00:01:32,040 --> 00:01:29,979  
Japan all right all right that's the

10  
00:01:34,520 --> 00:01:32,050  
show I'm gonna be getting out of here

11  
00:01:37,990 --> 00:01:34,530  
soon I just want to come in and do that

12  
00:01:41,930 --> 00:01:38,000  
[Music]

13  
00:01:45,020 --> 00:01:41,940

and hey welcome back to night talk live

14

00:01:46,700 --> 00:01:45,030

my name is midnight Mike and tonight

15

00:01:49,900 --> 00:01:46,710

I'll be talking about flying creatures

16

00:01:55,580 --> 00:01:49,910

in North Carolina I'll be talking about

17

00:01:57,410 --> 00:01:55,590

other monsters in the Chicago area of

18

00:02:00,290 --> 00:01:57,420

weeks ago we talked about the Mothman

19

00:02:03,440 --> 00:02:00,300

sightings in Chicago well there's a lot

20

00:02:06,350 --> 00:02:03,450

more Chicago monsters than first let us

21

00:02:08,630 --> 00:02:06,360

this recently Boston Bigfoot

22

00:02:11,480 --> 00:02:08,640

big feet in Chicago and the surrounding

23

00:02:13,850 --> 00:02:11,490

area system various UFO sightings in the

24

00:02:18,670 --> 00:02:13,860

Chicago over the years so apparently

25

00:02:21,680 --> 00:02:18,680

Chicago is just a hub of paranormal a

26

00:02:25,280 --> 00:02:21,690

phenomenon in cryptozoology all over the

27

00:02:27,720 --> 00:02:25,290

place cago ballplayers the Windy City is

28

00:02:31,240 --> 00:02:27,730

happening

29

00:02:33,610 --> 00:02:31,250

and I will also be talking about there's

30

00:02:35,770 --> 00:02:33,620

a new Bigfoot movie coming out [h\_\_h] it a

31

00:02:39,059 --> 00:02:35,780

documentary or anything like that it's

32

00:02:44,559 --> 00:02:39,069

like it's a fictionalized account of

33

00:02:46,660 --> 00:02:44,569

something that's happening I don't like

34

00:02:49,180 --> 00:02:46,670

fish picture someone has accounts I'm

35

00:02:53,380 --> 00:02:49,190

gonna do a thing about Bigfoot take a

36

00:02:57,059 --> 00:02:53,390

real it's already creepy enough all

37

00:03:01,319 --> 00:02:57,069

right all right this is night talk live

38

00:03:07,150 --> 00:03:01,329

and thank you for listening and

39

00:03:11,069 --> 00:03:07,160

indulging in this insanity I do a normal

40

00:03:14,710 --> 00:03:11,079

podcast during the week called a normal

41

00:03:17,559 --> 00:03:14,720

normal podcast but I do a podcast called

42

00:03:21,460 --> 00:03:17,569

OB DM our victim mouth and half is on

43

00:03:23,500 --> 00:03:21,470

Wednesdays and Saturdays and we've been

44

00:03:26,890 --> 00:03:23,510

doing Collins and this show will be a

45

00:03:28,300 --> 00:03:26,900

Colin as well meaning that a just

46

00:03:29,860 --> 00:03:28,310

because I got topics up there doesn't

47

00:03:31,659 --> 00:03:29,870

mean it can't stray from the course a

48

00:03:33,280 --> 00:03:31,669

little bit and talk about what you want

49

00:03:35,440 --> 00:03:33,290

to talk about and more welcome to give a

50

00:03:38,979 --> 00:03:35,450

call in six one four three eighty three

51  
00:03:40,830 --> 00:03:38,989  
eight eight nine 109 and as always all

52  
00:03:45,990 --> 00:03:40,840  
be mostly happy to take your calls

53  
00:03:48,550 --> 00:03:46,000  
[h\_\_h] mm-hmm oh yes before I get to

54  
00:03:51,210 --> 00:03:48,560  
some of these stories that I mentioned

55  
00:03:55,659 --> 00:03:51,220  
up front some of the topics at least

56  
00:04:01,479 --> 00:03:55,669  
just a quick aside I did not watch the

57  
00:04:03,580 --> 00:04:01,489  
superball last night I watched the

58  
00:04:05,860 --> 00:04:03,590  
halftime show with my girlfriend we we

59  
00:04:09,640 --> 00:04:05,870  
were watching another show called our

60  
00:04:13,059 --> 00:04:09,650  
altered carbon on Netflix which is by

61  
00:04:16,120 --> 00:04:13,069  
the way awesome go check it out it is a

62  
00:04:18,969 --> 00:04:16,130  
futuristic detective series and enough

63  
00:04:21,990 --> 00:04:18,979

look if Netflix and it's kind of what I

64

00:04:25,029 --> 00:04:22,000

wanted probably a Blade Runner

65

00:04:28,570 --> 00:04:25,039

20:47 2049 to be something along those

66

00:04:31,120 --> 00:04:28,580

lines that has a little more action it's

67

00:04:32,379 --> 00:04:31,130

not as slow and it's plotting it's not

68

00:04:33,640 --> 00:04:32,389

that I didn't like Blade Runner I liked

69

00:04:37,690 --> 00:04:33,650

it fine it's a great science-fiction

70

00:04:40,690 --> 00:04:37,700

flick but this altered carbon is done

71

00:04:43,660 --> 00:04:40,700

very well and I think you all will

72

00:04:46,750 --> 00:04:43,670

enjoy but when it comes to the Superbowl

73

00:04:48,970 --> 00:04:46,760

halftime show I didn't pick up on any of

74

00:04:50,440 --> 00:04:48,980

those Illuminati things that we've all

75

00:04:52,600 --> 00:04:50,450

come to know and love with like

76  
00:04:53,470 --> 00:04:52,610  
exploding volcanoes and pyramids and

77  
00:04:57,040 --> 00:04:53,480  
lions

78  
00:05:00,970 --> 00:04:57,050  
there was no like overt signaling to the

79  
00:05:02,770 --> 00:05:00,980  
Illuminati and I know this is a big one

80  
00:05:05,080 --> 00:05:02,780  
because there's a lot of [h\_\_\h] Cannery

81  
00:05:07,660 --> 00:05:05,090  
going on around this law there's if you

82  
00:05:09,700 --> 00:05:07,670  
visit reddit conspiracy as often as I do

83  
00:05:11,410 --> 00:05:09,710  
you know everyone was kind of like eh

84  
00:05:13,630 --> 00:05:11,420  
what's going on here all it turns out

85  
00:05:18,400 --> 00:05:13,640  
that the the stadium doubles as a Fema

86  
00:05:21,520 --> 00:05:18,410  
camp someone left the security detail on

87  
00:05:25,750 --> 00:05:21,530  
a plane they were it this whole thing

88  
00:05:28,120 --> 00:05:25,760

was right for something going bad but it

89

00:05:31,330 --> 00:05:28,130

it turned out to be quite a just a

90

00:05:35,230 --> 00:05:31,340

regular show Justin Justin Timberlake

91

00:05:39,940 --> 00:05:35,240

did a fine performance he's he's a man's

92

00:05:42,640 --> 00:05:39,950

man I guess he was wearing a like a

93

00:05:44,920 --> 00:05:42,650

little scarf a little bandana red

94

00:05:47,470 --> 00:05:44,930

bandana and he had like he was dressed

95

00:05:49,720 --> 00:05:47,480

like he was going hunting I don't know

96

00:05:52,000 --> 00:05:49,730

if anybody caught that but Justin

97

00:05:56,560 --> 00:05:52,010

Timberlake was was dressed like he was

98

00:05:59,770 --> 00:05:56,570

going like hunting hey I got my 12-gauge

99

00:06:01,930 --> 00:05:59,780

let's go hunt let's go hunt a buck who's

100

00:06:05,860 --> 00:06:01,940

dressed like from anybody from Ojai or

101  
00:06:06,820 --> 00:06:05,870  
Kentucky or anybody like in the flyover

102  
00:06:08,920 --> 00:06:06,830  
States he was dressed like that

103  
00:06:11,530 --> 00:06:08,930  
I think that's a new style for four guys

104  
00:06:16,600 --> 00:06:11,540  
at least according to the GQ magazines

105  
00:06:19,750 --> 00:06:16,610  
that I read so no no Illuminati

106  
00:06:21,400 --> 00:06:19,760  
symbolism if there was any then I didn't

107  
00:06:21,850 --> 00:06:21,410  
pick up on it um that's not really my

108  
00:06:25,060 --> 00:06:21,860  
forte

109  
00:06:26,920 --> 00:06:25,070  
it's hard for me to to keep up with that

110  
00:06:29,650 --> 00:06:26,930  
symbolism but Oh someone who does keep

111  
00:06:31,420 --> 00:06:29,660  
up on that is J Dyer he understands that

112  
00:06:34,420 --> 00:06:31,430  
kind of a call practice and symbolism

113  
00:06:37,120 --> 00:06:34,430

and he will be on the our big podcast

114

00:06:39,190 --> 00:06:37,130

this coming Wednesday and I believe he

115

00:06:45,879 --> 00:06:39,200

will be taking calls with us and hanging

116

00:06:50,770 --> 00:06:49,240

I think that'll be fun I think so no J

117

00:06:53,830 --> 00:06:50,780

has a big video of her and out where

118

00:06:56,230 --> 00:06:53,840

he's criticizing Jordan Peterson

119

00:06:57,640 --> 00:06:56,240

I think he's probably getting some hits

120

00:07:01,629 --> 00:06:57,650

after that I don't know exactly what

121

00:07:04,960 --> 00:07:01,639

he's criticizing Jordan Peterson for or

122

00:07:06,430 --> 00:07:04,970

over I he put I mean I I suppose give

123

00:07:08,589 --> 00:07:06,440

her criticism for somebody you could put

124

00:07:10,659 --> 00:07:08,599

out like a really concise five to ten

125

00:07:14,030 --> 00:07:10,669

minute video and that's that but I think

126

00:07:19,070 --> 00:07:16,190

I don't know what we'll see what happens

127

00:07:22,520 --> 00:07:19,080

China yes China Thank You Trump that's

128

00:07:27,380 --> 00:07:22,530

my cue to move on to the the first

