

JFK CIA FILES MISSING

PARENTAL
ADVISORY
EXPLICIT CONTENT

1
00:00:00,320 --> 00:00:06,309

[Applause]

2
00:00:11,600 --> 00:00:09,980

your entire volume of CIA files on Lee

3
00:00:14,150 --> 00:00:11,610

Harvey Oswald's set to be released in

4
00:00:16,430 --> 00:00:14,160

October has gone missing and this has

5
00:00:17,720 --> 00:00:16,440

gone around quite a bit I sent this in

6
00:00:20,470 --> 00:00:17,730

the slack I talked about it a few

7
00:00:24,259 --> 00:00:20,480

episodes ago and this comes from the

8
00:00:26,630 --> 00:00:24,269

freethought project comm I actually have

9
00:00:28,670 --> 00:00:26,640

a listener in the slack chat again an

10
00:00:29,210 --> 00:00:28,680

email our victimology met I come to be

11
00:00:32,389 --> 00:00:29,220

added

12
00:00:34,100 --> 00:00:32,399

they said they get they went on a JFK

13
00:00:38,810 --> 00:00:34,110

wormhole I think it may have been

14

00:00:41,330 --> 00:00:38,820

triggered to use sjw language by by your

15

00:00:43,810 --> 00:00:41,340

sharing this subject and this is the

16

00:00:47,810 --> 00:00:43,820

thing it's like if the JFK assassination

17

00:00:52,100 --> 00:00:47,820

was so cut-and-dry that oh just some

18

00:00:53,330 --> 00:00:52,110

goofball got a but a gun and and shot

19

00:00:56,240 --> 00:00:53,340

the dude from the window

20

00:00:58,849 --> 00:00:56,250

you know why are these files so secret

21

00:01:02,779 --> 00:00:58,859

why why is it so hard to get ahold of

22

00:01:04,729 --> 00:01:02,789

and why are they kept secret until 2017

23

00:01:05,810 --> 00:01:04,739

and they're not even out yet they're

24

00:01:08,210 --> 00:01:05,820

supposed to come out in October

25

00:01:11,000 --> 00:01:08,220

everybody keep getting set on fire like

26
00:01:13,520 --> 00:01:11,010
the Boston bombing or or the keyboard or

27
00:01:17,539 --> 00:01:13,530
disappearing World Trade Center 7 with

28
00:01:20,660 --> 00:01:17,549
the Enron [h__\h] so I read this I'll

29
00:01:23,600 --> 00:01:20,670
try to paraphrase this so volume 5 of

30
00:01:27,050 --> 00:01:23,610
the CIA's Lee Harvey Oswald 70 a.m.

31
00:01:29,840 --> 00:01:27,060
collection may never be turned over even

32
00:01:34,190 --> 00:01:29,850
though law requires it to take place by

33
00:01:36,560 --> 00:01:34,200
October 26 of this year so there's a

34
00:01:40,069 --> 00:01:36,570
seven-volume set on just Lee Harvey

35
00:01:43,639 --> 00:01:40,079
Oswald and the JFK assassination

36
00:01:46,760 --> 00:01:43,649
five-five is missing and they said that

37
00:01:51,319 --> 00:01:46,770
oh it was checked out and they got it

38
00:01:53,660 --> 00:01:51,329

came back and then you know then we they

39

00:01:55,190 --> 00:01:53,670

you know it's been a it's like a [h__\h]

