

NIGHT TALK
with
MIDNIGHT MIKE

1
00:00:23,550 --> 00:00:09,940

[Music]

2
00:00:27,270 --> 00:00:23,560

[\h__\h] is one thing yeah it'll evil still

3
00:00:30,300 --> 00:00:27,280

[Music]

4
00:00:33,540 --> 00:00:30,310

Roma - must be got a job

5
00:00:39,360 --> 00:00:33,550

this man claims he has been to the ears

6
00:00:43,680 --> 00:00:39,370

6000 forced to go achieve this man

7
00:00:46,890 --> 00:00:43,690

believes he has been fighting smoking a

8
00:00:52,980 --> 00:00:46,900

cigarette something I won't reveal

9
00:00:52,990 --> 00:00:58,430

Hey

10
00:01:09,170 --> 00:01:07,770

welcome back to another night top lie

11
00:01:11,760 --> 00:01:09,180

[Music]

12
00:01:15,190 --> 00:01:11,770

my name is Bennett Mike and I will be

13
00:01:17,960 --> 00:01:15,200

here with you for the next few minutes

14

00:01:22,350 --> 00:01:17,970

[Music]

15

00:01:24,240 --> 00:01:22,360

next few minutes I will be here talking

16

00:01:26,219 --> 00:01:24,250

with you talking to you may be taking

17

00:01:28,320 --> 00:01:26,229

some phone calls I don't know what

18

00:01:32,490 --> 00:01:28,330

happened I got some things to talk about

19

00:01:37,219 --> 00:01:32,500

with everyone out there make sure my

20

00:01:39,440 --> 00:01:37,229

levels make sure we're at levels of type

21

00:01:44,670 --> 00:01:39,450

you gotta make sure everything's right

22

00:01:46,710 --> 00:01:44,680

oh boy what a day what a day what a

23

00:01:49,880 --> 00:01:46,720

mighty fine day I hope everyone out

24

00:01:56,850 --> 00:01:49,890

there is doing exceptionally well

25

00:01:59,639 --> 00:01:56,860

all right dude okay maybe I'm maybe I

26
00:02:05,219 --> 00:01:59,649
haven't been getting enough good sleep

27
00:02:08,580 --> 00:02:05,229
lately been feeling law I'm gonna

28
00:02:11,850 --> 00:02:08,590
realizing that in my dreams I'm learning

29
00:02:14,520 --> 00:02:11,860
I think I'm leveling up in my dreams if

30
00:02:19,729 --> 00:02:14,530
you if you look at dreams as if they

31
00:02:22,530 --> 00:02:19,739
were video games I think finally after

32
00:02:24,090 --> 00:02:22,540
my 40th year of dreaming because I'm

33
00:02:28,289 --> 00:02:24,100
assuming I was dreaming probably at age

34
00:02:30,960 --> 00:02:28,299
0 to 1 finally I'm leveling up I'm

35
00:02:34,259 --> 00:02:30,970
learning some new stuff now I'm not luck

36
00:02:35,970 --> 00:02:34,269
I'm not lucid dreaming all the time I've

37
00:02:37,800 --> 00:02:35,980
talked about before I want to lucid

38
00:02:39,120 --> 00:02:37,810

dream wake what where that's where you

39

00:02:42,180 --> 00:02:39,130

wake up in your dreams and you can you

40

00:02:43,020 --> 00:02:42,190

can kind of control what's happening I'm

41

00:02:45,930 --> 00:02:43,030

not doing that

42

00:02:50,280 --> 00:02:45,940

I've done that every now and again but

43

00:02:53,430 --> 00:02:50,290

it's not as as as controlled as as as I

44

00:02:59,069 --> 00:02:53,440

would like but what I have learned in my

45

00:03:03,750 --> 00:02:59,079

dreams as of recently is I have learned

46

00:03:05,699 --> 00:03:03,760

how to run quicker in my dreams which is

47

00:03:07,319 --> 00:03:05,709

interesting in in your dream state you

48

00:03:09,030 --> 00:03:07,329

know cut everything is kind of like

49

00:03:10,110 --> 00:03:09,040

floaties and everything is kind of like

50

00:03:12,390 --> 00:03:10,120

it's not like

51
00:03:14,670 --> 00:03:12,400
weightless it's almost like you're half

52
00:03:16,080 --> 00:03:14,680
gravity so when you run it feels like

53
00:03:18,030 --> 00:03:16,090
it's in slow motion like you're on the

54
00:03:20,940 --> 00:03:18,040
moon like we saw in the NASA NASA

55
00:03:24,860 --> 00:03:20,950
footage on the moon words you could run

56
00:03:28,170 --> 00:03:24,870
but it's out of like a a gallop almost

57
00:03:31,140 --> 00:03:28,180
what I learned in might be my dreams as

58
00:03:34,830 --> 00:03:31,150
of late is that if I reach down to the

59
00:03:38,580 --> 00:03:34,840
ground and grab a hold of the grass or

60
00:03:42,990 --> 00:03:38,590
the ground I can propel myself and run

61
00:03:45,330 --> 00:03:43,000
on all fours much quicker than if I were

62
00:03:47,069 --> 00:03:45,340
to just kind of run away from something

63
00:03:50,520 --> 00:03:47,079

and one dream comes to mind where I

64

00:03:53,220 --> 00:03:50,530

learnt gonna do this is uh I was there's

65

00:03:56,190 --> 00:03:53,230

like a house up on this hill I saw this

66

00:03:58,619 --> 00:03:56,200

big troll creature going to the house my

67

00:04:00,809 --> 00:03:58,629

girlfriend was in that house so I gotta

68

00:04:03,119 --> 00:04:00,819

get in that the house before that troll

69

00:04:06,089 --> 00:04:03,129

creature does and I was starting to run

70

00:04:10,110 --> 00:04:06,099

and I realized I wasn't moving fast

71

00:04:11,789 --> 00:04:10,120

enough and I I reached out onto the

72

00:04:13,619 --> 00:04:11,799

ground and started to propel myself on

73

00:04:17,550 --> 00:04:13,629

all fours up to the house which was much

74

00:04:20,449 --> 00:04:17,560

more of a I guess a much more efficient

75

00:04:22,830 --> 00:04:20,459

form of locomotion to get up there in

76

00:04:24,629 --> 00:04:22,840

dreamworld and that wasn't the first

77

00:04:27,690 --> 00:04:24,639

time I actually done like a couple times

78

00:04:29,339 --> 00:04:27,700

previous I just never remembered and I

79

00:04:33,810 --> 00:04:29,349

think I'm learning in my dream time not

80

00:04:35,219 --> 00:04:33,820

as naive Ill well you do feel some fear

