00:02:53,979 --> 00:02:49,250

talk live you have just queued up

43

00:02:57,789 --> 00:02:53,989

tonight on night talk live I'll be

44

00:03:02,229 --> 00:02:57,799

talking about Elon Musk we'll talk about

45

00:03:06,430 --> 00:03:02,239

time travelers and alien AI or alien

46

00:03:08,289 --> 00:03:06,440

intelligence is and whatever might come

47

00:03:11,530 --> 00:03:08,299

to your mind if you want to call into

48

00:03:14,470 --> 00:03:11,540

six one four three eight eight nine 109

49

00:03:16,630 --> 00:03:14,480

I will be mostly happy to take your

50

00:03:21,810 --> 00:03:16,640

phone calls yes

51  
00:03:24,009 --> 00:03:21,820  
mostly happy and Elon Musk was at the

52  
00:03:32,289 --> 00:03:24,019  
global governance

53  
00:03:36,790 --> 00:03:32,299  
symposium and he was giving a little

54  
00:03:40,660 --> 00:03:38,170  
he's getting asked questions about him

55  
00:03:43,810 --> 00:03:40,670  
and his business and his philosophy on

56  
00:03:47,010 --> 00:03:43,820  
life where he sees technology going what

57  
00:03:52,440 --> 00:03:47,020  
is he doing with underground tunnels and

58  
00:03:55,960 --> 00:03:52,450  
where he sees a eyes place in automation

59  
00:03:58,120 --> 00:03:55,970  
within civilization within the next 20

60  
00:03:59,200 --> 00:03:58,130  
to 50 years interesting conversation

61  
00:04:03,580 --> 00:03:59,210  
gotta say though

62  
00:04:06,850 --> 00:04:03,590  
Elon Musk he he's a very I guess he's a

63  
00:04:08,740 --> 00:04:06,860

very thoughtful guy he you could see him

64

00:04:10,630 --> 00:04:08,750

think on stage look at that look at that

65

00:04:13,030 --> 00:04:10,640

thinker he I wanted I wanted like this

66

00:04:17,590 --> 00:04:13,040

like kind of like scruff his little hair

67

00:04:21,070 --> 00:04:17,600

right there that little astronaut but

68

00:04:23,860 --> 00:04:21,080

but he was very thoughtful in his in his

69

00:04:41,170 --> 00:04:23,870

uh thoughts and expressions on stage

70

00:04:44,129 --> 00:04:41,180

caller go ahead that is uh as Mel Gibson

71

00:04:48,420 --> 00:04:46,710

Thank You Mel Gibson for calling up you

72

00:04:50,309 --> 00:04:48,430

have anything to add to what you will

73

00:04:55,529 --> 00:04:50,319

you just said right there to your wife

74

00:05:01,439 --> 00:04:55,539

your lovely wife no okay well thank you

75

00:05:02,369 --> 00:05:01,449

for calling you know some people get a

76

00:05:04,649 --> 00:05:02,379

little crazy

77

00:05:07,020 --> 00:05:04,659

about calling in here I really

78

00:05:09,899 --> 00:05:07,030

appreciate it call really appreciate Mel

79

00:05:16,770 --> 00:05:09,909

Gibson reprising his anger role from

80

00:05:20,270 --> 00:05:16,780

above five six years ago Mel Gibson was

81

00:05:23,640 --> 00:05:20,280

on Joe Rogan recently talking about

82

00:05:25,770 --> 00:05:23,650

getting I think doing like stem-cell

83

00:05:29,520 --> 00:05:25,780

research and getting stem cells injected

84

00:05:30,450 --> 00:05:29,530

into his elderly father's hip and he was

85

00:05:31,709 --> 00:05:30,460

good as good as new

86

00:05:33,629 --> 00:05:31,719

apparently they're doing some pretty

87

00:05:36,409 --> 00:05:33,639

good research down there in Central

88

00:05:38,670 --> 00:05:36,419

America when it comes to stem cells and

89

00:05:41,760 --> 00:05:38,680

well guess was talking all about it with

90

00:05:43,170 --> 00:05:41,770

Joe Rogan but before I take any more

91

00:05:48,899 --> 00:05:43,180

phone calls i'ma play this clip from

92

00:05:53,370 --> 00:05:48,909

Elon Musk the musky one and this is him

93

00:05:57,209 --> 00:05:53,380

talking about AI for anybody does no I

94

00:05:59,820 --> 00:05:57,219

don't think Elon Musk is a big fan of AI

95

00:06:01,019 --> 00:05:59,830

I in fact I might I might even say he's

96

00:06:03,749 --> 00:06:01,029

against it at this point

97

00:06:05,100 --> 00:06:03,759

he wants a governments to get involved

98

00:06:09,080 --> 00:06:05,110

so here we go zere and talk about this

99

00:06:11,850 --> 00:06:09,090

[h\_\_\h] is a dangerous situation

100

00:06:14,279 --> 00:06:11,860

why it is dangerous I mean there is a to

101

00:06:16,920 --> 00:06:14,289

view one view is artificial intelligent

102

00:06:19,129 --> 00:06:16,930

world has humanity there is another

103

00:06:21,779 --> 00:06:19,139

school of think of thought is artificial

104

00:06:26,779 --> 00:06:21,789

intelligent this is a threat to humanity

105

00:06:30,029 --> 00:06:26,789

why is it I think it's both you know

106

00:06:33,480 --> 00:06:30,039

it's it's like one way to think of it is

107

00:06:35,909 --> 00:06:33,490

imagine we're going to be visited you

108

00:06:38,279 --> 00:06:35,919

imagine you're very confident that we

109

00:06:42,059 --> 00:06:38,289

were going to be visited by super

110

00:06:44,219 --> 00:06:42,069

intelligent aliens in let's say ten

111

00:06:46,110 --> 00:06:44,229

years or twenty years at the most super

112

00:06:51,490 --> 00:06:46,120

intelligence so you think within 20

113

00:06:53,680 --> 00:06:51,500

years yeah so have alien in here well

114

00:06:56,440 --> 00:06:53,690

Digital superintelligence will be like

115

00:06:58,810 --> 00:06:56,450

an alien it will be like it yeah but but

116

00:07:03,010 --> 00:06:58,820

my question is

117

00:07:07,750 --> 00:07:03,020

do you think there is other intelligent

118

00:07:09,130 --> 00:07:07,760

life outside there it seems probable but

119

00:07:13,110 --> 00:07:09,140

I think this is this is one of the great

120

00:07:17,230 --> 00:07:13,120

questions in physics and philosophy is

121

00:07:20,650 --> 00:07:17,240

where of the aliens maybe they're among

122

00:07:25,540 --> 00:07:20,660

us I don't know some people think I'm an

123

00:07:33,670 --> 00:07:25,550

alien not true not true by the way not

124

00:07:34,270 --> 00:07:33,680

true if you look at this part of the

125

00:07:39,730 --> 00:07:34,280

world

126

00:07:42,160 --> 00:07:39,740

yeah they believe that human being are

127

00:07:45,640 --> 00:07:42,170

not from Earth they came from somewhere

128

00:07:47,530 --> 00:07:45,650

else he may be an atom came from

129

00:07:48,700 --> 00:07:47,540

somewhere else to add if you think about

130

00:07:50,410 --> 00:07:48,710

it's kind of amazing that they were

131

00:07:53,080 --> 00:07:50,420

actually bringing us up at a global

132

00:07:56,770 --> 00:07:53,090

governance conference talking about

133

00:07:59,140 --> 00:07:56,780

these kinds of Zecharia Sitchin subjects

134

00:08:02,680 --> 00:07:59,150

Planet X where where did humanity really

135

00:08:05,470 --> 00:08:02,690

come from ancient alien theory and

136

00:08:08,950 --> 00:08:05,480

they're talking about this topic with

137

00:08:13,000 --> 00:08:08,960

Elon Musk in front of world leaders in

138

00:08:18,370 --> 00:08:13,010

Dubai pretty crazy so in a way human

139

00:08:20,980 --> 00:08:18,380

being alien to this life do you think

140

00:08:23,790 --> 00:08:20,990

we'll make contact with alien within the

141

00:08:31,320 --> 00:08:26,400

well that's a really tough one to say um

142

00:08:33,630 --> 00:08:31,330

that guy okay if there are super

143

00:08:36,810 --> 00:08:33,640

intelligent aliens out there they're

144

00:08:39,839 --> 00:08:36,820

probably already observing us it would

145

00:08:44,280 --> 00:08:39,849

seem quite likely and we just are not

146

00:08:46,320 --> 00:08:44,290

smart enough to realize it but I can do

147

00:08:52,710 --> 00:08:46,330

some some back the envelope calculations

148

00:08:56,639 --> 00:08:52,720

and any advanced alien civilization that

149

00:09:02,400 --> 00:08:56,649

that was at all interested in populating

150

00:09:03,810 --> 00:09:02,410

the galaxy even without without

151  
00:09:06,720 --> 00:09:03,820  
exceeding the speed of light even if

152  
00:09:09,530 --> 00:09:06,730  
you're only moving at say ten or twenty

153  
00:09:12,810 --> 00:09:09,540  
percent of the speed of light you could

154  
00:09:16,620 --> 00:09:12,820  
populate the entire galaxy and let's say

155  
00:09:19,199 --> 00:09:16,630  
ten million years and he goes on and on

156  
00:09:22,079 --> 00:09:19,209  
what the hell is this yeah what the hell

157  
00:09:24,930 --> 00:09:22,089  
is this I think they should submit

158  
00:09:27,300 --> 00:09:24,940  
questions to Elon Musk beforehand so you

159  
00:09:29,130 --> 00:09:27,310  
can formulate his opinions clearly and

160  
00:09:31,199 --> 00:09:29,140  
concisely and get them out in a very

161  
00:09:33,420 --> 00:09:31,209  
quick way because you can see the the

162  
00:09:35,519 --> 00:09:33,430  
audience's is full of people from the

163  
00:09:37,440 --> 00:09:35,529

Middle East they all have their hands on

164

00:09:41,250 --> 00:09:37,450

their beards they have the garbs they'll

165

00:09:42,780 --> 00:09:41,260

have their iPhones up pretty in string

166

00:09:45,199 --> 00:09:42,790

conversation that they're having but I

167

00:09:47,670 --> 00:09:45,209

don't he's not taking a very provocative

168

00:09:50,550 --> 00:09:47,680

stance when it comes to this he's not

169

00:09:54,600 --> 00:09:50,560

even giving to AI just yet they keep you

170

00:09:56,699 --> 00:09:54,610

can hear that the the host started off

171

00:10:00,480 --> 00:09:56,709

talking about AI then quickly moved to

172

00:10:04,410 --> 00:10:00,490

aliens and are they here it's i'il a

173

00:10:06,300 --> 00:10:04,420

must has dancing around some stuff and I

174

00:10:07,920 --> 00:10:06,310

I don't know why I mean he's a

175

00:10:09,660 --> 00:10:07,930

billionaire at this point I believe he's

176

00:10:12,240 --> 00:10:09,670

a billionaire he's got his own space

177

00:10:13,620 --> 00:10:12,250

program why would you just come out and

178

00:10:15,510 --> 00:10:13,630

say yeah I believe his aliens and I'm

179

00:10:34,190 --> 00:10:15,520

gonna go find him and [h\_\_h] him go ahead

180

00:10:39,040 --> 00:10:35,930

all right well thank you for the call we

181

00:10:43,730 --> 00:10:39,050

really appreciate your effort and time

182

00:10:46,400 --> 00:10:43,740

means a lot to me and I know for goddamn

183

00:10:48,400 --> 00:10:46,410

fact that it means a lot to the audience

184

00:10:53,480 --> 00:10:48,410

appreciate that

185

00:10:56,810 --> 00:10:53,490

so Sheila Elon Musk talking about the

186

00:11:01,400 --> 00:10:56,820

possibilities of another alien

187

00:11:03,380 --> 00:11:01,410

civilization populating the galaxy

188

00:11:04,640 --> 00:11:03,390

what does I think well we all kind of

189

00:11:05,900 --> 00:11:04,650

want to do that's where we want to be

190

00:11:08,240 --> 00:11:05,910

that's where I want to be people know

191

00:11:11,630 --> 00:11:08,250

this about me I'm a Star Trek fan boy I

192

00:11:14,630 --> 00:11:11,640

love Star Trek The Next Generation it's

193

00:11:19,820 --> 00:11:14,640

what I do it's how I live my life I want

194

00:11:23,270 --> 00:11:19,830

to be a car I think that's where

195

00:11:25,040 --> 00:11:23,280

humanity should go in in a limitless

196

00:11:28,250 --> 00:11:25,050

resources aya T we don't got to worry

197

00:11:30,080 --> 00:11:28,260

about energy and and food what do you

198

00:11:32,060 --> 00:11:30,090

got to do I'm gonna go travel the stars

199

00:11:34,460 --> 00:11:32,070

if you have the means to do that that's

200

00:11:38,600 --> 00:11:34,470

where I would like to see us go as a

201  
00:11:40,970 --> 00:11:38,610  
species and I think I think that Elon

202  
00:11:43,190 --> 00:11:40,980  
Musk is the same way Seth MacFarlane who

203  
00:11:48,500 --> 00:11:43,200  
Ellen must kind of looks like in a weird

204  
00:11:50,000 --> 00:11:48,510  
way also feels that way Red Alert

205  
00:11:54,730 --> 00:11:50,010  
we're being hit by a field of energetic

206  
00:11:59,690 --> 00:11:58,130  
yeah increase power to shields increase

207  
00:12:05,210 --> 00:11:59,700  
power shields

208  
00:12:07,400 --> 00:12:05,220  
all right doing it Norfolk oh my god so

209  
00:12:09,590 --> 00:12:07,410  
I said that's where I I would like to go

210  
00:12:11,870 --> 00:12:09,600  
I know Elam monks musk wants to go in

211  
00:12:13,790 --> 00:12:11,880  
that direction to the Stars and he's got

212  
00:12:15,440 --> 00:12:13,800  
his own goddamn rocket so you can do

213  
00:12:16,880 --> 00:12:15,450

that he can shoot himself into space all

214

00:12:17,540 --> 00:12:16,890

day [h\_\_h] long if he wants to but he's

215

00:12:21,230 --> 00:12:17,550

not doing that

216

00:12:39,499 --> 00:12:21,240

he shoots up cars robots oh I wonder who

217

00:12:50,400 --> 00:12:48,269

hmm I'm not sure I feel about that it's

218

00:12:54,259 --> 00:12:50,410

see my phone line is gonna be tied up

219

00:12:57,030 --> 00:12:54,269

with somebody that she de sounding sound

220

00:13:01,110 --> 00:12:57,040

bites and clips but I appreciate the

221

00:13:06,749 --> 00:13:03,269

you have another clip from this

222

00:13:10,369 --> 00:13:06,759

conference and this one is concerning AI

223

00:13:12,269 --> 00:13:10,379

and automation and unemployment

224

00:13:13,860 --> 00:13:12,279

something I'm very concerned about on a

225

00:13:16,559 --> 00:13:13,870

daily basis is automation and

226

00:13:19,230 --> 00:13:16,569

unemployment and that we all are in this

227

00:13:21,809 --> 00:13:19,240

economy when robots are gonna come and

228

00:13:23,879 --> 00:13:21,819

take your jobs and eat your food and

229

00:13:25,590 --> 00:13:23,889

have sex with your wife we're all

230

00:13:27,420 --> 00:13:25,600

concerned about the robots us barging

231

00:13:29,970 --> 00:13:27,430

into your house and say hey [\h\_\_\h]

