

Missing 411

Underworld Abductions

**PARENTAL
ADVISORY
EXPLICITCONTENT**

1
00:00:00,320 --> 00:00:07,000
[Applause]

2
00:00:07,010 --> 00:00:11,430
use me

3
00:00:18,570 --> 00:00:14,459
good alright we are gonna talk about

4
00:00:21,359 --> 00:00:18,580
missing for 11 and Quan baby we are

5
00:00:25,019 --> 00:00:21,369
gonna have to give Spanky a primer on

6
00:00:27,659 --> 00:00:25,029
exactly what missing for 11 is so when I

7
00:00:32,310 --> 00:00:27,669
speak and if I misspeak please correct

8
00:00:36,209 --> 00:00:32,320
me so missing for 11 is a series of

9
00:00:39,119 --> 00:00:36,219
books written by David Pilates uh David

10
00:00:39,660 --> 00:00:39,129
Pilates my missing Politis David play

11
00:00:43,500 --> 00:00:39,670
that's okay

12
00:00:46,529 --> 00:00:43,510
and he documents people who go missing

13
00:00:47,459 --> 00:00:46,539

in national parks for the most part he's

14

00:00:48,840 --> 00:00:47,469

an ex-detective

15

00:00:52,349 --> 00:00:48,850

and he's pretty thorough in his

16

00:00:54,059 --> 00:00:52,359

investigations and what's unusual about

17

00:00:56,309 --> 00:00:54,069

these people disappearing in national

18

00:00:58,610 --> 00:00:56,319

parks is the manner in which they

19

00:01:02,009 --> 00:00:58,620

actually go missing and then how

20

00:01:04,920 --> 00:01:02,019

sometimes their bodies are found so for

21

00:01:07,020 --> 00:01:04,930

instance you're walking down a trail and

22

00:01:08,340 --> 00:01:07,030

you're your kid is right behind you like

23

00:01:10,260 --> 00:01:08,350

two feet behind you you turn around

24

00:01:13,260 --> 00:01:10,270

they're missing out of the blue they're

25

00:01:14,870 --> 00:01:13,270

missing oh yeah and they send out search

26

00:01:18,380 --> 00:01:14,880

and rescue teams a lot of times

27

00:01:20,460 --> 00:01:18,390

immediately a storm will roll in and

28

00:01:21,930 --> 00:01:20,470

you're all really preventing these

29

00:01:24,750 --> 00:01:21,940

search-and-rescue teams from doing their

30

00:01:27,740 --> 00:01:24,760

jobs properly and then maybe months

31

00:01:30,570 --> 00:01:27,750

later or a year later items from

32

00:01:33,390 --> 00:01:30,580

articles of clothing are found neatly

33

00:01:36,420 --> 00:01:33,400

folded up on tree stump or the the

34

00:01:38,970 --> 00:01:36,430

remains of that individual are found in

35

00:01:41,450 --> 00:01:38,980

areas that were previously previously

36

00:01:44,510 --> 00:01:41,460

searched so some really bizarre

37

00:01:49,200 --> 00:01:47,250

they'll find a child alive like a young

38

00:01:52,650 --> 00:01:49,210

like two or three year old and they'll

39

00:01:54,900 --> 00:01:52,660

be you know you know eight to ten miles

40

00:01:56,580 --> 00:01:54,910

away up on top of like a low mountain

41

00:01:59,670 --> 00:01:56,590

ridge something like a travel that edge

42

00:02:02,970 --> 00:01:59,680

couldn't have made it to EE they won't

43

00:02:04,470 --> 00:02:02,980

have their shoes oftentimes usually

44

00:02:05,850 --> 00:02:04,480

they'll I don't think ever any case for

45

00:02:09,050 --> 00:02:05,860

they remember exactly what happened to

46

00:02:12,440 --> 00:02:09,060

them of the children that do survive

47

00:02:15,990 --> 00:02:12,450

there's a there's a lot of instances of

48

00:02:18,750 --> 00:02:16,000

people that when they are found their

49

00:02:21,330 --> 00:02:18,760

shoes are off for whatever reason that

50

00:02:23,190 --> 00:02:21,340

or they're in the middle of a very cold

51
00:02:24,460 --> 00:02:23,200
environment and they ditch all their

52
00:02:27,760 --> 00:02:24,470
clothing and there

53
00:02:30,400 --> 00:02:27,770
found virtually naked and some people

54
00:02:32,470 --> 00:02:30,410
say oh this is not any sort of

55
00:02:34,300 --> 00:02:32,480
paranormal thing these are people who

56
00:02:37,030 --> 00:02:34,310
have been attacked by a bear or some

57
00:02:39,040 --> 00:02:37,040
kind of rot wild creature but that if

58
00:02:40,570 --> 00:02:39,050
you the more you look at it it doesn't

59
00:02:43,060 --> 00:02:40,580
really make too much sense

60
00:02:44,440 --> 00:02:43,070
and there's actually a documentary that

61
00:02:46,150 --> 00:02:44,450
came out recently and I watched that I

62
00:02:48,280 --> 00:02:46,160
watched the entire missing 411

63
00:02:51,700 --> 00:02:48,290

documentary and they try to position it

64

00:02:53,890 --> 00:02:51,710

as like a murder mystery where yeah they

65

00:02:55,360 --> 00:02:53,900

was I don't know why they did that

66

00:02:57,420 --> 00:02:55,370

documentary the way they did it they

67

00:02:59,740 --> 00:02:57,430

they shot it like a specific for Netflix

68

00:03:01,840 --> 00:02:59,750

yeah they really tried to make it a

69

00:03:04,510 --> 00:03:01,850

climb kind of drama like how to make a

70

00:03:06,670 --> 00:03:04,520

murderer and it didn't work because it

71

00:03:08,290 --> 00:03:06,680

didn't go into the paranormal side but I

72

00:03:11,290 --> 00:03:08,300

didn't have interviews with the

73

00:03:14,110 --> 00:03:11,300

Survivorman Les Stroud da rocha yeah and

74

00:03:15,700 --> 00:03:14,120

that guy is probably the most compelling

75

00:03:17,110 --> 00:03:15,710

person because he knows the wilderness

76

00:03:20,050 --> 00:03:17,120

he's been out there and he really

77

00:03:22,030 --> 00:03:20,060

insinuates that there could be a

78

00:03:24,220 --> 00:03:22,040

creature like a Bigfoot or Sasquatch

79

00:03:28,210 --> 00:03:24,230

that could be behind some of these

80

00:03:31,660 --> 00:03:28,220

missing people which is very interesting

81

00:03:33,970 --> 00:03:31,670

to see and hear this guy who's pretty

82

00:03:35,979 --> 00:03:33,980

reputable I'm suggesting something like

83

00:03:39,070 --> 00:03:35,989

that talking about Harry and the

84

00:03:42,850 --> 00:03:39,080

Hendersons yes Harry and the Hendersons

85

00:03:45,520 --> 00:03:42,860

of Sasquatch abducting people and doing

86

00:03:48,130 --> 00:03:45,530

god-knows-what with them well if they

87

00:03:50,530 --> 00:03:48,140

found a child if a Bigfoot existed if

88

00:03:52,840 --> 00:03:50,540

found a child it would kind of take it

89

00:03:55,660 --> 00:03:52,850

under its wing and in a kind of

90

00:03:57,220 --> 00:03:55,670

guardianship and it would maybe I don't

91

00:03:59,320 --> 00:03:57,230

want to eat this kid and it's kind of

92

00:04:02,080 --> 00:03:59,330

like me I'm gonna carry it away and

93

00:04:02,500 --> 00:04:02,090