81

00:04:36,690 --> 00:04:35,229

every now and again I much more

82

00:04:39,300 --> 00:04:36,700

confident in my dreams I don't know what

83

00:04:42,839 --> 00:04:39,310

this means other than that when you

84

00:04:45,480 --> 00:04:42,849

start to read about dreams in what they

85

00:04:47,490 --> 00:04:45,490

mean and you start to delve into

86

00:04:49,830 --> 00:04:47,500

meditation thinking about other

87

00:04:53,400 --> 00:04:49,840

dimensions and all that kind of stuff I

88

00:04:59,250 --> 00:04:53,410

think that all kind of swirls around in

89

00:05:02,850 --> 00:04:59,260

your head and you're able to to navigate

90

00:05:05,250 --> 00:05:02,860

the dream dimension maybe a little bit

91

00:05:10,529 --> 00:05:05,260

more confidently we said I'd like to

92

00:05:12,390 --> 00:05:10,539

hope so I'll try to do that God but I'm

93

00:05:14,430 --> 00:05:12,400

having some like pretty average boring

94

00:05:19,409 --> 00:05:14,440

dreams to like not not things about

95

00:05:20,790 --> 00:05:19,419

chasing way like orcs and trolls from my

96

00:05:23,850 --> 00:05:20,800

girlfriend and

97

00:05:25,559 --> 00:05:23,860

and like in this weird house but I dream

98

00:05:29,879 --> 00:05:25,569

last night where I was just the making

99

00:05:31,409 --> 00:05:29,889

music on the computer and the doorbell

100

00:05:34,110 --> 00:05:31,419

rang and I went down there and my friend

101
00:05:37,230 --> 00:05:34,120
Spanky was there that was nice that was

102
00:05:39,510 --> 00:05:37,240
a nice dream a nice even dream that

103
00:05:41,700 --> 00:05:39,520
dream could happen in real life and I'm

104
00:05:42,779 --> 00:05:41,710
sure had happened at some point I were

105
00:05:44,279 --> 00:05:42,789
Spanky

106
00:05:46,649 --> 00:05:44,289
one of my good friends used to be on the

107
00:05:47,490 --> 00:05:46,659
show would come over and we would make

108
00:05:50,279 --> 00:05:47,500
music together

109
00:05:55,600 --> 00:05:50,289
good dream nice I kind of like those

110
00:05:59,230 --> 00:05:57,070
I'm still trying to become a better

111
00:06:03,309 --> 00:05:59,240
sleeper I'm still trying to become a

112
00:06:06,550 --> 00:06:03,319
better dreamer and sometimes it's not

113
00:06:09,339 --> 00:06:06,560

easy to do you know you there there are

114

00:06:11,350 --> 00:06:09,349

some tricks and techniques that you can

115

00:06:12,550 --> 00:06:11,360

do

116

00:06:14,709 --> 00:06:12,560

you can tell yourself before you go to

117

00:06:16,540 --> 00:06:14,719

sleep AI will remember my dreams and

118

00:06:18,399 --> 00:06:16,550

yeah the more you do that the more

119

00:06:20,800 --> 00:06:18,409

likely you are to remember your dreams

120

00:06:22,959 --> 00:06:20,810

when you wake up and also you can also

121

00:06:25,420 --> 00:06:22,969

say to yourself before you go to sleep I

122

00:06:27,040 --> 00:06:25,430

will wake up in my dreams but there are

123

00:06:29,200 --> 00:06:27,050

some other techniques whether you want

124

00:06:31,749 --> 00:06:29,210

to write a note on your hand you're in a

125

00:06:33,189 --> 00:06:31,759

dreaming or you are dreaming and you can

126

00:06:35,439 --> 00:06:33,199

put that on your hand during the day

127

00:06:37,659 --> 00:06:35,449

look down on it or just say that mantra

128

00:06:38,950 --> 00:06:37,669

to yourself am I dreaming ask yourself

129

00:06:41,320 --> 00:06:38,960

that question throughout that your

130

00:06:43,899 --> 00:06:41,330

waking day am I dreaming

131

00:06:46,330 --> 00:06:43,909

and that that might filtered through to

132

00:06:50,350 --> 00:06:46,340

your dream life and where you might be

133

00:06:51,670 --> 00:06:50,360

able to have at least you might more it

134

00:06:53,350 --> 00:06:51,680

might be more likely you might have a

135

00:06:55,360 --> 00:06:53,360

lucid dream if you do those techniques

136

00:06:56,790 --> 00:06:55,370

I'm trying to get there I'm trying to I

137

00:06:59,249 --> 00:06:56,800

would love to have a lucid dream

138

00:07:01,779 --> 00:06:59,259

something I can do in a consistent basis

139

00:07:03,899 --> 00:07:01,789

although even some of the people that

140

00:07:06,249 --> 00:07:03,909

I've heard that are able to lucid dream

141

00:07:11,219 --> 00:07:06,259

on a consistent basis it doesn't happen

142

00:07:14,110 --> 00:07:11,229

every night happens maybe once a week I

143

00:07:16,149 --> 00:07:14,120

don't I don't know how skilled of a

144

00:07:17,769 --> 00:07:16,159

lucid dreamer you have to be in order

145

00:07:19,029 --> 00:07:17,779

for it to happen every night in fact I

146

00:07:20,589 --> 00:07:19,039

don't even know if your brain would

147

00:07:22,149 --> 00:07:20,599

allow that to happen are you really are

148

00:07:24,249 --> 00:07:22,159

you really getting the proper rest at

149

00:07:26,439 --> 00:07:24,259

that point in time if you're a ver able

150

00:07:29,930 --> 00:07:26,449

to lucid dream every [h__h] night I

151
00:07:33,170 --> 00:07:31,700
you might just be having a good time and

152
00:07:35,630 --> 00:07:33,180
rollercoasters all [h__h] they are

153
00:07:37,730 --> 00:07:35,640
really getting proper REM rest the

154
00:07:40,190 --> 00:07:37,740
proper eight hours that the Surgeon

155
00:07:41,660 --> 00:07:40,200
General requires every American have in

156
00:07:44,000 --> 00:07:41,670
order for them to wake up and have a

157
00:07:47,779 --> 00:07:44,010
good and productive work day which is

158
00:07:49,730 --> 00:07:47,789
what the economy needs we all know that

159
00:07:53,570 --> 00:07:49,740