129

00:07:33,890 --> 00:07:27,390

segment dinosaurs flying in North

130

00:07:37,180 --> 00:07:33,900

Carolina you'll blow it and blow it yet

131

00:07:39,850 --> 00:07:37,190

the show is just starting

132

00:07:41,610 --> 00:07:39,860

um so I'll bring this up on screen you

133

00:07:46,930 --> 00:07:41,620

see if I can do a nice little transition

134

00:07:50,350 --> 00:07:46,940

here come on get over here boom pow and

135

00:07:53,470 --> 00:07:50,360

that is our first story for tonight are

136

00:07:57,100 --> 00:07:53,480

there flying dinosaurs in North Carolina

137

00:08:01,570 --> 00:07:57,110

one woman says she's seen them three

138

00:08:02,890 --> 00:08:01,580

times in Raleigh North Carolina now when

139

00:08:05,170 --> 00:08:02,900

I saw the story you're instantly

140

00:08:08,350 --> 00:08:05,180

reminded me of a call that we had maybe

141

00:08:12,370 --> 00:08:08,360

a week ago maybe two weeks ago a girl

142

00:08:17,680 --> 00:08:12,380

called in saying that she was she had a

143

00:08:22,180 --> 00:08:17,690

a cryptozoological experience in North

144

00:08:24,580 --> 00:08:22,190

West Virginia on the border of a of Ohio

145

00:08:27,340 --> 00:08:24,590

and Pennsylvania right there little

146

00:08:29,230 --> 00:08:27,350

little finger right there that dips in

147

00:08:30,310 --> 00:08:29,240

between those two states and she

148

00:08:32,890 --> 00:08:30,320

experienced something out there and I

149

00:08:35,380 --> 00:08:32,900

think she's I maybe I'm misremembering I

150

00:08:37,930 --> 00:08:35,390

could have swore she said that she had

151  
00:08:40,180 --> 00:08:37,940  
another experience in North Carolina so

152  
00:08:42,159 --> 00:08:40,190  
I wonder if she is this woman I don't

153  
00:08:44,110 --> 00:08:42,169  
know I like if she's listening call back

154  
00:08:48,240 --> 00:08:44,120  
in clarify I don't want to misrepresent

155  
00:08:51,750 --> 00:08:48,250  
what you said but when it comes to this

156  
00:08:55,000 --> 00:08:51,760  
in Raleigh a cryptozoologist Jonathan

157  
00:08:58,660 --> 00:08:55,010  
Whitcomb specializes specializes in

158  
00:09:00,910 --> 00:08:58,670  
creatures that do not plausibly exist

159  
00:09:03,670 --> 00:09:00,920  
including mythical beings such as Yeti

160  
00:09:05,980 --> 00:09:03,680  
big feet or white comes specialty

161  
00:09:08,020 --> 00:09:05,990  
modern-day dinosaurs

162  
00:09:10,420 --> 00:09:08,030  
he's guy if he's got a specialty in

163  
00:09:13,770 --> 00:09:10,430

dinosaurs modern day one I want up this

164

00:09:18,070 --> 00:09:13,780

dude as the self-described modern-day

165

00:09:20,380 --> 00:09:18,080

Petrus or expert these

166

00:09:24,400 --> 00:09:20,390

maybe please you're sore that's a sort

167

00:09:26,889 --> 00:09:24,410

expert maybe a winged dinosaur the

168

00:09:29,440 --> 00:09:26,899

utah-based author is circulating news in

169

00:09:31,930 --> 00:09:29,450

running websites that describes that

170

00:09:34,569 --> 00:09:31,940

scribe encounters with the prehistoric

171

00:09:40,449 --> 00:09:34,579

flying reptiles that scientists classify

172

00:09:45,430 --> 00:09:40,459

as thoroughly extinct in his collection

173

00:09:47,680 --> 00:09:45,440

of tetris or sightings Whitcomb counts

174

00:09:50,050 --> 00:09:47,690

nine in North Carolina including one

175

00:09:52,449 --> 00:09:50,060

wing and beast that appeared in rally

176

00:09:55,300 --> 00:09:52,459

only last week and this news story is

177

00:09:58,930 --> 00:09:55,310

from the 11th of January so not that

178

00:10:02,829 --> 00:09:58,940

long ago and it said it had a long tail

179

00:10:05,650 --> 00:10:02,839

with a diamond-shaped bulb on it said

180

00:10:09,699 --> 00:10:05,660

Cynthia Lee 20 who spotted the misters

181

00:10:12,940 --> 00:10:09,709

thing at a North rally bus stop it was

182

00:10:16,030 --> 00:10:12,950

dark brown she said

183

00:10:19,300 --> 00:10:16,040

it had a weird chest I drew a picture of

184

00:10:22,570 --> 00:10:19,310

it dismissed as lunacy by

185

00:10:24,940 --> 00:10:22,580

paleontologists and other academics with

186

00:10:28,570 --> 00:10:24,950

combs work is still finding currency at

187

00:10:32,650 --> 00:10:28,580

least online my associates and I believe

188

00:10:37,620 --> 00:10:32,660

that these are non extinct Petra Soares

189

00:10:44,490 --> 00:10:41,160

um he wrote in his released to the news

190

00:10:47,070 --> 00:10:44,500

and observer when many persons would

191

00:10:49,100 --> 00:10:47,080

call paired axles of pterodactyls I

192

00:10:55,260 --> 00:10:49,110

guess pterosaurs

193

00:11:00,090 --> 00:10:56,820

going on record with this and there's a

194

00:11:03,120 --> 00:11:00,100

video right here I believe of with him

195

00:11:04,680 --> 00:11:03,130

talking about this I guess I should have

196

00:11:07,560 --> 00:11:04,690

to pay this or I have to play this right

197

00:11:09,720 --> 00:11:07,570

now what is she saying here he says

198

00:11:15,270 --> 00:11:09,730

dinosaurs are not extinct and he offers

199

00:11:17,010 --> 00:11:15,280

a photo and a physicist as evidence okay

200

00:11:20,190 --> 00:11:17,020

I guess we'll indulge and play this

201

00:11:26,129 --> 00:11:23,009

all right let's let's hope he isn't born

202

00:11:28,110 --> 00:11:26,139

you might bore me after this commercial

203

00:11:32,340 --> 00:11:28,120

what started as a passion to make

204

00:11:35,890 --> 00:11:32,350

something original once he has grown

205

00:11:41,710 --> 00:11:39,130

that's why it's part cowboy part 101

206

00:11:44,019 --> 00:11:41,720

Murphy's now before this if if they're

207

00:11:46,030 --> 00:11:44,029

discounting his work this whole entire

208

00:11:49,780 --> 00:11:46,040

article is basically undermining this

209

00:11:51,730 --> 00:11:49,790

person's of thoughts and opinion pinions

210

00:11:52,780 --> 00:11:51,740

on cryptozoology why are they running a

211

00:11:54,790 --> 00:11:52,790

commercial they don't believe what he's

212

00:11:58,530 --> 00:11:54,800

doing I guess it is one hits muscle ads

213

00:11:59,770 --> 00:11:58,540

look at ad inventory come on

214

cryptozoology today would you believe

218

00:12:13,810 --> 00:12:10,550

that myth would exists would you like to

219

00:12:15,860 --> 00:12:13,820

meet Bigfoot Bigfoot is voting in your

220

00:12:17,970 --> 00:12:15,870

[Music]

222

00:12:23,000 --> 00:12:19,750

is this an all the video is is just

223

00:12:27,030 --> 00:12:23,010

these kind of click and music like this

224

00:12:35,280 --> 00:12:27,040

if you're looking for evidence oh here

225

00:12:38,270 --> 00:12:35,290

is the breath is now called PTP is a

226

00:12:41,460 --> 00:12:38,280

genuine photograph authentic Navajo

227

00:12:42,600 --> 00:12:41,470

eyeballs on screen he this is the V this

228

00:12:45,960 --> 00:12:42,610

is the photo he's saying this is a

229

00:12:48,600 --> 00:12:45,970

genuine photograph it's not a hoax it's

230

00:12:55,580 --> 00:12:48,610

not a hoax but I'm looking at this

231

00:12:59,560 --> 00:12:55,590

photograph and I'm saying Ralph the bat

232

00:13:04,180 --> 00:13:02,680

these guys look cut out the blurring of

233

00:13:05,980 --> 00:13:04,190

this thing doesn't match the blurring

234

00:13:08,530 --> 00:13:05,990

background like there's a lot of like

235

00:13:09,880 --> 00:13:08,540

when it comes to foreground mid-ground

236

00:13:11,500 --> 00:13:09,890

background things a lot of things are

237

00:13:13,780 --> 00:13:11,510

not adding up with this photograph right

238

00:13:14,800 --> 00:13:13,790

here I'll break this [h\_\_h] open

239

00:13:18,100 --> 00:13:14,810

to take a look at that

240

00:13:19,570 --> 00:13:18,110

this is photograph look possible to you

241

00:13:22,390 --> 00:13:19,580

and I know this little pix letter right

242

00:13:28,420 --> 00:13:24,940

a little sweetie says why is it genuine

243

00:13:31,210 --> 00:13:28,430

oh it's a genuine photograph of a real

244

00:13:32,410 --> 00:13:31,220

animal that made Pteranodon but we don't

245

00:13:36,010 --> 00:13:32,420

claim it has to be

246

00:13:39,220 --> 00:13:36,020

Easy's but obviously this is an extant

247

00:13:39,700 --> 00:13:39,230

terrorist we have reasons terrace over

248

00:13:43,080 --> 00:13:39,710

my bed

249

00:13:45,940 --> 00:13:43,090

I was calling above Petrus or her

250

00:13:54,560 --> 00:13:45,950

pronouncing the P the silent P big no-no

251  
00:14:01,900 --> 00:13:57,040  
a vampire and I came to an agreement

252  
00:14:04,420 --> 00:14:01,910  
little of 2017

253  
00:14:07,450 --> 00:14:04,430  
[Music]