raise it yeah like a child raised by

94

00:04:05,680 --> 00:04:02,510

wolves

95

00:04:07,509 --> 00:04:05,690

almost like scenario I mean or like you

96

00:04:09,570 --> 00:04:07,519

know a Howie Mandel movie like a man

97

00:04:17,199 --> 00:04:09,580

walk like a man great movie Howie Mandel

98

00:04:18,250 --> 00:04:17,209

1984 I guess I'm just saying it probably

99

00:04:21,610 --> 00:04:18,260

isn't that damning for it's not even

100

00:04:23,590 --> 00:04:21,620

looked it up soon but I guess 87 but

101

00:04:27,880 --> 00:04:23,600

there are there are a few instances

102

00:04:31,180 --> 00:04:27,890

where a child is abducted and they do

103

00:04:33,219 --> 00:04:31,190

remember certain things but for the most

104

00:04:35,500 --> 00:04:33,229

part the child is so young the only can

105

00:04:37,290 --> 00:04:35,510

maybe speak in general terms like the

106

00:04:40,620 --> 00:04:37,300

The Wolfman

107

00:04:43,950 --> 00:04:40,630

walk me through the woods or in one

108

00:04:47,279 --> 00:04:43,960

instance this 11 year old is able to

109

00:04:51,629 --> 00:04:47,289

remember being taken into a cave by his

110

00:04:53,490 --> 00:04:51,639

grandmother and there were sparks

111

00:04:57,029 --> 00:04:53,500

shooting out of his grandmother's head

112

00:05:00,960 --> 00:04:57,039

and his grandmother asked him to [h__h] on

113

00:05:03,270 --> 00:05:00,970

a piece of plastic weird stuff

114

00:05:05,850 --> 00:05:03,280

okay and it was hazy he couldn't really

115

00:05:10,260 --> 00:05:05,860

recall everything hmm

116

00:05:14,040 --> 00:05:10,270

sorry clear my throat why am I so flynnny

117

00:05:15,710 --> 00:05:14,050

Spanky oh well you know it says phlegm

118

00:05:18,689 --> 00:05:15,720

season yeah

119

00:05:21,629 --> 00:05:18,699

so there are weird stories like that

120

00:05:24,270 --> 00:05:21,639

where the survivors can't really

121

00:05:25,879 --> 00:05:24,280

remember everything and what they do

122

00:05:28,589 --> 00:05:25,889

remember doesn't really make any sense

123

00:05:30,000 --> 00:05:28,599

to people like you or eyes it wasn't

124

00:05:33,960 --> 00:05:30,010

like a serial killer it's not like a

125

00:05:36,089 --> 00:05:33,970

ring of kidnappers so on the show we've

126
00:05:38,969 --> 00:05:36,099
been we've been going in and theorizing

127
00:05:40,439 --> 00:05:38,979
about what this possibly could be the

128
00:05:42,779 --> 00:05:40,449
author of the books the implied us

129
00:05:44,760 --> 00:05:42,789
doesn't theorize at all what about

130
00:05:47,760 --> 00:05:44,770
region like where does this happen all

131
00:05:50,339 --> 00:05:47,770
over mostly national parks but well

132
00:05:53,189 --> 00:05:50,349
that's what the cases he studies in his

133
00:05:54,960 --> 00:05:53,199
first two two or three books but he does

134
00:05:57,629 --> 00:05:54,970
other ones he look at disappearances and

135
00:06:00,060 --> 00:05:57,639
cities we've talked about it at length

136
00:06:01,170 --> 00:06:00,070
but that one guy disappear at the bar in

137
00:06:02,730 --> 00:06:01,180
Columbus and then there's another guy

138
00:06:07,649 --> 00:06:02,740

that just disappeared in Pittsburgh this

139

00:06:10,800 --> 00:06:07,659

past winter we covered in depth yeah

140

00:06:12,570 --> 00:06:10,810

it's not so it's not really like um he

141

00:06:14,010 --> 00:06:12,580

started off in national parks but

142

00:06:16,230 --> 00:06:14,020

realized that there are patterns of

143

00:06:19,110 --> 00:06:16,240

disappearances also within cities and

144

00:06:21,120 --> 00:06:19,120

it's fairly widespread and what's even

145

00:06:23,159 --> 00:06:21,130

more bizarre is that when he started

146

00:06:25,649 --> 00:06:23,169

investigating the disappearances and

147

00:06:27,480 --> 00:06:25,659

national parks that the actual parks

148

00:06:31,020 --> 00:06:27,490

themselves don't keep track of these

149

00:06:33,060 --> 00:06:31,030

disappearances and they charge a lot of

150

00:06:34,860 --> 00:06:33,070

money if you want like an Excel

151
00:06:38,010 --> 00:06:34,870
spreadsheet of who has gone missing in

152
00:06:41,010 --> 00:06:38,020
the park and I mean in one instance I

153
00:06:45,269 --> 00:06:41,020
think Yosemite wanted to charge they've

154
00:06:47,070 --> 00:06:45,279
played as 1.3 million dollars for a list

155
00:06:47,909 --> 00:06:47,080
of people that have gone missing so

156
00:06:50,459 --> 00:06:47,919
there's there

157
00:06:52,140 --> 00:06:50,469
there's no instance where where he just

158
00:06:55,589 --> 00:06:52,150
wanted all the materials of one missing

159
00:06:57,019 --> 00:06:55,599
person and they wanted like 34 grand why

160
00:06:59,159 --> 00:06:57,029
do you think they would do that so

161
00:07:00,450 --> 00:06:59,169
there's a couple theories of why they

162
00:07:04,320 --> 00:07:00,460
wouldn't keep track of it it looks bad

163
00:07:07,050 --> 00:07:04,330

on on the national parks maybe it's too

164

00:07:08,369 --> 00:07:07,060

much work but you would imagine that

165

00:07:10,800 --> 00:07:08,379

they would want to have a database of

166

00:07:12,899 --> 00:07:10,810

people who have gone missing to one

167

00:07:15,450 --> 00:07:12,909

continuing investigation of his cold

168

00:07:18,689 --> 00:07:15,460

case help the family and see if there's

169

00:07:20,369 --> 00:07:18,699

a pattern of criminal activity going on

170

00:07:21,719 --> 00:07:20,379

but apparently they don't give a [h__h] or

171

00:07:24,360 --> 00:07:21,729

if there is a database that they're not

172

00:07:29,159 --> 00:07:24,370

telling us yeah why not the transparency

173

00:07:30,990 --> 00:07:29,169

of you know these forest rangers you you

174

00:07:33,029 --> 00:07:31,000

would imagine that the forest rangers

175

00:07:34,769 --> 00:07:33,039

would be very concerned at this and this

176

00:07:37,920 --> 00:07:34,779

is some kind of bureaucratic thing

177

00:07:40,320 --> 00:07:37,930

that's going on these search and rescue

178

00:07:43,290 --> 00:07:40,330

teams are they're pretty upfront about

179

00:07:44,790 --> 00:07:43,300

what they find and don't find they don't

180

00:07:47,820 --> 00:07:44,800

want to entertain these wieder

181

00:07:49,860 --> 00:07:47,830

weirder possibilities but they

182

00:07:52,559 --> 00:07:49,870

acknowledge that whoa we know we search

183

00:07:55,499 --> 00:07:52,569

this area we could go and now the body

184

00:07:57,350 --> 00:07:55,509

has shown up in the exact area that we

185

