5
00:00:24,710 --> 00:00:20,850
know it's got a video it's local news

6
00:00:28,460 --> 00:00:24,720
and it's pretty interesting okay are you

7
00:00:34,060 --> 00:00:28,470
breaking work I can break it open and I

8
00:00:35,560 --> 00:00:34,070
can play this right now please I love

9
00:00:38,810 --> 00:00:35,570
this one

10
00:00:41,750 --> 00:00:38,820
this is it's still loading I'm still

11
00:00:43,790 --> 00:00:41,760
learning this is a mysterious illness

12
00:00:47,119 --> 00:00:43,800
affecting wild by forcing police to

13
00:00:51,049 --> 00:00:47,129

shoot killing is this the zombie animal

14

00:00:52,819 --> 00:00:51,059

thing yeah yeah yeah it'll be here in a

15

00:00:54,560 --> 00:00:52,829

second we all love zombie animals

16

00:00:56,540 --> 00:00:54,570

everyone does well your local news sites

17

00:00:58,580 --> 00:00:56,550

always take up tons of resources and

18

00:01:00,110 --> 00:00:58,590

take forever to load it's a university

19

00:01:03,009 --> 00:01:00,120

town ship are worried about their pets

20

00:01:05,660 --> 00:01:03,019

neighbors have reported hundreds of sick

21

00:01:07,070 --> 00:01:05,670

animals living in the woods the police

22

00:01:08,840 --> 00:01:07,080

say they have been forced to kill more

23

00:01:11,210 --> 00:01:08,850

than 500 animals in the past month

24

00:01:14,000 --> 00:01:11,220

Brenda waters has the story now new at

25

00:01:16,130 --> 00:01:14,010

six some folks who live here in Ross

26
00:01:18,260 --> 00:01:16,140
Township say something strange is going

27
00:01:20,149 --> 00:01:18,270
on with the wildlife here they're

28
00:01:21,590 --> 00:01:20,159
concerned they want to know if it could

29
00:01:23,630 --> 00:01:21,600
affect them but are your concerns about

30
00:01:25,429 --> 00:01:23,640
all this that there's a disease going

31
00:01:27,980 --> 00:01:25,439
around it couldn't be transmitted to

32
00:01:30,230 --> 00:01:27,990
people or our pets this has been going

33
00:01:36,679 --> 00:01:30,240
on for about a week in the Ross Township

34
00:01:38,990 --> 00:01:36,689
neighborhood coming out of the woods

35
00:01:43,760 --> 00:01:39,000
behind the houses that appear to be sick

36
00:01:45,469 --> 00:01:43,770
groundhogs Lisa call they seen oh yeah

37
00:01:47,389 --> 00:01:45,479
they said groundhogs they your look is

38
00:01:49,969 --> 00:01:47,399

yeah they said groundhogs I've

39
00:01:52,069 --> 00:01:49,979
Rhodenbarr Avenue they've been raccoons

40
00:01:54,350 --> 00:01:52,079
and groundhogs coming out of the woods

41
00:01:57,170 --> 00:01:54,360
behind the houses that appear to be sick

42
00:01:58,940 --> 00:01:57,180
each time police a call they seem to be

43
00:02:00,020 --> 00:01:58,950
sick that it doesn't seem to be rabies

44
00:02:02,660 --> 00:02:00,030
but the reason why they're saying

45
00:02:04,819 --> 00:02:02,670
they're sick is because they're not

46
00:02:08,029 --> 00:02:04,829
responding have masks on and they talk

47
00:02:09,770 --> 00:02:08,039
about Nazis constantly oh come on listen

48
00:02:11,990 --> 00:02:09,780
it's like they're dying Ross Township

49
00:02:13,190 --> 00:02:12,000
police say they shoot five to ten

50
00:02:14,510 --> 00:02:13,200
animals a day

51
00:02:20,290 --> 00:02:14,520
and then toss them in the woods behind

52
00:02:23,570 --> 00:02:20,300
me they toss them in the woods behind

53
00:02:26,270 --> 00:02:23,580
the explaining I did their math they

54
00:02:28,130 --> 00:02:26,280
said 500 in a month that's about almost

55
00:02:30,949 --> 00:02:28,140
17 a day so I guess they have bigger

56
00:02:32,960 --> 00:02:30,959
kill days noses Christ there must be a

57
00:02:34,970 --> 00:02:32,970