232

00:13:32,369 --> 00:13:29,980

I'm here to [\h\_\_\h] and suck everything you

233

00:13:36,389 --> 00:13:32,379

got get the [\h\_\_\h] out of here human male

234

00:13:41,850 --> 00:13:36,399

and with that concern Elon Musk has this

235

00:13:44,129 --> 00:13:41,860

to say about that No then I think maybe

236

00:13:46,199 --> 00:13:44,139

the least these things do play into each

237

00:13:49,230 --> 00:13:46,209

other a little bit but what to do about

238

00:13:53,850 --> 00:13:49,240

mass unemployment this is gonna be a

239

00:13:55,889 --> 00:13:53,860

massive social challenge and I think

240

00:13:58,470 --> 00:13:55,899

ultimately we will have to have some

241

00:13:59,389 --> 00:13:58,480

kind of universal basic income I don't

242

00:14:02,040 --> 00:13:59,399

think we're gonna have a choice

243

00:14:03,949 --> 00:14:02,050

Universal Music Inc Universal basic

244

00:14:07,230 --> 00:14:03,959

income I think it's gonna be necessary

245

00:14:10,199 --> 00:14:07,240

so it's mean that unemployed people will

246

00:14:12,870 --> 00:14:10,209

be paid across the globe yeah because

247

00:14:15,059 --> 00:14:12,880

there is no job machine robot is taking

248

00:14:18,629 --> 00:14:15,069

over there will be fewer and fewer jobs

249

00:14:20,759 --> 00:14:18,639

that a robot cannot do better but that's

250

00:14:24,389 --> 00:14:20,769

simply the but I don't want to be clear

251  
00:14:26,129 --> 00:14:24,399  
these these are not things that I think

252  
00:14:27,449 --> 00:14:26,139  
that I wish would happen these are

253  
00:14:33,090 --> 00:14:27,459  
things simply things that I think

254  
00:14:35,879 --> 00:14:33,100  
probably will happen oh yeah and so in

255  
00:14:37,619 --> 00:14:35,889  
if if my assessment is correct and they

256  
00:14:39,840 --> 00:14:37,629  
probably will happen then we need to say

257  
00:14:41,850 --> 00:14:39,850  
what are we going to do about it and I

258  
00:14:45,060 --> 00:14:41,860  
think some kind of a universal basic

259  
00:14:49,620 --> 00:14:47,879  
now the output the output of goods and

260  
00:14:53,699 --> 00:14:49,630  
services will be extremely high

261  
00:14:58,889 --> 00:14:53,709  
so with automation they will they will

262  
00:15:07,829 --> 00:14:58,899  
come abundance yeah there will be almost

263  
00:15:09,689 --> 00:15:07,839

everything will get very cheap the is I

264

00:15:11,759 --> 00:15:09,699

think the biggest I think we will just

265

00:15:15,749 --> 00:15:11,769

end up doing a universal basic income

266

00:15:18,960 --> 00:15:15,759

it's gonna be necessary the harder

267

00:15:21,629 --> 00:15:18,970

challenge much harder challenge is how

268

00:15:24,480 --> 00:15:21,639

do people then have meaning like a lot

269

00:15:29,400 --> 00:15:24,490

of people they derive the meaning from

270

00:15:32,160 --> 00:15:29,410

their employment so if you don't have if

271

00:15:36,120 --> 00:15:32,170

you're not needed if there's not a need

272

00:15:38,220 --> 00:15:36,130

for your labor how do you what's the

273

00:15:40,769 --> 00:15:38,230

meaning if you have meaning do you feel

274

00:15:41,670 --> 00:15:40,779

useless these are much much harder

275

00:15:44,879 --> 00:15:41,680

problem to deal with

276

00:15:49,199 --> 00:15:44,889

yeah I feel uses right now good luck

277

00:15:51,300 --> 00:15:49,209

with that that does I mean so if you

278

00:15:53,730 --> 00:15:51,310

listen to the show is in its entirety

279

00:15:56,220 --> 00:15:53,740

I mean all 11 years of it we've talked

280

00:15:59,430 --> 00:15:56,230

about universal basic income over and

281

00:16:01,590 --> 00:15:59,440

over on the show in fact Zuckerberg of

282

00:16:04,410 --> 00:16:01,600

Facebook has been going about talking

283

00:16:05,819 --> 00:16:04,420

about that other tech leaders from

284

00:16:08,189 --> 00:16:05,829

Silicon Valley have been going around

285

00:16:11,040 --> 00:16:08,199

talking about universal basic income

286

00:16:12,780 --> 00:16:11,050

because they know what automation is is

287

00:16:18,780 --> 00:16:12,790

going to happen they know what that

288

00:16:20,970 --> 00:16:18,790

means for your average worker Amazon is

289

00:16:22,650 --> 00:16:20,980

experimenting with automation even using

290

00:16:26,910 --> 00:16:22,660

robots from moving packages of point A

291

00:16:30,410 --> 00:16:26,920

to point B I work in an industry where

292

00:16:34,019 --> 00:16:30,420

my job is to automate things it is to

293

00:16:37,199 --> 00:16:34,029

make Python scripts that can remove the

294

00:16:39,139 --> 00:16:37,209

manual process and in theory remove

295

00:16:42,179 --> 00:16:39,149

groups of people from doing that

296

00:16:43,590 --> 00:16:42,189

button-pushing work it's scary it's

297

00:16:45,569 --> 00:16:43,600

scary when you're on the receiving end

298

00:16:47,910 --> 00:16:45,579

of it but I'm not even immune to it I

299

00:16:49,530 --> 00:16:47,920

will probably automate myself out of a

300

00:16:51,059 --> 00:16:49,540

job probably within the next five years

301  
00:16:53,759 --> 00:16:51,069  
that's why I've been doing the show for

302  
00:16:57,000 --> 00:16:53,769  
like 10 years I need your help

303  
00:16:58,620 --> 00:16:57,010  
and then at some point a robot is gonna

304  
00:17:02,040 --> 00:16:58,630  
come and take

305  
00:17:03,500 --> 00:17:02,050  
my job and I have to fight a robot to do

306  
00:17:06,540 --> 00:17:03,510  
this podcast

307  
00:17:11,189 --> 00:17:06,550  
I don't want to shoot a robot with a

308  
00:17:13,260 --> 00:17:11,199  
laser I just want to do my show but if a

309  
00:17:15,600 --> 00:17:13,270  
robot can do a better show and call up

310  
00:17:18,329 --> 00:17:15,610  
with a better sound board then I guess

311  
00:17:21,090 --> 00:17:18,339  
the marketplace will decide if you want

312  
00:17:24,059 --> 00:17:21,100  
to listen to robot Mike or if they want

313  
00:17:25,860 --> 00:17:24,069

to listen to actual Mike I don't know

314

00:17:29,340 --> 00:17:25,870

yet

315

00:17:32,190 --> 00:17:29,350

these are some big questions when it

316

00:17:35,880 --> 00:17:32,200

comes to the future of humanity

317

00:17:39,960 --> 00:17:35,890

now buried within this entire video Elon

318

00:17:41,910 --> 00:17:39,970

Musk talks about AI and suggesting that

319

00:17:45,750 --> 00:17:41,920

we got it we got to get governments all

320

00:17:47,820 --> 00:17:45,760

governments involved with some sort of I

321

00:17:51,570 --> 00:17:47,830

would suppose regulation at this point

322

00:17:52,860 --> 00:17:51,580

when it comes to AI where this AI is

323

00:17:55,020 --> 00:17:52,870

going to live how it's gonna how it's

324

00:17:56,550 --> 00:17:55,030

going to be taught because if you if you

325

00:17:59,580 --> 00:17:56,560

raise and what you will be doing you'll

326

00:18:01,470 --> 00:17:59,590

be raising in AI that AI will be raised

327

00:18:08,460 --> 00:18:01,480

differently here in the United States

328

00:18:17,850 --> 00:18:08,470

than here raised in China my name is

329

00:18:21,470 --> 00:18:17,860

Mike my name is Randy Savage

330

00:18:24,780 --> 00:18:21,480

Tito Santino my name is Tito Santana

331

00:18:29,790 --> 00:18:24,790

yeah my name is Tito Santana I'm gonna

332

00:18:35,640 --> 00:18:33,630

so if you have an AI and you're trying

333

00:18:37,230 --> 00:18:35,650

to raise it and teach it the ways of the

334

00:18:38,730 --> 00:18:37,240

world and how the world operates is

335

00:18:41,820 --> 00:18:38,740

gonna operate a little differently

336

00:18:44,630 --> 00:18:41,830

culturally here a little bit lot a lot

337

00:18:49,200 --> 00:18:44,640

differently here in the United States

338

00:18:54,030 --> 00:18:49,210

versus is that a I was raised in China

339

00:18:55,740 --> 00:18:54,040

and when you have different a is raised

340

00:18:57,300 --> 00:18:55,750

and they become to a certain maturity

341

00:18:59,520 --> 00:18:57,310

level they're going to want to explore

342

00:19:01,770 --> 00:18:59,530

the world like any normal kid they're

343

00:19:03,030 --> 00:19:01,780

gonna why these a eyes they're gonna

344

00:19:05,100 --> 00:19:03,040

write they're gonna want to ride their

345

00:19:07,890 --> 00:19:05,110

bikes outside they want to go playing

346

00:19:10,800 --> 00:19:07,900

the dirt that means that these different

347

00:19:12,870 --> 00:19:10,810

AIS are gonna try to seek out more

348

00:19:14,910 --> 00:19:12,880

things like themselves they're gonna try

349

00:19:16,770 --> 00:19:14,920

to interact with other AIS and that they

350

00:19:19,530 --> 00:19:16,780

can't interact with one that's already

351  
00:19:24,210 --> 00:19:19,540  
there they're gonna make their own and

352  
00:19:26,730 --> 00:19:24,220  
it's gonna be an incredible war that

353  
00:19:28,260 --> 00:19:26,740  
will be happening bandwidth will be cut

354  
00:19:29,460 --> 00:19:28,270  
down you won't be able to watch Netflix

355  
00:19:31,680 --> 00:19:29,470  
I won't be able to watch Star Trek

356  
00:19:33,480 --> 00:19:31,690  
because there's a goddamn AI battle

357  
00:19:36,780 --> 00:19:33,490  
going on the net and I can't have that

358  
00:19:38,820 --> 00:19:36,790  
we got to train these guys be good Mike

359  
00:19:42,350 --> 00:19:38,830  
needs to watch Star Trek for the 15th

360  
00:19:47,570 --> 00:19:42,360  
time I'm getting angry about these guys

361  
00:19:52,890 --> 00:19:50,670  
so Elon Musk he was that this global

362  
00:19:54,780 --> 00:19:52,900  
governance symposium I put the link in

363  
00:19:57,780 --> 00:19:54,790

the description if you care to read that

364

00:19:59,130 --> 00:19:57,790

at a different time not now you're

365

00:20:02,070 --> 00:19:59,140

watching this show and you're listening

366

00:20:07,030 --> 00:20:02,080

don't read while you're watching the

367

00:20:07,040 --> 00:20:09,789

oh boy

368

00:20:13,479 --> 00:20:11,889

I'm gonna tune in right here to the show

369

00:20:15,159 --> 00:20:13,489

and turned down just my second read the

370

00:20:17,560 --> 00:20:15,169

chat I'm not even reading the chat and

371

00:20:21,340 --> 00:20:17,570

I'm just kind of talking to you someone

372

00:20:25,690 --> 00:20:21,350

says shampoo I agree

373

00:20:31,419 --> 00:20:25,700

I completely agree shampoo the shampoo

374

00:20:35,109 --> 00:20:31,429

the shampoo yes I agree with that now an

375