254  
00:14:10,270 --> 00:14:07,460  
you're on the air welcome welcome

255  
00:14:11,980 --> 00:14:10,280  
what is up Mike Teddy spaghetti hi Jenny

256  
00:14:14,370 --> 00:14:11,990  
what's going up how are you are you

257  
00:14:16,990 --> 00:14:14,380  
watching this person talk about these

258  
00:14:22,420 --> 00:14:17,000  
pterosaurs and flying dinosaurs that are

259  
00:14:24,370 --> 00:14:22,430  
reported to still be in existence with

260  
00:14:26,380 --> 00:14:24,380  
the whole Thunderbird legend yeah the

261  
00:14:29,710 --> 00:14:26,390  
the Native American lore now with this

262  
00:14:31,510 --> 00:14:29,720  
photograph if I remember correctly there

263  
00:14:33,010 --> 00:14:31,520

was like a real one but it's lost the

264

00:14:35,980 --> 00:14:33,020

history and the one we see now is a

265

00:14:37,660 --> 00:14:35,990

remake well that's how I remember

266

00:14:39,670 --> 00:14:37,670

hearing it that very well could be like

267

00:14:42,910 --> 00:14:39,680

that the photograph he's showing on

268

00:14:44,620 --> 00:14:42,920

screen right now I have a hard time

269

00:14:48,000 --> 00:14:44,630

buying it it doesn't mean it's not real

270

00:14:50,230 --> 00:14:48,010

I just see some some obvious kind of

271

00:14:51,790 --> 00:14:50,240

glaring details where there's some sharp

272

00:14:54,910 --> 00:14:51,800

edges where there's some there should be

273

00:14:58,120 --> 00:14:54,920

some blurs I mean we're talking about if

274

00:15:01,750 --> 00:14:58,130

this was taken I'm seeing like Civil War

275

00:15:03,850 --> 00:15:01,760

era cavalry kind of uniforms so the the

276  
00:15:06,520 --> 00:15:03,860  
kind of photographic equipment they had

277  
00:15:08,230 --> 00:15:06,530  
back then was obviously analog long

278  
00:15:10,990 --> 00:15:08,240  
exposures so everything kind of had a

279  
00:15:13,630 --> 00:15:11,000  
natural blur to it which I'm us I guess

280  
00:15:15,490 --> 00:15:13,640  
I need to see the actual photograph yeah

281  
00:15:17,200 --> 00:15:15,500  
people look so much clearer back then

282  
00:15:20,800 --> 00:15:17,210  
because they didn't move a wink yeah

283  
00:15:22,960 --> 00:15:20,810  
that's a good point yeah that's the

284  
00:15:25,480 --> 00:15:22,970  
thing I think the photograph the legit

285  
00:15:26,950 --> 00:15:25,490  
photograph and like I said it's been a

286  
00:15:29,830 --> 00:15:26,960  
while since I even though VIN to this

287  
00:15:31,990 --> 00:15:29,840  
case was lost to history and what we see

288  
00:15:34,000 --> 00:15:32,000

now is a remake of this photograph and

289

00:15:38,440 --> 00:15:34,010

also from correct I believe it was also

290

00:15:41,170 --> 00:15:38,450

this photograph was used in a Fox show

291

00:15:44,490 --> 00:15:41,180

about 12 years ago or ten years ago

292

00:15:48,790 --> 00:15:44,500

close like freaky Fridays or something

293

00:15:50,590 --> 00:15:48,800

where was like they were crypto hunters

294

00:15:51,940 --> 00:15:50,600

and [h\_\_h] and this was one of the topics

295

00:15:53,740 --> 00:15:51,950

that came up on it and I believe it was

296

00:15:58,000 --> 00:15:53,750

the same photograph and this is why we

297

00:16:00,070 --> 00:15:58,010

we may have this photograph today look I

298

00:16:02,560 --> 00:16:00,080

can I can definitely buy that like I'm

299

00:16:05,230 --> 00:16:02,570

not discounting like I buy that there

300

00:16:07,930 --> 00:16:05,240

are flying creatures there's been enough

301  
00:16:09,190 --> 00:16:07,940  
eye witness eyewitnesses to come out and

302  
00:16:13,720 --> 00:16:09,200  
talk about this kind of stuff whether or

303  
00:16:15,250 --> 00:16:13,730  
not this this photograph of bees 7 or 6

304  
00:16:17,560 --> 00:16:15,260  
gentleman standing over top of it like

305  
00:16:17,720 --> 00:16:17,570  
they killed a lion like as if some kind

306  
00:16:20,329 --> 00:16:17,730  
of

307  
00:16:22,400 --> 00:16:20,339  
trophy if this is genuine or not I don't

308  
00:16:24,410 --> 00:16:22,410  
know I'm gonna I'm gonna go with my

309  
00:16:26,750 --> 00:16:24,420  
initial instinct that it looks

310  
00:16:29,509 --> 00:16:26,760  
photoshopped in some way almost printed

311  
00:16:31,819 --> 00:16:29,519  
I want to see I would look I would love

312  
00:16:33,170 --> 00:16:31,829  
to talk this guy and I've been told I've

313  
00:16:37,189 --> 00:16:33,180

been told in the chat this guy's been

314

00:16:38,780 --> 00:16:37,199

around for a while so I'm on board with

315

00:16:41,389 --> 00:16:38,790

it I just I want it I want to see some

316

00:16:43,040 --> 00:16:41,399

little mark there God well I believe

317

00:16:45,500 --> 00:16:43,050

that this photograph is based on

318

00:16:46,939 --> 00:16:45,510

something that probably did happen of

319

00:16:47,960 --> 00:16:46,949

course we don't have the evidence for it

320

00:16:52,100 --> 00:16:47,970

and there was supposed to be another

321

00:16:55,790 --> 00:16:52,110

photograph of a pterosaur hung up like

322

00:16:57,650 --> 00:16:55,800

against a barn wall people standing in

323

00:16:59,720 --> 00:16:57,660

front of that but that photograph people

324

00:17:01,310 --> 00:16:59,730

remember seeing it people recounted

325

00:17:03,319 --> 00:17:01,320

seeing it and you can't find it today

326

00:17:06,049 --> 00:17:03,329

it's like one of those stories it's like

327

00:17:09,020 --> 00:17:06,059

did to the Smithsonian confiscate all

328

00:17:10,610 --> 00:17:09,030

the newspapers and improve you know how

329

00:17:12,620 --> 00:17:10,620

Florida's the rabbit hole go or are we

330

00:17:14,240 --> 00:17:12,630

just kind of wanting to believe I kind

331

00:17:15,770 --> 00:17:14,250

of think there's something to it there's

332

00:17:17,480 --> 00:17:15,780

also that report is that little boy was

333

00:17:20,870 --> 00:17:17,490

like picked up by a pterosaur and his

334

00:17:24,020 --> 00:17:20,880

mom like spotted it and like saved him

335

00:17:29,270 --> 00:17:24,030

from becoming 4 or 4 11 by a [h\_\_h]

336

00:17:31,970 --> 00:17:29,280

pterodactyl yeah I am I have some I've a

337

00:17:35,360 --> 00:17:31,980

picture of something up on the screen

338

00:17:37,130 --> 00:17:35,370

right now of pterosaur and I apologize

339

00:17:43,659 --> 00:17:37,140

for mispronouncing earlier it's hard

340

00:17:46,210 --> 00:17:43,669

with the southern piece they really are

341

00:17:49,310 --> 00:17:46,220

look and there's a couple different

342

00:17:51,580 --> 00:17:49,320

pictures on the web when it comes to if

343

00:17:53,600 --> 00:17:51,590

you type in pterosaur and then ya barn

344

00:17:58,760 --> 00:17:53,610

there's some different ones up on the

345

00:18:00,020 --> 00:17:58,770

web right now I believe I believe that

346

00:18:02,360 --> 00:18:00,030

was the other one but I think that's

347

00:18:04,280 --> 00:18:02,370

also a remake because like there was a

348

00:18:07,100 --> 00:18:04,290

time I went into this and all I could

349

00:18:09,289 --> 00:18:07,110

find was every picture that we have now

350

00:18:10,730 --> 00:18:09,299

are recreations of pictures that did

351

00:18:13,010 --> 00:18:10,740

exist but nobody can find the original

352

00:18:14,930 --> 00:18:13,020

and that's what pissed me off with this

353

00:18:17,000 --> 00:18:14,940

subjects like I just want I want the

354

00:18:18,380 --> 00:18:17,010

original although that one you shown

355

00:18:20,510 --> 00:18:18,390

right there there a tongue of I think

356

00:18:21,890 --> 00:18:20,520

that might be the original or what they

357

00:18:25,100 --> 00:18:21,900

explained the original look like because

358

00:18:27,020 --> 00:18:25,110

there is lots of different stories and

359

00:18:30,680 --> 00:18:27,030

lots of different photos but it's so

360

00:18:31,680 --> 00:18:30,690

hard for people to find the origin the

361

00:18:33,899 --> 00:18:31,690

original picture

362

00:18:35,490 --> 00:18:33,909

the negative if you will yeah well I've

363

00:18:37,860 --> 00:18:35,500

known I've no doubt that the the myth

364

00:18:40,320 --> 00:18:37,870

Sounion knows a lot more than they're

365

00:18:43,499 --> 00:18:40,330

letting on when it comes to even Giants

366

00:18:45,509 --> 00:18:43,509

and like giant humanoid creatures that

367

00:18:48,060 --> 00:18:45,519

we've talked about many time on this

368

00:18:50,430 --> 00:18:48,070

podcast and giant bones that are

369

00:18:54,509 --> 00:18:50,440

discovered either near burial grounds or

370

00:18:56,940 --> 00:18:54,519

burial mounds various rock in stone

371

00:18:59,700 --> 00:18:56,950

sculptures throughout the the Americas

372

00:19:02,310 --> 00:18:59,710

and that just I think gets grabbed and

373

00:19:03,779 --> 00:19:02,320

shoved in a corner in some museum and

374

00:19:06,960 --> 00:19:03,789

we've never talked about because it

375

00:19:11,210 --> 00:19:06,970

disrupts the normal history that people

376

00:19:14,460 --> 00:19:11,220

have come to believe about the world I

377

00:19:16,889 --> 00:19:14,470

think I think actually it's my second

378

00:19:19,110 --> 00:19:16,899

favorite theory to four four eleven is

379

00:19:20,369 --> 00:19:19,120

that these giant bird things are just

380

00:19:21,930 --> 00:19:20,379

scooping people out of the park

381

00:19:23,730 --> 00:19:21,940

my first favorite of course is the

382

00:19:26,970 --> 00:19:23,740

universe re-render in itself when it's

383

00:19:29,220 --> 00:19:26,980

just a lone observer well I like the

384

00:19:31,110 --> 00:19:29,230

pterosaurs as like a close number two I

385

00:19:32,789 --> 00:19:31,120

wouldn't take a lot of sense and how

386

00:19:34,519 --> 00:19:32,799

these kids are getting up mountains and

387

00:19:37,200 --> 00:19:34,529

[h\_\_\h] with just their skull caps left

388

00:19:40,549 --> 00:19:37,210

with that you mean yeah when it comes to

389

00:19:43,950 --> 00:19:40,559

missing for 11 and people being abducted

390

00:19:46,409 --> 00:19:43,960

to scale a mountain if you're being

391

00:19:47,820 --> 00:19:46,419

picked up out of the sky and drop down a

392

00:19:51,930 --> 00:19:47,830

mountain that would do it from a winged

393

00:19:53,519 --> 00:19:51,940

creature a pterosaur some kind of you

394

00:19:56,759 --> 00:19:53,529

know pterodactyl god I would be

395

00:19:58,680 --> 00:19:56,769

horrifying but at that point you know

396

00:20:01,919 --> 00:19:58,690

you you the one I have on the screen

397

00:20:06,269 --> 00:20:01,929

here is I would say a wingspan of at

398

00:20:08,690 --> 00:20:06,279

least 16 feet maybe 18 feet that it

399

00:20:13,169 --> 00:20:08,700

could be actually 24 feet like maybe for

400

00:20:15,210 --> 00:20:13,179

like for large humans across that's

401  
00:20:16,710 --> 00:20:15,220  
insane how would you how would you

402  
00:20:19,320 --> 00:20:16,720  
absolutely how would you miss that in

403  
00:20:21,480 --> 00:20:19,330  
the sky I would say you wouldn't that's

404  
00:20:23,759 --> 00:20:21,490  
easily 16 feet with eight guys standing

405  
00:20:26,220 --> 00:20:23,769  
in front of it like that yeah easily 16

406  
00:20:28,860 --> 00:20:26,230  
feet it probably is more around 20 [h\_\_h]

