

NIGHT TALK
with
MIDNIGHT MIKE

1
00:00:10,840 --> 00:00:06,219
start now you blow it and the shampoo

2
00:00:29,130 --> 00:00:10,850
here comes some night talk

3
00:00:33,160 --> 00:00:29,140
[Music]

4
00:00:37,480 --> 00:00:33,170
look at my sausage what alternate

5
00:00:46,020 --> 00:00:37,490
universe is this what Sept 3 2016 2 1 4

6
00:00:46,030 --> 00:00:49,619
77373 services

7
00:01:01,709 --> 00:00:55,920
hey welcome back to some more some more

8
00:01:05,639 --> 00:01:01,719
nights off coming at you on a Monday we

9
00:01:09,029 --> 00:01:05,649
got the shampoo literally this is not a

10
00:01:12,960 --> 00:01:09,039
normal obd mm so this is a night talk

11
00:01:14,910 --> 00:01:12,970
my name is midnight Mike and I'm here to

12
00:01:20,389 --> 00:01:14,920
talk with you tonight about several

13
00:01:24,090 --> 00:01:20,399

subjects we got things like a fitness

14

00:01:26,669 --> 00:01:24,100

that has been tracking not only people

15

00:01:33,149 --> 00:01:26,679

but also where they run whether it be

16

00:01:35,040 --> 00:01:33,159

military bases or area 51 and or

17

00:01:36,690 --> 00:01:35,050

Cheyenne Mountain or out in the middle

18

00:01:40,950 --> 00:01:36,700

of the ocean some weird stuff going on

19

00:01:44,399 --> 00:01:40,960

there and that we also have some talk

20

00:01:49,740 --> 00:01:44,409

about time travel turn down the music

21

00:01:53,520 --> 00:01:49,750

there a little bit here and I don't know

22

00:01:55,889 --> 00:01:53,530

I wear a lot I wear a Fitbit so I run

23

00:01:57,719 --> 00:01:55,899

everywhere so it's tracking me it's

24

00:02:00,300 --> 00:01:57,729

putting my my information up there into

25

00:02:03,359 --> 00:02:00,310

the cloud so but I'm not going anywhere

26

00:02:06,330 --> 00:02:03,369

secret a climate video that I wear a

27

00:02:10,410 --> 00:02:06,340

Fitbit did you know that no I don't yeah

28

00:02:12,180 --> 00:02:10,420

I do we're yeah we're a Fitbit I try to

29

00:02:15,210 --> 00:02:12,190

get my 10,000 steps a day

30

00:02:18,420 --> 00:02:15,220

I'm do you work in a secret government

31

00:02:23,490 --> 00:02:18,430

base no I do not work at a secret

32

00:02:28,020 --> 00:02:23,500

government base at all what I what I do

33

00:02:31,520 --> 00:02:28,030

is I walk my dog in different locations

34

00:02:34,080 --> 00:02:31,530

at various times throughout the day and

35

00:02:36,090 --> 00:02:34,090

but none of that secret I'm pretty open

36

00:02:38,400 --> 00:02:36,100

about where I go with my dog but there

37

00:02:43,979 --> 00:02:38,410

are people that are wearing these

38

00:02:46,050 --> 00:02:43,989

fitbit's that go various places that our

39

00:02:47,789 --> 00:02:46,060

secret I'll bring this up on screen

40

00:02:51,059 --> 00:02:47,799

right now make a little transition right

41

00:02:54,840 --> 00:02:51,069

there and this has been all over

42

00:03:00,300 --> 00:02:54,850

conspiracy reddit and there's a

43

00:03:02,430 --> 00:03:00,310

this company called Strava Strava is a

44

00:03:05,040 --> 00:03:02,440

company that uploads workout route

45

00:03:07,100 --> 00:03:05,050

information for people who have fitbit's

46

00:03:08,370 --> 00:03:07,110

which is me I'm one of those people in

47

00:03:12,240 --> 00:03:08,380

smartwatches

48

00:03:15,150 --> 00:03:12,250

or other fitness monitoring gear to GPS

49

00:03:17,310 --> 00:03:15,160

track your route you can look at the

50

00:03:21,589 --> 00:03:17,320

heat map where military bases are

51
00:03:25,130 --> 00:03:23,420
I guess I guess it is a kind of a thing

52
00:03:27,020 --> 00:03:25,140
to do like you have your route some

53
00:03:30,410 --> 00:03:27,030
people like hey I've been running this

54
00:03:32,869 --> 00:03:30,420
this five mile route every day and I'm

55
00:03:34,670 --> 00:03:32,879
trying to improve my time and it does

56
00:03:36,949 --> 00:03:34,680
create a heat map and here it is I'll

57
00:03:40,580 --> 00:03:36,959
bring up a screen and you can just take

58
00:03:43,129 --> 00:03:40,590
a look at this and so everyone in

59
00:03:45,140 --> 00:03:43,139
America apparently is running or there's

60
00:03:49,080 --> 00:03:45,150
like five people running everywhere in

61
00:03:54,870 --> 00:03:53,460
I know like I would fight like so this

62
00:03:58,500 --> 00:03:54,880
is like there's like five different

63
00:04:02,910 --> 00:03:58,510

posting on our conspiracy about this and

64

00:04:06,449 --> 00:04:02,920

I find it hard to believe that this was

65

00:04:08,100 --> 00:04:06,459

so overlooked

66

00:04:10,110 --> 00:04:08,110

wouldn't you believe that clown baby

67

00:04:11,789 --> 00:04:10,120

like this is like GPS information I

68

00:04:13,979 --> 00:04:11,799

think I know that sometimes I go in

69

00:04:16,560 --> 00:04:13,989

tunnels and I don't get GPS or might

70

00:04:19,140 --> 00:04:16,570

make my cell phone cuts out so I kind of

71

00:04:21,360 --> 00:04:19,150

wonder how this this works maybe that

72

00:04:25,020 --> 00:04:21,370

there these people are jogging

73

00:04:27,300 --> 00:04:25,030

hypothetically in area 51 I know that's

74

00:04:29,400 --> 00:04:27,310

actually this one guy who I sent you the

75

00:04:30,779 --> 00:04:29,410

Twitter link yeah Alok of it that's his

76

00:04:34,140 --> 00:04:30,789

real name something it's proved to me

77

00:04:35,610 --> 00:04:34,150

Alec yeah he pulls up groom lake and

78

00:04:37,379 --> 00:04:35,620

there's nothing around it for data

79

00:04:38,939 --> 00:04:37,389

there's nothing okay I mean they don't

80

00:04:41,279 --> 00:04:38,949

let people take cell phones in which

81

00:04:44,129 --> 00:04:41,289

that's probably true or they're killing

82

00:04:45,840 --> 00:04:44,139

the data about yeah I would I would

83

00:04:49,500 --> 00:04:45,850

assume that they probably have some

84

00:04:51,750 --> 00:04:49,510

jammers there and and that they won't

85

00:04:53,939 --> 00:04:51,760

let the data in or out this one that

86

00:04:55,350 --> 00:04:53,949

comes to GPS tracking but here's a

87

00:04:58,830 --> 00:04:55,360

headline here the headline here is

88

00:05:01,710 --> 00:04:58,840

fitness tracking app gives away location

89

00:05:03,750 --> 00:05:01,720

of secret army base sensitive

90

00:05:06,360 --> 00:05:03,760

information about the location and

91

00:05:07,920 --> 00:05:06,370

staffing of military bases and spy

92

00:05:10,439 --> 00:05:07,930

outposts around the world have been

93

00:05:14,520 --> 00:05:10,449

revealed by a fitness tracking company

94

00:05:17,279 --> 00:05:14,530

the details were released by Bravo a

95

00:05:19,710 --> 00:05:17,289

data visualization map that shows all

96

00:05:21,659 --> 00:05:19,720

the activity tracked by users of its app

97

00:05:23,969 --> 00:05:21,669

which allows people to record their

98

00:05:27,300 --> 00:05:23,979

exercise and share it with others the

99

00:05:31,230 --> 00:05:27,310

map released in November 2017 shows

100

00:05:34,439 --> 00:05:31,240

every single activity ever uploaded is

101
00:05:36,570 --> 00:05:34,449
Travie more than 3 trillion individual

102
00:05:38,939 --> 00:05:36,580
GPS data points according to the company

103
00:05:41,189 --> 00:05:38,949
the app can be used on various devices

104
00:05:44,520 --> 00:05:41,199
including smartphones and fitness

105
00:05:46,710 --> 00:05:44,530
tracking devices like Fitbit to see

106
00:05:50,339 --> 00:05:46,720
popular running routes in major cities

107
00:05:54,990 --> 00:05:50,349
or spot individuals in more remote areas

108
00:05:56,430 --> 00:05:55,000
who have unusual exercise patterns it's

109
00:05:59,010 --> 00:05:56,440
a great way to stalk and murder somebody

110
00:06:01,379 --> 00:05:59,020
it is that you can find out somebody's

111
00:06:05,939 --> 00:06:01,389
normal routine I mean you can if you

112
00:06:07,950 --> 00:06:05,949
combine this GPS data with everyone with

113
00:06:10,770 --> 00:06:07,960

a post on social media and what they do

114

00:06:14,879 --> 00:06:10,780

in their normal day with shopping you

115

00:06:19,379 --> 00:06:17,040

diagram of a person's love you get a

116

00:06:24,100 --> 00:06:19,389

nice itinerary of where they're gonna be

117

00:06:27,219 --> 00:06:24,110

at any given time in the day

118

00:06:29,409 --> 00:06:27,229

it's cut is very creepy I mean I have a

119

00:06:31,600 --> 00:06:29,419

Fitbit because I want to track my 10,000

120

00:06:33,790 --> 00:06:31,610

steps but you know I kind of I kind of

121

00:06:36,040 --> 00:06:33,800

achieved my 10,000 steps every day just

122

00:06:39,249 --> 00:06:36,050

by doing my normal routine do I really

123

00:06:42,399 --> 00:06:39,259

need it anymore they they did they do

124

00:06:43,540 --> 00:06:42,409

give like awards like oh you climbed 50

125

00:06:45,610 --> 00:06:43,550

stairs today

126

00:06:51,459 --> 00:06:45,620

oho Mike you're gonna get a special

127

00:06:53,529 --> 00:06:51,469

badge for walking upstairs I don't do I

128

00:06:57,550 --> 00:06:53,539

need it though it's this is a like to

129

00:06:59,529 --> 00:06:57,560

have it's not like it's not mine it's

130

00:07:01,809 --> 00:06:59,539

not it's not something I need to have I

131

00:07:03,459 --> 00:07:01,819

find hard to believe that the military

132

00:07:05,890 --> 00:07:03,469

would would have allowed this to happen

133

00:07:07,059 --> 00:07:05,900

like a Cheyenne Mountain I mean I have

134

00:07:12,809 --> 00:07:07,069

it up on the screen there's a very

135

00:07:15,309 --> 00:07:12,819

specific routes that are walked in this

136

00:07:17,890 --> 00:07:15,319

their speculation is does it regard

137

00:07:19,390 --> 00:07:17,900

routes in the guards walk so the guards

138

00:07:21,459 --> 00:07:19,400

are getting in there 10,000 steps a day

139

00:07:22,779 --> 00:07:21,469

to have their phone on them in their

140

00:07:24,309 --> 00:07:22,789

Fitbit I mean there's this one

141

00:07:27,790 --> 00:07:24,319

installation I can see I think might be

142

00:07:29,140 --> 00:07:27,800

in Djibouti or is it Mogadishu you can

143

00:07:30,550 --> 00:07:29,150

see like they don't allow any cell

144

00:07:31,899 --> 00:07:30,560

phones into the base because all you can

145

00:07:33,820 --> 00:07:31,909

see is the outline of the perimeter they

146

00:07:35,709 --> 00:07:33,830

believe the guards walk and there's

147

00:07:41,140 --> 00:07:35,719

nothing else inside of the installation

148

00:07:44,810 --> 00:07:41,150

yeah it gets a little goofy there and so

149

00:07:48,050 --> 00:07:44,820

I find hard to believe that

150

00:07:50,390 --> 00:07:48,060

these uh I guess they wouldn't have to

151

00:07:52,100 --> 00:07:50,400

check something like at the door like

152

00:07:53,540 --> 00:07:52,110

hey don't have your phone cell phone

153

00:07:55,250 --> 00:07:53,550

turned on while you're doing your your

154

00:07:56,740 --> 00:07:55,260

guard duty we don't want you on ready do

155

00:08:00,110 --> 00:07:56,750

we want we don't want you surfing porn

156

00:08:02,320 --> 00:08:00,120

but apparently that's not a thing that's

157

00:08:08,080 --> 00:08:05,200

this is a normal occurrence this happens

158

00:08:11,350 --> 00:08:08,090

I'm scrolling down the RFA Mount

159

00:08:13,869 --> 00:08:11,360

Pleasant in the Falkland Islands is lit

160

00:08:16,390 --> 00:08:13,879

up brightly on the heat map reflecting

161

00:08:19,839 --> 00:08:16,400

the exercise regime or regiment of

162

00:08:23,020 --> 00:08:19,849

thousand British personnel there as our

163

00:08:26,429 --> 00:08:23,030

nearby lake McAfee and goal Island Pond

164

00:08:28,450 --> 00:08:26,439

apparently popular swimming spots though

165

00:08:33,040 --> 00:08:28,460

everyone's tracking themselves

166

00:08:36,040 --> 00:08:33,050

voluntarily everyone is on board with

167

00:08:39,329 --> 00:08:36,050