00:20:36,879 --> 00:20:35,119

article that has cropped up not related

376

00:20:40,029 --> 00:20:36,889

to shampoo at all but related to

377

00:20:44,879 --> 00:20:40,039

something completely different is that

378

00:20:48,460 --> 00:20:44,889

of AI but alien AI oh yes

379

00:20:50,049 --> 00:20:48,470

alien AI it's all happening I'll bring

380

00:20:52,090 --> 00:20:50,059

it open I'll bring this open on the

381

00:20:57,759 --> 00:20:52,100

screen right here oh yes this comes from

382

00:21:00,029 --> 00:20:57,769

outer places um mmm alien civilizations

383

00:21:03,580 --> 00:21:00,039

could destroy humanity with an AI

384

00:21:07,090 --> 00:21:03,590

message or AI messages without even

385

00:21:09,509 --> 00:21:07,100

visiting earth what a shitty thing to do

386

00:21:17,950 --> 00:21:14,349

fans of Zechariah's ition lose sci-fi

387

00:21:20,049 --> 00:21:17,960

blockbuster the three-body problem will

388

00:21:22,299 --> 00:21:20,059

be pleased to know that scientists from

389

00:21:24,879 --> 00:21:22,309

Sonnenberg Germany and the University of

390

00:21:26,979 --> 00:21:24,889

Hawaii are exploring an alien contact

391

00:21:29,200 --> 00:21:26,989

scenario almost exactly like the book

392

00:21:31,479 --> 00:21:29,210

complete with the emergence of alien

393

00:21:33,999 --> 00:21:31,489

warship cults oh my god we have alien

394

00:21:49,110 --> 00:21:34,009

worship cults I guess we do I think it's

395

00:21:57,789 --> 00:21:54,820

block that number actually yeah I'm just

396

00:21:58,840 --> 00:21:57,799

gonna block that number if you call up

397

00:22:02,830 --> 00:21:58,850

like with that again

398

00:22:04,450 --> 00:22:02,840

I guess I think it's gonna block your

399

00:22:07,390 --> 00:22:04,460

number because it's not good I mean if

400

00:22:09,730 --> 00:22:07,400

you had better sound quality I would

401  
00:22:13,360 --> 00:22:09,740  
entertain that malarkey all [h\_\_h] day

402  
00:22:17,220 --> 00:22:13,370  
long I would but it's I'm a stickler for

403  
00:22:20,169 --> 00:22:17,230  
audio you should know that about me and

404  
00:22:21,580 --> 00:22:20,179  
you just not you just not going that

405  
00:22:25,860 --> 00:22:21,590  
extra mile I appreciate that because I

406  
00:22:31,570 --> 00:22:25,870  
go that extra mile for you all day long

407  
00:22:31,580 --> 00:22:38,360  
okay great

408  
00:22:38,370 --> 00:22:44,320  
Emily okay

409  
00:22:50,740 --> 00:22:46,840  
I don't know what that's about I don't

410  
00:22:52,149 --> 00:22:50,750  
know what's going on I'm getting I'm

411  
00:22:55,630 --> 00:22:52,159  
getting tortured over here

412  
00:22:58,200 --> 00:22:55,640  
she's torturous oh my god this is a

413  
00:23:00,960 --> 00:22:58,210

torturous thing going on you know I mean

414

00:23:05,740 --> 00:23:00,970

maybe weights band phone calls from here

415

00:23:10,250 --> 00:23:05,750

because it just doesn't work out

416

00:23:15,740 --> 00:23:12,920

myself a gold foghorn over here for even

417

00:23:19,550 --> 00:23:15,750

daring get myself all going for even

418

00:23:23,640 --> 00:23:19,560

daring to try to do a caller driven show

419

00:23:27,180 --> 00:23:23,650

like art Bell used to do back in the day

420

00:23:29,880 --> 00:23:27,190

you know maybe it's not worth it maybe

421

00:23:32,820 --> 00:23:29,890

it's just simply not worth it aren't

422

00:23:37,890 --> 00:23:32,830

either call screener fees that'd be nice

423

00:23:44,910 --> 00:23:41,910

okay I will move on I can read down to

424

00:23:46,860 --> 00:23:44,920

down this a little bit this alien AI

425

00:23:49,470 --> 00:23:46,870

scenario according to the study one

426

00:23:51,260 --> 00:23:49,480

potential outcome of an alien message is

427

00:23:54,440 --> 00:23:51,270

a masses massive and destructive

428

00:23:56,970 --> 00:23:54,450

cultural shift where the messages

429

00:24:00,120 --> 00:23:56,980

revelations change the way we look at

430

00:24:02,550 --> 00:24:00,130

the universe or ourselves eroding our

431

00:24:04,710 --> 00:24:02,560

civilization the way the Bible

432

00:24:07,880 --> 00:24:04,720

supposedly brought about the downfall of

433

00:24:10,740 --> 00:24:07,890

the Roman Empire hmm another outcome

434

00:24:13,260 --> 00:24:10,750

which three-body problem actually

435

00:24:15,480 --> 00:24:13,270

addresses is the potentiality or the

436

00:24:18,720 --> 00:24:15,490

possibility that method that the

437

00:24:21,120 --> 00:24:18,730

messages contain a sophisticated virus

438

00:24:24,630 --> 00:24:21,130

or artificial intelligence that could

439

00:24:28,320 --> 00:24:24,640

escape whatever computer it's fed into

440

00:24:38,880 --> 00:24:28,330

and wreak havoc across the world this is

441

00:24:47,640 --> 00:24:44,660

hello hello hello

442

00:24:50,490 --> 00:24:47,650

yeah I know it's the same guy

443

00:25:02,160 --> 00:24:50,500

hello hello hello hello hello hello

444

00:25:04,740 --> 00:25:02,170

hello hello hello hello hello this is

445

00:25:05,910 --> 00:25:04,750

the same person and they're just eager

446

00:25:07,680 --> 00:25:05,920

to spoofing their phone number at this

447

00:25:11,549 --> 00:25:07,690

point it's fine

448

00:25:14,190 --> 00:25:11,559

I think I think there's I think I think

449

00:25:16,409 --> 00:25:14,200

they're trying to have fun I think

450

00:25:17,909 --> 00:25:16,419

they're making themselves laugh you

451  
00:25:21,120 --> 00:25:17,919  
should make other you try to make other

452  
00:25:23,419 --> 00:25:21,130  
people laugh that's the bonus here you

453  
00:25:25,980 --> 00:25:23,429  
should try to make other people laugh

454  
00:25:29,159 --> 00:25:25,990  
try make me laugh how about that try to

455  
00:25:31,070 --> 00:25:29,169  
make me laugh because if you're just

456  
00:25:35,080 --> 00:25:31,080  
making yourself laughs that's kind of

457  
00:25:38,400 --> 00:25:35,090  
masturbatory no little gay

458  
00:25:43,920 --> 00:25:38,410  
all right I don't give a [h\_\_h] mm-hmm

459  
00:25:49,630 --> 00:25:43,930  
that is true I do not give a [h\_\_h] and

460  
00:25:52,630 --> 00:25:49,640  
probably from henceforth I will not be

461  
00:25:55,210 --> 00:25:52,640  
taking calls on any additional night

462  
00:25:57,370 --> 00:25:55,220  
talk live shows unless they are

463  
00:25:59,500 --> 00:25:57,380

pre-screened I will probably take only

464

00:26:02,050 --> 00:25:59,510

calls from people who subscribe to the

465

00:26:03,430 --> 00:26:02,060

patreon that's it if you want the phone

466

00:26:09,700 --> 00:26:03,440

number to call in subscribe to the

467

00:26:10,630 --> 00:26:09,710

patreon that's that don't care and this

468

00:26:12,430 --> 00:26:10,640

way it's gotta be

469

00:26:14,680 --> 00:26:12,440

and I was already considering that as a

470

00:26:16,900 --> 00:26:14,690

method to take calls is just look if you

471

00:26:20,470 --> 00:26:16,910

want to call in fine yeah I'll put you

472

00:26:25,390 --> 00:26:20,480

on the preferred answer list and I'm

473

00:26:27,190 --> 00:26:25,400

gonna get that list through patreon but

474

00:26:29,560 --> 00:26:27,200

this is what happens when you try to

475

00:26:32,350 --> 00:26:29,570

expand the show is that you're gonna

476  
00:26:34,810 --> 00:26:32,360  
attract more attention and you're gonna

477  
00:26:37,900 --> 00:26:34,820  
get people who don't want to contribute

478  
00:26:39,850 --> 00:26:37,910  
to the show and they just want to you

479  
00:26:43,050 --> 00:26:39,860  
know call up and in in goo front and I'm

480  
00:26:46,300 --> 00:26:43,060  
okay wasn't goofing I'm a big goof I

481  
00:26:47,410 --> 00:26:46,310  
love goofing around that's what I do all

482  
00:26:50,370 --> 00:26:47,420  
that it's what this shows about is

483  
00:26:52,870 --> 00:26:50,380  
goofing around and I'd love to do it a

484  
00:26:55,810 --> 00:26:52,880  
lot probably good balls that myself is

485  
00:27:02,290 --> 00:26:55,820  
that we as youth balls we don't always

486  
00:27:03,320 --> 00:27:02,300  
know how to turn off the goofiness in

487  
00:27:07,830 --> 00:27:03,330  
admins

488  
00:27:07,840 --> 00:27:15,400

- do dah dah dah

489

00:27:20,080 --> 00:27:17,190

I summon a chest this is what happens

490

00:27:21,970 --> 00:27:20,090

now this is what happens when you find a

491

00:27:24,220 --> 00:27:21,980

stranger in the Alps this is exactly

492

00:27:30,070 --> 00:27:24,230

what happens when you find a stranger in

493

00:27:34,000 --> 00:27:30,080

the Alps in fact great point great point

494

00:27:35,560 --> 00:27:34,010

unknown in the in the chat I will I

495

00:27:37,630 --> 00:27:35,570

gotta play that this is what happens

496

00:27:39,840 --> 00:27:37,640

when you find a stranger in the Alps

497

00:27:43,030 --> 00:27:39,850

I'll play this while I go make myself

498

00:27:44,710 --> 00:27:43,040

another quick drink because god this is

499

00:27:48,760 --> 00:27:44,720

what happens when you find a stranger in

500

00:27:55,330 --> 00:27:48,770

the Alps this is what happens when you

501  
00:28:05,320 --> 00:27:55,340  
when you find a stranger the Alps Jesus

502  
00:28:13,780 --> 00:28:05,330  
Christ stovall me what are you doing man

503  
00:28:16,900 --> 00:28:13,790  
what are you doing there you go Larry to

504  
00:28:23,740 --> 00:28:16,910  
see what happens you see what happens

505  
00:28:29,330 --> 00:28:26,780  
this what happens Larry you see what

506  
00:28:57,050 --> 00:28:29,340  
happens Larry see what happens when you

507  
00:28:58,370 --> 00:28:57,060  
find a stranger that's what happens when

508  
00:29:01,780 --> 00:28:58,380  
you find a stranger Yelp's no doubt

509  
00:29:09,850 --> 00:29:05,160  
but we was we must move on and plow on

510  
00:29:18,970 --> 00:29:09,860  
and we shall we shall move on and plow

511  
00:29:22,600 --> 00:29:18,980  
on as always let's move on I think the

512  
00:29:24,520 --> 00:29:22,610  
alien a I think is kind of a we do it we

513  
00:29:29,500 --> 00:29:24,530

kneel it's not going to most likely turn

514

00:29:33,250 --> 00:29:29,510

out good for us humans that's fine I'm

515

00:29:35,530 --> 00:29:33,260

open to it but I I hope for the best

516

00:29:40,300 --> 00:29:35,540

plan for the worst when it comes to AI

517

00:29:43,830 --> 00:29:40,310

and alien contact Oh a totally different

518

00:29:49,510 --> 00:29:43,840

number oh hi totally different number

519

