talking about alien abductions military

16

00:01:24,630 --> 00:01:21,300

abductions and be doing a rundown of

17

00:01:24,990 --> 00:01:24,640

reddit conspiracy are conspiracies why

18

00:01:28,500 --> 00:01:25,000

not

19

00:01:31,990 --> 00:01:28,510

I and my mic falling down on Mike and

20

00:01:33,950 --> 00:01:32,000

the better my car really I do

21

00:01:40,859 --> 00:01:33,960

[Music]

22

00:01:46,609 --> 00:01:40,869

benefit oh yes oh my god so the other

23

00:01:54,960 --> 00:01:53,039

and Regina Meredith as a program on Gaia

24

00:01:58,830 --> 00:01:54,970

TV where she was the sit-down interview

25

00:02:01,679 --> 00:01:58,840

with somebody for about an hour and I I

26
00:02:05,639 --> 00:02:01,689
saw her interview somebody by the name

27
00:02:09,479 --> 00:02:05,649
of bring up on screen here for you

28
00:02:11,070 --> 00:02:09,489
her name is Taylor Alessandra Simmons

29
00:02:15,690 --> 00:02:11,080
right there she's got a YouTube channel

30
00:02:19,970 --> 00:02:15,700
you can subscribe to her and she went

31
00:02:25,130 --> 00:02:19,980
over her story about being a teenager

32
00:02:29,820 --> 00:02:25,140
being able to communicate with spirits

33
00:02:34,520 --> 00:02:29,830
being able to communicate with beings at

34
00:02:39,360 --> 00:02:34,530
a higher density spirit guides and

35
00:02:42,390 --> 00:02:39,370
beings of a higher dimension and they

36
00:02:45,240 --> 00:02:42,400
were through her entire life she was a

37
00:02:47,870 --> 00:02:45,250
trouble team by the way she had a lot of

38
00:02:53,580 --> 00:02:47,880

emotional problems a lot of drug issues

39

00:02:57,720 --> 00:02:53,590

he was consumed by a bad family

40

00:03:02,009 --> 00:02:57,730

environment her mother was a drug abuser

41

00:03:05,039 --> 00:03:02,019

as well and her mother married a person

42

00:03:09,840 --> 00:03:05,049

who was a highfalutin military

43

00:03:12,030 --> 00:03:09,850

contractor during the george bush ii

44

00:03:16,620 --> 00:03:12,040

administration during iraq war part two

45

00:03:18,660 --> 00:03:16,630

so this girl on on screen her mother

46

00:03:20,840 --> 00:03:18,670

married her stepfather this girl's

47

00:03:23,699 --> 00:03:20,850

on-screen stepfather was a highfalutin

48

00:03:25,500 --> 00:03:23,709

big-time military contractor had a lot

49

00:03:29,610 --> 00:03:25,510

of paul a lot of influence in Washington

50

00:03:32,729 --> 00:03:29,620

DC and sold tanks Humvees and other

51
00:03:34,770 --> 00:03:32,739
military hardware and this girl whatever

52
00:03:37,949 --> 00:03:34,780
her story about being in this house

53
00:03:41,039 --> 00:03:37,959
where there was a lot of shenanigans

54
00:03:44,250 --> 00:03:41,049
going on she she claims to be able to

55
00:03:46,230 --> 00:03:44,260
read people's auras and sense their

56
00:03:50,340 --> 00:03:46,240
intentions and

57
00:03:53,070 --> 00:03:50,350
to see who they are whether it's a it's

58
00:03:54,870 --> 00:03:53,080
a bad order from somebody or if he can

59
00:03:58,160 --> 00:03:54,880
kind of look into their eyes and kind of

60
00:04:01,020 --> 00:03:58,170
gauge their personality and intent and

61
00:04:04,260 --> 00:04:01,030
what she saw from this military stepped

62
00:04:07,680 --> 00:04:04,270
father was nothing but bad intent and a

63
00:04:08,820 --> 00:04:07,690

lot of a lot of evil I didn't say is

64

00:04:11,520 --> 00:04:08,830

evil but that's kind of what I was

65

00:04:12,870 --> 00:04:11,530

saying a lot of evilness I should say

66

00:04:15,900 --> 00:04:12,880

and there's there's my dog Connor I'm

67

00:04:15,910 --> 00:04:20,240

yes do you know

68

00:04:25,310 --> 00:04:22,940

gotta stay now ya can't have dogs

69

00:04:27,080 --> 00:04:25,320

barking on the show I got enough

70

00:04:31,760 --> 00:04:27,090

I got enough noises I don't I don't need

71

00:04:36,410 --> 00:04:31,770

any more noises okay stop ya dog start

72

00:04:40,040 --> 00:04:36,420

to hammering so anyways this woman went

73

00:04:42,590 --> 00:04:40,050

over her experiences of Livi living in

74

00:04:45,140 --> 00:04:42,600

this house with her stepdad being a

75

00:04:46,840 --> 00:04:45,150

military contractor her mom being a drug

76
00:04:51,230 --> 00:04:46,850
abuser and tried to be the perfect

77
00:04:53,510 --> 00:04:51,240
housewife and in trying to come to terms

78
00:04:55,430 --> 00:04:53,520
with everything that she saw she she she

79
00:04:58,390 --> 00:04:55,440
saw various people coming and going from

80
00:05:00,950 --> 00:04:58,400
a house going into their basement and

81
00:05:04,340 --> 00:05:00,960
what she thought at that young age was

82
00:05:08,690 --> 00:05:04,350
having her parents were instead parents

83
00:05:10,850 --> 00:05:08,700
were having various dangerous or crazy

84
00:05:15,050 --> 00:05:10,860
sexual fantasies down in the basement

85
00:05:17,720 --> 00:05:15,060
filming it hardcore bondage and what she

86
00:05:19,010 --> 00:05:17,730
assumed were like some sexual rituals so

87
00:05:22,450 --> 00:05:19,020
what does this got to do with alien

88
00:05:26,570 --> 00:05:22,460

abductions in and military abductions

89

00:05:31,340 --> 00:05:26,580

well this one also claims to have been

90

00:05:33,740 --> 00:05:31,350

abducted throughout her life by various

91

00:05:37,060 --> 00:05:33,750

different extraterrestrial races and

92

00:05:41,240 --> 00:05:37,070

also which he can say without a doubt

93

00:05:45,110 --> 00:05:41,250

the military and she makes a clear

94

00:05:47,330 --> 00:05:45,120

distinction on who is abducted her at

95

00:05:49,430 --> 00:05:47,340

what time she doesn't she didn't

96

00:05:52,220 --> 00:05:49,440

experience missing time like a lot of

97

00:05:54,710 --> 00:05:52,230

other abductees where people like Travis

98

00:05:56,990 --> 00:05:54,720

Walton for missing a fire and sky story

99

00:06:00,140 --> 00:05:57,000

where he had a hard time recollecting

100

00:06:01,909 --> 00:06:00,150

initially what happened to him when he

101
00:06:04,190 --> 00:06:01,919
was abducted he had to go through some I

102
00:06:06,140 --> 00:06:04,200
think hypnotic regression and just a lot

103
00:06:07,880 --> 00:06:06,150
of time to recover some of those

104
00:06:10,460 --> 00:06:07,890
memories of to her it's just kind of

105
00:06:12,409 --> 00:06:10,470
like oh yeah I can remember it's not

106
00:06:14,600 --> 00:06:12,419
like it was as clear as day but she had

107
00:06:19,820 --> 00:06:14,610
a good a good idea what happened to her

108
00:06:25,250 --> 00:06:19,830
when she was abducted and during her

109
00:06:27,620 --> 00:06:25,260
abduction experiences she was leased

110
00:06:29,420 --> 00:06:27,630
from let's go from the on the military

111
00:06:33,230 --> 00:06:29,430
side first when she was abducted the

112
00:06:34,020 --> 00:06:33,240
military abductions to her were to

113
00:06:39,090 --> 00:06:34,030

collect Sam

114

00:06:44,520 --> 00:06:39,100

from her like samples of her uterus her

115

00:06:51,180 --> 00:06:44,530

eggs and DNA samples in order to in her

116

00:06:53,610 --> 00:06:51,190

opinion clone and figure out how she's

117

00:06:56,340 --> 00:06:53,620

able to use her mind her her her

118

00:06:58,470 --> 00:06:56,350

extrasensory abilities how she's able to

119

00:07:03,120 --> 00:06:58,480

communicate with spirits how she's able

120

00:07:05,280 --> 00:07:03,130

to sense people's intentions and and use

121

00:07:07,350 --> 00:07:05,290

her consciousness and in like a oneness

122

00:07:08,850 --> 00:07:07,360

people you know we hear stories like oh

123

00:07:11,580 --> 00:07:08,860

you can you can move objects with your

124

00:07:13,800 --> 00:07:11,590

mind or you can have clairvoyance people

125

00:07:15,360 --> 00:07:13,810

can do remote viewing just by closing

126

00:07:17,700 --> 00:07:15,370

her eyes for a few seconds and be able

127

00:07:19,440 --> 00:07:17,710

to do that she apparently is able to do

128

00:07:21,960 --> 00:07:19,450

all these remarkable remarkable things

129

00:07:25,740 --> 00:07:21,970

in the military wanted to know how the

130

00:07:29,520 --> 00:07:25,750

[h__h] you can do this well the military

131

00:07:33,590 --> 00:07:29,530

only knew she could do this by first

132

00:07:37,050 --> 00:07:33,600

they had to find out who she was well I

133

00:07:39,870 --> 00:07:37,060

suspect that the military who do these

134

00:07:42,210 --> 00:07:39,880

abductions as well as aliens the

135

00:07:44,070 --> 00:07:42,220

military watches the aliens and see who

136

00:07:46,230 --> 00:07:44,080

they abduct and then in turn the

137

00:07:47,850 --> 00:07:46,240

military abducts the same people to find

138

00:07:50,490 --> 00:07:47,860

out what the [h__h] the aliens are doing

139

00:07:53,040 --> 00:07:50,500

so the aliens come down they snatch her

140

00:07:56,810 --> 00:07:53,050

up they do the whole process on her I

141

00:07:59,780 --> 00:07:56,820

think with her her understanding of the

142

00:08:03,230 --> 00:07:59,790

alien abductions was it was much more

143

00:08:08,010 --> 00:08:03,240

some of them were much more friendly and

144

00:08:11,760 --> 00:08:08,020

a lot more enlightening in in experience

145

00:08:13,980 --> 00:08:11,770

whereas the military abductions were a

146

00:08:18,210 --> 00:08:13,990

lot more clinical a lot more sterile a

147

00:08:20,640 --> 00:08:18,220

lot more cold and when she would wake up

148

00:08:23,580 --> 00:08:20,650

during some of these military abductions

149

00:08:26,970 --> 00:08:23,590

she saw that she was in a room with

150

00:08:30,120 --> 00:08:26,980

other kids her age other teenagers her

151

00:08:31,830 --> 00:08:30,130

age or in or in her age range and very

152

00:08:35,660 --> 00:08:31,840

similar things were going on they were

153

00:08:39,730 --> 00:08:35,670

trying to find out how these people

154

00:08:42,610 --> 00:08:39,740

could use their mind in the

155

00:08:46,510 --> 00:08:42,620

that they could and she also recalled

156

00:08:52,150 --> 00:08:46,520

being taken to military hangars where

157

00:08:56,050 --> 00:08:52,160

UFOs were and they asked her to activate

158

00:08:57,670 --> 00:08:56,060

these UFOs with her mind or in touch one

159

00:09:03,280 --> 00:08:57,680

see if you can turn it on can you move

160

00:09:07,210 --> 00:09:03,290

this UFO with your mind and it's not it

161

00:09:09,970 --> 00:09:07,220

sounds absolutely bizarre and crazy but

162

00:09:13,449 --> 00:09:09,980

then you you try to as you as you watch

163

00:09:15,820 --> 00:09:13,459

and consume as much stuff as as I do you

164

00:09:21,070 --> 00:09:15,830

kind of put it all together and I

165

00:09:23,519 --> 00:09:21,080

remember a little segment from Greer dr.