great back there of sick and diseased

58
00:02:37,250 --> 00:02:34,980
that can't be healthy that's gonna

59
00:02:41,240 --> 00:02:37,260
spread disease everywhere this is ground

60
00:02:43,400 --> 00:02:41,250
huh Holocaust Jesus Christ spread this

61
00:02:45,620 --> 00:02:43,410
disease far and wide we're gonna pile up

62
00:02:47,180 --> 00:02:45,630
these bodies so all the other animals

63
00:02:49,789 --> 00:02:47,190

the rodents someone eat and feed off

64

00:02:51,979 --> 00:02:49,799

corpses will come into the mass grave of

65

00:02:53,750 --> 00:02:51,989

sicken feed off them get sick yeah

66

00:02:55,720 --> 00:02:53,760

they're gonna feed on zombie flesh and

67

00:02:58,580 --> 00:02:55,730

then they turn into zombies themselves

68

00:03:00,559 --> 00:02:58,590

they're not responding like moving or

69

00:03:03,770 --> 00:03:00,569

running away from them

70

00:03:06,080 --> 00:03:03,780

and there's it's like they're dying Ross

71

00:03:08,150 --> 00:03:06,090

Township police say they shoot five to

72

00:03:09,259 --> 00:03:08,160

ten animals a day and then toss them in

73

00:03:11,630 --> 00:03:09,269

the woods behind me

74

00:03:14,030 --> 00:03:11,640

and that creates another problem the

75

00:03:15,920 --> 00:03:14,040

odor Ross Township police say they

76

00:03:18,259 --> 00:03:15,930

aren't allowed to transport the dead

77

00:03:20,240 --> 00:03:18,269

caucuses in their vehicles but they have

78

00:03:21,440 --> 00:03:20,250

contacted at why not why can't you think

79

00:03:25,039 --> 00:03:21,450

why can't they just put them in the back

80

00:03:30,590 --> 00:03:25,049

of their car why can't you take over oh

81

00:03:34,099 --> 00:03:30,600

um we're not allowed I'm on lunch rules

82

00:03:35,960 --> 00:03:34,109

can't do it that will hold them away but

83

00:03:37,520 --> 00:03:35,970

they've been killing so many animals

84

00:03:39,590 --> 00:03:37,530

it's difficult to keep up

85

00:03:42,830 --> 00:03:39,600

it was smelling like dead something dead

86

00:03:44,720 --> 00:03:42,840

I thought about really did my garage but

87

00:03:46,849 --> 00:03:44,730

then I found out it's not in my garage

88

00:03:50,240 --> 00:03:46,859

because I tore it up look at and then

89

00:03:52,640 --> 00:03:50,250

gotta warn people smellier when we went

90

00:03:56,089 --> 00:03:52,650

outside and it just smelled up the whole

91

00:03:58,640 --> 00:03:56,099

neighborhood so here what's making the

92

00:04:01,490 --> 00:03:58,650

animals sick Ross Township police think

93

00:04:03,979 --> 00:04:01,500

it could be the oral rabies vaccine that

94

00:04:06,589 --> 00:04:03,989

state and county agencies have placed in

95

00:04:08,990 --> 00:04:06,599

wooded areas either on foot or dropped

96

00:04:11,569 --> 00:04:09,000

from low-flying planes or helicopters I

97

00:04:13,430 --> 00:04:11,579

spoke with a representative from the US

98

00:04:16,370 --> 00:04:13,440

Department of Agriculture secular

99

00:04:20,150 --> 00:04:16,380

Cantrell's this program know the rabies

100

00:04:22,520 --> 00:04:20,160

vaccine has been used since 1995 and is

101
00:04:25,310 --> 00:04:22,530
not known to cause any adverse effects

102
00:04:26,210 --> 00:04:25,320
the agency however will be reaching out

103
00:04:27,140 --> 00:04:26,220
to the walk

104
00:04:30,670 --> 00:04:27,150
us

105
00:04:33,620 --> 00:04:30,680
authorities Brenda waters Katie Katie so

106
00:04:35,390 --> 00:04:33,630
thanks Brenda I realize they drop

107
00:04:36,800 --> 00:04:35,400
vaccines out of low-flying planes and

108
00:04:40,310 --> 00:04:36,810
helicopters and dump them in the woods

