

NIGHT TALK
with
MIDNIGHT MIKE

1
00:00:10,590 --> 00:00:02,879
and I'm guessing you'll hear the music

2
00:00:12,750 --> 00:00:10,600
here soon here we go you know your read

3
00:00:13,560 --> 00:00:12,760
what others have done and if you took

4
00:00:15,000 --> 00:00:13,570
the next step

5
00:00:16,139 --> 00:00:15,010
didn't turn the knowledge for yourselves

6
00:00:27,660 --> 00:00:16,149
so

7
00:00:27,670 --> 00:00:31,290
[Music]

8
00:00:36,470 --> 00:00:35,590
what alternate universe is this what

9
00:00:41,400 --> 00:00:36,480
planet

10
00:00:46,760 --> 00:00:45,030
hey welcome back to another night pop

11
00:00:49,440 --> 00:00:46,770
live

12
00:00:51,150 --> 00:00:49,450
my name is midnight Mike and we're

13
00:00:55,950 --> 00:00:51,160

broadcasting at 7:00 p.m. Eastern

14

00:01:00,990 --> 00:00:55,960

Standard Time and I'm joined on this

15

00:01:03,509 --> 00:01:01,000

show by like Grimm and James from the

16

00:01:04,979 --> 00:01:03,519

cruising mistake podcast thank you very

17

00:01:07,560 --> 00:01:04,989

much guys for joining me I really

18

00:01:10,040 --> 00:01:07,570

appreciate that thanks for having us

19

00:01:12,960 --> 00:01:10,050

yeah man I really appreciate it Matt

20

00:01:16,830 --> 00:01:12,970

it's good good having a chat again man

21

00:01:18,990 --> 00:01:16,840

for sure yeah the last time we talked I

22

00:01:21,300 --> 00:01:19,000

was on your show I don't know just kind

23

00:01:23,850 --> 00:01:21,310

of goofy words early it was early on in

24

00:01:27,359 --> 00:01:23,860

the podcast when I was drinking yeah Wow

25

00:01:29,370 --> 00:01:27,369

yeah I did stop in August I had a

26

00:01:31,859 --> 00:01:29,380

meltdown I'm drinking all the alcohol

27

00:01:36,980 --> 00:01:31,869

you're not drinking so it's okay with me

28

00:01:44,639 --> 00:01:40,740

I've yeah this is a night talk live and

29

00:01:46,919 --> 00:01:44,649

usually during the normal podcast obdam

30

00:01:50,100 --> 00:01:46,929

Joe and I and clown baby will cover like

31

00:01:52,469 --> 00:01:50,110

current events conspiracy and paranormal

32

00:01:54,510 --> 00:01:52,479

stuff and you'll touch that will under

33

00:01:56,400 --> 00:01:54,520

for stuff but I like the the

34

00:01:58,529 --> 00:01:56,410

metaphysical stuff I like the the big

35

00:01:59,699 --> 00:01:58,539

questions like who are we where are we

36

00:02:01,889 --> 00:01:59,709

going

37

00:02:04,350 --> 00:02:01,899

astral projection and remote viewing and

38

00:02:06,029 --> 00:02:04,360

James hit me up a few days ago asking

39

00:02:09,080 --> 00:02:06,039

hey Mike you want to join our remote

40

00:02:11,729 --> 00:02:09,090

viewing group that we got going on and

41

00:02:13,470 --> 00:02:11,739

we share some listeners the are big dumb

42

00:02:17,040 --> 00:02:13,480

mouth crowd and the cruising the state

43

00:02:20,070 --> 00:02:17,050

pop podcast we share listeners and it

44

00:02:21,750 --> 00:02:20,080

intrigued me so maybe James you can tell

45

00:02:26,850 --> 00:02:21,760

me exactly what are you guys doing with

46

00:02:28,890 --> 00:02:26,860

your remote viewing sessions well yeah

47

00:02:31,680 --> 00:02:28,900

man that kind of like yeah like you're

48

00:02:34,500 --> 00:02:31,690

saying I mean that topic comes up a lot

49

00:02:38,460 --> 00:02:34,510

at least like an hour you know like

50

00:02:41,100 --> 00:02:38,470

realm of looking down these these rabbit

51
00:02:44,970 --> 00:02:41,110
holes or whatever and eventually you

52
00:02:46,559 --> 00:02:44,980
come across a remote viewing and yeah

53
00:02:50,100 --> 00:02:46,569
astral projection like you were saying

54
00:02:53,900 --> 00:02:50,110
but like so that comes up a lot in our

55
00:02:55,700 --> 00:02:53,910
chats and we've had some people

56
00:02:58,910 --> 00:02:55,710
kind of want to start like the whole

57
00:03:02,270 --> 00:02:58,920
experience doing it and run Collier

58
00:03:04,970 --> 00:03:02,280
who's a great good friend of our show

59
00:03:08,230 --> 00:03:04,980
we've had him on to like you'll find him

60
00:03:11,750 --> 00:03:08,240
on our on our stream or whatever our

61
00:03:14,180 --> 00:03:11,760
chats and stuff but uh and and that guy

62
00:03:16,670 --> 00:03:14,190
who's a crossover from yours to ours

63
00:03:18,020 --> 00:03:16,680

back and forth back and forth and those

64

00:03:22,610 --> 00:03:18,030

two are kind of running the whole thing

65

00:03:25,430 --> 00:03:22,620

man and then basically it's like a man

66

00:03:27,290 --> 00:03:25,440

it it's supposed to start soon so if

67

00:03:30,320 --> 00:03:27,300

you do want to do it let me know I can I

68

00:03:31,880 --> 00:03:30,330

can get you the form but uh but yeah

69

00:03:34,010 --> 00:03:31,890

it's it's gonna be like a really long

70

00:03:36,590 --> 00:03:34,020

not a super long process of form

71

00:03:38,060 --> 00:03:36,600

involved that to fill out paperwork you

72

00:03:40,850 --> 00:03:38,070

just have to sign something it's weird

73

00:03:42,620 --> 00:03:40,860

it's it's it's very official it sounds

74

00:03:44,750 --> 00:03:42,630

like oh my god I mean we have to get

75

00:03:48,830 --> 00:03:44,760

this like the Attorney General of Ohio -

76

00:03:52,850 --> 00:03:48,840

okay good I see yes yes yeah it's pretty

77

00:03:55,160 --> 00:03:52,860

cool dude it's like it's like a I would

78

00:03:57,860 --> 00:03:55,170

say from now - like I would say it

79

00:04:01,400 --> 00:03:57,870

around the summer so I mean it's only

80

00:04:03,290 --> 00:04:01,410

like every it's once every two weeks and

81

00:04:08,090 --> 00:04:03,300

you don't want to like kind of just sit

82

00:04:10,490 --> 00:04:08,100

down and meditate for like thirty

83

00:04:11,540 --> 00:04:10,500

minutes okay and then and that's all

84

00:04:12,380 --> 00:04:11,550

you're doing and you're just collecting

85

00:04:15,110 --> 00:04:12,390

data

86

00:04:16,849 --> 00:04:15,120

you'll be given like the way I'm sure

87

00:04:19,250 --> 00:04:16,859

you know a little bit about how remote

88

00:04:20,930 --> 00:04:19,260

viewing works you're given a target and

89

00:04:23,060 --> 00:04:20,940

you just kind of meditate on these

90

00:04:24,650 --> 00:04:23,070

coordinates and remote viewing and

91

00:04:27,230 --> 00:04:24,660

astral projection or a little bit

92

00:04:29,720 --> 00:04:27,240

different from each other yeah yeah so

93

00:04:32,720 --> 00:04:29,730

remote viewing is all about like okay

94

00:04:35,210 --> 00:04:32,730

imagine an object or whatever you're

95

00:04:37,730 --> 00:04:35,220

feeling from this target like you are

96

00:04:41,930 --> 00:04:37,740

putting yourself where this target is

97

00:04:47,420 --> 00:04:41,940

and the target can exist now in the past

98

00:04:49,010 --> 00:04:47,430

and in the future and so imagine it okay

99

00:04:51,320 --> 00:04:49,020

there's an apple it's sitting on my desk

100

00:04:55,460 --> 00:04:51,330

like hey how is somebody supposed to

101
00:04:58,160 --> 00:04:55,470
view that but with the power of intent

102
00:05:00,080 --> 00:04:58,170
and searching and all that like I guess

103
00:05:01,490 --> 00:05:00,090
I don't know we're gonna find out so

104
00:05:03,620 --> 00:05:01,500
we're gonna start out with the basics

105
00:05:05,400 --> 00:05:03,630
basic stuff like that for the first like

106
00:05:07,230 --> 00:05:05,410
trial runs of it

107
00:05:08,640 --> 00:05:07,240
well I mean I do appreciate the the

108
00:05:11,580 --> 00:05:08,650
effort you guys are putting into doing

109
00:05:15,360 --> 00:05:11,590
is the this deep kind of research it's a

110
00:05:17,010 --> 00:05:15,370
I'm kind of envious I I might I might be

111
00:05:19,350 --> 00:05:17,020
like this you said once every two weeks

112
00:05:22,230 --> 00:05:19,360
dude it's a cake it's a piece of cake

113
00:05:23,970 --> 00:05:22,240

dude yeah yeah yeah this will get with

114

00:05:25,500 --> 00:05:23,980

that guy and stuff and he's a like I

115

00:05:29,220 --> 00:05:25,510

said he's a good friend of both of us

116

00:05:32,040 --> 00:05:29,230

so like do you know well thumb now is

117

00:05:34,350 --> 00:05:32,050

that freaking guy is oh you know what oh

118

00:05:43,000 --> 00:05:34,360

my I'll do it is thirty minutes every

119

00:05:48,750 --> 00:05:46,370

[Laughter]