six one four three eight nine 109 I am

160
00:07:56,450 --> 00:07:53,580
taking some phone calls might be happy

161
00:07:58,129 --> 00:07:56,460
you hear from you oh yeah

162
00:07:59,600 --> 00:07:58,139
maybe I don't know I guess some other

163
00:08:01,820 --> 00:07:59,610

topics lined up as well I don't know how

164

00:08:04,459 --> 00:08:01,830

long we'll be here you know sometimes

165

00:08:08,239 --> 00:08:04,469

you just have a [h__h] day sometimes

166

00:08:12,170 --> 00:08:08,249

you've been podcasting too much working

167

00:08:13,839 --> 00:08:12,180

full-time and I'm just get on your

168

00:08:16,219 --> 00:08:13,849

[h__h] with everybody that's kind of

169

00:08:18,969 --> 00:08:16,229

letting you guys know what's on my mind

170

00:08:21,529 --> 00:08:18,979

of where I'm coming from sometimes

171

00:08:24,219 --> 00:08:21,539

trying to dream here's here's another

172

00:08:27,939 --> 00:08:24,229

thing that I realize about my my sleepy

173

00:08:32,269 --> 00:08:27,949

miss my sleep patterns I snore a lot oh

174

00:08:37,069 --> 00:08:32,279

my god I did not realize how much I

175

00:08:39,860 --> 00:08:37,079

snore until I started to date Nicole and

176

00:08:43,189 --> 00:08:39,870

she would you know he tells me I'm

177

00:08:45,170 --> 00:08:43,199

snoring and she will like try to be very

178

00:08:46,699 --> 00:08:45,180

gentle about letting me like putting her

179

00:08:48,829 --> 00:08:46,709

hand on my back so hey Mike you're

180

00:08:52,550 --> 00:08:48,839

snoring by the way you're keeping me up

181

00:08:54,889 --> 00:08:52,560

but in my mind like when she is when she

182

00:08:57,110 --> 00:08:54,899

is putting her hand on my back and say

183

00:09:01,610 --> 00:08:57,120

hey Mike you're snoring I am still

184

00:09:03,939 --> 00:09:01,620

conscious in my head and I feel her put

185

00:09:08,240 --> 00:09:03,949

her hand on my back to let me know she's

186

00:09:10,180 --> 00:09:08,250

being you know kept awake by me but in

187

00:09:13,100 --> 00:09:10,190

my mind I'm I snore I have such a

188

00:09:14,870 --> 00:09:13,110

detachment for my physical body I don't

189

00:09:18,139 --> 00:09:14,880

hear my snoring I don't feel myself

190

00:09:20,180 --> 00:09:18,149

snoring I'm completely relaxed and in

191

00:09:22,790 --> 00:09:20,190

this state of like Twilight in-between

192

00:09:24,470 --> 00:09:22,800

awake and complete dream state and my

193

00:09:28,639 --> 00:09:24,480

imagination is in full effect

194

00:09:32,689 --> 00:09:28,649

and to me I'm not snoring and so I only

195

00:09:36,439 --> 00:09:32,699

can assume I am a complete disaster

196

00:09:39,710 --> 00:09:36,449

to sleep with like I'm snoring I'm

197

00:09:43,250 --> 00:09:39,720

rolling over I'm like 6 to occupy a

198

00:09:45,410 --> 00:09:43,260

majority of the bed it's like a fight

199

00:09:48,060 --> 00:09:45,420

probably to sleep with me it's not it's

200

00:09:51,270 --> 00:09:48,070

probably not fun

201
00:09:52,890 --> 00:09:51,280
it's not good for her sleep it can't be

202
00:09:56,070 --> 00:09:52,900
if she's you say Mike you're you're

203
00:10:00,240 --> 00:09:56,080
snoring wake up and let me get some

204
00:10:07,710 --> 00:10:04,740
and it was not I am so yesterday in

205
00:10:12,390 --> 00:10:07,720
order to combat my snoring actually went

206
00:10:14,930 --> 00:10:12,400
out and bought those Breathe Right

207
00:10:18,420 --> 00:10:14,940
strips you can put over your nose like I

208
00:10:20,820 --> 00:10:18,430
it they say they open up your nasal

209
00:10:23,250 --> 00:10:20,830
passages so you're not supposed to snore

210
00:10:25,800 --> 00:10:23,260
as much as like so if you if and when

211
00:10:30,210 --> 00:10:25,810
you decide to breathe through your nose

212
00:10:32,490 --> 00:10:30,220
during sleep you might not snore I might

213
00:10:34,170 --> 00:10:32,500

be a mouth breather when I want to go to

214

00:10:36,210 --> 00:10:34,180

sleep I don't know what's going on I

215

00:10:39,000 --> 00:10:36,220

need someone to come videotape my

216

00:10:42,480 --> 00:10:39,010

sleeping so I know how I am when I sleep

217

00:10:44,580 --> 00:10:42,490

you need to hire a camera crew over 24/7

218

00:10:47,030 --> 00:10:44,590

make sure I'm not gonna get abducted by

219

00:10:54,870 --> 00:10:47,040

aliens and to make sure I'm not snoring

220

00:11:00,390 --> 00:10:57,300

the debris that right strips lastly they

221

00:11:03,800 --> 00:11:00,400

did work I wasn't I wasn't snoring it's

222

00:11:08,540 --> 00:11:06,230

funny like you know every a dream within

223

00:11:10,490 --> 00:11:08,550

a dream sometimes I never had a dream

224

00:11:13,880 --> 00:11:10,500

within a dream where I was snoring in my

225

00:11:17,540 --> 00:11:13,890

dream but perfect drew us a sleeper in

226

00:11:19,250 --> 00:11:17,550

my dream I never snore in my dream I

227

00:11:20,660 --> 00:11:19,260

never had one of those panicky dreams

228

00:11:25,970 --> 00:11:20,670

where I'm snoring and waking somebody

229

00:11:27,190 --> 00:11:25,980

else up the perfect gentleman in my

230

00:11:33,980 --> 00:11:27,200

dreams

231

00:11:38,520 --> 00:11:33,990

[h__h] [h__h] you yes [h__h] everyone okay

232

00:11:46,980 --> 00:11:42,630

some Ealing topics yes possibly some

233

00:11:56,130 --> 00:11:46,990

alien topics and I do have some here

234

00:11:58,530 --> 00:11:56,140

let's travel on come on come on out I am

235

00:12:00,590 --> 00:11:58,540

I'm snoring a lot I'm having chest pains

236

00:12:03,960 --> 00:12:00,600

[Music]

