

BIGFOOT STALKS MILITARY

PARENTAL
ADVISORY
EXPLICIT CONTENT

1
00:00:00,320 --> 00:00:05,590

[Applause]

2
00:00:12,799 --> 00:00:10,250

I'm gonna try to do some some Bigfoot

3
00:00:16,939 --> 00:00:12,809

stuff and some UFO stuff because I did

4
00:00:19,580 --> 00:00:16,949

say last podcast that I had a new book

5
00:00:22,429 --> 00:00:19,590

called mysteries of George's military

6
00:00:24,349 --> 00:00:22,439

bases and then I was gonna peruse this

7
00:00:27,650 --> 00:00:24,359

and I was gonna come back I was a report

8
00:00:30,950 --> 00:00:27,660

to you people about some of the things I

9
00:00:32,510 --> 00:00:30,960

found in this book yes but you fell

10
00:00:33,200 --> 00:00:32,520

through it once again on all your

11
00:00:39,200 --> 00:00:33,210

promises

12
00:00:43,299 --> 00:00:39,210

that is correct show but that will not

13
00:00:45,920 --> 00:00:43,309

be peruse through this there are some

14

00:00:47,569 --> 00:00:45,930

more interesting accounts in different

15

00:00:49,340 --> 00:00:47,579

military bases some military bases only

16

00:00:53,090 --> 00:00:49,350

have ghosts in paranormal and

17

00:00:55,369 --> 00:00:53,100

apparitions some have much more obvious

18

00:00:57,619 --> 00:00:55,379

UFO encounters and then there's a few

19

00:01:01,700 --> 00:00:57,629

that have multiple cases of UFOs

20

00:01:03,619 --> 00:01:01,710

Sasquatch and apparitions as well this

21

00:01:05,329 --> 00:01:03,629

is not a huge book I definitely

22

00:01:08,590 --> 00:01:05,339

recommend people buy you can pick it up

23

00:01:11,870 --> 00:01:08,600

for four I believe sixteen dollars on

24

00:01:13,609 --> 00:01:11,880

Amazon full-color it's a good looking

25

00:01:14,289 --> 00:01:13,619

book I tell you what if you want to read

26
00:01:16,969 --> 00:01:14,299
something while you're in the bathroom

27
00:01:20,480 --> 00:01:16,979
pick up this book it is well worth your

28
00:01:23,300 --> 00:01:20,490
time and money now one of the topics

29
00:01:25,100 --> 00:01:23,310
that I brought to Seth in the interview

30
00:01:28,700 --> 00:01:25,110
and we're talking about the invasion on

31
00:01:31,999 --> 00:01:28,710
Chestnut Ridge was the military aspect

32
00:01:35,120 --> 00:01:32,009
of dozen military even acknowledged

33
00:01:36,859 --> 00:01:35,130
Bigfoot or Sasquatch he was of the

34
00:01:40,190 --> 00:01:36,869
opinion that they'd really don't care or

35
00:01:42,499 --> 00:01:40,200
they really don't know we always talked

36
00:01:46,340 --> 00:01:42,509
about the possibility of Bigfoot or

37
00:01:47,810 --> 00:01:46,350
cryptids being centuries or Scouts or

38
00:01:52,490 --> 00:01:47,820

something we've talked about that a lot

39

00:01:54,770 --> 00:01:52,500

Scouts for the aliens or UFOs or boots

40

00:01:56,780 --> 00:01:54,780

on the ground possibly even genetic

41

00:02:00,560 --> 00:01:56,790

experiments clumb being a clown baby and

42

00:02:03,319 --> 00:02:00,570

I read a story of an invisible Bigfoot

43

00:02:04,520 --> 00:02:03,329

out there I think in on the west coast

44

00:02:07,219 --> 00:02:04,530

it's some lab you remember with

45

00:02:08,809 --> 00:02:07,229

laboratory that was clown baby oh yeah

46

00:02:10,520 --> 00:02:08,819

lawrence livermore yeah Lawrence

47

00:02:12,800 --> 00:02:10,530

Livermore labs invisible Bigfoot and

48

00:02:14,930 --> 00:02:12,810

that goes into like trains to make sure

49

00:02:18,559 --> 00:02:14,940

interdimensional kind of stuff invisible

50

00:02:21,229 --> 00:02:18,569

creatures as well well in Seth even talk

51
00:02:23,870 --> 00:02:21,239
about the ball going into one dimension

52
00:02:27,470 --> 00:02:23,880