120

00:05:51,690 --> 00:05:48,760

yeah you're just gonna sit down and just

121

00:05:54,630 --> 00:05:51,700

kind of record like is it sharp

122

00:05:56,910 --> 00:05:54,640

what's it smells hot fuzzy cold whatever

123

00:06:00,230 --> 00:05:56,920

you know it's just data collection and

124

00:06:02,790 --> 00:06:00,240

then all this info is given you know

125

00:06:04,650 --> 00:06:02,800

into the data mine and that's all it is

126
00:06:12,120 --> 00:06:04,660
man and at the end of like six months we

127
00:06:15,150 --> 00:06:12,130
figure out what the results were okay hi

128
00:06:15,510 --> 00:06:15,160
I'm max I'm into it 30 minutes every two

129
00:06:18,090 --> 00:06:15,520
weeks

130
00:06:20,160 --> 00:06:18,100
let's remote view let's do it let's see

131
00:06:22,350 --> 00:06:20,170
what happens if you wouldn't mind let's

132
00:06:28,770 --> 00:06:22,360
transition on to our first topic all

133
00:06:30,450 --> 00:06:28,780
right all right we are going to talk

134
00:06:34,320 --> 00:06:30,460
about some movies and entertainment

135
00:06:36,990 --> 00:06:34,330
right now and that's what it says in the

136
00:06:42,060 --> 00:06:37,000
title we're talking about some altered

137
00:06:44,040 --> 00:06:42,070
carbon and maybe the paradox the the

138
00:06:45,210 --> 00:06:44,050

Gloversville paradox in the phone lines

139

00:06:47,820 --> 00:06:45,220

are wide open six one four three eight

140

00:06:50,520 --> 00:06:47,830

nine 109 and will be mostly happy to

141

00:06:54,860 --> 00:06:50,530

take your calls but I did watch this

142

00:06:57,870 --> 00:06:54,870

newest movie the Cloverfield paradox

143

00:06:59,240 --> 00:06:57,880

which debuted the trailer during the

144

00:07:02,160 --> 00:06:59,250

Superbowl and then they immediately

145

00:07:04,440 --> 00:07:02,170

immediately released the movie right

146

00:07:06,570 --> 00:07:04,450

after the Super Bowl which I believe is

147

00:07:09,270 --> 00:07:06,580

a great new marketing strategy for

148

00:07:10,980 --> 00:07:09,280

Netflix brilliant because people have

149

00:07:12,840 --> 00:07:10,990

been talking about what's his new

150

00:07:14,310 --> 00:07:12,850

Cloverfield movie gonna be like I

151
00:07:16,080 --> 00:07:14,320
haven't seen any posters and there

152
00:07:18,540 --> 00:07:16,090
hasn't been any trailers whatsoever so

153
00:07:23,010 --> 00:07:18,550
there was a little bit of hype around it

154
00:07:24,990 --> 00:07:23,020
I did I did hear some hype a while back

155
00:07:27,450 --> 00:07:25,000
it was supposed to be called like the

156
00:07:30,330 --> 00:07:27,460
god particle or something like that from

157
00:07:32,850 --> 00:07:30,340
what I from what I gathered but had no

158
00:07:35,160 --> 00:07:32,860
clue like it was gonna be a Netflix

159
00:07:36,390 --> 00:07:35,170
thing you're going to see the commercial

160
00:07:46,140 --> 00:07:36,400
during the Super Bowl I just happened to

161
00:07:51,390 --> 00:07:46,150
see like 10 Cloverfield Lane yeah I did

162
00:07:54,060 --> 00:07:51,400
I've seen it was great so I'm about to

163
00:07:57,180 --> 00:07:54,070

talk about this maybe so we don't ruin

164

00:07:59,550 --> 00:07:57,190

it for anybody but yes it's tough I'll

165

00:08:04,020 --> 00:07:59,560

try to dance around it as much as I can

166

00:08:07,050 --> 00:08:04,030

yeah cuz it is pretty new yeah just

167

00:08:09,480 --> 00:08:07,060

watch it the other day - yes I mean it

168

00:08:11,040 --> 00:08:09,490

is goodness watch so the idea of this

169

00:08:14,340 --> 00:08:11,050

movie is so it takes place within the

170

00:08:17,400 --> 00:08:14,350

Cloverfield universe and so in this

171

00:08:19,440 --> 00:08:17,410

movie they're like hey we need you

172

00:08:21,900 --> 00:08:19,450

people to go to space and figure out

173

00:08:22,230 --> 00:08:21,910

free energy and if you guys don't do

174

00:08:24,960 --> 00:08:22,240

this

175

00:08:26,550 --> 00:08:24,970

we're gonna blow each other up and like

176

00:08:27,630 --> 00:08:26,560

oh [h__h] we're gonna go out in space and

177

00:08:30,240 --> 00:08:27,640

try to figure out how to make free

178

00:08:32,940 --> 00:08:30,250

energy and and then they also said by

179

00:08:36,450 --> 00:08:32,950

the way if you try to make free energy

180

00:08:38,520 --> 00:08:36,460

it's a very minor possibility that you

181

00:08:42,300 --> 00:08:38,530

might rip open space and time and

182

00:08:45,390 --> 00:08:42,310

release release like all these

183

00:08:47,520 --> 00:08:45,400

dimensional weirdnesses upon the

184

00:08:51,180 --> 00:08:47,530

universes and it's like ok we'll do it

185

00:08:54,630 --> 00:08:51,190

anyways and that's the premise of the

186

00:08:58,050 --> 00:08:54,640

show of the movie and what kind of

187

00:09:00,180 --> 00:08:58,060

happens is that they realize that when

188

00:09:02,310 --> 00:09:00,190

creating this much energy it interacts

189

00:09:04,580 --> 00:09:02,320

with other dimensions and you don't know

190

00:09:10,260 --> 00:09:04,590

maybe which dimension you're living in

191

00:09:13,620 --> 00:09:10,270

yeah that yeah hence the trilogy's of

192

00:09:17,010 --> 00:09:13,630

these movies now because if you're

193

00:09:20,190 --> 00:09:17,020

creating alternate timelines this exists

194

00:09:22,350 --> 00:09:20,200

like the first movie then 10 Cloverfield

195

00:09:25,670 --> 00:09:22,360

Lane exists where there's alien or

196

00:09:29,630 --> 00:09:27,920

spaceships in that one yeah there was

197

00:09:32,810 --> 00:09:29,640

some [h__h] flying around towards the end

198

00:09:34,370 --> 00:09:32,820

there's crazy stuff going on then

199

00:09:37,400 --> 00:09:34,380

there's this one and there's gonna be

200

00:09:38,930 --> 00:09:37,410

another one yeah yes like the first one

201

00:09:40,490 --> 00:09:38,940

was a like a strip Godzilla monster

202

00:09:42,730 --> 00:09:40,500

movie second one was again like a

203

00:09:45,139 --> 00:09:42,740

claustrophobic psychological kind of

204

00:09:47,980 --> 00:09:45,149

what the [h__\h] is going on this one was a

205

00:09:50,120 --> 00:09:47,990

science fiction what the [h__\h] going on

206

00:09:53,240 --> 00:09:50,130

would you think the first one was like

207

00:09:54,829 --> 00:09:53,250

Blair Witch remember that was the first

208

00:09:55,970 --> 00:09:54,839

person yeah

209

00:09:58,940 --> 00:09:55,980

that was kind of hot at the time that

210

00:10:01,010 --> 00:09:58,950

she came her stuff oh yeah shaky camera

211

00:10:04,490 --> 00:10:01,020

yeah but this this last one the the

212

00:10:06,949 --> 00:10:04,500

paradox it opened up and it you know the

213

00:10:09,410 --> 00:10:06,959

writers this is what I imagine having

214

00:10:12,139 --> 00:10:09,420

with this is that JJ Abrams saw the

215

00:10:15,260 --> 00:10:12,149

script and said look on his own this is

216

00:10:17,050 --> 00:10:15,270

some kind of CERN hypothetical situation

217

00:10:20,210 --> 00:10:17,060

like okay but if you put the CERN

218

00:10:21,680 --> 00:10:20,220

particle collider in space let's put it

219

00:10:23,780 --> 00:10:21,690

in the Cloverfield universe that's what

220

00:10:25,519 --> 00:10:23,790

when you see Gigi introductions he said

221

00:10:29,030 --> 00:10:25,529

go ahead and put this movie in my

222

00:10:31,190 --> 00:10:29,040

universe and it will work like I don't

223

00:10:32,660 --> 00:10:31,200

see this movie making like it had it

224

00:10:34,930 --> 00:10:32,670

been released in theaters I don't think

225

00:10:37,910 --> 00:10:34,940

it would have made that much money nah

226

00:10:41,360 --> 00:10:37,920

let's it got ripped to shreds but did it

227

00:10:44,060 --> 00:10:41,370

really yeah like God dude it did it got

228

00:10:46,760 --> 00:10:44,070

tore apart yeah listen I'm gonna bring

229

00:10:48,590 --> 00:10:46,770

it up on screen what is the IMDB or

230

00:10:52,519 --> 00:10:48,600

Rotten Tomatoes just get all of them

231

00:10:55,250 --> 00:10:52,529

yeah everything I read was just like one

232

00:11:07,910 --> 00:10:55,260

star one and a half I think he like Eber

233

00:11:10,430 --> 00:11:07,920

gave it like almost two though it's got

234

00:11:16,069 --> 00:11:10,440

sixteen percent on Rotten that's

235

00:11:18,199 --> 00:11:16,079

[h__h] no I know the facts were good

236

00:11:20,690 --> 00:11:18,209

like everything was good at it dude I

237

00:11:23,900 --> 00:11:20,700

don't understand like I yeah I don't

238

00:11:25,550 --> 00:11:23,910

know it's not worth 16 percent it's

239

00:11:29,030 --> 00:11:25,560

definitely better than Justice League

240

00:11:31,010 --> 00:11:29,040

which got 40 percent yeah and I watched

241

00:11:34,699 --> 00:11:31,020

Justice League I actually didn't much

242

00:11:36,440 --> 00:11:34,709

did you like Justice League I think all

243

00:11:38,750 --> 00:11:36,450

movies i watch because I'm just a I'm a

244

00:11:39,319 --> 00:11:38,760

goof balls like oh it's great I'm I'm a

245

00:11:42,799 --> 00:11:39,329

dime of

246

00:11:45,289 --> 00:11:42,809

movies - or any sci-fi whatever type

247

00:11:47,239 --> 00:11:45,299

[h__h] I mean I like the the effort that

248

00:11:51,019 --> 00:11:47,249

people have made to put in some amazing

249

00:11:53,569 --> 00:11:51,029

freakin movies you know but what I like

250

00:11:56,289 --> 00:11:53,579

about the the the Cloverfield paradox is

251

00:11:59,179 --> 00:11:56,299

that it involves the free-energy

252

00:12:01,929 --> 00:11:59,189

scenario which in the you know conflicts

253

00:12:05,119 --> 00:12:01,939

over energy yeah the whole CERN thing

254

00:12:07,189 --> 00:12:05,129

which we've we've covered you guys

255

00:12:09,619 --> 00:12:07,199

probably talked about that look when you

256

00:12:11,869 --> 00:12:09,629

guys are messing around with these God

257

00:12:14,239 --> 00:12:11,879

particles and the Higgs boson it could

258

00:12:16,669 --> 00:12:14,249

it could open up new dimensions and I

259

00:12:18,439 --> 00:12:16,679

haven't gone back and looked but I

260

00:12:20,269 --> 00:12:18,449

probability was like a whole show on

261

00:12:24,109 --> 00:12:20,279

