run time um small-time monsters yeah I

13  
00:00:46,639 --> 00:00:44,610

can't remember it was either in the fall

14

00:00:49,670 --> 00:00:46,649

you for providing absolutely new

17

00:00:56,959 --> 00:00:55,260

information it goes with ends a lot

18

00:00:59,889 --> 00:00:56,969

that's what this podcast was about

19

00:01:05,719 --> 00:00:59,899

you're right yeah you did a good job

20

00:01:09,230 --> 00:01:05,729

The Legend of Boggy Creek it there's

21

00:01:13,370 --> 00:01:09,240

been various folklore and urban legends

22

00:01:17,330 --> 00:01:13,380

of a wild man running around in Arkansas

23

00:01:20,570 --> 00:01:17,340

for quite a long time it's a sasquatch

24

00:01:23,420 --> 00:01:20,580

like creature it is said to have a

25

00:01:26,179 --> 00:01:23,430

hunter and network of creeks extending

26  
00:01:29,890 --> 00:01:26,189  
from the Sava river bottoms in southern

27  
00:01:33,410 --> 00:01:29,900  
Arkansas to the small town of fork or

28  
00:01:38,990 --> 00:01:33,420  
fork or not fork but folks this is folks

29  
00:01:40,910 --> 00:01:39,000  
su fo uke folk over the years the

30  
00:01:42,859 --> 00:01:40,920  
creature has been seen by countless

31  
00:01:45,050 --> 00:01:42,869  
people including respected citizens

32  
00:01:47,210 --> 00:01:45,060  
experienced hunters famous musicians and

33  
00:01:50,210 --> 00:01:47,220  
even police officers it has inspired

34  
00:01:52,550 --> 00:01:50,220  
several movies most notably The Legend

35  
00:01:56,179 --> 00:01:52,560  
of Boggy Creek which became a drive-in

36  
00:01:59,929 --> 00:01:56,189  
sensation netting nearly 25 million

37  
00:02:03,319 --> 00:01:59,939  
dollars during its run in 1972 nobody

38  
00:02:05,030 --> 00:02:03,329

even heard of this thing Joe no how do I

39

00:02:07,670 --> 00:02:05,040

what would I look up to find the best

40

00:02:09,680 --> 00:02:07,680

information the boggy creek monster you

41

00:02:11,750 --> 00:02:09,690

can look up boggy creek monster The

42

00:02:12,790 --> 00:02:11,760

Legend of Boggy Creek there is a whole

43

00:02:16,210 --> 00:02:12,800

Wikipedia

44

00:02:18,970 --> 00:02:16,220

thing onyx is a falcon stir fo uke

45

00:02:21,700 --> 00:02:18,980

monster yeah there's a powerful monster

46

00:02:23,740 --> 00:02:21,710

doll net and you can find there's a

47

00:02:25,060 --> 00:02:23,750

movie about it so this is this is what

48

00:02:27,280 --> 00:02:25,070

you're talking about you watched this

49

00:02:28,870 --> 00:02:27,290

well I didn't watch this movie I watched

50

00:02:31,960 --> 00:02:28,880

a documentary

51  
00:02:36,310 --> 00:02:31,970  
oh come on come on look I don't got nice

52  
00:02:38,890 --> 00:02:36,320  
time 72 busy Jews everyone see it I will

53  
00:02:42,190 --> 00:02:38,900  
go back and watch it both clips so

54  
00:02:45,010 --> 00:02:42,200  
there's a 2016 movie and there's a 1972

55  
00:02:47,410 --> 00:02:45,020  
miss moving well the 2016 movie I

56  
00:02:48,910 --> 00:02:47,420  
believe is what is on Amazon primary now

57  
00:02:52,420 --> 00:02:48,920  
and that's a documentary produced by

58  
00:02:55,800 --> 00:02:52,430  
small town monsters yeah yes and then

59  
00:02:57,970 --> 00:02:55,810  
the old one is like a drama yeah history

60  
00:02:59,740 --> 00:02:57,980  
it's like well they'd be like what you

61  
00:03:01,540 --> 00:02:59,750  
can fit like Swamp Thing or something

62  
00:03:05,470 --> 00:03:01,550  
like that it's you know it's it's a

63  
00:03:08,710 --> 00:03:05,480

fictionalized story about real life

64

00:03:10,150 --> 00:03:08,720

eyewitness accounts it's not like it's

65

00:03:13,780 --> 00:03:10,160

not like the boggy creek guy it's not

66

00:03:15,430 --> 00:03:13,790

like he like joins like society and goes

67

00:03:17,740 --> 00:03:15,440

around becomes a mailman or something

68

00:03:20,979 --> 00:03:17,750

like that it's not be pretty awesome

69

00:03:21,430 --> 00:03:20,989

yeah it's not like it is a job is all

70

00:03:25,690 --> 00:03:21,440

later

71

00:03:27,670 --> 00:03:25,700

you know but you have seen some things

72

00:03:30,670 --> 00:03:27,680

they call them the [h\_\_\h] the [h\_\_\h] monster

73

00:03:31,180 --> 00:03:30,680

but basically the [h\_\_\h] monster yeah a

74

00:03:34,570 --> 00:03:31,190

little bit

75

00:03:37,180 --> 00:03:34,580

he's like mine the boggy creek sock

76  
00:03:43,990 --> 00:03:37,190  
monster yeah don't go into the woods

77  
00:03:47,560 --> 00:03:44,000  
with them beer guys a perv I only did

78  
00:03:50,760 --> 00:03:47,570  
one thing yeah well apparently this

79  
00:03:53,410 --> 00:03:50,770  
thing the boggy creek monster is

80  
00:03:57,520 --> 00:03:53,420  
approximately seven feet tall it weighs

81  
00:04:00,370 --> 00:03:57,530  
in at three to five hundred pound it's

82  
00:04:04,120 --> 00:04:00,380  
got the dark brown or black hair

83  
00:04:07,960 --> 00:04:04,130  
covering this entire body the the skin

84  
00:04:09,160 --> 00:04:07,970  
is dark like an ape it's a so it's you

85  
00:04:11,440 --> 00:04:09,170  
know it doesn't have any kind of color

86  
00:04:13,650 --> 00:04:11,450  
to it he had green skin no it doesn't

87  
00:04:19,330 --> 00:04:13,660  
have green skin it's more like an eighth

88  
00:04:24,760 --> 00:04:19,340

leg skin it rained it was an Arkansas

89

00:04:26,650 --> 00:04:24,770

it was first sighted in 1908 and the

90

00:04:30,100 --> 00:04:26,660

last most recent sighting is in 2000

91

00:04:32,710 --> 00:04:30,110

14 it leaves tracks and there are no

92

00:04:35,080 --> 00:04:32,720

known photos of this [h\_\_\h]