00:07:59,670 --> 00:07:57,360

search there's something weird here

186

00:08:02,129 --> 00:07:59,680

something's not adding up what if

187

00:08:07,409 --> 00:08:02,139

there's what if let's just let's look at

188

00:08:11,040 --> 00:08:07,419

logic what if it's like a certain people

189

00:08:12,869 --> 00:08:11,050

like living there that are just that

190

00:08:14,850 --> 00:08:12,879

they don't know about they don't know

191

00:08:17,579 --> 00:08:14,860

they're actually living in this possibly

192

00:08:19,950 --> 00:08:17,589

like some sort of undocumented native

193

00:08:22,769 --> 00:08:19,960

inhabitants I'm not talking about the

194

00:08:24,329 --> 00:08:22,779

descent I'm tired I mean like maybe

195

00:08:26,249 --> 00:08:24,339

there's some [h__h] Hill guy with a

196

00:08:28,170 --> 00:08:26,259

beard and these no one knows he's there

197

00:08:30,149 --> 00:08:28,180

here's some nos in a cave some Hill

198

00:08:32,850 --> 00:08:30,159

Jack's cave rollers troglodytes

199

00:08:35,339 --> 00:08:32,860

subhumans traverses well that's kind

200

00:08:39,689 --> 00:08:35,349

that's kind of where I'm going with this

201
00:08:42,779 --> 00:08:39,699
spanky is that what if there is some

202
00:08:45,960 --> 00:08:42,789
sort of hill creature or hill person

203
00:08:49,350 --> 00:08:45,970
that is responsible for this it's gotta

204
00:08:53,370 --> 00:08:49,360
be a lot of them so this is kind of my

205
00:08:55,350 --> 00:08:53,380
missing 411 abductions mixed with Hollow

206
00:08:59,200 --> 00:08:55,360
Earth and

207
00:09:00,820 --> 00:08:59,210
cave creatures kind of theory so pay

208
00:09:04,000 --> 00:09:00,830
attention clown baby and let me know if

209
00:09:07,530 --> 00:09:04,010
I misspeak so throughout folklore there

210
00:09:10,750 --> 00:09:07,540
have been reports of fairies and elves

211
00:09:14,260 --> 00:09:10,760
abducting people glow well I mean

212
00:09:17,800 --> 00:09:14,270
fairies nose abducting people taking

213
00:09:20,140 --> 00:09:17,810

young humans and sucking out their life

214

00:09:21,670 --> 00:09:20,150

force and since folklore happens then

215

00:09:25,650 --> 00:09:21,680

there's also been been folklore of

216

00:09:30,100 --> 00:09:25,660

goblins taking humans and using them for

217

00:09:32,290 --> 00:09:30,110

slave labor mining underground we talk

218

00:09:35,010 --> 00:09:32,300

about a Narnia situation possibly a

219

00:09:38,620 --> 00:09:35,020

situation or something that literally

220

00:09:41,290 --> 00:09:38,630

lives under the ground I think literally

221

00:09:44,890 --> 00:09:41,300

lives under the ground but also possibly

222

00:09:46,570 --> 00:09:44,900

could dip in and out of our reality so

223

00:09:48,340 --> 00:09:46,580

and Narnia like Narnia is like a

224

00:09:49,990 --> 00:09:48,350

different universe and you I didn't get

225

00:09:53,410 --> 00:09:50,000

there through going through a portal

226

00:09:54,940 --> 00:09:53,420

yeah I wouldn't say therefore

227

00:09:56,230 --> 00:09:54,950

yeah warm oh I wouldn't say that's too

228

00:10:00,190 --> 00:09:56,240

dissimilar from some of the other

229

00:10:01,750 --> 00:10:00,200

theories going on here with me that is a

230

00:10:03,760 --> 00:10:01,760

theory of missing for Allah maybe these

231

00:10:06,820 --> 00:10:03,770

people slipped into a portal they

232

00:10:08,470 --> 00:10:06,830

slipped into Narnia because no drop it

233

00:10:09,880 --> 00:10:08,480

you kind of brought that up when we

234

00:10:11,500 --> 00:10:09,890

talked about skinwalker ranch and those

235

00:10:13,150 --> 00:10:11,510

people go and disappear that one guy's

236

00:10:14,980 --> 00:10:13,160

story how I kind of slipped into a

237

00:10:17,620 --> 00:10:14,990

different plane of existence yeah for

238

00:10:21,550 --> 00:10:17,630

several days there's always been

239

00:10:25,480 --> 00:10:21,560

folklore of underground dwellers in

240

00:10:31,090 --> 00:10:25,490

underground cities Gilgamesh was a king

241

00:10:34,630 --> 00:10:31,100

who was around in 2600 BC he was

242

00:10:37,090 --> 00:10:34,640

believed to be half divine and yoga many

243

00:10:39,340 --> 00:10:37,100

like the the the person from the John

244

00:10:41,260 --> 00:10:39,350

Waters films well was there a guy named

245

00:10:46,200 --> 00:10:41,270

Gilgamesh and John Waters oh no he's

246

00:10:49,720 --> 00:10:46,210

half divine yeah I mean divine okay

247

00:10:52,420 --> 00:10:49,730

Gilgamesh sent a sub human that he

248

00:10:54,579 --> 00:10:52,430

befriended to the underworld to search

249

00:10:58,240 --> 00:10:54,589

for Illman immortality so Gilgamesh was

250

00:11:01,329 --> 00:10:58,250

obsessed with immortality and this

251

00:11:03,610 --> 00:11:01,339

underworld had a bunch of different

252

00:11:05,170 --> 00:11:03,620

types of beans down there partying they

253

00:11:06,910 --> 00:11:05,180

were there was filled with animated

254

00:11:11,650 --> 00:11:06,920

corpses spirits squirt

255

00:11:14,050 --> 00:11:11,660

and artificial beings called the gala

256

00:11:15,759 --> 00:11:14,060

tour or gala so artificial beat you mean

257

00:11:17,889 --> 00:11:15,769

you can take from that what you will but

258

00:11:22,840 --> 00:11:17,899

I kind of would imagine some sort of

259

00:11:25,600 --> 00:11:22,850

like Android like data from Star Trek

260

00:11:27,160 --> 00:11:25,610

you know I I think if there were if

261

00:11:29,230 --> 00:11:27,170

there was a logical way to explain on

262

00:11:34,660 --> 00:11:29,240

this folklore it would be just a bunch

263

00:11:38,620 --> 00:11:34,670

of weirdos living in caves and and that

264

00:11:39,910 --> 00:11:38,630

they are you know they look different

265

00:11:42,220 --> 00:11:39,920

than everyone else third they're gonna

266

00:11:44,670 --> 00:11:42,230

look tell us have eyes if they have a

267

00:11:47,379 --> 00:11:44,680

few generations in cave in a cave

268

00:11:49,150 --> 00:11:47,389

they're gonna grow up and look they'll

269

00:11:51,340 --> 00:11:49,160

look like [h__h] anything that you want

270

00:11:53,350 --> 00:11:51,350

to look them to look like sure you don't

271

00:11:55,259 --> 00:11:53,360

tell me if they're [h__h] my mother and

272

00:11:58,379 --> 00:11:55,269

if they're interbreeding with each other

273

00:12:01,120 --> 00:11:58,389

then they're gonna have strange traits

274

00:12:04,000 --> 00:12:01,130

possibly there will be elves and they'll

275

00:12:07,449 --> 00:12:04,010