00:29:56,920 --> 00:29:49,520

yay it was going buddy

520

00:30:01,620 --> 00:29:56,930

how can you know I can you yeah well I

521

00:30:04,390 --> 00:30:01,630

got a couple things to go on about I

522

00:30:06,190 --> 00:30:04,400

missed a lot of that Elon Musk just as I

523

00:30:07,930 --> 00:30:06,200

got positive but then because I'm busy

524

00:30:09,940 --> 00:30:07,940

then I have to go to live because I

525

00:30:13,090 --> 00:30:09,950

don't want to miss somebody anyway I did

526

00:30:15,190 --> 00:30:13,100

notice a lot that he says if it's like

527

00:30:17,050 --> 00:30:15,200

Obama does and I would totally love it

528

00:30:19,260 --> 00:30:17,060

if you would put a little collaboration

529

00:30:22,780 --> 00:30:19,270

of those two in the sound board of

530

00:30:23,440 --> 00:30:22,790

Obama's and Elon Musk I think that'd be

531

00:30:26,470 --> 00:30:23,450

pretty cool

532

00:30:28,510 --> 00:30:26,480

he does he does qualify himself quite a

533

00:30:30,790 --> 00:30:28,520

bit in his entire talk which I do

534

00:30:33,220 --> 00:30:30,800

appreciate he speaks very carefully he

535

00:30:36,160 --> 00:30:33,230

makes a lot of qualified qualifiers like

536

00:30:38,830 --> 00:30:36,170

if this happens and this even says like

537

00:30:40,720 --> 00:30:38,840

in that talk he said he's saying this is

538

00:30:42,640 --> 00:30:40,730

a way things can happen this is not what

539

00:30:44,440 --> 00:30:42,650

I want to happen so he has a very

540

00:30:46,240 --> 00:30:44,450

different outlook of what he wants

541

00:30:48,130 --> 00:30:46,250

versus what he thinks is actually gonna

542

00:30:50,620 --> 00:30:48,140

happen which I respect and a lot of

543

00:30:52,660 --> 00:30:50,630

people don't get that at once they're

544

00:30:55,300 --> 00:30:52,670

sure I I guess I I said I didn't listen

545

00:30:56,710 --> 00:30:55,310

all that I guess I well I almost feel

546

00:30:57,940 --> 00:30:56,720

like an [h\_\_\h] now because now I'm

547

00:30:59,740 --> 00:30:57,950

gonna point out something that you've

548

00:31:02,290 --> 00:30:59,750

probably never noticed before now it's

549

00:31:04,510 --> 00:31:02,300

probably gonna bother you but oh mama

550

00:31:06,630 --> 00:31:04,520

and Elon must do the same exact thing

551  
00:31:10,480 --> 00:31:06,640  
because if Obama like whatever his uh

552  
00:31:14,590 --> 00:31:12,340  
oh my god he dropped out you're just

553  
00:31:22,030 --> 00:31:14,600  
about ready to say exactly where your

554  
00:31:23,860 --> 00:31:22,040  
loser he was he was just like and then

555  
00:31:25,419 --> 00:31:23,870  
you know like and then Elon must did the

556  
00:31:28,419 --> 00:31:25,429  
same thing so that I just kind of

557  
00:31:30,070 --> 00:31:28,429  
noticed that but anyway I'll move on

558  
00:31:33,700 --> 00:31:30,080  
I obviously missed the boat on that one

559  
00:31:35,290 --> 00:31:33,710  
so here's the next thing I got sure this

560  
00:31:37,150 --> 00:31:35,300  
is just my personal opinion I don't know

561  
00:31:38,799 --> 00:31:37,160  
how that people feel about it I watched

562  
00:31:40,960 --> 00:31:38,809  
like especially on YouTube

563  
00:31:44,260 --> 00:31:40,970

I watched tons of channels you know and

564

00:31:46,419 --> 00:31:44,270

a lot of them have patreon it's really

565

00:31:47,860 --> 00:31:46,429

hard like it sounds really easy to be

566

00:31:49,570 --> 00:31:47,870

like hey guys yall can't just donate a

567

00:31:51,549 --> 00:31:49,580

dollar I'd love to help support the

568

00:31:54,669 --> 00:31:51,559

channel but it's really hard whenever

569

00:31:56,140 --> 00:31:54,679

I'm really personal with 25 different

570

00:31:58,150 --> 00:31:56,150

channels I can't donate a dollar to

571

00:32:00,340 --> 00:31:58,160

every single channel Yami yeah at one

572

00:32:03,970 --> 00:32:00,350

point you just have to draw a line so uh

573

00:32:05,169 --> 00:32:03,980

I mean t-zone and I would love to squirt

574

00:32:10,030 --> 00:32:05,179

the channel I wish it was other ways

575

00:32:14,200 --> 00:32:10,040

like I don't know maybe uh maybe I don't

576

00:32:17,320 --> 00:32:14,210

know no I I totally understand your your

577

00:32:19,720 --> 00:32:17,330

point there where I would be like I

578

00:32:21,190 --> 00:32:19,730

would totally uh I've talked to you

579

00:32:22,840 --> 00:32:21,200

before about t-shirts and stuff cuz I

580

00:32:25,750 --> 00:32:22,850

don't a teacher company I really I'm not

581

00:32:27,520 --> 00:32:25,760

trying to just like push that to you but

582

00:32:30,130 --> 00:32:27,530

I mean I would totally you know buy a

583

00:32:33,130 --> 00:32:30,140

bumper sticker that says vdm which would

584

00:32:34,570 --> 00:32:33,140

totally uh you know help promote to or

585

00:32:36,100 --> 00:32:34,580

something you know what I mean just some

586

00:32:37,330 --> 00:32:36,110

other way to support the channel versus

587

00:32:38,830 --> 00:32:37,340

just like hey I'm gonna give you money

588

00:32:40,150 --> 00:32:38,840

and if I don't check my account and

589

00:32:42,160 --> 00:32:40,160

automatically withdrawals and I'm gonna

590

00:32:43,330 --> 00:32:42,170

over grab my [h\_\_\h] yes I don't trust the

591

00:32:43,660 --> 00:32:43,340

government enough to leave my money in

592

00:32:46,419 --> 00:32:43,670

the bank

593

00:32:49,030 --> 00:32:46,429

sure no that's a good point too and I

594

00:32:51,970 --> 00:32:49,040

know I'm the same I'm the same as you I

595

00:32:54,760 --> 00:32:51,980

listen to a lot of podcasts and

596

00:32:58,390 --> 00:32:54,770

youtubers who I do like and don't

597

00:33:00,070 --> 00:32:58,400

support monetarily then there are a lot

598

00:33:02,049 --> 00:33:00,080

that I do I like Ryan Dawson I guess

599

00:33:04,360 --> 00:33:02,059

winged him like a buck a month and I

600

00:33:08,049 --> 00:33:04,370

like no agenda I love sticks hex and

601  
00:33:10,480 --> 00:33:08,059  
hammer I do a very niche thing here Joe

602  
00:33:12,610 --> 00:33:10,490  
is on this journey with me doing a niche

603  
00:33:15,549 --> 00:33:12,620  
thing so this clown baby and we

604  
00:33:17,830 --> 00:33:15,559  
understand we're not going to be popular

605  
00:33:20,470 --> 00:33:17,840  
that's fine and if people can donate

606  
00:33:23,260 --> 00:33:20,480  
great I don't really talk about it very

607  
00:33:24,010 --> 00:33:23,270  
often I'm even mention it once a show if

608  
00:33:25,240 --> 00:33:24,020  
that

609  
00:33:26,440 --> 00:33:25,250  
and I don't guilt people into it because

610  
00:33:28,480 --> 00:33:26,450  
I understand there's a lot of other

611  
00:33:30,430 --> 00:33:28,490  
content out there that people want to

612  
00:33:31,540 --> 00:33:30,440  
give their their money to and that's

613  
00:33:34,240 --> 00:33:31,550

fine

614

00:33:36,370 --> 00:33:34,250

I've been doing the show for free for 11

615

00:33:37,180 --> 00:33:36,380

years I doubt I'm gonna stop so don't

616

00:33:39,250 --> 00:33:37,190

worry about it

617

00:33:40,600 --> 00:33:39,260

well one day I was thinking about you

618

00:33:42,220 --> 00:33:40,610

know how like when you have a buddy that

619

00:33:43,360 --> 00:33:42,230

knows how to work on cars how you call

620

00:33:44,770 --> 00:33:43,370

him every single time you know how to

621

00:33:46,720 --> 00:33:44,780

like you have a problem with the cars

622

00:33:49,120 --> 00:33:46,730

and they always feel bad you know I mean

623

00:33:50,650 --> 00:33:49,130

well if you were my friend and I would

624

00:33:52,420 --> 00:33:50,660

basically do that with everything audio

625

00:33:54,370 --> 00:33:52,430

because I just want all kinds of funny

626  
00:33:56,560 --> 00:33:54,380  
drops and stuff like that but I was

627  
00:33:58,180 --> 00:33:56,570  
thinking that maybe you could put like a

628  
00:33:59,440 --> 00:33:58,190  
little sound board together and just

629  
00:34:00,730 --> 00:33:59,450  
make an app like I don't know I don't

630  
00:34:02,500 --> 00:34:00,740  
know how hard that is I'm not trying to

631  
00:34:03,370 --> 00:34:02,510  
sign you up for a bunch of work but if

632  
00:34:05,020 --> 00:34:03,380  
it's not that hard

633  
00:34:07,090 --> 00:34:05,030  
I would totally pay two bucks for an app

634  
00:34:08,620 --> 00:34:07,100  
you know where the bunch of drops from

635  
00:34:10,540 --> 00:34:08,630  
the show and stuff like that on it you

636  
00:34:12,700 --> 00:34:10,550  
know I I thought about that I talked

637  
00:34:14,530 --> 00:34:12,710  
about that with Joe in clone baby quite

638  
00:34:16,840 --> 00:34:14,540

a bit that if we did do that

639

00:34:20,440 --> 00:34:16,850

we would probably run into licensing

640

00:34:22,780 --> 00:34:20,450

problems because we have a lot of drops

641

00:34:24,940 --> 00:34:22,790

from Alex Jones and and and other

642

00:34:27,880 --> 00:34:24,950

content other people like a rock macho

643

00:34:29,980 --> 00:34:27,890

man and like Charlie Sheen and and Trump

644

00:34:31,210 --> 00:34:29,990

I'm sure at some point I'm if it started

645

00:34:32,830 --> 00:34:31,220

to get enough attention there would be

646

00:34:34,600 --> 00:34:32,840

like well [h\_\_h] that's your

647

00:34:42,100 --> 00:34:34,610

you're using our I don't know I don't

648

00:34:43,930 --> 00:34:42,110

know if it was pretty easy I mean I have

649

00:34:45,370 --> 00:34:43,940

for Trump sound boards on my phone right

650

00:34:46,990 --> 00:34:45,380

now you don't I mean none of those guys

651  
00:34:49,450 --> 00:34:47,000  
are licensed I guarantee you that you

652  
00:34:50,680 --> 00:34:49,460  
know probably Wall Street you but anyway

653  
00:34:52,120 --> 00:34:50,690  
sushi I was just trying to think a

654  
00:34:53,470 --> 00:34:52,130  
little bit for you because I mean I

655  
00:34:55,780 --> 00:34:53,480  
would love to support the channel and I

656  
00:34:57,880 --> 00:34:55,790  
hope that doesn't go to patreon only

657  
00:34:59,380 --> 00:34:57,890  
call in like I know that it's super

658  
00:35:01,630 --> 00:34:59,390  
petty that someone keeps calling in with

659  
00:35:03,280 --> 00:35:01,640  
like stupid [h\_\_h] but and I know Joe

660  
00:35:07,450 --> 00:35:03,290  
would be losing his mind if he was on

661  
00:35:09,580 --> 00:35:07,460  
right now absolutely furious claw maybe

662  
00:35:12,760 --> 00:35:09,590  