93

00:04:38,470 --> 00:04:35,090

can you believe that [h\_\_\h] [h\_\_\h] no oh

94

00:04:40,270 --> 00:04:38,480

there's no way there's no way there

95

00:04:43,320 --> 00:04:40,280

aren't any photos because that's exactly

96

00:04:47,230 --> 00:04:43,330

how all these go yeah

97

00:04:51,420 --> 00:04:47,240

sorry well I got I got some clips from

98

00:04:54,520 --> 00:04:51,430

the the documentary the documentary and

99

00:04:56,710 --> 00:04:54,530

if you want to hear some of this stuff

100

00:04:59,620 --> 00:04:56,720

right here so I'll start things off with

101  
00:05:02,110 --> 00:04:59,630  
this little woman a clip from the small

102  
00:05:06,610 --> 00:05:02,120  
town Monsters movie the monster above

103  
00:05:08,560 --> 00:05:06,620  
Greek in 1972 an eerie abomination made

104  
00:05:11,500 --> 00:05:08,570  
its first appearance on theater screens

105  
00:05:14,370 --> 00:05:11,510  
across America it was the subject of a

106  
00:05:16,960 --> 00:05:14,380  
movie titled The Legend of Boggy Creek

107  
00:05:21,430 --> 00:05:16,970  
the creature at the heart of this legend

108  
00:05:23,260 --> 00:05:21,440  
was dubbed the boggy creek monster while

109  
00:05:26,500 --> 00:05:23,270  
a nation came to meet this beast for the

110  
00:05:28,300 --> 00:05:26,510  
first time in the early 1970s residents

111  
00:05:30,430 --> 00:05:28,310  
in the bottom lands of southern Arkansas

112  
00:05:33,160 --> 00:05:30,440  
barely batted an eye at its cinematic

113  
00:05:34,870 --> 00:05:33,170

debut they knew something the rest of

114

00:05:38,350 --> 00:05:34,880

the country was just beginning to grasp

115

00:05:41,410 --> 00:05:38,360

see The Legend of Boggy Creek wasn't

116

00:05:44,080 --> 00:05:41,420

just a legend for decades reports of a

117

00:05:46,420 --> 00:05:44,090

huge man like hair-covered beast who

118

00:05:49,870 --> 00:05:46,430

wandered the swamps and waterways had

119

00:05:51,700 --> 00:05:49,880

seeped into local folklore while the

120

00:05:54,280 --> 00:05:51,710

excitement of the film appealed to the

121

00:05:56,290 --> 00:05:54,290

general public those who had actually

122

00:05:59,890 --> 00:05:56,300

encountered the monster for themselves

123

00:06:04,720 --> 00:05:59,900

were haunted by its reality

124

00:06:09,620 --> 00:06:04,730

the reality was a riddle the reality was

125

00:06:16,620 --> 00:06:13,950

haha that was great to do a good job

126  
00:06:19,650 --> 00:06:16,630  
with the the music of the music and the

127  
00:06:22,980 --> 00:06:19,660  
production behind it it's a I will give

128  
00:06:26,610 --> 00:06:22,990  
a small town Monster is very leaving it

129  
00:06:30,480 --> 00:06:26,620  
again well established production and

130  
00:06:32,880 --> 00:06:30,490  
with the way it's laid out and this is a

131  
00:06:34,650 --> 00:06:32,890  
good job with their with their story

132  
00:06:37,410 --> 00:06:34,660  
having heard people who didn't recognize

133  
00:06:39,150 --> 00:06:37,420  
that was the x-files theme with the with

134  
00:06:42,060 --> 00:06:39,160  
the band Jimmy was attending a banjo in

135  
00:06:44,970 --> 00:06:42,070  
his area it's back I was expert man that

136  
00:06:47,010 --> 00:06:44,980  
was great yeah I I found stuff from

137  
00:06:51,930 --> 00:06:47,020  
small town monster he was on March 1st

138  
00:06:54,090 --> 00:06:51,940

2017 Wow Monsieur dancer [h\_\_h] okay

139

00:06:57,330 --> 00:06:54,100

it had me fooled you just said last

140

00:06:59,700 --> 00:06:57,340

summer I don't like ya probably had no

141

00:07:04,110 --> 00:06:59,710

idea last week I was it's all a blur

142

00:07:06,480 --> 00:07:04,120

have nothing sober gaze no idea when he

143

00:07:08,910 --> 00:07:06,490

was on it's every shows a blur every

144

00:07:09,980 --> 00:07:08,920

show is the same show we don't know what

145

00:07:15,740 --> 00:07:09,990

we're doing

146

00:07:19,080 --> 00:07:15,750

obviously yes yes that's what I am yes

147

00:07:23,130 --> 00:07:19,090

for every show is just a repeat for is

148

00:07:25,950 --> 00:07:23,140

they pay Javu over and over again it's

149

00:07:29,120 --> 00:07:25,960

our first day all day yeah

150

00:07:33,000 --> 00:07:29,130

the show is Groundhog's Day it really is

151  
00:07:35,490 --> 00:07:33,010  
same same monsters ages Bigfoot got a

152  
00:07:37,230 --> 00:07:35,500  
PSA where's the boggy creek penis that

153  
00:07:39,000 --> 00:07:37,240  
we're talking about here didn't even ask

154  
00:07:41,700 --> 00:07:39,010  
about his penis yet no yeah

155  
00:07:43,409 --> 00:07:41,710  
we're digging deep we're gonna we

156  
00:07:46,860 --> 00:07:43,419  
haven't even gotten to all the boggy

157  
00:07:49,770 --> 00:07:46,870  
penis jokes the boggy balls if you know

158  
00:07:52,290 --> 00:07:49,780  
hockey ball boggy balls

159  
00:07:53,760 --> 00:07:52,300  
can we tug them Bobby Bobby noob ass

160  
00:07:56,700 --> 00:07:53,770  