from another and one kind of cryptid

53
00:02:30,800 --> 00:02:27,480
carrying it around and stuff so yeah so

54
00:02:33,380 --> 00:02:30,810
I'm always fascinated when the military

55
00:02:36,259 --> 00:02:33,390
gets involved because that's where like

56
00:02:41,059 --> 00:02:36,269
the paranormal and conspiracy directly

57
00:02:44,300 --> 00:02:41,069
you know intersects with with military

58
00:02:47,600 --> 00:02:44,310
and political power because once you

59
00:02:49,520 --> 00:02:47,610
want you once Roswell was taken into the

60
00:02:51,770 --> 00:02:49,530
cusp of the Roswell crash the

61
00:02:53,479 --> 00:02:51,780
extra-terrestrial crash was taken into

62
00:02:56,270 --> 00:02:53,489
custody of the military well politics

63
00:02:58,550 --> 00:02:56,280

got involved what were they gonna do so

64

00:03:00,470 --> 00:02:58,560

that maybe launched majestic 12 and then

65

00:03:04,070 --> 00:03:00,480

that had a whole bunch of set of

66

00:03:06,740 --> 00:03:04,080

policies that if you believe that an

67

00:03:10,610 --> 00:03:06,750

alien craft crashed there that has

68

00:03:12,229 --> 00:03:10,620

affected policy from research and

69

00:03:14,479 --> 00:03:12,239

development of certain technologies to

70

00:03:16,849 --> 00:03:14,489

how we even are open and honest with the

71

00:03:19,430 --> 00:03:16,859

public about the possibility of alien

72

00:03:21,440 --> 00:03:19,440

life on this earth so I like that

73

00:03:23,060 --> 00:03:21,450

intersection of politics and the

74

00:03:25,819 --> 00:03:23,070

paranormal and that's why this book

75

00:03:27,680 --> 00:03:25,829

mysteries of Georgia's military bases is

76

00:03:32,140 --> 00:03:27,690

so fascinating and I'm not getting paid

77

00:03:34,309 --> 00:03:32,150

by these people Tom baby we were

78

00:03:38,180 --> 00:03:34,319

nobody's accusing you but now that

79

00:03:40,370 --> 00:03:38,190

you've said it it's becoming a little

80

00:03:43,190 --> 00:03:40,380

obvious I just like the concept

81

00:03:47,000 --> 00:03:43,200

so what I'll pick out a few paragraphs

82

00:03:49,910 --> 00:03:47,010

here and try to glance at them and tell

83

00:03:52,009 --> 00:03:49,920

you about what I see so the one of the

84

00:03:54,849 --> 00:03:52,019

one of the bases in force that I came

85

00:03:58,879 --> 00:03:54,859

across was for Stuart and Hunter Army

86

00:04:02,360 --> 00:03:58,889

Airfield now this is all from state you

87

00:04:04,009 --> 00:04:02,370

you were in Joe Georgia this whole book

88

00:04:07,780 --> 00:04:04,019

you know it's funny although the whole

89

00:04:10,280 --> 00:04:07,790

audio just cut out no fur for me to you

90

00:04:13,340 --> 00:04:10,290

yeah I didn't hear anything you said I

91

00:04:15,050 --> 00:04:13,350

could hear you see Joe you got some

92

00:04:18,289 --> 00:04:15,060

screen problems your stream is not as

93

00:04:19,969 --> 00:04:18,299

powerful and fast as mine I have a

94

00:04:22,700 --> 00:04:19,979

narrow urethra

95

00:04:26,120 --> 00:04:22,710

yes but anyways a Fort Stewart

96

00:04:28,280 --> 00:04:26,130

originated in 1940 has an anti-aircraft

97

00:04:30,950 --> 00:04:28,290

trade center during World War two it

98

00:04:33,830 --> 00:04:30,960

contained two POWs camps for captured

99

00:04:38,510 --> 00:04:33,840

axis soldiers schools for cooks Baker's

100

00:04:41,810 --> 00:04:38,520

in postal personnel personnel by 1944

101
00:04:43,880 --> 00:04:41,820
the base held 55,000 soldiers most of

102
00:04:46,610 --> 00:04:43,890
them participated in the invasion of

103
00:04:49,700 --> 00:04:46,620
France so it's a long storied history

104
00:04:53,630 --> 00:04:49,710