237

00:12:07,140 --> 00:12:03,970

me I don't know I mean I guess

238

00:12:09,900 --> 00:12:07,150

snoring happens because you may be is

239

00:12:11,790 --> 00:12:09,910

there a reason why people snore is it

240

00:12:15,990 --> 00:12:11,800

beneficial this is some kind of warning

241

00:12:20,760 --> 00:12:18,450

back in back in the olden days back when

242

00:12:23,280 --> 00:12:20,770

we were tribes hunting bears maybe we

243

00:12:25,170 --> 00:12:23,290

they had one snore snore and the entire

244

00:12:26,460 --> 00:12:25,180

tribe and he was the guy that kind of

245

00:12:28,920 --> 00:12:26,470

kept everyone on edge

246

00:12:32,550 --> 00:12:28,930

no one ever ever got into a completely

247

00:12:35,910 --> 00:12:32,560

deep sleep no one died the tribe didn't

248

00:12:39,090 --> 00:12:35,920

get wiped out by a tiger because rowdy

249

00:12:41,220 --> 00:12:39,100

over there was a you know dreaming and a

250

00:12:44,330 --> 00:12:41,230

snoring and he kept everyone half awake

251
00:12:46,980 --> 00:12:44,340
I don't know who knows Kevin snore away

252
00:12:49,940 --> 00:12:46,990
keep the tribe alive excuse me

253
00:12:56,840 --> 00:12:54,430
here we go I have a topic for you

254
00:12:59,630 --> 00:12:56,850
this is titled sex with

255
00:13:03,830 --> 00:12:59,640
extraterrestrials a deeper look into the

256
00:13:05,540 --> 00:13:03,840
supposed alien human hybrid program this

257
00:13:07,100 --> 00:13:05,550
is a topic that is near and dear to me I

258
00:13:09,590 --> 00:13:07,110
talk about it quite often I thought what

259
00:13:16,130 --> 00:13:09,600
aliens and I am completely intrigued by

260
00:13:19,160 --> 00:13:16,140
the alien sex and the human hybrid

261
00:13:21,170 --> 00:13:19,170
program god it's all over like the more

262
00:13:23,960 --> 00:13:21,180
you dig into the UFO stuff and never Lee

263
00:13:26,480 --> 00:13:23,970

it comes down to yes okay if aliens are

264

00:13:29,630 --> 00:13:26,490

visiting great but can we have sex with

265

00:13:30,080 --> 00:13:29,640

them that's whatever ass everyone has

266

00:13:35,420 --> 00:13:30,090

that

267

00:13:38,390 --> 00:13:35,430

Clinton said people people you know they

268

00:13:40,490 --> 00:13:38,400

they they they they're like pretty down

269

00:13:42,740 --> 00:13:40,500

in Bill Clinton but he was a big UFO guy

270

00:13:45,560 --> 00:13:42,750

when he got into the White House he was

271

00:13:50,840 --> 00:13:45,570

very curious about UFOs in area 51 and

272

00:13:54,560 --> 00:13:50,850

Bill Clinton said hey let me let me let

273

00:13:56,900 --> 00:13:54,570

me see all those UFO FILES and then you

274

00:13:58,910 --> 00:13:56,910

know he wanted to hey uh they're

275

00:14:03,170 --> 00:13:58,920

visiting here can we fire them can we do

276

00:14:04,940 --> 00:14:03,180

that that right and you're up bill you

277

00:14:10,430 --> 00:14:04,950

can't [h__h] them or but you're just not

278

00:14:14,170 --> 00:14:10,440

in the right program so according to the

279

00:14:17,180 --> 00:14:14,180

Collective evolution calm and this story

280

00:14:20,780 --> 00:14:17,190

prior to the recent official disclosure

281

00:14:22,910 --> 00:14:20,790

of identified flying object UFOs in the

282

00:14:25,130 --> 00:14:22,920

mainstream media via the Pentagon

283

00:14:27,200 --> 00:14:25,140

footage in a release of millions of

284

00:14:30,500 --> 00:14:27,210

pages of UFO related documents from

285

00:14:33,250 --> 00:14:30,510

dozens of governments UFOs were listed

286

00:14:35,930 --> 00:14:33,260

in the conspiracy category

287

00:14:38,630 --> 00:14:35,940

this was the cases by all the evidence

288

00:14:41,660 --> 00:14:38,640

that was leaked over the decades from

289

00:14:45,020 --> 00:14:41,670

very credible sources apart from the

290

00:14:47,270 --> 00:14:45,030

evidence listed above we have witness

291

00:14:49,070 --> 00:14:47,280

testimony from hundreds of military and

292

00:14:52,580 --> 00:14:49,080

intelligence personnel from around the

293

00:14:55,930 --> 00:14:52,590

world these are the sources that were

294

00:15:00,650 --> 00:14:55,940

cited before official UFO disclosure and

295

00:15:02,920 --> 00:15:00,660

these are the same sources that have

296

00:15:05,199 --> 00:15:02,930

also expressed

297

00:15:07,389 --> 00:15:05,209

they're believed that some of these

298

00:15:09,369 --> 00:15:07,399

objects are indeed extraterrestrial

299

00:15:12,720 --> 00:15:09,379

including the head of the Pentagon's

300

00:15:17,079 --> 00:15:12,730

former aerial defense program Luis

301

00:15:18,730 --> 00:15:17,089

Alonso our alien Joe

302

00:15:20,499 --> 00:15:18,740

I guess I didn't read that article yeah

303

00:15:22,960 --> 00:15:20,509

so much some other guy came out written

304

00:15:25,960 --> 00:15:22,970

around the time that that Pentagon UFO

305

00:15:28,150 --> 00:15:25,970

article came out that the 20 million

306

00:15:31,480 --> 00:15:28,160

dollars that the Harry Reid funneled

307

00:15:33,879 --> 00:15:31,490

into a UFO research program you came out