407  
00:20:30,710 --> 00:20:28,870  
yeah I don't you miss it because you're

408  
00:20:33,119 --> 00:20:30,720  
not looking for it it's like that whole

409  
00:20:34,950 --> 00:20:33,129  
if you don't expect something there I

410  
00:20:36,960 --> 00:20:34,960  
think there's stories like the how the

411  
00:20:38,610 --> 00:20:36,970  
Indians never saw these big boats on the

412  
00:20:40,080 --> 00:20:38,620  
sea when they're looking out to the

413  
00:20:42,600 --> 00:20:40,090

ocean cuz they weren't looking for these

414

00:20:44,960 --> 00:20:42,610

dots on the horizon and by the time they

415

00:20:46,460 --> 00:20:44,970

see the ship it's already too late

416

00:20:49,399 --> 00:20:46,470

because they're not trained to spot the

417

00:20:51,909 --> 00:20:49,409

pattern because - - like the Native

418

00:20:54,409 --> 00:20:51,919

Americans or the next messy Americans

419

00:20:57,110 --> 00:20:54,419

those patterns weren't trained in their

420

00:20:58,730 --> 00:20:57,120

brains so they never saw these galleons

421

00:21:00,049 --> 00:20:58,740

whatever they were called this clunky

422

00:21:02,029 --> 00:21:00,059

stores bring it over until it was

423

00:21:03,919 --> 00:21:02,039

already upon them so it could be the

424

00:21:06,169 --> 00:21:03,929

same thing with these pterosaurs yeah

425

00:21:08,779 --> 00:21:06,179

you know Jordan John I talked about that

426  
00:21:10,700 --> 00:21:08,789  
on the last podcast about how the Native

427  
00:21:13,840 --> 00:21:10,710  
Americans were native South Americans

428  
00:21:18,580 --> 00:21:13,850  
were unable to recognize the ships

429  
00:21:21,890 --> 00:21:18,590  
someone traced that story back to cook's

430  
00:21:24,289 --> 00:21:21,900  
adventure in question in Australia but

431  
00:21:25,990 --> 00:21:24,299  
yeah I you know the mind can only

432  
00:21:29,210 --> 00:21:26,000  
recognize and see what it wants to see

433  
00:21:33,020 --> 00:21:29,220  
say the same with if you read Chariots

434  
00:21:36,049 --> 00:21:33,030  
of the Gods by zecharia sitchin you know

435  
00:21:38,029 --> 00:21:36,059  
people are treating what we would call a

436  
00:21:43,279 --> 00:21:38,039  
UFO sighting but they described it as a

437  
00:21:46,340 --> 00:21:43,289  
fiery wheel in the sky yeah wheels with

438  
00:21:49,399 --> 00:21:46,350

it within wheels and four phases and all

439

00:21:50,870 --> 00:21:49,409

that crazy stuff it sounds nuts but how

440

00:21:53,149 --> 00:21:50,880

else could somebody explain it from

441

00:21:55,820 --> 00:21:53,159

their point of view they know with what

442

00:21:58,340 --> 00:21:55,830

they know at that point yeah oh boy

443

00:22:00,320 --> 00:21:58,350

there's a there is a secret history that

444

00:22:02,270 --> 00:22:00,330

is being kept from us and that's why

445

00:22:04,580 --> 00:22:02,280

this cryptozoology stuff is so

446

00:22:07,730 --> 00:22:04,590

interesting to me because I believe it

447

00:22:10,100 --> 00:22:07,740

is it's denied history but it keeps

448

00:22:12,710 --> 00:22:10,110

popping up that keeps their keep their

449

00:22:14,870 --> 00:22:12,720

keep it keeps happening that these

450

00:22:18,500 --> 00:22:14,880

events happen people are witnessing them

451  
00:22:20,600 --> 00:22:18,510  
news people do recognize and report on

452  
00:22:22,669 --> 00:22:20,610  
it at least with like the Mothman stuff

453  
00:22:26,240 --> 00:22:22,679  
in Chicago there's over 70 sightings and

454  
00:22:29,649 --> 00:22:26,250  
then three when it comes to this North

455  
00:22:32,029 --> 00:22:29,659  
Carolina sighting of this pterosaur

456  
00:22:37,789 --> 00:22:32,039  
pterodactyl what's that calling a Paris

457  
00:22:40,130 --> 00:22:37,799  
or or a petrol soar I think I'm not sure

458  
00:22:41,990 --> 00:22:40,140  
on the terrace or one but I believe that

459  
00:22:43,610 --> 00:22:42,000  
be silent on it yeah yes I've heard

460  
00:22:45,950 --> 00:22:43,620  
Tetris or though it's either though so I

461  
00:22:48,529 --> 00:22:45,960  
think people say it both ways I'm in

462  
00:22:50,690 --> 00:22:48,539  
Ivan look you know I can't read I can't

463  
00:22:52,340 --> 00:22:50,700

speaking so me hey hey I'm in the same boat

464

00:22:53,330 --> 00:22:52,350

man I felt like a fourth grade level I

465

00:22:55,970 --> 00:22:53,340

can read okay

466

00:22:56,860 --> 00:22:55,980

my still ins horrific those I meet you

467

00:22:59,320 --> 00:22:56,870

man I understand

468

00:23:00,909 --> 00:22:59,330

it is amazing that I managed to hold

469

00:23:08,740 --> 00:23:00,919

down a career as a programmer and I

470

00:23:18,570 --> 00:23:08,750

can't a spell so thank you very much -

471

00:23:24,030 --> 00:23:20,360

[Music]