that of what possibly could happen and

262

00:12:27,530 --> 00:12:24,119

all the occultism around CERN and

263

00:12:31,100 --> 00:12:27,540

there's that shiva statue out yeah

264

00:12:34,280 --> 00:12:31,110

what's up with that it was a gift it was

265

00:12:38,720 --> 00:12:34,290

a gift it pulled the room together

266

00:12:40,900 --> 00:12:38,730

there's a lot of occultism that goes

267

00:12:43,189 --> 00:12:40,910

around with the science stuff and

268

00:12:46,059 --> 00:12:43,199

discern that this movie the cloverville

269

00:12:48,499 --> 00:12:46,069

paradox put the CERN in space and

270

00:12:50,569 --> 00:12:48,509

there's a lot of goofiness that goes on

271

00:12:52,699 --> 00:12:50,579

like of these people trying to deal with

272

00:12:55,039 --> 00:12:52,709

the reality that they're currently in

273

00:12:58,369 --> 00:12:55,049

and they're trying to figure out how to

274

00:13:00,319 --> 00:12:58,379

get out of it and it's it's an

275

00:13:02,299 --> 00:13:00,329

interesting science fiction take and I I

276

00:13:05,269 --> 00:13:02,309

think what they're gonna do and what

277

00:13:08,059 --> 00:13:05,279

they should do with this Cloverfield

278

00:13:11,299 --> 00:13:08,069

series is and the movies now and just

279

00:13:13,850 --> 00:13:11,309

put a Cloverfield series on Netflix

280

00:13:14,840 --> 00:13:13,860

at this point yeah I thought they you

281

00:13:17,329 --> 00:13:14,850

remember when they came out with like

282

00:13:18,769 --> 00:13:17,339

Assassin's Creed the movie mm-hmm I

283

00:13:20,989 --> 00:13:18,779

thought they should have done like a

284

00:13:23,449 --> 00:13:20,999

Netflix like you know how there's so

285

00:13:25,669 --> 00:13:23,459

many games you know dude like I don't

286

00:13:27,199 --> 00:13:25,679

know but that's my Burton pot on a

287

00:13:29,179 --> 00:13:27,209

series but yeah they should just

288

00:13:30,619 --> 00:13:29,189

straight just make a whole series out of

289

00:13:32,659 --> 00:13:30,629

that show they should do that with

290

00:13:34,609 --> 00:13:32,669

Cloverfield a definite Assassin's Creed

291

00:13:36,439 --> 00:13:34,619

that is definitely Netflix worthy it's

292

00:13:38,179 --> 00:13:36,449

not strongly vd8 straight to Netflix at

293

00:13:41,809 --> 00:13:38,189

this point yeah I mean cuz dude they're

294

00:13:44,419 --> 00:13:41,819

pushing the envelope like with like

295

00:13:46,999 --> 00:13:44,429

whatever like language racy you know

296

00:13:50,539 --> 00:13:47,009

like I mean God altered carbon dude it's

297

00:13:51,980 --> 00:13:50,549

just like it's like it's insane so let's

298

00:13:54,680 --> 00:13:51,990

move on to our

299

00:14:04,880 --> 00:13:54,690

next science fiction thing which is

300

00:14:06,710 --> 00:14:04,890

altered carbon so the first movie we

301
00:14:09,290 --> 00:14:06,720
talked about paradox Cloverfield paradox

302
00:14:11,110 --> 00:14:09,300
done with the CERN hyper super collider

303
00:14:14,870 --> 00:14:11,120
but they put it up in space and they

304
00:14:17,810 --> 00:14:14,880
ripped apart dimensions and altered

305
00:14:20,900 --> 00:14:17,820
carbon the other series on Netflix it

306
00:14:25,610 --> 00:14:20,910
takes place in the I would say distant

307
00:14:28,100 --> 00:14:25,620
future which is like quantity like 2400

308
00:14:30,320 --> 00:14:28,110
I don't know 2400 baby I mean the way

309
00:14:33,560 --> 00:14:30,330
they're saying it's like 300 years yeah

310
00:14:35,630 --> 00:14:33,570
300 years I don't know but you know but

311
00:14:38,780 --> 00:14:35,640
then they have different aspects like

312
00:14:40,490 --> 00:14:38,790
the the old envoys are like three two

313
00:14:42,710 --> 00:14:40,500

hundred years old so I don't know so in

314

00:14:45,530 --> 00:14:42,720

this one if you're you have like a

315

00:14:49,190 --> 00:14:45,540

little stack in the back of your breath

316

00:14:51,710 --> 00:14:49,200

the bridge or where I would say rebook a

317

00:14:53,630 --> 00:14:51,720

cerebral cortex area rate the base your

318

00:14:57,620 --> 00:14:53,640

spine where it meets the skull right

319

00:14:59,240 --> 00:14:57,630

there and if you have that stack there

320

00:15:00,950 --> 00:14:59,250

it's electronic stack it downloads your

321

00:15:03,200 --> 00:15:00,960

consciousness and if you happen to die

322

00:15:05,330 --> 00:15:03,210

from a gunshot wound to the chest

323

00:15:08,300 --> 00:15:05,340

or even the head as long as that little

324

00:15:10,490 --> 00:15:08,310

piece in your spine is not damaged they

325

00:15:12,460 --> 00:15:10,500

can just go ahead and plug you into a

326

00:15:15,470 --> 00:15:12,470

new body and you can keep on living

327

00:15:16,850 --> 00:15:15,480

which is very interesting concept you

328

00:15:18,680 --> 00:15:16,860

you have your same consciousness you're

329

00:15:19,100 --> 00:15:18,690

in just in a new body and you can live

330

00:15:21,980 --> 00:15:19,110

forever

331

00:15:23,990 --> 00:15:21,990

and yeah there are rich people in this

332

00:15:26,420 --> 00:15:24,000

series that have lived for hundreds

333

00:15:29,720 --> 00:15:26,430

hundreds of years and so the wealthy

334

00:15:32,450 --> 00:15:29,730

keep on getting wealthy and it has even

335

00:15:36,380 --> 00:15:32,460

a bigger divide of the haves and

336

00:15:38,780 --> 00:15:36,390

have-nots and this is a detective story

337

00:15:41,810 --> 00:15:38,790

somebody who is trying to figure out who

338

00:15:42,980 --> 00:15:41,820

killed one of these wealthy people yeah

339

00:15:44,960 --> 00:15:42,990

but who didn't die he just can't

340

00:15:46,970 --> 00:15:44,970

remember cuz he didn't have his his

341

00:15:50,030 --> 00:15:46,980

memory backed up you can only back it up

342

00:15:53,120 --> 00:15:50,040

every so often but they're pushing this

343

00:15:57,830 --> 00:15:53,130

like transhumanist agenda in in this

344

00:16:00,830 --> 00:15:57,840

series like definitely it's they're

345

00:16:02,330 --> 00:16:00,840

pushing like you're you're gonna be able

346

00:16:03,590 --> 00:16:02,340

to upload your consciousness you're

347

00:16:05,269 --> 00:16:03,600

gonna be able to live forever if you

348

00:16:08,689 --> 00:16:05,279

have the money now

349

00:16:11,480 --> 00:16:08,699

there are people in in this series like

350

00:16:13,610 --> 00:16:11,490

like a child who happens to die at the

351

00:16:15,559 --> 00:16:13,620

age of seven who has a stack and but

352

00:16:18,350 --> 00:16:15,569

they're only able to afford to put that

353

00:16:21,170 --> 00:16:18,360

child's consciousness into the body of

354

00:16:23,179 --> 00:16:21,180

an eight year old oh yeah you know it's

355

00:16:25,549 --> 00:16:23,189

weird [h__h] I'm sorry but you mean you

356

00:16:26,509 --> 00:16:25,559

don't have enough money body sorry

357

00:16:28,730 --> 00:16:26,519

you're gonna be in the body the

358

00:16:30,319 --> 00:16:28,740

eight-year-old and so that's the kid

359

00:16:31,730 --> 00:16:30,329

that kids neck today the kid's gonna be

360

00:16:33,559 --> 00:16:31,740

drinking Metamucil all day you can't

361

00:16:36,860 --> 00:16:33,569

ride a bike anymore play this friends

362

00:16:39,379 --> 00:16:36,870

but I mean but that mean that's the

363

00:16:41,600 --> 00:16:39,389

divide that they're talking about in in

364

00:16:42,889 --> 00:16:41,610

this transhumanist kind of series

365

00:16:45,110 --> 00:16:42,899

I like the idea is the science fiction

366

00:16:46,519 --> 00:16:45,120

is good how much have you gotten through

367

00:16:51,410 --> 00:16:46,529

guys have you watched this at all

368

00:16:53,600 --> 00:16:51,420

I finished it yeah I finished it ends

369

00:16:57,470 --> 00:16:53,610

well and ready for the next season

370

00:16:59,179 --> 00:16:57,480

basically but uh yeah man I have a

371

00:17:01,749 --> 00:16:59,189

problem with those shows man they just

372

00:17:03,860 --> 00:17:01,759

you once you start it's like crack

373

00:17:06,380 --> 00:17:03,870

especially when something like altered

374

00:17:09,169 --> 00:17:06,390

when I first heard of it didn't really

375

00:17:11,779 --> 00:17:09,179

have much of an idea about it

376

00:17:15,559 --> 00:17:11,789

then I saw the trailer I'm like okay

377

00:17:18,169 --> 00:17:15,569

this is whatever future talk you know

378

00:17:21,860 --> 00:17:18,179

yeah consciousness uploaded to the cloud

379

00:17:24,039 --> 00:17:21,870

basically and then yeah with it yeah

380

00:17:26,960 --> 00:17:24,049

they use like a satellite I think and

381

00:17:30,620 --> 00:17:26,970

that they that these data is stored on

382

00:17:33,200 --> 00:17:30,630

yeah have you watched yet nope you

383

00:17:37,850 --> 00:17:33,210

haven't spoiling anything yeah do you

384

00:17:40,490 --> 00:17:37,860

have any interest in this stuff yeah we

385

00:17:42,680 --> 00:17:40,500

watch all the same stuff is anything

386

00:17:44,180 --> 00:17:42,690

like Blade Runner I was just gonna say

387

00:17:45,950 --> 00:17:44,190

Blade Runner I think it's actually a

388

00:17:49,090 --> 00:17:45,960

better version of Blade Runner when it

389

00:17:52,549 --> 00:17:49,100

comes to action and progression of story

390

00:17:54,770 --> 00:17:52,559

okay I think the overall art aesthetic

391

00:17:57,289 --> 00:17:54,780

of Blade Runner is immaculate and

392

00:17:59,659 --> 00:17:57,299

perfect and awesome and I actually like

393

00:18:01,340 --> 00:17:59,669

the slowness and the slow quality of

394

00:18:04,220 --> 00:18:01,350

Blade Runner but this is not gonna work

395

00:18:06,889 --> 00:18:04,230

in a modern-day pacing for a series like

396

00:18:09,260 --> 00:18:06,899

like altered carbon in fact I would I

397

00:18:11,630 --> 00:18:09,270

would I would make the parallel that the

398

00:18:14,270 --> 00:18:11,640

like Blade Runner is much more like the

399

00:18:16,279 --> 00:18:14,280

earlier episodes of Game of Thrones

400

00:18:17,600 --> 00:18:16,289

we're slow you got to pay attention else

401
00:18:18,450 --> 00:18:17,610
you're gonna miss you miss a bunch of

402
00:18:21,690 --> 00:18:18,460
[h__\h]