there for Fort Stewart and the hunter

105
00:04:55,280 --> 00:04:53,640
Army Airfield base now there's a in this

106
00:04:58,460 --> 00:04:55,290
section of the book there's quite an

107
00:05:00,260 --> 00:04:58,470
extensive catalogue of ghost stories

108
00:05:02,480 --> 00:05:00,270
which I won't go into be better at a

109
00:05:03,800 --> 00:05:02,490
later date I'll talk about them a lot of

110
00:05:05,350 --> 00:05:03,810
people do ask us to talk about the

111
00:05:07,310 --> 00:05:05,360
paranormal and ghosts and apparitions

112
00:05:09,230 --> 00:05:07,320
something we don't often talk about on

113
00:05:11,960 --> 00:05:09,240

this podcast for whatever reason I don't

114

00:05:13,310 --> 00:05:11,970

know I guess I hate the ghost thing I

115

00:05:15,890 --> 00:05:13,320

don't think you guys are even into the

116

00:05:17,960 --> 00:05:15,900

ghosts know I talk about it every now

117

00:05:20,210 --> 00:05:17,970

and again but we've talked about it a

118

00:05:23,090 --> 00:05:20,220

few times yeah but where's just not

119

00:05:25,310 --> 00:05:23,100

something weird like so it's a hard one

120

00:05:28,190 --> 00:05:25,320

to do but ruin it for me was all those

121

00:05:31,220 --> 00:05:28,200

goddamn ghost hunter movies on like TLC

122

00:05:32,090 --> 00:05:31,230

in the Travel Channel and in The

123

00:05:34,730 --> 00:05:32,100

Learning Channel

124

00:05:37,970 --> 00:05:34,740

learning about a bunch of LARPer's with

125

00:05:41,000 --> 00:05:37,980

these [h__h] you know whatever the

126

00:05:42,470 --> 00:05:41,010

Ghostbuster tools out there I don't know

127

00:05:44,030 --> 00:05:42,480

like I guess maybe the ghost hunters and

128

00:05:46,790 --> 00:05:44,040

sci-fi kind of ruined it for me

129

00:05:48,920 --> 00:05:46,800

yeah we talked about the series killing

130

00:05:50,420 --> 00:05:48,930

Bigfoot and all that kind of stuff

131

00:05:51,500 --> 00:05:50,430

I guess says I don't know why that

132

00:05:53,710 --> 00:05:51,510

didn't turn me off to talking about

133

00:05:55,310 --> 00:05:53,720

Bigfoot and Sasquatch as opposed to

134

00:05:57,020 --> 00:05:55,320

apparitions and ghosts and poltergeists

135

00:05:58,790 --> 00:05:57,030

I don't know I can't explain it but it's

136

00:06:01,850 --> 00:05:58,800

not something we often talk about but

137

00:06:03,200 --> 00:06:01,860

I'll move on when it when concerning the

138

00:06:08,300 --> 00:06:03,210

Fort Stewart

139

00:06:11,540 --> 00:06:08,310

encounters when it comes to UFOs and so

140

00:06:17,980 --> 00:06:11,550

what happened at this base in 1962 or

141

00:06:22,310 --> 00:06:17,990

1963 and witnesses reported an encounter

142

00:06:24,950 --> 00:06:22,320

it was a Saturday and a boy's family had

143

00:06:29,480 --> 00:06:24,960

reported seeing something near a savanna

144

00:06:31,820 --> 00:06:29,490

shopping center and it was around 9:00

145

00:06:35,330 --> 00:06:31,830

p.m. and a boy and his brother and other

146

00:06:36,680 --> 00:06:35,340

kids played a game and while they ripped

147

00:06:39,800 --> 00:06:36,690

up pieces of paper and placed them

148

00:06:42,200 --> 00:06:39,810

between Mickey's ears it was a balloon

149

00:06:45,800 --> 00:06:42,210

it was Mickey Mouse they let the balloon

150

00:06:47,750 --> 00:06:45,810

float secure with a kite string above

151

00:06:49,909 --> 00:06:47,760

the streetlights at that point the

152

00:06:52,490 --> 00:06:49,919

string was jerked vigorously and as the

153

00:06:54,409 --> 00:06:52,500

paper floated down the boys were raised

154

00:06:56,090 --> 00:06:54,419

to collect them and the child with what

155

00:06:57,440 --> 00:06:56,100