472

00:23:25,950 --> 00:23:24,040

and we the more anyone keeps diving into

473

00:23:28,170 --> 00:23:25,960

these topics of cryptozoology especially

474

00:23:31,799 --> 00:23:28,180

flying beasts and then you ultimately

475

00:23:34,470 --> 00:23:31,809

will get back to some sort of giant

476

00:23:37,520 --> 00:23:34,480

humanoids or Giants giant bones in

477

00:23:39,810 --> 00:23:37,530

general 9 skeletons and then you you'll

478

00:23:41,250 --> 00:23:39,820

travel down the roads like oh this can't

479

00:23:44,720 --> 00:23:41,260

possibly be real then you'll come across

480

00:23:49,020 --> 00:23:44,730

news clippings from like the late 1800s

481

00:23:51,390 --> 00:23:49,030

about how various like graveyards or no

482

00:23:53,510 --> 00:23:51,400

not like a formal grittier but a group

483

00:23:56,330 --> 00:23:53,520

of bones were found that are much larger

484

00:23:58,500 --> 00:23:56,340

than what was commonly possible then you

485

00:24:00,690 --> 00:23:58,510

Smithsonian will be involved and they'll

486

00:24:01,290 --> 00:24:00,700

come grab the bones and it's never heard

487

00:24:04,110 --> 00:24:01,300

from again

488

00:24:08,430 --> 00:24:04,120

it is like there is some sort of secret

489

00:24:11,370 --> 00:24:08,440

history of humanity that is just not

490

00:24:16,430 --> 00:24:11,380

being talked about and it's like

491

00:24:18,780 --> 00:24:16,440

purposely being kept from us in a very

492

00:24:23,310 --> 00:24:18,790

meticulous way where you're called

493

00:24:24,860 --> 00:24:23,320

stupid you're called naive they they'll

494

00:24:27,419 --> 00:24:24,870

write you off to some kind of alien

495

00:24:31,140 --> 00:24:27,429

Bigfoot believer and you're laughed at

496

00:24:33,810 --> 00:24:31,150

and ridicul which is their right to do

497

00:24:36,930 --> 00:24:33,820

but there's enough eyewitness accounts

498

00:24:38,250 --> 00:24:36,940

there's enough anecdotal evidence even

499

00:24:41,250 --> 00:24:38,260

when it comes to newspaper clippings

500

00:24:45,480 --> 00:24:41,260

that it should warrant a further

501  
00:24:47,010 --> 00:24:45,490  
investigation and what does this myth

502  
00:24:48,540 --> 00:24:47,020  
Sounion know at this point and what do

503  
00:24:50,070 --> 00:24:48,550  
they have locked away that we just

504  
00:24:53,040 --> 00:24:50,080  
aren't able to see because we're just

505  
00:24:56,040 --> 00:24:53,050  
the average stupid public who just want

506  
00:24:59,230 --> 00:24:56,050  
to know what the - the true history of

507  
00:24:59,240 --> 00:25:02,289  
kind of sad

508  
00:25:09,159 --> 00:25:06,129  
like I guess we I guess we could assume

509  
00:25:12,369 --> 00:25:09,169  
what the damage to society would be if

510  
00:25:16,539 --> 00:25:12,379  
we found out that oh by the way a giant

511  
00:25:20,499 --> 00:25:16,549  
race of Goliath did live during biblical

512  
00:25:24,849 --> 00:25:20,509  
times and yeah you know the the Anunnaki

513  
00:25:27,489 --> 00:25:24,859

and the story of Jesus and all those

514

00:25:31,749 --> 00:25:27,499

prophets was pretty much real but there

515

00:25:35,440 --> 00:25:31,759

is an extraterrestrial or some sort of

516

00:25:38,379 --> 00:25:35,450

other outer worldly kind of interaction

517

00:25:39,369 --> 00:25:38,389

that explains it all away but we can't

518

00:25:41,259 --> 00:25:39,379

talk about that

519

00:25:44,529 --> 00:25:41,269

Giants are fictional don't ever believe

520

00:25:45,639 --> 00:25:44,539

it and because if you keep if you're

521

00:25:48,279 --> 00:25:45,649

right once you once you open up the

522

00:25:50,469 --> 00:25:48,289

thing about Giants and open up that that

523

00:25:52,149 --> 00:25:50,479

door is gonna go down a rabbit hole like

524

00:25:53,469 --> 00:25:52,159

oh god people are gonna keep asking

525

00:25:54,940 --> 00:25:53,479

questions and they're gonna wonder where

526

00:25:58,509 --> 00:25:54,950

they came from the domestic it's my

527

00:26:06,430 --> 00:25:58,519

grandma a giant yeah who knows

528

00:26:10,090 --> 00:26:08,409

I would like to know more and I don't

529

00:26:11,529 --> 00:26:10,100

know if I can listen to this guy talk

530

00:26:14,350 --> 00:26:11,539

about it maybe I'll give it a little get

531

00:26:17,499 --> 00:26:14,360

a little bit more the photograph now

532

00:26:20,259 --> 00:26:17,509

called PTP ad posing authentic

533

00:26:23,139 --> 00:26:20,269

photographic with a genuine image of

534

00:26:26,200 --> 00:26:23,149

real animal the head of this animal

535

00:26:27,759 --> 00:26:26,210

appears to be like a Pteranodon head we

536

00:26:31,240 --> 00:26:27,769

don't claim that it has to be that

537

00:26:34,180 --> 00:26:31,250

species of pterosaur but we do say that

538

00:26:38,400 --> 00:26:34,190

this is evidence for an extent pterosaur

539

00:26:41,640 --> 00:26:40,950

why don't we say that this has to be

540

00:26:44,370 --> 00:26:41,650

genuine

541

00:26:47,320 --> 00:26:44,380

well the preponderance of evidence is

542

00:26:50,440 --> 00:26:47,330

that this is an old photograph

543

00:26:53,529 --> 00:26:50,450

when we look closely under the beak we

544

00:26:56,320 --> 00:26:53,539

see a parent ranch used as a prop to

545

00:26:57,759 --> 00:26:56,330

hold up the soldiers foot and also the

546

00:27:01,149 --> 00:26:57,769

beak itself

547

00:27:03,029 --> 00:27:01,159

this is a typical of photography from

548

00:27:06,399 --> 00:27:03,039

that time period before about the year

549

00:27:08,229 --> 00:27:06,409

1870 when people and objects sometimes

550

00:27:12,800 --> 00:27:08,239

needed to be propped up so they wouldn't

551  
00:27:16,460 --> 00:27:14,300  
we also see em

552  
00:27:19,730 --> 00:27:16,470  
the photograph itself private has shown

553  
00:27:22,430 --> 00:27:19,740  
us that there's evidence of muscle

554  
00:27:24,510 --> 00:27:22,440  
structure in the curved neck of this

555  
00:27:26,220 --> 00:27:24,520  
animal

556  
00:27:31,950 --> 00:27:26,230  
all right well this guy goes into some

557  
00:27:34,110 --> 00:27:31,960  
really goddamn detailed details I want

558  
00:27:35,430 --> 00:27:34,120  
to believe I really do people I want to

559  
00:27:37,799 --> 00:27:35,440  
believe in

560  
00:27:42,049 --> 00:27:37,809  
pterosaurs I want I wish I could see one

561  
00:27:46,489 --> 00:27:42,059  
tonight I don't think it's gonna happen

562  
00:27:48,529 --> 00:27:46,499  
but it could I want to see one but okay

563  
00:27:53,130 --> 00:27:48,539

let's move on a little bit we'll go on

564

00:28:02,529 --> 00:27:57,100

sumon Chicago China Chicago China

565

00:28:03,870 --> 00:28:02,539

Chicago Japan all right Japan there

566

00:28:05,169 --> 00:28:03,880

probably are some pretty incredible

567

00:28:07,450 --> 00:28:05,179

cryptozoology

568

00:28:09,340 --> 00:28:07,460

stories out of Japan I probably should

569

00:28:12,250 --> 00:28:09,350

investigate that a little bit more you

570

00:28:14,830 --> 00:28:12,260

know it's hard to when you search for

571

00:28:20,950 --> 00:28:14,840

stuff on the net and I've been using

572

00:28:26,610 --> 00:28:20,960

that that new search engine search s VAR

573

00:28:29,039 --> 00:28:26,620

x that engine to do some of my

574

00:28:32,649 --> 00:28:29,049

cryptozoology and UFO searches because

575

00:28:36,519 --> 00:28:32,659

it's really easy to filter stuff that

576

00:28:40,840 --> 00:28:36,529

Google and Yahoo and Bing would throw to

577

00:28:43,990 --> 00:28:40,850

the front so by using search X not me

578

00:28:45,399 --> 00:28:44,000

I'm able to filter that out I'll put

579

00:28:48,159 --> 00:28:45,409

something through chat right now so you

580

00:28:50,880 --> 00:28:48,169

guys can use this it's actually kind of

581

00:28:52,770 --> 00:28:50,890

worth your time to use

582

00:28:55,260 --> 00:28:52,780

you can really customize that search

583

00:28:59,050 --> 00:28:55,270

right there okay

584

00:29:05,850 --> 00:28:59,060

all right um where was I

585

00:29:12,630 --> 00:29:05,860

oh yes Bigfoot's and other creatures in

586

00:29:19,800 --> 00:29:16,650

and the Telus Mothman isn't the only

587

00:29:24,600 --> 00:29:19,810

monster lurking in this state the brand

588

00:29:27,570 --> 00:29:24,610

new effortless livability technologies

589

00:29:29,490 --> 00:29:27,580

like automatic emergency braking now way

590

00:29:32,430 --> 00:29:29,500

commercial air we go and and you know

591

00:29:42,900 --> 00:29:32,440

this this video is it's just text it's

592

00:29:42,910 --> 00:29:49,480

of a gun I'll just read

593

00:29:54,820 --> 00:29:51,910

someone in the chat as Mike have you

594

00:29:57,580 --> 00:29:54,830

seen the video of the Badger I believe

595

00:29:58,590 --> 00:29:57,590

in Yellowstone but it's North America

596

00:30:01,330 --> 00:29:58,600

for sure

597

00:30:03,310 --> 00:30:01,340

burying a whole cow no I have not if you

598

00:30:05,860 --> 00:30:03,320

have it I'd love to see a badger doing

599

00:30:09,610 --> 00:30:05,870

anything just sent it in if you have a

600

00:30:11,740 --> 00:30:09,620

video of a badger beric how wearing some

601  
00:30:15,430 --> 00:30:11,750  
pants or a dress doing paperwork I love

602  
00:30:18,220 --> 00:30:15,440  
to see it alright this article each

603  
00:30:20,169 --> 00:30:18,230  
state may have their famous landmarks in

604  
00:30:23,620 --> 00:30:20,179  
local legends but after learning about

605  
00:30:26,290 --> 00:30:23,630  
the Chicago Mothman were currently more

606  
00:30:29,020 --> 00:30:26,300  
interested in each state's Monster Mania

607  
00:30:31,540 --> 00:30:29,030  
for example Chicago isn't the only city

608  
00:30:34,720 --> 00:30:31,550  
in Illinois to have a monster on loose

609  
00:30:37,330 --> 00:30:34,730  
in fact Illinois is known to be a

610  
00:30:40,360 --> 00:30:37,340  
melting pot of odd creatures from sea

611  
00:30:43,660 --> 00:30:40,370  
serpents to the abdominal swamp slob

612  
00:30:45,660 --> 00:30:43,670  
I never heard of the abominable swamp

613  
00:30:48,220 --> 00:30:45,670

slob is titled I mean I talk about

614

00:30:49,900 --> 00:30:48,230

Bigfoots you know going in and out of

615

00:30:54,580 --> 00:30:49,910

bodies of water but I don't would never

616

00:30:58,810 --> 00:30:54,590

call a slob draaga jewelry if you ask me

617

00:31:00,610 --> 00:30:58,820

in October 2017 the Chicago Tribune put

618

00:31:03,100 --> 00:31:00,620

together a field guide for the most

619

00:31:06,100 --> 00:31:03,110

intriguing monsters Illinois's residents

620

00:31:09,610 --> 00:31:06,110

should be wary of one such creature is

621

00:31:12,820 --> 00:31:09,620

the in feel horror a three legged

622

00:31:16,680 --> 00:31:12,830

bright-eyed Beast first spotted in 1940s

623

00:31:19,960 --> 00:31:16,690

and then several more times in the 1970s

624

00:31:24,270 --> 00:31:19,970

some who saw it likened it to a deformed

625

00:31:27,160 --> 00:31:24,280

kangaroo others said it resembled an ape

626

00:31:29,980 --> 00:31:27,170

another Illinois oddity is the Wolfman

627

00:31:32,590 --> 00:31:29,990

of chestnut Mountain it's not quite a

628

00:31:34,720 --> 00:31:32,600

werewolf yet is supposedly a wolf that

629

00:31:36,520 --> 00:31:34,730

walks on his hind legs and runs at high

630

00:31:39,070 --> 00:31:36,530

speed the most recent sighting was back

631

00:31:42,280 --> 00:31:39,080

in 2010 this is what we call a dog man

632

00:31:45,160 --> 00:31:42,290

this is what happens when people write

633

00:31:48,370 --> 00:31:45,170

about things that they don't really

634

00:31:50,860 --> 00:31:48,380

research they did this this author of

635

00:31:54,460 --> 00:31:50,870

this article just typed in upright

636

00:31:56,919 --> 00:31:54,470

canine cryptid dog man would calm dog

637

00:32:00,010 --> 00:31:56,929

man a pennsylvania dog man of minnesota

638

00:32:03,070 --> 00:32:00,020

at kentucky all around these regions i

639

00:32:06,100 --> 00:32:03,080

have yet a year of dog mint hail

640

00:32:08,860 --> 00:32:06,110

like on the coast dog man tales from

641

00:32:10,480 --> 00:32:08,870

South Carolina or possibly at Myrtle

642

00:32:13,090 --> 00:32:10,490

Beach the Myrtle Beach dog man I have

643

00:32:15,279 --> 00:32:13,100

never heard of that a dog man vacations

644

00:32:17,139 --> 00:32:15,289

and rents a house out and this relaxes

645

00:32:19,720 --> 00:32:17,149

and barbecues have not heard that yet

646

00:32:23,470 --> 00:32:19,730

most of the dog man sightings come from

647

00:32:26,799 --> 00:32:23,480

flyover States this goes on to say okay

648

00:32:34,710 --> 00:32:26,809

fine you probably want to know what in

649

00:32:40,230 --> 00:32:34,720

the world and dot our ass is is a SS