with tracking themselves and freely

168

00:08:41,920 --> 00:08:39,339

giving this information away there are

169

00:08:44,410 --> 00:08:41,930

some interesting things and I was on the

170

00:08:47,980 --> 00:08:44,420

roulette conspiracy trying to find this

171

00:08:50,410 --> 00:08:47,990

post and this post was

172

00:08:54,070 --> 00:08:50,420

it was concerning the the earthquake

173

00:08:58,000 --> 00:08:54,080

that impacted the Fukushima in Japan was

174

00:09:01,450 --> 00:08:58,010

a 2012 that they had the the earthquake

175

00:09:05,230 --> 00:09:01,460

there uh I thought it was 2011 but it

176
00:09:07,750 --> 00:09:05,240
was around then yeah it was right around

177
00:09:12,670 --> 00:09:07,760
then and rightward the earthquake

178
00:09:16,000 --> 00:09:12,680
happened there is a heat map and related

179
00:09:20,440 --> 00:09:16,010
to this fitness tracking app and I

180
00:09:22,389 --> 00:09:20,450
cannot find that post at all on reddit

181
00:09:24,250 --> 00:09:22,399
and I don't know why I won't I thought I

182
00:09:28,420 --> 00:09:24,260
sent to myself I did not I went back and

183
00:09:32,530 --> 00:09:28,430
searched and it's it's just not there

184
00:09:39,030 --> 00:09:37,210
a regime exercise regiment exercise

185
00:09:41,860 --> 00:09:39,040
regime that's what they said me yeah

186
00:09:45,580 --> 00:09:41,870
someone in the chest has exercised

187
00:09:48,400 --> 00:09:45,590
regime mine exercise hunter I thought it

188
00:09:50,740 --> 00:09:48,410

was exercise regiment but yeah it says

189

00:09:55,700 --> 00:09:50,750

regime in the actual article maybe they

190

00:09:58,880 --> 00:09:57,590

I don't know I don't know I don't say I

191

00:10:01,550 --> 00:09:58,890

don't know we can learn from this other

192

00:10:03,710 --> 00:10:01,560

than people are pretty goddamn open with

193

00:10:04,970 --> 00:10:03,720

what they do and there's nothing around

194

00:10:06,500 --> 00:10:04,980

area 51 why wouldn't they give the

195

00:10:07,760 --> 00:10:06,510

fitbit's to the aliens they're like

196

00:10:09,740 --> 00:10:07,770

j-rod okay

197

00:10:11,690 --> 00:10:09,750

get your deal oh yeah bleep loop get the

198

00:10:12,680 --> 00:10:11,700

loop loop make sure you get 10,000 steps

199

00:10:15,200 --> 00:10:12,690

in a day we don't need you're getting

200

00:10:17,750 --> 00:10:15,210

fat we don't need any fat aliens around

201
00:10:21,290 --> 00:10:17,760
here working on crafts we're ridiculous

202
00:10:22,730 --> 00:10:21,300
to see it would be absolutely absurd if

203
00:10:23,990 --> 00:10:22,740
you walked in the air if it you want and

204
00:10:25,400 --> 00:10:24,000
you see like a bunch of aliens sit

205
00:10:28,340 --> 00:10:25,410
around drinking beer at beer bellies and

206
00:10:31,430 --> 00:10:28,350
like just doing anywhere wearing daisy

207
00:10:34,400 --> 00:10:31,440
dukes not doing anything plant playing

208
00:10:37,220 --> 00:10:34,410
cornhole I get up and walk around what

209
00:10:39,650 --> 00:10:37,230
exercise for kind of loud just came here

210
00:10:41,570 --> 00:10:39,660
to the tailgate here's your iPhone

211
00:10:44,720 --> 00:10:41,580
here's your Fitbit get out there and

212
00:10:52,090 --> 00:10:44,730
walk [h__h] please apparently you

213
00:10:59,060 --> 00:10:55,850

so this came out in November 2017 is

214

00:11:01,220 --> 00:10:59,070

coming to light right now I don't want

215

00:11:03,200 --> 00:11:01,230

way to write what took so long I guess I

216

00:11:06,860 --> 00:11:03,210

mean you know sometimes it takes for a

217

00:11:10,130 --> 00:11:06,870

little bit of a time you get this kind

218

00:11:12,200 --> 00:11:10,140

of information filtered out apparently

219

00:11:14,090 --> 00:11:12,210

I'm looking at the RT article to keep

220

00:11:16,490 --> 00:11:14,100

guns it's not just US bases here's a

221

00:11:19,760 --> 00:11:16,500

Turkish patrol north of men be sure man

222

00:11:21,770 --> 00:11:19,770

big it's in Syria so crate they have

223

00:11:24,170 --> 00:11:21,780

soldiers with fitbit's on that's not

224

00:11:26,420 --> 00:11:24,180

good soldiers women they gotta get their

225

00:11:28,460 --> 00:11:26,430

10,000 steps in a day I mean they want

226

00:11:30,200 --> 00:11:28,470

their soldiers in shape you know the

227

00:11:32,240 --> 00:11:30,210

army did reduce their physical

228

00:11:36,050 --> 00:11:32,250

qualifications not too long ago to

229

00:11:40,970 --> 00:11:36,060

accept a more diverse group of

230

00:11:42,110 --> 00:11:40,980

candidates so I mean I mean goddamn that

231

00:11:44,630 --> 00:11:42,120

is some pretty critical information

232

00:11:48,620 --> 00:11:44,640

especially if if you were a terrorist

233

00:11:52,580 --> 00:11:48,630

organization wanting to ambush a u.s.

234

00:11:54,530 --> 00:11:52,590

convoy check out the what's rava and the

235

00:11:55,490 --> 00:11:54,540

the Fitbit heat map and all that kind of

236

00:11:57,740 --> 00:11:55,500

stuff and you can kind of get a good

237

00:12:00,470 --> 00:11:57,750

time you know where exactly they're

238

00:12:02,090 --> 00:12:00,480

gonna be yeah that's like half of like

239

00:12:03,350 --> 00:12:02,100

you know every every general and history

240

00:12:05,630 --> 00:12:03,360

would love to know exactly where the

241

00:12:07,760 --> 00:12:05,640

enemies at yeah

242

00:12:09,950 --> 00:12:07,770

I do have the the phone lines open we're

243

00:12:12,710 --> 00:12:09,960

not right now sick one four three eight

244

00:12:16,280 --> 00:12:12,720

eight nine 109 and then we're gonna move

245

00:12:21,790 --> 00:12:16,290

on and talk about time travel time

246

00:12:28,160 --> 00:12:21,800

travelers and time travel hypotheses and

247

00:12:32,330 --> 00:12:28,170

theories now how can you go on Hritik

248

00:12:37,260 --> 00:12:35,400

not that often anymore I try and stick

249

00:12:39,300 --> 00:12:37,270

on the paranormal bored-looking fortune

250

00:12:41,610 --> 00:12:39,310

and stuff oh really what's I mean I

251
00:12:43,680 --> 00:12:41,620
guess I haven't gone on fortune too much

252
00:12:47,130 --> 00:12:43,690
I don't know exactly what they have

253
00:12:49,290 --> 00:12:47,140
offer I stick on read conspiracy and

254
00:12:51,480 --> 00:12:49,300
read conspiracy has told turned into

255
00:12:54,240 --> 00:12:51,490
such a political [h__h] show that it's

256
00:12:57,030 --> 00:12:54,250
tough to find real conspiracies and

257
00:12:58,500 --> 00:12:57,040
that's why this heat map is a big one I

258
00:13:01,770 --> 00:12:58,510
don't know I don't know the conspiracy

259
00:13:05,950 --> 00:13:01,780
is behind it but it's definitely

260
00:13:05,960 --> 00:13:09,110
hey what's up guy

261
00:13:13,510 --> 00:13:10,970
hey it's great to hear [h__h] clown

262
00:13:16,430 --> 00:13:13,520
baby back on the show [h__h]

263
00:13:19,340 --> 00:13:16,440

yeah I've been I've been around yeah he

264

00:13:25,250 --> 00:13:19,350
says on a vacation well not really

265

00:13:28,190 --> 00:13:25,260
vacation sabbatical I'm driving home

266

00:13:30,710 --> 00:13:28,200
after literally by Cheyenne Mountain I

267

00:13:32,780 --> 00:13:30,720
figured I'd try them in yeah turn your

268

00:13:42,980 --> 00:13:32,790
Fitbit on yeah your Fitbit on he's being

269

00:13:45,650 --> 00:13:42,990
tracked does everyone in the military

270

00:13:48,590 --> 00:13:45,660
keep track of how far they run is this

271

00:13:56,810 --> 00:13:48,600
being used as some kind of like Fitness

272

00:13:59,329 --> 00:13:56,820
evaluation technological [h__h] they're

273

00:14:01,130 --> 00:13:59,339
not getting anything that someone

274

00:14:03,500 --> 00:14:01,140
doesn't tell us about there's nothing my

275

00:14:05,510 --> 00:14:03,510
expensives you can't even have your cell

276

00:14:07,340 --> 00:14:05,520

phone or a fit or any of that [h__h] when

277

00:14:09,110 --> 00:14:07,350

you get like a secret briefing because

278

00:14:10,880 --> 00:14:09,120

they're so afraid of you know [h__h]

279

00:14:13,790 --> 00:14:10,890

somehow getting onto your phone and

280

00:14:15,380 --> 00:14:13,800

getting out so I mean like if there was

281

00:14:17,660 --> 00:14:15,390

a guard like in the end their Fitbit

282

00:14:20,210 --> 00:14:17,670

tracker on in Cheyenne Mountain which is

283

00:14:22,820 --> 00:14:20,220

pretty secure is in a mountain how is

284

00:14:25,160 --> 00:14:22,830

that how is that GPS information didn't

285

00:14:27,680 --> 00:14:25,170

getting in and out of there without like

286

00:14:34,360 --> 00:14:27,690

some kind of Wi-Fi router to transmit

287

00:14:40,760 --> 00:14:36,740

check the door definitely checked it

288

00:14:42,050 --> 00:14:40,770

anyway the sensitive but like even if

289

00:14:43,730 --> 00:14:42,060

you're active duty you have to get

290

00:14:47,570 --> 00:14:43,740

sponsored just to get on a public a

291

00:14:49,660 --> 00:14:47,580

public tour that's how secure it is you

292

00:14:52,250 --> 00:14:49,670

used to be able to just like randomly

293

00:14:53,810 --> 00:14:52,260

sign up if you were like active duty but

294

00:14:55,430 --> 00:14:53,820

now like some of you got a sponsor you

295

00:15:00,199 --> 00:14:55,440

that works there and it's the whole

296

00:15:02,269 --> 00:15:00,209

[h__\h] hassle so but I guarantee you we

297

00:15:04,100 --> 00:15:02,279

emails and [h__\h] they go out like hey

298

00:15:06,260 --> 00:15:04,110

[h__\h] it's turn your [h__\h] off when

299

00:15:07,370 --> 00:15:06,270

you're you know Patrol and I don't know

300

00:15:08,449 --> 00:15:07,380

about like cops like they're not

301
00:15:11,269 --> 00:15:08,459
supposed to be on their phone so I think

302
00:15:14,329 --> 00:15:11,279
they can still carry him yeah cops are

303
00:15:15,470 --> 00:15:14,339
different beasts but yeah I would I

304
00:15:17,600 --> 00:15:15,480
wouldn't be surprised if you get some

305
00:15:20,000 --> 00:15:17,610
kind of memo from the higher-ups like

306
00:15:22,639 --> 00:15:20,010
hey make sure you have your apps turn

307
00:15:24,499 --> 00:15:22,649
off or I'm not sure if you have to

308
00:15:27,079 --> 00:15:24,509
you have to get any kind of app you

309
00:15:28,699 --> 00:15:27,089
download authorized on your phone if you

310
00:15:35,030 --> 00:15:28,709
use that phone for work for the

311
00:15:39,230 --> 00:15:35,040
government use it for authorized work

312
00:15:59,059 --> 00:15:39,240
stuff and they generally take all this

313
00:16:00,650 --> 00:15:59,069

technology out of work on a side note on

314

00:16:07,220 --> 00:16:00,660

a side note when we get to get back on

315

00:16:09,259 --> 00:16:07,230

Zomboid okay well I got my I got my

316

00:16:15,169 --> 00:16:09,269

Senate back in going mid-waist time for

317

00:16:16,910 --> 00:16:15,179

a new Zomboid series yeah I just I got a

318

00:16:17,480 --> 00:16:16,920

new computer like six weeks ago just for

319

00:16:24,939 --> 00:16:17,490

Zomboid

320

00:16:30,319 --> 00:16:28,129

if you look on your Facebook how they

321

00:16:34,220 --> 00:16:30,329

designate what AB go to you they kind of

322

00:16:35,889 --> 00:16:34,230

take you down you can go look it and

323

00:16:38,269 --> 00:16:35,899

what they think you are

324

00:16:39,470 --> 00:16:38,279

it's pretty it's funny it's cool and

325

00:16:43,280 --> 00:16:39,480

it's kind of creepy at the same time

326

00:16:46,819 --> 00:16:43,290

like I like everything from Alex Jones

327

00:16:51,319 --> 00:16:46,829

to ultra liberal you know like Mother

328

00:16:54,259 --> 00:16:51,329

Jones yeah you're I'm labeled as like a

329

00:16:55,879 --> 00:16:54,269

moderate and since I've been I've lived

330

00:16:57,799 --> 00:16:55,889

overseas a lot they've got like has lots

331

00:17:00,799 --> 00:16:57,809

of expat friends and all kinds of [h__\h]