40

00:01:56,539 --> 00:01:55,200

library they they they it's like here

41

00:01:58,789 --> 00:01:56,549

this person checked it out and then this

42

00:02:01,370 --> 00:01:58,799

person checked it out all available all

43

00:02:03,590 --> 00:02:01,380

available documents from all government

44

00:02:05,389 --> 00:02:03,600

entities are required by the Kennedy

45

00:02:07,550 --> 00:02:05,399

assassination records a collection Act

46

00:02:10,279 --> 00:02:07,560

of 1992 to be released by October 26th

47

00:02:12,140 --> 00:02:10,289

2017 but if history repeats itself the

48

00:02:13,230 --> 00:02:12,150

Central Intelligence Agency may not

49

00:02:15,570 --> 00:02:13,240

release the

50

00:02:19,800 --> 00:02:15,580

higher volume of documents on Oswald

51
00:02:23,310 --> 00:02:19,810
known as volume 5 now they're saying is

52
00:02:25,560 --> 00:02:23,320
missing but now the CIA say no is not

53
00:02:30,170 --> 00:02:25,570
missing in fact volume 5 has been

54
00:02:33,300 --> 00:02:30,180
condensed down into volume 4 and 6

55
00:02:34,320 --> 00:02:33,310
that's what they're saying now vying 5

56
00:02:37,560 --> 00:02:34,330
is not missing

57
00:02:42,120 --> 00:02:37,570
they simply included the the contents of

58
00:02:44,700 --> 00:02:42,130
volume 5 into volume 4 volume 6 does

59
00:02:46,110 --> 00:02:44,710
that make any sense to anybody why

60
00:02:47,910 --> 00:02:46,120
wouldn't they just cut down the number

61
00:02:50,370 --> 00:02:47,920
of volumes that and just have it vices 1

62
00:02:53,730 --> 00:02:50,380
through 5 to the 1 through 6 or even

63
00:02:55,800 --> 00:02:53,740

just consolidate all of the data into

64

00:02:57,290 --> 00:02:55,810

one place or just keep [\h__\h] volume 5 I

65

00:03:01,710 --> 00:02:57,300

don't get it

66

00:03:03,870 --> 00:03:01,720

so as of late 1977 the entire 7 vine

67

00:03:06,360 --> 00:03:03,880

collection of documents was intact

68

00:03:09,440 --> 00:03:06,370

haven't been checked out by Russ Holmes

69

00:03:12,330 --> 00:03:09,450

in the Office of General Counsel and

70

00:03:15,840 --> 00:03:12,340

noted the seventh volume series was

71

00:03:19,200 --> 00:03:15,850

altogether not missing any volumes but

72

00:03:22,920 --> 00:03:19,210

the CIA was asked to turn over the the

73

00:03:27,810 --> 00:03:22,930

volumes and documents on Oswald next was

74

00:03:29,400 --> 00:03:27,820

that I'm like you said asks was asked to

75

00:03:31,380 --> 00:03:29,410

turn over the volumes and documents I

76

00:03:34,560 --> 00:03:31,390

like apples the Hitmen of the

77

00:03:36,960 --> 00:03:34,570

assassination it's it seemed the agency

78

00:03:39,180 --> 00:03:36,970

stonewalled a bit like a shell game

79

00:03:41,820 --> 00:03:39,190

according to independent investigator

80

00:03:44,850 --> 00:03:41,830

Malcolm Blount and this goes on and on

81

00:03:46,890 --> 00:03:44,860

and so Malcolm Blount investigated over

82

00:03:48,930 --> 00:03:46,900

and over and say whoa what's going on

83

00:03:51,870 --> 00:03:48,940

here why he's still in walling what

84

00:03:54,330 --> 00:03:51,880

happened to volume 5 and so the agency's

85

00:03:57,060 --> 00:03:54,340

explanation was offered that vine 5

86

00:04:02,130 --> 00:03:57,070

could have been consolidated into volume

87

00:04:03,360 --> 00:04:02,140

4 or volume 6 for example eventually the

88

00:04:05,490 --> 00:04:03,370

agency concluded

89

00:04:08,850 --> 00:04:05,500