650

00:32:43,840 --> 00:32:40,240

according to John keel a mythical lore

651  
00:32:45,029 --> 00:32:43,850  
hunter or a connoisseur who wrote the

652  
00:32:49,930 --> 00:32:45,039  
Mothman Prophecies

653  
00:32:53,919 --> 00:32:49,940  
the ass is a smelly alien who resides in

654  
00:32:55,629 --> 00:32:53,929  
swampy areas we don't know whether to

655  
00:32:57,759 --> 00:32:55,639  
laugh or cry according to this article

656  
00:33:00,940 --> 00:32:57,769  
well apparently they're laughing they're

657  
00:33:04,029 --> 00:33:00,950  
not taking cryptozoology very seriously

658  
00:33:06,100 --> 00:33:04,039  
you know people might say like you make

659  
00:33:07,600 --> 00:33:06,110  
fun of dog man you make fun of Time

660  
00:33:12,430 --> 00:33:07,610  
Traveler's you make fun of a lot of

661  
00:33:13,870 --> 00:33:12,440  
different stuff you make fun of UFOs why

662  
00:33:15,460 --> 00:33:13,880  
are you being so glib when someone else

663  
00:33:16,330 --> 00:33:15,470

makes a lot of it well because I am

664

00:33:17,889 --> 00:33:16,340

closer to it

665

00:33:19,779 --> 00:33:17,899

it's like someone make it in front of

666

00:33:21,519 --> 00:33:19,789

your family well you don't have a right

667

00:33:23,379 --> 00:33:21,529

to make fun of your family I do I can

668

00:33:25,659 --> 00:33:23,389

make fun of my family I don't want these

669

00:33:29,080 --> 00:33:25,669

[h\_\_h] who can't even distinguish what

670

00:33:32,049 --> 00:33:29,090

a dog man is versus a wolf man and

671

00:33:33,460 --> 00:33:32,059

that's where I think offense you get

672

00:33:35,529 --> 00:33:33,470

close to it you can make fun of it you

673

00:33:39,039 --> 00:33:35,539

do like you you live this [h\_\_h] then you

674

00:33:40,840 --> 00:33:39,049

can make fun of it that's fine I don't

675

00:33:42,399 --> 00:33:40,850

want these articles out there about this

676

00:33:44,320 --> 00:33:42,409

take it seriously there's a lot of

677

00:33:47,409 --> 00:33:44,330

people spend their entire life dealing

678

00:33:51,740 --> 00:33:47,419

this [h\_\_h] I'll make fun of them I don't

679

00:33:55,940 --> 00:33:54,169

and if he's thinking of moving back to

680

00:33:57,620 --> 00:33:55,950

his West Virginia routes he'll have to

681

00:34:01,340 --> 00:33:57,630

contend with the West Virginia's

682

00:34:04,100 --> 00:34:01,350

humanoid goat man and sheep squash the

683

00:34:07,070 --> 00:34:04,110

7-foot tall glow died flat was monster

684

00:34:10,010 --> 00:34:07,080

the ouble and the bear sized turtle oh

685

00:34:13,070 --> 00:34:10,020

weii sounds like a cute by the way so

686

00:34:16,639 --> 00:34:13,080

this is this kind of a lib article that

687

00:34:19,010 --> 00:34:16,649

is very kind of sending to the state of

688

00:34:20,659 --> 00:34:19,020

cryptozoology in general and I don't

689

00:34:24,320 --> 00:34:20,669

like it I don't like what they're saying

690

00:34:27,349 --> 00:34:24,330

here and I probably will not read any

691

00:34:29,659 --> 00:34:27,359

further yeah I know they want to make

692

00:34:31,339 --> 00:34:29,669

fun of this [h\_\_\h] but there are real

693

00:34:36,510 --> 00:34:31,349

witnesses out there that have seen stuff

694

00:34:40,110 --> 00:34:38,430

I like that a blogger has it all figured

695

00:34:42,360 --> 00:34:40,120

out I don't have it figured out

696

00:34:45,210 --> 00:34:42,370

Amba Lee I'll believe in I witness count

697

00:34:46,980 --> 00:34:45,220

now where I do draw the line like I love

698

00:34:48,210 --> 00:34:46,990

when people go on the record and like

699

00:34:50,760 --> 00:34:48,220

getting from the camera and say like

700

00:34:52,919 --> 00:34:50,770

this is what happened to me I know it

701  
00:34:57,210 --> 00:34:52,929  
sounds crazy but this is what happened

702  
00:34:59,460 --> 00:34:57,220  
when I don't respect is when like their

703  
00:35:02,190 --> 00:34:59,470  
voice is distorted and they blur out

704  
00:35:04,320 --> 00:35:02,200  
their face like all those time traveler

705  
00:35:08,570 --> 00:35:04,330  
things I played from the avid video

706  
00:35:11,520 --> 00:35:08,580  
channel where everyone is from the year

707  
00:35:12,810 --> 00:35:11,530  
9011 out with a new time traveler every

708  
00:35:15,180 --> 00:35:12,820  
[h\_\_\h] week on that channel

709  
00:35:17,850 --> 00:35:15,190  
yeah I'll ridicule that and make fun of

710  
00:35:19,940 --> 00:35:17,860  
that every day of the [h\_\_\h] week but

711  
00:35:22,500 --> 00:35:19,950  
when it comes to your average eyewitness

712  
00:35:23,700 --> 00:35:22,510  
when it comes to cryptozoology yeah I

713  
00:35:31,120 --> 00:35:23,710

want to give them benefited out

714

00:35:37,150 --> 00:35:34,270

all right six one four three eight nine

715

00:35:39,280 --> 00:35:37,160

109 the phone lines wide open I can't I

716

00:35:41,830 --> 00:35:39,290

mean I thought I was expecting more out

717

00:35:44,800 --> 00:35:41,840

of this Chicago monsters article but

718

00:35:47,440 --> 00:35:44,810

knows it's actually just someone not

719

00:35:49,240 --> 00:35:47,450

making fun of everything what should I

720

00:35:51,370 --> 00:35:49,250

get you make fun of think of things you

721

00:35:57,400 --> 00:35:51,380

don't really understand or don't care to

722

00:35:58,300 --> 00:35:57,410

understand I get it it's fine I'm not

723

00:36:02,520 --> 00:35:58,310

gonna be I'm bored

724

00:36:20,610 --> 00:36:06,630

all right I will move on to my next bit

725

00:36:27,450 --> 00:36:20,620

726

00:36:31,450 --> 00:36:31,440

728

00:36:39,180 --> 00:36:35,800

729

00:36:42,030 --> 00:36:39,190

been the the headlines one of the

730

00:36:44,280 --> 00:36:42,040

766

00:38:37,610 --> 00:38:34,530

right here you know this is this trailer

767

00:38:43,310 --> 00:38:37,620

well I'm not gonna be scared well am I

768

00:38:45,710 --> 00:38:43,320

gonna cry for a year a month at nine

769

00:38:48,750 --> 00:38:45,720

days I have been planning this exact

770

00:38:52,050 --> 00:38:48,760

moment yeah just

771

00:38:58,410 --> 00:38:52,060

I'm scared - I'm very scared

772

00:39:00,690 --> 00:38:58,420

Oh Chris yeah kiss him make out

773

00:39:05,300 --> 00:39:00,700

you know Bigfoot's watch hearing jerking

774

00:39:18,260 --> 00:39:08,120

this Bigfoot pound it off in the woods

775

00:39:21,740 --> 00:39:18,270

oh my god you fell what are we gonna do

776

00:39:23,350 --> 00:39:21,750

we'll get you back okay have sex in the

777

00:39:25,580 --> 00:39:23,360

woods

778

00:39:31,120 --> 00:39:25,590

take off your shirt oh my god the guy's

779

00:39:37,730 --> 00:39:35,600

closed up and this guy that this is big

780

00:39:39,950 --> 00:39:37,740

this is like you know Jason Voorhees in

781

00:39:42,050 --> 00:39:39,960

Friday 13th got really mad when Tina

782

00:39:43,760 --> 00:39:42,060

your started to have sex and so he'd

783

00:39:46,870 --> 00:39:43,770

kill them all this is what Bigfoot's

784

00:39:50,090 --> 00:39:46,880

doing this is like Jason Voorhees of

785

00:39:53,930 --> 00:39:50,100

Friday 13th is he's Bigfoot now this is

786

00:39:54,920 --> 00:39:53,940

a mrs. all they're doing guys there's an

787

00:39:56,870 --> 00:39:54,930

exit on the road

788

00:40:05,990 --> 00:39:56,880

does anybody have a cell phone but we're

789

00:40:06,000 --> 00:40:10,270

something in these parts

790

00:40:10,280 --> 00:40:17,660

[Music]

791

00:40:22,880 --> 00:40:19,509

there's a creature lives in these woods

792

00:40:24,920 --> 00:40:22,890

as ancient as my tribe remember CH stuff

793

00:40:26,839 --> 00:40:24,930

and everything and everyone legend says

794

00:40:34,480 --> 00:40:26,849

that when our Chiefs die their spirits

795

00:40:34,490 --> 00:40:49,040

I'll creature took your wife all right

796

00:40:52,550 --> 00:40:50,750

are you gonna kill a fifth book the gun

797

00:40:53,740 --> 00:40:52,560

are you gonna fight a pitbull with your

798

00:40:57,760 --> 00:40:53,750

fists

799

00:41:03,770 --> 00:41:01,090

all right I'll see the movie looks good

800

00:41:07,520 --> 00:41:03,780

the senator joke around goofing on it

801  
00:41:10,790 --> 00:41:07,530  
but it looks pretty good I this looks

802  
00:41:12,830 --> 00:41:10,800  
bad mr. Howell you see that movie looks

803  
00:41:15,170 --> 00:41:12,840  
bad that's better than the new Star Wars

804  
00:41:17,630 --> 00:41:15,180  
movie I tell you what this new Bigfoot

805  
00:41:22,370 --> 00:41:17,640  
movie primal rage better than the last

806  
00:41:26,480 --> 00:41:22,380  
Jedi debate me on that [h\_\_h] all

807  
00:41:27,920 --> 00:41:26,490  
right it's [h\_\_h] it's not the new

808  
00:41:29,360 --> 00:41:27,930  
movie looks pretty good the new primal

809  
00:41:33,350 --> 00:41:29,370  
rage movies it's pretty good

810  
00:41:40,220 --> 00:41:36,260  
think so but I do I'll be the judge of

811  
00:41:45,430 --> 00:41:40,230  
what is good and what is bad at least

812  
00:41:48,819 --> 00:41:45,440  
for me not for you it for good so

813  
00:41:50,200 --> 00:41:48,829

the movies as a plot for her movie not

814

00:41:50,530 --> 00:41:50,210

so good but I don't know that one looks

815

00:41:54,760 --> 00:41:50,540

okay

816

00:41:58,329 --> 00:41:54,770

I I'm gonna give the benefit of the

817

00:42:00,490 --> 00:41:58,339

doubt and they're just kind of wanting

818

00:42:06,950 --> 00:42:00,500

things down I got a few minutes to kill

819

00:42:13,309 --> 00:42:10,970

the 6.43 889 109 if you want to cut and

820

00:42:15,440 --> 00:42:13,319

give a call and talk about any topics

821

00:42:17,029 --> 00:42:15,450

that you have on your mind not that

822

00:42:19,519 --> 00:42:17,039

there should be anything you guys should

823

00:42:22,789 --> 00:42:19,529

be living a blissful stress-free life

824

00:42:25,609 --> 00:42:22,799

and everything should be fine now here's

825

00:42:27,980 --> 00:42:25,619

a headline here stocks extend losses

826

00:42:30,650 --> 00:42:27,990

with either the Dow dropping more than

827

00:42:33,349 --> 00:42:30,660

300 points at open oh my god

828

00:42:37,190 --> 00:42:33,359

I think the Dow yeah the Dow right here

829

00:42:43,099 --> 00:42:37,200

plunged 1,100 points it's the biggest

830

00:42:47,300 --> 00:42:45,860

that good

831

00:42:52,320 --> 00:42:47,310

you know that means though all right

832

00:43:03,640 --> 00:42:54,420

The Ides of March I'm talking about

833

00:43:11,080 --> 00:43:08,380

see flights in western US maybe or make

834

00:43:12,100 --> 00:43:11,090

it delayed by massive military GPS

835

00:43:13,810 --> 00:43:12,110

blackout yeah they've been doing

836

00:43:17,100 --> 00:43:13,820

military drills in the West Coast for

837

00:43:21,990 --> 00:43:17,110

quite a quite a while I believe since uh

838

00:43:25,300 --> 00:43:22,000

late January and it will in mid February

839

00:43:25,990 --> 00:43:25,310

because of massive military role in GPS

840

00:43:27,670 --> 00:43:26,000

blackouts

841

00:43:29,950 --> 00:43:27,680

so navigation systems including those

842

00:43:31,990 --> 00:43:29,960

found in commercial flights may be

843

00:43:34,150 --> 00:43:32,000

disrupted or jammed completely across

844

00:43:36,070 --> 00:43:34,160

the Southwest United States over the

845

00:43:38,710 --> 00:43:36,080

next couple of weeks that sounds pretty

846

00:43:42,010 --> 00:43:38,720

bad but do not be alarmed it's not Red

847

00:43:44,890 --> 00:43:42,020

Dawn it's just the US Air Force and its

848

00:43:46,840 --> 00:43:44,900

massive annual red flag war exercise

849

00:43:50,050 --> 00:43:46,850

based out of Nellis Air Force Base in

850

00:43:52,900 --> 00:43:50,060

Nevada as reported by war zone so there

851  
00:43:57,090 --> 00:43:55,060  
Matt I have seen Harry and the

852  
00:44:02,950 --> 00:43:57,100  
Hendersons and that was a horror movie

853  
00:44:05,620 --> 00:44:02,960  
it was very scary thing about all right

854  
00:44:09,870 --> 00:44:05,630  
big nose hair exercise going on a person

855  
00:44:12,310 --> 00:44:09,880  
of red flag been going on every year

856  
00:44:16,000 --> 00:44:12,320  
there's nothing here I wake up from

857  
00:44:18,640 --> 00:44:16,010  
nightmares Y whole food workers are

858  
00:44:23,350 --> 00:44:18,650  
hating life why do you think whole food

859  
00:44:28,050 --> 00:44:23,360  
workers are hating life it'd be that

860  
00:44:31,930 --> 00:44:28,060  
they just got bought out by Amazon hmmm

861  
00:44:32,680 --> 00:44:31,940  
possible let's say so and that's exactly

862  
00:44:34,240 --> 00:44:32,690  
what it is

863  
00:44:35,640 --> 00:44:34,250

jelly read this article it's not because

864

00:44:37,530 --> 00:44:35,650

I'm not smart

865

00:44:40,240 --> 00:44:37,540

[Music]