be [h__h] dwarves or goblins and goblin

276

00:12:08,860 --> 00:12:07,459

I mean Danny Danny came out of a cave

277

00:12:11,290 --> 00:12:08,870

yeah he's at war I would think he's at

278

00:12:12,850 --> 00:12:11,300

[h__h] goblin easy he's one of the

279

00:12:15,009 --> 00:12:12,860

world's most renowned dwarf actor if

280

00:12:18,550 --> 00:12:15,019

that little guy from the original Twin

281

00:12:21,939 --> 00:12:18,560

Peaks seasons 1 & 2 came at me

282

00:12:24,460 --> 00:12:21,949

and he starts talking backwards I'm not

283

00:12:26,290 --> 00:12:24,470

gonna just I'm I'm gonna think it's from

284

00:12:28,449 --> 00:12:26,300

a different plane of existence

285

00:12:32,430 --> 00:12:28,459

yeah take me to cave do with me what you

286

00:12:36,639 --> 00:12:32,440

will I'm not gonna do that

287

00:12:40,269 --> 00:12:36,649

I'll just surrender him well these in in

288

00:12:44,620 --> 00:12:40,279

Gilgamesh and in in the underworld the

289

00:12:46,689 --> 00:12:44,630

great below these galat or were the

290

00:12:51,460 --> 00:12:46,699

artificial beans and they were used for

291

00:12:54,610 --> 00:12:51,470

missions to kidnap humans the end so

292

00:12:59,199 --> 00:12:54,620

they were sensitive surface to get

293

00:13:00,460 --> 00:12:59,209

humans for whatever you can only you

294

00:13:01,840 --> 00:13:00,470

know anything so we did you kidnap

295

00:13:03,309 --> 00:13:01,850

somebody a slave labor you're talking

296

00:13:06,850 --> 00:13:03,319

about maybe sexual enslavement or

297

00:13:10,059 --> 00:13:06,860

physical labor or procreate procreating

298

00:13:11,710 --> 00:13:10,069

it's it's bizarre but what's going on

299

00:13:14,769 --> 00:13:11,720

here with the Gilgamesh thing well some

300

00:13:15,970 --> 00:13:14,779

some of these cases are killed and util

301

00:13:16,970 --> 00:13:15,980

ated other ones are not they're just

302

00:13:20,300 --> 00:13:16,980

kind of

303

00:13:21,860 --> 00:13:20,310

moved to their weird places well some

304

00:13:23,750 --> 00:13:21,870

correct me from wrong claw maybe some

305

00:13:27,530 --> 00:13:23,760

people go go missing are never found

306

00:13:29,750 --> 00:13:27,540

yeah and often often their bodies are

307

00:13:33,110 --> 00:13:29,760

never recovered sometimes when they're

308

00:13:37,040 --> 00:13:33,120

when they're found there might be in a

309

00:13:39,710 --> 00:13:37,050

very strange location and also

310

00:13:42,260 --> 00:13:39,720

positioned in a very strange way like

311

00:13:44,930 --> 00:13:42,270

almost impossible to get to location or

312

00:13:48,020 --> 00:13:44,940

it's oftentimes found in water yeah near

313

00:13:52,160 --> 00:13:48,030

a body of water is another big factor in

314

00:13:54,460 --> 00:13:52,170

water in water yes and so you there

315

00:13:57,140 --> 00:13:54,470

might be ways through these waters these

316

00:14:02,030 --> 00:13:57,150

these bodies of water to go underneath

317

00:14:05,690 --> 00:14:02,040

the water into a cavern that leads down

318

00:14:09,260 --> 00:14:05,700

into like some kind of underworld yeah

319

00:14:10,790 --> 00:14:09,270

um I I honestly I hadn't considered that

320

00:14:13,570 --> 00:14:10,800

I'm not trying to put it all together I

321

00:14:16,400 --> 00:14:13,580

mean I guess I'm trying to put together

322

00:14:18,950 --> 00:14:16,410

who might be doing it but not where they

323

00:14:21,070 --> 00:14:18,960

come from or what how they might be

324

00:14:24,110 --> 00:14:21,080

getting from point A to point B that's

325

00:14:25,790 --> 00:14:24,120

it's tough it's tough to when you read

326

00:14:27,860 --> 00:14:25,800

about some of these stuff so many things

327

00:14:30,140 --> 00:14:27,870

is some of these events and then you

328

00:14:33,080 --> 00:14:30,150

hear talks on it like how people are

329

00:14:35,720 --> 00:14:33,090

found dead and their clothes are off

330

00:14:38,570 --> 00:14:35,730

their socks are on but their socks

331

00:14:40,670 --> 00:14:38,580

aren't dirty like they weren't walking

332

00:14:43,100 --> 00:14:40,680

along the ground in their socks because

333

00:14:44,240 --> 00:14:43,110

they would be dirty their clean socks so

334

00:14:47,540 --> 00:14:44,250

that means they were carried or

335

00:14:49,730 --> 00:14:47,550

levitated in some way yeah is the more

336

00:14:51,440 --> 00:14:49,740

you think the more it is kind of like

337

00:14:55,790 --> 00:14:51,450

perplexes you and so you're searching

338

00:15:00,320 --> 00:14:55,800

for weird solutions to this puzzle

339

00:15:01,760 --> 00:15:00,330

though if there was if there's a logical

340

00:15:06,640 --> 00:15:01,770

explanation it would be that there's a

341

00:15:10,580 --> 00:15:06,650

kind of cult or weird sect that's

342

00:15:15,170 --> 00:15:10,590

independent of most of civilization that

343

00:15:17,480 --> 00:15:15,180

just does this well then it's had had to

344

00:15:20,240 --> 00:15:17,490

have had been here for a very long time

345

00:15:23,390 --> 00:15:20,250

and it's almost a parallel civilization

346

00:15:25,220 --> 00:15:23,400

at this point and the federal government

347

00:15:26,859 --> 00:15:25,230

and the Park Service's know about it and

348

00:15:29,359 --> 00:15:26,869

there it is letting it go

349

00:15:31,609 --> 00:15:29,369

people depart people are just letting it

350

00:15:33,439 --> 00:15:31,619

go they got some kind of secret deal and

351

00:15:35,960 --> 00:15:33,449

we're not gonna tell the people hey if

352

00:15:38,139 --> 00:15:35,970

you come camp here you might be abducted

353

00:15:40,819 --> 00:15:38,149

by a Danny DeVito looking creature and

354

00:15:44,809 --> 00:15:40,829

then he who knows what happens in that

355

00:15:48,409 --> 00:15:44,819

cave but they're not telling people but

356

00:15:51,519 --> 00:15:48,419

in 1943 there was a magazine called

357

00:15:56,119 --> 00:15:51,529

amazing stories and richard s shaver

358

00:15:58,069 --> 00:15:56,129

told a story of deep underground

359

00:16:00,549 --> 00:15:58,079

cavernous civilizations with

360

00:16:05,059 --> 00:16:00,559

technologically advanced troglodytes

361

00:16:08,779 --> 00:16:05,069

subhumans basically grody looking people

362

00:16:10,249 --> 00:16:08,789

guys and gals which the grody and but

363

00:16:14,269 --> 00:16:10,259

they had they had a vast amount of

364

00:16:17,150 --> 00:16:14,279

technology like thought arrays or

365

00:16:18,739 --> 00:16:17,160