109
00:04:42,020 --> 00:04:40,320
for rabies rabies really isn't that big

110
00:04:43,460 --> 00:04:42,030
of a problem and it's curable like I

111
00:04:45,320 --> 00:04:43,470
think I've only ever seen two rabid

112
00:04:47,870 --> 00:04:45,330
animals mer life and they're like

113
00:04:49,250 --> 00:04:47,880

they're slow and pathetic and like

114

00:04:51,050 --> 00:04:49,260

they're aggressive but they're really

115

00:04:53,180 --> 00:04:51,060

slow and disoriented like they won't

116

00:04:55,790 --> 00:04:53,190

just like run at you full speed

117

00:04:57,350 --> 00:04:55,800

why does Pittsburgh local have all these

118

00:04:59,330 --> 00:04:57,360

great stories what the [h__h] going on

119

00:05:01,010 --> 00:04:59,340

Pittsburgh this is a Ross Township this

120

00:05:03,230 --> 00:05:01,020

is like I don't know 15 20 minute drive

121

00:05:06,290 --> 00:05:03,240

for me it's very far so all the stories

122

00:05:07,400 --> 00:05:06,300

we see about Bigfoot dog man and all the

123

00:05:09,770 --> 00:05:07,410

books that have been written about

124

00:05:11,570 --> 00:05:09,780

Pennsylvania even the newest documentary

125

00:05:14,150 --> 00:05:11,580

coming out from small-town monsters is

126
00:05:17,230 --> 00:05:14,160
about Pennsylvania what is it what are

127
00:05:21,409 --> 00:05:17,240
they dropping in the wildlife here to

128
00:05:23,659 --> 00:05:21,419
kill or zombify things this is the

129
00:05:27,020 --> 00:05:23,669
t-virus what the [h__\h] is going on in

130
00:05:30,770 --> 00:05:27,030
Pennsylvania that there is this weird

131
00:05:32,150 --> 00:05:30,780
wildlife and even more missing 411

132
00:05:34,219 --> 00:05:32,160
things that are coming out in the

133
00:05:36,710 --> 00:05:34,229
Pittsburgh area here groans you're a

134
00:05:39,290 --> 00:05:36,720
clown baby yeah we gotta do something

135
00:05:41,870 --> 00:05:39,300
bold move fun out here we can do a l

136
00:05:43,279 --> 00:05:41,880
guess we can go on visit Kecksburg one

137
00:05:45,080 --> 00:05:43,289
day and I don't know

138
00:05:47,089 --> 00:05:45,090

try doin try some camping out here field

139

00:05:49,460 --> 00:05:47,099

investigator I'm good you gotta warn

140

00:05:52,520 --> 00:05:49,470

people go back on the woods and warm

141

00:05:54,529 --> 00:05:52,530

people yeah tell me I'll camp with you

142

00:05:56,930 --> 00:05:54,539

is search for a Bigfoot try to get it

143

00:05:59,150 --> 00:05:56,940

abducted get out something all right you

144

00:06:03,500 --> 00:05:59,160

bring the like the the tent I'll bring

145

00:06:06,050 --> 00:06:03,510

the shampoo all right the shampoo get

146

00:06:08,719 --> 00:06:06,060

some more headlines here doomsday

147

00:06:11,600 --> 00:06:08,729

theorist says planet Nibiru will destroy

148

00:06:14,600 --> 00:06:11,610

earth before September okay

149

00:06:16,040 --> 00:06:14,610

I'm from natural news.com hey the is the

150

00:06:18,740 --> 00:06:16,050

end of the world gonna happen this week

151
00:06:20,270 --> 00:06:18,750
clown baby apparently between the 20th

152
00:06:21,560 --> 00:06:20,280
which is today in the 23rd allegedly

153
00:06:23,870 --> 00:06:21,570
it's supposed to happen we've had

154
00:06:26,120 --> 00:06:23,880
another earthquake which I think on I

155
00:06:27,080 --> 00:06:26,130
think I heard a new agenda some of the

156
00:06:30,200 --> 00:06:27,090
religious people are thinking they

157
00:06:31,820 --> 00:06:30,210
needed some seating some ocean signs

158
00:06:33,080 --> 00:06:31,830
nice of the hurricane drew that and

159
00:06:34,370 --> 00:06:33,090
they're waiting for another land sign

160