swamp ass down here and talking about

161  
00:08:00,300 --> 00:07:56,710  
all right I got another clip here from

162  
00:08:02,340 --> 00:08:00,310  
the same movie and this goes into some

163  
00:08:05,159 --> 00:08:02,350

evidence that may have been collected

164

00:08:07,620 --> 00:08:05,169

back in the day the boggy crepe monster

165

00:08:10,740 --> 00:08:07,630

seems to be a phantom rarely leaving

166

00:08:13,640 --> 00:08:10,750

behind any physical evidence but on June

167

00:08:17,150 --> 00:08:13,650

13th 1971

168

00:08:19,010 --> 00:08:17,160

change tracks were found in a local bean

169

00:08:21,379 --> 00:08:19,020

field home by Willie Smith

170

00:08:24,770 --> 00:08:21,389

they were unlike any to town folk had

171

00:08:27,170 --> 00:08:24,780

ever seen before or since possessing

172

00:08:28,879 --> 00:08:27,180

what appeared to be just three toes the

173

00:08:31,310 --> 00:08:28,889

tracks followed a path out of the

174

00:08:34,579 --> 00:08:31,320

bordering forests across the field and

175

00:08:36,260 --> 00:08:34,589

then back into the wood line I noted the

176

00:08:38,630 --> 00:08:36,270

proximity of the field to the famed

177

00:08:41,680 --> 00:08:38,640

boggy creek itself and I visited the

178

00:08:44,149 --> 00:08:41,690

location during one of my research trips

179

00:08:46,250 --> 00:08:44,159

while the strange tracks do raise a

180

00:08:48,500 --> 00:08:46,260

number of questions they were discovered

181

00:08:51,410 --> 00:08:48,510

at just the right time allowing them to

182

00:08:54,410 --> 00:08:51,420

become a feature of Pierce's movie but

183

00:08:56,810 --> 00:08:54,420

what kind of huge bipedal creature can

184

00:09:02,420 --> 00:08:56,820

carry itself on such a narrow three-toed

185

00:09:04,579 --> 00:09:02,430

foot oh right ah he says that was good

186

00:09:08,510 --> 00:09:04,589

say well this is the first time I've

187

00:09:10,579 --> 00:09:08,520

heard of a Bigfoot sasquatch creature

188

00:09:11,030 --> 00:09:10,589

leaving like three toes I've never heard

189

00:09:12,650 --> 00:09:11,040

that before

190

00:09:16,910 --> 00:09:12,660

yeah come on baby have you heard that

191

00:09:19,790 --> 00:09:16,920

that before oh I've always always been a

192

00:09:21,710 --> 00:09:19,800

large human-like footprint yeah that's

193

00:09:25,130 --> 00:09:21,720

what we've seen like in various like if

194

00:09:26,900 --> 00:09:25,140

you look a in in search of by Leonard

195

00:09:29,990 --> 00:09:26,910

Nimoy or even unsolved mysteries you'll

196

00:09:32,840 --> 00:09:30,000

see like plaster casts of Bigfoot big

197

00:09:36,079 --> 00:09:32,850

feet and it's always kinda looks like an

198

00:09:39,560 --> 00:09:36,089

oversized human footprint not not three

199

00:09:42,199 --> 00:09:39,570

toed so I just to this that this is new

200

00:09:45,170 --> 00:09:42,209

yeah that doesn't fit with the rest of

201  
00:09:47,449 --> 00:09:45,180  
them no this is completely different

202  
00:09:49,040 --> 00:09:47,459  
it's foreign it doesn't go along with

203  
00:09:51,710 --> 00:09:49,050  
everything else that we know and in a

204  
00:09:54,620 --> 00:09:51,720  
scene so that's unique right there so

205  
00:09:57,290 --> 00:09:54,630  
whereas a human is a humanoid ish with

206  
00:09:59,420 --> 00:09:57,300  
the ape-like skin kind of thing is

207  
00:10:01,910 --> 00:09:59,430  
Bigfoot to a tee but the three-toed

208  
00:10:04,160 --> 00:10:01,920  
thing that could be a slot it could be

209  
00:10:07,060 --> 00:10:04,170  
it could be like a half-man half-ape a

210  
00:10:09,860 --> 00:10:07,070  
sloth just three half there I like that

211  
00:10:14,449 --> 00:10:09,870  
man ape sloth yes

212  
00:10:16,190 --> 00:10:14,459  
sloth man yeah well you think it'd be so

213  
00:10:18,170 --> 00:10:16,200

slow that it would be you know we've

214

00:10:20,120 --> 00:10:18,180

caught it by now yeah someone would have

215

00:10:22,130 --> 00:10:20,130

caught up to it and [\h\_\_\h] into death no

216

00:10:27,199 --> 00:10:22,140

doubt

217

00:10:31,280 --> 00:10:30,049

there used to be giant ground sloths or

218

00:10:33,139 --> 00:10:31,290

their megafauna

219

00:10:35,299 --> 00:10:33,149

around and I think they went extinct

220

00:10:37,340 --> 00:10:35,309

probably around I think the end of the

221

00:10:39,379 --> 00:10:37,350

Ice Age summer around then yeah I mean I

222

00:10:41,359 --> 00:10:39,389

mean signify saber-toothed tiger and all

223

00:10:45,019 --> 00:10:41,369

those guys I mean they just couldn't cut

224

00:10:47,419 --> 00:10:45,029

it you know didn't uh this couldn't

225

00:10:51,829 --> 00:10:47,429

combat that cold that came around for

226

00:10:53,780 --> 00:10:51,839

whatever reason um so I have some more

227

00:10:56,780 --> 00:10:53,790

couple more Clips here there's an I have

228

00:10:59,689 --> 00:10:56,790

an eyewitness encounter which is a