telepathy thought rays but this guy put

366

00:16:22,549 --> 00:16:18,749

this guy this guy wrote it as the

367

00:16:24,439 --> 00:16:22,559

thought rays like thinking rays hey they

368

00:16:27,319 --> 00:16:24,449

can raise you got one in thinking rays

369

00:16:27,889 --> 00:16:27,329

so you're thinking and there's rays that

370

00:16:30,379 --> 00:16:27,899

come out

371

00:16:32,029 --> 00:16:30,389

I guess so but it you know that's

372

00:16:34,099 --> 00:16:32,039

telepathy and then holographic

373

00:16:35,989 --> 00:16:34,109

projection and then mechanical humanoids

374

00:16:39,289 --> 00:16:35,999

like other kind of like droids or data

375

00:16:44,179 --> 00:16:39,299

like people and this guy in 1943

376

00:16:46,069 --> 00:16:44,189
described flying discs and I think

377

00:16:49,279 --> 00:16:46,079
that's before thank you sorry so yeah so

378

00:16:54,789 --> 00:16:49,289
in 1943 that was five years before

379

00:16:58,569 --> 00:16:54,799
Kenneth Arnold yeah basically public

380

00:17:01,309 --> 00:16:58,579
went public with the first major

381

00:17:04,460 --> 00:17:01,319
revelation about nine flying discs that

382

00:17:08,230 --> 00:17:04,470
were flying over Matt Mount Ranier yeah

383

00:17:11,090 --> 00:17:08,240
those were not discs he described a

384

00:17:13,490 --> 00:17:11,100
arrow an arrow head shaped kind of thing

385

00:17:16,460 --> 00:17:13,500
like like a [h__h] stuff yeah bomber

386

00:17:18,529 --> 00:17:16,470
yeah yeah so the disc yeah you're

387

00:17:19,939 --> 00:17:18,539
absolutely right it became a disc but it

388

00:17:23,240 --> 00:17:19,949

was kind of like exactly what you

389

00:17:24,860 --> 00:17:23,250

described but yeah doctor or not doctor

390

00:17:28,419 --> 00:17:24,870

but Richard shaver went on to say that

391

00:17:32,180 --> 00:17:28,429

these technologically these techno

392

00:17:34,340 --> 00:17:32,190

troglydtes can create solid Holograms

393

00:17:36,730 --> 00:17:34,350

like we turned on and off that means

394

00:17:39,100 --> 00:17:36,740

they can be programmed and

395

00:17:42,070 --> 00:17:39,110

Don set out to do a mission come back

396

00:17:44,980 --> 00:17:42,080

and turned off or disappear out of there

397

00:17:46,690 --> 00:17:44,990

so that explains some stuff about what

398

00:17:49,630 --> 00:17:46,700

people may be seen is this technology

399

00:17:51,820 --> 00:17:49,640

that they just is a more like a

400

00:17:53,710 --> 00:17:51,830

technology that they invent with their

401
00:17:56,350 --> 00:17:53,720
minds and then they can mind over matter

402
00:17:57,700 --> 00:17:56,360
because there's no resources down there

403
00:17:59,169 --> 00:17:57,710
there's no like I don't know what there

404
00:18:01,720 --> 00:17:59,179
might I don't know what's the Bridgette

405
00:18:03,519 --> 00:18:01,730
that's the process of science over years

406
00:18:07,330 --> 00:18:03,529
and years to come up with this techno

407
00:18:08,860 --> 00:18:07,340
know what this person's 1943 mine came

408
00:18:12,820 --> 00:18:08,870
up with he was using the term thought

409
00:18:15,820 --> 00:18:12,830
ray yeah I got a think ray and the Ray

410
00:18:18,130 --> 00:18:15,830
guy yeah I remember this thing yeah

411
00:18:20,320 --> 00:18:18,140
but these these creatures they're

412
00:18:23,529 --> 00:18:20,330
they're split into two different groups

413
00:18:27,029 --> 00:18:23,539

and one of the groups that they are able

414

00:18:31,110 --> 00:18:27,039

to produce like a mechanical creature

415

00:18:33,720 --> 00:18:31,120

that will kidnap surface humans

416

00:18:37,539 --> 00:18:33,730

particular women for sexual pleasure and

417

00:18:40,779 --> 00:18:37,549

they'll also they'll take the light and

418

00:18:43,120 --> 00:18:40,789

the feasting on humans and torturing and

419

00:18:45,250 --> 00:18:43,130

and just tormenting them which kind of

420

00:18:48,090 --> 00:18:45,260

goes back to the Gilgamesh thing of the

421

00:18:50,950 --> 00:18:48,100

gala tar and the artificial droids and

422

00:18:53,889 --> 00:18:50,960

even if you want to say like some weird

423

00:18:56,250 --> 00:18:53,899

creatures from folklore so what what is

424

00:18:59,549 --> 00:18:56,260

what is going on with missing 411 is

425

00:19:01,930 --> 00:18:59,559

this some kind of crazy parallel

426

00:19:05,010 --> 00:19:01,940

civilization you can call it Hills Have

427

00:19:08,260 --> 00:19:05,020

Eyes crazy hillbilly retards or

428

00:19:10,330 --> 00:19:08,270

underground troglodyte now

429

00:19:15,250 --> 00:19:10,340

technologically advanced people but what

430

00:19:21,220 --> 00:19:15,260

if what if these are witches okay

431

00:19:23,529 --> 00:19:21,230

basically these are that is some

432

00:19:30,100 --> 00:19:23,539

folklore that is last that's been around

433

00:19:31,720 --> 00:19:30,110

for centuries why not that like why

434

00:19:33,610 --> 00:19:31,730

can't it be I you know I've never with

435

00:19:36,580 --> 00:19:33,620

their weed witches are always dealing

436

00:19:38,350 --> 00:19:36,590

with children yeah yeah absolutely once

437

00:19:42,399 --> 00:19:38,360

children around them Hansel and Gretel

438

00:19:44,529 --> 00:19:42,409

you know I honestly I haven't considered

439

00:19:47,019 --> 00:19:44,539

wishes before what do you think about

440

00:19:48,790 --> 00:19:47,029

witches and warlocks or our which is an

441

00:19:51,280 --> 00:19:48,800

explanation of whatever this

442

00:19:53,200 --> 00:19:51,290

hmm it could be it could be just a

443

00:19:55,870 --> 00:19:53,210

different name for the same thing yeah

444

00:19:59,860 --> 00:19:55,880

well I may be witches and warlocks I

445

00:20:00,760 --> 00:19:59,870

don't know come on that's is that an

446

00:20:02,320 --> 00:20:00,770

explanation

447

00:20:05,710 --> 00:20:02,330

basically witches warlocks is what

448

00:20:08,800 --> 00:20:05,720

people come up with to explain whatever

449

00:20:10,020 --> 00:20:08,810

is going on where it might be something

450

00:20:13,150 --> 00:20:10,030

completely different

451

00:20:16,420 --> 00:20:13,160

I think witches and warlocks is come on

452

00:20:17,920 --> 00:20:16,430

over anything come on Hans always people

453

00:20:20,290 --> 00:20:17,930

were accused of witchcraft and all that

454

00:20:21,640 --> 00:20:20,300

usually you know you know because

455

00:20:24,160 --> 00:20:21,650

they're being accused by it okay

456

00:20:26,620 --> 00:20:24,170

Inquisition or you know you know it