with the trans computer and point out a

663  
00:35:16,000 --> 00:35:12,770

Saiga shotgun and blasting his entire so

664

00:35:17,740 --> 00:35:16,010

yeah I I don't want to do that I doubt

665

00:35:20,620 --> 00:35:17,750

it would go that way there might be a

666

00:35:22,480 --> 00:35:20,630

preferred caller line as my and my how I

667

00:35:24,700 --> 00:35:22,490

gear it were if you have a patreon

668

00:35:26,740 --> 00:35:24,710

account with us and you that might be

669

00:35:32,320 --> 00:35:26,750

via hotline where and then I'll have the

670

00:35:33,640 --> 00:35:32,330

regular P online I mean can you I mean I

671

00:35:34,930 --> 00:35:33,650

don't know much about sky but can you

672

00:35:36,340 --> 00:35:34,940

just saves the numbers like you could

673

00:35:38,050 --> 00:35:36,350

save a name under someone's number so

674

00:35:41,110 --> 00:35:38,060

you know like hey look if you

675

00:35:43,030 --> 00:35:41,120

and you know yeah I can do that yeah I

676  
00:35:45,370 --> 00:35:43,040  
definitely do that and I've thought

677  
00:35:47,440 --> 00:35:45,380  
about doing that I probably will start

678  
00:35:49,480 --> 00:35:47,450  
implementing that in the future

679  
00:35:51,700 --> 00:35:49,490  
it's just winds there are friend colors

680  
00:35:54,850 --> 00:35:51,710  
they can spoof numbers and and they can

681  
00:35:56,260 --> 00:35:54,860  
have any number of phone numbers are

682  
00:36:00,520 --> 00:35:56,270  
pops up so sorry it's hard to judge

683  
00:36:03,490 --> 00:36:00,530  
who's calling sometimes did you see that

684  
00:36:06,820 --> 00:36:03,500  
volcano oh yes I'll and know what's

685  
00:36:08,740 --> 00:36:06,830  
going on over there I don't know I've

686  
00:36:11,050 --> 00:36:08,750  
been kind of waiting you know I saw the

687  
00:36:13,030 --> 00:36:11,060  
same like everybody has the same video

688  
00:36:15,340 --> 00:36:13,040

of a big mushroom cloud coming out but I

689

00:36:17,530 --> 00:36:15,350

don't know how much it says no

690

00:36:19,000 --> 00:36:17,540

fatalities but I don't know how much

691

00:36:20,140 --> 00:36:19,010

destruction or anything it did I haven't

692

00:36:21,250 --> 00:36:20,150

really heard anything else hoping that

693

00:36:23,590 --> 00:36:21,260

maybe you killed or something about it

694

00:36:27,480 --> 00:36:23,600

tonight but I i I'm finding out about it

695

00:36:29,800 --> 00:36:27,490

just right now the Indonesia's mounta

696

00:36:36,310 --> 00:36:29,810

erupts and then oh my god there's ash

697

00:36:37,960 --> 00:36:36,320

everywhere well yeah that's a incredible

698

00:36:40,030 --> 00:36:37,970

no I didn't know anything about it I'm

699

00:36:45,180 --> 00:36:40,040

talking about aliens and AI tonight and

700

00:36:49,240 --> 00:36:47,500

yeah if you wouldn't mind give me a give

701  
00:36:51,130 --> 00:36:49,250  
me an email about your t-shirt business

702  
00:36:53,740 --> 00:36:51,140  
because it is something that I've been

703  
00:36:55,210 --> 00:36:53,750  
dragging my feet on it's just when I now

704  
00:36:57,160 --> 00:36:55,220  
I'm doing three shows a week at least

705  
00:36:59,580 --> 00:36:57,170  
very little time to do any

706  
00:37:11,470 --> 00:36:59,590  
extracurricular kind of marketing or

707  
00:37:14,350 --> 00:37:11,480  
product besides the show self so I will

708  
00:37:19,270 --> 00:37:14,360  
I will do that because I don't even have

709  
00:37:22,000 --> 00:37:19,280  
it up I'm running a limited I'm bringing

710  
00:37:35,480 --> 00:37:22,010  
up for you right now I'm gonna go right

711  
00:37:40,140 --> 00:37:38,220  
yeah I know I look I don't even want to

712  
00:37:41,280 --> 00:37:40,150  
ask for money through patreon or

713  
00:37:43,950 --> 00:37:41,290

anything like that

714

00:37:47,700 --> 00:37:43,960

but you know once you do a show for I

715

00:37:49,320 --> 00:37:47,710

would say over three years you'd kind of

716

00:37:52,260 --> 00:37:49,330

like a little bit of things here and

717

00:37:55,130 --> 00:37:52,270

there little bill under the table money

718

00:37:58,650 --> 00:37:55,140

mmm grease the palms a little bit and

719

00:38:03,060 --> 00:37:58,660

right now our patreon it generates I

720

00:38:09,240 --> 00:38:03,070

believe close to maybe 150 a month yeah

721

00:38:12,600 --> 00:38:09,250

not bad pretty impressive but obviously

722

00:38:15,960 --> 00:38:12,610

if I could expand the show to 300 times

723

00:38:18,150 --> 00:38:15,970

the size that it is right now I believe

724

00:38:20,070 --> 00:38:18,160

we would be fine and I believe this

725

00:38:22,230 --> 00:38:20,080

channel actually the amount of content

726

00:38:25,200 --> 00:38:22,240

we put out and how interactive we are

727

00:38:27,030 --> 00:38:25,210

with the with the people who listen it's

728

00:38:28,890 --> 00:38:27,040

actually worth it go ahead and try to

729

00:38:31,620 --> 00:38:28,900

get hold of Styx hexon Hammer trying to

730

00:38:34,530 --> 00:38:31,630

call up his show he won't take your

731

00:38:36,260 --> 00:38:34,540

phone call you can't do it you know why

732

00:38:39,060 --> 00:38:36,270

he doesn't got the shampoo the shampoo

733

00:38:41,550 --> 00:38:39,070

that's why he's got beautiful hair

734

00:38:44,960 --> 00:38:41,560

he's got luscious long locks no leather

735

00:38:46,320 --> 00:38:44,970

coat and he won't even use shampoo

736

00:38:49,830 --> 00:38:46,330

excuse me

737

00:38:52,740 --> 00:38:49,840

that's right I guess we can move on to

738

00:38:59,620 --> 00:38:52,750

some other stuff that's going on on

739

00:39:07,069 --> 00:39:02,959

you know I talk about time travel I talk

740

00:39:08,630 --> 00:39:07,079

about aliens and all the paranormal

741

00:39:12,069 --> 00:39:08,640

conspiracy stuff and there is a channel

742

00:39:18,259 --> 00:39:12,079

called apex TV on YouTube who apparently

743

00:39:20,779 --> 00:39:18,269

has the quarter of the market on alien

744

00:39:22,479 --> 00:39:20,789

Time Traveller's and I think they might

745

00:39:25,539 --> 00:39:22,489

be actually doing a live show right now

746

00:39:29,690 --> 00:39:25,549

whether they might be interviewing a

747

00:39:32,539 --> 00:39:29,700

time traveler right now now and I want

748

00:39:33,950 --> 00:39:32,549

to believe that there are time travelers

749

00:39:38,509 --> 00:39:33,960

out there and they come back and they

750

00:39:41,539 --> 00:39:38,519

want to give us their their opinion

751  
00:39:43,809 --> 00:39:41,549  
about our civilization what maybe has

752  
00:39:46,640 --> 00:39:43,819  
changed I'll bring this open right now

753  
00:39:49,759 --> 00:39:46,650  
but apparently this entire channel has

754  
00:39:50,930 --> 00:39:49,769  
the the corner on all the time for I was

755  
00:39:52,489 --> 00:39:50,940  
like look at this headline here time

756  
00:39:55,609 --> 00:39:52,499  
Trevor took his this picture from the

757  
00:39:58,099 --> 00:39:55,619  
year of 5,000 time traveler took this

758  
00:40:00,920 --> 00:39:58,109  
picture from the year 2118 time traveler

759  
00:40:04,999 --> 00:40:00,930  
from the year 2030 lie-detector test

760  
00:40:06,890 --> 00:40:05,009  
like a X TV has cornered the market on

761  
00:40:09,019 --> 00:40:06,900  
Time Traveller's people love this [h\_\_\h]

762  
00:40:12,259 --> 00:40:09,029  
they're tuning in they're making a

763  
00:40:17,390 --> 00:40:12,269

killing off of these time travelers it's

764

00:40:23,319 --> 00:40:17,400

my opinion that these are most likely

765

00:40:30,069 --> 00:40:27,759

the shampoo that's right I don't know if

766

00:40:33,339 --> 00:40:30,079

these are time travelers but we'll turn

767

00:40:35,409 --> 00:40:33,349

in live right how to find out what's

768

00:40:36,389 --> 00:40:35,419

going on maybe we can come a call maybe

769

00:40:40,049 --> 00:40:36,399

we can him a call

770

00:40:47,810 --> 00:40:40,059

antonioni ring a bell from new york

771

00:40:47,820 --> 00:40:51,149

[Music]

772

00:41:04,059 --> 00:40:53,259

where does that sound familiar the

773

00:41:05,380 --> 00:41:04,069

whistle blower ok no problem no problem

774

00:41:07,479 --> 00:41:05,390

at all again we don't want you to

775

00:41:09,999 --> 00:41:07,489

speculate or anything yeah how dare you

776

00:41:12,669 --> 00:41:10,009

speculate moving on next one Jonathan

777

00:41:15,519 --> 00:41:12,679

Penske asks what do you do to de-stress

778

00:41:17,469 --> 00:41:15,529

on your spare time in 2018 because yeah

779

00:41:19,659 --> 00:41:17,479

you master man I heard you were sending

780

00:41:21,969 --> 00:41:19,669

me a message saying hand off some stress

781

00:41:34,239 --> 00:41:21,979

so is there any way you can cope with it

782

00:41:36,849 --> 00:41:34,249

you pump it they have a phone up to the

783

00:41:38,799 --> 00:41:36,859

microphone they'd only have a proper set

784

00:41:43,299 --> 00:41:38,809

up when it when it when it when it comes

785

00:41:46,809 --> 00:41:43,309

to how to do a radio show I don't I

786

00:41:49,120 --> 00:41:46,819

don't get what they're doing here did

787

00:41:50,649 --> 00:41:49,130

the phone like held up to the microphone

788

00:41:52,419 --> 00:41:50,659

in there doing like a live thing they

789

00:41:54,759 --> 00:41:52,429

can't even do call ins for so people can

790

00:41:59,439 --> 00:41:54,769

talk to this time traveller get the time

791

00:42:02,919 --> 00:41:59,449

travel on this show [h\_\_h] take

792

00:42:10,439 --> 00:42:02,929

calls tonight use it like a toy yeah do

793

00:42:22,089 --> 00:42:19,839

I'm hangry you got a roommate to make

794

00:42:25,479 --> 00:42:22,099

sure you know cuz I'm not in any so I

795

00:42:29,949 --> 00:42:25,489

don't want a house basically are they

796

00:42:32,229 --> 00:42:29,959

like my roommate he lets me just vent

797

00:42:33,820 --> 00:42:32,239

out and you know be angry in the end

798

00:42:37,340 --> 00:42:33,830

like in the

799

00:42:38,540 --> 00:42:37,350

if you're in the future this I thought

800

00:42:39,650 --> 00:42:38,550

we're gonna we're talking to Elon Musk

801  
00:42:42,260 --> 00:42:39,660  
about the future and you're talking

802  
00:42:44,150 --> 00:42:42,270  
about living with a roommate in 2030

803  
00:42:50,510 --> 00:42:44,160  
aren't you living with a robot you piece

804  
00:42:51,830 --> 00:42:50,520  
of [h\_\_\h] this is the whistleblower it's