according to Blount that volume 5 of

90

00:04:13,640 --> 00:04:08,860

Oswald's security file may never have

91

00:04:16,289 --> 00:04:13,650

existed so what is it

92

00:04:18,420 --> 00:04:16,299

then a consolidate in the vine for or

93

00:04:22,890 --> 00:04:18,430

vine 6 or did never exist they don't

94

00:04:25,740 --> 00:04:22,900

even [h__h] know now so why so why is

95

00:04:31,790 --> 00:04:25,750

such a clear-cut case

96

00:04:37,170 --> 00:04:34,920

hey you know and and I mean this gets

97

00:04:39,660 --> 00:04:37,180

into and still my anarchist part coming

98

00:04:41,820 --> 00:04:39,670

out the government works for us the

99

00:04:44,640 --> 00:04:41,830

government represents us all this stuff

100

00:04:46,620 --> 00:04:44,650

I feel like I should be able to walk

101
00:04:48,900 --> 00:04:46,630
into any government building whenever I

102
00:04:50,370 --> 00:04:48,910
want without being body scan or any of

103
00:04:52,770 --> 00:04:50,380
this stuff and if you have to find

104
00:04:55,820 --> 00:04:52,780
terrorism blah blah blah but I feel like

105
00:04:58,650 --> 00:04:55,830
I should be able to grab any record ever

106
00:05:02,130 --> 00:04:58,660
you know unless it's like a top-secret

107
00:05:05,220 --> 00:05:02,140
CIA mission you know or whatever there's

108
00:05:06,480 --> 00:05:05,230
like it's it's happening right now and I

109
00:05:10,440 --> 00:05:06,490
think you could make the argument it is

110
00:05:12,480 --> 00:05:10,450
happening right now you know the CIA is

111
00:05:15,150 --> 00:05:12,490
probably implicated in the JFK

112
00:05:17,010 --> 00:05:15,160
assassination but I feel like I should

113
00:05:20,610 --> 00:05:17,020

be if it's as simple as what we've been

114

00:05:22,560 --> 00:05:20,620

told I should be able to go in and go oh

115

00:05:24,930 --> 00:05:22,570

yeah that checks out because that's what

116

00:05:27,240 --> 00:05:24,940

I like to do when I evaluate evidence if

117

00:05:30,170 --> 00:05:27,250

somebody says this guy's purple I go

118

00:05:33,470 --> 00:05:30,180

outside and I go yeah it's not purple

119

00:05:36,060 --> 00:05:33,480

yeah well I'll agree allottee is not

120

00:05:40,140 --> 00:05:36,070

determined by government reality is

121

00:05:41,670 --> 00:05:40,150

determined by evidence and this idea you

122

00:05:43,469 --> 00:05:41,680

know that all white people are raised

123

00:05:45,680 --> 00:05:43,479

all the other stuff they tie back at the

124

00:05:50,580 --> 00:05:45,690

beginning like you need evidence and

125

00:05:53,969 --> 00:05:50,590

this this cultural abandonment of

126

00:05:57,450 --> 00:05:53,979

evidence and why it would matter is very

127

00:06:00,300 --> 00:05:57,460

troubling especially in the you know if

128

00:06:02,880 --> 00:06:00,310

you can if you think well boy the

129

00:06:04,500 --> 00:06:02,890

government happened to lose the JFK

130

00:06:07,830 --> 00:06:04,510

files whoops

131

00:06:11,550 --> 00:06:07,840

World Trade Center 7 didn't get hit by a

132

00:06:13,800 --> 00:06:11,560

plane all those records and Ron was

133

00:06:16,230 --> 00:06:13,810

going on it on the time oh who would

134

00:06:18,420 --> 00:06:16,240

have been implicated whoops ties into a

135

00:06:22,830 --> 00:06:18,430

lot of other things who benefits

136

00:06:26,340 --> 00:06:22,840

who loses it's you the taxpayer Oh me

137

00:06:28,230 --> 00:06:26,350

okay it was all of us well I mean over

138