332

00:17:05,120 --> 00:17:00,809

it's [h__\h] got a creepy mother Alex

333

00:17:06,740 --> 00:17:05,130

Jones how do i how do we how does one

334

00:17:11,779 --> 00:17:06,750

what was this site yeah well we'll have

335

00:17:13,610 --> 00:17:11,789

me find that out when I get home I'll

336

00:17:15,740 --> 00:17:13,620

get the link and I'll send it to you

337

00:17:16,880 --> 00:17:15,750

okay cool and it goes if you go and like

338

00:17:18,590 --> 00:17:16,890

your preferences that's something to do

339

00:17:20,059 --> 00:17:18,600

with like ads like that a bunch of

340

00:17:22,689 --> 00:17:20,069

people that are like really liberal and

341

00:17:26,750 --> 00:17:22,699

they're white but it's like very liberal

342

00:17:28,519 --> 00:17:26,760

african-american taking it all right

343

00:17:33,770 --> 00:17:28,529

yeah I mean they're making some good

344

00:17:39,860 --> 00:17:37,250

but uh yeah I'm driving home I'll let

345

00:17:40,910 --> 00:17:39,870

you guys get going and welcome back for

346

00:17:45,080 --> 00:17:40,920

a little bit I hope you enjoyed your

347

00:17:47,450 --> 00:17:45,090

vacation clown baby I can trigger jokes

348

00:17:50,000 --> 00:17:47,460

more yes yes we'd love to hear that

349

00:17:51,410 --> 00:17:50,010

that'd be great drive safe will it's

350

00:17:52,730 --> 00:17:51,420

nice talking to you again I haven't

351

00:18:03,130 --> 00:17:52,740

heard your voice in a bit so we'll go

352

00:18:06,350 --> 00:18:03,140

back and Zombo and have some fun because

353

00:18:08,990 --> 00:18:06,360

I interesting I didn't know about the

354

00:18:12,500 --> 00:18:09,000

Facebook thing that you could get your I

355

00:18:15,970 --> 00:18:12,510

guess add profile all in a row I wonder

356

00:18:18,440 --> 00:18:15,980

what they think I would be god yeah i I

357

00:18:19,990 --> 00:18:18,450

deleted my facebook a while ago yeah

358

00:18:30,200 --> 00:18:20,000

well smart move

359

00:18:32,240 --> 00:18:30,210

smart move I mean Internet if his face I

360

00:18:34,820 --> 00:18:32,250

mean Facebook I mean Facebook of by a

361

00:18:36,290 --> 00:18:34,830

green decided to Facebook you agreed to

362

00:18:40,490 --> 00:18:36,300

have a cookie on your browser and then

363

00:18:44,180 --> 00:18:42,080

blah blah blah I mean it's all it's all

364

00:18:46,670 --> 00:18:44,190

the same is yes just like reddit or

365

00:18:50,380 --> 00:18:46,680

anything else I mean they're selling

366

00:18:58,420 --> 00:18:52,480

dammit let's go ahead and check the

367

00:19:01,200 --> 00:18:58,430

phone calls I'll put the phone back and

368

00:19:04,960 --> 00:19:01,210

then we're we're gonna move on to some

369

00:19:07,540 --> 00:19:04,970

time-travel stuff here very soon take

370

00:19:10,540 --> 00:19:07,550

this phone call we've got quite yet yeah

371

00:19:12,350 --> 00:19:10,550

here we go hey look at my sausage color

372

00:19:14,740 --> 00:19:12,360

go ahead

373

00:19:17,380 --> 00:19:14,750

blood Shampoo

374

00:19:20,830 --> 00:19:17,390

hey Mike in common is dispensing long

375

00:19:22,999 --> 00:19:20,840

time status talking

376

00:19:27,049 --> 00:19:23,009

Stanton from

377

00:19:29,720 --> 00:19:27,059

Michigan correct hey hey doing buddy

378

00:19:31,879 --> 00:19:29,730

long time to talk pretty good yeah you

379

00:19:33,979 --> 00:19:31,889

guys hey I'm wanting to rail you guys a

380

00:19:35,930 --> 00:19:33,989

little bit here what do you guys talk a

381

00:19:37,940 --> 00:19:35,940

little bit about uh maybe we'll cocking

382

00:19:39,560 --> 00:19:37,950

a quarry good I believe is legitimate

383

00:19:42,320 --> 00:19:39,570

things I've been listening to them a lot

384

00:19:44,149 --> 00:19:42,330

on YouTube lately I'm not convinced that

385

00:19:45,859 --> 00:19:44,159

that's necessarily a good thing but I

386

00:19:47,659 --> 00:19:45,869

think they're pretty interesting is this

387

00:19:50,680 --> 00:19:47,669

[h__\h] about the secret space program is

388

00:19:55,460 --> 00:19:50,690

got me intrigued it's a great story but

389

00:19:58,729 --> 00:19:55,470

absolutely no substantiation so a little

390

00:20:03,320 --> 00:19:58,739

bit so I've actually I've watched a lot

391

00:20:07,129 --> 00:20:03,330

of the wilcox interviewing corey good on

392

00:20:08,960 --> 00:20:07,139

the the guy on network and i'm with you

393

00:20:12,320 --> 00:20:08,970

there's not there's no physical evidence

394

00:20:14,779 --> 00:20:12,330

but I find the interview absolutely

395

00:20:16,879 --> 00:20:14,789

compelling it's like a six to eight part

396

00:20:20,539 --> 00:20:16,889

interview each enter each segment on guy

397

00:20:22,639 --> 00:20:20,549

TV is about 45 minutes long and I'm

398

00:20:26,720 --> 00:20:22,649

watching it with my girlfriend we watch

399

00:20:29,779 --> 00:20:26,730

it too a few episodes every every few

400

00:20:33,499 --> 00:20:29,789

weeks because it's hard to digest and I

401
00:20:36,769 --> 00:20:33,509
want to believe Corey good I really do I

402
00:20:40,909 --> 00:20:36,779
do absolutely absolutely I want I want

403
00:20:42,499 --> 00:20:40,919
to believe him so so bad because it's so

404
00:20:44,989 --> 00:20:42,509
interesting when you talk about these

405
00:20:47,029 --> 00:20:44,999
secret space programs solar warden you

406
00:20:49,009 --> 00:20:47,039
have so many different factions in the

407
00:20:52,479 --> 00:20:49,019
seeker space program and they're not all

408
00:20:54,889 --> 00:20:52,489
agreeing on about what should have done

409
00:20:57,739 --> 00:20:54,899
so he's essentially saying there's an

410
00:21:00,470 --> 00:20:57,749
ethnicity of aliens resembling every

411
00:21:02,960 --> 00:21:00,480
race or ethnicity that exists on this

412
00:21:05,899 --> 00:21:02,970
planet curly which is you know sounds

413
00:21:07,470 --> 00:21:05,909

you know awesome amazing this ridiculous

414

00:21:12,840 --> 00:21:07,480

[h__\h]

415

00:21:16,950 --> 00:21:12,850

it is it's it's a it gets so the more I

416

00:21:19,080 --> 00:21:16,960

the more I get unfortunately when you

417

00:21:23,910 --> 00:21:19,090

get into UFO stuff is it even want

418

00:21:25,470 --> 00:21:23,920

physical proof and but the the the but

419

00:21:27,300 --> 00:21:25,480

you don't you're not gonna get that and

420

00:21:28,770 --> 00:21:27,310

so I've been thinking about this for a

421

00:21:31,140 --> 00:21:28,780

long time even when it comes to cryptic

422

00:21:33,990 --> 00:21:31,150

Azul scripted logical stuff and

423

00:21:37,440 --> 00:21:34,000

paranormal stuff in general I believe

424

00:21:42,840 --> 00:21:37,450

that the human consciousness is a key

425

00:21:44,100 --> 00:21:42,850

part to not only what aliens are or how

426

00:21:48,870 --> 00:21:44,110

we perceive them

427

00:21:50,970 --> 00:21:48,880

it goes into how these these weird craft

428

00:21:52,830 --> 00:21:50,980

these UFOs are actually navigated and

429

00:21:56,190 --> 00:21:52,840

used and operated to a certain degree

430

00:21:58,710 --> 00:21:56,200

and it also goes into what level of

431

00:22:01,170 --> 00:21:58,720

consciousness you are in your own

432

00:22:05,150 --> 00:22:01,180

particular reality to accept these

433

00:22:08,330 --> 00:22:05,160

far-out scenarios it gets so bizarre

434

00:22:11,760 --> 00:22:08,340

when you because once you dive deep into

435

00:22:13,320 --> 00:22:11,770

Wilcox and did an inquiry good then you

436

00:22:14,910 --> 00:22:13,330

have to go into meditation you got to go

437

00:22:18,030 --> 00:22:14,920

into remote viewing an astral projection

438

00:22:20,790 --> 00:22:18,040

you go into psionic second phenomenon

439

00:22:25,260 --> 00:22:20,800

and then it all gets wrapped up into one

440

00:22:26,910 --> 00:22:25,270

thing and now not only are you where you

441

00:22:30,240 --> 00:22:26,920

just started off I want to believe in

442

00:22:34,380 --> 00:22:30,250

UFOs now you're into this this this

443

00:22:37,110 --> 00:22:34,390

rabbit hole of everything is one kind of

444

00:22:39,570 --> 00:22:37,120

paranormal phenomenon and we just give

445

00:22:43,430 --> 00:22:39,580

it labels to to categorize it

446

00:22:46,230 --> 00:22:43,440

I want to believe Corey Goode he was

447

00:22:48,810 --> 00:22:46,240

according to him he was initiated or

448

00:22:51,900 --> 00:22:48,820

adopted into the secret space program as

449

00:22:54,000 --> 00:22:51,910

a very young child abducted and that is

450

00:22:56,640 --> 00:22:54,010

a very common theme that I've heard were

451
00:22:58,470 --> 00:22:56,650
out other people who have been part of

452
00:23:00,480 --> 00:22:58,480
the I see his face programs like at a

453
00:23:03,720 --> 00:23:00,490
young age they were kind of initiated

454
00:23:08,970 --> 00:23:03,730
abducted and then brought into it I need

455
00:23:12,870 --> 00:23:10,560
now I was going to say so these guys

456
00:23:14,790 --> 00:23:12,880
usually though these alien abductions

457
00:23:16,680 --> 00:23:14,800
whether they're you know human

458
00:23:19,680 --> 00:23:16,690
terrestrial or they're actual

459
00:23:22,470 --> 00:23:19,690
extraterrestrial they usually think that

460
00:23:24,360 --> 00:23:22,480
can do they occur along family family

461
00:23:27,180 --> 00:23:24,370
bloodlines right and they have done

462
00:23:29,910 --> 00:23:27,190
people with a some type of empathic

463
00:23:32,400 --> 00:23:29,920

ability that's my understanding they

464

00:23:35,220 --> 00:23:32,410

want to they want to find people with

465

00:23:37,940 --> 00:23:35,230

that are predisposed to having some sort

466

00:23:40,470 --> 00:23:37,950

of psychic ability empathic is helpful

467

00:23:42,240 --> 00:23:40,480

because is my understanding from

468

00:23:45,450 --> 00:23:42,250

everything I've read that the human

469

00:23:48,240 --> 00:23:45,460

experience is an emotional one and that

470

00:23:50,370 --> 00:23:48,250

is and we have many different emotions

471

00:23:53,760 --> 00:23:50,380

as humans and that is not something a

472

00:23:55,650 --> 00:23:53,770

lot of other extraterrestrial races get

473

00:23:57,720 --> 00:23:55,660

to experience as you become more

474

00:24:01,890 --> 00:23:57,730

advanced you become more logical more

475

00:24:04,650 --> 00:24:01,900

reasonable and your your emotions kind

476

00:24:09,590 --> 00:24:04,660

of fade back like a Vulcan almost and so

477

00:24:13,590 --> 00:24:11,330

I want to believe all this [h__\h] I really

478

00:24:15,570 --> 00:24:13,600

do I want to be a [h__\h] bored

479

00:24:17,400 --> 00:24:15,580

but there's always some document that's

480

00:24:18,900 --> 00:24:17,410

gonna be released that you know midnight

481

00:24:21,540 --> 00:24:18,910

tomorrow that's gonna totally

482

00:24:23,580 --> 00:24:21,550

substantiate but the Cabal the Cabal

483

00:24:25,800 --> 00:24:23,590

stopping from this document he's got

484

00:24:27,720 --> 00:24:25,810

desperate and you know he's crying on

485

00:24:29,550 --> 00:24:27,730

the phone and we phone interviews or

486

00:24:32,730 --> 00:24:29,560

he's crying and you know he's got all

487

00:24:34,110 --> 00:24:32,740

these health arrest on my okay yeah

488

00:24:37,890 --> 00:24:34,120

great story

489

00:24:41,450 --> 00:24:37,900

uh yeah I'm compelled by Wilcox I I like

490

00:24:43,440 --> 00:24:41,460

him as an entertainer in an interviewer

491

00:24:45,840 --> 00:24:43,450

well baby do you know anything about

492

00:24:47,580 --> 00:24:45,850

David Wilcox or Corey good you have any

493

00:24:50,259 --> 00:24:47,590

opinion on the secret space program

494

00:24:52,269 --> 00:24:50,269

[Music]

495

00:24:55,180 --> 00:24:52,279

I don't think I really maybe I've heard

496

00:24:57,879 --> 00:24:55,190

of him but uh I don't really have an

497

00:25:01,060 --> 00:24:57,889

opinion to give ya clown babies more of

498

00:25:02,199 --> 00:25:01,070

a Bigfoot missing 411 guy I'm the UFO

499

00:25:04,989 --> 00:25:02,209

guy here

500

00:25:06,519 --> 00:25:04,999

I want to believe and I there are I

501
00:25:09,369 --> 00:25:06,529
think there are much more compelling

502
00:25:13,349 --> 00:25:09,379
people than Cory good there's a guy from

503
00:25:17,699 --> 00:25:13,359
South America that I'm gonna do a little

504
00:25:20,739 --> 00:25:17,709
segment on because his name is Enrique

505
00:25:23,499 --> 00:25:20,749
Villanova where he is a channel or a

506
00:25:27,310 --> 00:25:23,509
medium and he has talked to aliens and

507
00:25:28,919 --> 00:25:27,320
gives courses on how to commune with the

508
00:25:33,639 --> 00:25:28,929
aliens using meditation and

509
00:25:41,109 --> 00:25:33,649
self-hypnosis doesn't involve giving him

510
00:25:47,169 --> 00:25:41,119
large sums of money in order to buy I

511
00:25:47,560 --> 00:25:47,179
don't know yet I hope I hope I don't

512
00:25:49,989 --> 00:25:47,570
know

513
00:25:52,239 --> 00:25:49,999

I hope hopefully doesn't also involve a

514

00:25:56,589 --> 00:25:52,249

suicide cult like the hale-bopp people

515

00:25:59,079 --> 00:25:56,599

but I want to believe I like the Corey

516

00:26:03,539 --> 00:25:59,089

good stuff and like when he got into the

517

00:26:07,560 --> 00:26:03,549

the blue avians and the higher density

518

00:26:10,060 --> 00:26:07,570

beings that is very interesting

519

00:26:13,509 --> 00:26:10,070

regardless is fantastical and

520

00:26:15,639 --> 00:26:13,519

interesting food for thought I it's hard

521

00:26:18,759 --> 00:26:15,649

to really I mean everyone wants proof

522

00:26:22,749 --> 00:26:18,769

but I mean is testimony proof and when

523

00:26:24,190 --> 00:26:22,759

it comes to something I yeah I don't

524

00:26:26,859 --> 00:26:24,200

know

525

00:26:28,570 --> 00:26:26,869

Oh God what state oh my god Stanton it's

526

00:26:30,609 --> 00:26:28,580

great to hear from you it's been about a

527

00:26:33,279 --> 00:26:30,619

year or so and I'm glad you're still

528

00:26:35,470 --> 00:26:33,289

listening well good you guys lucky

529

00:26:38,229 --> 00:26:35,480

you're pretty much reduce one of my most

530

00:26:43,180 --> 00:26:38,239

favorite podcast oh I'm uh just chill

531

00:26:46,690 --> 00:26:43,190

here hang on there Hillary's up theater

532

00:26:50,529 --> 00:26:46,700

bye we're sending help immediately mrs.