with the most pieces one well what a

156

00:07:00,170 --> 00:06:57,450

stupid [h__h] game these guys are

157

00:07:04,400 --> 00:07:00,180

playing ah he said get a Playstation

158

00:07:07,040 --> 00:07:04,410

well this is 1962 or 1963 Joe figure it

159

00:07:09,650 --> 00:07:07,050

out if you have lawyers on the ground

160

00:07:12,200 --> 00:07:09,660

two or three of the aluminous discs

161

00:07:14,990 --> 00:07:12,210

about the size of a car suddenly

162

00:07:17,690 --> 00:07:15,000

appeared and then zigzagged half a dozen

163

00:07:21,260 --> 00:07:17,700

times above the street light first side

164

00:07:23,590 --> 00:07:21,270

to side then back and forth in a cross

165

00:07:26,719 --> 00:07:23,600

like pattern alternating aggressively

166

00:07:28,760 --> 00:07:26,729

apparently while the kids were

167

00:07:31,159 --> 00:07:28,770

scrutinizing the balloon every crew

168

00:07:35,210 --> 00:07:31,169

every kid was transfixed by the UFO and

169

00:07:39,110 --> 00:07:35,220

the papers floated to earth unnoticed

170

00:07:41,600 --> 00:07:39,120

the papers from the balloon went

171

00:07:43,490 --> 00:07:41,610

unnoticed and then suddenly just as

172

00:07:45,110 --> 00:07:43,500

suddenly as the UFOs appeared they

173

00:07:47,240 --> 00:07:45,120

disappeared the boys scrambled to

174

00:07:50,240 --> 00:07:47,250

collect the paper hosted Mickey up again

175

00:07:53,659 --> 00:07:50,250

and your jerk the string and almost the

176

00:07:55,310 --> 00:07:53,669

exact same thing happened again except

177

00:07:57,950 --> 00:07:55,320

instead of disappearing the UFOs took

178

00:08:01,400 --> 00:07:57,960

off in a straight line slow enough that

179

00:08:03,860 --> 00:08:01,410

they could be tracked the UFO had been

180

00:08:05,900 --> 00:08:03,870

silent and all the kids saw it and all

181

00:08:09,050 --> 00:08:05,910

the kids saw was the bottom it was

182

00:08:12,650 --> 00:08:09,060

described as incredibly zippy in motion

183

00:08:14,600 --> 00:08:12,660

and glowing silvery amber by the time

184

00:08:18,920 --> 00:08:14,610

the adults were summoned the UFO was

185

00:08:23,810 --> 00:08:18,930

almost among the stars and that the came

186

00:08:26,000 --> 00:08:23,820

from near the the Fort Stewart in Hunter

187

00:08:27,980 --> 00:08:26,010

Army Airfield base I don't know it's

188

00:08:31,930 --> 00:08:27,990

kind of hard to take the eyewitness

189

00:08:36,230 --> 00:08:31,940

testimony of kids playing a balloon game

190

00:08:37,790 --> 00:08:36,240

serious Joe I think yeah this is kind of

191

00:08:43,130 --> 00:08:37,800

where I'm going it's like oh we're going

192

00:08:46,040 --> 00:08:43,140

with you know 60 70 year old stories of

193

00:08:47,510 --> 00:08:46,050

kids playing some [h__h] game they

194

00:08:48,829 --> 00:08:47,520

don't they probably lying about that

195

00:08:50,630 --> 00:08:48,839

they broke something didn't they

196

00:08:52,079 --> 00:08:50,640

well it's tough here so when I was

197

00:08:53,999 --> 00:08:52,089

hoping for in this

198

00:08:55,739 --> 00:08:54,009

is that there would be some sort of

199

00:08:59,280 --> 00:08:55,749

radar confirmation that they saw

200

00:09:02,999 --> 00:08:59,290

something says it was near an army base

201
00:09:05,579 --> 00:09:03,009
and in in this section of the book I did

202
00:09:07,230 --> 00:09:05,589
not get that and some kind of bringing

203
00:09:09,059 --> 00:09:07,240
that up but you'd expect in your army

204
00:09:11,670 --> 00:09:09,069
base near field they should have radar

205
00:09:13,199 --> 00:09:11,680
- yeah and there should be some kind of

206
00:09:14,699 --> 00:09:13,209