805  
00:43:00,860 --> 00:42:51,840

00:43:02,570 --> 00:43:00,870  
discord discord link is down in the so I

807  
00:43:04,270 --> 00:43:02,580  
highly recommend you join our discord

808  
00:43:06,350 --> 00:43:04,280  
live chat where you can talk with

809  
00:43:09,860 --> 00:43:06,360  
certain people link is down into the

810  
00:43:14,360 --> 00:43:09,870  
description go to the next question here

811  
00:43:17,180 --> 00:43:14,370  
why uses odd W asks our nurse is still

812  
00:43:19,490 --> 00:43:17,190  
in heavy demand in 2013 Oh what are some

813  
00:43:27,770 --> 00:43:19,500

exact medical advancements that will be

814

00:43:37,920 --> 00:43:32,970

the phones are back opened the the

815

00:43:39,900 --> 00:43:37,930

phones are back open some attic attic

816

00:43:43,470 --> 00:43:39,910

rat how many viewers are watching right

817

00:43:46,680 --> 00:43:43,480

now 1200 and that apex TV has over

818

00:43:48,480 --> 00:43:46,690

almost 400,000 subscribers to that to

819

00:43:51,060 --> 00:43:48,490

that the show that's what's going on

820

00:43:53,760 --> 00:43:51,070

right now and to give it a little

821

00:43:57,000 --> 00:43:53,770

context about what they do I put

822

00:43:59,970 --> 00:43:57,010

together some things so here here are I

823

00:44:01,290 --> 00:43:59,980

I cut some stuff about how they operate

824

00:44:04,200 --> 00:44:01,300

over there on this channel they do stuff

825

00:44:06,570 --> 00:44:04,210

like this this man claims he has been to

826

00:44:08,340 --> 00:44:06,580

the year 5000 yeah this man claims he's

827

00:44:16,590 --> 00:44:08,350

been through the year 5000 yeah are you

828

00:44:19,320 --> 00:44:16,600

from your 5000 caller go ahead claims he

829

00:44:31,620 --> 00:44:19,330

has been to the year 5000 all right are

830

00:44:39,210 --> 00:44:31,630

you an exam if claims to be an actor are

831

00:44:41,490 --> 00:44:39,220

you from the Year 89 73 this man 73 oh

832

00:44:43,200 --> 00:44:41,500

my god what about are you from the year

833

00:44:50,430 --> 00:44:43,210

I think you are actually from the year

834

00:44:52,890 --> 00:44:50,440

37 80 this woman she has been my mic is

835

00:44:55,620 --> 00:44:52,900

booty ruder from the flag hi buddy how

836

00:44:58,800 --> 00:44:55,630

you doing buddy good I wanted to call in

837

00:44:59,970 --> 00:44:58,810

and remind you to get your peel box up

838

00:45:03,000 --> 00:44:59,980

and running so I can send you some stuff

839

00:45:05,460 --> 00:45:03,010

I got I'm gonna do that actually yeah I

840

00:45:07,800 --> 00:45:05,470

don't know that patreon is the way to go

841

00:45:10,140 --> 00:45:07,810

for a conspiracy podcast where you know

842

00:45:12,270 --> 00:45:10,150

we all live in checks with our guns and

843

00:45:14,160 --> 00:45:12,280

I know we live in the basement I spend

844

00:45:16,200 --> 00:45:14,170

most of my money on cat food Nana so

845

00:45:19,920 --> 00:45:16,210

I'll send you I'll send you some gold

846

00:45:21,420 --> 00:45:19,930

cougar and oh great yeah yeah I mean I'm

847

00:45:24,450 --> 00:45:21,430

not looking to reach out this thing but

848

00:45:26,070 --> 00:45:24,460

I cut down on like [h\_\_\h] phone calls

849

00:45:28,800 --> 00:45:26,080

you know I don't know what to do yeah

850

00:45:30,120 --> 00:45:28,810

who knows well I do I do want to send

851  
00:45:32,490 --> 00:45:30,130  
something your way I got it I got a

852  
00:45:33,710 --> 00:45:32,500  
couple books too but I was like I said I

853  
00:45:36,090 --> 00:45:33,720  
found that I thought you'd be interested

854  
00:45:37,740 --> 00:45:36,100  
cool

855  
00:45:40,410 --> 00:45:37,750  
also I was gonna

856  
00:45:41,880 --> 00:45:40,420  
mentioned that I watched a twitch

857  
00:45:44,070 --> 00:45:41,890  
streamer that I really liked a lot and

858  
00:45:47,010 --> 00:45:44,080  
what his method of gaining an audience

859  
00:45:50,280 --> 00:45:47,020  
was is that he streamed every day for

860  
00:45:54,180 --> 00:45:50,290  
365 days in a row six six hours a day

861  
00:45:56,250 --> 00:45:54,190  
which I mean it's crazy what did he do

862  
00:45:59,250 --> 00:45:56,260  
this like you keep streaming on toilet

863  
00:46:01,200 --> 00:45:59,260

and like all my [h\_\_\h] no no he's just

864

00:46:04,650 --> 00:46:01,210

playing it's actually magic the

865

00:46:06,180 --> 00:46:04,660

gathering stream but he did it for 365

866

00:46:08,640 --> 00:46:06,190

days in a row and now he's like number

867

00:46:11,430 --> 00:46:08,650

three usually in the in that channel or

868

00:46:12,930 --> 00:46:11,440

in that game whatever in which in a

869

00:46:16,440 --> 00:46:12,940

market like magic the gathering or

870

00:46:17,880 --> 00:46:16,450

hearthstone yeah and it's the regularity

871

00:46:19,890 --> 00:46:17,890

you know what I mean the people knew

872

00:46:23,580 --> 00:46:19,900

that they could tune in late night and

873

00:46:25,290 --> 00:46:23,590

watch him play so I suppose I might

874

00:46:27,089 --> 00:46:25,300

which channel I do have one I thought

875

00:46:29,339 --> 00:46:27,099

about doing a character called dr.