166

00:09:25,960 --> 00:09:23,529

Greer's most recent documentary uh

167

00:09:29,590 --> 00:09:25,970

unacknowledged and there's a part here

168

00:09:31,480 --> 00:09:29,600

that I'll play for you about the alien

169

00:09:33,010 --> 00:09:31,490

false flags and I'll go back and I'll

170

00:09:34,510 --> 00:09:33,020

just play this audio clip is about a

171

00:09:36,870 --> 00:09:34,520

minute here and I'll play the second one

172

00:09:40,810 --> 00:09:36,880

and they'll try to ties it around to

173

00:09:43,329 --> 00:09:40,820

Taylor as Alexander's military

174

00:09:44,889 --> 00:09:43,339

deductions here we go audio piece they

175

00:09:47,410 --> 00:09:44,899

could pull it off they could definitely

176

00:09:50,110 --> 00:09:47,420

pull it off right now they have the

177

00:09:52,900 --> 00:09:50,120

technology to mimic the form fit and

178

00:09:54,910 --> 00:09:52,910

function of extraterrestrial UFOs they

179

00:09:56,530 --> 00:09:54,920

have the technology absolutely it's

180

00:09:58,780 --> 00:09:56,540

seamless and you can never tell the

181

00:10:00,250 --> 00:09:58,790

difference if they do have a false flag

182

00:10:02,290 --> 00:10:00,260

invasion they're gonna use one of these

183

00:10:06,340 --> 00:10:02,300

this is the Hudson Valley boomerang this

184

00:10:08,860 --> 00:10:06,350

is 1982 to 1989 over 25,000 eyewitnesses

185

00:10:11,650 --> 00:10:08,870

reported this craft they can use these

186

00:10:14,290 --> 00:10:11,660

saucers the cigars the pyramids the

187

00:10:16,090 --> 00:10:14,300

triangles as a United coalition and

188

00:10:19,329 --> 00:10:16,100

that's how they're gonna do it we're

189

00:10:21,600 --> 00:10:19,339

talking about 150 to 170 two feet across

190

00:10:24,250 --> 00:10:21,610

for the wingspan which is the identical

191

00:10:26,949 --> 00:10:24,260

wingspan of the b-2 stealth bomber so

192

00:10:28,480 --> 00:10:26,959

the question we need to ask is was some

193

00:10:30,970 --> 00:10:28,490

of that twenty two point four billion

194

00:10:33,400 --> 00:10:30,980

use on the b2 poured into this program

195

00:10:36,700 --> 00:10:33,410

it's the exact same timeframe when they

196

00:10:38,590 --> 00:10:36,710

power up and when they accelerate

197

00:10:40,000 --> 00:10:38,600

it looks like a spark off a grinding

198

00:10:40,480 --> 00:10:40,010

wheel and you could never know the

199

00:10:42,700 --> 00:10:40,490

difference

200

00:10:44,890 --> 00:10:42,710

so if they wanted to hoax an alien

201
00:10:47,010 --> 00:10:44,900
invasion they could do it and they could

202
00:10:49,620 --> 00:10:47,020
do it in a way that's a hundred percent

203
00:10:53,470 --> 00:10:49,630
now the woman I was just talking about

204
00:10:55,990 --> 00:10:53,480
paler she claims that the military uses

205
00:10:59,560 --> 00:10:56,000
the black triangles which is up on the

206
00:11:01,690 --> 00:10:59,570
screen right here and that it's its

207
00:11:04,750 --> 00:11:01,700
powers worse is at the center of the

208
00:11:07,330 --> 00:11:04,760
triangle and that is also where they can

209
00:11:12,970 --> 00:11:07,340
pull people up into the craft and lower

210
00:11:14,380 --> 00:11:12,980
them down and I suspect that anybody who

211
00:11:16,480 --> 00:11:14,390
listens to the show knows that I believe

212
00:11:19,090 --> 00:11:16,490
that the US military has far more

213
00:11:21,790 --> 00:11:19,100

advanced technology than than our

214

00:11:23,620 --> 00:11:21,800

standard flying aircraft like the f-15

215

00:11:25,990 --> 00:11:23,630

Horner way past that wave has hundreds

216

00:11:29,130 --> 00:11:26,000

of years past that and that these

217

00:11:31,990 --> 00:11:29,140

military abductions are taking place

218

00:11:33,790 --> 00:11:32,000

because they got some technology that

219

00:11:37,470 --> 00:11:33,800

they don't exactly know how to use I

220

00:11:40,630 --> 00:11:37,480

suspect it all goes back to the deal

221

00:11:43,920 --> 00:11:40,640

supposes supposedly that Truman and/or

222

00:11:46,510 --> 00:11:43,930

Eisenhower the majestic 12 deal where

223

00:11:50,020 --> 00:11:46,520

the aliens came to us at hey we want to

224

00:11:52,210 --> 00:11:50,030

abduct some people and in exchange we

225

00:11:54,820 --> 00:11:52,220

will give you some of our technology and

226

00:11:56,860 --> 00:11:54,830

I think our higher-ups and great we

227

00:12:00,270 --> 00:11:56,870

would love some alien technology the

228

00:12:03,640 --> 00:12:00,280

caveat was that the extraterrestrials

229

00:12:07,150 --> 00:12:03,650

did you show them how to use it in that

230

00:12:09,850 --> 00:12:07,160

this high-tech stuff required the

231

00:12:12,580 --> 00:12:09,860

operator to use their consciousness

232

00:12:15,070 --> 00:12:12,590

their intention and to be at one with

233

00:12:18,070 --> 00:12:15,080

the vehicle in order to operate these

234

00:12:21,400 --> 00:12:18,080

vehicles so the military got all these

235

00:12:23,080 --> 00:12:21,410

pieces of equipment that they didn't

236

00:12:25,930 --> 00:12:23,090

know how to operate the game it gave

237

00:12:27,430 --> 00:12:25,940

them on.i to give them ideas on where to

238

00:12:29,610 --> 00:12:27,440

go next with technology but they

239

00:12:32,440 --> 00:12:29,620

couldn't operate the vehicles themselves

240

00:12:34,900 --> 00:12:32,450

it give them ideas for new propulsion or

241

00:12:37,260 --> 00:12:34,910

new ways to build craft and they were

242

00:12:40,750 --> 00:12:37,270

able to replicate some things but not

243

00:12:44,530 --> 00:12:40,760

the entire craft that were given to them

244

00:12:47,110 --> 00:12:44,540

and they don't know how to manipulate

245

00:12:49,160 --> 00:12:47,120

like the average pilot doesn't know how

246

00:12:50,960 --> 00:12:49,170

to manipulate these

247

00:12:56,090 --> 00:12:50,970

saucer craft with their minds so they

248

00:12:57,889 --> 00:12:56,100

need people like Taylor and the people

249

00:13:00,949 --> 00:12:57,899

who can use their mind and communicate

250

00:13:04,189 --> 00:13:00,959

with the other dimensions to operate

251
00:13:05,749 --> 00:13:04,199
these UFO crafts and so the US military

252
00:13:08,419 --> 00:13:05,759
built these black triangles to figure

253
00:13:10,039 --> 00:13:08,429
out well who can do this and then how to

254
00:13:13,909 --> 00:13:10,049
reproduce what they can do by using

255
00:13:17,929 --> 00:13:13,919
their DNA so I'll play the the second

256
00:13:21,049 --> 00:13:17,939
clip of from Doctor Greer's documentary

257
00:13:24,739 --> 00:13:21,059
unacknowledged and this might go into

258
00:13:28,749 --> 00:13:24,749
the military abductions they started

259
00:13:32,030 --> 00:13:28,759
doing all kinds of psychological warfare

260
00:13:35,689 --> 00:13:32,040
entrapment of the public by staging

261
00:13:38,239 --> 00:13:35,699
hoaxed events such as cattle mutilations

262
00:13:40,970 --> 00:13:38,249
Oh as a flying saucer did that it's a

263
00:13:43,129 --> 00:13:40,980

covert paramilitary program human so if

264

00:13:46,699 --> 00:13:43,139

you wanted to start indoctrinating

265

00:13:48,799 --> 00:13:46,709

people into a false threat from outer

266

00:13:51,739 --> 00:13:48,809

space that Wernher von Braun warned us

267

00:13:55,759 --> 00:13:51,749

about you would start staging events

268

00:13:58,639 --> 00:13:55,769

that look alien but that are completely

269

00:14:01,249 --> 00:13:58,649

man-made that are scary and scare the

270

00:14:03,049 --> 00:14:01,259

hell out of people UFO encounters are

271

00:14:04,789 --> 00:14:03,059

categorized into four groups close

272

00:14:06,229 --> 00:14:04,799

encounters of the Fourth Kind include

273

00:14:08,689 --> 00:14:06,239

people who claim to have been abducted

274

00:14:10,549 --> 00:14:08,699

by extraterrestrials if you had a close

275

00:14:12,710 --> 00:14:10,559

encounter of the Fourth Kind and you are

276
00:14:13,970 --> 00:14:12,720
back we're anxious to hear from you I am

277
00:14:16,069 --> 00:14:13,980
in ER Stage Left

278
00:14:18,829 --> 00:14:16,079
you got these sort of anti-gravity

279
00:14:21,590 --> 00:14:18,839
devices with creatures that look like

280
00:14:23,479 --> 00:14:21,600
ETS that are actually manmade robotic

281
00:14:26,919 --> 00:14:23,489
systems they're called program

282
00:14:30,590 --> 00:14:26,929
life-forms and you start doing select

283
00:14:31,410 --> 00:14:30,600
interfaces with the public we did do

284
00:14:34,970 --> 00:14:31,420
that yes

285
00:14:39,150 --> 00:14:34,980
Oh si did that there was a special group

286
00:14:42,030 --> 00:14:39,160
out of the 7600 second-year Intel wing

287
00:14:46,769 --> 00:14:42,040
at Fort Belvoir that came out and did

288
00:14:50,160 --> 00:14:46,779

that they had these people they had

289

00:14:54,030 --> 00:14:50,170

maybe some sort of defects and

290

00:14:56,910 --> 00:14:54,040

phenomenal defects that were brought

291

00:15:00,120 --> 00:14:56,920

brought into to fool people and thinking

292

00:15:03,120 --> 00:15:00,130

they're aliens yeah I can't give you any

293

00:15:05,009 --> 00:15:03,130

specifics because it's the program is so

294

00:15:06,810 --> 00:15:05,019

classified and they probably still doing

295

00:15:09,120 --> 00:15:06,820

it I wouldn't doubt Donna they were

296

00:15:12,889 --> 00:15:09,130

still doing it right there dr. Greer is

297

00:15:15,360 --> 00:15:12,899

saying that hey these are these military

298

00:15:17,280 --> 00:15:15,370

these are military cattle mutilations

299

00:15:19,199 --> 00:15:17,290

military abduction scenarios they're

300

00:15:21,060 --> 00:15:19,209

doing doing it to indoctrinate the

301

00:15:23,910 --> 00:15:21,070

public I think I don't I don't think

302

00:15:27,329 --> 00:15:23,920

that's true I think what this this woman

303

00:15:29,940 --> 00:15:27,339

is saying is much more true is that

304

00:15:31,620 --> 00:15:29,950

there are abducting people for research

305

00:15:33,480 --> 00:15:31,630

purposes to figure out how to use this

306

00:15:34,470 --> 00:15:33,490

technology that you really got back in

307

00:15:37,680 --> 00:15:34,480

the sixth yeah they can replicate

308

00:15:40,850 --> 00:15:37,690

certain aspects of it but not everything

309

00:15:45,150 --> 00:15:40,860

about it

310

00:15:46,829 --> 00:15:45,160

her story is very fascinating it is you

311

00:15:50,550 --> 00:15:46,839

can check it on guy TV there's a few

312

00:15:52,079 --> 00:15:50,560

clips of it on YouTube I put the phone

313

00:15:55,500 --> 00:15:52,089

lines right up in the sixth one four

314

00:15:58,050 --> 00:15:55,510

three eight nine 109 and there are other

315

00:16:02,329 --> 00:15:58,060

aspects to her story about her being

316

00:16:07,139 --> 00:16:02,339

sent away to this very elite private

317

00:16:10,050 --> 00:16:07,149

military school where it everything she

318

00:16:12,870 --> 00:16:10,060

described seemed like an MKULTRA

319

00:16:17,120 --> 00:16:12,880

brainwashing operation where everything

320

00:16:21,210 --> 00:16:17,130

was about repetition and rituals and

321

00:16:24,870 --> 00:16:21,220

seances and chanting and she was there

322

00:16:27,090 --> 00:16:24,880

for seven days and her mom got her out

323

00:16:30,120 --> 00:16:27,100

because her mom and the parents are

324

00:16:33,300 --> 00:16:30,130

required to go along with this program

325

00:16:35,069 --> 00:16:33,310

for these the troubled teen program and

326

00:16:39,720 --> 00:16:35,079

I'll bring it up on screen and they even

327

00:16:42,090 --> 00:16:39,730

go to wwas P survivors dot-com and read

328

00:16:45,690 --> 00:16:42,100

about these kids who have

329

00:16:48,480 --> 00:16:45,700

escaped from this program and got out

330

00:16:50,760 --> 00:16:48,490

and are telling their stories and I'll

331

00:16:52,770 --> 00:16:50,770

play a little bit of this but it's it's

332

00:16:54,420 --> 00:16:52,780

so absolutely bizarre I can't play his

333

00:16:57,720 --> 00:16:54,430

flash it's bizarre I can't play flash I

334

00:16:59,520 --> 00:16:57,730

don't flash installed but this program

335

00:17:03,300 --> 00:16:59,530

that she was a part of just for seven

336

00:17:04,890 --> 00:17:03,310

days everything she described that was

337

00:17:08,490 --> 00:17:04,900

going out to school and then everything

338

00:17:13,520 --> 00:17:08,500

that the parents had to do at the same

339

00:17:17,460 --> 00:17:13,530

time seemed like one big occult practice

340

00:17:20,610 --> 00:17:17,470

there were people the there were people

341

00:17:22,740 --> 00:17:20,620

in robes there's chanting if you were

342

00:17:24,620 --> 00:17:22,750

bad you were sent to a shed to live

343

00:17:29,970 --> 00:17:24,630

without food or water for 48 hours

344

00:17:32,820 --> 00:17:29,980

it is absolutely insane that these

345

00:17:37,050 --> 00:17:32,830

people these elites were sending their

346

00:17:39,840 --> 00:17:37,060

children there to be brainwashed I mean

347

00:17:43,320 --> 00:17:39,850

if she was part of a highfalutin

348

00:17:47,340 --> 00:17:43,330

military contracting family and it takes

349

00:17:49,560 --> 00:17:47,350

me back to you know like why why if you

350

00:17:51,390 --> 00:17:49,570

love even if you had a troubled kid and

351
00:17:54,060 --> 00:17:51,400
they were going through depression and

352
00:17:55,500 --> 00:17:54,070
had maybe substance abuse issues why

353
00:17:57,930 --> 00:17:55,510
would you send them to a military school

354
00:17:59,790 --> 00:17:57,940
where it's nothing about repetition and

355
00:18:02,090 --> 00:17:59,800
brainwashing and it's out in the middle

356
00:18:04,260 --> 00:18:02,100
of nowhere in one of the Carolinas and

357
00:18:06,180 --> 00:18:04,270
you had to fight tooth and nail to get

358
00:18:07,500 --> 00:18:06,190
your kid out of there if you really want

359
00:18:10,350 --> 00:18:07,510
it it's like oh you almost sign your

360
00:18:14,720 --> 00:18:10,360
your kid over to some MKULTRA program

361
00:18:17,340 --> 00:18:14,730
and only to be activated later

362
00:18:21,510 --> 00:18:17,350
absolutely bizarre and she did a

363
00:18:24,360 --> 00:18:21,520

two-part series on Regina Meredith and I

364

00:18:26,240 --> 00:18:24,370

was just you have two vated the entire

365

00:18:28,650 --> 00:18:26,250

everything she said was like wow this

366

00:18:32,430 --> 00:18:28,660

nice parallel to what Grier is doing

367

00:18:34,680 --> 00:18:32,440

although dr. Greer thinks that this is

368

00:18:38,040 --> 00:18:34,690

all kind of he believes that UFOs are

369

00:18:40,020 --> 00:18:38,050

real but he also thinks that the

370

00:18:42,360 --> 00:18:40,030

military is using UFOs as some kind of

371

00:18:44,850 --> 00:18:42,370

project bloom beam hoax scenario to get

372

00:18:46,020 --> 00:18:44,860

the public ready for something I don't

373

00:18:48,510 --> 00:18:46,030

know if that's true I don't know if the

374

00:18:53,100 --> 00:18:48,520

the government's ever gonna come clean

375

00:18:55,480 --> 00:18:53,110

with what they got that would absolutely

376

00:19:00,470 --> 00:18:55,490

change everything

377

00:19:02,869 --> 00:19:00,480

so to go back to what what Taylor was

378

00:19:04,519 --> 00:19:02,879

saying I'll put a put this up on the

379

00:19:08,389 --> 00:19:04,529

screen you can listen to her talk this

380

00:19:10,430 --> 00:19:08,399

first second she can hear a voice didn't

381

00:19:13,460 --> 00:19:10,440

say much in this club a friend of her

382

00:19:15,409 --> 00:19:13,470

friend said she's got some brain damage

383

00:19:16,940 --> 00:19:15,419

this is exactly how my boyfriend act

384

00:19:18,739 --> 00:19:16,950

when he got in a car wreck you need to

385

00:19:21,139 --> 00:19:18,749

take her into the hospital and my mom

386

00:19:22,430 --> 00:19:21,149

said not after literally two seconds

387

00:19:25,279 --> 00:19:22,440

after she got that out of her mouth I

388

00:19:26,149 --> 00:19:25,289

started having a seizure on her floor he

389

00:19:27,739 --> 00:19:26,159

was talking about what she tried to

390

00:19:30,859 --> 00:19:27,749

trick him is that because all the

391

00:19:32,239 --> 00:19:30,869

abductions and all all her entire life

392

00:19:34,879 --> 00:19:32,249

just got to be too much fur and that's

393

00:19:36,649 --> 00:19:34,889

when she went over to the other side had

394

00:19:41,330 --> 00:19:36,659

her near-death experience and came back

395

00:19:43,879 --> 00:19:41,340

he came back and she managed to get out

396

00:19:47,840 --> 00:19:43,889

of a coma that she was in for about a

397

00:19:50,060 --> 00:19:47,850

month after eating about 100 tylenols

398

00:19:54,769 --> 00:19:50,070

and her liver was completely destroyed

399

00:19:56,359 --> 00:19:54,779

she was completely emaciated barely

400

00:19:59,029 --> 00:19:56,369

surviving and she had an incredible

401
00:20:02,960 --> 00:19:59,039
story about coming back from the other

402
00:20:07,899 --> 00:20:02,970
side she did go on to say that when when

403
00:20:12,529 --> 00:20:07,909
she was abducted by aliens the baddies

404
00:20:19,730 --> 00:20:12,539
were the reptilians and that the

405
00:20:22,730 --> 00:20:19,740
reptilians had the intent to destroy the

406
00:20:25,340 --> 00:20:22,740
goodness within mankind

407
00:20:27,350 --> 00:20:25,350
it wasn't about like necessarily

408
00:20:30,769 --> 00:20:27,360
harvesting our DNA when it comes to the

409
00:20:36,710 --> 00:20:30,779
reptilians it was about destroying the

410
00:20:40,220 --> 00:20:36,720
human psyche and she said that he didn't

411
00:20:44,649 --> 00:20:40,230
say it exactly but I suspected that the

412
00:20:46,820 --> 00:20:44,659
the ruling elite the people who want to

413
00:20:49,430 --> 00:20:46,830

harness and the people who are doing

414

00:20:53,499 --> 00:20:49,440

these military abductions are working if

415

00:20:56,330 --> 00:20:53,509

they it is this is all one long theory

416

00:21:00,440 --> 00:20:56,340

that if the US military note the

417

00:21:02,239 --> 00:21:00,450

higher-ups are in cahoots with an alien

418

00:21:04,639 --> 00:21:02,249

civilization it would be the reptilian

419

00:21:07,440 --> 00:21:04,649

the baddies they want to get the job

420

00:21:09,930 --> 00:21:07,450

done they'll do it at any cost

421

00:21:11,850 --> 00:21:09,940

in reptilians what want this ability as

422

00:21:13,680 --> 00:21:11,860

well they have some technology but they

423

00:21:14,930 --> 00:21:13,690

want they want the in consciousness they

424

00:21:17,310 --> 00:21:14,940

want them they want to be able to be

425

00:21:19,140 --> 00:21:17,320

able to see other dimensions and

426
00:21:22,380 --> 00:21:19,150
communicate with higher forms and and

427
00:21:24,510 --> 00:21:22,390
travel through thought and intention it

428
00:21:28,290 --> 00:21:24,520
gets crazy when she gets into the the

429
00:21:32,370 --> 00:21:28,300
this the the chanting in the the seances

430
00:21:36,000 --> 00:21:32,380
at this this wwas peace cool [h__h]