when does like some good soldier

207
00:09:16,499 --> 00:09:14,709
somebody could report to the newspaper

208
00:09:21,420 --> 00:09:16,509
yeah we did this we did that sound like

209
00:09:26,759 --> 00:09:21,430
that yeah yeah I mean I don't have that

210
00:09:29,340 --> 00:09:26,769
in this exact story but move honor to to

211
00:09:31,470 --> 00:09:29,350
Bigfoot for Stewart located north of

212
00:09:35,429 --> 00:09:31,480
Savannah and 30 miles east of the

213
00:09:37,799 --> 00:09:35,439

Atlantic Ocean is a 280,000 anchor

214

00:09:39,720 --> 00:09:37,809

training base for armored the largest

215

00:09:42,720 --> 00:09:39,730

facility east of the Mississippi River

216

00:09:45,509 --> 00:09:42,730

the base is 39 miles east to west in

217

00:09:48,420 --> 00:09:45,519

nineteen miles north to south occupying

218

00:09:50,639 --> 00:09:48,430

portions of five Georgia counties was a

219

00:09:54,179 --> 00:09:50,649

military installation consists of swamp

220

00:09:59,939 --> 00:09:54,189

and piney woods perfect habitat for many

221

00:10:04,139 --> 00:09:59,949

animals including Bigfoot so this is a

222

00:10:05,489 --> 00:10:04,149

Bigfoot case oh maybe it was a swamp

223

00:10:07,169 --> 00:10:05,499

they'd be more likely to be the skunk

224

00:10:08,910 --> 00:10:07,179

ape but we all but nothing to see you

225

00:10:10,230 --> 00:10:08,920

know a swamp version of the Bigfoot

226

00:10:12,900 --> 00:10:10,240

could just be a different same creature

227

00:10:17,429 --> 00:10:12,910

or tomato tomahto you know some species

228

00:10:19,949 --> 00:10:17,439

you know penis [h__\h] [\h__\h] vagina any

229

00:10:25,129 --> 00:10:19,959

which way you want to call it that's all

230

00:10:32,280 --> 00:10:25,139

the same to me dildo butt plugs you know

231

00:10:36,449 --> 00:10:32,290

exactly Joe don't want to be going to be

232

00:10:38,429 --> 00:10:36,459

splitting dildos here no unless you got

233

00:10:41,780 --> 00:10:38,439

a double ender so here here is gonna

234

00:10:44,999 --> 00:10:41,790

make this here's a Bigfoot case from the

235

00:10:48,869 --> 00:10:45,009

Fort Stewart and Hunter Army Airfield

236

00:10:52,559 --> 00:10:48,879

base at dusk one day in December 1995

237

00:10:54,239 --> 00:10:52,569

Army sergeant RB to other squad leaders

238

00:10:56,549 --> 00:10:54,249

in to privates started out on

239

00:10:58,710 --> 00:10:56,559

reconnaissance mission to lay Kate to

240

00:11:00,720 --> 00:10:58,720

locate a second unit stationed several

241

00:11:02,400 --> 00:11:00,730

miles away they were at Fort Stewart

242

00:11:07,860 --> 00:11:02,410

western perimeter

243

00:11:09,210 --> 00:11:07,870

and a roadless uninhabited in remote

244

00:11:12,270 --> 00:11:09,220

part of the enormous military

245

00:11:14,190 --> 00:11:12,280

reservation an area with deep swamp in

246

00:11:16,710 --> 00:11:14,200

some higher ground covered with pine

247

00:11:19,880 --> 00:11:16,720

trees there was a full moon in despite

248

00:11:22,320 --> 00:11:19,890

mist visible visibility was good

249

00:11:24,270 --> 00:11:22,330

consulting a map and compass the group

250

00:11:26,550 --> 00:11:24,280

decided to advance through several

251
00:11:28,860 --> 00:11:26,560
hundred meters of swamp believing that

252
00:11:32,700 --> 00:11:28,870
no one would expect them to take that

253
00:11:35,910 --> 00:11:32,710
route the exodus swamp at 11 p.m. with

254
00:11:39,390 --> 00:11:35,920
40 yards to the force border a mile

255
00:11:40,590 --> 00:11:39,400
distance from the opposing force there

256
00:11:42,870 --> 00:11:40,600
probably in some kind of military

257
00:11:45,300 --> 00:11:42,880