533

00:26:53,279 --> 00:26:50,539

Fletcher don't hang on Cedar Rapids

534

00:26:55,330 --> 00:26:53,289

please no I mean Hillary hasn't left

535

00:26:56,769 --> 00:26:55,340

actually if people want to know what

536

00:26:58,720 --> 00:26:56,779

I've been doing for like last six weeks

537

00:27:03,310 --> 00:26:58,730

I've been playing player and no bounds

538

00:27:06,220 --> 00:27:03,320

yeah we in total war war hammer so climb

539

00:27:08,229 --> 00:27:06,230

even I beginning pretty good at pub G we

540

00:27:09,509 --> 00:27:08,239

will rock I how many have we won

541

00:27:14,349 --> 00:27:09,519

together

542

00:27:16,119 --> 00:27:14,359

pretty goddamn hard considering all

543

00:27:19,149 --> 00:27:16,129

those goddamn shiny hackers down there

544

00:27:20,560 --> 00:27:19,159

goddammit can you talk about that for a

545

00:27:21,820 --> 00:27:20,570

couple of minutes real quick if you want

546

00:27:24,190 --> 00:27:21,830

to because I think it's kind of it's

547

00:27:27,369 --> 00:27:24,200

kind of a big problem goddamn Johnny out

548

00:27:30,669 --> 00:27:27,379

there trying to get my game China yeah

549

00:27:33,119 --> 00:27:30,679

exactly Trump so player unknown

550

00:27:35,889 --> 00:27:33,129

battlegrounds is a very popular online

551
00:27:38,799 --> 00:27:35,899
battle royale game on Steam it's also on

552
00:27:43,090 --> 00:27:38,809
xbox and it's basically you can do 1 vs.

553
00:27:46,899 --> 00:27:43,100
100 or you can do a squad vs. 100 and on

554
00:27:50,859 --> 00:27:46,909
PC they the Chinese have decided to hack

555
00:27:53,529 --> 00:27:50,869
the game so they can have a box so they

556
00:27:56,139 --> 00:27:53,539
don't really have to aim their rifles

557
00:28:00,340 --> 00:27:56,149
too much in order to kill somebody they

558
00:28:02,259 --> 00:28:00,350
also have hacks were multiple different

559
00:28:03,669 --> 00:28:02,269
people like if you're doing one vs. 100

560
00:28:05,649 --> 00:28:03,679
you shouldn't be able to talk to one

561
00:28:07,690 --> 00:28:05,659
another but apparently they're able to

562
00:28:10,359 --> 00:28:07,700
get together 30 to a team and just

563
00:28:12,489 --> 00:28:10,369

dominate the entire server yeah I was

564

00:28:14,349 --> 00:28:12,499

playing on Friday last Friday night I

565

00:28:17,799 --> 00:28:14,359

was doing her just a random match so we

566

00:28:20,649 --> 00:28:17,809

got I was duo so random duo and I got

567

00:28:23,080 --> 00:28:20,659

paired with some guy from China and you

568

00:28:24,399 --> 00:28:23,090

know you spoke English I guess enough we

569

00:28:27,430 --> 00:28:24,409

could understand each other go here go

570

00:28:29,379 --> 00:28:27,440

there and kick marked off a place in the

571

00:28:30,639 --> 00:28:29,389

map and we drove to it and like there

572

00:28:31,810 --> 00:28:30,649

are other teams we didn't I started

573

00:28:34,560 --> 00:28:31,820

shooting at him he told me to stop

574

00:28:37,170 --> 00:28:34,570

shooting at him and we met up with like

575

00:28:38,940 --> 00:28:37,180

ten visit his other Chinese friends or

576

00:28:40,710 --> 00:28:38,950

whoever he is playing with they all got

577

00:28:42,390 --> 00:28:40,720

together like swap [\h__\h] and they all

578

00:28:44,040 --> 00:28:42,400

like picked locations to go to he could

579

00:28:45,510 --> 00:28:44,050

definitely talk to he was talking to me

580

00:28:49,350 --> 00:28:45,520

some because I could hear him talking to

581

00:28:50,880 --> 00:28:49,360

some other people in Chinese and it was

582

00:28:52,530 --> 00:28:50,890

a pretty goddamn interesting because

583

00:28:53,970 --> 00:28:52,540

they all work together and go kill

584

00:28:55,910 --> 00:28:53,980

people and then I guess they draw straws

585

00:28:59,040 --> 00:28:55,920

if they're all left what at the end I

586

00:29:00,810 --> 00:28:59,050

don't know what's fun about it but at

587

00:29:04,950 --> 00:29:00,820

this point I'm convinced that these

588

00:29:07,800 --> 00:29:04,960

Chinese hackers on pub G are part of the

589

00:29:11,190 --> 00:29:07,810

business model for pub G meaning that

590

00:29:12,990 --> 00:29:11,200

they allow hackers come in they'll ban

591

00:29:15,360 --> 00:29:13,000

them and then these hackers are forced

592

00:29:19,200 --> 00:29:15,370

to buy the game again in order to play

593

00:29:21,180 --> 00:29:19,210

and so is a continuous revenue stream of

594

00:29:23,040 --> 00:29:21,190

maybe a thirty thousand to a hundred

595

00:29:25,230 --> 00:29:23,050

thousand dollars a month from Chinese

596

00:29:26,310 --> 00:29:25,240

hackers and so why would people spend

597

00:29:27,900 --> 00:29:26,320

that amount of money over and over again

598

00:29:30,240 --> 00:29:27,910

well if you have to if you hack the game

599

00:29:33,150 --> 00:29:30,250

and you win enough you're able to get

600

00:29:37,320 --> 00:29:33,160

certain items from pub G that you can

601
00:29:40,550 --> 00:29:37,330
then sell on this theme marketplace so

602
00:29:44,480 --> 00:29:40,560
it's a business model where it might be

603
00:29:47,010 --> 00:29:44,490
advantageous for the hackers to spend

604
00:29:49,290 --> 00:29:47,020
fifteen bucks a month to get a new game

605
00:29:52,440 --> 00:29:49,300
if they get banned every month in order

606
00:29:55,230 --> 00:29:52,450
to sell these items online and they'll

607
00:29:57,000 --> 00:29:55,240
make maybe 500 bucks us

608
00:29:59,820 --> 00:29:57,010
because they're able to cheat and like

609
00:30:02,159 --> 00:29:59,830
get a massive amount of points in mass

610
00:30:03,630 --> 00:30:02,169
amount of items every month and then the

611
00:30:06,870 --> 00:30:03,640
gab and buy the game again and do

612
00:30:10,500 --> 00:30:06,880
delivery and and instead of just banning

613
00:30:12,060 --> 00:30:10,510

the region and saying hey if you're in

614

00:30:13,799 --> 00:30:12,070

North America you can only play with

615

00:30:16,820 --> 00:30:13,809

North Americans and if you're in Europe

616

00:30:19,230 --> 00:30:16,830

you play with Europeans no they Lau

617

00:30:21,960 --> 00:30:19,240

worldwide server access no matter where

618

00:30:23,880 --> 00:30:21,970

you are you can you can play only server

619

00:30:25,799 --> 00:30:23,890

as soon as you land everybody just wins

620

00:30:29,100 --> 00:30:25,809

a match yeah everyone the same team

621

00:30:31,889 --> 00:30:29,110

every stacker yeah yeah it's annoying is

622

00:30:35,010 --> 00:30:31,899

it's [h__h] up the game could be so much

623

00:30:36,299 --> 00:30:35,020

better than what it is and it's really

624

00:30:39,389 --> 00:30:36,309

unfortunate because I really enjoy the

625

00:30:43,080 --> 00:30:39,399

game is I mean I haven't been addicted

626
00:30:45,659 --> 00:30:43,090
to a game this long and in quite a while

627
00:30:47,399 --> 00:30:45,669
like yeah that's already pretty this is

628
00:30:51,149 --> 00:30:47,409
a pretty serious addiction yeah I'm like

629
00:30:54,659 --> 00:30:51,159
is it like texted and claw music I want

630
00:30:58,110 --> 00:30:54,669
to get on and play a little bit a men's

631
00:31:00,680 --> 00:30:58,120
do it again there Rafa you keep up geez

632
00:31:02,500 --> 00:31:00,690
like 15 minutes

633
00:31:05,690 --> 00:31:02,510
five minutes right before we realize

634
00:31:24,590 --> 00:31:05,700
we're gonna move on to some time

635
00:31:26,980 --> 00:31:24,600
travelers come on all right

636
00:31:30,660 --> 00:31:26,990
time travelers

637
00:31:34,900 --> 00:31:30,670
there have been

638
00:31:37,630 --> 00:31:34,910

probably around two to three people

639

00:31:40,510 --> 00:31:37,640

claiming to be time travelers on this

640

00:31:44,800 --> 00:31:40,520

one YouTube channel it's gonna get hits

641

00:31:47,800 --> 00:31:44,810

from myself and other conspiracy our

642

00:31:48,580 --> 00:31:47,810

normal podcast but you know let's talk

643

00:31:51,470 --> 00:31:48,590

about it why not

644

00:31:56,120 --> 00:31:51,480

we're here

645

00:31:58,790 --> 00:31:56,130

we're queer

646

00:32:01,670 --> 00:31:58,800

we're gonna talk about time travel it's

647

00:32:06,220 --> 00:32:01,680

the way it is so here's the first one

648

00:32:09,090 --> 00:32:06,230

that I will I'll bring up this is uh

649

00:32:14,280 --> 00:32:09,100

idle time traveler took this picture in

650

00:32:20,340 --> 00:32:16,590

I don't want to laugh but I can't help

651
00:32:26,540 --> 00:32:23,730
I'll play this on my side so you

652
00:32:29,750 --> 00:32:26,550
actually be able to hear the audience

653
00:32:31,910 --> 00:32:29,760
right now you wanna

654
00:32:34,530 --> 00:32:31,920
but

655
00:32:37,230 --> 00:32:34,540
look I love the idea Tran time-travel

656
00:32:40,169 --> 00:32:37,240
obviously

657
00:32:41,240 --> 00:32:40,179
we talked about so often but to think

658
00:32:43,430 --> 00:32:41,250
that

659
00:32:48,010 --> 00:32:43,440
[Music]