866

00:44:41,559 --> 00:44:40,250

they're upset these workers I won't read

867

00:44:42,910 --> 00:44:41,569

the article to you but these these

868

00:44:45,190 --> 00:44:42,920

workers are upset

869

00:44:46,930 --> 00:44:45,200

well the Whole Foods workers are now

870

00:44:49,599 --> 00:44:46,940

upset because Amazon has come in and

871

00:44:52,000 --> 00:44:49,609

said hey we have a new inventory system

872

00:44:54,309 --> 00:44:52,010

you must account for every fruit every

873

00:45:00,320 --> 00:44:54,319

Apple every banana every strawberry

874

00:45:06,070 --> 00:45:01,870

they must account for everything and

875

00:45:09,470 --> 00:45:06,080

they're very upset at having to do that

876

00:45:11,270 --> 00:45:09,480

so the county and everything and that

877

00:45:15,230 --> 00:45:11,280

Jeff Bezos is making them do that he's

878

00:45:18,620 --> 00:45:15,240

coming into each store and ensuring that

879

00:45:27,080 --> 00:45:18,630

these employees are getting the

880

00:45:29,870 --> 00:45:27,090

inventory done at all costs all right

881

00:45:32,300 --> 00:45:29,880

now here was a space-based weapon our

882

00:45:35,870 --> 00:45:32,310

space-based weapons platform used

883

00:45:40,360 --> 00:45:35,880

against Hawaii and that the ballistic

884

00:45:42,650 --> 00:45:40,370

missile warning we had a few weeks ago

885

00:45:44,240 --> 00:45:42,660

no agenda has been having some pretty

886

00:45:45,680 --> 00:45:44,250

good shows as of late and I recommend

887

00:45:50,300 --> 00:45:45,690

you check out their most recent one

888

00:45:52,670 --> 00:45:50,310

where they talked about Trump's inner

889

00:45:55,460 --> 00:45:52,680

circle during the transition into the

890

00:45:57,170 --> 00:45:55,470

presidency they did a background check

891

00:45:59,450 --> 00:45:57,180

or that even background check they just

892

00:46:02,180 --> 00:45:59,460

did like a lookup of their educational

893

00:46:05,310 --> 00:46:02,190

history very telling and they also had

894

00:46:14,030 --> 00:46:09,680

in a Hawaiian Observatory who had taken

895

00:46:16,950 --> 00:46:14,040

time last photography of the area of

896

00:46:18,570 --> 00:46:16,960

Hawaii and there was something that came

897

00:46:21,900 --> 00:46:18,580

out of the ocean like it was like a

898

00:46:26,220 --> 00:46:21,910

submarine surface-to-air missile that

899

00:46:27,660 --> 00:46:26,230

came out of the ocean as captured by the

900

00:46:31,860 --> 00:46:27,670

time-lapse photography of this

901  
00:46:34,320 --> 00:46:31,870  
planetarium and in telescope that was

902  
00:46:36,810 --> 00:46:34,330  
right in the air and read it read at the

903  
00:46:40,020 --> 00:46:36,820  
time were in this that the fake or the

904  
00:46:42,020 --> 00:46:40,030  
false warning system came in Hawaii and

905  
00:46:45,360 --> 00:46:42,030  
then there's this article was a

906  
00:46:47,430 --> 00:46:45,370  
space-based weapon used against why so a

907  
00:46:50,010 --> 00:46:47,440  
lot of people reporting that there was

908  
00:46:51,530 --> 00:46:50,020  
an actual attack going on or some sort

909  
00:46:53,550 --> 00:46:51,540  
of ballistic missile attack launched

910  
00:46:58,350 --> 00:46:53,560  
either was some kind of test

911  
00:47:00,440 --> 00:46:58,360  
and they went live or it was a test that

912  
00:47:03,990 --> 00:47:00,450  
this they didn't want to own up to

913  
00:47:08,070 --> 00:47:04,000

probably it was some kind of secret test

914

00:47:10,830 --> 00:47:08,080

and of some kind of like anti-ballistic

915

00:47:14,760 --> 00:47:10,840

missile test system going on they didn't

916

00:47:18,030 --> 00:47:14,770

notify anybody was going on the warning

917

00:47:20,030 --> 00:47:18,040

system came up the guy put the warning

918

00:47:21,440 --> 00:47:20,040

out

919

00:47:23,480 --> 00:47:21,450

because he believed it to be real

920

00:47:25,610 --> 00:47:23,490

because all indications believe it was

921

00:47:27,790 --> 00:47:25,620

was real because there was no upfront

922

00:47:29,870 --> 00:47:27,800

notification about a drill or test and

923

00:47:31,970 --> 00:47:29,880

so you put the warning out and then they

924

00:47:33,050 --> 00:47:31,980

said after the fact oh it was just a

925

00:47:34,130 --> 00:47:33,060

draw you should have known we do this

926  
00:47:36,350 --> 00:47:34,140  
every year

927  
00:47:39,020 --> 00:47:36,360  
but I think there's one or two fall guys

928  
00:47:41,840 --> 00:47:39,030  
at this point and right now they're

929  
00:47:44,360 --> 00:47:41,850  
taking the brunt of the blame and they

930  
00:47:47,180 --> 00:47:44,370  
shouldn't they shouldn't those lives

931  
00:47:49,040 --> 00:47:47,190  
will probably be ruined over this the

932  
00:47:49,880 --> 00:47:49,050  
shampoos yeah just give him some shampoo

933  
00:47:53,550 --> 00:47:49,890  
and they'll be fine

934  
00:47:55,410 --> 00:47:53,560  
we know that champ who solves everything

935  
00:47:57,300 --> 00:47:55,420  
there's a headline here chant China to

936  
00:48:01,260 --> 00:47:57,310  
stamp out crypto currency trading

937  
00:48:03,510 --> 00:48:01,270  
completely with completely with ban on

938  
00:48:05,839 --> 00:48:03,520

foreign platforms that's no good

939

00:48:07,489 --> 00:48:05,849

[Music]