308

00:15:36,730 --> 00:15:33,889

they kind of said yeah yeah yeah we're

309

00:15:38,860 --> 00:15:36,740

looking into UFOs but anyways back onto

310

00:15:40,210 --> 00:15:38,870

the story if you looked more read about

311

00:15:42,040 --> 00:15:40,220

the or you if you like to read more

312

00:15:43,509 --> 00:15:42,050

about discussion you can refer to this

313

00:15:45,369 --> 00:15:43,519

article which dives into the

314

00:15:48,790 --> 00:15:45,379

extra-terrestrial hypothesis a little

315

00:15:50,319 --> 00:15:48,800

deeper okay well I mean you can you just

316

00:15:51,639 --> 00:15:50,329

tell us about it you know tell us it go

317

00:15:54,400 --> 00:15:51,649

somewhere else even you have to mention

318

00:15:56,079 --> 00:15:54,410

it yeah if your ask us go someplace else

319

00:15:58,869 --> 00:15:56,089

don't even mention it spend a look at

320

00:16:00,910 --> 00:15:58,879

the bottom Thanks surrounding the

321

00:16:02,860 --> 00:16:00,920

literature and the lore there are

322

00:16:05,139 --> 00:16:02,870

stories of many different types of craft

323

00:16:08,410 --> 00:16:05,149

and beans which have supposedly been

324

00:16:10,389 --> 00:16:08,420

seen over the years for example or a 60

325

00:16:14,980 --> 00:16:10,399

schoolchildren were playing outside at

326

00:16:17,350 --> 00:16:14,990

recess in 1994 in Zimbabwe when they all

327

00:16:20,110 --> 00:16:17,360

said they saw a large craft in multiple

328

00:16:23,139 --> 00:16:20,120

small craft land in a nearby field not

329

00:16:26,819 --> 00:16:23,149

only that they said they saw multiple

330

00:16:29,699 --> 00:16:26,829

beams that they described as non-human

331

00:16:32,410 --> 00:16:29,709

the story has been well documented is

332

00:16:35,049 --> 00:16:32,420

very serious and was studied by various

333

00:16:38,739 --> 00:16:35,059

researchers one of them is Harvard

334

00:16:40,059 --> 00:16:38,749

University psychologist dr. John Mack he

335

00:16:42,249 --> 00:16:40,069

himself interviewed these children

336

00:16:44,619 --> 00:16:42,259

personally as well as many others the

337

00:16:46,960 --> 00:16:44,629

story spread around the world quite fast

338

00:16:49,360 --> 00:16:46,970

in his interviews where the children

339

00:16:52,749 --> 00:16:49,370
were conducted shortly after the

340

00:16:56,199 --> 00:16:52,759
incident I heard of this I there's

341

00:16:58,869 --> 00:16:56,209
actually I think there's some

342

00:17:03,400 --> 00:16:58,879
documentary footage of this of the of

343

00:17:06,699 --> 00:17:03,410
the actual children actually speaking

344

00:17:08,799 --> 00:17:06,709
about this incident maybe I could look

345

00:17:10,990 --> 00:17:08,809
it up real fast if anybody's got a link

346

00:17:15,819 --> 00:17:11,000
in the chat and if you weren't happy to

347

00:17:18,579 --> 00:17:15,829
play it but I don't know I will see if I

348

00:17:20,289 --> 00:17:18,589
can I can find this because this is one

349

00:17:22,960 --> 00:17:20,299
of the bigger cases where you have like

350

00:17:27,549 --> 00:17:22,970
like I said 60 schoolchildren witnessing

351
00:17:31,570 --> 00:17:27,559
a craft landing and nonhumans come out

352
00:17:34,029 --> 00:17:31,580
and interacting oh yeah there we go

353
00:17:38,300 --> 00:17:34,039
schoolchildren there we go boom boom

354
00:18:16,810 --> 00:17:40,039
you

355
00:18:22,369 --> 00:18:19,930
know she's given a lot of preamble here

356
00:18:24,229 --> 00:18:22,379
maybe we should get to get to the

357
00:18:45,080 --> 00:18:24,239
weather getting good which is typically

358
00:18:57,790 --> 00:18:45,090
about a minute 33 in to beans are

359
00:19:10,210 --> 00:19:04,510
I mean we can listen it at home all

360
00:19:13,960 --> 00:19:10,220
night it comes down to bullet if you

361
00:19:17,320 --> 00:19:13,970
believe I witness testimony about UFO

362
00:19:20,140 --> 00:19:17,330
encounters about UFO abductions Bigfoot

363
00:19:23,800 --> 00:19:20,150

sightings you Bigfoot encounters do you

364

00:19:25,570 --> 00:19:23,810

believe the eyewitness testimony like

365

00:19:29,400 --> 00:19:25,580

what does this woman really have the

366

00:19:32,590 --> 00:19:29,410

game a lot about have the game from from

367

00:19:35,520 --> 00:19:32,600

claiming this and everyone else there

368

00:19:39,760 --> 00:19:35,530

what do they really have to to gain I

369

00:19:41,830 --> 00:19:39,770

don't know I mean we can speculate we

370

00:19:44,620 --> 00:19:41,840

can count this as from normal rational

371

00:19:47,320 --> 00:19:44,630

people somewhat normal and rational

372

00:19:52,470 --> 00:19:47,330

people because I don't think I would

373

00:19:56,050 --> 00:19:52,480

just make up this weird scenario where I

374

00:19:59,980 --> 00:19:56,060

claimed that I witnessed a UFO come down

375

00:20:01,870 --> 00:19:59,990

and creatures came out and then try to

376

00:20:03,730 --> 00:20:01,880

convince the rest of my schoolmates that

377

00:20:05,980 --> 00:20:03,740

the exact same thing happened and then

378

