The YouTube Community

1
00:00:00,320 --> 00:00:05,920

[Applause]

2
00:00:11,839 --> 00:00:08,480

hey everyone this is not our typical

3
00:00:13,280 --> 00:00:11,849

missing 411 segment we're not going over

4
00:00:16,129 --> 00:00:13,290

any cases we're not talking about

5
00:00:18,349 --> 00:00:16,139

theories I'm reading an email trying to

6
00:00:20,000 --> 00:00:18,359

and we're responding to the community

7
00:00:22,070 --> 00:00:20,010

and giving our thoughts and opinions on

8
00:00:24,740 --> 00:00:22,080

the missing 411 community here on

9
00:00:26,990 --> 00:00:24,750

YouTube if you like the missing 411

10
00:00:30,529 --> 00:00:27,000

segments and disagree with anything that

11
00:00:32,150 --> 00:00:30,539

we say contact us links are in

12
00:00:34,100 --> 00:00:32,160

description telephone number will be

13
00:00:37,280 --> 00:00:34,110

glad to have you on the show and have a

14

00:00:37,639 --> 00:00:37,290

friendly debate thank you talk to you

15

00:00:43,220 --> 00:00:37,649

later

16

00:00:45,830 --> 00:00:43,230

I do have an email here from joy says hi

17

00:00:48,920 --> 00:00:45,840

I love your show I'd watched I watched a

18

00:00:52,520 --> 00:00:48,930

video part of which was a talk on

19

00:00:55,430 --> 00:00:52,530

discovery of giant skeletons and burial

20

00:00:57,049 --> 00:00:55,440

mounds now this email may not be I'm

21

00:00:59,299 --> 00:00:57,059

completely silly orgasm and I'm reading

22

00:01:02,240 --> 00:00:59,309

this email so stick with me the guy

23

00:01:05,000 --> 00:01:02,250

showed a map of where these are located

24

00:01:09,710 --> 00:01:05,010

and remains had been found in the USA

25

00:01:11,870 --> 00:01:09,720

which were very much like the can-am map

26
00:01:15,440 --> 00:01:11,880
complete with the clusters can a map the

27
00:01:17,690 --> 00:01:15,450
missing 411 map is what they're talking

28
00:01:20,390 --> 00:01:17,700
about so this person try to make a

29
00:01:22,850 --> 00:01:20,400
correlation between the giant skeletons

30
00:01:26,870 --> 00:01:22,860
and Barrow mountains and missing 411

31
00:01:30,380 --> 00:01:26,880
clusters hmm he also said that the

32
00:01:32,719 --> 00:01:30,390
legend was the spirits would bring about

33
00:01:33,950 --> 00:01:32,729
severe weather if the graves the graves

34
00:01:35,719 --> 00:01:33,960
were disturbed

35
00:01:39,469 --> 00:01:35,729
obviously thought of missing 401 and

36
00:01:42,350 --> 00:01:39,479
send a link to km as something might be

37
00:01:46,190 --> 00:01:42,360
of interest to them I received a very

38
00:01:49,789 --> 00:01:46,200

rude response asking if I ever read one

39

00:01:52,639 --> 00:01:49,799

of David's books I'm from Ireland and

40

00:01:56,209 --> 00:01:52,649

there's a place here where is said that

41

00:01:58,730 --> 00:01:56,219

st. Patrick went on a pilgrimage and he

42

00:02:00,740 --> 00:01:58,740

was would spend three days and nights in

43

00:02:02,899 --> 00:02:00,750

a cave which were thought to be an

44

00:02:05,749 --> 00:02:02,909

entrance to an underworld where he was

45

00:02:08,479 --> 00:02:05,759

shown visions of souls and hell this

46

00:02:11,479 --> 00:02:08,489

became a tradition for pilgrims who all

47

00:02:13,010 --> 00:02:11,489

had their same vision for many years

48

00:02:14,930 --> 00:02:13,020

until the church took control