training exercise claw maybe that's what

258
00:11:47,670 --> 00:11:45,310
they're getting out here after leaving

259
00:11:50,900 --> 00:11:47,680
the swamp we could hear something or

260
00:11:53,550 --> 00:11:50,910
someone following us sergeant RV wrote

261
00:11:56,130 --> 00:11:53,560
neighbor could they consider it to be

262
00:11:57,990 --> 00:11:56,140
their instructors but concluded that

263
00:12:00,660 --> 00:11:58,000

they would would not have taken the

264

00:12:02,670 --> 00:12:00,670

Swamper out and no one knew their paths

265

00:12:06,150 --> 00:12:02,680

although we didn't see it it was easily

266

00:12:09,930 --> 00:12:06,160

within 25 yards he would come up behind

267

00:12:11,160 --> 00:12:09,940

us at the point that they thought that

268

00:12:13,440 --> 00:12:11,170

they would be able to see who was

269

00:12:16,290 --> 00:12:13,450

trailing them it would cut off to the

270

00:12:20,370 --> 00:12:16,300

right or left go around us fade off and

271

00:12:22,350 --> 00:12:20,380

then we would hear coming again this

272

00:12:26,490 --> 00:12:22,360

went on for ten or fifteen minutes

273

00:12:29,220 --> 00:12:26,500

the five soldiers made a plan - made a

274

00:12:29,730 --> 00:12:29,230

plan for revealing the wily follower two

275

00:12:33,120 --> 00:12:29,740

of them

276

00:12:34,920 --> 00:12:33,130

sergeant W in private P remains still

277

00:12:36,960 --> 00:12:34,930

while the other three moved forward

278

00:12:39,390 --> 00:12:36,970

slowly the other team would then move

279

00:12:43,160 --> 00:12:39,400

out to their amazement this triggered a

280

00:12:46,440 --> 00:12:43,170

complex maneuver by their swamp watcher

281

00:12:49,650 --> 00:12:46,450

the thing started weaving in and out of

282

00:12:52,140 --> 00:12:49,660

the two groups like a figure eight

283

00:12:54,290 --> 00:12:52,150

sergeant our be reported and then none

284

00:12:57,090 --> 00:12:54,300

of them could hear when the soldiers

285

00:12:59,340 --> 00:12:57,100

United several hundred feet several

286

00:13:00,810 --> 00:12:59,350

hundred yards later the Fallen the

287

00:13:03,270 --> 00:13:00,820

following group reported that the same

288

00:13:05,100 --> 00:13:03,280

pattern was reported the same pattern

289

00:13:07,710 --> 00:13:05,110

that it came between the two groups

290

00:13:11,070 --> 00:13:07,720

around them toward us like it knew

291

00:13:13,650 --> 00:13:11,080

exactly where we were even though we

292

00:13:15,750 --> 00:13:13,660

couldn't see it when the opposing force

293

00:13:20,160 --> 00:13:15,760

was 400 meters

294

00:13:22,500 --> 00:13:20,170

about 101 1,300 feet distance the five

295

00:13:25,080 --> 00:13:22,510

men established a patrol base and split

296

00:13:28,770 --> 00:13:25,090

into two groups the first team was

297

00:13:31,440 --> 00:13:28,780

sergeant RB and Sergeant H went out for

298

00:13:34,320 --> 00:13:31,450

several hours in upon return two of the

299

00:13:37,620 --> 00:13:34,330

others would be sent out on patrol the

300

00:13:41,190 --> 00:13:37,630

first team advanced 200 meters about 650

301
00:13:44,670 --> 00:13:41,200
feet and heard something following them

302
00:13:46,740 --> 00:13:44,680
again the men got more into the open

303
00:13:52,410 --> 00:13:46,750
area and laid down facing the direction

304
00:13:54,960 --> 00:13:52,420
of the noise with no one to track the

305
00:13:59,520 --> 00:13:54,970
skulker apparently became frustrated

306
00:14:03,150 --> 00:13:59,530
after five is all of a sudden this green

307
00:14:05,790 --> 00:14:03,160
roar came out of the darkness we looked

308
00:14:11,190 --> 00:14:05,800
at each other and said what the hell was