00:20:07,870 --> 00:20:05,990

stick to this story for 20 plus years

379

00:20:11,549 --> 00:20:07,880

it doesn't make a whole lot of sense to

380

00:20:15,869 --> 00:20:12,629

but this time II if you look on this

381

00:20:18,629 --> 00:20:15,879

page this law of other witnesses there's

382

00:20:21,570 --> 00:20:18,639

obviously like there are people giving

383

00:20:23,669 --> 00:20:21,580

their own a counter for like own witness

384

00:20:26,070 --> 00:20:23,679

account for like you know our thirty

385

00:20:27,779 --> 00:20:26,080

minutes that's how our thirty that's a

386

00:20:29,850 --> 00:20:27,789

large chunk of time out of my life just

387

00:20:31,529 --> 00:20:29,860

to make a bunch of [h__h] up yeah I

388

00:20:33,629 --> 00:20:31,539

could do it but I don't think they're

389

00:20:35,369 --> 00:20:33,639

being paid of course I'm not being paid

390

00:20:37,649 --> 00:20:35,379

to do this podcast I know what you're

391

00:20:40,470 --> 00:20:37,659

saying you're not being paid to do this

392

00:20:41,159 --> 00:20:40,480

and you're either still doing it yes

393

00:20:44,519 --> 00:20:41,169

that is true

394

00:20:45,810 --> 00:20:44,529

I do this for fun yes they could be

395

00:20:47,249 --> 00:20:45,820

doing this for fun they could be making

396

00:20:48,960 --> 00:20:47,259

enough for fun but I find that hard to

397

00:20:51,239 --> 00:20:48,970

believe everyone likes to play act they

398

00:20:52,350 --> 00:20:51,249

pretend I get it but I don't buy that

399

00:20:54,539 --> 00:20:52,360

these people are doing that I think

400

00:20:56,580 --> 00:20:54,549

actually witness something I think they

401
00:20:59,580 --> 00:20:56,590
actually experience something real to

402
00:21:03,869 --> 00:20:59,590
them and they're trying to convey that

403
00:21:05,690 --> 00:21:03,879
to the world as best they can let's move

404
00:21:08,249 --> 00:21:05,700
on a little bit maybe maybe she

405
00:21:10,379 --> 00:21:08,259
elaborates a little bit more about what

406
00:21:45,020 --> 00:21:10,389
she encountered and about three minute

407
00:21:50,370 --> 00:21:48,030
so the alien said there's a good way to

408
00:21:53,900 --> 00:21:50,380
use technology in a bad way to use

409
00:22:01,430 --> 00:21:56,390
they'd be a little bit more specific are

410
00:22:01,880 --> 00:22:01,440
we am i using technology the good way

411
00:22:07,340 --> 00:22:01,890
right now

412
00:22:09,290 --> 00:22:07,350
oh yeah [h__h] maybe not I don't know

413
00:22:10,760 --> 00:22:09,300

what's the good I mean I be talking

414

00:22:12,650 --> 00:22:10,770

about the social media they talking

415

00:22:15,080 --> 00:22:12,660

about technology when it comes to atomic

416

00:22:17,180 --> 00:22:15,090

weapons it could be a little bit more

417

00:22:20,330 --> 00:22:17,190

specific in their in their message to

418

00:22:23,870 --> 00:22:20,340

these children like use technology for

419

00:22:24,710 --> 00:22:23,880

communication but not for weapons that's

420

00:22:28,460 --> 00:22:24,720

pretty clear-cut

421

00:22:30,530 --> 00:22:28,470

if you can't reiterate the message from

422

00:22:32,480 --> 00:22:30,540

the aliens maybe not the best message

423

00:22:33,470 --> 00:22:32,490

could you give us some more scope could

424

00:22:36,760 --> 00:22:33,480

you send me an email

425

00:22:39,460 --> 00:22:36,770

I'll be happy to really hit the world

426

00:22:41,320 --> 00:22:39,470

I granted that the aliens might not know

427

00:22:43,660 --> 00:22:41,330

the best way to communicate with a

428

00:22:46,990 --> 00:22:43,670

six-year-old child or a elementary

429

00:22:49,150 --> 00:22:47,000

school kid maybe but perhaps they shared

430

00:22:51,460 --> 00:22:49,160

a little market research to figure out

431

00:22:55,180 --> 00:22:51,470

don't talk to kids to deliver a

432

00:22:58,690 --> 00:22:55,190

worldwide message talk to someone like

433

00:23:04,930 --> 00:22:58,700

Eddie Murphy or Phil Hartman or Donald

434

00:23:12,580 --> 00:23:06,960

Oh what what else they saying about the

435

00:23:17,260 --> 00:23:15,100

there's a lot that goes on here there

436

00:23:19,780 --> 00:23:17,270

are literally hundreds of s'pose

437

00:23:23,800 --> 00:23:19,790

encounters with virtually no explanation

438

00:23:26,950 --> 00:23:23,810

and now that we know the phenomenon is

439

00:23:30,280 --> 00:23:26,960

something real and not just visionary or

440

00:23:32,590 --> 00:23:30,290

fictitious or into general Nathan

441

00:23:35,710 --> 00:23:32,600

twinning it's time to ask more questions

442

00:23:37,510 --> 00:23:35,720

like if they are extraterrestrial what

443

00:23:41,560 --> 00:23:37,520

are they doing here how many different

444

00:23:42,850 --> 00:23:41,570

types of groups have we catalogued as

445

00:23:44,710 --> 00:23:42,860

you can imagine there are probably

446

00:23:47,650 --> 00:23:44,720

hundreds of questions one can think of

447

00:23:50,160 --> 00:23:47,660

of this topic and its implication is

448

00:23:52,960 --> 00:23:50,170

leave no aspect of humanity untouched

449