457

00:20:28,120 --> 00:20:26,630

called Salem and Oregon religion for

458

00:20:31,300 --> 00:20:28,130

religious reasons usually that but why

459

00:20:33,280 --> 00:20:31,310

that was brought up or people had a kept

460

00:20:35,920 --> 00:20:33,290

spell cast on them you know like in

461

00:20:38,470 --> 00:20:35,930

different you know native cultures in

462

00:20:40,420 --> 00:20:38,480

the world uh this is more of a something

463

00:20:42,010 --> 00:20:40,430

there's even barbecue creatures taking

464

00:20:43,750 --> 00:20:42,020

them or some kind of entity or other

465

00:20:47,200 --> 00:20:43,760

people it doesn't seem to go you know

466

00:20:49,450 --> 00:20:47,210

the widget is stealing you okay so if

467

00:20:51,580 --> 00:20:49,460

they're if they are just creatures

468

00:20:53,020 --> 00:20:51,590

taking people you would imagine they're

469

00:20:54,820 --> 00:20:53,030

taking people for a reason and there's

470

00:20:57,520 --> 00:20:54,830

some then maybe the hidden there's some

471

00:20:58,840 --> 00:20:57,530

kind of hierarchical structure that

472

00:21:01,450 --> 00:20:58,850

they're actually being sent out to do

473

00:21:03,550 --> 00:21:01,460

this and the the head of that

474

00:21:11,230 --> 00:21:03,560

organization is a master or locked like

475

00:21:12,880 --> 00:21:11,240

level twenty so I don't think like we're

476

00:21:14,440 --> 00:21:12,890

not thinking of witches and warlocks in

477

00:21:16,810 --> 00:21:14,450

the traditional sense I think it's this

478

00:21:20,770 --> 00:21:16,820

there are a different name for the same

479

00:21:23,740 --> 00:21:20,780

kind of a thing where you could call it

480

00:21:26,110 --> 00:21:23,750

a genie or jinn or a witch or warlock or

481

00:21:27,730 --> 00:21:26,120

you can call it anything but it might be

482

00:21:30,790 --> 00:21:27,740

just different names for the same kind

483

00:21:33,010 --> 00:21:30,800

of weird phenomenon I I don't I don't

484

00:21:34,660 --> 00:21:33,020

think of which awful-looking that a lot

485

00:21:37,330 --> 00:21:34,670

to look into witchcraft and missing

486

00:21:39,550 --> 00:21:37,340

people I know you yeah but the same name

487

00:21:41,860 --> 00:21:39,560

for the there are many names for the

488

00:21:45,820 --> 00:21:41,870

same phenomenon mmm I can see that

489

00:21:47,770 --> 00:21:45,830

happening because is that's how legends

490

00:21:50,620 --> 00:21:47,780

are they just have to explain it somehow

491

00:21:52,090 --> 00:21:50,630

I and I haven't even like this doesn't

492

00:21:54,730 --> 00:21:52,100

mean tuck this is like underground

493

00:21:57,900 --> 00:21:54,740

dwellers I haven't got a chance to go

494

00:22:00,190 --> 00:21:57,910

into any sort of alien abduction and

495

00:22:00,710 --> 00:22:00,200

underground military bases that are

496

00:22:04,400 --> 00:22:00,720

protect

497

00:22:08,060 --> 00:22:04,410

doing genetic experiments on humans and

498

00:22:10,960 --> 00:22:08,070

also alien abductions possibly being

499

00:22:15,620 --> 00:22:10,970

military run instead of genuine

500

00:22:17,510 --> 00:22:15,630

authentic et's abducting people get into

501
00:22:19,940 --> 00:22:17,520
the next time I'm I'm heavily invested

502
00:22:22,040 --> 00:22:19,950
in this I want to put out as many

503
00:22:24,920 --> 00:22:22,050
theories as I can probably something

504
00:22:29,210 --> 00:22:24,930
from [h__h] but at least there's some

505
00:22:32,060 --> 00:22:29,220
kind of a theory going on and within

506
00:22:34,550 --> 00:22:32,070
missing 4:11 stuff here almost every

507
00:22:36,440 --> 00:22:34,560
theory is just as valid as the next so I

508
00:22:38,480 --> 00:22:36,450
know you know climbing you kind of

509
00:22:40,700 --> 00:22:38,490
dismissed the wishes in warlocks but

510
00:22:42,200 --> 00:22:40,710
that's just as valid as Bigfoot at this

511
00:22:43,280 --> 00:22:42,210
point if you want to know what I think

512
00:22:46,160 --> 00:22:43,290
if there's a connection between all

513
00:22:52,340 --> 00:22:46,170

these things I think it's a cult okay

514

00:22:56,270 --> 00:22:52,350

and it's you know a human being with a

515

00:22:58,580 --> 00:22:56,280

strange mindset will do many different

516

00:23:01,010 --> 00:22:58,590

strange things you know Howard Hughes

517

00:23:05,870 --> 00:23:01,020

will walk in the street with tissue

518

00:23:08,990 --> 00:23:05,880

boxes on his feet human beings will do

519

00:23:10,970 --> 00:23:09,000

strange things and they'll do them for

520

00:23:15,050 --> 00:23:10,980

mysterious reasons if for its own sake

521

00:23:17,600 --> 00:23:15,060

you know like I yeah so I don't dismiss

522

00:23:18,800 --> 00:23:17,610

that it could be humans behind this but

523

00:23:21,020 --> 00:23:18,810

Columbia what do you think about that

524

00:23:23,870 --> 00:23:21,030

you've read probably the most on the

525

00:23:28,250 --> 00:23:23,880

missing 411 do you think that humans are

526

00:23:31,340 --> 00:23:28,260

behind this I mean in some of the cases

527

00:23:33,860 --> 00:23:31,350

I would imagine yes okay but it doesn't

528

00:23:36,850 --> 00:23:33,870

seem it doesn't mean they're unrelated

529

00:23:39,230 --> 00:23:36,860

that and that's the weird part of it

530

00:23:41,750 --> 00:23:39,240

that there's a lot of similarities it

531

00:23:44,300 --> 00:23:41,760

seems like they would be they've related

532

00:23:46,340 --> 00:23:44,310

to each other cuz you can explain each

533

00:23:49,160 --> 00:23:46,350

things I guess it's all just random each

534

00:23:52,010 --> 00:23:49,170

thing's just a random occurrence but if

535

00:23:53,570 --> 00:23:52,020

there's like similarities going on if

536

00:23:55,510 --> 00:23:53,580

there's something there aren't there are

537

00:23:57,830 --> 00:23:55,520

patterns if there's a pattern to follow

538

00:24:00,950 --> 00:23:57,840

there are there are definite patterns

539

00:24:04,070 --> 00:24:00,960

and but you know I'll try to send you

540

00:24:05,570 --> 00:24:04,080

some of the more stranger ones and talks

541

00:24:08,420 --> 00:24:05,580

you should take a listen to them and I

542

00:24:11,000 --> 00:24:08,430

think you will actually find relatively

543

00:24:12,920 --> 00:24:11,010

interesting and you might come back on

544

00:24:13,310 --> 00:24:12,930

the next podcast with with a different

545

00:24:16,550 --> 00:24:13,320

thought

546

00:24:18,110 --> 00:24:16,560

and because some of the some of the some