403
00:18:24,989 --> 00:18:21,700
yeah so it's worth watching

404
00:18:27,659 --> 00:18:24,999
and actually perform prefer this altered

405
00:18:29,669 --> 00:18:27,669
carbon over the newest Blade Runner the

406
00:18:32,970 --> 00:18:29,679
both codes in different ways but this is

407
00:18:37,230 --> 00:18:32,980
a little bit more faster pace I found

408
00:18:40,320 --> 00:18:37,240
myself with altered carbon by halfway

409
00:18:43,619 --> 00:18:40,330
through saying the AI is the most

410
00:18:49,710 --> 00:18:43,629
interesting character in the PO yeah PO

411
00:18:51,810 --> 00:18:49,720
yeah the AI a hotel is is a its food for

412
00:18:53,190 --> 00:18:51,820
thought that is freakin crazy well I

413
00:18:56,820 --> 00:18:53,200

didn't know what to expect it and the

414

00:18:59,310 --> 00:18:56,830

whole first go-around to that yeah it's

415

00:19:00,779 --> 00:18:59,320

the most interesting character in the in

416

00:19:02,789 --> 00:19:00,789

this series in my opinion there's some

417

00:19:04,259 --> 00:19:02,799

other cool things it's got the I don't

418

00:19:06,330 --> 00:19:04,269

if you watch Grimm on if you watch the

419

00:19:08,430 --> 00:19:06,340

house of cards but it plays it has the

420

00:19:10,379 --> 00:19:08,440

guy who plays the the candidate who went

421

00:19:12,210 --> 00:19:10,389

up against Spacey's character in the

422

00:19:16,279 --> 00:19:12,220

final season the most recent one I

423

00:19:20,970 --> 00:19:18,570

never watch tell us the cards all right

424

00:19:22,619 --> 00:19:20,980

you don't want anything and what do you

425

00:19:31,799 --> 00:19:22,629

what do you want to talk when you talk

426

00:19:33,330 --> 00:19:31,809

about gummi bears is that you watch so

427

00:19:36,060 --> 00:19:33,340

what was the last one you watch Grimm

428

00:19:38,940 --> 00:19:36,070

Grimm was like you watched like Jim what

429

00:19:42,239 --> 00:19:38,950

you finish on it dark did you watch a

430

00:19:45,330 --> 00:19:42,249

dark dark know that jerk the time travel

431

00:19:51,080 --> 00:19:45,340

one it's on Netflix no it's good time

432

00:19:54,989 --> 00:19:53,190

it's about time travel I should be

433

00:19:56,639 --> 00:19:54,999

watching it but I'm oh you'll find it no

434

00:20:01,669 --> 00:19:56,649

you really find it after this show

435

00:20:04,519 --> 00:20:01,679

answer question so and there's another

436

00:20:07,980 --> 00:20:04,529

transhumanist series on Netflix called

437

00:20:10,289 --> 00:20:07,990

travelers which just came out and this

438

00:20:12,840 --> 00:20:10,299

is a hundred years now surviving humans

439

00:20:15,419 --> 00:20:12,850

discover how to send consciousness back

440

00:20:17,249 --> 00:20:15,429

through time into the people of the 21st

441

00:20:19,590 --> 00:20:17,259

century while attempting to save

442

00:20:22,169 --> 00:20:19,600

humanity from a terrible future and his

443

00:20:23,129 --> 00:20:22,179

features and stars one of the guys from

444

00:20:26,279 --> 00:20:23,139

Will & Grace

445

00:20:27,659 --> 00:20:26,289

but another transhumanist scenario where

446

00:20:29,010 --> 00:20:27,669

you can send your consciousness

447

00:20:31,530 --> 00:20:29,020

somewhere

448

00:20:33,570 --> 00:20:31,540

and yeah but if they jack in the people

449

00:20:35,520 --> 00:20:33,580

right before they're about to die cuz

450

00:20:37,950 --> 00:20:35,530

they already know like the person's

451

00:20:39,510 --> 00:20:37,960

history and stuff like also in this one

452

00:20:41,910 --> 00:20:39,520

the half they have like you got to be a

453

00:20:44,370 --> 00:20:41,920

hospital setting so they know you're

454

00:20:45,120 --> 00:20:44,380

about ready to die yeah that yeah

455

00:20:46,440 --> 00:20:45,130

exactly

456

00:20:49,770 --> 00:20:46,450

I've watched the whole thing i watch

457

00:20:56,190 --> 00:20:49,780

full seasons oh wow yeah dude I stay up

458

00:20:58,020 --> 00:20:56,200

late Wow i podcast and then I stay up

459

00:21:00,390 --> 00:20:58,030

late after I podcast well this is

460

00:21:04,140 --> 00:21:00,400

another one the pushing the the put the

461

00:21:06,240 --> 00:21:04,150

pushing our consciousness to a cloud so

462

00:21:07,830 --> 00:21:06,250

it can be downloaded or rerouted or sent

463

00:21:10,500 --> 00:21:07,840

through time it's just data I mean send

464

00:21:12,000 --> 00:21:10,510

it through time why not and yeah I mean

465

00:21:16,440 --> 00:21:12,010

grim the other night we were just saying

466

00:21:17,940 --> 00:21:16,450

dude um I'll take the chip you guys

467

00:21:23,640 --> 00:21:17,950

would do so you guys would upload your

468

00:21:24,750 --> 00:21:23,650

consciousness so you know you guys talk

469

00:21:27,540 --> 00:21:24,760

about remove you and I on your show you

470

00:21:29,910 --> 00:21:27,550

know about lucid dreaming i dude yeah I

471

00:21:31,740 --> 00:21:29,920

do I understand that but like I can

472

00:21:33,600 --> 00:21:31,750

unplug the [h__h] thing myself you know

473

00:21:37,830 --> 00:21:33,610

it's like VR you just take the thing off

474

00:21:42,570 --> 00:21:37,840

my question is though when you we need

475

00:21:44,310 --> 00:21:42,580

when you dream and hypothet I applaud

476
00:21:45,660 --> 00:21:44,320
your consciousness and it were were to

477
00:21:47,250 --> 00:21:45,670
be like you were dreaming where you

478
00:21:49,460 --> 00:21:47,260
didn't realize it would you still do it

479
00:21:51,810 --> 00:21:49,470
like I don't have control over my dreams

480
00:21:55,020 --> 00:21:51,820
like unless you lucid dream which is

481
00:21:56,820 --> 00:21:55,030
very rare and hard to do so would you do

482
00:22:02,100 --> 00:21:56,830
it if you had no control if this is like

483
00:22:06,390 --> 00:22:04,919
no control I don't think so yeah if you

484
00:22:07,770 --> 00:22:06,400
upload you're not just do clouds they

485
00:22:09,150 --> 00:22:07,780
look your consciousness is up there is

486
00:22:11,880 --> 00:22:09,160
somewhere in there but you're basically

487
00:22:13,020 --> 00:22:11,890
in a dream state but you don't know it

488
00:22:14,760 --> 00:22:13,030

so you're gonna have to live up there

489

00:22:16,980 --> 00:22:14,770

until we can figure out what the hey

490

00:22:20,940 --> 00:22:16,990

with you I would I would almost I want

491

00:22:23,490 --> 00:22:20,950

to say I disagree but um as far as far

492

00:22:26,780 --> 00:22:23,500

as one that's harder to control it what

493

00:22:30,510 --> 00:22:26,790

I would think would be the out-of-body

494

00:22:37,159 --> 00:22:30,520

astral projection compared to lucid like

495

00:22:43,280 --> 00:22:39,870

so the way the way I explain it like

496

00:22:46,860 --> 00:22:43,290

I'll tell my kids all the time like okay

497

00:22:48,810 --> 00:22:46,870

Freddie's chasing you know you can stop

498

00:22:51,690 --> 00:22:48,820

turn around and start chasing that dude

499

00:22:53,909 --> 00:22:51,700

like that's not talking about like you

500

00:22:56,669 --> 00:22:53,919

can control that reality inside your

501
00:22:58,650 --> 00:22:56,679
dream I mean sometimes you do come

502
00:23:00,630 --> 00:22:58,660
across experiences that okay like a

503
00:23:02,400 --> 00:23:00,640
nightmare you might be you might catch

504
00:23:06,659 --> 00:23:02,410
the tail into something real quick yeah

505
00:23:09,210 --> 00:23:06,669
but like but as far as Oh like the

506
00:23:11,730 --> 00:23:09,220
out-of-body and astral stuff now that

507
00:23:13,710 --> 00:23:11,740
[h__\h] is is really freaking hard to do

508
00:23:17,340 --> 00:23:13,720
like I'm still trying to figure it out

509
00:23:19,200 --> 00:23:17,350
the only way I've okay I had it happen

510
00:23:21,930 --> 00:23:19,210
for a split second like Ren the guy

511
00:23:24,570 --> 00:23:21,940
that's doing the remote viewing project

512
00:23:28,470 --> 00:23:24,580
that we're doing like he can do it like

513
00:23:31,200 --> 00:23:28,480

all the time just my crazy my question

514

00:23:32,610 --> 00:23:31,210

is if you were able to upload your

515

00:23:34,200 --> 00:23:32,620

consciousness to the cloud if you're

516

00:23:36,570 --> 00:23:34,210

like your body body was about ready to

517

00:23:38,310 --> 00:23:36,580

die you're like okay I'm not done living

518

00:23:40,200 --> 00:23:38,320

I can upload my consciousness to the

519

00:23:42,000 --> 00:23:40,210

cloud but it would be like I was this

520

00:23:44,490 --> 00:23:42,010

dreamin had no control over it would you

521

00:23:45,840 --> 00:23:44,500

still go forward and upload your

522

00:23:48,470 --> 00:23:45,850

consciousness until it figured out what

523

00:23:51,139 --> 00:23:49,759

given that there's a chance that they

524

00:23:55,129 --> 00:23:51,149

would never I mean you wouldn't be able

525

00:23:59,720 --> 00:23:55,139

to bust out that dream state oh man

526

00:24:02,749 --> 00:23:59,730

I don't think so anyway knowing that I I

527

00:24:05,210 --> 00:24:02,759

had control of it I should still be

528

00:24:08,690 --> 00:24:05,220

aware and you know yeah yes you'd want

529

00:24:11,119 --> 00:24:08,700

control control those dreams because if

530

00:24:14,869 --> 00:24:11,129

Freddy Krueger's chasing me I'd be

531

00:24:16,430 --> 00:24:14,879

chasing you for the rest of your running

532

00:24:20,060 --> 00:24:16,440

for 500 years do you wanna play cards

533

00:24:21,409 --> 00:24:20,070

[h__h] I don't I mean there are a few

534

00:24:23,359 --> 00:24:21,419

times where I've been able to wake

535

00:24:26,539 --> 00:24:23,369

myself up and I said yeah I'm dreaming

536

00:24:28,460 --> 00:24:26,549

but doesn't last very long after that I

537

00:24:30,619 --> 00:24:28,470

don't have the techniques it's just been

538

00:24:32,149 --> 00:24:30,629

by accident and I've been reading more

539

00:24:35,149 --> 00:24:32,159

books about lucid dreaming and how to

540

00:24:37,669 --> 00:24:35,159

remind yourself like during the day one

541

00:24:41,119 --> 00:24:37,679

of the techniques that I heard was that

542

00:24:42,769 --> 00:24:41,129

you can just say during the day ask

543

00:24:45,019 --> 00:24:42,779

yourself this question am I dreaming

544

00:24:47,419 --> 00:24:45,029

and say that's to yourself maybe five

545

00:24:49,489 --> 00:24:47,429

six times during the day as you go about

546

00:24:52,639 --> 00:24:49,499

your daily routines like am I dreaming

547

00:24:54,049 --> 00:24:52,649

and then you'll know if you're you're

548

00:24:55,879 --> 00:24:54,059

dreaming or not because you're out the

549

00:25:00,409 --> 00:24:55,889

grocery store able to you know pick out

550

00:25:01,580 --> 00:25:00,419

certain items and do math and then sure

551
00:25:05,509 --> 00:25:01,590
enough that becomes part of your daily

552
00:25:08,509 --> 00:25:05,519
routine then if you fall asleep and that

553
00:25:10,909 --> 00:25:08,519
daily routine is

554
00:25:12,739 --> 00:25:10,919
carried over into your dream state and

555
00:25:15,049 --> 00:25:12,749
you say am i dreaming you might look

556
00:25:16,940 --> 00:25:15,059
down to pick up a book and try to read

557
00:25:19,070 --> 00:25:16,950
it and there's no words there then

558
00:25:20,719 --> 00:25:19,080
you're like oh I'm dreaming so yeah that

559
00:25:23,629 --> 00:25:20,729
you have to use your your day-to-day

560
00:25:27,169 --> 00:25:23,639
life and everyday not just pray before

561
00:25:30,379 --> 00:25:27,179
you go to bed but every everything you

562
00:25:32,599 --> 00:25:30,389
do you got to be really conscious like

563
00:25:34,249 --> 00:25:32,609

oh I'm not dreaming so maybe do this six

564

00:25:36,919 --> 00:25:34,259

times a day as you go about your day and

565

00:25:39,049 --> 00:25:36,929

then before you go to bed you have to

566

00:25:39,709 --> 00:25:39,059

say to yourself I will remember my

567

00:25:43,159 --> 00:25:39,719

dreams

568

00:25:46,129 --> 00:25:43,169

now that does work yeah before you go to

569

00:25:48,859 --> 00:25:46,139

bed tell yourself I will remember my

570

00:25:53,149 --> 00:25:48,869

dreams and I do that my girlfriend does

571

00:25:55,639 --> 00:25:53,159

that and sure yeah when we started doing

572

00:25:57,469 --> 00:25:55,649

that we were able to remember dreams

573

00:25:58,849 --> 00:25:57,479

next day we wake up so yeah this

574

00:26:00,229 --> 00:25:58,859

happened this happened you gotta keep a

575

00:26:03,000 --> 00:26:00,239

dream journal the more you do it the

576

00:26:05,400 --> 00:26:03,010

better you're gonna be

577

00:26:07,049 --> 00:26:05,410

yeah the dream journal is something I

578

00:26:10,049 --> 00:26:07,059

always say that I need to start doing

579

00:26:16,740 --> 00:26:10,059

which I haven't done yeah oh we have a

580

00:26:18,419 --> 00:26:16,750

caller caller yes hey Teddy what's going

581

00:26:23,280 --> 00:26:18,429

on Grimm Grimm just called you a

582

00:26:30,180 --> 00:26:23,290

[h__\h] before the show you say I beg

583

00:26:31,830 --> 00:26:30,190