00:23:56,440 --> 00:23:52,970

and move fun and a MUFON conference

450

00:23:59,410 --> 00:23:56,450

Franklin's story Musgrave a former NASA

451
00:24:01,450 --> 00:23:59,420
astronaut emphasized the fact that there

452
00:24:04,150 --> 00:24:01,460
are probably trillions of other races

453
00:24:05,950 --> 00:24:04,160
out there that are doing star travel

454
00:24:08,880 --> 00:24:05,960
trillions this guy's mother [h__h] said

455
00:24:11,470 --> 00:24:08,890
trillions what couldn't you say to

456
00:24:15,310 --> 00:24:11,480
there's two other groups of people out

457
00:24:17,720 --> 00:24:15,320
there doing this they said trillions all

458
00:24:24,020 --> 00:24:21,170
you can watch the clip here here here's

459
00:24:27,470 --> 00:24:24,030
one of many astronauts who have a heavy

460
00:24:31,070 --> 00:24:27,480
interest in the subject as a lot of them

461
00:24:33,140 --> 00:24:31,080
like dr. Edgar Mitchell I've gotten said

462
00:24:35,450 --> 00:24:33,150
publicly that they are well aware of

463
00:24:36,890 --> 00:24:35,460

them out on that it's real and that a

464

00:24:39,110 --> 00:24:36,900

massive cover-up has been taking place

465

00:24:41,390 --> 00:24:39,120

over the years okay well yeah Edgar

466

00:24:44,360 --> 00:24:41,400

Mitchell says that will buzz aldrin say

467

00:24:46,430 --> 00:24:44,370

that I don't know John Glenn a gentleman

468

00:24:48,770 --> 00:24:46,440

still alive I think gentlemen he could

469

00:24:51,470 --> 00:24:48,780

be I actually know I think he's dead

470

00:24:53,480 --> 00:24:51,480

I don't we need more astronauts come on

471

00:24:55,100 --> 00:24:53,490

talk about this we need more scientists

472

00:24:57,860 --> 00:24:55,110

to come out and talk about the UFO

473

00:25:00,680 --> 00:24:57,870

phenomenon I doubt that they will but

474

00:25:03,740 --> 00:25:00,690

why not and in fact I think that's the

475

00:25:07,660 --> 00:25:03,750

only thing that's saving the obdam

476

00:25:10,090 --> 00:25:07,670

channel right now there's been a lot of

477

00:25:12,920 --> 00:25:10,100

controversy on YouTube when it comes to

478

00:25:15,620 --> 00:25:12,930

like a right wing content being shut

479

00:25:18,440 --> 00:25:15,630

down whether it's the health Ranger Alex

480

00:25:20,840 --> 00:25:18,450

Jones and some others that have been

481

00:25:24,140 --> 00:25:20,850

taken off YouTube or at least having

482

00:25:26,410 --> 00:25:24,150

some strikes levied against them I think

483

00:25:30,230 --> 00:25:26,420

that since we talked about Bigfoot UFO

484

00:25:32,720 --> 00:25:30,240

ghosts conspiracies and in politics I

485

00:25:34,070 --> 00:25:32,730

think we're safe for the time being

486

00:25:40,250 --> 00:25:34,080

because no one's gonna take a serious

487

00:25:42,640 --> 00:25:40,260

but perhaps they should know if you talk

488

00:25:45,410 --> 00:25:42,650

about everything I think you're OK to

489

00:25:48,380 --> 00:25:45,420

give me I don't think that the the

490

00:25:51,590 --> 00:25:48,390

ruling elite I think the public take

491

00:25:54,460 --> 00:25:51,600

Bigfoot or cryptozoology that serious so

492

00:26:00,730 --> 00:25:54,470

when they take a look at our channel

493

00:26:06,010 --> 00:26:03,220

that's okay even a mix of contents fine

494

00:26:08,230 --> 00:26:06,020

talk about Bigfoot

495

00:26:10,180 --> 00:26:08,240

talk about gun control is fine don't

496

00:26:13,230 --> 00:26:10,190

give Bigfoot guns we know that that's

497

00:26:16,320 --> 00:26:13,240

fine we all that's not a good idea

498

00:26:21,070 --> 00:26:16,330

no one wants Bigfoot with an ar-15 it's

499

00:26:28,510 --> 00:26:22,870

let's move on I got some more stories

500

00:26:30,730 --> 00:26:28,520

for you do I maybe chest pains a little

501
00:26:32,860 --> 00:26:30,740
bit the shampoos also having shampoo

502
00:26:37,169 --> 00:26:32,870
just a little bit too just a little bit

503
00:26:41,040 --> 00:26:37,179
of shampoo just a little bit of shampoo

504
00:26:48,170 --> 00:26:41,050
how do you do how do you do mr. shampoo

505
00:26:48,180 --> 00:26:52,430
alright this movement is some more

506
00:26:52,440 --> 00:26:56,110
the more topics here please

507
00:26:56,120 --> 00:27:02,330
oh boy oh boy oh boy

508
00:27:02,340 --> 00:27:05,830
got this one

509
00:27:09,519 --> 00:27:08,140
this is just a kind of reiteration of

510
00:27:12,960 --> 00:27:09,529
what we talked about before when it

511
00:27:18,880 --> 00:27:16,690
UFO program I guess I can place for you

512
00:27:21,700 --> 00:27:18,890
if as long as it's not just words I'll

513
00:27:23,230 --> 00:27:21,710

play for you but it's titled Pentagon's

514

00:27:27,490 --> 00:27:23,240

mysterious project breathes new life

515

00:27:33,290 --> 00:27:27,500

into UFO research it could be just a

516

00:27:37,720 --> 00:27:34,910

and I don't know if I just I don't know

517

00:27:39,010 --> 00:27:37,730

if I need a bunch of words

518

00:27:41,020 --> 00:27:39,020

that on the screen yeah it's just a

519

00:27:43,960 --> 00:27:41,030

budget it's one of these goddamn [h__\h]