00:06:35,469 --> 00:06:34,380
which here is another earthquake in

161
00:06:38,230 --> 00:06:35,479
Mexico so

162
00:06:41,170 --> 00:06:38,240
maybe it is and we're sparing lists the

163
00:06:42,909 --> 00:06:41,180

events they're happening now apparently

164

00:06:44,559 --> 00:06:42,919

match up with something quoted in I

165

00:06:47,379 --> 00:06:44,569

think Luke or something in the Bible and

166

00:06:49,299 --> 00:06:47,389

revelations no but but the kicker here

167

00:06:51,339 --> 00:06:49,309

is they use a biblical code to arrive at

168

00:06:52,989 --> 00:06:51,349

these dates I know I prefer the book of

169

00:06:55,390 --> 00:06:52,999

Vader it was much more injured look the

170

00:06:56,649 --> 00:06:55,400

Vader yeah or the gospel Palpatine yes

171

00:07:00,369 --> 00:06:56,659

yeah

172

00:07:06,129 --> 00:07:00,379

the shampoo yes Shampoo 3:16 we all know

173

00:07:08,379 --> 00:07:06,139

the book of Internet firm says remove

174

00:07:12,129 --> 00:07:08,389

extraneous content we've talked about

175

00:07:16,570 --> 00:07:12,139

that earlier fluoride exposure in utero

176

00:07:21,399 --> 00:07:16,580

linked to lower IQ and kids uh-huh it's

177

00:07:23,920 --> 00:07:21,409

almost like conspiracy theorists you are

178

00:07:26,230 --> 00:07:23,930

under something especially with Harvard

179

00:07:28,629 --> 00:07:26,240

saying that it's a neurotoxin ok

180

00:07:32,469 --> 00:07:28,639

nevermind anti-trump

181

00:07:34,929 --> 00:07:32,479

which compares casting hexes to singing

182

00:07:36,909 --> 00:07:34,939

national anthem okay well these are all

183

00:07:39,219 --> 00:07:36,919

great articles they're actually we just

184

00:07:40,869 --> 00:07:39,229

need more time to delve into him British

185

00:07:44,290 --> 00:07:40,879

supermarket offers payment by

186

00:07:48,790 --> 00:07:44,300

fingerprint well great it's about time

187

00:07:51,939 --> 00:07:48,800

you now can now I scan I scanned now I

188

00:07:55,089 --> 00:07:51,949

shall scan new iPhone hey Holly you're

189

00:07:56,739 --> 00:07:55,099

in a you're in Britain why don't you go

190

00:07:59,050 --> 00:07:56,749

ahead and try to pay for your groceries

191

00:08:00,999 --> 00:07:59,060

by fingerprint let me know how good tell

192

00:08:04,360 --> 00:08:01,009

us how it goes yeah you gotta warn

193

00:08:07,779 --> 00:08:04,370

people right strange light spotted in

194

00:08:09,279 --> 00:08:07,789

sky over Salt Lake City there's just so

195

00:08:12,820 --> 00:08:09,289

much news we we should probably do a

196

00:08:16,540 --> 00:08:12,830

whole show just about the news podcast

197

00:08:18,699 --> 00:08:16,550

used to be every week every well every

198

00:08:21,309 --> 00:08:18,709

well we bring segments and we talk about

199

00:08:22,929 --> 00:08:21,319

things and we sort of throw our just

200

00:08:24,730 --> 00:08:22,939

like whether the news actually does we

201
00:08:29,050 --> 00:08:24,740
throw our agenda out there everybody

202
00:08:31,119 --> 00:08:29,060
knows I'm gay and cap and clown baby is

203
00:08:33,639 --> 00:08:31,129
advocating for clown rights all the time

204
00:08:37,449 --> 00:08:33,649
I thought of a solution we should only

205
00:08:39,579 --> 00:08:37,459
have two segments per show meaning

206
00:08:41,589 --> 00:08:39,589
either myself and Columbia be doing or

207
00:08:43,750 --> 00:08:41,599
Joe and clown baby and then we can leave

208
00:08:44,140 --> 00:08:43,760
more room for their news at the end and

209
00:08:46,150 --> 00:08:44,150
so

210
00:08:47,800 --> 00:08:46,160
everyone does and you tried to switch it

211
00:08:49,750 --> 00:08:47,810