hey spaghetti he's gonna call I am I'm

584

00:26:33,630 --> 00:26:31,840

joking he didn't call you that but yeah

585

00:26:36,810 --> 00:26:33,640

we were we were talking about lucid

586

00:26:37,380 --> 00:26:36,820

dreaming are you able to do that I've

587

00:26:38,940 --> 00:26:37,390

had it

588

00:26:40,770 --> 00:26:38,950

kind of accidentally we're like in the

589

00:26:42,810 --> 00:26:40,780

middle of dream I I realize I'm dreaming

590

00:26:45,030 --> 00:26:42,820

and then I just course try to fly but

591

00:26:47,159 --> 00:26:45,040

the flying's never right I can only jump

592

00:26:49,830 --> 00:26:47,169

really high like Superman in the

593

00:26:53,070 --> 00:26:49,840

beginning I just can't you know take to

594

00:26:55,650 --> 00:26:53,080

the clouds yeah there are certain ones

595

00:26:57,240 --> 00:26:55,660

time where I was chased by something I I

596

00:27:01,140 --> 00:26:57,250

do remember I had a dream once where I

597

00:27:02,340 --> 00:27:01,150

turn around and I tried to say hey I'm

598

00:27:03,870 --> 00:27:02,350

being chased by some but I'm dreaming

599

00:27:05,880 --> 00:27:03,880

I'm gonna shoot fireballs out of my hand

600

00:27:07,680 --> 00:27:05,890

to get rid of this thing and I remember

601
00:27:09,720 --> 00:27:07,690
failing and not being able to do that

602
00:27:11,700 --> 00:27:09,730
James what am I doing wrong what can I

603
00:27:18,750 --> 00:27:11,710
do that well the thing I was gonna say

604
00:27:21,690 --> 00:27:18,760
is oh no I was just gonna say though

605
00:27:23,760 --> 00:27:21,700
okay there is like this weird thing of

606
00:27:26,190 --> 00:27:23,770
the there is a weird problem that I even

607
00:27:29,430 --> 00:27:26,200
have with the difference how to decipher

608
00:27:32,220 --> 00:27:29,440
the two astral travel and lucid dreaming

609
00:27:35,490 --> 00:27:32,230
because technically they both take place

610
00:27:38,460 --> 00:27:35,500
inside your head you know but so that

611
00:27:40,470 --> 00:27:38,470
kind of messes me up there but the way I

612
00:27:42,330 --> 00:27:40,480
have heard some things experience like

613
00:27:46,020 --> 00:27:42,340

if you wanted to fly like the way we run

614

00:27:49,080 --> 00:27:46,030

puts it imagine like two points in time

615

00:27:51,240 --> 00:27:49,090

in it and then you're at one end and

616

00:27:53,549 --> 00:27:51,250

it's almost like the fast-forward button

617

00:27:56,520 --> 00:27:53,559

gets you to the other end of it it's

618

00:28:01,190 --> 00:27:56,530

really weird like you don't fly you just

619

00:28:06,510 --> 00:28:01,200

you go you yeah it's like a mental reach

620

00:28:07,650 --> 00:28:06,520

dude yeah when I'm trying to fly in

621

00:28:09,299 --> 00:28:07,660

these dreams that I catch myself

622

00:28:11,340 --> 00:28:09,309

dreaming it's like I'll be looking to

623

00:28:12,750 --> 00:28:11,350

another building top and it's like I

624

00:28:14,310 --> 00:28:12,760

want to go there but instead of like

625

00:28:16,660 --> 00:28:14,320

flying there it's like an elongated

626

00:28:19,120 --> 00:28:16,670

chump like I'm the tick

627

00:28:21,640 --> 00:28:19,130

or something like that doing the

628

00:28:26,100 --> 00:28:21,650

maintenance or sustaining wind I can't I

629

00:28:31,660 --> 00:28:28,300

got a question for you when it comes to

630

00:28:33,700 --> 00:28:31,670

your consciousness and and being able to

631

00:28:36,610 --> 00:28:33,710

upload your consciousness to the cloud

632

00:28:38,680 --> 00:28:36,620

if you're about to die in this ed hey

633

00:28:40,840 --> 00:28:38,690

Teddy spaghetti that's where they're

634

00:28:45,400 --> 00:28:40,850

gonna call you on the table when you're

635

00:28:46,930 --> 00:28:45,410

dying mr. mr. spaghetti would you like

636

00:28:49,030 --> 00:28:46,940

to upload your consciousness to the

637

00:28:51,450 --> 00:28:49,040

cloud and it's gonna be like you're in a

638

00:28:54,190 --> 00:28:51,460

dream for many many many many years

639

00:28:56,050 --> 00:28:54,200

we're going to figure out possibly how

640

00:28:59,650 --> 00:28:56,060

to get you back into the body would you

641

00:29:01,120 --> 00:28:59,660

do that I don't know I don't know if

642

00:29:03,700 --> 00:29:01,130

that's really gonna be me or just a copy

643

00:29:05,800 --> 00:29:03,710

of me I don't know the soul if we even

644

00:29:10,390 --> 00:29:05,810

have a soul but if the soul is something

645

00:29:13,380 --> 00:29:10,400

you can kind of put into another vessel

646

00:29:16,240 --> 00:29:13,390

or if it needs to be set free into the

647

00:29:19,690 --> 00:29:16,250

the unlimited imagination of the

648

00:29:22,840 --> 00:29:19,700

multiverse so to say well is your

649

00:29:25,000 --> 00:29:22,850

personality part of your dream like I

650

00:29:26,650 --> 00:29:25,010

don't know there's my humor carry over

651
00:29:28,810 --> 00:29:26,660
to my dreams I'm trying to think like do

652
00:29:30,640 --> 00:29:28,820
I have my personality in my dream do I

653
00:29:33,280 --> 00:29:30,650
play sound bytes and they play Alex

654
00:29:36,820 --> 00:29:33,290
Jones drops my dreams I could tell you

655
00:29:38,710 --> 00:29:36,830
do now I bet you do maybe but I don't

656
00:29:41,200 --> 00:29:38,720
know if my does my personality carry

657
00:29:43,870 --> 00:29:41,210
over that's the big question your soul

658
00:29:46,060 --> 00:29:43,880
might or may not I don't know what its

659
00:29:48,850 --> 00:29:46,070
gonna be uploading hope it's my

660
00:29:50,290 --> 00:29:48,860
personality well here's the thing if you

661
00:29:52,150 --> 00:29:50,300
give it over and give over your

662
00:29:53,980 --> 00:29:52,160
personality and your being does that

663
00:29:55,240 --> 00:29:53,990

diminish your soul that would be my

664

00:29:56,770 --> 00:29:55,250

question I mean there's questions we

665

00:30:02,770 --> 00:29:56,780

have to ask that I don't think we can

666

00:30:04,870 --> 00:30:02,780

answer but here's something kind of kind

667

00:30:06,520 --> 00:30:04,880

of nice keeping it old school in a way I

668

00:30:07,780 --> 00:30:06,530

mean you know everything has a beginning

669

00:30:11,350 --> 00:30:07,790

a middle and an end

670

00:30:13,120 --> 00:30:11,360

you know most good stories do and I look

671

00:30:15,580 --> 00:30:13,130

at life that way I don't know if I want

672

00:30:17,950 --> 00:30:15,590

that continuation button that I would

673

00:30:20,410 --> 00:30:17,960

have on a video game or if I would just

674

00:30:23,170 --> 00:30:20,420

say way that was a great run you know it

675

00:30:25,750 --> 00:30:23,180

wasn't my best speedrun but you know it

676

00:30:28,930 --> 00:30:25,760

wasn't bad I mean it kind of takes away

677

00:30:30,599 --> 00:30:28,940

from the romanticism a little of living

678

00:30:33,669 --> 00:30:30,609

I would say yes

679

00:30:35,590 --> 00:30:33,679

well I mean everyone wants those Mario

680

00:30:37,330 --> 00:30:35,600

cheat codes but you hold down you behind

681

00:30:40,060 --> 00:30:37,340

the scenes and you get the stars you

682

00:30:42,220 --> 00:30:40,070

know everyone wants the smooth way to

683

00:30:44,619 --> 00:30:42,230

get to the next level Worf whistles

684

00:30:47,349 --> 00:30:44,629

[h__\h] and we're all trying it to

685

00:30:49,090 --> 00:30:47,359

the next dimension and maybe if if we

686

00:30:51,879 --> 00:30:49,100

upload our consciousness you're not able

687

00:30:53,560 --> 00:30:51,889

to get to that next dimension because I

688

00:30:55,779 --> 00:30:53,570

mean that goes into are you centered

689

00:30:57,070 --> 00:30:55,789

with yourself do you have fear people if

690

00:30:58,989 --> 00:30:57,080

you're uploaded your consciousness to

691

00:31:04,779 --> 00:30:58,999

the cloud that means you probably have

692

00:31:07,269 --> 00:31:04,789

some fear of dying hmm like in the whole

693

00:31:09,369 --> 00:31:07,279

Gnostic view things like the Demiurge is

694

00:31:11,109 --> 00:31:09,379

prison isn't that like something with

695

00:31:13,869 --> 00:31:11,119

your halls and the demiurges were like

696

00:31:15,789 --> 00:31:13,879

they keep us here to die and reincarnate

697

00:31:17,909 --> 00:31:15,799

here and feed off of our fear and base

698

00:31:22,259 --> 00:31:17,919

or mode so what if that's the ultimate

699

00:31:25,659 --> 00:31:22,269

in that look of like keeping us in this

700

00:31:29,320 --> 00:31:25,669

prison to where we just wake up only to

701
00:31:31,720 --> 00:31:29,330
die again yeah I'm gonna change my mind

702
00:31:37,899 --> 00:31:31,730
I'm not taking I'm not putting my my

703
00:31:40,509 --> 00:31:37,909
brain on ice you're so true on that part

704
00:31:43,960 --> 00:31:40,519
Teddy dude yeah cuz like it life's

705
00:31:45,700 --> 00:31:43,970
finite man yeah I think so too I think

706
00:31:48,159 --> 00:31:45,710
that's what makes it special and then

707
00:31:50,799 --> 00:31:48,169
you're talking about this soul passing

708
00:31:52,450 --> 00:31:50,809
on and then yeah that damn here G dude

709
00:31:54,669 --> 00:31:52,460
you don't want to be trapped here you

710
00:31:56,759 --> 00:31:54,679
have to make the decision to move on to

711
00:31:59,349 --> 00:31:56,769
the next and that's where you become

712
00:32:04,149 --> 00:31:59,359
Lightbody or whatever the [h__h] it is so

713
00:32:07,749 --> 00:32:04,159

John we're yeah god man John John John

714

00:32:12,220 --> 00:32:07,759

Lear who's a big UFO proponent and you

715

00:32:14,379 --> 00:32:12,230

know it's connected to the Learjet he as

716

00:32:16,450 --> 00:32:14,389

inside but he acclaimed and there are

717

00:32:23,200 --> 00:32:16,460

other people who have claimed that the

718

00:32:25,239 --> 00:32:23,210

moon is actually a wasting soul so

719

00:32:27,129 --> 00:32:25,249

you're so when you die your your soul

720

00:32:28,869 --> 00:32:27,139

goes to the moon and it's stored there

721

00:32:36,220 --> 00:32:28,879

and do you're able to be reincarnated

722

00:32:37,869 --> 00:32:36,230

back here on earth yeah I mean there's

723

00:32:39,940 --> 00:32:37,879

some when you when you get into the you

724

00:32:42,009 --> 00:32:39,950

theology and the cosmic consciousness

725

00:32:43,720 --> 00:32:42,019

and all that kind of stuff these these

726

00:32:47,470 --> 00:32:43,730

planetary bodies are used

727

00:32:50,500 --> 00:32:47,480

as waystations as basis for the souls

728

00:32:53,169 --> 00:32:50,510

and until you're able to get to a body

729

00:32:55,600 --> 00:32:53,179

that might be conducive to what you want

730

00:32:57,460 --> 00:32:55,610

or earth I mean earth seems a very

731

00:33:01,480 --> 00:32:57,470

popular place for a lot of souls and a

732

00:33:02,919 --> 00:33:01,490

lot of aliens that that visit they want

733

00:33:04,620 --> 00:33:02,929

to be a part of us they want to be in us

734

00:33:08,740 --> 00:33:04,630

they want to be with you Teddy right now

735

00:33:13,360 --> 00:33:08,750

so we have the coveted spot mm-hmm prime

736

00:33:18,159 --> 00:33:13,370

time to hear like Hades then I heard it

737

00:33:19,779 --> 00:33:18,169

was like Dante's Inferno

738

00:33:21,310 --> 00:33:19,789

Pluto's icy and cold maybe there's a

739

00:33:24,129 --> 00:33:21,320

giant space to Don some Souls

740

00:33:26,740 --> 00:33:24,139

it's very proud I mean you can be proud

741

00:33:29,200 --> 00:33:26,750

of being a proud [h__h] give me proud

742

00:33:33,159 --> 00:33:29,210

of being from a shell but that's my but

743

00:33:35,980 --> 00:33:33,169

be the the purview going to do you

744

00:33:37,529 --> 00:33:35,990

follow Allah gee stuff and this stuff is

745

00:33:41,080 --> 00:33:37,539

that they want to come here because

746

00:33:43,930 --> 00:33:41,090

humans experience emotions and to be

747

00:33:46,750 --> 00:33:43,940

human is to be emotional and whether

748

00:33:50,289 --> 00:33:46,760

you're in misery or you're in ecstasy

749

00:33:53,799 --> 00:33:50,299

you're feeling it and in the dynamic

750

00:33:55,389 --> 00:33:53,809

dynamic state instead of stagnant you

751
00:33:57,519 --> 00:33:55,399
got the highest of highs and the lowest

752
00:33:59,470 --> 00:33:57,529
of lows and everybody wants that because

753
00:34:00,789 --> 00:33:59,480
without one you can't have the other

754
00:34:03,310 --> 00:34:00,799
that type of stuff correct

755
00:34:05,259 --> 00:34:03,320
I absolutely and this phone call might

756
00:34:08,940 --> 00:34:05,269
be on the lowest of lows I'm not sure

757
00:34:15,760 --> 00:34:12,280
yeah waking life you were seen waking

758
00:34:18,940 --> 00:34:15,770
life I have not know Alex Jones actually

759
00:34:20,649 --> 00:34:18,950
in it you should check it out it's kind

760
00:34:22,930 --> 00:34:20,659
of like an animated thing and it's

761
00:34:25,270 --> 00:34:22,940
basically I don't want to spoil it but

762
00:34:28,809 --> 00:34:25,280
there's the waking life I mean yeah is

763