660
00:32:52,270 --> 00:32:50,290
all the time travelers is ridiculous to

661
00:32:54,250 --> 00:32:52,280
think but I'll play this and you'll

662
00:32:57,460 --> 00:32:54,260
you'll notice a theme as I plea play

663
00:32:59,410 --> 00:32:57,470

each one of these about something's

664

00:33:11,320 --> 00:32:59,420

going on here no no something so you're

665

00:33:14,260 --> 00:33:11,330

here's the first one this man claims he

666

00:33:16,540 --> 00:33:14,270

has been to the Year 6,000 we sat down

667

00:33:18,970 --> 00:33:16,550

for an interview in an undisclosed

668

00:33:21,250 --> 00:33:18,980

location as he told us his story he

669

00:33:23,650 --> 00:33:21,260

claims to have brought back an actual

670

00:33:26,860 --> 00:33:23,660

picture from the future watch this and

671

00:33:28,840 --> 00:33:26,870

decide for yourself I won't and

672

00:33:38,410 --> 00:33:28,850

everybody else who's watching this video

673

00:33:46,000 --> 00:33:38,420

right now sounds like the The

674

00:33:58,139 --> 00:33:46,010

Whistleblower is over a big big giant I

675

00:34:00,299 --> 00:33:58,149

feel like a big all right yeah

676
00:34:05,669 --> 00:34:00,309
however I can assure you that what I am

677
00:34:09,210 --> 00:34:05,679
saying is true don't [h__\h] is not my

678
00:34:10,739 --> 00:34:09,220
intention to deceive anybody I simply

679
00:34:12,749 --> 00:34:10,749
want to spread the message about the

680
00:34:15,029 --> 00:34:12,759
theaters command again is where the

681
00:34:23,540 --> 00:34:15,039
world is headed okay it may be asking

682
00:34:27,410 --> 00:34:26,030
I was part of a top-secret program to

683
00:34:32,720 --> 00:34:27,420
send people four at a time

684
00:34:35,210 --> 00:34:32,730
now this was in the 1990s I was selected

685
00:34:38,240 --> 00:34:35,220
to be above one of the tests members of

686
00:34:40,160 --> 00:34:38,250
the program on a dirtiest secret time

687
00:34:42,260 --> 00:34:40,170
travel technology that is being hidden

688
00:34:44,270 --> 00:34:42,270

from you at this very moment where's

689

00:34:46,970 --> 00:34:44,280

your [h__h] boss are many technologies

690

00:34:50,860 --> 00:34:46,980

in fact that the public like yield

691

00:34:55,070 --> 00:34:50,870

watching this video has no clue about

692

00:34:58,490 --> 00:34:55,080

why I wish to change that I wish to make

693

00:35:00,080 --> 00:34:58,500

it so everybody out there knows this

694

00:35:02,420 --> 00:35:00,090

guy's is [h__h] he is that he's not

695

00:35:05,300 --> 00:35:02,430

getting to the [h__h] point on this

696

00:35:08,690 --> 00:35:05,310

stuff like look I went to the year 6,000

697

00:35:11,330 --> 00:35:08,700

they have flying cars finally finally we

698

00:35:14,750 --> 00:35:11,340

have flying cars and by the way the fax

699

00:35:18,860 --> 00:35:14,760

machine is big again people love fax

700

00:35:23,440 --> 00:35:21,110

fast forward I'll fast forward two

701
00:35:26,480 --> 00:35:23,450
minutes six the see if he says anything

702
00:35:28,460 --> 00:35:26,490
relevant to year 6,000 dogs and cats

703
00:35:30,950 --> 00:35:28,470
sending them through time so they would

704
00:35:32,750 --> 00:35:30,960
appear in random places but eventually

705
00:35:35,210 --> 00:35:32,760
he got perfected to the point where we

706
00:35:37,490 --> 00:35:35,220
can send humans into time and there are

707
00:35:42,010 --> 00:35:37,500
actually plans about releasing time

708
00:35:45,040 --> 00:35:42,020
travel to the public in the year 2028

709
00:35:46,240 --> 00:35:45,050
now I am aware that in your time there

710
00:35:49,210 --> 00:35:46,250
are a lot of predictions about

711
00:35:52,720 --> 00:35:49,220
artificial intelligence yes many of them

712
00:35:54,640 --> 00:35:52,730
being bad yes now we have actually been

713
00:35:57,340 --> 00:35:54,650

able to contain me unofficially to

714

00:35:59,410 --> 00:35:57,350

intelligence to a degree that it has not

715

00:36:03,010 --> 00:35:59,420

taken over humans how did you get this

716

00:36:04,750 --> 00:36:03,020

give me your 6000 artificial

717

00:36:09,670 --> 00:36:04,760

intelligence and humans are in the

718

00:36:12,190 --> 00:36:09,680

process of merging into one it took that

719

00:36:15,040 --> 00:36:12,200

long six thousand years success I mean I

720

00:36:18,310 --> 00:36:15,050

mean people are predicting like some

721

00:36:19,570 --> 00:36:18,320

kind of like AI singularity within the

722

00:36:30,130 --> 00:36:19,580

next 50 years

723

00:36:32,500 --> 00:36:30,140

why 6000 all right okay good I think it

724

00:36:34,720 --> 00:36:32,510

was a blur he's good to see you jerked

725

00:36:50,910 --> 00:36:34,730

off somewhere it happened boss I pumped

726

00:37:18,849 --> 00:37:17,440

crying - love he says his name today he

727

00:37:21,400 --> 00:37:18,859

said he's gonna expose his family

728

00:37:23,890 --> 00:37:21,410

somehow because he was sent from I guess

729

00:37:26,170 --> 00:37:23,900

recent 4000 years in the future I guess

730

00:37:28,180 --> 00:37:26,180

wasn't matter he's dead I don't want to

731

00:37:31,060 --> 00:37:28,190

Doc's him 4000 years you could [h__h] him

732

00:37:32,970 --> 00:37:31,070

over oh yeah

733

00:37:38,820 --> 00:37:32,980

your 6000

734

00:37:40,530 --> 00:37:38,830

in a wave the future is like a utopia so

735

00:37:43,980 --> 00:37:40,540

I know he's in a good place but sadly

736

00:37:48,210 --> 00:37:43,990

when we attempted to travel back you

737

00:37:54,990 --> 00:37:48,220

weren't able to and my friend he's not

738

00:38:02,600 --> 00:37:55,000

there I just wish to see him one more

739

00:38:11,820 --> 00:38:05,190

alright alright finish clip please

740

00:38:13,800 --> 00:38:11,830

alright well fish all right well so this

741

00:38:16,580 --> 00:38:13,810

is one time traveler who went to the

742

00:38:22,020 --> 00:38:16,590

year 6,000

743

00:38:27,180 --> 00:38:22,030

okay and there is another time traveler

744

00:38:31,880 --> 00:38:27,190

that mission there's there's a lot of

745

00:38:38,849 --> 00:38:34,279

on screen so everyone can see it please

746

00:38:38,859 --> 00:38:44,410

this all comes from Apex TV

747

00:38:49,900 --> 00:38:47,380

I well this this this person time travel

748

00:38:54,220 --> 00:38:49,910

brought this technology back from the

749

00:38:56,890 --> 00:38:54,230

year thirty seven eighty and I'll play

750

00:38:58,680 --> 00:38:56,900

this for you right now and you'll be

751

00:39:01,440 --> 00:38:58,690

able to hear this

752

00:39:05,519 --> 00:39:01,450

the main purpose of our operation was to

753

00:39:09,240 --> 00:39:05,529

go to the 37:18 this woman claims she

754

00:39:09,660 --> 00:39:09,250

has been to the year 37 80 so you hear

755

00:39:11,370 --> 00:39:09,670

that

756

00:39:15,900 --> 00:39:11,380

okay I'm gonna I'll go back then I'll go

757

00:39:18,809 --> 00:39:15,910

back to the other one that is too

758

00:39:23,670 --> 00:39:18,819

goddamn intro that really infuriates me

759

00:39:25,380 --> 00:39:23,680

he's like this person believes so I'm

760

00:39:27,150 --> 00:39:25,390

gonna link and I'll put I'll play I'll

761

00:39:30,010 --> 00:39:27,160

paces up there so everyone can hear this

762

00:39:39,490 --> 00:39:34,270

I can kill you the photograph here you

763

00:39:43,800 --> 00:39:39,500

go and then you listen to the job this

764

00:39:52,990 --> 00:39:43,810

man claims he has been to the Year 6,000

765

00:39:57,760 --> 00:39:53,000

and then we go back to this one this

766

00:40:00,670 --> 00:39:57,770

woman claims she has been and then

767

00:40:05,560 --> 00:40:00,680

there's actually a third one listen

768

00:40:13,690 --> 00:40:05,570

listen to this this is another one at a

769

00:40:20,760 --> 00:40:16,830

this woman claims to be from the year

770

00:40:24,990 --> 00:40:22,380

you only have the one production company

771

00:40:30,510 --> 00:40:25,000

in the only the only bought the right

772

00:40:34,730 --> 00:40:30,520

still one piece of music to use under as

773

00:40:37,110 --> 00:40:34,740

a music bed Bob I'll play the side

774

00:40:40,560 --> 00:40:37,120

engineering I want to hear with us the

775

00:40:42,240 --> 00:40:40,570

woman from 3780 has to say Vinay T we

776

00:40:44,820 --> 00:40:42,250

sat down for an interview in an

777

00:40:47,340 --> 00:40:44,830

undisclosed location she told us her

778

00:40:51,360 --> 00:40:47,350

story she claims to have brought back

779

00:40:52,940 --> 00:40:51,370

actual technology from the future for

780

00:40:56,120 --> 00:40:52,950

yourself

781

00:40:59,780 --> 00:40:56,130

hello everybody miss Clara I

782

00:41:02,350 --> 00:40:59,790

I cannot say from what Kyle Kyle because

783

00:41:05,210 --> 00:41:02,360

it can cause serious problem thing I

784

00:41:08,390 --> 00:41:05,220

want to talk about events which happened

785

00:41:11,480 --> 00:41:08,400

in 2000 year okay I was serving in two

786

00:41:13,510 --> 00:41:11,490

only and my only goal was to build my

787

00:41:16,120 --> 00:41:13,520

own carrier

788

00:41:18,609 --> 00:41:16,130

my story is related to traveling in time

789

00:41:22,000 --> 00:41:18,619

it will seem to you that this is a

790

00:41:24,150 --> 00:41:22,010

fantasy but I assure you that it's

791

00:41:28,620 --> 00:41:24,160

already a technology used for military

792

00:41:32,800 --> 00:41:28,630

searches nowadays perhaps it will be

793

00:41:34,060 --> 00:41:32,810

difficult now to realize what I'm

794

00:41:37,480 --> 00:41:34,070

talking about

795

00:41:40,120 --> 00:41:37,490

but try to understand imagine at the

796

00:41:45,580 --> 00:41:40,130

time is a measurement such as height

797

00:41:49,450 --> 00:41:45,590

length or this it is very simple okay

798

00:41:52,900 --> 00:41:49,460

now I don't know what's going on here

799

00:41:56,430 --> 00:41:52,910

this one YouTube channel has three

800

00:41:58,810 --> 00:41:56,440

different time traveller videos that

801
00:42:00,040 --> 00:41:58,820
I've come out and there's actually

802
00:42:03,910 --> 00:42:00,050
another one that's popped up here time

803
00:42:07,420 --> 00:42:03,920
traveller says he has been in the year

804
00:42:09,010 --> 00:42:07,430
nine thousand four hundred and twenty

805
00:42:11,010 --> 00:42:09,020
eight speaks out this also comes from

806
00:42:16,210 --> 00:42:11,020
apex TV I should prior listen to this

807
00:42:19,359 --> 00:42:16,220
decided cool sentimental to for 28 years

808
00:42:23,160 --> 00:42:19,369
this man claims he has been to the year

809
00:42:29,400 --> 00:42:27,150
um so I don't like this on the surface

810
00:42:34,980 --> 00:42:29,410
of it obviously there's just too much

811
00:42:42,240 --> 00:42:37,829
but here's my problem is that there are

812
00:42:44,520 --> 00:42:42,250
CIA documents about time travel and this

813
00:42:47,790 --> 00:42:44,530

comes from CIA gov

814

00:42:49,740 --> 00:42:47,800

yeah gov library I'll put this up on

815

00:42:52,829 --> 00:42:49,750

screen we're gonna take a look at this

816

00:42:54,710 --> 00:42:52,839

page 14 is my favorite page and lovely

817

00:42:57,050 --> 00:42:54,720

14

818

00:42:59,720 --> 00:42:57,060

and I'll scroll down so this whole

819

00:43:02,210 --> 00:42:59,730

document analysis the assessment of

820

00:43:04,520 --> 00:43:02,220

Gateway process this is about remote

821

00:43:07,400 --> 00:43:04,530

viewing as projection the mind

822

00:43:09,589 --> 00:43:07,410

consciousness cosmic consciousness and

823

00:43:11,240 --> 00:43:09,599

all that kind of stuff and you can go

824

00:43:14,060 --> 00:43:11,250

take a look at this and then I you can

825

00:43:15,650 --> 00:43:14,070

scroll all the way down you can I'm

826
00:43:17,060 --> 00:43:15,660
actually over going I'm gonna go back

827
00:43:20,210 --> 00:43:17,070
and read this entire document but I

828
00:43:22,570 --> 00:43:20,220
scanned there a little bit of it and

829
00:43:26,930 --> 00:43:22,580
there is

830
00:43:28,630 --> 00:43:26,940
the consciousness matrix

831
00:43:31,060 --> 00:43:28,640
and there is

832
00:43:34,810 --> 00:43:31,070
[Music]

833
00:43:37,370 --> 00:43:34,820
14 right here it says the brain phase

834
00:43:39,300 --> 00:43:37,380
there is some interesting stuff that

835
00:43:44,680 --> 00:43:39,310
goes on here

836
00:43:46,980 --> 00:43:44,690
and it actually goes into time travel

837
00:43:51,509 --> 00:43:46,990
through the mind you

838
00:43:51,519 --> 00:43:54,580

it says it

839

00:44:03,060 --> 00:43:58,210

right here under with the section G

840

00:44:14,320 --> 00:44:06,040

missing my section G

841

00:44:18,930 --> 00:44:16,420

where is that at you don't look at claw

842

00:44:27,610 --> 00:44:21,120

[Music]