up and do news first which is

212
00:08:52,300 --> 00:08:49,760
interesting because it's like you know

213
00:08:54,490 --> 00:08:52,310

do the news cover it laugh a lot and

214

00:08:56,710 --> 00:08:54,500

then move it to the segment's where it's

215

00:08:59,920 --> 00:08:56,720

like now you're gonna be propagandized

216

00:09:00,820 --> 00:08:59,930

by our ideology because we're gonna be

217

00:09:03,370 --> 00:09:00,830

honest about it

218

00:09:05,830 --> 00:09:03,380

mm hmm hmm the baby is not gonna be

219

00:09:08,290 --> 00:09:05,840

honest about their ideology and what the

220

00:09:11,590 --> 00:09:08,300

way they frame their messaging and we

221

00:09:14,200 --> 00:09:11,600

cover the news in a very funny way one

222

00:09:15,310 --> 00:09:14,210

of the ideological lens I think what do

223

00:09:17,440 --> 00:09:15,320

you think about the Columbia if we do

224

00:09:20,380 --> 00:09:17,450

the double reverse news we do the news

225

00:09:22,180 --> 00:09:20,390

up front from now on that could work and

226

00:09:24,280 --> 00:09:22,190

we could you your rotation of segments

227

00:09:26,230 --> 00:09:24,290

so someone has a week off I think

228

00:09:27,850 --> 00:09:26,240

eventually let's let's actually start

229

00:09:29,590 --> 00:09:27,860

doing that starting next week let's

230

00:09:32,200 --> 00:09:29,600

start doing the headlines and news up

231

00:09:34,990 --> 00:09:32,210

front and and just get through this just

232

00:09:37,510 --> 00:09:35,000

like we give it a time limit you know

233

00:09:38,800 --> 00:09:37,520

yeah we'll give the give the show a time

234

00:09:40,570 --> 00:09:38,810

limit there's like we're gonna cover the

235

00:09:43,060 --> 00:09:40,580

headlines here's the headlines here's

236

00:09:45,670 --> 00:09:43,070

what we all want to talk about 30

237

00:09:47,290 --> 00:09:45,680

minutes over 5 30 40 minutes we'll take

238

00:09:49,450 --> 00:09:47,300

a break come back do some segments and

239

00:10:02,560 --> 00:09:49,460

then wind down the show with some mutual

240

00:10:04,030 --> 00:10:02,570

masturbation and sure you know I don't

241

00:10:14,860 --> 00:10:04,040

want to see you guys I just want you

242

00:10:17,430 --> 00:10:14,870

guys decide baseball for everybody come

243

00:10:20,890 --> 00:10:17,440

out yeah just the people so good

244

00:10:22,810 --> 00:10:20,900

weigh-in folks folks at home as you

245

00:10:25,890 --> 00:10:22,820

listen you know I mean if you can take

246

00:10:29,440 --> 00:10:25,900

the time and email in and or join us on

247

00:10:31,330 --> 00:10:29,450

slack and and tell us what you think

248

00:10:33,580 --> 00:10:31,340

about that proposition I mean I think

249

00:10:35,650 --> 00:10:33,590

it's actually a decent idea the Saturday

250

00:10:38,530 --> 00:10:35,660

show is always a very loose show may get

251
00:10:40,450 --> 00:10:38,540
calls and people you know call and they

252
00:10:43,660 --> 00:10:40,460
keep calling I keep calling they keep

253
00:10:44,980 --> 00:10:43,670
calling and you don't ever get them a

254
00:10:47,920 --> 00:10:44,990
news release so I think the

255
00:10:51,580 --> 00:10:47,930
double-reverse news might work yeah I

256
00:10:55,180 --> 00:10:51,590
weigh in people and let's move up yeah

257
00:11:00,530 --> 00:10:55,190
um just a few more here and

258
00:11:02,990 --> 00:11:00,540
we'll move on to ending the show please

259
00:11:07,430 --> 00:11:03,000
search for mad pooper who dumps and runs

260
00:11:10,340 --> 00:11:07,440
okay I'm some Denver local good one

261
00:11:15,370 --> 00:11:10,350
hey that video yeah this is a good old