940

00:48:11,509 --> 00:48:07,499

I mean house cryptocurrencies supposed

941

00:48:14,509 --> 00:48:11,519

to expand and be a part of the the world

942

00:48:17,539 --> 00:48:14,519

if China who is a major player in the

943

00:48:19,099 --> 00:48:17,549

world and it's gonna stamp it out why I

944

00:48:20,660 --> 00:48:19,109

find it hard believe that China does

945

00:48:24,469 --> 00:48:20,670

have doesn't have like the biggest stake

946

00:48:26,150 --> 00:48:24,479

in in Bitcoin right now they probably

947

00:48:28,729 --> 00:48:26,160

have mines going on

948

00:48:30,589 --> 00:48:28,739

giant server farms mining Bitcoin

949

00:48:31,699 --> 00:48:30,599

they're probably doing this I would say

950

00:48:33,799 --> 00:48:31,709

China's probably saying they're gonna

951  
00:48:37,009 --> 00:48:33,809  
stamp out crippled accordance currency

952  
00:48:38,829 --> 00:48:37,019  
to drive down the price of Bitcoin so

953  
00:48:42,349 --> 00:48:38,839  
that can they can mine it or buy it

954  
00:48:44,620 --> 00:48:42,359  
quicker and probably get the majority

955  
00:48:46,880 --> 00:48:44,630  
market share in Bitcoin and then

956  
00:48:48,529 --> 00:48:46,890  
probably in a month or two they'll agree

957  
00:48:51,380 --> 00:48:48,539  
they'll sign on to it once they've

958  
00:48:53,719 --> 00:48:51,390  
gotten a big enough stake in it to where

959  
00:48:56,539 --> 00:48:53,729  
they can agree to regulate it or accept

960  
00:48:58,819 --> 00:48:56,549  
it as payment no that'll Ernst röhlm

961  
00:49:01,219 --> 00:48:58,829  
cryptocurrency at that point which I see

962  
00:49:03,799 --> 00:49:01,229  
them trying to do some kind of Chinese

963  
00:49:06,259 --> 00:49:03,809

cryptocurrency little afraid on the open

964

00:49:09,140 --> 00:49:06,269

market probably link the bricks which is

965

00:49:12,289 --> 00:49:09,150

the their banking system over there but

966

00:49:16,589 --> 00:49:12,299

uh they're not going to stamp it out

967

00:49:22,560 --> 00:49:19,740

a US city to experiment with universal

968

00:49:24,720 --> 00:49:22,570

basic income I'll bring this open this

969

00:49:27,859 --> 00:49:24,730

has been a big thing lately

970

00:49:30,120 --> 00:49:27,869

Mark Zuckerberg and a lot of the

971

00:49:33,329 --> 00:49:30,130

internet entrepreneurs have been

972

00:49:36,920 --> 00:49:33,339

espousing universal basic income for for

973

00:49:40,910 --> 00:49:39,230

but I mean at that point like why I mean

974

00:49:42,290 --> 00:49:40,920

they could talk about it I know they

975

00:49:45,740 --> 00:49:42,300

want like some kind of like government

976  
00:49:48,049 --> 00:49:45,750  
legislation around universal basic

977  
00:49:50,930 --> 00:49:48,059  
income but Mark Zuckerberg is a

978  
00:49:56,329 --> 00:49:50,940  
billionaire he can hand out income to

979  
00:50:03,609 --> 00:49:58,579  
you can just literally go on the streets

980  
00:50:05,900 --> 00:50:03,619  
and say here here is a million dollars

981  
00:50:09,019 --> 00:50:05,910  
in granted you probably shouldn't do

982  
00:50:12,289 --> 00:50:09,029  
that to heroin addict but he could do

983  
00:50:14,749 --> 00:50:12,299  
that he Mark Zuckerberg and lolis guys

984  
00:50:18,049 --> 00:50:14,759  
who want this have and they can make a

985  
00:50:20,029 --> 00:50:18,059  
difference in the world and I don't know

986  
00:50:22,009 --> 00:50:20,039  
if they are maybe they're doing some

987  
00:50:24,259 --> 00:50:22,019  
charity work but you know what charities

988  
00:50:28,480 --> 00:50:24,269

do they then we give away like five to

989

00:50:31,720 --> 00:50:30,190

and they even play that because there

990

00:50:34,100 --> 00:50:31,730

was an ad there and I didn't want to

991

00:50:37,430 --> 00:50:34,110

deal with ads

992

00:50:38,870 --> 00:50:37,440

all right the f-35 put through its paces

993

00:50:41,600 --> 00:50:38,880

in first

994

00:50:44,390 --> 00:50:41,610

Asia Asia Pacific deployment oh my god

995

00:50:46,160 --> 00:50:44,400

we summon the f-35 hit oh yeah we are

996

00:50:51,530 --> 00:50:46,170

we're not using it or some of the other

997

00:50:54,770 --> 00:50:51,540

places the f-35 which is a trillion

998

00:50:56,270 --> 00:50:54,780

dollar slush fund as far as I'm

999

00:51:00,320 --> 00:50:56,280

concerned for the military-industrial

1000

00:51:02,920 --> 00:51:00,330

complex this this fighter plane it's

1001  
00:51:05,090 --> 00:51:02,930  
been in production for years and had

1002  
00:51:08,270 --> 00:51:05,100  
multitudes of problems not being sold

1003  
00:51:13,070 --> 00:51:08,280  
all right from Washington look at the

1004  
00:51:15,350 --> 00:51:13,080  
skies above India Air Force Base on the

1005  
00:51:17,270 --> 00:51:15,360  
Japanese island of Okinawa and twice

1006  
00:51:19,340 --> 00:51:17,280  
daily you'll get a glimpse of US Air

1007  
00:51:22,910 --> 00:51:19,350  
Force f-35 fighter jet taking it off

1008  
00:51:24,470 --> 00:51:22,920  
only to land several hours later watch

1009  
00:51:28,340 --> 00:51:24,480  
the base itself and you'll see

1010  
00:51:31,460 --> 00:51:28,350  
maintenance errs maintain errs maintain

1011  
00:51:33,770 --> 00:51:31,470  
as ministers maintain errs working round

1012  
00:51:36,650 --> 00:51:33,780  
the clock to ensure the service of this

1013  
00:51:41,540 --> 00:51:36,660

newest fighter jet newest fighter jets

1014

00:51:42,710 --> 00:51:41,550

are ready to go it seems like there's

1015

00:51:49,220 --> 00:51:42,720

better planes out there I think they

1016

00:51:53,660 --> 00:51:51,380

spend my three months since more than

1017

00:51:58,480 --> 00:51:53,670

300 Airmen relocated to the Hill Air

1018

00:52:01,359 --> 00:51:58,490

Force Base Utah to Japan for the f-35 a

1019

00:52:04,299 --> 00:52:01,369

conventional takeoff and landing models

1020

00:52:07,759 --> 00:52:04,309

first-ever stint in the asia-pacific

1021

00:52:14,750 --> 00:52:07,769

area the first of the twelve Jets

1022

00:52:19,339 --> 00:52:14,760

arrived at the cat and cat anda caddy na

1023

00:52:21,680 --> 00:52:19,349

Kadena B Kadena Kadena in late October

1024

00:52:26,000 --> 00:52:21,690

for six months deployment the longest

1025

00:52:31,339 --> 00:52:26,010

period for the 34th Fighter Squadron has

1026

00:52:32,000 --> 00:52:31,349

spent away from home all right well we

1027

00:52:34,279 --> 00:52:32,010

can't use it

1028

00:52:35,779 --> 00:52:34,289

we can't our pilots probably do not want

1029

00:52:37,940 --> 00:52:35,789

to fly it so they're trying to sell it

1030

00:52:40,339 --> 00:52:37,950

to these other countries as some kind of

1031

00:52:43,690 --> 00:52:40,349

[h\_\_h] awesome new state-of-the-art

1032

00:52:48,470 --> 00:52:43,700

thing when it's just a trillion-dollar

1033

00:52:49,970 --> 00:52:48,480

black budget project that is used fund

1034

00:52:53,089 --> 00:52:49,980

other things while they put a shitty

1035

00:52:53,990 --> 00:52:53,099

vehicle I don't know I guess I just

1036

00:52:56,150 --> 00:52:54,000

don't want to believe in the

1037

00:53:07,769 --> 00:52:56,160

incompetence consider how many awesome

1038

00:53:07,779 --> 00:53:14,680

did you do all right well

1039

00:53:23,070 --> 00:53:17,770

it's just not going good is that 35 is

1040

00:53:29,190 --> 00:53:26,160

it's just not gonna be is it how many

1041

00:53:32,460 --> 00:53:29,200

how many years has the f-35 been in

1042

00:53:38,800 --> 00:53:32,470

production trying to be produced f-35

1043

00:53:43,340 --> 00:53:42,010

we have contracts the God I think it

1044

00:53:48,280 --> 00:53:43,350

started like ten years ago

1045

00:53:53,650 --> 00:53:51,400

hey color go ahead Hey oh you're all

1046

00:53:55,960 --> 00:53:53,660

here wha way off on the timing then

1047

00:53:58,720 --> 00:53:55,970

Mike this is Mike yes it is hey how you

1048

00:53:59,950 --> 00:53:58,730

doing Mike this is Matt hey you know

1049

00:54:01,680 --> 00:53:59,960

1050

00:54:05,170 --> 00:54:01,690

friend of mine just turned me on to you

1051

00:54:06,460 --> 00:54:05,180

I really there's a caller I love he

1052

00:54:07,510 --> 00:54:06,470

calls in all the time I don't know if

1053

00:54:09,940 --> 00:54:07,520

he's a regular I've heard him on a

1054

00:54:11,320 --> 00:54:09,950

couple of ones bill or strokey bill

1055

00:54:13,750 --> 00:54:11,330

oh it's Turkey bill we love him yeah Oh

1056

00:54:17,470 --> 00:54:13,760

1057

00:54:18,550 --> 00:54:17,480

work for me no okay could you get me in

1058

00:54:20,410 --> 00:54:18,560

touch with him is there a way I can get

1059

00:54:22,300 --> 00:54:20,420

in touch with them I can send you his

1060

1064

00:54:32,560 --> 00:54:30,100

against that

1065

00:54:35,590 --> 00:54:32,570

awesome awesome oh yeah I work for

1066

00:54:38,260 --> 00:54:35,600

iHeartRadio believe it or not you know

1067

00:54:40,330 --> 00:54:38,270

you gotta find people where you find him

1068

00:54:42,160 --> 00:54:40,340

exactly all right cool cool that's

1069

00:54:44,530 --> 00:54:42,170

awesome I see called in today I just I

1070

00:54:46,090 --> 00:54:44,540

just started listening he did not call

1071

00:54:49,330 --> 00:54:46,100

in he hasn't called in for the past few

1072

00:54:50,920 --> 00:54:49,340

shows uh I think he might be missing in

1073

00:54:53,470 --> 00:54:50,930

action or he doesn't get notification

1074

00:54:54,970 --> 00:54:53,480

it's like he's a dodgy dude sometimes he

1075

00:54:56,290 --> 00:54:54,980

listens and sometimes he doesn't but he

1076

00:54:57,760 --> 00:54:56,300

said he's a funny guy man

1077

00:55:00,160 --> 00:54:57,770

did he do you think he really had a

1078

00:55:05,190 --> 00:55:00,170

stroke is that for real yes it's not a

1079

00:55:07,750 --> 00:55:05,200

bit I don't believe so no Ill like I've

1080

00:55:11,200 --> 00:55:07,760

talked to him for quite a bit he he's a

1081

00:55:14,230 --> 00:55:11,210

the funny dude I believe he actually had

1082

00:55:16,510 --> 00:55:14,240

a stroke yeah okay so he sounds say he

1083

00:55:17,740 --> 00:55:16,520

sounds like a lot of fun yes oh that's

1084

00:55:19,390 --> 00:55:17,750

awesome you know what okay so you put

1085

00:55:20,650 --> 00:55:19,400

the emails on the site I'm gonna I'm

1086

00:55:22,540 --> 00:55:20,660

gonna send you an email and then you

1087

00:55:29,260 --> 00:55:22,550

send me his info okay I will do that

1088

00:55:36,340 --> 00:55:32,950

gonna get the rookie bill some I Heart

1089

00:55:36,350 --> 00:55:41,910

it isn't I Heart Radio in bankruptcy I

1090

00:55:51,310 --> 00:55:44,740

should hire bill Turkey bill he might

1091

00:55:51,320 --> 00:55:55,870

[Music]

1092

00:56:02,799 --> 00:56:00,460

wait look I mean as the show grows and

1093

00:56:05,589 --> 00:56:02,809

if there's anything I learned about

1094

00:56:10,150 --> 00:56:05,599

YouTube is that I should I should be

1095

00:56:12,400 --> 00:56:10,160

doing shorter shows like six hex and

1096

00:56:13,479 --> 00:56:12,410

hammer he does like you know ten minute

1097

00:56:18,099 --> 00:56:13,489

videos here and there

1098

00:56:21,069 --> 00:56:18,109

I do hour-long like conversations where

1099

00:56:23,920 --> 00:56:21,079

I'm just talking and rambling and it

1100

00:56:24,339 --> 00:56:23,930

stagnates I get that I don't care it's

1101

00:56:27,219 --> 00:56:24,349

fine

1102

00:56:29,799 --> 00:56:27,229

the show will grow as it grows but if we

1103

00:56:32,009 --> 00:56:29,809

ever do reach like a hundred thousand

1104

00:56:38,120 --> 00:56:32,019

subscribers this show is going to be

1105

00:56:43,969 --> 00:56:42,229

completely insane it's not I can't keep

1106

00:56:45,739 --> 00:56:43,979

it contained like that I mean you look

1107

00:56:48,019 --> 00:56:45,749

at Anthony Brian Logan what he does over

1108

00:56:49,489 --> 00:56:48,029

there he's very professional he's got a

1109

00:56:50,900 --> 00:56:49,499

good show he doesn't call he does call

1110

00:56:52,249 --> 00:56:50,910

ins and that kind of stuff but he

1111

00:56:53,359 --> 00:56:52,259

doesn't drink he didn't deal with

1112

00:56:56,089 --> 00:56:53,369

anything that kind of stuff he's

1113

00:56:58,969 --> 00:56:56,099

professional I'm not I'm a goodtime

1114

00:56:59,930 --> 00:56:58,979

charlie let me try to have fun and goof

1115

00:57:02,299 --> 00:56:59,940

around a little bit

1116

00:57:04,130 --> 00:57:02,309

[h\_\_h] it's Monday is it miss Monday night

1117

00:57:11,880 --> 00:57:04,140

and I'm trying to have fun and talk

1118

00:57:17,790 --> 00:57:13,320

I don't wine them along their

1119

00:57:24,420 --> 00:57:17,800

programming [h\_\_h] everyone I'm sorry

1120

00:57:26,010 --> 00:57:24,430

shouldn't say that that's right I will

1121

00:57:27,300 --> 00:57:26,020

be one game down the show here very

1122

00:57:29,520 --> 00:57:27,310

shortly because I need to take a shower

1123

00:57:33,030 --> 00:57:29,530

I guess I'm gonna eat and let the dogs

1124

00:57:36,270 --> 00:57:33,040

out and yeah if you want to get in touch

1125

00:57:37,650 --> 00:57:36,280

1130  
00:57:50,870 --> 00:57:47,320  
goofy each other and all that kind of

1131  
00:57:50,880 --> 00:57:56,110  
it's a tight-knit community

1132  
00:58:03,410 --> 00:57:59,710  
we run here at obedia

1133  
00:58:06,620 --> 00:58:04,970  
I have a good time doing this show I

1134  
00:58:09,170 --> 00:58:06,630  
really enjoy talking about all this

1135  
00:58:11,420 --> 00:58:09,180  
goofy stuff and if I wasn't streaming

1136  
00:58:13,460 --> 00:58:11,430  
live I'd probably be doing this exact

1137  
00:58:17,150 --> 00:58:13,470  
same thing by myself talking to my dog

1138  
00:58:20,329 --> 00:58:17,160

1160

01:00:02,730 --> 00:59:59,320