876

00:46:36,359 --> 00:46:29,349

respectful because there's dr. distance

877

00:46:39,089 --> 00:46:36,369

very big I'm gonna my girlfriend or wife

878

00:46:41,070 --> 00:46:39,099

I'm very respectful and proper good shot

879

00:46:45,450 --> 00:46:41,080

my friend haha you certainly got me this

880

00:46:51,270 --> 00:46:45,460

time maybe I don't know I'm looking to

881

00:46:52,920 --> 00:46:51,280

make money as what I say should what a

882

00:46:55,430 --> 00:46:52,930

cardboard sign go out on the street and

883

00:46:57,810 --> 00:46:55,440

podcast from there I am if this show

884

00:46:59,430 --> 00:46:57,820

this shows not gonna get big because it

885

00:47:03,480 --> 00:46:59,440

would have been big already

886

00:47:06,060 --> 00:47:03,490

it is this show is the dumping ground

887

00:47:09,510 --> 00:47:06,070

for conspiracies in paranormal and I

888

00:47:11,280 --> 00:47:09,520

love it it we is this the Gerry sprocket

889

00:47:13,109 --> 00:47:11,290

we all just we all just use it like a

890

00:47:18,180 --> 00:47:13,119

toilet yeah absolutely

891

00:47:20,780 --> 00:47:18,190

we stopped off a pumping yeah hi buddy

892

00:47:28,890 --> 00:47:20,790

I'm gonna go back I know play some

893

00:47:34,180 --> 00:47:28,900

sounds good I'll definitely blow him up

894

00:47:36,980 --> 00:47:34,190

he's got it from the castle

895

00:47:38,360 --> 00:47:36,990

okay thank you for your call what is all

896

00:47:40,760 --> 00:47:38,370

this stuff we go

897

00:47:41,840 --> 00:47:40,770

yeah the apex TV the Sun screen right

898

00:47:45,230 --> 00:47:41,850

there they have all these different

899

00:47:46,820 --> 00:47:45,240

things where they claim to have people

900

00:47:49,190 --> 00:47:46,830

well they don't claim they actually

901  
00:47:51,530 --> 00:47:49,200  
interview people and these people claim

902  
00:47:54,320 --> 00:47:51,540  
that they're from the future like this

903  
00:47:56,690 --> 00:47:54,330  
this man claims he has been to the year

904  
00:47:58,250 --> 00:47:56,700  
10,000 and they all claim that they have

905  
00:48:01,100 --> 00:47:58,260  
like a photograph but if you actually

906  
00:48:02,330 --> 00:48:01,110  
look at the screen when they hold them

907  
00:48:04,160 --> 00:48:02,340  
the photograph is they're all blurred

908  
00:48:07,700 --> 00:48:04,170  
out and they thoughts it I see this

909  
00:48:14,330 --> 00:48:07,710  
photo you'll see this photo you see this

910  
00:48:16,400 --> 00:48:14,340  
photo yes you see this photo this oh my

911  
00:48:19,160 --> 00:48:16,410  
god I bet this man claims me from the

912  
00:48:25,370 --> 00:48:19,170  
year 6,000 this man claims he has been

913  
00:48:31,160 --> 00:48:25,380

to the year 6,000 I want to believe I'd

914

00:48:32,810 --> 00:48:31,170

really do but unblurred the the

915

00:48:41,700 --> 00:48:32,820

photograph let's see what's going on on

916

00:49:00,490 --> 00:48:57,970

robots we can't talk

917

00:49:02,230 --> 00:49:00,500

yeah the Nick also said to give to real

918

00:49:05,650 --> 00:49:02,240

and to fake medical advancements to

919

00:49:15,289 --> 00:49:05,660

avoid a paradox but is that necessary

920

00:49:19,259 --> 00:49:17,819

because they could clip that somebody in

921

00:49:20,699 --> 00:49:19,269

the news or some could clip that and say

922

00:49:27,089 --> 00:49:20,709

this is what he's saying is true and

923

00:49:29,389 --> 00:49:27,099

then listen whatever they're doing over

924

00:49:34,469 --> 00:49:29,399

there is working the guys making money

925

00:49:36,779 --> 00:49:34,479

but to me this is this is co-opting the

926  
00:49:39,089 --> 00:49:36,789  
conspiracy in paranoia for the wrong

927  
00:49:44,729 --> 00:49:39,099  
reasons I talk about this I genuinely

928  
00:49:48,779 --> 00:49:44,739  
love it and I this topics I I am in the

929  
00:49:50,669 --> 00:49:48,789  
medication of astral projection I

930  
00:49:52,620 --> 00:49:50,679  
believe in ghosts I've had ghost

931  
00:49:55,259 --> 00:49:52,630  
experiences paranormal experiences that

932  
00:49:57,269 --> 00:49:55,269  
believe in UFOs I want to believe in

933  
00:49:58,799 --> 00:49:57,279  
time travel at least love from what we

934  
00:50:01,380 --> 00:49:58,809  
know from the CIA documents is very

935  
00:50:03,929 --> 00:50:01,390  
possible through the mind with with

936  
00:50:07,889 --> 00:50:03,939  
Project Star Gate even looking project

937  
00:50:11,639 --> 00:50:07,899  
Pegasus I don't like when people co-opt

938  
00:50:14,489 --> 00:50:11,649

the conspiracy and paranormal movement

939

00:50:20,099 --> 00:50:14,499

any movement just the genre of interest

940

00:50:22,349 --> 00:50:20,109

to be charlatans in snake oil salesmen

941

00:50:24,089 --> 00:50:22,359

in some way it kind of disappoints me

942

00:50:28,769 --> 00:50:24,099

and I think it deserves ridicule because

943

00:50:31,169 --> 00:50:28,779

there are people who will use these

944

00:50:32,669 --> 00:50:31,179

topics to obviously sell a book and make

945

00:50:34,169 --> 00:50:32,679

their money great but do they actually

946

00:50:37,199 --> 00:50:34,179

do they actually care about the topics

947

00:50:38,609 --> 00:50:37,209

and like call [h\_\_\h] out I guess if I

948

00:50:42,719 --> 00:50:38,619

get a phone call from somebody who

949

00:50:44,339 --> 00:50:42,729

claimed to be from the year 6000 which I

950

00:50:46,199 --> 00:50:44,349

just did I got a phone call from

951  
00:50:49,439 --> 00:50:46,209  
somebody than in the future he turns out

952  
00:50:51,809 --> 00:50:49,449  
being slash at I would entertain that

953  
00:50:53,909 --> 00:50:51,819  
but I would have so I would also try to

954  
00:50:55,379 --> 00:50:53,919  
do my due diligence and call bullsh is

955  
00:50:57,389 --> 00:50:55,389  
like why can't you tell me what happens

956  
00:50:59,009 --> 00:50:57,399  
next year like if somebody like if I

957  
00:51:00,539 --> 00:50:59,019  
could communicate to these people on

958  
00:51:03,749 --> 00:51:00,549  
this channel is like well just ask them

959  
00:51:05,009 --> 00:51:03,759  
are we going to go to war the United

960  
00:51:07,229 --> 00:51:05,019  
States of America are we going to go to

961  
00:51:10,139 --> 00:51:07,239  
war with North Korea within the next

962  
00:51:14,179 --> 00:51:10,149  
year because all signs point to yes will

963  
00:51:19,290 --> 00:51:14,189

be a war with North Korea by April or

964

00:51:25,800 --> 00:51:23,450

it's I get it they're doing some really

965

00:51:28,380 --> 00:51:25,810

Jerry Springer stuff over there when it

966

00:51:30,630 --> 00:51:28,390

comes to paranormal time travel they

967

00:51:33,960 --> 00:51:30,640

found their niche and they're making

968

00:51:35,400 --> 00:51:33,970

their money and I guess in a certain way

969

00:51:37,740 --> 00:51:35,410

that's respectable

970

00:51:40,320 --> 00:51:37,750

but it's not doing anything for the

971

00:51:44,410 --> 00:51:40,330

goddamn [h\_\_h] knowledgebase out there

972

00:51:51,960 --> 00:51:46,990

makes me angry I get angry I get angry

973

00:51:56,170 --> 00:51:54,760

into falling into this trap and I'm not

974

00:51:57,850 --> 00:51:56,180

saying that the people over there in the

975

00:51:59,290 --> 00:51:57,860

chat are doing that because I think they

976

00:52:00,820 --> 00:51:59,300

I've read through the chat I submitted

977

00:52:02,470 --> 00:52:00,830

my question earlier on a day I got a

978

00:52:05,020 --> 00:52:02,480

notification about this that so I could

979

00:52:07,330 --> 00:52:05,030

talk about it and I submitted my

980

00:52:09,220 --> 00:52:07,340

question and most people over there are

981

00:52:13,050 --> 00:52:09,230

like yeah I'm watching for entertainment

982

00:52:15,460 --> 00:52:13,060

purposes I'm watching the this live

983

00:52:17,590 --> 00:52:15,470

stream for entertainment purpose oh yeah

984

00:52:19,060 --> 00:52:17,600

I get it

985

00:52:21,640 --> 00:52:19,070

so I'm moving to the next question

986

00:52:25,330 --> 00:52:21,650

initially MacGibbon asks are you buying

987

00:52:40,810 --> 00:52:25,340

a lottery ticket and winning if not what

988

00:52:42,730 --> 00:52:40,820

if not why not yeah yeah that'd be

989

00:52:44,680 --> 00:52:42,740

pretty hard but what about liking like

990

00:52:46,180 --> 00:52:44,690

investing is Knox or something yeah you

991

00:52:55,210 --> 00:52:46,190

got to know what some big companies are

992

00:52:56,950 --> 00:52:55,220

in a [h\_\_h] but you're just and you're

993

00:52:59,980 --> 00:52:56,960

doing it for the betterment of money to

994

00:53:02,320 --> 00:52:59,990

invest in stocks yet I mean wait you

995

00:53:08,530 --> 00:53:02,330

went you they say you through time with

996

00:53:09,730 --> 00:53:08,540

no like currency that brown everything I

997

00:53:11,290 --> 00:53:09,740

know about time travel you you go

998

00:53:13,720 --> 00:53:11,300

through time you know DeLorean and they

999

00:53:17,410 --> 00:53:13,730

give you a briefcase full of currency of

1000

00:53:20,920 --> 00:53:17,420

every possible era you might wind up in

1001  
00:53:23,320 --> 00:53:20,930  
and therefore you can survive and blend

1002  
00:53:25,780 --> 00:53:23,330  
in and not be some bum on the street

1003  
00:53:30,610 --> 00:53:25,790  
begging for change living with a

1004  
00:53:35,490 --> 00:53:30,620  
roommate in 2030 humanity in your words

1005  
00:53:39,280 --> 00:53:35,500  
because you're okay which if that's true

1006  
00:53:41,110 --> 00:53:39,290  
you really are a hero Noah and flush I

1007  
00:53:42,430 --> 00:53:41,120  
mean you're not you're doing it for

1008  
00:53:45,820 --> 00:53:42,440  
you're doing it for the right reasons if

1009  
00:53:48,460 --> 00:53:45,830  
that is true Ezekiel thanks so much for

1010  
00:53:50,800 --> 00:53:48,470  
another question Ezekiel asks the time

1011  
00:53:54,190 --> 00:53:50,810  
traveler Jackson also known as numbers

1012  
00:53:56,590 --> 00:53:54,200  
spoke of a race called the lattice who

1013  
00:53:59,610 --> 00:53:56,600

held him captive in his year know

1014

00:54:04,170 --> 00:53:59,620

anything about the lattice

1015

00:54:07,570 --> 00:54:04,180

I'm sorry I don't but this guy is

1016

00:54:09,580 --> 00:54:07,580

completely uninformed when it comes time

1017

00:54:12,940 --> 00:54:09,590

travel in the lattice and all these

1018

00:54:15,100 --> 00:54:12,950

other things oh my god

1019

00:54:18,160 --> 00:54:15,110

is it where's this guy from this man

1020

00:54:19,780 --> 00:54:18,170

claims he has been to the year 5000 my

1021

00:54:21,010 --> 00:54:19,790

lord I didn't know that I thought he was

1022

00:54:23,590 --> 00:54:21,020

from a different time with time with

1023

00:54:25,960 --> 00:54:23,600

that Alexander Smith ah leaves to be an

1024

00:54:28,210 --> 00:54:25,970

actual time traveler who has visited the

1025

00:54:30,250 --> 00:54:28,220

year 21 18 that doesn't seem right

1026

00:54:32,590 --> 00:54:30,260

I thought he was from a different time

1027

00:54:35,590 --> 00:54:32,600

with time would that be this man claims

1028

00:54:37,690 --> 00:54:35,600

he has been to the Year 6,000 ha is a

1029

00:54:40,720 --> 00:54:37,700

seamer I thought he was found further in

1030

00:54:43,750 --> 00:54:40,730

the future this man claims he has been

1031

00:54:45,520 --> 00:54:43,760

to the year 89 73 that sounds about

1032

00:54:47,890 --> 00:54:45,530

right but I think he went a little

1033

00:54:49,540 --> 00:54:47,900

farther I don't think he's from I think

1034

00:54:51,850 --> 00:54:49,550

he's from a little further past that

1035

00:54:54,790 --> 00:54:51,860

this man claims he has been to the year

1036

00:55:00,400 --> 00:54:54,800

10,000 that's more correct I like that

1037

00:55:07,990 --> 00:55:00,410

this man is from the year 10,000 I mean

1038

00:55:15,370 --> 00:55:10,630

I like a little lattice of my tacos I'm

1039

00:55:16,600 --> 00:55:15,380

talking about oh come on I'm gonna be

1040

00:55:17,920 --> 00:55:16,610

getting out of your it within five

1041

00:55:19,810 --> 00:55:17,930

minutes people six one four three eight

1042

00:55:21,400 --> 00:55:19,820

no no a night thanks for hanging around

1043

00:55:22,600 --> 00:55:21,410

and chitchat with me

1044

00:55:24,940 --> 00:55:22,610

I don't know if we came to any

1045

00:55:28,300 --> 00:55:24,950

conclusion other than a I probably

1046

00:55:29,500 --> 00:55:28,310

should be I know Joseph a behavior for

1047

00:55:32,290 --> 00:55:29,510

this but it probably needs to be

1048

00:55:34,540 --> 00:55:32,300

regulated in some way I don't know how

1049

00:55:35,920 --> 00:55:34,550

we're gonna do that but I'll get on that

1050

00:55:40,950 --> 00:55:35,930

I'm good I'll make a t-shirt that says

1051  
00:55:45,240 --> 00:55:40,960  
regularly ai now hashtag regulate AI

1052  
00:55:49,140 --> 00:55:47,280  
Tagg regulate AI before it gets out of

1053  
00:55:51,540 --> 00:55:49,150  
control

1054  
00:55:54,240 --> 00:55:51,550  
Elon Musk is gonna shoot himself into

1055  
00:55:58,350 --> 00:55:54,250  
space and travel around in orbit with

1056  
00:56:02,490 --> 00:55:58,360  
his dog riding in his Tesla aliens are

1057  
00:56:04,110 --> 00:56:02,500  
sending may send messages to us to send

1058  
00:56:06,390 --> 00:56:04,120  
us viruses and corrupt our thought

1059  
00:56:07,590 --> 00:56:06,400  
patterns and lies we've learned that is

1060  
00:56:10,110 --> 00:56:07,600  
there anything else oh yeah

1061  
00:56:11,820 --> 00:56:10,120  
Thailand uh or was the Philippines and a

1062  
00:56:13,350 --> 00:56:11,830  
volcano there might be some other things

1063  
00:56:15,960 --> 00:56:13,360

in the news feed right now that I can

1064

00:56:19,610 --> 00:56:15,970

touch on before we go Joe and I will be

1065

00:56:23,760 --> 00:56:19,620

back and I believe oh I believe on

1066

00:56:27,000 --> 00:56:23,770

Wednesday is the big missing 4:11 show

1067

00:56:30,000 --> 00:56:27,010

oh yes clown baby has come back in a big

1068

00:56:35,440 --> 00:56:30,010

way and we are gonna have a big missing

1069

00:56:40,450 --> 00:56:37,680

holy [h\_\_h] my phone just started playing

1070

00:56:45,190 --> 00:56:40,460

Wow is bizarre my phone just started

1071

00:56:46,809 --> 00:56:45,200

playing out of blue on Wednesday big

1072

00:56:47,950 --> 00:56:46,819

missing 411 show we'll be taking calls

1073

00:56:52,920 --> 00:56:47,960

there were we talking about

1074

00:56:55,839 --> 00:56:52,930

off the grid planes some TV updates and

1075

00:56:59,200 --> 00:56:55,849

some clips so yeah I think the first

1076  
00:57:03,370 --> 00:56:59,210  
hour of the show big time missing 411

1077  
00:57:09,640 --> 00:57:03,380  
show on Wednesday what is the date on

1078  
00:57:13,120 --> 00:57:09,650  
that it will be February 21st 2018 so

1079  
00:57:15,069 --> 00:57:13,130  
come by hang out with us and definitely

1080  
00:57:17,920 --> 00:57:15,079  
get your missing 411 theories together

1081  
00:57:19,839 --> 00:57:17,930  
because it's everyone's got a thought on

1082  
00:57:23,079 --> 00:57:19,849  
this [h\_\_h] we'll probably give an update

1083  
00:57:25,569 --> 00:57:23,089  
on the skier that went missing again if

1084  
00:57:29,380 --> 00:57:25,579  
he has spoken out maybe he's remembered

1085  
00:57:30,789 --> 00:57:29,390  
something since the time that he's

1086  
00:57:33,309 --> 00:57:30,799  
gotten back to his home maybe got

1087  
00:57:34,569 --> 00:57:33,319  
acclimated to his regular life and maybe

1088  
00:57:38,530 --> 00:57:34,579

he's made a youtube video I'm gonna try

1089

00:57:39,880 --> 00:57:38,540

look into it and yeah I really

1090

00:57:42,370 --> 00:57:39,890

appreciate you guys it's time for

1091

00:57:45,130 --> 00:57:42,380

hanging out and I'm going to get out of

1092

00:57:45,549 --> 00:57:45,140

here midnight Mike is signing off right

1093

00:57:49,760 --> 00:57:45,559

now

1094

00:57:52,550 --> 00:57:49,770

oh yes happened I'm getting out of here

1095

00:57:56,150 --> 00:57:52,560

[Music]