309
00:14:13,200 --> 00:14:11,200
the VAT neither had ever heard such a

310
00:14:15,840 --> 00:14:13,210
sound a minute later it screamed again

311
00:14:19,290 --> 00:14:15,850
and then we heard what sounded like a

312
00:14:22,170 --> 00:14:19,300
huge rotten tree falling and brush

313
00:14:25,830 --> 00:14:22,180

breaking they heard a very large

314

00:14:29,190 --> 00:14:25,840

something running off obviously on two

315

00:14:40,110 --> 00:14:29,200

legs and the strange episode was

316

00:14:48,450 --> 00:14:40,120

concluded at 3 a.m. on the dot yes it

317

00:14:52,340 --> 00:14:48,460

may have been like 257 a.m. yeah those

318

00:14:54,480 --> 00:14:52,350

military encounters yeah there are

319

00:14:56,730 --> 00:14:54,490

reasons the more interesting ones a

320

00:14:59,040 --> 00:14:56,740

human more than one person sees it and

321

00:15:02,730 --> 00:14:59,050

they would be key as hell to to hear

322

00:15:04,890 --> 00:15:02,740

that kind of [h__\h] and then perform some

323

00:15:06,720 --> 00:15:04,900

kind of manoeuvres okay let's see who

324

00:15:09,420 --> 00:15:06,730

might be following us we'll split into

325

00:15:10,920 --> 00:15:09,430

groups and we'll see but no this thing

326

00:15:13,490 --> 00:15:10,930

was kind of weaving in and out of them

327

00:15:14,750 --> 00:15:13,500

without being seen

328

00:15:17,970 --> 00:15:14,760

[Music]

329

00:15:19,920 --> 00:15:17,980

interesting [h__h] and I didn't even that

330

00:15:22,460 --> 00:15:19,930

book is full of stories like that maybe

331

00:15:26,880 --> 00:15:22,470

I'll read one and in another podcast

332

00:15:29,140 --> 00:15:26,890

glance I'll glance at it like this if I

333

00:15:32,250 --> 00:15:29,150

like military interaction

334

00:15:34,960 --> 00:15:32,260

with these weird and strange creatures

335

00:15:37,540 --> 00:15:34,970

because I so for whatever reason it

336

00:15:40,360 --> 00:15:37,550

gives me a little bit of expert validity

337

00:15:43,300 --> 00:15:40,370

to the phenomenon I like that I like

338

00:15:45,430 --> 00:15:43,310

these trained people who want to kill

339

00:15:48,400 --> 00:15:45,440

they love the track they want to protect

340

00:15:50,920 --> 00:15:48,410

this country and they're forced into a

341

00:15:53,440 --> 00:15:50,930

situation well this happened to be in a

342

00:15:57,280 --> 00:15:53,450

situation where they're interacting with

343

00:15:59,470 --> 00:15:57,290

these strange entities bizarre and we

344

00:16:01,510 --> 00:15:59,480

have we found out if any of these

345

00:16:04,210 --> 00:16:01,520

entities like carrots cuz I think I know

346

00:16:07,720 --> 00:16:04,220

somebody who would be good at tracking

347

00:16:11,650 --> 00:16:07,730

these [h__h] down to our knowledge of

348

00:16:16,240 --> 00:16:11,660

Bigfoot or or Sasquatch they're not big

349

00:16:17,890 --> 00:16:16,250

carrot people not to my knowledge but I

350

00:16:21,910 --> 00:16:17,900

know you're getting that Joe the Snowman

351

00:16:24,040 --> 00:16:21,920

would be pretty pretty good at tracking

352

00:16:25,690 --> 00:16:24,050

these [h__h] down just after they

353

00:16:27,820 --> 00:16:25,700

carry a different vegetable or something

354

00:16:31,570 --> 00:16:27,830

around maybe a [h__h] Arby's you know

355

00:16:33,760 --> 00:16:31,580

sandwich cuz paint I know he knows he's

356

00:16:35,740 --> 00:16:33,770

got damn Bigfoot don't have money you

357

00:16:37,060 --> 00:16:35,750

ain't buy an RV sandwiches no I can't

358

00:16:43,650 --> 00:16:37,070

afford that kind of stuff and get some

359

00:16:51,040 --> 00:16:47,080

we should probably move on possibly to