431
00:21:39,180 --> 00:21:36,010
bizarre stuff and this is where the UFO

432
00:21:41,520 --> 00:21:39,190
phenomenon and then the spirituality the

433
00:21:45,270 --> 00:21:41,530
government conspiracy and politics all

434
00:21:48,270 --> 00:21:45,280
get involved in some weird way it gets

435
00:21:52,770 --> 00:21:48,280
in the very Eyes Wide Shut scenario and

436
00:21:54,690 --> 00:21:52,780
it's it's when he's it's tough not to

437
00:21:57,210 --> 00:21:54,700
consider all possibilities when you're

438
00:21:59,630 --> 00:21:57,220

we when you go down the rabbit hole of

439

00:22:02,760 --> 00:21:59,640

UFOs and they're talking about not just

440

00:22:04,350 --> 00:22:02,770

like the grey aliens that the cute

441

00:22:06,510 --> 00:22:04,360

little grey aliens but then you have to

442

00:22:10,980 --> 00:22:06,520

deal with Reptoids and and then the

443

00:22:12,750 --> 00:22:10,990

government elite well she suspected from

444

00:22:18,630 --> 00:22:12,760

a young age that she was being groomed

445

00:22:20,720 --> 00:22:18,640

for some sort of I would say child

446

00:22:24,450 --> 00:22:20,730

sacrifice or some kind of child

447

00:22:28,470 --> 00:22:24,460

ritualistic activity she actually said

448

00:22:33,090 --> 00:22:28,480

she met Dick Cheney shook his hand felt

449

00:22:34,770 --> 00:22:33,100

ice-cold and she said the guy just his

450

00:22:39,030 --> 00:22:34,780

his dick cheney's order was just nothing

451

00:22:42,570 --> 00:22:39,040

but but evil and nothing but like this

452

00:22:45,480 --> 00:22:42,580

badness and I can see that anything

453

00:22:47,040 --> 00:22:45,490

changed a good guy I don't know he

454

00:22:48,300 --> 00:22:47,050

doesn't seem like the kind of guy can

455

00:22:50,970 --> 00:22:48,310

sit around have a beer with a housing

456

00:22:55,020 --> 00:22:50,980

medically he can for one I don't think

457

00:22:58,529 --> 00:22:57,210

and I think he has a heart there's a

458

00:23:00,060 --> 00:22:58,539

circulates but it doesn't pump he

459

00:23:02,370 --> 00:23:00,070

doesn't have a dick chaney does not have

460

00:23:04,070 --> 00:23:02,380

a pulse it just blend this courses

461

00:23:06,210 --> 00:23:04,080

throughout his body

462

00:23:10,440 --> 00:23:06,220

yeah it's right here

463

00:23:16,580 --> 00:23:14,600

go ahead you gotta warn people hey

464

00:23:20,010 --> 00:23:16,590

what's going on buddy

465

00:23:25,950 --> 00:23:20,020

what you doin talking about a alien

466

00:23:26,760 --> 00:23:25,960

what's going on with you nothing all

467

00:23:30,210 --> 00:23:26,770

right

468

00:23:32,490 --> 00:23:30,220

how can I help you tonight huh you want

469

00:23:35,340 --> 00:23:32,500

to talk about aliens well that's what I

470

00:23:40,530 --> 00:23:35,350

was talking about you were talking about

471

00:23:44,840 --> 00:23:40,540

mylabs aliens mind control lost

472

00:23:48,240 --> 00:23:44,850

survivors yeah yeah yeah I mean yeah

473

00:23:50,630 --> 00:23:48,250

yeah well it's a it's it's a it all ties

474

00:23:54,600 --> 00:23:50,640

back to a talk that I watched with a

475

00:23:58,400 --> 00:23:54,610

tailor's Alexandria Simmons a survivor

476

00:24:03,620 --> 00:24:01,190

did you ever occur to you that maybe

477

00:24:07,880 --> 00:24:03,630

they're full of [h__h] it's possible yes

478

00:24:10,659 --> 00:24:07,890

sure no what about Greer what about do

479

00:24:14,299 --> 00:24:10,669

you think he did you just watch that uh

480

00:24:17,720 --> 00:24:14,309

his last documentary unacknowledged I

481

00:24:19,060 --> 00:24:17,730

watch it I watched it about whatever to

482

00:24:22,549 --> 00:24:19,070

him how about some months ago I guess

483

00:24:24,140 --> 00:24:22,559

okay yeah I couldn't finish it I could

484

00:24:26,180 --> 00:24:24,150

it could be a little bit more tightly

485

00:24:27,860 --> 00:24:26,190

edited but I thought there was some good

486

00:24:29,930 --> 00:24:27,870

parts in it he got some good people to

487

00:24:33,020 --> 00:24:29,940

speak I just played a clip of it about

488

00:24:34,399 --> 00:24:33,030

the the alien false flags and the the

489

00:24:35,720 --> 00:24:34,409

military abductions there's some

490

00:24:38,810 --> 00:24:35,730

fascinating pieces I don't agree with

491

00:24:41,360 --> 00:24:38,820

everything he says the time they flashed

492

00:24:46,010 --> 00:24:41,370

his piece on his hip I was kind of like

493

00:24:51,020 --> 00:24:46,020

okay what do they do I miss Newsome what

494

00:24:55,010 --> 00:24:51,030

do they do yet he has like a gun on his

495

00:24:59,200 --> 00:24:55,020

head dr. Greer does like yes they said

496

00:25:03,169 --> 00:24:59,210

he's a he's a cowboy yes like a cowboy

497

00:25:06,289 --> 00:25:03,179

okay well I mean maybe he thinks his

498

00:25:09,200 --> 00:25:06,299

life in danger I think he thinks that

499

00:25:11,720 --> 00:25:09,210

but is it well I don't know you could

500

00:25:19,850 --> 00:25:11,730

ask Alex Jones and he thinks his life is

501
00:25:22,159 --> 00:25:19,860
in danger what woody what do you think

502
00:25:24,110 --> 00:25:22,169
what do you think with the the alien

503
00:25:26,990 --> 00:25:24,120
abductions is it [h__\h] our military

504
00:25:31,850 --> 00:25:27,000
abductions [h__\h] what do you think

505
00:25:35,220 --> 00:25:31,860
that alien abductions are real I don't

506
00:25:35,230 --> 00:25:39,099
yeah I think it's like

507
00:25:43,570 --> 00:25:41,869
it's it's something that's like been

508
00:25:47,840 --> 00:25:43,580
thrown in there to muddy the waters

509
00:25:51,590 --> 00:25:47,850
almost but like people encountering you

510
00:25:55,039 --> 00:25:51,600
know like the typical gray alien that's

511
00:25:57,529 --> 00:25:55,049
kind of like an Android type well I've

512
00:25:59,450 --> 00:25:57,539
seen one myself well I mean the waters

513
00:26:04,070 --> 00:25:59,460

are pretty goddamn muddy at this point

514

00:26:06,379 --> 00:26:04,080

it's it's like yeah super secret

515

00:26:08,180 --> 00:26:06,389

technology by the military you've seen

516

00:26:12,609 --> 00:26:08,190

an alien what am I supposed to believe

517

00:26:18,739 --> 00:26:12,619

here so like well I you know I mean I

518

00:26:21,499 --> 00:26:18,749

think that uh the the abduction

519

00:26:22,999 --> 00:26:21,509

phenomenon is is genuine but if you

520

00:26:25,700 --> 00:26:23,009

notice how it's kind of like just

521

00:26:27,080 --> 00:26:25,710

dropped off the map completely yeah

522

00:26:29,749 --> 00:26:27,090

people really don't talk about too much

523

00:26:32,899 --> 00:26:29,759

anymore I mean it was like totally that

524

00:26:34,909 --> 00:26:32,909

that you know the 90s was all about you

525

00:26:37,249 --> 00:26:34,919

know alien abductions and then all of a

526

00:26:41,629 --> 00:26:37,259

sudden you know there's a sea change and

527

00:26:44,450 --> 00:26:41,639

there's no abductions anymore and you

528

00:26:46,729 --> 00:26:44,460

know I don't know if there's no

529

00:26:48,769 --> 00:26:46,739

abductions anymore or if it's not being

530

00:26:50,810 --> 00:26:48,779

promoted as much as it used to be

531

00:26:53,840 --> 00:26:50,820

there's things that still happen

532

00:26:55,820 --> 00:26:53,850

people still do the things they always

533

00:27:00,190 --> 00:26:55,830

done is just not being promoted as as

534

00:27:04,639 --> 00:27:00,200

much on on the media or in in TV shows

535

00:27:09,259 --> 00:27:04,649

it really you think that the television

536

00:27:16,159 --> 00:27:09,269

or media has any credibility or say in

537

00:27:17,989 --> 00:27:16,169

this in the Internet age well obviously

538

00:27:20,419 --> 00:27:17,999

it does mean look at CNN look at that

539

00:27:22,039 --> 00:27:20,429

look at how I was being promoted and I

540

00:27:23,299 --> 00:27:22,049

mean yeah I think it doesn't I don't

541

00:27:25,609 --> 00:27:23,309

know if that's credibility but it

542

00:27:31,489 --> 00:27:25,619

certainly does have push it has a has a

543

00:27:32,899 --> 00:27:31,499

a footprint on the on the smoking going

544

00:27:34,629 --> 00:27:32,909

pretty good I haven't smoked since

545

00:27:40,700 --> 00:27:34,639

Thursday

546

00:27:44,210 --> 00:27:40,710

yeah I heard was that hey I did what I

547

00:27:46,940 --> 00:27:44,220

did want it I said I heard he I did want

548

00:27:48,830 --> 00:27:46,950

to say something who was it that called

549

00:27:49,990 --> 00:27:48,840

up and was asking about your your

550

00:27:54,780 --> 00:27:50,000

girlfriend

551
00:27:58,120 --> 00:27:54,790
that was rookie bill stroke that was so

552
00:28:04,030 --> 00:27:58,130
over-the-top obnoxious yeah I mean there

553
00:28:07,120 --> 00:28:04,040
were a really good sport but really why

554
00:28:09,520 --> 00:28:07,130
does he want to know I I think bill was

555
00:28:11,170 --> 00:28:09,530
I mean I think your personal life is you

556
00:28:12,430 --> 00:28:11,180
know you know somewhat interested in if

557
00:28:16,450 --> 00:28:12,440
you're like yeah I've got a girlfriend

558
00:28:18,490 --> 00:28:16,460
she's got hmm that's interesting I mean

559
00:28:20,530 --> 00:28:18,500
I will talk about the things I'm careful

560
00:28:22,150 --> 00:28:20,540
talking about I don't know why he was

561
00:28:24,730 --> 00:28:22,160
harping on so much I suspect he just

562
00:28:28,660 --> 00:28:24,740
wants to create some controversy and and

563
00:28:30,070 --> 00:28:28,670

just try to hey yeah I guess try to do

564

00:28:33,330 --> 00:28:30,080

something scandalous like Howard Stern

565

00:28:35,800 --> 00:28:33,340

asked and that's not exactly what I do I

566

00:28:40,570 --> 00:28:35,810

like how he did not get under your skin

567

00:28:42,940 --> 00:28:40,580

whatsoever it was hilarious you know I

568

00:28:44,950 --> 00:28:42,950

just don't like unless I don't know what

569

00:28:47,140 --> 00:28:44,960

P I don't know what people can do to

570

00:28:49,600 --> 00:28:47,150

really get under my skin I mean I guess

571

00:28:53,500 --> 00:28:49,610

they can call me names or or whatnot

572

00:28:58,150 --> 00:28:53,510

like oh I hope someone abducts with this

573

00:29:00,070 --> 00:28:58,160

caller yes weeds that already that's

574

00:29:02,950 --> 00:29:00,080

already happened I'm out in the craft

575

00:29:04,540 --> 00:29:02,960

right now well you bet I did you did to

576

00:29:07,000 --> 00:29:04,550

have a story where you were living on

577

00:29:08,680 --> 00:29:07,010

4th Avenue right and you saw both oh and

578

00:29:12,100 --> 00:29:08,690

you had your abduction experience that

579

00:29:15,520 --> 00:29:12,110

was it during that same well that was

580

00:29:17,080 --> 00:29:15,530

one of them I don't know why I happened

581

00:29:20,710 --> 00:29:17,090

listen I think I may have been a

582

00:29:23,500 --> 00:29:20,720

basically it becomes episodes like that

583

00:29:27,310 --> 00:29:23,510

become very disjointed yeah

584

00:29:28,450 --> 00:29:27,320

like you'll remember this happening and

585

00:29:30,940 --> 00:29:28,460

then you're like well when did that

586