229

00:11:01,720 --> 00:10:59,699

little long because the way the guy

230

00:11:06,319 --> 00:11:01,730

talks I'm gonna have to cut them off

231

00:11:11,329 --> 00:11:06,329

because it is drawn out kind of you know

232

00:11:14,749 --> 00:11:11,339

Arkansas hick talking about I fell bark

233

00:11:17,119 --> 00:11:14,759

a boggy creek out there Bobby back there

234

00:11:19,519 --> 00:11:17,129

just just gonna get us in trouble

235

00:11:22,129 --> 00:11:19,529

oh yeah okay cuz we're gonna make fun of

236

00:11:24,769 --> 00:11:22,139

them probably I don't maybe I I don't

237

00:11:28,309 --> 00:11:24,779

know like this is why I like eyewitness

238

00:11:29,869 --> 00:11:28,319

encounters there's something believable

239

00:11:34,189 --> 00:11:29,879

bottom and you want to believe the

240

00:11:36,919 --> 00:11:34,199

people um and I'm bored with most of

241

00:11:41,210 --> 00:11:36,929

this [h\_\_h] we saw entertain the ideas but

242

00:11:43,669 --> 00:11:41,220

you know it's hard to really digest

243

00:11:45,289 --> 00:11:43,679

sometimes but all indulge right here it

244

00:11:46,699 --> 00:11:45,299

was early evening with Lee and heard

245

00:11:48,799 --> 00:11:46,709

what he thought it sounded like the

246

00:11:52,460 --> 00:11:48,809

family dog caught up in a barbed wire

247

00:11:55,129 --> 00:11:52,470

fence all at once his dog got hung up in

248

00:11:57,739 --> 00:11:55,139

a fence but the dog sound like he was

249

00:11:58,879 --> 00:11:57,749

killing himself so he figured well hot

250

00:12:00,859 --> 00:11:58,889

get out

251  
00:12:03,769 --> 00:12:00,869  
trying to get the bow meter down there

252  
00:12:06,289 --> 00:12:03,779  
so he jumped up started running out

253  
00:12:10,030 --> 00:12:06,299  
there and when he got to where he could

254  
00:12:12,679 --> 00:12:10,040  
see it was that damn creature making

255  
00:12:15,400 --> 00:12:12,689  
racket like a dog hung up in the fence

256  
00:12:19,519 --> 00:12:15,410  
and he was standing at the water's edge

257  
00:12:23,119 --> 00:12:19,529  
his pull back one to the boy and the boy

258  
00:12:25,280 --> 00:12:23,129  
was now about 60 steps away from him and

259  
00:12:28,460 --> 00:12:25,290  
nothing nothing between them and that

260  
00:12:29,980 --> 00:12:28,470  
critter you can see the side of his head

261  
00:12:33,519 --> 00:12:29,990  
and part of his back

262  
00:12:36,880 --> 00:12:33,529  
and all down one side and he said with

263  
00:12:40,269 --> 00:12:36,890

that thing was let no body language that

264

00:12:43,630 --> 00:12:40,279

told him that he is highly pissed off

265

00:12:45,790 --> 00:12:43,640

and I don't want to dismiss this guy and

266

00:12:46,930 --> 00:12:45,800

I don't you know I really doesn't like

267

00:12:49,060 --> 00:12:46,940

make fun of him call my cat dumb

268

00:12:52,720 --> 00:12:49,070

Arkansas hair king of it you know I know

269

00:12:54,610 --> 00:12:52,730

the happier you say one thing he said it

270

00:12:55,930 --> 00:12:54,620

was barking like a dog and he thought it

271

00:12:57,940 --> 00:12:55,940

was a dog he ran outside now

272

00:12:59,470 --> 00:12:57,950

not if we talked about the skinwalkers

273

00:13:01,240 --> 00:12:59,480

before it I need to do this I want

274

00:13:02,740 --> 00:13:01,250

monsters when we talk about flesh gates

275

00:13:06,460 --> 00:13:02,750

because flesh gates and skin walkers

276

00:13:09,639 --> 00:13:06,470

apparently have the ability to kind of

277

00:13:12,940 --> 00:13:09,649

basically mimic human voices and sound -

278

00:13:14,829 --> 00:13:12,950

in order to lure you - to them so I mean

279

00:13:16,480 --> 00:13:14,839

that kind of reminded me of one of those

280

00:13:20,800 --> 00:13:16,490

but I should talk about flash gates

281

00:13:23,740 --> 00:13:20,810

sometimes yeah those are actually that

282

00:13:27,190 --> 00:13:23,750

kind of luring technique is also

283

00:13:29,470 --> 00:13:27,200

associated with the Sasquatch and the

284

00:13:33,180 --> 00:13:29,480

something call I think called the the

285

00:13:35,620 --> 00:13:33,190

fall behind where they will mimic the

286

00:13:38,139 --> 00:13:35,630

sound of like a baby crying because

287

00:13:39,430 --> 00:13:38,149

humans actively will like all just a

288

00:13:42,100 --> 00:13:39,440

baby crying in the woods you're going to

289

00:13:44,230 --> 00:13:42,110

run to it and so that's a common thing

290

00:13:48,519 --> 00:13:44,240

that's heard and they get attributed to

291

00:13:50,949 --> 00:13:48,529

like a Sasquatch or a Bigfoot and but it

292

00:13:52,389 --> 00:13:50,959

bizarre and so you got to be you got to

293

00:13:54,550 --> 00:13:52,399

be aware out there if you're into this

294

00:13:57,610 --> 00:13:54,560

kind of paranormal kind of cryptozoology

295

00:13:57,970 --> 00:13:57,620

stuff if you hear a baby crying in the

296

00:14:02,440 --> 00:13:57,980