843

00:44:35,390 --> 00:44:31,190

I'll give this entire PDF going

844

00:44:35,400 --> 00:44:39,460

it's done

845

00:44:39,470 --> 00:44:44,790

there we go very good okay

846

00:44:52,400 --> 00:44:47,170

bring

847

00:45:02,960 --> 00:44:56,570

a way method yeah advance

848

00:45:12,440 --> 00:45:08,270

- time travel is that the missus section

849

00:45:14,600 --> 00:45:12,450

G focus 15 is focused 15 is a very

850

00:45:17,480 --> 00:45:14,610

advanced date and is extremely difficult

851
00:45:20,570 --> 00:45:17,490
to achieve probably less than 5% of all

852
00:45:23,360 --> 00:45:20,580
participants in his program and any

853
00:45:26,000 --> 00:45:23,370
given gateway experience actually fully

854
00:45:28,940 --> 00:45:26,010
achieved focus 15 state during the

855
00:45:32,630 --> 00:45:28,950
course of the approximately seven days

856
00:45:35,330 --> 00:45:32,640
of train nonetheless Monroe Institute

857
00:45:37,820 --> 00:45:35,340
trainers affirm that with enough

858
00:45:40,580 --> 00:45:37,830
practice eventually focus 15 can be

859
00:45:42,740 --> 00:45:40,590
achieved they also state that not only

860
00:45:46,610 --> 00:45:42,750
the individuals past history is

861
00:45:50,090 --> 00:45:46,620
available for examination my one who has

862
00:45:53,030 --> 00:45:50,100
achieved focus 15 but other aspects of

863
00:45:56,180 --> 00:45:53,040

the past with which the individual

864

00:46:00,140 --> 00:45:56,190

himself has had no connection may be

865

00:46:03,530 --> 00:46:00,150

accessed so they're saying if you get

866

00:46:04,580 --> 00:46:03,540

something out of Scientology a little

867

00:46:06,530 --> 00:46:04,590

bit yeah I have it up on screen now

868

00:46:07,880 --> 00:46:06,540

focus 15 so a little bit of astral

869

00:46:10,490 --> 00:46:07,890

projection a little bit of remote

870

00:46:13,310 --> 00:46:10,500

viewing accessing different aspects of

871

00:46:17,270 --> 00:46:13,320

the mind through out-of-body experiences

872

00:46:18,500 --> 00:46:17,280

you could access to the past what what

873

00:46:22,490 --> 00:46:18,510

is kind of like disturbing when you put

874

00:46:25,910 --> 00:46:22,500

out like weird stuff like this a time

875

00:46:28,640 --> 00:46:25,920

traveler [h__h] on YouTube are they

876

00:46:31,460 --> 00:46:28,650

real I don't if your time traveler [h__h]

877

00:46:35,120 --> 00:46:31,470

I'm gonna like show my face all these

878

00:46:36,890 --> 00:46:35,130

people's faces are blurred like how much

879

00:46:38,570 --> 00:46:36,900

are you I mean why do you care if you're

880

00:46:41,690 --> 00:46:38,580

gonna disrupt a timeline when there's

881

00:46:44,090 --> 00:46:41,700

multiple timelines are there only one

882

00:46:45,590 --> 00:46:44,100

timeline I haven't talked are these guys

883

00:46:47,630 --> 00:46:45,600

even stating that there's only one

884

00:46:52,880 --> 00:46:47,640

timeline this [h__h] crying on a

885

00:46:56,280 --> 00:46:52,890

bench in the snow in a different way

886

00:46:59,130 --> 00:46:56,290

these computers are no smaller than

887

00:47:00,810 --> 00:46:59,140

Adams themselves were able shrink

888

00:47:03,990 --> 00:47:00,820

computers down to that size in which we

889

00:47:06,120 --> 00:47:04,000

upload our brains so space and why does

890

00:47:08,430 --> 00:47:06,130

this guy even give a [h__\h] this guy

891

00:47:10,670 --> 00:47:08,440

should be so enlightened like I'm gonna

892

00:47:14,340 --> 00:47:10,680

come back I'm not gonna blur my face

893

00:47:16,890 --> 00:47:14,350

here is the future I'm gonna own up to

894

00:47:18,570 --> 00:47:16,900

it and us as humans should want to

895

00:47:20,130 --> 00:47:18,580

achieve it here's the better future

896

00:47:21,990 --> 00:47:20,140

here's the better way to expand your

897

00:47:24,600 --> 00:47:22,000

consciousness but no this guy's sitting

898

00:47:26,820 --> 00:47:24,610

on some park bench in the snow with

899

00:47:28,420 --> 00:47:26,830

gloves on and his face is blurred

900

00:47:31,859 --> 00:47:28,430

[Music]

901
00:47:34,480 --> 00:47:31,869
and obviously this apex TV it has

902
00:47:39,830 --> 00:47:34,490
300,000 subscribers and it's putting out

903
00:47:43,940 --> 00:47:42,320
it's all this is nothing it's not this

904
00:47:45,560 --> 00:47:43,950
info for that like the government put it

905
00:47:49,070 --> 00:47:45,570
out it's just they're trying to get hits

906
00:47:55,880 --> 00:47:49,080
to do get [h__\h] ad revenue you piece

907
00:47:57,260 --> 00:47:55,890
of [h__\h] there yeah please God put the

908
00:47:58,610 --> 00:47:57,270
phone lines back up I'm gonna get out of

909
00:48:02,780 --> 00:47:58,620
here I'm getting angry yet these time

910
00:48:07,190 --> 00:48:05,210
you don't have any goals kicker [h__\h]

911
00:48:09,470 --> 00:48:07,200
Time Traveller's kick their ass and send

912
00:48:11,840 --> 00:48:09,480
him back future I believe these CIA Govs

913
00:48:14,540 --> 00:48:11,850

that these [h__\h] in the CIA did

914

00:48:17,060 --> 00:48:14,550

the mind experiments with astral

915

00:48:19,940 --> 00:48:17,070

projection and hypnosis and remote

916

00:48:21,830 --> 00:48:19,950

viewing I believe that I'm into that

917

00:48:25,430 --> 00:48:21,840

that makes more sense I I don't know

918

00:48:31,550 --> 00:48:25,440

about project Pegasus that that that we

919

00:48:34,050 --> 00:48:31,560

talked about on the show not a you're an

920

00:48:40,750 --> 00:48:37,280

what's up bill hey doing hey nobody a

921

00:48:45,760 --> 00:48:40,760

long time baby

922

00:48:50,140 --> 00:48:45,770

yeah come on babies here bills here to

923

00:48:53,890 --> 00:48:50,150

keep it real playing pub G yeah and the

924

00:48:57,330 --> 00:48:53,900

other calls got the wait did you end up

925

00:49:01,780 --> 00:48:57,340

getting some [h__\h] from plenty of fish

926
00:49:07,000 --> 00:49:01,790
now I'm getting lead and that's why you

927
00:49:11,290 --> 00:49:07,010
weren't coming on I wish if it was only

928
00:49:15,920 --> 00:49:11,300
that easy did you end up trying my you

929
00:49:19,490 --> 00:49:17,780
now I just kind of moved on from plenty

930
00:49:26,480 --> 00:49:19,500
of fishing with diminished comm see how

931
00:49:30,830 --> 00:49:26,490
that'll work out so I'm calling about

932
00:49:32,570 --> 00:49:30,840
your time traveler stuff yeah did you

933
00:49:35,240 --> 00:49:32,580
ever get the thing I send you about this

934
00:49:38,450 --> 00:49:35,250
the fine guy yeah I did and that's gonna

935
00:49:41,020 --> 00:49:38,460
be on the next obedient podcast oh cool

936
00:49:43,190 --> 00:49:41,030
yeah because he's totally unguessed

937
00:49:46,310 --> 00:49:43,200
what's his name the guys that you like

938
00:49:49,190 --> 00:49:46,320

the Corey good and his other buddies

939

00:49:51,140 --> 00:49:49,200

there yeah David Wilcock I mean I don't

940

00:49:52,640 --> 00:49:51,150

know if I like him I indulge him I'm not

941

00:49:56,210 --> 00:49:52,650

like friends with them I don't know them

942

00:49:59,500 --> 00:49:56,220

I don't know you're kind of saying how

943

00:50:02,360 --> 00:49:59,510

much you dig his stuff earlier like oh

944

00:50:03,470 --> 00:50:02,370

by lucky I'd like I want to believe it

945

00:50:06,530 --> 00:50:03,480

oh yeah of course

946

00:50:08,720 --> 00:50:06,540

but I've also I've also said that it's

947

00:50:10,190 --> 00:50:08,730

very hard to prove I like these stories

948

00:50:14,330 --> 00:50:10,200

this great food for thought

949

00:50:16,010 --> 00:50:14,340

but you know as a general the general

950

00:50:20,430 --> 00:50:16,020

public goes they're gonna want more than

951
00:50:20,440 --> 00:50:26,950
we still don't ITER John Titor

952
00:50:32,020 --> 00:50:30,370
Keter that's a bigger topic because well

953
00:50:34,180 --> 00:50:32,030
nuclear war she already started right

954
00:50:35,170 --> 00:50:34,190
according to John here nuclear war

955
00:50:38,339 --> 00:50:35,180
should have started and there should

956
00:50:40,990 --> 00:50:38,349
have been a race war about ten years ago

957
00:50:42,280 --> 00:50:41,000
he said that the hamburgers are gonna be

958
00:50:44,890 --> 00:50:42,290
ten dollars by now

959
00:50:47,980 --> 00:50:44,900
that's the own star and he also said

960
00:50:52,870 --> 00:50:47,990
that in mention 9/11 at all in his uh

961
00:50:56,760 --> 00:50:52,880
his thing so I think him and I think all

962
00:51:00,640 --> 00:50:56,770
these timetraveler guys are lying yeah

963
00:51:02,560 --> 00:51:00,650

okay so like schizophrenia kind of thing

964

00:51:03,820 --> 00:51:02,570

I'm kind of like those people that used

965

00:51:05,050 --> 00:51:03,830

to go on Howard Stern

966

00:51:08,050 --> 00:51:05,060

yeah and they used to say they were

967

00:51:10,180 --> 00:51:08,060

Jesus yeah and they put all the cheese's

968

00:51:13,870 --> 00:51:10,190

in one room one room and ask some

969

00:51:16,240 --> 00:51:13,880

questions yeah I mean there's people do

970

00:51:19,060 --> 00:51:16,250

weird [h__h] for attention all the time

971

00:51:20,740 --> 00:51:19,070

hence this podcast I mean we do weird

972

00:51:22,839 --> 00:51:20,750

[h__h] but I'm not claiming to be a time

973

00:51:25,870 --> 00:51:22,849

traveler and we don't do that kind of

974

00:51:28,030 --> 00:51:25,880

stuff for hits on YouTube which is what

975

00:51:30,010 --> 00:51:28,040

I think that this channel is doing

976
00:51:31,510 --> 00:51:30,020
they're just telling hey mom pretend

977
00:51:33,940 --> 00:51:31,520
you're time forever thank you we get the

978
00:51:35,410 --> 00:51:33,950
uncle uncle Frederico to pretend he's a

979
00:51:37,329 --> 00:51:35,420
time traveler we'll get some his and you

980
00:51:38,770 --> 00:51:37,339
know get some ad revenue going that's

981
00:51:40,589 --> 00:51:38,780
what it's going they're monetizing this

982
00:51:44,069 --> 00:51:40,599
[h__\h] now

983
00:51:46,890 --> 00:51:44,079
yeah big-time yeah I want to believe in

984
00:51:49,349 --> 00:51:46,900
time travelers bill me too but I think

985
00:51:51,900 --> 00:51:49,359
it's just you know you have some regret

986
00:51:53,789 --> 00:51:51,910
in life and you Austin go after you have

987
00:51:55,939 --> 00:51:53,799
a time machine and go back in time and

988
00:51:58,859 --> 00:51:55,949

[\h__\h] that girl I should have [\h__\h]