00:29:33,340 --> 00:29:30,950

happen and then by the next day you're

587

00:29:37,090 --> 00:29:33,350

like I don't remember the rest of the

588

00:29:39,690 --> 00:29:37,100

night at all and I don't know if I told

589

00:29:44,170 --> 00:29:39,700

you but I had asked my friend about it

590

00:29:46,240 --> 00:29:44,180

20 years later I said what do we do for

591

00:29:47,710 --> 00:29:46,250

the rest of the night well although I

592

00:29:49,690 --> 00:29:47,720

thought we just thought around watching

593

00:29:53,080 --> 00:29:49,700

your clothes for the rest of good luck I

594

00:29:55,420 --> 00:29:53,090

was like no I don't think so so I don't

595

00:30:00,160 --> 00:29:55,430

know what happened and that's the thing

596

00:30:04,120 --> 00:30:00,170

is that in abduction I unless Superman

597

00:30:06,280 --> 00:30:04,130

aboard a craft it's tough to say I had a

598

00:30:08,470 --> 00:30:06,290

lot of memories I can't place I mean

599

00:30:10,960 --> 00:30:08,480

there have some distorted memories I do

600

00:30:17,160 --> 00:30:10,970

i do disjointed podcast episodes every

601
00:30:19,450 --> 00:30:17,170
week so it's tough to say yes you do yes

602
00:30:21,610 --> 00:30:19,460
thank you very much I appreciate it do

603
00:30:26,260 --> 00:30:21,620
you have anything else you want to get

604
00:30:28,720 --> 00:30:26,270
off your chest before we move on that

605
00:30:29,320 --> 00:30:28,730
would take too long there is maybe some

606
00:30:30,370 --> 00:30:29,330
other time

607
00:30:41,260 --> 00:30:30,380
all right buddy well thanks for calling

608
00:30:42,690 --> 00:30:41,270
I appreciate your time thank you Mike I

609
00:30:46,360 --> 00:30:42,700
am all over the place

610
00:30:50,800 --> 00:30:46,370
we talk about military abductions and

611
00:30:52,870 --> 00:30:50,810
UFO abductions and Cara I guess I should

612
00:30:57,030 --> 00:30:52,880
actually just like started the show go

613
00:31:00,880 --> 00:30:57,040

watch this guy a TV episode and then and

614

00:31:04,060 --> 00:31:00,890

then come back and we'll discuss it on

615

00:31:07,630 --> 00:31:04,070

the show together read an essay for me

616

00:31:08,440 --> 00:31:07,640

three pages and then we'll talk about it

617

00:31:11,410 --> 00:31:08,450

ah

618

00:31:13,540 --> 00:31:11,420

all right go screw yourself [h__\h] all

619

00:31:15,010 --> 00:31:13,550

right yeah I I talked about that enough

620

00:31:17,260 --> 00:31:15,020

I will put a link in the description I

621

00:31:20,830 --> 00:31:17,270

put a link in description to this this

622

00:31:22,390 --> 00:31:20,840

woman I don't know there's a a guy a TV

623

00:31:24,310 --> 00:31:22,400

link I could give you for that episode

624

00:31:27,130 --> 00:31:24,320

I'll see if I can come pick it up it's

625

00:31:28,300 --> 00:31:27,140

like I think it's season seven that that

626
00:31:29,710 --> 00:31:28,310
happened on

627
00:31:34,510 --> 00:31:29,720
and we'll move on and talk about some

628
00:31:38,500 --> 00:31:34,520
reddit the shampoo the shampoo the

629
00:31:47,700 --> 00:31:38,510
shampoo sham the shampoo the shampoo the

630
00:31:53,070 --> 00:31:49,169
but maybe the colors right maybe uh

631
00:31:54,769 --> 00:31:53,080
maybe that person I was talking about

632
00:31:57,779 --> 00:31:54,779
Taylor

633
00:31:59,760 --> 00:31:57,789
Alexandra Simmons is full of [h__\h]

634
00:32:03,269 --> 00:31:59,770
I don't think so I want to believe

635
00:32:06,090 --> 00:32:03,279
people I want to believe maybe that's

636
00:32:10,590 --> 00:32:06,100
good maybe that's bad but at least

637
00:32:11,639 --> 00:32:10,600
believing allows for somewhat fun topics

638
00:32:14,820 --> 00:32:11,649

of conversation

639

00:32:18,029 --> 00:32:14,830

I hope fingers crossed you pieces of

640

00:32:20,430 --> 00:32:18,039

[h__h] you got that thank you

641

00:32:22,519 --> 00:32:20,440

yeah that's a yes pimp so good all right

642

00:32:24,870 --> 00:32:22,529

let's uh let's talk about reddit and

643

00:32:30,480 --> 00:32:24,880

everything going on our conspiracy this

644

00:32:32,820 --> 00:32:30,490

is the hot topics on reddit oh boy I've

645

00:32:35,480 --> 00:32:32,830

been on read conspiracy for years

646

00:32:39,029 --> 00:32:35,490

I rarely post maybe I should post more

647

00:32:43,350 --> 00:32:39,039

but it has been she'll farm

648

00:32:45,360 --> 00:32:43,360

she'll fast mm and it doesn't seem like

649

00:32:48,360 --> 00:32:45,370

you really get to any of the juicy

650

00:32:51,360 --> 00:32:48,370

conspiracies and there's a lot of vote

651
00:32:52,470 --> 00:32:51,370
manipulation going going on there let's

652
00:32:57,330 --> 00:32:52,480
take a look and see what's going on

653
00:32:59,909 --> 00:32:57,340
reddit all right and the top post is a

654
00:33:02,010 --> 00:32:59,919
with regards to a post removed on the

655
00:33:04,950 --> 00:33:02,020
subreddit a by the reddit immense in

656
00:33:09,720 --> 00:33:04,960
relation to david hog now mr. Hogg has

657
00:33:12,380 --> 00:33:09,730
was the and he is right now a teenager

658
00:33:16,380 --> 00:33:12,390
in Florida has been out there on CNN

659
00:33:18,000 --> 00:33:16,390
saying hey we need gun legislation and I

660
00:33:22,139 --> 00:33:18,010
think today he knows he's not gonna go

661
00:33:23,669 --> 00:33:22,149
back to school until they pass new gun

662
00:33:24,510 --> 00:33:23,679
laws so I don't know maybe he's it's

663
00:33:27,690 --> 00:33:24,520

never gonna go back to school again

664

00:33:30,810 --> 00:33:27,700

maybe he's gonna have a a 16 year old

665

00:33:33,450 --> 00:33:30,820

education forever I reads better and I

666

00:33:37,890 --> 00:33:36,210

alright number two right here the real

667

00:33:39,750 --> 00:33:37,900

conspiracy behind the Florida shooting

668

00:33:41,310 --> 00:33:39,760

what is the real conspiracy behind the

669

00:33:44,820 --> 00:33:41,320

Florida shooting what is the real one

670

00:33:47,600 --> 00:33:44,830

and so that's this is a big long post

671

00:33:53,580 --> 00:33:47,610

that was actually covered on No Agenda

672

00:33:56,060 --> 00:33:53,590

yesterday and it has to do with Broward

673

00:34:00,360 --> 00:33:56,070

County and I think you need eight County

674

00:34:04,230 --> 00:34:00,370

not prosecuting not arresting kids and

675

00:34:07,260 --> 00:34:04,240

people who artificially lower the

676

00:34:09,930 --> 00:34:07,270

violent crime rate or just a crime rate

677

00:34:12,780 --> 00:34:09,940

in general so if they don't arrest

678

00:34:15,470 --> 00:34:12,790

people and they don't charge people then

679

00:34:18,170 --> 00:34:15,480

it looks like no crime is going on and

680

00:34:22,410 --> 00:34:18,180

so therefore it's one of the safest

681

00:34:24,420 --> 00:34:22,420

counties in America and they even have

682

00:34:27,030 --> 00:34:24,430

like a media visor right there there's

683

00:34:28,680 --> 00:34:27,040

some backroom deals going on to not

684

00:34:30,480 --> 00:34:28,690

prosecute kids or if you happen to

685

00:34:31,770 --> 00:34:30,490

arrest the kid that has some drugs on

686

00:34:34,200 --> 00:34:31,780

and make sure you get rid of that and

687

00:34:39,690 --> 00:34:34,210

that's probably why those cops did not

688

00:34:41,730 --> 00:34:39,700

rush in to the school it's because there

689

00:34:44,490 --> 00:34:41,740

probably were the best probably my

690

00:34:45,960 --> 00:34:44,500

opinion the best corrupt cops and they

691

00:34:47,100 --> 00:34:45,970

certainly didn't want to get shot over

692

00:34:49,380 --> 00:34:47,110

something that wasn't supposed to be

693

00:34:51,510 --> 00:34:49,390

happening they were there to hide drugs

694

00:34:53,400 --> 00:34:51,520

and make sure any crime that took place

695

00:34:56,950 --> 00:34:53,410

wasn't recorded so they could get those

696

00:35:01,089 --> 00:34:59,410

all right another uh but even here even

697

00:35:03,940 --> 00:35:01,099

even in the real conspiracy behind you

698

00:35:10,089 --> 00:35:08,200

all this stuff and this this post is

699

00:35:11,500 --> 00:35:10,099

good this is why comes in a sub this is

700

00:35:14,440 --> 00:35:11,510

like one of the better posts that's

701
00:35:15,390 --> 00:35:14,450
happened on our conspiracy in a long

702
00:35:17,829 --> 00:35:15,400
time

703
00:35:22,079 --> 00:35:17,839
yeah of Infowars received YouTube

704
00:35:24,040 --> 00:35:22,089
termination over crisis actor video and

705
00:35:26,589 --> 00:35:24,050
YouTube we thought we talked about on

706
00:35:29,440 --> 00:35:26,599
last show that the scene has been going

707
00:35:32,859 --> 00:35:29,450
after Alex Jones and Infowars about

708
00:35:36,819 --> 00:35:32,869
claiming of a possibility of crisis

709
00:35:38,170 --> 00:35:36,829
actors being sent into Florida and I had

710
00:35:42,000 --> 00:35:38,180
a youtube comment said why would they

711
00:35:44,079 --> 00:35:42,010
use crisis actors oh you mean you use

712
00:35:46,030 --> 00:35:44,089
post-production techniques to pump up a

713
00:35:48,550 --> 00:35:46,040

store you use post-production to add

714

00:35:52,210 --> 00:35:48,560

special effects or an additional story

715

00:35:54,880 --> 00:35:52,220

lines or reshoots like a lot of a lot of

716

00:35:56,589 --> 00:35:54,890

Hollywood movies they're like oh god we

717

00:35:59,260 --> 00:35:56,599

have a finished product here and [h__h] go

718

00:36:00,730 --> 00:35:59,270

back and add some new scenes in there

719

00:36:03,940 --> 00:36:00,740

punch it up with some reshoots

720

00:36:06,640 --> 00:36:03,950

that's what credit crisis crisis actors

721

00:36:07,930 --> 00:36:06,650

would do the punch it up I don't know if

722

00:36:09,609 --> 00:36:07,940

that's taking place in Florida I haven't

723

00:36:12,069 --> 00:36:09,619

seen any evidence of that but we have

724

00:36:14,500 --> 00:36:12,079

seen evidence of possibly some scripted

725

00:36:19,710 --> 00:36:14,510

scripted questions and certainly CNN

726

00:36:23,170 --> 00:36:21,880

this is another big one here has been

727

00:36:25,480 --> 00:36:23,180

going around wait

728

00:36:28,720 --> 00:36:25,490

this witness 20 feet from the shooter

729

00:36:32,530 --> 00:36:28,730

said he the shooter was dressed in full

730

00:36:34,720 --> 00:36:32,540

body armor and let's see if we can

731

00:36:37,329 --> 00:36:34,730

actually listen to is is there a link

732

00:36:39,660 --> 00:36:37,339

here or just picture this it's a picture

733

00:36:43,099 --> 00:36:39,670

of course

734

00:36:45,390 --> 00:36:43,109

they actually couldn't provide a link to

735

00:36:47,339 --> 00:36:45,400

that I think there's a link to that in

736

00:36:50,950 --> 00:36:47,349

the slack chat which I'm not going to go

737

00:36:56,200 --> 00:36:54,849

we should I'm not going to just read a

738

00:36:58,059 --> 00:36:56,210

rundown this is what read it provides

739

00:37:01,059 --> 00:36:58,069

they should've just provided a link to

740

00:37:01,970 --> 00:37:01,069

the video right there but the cop the

741

00:37:08,910 --> 00:37:01,980

comments on this are gray

742

00:37:12,600 --> 00:37:08,920

[Music]