woods

297

00:14:04,420 --> 00:14:02,450

do not go look for that baby why always

298

00:14:06,730 --> 00:14:04,430

look for the baby don't look for the

299

00:14:08,350 --> 00:14:06,740

baby because it's a trap I don't know

300

00:14:11,650 --> 00:14:08,360

man I feel like I'd look for the baby

301  
00:14:14,949 --> 00:14:11,660  
just to make sure it was not a baby well

302  
00:14:17,680 --> 00:14:14,959  
okay good luck Joe but you know just

303  
00:14:18,610 --> 00:14:17,690  
saying gently if I want to get raped by

304  
00:14:22,150 --> 00:14:18,620  
the bog monster

305  
00:14:24,220 --> 00:14:22,160  
okay well better - come on stir Tok how

306  
00:14:27,370 --> 00:14:24,230  
come on stir you arms hanging down his

307  
00:14:29,980 --> 00:14:27,380  
arms were longer in his legs the way he

308  
00:14:32,540 --> 00:14:29,990  
was crowd and he said it looked some

309  
00:14:35,420 --> 00:14:32,550  
more between a animal and a man

310  
00:14:38,300 --> 00:14:35,430  
and he said Jordan up the thing did give

311  
00:14:41,030 --> 00:14:38,310  
up and he walked back up that old road

312  
00:14:43,070 --> 00:14:41,040  
the way he come down he might not ever

313  
00:14:45,710 --> 00:14:43,080

seen the boys standing out there

314

00:14:48,680 --> 00:14:45,720

he won't cry toward that boy looking

315

00:14:52,460 --> 00:14:48,690

down and he smelt the boy before see me

316

00:14:55,699 --> 00:14:52,470

and he stopped real short and he went to

317

00:14:59,150 --> 00:14:55,709

breathing all in the air and director

318

00:15:01,490 --> 00:14:59,160

that Joker spotted him and he didn't

319

00:15:04,579 --> 00:15:01,500

take his eyes off of them again I spam

320

00:15:07,639 --> 00:15:04,589

he kept smelling there and he kept

321

00:15:10,699 --> 00:15:07,649

bending over farther and farther he

322

00:15:13,069 --> 00:15:10,709

won't new find what that kid was but he

323

00:15:15,319 --> 00:15:13,079

didn't want to get any closer he said

324

00:15:17,750 --> 00:15:15,329

the thing looked enough like an animal

325

00:15:19,460 --> 00:15:17,760

he wasn't fixing to talk to it but it

326

00:15:21,949 --> 00:15:19,470

looked enough like a man that he was

327

00:15:24,500 --> 00:15:21,959

scared to shoot it so he stood up and

328

00:15:27,740 --> 00:15:24,510

got the shufflin and said then the thing

329

00:15:30,470 --> 00:15:27,750

just started slowly he's no now warded

330

00:15:31,850 --> 00:15:30,480

had hair all over his bodies and he knew

331

00:15:35,210 --> 00:15:31,860

he couldn't hurt it with his shotgun

332

00:15:38,630 --> 00:15:35,220

squirrel shot so he shot for its eyes

333

00:15:42,050 --> 00:15:38,640

hoping to make it leave him alone or

334

00:15:44,780 --> 00:15:42,060

damage his eyesight act like it never

335

00:15:48,019 --> 00:15:44,790

even heard the shot he emptied his gun

336

00:15:50,180 --> 00:15:48,029

shot him third times then he turned

337

00:15:53,199 --> 00:15:50,190

around and started walking looking back

338

00:15:56,540 --> 00:15:53,209

and loading his gun and then the thing

339

00:15:57,500 --> 00:15:56,550

wasn't chasing him but it was moving

340

00:16:00,560 --> 00:15:57,510

fast

341

00:16:02,180 --> 00:16:00,570

are coming keeping the same distance he

342

00:16:04,850 --> 00:16:02,190

said the first thing you know he was

343

00:16:07,610 --> 00:16:04,860

loading his gun while he was trot and he

344

00:16:11,570 --> 00:16:07,620

said when he got his gun loaded he farad

345

00:16:13,400 --> 00:16:11,580

overtook him and he never did stop let

346

00:16:15,290 --> 00:16:13,410

us make a stand anymore

347

00:16:20,840 --> 00:16:15,300

he headed for home and when he got home

348

00:16:21,980 --> 00:16:20,850

he was completely panicked I actually

349

00:16:24,980 --> 00:16:21,990

I'd like that guy's boys his

350

00:16:27,320 --> 00:16:24,990

storytelling is compelling and well done

351  
00:16:30,980 --> 00:16:27,330  
and that guy should narrate every horror

352  
00:16:34,040 --> 00:16:30,990  
movie that ever is made seems like when

353  
00:16:36,170 --> 00:16:34,050  
he said he was but he looks like a human

354  
00:16:37,130 --> 00:16:36,180  
to shoot it but it looked what do you

355  
00:16:38,660 --> 00:16:37,140  
think I'm sucking in well you wouldn't

356  
00:16:42,530 --> 00:16:38,670  
want to talk to anyone thing to talk to

357  
00:16:45,410 --> 00:16:42,540  
that yeah yeah oh good yeah I play on

358  
00:16:47,570 --> 00:16:45,420  
ps4 the the guys I play with on ps4 they

359  
00:16:48,980 --> 00:16:47,580  
all have sort of a Southern drawl

360  
00:16:51,080 --> 00:16:48,990  
they're all great

361  
00:16:53,540 --> 00:16:51,090  
I was that so I was like you were doing

362  
00:16:55,220 --> 00:16:53,550  
the voice and I'm like oh man there are

363  
00:16:57,950 --> 00:16:55,230

people gonna get offended by Rob

364

00:17:00,470 --> 00:16:57,960

probably look I'm a guest I'm an [h\_\_h]