547

00:24:20,030 --> 00:24:18,120

of the accounts are just so strange

548

00:24:23,780 --> 00:24:20,040

where someone will be in their house and

549

00:24:26,330 --> 00:24:23,790

they'll just get up and leave and walk

550

00:24:28,730 --> 00:24:26,340

and they're never heard from again

551

00:24:30,740 --> 00:24:28,740

this bizarre things like that like

552

00:24:34,010 --> 00:24:30,750

they're in some kind of trance and they

553

00:24:37,210 --> 00:24:34,020

were hypnotized to just leave their

554

00:24:39,680 --> 00:24:37,220

their their house yeah for no reason

555

00:24:42,290 --> 00:24:39,690

what compels somebody to do that is is

556

00:24:44,300 --> 00:24:42,300

it like an instant dementia or it has

557

00:24:46,940 --> 00:24:44,310

lost their mind they went crazy for 15

558

00:24:50,920 --> 00:24:46,950

minutes and and wound up in a very

559

00:24:52,640 --> 00:24:50,930

strange situation on top of a hill

560

00:24:57,290 --> 00:24:52,650

granted there's a lot we don't know

561

00:24:59,420 --> 00:24:57,300

about the human mind but those seem like

562

00:25:01,970 --> 00:24:59,430

the it seems like you're under the

563

00:25:06,020 --> 00:25:01,980

control of some sort of other worldly

564

00:25:07,940 --> 00:25:06,030

influence and not necessarily like all

565

00:25:13,810 --> 00:25:07,950

that guys is crazy so there's never any

566

00:25:18,860 --> 00:25:13,820

sexual things going on no no one's been

567

00:25:21,050 --> 00:25:18,870

well violated there was well one

568

00:25:24,530 --> 00:25:21,060

incidents that I can recall as they did

569

00:25:27,170 --> 00:25:24,540

find a skeleton in a very difficult area

570

00:25:29,960 --> 00:25:27,180

of the woods to get to and this person

571

00:25:33,050 --> 00:25:29,970

was missing and they found his pants

572

00:25:36,010 --> 00:25:33,060

down around his ankles okay

573

00:25:38,570 --> 00:25:36,020

the FBI was brought in at that point and

574

00:25:41,030 --> 00:25:38,580

I don't know if we have a conclusion to

575

00:25:42,290 --> 00:25:41,040

that case or if they it might be ongoing

576

00:25:43,280 --> 00:25:42,300

I might be a cold case at this point so

577

00:25:45,770 --> 00:25:43,290

I don't know if they're releasing any

578

00:25:48,320 --> 00:25:45,780

other findings but I don't think that

579

00:25:52,340 --> 00:25:48,330

David play is the author of missing 411

580

00:25:54,140 --> 00:25:52,350

has said that there is a sexual angle to

581

00:25:56,150 --> 00:25:54,150

these missing people if there was a

582

00:26:00,290 --> 00:25:56,160

second sexual angle it might be more

583

00:26:02,890 --> 00:26:00,300

like clinical or it could be yeah

584

00:26:06,410 --> 00:26:02,900

servants rather than someone trying to

585

00:26:09,320 --> 00:26:06,420

thank bang-bang people yeah III don't

586

00:26:11,090 --> 00:26:09,330

know if it's it could be like when it

587

00:26:13,010 --> 00:26:11,100

comes to like anything abductions that's

588

00:26:14,750 --> 00:26:13,020

very clinical and all the stories that

589

00:26:17,180 --> 00:26:14,760

go yeah they wanted my DNA they want a

590

00:26:19,760 --> 00:26:17,190

sperm they like played with my penis

591

00:26:22,280 --> 00:26:19,770

yeah they play with my Winky Dink

592

00:26:24,300 --> 00:26:22,290

mic and of course the anal probe sure

593

00:26:27,690 --> 00:26:24,310

Danson didn't want that I've

594

00:26:30,150 --> 00:26:27,700

here that one it refused an alien yeah

595

00:26:33,060 --> 00:26:30,160

an alien came into my bedroom and I me

596

00:26:35,760 --> 00:26:33,070

smelled like my uncle yeah he probed me

597

00:26:38,340 --> 00:26:35,770

annually yes take my life seat please

598

00:26:40,410 --> 00:26:38,350

I gave my I give my life seat to be a

599

00:26:48,630 --> 00:26:40,420

million to look just like my uncle they

600

00:26:50,240 --> 00:26:48,640

don't want it that's because Michael

601
00:26:55,260 --> 00:26:50,250
would never do that

602
00:26:57,210 --> 00:26:55,270
he also drank all of my beer mmm and the

603
00:26:59,220 --> 00:26:57,220
alien asked me for like 50 bucks Gillian

604
00:27:05,000 --> 00:26:59,230
came to my family reunion it was really

605
00:27:09,270 --> 00:27:05,010
awkward yeah we make eye contact but

606
00:27:11,490 --> 00:27:09,280
that's that is my missile afford 11:00

607
00:27:14,760 --> 00:27:11,500
segment is there an official documentary

608
00:27:17,010 --> 00:27:14,770
about it yeah I you have a Hulu it is on

609
00:27:19,290 --> 00:27:17,020
Hulu yes well I gotta watch it then yeah

610
00:27:22,710 --> 00:27:19,300
I will uh I recently saw unacknowledged

611
00:27:24,990 --> 00:27:22,720
ah dr. Steven Greer what do you think

612
00:27:27,660 --> 00:27:25,000
about that I was really into it until

613
00:27:30,870 --> 00:27:27,670

they pulled out as a lay Liam then he

614

00:27:32,910 --> 00:27:30,880

has and then I was like what the guy got

615

00:27:36,150 --> 00:27:32,920

very skeptical no one likes that little

616

00:27:38,330 --> 00:27:36,160

alien oh by the way no one likes it I

617

00:27:40,170 --> 00:27:38,340

don't even if it's completely real

618

00:27:42,150 --> 00:27:40,180

knowing he'll know they'll never

619

00:27:45,420 --> 00:27:42,160

convince anyone that is [h__h] real

620

00:27:46,770 --> 00:27:45,430

it's I don't know I mean my I told you

621

00:27:48,960 --> 00:27:46,780

read it I think this stick to the

622

00:27:50,880 --> 00:27:48,970

documents stick to the eyewitness

623

00:27:52,140 --> 00:27:50,890

testimony and stick to the

624

00:27:54,630 --> 00:27:52,150

whistleblowers you don't need to be

625

00:27:56,760 --> 00:27:54,640

showing these these little aliens and

626

00:27:59,070 --> 00:27:56,770

let's say it's a hundred percent real

627

00:28:01,470 --> 00:27:59,080

it'll never matter because they don't

628

00:28:04,620 --> 00:28:01,480

believe them ever until they're until

629

00:28:06,180 --> 00:28:04,630

they find like a thousand of them I do

630

00:28:09,840 --> 00:28:06,190

have this this little clip from

631

00:28:11,790 --> 00:28:09,850

unacknowledged that might be relevant to

632

00:28:15,750 --> 00:28:11,800

the missing for limb discussion I will

633

00:28:17,370 --> 00:28:15,760

play this this is about the alien false

634

00:28:19,500 --> 00:28:17,380

flag this is two seconds here and this

635

00:28:21,900 --> 00:28:19,510

wind down the missing four legged 11

636

00:28:23,360 --> 00:28:21,910

segment they could pull it off they

637