743

00:37:15,510 --> 00:37:12,610

call her go ahead excuse me

744

00:37:18,830 --> 00:37:15,520

this man claims he has been to the year

745

00:37:24,180 --> 00:37:18,840

5,000 that is correct

746

00:37:25,800 --> 00:37:24,190

hi Jordan how you doing oh good I'm just

747

00:37:30,690 --> 00:37:25,810

going I'm just reading down some reddit

748

00:37:32,100 --> 00:37:30,700

[h__h] and its tummy look we cover a

749

00:37:35,940 --> 00:37:32,110

lot of things from reddit reddit

750

00:37:37,170 --> 00:37:35,950

conspiracy and it's tough not to talk

751

00:37:39,090 --> 00:37:37,180

about it because that's kind of what's

752

00:37:41,070 --> 00:37:39,100

happening in the conspiracy run by the

753

00:37:45,450 --> 00:37:41,080

fault I mean I I do check other sources

754

00:37:51,440 --> 00:37:45,460

for stuff but by by large is got so much

755

00:38:01,610 --> 00:37:55,820

Libertines reddit and for change

756

00:38:06,450 --> 00:38:01,620

probably fortunately yes conspiracy or

757

00:38:09,240 --> 00:38:06,460

hot topic or pre people but you know I

758

00:38:11,940 --> 00:38:09,250

want to call was it I guess was a few

759

00:38:16,080 --> 00:38:11,950

days ago humid and know we're talking

760

00:38:17,430 --> 00:38:16,090

about so gun control thing and my

761

00:38:19,470 --> 00:38:17,440

question would have been when I call it

762

00:38:24,720 --> 00:38:19,480

was what I was able to get you guys was

763

00:38:26,850 --> 00:38:24,730

um I find interesting that day this gun

764

00:38:29,250 --> 00:38:26,860

debate always seems to happen when it

765

00:38:32,040 --> 00:38:29,260

relates to now my goggle ratio anything

766

00:38:34,700 --> 00:38:32,050

mm-hmm but it does seem like it always

767

00:38:37,350 --> 00:38:34,710

seems to pop up whenever it's

768

00:38:43,080 --> 00:38:37,360

predominantly either white or white

769

00:38:44,970 --> 00:38:43,090

looking kids chosen Chili Bowl guess

770

00:38:48,930 --> 00:38:44,980

they're getting killed by these mass

771

00:38:51,120 --> 00:38:48,940

shooters who I want to say all the time

772

00:38:52,980 --> 00:38:51,130

are white but either they look white or

773

00:38:57,510 --> 00:38:52,990

like in this case Nicholas Cruz I'm

774

00:38:59,520 --> 00:38:57,520

assuming he white Hispanic but um I just

775

00:39:01,320 --> 00:38:59,530

find interesting that all these gun

776

00:39:03,840 --> 00:39:01,330

debates always pop up but yet they don't

777

00:39:08,190 --> 00:39:03,850

seem to pop up when it's like I don't

778

00:39:10,200 --> 00:39:08,200

know maybe 200 Chicago black kids

779

00:39:11,970 --> 00:39:10,210

getting shot by well mostly the black

780

00:39:14,250 --> 00:39:11,980

and it is I always found interesting

781

00:39:17,550 --> 00:39:14,260

that they don't really talk about gun

782

00:39:20,340 --> 00:39:17,560

control or this whole gun debate when it

783

00:39:22,200 --> 00:39:20,350

relates to let's just say brown skinned

784

00:39:22,660 --> 00:39:22,210

folks here in America when it comes to

785

00:39:24,880 --> 00:39:22,670

Mike

786

00:39:27,340 --> 00:39:24,890

shootings that count any shootings mass

787

00:39:30,400 --> 00:39:27,350

shooting I mean if it's like it let's go

788

00:39:34,630 --> 00:39:30,410

for Chicago what you have like 60 people

789

00:39:37,450 --> 00:39:34,640

shot in one day and maybe 30 out of 60

790

00:39:39,120 --> 00:39:37,460

died you don't hear about that in the

791

00:39:41,800 --> 00:39:39,130

local news but I don't see no

792

00:39:43,330 --> 00:39:41,810

bald-headed Hispanic girl who looks like

793

00:39:45,070 --> 00:39:43,340

a well I'm sorry

794

00:39:48,190 --> 00:39:45,080

it could be a boy because you know the

795

00:39:51,220 --> 00:39:48,200

whole gender dysphoria going on right

796

00:39:52,990 --> 00:39:51,230

now thank you for being so yeah hey I

797

00:39:57,190 --> 00:39:53,000

want to be respectful to this young lady

798

00:39:59,740 --> 00:39:57,200

or I'm sorry them day whatever uh but

799

00:40:01,690 --> 00:39:59,750

it's like and then of course David Hagen

800

00:40:04,690 --> 00:40:01,700

his little shenanigans but it's like

801
00:40:07,030 --> 00:40:04,700
don't really see these people whining

802
00:40:10,240 --> 00:40:07,040
and crying and yelling and screaming

803
00:40:13,030 --> 00:40:10,250
about banning what seems like all guns

804
00:40:16,870 --> 00:40:13,040
in this country when it comes to the

805
00:40:20,530 --> 00:40:16,880
brown kids now they say certainly they

806
00:40:24,070 --> 00:40:20,540
don't it's only when something like this

807
00:40:26,170 --> 00:40:24,080
happens at a school does does the media

808
00:40:28,900 --> 00:40:26,180
really fall lockstep in with everyone

809
00:40:31,330 --> 00:40:28,910
else it's almost like it's programmed

810
00:40:36,250 --> 00:40:31,340
that way it's almost like it's almost as

811
00:40:37,810 --> 00:40:36,260
if Jordan that the media and everyone

812
00:40:44,230 --> 00:40:37,820
doesn't care about black people

813
00:40:47,020 --> 00:40:44,240

oh don't know well I mean listen I just

814

00:40:48,790 --> 00:40:47,030

brought by my screen here for killed 21

815

00:40:51,490 --> 00:40:48,800

wounded in shootings across Chicago

816

00:40:53,620 --> 00:40:51,500

since Friday night and those nine hours

817

00:40:55,840 --> 00:40:53,630

ago so is that a mass shooting or is

818

00:40:58,660 --> 00:40:55,850

that just a lot of shooting happened

819

00:41:03,410 --> 00:40:58,670

I guess it's that's a mass mass violence

820

00:41:06,440 --> 00:41:04,910

well I think ya didn't like the

821

00:41:07,789 --> 00:41:06,450

definition because I was hearing

822

00:41:10,160 --> 00:41:07,799

something they were talking about with

823

00:41:12,380 --> 00:41:10,170

the UM what's-his-name David hog was

824

00:41:13,970 --> 00:41:12,390

saying that there's been a teen school

825

00:41:16,069 --> 00:41:13,980

shooting and then when I researched it

826

00:41:18,950 --> 00:41:16,079

was like no several of those shootings

827

00:41:21,589 --> 00:41:18,960

were like near the campus or it was a

828

00:41:23,839 --> 00:41:21,599

guy who killed himself near the campus

829

00:41:26,809 --> 00:41:23,849

and no one was in there injured except

830

00:41:29,569 --> 00:41:26,819

you know the Florida one there was one

831

00:41:33,079 --> 00:41:29,579

what I started in January you know what

832

00:41:34,670 --> 00:41:33,089

kid did I think he did kill two of the

833

00:41:36,859 --> 00:41:34,680

kids but other than that it was like

834

00:41:39,260 --> 00:41:36,869

these numbers that they keep coming up

835

00:41:40,069 --> 00:41:39,270

with like mass shootings um well I have

836

00:41:44,420 --> 00:41:40,079

a definition

837

00:41:47,780 --> 00:41:44,430

you want to hear it so this is according

838

00:41:50,000 --> 00:41:47,790

to Bing mass shooting refers to an

839

00:41:53,150 --> 00:41:50,010

incident involving multiple victims of

840

00:41:55,760 --> 00:41:53,160

guns of gun violence the Congressional

841

00:41:58,760 --> 00:41:55,770

Research Service acknowledged that there

842

00:42:01,849 --> 00:41:58,770

is not a broadly accepted definition and

843

00:42:04,280 --> 00:42:01,859

uses of definitions of a public mass

844

00:42:06,470 --> 00:42:04,290

shooting if four or more people are

845

00:42:09,920 --> 00:42:06,480

actually killed not including the

846

00:42:16,220 --> 00:42:09,930

perpetrator echoing the FBI's definition

847

00:42:17,960 --> 00:42:16,230

of the term mass murder so the shooter

848

00:42:21,349 --> 00:42:17,970

can't kill himself and can't be included

849

00:42:23,359 --> 00:42:21,359

in that number but that's up so four or

850

00:42:25,960 --> 00:42:23,369

more but I mean mass shooting they said

851
00:42:29,030 --> 00:42:25,970
you could have so like a mass shooting

852
00:42:30,980 --> 00:42:29,040
you could kill or shoot 50 people and

853
00:42:34,360 --> 00:42:30,990
none of them died and it wouldn't meet

854
00:42:39,600 --> 00:42:37,720
you see this I wonder so then I guess I

855
00:42:41,860 --> 00:42:39,610
want to be protesting and marching

856
00:42:44,140 --> 00:42:41,870
there's no one died but several people

857
00:42:46,540 --> 00:42:44,150
got shot because in this definition that

858
00:42:48,580 --> 00:42:46,550
four or more people are actually killed

859
00:42:50,710 --> 00:42:48,590
but if you shoot a hundred people and no

860
00:42:51,910 --> 00:42:50,720
one dies is it a mass shooting the

861
00:42:59,080 --> 00:42:51,920
quarters definition I would say that's

862
00:43:01,420 --> 00:42:59,090
the most mass shooting God it's not the

863
00:43:04,060 --> 00:43:01,430

problem the problem is with Chicago is

864

00:43:05,860 --> 00:43:04,070

its they write it off as gang violence

865

00:43:07,480 --> 00:43:05,870

and drug violence and that's just the

866

00:43:09,460 --> 00:43:07,490

way it is and there's no solving it and

867

00:43:10,570 --> 00:43:09,470

so why even bother with that's what

868

00:43:12,580 --> 00:43:10,580

they're that's what the media says

869

00:43:15,670 --> 00:43:12,590

they're basically writing off those

870

00:43:18,340 --> 00:43:15,680

people so but then they can advocate for

871

00:43:20,650 --> 00:43:18,350

cuz now I over the years now I've really

872

00:43:23,410 --> 00:43:20,660

been dismissive eventually getting a gun

873

00:43:25,150 --> 00:43:23,420

I don't know if I'm between the NRA or

874

00:43:26,590 --> 00:43:25,160

anything like that but I do want to get

875

00:43:28,360 --> 00:43:26,600

a gun for side protection

876

00:43:33,790 --> 00:43:28,370

have you considered buying a bazooka

877

00:43:35,170 --> 00:43:33,800

I've heard they're pretty good now

878

00:43:37,930 --> 00:43:35,180

they're not cheap I don't think you can

879

00:43:39,520 --> 00:43:37,940