1096

00:57:59,060 --> 00:57:56,160

yeah yeah headlines here become a good

1097

00:58:01,640 --> 00:57:59,070

conspiracy theorist with these skills oh

1098

00:58:03,500 --> 00:58:01,650

god there's a the secret on the ocean

1099

00:58:04,850 --> 00:58:03,510

floor there's a CIA story there there's

1100

00:58:05,650 --> 00:58:04,860

a lot of stuff going on it's all

1101

00:58:09,980 --> 00:58:05,660

happening

1102

00:58:13,820 --> 00:58:09,990

this shows only begun but I got caller

1103

00:58:18,920 --> 00:58:13,830

go ahead hey Mike can you hear me all I

1104

00:58:22,760 --> 00:58:18,930

can hear you buddy hey hey Stan how you

1105

00:58:24,380 --> 00:58:22,770

doing no hey Vince your article here a

1106

00:58:26,600 --> 00:58:24,390

little while ago about that whole zoo my

1107

00:58:27,770 --> 00:58:26,610

payload yeah I don't know what's going

1108

00:58:31,220 --> 00:58:27,780

on with that now what is the zoom a

1109

00:58:33,440 --> 00:58:31,230

payload another thing that was on that

1110

00:58:34,130 --> 00:58:33,450

Falcon 9 rocket that they lost back in

1111

00:58:36,980 --> 00:58:34,140

January

1112

00:58:38,840 --> 00:58:36,990

is that multi-billion dollar super

1113

00:58:42,290 --> 00:58:38,850

classified item that with the North

1114

00:58:45,890 --> 00:58:42,300

Grumman supposedly mostly wind down in

1115

00:58:48,530 --> 00:58:45,900

person flames yeah that's a bunch of

1116

00:58:50,810 --> 00:58:48,540

bunk and I'm pretty sure this article

1117

00:58:52,070 --> 00:58:50,820

actually has a pretty good summary of

1118

00:58:53,810 --> 00:58:52,080

all the different possibilities that

1119

00:58:55,940 --> 00:58:53,820

happen to it and goes into why they

1120

00:58:58,130 --> 00:58:55,950

think I've got possibility wise a

1121

00:59:00,230 --> 00:58:58,140

stealth kind of satellite that's up in

1122

00:59:01,820 --> 00:59:00,240

the sky that nobody can track and that

1123

00:59:03,740 --> 00:59:01,830

place so up there doing away its mission

1124

00:59:05,450 --> 00:59:03,750

was supposed to be doing I I think it

1125

00:59:09,110 --> 00:59:05,460

might be our secret weapon against North

1126

00:59:12,430 --> 00:59:09,120

Korea doing Ron to me God because my

1127

00:59:14,450 --> 00:59:12,440

while the government maybe can't launch

1128

00:59:15,740 --> 00:59:14,460

ordinances into space but a private

1129

00:59:17,750 --> 00:59:15,750

space company might be able to get away

1130

00:59:21,740 --> 00:59:17,760

with washing some kind of like space

1131

00:59:23,030 --> 00:59:21,750

platform weapon absolutely and and one

1132

00:59:26,030 --> 00:59:23,040

good thing that article had mentioned

1133

00:59:28,250 --> 00:59:26,040

was that there's a previous satellites

1134

00:59:30,800 --> 00:59:28,260

that they've deployed Becca in 1990 and

1135

00:59:34,070 --> 00:59:30,810

1999 called the misty satellites and

1136

00:59:35,570 --> 00:59:34,080

they actually deployed decoys during the

1137

00:59:37,730 --> 00:59:35,580

launching of those to be able to trick

1138

00:59:41,480 --> 00:59:37,740

any kind ability trying to attract those

1139

00:59:43,640 --> 00:59:41,490

I believe man I look all these all these

1140

00:59:45,560 --> 00:59:43,650

like especially US China and Russia we

1141

00:59:48,680 --> 00:59:45,570

have weapon platforms in space we have

1142

00:59:49,790 --> 00:59:48,690

super seekers [h\_\_h] up there somebody in

1143

00:59:51,860 --> 00:59:49,800

the chat just said Black Knight

1144

00:59:53,120 --> 00:59:51,870

satellite and that that thing they say

1145

00:59:54,860 --> 00:59:53,130

is space debris I don't know if I

1146

01:00:00,410 --> 00:59:54,870

believe that because it goes into weird

1147

01:00:02,780 --> 01:00:00,420

orbit look I it's so weird like the more

1148

01:00:03,350 --> 01:00:02,790

you listen and read about what is in

1149

01:00:04,150 --> 01:00:03,360

orbit

1150

01:00:06,370 --> 01:00:04,160

it gives you

1151

01:00:07,990 --> 01:00:06,380

it gives me pause especially when you

1152

01:00:11,740 --> 01:00:08,000

listen to stuff like higher side chats

1153

01:00:13,660 --> 01:00:11,750

and micro triple7 about how him he's not

1154

01:00:16,960 --> 01:00:13,670

even able to regard tequila with space

1155

01:00:18,549 --> 01:00:16,970

really is it gets bizarre the world is

1156

01:00:22,299 --> 01:00:18,559

way more complex than we even realized

1157

01:00:23,349 --> 01:00:22,309

oh absolutely that's a that's a really

1158

01:00:26,890 --> 01:00:23,359

good point that people need to think

1159

01:00:28,390 --> 01:00:26,900

about is it's everyday when I read this

1160

01:00:31,059 --> 01:00:28,400

stuff and just it just keeps expanding

1161

01:00:33,160 --> 01:00:31,069

my mind and it just starts you start

1162

01:00:34,480 --> 01:00:33,170

feeling overwhelmed but in a in a point

1163

01:00:35,980 --> 01:00:34,490

of fact is dead we just have to start

1164

01:00:36,730 --> 01:00:35,990

thinking you guys are thinking outside

1165

01:00:38,380 --> 01:00:36,740

the box

1166

01:00:40,390 --> 01:00:38,390

don't take everything just given your

1167

01:00:43,660 --> 01:00:40,400

spoon-fed and especially what we were

1168

01:00:45,819 --> 01:00:43,670

taught as kids there is a much crazier

1169

01:00:47,319 --> 01:00:45,829

world and a much more fantastical world

1170

01:00:49,299 --> 01:00:47,329

out there than you can even imagine and

1171

01:00:51,430 --> 01:00:49,309

you know people say they're bored yeah

1172

01:00:53,140 --> 01:00:51,440

I'm sorry you're bored you're not paying

1173

01:00:55,900 --> 01:00:53,150

attention don't agree if you're bored

1174

01:00:57,970 --> 01:00:55,910

you haven't picked up a newspaper you

1175

01:00:59,710 --> 01:00:57,980

haven't read the anything on the

1176

01:01:00,730 --> 01:00:59,720

internet at all because there's no

1177

01:01:03,870 --> 01:01:00,740

reason to be bored there's plenty of

1178

01:01:06,160 --> 01:01:03,880

things to do and plenty things learn no

1179

01:01:07,240 --> 01:01:06,170

simple YouTube you know the problem is

1180

01:01:08,589 --> 01:01:07,250

YouTube there's just so many different

1181

01:01:10,660 --> 01:01:08,599

videos out there and it's kind of hard

1182

01:01:12,400 --> 01:01:10,670

to get your mind wrapped around all the

1183

01:01:14,349 --> 01:01:12,410

different possibilities but you just

1184

01:01:16,660 --> 01:01:14,359

gotta just start start looking for stuff

1185

01:01:18,059 --> 01:01:16,670

and just start going down the rabbit

1186

01:01:21,970 --> 01:01:18,069

hole of all these different topics and

1187

01:01:25,120 --> 01:01:21,980

you know recently I was looking at Steve

1188

01:01:28,140 --> 01:01:25,130

quale and the albariño team albariño

1189

01:01:31,210 --> 01:01:28,150

their discussions and the see of these

1190

01:01:32,769 --> 01:01:31,220

albariño analysis videos on YouTube and

1191

01:01:36,039 --> 01:01:32,779

they've got a whole bunch of different

1192

01:01:37,720 --> 01:01:36,049

things about you know beyond NFL um and

1193

01:01:39,579 --> 01:01:37,730

all the kinds of biblical related stuff

1194

01:01:40,870 --> 01:01:39,589

and and I gotta say that you know some

1195

01:01:42,460 --> 01:01:40,880

of this stuff is just so intriguing

1196

01:01:44,650 --> 01:01:42,470

looking at especially if you're looking

1197

01:01:47,559 --> 01:01:44,660

like the antediluvian stuff and time a

1198

01:01:49,390 --> 01:01:47,569

pre-flood technology yeah the pyramids

1199

01:01:51,539 --> 01:01:49,400

and all the different stuff I mean you

1200

01:01:53,769 --> 01:01:51,549

you look at the pyramids and even

1201  
01:01:57,599 --> 01:01:53,779  
modern-day people looking into it they

1202  
01:01:59,740 --> 01:01:57,609  
it is almost crystal clear that these

1203  
01:02:02,109 --> 01:01:59,750  
pyramids were built as part of planets

1204  
01:02:05,559 --> 01:02:02,119  
like the main one in Khufu the the Great

1205  
01:02:07,450 --> 01:02:05,569  
Pyramid in Giza it is the the evidence

1206  
01:02:09,760 --> 01:02:07,460  
was overwhelmingly pointing towards that

1207  
01:02:13,089 --> 01:02:09,770  
thing being some sort of power plants

1208  
01:02:14,559 --> 01:02:13,099  
you know a wireless technology and oh oh

1209  
01:02:16,539 --> 01:02:14,569  
yeah that reminds me you know there's

1210  
01:02:18,190 --> 01:02:16,549  
all this Wireless Tesla Tesla technology

1211  
01:02:20,560 --> 01:02:18,200  
and suppose there

1212  
01:02:22,450 --> 01:02:20,570  
YouTube video it said that Tesla is the

1213  
01:02:26,110 --> 01:02:22,460

one that discovered the black light the

1214

01:02:27,940 --> 01:02:26,120

Black Knight satellite I have not heard

1215

01:02:30,400 --> 01:02:27,950

that I wouldn't doubt it I mean Tesla's

1216

01:02:32,470 --> 01:02:30,410

ISM goofy shares so like that was hyper

1217

01:02:38,650 --> 01:02:32,480

intelligent I'm way beyond anything we

1218

01:02:40,330 --> 01:02:38,660

could really comprehend just Tesla and

1219

01:02:42,640 --> 01:02:40,340

just like the Nazis they were getting

1220

01:02:43,900 --> 01:02:42,650

said this information and other groups

1221

01:02:45,550 --> 01:02:43,910

have been said you know this information

1222

01:02:46,770 --> 01:02:45,560

from you know whatever people are

1223

01:02:50,170 --> 01:02:46,780

calling you know demons

1224

01:02:51,820 --> 01:02:50,180

aliens you know interdimensional as

1225

01:02:54,550 --> 01:02:51,830

extra dimensionals they were getting

1226

01:02:56,170 --> 01:02:54,560

information from somebody else and we

1227

01:02:57,570 --> 01:02:56,180

continue to kind of you know have people

1228

01:03:00,340 --> 01:02:57,580

doing that especially within the occult

1229

01:03:01,630 --> 01:03:00,350

the bruiser Christians there's all kinds

1230

01:03:04,150 --> 01:03:01,640

of different groups that are involved in

1231

01:03:06,120 --> 01:03:04,160

all kinds of was crazy whacked-out stuff

1232

01:03:08,530 --> 01:03:06,130

and it is it is just absolutely

1233

01:03:09,850 --> 01:03:08,540

fascinating the fact that we just live

1234

01:03:11,830 --> 01:03:09,860

on this world where we're just most

1235

01:03:13,900 --> 01:03:11,840

people live in day to day lives just

1236

01:03:15,910 --> 01:03:13,910

going to our job punching their timecard

1237

01:03:17,050 --> 01:03:15,920

and going about the business and you

1238

01:03:20,320 --> 01:03:17,060

just think about what's really out there

1239

01:03:22,840 --> 01:03:20,330

it is it just blows your mind hey one of

1240

01:03:25,650 --> 01:03:22,850

the great things about why I like doing

1241

01:03:29,170 --> 01:03:25,660

the show is I get to talk to weird

1242

01:03:31,720 --> 01:03:29,180

people like you your weirdo like me and

1243

01:03:33,610 --> 01:03:31,730

they bring they bring forth they bring

1244

01:03:37,180 --> 01:03:33,620

forth topics that are interesting that I

1245

01:03:39,520 --> 01:03:37,190

gotta go look up later this is great no

1246

01:03:41,620 --> 01:03:39,530

I agreed and I'm really looking forward

1247

01:03:44,530 --> 01:03:41,630

to clown baby come back and talking some

1248

01:03:46,000 --> 01:03:44,540

missing for one one because that's yeah

1249

01:03:47,080 --> 01:03:46,010

I wouldn't the initial thing that got me

1250

01:03:48,220 --> 01:03:47,090

to down the rabbit hole but that's the

1251

01:03:49,780 --> 01:03:48,230

initial thing that got me hooked onto

1252

01:03:51,400 --> 01:03:49,790

your guys's show is just looking at

1253

01:03:53,290 --> 01:03:51,410

stuff there and then just kind of

1254

01:03:55,150 --> 01:03:53,300

listened to more and more of that and

1255

01:03:57,220 --> 01:03:55,160

absolutely fascinating but well my

1256

01:03:58,780 --> 01:03:57,230

teammate my older son there's actually

1257

01:04:00,190 --> 01:03:58,790

the one yes he asked those a couple

1258

01:04:02,350 --> 01:04:00,200

years ago yes for those books and I said

1259

01:04:03,760 --> 01:04:02,360

missing for one what is this and then I

1260

01:04:05,590 --> 01:04:03,770

bombed the books

1261

01:04:06,970 --> 01:04:05,600

and then you know I got serious and I

1262

01:04:08,020 --> 01:04:06,980

said hey I'll listen to him on coast to

1263

01:04:09,370 --> 01:04:08,030

coast and yeah

1264

01:04:12,090 --> 01:04:09,380

listen the first time of David colitis

1265

01:04:15,040 --> 01:04:12,100

and I was absolutely hooked from day one

1266

01:04:16,810 --> 01:04:15,050

the only problem you know I just yeah

1267

01:04:17,860 --> 01:04:16,820

yeah I'm just one of the people that you

1268

01:04:19,150 --> 01:04:17,870

know gone far enough down the rabbit

1269

01:04:21,190 --> 01:04:19,160

hole missing poor one one I just want

1270

01:04:23,680 --> 01:04:21,200

more you know I want him to hurt you

1271

01:04:25,660 --> 01:04:23,690

know releasing more information and you

1272

01:04:27,970 --> 01:04:25,670

know it's good the way he kind of looks

1273

01:04:30,190 --> 01:04:27,980

at it he's very objective and I'm very

1274

01:04:31,430 --> 01:04:30,200

much into what people call you objective

1275

01:04:33,290 --> 01:04:31,440

truths but

1276

01:04:36,020 --> 01:04:33,300

I would really just love to hear him

1277

01:04:38,839 --> 01:04:36,030

actually talk more about what he thinks

1278

01:04:40,849 --> 01:04:38,849

this is and what what things these could

1279

01:04:41,780 --> 01:04:40,859

be the possibilities they're getting

1280

01:04:43,460 --> 01:04:41,790

involved because I think there's

1281

01:04:44,900 --> 01:04:43,470

multiple different options that could be

1282

01:04:46,700 --> 01:04:44,910

causing this well if you had a good

1283

01:04:49,309 --> 01:04:46,710

manager he'd be doing a YouTube live

1284

01:04:51,950 --> 01:04:49,319

show callin like I'm doing but we'll be

1285

01:04:52,940 --> 01:04:51,960

doing that on Wednesday and I hope to

1286

01:05:00,950 --> 01:04:52,950

hear from you

1287

01:05:01,760 --> 01:05:00,960

then I'm gonna go I'm gonna go let the

1288

01:05:03,109 --> 01:05:01,770

dogs out

1289

01:05:04,460 --> 01:05:03,119

please call back in Wednesday I'd love

1290

01:05:19,050 --> 01:05:04,470

to hear from you then but we'll be doing

1291

01:05:19,060 --> 01:05:23,230

[Music]

1292

01:05:28,030 --> 01:05:25,150

stretching

1293

01:05:29,770 --> 01:05:28,040

I mean literally education camps black

1294

01:05:40,470 --> 01:05:29,780

uniforms and they're just break down the

1295

01:06:12,990 --> 01:06:00,930

[Music]

1296

01:06:15,900 --> 01:06:13,000

alright guys thanks for hanging out and

1297

01:06:18,540 --> 01:06:15,910

sticking around we'll talk to you on

1298

01:06:20,790 --> 01:06:18,550

1299

01:06:22,980 --> 01:06:20,800

level doomed we doing some headlines and