00:28:25,700 --> 00:28:23,370

could definitely pull it off

638

00:28:28,430 --> 00:28:25,710

right now they have the technology to

639

00:28:30,619 --> 00:28:28,440

mimic the form fit and function of

640

00:28:33,049 --> 00:28:30,629

extraterrestrial UFOs they have the

641

00:28:34,940 --> 00:28:33,059

technology absolutely it's seamless and

642

00:28:36,619 --> 00:28:34,950

you can never tell the difference if

643

00:28:38,239 --> 00:28:36,629

they do have a false flag invasion

644

00:28:40,369 --> 00:28:38,249

they're gonna use one of these this is

645

00:28:43,700 --> 00:28:40,379

the Hudson Valley boomerang this is 1982

646

00:28:46,220 --> 00:28:43,710

to 1989 over 25,000 eyewitnesses

647

00:28:49,009 --> 00:28:46,230

reported this craft they can use these

648

00:28:51,680 --> 00:28:49,019

saucers the cigars the pyramids the

649

00:28:53,450 --> 00:28:51,690

triangles as a United coalition and

650

00:28:56,570 --> 00:28:53,460

that's how they're gonna do it we're

651
00:28:58,930 --> 00:28:56,580
talking about 150 to 170 two feet across

652
00:29:01,399 --> 00:28:58,940
for the wingspan which is the identical

653
00:29:03,470 --> 00:29:01,409
wingspan of the b-2 stealth bomber

654
00:29:05,060 --> 00:29:03,480
okay so this is they're talking about an

655
00:29:09,440 --> 00:29:05,070
alien false flag these are these are

656
00:29:11,570 --> 00:29:09,450
human-made UFOs and they're doing it to

657
00:29:13,820 --> 00:29:11,580
basically scare the public and I think

658
00:29:16,970 --> 00:29:13,830
in the second clip they're talking about

659
00:29:20,409 --> 00:29:16,980
the abductions they started doing all

660
00:29:23,690 --> 00:29:20,419
kinds of psychological warfare

661
00:29:27,379 --> 00:29:23,700
entrainment of the public by staging

662
00:29:29,840 --> 00:29:27,389
hoaxed events such as cattle mutilations

663
00:29:32,480 --> 00:29:29,850

Oh as a flying saucer who did that it's

664

00:29:34,820 --> 00:29:32,490

a covert paramilitary program human so

665

00:29:35,550 --> 00:29:34,830

if you wanted to start indoctrinating

666

00:29:38,700 --> 00:29:35,560

people

667

00:29:40,590 --> 00:29:38,710

into a false threat from outer space

668

00:29:44,700 --> 00:29:40,600

that Verner von braun warned us about

669

00:29:47,700 --> 00:29:44,710

you would start staging events that look

670

00:29:50,610 --> 00:29:47,710

alien but that are completely man-made

671

00:29:53,370 --> 00:29:50,620

that are scary and scare the hell out of

672

00:29:55,350 --> 00:29:53,380

people UFO encounters are categorized

673

00:29:57,330 --> 00:29:55,360

into four groups close encounters of the

674

00:29:58,730 --> 00:29:57,340

Fourth Kind include people who claim to

675

00:30:00,900 --> 00:29:58,740

have been abducted by extraterrestrials

676

00:30:03,090 --> 00:30:00,910

if you had a close encounter of the

677

00:30:04,380 --> 00:30:03,100

Fourth Kind and you are back we're

678

00:30:07,290 --> 00:30:04,390

anxious to hear miss Peggy's uncle

679

00:30:09,960 --> 00:30:07,300

interstage left got these sort of

680

00:30:12,540 --> 00:30:09,970

anti-gravity devices with creatures that

681

00:30:15,150 --> 00:30:12,550

look like ETS that are actually man-made

682

00:30:18,590 --> 00:30:15,160

robotic systems they're called program

683

00:30:22,260 --> 00:30:18,600

life-forms and you start doing select

684

00:30:25,530 --> 00:30:22,270

interfaces with the public we did do

685

00:30:30,270 --> 00:30:25,540

that yes OSI did that there was a

686

00:30:33,360 --> 00:30:30,280

special group out of the 7600 second ear

687

00:30:38,220 --> 00:30:33,370

Intel wing at Fort Belvoir they came out

688

00:30:41,600 --> 00:30:38,230

and did that they had these people they

689

00:30:45,710 --> 00:30:41,610

had maybe some sort of defects

690

00:30:48,530 --> 00:30:45,720

aunt anomic defects that were brought

691

00:30:51,770 --> 00:30:48,540

brought into to fool people there

692

00:30:54,800 --> 00:30:51,780

examines yeah I can't give you any

693

00:30:56,690 --> 00:30:54,810

specifics because it's the program is so

694

00:30:58,460 --> 00:30:56,700

classified and they probably still doing

695

00:31:00,650 --> 00:30:58,470

it I wouldn't doubt Donna they were

696

00:31:04,790 --> 00:31:00,660

still doing it so there you go

697

00:31:08,780 --> 00:31:04,800

redneck hills have eyes defects that's

698

00:31:10,370 --> 00:31:08,790

what we're talking about man-made robots

699

00:31:13,010 --> 00:31:10,380

that are defective or defective

700

00:31:15,500 --> 00:31:13,020

defective looking people and they're

701
00:31:17,000 --> 00:31:15,510
talking about staging any abductions

702
00:31:20,630 --> 00:31:17,010
well they're talking about making

703
00:31:22,160 --> 00:31:20,640
puppets yeah but anything programmable

704
00:31:26,060 --> 00:31:22,170
and they're talking about making puppets

705
00:31:31,030 --> 00:31:26,070
to scare them and bringing in certain

706
00:31:34,160 --> 00:31:31,040
humans that look strange to do that

707
00:31:36,860 --> 00:31:34,170
possibly or are they actually really

708
00:31:38,510 --> 00:31:36,870
dumb people yeah are they really

709
00:31:41,330 --> 00:31:38,520
abducting people from national parks

710
00:31:43,250 --> 00:31:41,340
using these biological robots they said

711
00:31:46,700 --> 00:31:43,260
I mean dr. Steven Greer said there are

712
00:31:48,950 --> 00:31:46,710
biologically programmed robots the other

713
00:31:50,930 --> 00:31:48,960

guy said they're deformed humans used to

714

00:31:53,120 --> 00:31:50,940

scare the [h__h] out of people in any

715

00:31:54,110 --> 00:31:53,130

event is creepy as [h__h] what did you

716

00:31:56,390 --> 00:31:54,120

think about the entire documentary

717

00:31:58,040 --> 00:31:56,400

Spanky I liked it

718

00:31:59,810 --> 00:31:58,050

of course it threw me off when I saw the

719

00:32:04,400 --> 00:31:59,820

little alien yeah everything else is

720

00:32:07,340 --> 00:32:04,410

fine and I I actually looked up the name

721

00:32:09,110 --> 00:32:07,350

of the other guy Stanley Romanek oh is

722

00:32:11,630 --> 00:32:09,120

that the guy who got in trouble the guy

723

00:32:13,520 --> 00:32:11,640

got in trouble time and his and his

724

00:32:16,040 --> 00:32:13,530

documentary was pretty compelling until

725

00:32:18,800 --> 00:32:16,050

the very end when they said he was being

726

00:32:21,800 --> 00:32:18,810

prosecuted for child pornography that's

727

00:32:23,870 --> 00:32:21,810

what they do do hey clown baby let's