buy like legally buy a bazooka well you

880

00:43:42,550 --> 00:43:39,530

mean you can I think you got to get a

881

00:43:44,440 --> 00:43:42,560

class free license damn and then you

882

00:43:46,660 --> 00:43:44,450

could I think you kind of I have to have

883

00:43:48,850 --> 00:43:46,670

a storefront and go through a lot of

884

00:43:50,550 --> 00:43:48,860

paperwork so legally you can it just

885

00:43:52,930 --> 00:43:50,560

takes a lot of [h__\h] paperwork

886

00:44:00,480 --> 00:43:52,940

and then I guess they'll take those away

887

00:44:08,470 --> 00:44:05,680

anything else on your mind uh poor poor

888

00:44:10,450 --> 00:44:08,480

of my daddy Alex or daddy Alex for

889

00:44:14,320 --> 00:44:10,460

getting uh this one strike fight that

890

00:44:17,350 --> 00:44:14,330

[h__\h] thank you daddy

891

00:44:18,760 --> 00:44:17,360

yeah but uh man I hate to hear this

892

00:44:22,120 --> 00:44:18,770

what's going on with Alex and I just

893

00:44:24,100 --> 00:44:22,130

hope that him and I made it affects us

894

00:44:26,290 --> 00:44:24,110

at all to in the end if they could take

895

00:44:28,120 --> 00:44:26,300

him down there just artificially take

896

00:44:30,040 --> 00:44:28,130

anyone else that they feel like Google

897

00:44:32,260 --> 00:44:30,050

we don't like what you're saying cuz

898

00:44:34,870 --> 00:44:32,270

this conspiracy theories not like the

899

00:44:38,560 --> 00:44:34,880

Russian allusion is I started the spirit

900

00:44:43,420 --> 00:44:38,570

Ill that's based on facts but everything

901
00:44:45,100 --> 00:44:43,430
that my movie there I'm with you there

902
00:44:47,830 --> 00:44:45,110
that they had digging take down al Jones

903
00:44:48,200 --> 00:44:47,840
then what's what's life gonna be like

904
00:44:50,690 --> 00:44:48,210
forbid

905
00:44:53,780 --> 00:44:50,700
night Mike and Joe and clown baby it's

906
00:44:55,070 --> 00:44:53,790
not going to be good but the one thing

907
00:45:01,060 --> 00:44:55,080
that keeps us safe is that we talk about

908
00:45:07,550 --> 00:45:01,070
UFOs and Bigfoot and Bigfoot did well

909
00:45:07,880 --> 00:45:07,560
yeah especially that yeah but other than

910
00:45:10,550 --> 00:45:07,890
that

911
00:45:14,450 --> 00:45:10,560
peace out Mike I'll catch up with the

912
00:45:22,040 --> 00:45:14,460
rest of the vid and talk to you next

913
00:45:26,359 --> 00:45:22,050

time bye bye hey guys there goes Jordan

914

00:45:31,700 --> 00:45:26,369

yeah the whole mastery thing done debate

915

00:45:34,430 --> 00:45:31,710

thing is Hajis hard to make heads or

916

00:45:36,859 --> 00:45:34,440

tails of it sometimes what's going on so

917

00:45:38,180 --> 00:45:36,869

back to Riddick conspiracy like active

918

00:45:39,980 --> 00:45:38,190

shooter it some of them are the more I

919

00:45:42,020 --> 00:45:39,990

like to look at controversial that's

920

00:45:45,260 --> 00:45:42,030

where people don't disagree on what's a

921

00:45:48,710 --> 00:45:45,270

good conspiracy post on reddit

922

00:45:50,240 --> 00:45:48,720

conspiracy a lot of Trump things on

923

00:45:54,170 --> 00:45:50,250

either on Tom in there there's a lot of

924

00:45:56,180 --> 00:45:54,180

Hillary things going on there is this

925

00:45:59,120 --> 00:45:56,190

there's a lot of shilling that goes on

926

00:46:01,820 --> 00:45:59,130

there like I noticed that when there

927

00:46:04,970 --> 00:46:01,830

actually is a good piece like what we

928

00:46:07,310 --> 00:46:04,980

saw with the the Broward County trying

929

00:46:10,329 --> 00:46:07,320

to artificially reduce crime rates you

930

00:46:12,740 --> 00:46:10,339

don't see the typical skills in there

931

00:46:14,359 --> 00:46:12,750

they're not asking for more evidence

932

00:46:16,310 --> 00:46:14,369

they're not dismissing it as some kind

933

00:46:19,190 --> 00:46:16,320

of like Russian hoax they they keep

934

00:46:20,900 --> 00:46:19,200

quiet it's only when the suit like

935

00:46:23,000 --> 00:46:20,910

because you can you can understand that

936

00:46:25,520 --> 00:46:23,010

trying to artificially keep the kind of

937

00:46:27,950 --> 00:46:25,530

the crime rate low to get more tax

938

00:46:29,359 --> 00:46:27,960

dollars or to pronounce your County the

939

00:46:32,000 --> 00:46:29,369

safest in America so more people would

940

00:46:33,890 --> 00:46:32,010

want to move there so property tax

941

00:46:36,380 --> 00:46:33,900

revenue would go up I can I get that

942

00:46:39,320 --> 00:46:36,390

there's a good business model there then

943

00:46:43,900 --> 00:46:39,330

only how are they gonna combat that or

944

00:46:51,339 --> 00:46:48,400

a post here when the are Donald is

945

00:46:53,220 --> 00:46:51,349

becoming more conspiratorial than our

946

00:46:59,049 --> 00:46:53,230

conspiracy well that's a good thing

947

00:47:03,160 --> 00:46:59,059

that's an absolute good thing people

948

00:47:06,220 --> 00:47:03,170

should be more conspiratorial caller go

949

00:47:07,990 --> 00:47:06,230

ahead I just have one second but I

950

00:47:12,339 --> 00:47:08,000

wanted to say something that I was

951
00:47:13,990 --> 00:47:12,349
thinking about earlier oh yeah I I was

952
00:47:15,819 --> 00:47:14,000
earlier I was thinking about how when

953
00:47:17,410 --> 00:47:15,829
all this [h__\h] started and I was just

954
00:47:19,359 --> 00:47:17,420
thinking about the whole timeline of

955
00:47:22,510 --> 00:47:19,369
everything I was thinking about sent

956
00:47:23,859 --> 00:47:22,520
rich because bill Rogan said says

957
00:47:27,700 --> 00:47:23,869
there's just named like twice in the

958
00:47:29,020 --> 00:47:27,710
last two weeks on his podcast and anyway

959
00:47:30,520 --> 00:47:29,030
I was just kind of thinking about this

960
00:47:32,620 --> 00:47:30,530
stuff and I'm like what happened to that

961
00:47:36,789 --> 00:47:32,630
which [h__\h] debbie Wasserman Schultz

962
00:47:39,069 --> 00:47:36,799
yeah so I so I google debbie Wasserman

963
00:47:42,670 --> 00:47:39,079

Schultz girl down what district is she

964

00:47:45,520 --> 00:47:42,680

over Broward County I'm like wow I mean

965

00:47:48,510 --> 00:47:45,530

obviously she's not anymore she was

966

00:47:51,339 --> 00:47:48,520

removed from 2016 to lead on the DNC but

967

00:47:53,799 --> 00:47:51,349

just so happens to be a coincidence

968

00:47:55,660 --> 00:47:53,809

but you know the person that you know I

969

00:47:58,720 --> 00:47:55,670

don't know maybe it's just a coincidence

970

00:48:00,730 --> 00:47:58,730

but I it's funny because I looked it up

971

00:48:02,410 --> 00:48:00,740

for that exact reason and just so

972

00:48:06,279 --> 00:48:02,420

happened to be that's the county that

973

00:48:08,349 --> 00:48:06,289

she was in so well that that political

974

00:48:10,059 --> 00:48:08,359

footprint could leave a long mark I mean

975

00:48:11,769 --> 00:48:10,069

he could leave a mark long after she's

976

00:48:12,720 --> 00:48:11,779

gone so she probably has ties to the

977

00:48:17,799 --> 00:48:12,730

community

978

00:48:20,980 --> 00:48:17,809

so you remember there was also there was

979

00:48:24,120 --> 00:48:20,990

that that guy Whisenhunt or whatever his

980

00:48:26,650 --> 00:48:24,130

name was he was like some he was some

981

00:48:28,950 --> 00:48:26,660

federal prosecutor or something just

982

00:48:32,740 --> 00:48:28,960

winds up dead on the beach they said

983

00:48:33,250 --> 00:48:32,750

they said from blunt-force trauma to the

984

00:48:36,789 --> 00:48:33,260

head

985

00:48:38,529 --> 00:48:36,799

well yes and they said it was either he

986

00:48:40,900 --> 00:48:38,539

was either hit with something or it was

987

00:48:43,000 --> 00:48:40,910

a gunshot wound to the head he went

988

00:48:47,109 --> 00:48:43,010

swimming with his barrel all that that's

989

00:48:50,620 --> 00:48:47,119

been happened yeah so but yeah I I don't

990

00:48:52,539 --> 00:48:50,630

know man I maybe I'm just no way out of

991

00:48:55,660 --> 00:48:52,549

line here but it's just so it's just

992

00:48:57,220 --> 00:48:55,670

huge coincidence that it just happens to

993

00:48:57,670 --> 00:48:57,230

be her County that this shit's going

994

00:49:01,089 --> 00:48:57,680

down

995

00:49:02,950 --> 00:49:01,099

I think you're correct and I think all

996

00:49:05,230 --> 00:49:02,960

your whack gifts assumptions are

997

00:49:06,940 --> 00:49:05,240

probably true and there's probably some

998

00:49:08,170 --> 00:49:06,950

kind of kickback here is there's there's

999

00:49:10,030 --> 00:49:08,180

got to be money involved

1000

00:49:12,400 --> 00:49:10,040

to artificially reduce the crime rate

1001
00:49:13,780 --> 00:49:12,410
and then hire these cops you don't

1002
00:49:16,059 --> 00:49:13,790
really want to do anything but hide

1003
00:49:18,280 --> 00:49:16,069
evidence here's here's the thing those

1004
00:49:20,319 --> 00:49:18,290
guys you can't you don't have four cops

1005
00:49:22,839 --> 00:49:20,329
stand outside and nobody does anything

1006
00:49:25,630 --> 00:49:22,849
that just doesn't happen man I just you

1007
00:49:27,400 --> 00:49:25,640
can't I I am a conspiracy theorist but I

1008
00:49:29,260 --> 00:49:27,410
really hate to believe that those people

1009
00:49:31,120 --> 00:49:29,270
did just sit out there and not and not

1010
00:49:32,910 --> 00:49:31,130
go help the children on purpose it's

1011
00:49:36,000 --> 00:49:32,920
pretty fun to think that would happen

1012
00:49:38,410 --> 00:49:36,010
you're either a real [h__\h] [h__\h] or

1013
00:49:40,510 --> 00:49:38,420

youse did this [h__h] on purpose and

1014

00:49:42,370 --> 00:49:40,520

whenever it starts bleeding back and

1015

00:49:44,319 --> 00:49:42,380

then debbie Wasserman Schultz or the gun

1016

00:49:46,120 --> 00:49:44,329

you know it's just one big [h__h]