00:06:29,370 --> 00:06:28,240

and over again the mainstream narrative

139

00:06:32,190 --> 00:06:29,380

the mainstream story

140

00:06:36,270 --> 00:06:32,200

it never really adds up and when you ask

141

00:06:38,460 --> 00:06:36,280

for the actual evidence like say hey can

142

00:06:39,060 --> 00:06:38,470

we just see the the Lee Harvey Oswald

143

00:06:43,770 --> 00:06:39,070

the file

144

00:06:45,810 --> 00:06:43,780

in this the secret files you have no you

145

00:06:47,490 --> 00:06:45,820

have you have the news reports and then

146

00:06:50,520 --> 00:06:47,500

that should be good enough well let's

147

00:06:54,360 --> 00:06:50,530

just see some like what let's see the

148

00:06:56,880 --> 00:06:54,370

actual evidence that that you use to you

149

00:06:59,310 --> 00:06:56,890

know get the story out there we see that

150

00:07:01,560 --> 00:06:59,320

not it's always obvious Gators always

151

00:07:03,810 --> 00:07:01,570

put behind is just a layer of secrecy

152

00:07:05,760 --> 00:07:03,820

how many how many years they take to get

153

00:07:07,590 --> 00:07:05,770

the eighteenth date or the 28 pages from

154

00:07:09,080 --> 00:07:07,600

the 9/11 report out and even some of

155

00:07:13,500 --> 00:07:09,090

that's still blacked out it's not in

156

00:07:15,380 --> 00:07:13,510

last year yeah so 15 years so well and

157

00:07:18,270 --> 00:07:15,390

so I would I want to put this into a

158

00:07:22,740 --> 00:07:18,280

psychological and cultural framework Oh

159

00:07:24,870 --> 00:07:22,750

once again so with this idea that Russia

160

00:07:27,000 --> 00:07:24,880

not necessarily did they

161

00:07:28,500 --> 00:07:27,010

so they've they've already said multiple

162

00:07:30,870 --> 00:07:28,510

times so they can never change this

163

00:07:35,040 --> 00:07:30,880

story then Russia did not hack voting

164

00:07:37,230 --> 00:07:35,050

machines they did not hack individual

165

00:07:42,090 --> 00:07:37,240

votes any of this stuff they paid for

166

00:07:44,610 --> 00:07:42,100

Facebook ads and they spread the truth

167

00:07:46,350 --> 00:07:44,620

about what the DNC was doing nobody ever

168

00:07:49,410 --> 00:07:46,360

said oh yeah well we didn't give

169

00:07:51,180 --> 00:07:49,420

favorability to Hillary or John Podesta

170

00:07:52,830 --> 00:07:51,190

didn't say any of these things it was

171

00:07:56,990 --> 00:07:52,840

never like those things aren't true

172

00:08:02,700 --> 00:07:57,000

it was just Russia exposed them and so

173

00:08:05,040 --> 00:08:02,710

this idea that you know people are too

174

00:08:07,140 --> 00:08:05,050

stupid to parse information for

175

00:08:09,630 --> 00:08:07,150

themselves like I don't give you like

176

00:08:12,510 --> 00:08:09,640

the Republican information if it's

177

00:08:15,090 --> 00:08:12,520

detrimental and incriminating I want to

178

00:08:16,620 --> 00:08:15,100

know but like this idea that people

179

00:08:17,910 --> 00:08:16,630

can't parse this information for

180

00:08:19,620 --> 00:08:17,920

themselves and figure out like who's

181

00:08:21,570 --> 00:08:19,630

corrupt who's not vote in the right

182

00:08:23,940 --> 00:08:21,580

direction and everything that's blaming

183

00:08:26,220 --> 00:08:23,950

of you know Russia and all this stuff

184

00:08:29,250 --> 00:08:26,230

it's like look did they tell us anything

185

00:08:29,760 --> 00:08:29,260

that wasn't true no okay move the [h__h]