262
00:11:19,310 --> 00:11:17,570
however the news first I mean these

263
00:11:20,990 --> 00:11:19,320

important stories like this that people

264

00:11:22,310 --> 00:11:21,000

really want to know about affects their

265

00:11:25,670 --> 00:11:22,320

daily lives and not necessarily that's

266

00:11:27,650 --> 00:11:25,680

mine yeah I'm so loading the springs a

267

00:11:29,750 --> 00:11:27,660

family says they want a woman to stop

268

00:11:31,190 --> 00:11:29,760

defecating in their neighborhood the

269

00:11:33,650 --> 00:11:31,200

family says for the past eight weeks

270

00:11:38,230 --> 00:11:33,660

this woman has gone we all want things

271

00:11:40,880 --> 00:11:38,240

lady ain't happen look life isn't fair

272

00:11:43,040 --> 00:11:40,890

hand throw it around the day road or

273

00:11:46,040 --> 00:11:43,050

wish than the other I got it I got a

274

00:11:47,630 --> 00:11:46,050

rewind this Joe I really I gotta figure

275

00:11:49,850 --> 00:11:47,640

what's happening it could change the way

276

00:11:55,880 --> 00:11:49,860

we travel and send cargo all over the

277

00:11:58,520 --> 00:11:55,890

world wait no no no no baby she has an

278

00:12:00,770 --> 00:11:58,530

idea like an innovative idea that's like

279

00:12:03,050 --> 00:12:00,780

she's gonna send her [\h__\h] everywhere she

280

00:12:03,530 --> 00:12:03,060

ship the bush ship the [\h__\h] across the

281

00:12:06,110 --> 00:12:03,540

world

282

00:12:10,750 --> 00:12:06,120

oh she's transportating she's running

283

00:12:16,460 --> 00:12:14,510

okay CBS Denver come on let's blow dis

284

00:12:18,740 --> 00:12:16,470

[\h__\h] [\h__\h] well the family says they

285

00:12:19,430 --> 00:12:18,750

want a woman to stop defecating in their

286

00:12:21,290 --> 00:12:19,440

neighborhood

287

00:12:23,270 --> 00:12:21,300

the family says for the past seven weeks

288

00:12:25,070 --> 00:12:23,280

this woman has gone to the bathroom in

289

00:12:26,960 --> 00:12:25,080

her yard they say they've caught her in

290

00:12:29,720 --> 00:12:26,970

the act and told her to stop but she

291

00:12:31,030 --> 00:12:29,730

hasn't police are investigating you

292

00:12:34,310 --> 00:12:31,040

gotta warn people

293

00:12:38,720 --> 00:12:34,320

yeah well that's an anarchist there that

294

00:12:40,160 --> 00:12:38,730

were you gonna do I mean the anarchists

295

00:12:41,480 --> 00:12:40,170

wouldn't go for the same spot every time

296

00:12:43,160 --> 00:12:41,490

I guess it wouldn't just be prying

297

00:12:45,620 --> 00:12:43,170

pooping on everyone's you know stuff I

298

00:12:47,210 --> 00:12:45,630

guess so maybe but she found a good got

299

00:12:52,430 --> 00:12:47,220

the suit Han Turkey

300

00:12:55,970 --> 00:12:52,440

yeah I mean so we drink our own piss and

301
00:12:59,720 --> 00:12:55,980
[h__h] in our own yard it's fine come on

302
00:13:04,630 --> 00:12:59,730
we should all be free I have a video an

303
00:13:07,490 --> 00:13:04,640
audio of Trent Reznor's first band slim

304
00:13:10,400 --> 00:13:07,500
slim

305
00:13:13,030 --> 00:13:10,410
bamboo bamboo slam bamboo you want to

306
00:13:15,620 --> 00:13:13,040
hear Trent Reznor's first band Joe I

307
00:13:18,350 --> 00:13:15,630
want to hear everything all the time

308
00:13:20,660 --> 00:13:18,360
constants lam bamboo yes this band has

309
00:13:22,250 --> 00:13:20,670
everything it takes to make it big doing

310
00:13:25,870 --> 00:13:22,260
their single now called house on fire

311
00:13:30,260 --> 00:13:25,880
let's welcome slam bamboo Lam bamboo

312
00:13:33,380 --> 00:13:30,270
really dumb name by the way it's not

313
00:13:38,389 --> 00:13:33,390