00:34:31,030 --> 00:34:28,819

is dreaming and lucid dreaming they said

764

00:34:33,309 --> 00:34:31,040

you can't turn on or turn off a light

765

00:34:35,980 --> 00:34:33,319

switch and anytime you look at like a

766

00:34:37,659 --> 00:34:35,990

clock or something you can't see the

767

00:34:39,069 --> 00:34:37,669

numbers clearly and that's an indicator

768

00:34:41,859 --> 00:34:39,079

that you're dreaming if you can't switch

769

00:34:45,010 --> 00:34:41,869

a switch are you think a Scanner Darkly

770

00:34:47,050 --> 00:34:45,020

or waking life waking life Scanner

771

00:34:48,579 --> 00:34:47,060

Darkly was the one canneries right yeah

772

00:34:50,680 --> 00:34:48,589

but I mean how stones wasn't that one

773

00:34:53,169 --> 00:34:50,690

too he was in that one too but waking

774

00:34:54,940 --> 00:34:53,179

life was another one the costumes was in

775

00:34:56,780 --> 00:34:54,950

sorry he's like just has this great

776

00:34:58,760 --> 00:34:56,790

rammer it's like wake up people and

777

00:35:01,400 --> 00:34:58,770

this stuff is great that's basically all

778

00:35:03,580 --> 00:35:01,410

that I got so you can blow me up or do

779

00:35:10,840 --> 00:35:03,590

what you will bend me over backwards to

780

00:35:24,620 --> 00:35:22,670

to the moon by day speaking like movies

781

00:35:28,790 --> 00:35:24,630

coming up in grimmy I know you've been

782

00:35:31,820 --> 00:35:28,800

talking about a ready player one oh yeah

783

00:35:36,220 --> 00:35:31,830

that's that whole virtual reality you

784

00:35:47,480 --> 00:35:36,230

know takes place in the Columbus Ohio

785

00:35:50,150 --> 00:35:47,490

yeah and Bill Bergman movie and uh well

786

00:35:51,470 --> 00:35:50,160

I mean I I have the book haven't read es

787

00:35:54,320 --> 00:35:51,480

on my Kindle I've been we need to

788

00:35:56,150 --> 00:35:54,330

redirect the past five years yeah you

789

00:35:58,490 --> 00:35:56,160

need it's a great book it's like a it's

790

00:36:00,200 --> 00:35:58,500

like a virtuality treasure hunt movie

791

00:36:02,450 --> 00:36:00,210

right mm-hmm

792

00:36:04,340 --> 00:36:02,460

pretty much yeah Easter Egg or something

793

00:36:05,530 --> 00:36:04,350

like they call it you guys talk about it

794

00:36:08,660 --> 00:36:05,540

all the time

795

00:36:11,120 --> 00:36:08,670

no no I mean we've mentioned it a few

796

00:36:13,010 --> 00:36:11,130

times could like and then the mental

797

00:36:15,350 --> 00:36:13,020

trailer came out then we mentioned it

798

00:36:17,530 --> 00:36:15,360

again and cuz Grimm he told me about it

799

00:36:19,580 --> 00:36:17,540

so I read the book

800

00:36:21,500 --> 00:36:19,590

well the trailers look absolutely

801
00:36:23,750 --> 00:36:21,510
phenomenal it looks like a great

802
00:36:25,370 --> 00:36:23,760
Spielberg movie it's gonna be fun

803
00:36:28,040 --> 00:36:25,380
action-packed it's gonna be like a lot

804
00:36:29,930 --> 00:36:28,050
of 80s nostalgia but a lot of people

805
00:36:32,060 --> 00:36:29,940
online if you listen to a live view

806
00:36:34,730 --> 00:36:32,070
online they're saying 80 nostalgia is

807
00:36:36,860 --> 00:36:34,740
over it's over done it's over hyped and

808
00:36:39,320 --> 00:36:36,870
the way you know I got if you look at

809
00:36:41,600 --> 00:36:39,330
the the you know night talk with

810
00:36:44,720 --> 00:36:41,610
midnight Mike I got my eighties logo I

811
00:36:46,640 --> 00:36:44,730
still love it and I was hoping you're

812
00:36:49,640 --> 00:36:46,650
gonna wear the leather jacket I do I do

813
00:36:51,740 --> 00:36:49,650

have it I do I should start wearing that

814

00:36:58,580 --> 00:36:51,750

like sticks maybe I'll start getting

815

00:36:59,360 --> 00:36:58,590

views then who knows yeah what's the

816

00:37:02,060 --> 00:36:59,370

other one

817

00:37:05,870 --> 00:37:02,070

Oh wrinkle in time well that was another

818

00:37:07,400 --> 00:37:05,880

that's another one coming out like that

819

00:37:08,990 --> 00:37:07,410

when she you know she's gonna next

820

00:37:09,530 --> 00:37:09,000

president yeah I only watch musicals

821

00:37:12,350 --> 00:37:09,540

unless

822

00:37:13,880 --> 00:37:12,360

singing I'm not gonna say oh yeah I'm

823

00:37:16,610 --> 00:37:13,890

not gonna see it I'm not gonna sing it

824

00:37:19,490 --> 00:37:16,620

and it's not worth my time

825

00:37:22,010 --> 00:37:19,500

would you like beatable assembly would

826

00:37:24,920 --> 00:37:22,020

you like a new story right now we could

827

00:37:28,310 --> 00:37:24,930

move on oh he hasn't his story he wants

828

00:37:31,670 --> 00:37:28,320

to tell me about it let us move on hey

829

00:37:35,150 --> 00:37:31,680

oh yes

830

00:37:37,040 --> 00:37:35,160

hey oh six one four three eight now 109

831

00:37:43,670 --> 00:37:37,050

I think we touched on all the trains

832

00:37:45,530 --> 00:37:43,680

humanism and I'm it seems like we went

833

00:37:47,750 --> 00:37:45,540

to come if you believe in predictive

834

00:37:49,720 --> 00:37:47,760

programming whether it's by accident or

835

00:37:53,330 --> 00:37:49,730

there's some Illuminati

836

00:37:56,540 --> 00:37:53,340

higher-ups pushing agendas they want us

837

00:37:59,810 --> 00:37:56,550

to know that at some point I'm probably

838

00:38:01,850 --> 00:37:59,820

in the next 50 years we're going to be

839

00:38:04,220 --> 00:38:01,860

able to upload our consciousness into

840

00:38:05,960 --> 00:38:04,230

the cloud and they're going to be able

841

00:38:08,360 --> 00:38:05,970

to clone bodies that are better than

842

00:38:11,060 --> 00:38:08,370

what they had and there are going to be

843

00:38:12,910 --> 00:38:11,070

people if you have the money that are

844

00:38:18,240 --> 00:38:12,920

going to be able to live forever

845

00:38:27,970 --> 00:38:24,940

it's gonna happen yeah immortality

846

00:38:29,950 --> 00:38:27,980

forever that's that's okay okay yeah I

847

00:38:33,420 --> 00:38:29,960

mean okay it is possible if you're able

848

00:38:37,450 --> 00:38:33,430

to if you're able to clone yourself and

849

00:38:40,720 --> 00:38:37,460

transfer your consciousness into a new

850

00:38:42,970 --> 00:38:40,730

clone like nineteen year old James or 19

851
00:38:45,460 --> 00:38:42,980
year old grim would you do that

852
00:38:49,990 --> 00:38:45,470
oh I would definitely be a 19 year old

853
00:38:54,930 --> 00:38:50,000
drastic now would you do it if it was

854
00:39:04,680 --> 00:39:01,890
mm body-snatchers I made it reasonable

855
00:39:06,569 --> 00:39:04,690
by death Wow like would I be able to

856
00:39:08,400 --> 00:39:06,579
still fly on a plane and stuff if I did

857
00:39:10,470 --> 00:39:08,410
it or they would they be able to give me

858
00:39:12,599 --> 00:39:10,480
with a scanner would they tell well they

859
00:39:15,450 --> 00:39:12,609
might be able there might be some kind

860
00:39:16,890 --> 00:39:15,460
of like DNA drift you know like it might

861
00:39:19,530 --> 00:39:16,900
not be a perfect clone but there might

862
00:39:21,150 --> 00:39:19,540
be an ID you drift well yeah we're

863
00:39:27,930 --> 00:39:21,160

talking about drifting like it took your

864

00:39:29,940 --> 00:39:27,940

drift from fast and furious like there

865

00:39:31,859 --> 00:39:29,950

there might be like say hey do you want

866

00:39:33,809 --> 00:39:31,869

an enhancement like you you're your

867

00:39:35,640 --> 00:39:33,819

clone you know you're you have bad

868

00:39:37,740 --> 00:39:35,650

I have bad eyesight I have glasses so

869

00:39:39,180 --> 00:39:37,750

you want your clone have the exact same

870

00:39:40,530 --> 00:39:39,190

eyes as you or do you want to have

871

00:39:43,500 --> 00:39:40,540

better eyesight so they might be able to

872

00:39:44,190 --> 00:39:43,510

detect it like that would it be worth

873

00:39:46,829 --> 00:39:44,200

the risk

874

00:39:48,720 --> 00:39:46,839

for you to transport your consciousness

875

00:39:51,230 --> 00:39:48,730

into a new body that was younger and

876

00:39:55,670 --> 00:39:53,660

should I do it and should there be laws

877

00:39:57,320 --> 00:39:55,680

around that it's for people to live

878

00:40:01,310 --> 00:39:57,330

forever but would like in the altered

879

00:40:03,020 --> 00:40:01,320

carbon thing right like yeah some of

880

00:40:08,089 --> 00:40:03,030

them we're like the oldest human is like

881

00:40:09,620 --> 00:40:08,099

260 years old inside of me thinks like

882

00:40:12,500 --> 00:40:09,630

yeah if you have the money you can do it

883

00:40:14,450 --> 00:40:12,510

but does I mean then like the practical

884

00:40:16,700 --> 00:40:14,460

side of me is like yeah you have the

885

00:40:19,460 --> 00:40:16,710

money and you should do it but at that

886

00:40:21,560 --> 00:40:19,470

point if you're able to live forever and

887

00:40:23,630 --> 00:40:21,570

you have the money and there's a law

888

00:40:24,050 --> 00:40:23,640

that's passed they know you can't do

889

00:40:27,730 --> 00:40:24,060

that

890

00:40:31,579 --> 00:40:27,740

you're mandating death you're mandating

891

00:40:33,650 --> 00:40:31,589

timeline for for life for human and just

892

00:40:36,680 --> 00:40:33,660

because they potentially could be 300

893

00:40:40,300 --> 00:40:36,690

years old consciously should they not be

894

00:40:42,980 --> 00:40:40,310

just because of some number is like

895

00:40:44,210 --> 00:40:42,990

vampires can do it exactly vampires at

896

00:40:48,380 --> 00:40:44,220

that point they I mean they could do

897

00:40:52,160 --> 00:40:48,390

that so like this everybody should be

898

00:40:53,000 --> 00:40:52,170

able to when you get all this is one of

899

00:40:55,339 --> 00:40:53,010

the things when it comes to like the

900

00:40:56,690 --> 00:40:55,349

ruling elite and Illuminati you have so

901
00:40:58,670 --> 00:40:56,700
much money they have so much power they

902
00:41:02,839 --> 00:40:58,680
start to spend their money on things

903
00:41:06,050 --> 00:41:02,849
that are evil and demonic

904
00:41:08,990 --> 00:41:06,060
like like like child's blood yeah child

905
00:41:11,690 --> 00:41:09,000
trafficking blood sports stuff like that

906
00:41:13,400 --> 00:41:11,700
and so when you're 300 years old and

907
00:41:15,800 --> 00:41:13,410
you're a billionaire or trillionaire

908
00:41:19,430 --> 00:41:15,810
you're going to find new ways to get

909
00:41:24,890 --> 00:41:19,440
your kicks like in oh yeah the NFL

910
00:41:25,940 --> 00:41:24,900
3-carbon yeah and it's like why so if

911
00:41:29,200 --> 00:41:25,950
you know that's going to be the end

912
00:41:33,109 --> 00:41:29,210
result is that power corrupts absolutely

913
00:41:35,060 --> 00:41:33,119

and if you live for 600 years and you're

914

00:41:36,290 --> 00:41:35,070

gonna be bored are you are you gonna be

915

00:41:38,240 --> 00:41:36,300

so bored just gonna be like I have to

916

00:41:40,660 --> 00:41:38,250

kill things because I'm so bored because

917

00:41:42,020 --> 00:41:40,670

that's this human nature at that point

918

00:41:44,690 --> 00:41:42,030

hunger games

919

00:41:46,070 --> 00:41:44,700

yeah maybe no that's not really hunger

920

00:41:50,030 --> 00:41:46,080

games oh yeah that's a little different

921

00:41:53,120 --> 00:41:50,040

that's survival but it's it was the rich

922

00:41:56,329 --> 00:41:53,130

ruling elite using blood sports to

923

00:41:58,940 --> 00:41:56,339

justify their their strong feeling teens

924

00:42:00,859 --> 00:41:58,950

yeah I don't either existential

925

00:42:02,839 --> 00:42:00,869

questions for asking I'm not gonna ask

926
00:42:04,760 --> 00:42:02,849
you for a firm question but I can

927
00:42:07,310 --> 00:42:04,770
definitely see some kind of

928
00:42:10,190 --> 00:42:07,320
battle going on in this 20 years about

929
00:42:12,560 --> 00:42:10,200
at least uploading your consciousness it

930
00:42:16,130 --> 00:42:12,570
should that be legal at all and then if

931
00:42:19,400 --> 00:42:16,140
you want your uploaded into some sort of

932
00:42:22,370 --> 00:42:19,410
cloud well their app they will wall you

933
00:42:24,050 --> 00:42:22,380
off I guarantee people if you say hey

934
00:42:25,580 --> 00:42:24,060
this this is a great idea they're saying

935
00:42:27,650 --> 00:42:25,590
I'm gonna upload my consciousness into

936
00:42:29,660 --> 00:42:27,660
the cloud you're gonna be walled off and

937
00:42:31,130 --> 00:42:29,670
then all the only thing you're gonna see

938
00:42:32,090 --> 00:42:31,140

you're not gonna be able to explore the

939

00:42:33,740 --> 00:42:32,100

internet and do anything you want you're

940

00:42:35,300 --> 00:42:33,750

gonna be like in some kind of Apple

941

00:42:39,470 --> 00:42:35,310

iTunes App Store

942

00:42:41,900 --> 00:42:39,480

and yeah be that's what it's gonna be

943

00:42:43,430 --> 00:42:41,910

Yury wall this could already be

944

00:42:45,620 --> 00:42:43,440

happening we don't know about it you

945

00:42:49,160 --> 00:42:45,630

know don't buy into it just [h__\h] kill