365

00:17:03,320 --> 00:17:00,480

I'm sorry people I am I make fun of

366

00:17:04,610 --> 00:17:03,330

everybody and everything my bad I know I

367

00:17:05,810 --> 00:17:04,620

don't I don't care where you come from

368

00:17:08,180 --> 00:17:05,820

I'm gonna make fun of you

369

00:17:10,370 --> 00:17:08,190

it does send sometimes like you

370

00:17:11,990 --> 00:17:10,380

swallowed a banjo and that replace your

371

00:17:15,050 --> 00:17:12,000

larynx yes all right

372

00:17:18,800 --> 00:17:15,060

the boggy creek monster came up and it

373

00:17:21,380 --> 00:17:18,810

stole my sandwich I tell you did you

374

00:17:25,790 --> 00:17:21,390

jumped up and hunker down on her Fuller

375

00:17:27,050 --> 00:17:25,800

fellows Packer I saw it the one you were

376

00:17:28,910 --> 00:17:27,060

doing earlier was better you sounded

377

00:17:34,400 --> 00:17:28,920

like Clayton Bigsby oh sorry I'm just uh

378

00:17:36,860 --> 00:17:34,410

oh no that was my 49er ah yeah hey layer

379

00:17:38,120 --> 00:17:36,870

I don't know I'm trying to new voices

380

00:17:42,230 --> 00:17:38,130

okay give me a [\h\_\_\h] break

381

00:17:45,650 --> 00:17:42,240

no no breaks hey all right oh you get a

382

00:17:48,440 --> 00:17:45,660

piss break that's it um I have one last

383

00:17:50,060 --> 00:17:48,450

clip here and this might be an extra

384

00:17:53,480 --> 00:17:50,070

long seven because I believe Kalama B

385

00:18:01,010 --> 00:17:53,490

has some Bigfoot stuff correct correct

386

00:18:06,080 --> 00:18:01,020

oh oh and this is a description of the

387

00:18:09,110 --> 00:18:06,090

boggy creek fella and uh real the boggy

388

00:18:10,400 --> 00:18:09,120

creek monster didn't just appear in 1971

389

00:18:14,990 --> 00:18:10,410

when it made headline

390

00:18:17,030 --> 00:18:15,000

it's been here all along there are

391

00:18:18,470 --> 00:18:17,040

rumors years ago about trying a circus

392

00:18:21,050 --> 00:18:18,480

train we got to railroad tracks just

393

00:18:22,370 --> 00:18:21,060

over here probably not even a mile of a

394

00:18:23,690 --> 00:18:22,380

circus train wreck and that something

395

00:18:24,950 --> 00:18:23,700

could have got off that starts fine so I

396

00:18:28,250 --> 00:18:24,960

went to the world books I looked through

397

00:18:29,510 --> 00:18:28,260

all the animals was not a slaw it was

398

00:18:31,190 --> 00:18:29,520

not any kind of bear

399

00:18:32,900 --> 00:18:31,200

it wasn't anything the closest didn't

400

00:18:34,970 --> 00:18:32,910

resemble I said it resembles a knight

401  
00:18:38,030 --> 00:18:34,980  
like a gorilla except an 8-foot tall

402  
00:18:40,580 --> 00:18:38,040  
gorilla that weighs about 800 pounds see

403  
00:18:44,600 --> 00:18:40,590  
bingo even mentioned sloth because

404  
00:18:46,310 --> 00:18:44,610  
obviously the three toe I don't know

405  
00:18:47,960 --> 00:18:46,320  
kind of kind of interesting why can't it

406  
00:18:51,620 --> 00:18:47,970  
be a North American ape at this point

407  
00:18:53,780 --> 00:18:51,630  
why can't we say hey there's probably

408  
00:18:56,720 --> 00:18:53,790  
some kind of giant primate out there

409  
00:18:58,700 --> 00:18:56,730  
that is native to North America we don't

410  
00:18:59,960 --> 00:18:58,710  
really know what it is but it does come

411  
00:19:02,180 --> 00:18:59,970  
around every now and again and there

412  
00:19:03,200 --> 00:19:02,190  
varies so elusive they don't want to

413  
00:19:04,700 --> 00:19:03,210

come out they want to talk to you they

414

00:19:08,510 --> 00:19:04,710

want to get a job they don't pay taxes I

415

00:19:12,220 --> 00:19:08,520

get it there's no sovereign citizens

416

00:19:14,540 --> 00:19:12,230

their sovereign citizen God and

417