1017

00:49:48,280 --> 00:49:46,130

narrative man it's just same stories

1018

00:49:51,819 --> 00:49:48,290

just a new chapter you know all the same

1019

00:49:53,859 --> 00:49:51,829

[h__h] I would hate to think that I

1020

00:49:55,630 --> 00:49:53,869

would hate to think that they said oh

1021

00:49:57,309 --> 00:49:55,640

there's a real active shooter in there

1022

00:50:01,359 --> 00:49:57,319

let's just hang back here and hope this

1023

00:50:03,789 --> 00:50:01,369

whole thing blows over I I I would I

1024

00:50:06,190 --> 00:50:03,799

don't want to believe that they're that

1025

00:50:10,510 --> 00:50:06,200

evil or cowardice I I want to I would

1026
00:50:12,450 --> 00:50:10,520
hope the opposite is even worse is that

1027
00:50:15,640 --> 00:50:12,460
they were told to stand down

1028
00:50:19,539 --> 00:50:15,650
exactly exactly not so I'm more worried

1029
00:50:21,250 --> 00:50:19,549
about that's not fair anyway but I gotta

1030
00:50:22,510 --> 00:50:21,260
give it I appreciate the show I actually

1031
00:50:23,980 --> 00:50:22,520
haven't caught in you the show but I'm

1032
00:50:26,920 --> 00:50:23,990
gonna get back and catch up on

1033
00:50:31,410 --> 00:50:26,930
everything so I appreciated it right

1034
00:50:37,450 --> 00:50:34,950
yeah the whole situation is [h__\h] up

1035
00:50:41,020 --> 00:50:37,460
that's right that's why sometimes it's a

1036
00:50:43,780 --> 00:50:41,030
little bit a nice fun detour to talk

1037
00:50:46,559 --> 00:50:43,790
about alien abductions and military

1038
00:50:49,030 --> 00:50:46,569

abductions like that's any more fun

1039

00:50:51,940 --> 00:50:49,040

Jesus Christ that's just as demonic and

1040

00:50:54,370 --> 00:50:51,950

evil you take it up into the sky and

1041

00:50:56,880 --> 00:50:54,380

being totally ravaged and used and

1042

00:51:00,789 --> 00:50:56,890

abused and bent over tables and being

1043

00:51:02,920 --> 00:51:00,799

just ravaged over and over again by

1044

00:51:04,349 --> 00:51:02,930

multiple different aliens multiple

1045

00:51:07,289 --> 00:51:04,359

different societies and civilizations

1046

00:51:09,970 --> 00:51:07,299

spend the eons and millions of years oh

1047

00:51:12,760 --> 00:51:09,980

my god caller

1048

00:51:14,680 --> 00:51:12,770

what is up my cheery subject Teddy

1049

00:51:17,260 --> 00:51:14,690

spaghetti hey what's going on buddy

1050

00:51:18,579 --> 00:51:17,270

not much man I'm kind of I'm kind of

1051
00:51:20,050 --> 00:51:18,589
looking at this with a different twist

1052
00:51:22,450 --> 00:51:20,060
may put a different twist on this whole

1053
00:51:24,240 --> 00:51:22,460
thing yeah so they're talking about guns

1054
00:51:27,550 --> 00:51:24,250
on one sides and they're talking about a

1055
00:51:28,990 --> 00:51:27,560
mental health on the other yeah and you

1056
00:51:30,460 --> 00:51:29,000
know they got that CRISPR stuff coming

1057
00:51:32,589 --> 00:51:30,470
out that gene editing where you could

1058
00:51:36,700 --> 00:51:32,599
probably go and get some the genes that

1059
00:51:39,190 --> 00:51:36,710
might cause mental illness out so do you

1060
00:51:40,750 --> 00:51:39,200
think they only get mandatory like if

1061
00:51:43,059 --> 00:51:40,760
they go the other route for mental

1062
00:51:45,190 --> 00:51:43,069
illness to sort of like if you if you're

1063
00:51:46,599 --> 00:51:45,200

predisposed predisposed to mental

1064

00:51:47,950 --> 00:51:46,609

illness we got to edit those genes

1065

00:51:49,870 --> 00:51:47,960

because look at all these mass shootings

1066

00:51:51,730 --> 00:51:49,880

that way we keep the guns but here's the

1067

00:51:54,490 --> 00:51:51,740

thing I think there's some of those

1068

00:51:56,589 --> 00:51:54,500

studies that say that um the same genes

1069

00:51:58,240 --> 00:51:56,599

that adds to that that contribute to

1070

00:52:00,760 --> 00:51:58,250

mental illness are actually also the

1071

00:52:02,650 --> 00:52:00,770

same genes that helps with them great

1072

00:52:04,150 --> 00:52:02,660

intellect like a lot of times that

1073

00:52:06,130 --> 00:52:04,160

snicks do you think this is like a way

1074

00:52:07,510 --> 00:52:06,140

to sort of just get our guns or dumb

1075

00:52:09,430 --> 00:52:07,520

down the culture like that's what I'm

1076
00:52:11,530 --> 00:52:09,440
wondering is this where it's all going

1077
00:52:12,910 --> 00:52:11,540
I couldn't believe that people who

1078
00:52:16,329 --> 00:52:12,920
suffer from a little bit of mental

1079
00:52:21,190 --> 00:52:16,339
illness in those are some of the more I

1080
00:52:23,980 --> 00:52:21,200
would say Minds of society that are

1081
00:52:26,319 --> 00:52:23,990
pretty good art or innovators or

1082
00:52:27,940 --> 00:52:26,329
something like that you know a lot of

1083
00:52:30,339 --> 00:52:27,950
artists are not not right ahead

1084
00:52:32,079 --> 00:52:30,349
sometimes so I think removing that gene

1085
00:52:33,309 --> 00:52:32,089
is ultimately not good for society but I

1086
00:52:35,290 --> 00:52:33,319
just brought up on the screen here

1087
00:52:37,390 --> 00:52:35,300
here's a headline here panel recommends

1088
00:52:41,309 --> 00:52:37,400

mandatory depression screening for teens

1089

00:52:43,240 --> 00:52:41,319

in tweens mandatory depression screening

1090

00:52:46,569 --> 00:52:43,250

these are gonna be put on a lot more

1091

00:52:49,240 --> 00:52:46,579

drugs yeah yeah see that's even worse

1092

00:52:51,640 --> 00:52:49,250

because these drugs I can't stand them I

1093

00:52:55,630 --> 00:52:51,650

I had doctors play with me when I was

1094

00:52:57,579 --> 00:52:55,640

like 14 because uh you know a period

1095

00:53:00,099 --> 00:52:57,589

oppression type of [h__h] and they put

1096

00:53:02,230 --> 00:53:00,109

me on Prozac at 14 I was hallucinating

1097

00:53:04,480 --> 00:53:02,240

thinking the Dean of my school was

1098

00:53:05,530 --> 00:53:04,490

coming to my house to shoot me with the

1099

00:53:08,770 --> 00:53:05,540

six-shooter where I was wearing a cowboy

1100

00:53:12,670 --> 00:53:08,780

hat and later on that night I was out in

1101

00:53:18,400 --> 00:53:12,680

the yard killing UFOs with a flashlight

1102

00:53:21,730 --> 00:53:18,410

did the mean yes hey if you're not

1103

00:53:25,599 --> 00:53:21,740

unbalanced it unbalances you yeah I can

1104

00:53:30,730 --> 00:53:25,609

imagine I was on I was on chantix to

1105

00:53:32,799 --> 00:53:30,740

write on 2013 maybe 2012 I did it like I

1106

00:53:35,769 --> 00:53:32,809

did it twice I remember the exact years

1107

00:53:40,120 --> 00:53:35,779

but it [h__h] with me so hard I don't

1108

00:53:42,940 --> 00:53:40,130

remember segments of like a month or two

1109

00:53:46,569 --> 00:53:42,950

and I know I played a show once I played

1110

00:53:48,130 --> 00:53:46,579

a battle-axe I I was told that I wasn't

1111

00:53:51,010 --> 00:53:48,140

acting normal

1112

00:53:53,200 --> 00:53:51,020

I don't remember segments of my life I

1113

00:53:55,660 --> 00:53:53,210

obviously went to my job and I played a

1114

00:53:57,760 --> 00:53:55,670

few gigs and I doesn't podcasts but I

1115

00:53:59,710 --> 00:53:57,770

didn't [h__\h] feel right I didn't feel

1116

00:54:00,849 --> 00:53:59,720

right how do you all that [h__\h] yeah

1117

00:54:02,980 --> 00:54:00,859

that's like the one thing I disagree on

1118

00:54:06,549 --> 00:54:02,990

you know Jordan Peterson on he's a real

1119

00:54:09,099 --> 00:54:06,559

proponent of some of these mood

1120

00:54:12,490 --> 00:54:09,109

stabilizers and and I've been a victim

1121

00:54:17,589 --> 00:54:12,500

of what I call the medication shuffle as

1122

00:54:21,480 --> 00:54:17,599

a kid Matt oh god it is so so scary to

1123

00:54:24,099 --> 00:54:21,490

lose grip on reality because of

1124

00:54:25,690 --> 00:54:24,109

medication to truly be insane and then

1125

00:54:27,910 --> 00:54:25,700

come out of that and to know that you

1126
00:54:31,599 --> 00:54:27,920
were insane because of medication it is

1127
00:54:33,579 --> 00:54:31,609
so there's no real word for the fear

1128
00:54:34,809 --> 00:54:33,589
that goes through the fact that you

1129
00:54:36,849 --> 00:54:34,819
could be put in that situation again

1130
00:54:39,190 --> 00:54:36,859
it's worrisome to me

1131
00:54:40,539 --> 00:54:39,200
this mental we need to do something

1132
00:54:41,650 --> 00:54:40,549
about mental health but I think we're

1133
00:54:44,260 --> 00:54:41,660
going about it the wrong way with the

1134
00:54:45,579 --> 00:54:44,270
drugs I think it's in my opinion is over

1135
00:54:45,910 --> 00:54:45,589
prescribed because it's a it's a quick

1136
00:54:49,120 --> 00:54:45,920
fix

1137
00:54:51,370 --> 00:54:49,130
doesn't want to put in the hard work of

1138
00:54:53,349 --> 00:54:51,380

actually you know trying to make your

1139

00:54:55,120 --> 00:54:53,359

life better through either just work it

1140

00:54:57,250 --> 00:54:55,130

out or meditation or going to therapy

1141

00:54:58,599 --> 00:54:57,260

everyone wants to quit fix much like I

1142

00:55:00,549 --> 00:54:58,609

was talking about with the military

1143

00:55:02,710 --> 00:55:00,559

abductions earlier the military wants a

1144

00:55:04,089 --> 00:55:02,720

quick fix to pilot these UFOs by

1145

00:55:06,160 --> 00:55:04,099

abducting people to figure out how their

1146

00:55:08,140 --> 00:55:06,170

mind works know these [h__\h] got

1147

00:55:10,059 --> 00:55:08,150

to get right with themselves and figure

1148

00:55:11,380 --> 00:55:10,069

out how to meditate and then you'll be

1149

00:55:17,109 --> 00:55:11,390

able to pilot these crafts it's that

1150

00:55:19,480 --> 00:55:17,119

simple but everyone was a quick fix to

1151
00:55:22,450 --> 00:55:19,490
get what they want and sometimes people

1152
00:55:24,490 --> 00:55:22,460
a little pill is gonna do that and I

1153
00:55:26,620 --> 00:55:24,500
seen medication work probably works

1154
00:55:30,009 --> 00:55:26,630
great for a lot of people

1155
00:55:32,710 --> 00:55:30,019
but all right but screening but putting

1156
00:55:34,839 --> 00:55:32,720
it together a panel for teens who are

1157
00:55:38,740 --> 00:55:34,849
depressed I don't know I was a teenager

1158
00:55:40,299 --> 00:55:38,750
once believe it I was depressed I don't

1159
00:55:42,069 --> 00:55:40,309
think there's a teenager that's ever

1160
00:55:44,920 --> 00:55:42,079
been on earth that didn't go through

1161
00:55:46,390 --> 00:55:44,930
depression yeah I mean that's the part

1162
00:55:48,279 --> 00:55:46,400
that's just that's that's just a [h__\h]

1163
00:55:50,620 --> 00:55:48,289

milestone this is you learn life's a

1164

00:55:53,589 --> 00:55:50,630

little shitty and then you get over it

1165

00:55:55,059 --> 00:55:53,599

you hope you hope you do you hope you

1166

00:55:57,220 --> 00:55:55,069

hope you're equipped to do yeah but

1167

00:55:58,930 --> 00:55:57,230

that's pretty much all I got Mike all

1168

00:56:00,249 --> 00:55:58,940

right thank you very much I wanted to

1169

00:56:01,539 --> 00:56:00,259

bring you just a different look on this

1170

00:56:03,099 --> 00:56:01,549

because they're coming after our guns

1171

00:56:05,410 --> 00:56:03,109

and they're coming after our minds and

1172

00:56:07,150 --> 00:56:05,420

maybe in this way they're trying to go

1173

00:56:09,519 --> 00:56:07,160

one or the other to bring that it's

1174

00:56:11,019 --> 00:56:09,529

gotta warn people we gotta warn people

1175

00:56:12,190 --> 00:56:11,029

it's all happening all right Jenny have

1176

00:56:13,160 --> 00:56:12,200

a good night appreciate it

1177

00:56:17,039 --> 00:56:13,170

you too

1178

00:56:20,370 --> 00:56:17,049

[Applause]

1179

00:56:21,689 --> 00:56:20,380

all right can we winding down the show

1180

00:56:23,999 --> 00:56:21,699

here this show in two completely

1181

00:56:26,370 --> 00:56:24,009

different direction than I thought

1182

00:56:30,269 --> 00:56:26,380

but that's good I mean this is your show

1183

00:56:34,019 --> 00:56:30,279

as it is mine I just record the show and

1184

00:56:37,859 --> 00:56:34,029

take phone calls I said not a big deal

1185

00:56:39,599 --> 00:56:37,869

here boo people yeah

1186

00:56:41,429 --> 00:56:39,609

this is scary panel recommends mandatory

1187

00:56:47,279 --> 00:56:41,439

depression screening for teens yeah boy

1188

00:56:49,589 --> 00:56:47,289

oh geez oh god oh Lord oh boy and I

1189

00:56:52,380 --> 00:56:49,599

always want to check reddit new reddit

1190

00:56:53,880 --> 00:56:52,390

conspiracy new oh my god you got some

1191

00:56:59,429 --> 00:56:53,890

good stuff on here and probably some the

1192

00:57:01,499 --> 00:56:59,439

better ones why do we protect our

1193

00:57:04,679 --> 00:57:01,509

airports and banks and our government

1194

00:57:06,169 --> 00:57:04,689

buildings but not our schools you meet

1195

00:57:08,339 --> 00:57:06,179

the Democrats and they're always

1196

00:57:11,189 --> 00:57:08,349

fighting with the criminal they're not

1197

00:57:14,459 --> 00:57:11,199

fighting well bye okay yeah they post

1198

00:57:16,409 --> 00:57:14,469

one clip our politics are sir our

1199

00:57:19,349 --> 00:57:16,419

conspiracy has turned into our politics

1200

00:57:23,159 --> 00:57:19,359

this there's so many politics going on

1201
00:57:24,359 --> 00:57:23,169
is that if you criticize Hillary your

1202
00:57:26,759 --> 00:57:24,369
Trump support if you try if you

1203
00:57:29,159 --> 00:57:26,769
criticize Trump you're you're from blew

1204
00:57:31,620 --> 00:57:29,169
your share blue you're a skill poster

1205
00:57:33,629 --> 00:57:31,630
you're a bot and then everyone's a

1206
00:57:35,609 --> 00:57:33,639
Russian if you disagree with either one

1207
00:57:37,139 --> 00:57:35,619
of those holy moley

1208
00:57:39,439 --> 00:57:37,149
you can't have just a [h__h] regular

1209
00:57:41,549 --> 00:57:39,449
opinion without being called a name

1210
00:57:43,709 --> 00:57:41,559
Jesus the first call called up and said

1211
00:57:45,719 --> 00:57:43,719
Mike basically said Mike you stupid for

1212
00:57:47,519 --> 00:57:45,729
believing in military abductions and

1213
00:57:50,669 --> 00:57:47,529

cattle mutilations you believe in this

1214

00:57:54,139 --> 00:57:50,679

woman I was talking about Taylor

1215

00:57:56,309 --> 00:57:54,149

Alexander Simmons he called me stupid

1216

00:57:58,109 --> 00:57:56,319

for daring to entertain what she was

1217

00:58:00,469 --> 00:57:58,119

saying I think he also called me stupid

1218

00:58:02,370 --> 00:58:00,479

for for watching Stephen Greer's a

1219

00:58:06,359 --> 00:58:02,380

documentary and believing in parts of

1220

00:58:09,409 --> 00:58:06,369

that geez meanwhile he was abducted by

1221

00:58:16,640 --> 00:58:09,419

aliens move it

1222

00:58:23,810 --> 00:58:19,370

here's an interesting thing here non HIV

1223

00:58:26,420 --> 00:58:23,820

AIDS now confirmed in Asia what does

1224

00:58:31,099 --> 00:58:26,430

that mean non HIV AIDS they're just

1225

00:58:39,229 --> 00:58:35,839

I don't that means non hiv/aids or just

1226

00:58:42,200 --> 00:58:39,239

AIDS without the HIV progression so you

1227

00:58:47,860 --> 00:58:42,210

just can get aids out of the blue that's

1228

00:58:54,730 --> 00:58:49,840

in a battle against HIV and AIDS and

1229

00:58:57,250 --> 00:58:54,740

that has you fried I just want the

1230

00:58:59,890 --> 00:58:57,260

[h__h] video CNN and they don't have a

1231

00:59:04,900 --> 00:58:59,900

link here okay well thank you thank you

1232

00:59:07,000 --> 00:59:04,910

news rescue comm news rescue comm

1233

00:59:13,030 --> 00:59:07,010

brought us that link they should just

1234

00:59:17,920 --> 00:59:15,220

the Israeli art students that try to

1235

00:59:20,530 --> 00:59:17,930

gain access to secure facilities all

1236

00:59:25,020 --> 00:59:20,540

over the United States from salon.com

1237

00:59:27,010 --> 00:59:25,030

huh that doesn't sound very friendly

1238

00:59:31,990 --> 00:59:27,020

that doesn't sound like how an ally

1239

00:59:34,120 --> 00:59:32,000

should act to one another huh there's

1240

00:59:36,460 --> 00:59:34,130

another one here is the accusation that

1241

00:59:39,070 --> 00:59:36,470

Trump's reporters are more or less white

1242

00:59:45,539 --> 00:59:39,080

supremists true this comes from this is

1243

00:59:50,499 --> 00:59:48,249

and I like this one microsatellite to

1244

00:59:52,450 --> 00:59:50,509

inspect if Americans did land on the

1245

00:59:54,339 --> 00:59:52,460

moon I like this is the B half a century

1246

01:00:02,180 --> 00:59:54,349

since humanity made that proverbial

1247

01:00:09,250 --> 01:00:07,010

but I am pleased about the for throwing

1248

01:00:27,280 --> 01:00:25,060

alright get on the moon we've here now

1249

01:00:29,290 --> 01:00:27,290

decades on after that Apollo mission a

1250

01:00:30,730 --> 01:00:29,300

group of Russian space enthusiasts and

1251

01:00:32,260 --> 01:00:30,740

engineers are embarking on a quest of

1252

01:00:34,300 --> 01:00:32,270

their own they're planning to send a

1253

01:00:36,040 --> 01:00:34,310

micro satellite to the moon to get some

1254

01:00:40,240 --> 01:00:36,050

real high-resolution footage of the

1255

01:00:42,760 --> 01:00:40,250

remains of that American landing yeah

1256

01:00:44,500 --> 01:00:42,770

let's see this [h__h] we get a

1257

01:00:51,880 --> 01:00:44,510

shot of this are they gonna do this [h__h]

