the the the violence

389

00:16:01,660 --> 00:15:57,590

of the interaction hopefully we can get

390

00:16:05,320 --> 00:16:01,670

some dog man store is going if you got

391

00:16:07,420 --> 00:16:05,330

any got any leads any dogs and stuff

392

00:16:09,550 --> 00:16:07,430

I have leads in different stuff I still

393

00:16:13,480 --> 00:16:09,560

got a UFO a military encounter my one

394

00:16:16,390 --> 00:16:13,490

book um I heard stuff about Stalin and

395

00:16:19,330 --> 00:16:16,400

gorillas human hybrids I love it I love

396

00:16:21,610 --> 00:16:19,340

that sweet and you still owe its

397

00:16:23,260 --> 00:16:21,620

Rasputin's yeah right yeah well that's a

398

00:16:24,910 --> 00:16:23,270

big book but ok yeah I got a lot of

399

00:16:26,980 --> 00:16:24,920

stuff coming up but I can try and find

400

00:16:30,010 --> 00:16:26,990

some dog man well thank you very much

401

00:16:33,310 --> 00:16:30,020

excellent segment on Bigfoot love it

402

00:16:34,540 --> 00:16:33,320

please continue the hard work and I

403

00:16:36,340 --> 00:16:34,550

wasn't like trying to be a dick at all

404

00:16:38,020 --> 00:16:36,350

like continue I was just listening

405

00:16:39,790 --> 00:16:38,030

Tintin and tell me when I said yeah go

406

00:16:41,770 --> 00:16:39,800

ahead so wasn't trying to be a big sorry

407

00:16:44,950 --> 00:16:41,780

but seemed like that there whatever we

408

00:16:47,200 --> 00:16:44,960

got rid sorry nice you dude you did

409

00:16:49,510 --> 00:16:47,210

great this time I mean I'm not sure what

410

00:16:50,380 --> 00:16:49,520

I wasn't trying to be done you did you

411

00:16:53,110 --> 00:16:50,390

did a great job

412

00:16:55,000 --> 00:16:53,120

so trying to go down on you digitally

413

00:16:56,680 --> 00:16:55,010

through Skype yeah well there's no

414

00:16:58,150 --> 00:16:56,690

compression so you probably won't hear

415

00:17:01,030 --> 00:16:58,160

my breathing why are you all up in

416

00:17:02,110 --> 00:17:01,040

that's actually you know what that made

417

00:17:04,630 --> 00:17:02,120

all the difference in the world

418

00:17:05,199 --> 00:17:04,640

yeah Kay you know look you don't get

419

00:17:09,069 --> 00:17:05,209

like that

420

00:17:11,439 --> 00:17:09,079

shut up yeah shut up why are you

421

00:17:13,600 --> 00:17:11,449

wheezing why are you all laughing why