00:19:16,120 --> 00:19:14,550

Republicans they sound like Republican

418

00:19:21,050 --> 00:19:16,130

to deliver carries what they are Joe

419

00:19:24,730 --> 00:19:21,060

[h\_\_h] goddamn libertarians out there and

420

00:19:29,480 --> 00:19:24,740

I believe my ideology is a narco Bigfoot

421

00:19:33,500 --> 00:19:29,490

I can get behind that that is what I

422

00:19:35,510 --> 00:19:33,510

have on the boggy creek monster the

423

00:19:38,600 --> 00:19:35,520

boggy creek legend you can take a look

424

00:19:40,400 --> 00:19:38,610

at the entire movie from 2016 from

425

00:19:43,310 --> 00:19:40,410

small-town monsters it's on Amazon Prime

426

00:19:45,740 --> 00:19:43,320

right now for free and I should say up

427

00:19:48,530 --> 00:19:45,750

front I'm not making any money from

428

00:19:50,120 --> 00:19:48,540

these guys ever Tizen I just you know I

429

00:19:51,950 --> 00:19:50,130

think I was nice enough to come on our

430

00:19:54,230 --> 00:19:51,960

show and I like talking he does good

431

00:19:56,060 --> 00:19:54,240

movies so I want to talk about him yeah

432

00:19:57,230 --> 00:19:56,070

he does agree once we can try we should

433

00:19:58,700 --> 00:19:57,240

try and get him back on there because

434

00:20:00,880 --> 00:19:58,710

they have on day two at Chestnut Ridge

435

00:20:03,140 --> 00:20:00,890

coming out cuz I donated to their

436

00:20:05,210 --> 00:20:03,150

Kickstarter GoFundMe whatever it is so I

437

00:20:05,930 --> 00:20:05,220

got a I think I get an advance digital

438

00:20:08,900 --> 00:20:05,940

copy of it

439

00:20:13,640 --> 00:20:08,910

yeah the invasion at just not Ridge

440

00:20:16,580 --> 00:20:13,650

that's more of a UFO event isn't it I

441

00:20:18,260 --> 00:20:16,590

read up on there is a crypto mundo

442

00:20:20,330 --> 00:20:18,270

article a trailer came out for it

443

00:20:22,970 --> 00:20:20,340

apparently I think it involves a

444

00:20:23,779 --> 00:20:22,980

Kecksburg Bell in Bigfoot sightings this

445

00:20:25,340 --> 00:20:23,789

head and Western

446

00:20:27,830 --> 00:20:25,350

Pennsylvanian meyer Kecksburg is only

447

00:20:29,029 --> 00:20:27,840

like about an hour away from me there's

448

00:20:31,070 --> 00:20:29,039

a bunch of other like if there's a

449

00:20:32,810 --> 00:20:31,080

prehistoric or ancient giant bird

450

00:20:33,919 --> 00:20:32,820

sighting to the State Park not too far

451  
00:20:36,259 --> 00:20:33,929  
from me mm-hmm

452  
00:20:38,469 --> 00:20:36,269  
I think I think it's essentially a UFO

453  
00:20:41,330 --> 00:20:38,479  
sightings that and then a bunch of a

454  
00:20:43,909 --> 00:20:41,340  
different cryptid stuff I think kind of

455  
00:20:45,590 --> 00:20:43,919  
coincides with that I might be able to

456  
00:20:47,539 --> 00:20:45,600  
play the trailer right now if you'll

457  
00:20:48,560 --> 00:20:47,549  
indulge me because it might be we're

458  
00:20:52,219 --> 00:20:48,570  
talking about maybe we'll play the

459  
00:20:57,169 --> 00:20:52,229  
trailer and I give us a and vation of

460  
00:21:01,669 --> 00:20:57,179  
chess nut Ridge now hopefully give me

461  
00:21:04,009 --> 00:21:01,679  
the actual trailer here we go small town

462  
00:21:05,899 --> 00:21:04,019  
monsters I remember that evening just

463  
00:21:08,629 --> 00:21:05,909

like was yesterday it was Thursday

464

00:21:11,659 --> 00:21:08,639

evening December 9th 1965 there was a

465

00:21:14,210 --> 00:21:11,669

breaking news story coming on the radio

466

00:21:16,580 --> 00:21:14,220

about this brilliant fireball this fire

467

00:21:19,550 --> 00:21:16,590

object was seen from the tip of Ontario

468

00:21:23,260 --> 00:21:19,560

Canada over Michigan Ohio Pennsylvania

469

00:21:25,760 --> 00:21:23,270

[Music]