coming out of my left ear I do you dumb

314

00:13:44,759 --> 00:13:42,720

it's pretty awful yeah sorry about that

315

00:13:50,040 --> 00:13:44,769

is that really Trent Reznor's force band

316

00:13:52,440 --> 00:13:50,050

yeah I mean you could see the industrial

317

00:13:53,880 --> 00:13:52,450

roots kind of in there and the sin thing

318

00:14:01,230 --> 00:13:53,890

and all that but boy

319

00:14:03,210 --> 00:14:01,240

slam bamboo um so are there we I think

320

00:14:05,430 --> 00:14:03,220

we gotta get out of here guys I mean I

321

00:14:06,449 --> 00:14:05,440

birdie at 9:21 you have you've been

322

00:14:08,730 --> 00:14:06,459

going at this for a little bit

323

00:14:10,410 --> 00:14:08,740

yeah [h__h] is not gonna make itself

324

00:14:12,900 --> 00:14:10,420

today and I got a lot of editing to do

325

00:14:14,160 --> 00:14:12,910

I'm honestly I'm surprised I didn't

326

00:14:18,900 --> 00:14:14,170

throw all my computer's out the winner

327

00:14:21,509 --> 00:14:18,910

today literally I'm surprised and part

328

00:14:23,579 --> 00:14:21,519

of myself for restraining and keeping

329

00:14:27,380 --> 00:14:23,589

composed for how much technical

330

00:14:29,670 --> 00:14:27,390

difficulties we had and my control and

331

00:14:30,030 --> 00:14:29,680

medication are working so that's good to

332

00:14:36,850 --> 00:14:30,040

hear

333

00:14:40,570 --> 00:14:36,860

it's just a lot of things going on yeah

334

00:14:42,130 --> 00:14:40,580

Wow it's tough sometimes people we try

335

00:14:44,079 --> 00:14:42,140

to do a high production show when you

336

00:14:45,310 --> 00:14:44,089

have segments and topics and you can't

337

00:14:49,150 --> 00:14:45,320

get that everything and then you get

338

00:14:52,000 --> 00:14:49,160

frustrated and in the stuff constantly

339

00:14:57,040 --> 00:14:52,010

yeah yeah exactly so be paid for [h__\h]

340

00:14:59,410 --> 00:14:57,050

up constantly [h__\h] choke good it might

341

00:15:02,019 --> 00:14:59,420

look sloppy was he Paula patience during

342

00:15:05,290 --> 00:15:02,029

the break I think we we said really

343

00:15:10,090 --> 00:15:05,300

strong I think we started we started the

344

00:15:11,380 --> 00:15:10,100

show off really strong and and let the

345

00:15:13,000 --> 00:15:11,390

technicals get the better of me and we

346

00:15:16,540 --> 00:15:13,010

took a break and we talked about some

347

00:15:18,940 --> 00:15:16,550

stuff if people do what happened during

348

00:15:21,910 --> 00:15:18,950

the [h__\h] that makes it or doesn't make

349

00:15:24,370 --> 00:15:21,920

it I mean God it's like what what does

350

00:15:28,990 --> 00:15:24,380

it take we're just trying to put out a

351
00:15:33,360 --> 00:15:29,000
show have a nice conversation talk about

352
00:15:41,590 --> 00:15:37,480
there's some crazy zombie animals or

353
00:15:43,150 --> 00:15:41,600
things oh I like this ambiance story I

354
00:15:46,990 --> 00:15:43,160
think that's one that's like it's being

355
00:15:48,850 --> 00:15:47,000
introduced in the wild guys 1000 in her

356
00:15:50,410 --> 00:15:48,860
Facebook page ever make it to 500 before

357
00:15:50,980 --> 00:15:50,420
I decide to leave say hey this book yes

358
00:15:53,680 --> 00:15:50,990
it did

359
00:15:56,410 --> 00:15:53,690
that's good got that going for a sense

360
00:15:57,850 --> 00:15:56,420
we can stop the show now yeah we can

361
00:16:01,890 --> 00:15:57,860
wind things down that's why the show is

362
00:16:07,360 --> 00:16:04,960
yes how much you hate it email us at our

363
00:16:09,040 --> 00:16:07,370

big dub map at gmail.com and like our

364