49

00:02:16,940 --> 00:02:14,940

close the entrance to the cave for

50

00:02:19,370 --> 00:02:16,950

health and safety reasons built a

51
00:02:22,190 --> 00:02:19,380
monastery Chapel on the island people

52
00:02:25,160 --> 00:02:22,200
still go there but no access to the cave

53
00:02:29,360 --> 00:02:25,170
perhaps this is where the missing in

54
00:02:32,570 --> 00:02:29,370
Ireland are we also never cut down fairy

55
00:02:36,620 --> 00:02:32,580
a fairy tree as it brings untold bad

56
00:02:37,640 --> 00:02:36,630
luck creates accidental black black spot

57
00:02:39,800 --> 00:02:37,650
I don't know what that means

58
00:02:41,620 --> 00:02:39,810
fascinating a fascinating stuff thanks

59
00:02:47,630 --> 00:02:41,630
for taking time to read this no problem

60
00:02:53,180 --> 00:02:47,640
joy yeah the mission for 11 people they

61
00:02:55,310 --> 00:02:53,190
don't like you they don't like clown

62
00:02:57,710 --> 00:02:55,320
baiting us that's for sure they they

63
00:03:00,560 --> 00:02:57,720

yeah they're very very very protective

64

00:03:02,360 --> 00:03:00,570

of their it's very strange they very

65

00:03:04,250 --> 00:03:02,370

assert very easily some of them can be

66

00:03:06,530 --> 00:03:04,260

fine but a lot of them get Rua gets

67

00:03:09,710 --> 00:03:06,540

super butter like as soon as we post a

68

00:03:12,050 --> 00:03:09,720

video about anything for missing for 11

69

00:03:14,000 --> 00:03:12,060

related it's instantly Mountain that

70

00:03:16,160 --> 00:03:14,010

would you've never read a book you don't

71

00:03:18,350 --> 00:03:16,170

know what you're talking about use out

72

00:03:21,020 --> 00:03:18,360

dare you create theories David mellitus

73

00:03:22,520 --> 00:03:21,030

would never air until I'd your show your

74

00:03:27,410 --> 00:03:22,530

about your [h__h] your about your

75

00:03:29,450 --> 00:03:27,420

retards well all that may be true but we

76
00:03:31,490 --> 00:03:29,460
do read the books will you take the the

77
00:03:33,290 --> 00:03:31,500
phenomenon fairly serious we do joke

78
00:03:36,470 --> 00:03:33,300
around about it a little bit here in

79
00:03:39,170 --> 00:03:36,480
there baby we can't let David pulla I

80
00:03:40,100 --> 00:03:39,180
mean yes David Politis is probably what

81
00:03:43,850 --> 00:03:40,110
the end-all-be-all

82
00:03:46,490 --> 00:03:43,860
on the subject at this time and what we

83
00:03:49,700 --> 00:03:46,500
do is we talk about everything with a

84
00:03:51,770 --> 00:03:49,710
little bit of levity because it's all

85
00:03:53,570 --> 00:03:51,780
pretty kind of kooky I mean we're

86
00:03:57,020 --> 00:03:53,580
talking about kids going missing [h__h]

87
00:03:59,690 --> 00:03:57,030
you know I think it's insane unless we

88
00:04:01,280 --> 00:03:59,700

talk about Bigfoot and aliens and 9/11

89

00:04:03,200 --> 00:04:01,290

some of this is serious some of this is

90

00:04:05,300 --> 00:04:03,210

fake you know if if you're going to get

91

00:04:07,490 --> 00:04:05,310

butthurt about the way we approach any

92

00:04:09,440 --> 00:04:07,500

one subject there's no reason to listen

93

00:04:11,240 --> 00:04:09,450

to the show and honestly if you're one

94

00:04:13,490 --> 00:04:11,250

of these people who gets butthurt about

95

00:04:15,980 --> 00:04:13,500

the 401 one coverage we want to [h__\h]