470

00:21:28,070 --> 00:21:25,770

there's all kind of weird phenomena from

471

00:21:30,710 --> 00:21:28,080

UFOs strange lights in the sky cryptid

472

00:21:32,810 --> 00:21:30,720

creatures haunted locations just a

473

00:21:34,220 --> 00:21:32,820

really concentrated area right here

474

00:21:40,580 --> 00:21:34,230

there's a lot of weird activity that

475

00:21:42,650 --> 00:21:40,590

goes on October 20th this window opened

476

00:21:46,520 --> 00:21:42,660

up in this black darkness this thing

477

00:21:50,090 --> 00:21:46,530

went in this window shut uncover the

478

00:21:55,250 --> 00:21:50,100

secrets of the ridge just not like ever

479

00:21:57,170 --> 00:21:55,260

20 this year okay it's not like a whole

480

00:22:00,650 --> 00:21:57,180

lot of material here's a lot of spooky

481

00:22:02,660 --> 00:22:00,660

music I'm sure will be good and I

482

00:22:06,170 --> 00:22:02,670

certainly don't know enough about it to

483

00:22:09,620 --> 00:22:06,180

comment I wonder if this is in 1960 so

484

00:22:14,120 --> 00:22:09,630

there was a story of a UFO crash in

485

00:22:15,740 --> 00:22:14,130

Pennsylvania in 1960 where it was a UFO

486

00:22:19,310 --> 00:22:15,750

that was a little larger than what you'd

487

00:22:21,860 --> 00:22:19,320

what you'd like it compared to like a

488

00:22:23,450 --> 00:22:21,870

capsule from the Apollo moon missions or

489

00:22:25,130 --> 00:22:23,460

the mercury missions like those those

490

00:22:27,140 --> 00:22:25,140

command capsules on top probably a

491

00:22:30,200 --> 00:22:27,150

little bigger than that and the DES

492

00:22:32,810 --> 00:22:30,210

legend is that it crashed down and when

493

00:22:34,310 --> 00:22:32,820

the surrounding residents went to go

494

00:22:37,040 --> 00:22:34,320

find it they thought it was an airplane

495

00:22:40,910 --> 00:22:37,050

crash when I got there they saw very

496

00:22:42,940 --> 00:22:40,920

strange writing on the side of it and it

497

00:22:46,130 --> 00:22:42,950

wasn't anything that they recognized and

498

00:22:46,340 --> 00:22:46,140

as soon as they got there police showed

499

00:22:48,140 --> 00:22:46,350

up

500

00:22:50,060 --> 00:22:48,150

military paramedics and firefighters

501  
00:22:52,820 --> 00:22:50,070  
came up to cordoned off the entire area

502  
00:22:56,230 --> 00:22:52,830  
and military came in take this to this

503  
00:22:58,040 --> 00:22:56,240  
object on the back of a military truck

504  
00:23:01,370 --> 00:22:58,050  
18-wheeler and they got the hell out of

505  
00:23:03,110 --> 00:23:01,380  
there and there's a lot of eyewitness

506  
00:23:05,420 --> 00:23:03,120  
accounts of that now you could say look

507  
00:23:07,130 --> 00:23:05,430  
there could have been a Russian capsule

508  
00:23:08,780 --> 00:23:07,140  
that one could you know fell to the

509  
00:23:10,370 --> 00:23:08,790  
atmosphere and we wound up right there

510  
00:23:11,780 --> 00:23:10,380  
because they as you know they saw

511  
00:23:13,400 --> 00:23:11,790  
strange writing on the side of the

512  
00:23:16,130 --> 00:23:13,410  
capsule it could have been that could in

513  
00:23:17,690 --> 00:23:16,140

Russian well a lot of cool stories like

514

00:23:19,550 --> 00:23:17,700

that I think they would have eventually

515

00:23:21,950 --> 00:23:19,560

been Declassified that you would think

516

00:23:25,220 --> 00:23:21,960

you remember there's a also theories of

517

00:23:27,470 --> 00:23:25,230

it being the Nazi bell V glocca coming

518

00:23:31,490 --> 00:23:27,480

back from some no-hitter dimensional

519

00:23:33,650 --> 00:23:31,500

journey or some other kind of the

520

00:23:35,510 --> 00:23:33,660

interstellar travel and they crashed

521

00:23:39,680 --> 00:23:35,520

there yeah there's a there's a lot

522

00:23:42,650 --> 00:23:39,690

little stories like that and I hope this

523

00:23:45,920 --> 00:23:42,660

this movie the invasion of a chestnut

524

00:23:47,900 --> 00:23:45,930

Ridge will go into that we let me be

525

00:23:49,220 --> 00:23:47,910

part of the story I just told there and

526

00:23:53,150 --> 00:23:49,230

I just recounted elf time I had I think

527

00:23:54,350 --> 00:23:53,160

it's mostly correct columbic but you