989

00:52:01,319 --> 00:51:58,869

everyone I ran into a lot of people's

990

00:52:02,969 --> 00:52:01,329

they might be what I use it my people

991

00:52:04,859 --> 00:52:02,979

who say Mike if I had a time machine I'd

992

00:52:07,769 --> 00:52:04,869

go back in time and I [\h__\h] myself

993

00:52:09,329 --> 00:52:07,779

because that's not gay because you mean

994

00:52:11,159 --> 00:52:09,339

this is masturbation at that point if I

995

00:52:14,130 --> 00:52:11,169

go back in time and pound my own PUD is

996

00:52:16,319 --> 00:52:14,140

that gay no there was that book The Time

997

00:52:18,390 --> 00:52:16,329

Traveller's wife or husband or something

998

00:52:20,819 --> 00:52:18,400

like that where the guy was at time

999

00:52:25,319 --> 00:52:20,829

Trevor and he did they [\h__\h] himself

1000

00:52:29,819 --> 00:52:25,329

yeah I mean look it's a single book for

1001
00:52:31,259 --> 00:52:29,829
sure handle my own stink well I mean

1002
00:52:34,859 --> 00:52:31,269
we're not asking you to do anything

1003
00:52:44,849 --> 00:52:34,869
weird go back in time and pound your own

1004
00:52:47,279 --> 00:52:44,859
PUD for the continuum that meets you

1005
00:52:50,249 --> 00:52:47,289
know a time traveler I have to do is

1006
00:52:51,870 --> 00:52:50,259
masturbating honking I'll sign I'll be

1007
00:52:56,249 --> 00:52:51,880
appearing in the future and I'll be able

1008
00:52:58,979 --> 00:52:56,259
to get to my hoverboard on you know all

1009
00:53:01,130 --> 00:52:58,989
this [h__\h] that I do we'll see the word I

1010
00:53:04,380 --> 00:53:01,140
get yeah I guess you don't have to bend

1011
00:53:05,969 --> 00:53:04,390
be the time continuum to sound off if

1012
00:53:07,140 --> 00:53:05,979
you want you can do that right now but I

1013
00:53:11,339 --> 00:53:07,150

mean it's always nice to have a helping

1014

00:53:13,409 --> 00:53:11,349

hand isn't it no sometimes it's not

1015

00:53:15,569 --> 00:53:13,419

sometimes you get the hand in there and

1016

00:53:17,339 --> 00:53:15,579

if in their hand gets in the way and you

1017

00:53:19,799 --> 00:53:17,349

have a rigid the rhythm and I will

1018

00:53:21,630 --> 00:53:19,809

sudden they kind of put the brakes on

1019

00:53:26,009 --> 00:53:21,640

your dick you know sudden you're like oh

1020

00:53:28,270 --> 00:53:26,019

I'm cotton and hurts your your your PUD

1021

00:53:31,840 --> 00:53:28,280

there

1022

00:53:33,460 --> 00:53:31,850

yeah yes yes

1023

00:53:35,560 --> 00:53:33,470

all right bill you got anything else for

1024

00:53:38,320 --> 00:53:35,570

us we were gonna move on

1025

00:53:40,660 --> 00:53:38,330

night night talk is winding up pal night

1026
00:53:43,810 --> 00:53:40,670
talking Wanda now disappointed that the

1027
00:53:46,090 --> 00:53:43,820
clown baby didn't have some [h__h] tails

1028
00:53:48,520 --> 00:53:46,100
you know did he have any [h__h] stories

1029
00:53:52,930 --> 00:53:48,530
at all like he went in at on a date and

1030
00:53:56,590 --> 00:53:52,940
this is misshapen yeah I I went on one

1031
00:54:00,550 --> 00:53:56,600
day it was if in so far as date Goodwin

1032
00:54:02,170 --> 00:54:00,560
it wasn't bad but she's not it's not

1033
00:54:05,590 --> 00:54:02,180
nothing's happened in there nothing

1034
00:54:10,000 --> 00:54:05,600
worth not the right homes not nothing

1035
00:54:12,010 --> 00:54:10,010
worth pursuing yeah so did you get the

1036
00:54:17,290 --> 00:54:12,020
stick your finger there in there and see

1037
00:54:22,330 --> 00:54:17,300
what was going on or what no no no first

1038
00:54:25,510 --> 00:54:22,340

base action oh you go strengthen it get

1039

00:54:28,270 --> 00:54:25,520

some kind of chicken there tunas news no

1040

00:54:32,290 --> 00:54:28,280

no I definitely didn't like [h__\h] the

1041

00:54:33,970 --> 00:54:32,300

bathroom or anything well when you get

1042

00:54:36,370 --> 00:54:33,980

back on the saddle and you're gonna try

1043

00:54:40,420 --> 00:54:36,380

it again for the muff you give me a call

1044

00:54:41,710 --> 00:54:40,430

and I'll call you immediately hey we're

1045

00:54:44,200 --> 00:54:41,720

back at her place what do I do

1046

00:54:47,170 --> 00:54:44,210

what are the do I sniff coke off her

1047

00:54:57,460 --> 00:54:47,180

breasts or a ass what do I do it's just

1048

00:55:03,010 --> 00:54:57,470

it's just all right buddy say something

1049

00:55:06,850 --> 00:55:03,020

but not anymore is a it's great Cohen on

1050

00:55:08,680 --> 00:55:06,860

vacation yeah and we'll take one more

1051
00:55:10,270 --> 00:55:08,690
call before we get out of here night

1052
00:55:13,030 --> 00:55:10,280
talk is winding down we did a lot of

1053
00:55:15,730 --> 00:55:13,040
time traveler stuff the CIA is all on

1054
00:55:18,430 --> 00:55:15,740
board on board in bored with time

1055
00:55:21,430 --> 00:55:18,440
trouble using the mind there are

1056
00:55:23,770 --> 00:55:21,440
documents they they love this stuff the

1057
00:55:26,170 --> 00:55:23,780
role of Ari and sleep this off I'm up on

1058
00:55:30,490 --> 00:55:26,180
the board right now but these time

1059
00:55:33,460 --> 00:55:30,500
travelers on YouTube come on and this is

1060
00:55:35,890 --> 00:55:33,470
[h__\h] I mean the guy the guy that I

1061
00:55:38,710 --> 00:55:35,900
showed the one time traveler who's in

1062
00:55:40,980 --> 00:55:38,720
the snow like he holds up a picture from

1063
00:55:44,620 --> 00:55:40,990

the year 6000 they blur out the picture

1064

00:55:45,520 --> 00:55:44,630

like why what does it [h__h] matter if

1065

00:55:47,860 --> 00:55:45,530

I see a picture

1066

00:55:49,450 --> 00:55:47,870

thousand here from the future is this

1067

00:55:51,070 --> 00:55:49,460

picture we can't show it to you so it

1068

00:55:52,210 --> 00:55:51,080

might as well be nothing yeah might as

1069

00:55:55,390 --> 00:55:52,220

well be picture of [h__h] Bigfoot

1070

00:55:58,270 --> 00:55:55,400

[h__h] it doesn't show me a picture from

1071

00:56:03,580 --> 00:55:58,280

the year 3000 show me a picture from

1072

00:56:06,970 --> 00:56:03,590

tomorrow caller go ahead hey buddy

1073

00:56:09,880 --> 00:56:06,980

what's up hey what's up guys God if you

1074

00:56:14,640 --> 00:56:09,890

go in time where would you go

1075

00:56:18,930 --> 00:56:14,650

oh I would go I would go to the Old West

1076

00:56:21,839 --> 00:56:18,940

hmm but Marty McFly yes

1077

00:56:24,110 --> 00:56:21,849

I just want to go like be like an outlaw

1078

00:56:25,700 --> 00:56:24,120

you know

1079

00:56:27,110 --> 00:56:25,710

I think that'd be cool you could do you

1080

00:56:32,120 --> 00:56:27,120

could mean that wall right now in this

1081

00:56:35,660 --> 00:56:32,130

decade yeah but if we can go rob a bank

1082

00:56:38,660 --> 00:56:35,670

let's go rob back tomorrow come on the

1083

00:56:41,360 --> 00:56:38,670

age we live in we all checked I'm

1084

00:56:42,890 --> 00:56:41,370

talking to the OBD guys yeah we're gonna

1085

00:56:50,480 --> 00:56:42,900

go we're gonna put our fitbit's and go

1086

00:56:52,730 --> 00:56:50,490

rob a bank baby yeah I'm back for for

1087

00:56:56,390 --> 00:56:52,740

sure I guess yeah these do some night

1088

00:56:58,790 --> 00:56:56,400

talk oh I've never I've never called in

1089

00:57:02,960 --> 00:56:58,800

while found baby was on the show really

1090

00:57:04,700 --> 00:57:02,970

I don't think yeah I've never called in

1091

00:57:08,030 --> 00:57:04,710

well while I was on the show before so

1092

00:57:12,640 --> 00:57:08,040

okay hello do you have anything to say

1093

00:57:21,220 --> 00:57:15,890

what are you drinking hmm right now

1094

00:57:23,470 --> 00:57:21,230

water that's it you

1095

00:57:28,039 --> 00:57:23,480

I mean which boys get up tomorrow yeah

1096

00:57:31,910 --> 00:57:30,229

no maybe if we do a video for actually

1097

00:57:32,630 --> 00:57:31,920

if you want to stream our next pub G

1098

00:57:36,049 --> 00:57:32,640

whenever that is

1099

00:57:37,160 --> 00:57:36,059

yeah I get some whiskey yeah probably in

1100

00:57:38,660 --> 00:57:37,170

the weekend we're gonna start stream

1101
00:57:41,150 --> 00:57:38,670
some games and taking phone calls while

1102
00:57:42,620 --> 00:57:41,160
you play but yeah right I mean you know

1103
00:57:43,880 --> 00:57:42,630
it's pretty tame tonight so it's a money

1104
00:57:48,430 --> 00:57:43,890
and I would just a little bit of a night

1105
00:57:53,710 --> 00:57:51,999
you're gonna get is that your uh your

1106
00:57:56,380 --> 00:57:53,720
your girlfriend a wife next to you that

1107
00:58:00,400 --> 00:57:56,390
this moaning into the phone yes that's

1108
00:58:01,989 --> 00:58:00,410
my wife yeah yeah yeah she has the alien

1109
00:58:04,809 --> 00:58:01,999
implant we need to get we need to get to

1110
00:58:09,809 --> 00:58:04,819
we need to have a whole segment about

1111
00:58:12,130 --> 00:58:09,819
you guys no no we do have it removed

1112
00:58:12,819 --> 00:58:12,140
remote oh yeah removed yeah of course

1113
00:58:16,359 --> 00:58:12,829

yeah yeah

1114

00:58:19,479 --> 00:58:16,369

aliens oh yeah that actually does upset

1115

00:58:20,979 --> 00:58:19,489

them have you guys so I hope that you

1116

00:58:22,989 --> 00:58:20,989

have researched the having those

1117

00:58:26,829 --> 00:58:22,999

implants removed I mean it they're very

1118

00:58:29,589 --> 00:58:26,839

hard to remove sometimes I've read about

1119

00:58:32,049 --> 00:58:29,599

doctors that like specialize in two and

1120

00:58:35,289 --> 00:58:32,059

[h__h] like that and they you know like

1121

00:58:37,989 --> 00:58:35,299

advertise [h__h] like that but I don't

1122

00:58:39,460 --> 00:58:37,999

know it's I don't even go to the [h__h]

1123

00:58:40,779 --> 00:58:39,470

doctor when I need we don't even go to

1124

00:58:44,259 --> 00:58:40,789

the doctor when we needed to go to the

1125

00:58:46,900 --> 00:58:44,269

doctor so you know I mean well I mean

1126
00:58:48,309 --> 00:58:46,910
you don't shouldn't go excessively but I

1127
00:58:50,529 --> 00:58:48,319
mean you should go when you need to I

1128
00:58:53,979 --> 00:58:50,539
suppose but I mean yeah I don't I don't

1129
00:58:55,420 --> 00:58:53,989
know any surgeons that can do outpatient

1130
00:58:57,759 --> 00:58:55,430
stuff like that you're removing a

1131
00:59:02,859 --> 00:58:57,769
foreign body from like I don't know

1132
00:59:05,589 --> 00:59:02,869
where's the alien implant on or in it's

1133
00:59:07,690 --> 00:59:05,599
like right at the base of her spine like

1134
00:59:10,410 --> 00:59:07,700
right up above her ass crack it's kind

1135
00:59:12,400 --> 00:59:10,420
of a weird spot but I wouldn't want to

1136
00:59:18,700 --> 00:59:12,410
messing around with anything near the

1137
00:59:21,759 --> 00:59:18,710
spine is [h__\h] difficult yeah it's

1138
00:59:23,830 --> 00:59:21,769

pretty big I mean in it when you grab it

1139

00:59:26,110 --> 00:59:23,840

it like

1140

00:59:28,810 --> 00:59:26,120

sin or like slips out of you know and

1141

00:59:31,780 --> 00:59:28,820

like she says it feels like it's

1142

00:59:33,820 --> 00:59:31,790

stabbing into her skin and [h__h] someone

1143

00:59:35,530 --> 00:59:33,830

in chest that I should remove this live

1144

00:59:38,620 --> 00:59:35,540

on air and I will I will become a

1145

00:59:41,740 --> 00:59:38,630

surgeon dr. Mike will do this dr.

1146

00:59:43,690 --> 00:59:41,750

midnight and take it out for us yes

1147

00:59:46,240 --> 00:59:43,700

dump some vodka on it and get the good

1148

00:59:49,390 --> 00:59:46,250

knife yeah and dr. dr. Nick will remove

1149

00:59:50,980 --> 00:59:49,400

that live on air is that what you're

1150

00:59:57,490 --> 00:59:50,990

drinking Mike are you drinking vodka and

1151

01:00:01,450 --> 00:59:57,500

I am sorry yes nice I'm [\h__\h] we're

1152

01:00:03,190 --> 01:00:01,460

drinking vodka and doing - you know you

1153

01:00:05,020 --> 01:00:03,200

ever smoked jabs I don't know what dabs

1154

01:00:06,640 --> 01:00:05,030

I've heard that all around I don't I

1155

01:00:09,480 --> 01:00:06,650

don't know what it is I know what it is

1156

01:00:13,330 --> 01:00:09,490

it's just like concentrate THC right wax

1157

01:00:16,900 --> 01:00:13,340

yeah it's it's it's wax tabs in

1158

01:00:21,190 --> 01:00:16,910

concentrate yet basically like the pure

1159

01:00:25,450 --> 01:00:21,200

form of THC taken out of the plant

1160

01:00:30,940 --> 01:00:25,460

either through heat and pressure or by a

1161

01:00:32,800 --> 01:00:30,950

solvent chemical and he smoked it [\h__\h]

1162

01:00:35,170 --> 01:00:32,810

it just it tastes really good it's

1163

01:00:38,470 --> 01:00:35,180

really nice if you if you like the taste

1164

01:00:41,920 --> 01:00:38,480

of pot I'm not a big [\h__\h] I'm not a big

1165

01:00:43,810 --> 01:00:41,930

pot guy but yeah I know I I think we've

1166

01:00:45,790 --> 01:00:43,820

talked about that before but I will

1167

01:00:48,130 --> 01:00:45,800

smoke at the end of the night on the

1168

01:00:50,740 --> 01:00:48,140

weekend maybe once a month once every

1169

01:00:53,980 --> 01:00:50,750

two months and but you know that's in

1170

01:00:56,620 --> 01:00:53,990

tonight and you know I won't hold on

1171

01:00:59,380 --> 01:00:56,630

time to get paranoid though right well

1172

01:01:03,130 --> 01:00:59,390

does it make you paranoid oh yeah oh

1173

01:01:05,830 --> 01:01:03,140

yeah freak it out yeah I went I went

1174

01:01:11,260 --> 01:01:05,840

like three years without smoking weed

1175

01:01:14,260 --> 01:01:11,270

and when I started back up I I remember

1176

01:01:15,130 --> 01:01:14,270

one time I smoked a joint a half a joint

1177

01:01:17,920 --> 01:01:15,140

with Ashley

1178

01:01:20,530 --> 01:01:17,930

and I was I was on probation at the time

1179

01:01:23,650 --> 01:01:20,540

- so I shouldn't have been doing it but

1180

01:01:27,640 --> 01:01:23,660

I mean I just immediately got so [h__\h]