1258

01:00:53,410 --> 01:00:51,890

put me on the moon go where they gonna

1259

01:00:59,980 --> 01:00:53,420

play music and animations to get us

1260

01:01:02,740 --> 01:00:59,990

there the Russians are going may I send

1261

01:01:04,599 --> 01:01:02,750

a Russian troll this is a Russian troll

1262

01:01:08,859 --> 01:01:04,609

B troll that's the theory at least

1263

01:01:11,290 --> 01:01:08,869

here's how they came up with the idea as

1264

01:01:13,570 --> 01:01:11,300

a blogger I throw up on the internet

1265

01:01:15,760 --> 01:01:13,580

about cosmos and I've noticed that it is

1266

01:01:18,010 --> 01:01:15,770

a frequent topic if the Americans flew

1267

01:01:19,870 --> 01:01:18,020

to the moon or not was the Apollo on the

1268

01:01:22,450 --> 01:01:19,880

moon or not all the points have already

1269

01:01:24,820 --> 01:01:22,460

been made by both sides some believe

1270

01:01:26,710 --> 01:01:24,830

they did not fly others claim they did

1271

01:01:28,750 --> 01:01:26,720

and no one can actually convince each

1272

01:01:31,900 --> 01:01:28,760

other I was so bored with listening

1273

01:01:34,180 --> 01:01:31,910

about the flag is brown the Rockets so I

1274

01:01:37,090 --> 01:01:34,190

thought guys let's just fly there and

1275

01:01:38,950 --> 01:01:37,100

have a look we can argue forever the

1276

01:01:40,440 --> 01:01:38,960

moon hasn't gone anywhere if the

1277

01:01:43,570 --> 01:01:40,450

Americans have actually been on the moon

1278

01:01:45,609 --> 01:01:43,580

everything should still be there let's

1279

01:01:47,290 --> 01:01:45,619

stop wasting time on the Internet we'd

1280

01:01:50,890 --> 01:01:47,300

better collect money build a satellite

1281

01:01:52,990 --> 01:01:50,900

and have a look ourselves there screams

1282

01:01:54,820 --> 01:01:53,000

now then crowdfunding their projects

1283

01:01:57,010 --> 01:01:54,830

things they've already gather \$15,000

1284

01:01:59,590 --> 01:01:57,020

which is supposedly enough to complete

1285

01:02:01,090 --> 01:01:59,600

the project what \$15,000 is nothing to

1286

01:02:02,980 --> 01:02:01,100

put the project I think are they gonna

1287

01:02:04,599 --> 01:02:02,990

actually go to the moon or just build a

1288

01:02:06,420 --> 01:02:04,609

satellite to look at the moon I well

1289

01:02:08,440 --> 01:02:06,430

because they say no booster rockets

1290

01:02:10,599 --> 01:02:08,450

needed that's usually the most expensive

1291

01:02:13,090 --> 01:02:10,609

part the engineers instead plays a tag

1292

01:02:14,980 --> 01:02:13,100

their light weight micro module onto a

1293

01:02:17,349 --> 01:02:14,990

government finance satellite nonetheless

1294

01:02:22,120 --> 01:02:17,359

the engine is still no they will have

1295

01:02:23,160 --> 01:02:22,130

plenty of challenges ahead yes okay like

1296

01:02:28,410 --> 01:02:23,170

getting into space

1297

01:02:29,970 --> 01:02:28,420

and somehow navigating past orbital

1298

01:02:35,339 --> 01:02:29,980

platform weapons that want to take this

1299

01:02:37,530 --> 01:02:35,349

[h__\h] down Jesus come on all

1300

01:02:43,140 --> 01:02:37,540

right I am gonna get out of here and

1301

01:02:47,579 --> 01:02:43,150

that's my time night talk live night

1302

01:02:54,720 --> 01:02:47,589

talk live thank you thank you thank you

1303

01:02:55,720 --> 01:02:54,730

all right we got here all right all

1304

01:02:59,670 --> 01:02:55,730

right

1305

01:03:05,070 --> 01:03:01,890

yeah I'll see if I can post a link in

1306

01:03:10,680 --> 01:03:05,080

the description to the season in episode

1307

01:03:13,410 --> 01:03:10,690

of the the chat with that woman I was

1308

01:03:17,610 --> 01:03:13,420

talking about on Gaia TV where's your

1309

01:03:19,050 --> 01:03:17,620

time is this you stuff you don't have to

1310

01:03:24,450 --> 01:03:19,060

believe it I'm not telling you you gotta

1311

01:03:27,180 --> 01:03:24,460

believe it I'm just telling you you

1312

01:03:31,420 --> 01:03:27,190

gotta believe it and you gotta warn

1313

01:03:36,190 --> 01:03:31,430

people you gotta warn people please

1314

01:03:42,550 --> 01:03:38,770

go screw yourself [\h__\h] hey what's up

1315

01:03:52,420 --> 01:03:42,560

color hey Mike and encouraged hey what's

1316

01:03:54,340 --> 01:03:52,430

up Stan hey is that all those craters on

1317

01:03:59,500 --> 01:03:54,350

women are actually impact craters with

1318

01:04:01,660 --> 01:03:59,510

their active volcanoes ll okay but I

1319

01:04:02,950 --> 01:04:01,670

don't know how much believe in that kind

1320

01:04:05,260 --> 01:04:02,960

of thing but I did see a thing - about

1321

01:04:06,970 --> 01:04:05,270

how how much water that's probably on

1322

01:04:09,160 --> 01:04:06,980

the moons in right below the surface all

1323

01:04:11,650 --> 01:04:09,170

over it so if you were into some sort of

1324

01:04:13,450 --> 01:04:11,660

mission out to the moon there should be

1325

01:04:15,580 --> 01:04:13,460

ample water it's just a matter of how

1326

01:04:16,780 --> 01:04:15,590

you can extract it make a little

1327

01:04:18,490 --> 01:04:16,790

quantities out of it

1328

01:04:21,070 --> 01:04:18,500

you gotta take enough equipment out

1329

01:04:22,810 --> 01:04:21,080

there to dig and excavate and build a

1330

01:04:26,500 --> 01:04:22,820

base under to the surface of the Moon

1331

01:04:28,780 --> 01:04:26,510

presumably and then somehow build some

1332

01:04:31,150 --> 01:04:28,790

kind of some kind of plant that would

1333

01:04:33,720 --> 01:04:31,160

transform that I would assume icy water

1334

01:04:40,050 --> 01:04:33,730

or ice into water

1335

01:04:48,430 --> 01:04:40,060

yeah well the most important stage is

1336

01:04:50,560 --> 01:04:48,440

absolutely good just melt the ice probe

1337

01:04:52,630 --> 01:04:50,570

and then drink it because it had like

1338

01:05:04,720 --> 01:04:52,640

who knows it's probably irradiated in

1339

01:05:06,400 --> 01:05:04,730

some way right now maybe the water on

1340

01:05:15,160 --> 01:05:06,410

the Dark Side of the Moon would not be

1341

01:05:16,510 --> 01:05:15,170

rated think about that and they've

1342

01:05:25,960 --> 01:05:16,520

already probably taken up most the water

1343

01:05:28,600 --> 01:05:25,970

I saw this guy Koree good secret space

1344

01:05:31,690 --> 01:05:28,610

program whistleblower says we have bases

1345

01:05:34,540 --> 01:05:31,700

on the moon and then the dark Nazi fleet

1346

01:05:36,700 --> 01:05:34,550

have their own buildings and space

1347

01:05:41,980 --> 01:05:36,710

stations and space bases on the moon so

1348

01:05:43,720 --> 01:05:41,990

why not I believe it all well these guys

1349

01:05:46,300 --> 01:05:43,730

are talking about to approach the moon

1350

01:05:47,710 --> 01:05:46,310

that's chump change compared to ours you

1351
01:05:48,780 --> 01:05:47,720
know secret weapons you know space

1352
01:05:50,790 --> 01:05:48,790
program and

1353
01:05:54,540 --> 01:05:50,800
all the dread-nots from the giant you

1354
01:05:59,520 --> 01:05:54,550
know you know solar solar warden

1355
01:06:01,440 --> 01:05:59,530
we had tr-3b black triangle machines I

1356
01:06:03,180 --> 01:06:01,450
believe we've got some great crazy

1357
01:06:06,840 --> 01:06:03,190
[h__\h] [h__\h] that has yet to be

1358
01:06:09,300 --> 01:06:06,850
displayed I absolutely do and I want to

1359
01:06:12,660 --> 01:06:09,310
believe all this [h__\h] is hard to pick

1360
01:06:14,850 --> 01:06:12,670
apart what is most likely of a scenario

1361
01:06:16,950 --> 01:06:14,860
to be happening right now and then what

1362
01:06:18,900 --> 01:06:16,960
is this kinda like mundane stuff that is

1363
01:06:19,710 --> 01:06:18,910

this abhorrent hard believe like after a

1364

01:06:23,430 --> 01:06:19,720

hundred years we're still using

1365

01:06:25,560 --> 01:06:23,440

firepower for our cars and we're using

1366

01:06:27,750 --> 01:06:25,570

rocket power firepower to get out of the

1367

01:06:30,300 --> 01:06:27,760

atmospheric alright don't we have like

1368

01:06:32,160 --> 01:06:30,310

electromagnet electromagnetic slingshots

1369

01:06:34,350 --> 01:06:32,170

and rail guns or shoot us out of the

1370

01:06:38,070 --> 01:06:34,360

atmosphere I mean didn't Tesla figure

1371

01:06:40,440 --> 01:06:38,080

this [h__h] out you know Tesla was well

1372

01:06:43,110 --> 01:06:40,450

beyond his time and people are just now

1373

01:06:44,550 --> 01:06:43,120

starting to show all of his different

1374

01:06:46,410 --> 01:06:44,560

technologies that they're using I mean

1375

01:06:48,600 --> 01:06:46,420

the Chinese suppose we have a real gun

1376

01:06:51,660 --> 01:06:48,610

on one of their ships now yeah they're

1377

01:06:54,000 --> 01:06:51,670

Navy so I'll think there's a lot of stuff

1378

01:06:55,260 --> 01:06:54,010

that's out there and in technologies and

1379

01:06:56,970 --> 01:06:55,270

you think about just how the pyramids

1380

01:06:57,810 --> 01:06:56,980

were built and the only thing that

1381

01:07:00,390 --> 01:06:57,820

really makes sense

1382

01:07:02,130 --> 01:07:00,400

no reason explanation is you know I like

1383

01:07:04,230 --> 01:07:02,140

to make Danakil there to be able to

1384

01:07:06,030 --> 01:07:04,240

levitate stuff just like that one guy

1385

01:07:08,280 --> 01:07:06,040

did in Coral Springs or wherever it is

1386

01:07:10,380 --> 01:07:08,290

in Florida yeah there's levitation

1387

01:07:12,390 --> 01:07:10,390

methodologies that we plot or that are

1388

01:07:14,610 --> 01:07:12,400

become hidden from us that aren't

1389

01:07:16,740 --> 01:07:14,620

available to us really right now so it's

1390

01:07:19,860 --> 01:07:16,750

a matter of trying to find those things

1391

01:07:22,230 --> 01:07:19,870

and leave this one last thing I sent you

1392

01:07:25,590 --> 01:07:22,240

an article about the Norwegian Olympic

1393

01:07:27,090 --> 01:07:25,600

team and how they were decrying the fact

1394

01:07:29,400 --> 01:07:27,100

that they're so good at cross-country

1395

01:07:33,090 --> 01:07:29,410

skiing that they delegate self-loathing

1396

01:07:34,890 --> 01:07:33,100

and they're so good that they we're

1397

01:07:36,330 --> 01:07:34,900

gonna scare away countries like Poland

1398

01:07:38,370 --> 01:07:36,340

and other countries away from wanting to

1399

01:07:40,590 --> 01:07:38,380

do it so they're having second thoughts

1400

01:07:44,700 --> 01:07:40,600

about how awesome cross-country skiing

1401

01:07:46,830 --> 01:07:44,710

how pompous is that pretty arrogant but

1402

01:07:49,530 --> 01:07:46,840

you know nor we've got a trillion-dollar

1403

01:07:51,300 --> 01:07:49,540

sovereign wealth fund and so I guess

1404

01:07:54,720 --> 01:07:51,310

they can act like they're you know high

1405

01:07:56,190 --> 01:07:54,730

and mighty and pompous and think about

1406

01:07:58,200 --> 01:07:56,200

how well but you know people don't

1407

01:07:59,340 --> 01:07:58,210

understand them I know especially up

1408

01:08:01,050 --> 01:07:59,350

here Alaska there's a lot of people I

1409

01:08:01,819 --> 01:08:01,060

know that are really into skiing and

1410

01:08:04,640 --> 01:08:01,829

Crosby to scheme

1411

01:08:08,089 --> 01:08:04,650

you know stuff but I speak supposedly

1412

01:08:09,319 --> 01:08:08,099

some of those athletes they are they're

1413

01:08:10,969 --> 01:08:09,329

millionaires they're they're the rock

1414

01:08:13,009 --> 01:08:10,979

stars over there Norway they actually

1415

01:08:15,109 --> 01:08:13,019

get quite a bit of money over there so

1416

01:08:17,479 --> 01:08:15,119

that's it it's no joke over those guys

1417

01:08:20,809 --> 01:08:17,489

get paid good money to be the athletes

1418

01:08:22,490 --> 01:08:20,819

that they are the end fry your article

1419

01:08:25,839 --> 01:08:22,500

up on screen here as metals pile up

1420

01:08:29,240 --> 01:08:25,849

Norway Warriors are we winning too much

1421

01:08:43,220 --> 01:08:29,250

come on happy be winning too much come

1422

01:08:45,260 --> 01:08:43,230

on winning yeah he's cooking get on some

1423

01:08:49,209 --> 01:08:45,270

skis and have them you know snow that

1424

01:08:49,219 --> 01:09:04,180

Wednesday

1425

01:09:11,289 --> 01:09:08,969

yes sir but that is it that is it for us

1426

01:09:14,709 --> 01:09:11,299

[Applause]

1427

01:09:18,979 --> 01:09:14,719

Stano is knows how to wind down the show

1428

01:09:21,200 --> 01:09:18,989

and I forgot to give a big thanks to

1429

01:09:22,939 --> 01:09:21,210

everyone who's on the patreon and

1430

01:09:24,769 --> 01:09:22,949

donating up probably I'm gonna get to

1431

01:09:26,149 --> 01:09:24,779

the segment maybe on on Wednesday and

1432

01:09:29,419 --> 01:09:26,159

just like name some names I'm gonna

1433

01:09:32,180 --> 01:09:29,429

start naming names and thanking people

1434

01:09:35,390 --> 01:09:32,190

thanking you people for supporting the

1435

01:09:36,979 --> 01:09:35,400

show really appreciate that I like doing

1436

01:09:39,589 --> 01:09:36,989

this show I like doing them when they

1437

01:09:41,539 --> 01:09:39,599

talk out through the are picked up mouth

1438

01:09:43,959 --> 01:09:41,549