946

00:42:50,900 --> 00:42:49,170

yourselves right now okay what could be

947

00:42:53,660 --> 00:42:50,910

going on right now that we have no idea

948

00:42:55,400 --> 00:42:53,670

about there's a lot going on a lot

949

00:42:59,350 --> 00:42:55,410

better pockets going on right now and

950

00:43:05,750 --> 00:43:02,270

are this uh let's let us move on please

951
00:43:14,510 --> 00:43:05,760
okay should be listening to this podcast

952
00:43:17,480 --> 00:43:14,520
for sure alright there you go six point

953
00:43:19,730 --> 00:43:17,490
four three eight nine 109 and will be

954
00:43:22,580 --> 00:43:19,740
mostly happy to take your calls yeah I

955
00:43:26,570 --> 00:43:22,590
have them screen here some of the movies

956
00:43:28,340 --> 00:43:26,580
that that we were talking about and and

957
00:43:29,780 --> 00:43:28,350
whatnot it's rethinking your life that

958
00:43:31,520 --> 00:43:29,790
you guys weren't you want to want to

959
00:43:33,620 --> 00:43:31,530
talk about because I was gonna bring up

960
00:43:36,320 --> 00:43:33,630
the CIA Stargate stuff but I think we've

961
00:43:38,600 --> 00:43:36,330
I just kind of yeah that was kind of in

962
00:43:40,310 --> 00:43:38,610
the hole we've talked about that with CA

963
00:43:42,710 --> 00:43:40,320

consciousness but I don't know if that's

964

00:43:45,950 --> 00:43:42,720

been beaten to death at this point but

965

00:43:47,930 --> 00:43:45,960

it's tough for me to assume what people

966

00:43:49,539 --> 00:43:47,940

have heard and haven't heard at this

967

00:43:51,429 --> 00:43:49,549

point

968

00:43:59,649 --> 00:43:51,439

they're talking about CERN in the chat

969

00:44:01,179 --> 00:43:59,659

so and what the [h__h] turns up to that

970

00:44:03,219 --> 00:44:01,189

video that came out that showed that

971

00:44:07,739 --> 00:44:03,229

like ritual sacrifice in the courtyard

972

00:44:14,439 --> 00:44:11,769

okay so as of four hours ago as a

973

00:44:16,239 --> 00:44:14,449

four-out this is CERN news this is Swiss

974

00:44:18,999 --> 00:44:16,249

info dot CH ooh

975

00:44:20,949 --> 00:44:19,009

but the quickness for hours researchers

976
00:44:23,469 --> 00:44:20,959
at CERN have confirmed that they have

977
00:44:25,989 --> 00:44:23,479
successfully measured the mass of the W

978
00:44:29,739 --> 00:44:25,999
boson particle using a large hard-on

979
00:44:32,459 --> 00:44:29,749
Collider their measurement confirms the

980
00:44:36,880 --> 00:44:32,469
predictions of the standard model for

981
00:44:39,359 --> 00:44:36,890
particle physics okay great so they're

982
00:44:41,949 --> 00:44:39,369
four hours ago this came out

983
00:44:46,989 --> 00:44:41,959
that's huge it's that's that's huge

984
00:44:49,749 --> 00:44:46,999
boson yeah according to some scientists

985
00:44:51,849 --> 00:44:49,759
at Atlas collaborationist coordinator of

986
00:44:54,069 --> 00:44:51,859
the project achieving such precise

987
00:44:57,069 --> 00:44:54,079
measurements was a great challenge due

988
00:44:59,799 --> 00:44:57,079

to the demanding conditions present

989

00:45:02,319 --> 00:44:59,809

present in the Hadron Collider is

990

00:45:04,389 --> 00:45:02,329

extremely promising indication that of

991

00:45:07,059 --> 00:45:04,399

our ability to improve our knowledge of

992

00:45:09,459 --> 00:45:07,069

the standard model and to look for signs

993

00:45:11,620 --> 00:45:09,469

of new physics with the help of highly

994

00:45:13,899 --> 00:45:11,630

accurate measurements new physics with

995

00:45:18,809 --> 00:45:13,909

the highly accurate okay so what does

996

00:45:24,309 --> 00:45:22,629

know okay so at the end at the end of

997

00:45:26,199 --> 00:45:24,319

this one at the end

998

00:45:29,229 --> 00:45:26,209

the standard model of particle physics

999

00:45:32,529 --> 00:45:29,239

describe all elementary particles and

1000

00:45:35,769 --> 00:45:32,539

their interactions a more accurate

1001
00:45:38,349 --> 00:45:35,779
measurement of the mass of the W boson

1002
00:45:39,729 --> 00:45:38,359
could also lead to a better

1003
00:45:43,959 --> 00:45:39,739
understanding of the Higgs boson

1004
00:45:46,479 --> 00:45:43,969
particle discovered at CERN in 2012 this

1005
00:45:48,489 --> 00:45:46,489
is a bunch of gobbledygook yeah it's

1006
00:45:50,439 --> 00:45:48,499
digits and numbers and ones and zeros

1007
00:45:54,789 --> 00:45:50,449
when's the app coming out how can we

1008
00:45:56,169 --> 00:45:54,799
sell this speaking of CERN okay I don't

1009
00:45:57,609 --> 00:45:56,179
know if you guys had the article up I

1010
00:46:00,099 --> 00:45:57,619
know we've come across it a few times

1011
00:46:02,530 --> 00:46:00,109
that hole I think it's like Steve or

1012
00:46:05,590 --> 00:46:02,540
something or or it's showing the Fitbit

1013
00:46:08,050 --> 00:46:05,600

stuff I heard about it I don't know no

1014

00:46:11,230 --> 00:46:08,060

okay well what it is is it's like a heat

1015

00:46:14,410 --> 00:46:11,240

tracker well I would say he is in the

1016

00:46:17,110 --> 00:46:14,420

amount of usage in where it's tracking

1017

00:46:20,980 --> 00:46:17,120

stuff and it's like pulling up like

1018

00:46:23,710 --> 00:46:20,990

random [h__\h] and like like the middle of

1019

00:46:25,990 --> 00:46:23,720

the ocean uh like down in Antarctica

1020

00:46:30,010 --> 00:46:26,000

there's there's one down and there's a

1021

00:46:33,370 --> 00:46:30,020

giant one that's like it's probably like

1022

00:46:37,360 --> 00:46:33,380

like like a hundred times the size of

1023

00:46:38,650 --> 00:46:37,370

the that that CERN Collider in Europe we

1024

00:46:40,330 --> 00:46:38,660

actually we actually talked about that

1025

00:46:42,100 --> 00:46:40,340

I'm gonna share about two weeks ago we

1026

00:46:43,930 --> 00:46:42,110

talked about the the heat tracker the

1027

00:46:47,020 --> 00:46:43,940

fit but I haven't finished so it tracks

1028

00:46:48,790 --> 00:46:47,030

everywhere I go yeah and there are some

1029

00:46:51,010 --> 00:46:48,800

interesting locations like in the middle

1030

00:46:53,290 --> 00:46:51,020

ocean we were wouldn't expect a serene

1031

00:46:55,960 --> 00:46:53,300

there are some off the islands off of

1032

00:46:59,230 --> 00:46:55,970

the east coast of Africa where there are

1033

00:47:01,570 --> 00:46:59,240

some sunken islands and there are some

1034

00:47:04,120 --> 00:47:01,580

at military installations like Cheyenne

1035

00:47:06,820 --> 00:47:04,130

Mountain probably showing guard routes

1036

00:47:09,070 --> 00:47:06,830

and we actually had other worked out

1037

00:47:11,830 --> 00:47:09,080

there he was in he's in the Air Force he

1038

00:47:14,170 --> 00:47:11,840

worked at a missile defense yeah we had

1039

00:47:17,730 --> 00:47:14,180

a guy call in though one of our one of

1040

00:47:20,620 --> 00:47:17,740

our slackers call in and say yeah this

1041

00:47:24,340 --> 00:47:20,630

kind of gave some insight into into that

1042

00:47:28,990 --> 00:47:24,350

it might I mean you know you'd imagine

1043

00:47:31,840 --> 00:47:29,000

that hey guys don't wear your GPS

1044

00:47:35,080 --> 00:47:31,850

tracking technology while you're doing

1045

00:47:36,910 --> 00:47:35,090

your guard rotations and secret military

1046

00:47:39,670 --> 00:47:36,920

installations but apparently they didn't

1047

00:47:40,780 --> 00:47:39,680

get the talk didn't get that time and I

1048

00:47:45,490 --> 00:47:40,790

got to do a follow up with him because

1049

00:47:47,470 --> 00:47:45,500

he used like a private bro you bomb can

1050

00:47:50,230 --> 00:47:47,480

respond but he said like I'm sure I'm

1051
00:47:53,470 --> 00:47:50,240
gonna see an email about this on Monday

1052
00:47:55,630 --> 00:47:53,480
so yeah but wouldn't you expect at a

1053
00:47:57,580 --> 00:47:55,640
super-secret location like Siam Mountain

1054
00:48:01,180 --> 00:47:57,590
or like NORAD but you have to check your

1055
00:48:03,940 --> 00:48:01,190
cell phone at the [h__\h] door or check

1056
00:48:05,920 --> 00:48:03,950
your Fitbit and by the way it might GPS

1057
00:48:08,740 --> 00:48:05,930
doesn't work in tunnels going from here

1058
00:48:12,160 --> 00:48:08,750
to Pittsburgh how does it work in

1059
00:48:14,650 --> 00:48:12,170
Cheyenne Mountain unless is unless that

1060
00:48:16,210 --> 00:48:14,660
bless is attached to a Wi-Fi router and

1061
00:48:17,920 --> 00:48:16,220
why isn't that why is that

1062
00:48:20,050 --> 00:48:17,930
Wi-Fi router even accepting that

1063
00:48:21,640 --> 00:48:20,060

connection

1064

00:48:23,320 --> 00:48:21,650

what kind of security is going on here

1065

00:48:26,020 --> 00:48:23,330

and that leads the question all these

1066

00:48:29,109 --> 00:48:26,030

sirens going off in hallelu

1067

00:48:31,270 --> 00:48:29,119

and in in in in the Gulf of Mexico and

1068

00:48:34,810 --> 00:48:31,280

then in Japan are all these systems

1069

00:48:36,430 --> 00:48:34,820

[h__h] hacked they could like no one's

1070

00:48:38,349 --> 00:48:36,440

paying attention to all this [h__h] I

1071

00:48:41,050 --> 00:48:38,359

think yeah that's a good point they it

1072

00:48:44,070 --> 00:48:41,060

might be getting acted for sure saying

1073

00:48:49,359 --> 00:48:44,080

it's it's human error that's doing it so

1074

00:48:52,060 --> 00:48:49,369

anyway I they just want to cut those cut

1075

00:48:53,710 --> 00:48:52,070

the people work it out maybe those X at

1076
00:48:55,810 --> 00:48:53,720
here's a ripe you don't have like one of

1077
00:48:58,330 --> 00:48:55,820
those secondary like are you sure you

1078
00:49:03,190 --> 00:48:58,340
want to do this yes or no like like

1079
00:49:07,150 --> 00:49:03,200
little pop-ups track your location area

1080
00:49:16,150 --> 00:49:07,160
51 yes confirm yes I was just thinking

1081
00:49:18,670 --> 00:49:16,160
about Hawaii well that guy that fired

1082
00:49:21,750 --> 00:49:18,680
way got fire but is he also firmly

1083
00:49:24,550 --> 00:49:21,760
believe he was in her attack and why oh

1084
00:49:26,530 --> 00:49:24,560
I did hear a couple of things about they

1085
00:49:30,250 --> 00:49:26,540
there might be related to that

1086
00:49:33,370 --> 00:49:30,260
Oh moment like that that asteroid that

1087
00:49:37,089 --> 00:49:33,380
was one piece of little pieces of it

1088
00:49:39,010 --> 00:49:37,099

coming in and out yeah like it could be

1089

00:49:41,740 --> 00:49:39,020

that but also it could have been I think

1090

00:49:45,880 --> 00:49:41,750

it's more likely that there was some

1091

00:49:48,310 --> 00:49:45,890

sort of test or drill going on that they

1092

00:49:51,970 --> 00:49:48,320

did not get notified about so when

1093

00:49:53,740 --> 00:49:51,980

something launched out of the ocean it

1094

00:49:55,839 --> 00:49:53,750

was pitch off and he thought it was a

1095

00:50:00,550 --> 00:49:55,849

genuine attack but it was actually just

1096

00:50:02,859 --> 00:50:00,560

a drill a test mm-hmm or because then

1097

00:50:04,750 --> 00:50:02,869

right after didn't like China have the

1098

00:50:06,820 --> 00:50:04,760

same thing happen I don't know what's

1099

00:50:13,200 --> 00:50:06,830

going on yeah there was there was

1100

00:50:16,270 --> 00:50:13,210

something that if Japan China and

1101

00:50:19,150 --> 00:50:16,280

there's some kind of thing going on and

1102

00:50:21,820 --> 00:50:19,160

we just don't know where it came from

1103

00:50:26,890 --> 00:50:21,830

if only someone could help us out China

1104

00:50:29,290 --> 00:50:26,900

yeah okay China did it Oh Japan okay Mex

1105

00:50:35,740 --> 00:50:29,300

or Mexico did it all

1106

00:50:37,780 --> 00:50:35,750

Mexico okay billions and billions and

1107

00:50:44,240 --> 00:50:37,790

billions and billions and billions and

1108

00:50:47,990 --> 00:50:46,160

you guys got burnin wind down the show

1109

00:50:51,670 --> 00:50:48,000

here we talked about the transhumanism

1110

00:50:53,990 --> 00:50:51,680

where I'm gonna forego look the CIA

1111

00:50:56,270 --> 00:50:54,000

consciousness talk because this too deep

1112

00:50:58,670 --> 00:50:56,280

at this point what about the conspiracy

1113

00:51:02,060 --> 00:50:58,680

stuff with the plane crash and

1114

00:51:04,570 --> 00:51:02,070

helicopter crash what's that if you wait

1115

00:51:08,450 --> 00:51:04,580

night a plane crash in Russia with the

1116

00:51:11,060 --> 00:51:08,460

uranium one guy on board I don't know

1117

00:51:13,780 --> 00:51:11,070

enough about that Oh a horizontal 71

1118

00:51:18,890 --> 00:51:13,790

people died in a plane crash near Moscow

1119

00:51:20,360 --> 00:51:18,900

but I don't know about that that's the

1120

00:51:21,680 --> 00:51:20,370

problem with doing so many shows if I do

1121

00:51:25,040 --> 00:51:21,690

three shows a week I don't have enough

1122

00:51:28,730 --> 00:51:25,050

time to research yeah as well so I rely

1123

00:51:30,650 --> 00:51:28,740

on a lot of listener feedback and

1124

00:51:32,270 --> 00:51:30,660