96

00:04:18,229 --> 00:04:15,990

yourself most yeah we want to we want to

97

00:04:20,120 --> 00:04:18,239

talk to you the moment we want to know

98

00:04:22,280 --> 00:04:20,130

like what is the right theory

99

00:04:26,900 --> 00:04:22,290

what is the community think is there a

100

00:04:28,760 --> 00:04:26,910

unified community theory about what the

101
00:04:30,830 --> 00:04:28,770
for one one thing is all about is it

102
00:04:33,140 --> 00:04:30,840
just what David Politis says is goals or

103
00:04:34,610 --> 00:04:33,150
are we allowed to just we can't even

104
00:04:36,800 --> 00:04:34,620
talk about it it's not like we're this

105
00:04:40,090 --> 00:04:36,810
info and nobody but just [h__h] around

106
00:04:42,470 --> 00:04:40,100
we're [h__h] around we're exploring and

107
00:04:44,470 --> 00:04:42,480
incoming with interesting ideas and

108
00:04:47,240 --> 00:04:44,480
possibilities about what could be behind

109
00:04:49,400 --> 00:04:47,250
missing for one one because David

110
00:04:50,870 --> 00:04:49,410
Politis doesn't speculate he makes

111
00:04:52,760 --> 00:04:50,880
speculate in private but certainly not

112
00:04:56,080 --> 00:04:52,770
in his talk so it leaves the community

113
00:04:59,360 --> 00:04:56,090

to come up with some ideas and

114

00:05:00,770 --> 00:04:59,370

hypotheses and that's well over to put

115

00:05:03,290 --> 00:05:00,780

it out there where we're talking about

116

00:05:03,980 --> 00:05:03,300

possibilities having a little bit of a

117

00:05:06,860 --> 00:05:03,990

good time with it

118

00:05:10,550 --> 00:05:06,870

for this person to email the employers

119

00:05:12,620 --> 00:05:10,560

with a map of a burial mounds and giant

120

00:05:15,710 --> 00:05:12,630

skeletons and how that might correlate

121

00:05:18,380 --> 00:05:15,720

to the clusters of missing people and

122

00:05:22,460 --> 00:05:18,390

they get a rude response according to

123

00:05:24,860 --> 00:05:22,470

this person maybe a little unwarranted

124

00:05:25,460 --> 00:05:24,870

but at the same time we're very rude to

125

00:05:28,160 --> 00:05:25,470

people

126

00:05:32,390 --> 00:05:28,170

I'm very rude to everyone especially

127

00:05:34,610 --> 00:05:32,400

qualm baby and Joe now use the

128

00:05:37,760 --> 00:05:34,620

relationship really it actually I like

129

00:05:39,530 --> 00:05:37,770

your idea whoever likes to flip out on

130

00:05:41,210 --> 00:05:39,540

131

00:05:44,230 --> 00:05:41,220

132

00:05:49,159 --> 00:05:44,240

133

00:05:51,500 --> 00:05:49,169

142

00:06:15,320 --> 00:06:12,150

discussion it's going to be civil you

143

00:06:19,940 --> 00:06:15,330

piece of [h__h] and we got held up you

144

00:06:22,460 --> 00:06:19,950

goddamn [h__h] Rebecca yeah uh you can

145

00:06:25,420 --> 00:06:22,470

call pings during the break yeah look a

146

00:06:27,980 --> 00:06:25,430

little angry yeah got a little oh

147

00:06:30,770 --> 00:06:27,990

speaking of I feel like we should do

148

00:06:33,380 --> 00:06:30,780

something just because clown took one in

149

00:06:35,750 --> 00:06:33,390

the ass literally for one of our

150

00:06:38,719 --> 00:06:35,760

Saturday shows and since I think you

151
00:06:40,519 --> 00:06:38,729
plan to be on this one right uh yeah I

152
00:06:43,639 --> 00:06:40,529
should be I don't see what I

153
00:06:45,109 --> 00:06:43,649
so uh if anyone has any suggestions in

154
00:06:47,959 --> 00:06:45,119
the slack or on the tweets or anything

155
00:06:50,569 --> 00:06:47,969
else for what I should eat and it has to

156
00:06:52,549 --> 00:06:50,579
be food for [h__h] forty two-year-old our

157
00:06:55,369 --> 00:06:52,559
dinner

158
00:06:58,399 --> 00:06:55,379
yeah Julius has to eat a hotdog just one

159
00:07:01,279 --> 00:06:58,409
just one I will I will

160
00:07:04,129 --> 00:07:01,289
I can consume some peppers or something

161
00:07:05,329 --> 00:07:04,139
I don't want to get its bikini season so

162
00:07:07,309 --> 00:07:05,339
I definitely don't want to eat like a

163
00:07:12,529 --> 00:07:07,319

shotgun yeah won't you put a shotgun in

164

00:07:16,639 --> 00:07:12,539