186

00:08:32,580 --> 00:08:29,770

line

187

00:08:35,790 --> 00:08:32,590

I don't want transparency I don't I'd

188

00:08:38,010 --> 00:08:35,800

since since this does that these secret

189

00:08:40,880 --> 00:08:38,020

JFK files kind of relate to this new

190

00:08:43,140 --> 00:08:40,890

Russian narrative is being bounded about

191

00:08:45,330 --> 00:08:43,150

which is very little proof that we've

192

00:08:47,520 --> 00:08:45,340

seen so far exactly have we seen some

193

00:08:48,770 --> 00:08:47,530

reports from CrowdStrike

194

00:08:50,180 --> 00:08:48,780

and then everything

195

00:08:53,420 --> 00:08:50,190

kind of got based off of that at least

196

00:08:55,820 --> 00:08:53,430

what I have seen and and if Russia did

197

00:08:58,370 --> 00:08:55,830

you know have Facebook ads and they

198

00:09:00,170 --> 00:08:58,380

bought like \$100,000 worth of Facebook

199

00:09:03,590 --> 00:09:00,180

ads and that changed the face of the

200

00:09:10,730 --> 00:09:03,600

election then our democracy is very

201
00:09:13,130 --> 00:09:10,740
fragile and we can change the game spend

202
00:09:15,590 --> 00:09:13,140
like a billion dollars or something like

203
00:09:17,900 --> 00:09:15,600
these to get elected and it's like Oh a

204
00:09:19,460 --> 00:09:17,910
hundred thousand dollars in facebook ads

205
00:09:21,380 --> 00:09:19,470
I don't even go to Facebook I know

206
00:09:23,690 --> 00:09:21,390
plenty of people who don't even want to

207
00:09:27,050 --> 00:09:23,700
go like they literally changed the

208
00:09:30,560 --> 00:09:27,060
election they stupid do you think we are

209
00:09:32,780 --> 00:09:30,570
could it could have been them I until I

210
00:09:36,740 --> 00:09:32,790
see an example of the ads that they are

211
00:09:38,510 --> 00:09:36,750
attributing the the Russian by ad buy -

212
00:09:40,670 --> 00:09:38,520
I I don't know they're not providing

213
00:09:42,500 --> 00:09:40,680

examples of what exactly that content

214

00:09:46,520 --> 00:09:42,510

wasn't maybe it's just not being bounded

215

00:09:48,320 --> 00:09:46,530

about so I don't I don't see a hundred

216

00:09:49,940 --> 00:09:48,330

thousand dollars in win an election I

217

00:09:51,950 --> 00:09:49,950

mean why wasn't this happening for the

218

00:09:54,380 --> 00:09:51,960

last ten years exactly so it's

219

00:09:55,670 --> 00:09:54,390

ridiculous on his face if you can spend

220

00:09:58,730 --> 00:09:55,680

a hundred thousand dollars and change

221

00:10:01,250 --> 00:09:58,740

the election and that's whether or not

222

00:10:03,410 --> 00:10:01,260

well if you think about it doesn't

223

00:10:06,020 --> 00:10:03,420

really make too much sense and so that's

224

00:10:07,850 --> 00:10:06,030

what we don't we don't like evidence we

225

00:10:11,090 --> 00:10:07,860

don't like logic or evidence that says

226

00:10:12,620 --> 00:10:11,100

our culture has become this thing we

227

00:10:16,070 --> 00:10:12,630

talk about James d'amour earlier on the

228

00:10:18,710 --> 00:10:16,080

shore you know this is this is [h__\h]

229

00:10:20,300 --> 00:10:18,720

you know they I like so I I have a nap

230

00:10:22,370 --> 00:10:20,310

Mike I don't know if you're involved

231

00:10:25,520 --> 00:10:22,380

with this thing is a fish

232

00:10:28,190 --> 00:10:25,530

it's called fishbowl and it's a industry

233

00:10:30,200 --> 00:10:28,200

app for like advertisers designers tech

234

00:10:33,410 --> 00:10:30,210

you know tech people blah blah blah and

235

00:10:35,570 --> 00:10:33,420

it's got fishbowl and I pay attention to

236

00:10:37,280 --> 00:10:35,580

it and you would not believe the number

237

00:10:39,829 --> 00:10:37,290

of people who are talking about how

238

00:10:42,110 --> 00:10:39,839

James d'amour was a racist racist racist

239

00:10:44,030 --> 00:10:42,120

misogynist massages massages for the

240

00:10:47,240 --> 00:10:44,040

first week that it was coming out on

241

00:10:49,220 --> 00:10:47,250

that and then get on the app like cuz

242

00:10:51,860 --> 00:10:49,230

it's an anonymous it's like if you could

243

00:10:55,190 --> 00:10:51,870

imagine yak-yak like okay yeah we're

244

00:10:57,770 --> 00:10:55,200

younger I okay if you know you kak then

245

00:10:59,690 --> 00:10:57,780

it's it's like basically anonymous

246

00:11:01,369 --> 00:10:59,700

people within a certain location can say

247

00:11:02,929 --> 00:11:01,379

whatever they want and nobody

248

00:11:04,400 --> 00:11:02,939

knows who they are this is an

249

00:11:06,679 --> 00:11:04,410

industry-wide thing where it's like

250

00:11:09,409 --> 00:11:06,689

you're anonymous you can say you can

251
00:11:11,329 --> 00:11:09,419
reveal whether your what your position

252
00:11:14,629 --> 00:11:11,339
you can reveal your company you can feel

253
00:11:17,059 --> 00:11:14,639
everything if you want and so that when

254
00:11:19,759 --> 00:11:17,069
it first started it was like everybody

255
00:11:22,339 --> 00:11:19,769
hated this guy and then the tide turned

256
00:11:24,589 --> 00:11:22,349
and then everybody abandoned it because

257
00:11:26,239 --> 00:11:24,599
they didn't want to talk about about how

258
00:11:28,759 --> 00:11:26,249
wrong they were they didn't want to talk

259
00:11:32,899 --> 00:11:28,769
about how oh wait I actually read the

260
00:11:35,479 --> 00:11:32,909
[h__h] memo now I you know you can't

261
00:11:38,989 --> 00:11:35,489
delete comments as far as I know no I

262
00:11:40,489 --> 00:11:38,999
don't know but it's just like one of

263
00:11:40,849 --> 00:11:40,499

these things where it's like wait a

264

00:11:42,919 --> 00:11:40,859

minute

265

00:11:47,239 --> 00:11:42,929

how do you just get to say this [h__h] and

266

00:11:49,669 --> 00:11:47,249

then continue to be wrong about it yeah

267

00:11:51,829 --> 00:11:49,679

well people I mean eventually they'll

268

00:11:54,729 --> 00:11:51,839

have to come to their own conclusions

269

00:11:57,739 --> 00:11:54,739

about their the belief systems and I

270

00:11:59,239 --> 00:11:57,749

just to take it back to JFK if

271

00:12:01,249 --> 00:11:59,249

everything's on the up-and-up and