submitted stories I don't have a lot of

1125

00:51:34,770 --> 00:51:32,280

deep information on what would your

1126
00:51:40,920 --> 00:51:37,320
I'd say coincidental on that one maybe I

1127
00:51:43,890 --> 00:51:40,930
mean the guy I mean but the helicopter

1128
00:51:46,700 --> 00:51:43,900
one is interesting that it's a little

1129
00:51:49,770 --> 00:51:46,710
different heads out in California

1130
00:51:54,480 --> 00:51:49,780
there's some links to some atom shift

1131
00:51:58,410 --> 00:51:54,490
stuff and numa our arena where the ring

1132
00:52:00,540 --> 00:51:58,420
Bravo [h__h] got pizza gate chick spirit

1133
00:52:02,460 --> 00:52:00,550
cooker yeah there's like a little

1134
00:52:04,440 --> 00:52:02,470
triangle of people involved with that

1135
00:52:06,830 --> 00:52:04,450
kind of leading through the [h__h] Clinton

1136
00:52:10,650 --> 00:52:06,840
and all this stuff it's pretty crazy

1137
00:52:13,800 --> 00:52:10,660
there's a big donor that's the Louie

1138
00:52:15,990 --> 00:52:13,810

Craddock donor involved there and there

1139

00:52:18,510 --> 00:52:16,000

was a death involved with what the guy

1140

00:52:20,580 --> 00:52:18,520

that's the donor like he like he was

1141

00:52:25,980 --> 00:52:20,590

he's been an out gay man for a long time

1142

00:52:33,269 --> 00:52:28,859

I got his name here

1143

00:52:35,339 --> 00:52:33,279

ed buck Rock his name's da he's a he's a

1144

00:52:39,269 --> 00:52:35,349

Quentin he's a Hillary Clinton donator

1145

00:52:43,469 --> 00:52:39,279

huge donate her and he's not yeah in any

1146

00:52:47,999 --> 00:52:43,479

way uh this guy like would get young

1147

00:52:50,569 --> 00:52:48,009

gaben all [h__h] up on meth good yeah

1148

00:52:52,440 --> 00:52:50,579

and have his way with them basically and

1149

00:52:54,930 --> 00:52:52,450

there's there's a couple weird

1150

00:52:57,059 --> 00:52:54,940

coincidence this is like a couple weird

1151
00:52:59,190 --> 00:52:57,069
things involved with that like there's

1152
00:53:03,109 --> 00:52:59,200
just the standard hotel which is like

1153
00:53:05,370 --> 00:53:03,119
this if you're hip and young and cool

1154
00:53:07,170 --> 00:53:05,380
you go to this place called the standard

1155
00:53:09,959 --> 00:53:07,180
hotel that's me I'm young and cool I'm

1156
00:53:12,329 --> 00:53:09,969
going yeah totally yeah like you would

1157
00:53:14,579 --> 00:53:12,339
totally be there hanging out in the pool

1158
00:53:19,109 --> 00:53:14,589
with all the pool people damn a pool guy

1159
00:53:21,900 --> 00:53:19,119
yeah and then uh and when having that

1160
00:53:26,010 --> 00:53:21,910
many people you're gonna order three

1161
00:53:26,020 --> 00:53:30,000
what's it called there basically

1162
00:53:36,000 --> 00:53:33,390
uric acid it dissolves all tissue all

1163
00:53:36,990 --> 00:53:36,010

bone everything possible wow that's

1164

00:53:39,599 --> 00:53:37,000

pretty hardcore

1165

00:53:41,460 --> 00:53:39,609

yeah but then it all it all links over

1166

00:53:43,470 --> 00:53:41,470

to like hannahb shift and all this stuff

1167

00:53:45,660 --> 00:53:43,480

it's pretty wild well the three people

1168

00:53:49,500 --> 00:53:45,670

on this helicopter including the pilot

1169

00:53:54,089 --> 00:53:49,510

died all three people worked for the

1170

00:53:55,829 --> 00:53:54,099

standard hotel I got in there all

1171

00:54:00,329 --> 00:53:55,839

general managers I guess there was one

1172

00:54:03,450 --> 00:54:00,339

in the southeast and then there's

1173

00:54:09,210 --> 00:54:03,460

there's a there's a hotel in downtown LA

1174

00:54:24,589 --> 00:54:09,220

and then there's this hotel in

1175

00:54:24,599 --> 00:54:33,470

don't know if I look at the Clinton List

1176

00:54:33,480 --> 00:54:46,280

yeah it's a spreadsheet a zip file okay

1177

00:55:17,339 --> 00:55:14,309

here we go we have all right I do have

1178

00:55:24,710 --> 00:55:17,349

one last story here for everyone

1179

00:55:27,180 --> 00:55:24,720

and this is about the booms going on and

1180

00:55:30,870 --> 00:55:27,190

mysterious boom they have it up on the

1181

00:55:35,039 --> 00:55:30,880

screen there over there and we can talk

1182

00:55:39,780 --> 00:55:35,049

about this this comes from Denver CB s

1183

00:55:41,400 --> 00:55:39,790

local and I'll play this for all ye okay

1184

00:55:43,410 --> 00:55:41,410

rage many people are worrying about

1185

00:55:45,870 --> 00:55:43,420

things that go bump in the night

1186

00:55:48,120 --> 00:55:45,880

should we say boom Sam Bush looking into

1187

00:55:51,630 --> 00:55:48,130

the curious phenomenon saying what's

1188

00:55:53,190 --> 00:55:51,640

going on out there yet Sam well we rich

1189

00:55:55,680 --> 00:55:53,200

police say they are looking to something

1190

00:55:58,019 --> 00:55:55,690

that is truly a mystery to them too many

1191

00:55:59,670 --> 00:55:58,029

people have reported being woken up in

1192

00:56:02,069 --> 00:55:59,680

the middle of the night to an explosion

1193

00:56:09,450 --> 00:56:02,079

sound to me too many to make it be a

1194

00:56:11,609 --> 00:56:09,460

fluke sound Sir Anthony heard that

1195

00:56:14,730 --> 00:56:11,619

strange boom in the night three weeks

1196

00:56:15,569 --> 00:56:14,740

ago I said asleep so what was that and

1197

00:56:18,450 --> 00:56:15,579

then just kind of fall back

1198

00:56:21,059 --> 00:56:18,460

she says she's heard it off and on for

1199

00:56:23,279 --> 00:56:21,069

more than six months and never more than

1200

00:56:24,839 --> 00:56:23,289

once in a single night it's more like a

1201

00:56:27,690 --> 00:56:24,849

gunshot like you can kind of hear it

1202

00:56:28,950 --> 00:56:27,700

like a ways away but definitely

1203

00:56:31,559 --> 00:56:28,960

something I don't have to wake me up

1204

00:56:33,990 --> 00:56:31,569

online a homeowner at 20th and Pierce

1205

00:56:36,420 --> 00:56:34,000

believes she caught a loom on take home

1206

00:56:38,789 --> 00:56:36,430

a distant thought in the night though

1207

00:56:40,289 --> 00:56:38,799

people who say they live closer say it's

1208

00:56:42,930 --> 00:56:40,299

more like an explosion

1209

00:56:45,000 --> 00:56:42,940

oops it's a mystery befuddling

1210

00:56:47,339 --> 00:56:45,010

wheatridge police and neighbors in the

1211

00:56:49,799 --> 00:56:47,349

surrounding area investigators have

1212

00:56:51,809 --> 00:56:49,809

responded to dozens of concerns online

1213

00:56:54,210 --> 00:56:51,819

though around three or four in the

1214

00:56:57,120 --> 00:56:54,220

morning when the boom allegedly goes off

1215

00:56:59,789 --> 00:56:57,130

no one has called 911

1216

00:57:01,920 --> 00:56:59,799

leaving videos like this as the best

1217

00:57:04,950 --> 00:57:01,930

evidence of a bump in the night plaguing

1218

00:57:08,819 --> 00:57:04,960

the town actually I see I was sent some

1219

00:57:11,640 --> 00:57:08,829

audio by a listener in Denver of the

1220

00:57:13,170 --> 00:57:11,650

booms going on in neighborhood and this

1221

00:57:15,150 --> 00:57:13,180

might be disturbing but this is what I

1222

00:57:19,019 --> 00:57:15,160

have this was this Honey Bohemian Grove

1223

00:57:20,730 --> 00:57:19,029

satellite run by black ops there you go

1224

00:57:22,170 --> 00:57:20,740

I mean I just a lot of booms going on in

1225

00:57:24,580 --> 00:57:22,180

that neighborhood moments I heard this

1226

00:57:31,350 --> 00:57:26,580

[Music]

1227

00:57:33,750 --> 00:57:31,360

I heard that one too I was like what

1228

00:57:35,130 --> 00:57:33,760

there's a lot of booms going on and I

1229

00:57:37,200 --> 00:57:35,140

just didn't I think Alex Jones is

1230

00:57:43,700 --> 00:57:37,210

walking around the neighborhood just

1231

00:57:47,190 --> 00:57:43,710

doing boom-boom exactly

1232

00:57:49,620 --> 00:57:47,200

Alex Joneses is is disturbing in a word

1233

00:57:54,360 --> 00:57:49,630

he's a noise vandal he's disturbing the

1234

00:58:08,670 --> 00:57:54,370

peace back to Jones back to Jones come

1235

00:58:10,320 --> 00:58:08,680

on I'm the gay fog man the guy's the

1236

00:58:13,680 --> 00:58:10,330

best I was listening to him today for a

1237

00:58:14,940 --> 00:58:13,690

little bit he's pretty good right we're

1238

00:58:17,000 --> 00:58:14,950

gonna do it and we're gonna get out of

1239

00:58:19,080 --> 00:58:17,010

here

1240

00:58:22,200 --> 00:58:19,090

you wanna give thanks for having us we

1241

00:58:25,560 --> 00:58:22,210

have a two minutes left it's been for

1242

00:58:27,240 --> 00:58:25,570

three days now 109 and myself grim and

1243

00:58:29,070 --> 00:58:27,250

James will be leaving thank you very

1244

00:58:32,400 --> 00:58:29,080

much guys and you can check them out on

1245

00:58:35,160 --> 00:58:32,410

the cruisin with state podcast what is

1246

00:58:37,290 --> 00:58:35,170

the the best place on YouTube for them

1247

00:58:42,210 --> 00:58:37,300

to check you out and what can I put in

1248

00:58:43,590 --> 00:58:42,220

my description just grim sake that's my

1249

00:58:46,070 --> 00:58:43,600

Channel right now let's try what we

1250

00:58:48,750 --> 00:58:46,080

stream the most done grim snake okay

1251

00:58:52,020 --> 00:58:48,760

yeah we just did one uh with Jeffrey

1252

00:58:56,130 --> 00:58:52,030

Boyd jr. on lidar and radiography scans

1253

00:58:59,700 --> 00:58:56,140

of all over the place it's it was all

1254

00:59:02,600 --> 00:58:59,710

over the place but it was lined Allen it

1255

00:59:05,340 --> 00:59:02,610

cheatin itza down in Mexico like there's

1256

00:59:08,280 --> 00:59:05,350

whole underground city underneath that

1257

00:59:10,950 --> 00:59:08,290

thing dude like that spans like seven

1258

00:59:13,530 --> 00:59:10,960

seven times the size of love what you

1259

00:59:16,830 --> 00:59:13,540

see on the surface all underneath the

1260

00:59:20,940 --> 00:59:16,840

jungle is really wild and it all looks

1261

00:59:23,630 --> 00:59:20,950

like giant like computer chips and like

1262

00:59:26,670 --> 00:59:23,640

it was some type of very intricate

1263

00:59:28,140 --> 00:59:26,680

what's that very intricate oh definitely

1264

00:59:29,970 --> 00:59:28,150

yeah it looked like it looked like a

1265

00:59:32,010 --> 00:59:29,980

circuit board dude underneath the whole

1266

00:59:36,810 --> 00:59:32,020

entire city like I'm figuring to find

1267

00:59:38,570 --> 00:59:36,820

out that a lot more and yeah yeah stuff

1268

00:59:40,950 --> 00:59:38,580

like that was pretty mind-blowing

1269

00:59:42,690 --> 00:59:40,960

listening to your podcast more a better

1270

00:59:45,390 --> 00:59:42,700

guest on I mean you have guests on we

1271

00:59:47,670 --> 00:59:45,400

don't have guests on well yeah uh we've

1272

00:59:50,280 --> 00:59:47,680

had some really cool people online yeah

1273

00:59:52,080 --> 00:59:50,290

over time and but I mean the one main

1274

00:59:54,570 --> 00:59:52,090

idea of the show was to get people like

1275

00:59:56,310 --> 00:59:54,580

you on just podcasters and just pick

1276

00:59:57,690 --> 00:59:56,320

their brains man and see like why they

1277

01:00:03,290 --> 00:59:57,700

wanted to get into the whole game use

1278

01:00:08,940 --> 01:00:05,670

sometimes we come across some really

1279

01:00:10,320 --> 01:00:08,950

kick-ass people man yeah I don't know so

1280

01:00:12,870 --> 01:00:10,330

it's like hey you want to come on and

1281

01:00:15,390 --> 01:00:12,880

they say yeah and we didn't show we got

1282

01:00:21,930 --> 01:00:15,400

one coming out oh we got one Thursday

1283

01:00:26,090 --> 01:00:21,940

we're gonna be doing with with the

1284

01:00:30,710 --> 01:00:26,100

female with female yes a female guest

1285

01:00:39,390 --> 01:00:35,760

you guys have certainly done everything

1286

01:00:42,480 --> 01:00:39,400

that I want to do which is and I just

1287

01:00:46,950 --> 01:00:42,490

keep distracted by goofiness and sound

1288

01:00:49,320 --> 01:00:46,960

clips but that's what I do love it it's

1289

01:00:53,160 --> 01:00:49,330

what you do it now keep doing it man I

1290

01:00:53,880 --> 01:00:53,170

mean that's the dude is an inspiration

1291

01:00:57,540 --> 01:00:53,890

to me for sure

1292

01:00:59,250 --> 01:00:57,550

I appreciate you guys coming we're gonna

1293

01:01:01,980 --> 01:00:59,260

hear thanks for come on night talk live

1294

01:01:04,140 --> 01:01:01,990

and I'm sure Joe and clown baby saying

1295

01:01:04,710 --> 01:01:04,150

you're your best and I was don't you

1296

01:01:07,080 --> 01:01:04,720

guys later

1297

01:01:13,190 --> 01:01:07,090

yeah for sure man thanks for having us

1298

01:01:18,380 --> 01:01:16,430

there they go amazing guys nice I'm very

1299

01:01:20,420 --> 01:01:18,390

thankful they decided to take time to

1300

01:01:23,359 --> 01:01:20,430

you hang with me and check him out

1301

01:01:24,799 --> 01:01:23,369

cruising with steak cruising with steak

1302

01:01:27,200 --> 01:01:24,809

podcast I'll put her link in the