1181

01:01:29,560 --> 01:01:27,650

paranoid that I was undoubtedly gonna

1182

01:01:32,260 --> 01:01:29,570

[h__\h] get drugged - I never got drug

1183

01:01:35,290 --> 01:01:32,270

tested the entire time I was on

1184

01:01:37,090 --> 01:01:35,300

but but just that one time I immediately

1185

01:01:39,510 --> 01:01:37,100

got so [h__\h] but that's the only time

1186

01:01:43,000 --> 01:01:39,520

I've ever experienced experienced

1187

01:01:45,330 --> 01:01:43,010

paranoia from I do it every time I get

1188

01:01:48,310 --> 01:01:45,340

worried about bills I get worried about

1189

01:01:50,770 --> 01:01:48,320

what I gotta do tomorrow no no it's just

1190

01:01:53,260 --> 01:01:50,780

I have a tough time relaxing on it but I

1191

01:01:55,420 --> 01:01:53,270

do that like when I do get high and I

1192

01:01:56,860 --> 01:01:55,430

have something to occupy me whether I'm

1193

01:01:58,540 --> 01:01:56,870

talking to my girlfriend or just kind of

1194

01:02:01,900 --> 01:01:58,550

like hanging out that's fine if I do it

1195

01:02:04,060 --> 01:02:01,910

by myself video game yeah maybe that's

1196

01:02:05,710 --> 01:02:04,070

fine or watching a movie but if I just

1197

01:02:07,180 --> 01:02:05,720

smoke it and then have to entertain

1198

01:02:09,820 --> 01:02:07,190

myself then I started thinking about

1199

01:02:16,990 --> 01:02:09,830

like the worst things in the world bad

1200

01:02:18,610 --> 01:02:17,000

so yeah I mean the the weed ain't what

1201

01:02:23,380 --> 01:02:18,620

it used to be either though I mean

1202

01:02:27,490 --> 01:02:23,390

nowadays it's like [\h__\h] over 20% THC

1203

01:02:30,970 --> 01:02:27,500

and back in you know the early 2000s

1204

01:02:33,520 --> 01:02:30,980

that it was like all imported from

1205

01:02:37,180 --> 01:02:33,530

Mexico mass grown and that's a pretty

1206

01:02:40,270 --> 01:02:37,190

hurtful [\h__\h] yeah it's it's all kick-ass

1207

01:02:41,890 --> 01:02:40,280

[\h__\h] ya know if they look a bit if they

1208

01:02:43,630 --> 01:02:41,900

made a weed that I could blow that

1209

01:02:48,400 --> 01:02:43,640

wouldn't make me paranoid I'd do it I

1210

01:02:49,840 --> 01:02:48,410

blew it every day if you want to do

1211

01:02:52,990 --> 01:02:49,850

something that's not gonna get you high

1212

01:02:57,490 --> 01:02:53,000

and now get your paranoid Oh smoke of

1213

01:03:00,850 --> 01:02:57,500

zero smoke a zero or a low THC strain of

1214

01:03:02,800 --> 01:03:00,860

marijuana like a like a high CBD strain

1215

01:03:05,170 --> 01:03:02,810

of marijuana well why am I gonna smoke

1216

01:03:06,820 --> 01:03:05,180

it if it's not gonna give me high it's

1217

01:03:11,470 --> 01:03:06,830

still gonna give you a head change man

1218

01:03:14,560 --> 01:03:11,480

but the [h__h] my wife my wife's

1219

01:03:18,010 --> 01:03:14,570

brother owns a head shop about a hundred

1220

01:03:19,690 --> 01:03:18,020

miles away from us here and he they made

1221

01:03:22,270 --> 01:03:19,700

him take it off the shelves but he was

1222

01:03:24,010 --> 01:03:22,280

selling they had it legal in the state I

1223

01:03:28,060 --> 01:03:24,020

don't know why they took it away but it

1224

01:03:35,140 --> 01:03:28,070

was it was dabs it was wax but it was

1225

01:03:38,800 --> 01:03:35,150

CBD wax it was 100 percent THC free no

1226

01:03:40,960 --> 01:03:38,810

you know it's marketed for pain or for

1227

01:03:43,720 --> 01:03:40,970

whatever but he smoked it just like you

1228

01:03:45,670 --> 01:03:43,730

do your normal wax nice hey I may be on

1229

01:03:49,239 --> 01:03:45,680

the party

1230

01:03:52,660 --> 01:03:49,249

anyways it does it I know it gives you a

1231

01:03:54,220 --> 01:03:52,670

head change it does do something and it

1232

01:03:54,609 --> 01:03:54,230

doesn't get you high it doesn't [h__h] you

1233

01:03:57,789 --> 01:03:54,619

up

1234

01:03:59,890 --> 01:03:57,799

and it definitely works for paying -

1235

01:04:03,779 --> 01:03:59,900

okay well that's not and it definitely

1236

01:04:07,809 --> 01:04:03,789

works as a relaxation aide - I need oh

1237

01:04:12,069 --> 01:04:07,819

yeah I I mean I don't have like I guess

1238

01:04:13,210 --> 01:04:12,079

if if marijuana was illegal in Ohio and

1239

01:04:15,519 --> 01:04:13,220

they could have these different strings

1240

01:04:17,710 --> 01:04:15,529

and I could like sample stuff it has

1241

01:04:19,900 --> 01:04:17,720

stuff properly labeled I would probably

1242

01:04:21,970 --> 01:04:19,910

indulge a little bit more but if I'm

1243

01:04:24,039 --> 01:04:21,980

buying stuff from somebody who says it's

1244

01:04:26,079 --> 01:04:24,049

one strain but it's really another and I

1245

01:04:28,329 --> 01:04:26,089

don't know then you know I'm not gonna

1246

01:04:31,660 --> 01:04:28,339

I'm not gonna be willing to experiment I

1247

01:04:35,440 --> 01:04:31,670

don't like I definitely agree with that

1248

01:04:37,839 --> 01:04:35,450

this is even buying it out here I mean

1249

01:04:39,130 --> 01:04:37,849

most of the [h__h] we're in Nebraska you

1250

01:04:43,029 --> 01:04:39,140

know and so it's all coming from

1251

01:04:45,519 --> 01:04:43,039

Colorado and a lot of people people go

1252

01:04:46,900 --> 01:04:45,529

out there and they buy ounces for next

1253

01:04:49,660 --> 01:04:46,910

to nothing and then they bring them back

1254

01:04:51,460 --> 01:04:49,670

here and push it and it's kind of did

1255

01:04:53,529 --> 01:04:51,470

everybody think so it's from Colorado

1256

01:04:56,430 --> 01:04:53,539

it's gonna be really good weed that's

1257

01:04:59,979 --> 01:04:56,440

not necessarily true because they sell

1258

01:05:02,650 --> 01:04:59,989

[h__\h] weed and they sell super excellent

1259

01:05:05,319 --> 01:05:02,660

way to and you know it's just like good

1260

01:05:07,779 --> 01:05:05,329

people bootleg basically yeah hot dog

1261

01:05:10,359 --> 01:05:07,789

party hot dog party up right yeah

1262

01:05:13,690 --> 01:05:10,369

twenty-eight point three trillion hot

1263

01:05:15,759 --> 01:05:13,700

dogs [\h__\h] yeah dude hey I'll let you go

1264

01:05:18,430 --> 01:05:15,769

we're no close up night talk thanks for

1265

01:05:20,289 --> 01:05:18,440

calling in I'm gonna email you back

1266

01:05:21,910 --> 01:05:20,299

we'll get together and we'll set a time

1267

01:05:23,829 --> 01:05:21,920

I want to talk more about the alien

1268

01:05:26,890 --> 01:05:23,839

implant and all that stuff now that

1269

01:05:29,680 --> 01:05:26,900

we're doing more shows I think we'll

1270

01:05:30,700 --> 01:05:29,690

have some time to talk with you guys let

1271

01:05:33,460 --> 01:05:30,710

me know when you guys are

1272

01:05:35,279 --> 01:05:33,470

I mean wanting to to make that a topic

1273

01:05:36,779 --> 01:05:35,289

on one your shows or some [\h__\h] and yeah

1274

01:05:39,489 --> 01:05:36,789

I'll try it

1275

01:05:41,710 --> 01:05:39,499

[\h__\h] I just me and the old lady we

1276

01:05:43,479 --> 01:05:41,720

[\h__\h] work all the time yeah I know

1277

01:05:45,339 --> 01:05:43,489

normally I normally when I'm listening

1278

01:05:47,170 --> 01:05:45,349

to your show I'm [\h__\h] cooking or

1279

01:05:49,779 --> 01:05:47,180

washing dishes and yeah just trying to

1280

01:05:51,549 --> 01:05:49,789

drown out my coworkers huh well maybe

1281

01:05:55,029 --> 01:05:51,559

maybe this Monday night show is a better

1282

01:05:57,599 --> 01:05:55,039

thing I can I can do stuff later or work

1283

01:06:00,299 --> 01:05:57,609

together we're gonna time a time so we

1284

01:06:03,509 --> 01:06:00,309

works for everyone right on Mike all

1285

01:06:05,339 --> 01:06:03,519

right a bomb baby take er easy man

1286

01:06:11,670 --> 01:06:05,349

will do all right have a good night

1287

01:06:13,900 --> 01:06:11,680

Biden we're gonna we're gonna get out of

1288

01:06:16,210 --> 01:06:13,910

here and

1289

01:06:20,230 --> 01:06:16,220

[Music]

1290

01:06:22,960 --> 01:06:20,240

close up night talk ever close it's good

1291

01:06:26,290 --> 01:06:22,970

thank you for coming on for a Monday

1292

01:06:29,620 --> 01:06:26,300

night night talk with men that Mike and

1293

01:06:32,290 --> 01:06:29,630

I'll be back next week this will not go

1294

01:06:35,280 --> 01:06:32,300

out on the regular RSS feed this will be

1295

01:06:37,300 --> 01:06:35,290

the audio only is going to patreon only

1296

01:06:40,510 --> 01:06:37,310

but obviously if you're watching it on

1297

01:06:42,700 --> 01:06:40,520

YouTube you're already seen it so but if

1298

01:06:45,930 --> 01:06:42,710

you want to listen to the audio only

1299

01:06:47,890 --> 01:06:45,940

version which is a higher bitrate and

1300

01:06:50,020 --> 01:06:47,900

probably a little bit more compressed a

1301

01:06:52,599 --> 01:06:50,030

little better then subscribe to the

1302

01:06:54,670 --> 01:06:52,609

patreon go to our victim mouth comm hit

1303

01:06:56,410 --> 01:06:54,680

the patreon link and subscribe for a one

1304

01:06:58,510 --> 01:06:56,420

two three dollars a month we're gonna

1305

01:07:02,079 --> 01:06:58,520

put out more content there all that [h__h]

1306

01:07:03,609 --> 01:07:02,089

and we're trying to grow the show grow

1307

01:07:05,200 --> 01:07:03,619

the show I'm sure clown baby will be

1308

01:07:07,859 --> 01:07:05,210

back him and I are gonna be working on

1309

01:07:10,569 --> 01:07:07,869

some missing 411 stuff I think we have

1310

01:07:12,819 --> 01:07:10,579

missing 411 aterial to do like a two

1311

01:07:15,520 --> 01:07:12,829

three hour podcast just I'm missing for

1312

01:07:17,140 --> 01:07:15,530

11 then David played it's late

1313

01:07:20,500 --> 01:07:17,150

yeah he's gonna call us a bunch of

1314

01:07:24,220 --> 01:07:20,510

frauds hey he's gonna cause fraudulent

1315

01:07:25,540 --> 01:07:24,230

and but yeah we have enough material to

1316

01:07:27,220 --> 01:07:25,550

do that and it's been a while since

1317

01:07:31,480 --> 01:07:27,230

we've done a missing Portland 11:00

1318

01:07:33,579 --> 01:07:31,490

segment I don't think we've come down on

1319

01:07:34,839 --> 01:07:33,589

one side or another about any of the

1320

01:07:39,190 --> 01:07:34,849

time-travel that's other than the people

1321

01:07:41,410 --> 01:07:39,200

on this apex TV probably out much

1322

01:07:43,780 --> 01:07:41,420

probably you're not telling the truth

1323

01:07:47,680 --> 01:07:43,790

probably that's in my opinion I don't

1324

01:07:50,589 --> 01:07:47,690

know for sure there were an exam exact

1325

01:07:54,400 --> 01:07:50,599

clothing that you would see in probably

1326
01:07:55,690 --> 01:07:54,410
the year 2000 or 2010 predator on that

1327
01:07:58,069 --> 01:07:55,700
decade

1328
01:07:59,809 --> 01:07:58,079
there were something from the 80s but

1329
01:08:01,789 --> 01:07:59,819
okay we have a hip time travel from the

1330
01:08:03,349 --> 01:08:01,799
80s we got a hipster doofus but no

1331
01:08:05,809 --> 01:08:03,359
you're not even doing that to blurt it

1332
01:08:07,609 --> 01:08:05,819
out they're not even wearing mustaches

1333
01:08:11,719 --> 01:08:07,619
I'd expect that from Time Traveller's

1334
01:08:13,670 --> 01:08:11,729
but we don't see that all right come on

1335
01:08:15,140 --> 01:08:13,680
baby I will talk to you later maybe we

1336
01:08:17,870 --> 01:08:15,150
can do a little pub G here in about a

1337
01:08:20,859 --> 01:08:17,880
half hour yeah sure

1338
01:08:23,419 --> 01:08:20,869

all right I'd be an Xbox I don't know

1339

01:08:26,240 --> 01:08:23,429

let me know I'm gonna close out here and

1340

01:08:27,979 --> 01:08:26,250

I will give you text all right all right

1341

01:08:33,890 --> 01:08:27,989

all right good night sir

1342

01:08:37,039 --> 01:08:33,900

Oh would you Dabu goo all right that's

1343

01:08:37,189 --> 01:08:37,049

the ghost clown baby a hot dog party all

1344

01:08:39,609 --> 01:08:37,199

right

1345

01:08:43,640 --> 01:08:39,619

oh I can't believe you've done this

1346

01:08:47,979 --> 01:08:43,650

thank you everyone for tuning in and

1347

01:08:51,559 --> 01:08:47,989

I'll see you next Monday all right

1348

01:08:53,479 --> 01:08:51,569

black shampoo one seven three four six

1349

01:08:55,370 --> 01:08:53,489