520

00:27:45,280 --> 00:27:43,970

videos but they just do like a slide

521

00:27:47,380 --> 00:27:45,290

show and they put words up there

522

00:27:50,740 --> 00:27:47,390

higher-self ready to do some voiceover

523

00:27:55,210 --> 00:27:50,750

work they're starving voice actors out

524

00:28:00,050 --> 00:27:55,220

there give him some work

525

00:28:06,110 --> 00:28:04,610

that what investigated what's going on

526

00:28:08,030 --> 00:28:06,120

here start off with the real sentence

527

00:28:09,350 --> 00:28:08,040

okay it's completely rational to be

528

00:28:10,940 --> 00:28:09,360

interested in trying to figure out

529

00:28:15,080 --> 00:28:10,950

what's going on with this

530

00:28:16,570 --> 00:28:15,090

she told WTOP Keene co-authored a

531

00:28:19,490 --> 00:28:16,580

stunning article in The New York Times

532

00:28:21,650 --> 00:28:19,500

late last year that revealed that the

533

00:28:23,150 --> 00:28:21,660

existence of the Pentagon's secret

534

00:28:23,900 --> 00:28:23,160

project to investigate unidentified

535

00:28:26,420 --> 00:28:23,910

flying objects

536

00:28:32,000 --> 00:28:26,430

the advanced aerospace threat

537

00:28:35,560 --> 00:28:32,010

identification program the AAA GIP must

538

00:28:38,500 --> 00:28:35,570

later this is still earth-shaking news

539

00:28:43,340 --> 00:28:38,510

just months later it is still

540

00:28:45,620 --> 00:28:43,350

earth-shaking news to those eager for

541

00:28:47,180 --> 00:28:45,630

the truth that's because the last known

542

00:28:49,970 --> 00:28:47,190

government program to investigate UFO

543

00:28:51,830 --> 00:28:49,980

encounters the Air Force's Project Blue

544

00:28:56,720 --> 00:28:51,840

Book officially ended almost 50 years

545

00:28:59,390 --> 00:28:56,730

ago in 1969 the researchers in this area

546

00:29:01,550 --> 00:28:59,400

have always speculated and wondered what

547

00:29:03,410 --> 00:29:01,560

is going on behind the scenes is there a

548

00:29:08,000 --> 00:29:03,420

government investigation into this and

549

00:29:10,280 --> 00:29:08,010

how we know that the answers is yes and

550

00:29:13,700 --> 00:29:10,290

now we know the answer is yes oh yeah we

551
00:29:16,100 --> 00:29:13,710
all have suspected that they never gave

552
00:29:18,950 --> 00:29:16,110
up on investigating UFOs and this is

553
00:29:20,120 --> 00:29:18,960
this all cover [h__h] this is what

554
00:29:23,450 --> 00:29:20,130
this is what I don't like about these

555
00:29:27,580 --> 00:29:23,460
articles is because they take the

556
00:29:30,260 --> 00:29:27,590
government's press release at face value

557
00:29:33,730 --> 00:29:30,270
they don't dig any deeper they don't

558
00:29:35,930 --> 00:29:33,740
they don't talk to any eyewitness

559
00:29:37,460 --> 00:29:35,940
testimony or eyewitness encounters

560
00:29:38,870 --> 00:29:37,470
people who had first-hand experience

561
00:29:43,410 --> 00:29:38,880
with these UFOs

562
00:29:47,490 --> 00:29:45,540
they don't talk to Travis Walton they

563
00:29:49,500 --> 00:29:47,500

don't talk to you any of the the the

564

00:29:53,190 --> 00:29:49,510

military personnel from Reno some forest

565

00:29:56,490 --> 00:29:53,200

or anything that they strictly go on the

566

00:29:58,890 --> 00:29:56,500

Pentagon UFO report which is they only

567

00:30:01,230 --> 00:29:58,900

spent 23 million bucks on come on let's

568

00:30:03,840 --> 00:30:01,240

drop in the [h__h] bucket and they go

569

00:30:09,610 --> 00:30:03,850

yeah UFO this is a real phenomenon it's

570

00:30:13,810 --> 00:30:11,920

you don't need a pentagon study to prove

571

00:30:16,900 --> 00:30:13,820

it it's on the books now yeah it's I

572

00:30:18,430 --> 00:30:16,910

mean there it is you can look at the

573

00:30:21,190 --> 00:30:18,440

books there it is you can take a look at

574

00:30:25,930 --> 00:30:21,200

it but it's always been real we don't

575

00:30:28,720 --> 00:30:25,940

need the government to tell us this is

576

00:30:30,130 --> 00:30:28,730

going on in fact we we should keep the

577

00:30:31,390 --> 00:30:30,140

government out of this they're not

578

00:30:34,240 --> 00:30:31,400

trustworthy when it comes to these

579

00:30:37,090 --> 00:30:34,250

[h__h] important topics they lie about

580

00:30:40,180 --> 00:30:37,100

this [h__h] and then even if they have a

581

00:30:44,169 --> 00:30:40,190

crashed alien UFO then like I tell you

582

00:30:46,900 --> 00:30:44,179

about it they're gonna lie to you that's

583

00:30:48,970 --> 00:30:46,910

what they want to do yeah you're gonna

584

00:30:50,230 --> 00:30:48,980

have some generals high up say oh we

585

00:30:54,240 --> 00:30:50,240

don't have this technology but they

586

00:30:59,070 --> 00:30:56,490

everyone thinks they know I think I know

587

00:31:03,810 --> 00:30:59,080

I don't know [h__h] all I know is they lie

588

00:31:05,160 --> 00:31:03,820

I think we can start there

589

00:31:08,580 --> 00:31:05,170

I think there's a fair assumption to

590

00:31:10,710 --> 00:31:08,590

make given all the different excuses all

591

00:31:13,410 --> 00:31:10,720

the different reasons for Roswell giving

592

00:31:17,820 --> 00:31:13,420

all the different every take any major

593

00:31:20,610 --> 00:31:17,830

event and the initial first response the

594

00:31:24,050 --> 00:31:20,620

first line it's probably not true but

595

00:31:29,810 --> 00:31:25,550

I got to put gonna put out the word

596

00:31:33,230 --> 00:31:29,820

about something I get it probably put

597

00:31:36,030 --> 00:31:33,240

out a lie and like in and then make a

598

00:31:37,919 --> 00:31:36,040

lie to cover up the lie

599

00:31:40,830 --> 00:31:37,929

twenty-two million bucks to investigate

600

00:31:44,010 --> 00:31:40,840

UFOs has nothing for the Pentagon it's

601
00:31:45,390 --> 00:31:44,020
absolute [h__\h]

602
00:31:48,509 --> 00:31:45,400
if you want to write and protest about

603
00:31:50,879 --> 00:31:48,519
some projects about that

604
00:31:53,129 --> 00:31:50,889
why if you're gonna spend 22 million

605
00:31:54,749 --> 00:31:53,139
bucks on somethi the homeless if you're

606
00:31:57,359 --> 00:31:54,759
gonna drop a billion dollars into

607
00:31:59,820 --> 00:31:57,369
researching UFO and UFO technology great

608
00:32:02,549 --> 00:31:59,830
that might do something as long as it's

609
00:32:07,590 --> 00:32:02,559
done in a transparent way which I doubt

610
00:32:11,340 --> 00:32:10,140
but I guess you want to drop a billion

611
00:32:13,500 --> 00:32:11,350
dollars in the homelessness I would

612
00:32:16,420 --> 00:32:13,510
never do a lot

613
00:32:19,900 --> 00:32:16,430

you can make some [h__h] happen there

614

00:32:22,630 --> 00:32:19,910

oh yeah [h__h] all right six one four

615

00:32:26,980 --> 00:32:22,640

three eight nine 109 I'm getting angry

616

00:32:29,620 --> 00:32:26,990

at UFOs I really am because this goes on

617

00:32:32,260 --> 00:32:29,630

to say there are reports of reptilians

618

00:32:34,120 --> 00:32:32,270

grey aliens boat all in short hybrid

619

00:32:37,930 --> 00:32:34,130

looking aliens human looking ones and

620

00:32:41,560 --> 00:32:37,940

much more you know next episode next

621

00:32:44,980 --> 00:32:41,570

night talk I I have a full report a full

622

00:32:47,590 --> 00:32:44,990

report breakdown on the Nordic aliens

623

00:32:49,930 --> 00:32:47,600

which I'm just gonna read I'm just gonna

624

00:32:53,980 --> 00:32:49,940

sit down and read the Nordic alien

625

00:32:56,020 --> 00:32:53,990

breakdown you know the the good looking

626

00:32:56,890 --> 00:32:56,030

like a blonde tall's the guys who look

627

00:32:59,980 --> 00:32:56,900

like they're an Ace of Base

628

00:33:02,980 --> 00:32:59,990

yeah those aliens got a full report on

629

00:33:04,990 --> 00:33:02,990

them and we're gonna read down you might

630

00:33:06,640 --> 00:33:05,000

be friends with one of them there are

631

00:33:09,430 --> 00:33:06,650

few of them being a band with few of

632

00:33:11,170 --> 00:33:09,440

them you might be making electronic pop

633

00:33:12,520 --> 00:33:11,180

music with one of these Nordics right

634

00:33:19,990 --> 00:33:12,530

now and not even realize it

635

00:33:27,010 --> 00:33:21,700

all right maybe I should take a look at

636

00:33:32,380 --> 00:33:27,020

Reddit and see what's going on at reddit

637

00:33:34,000 --> 00:33:32,390

I think I may I might I might take a

638

00:33:35,320 --> 00:33:34,010

look on reddit real fast and then I'm

639

00:33:37,930 --> 00:33:35,330

gonna get the hell out of here and

640

00:33:40,480 --> 00:33:37,940

probably watch Star Trek what do you

641

00:33:46,380 --> 00:33:40,490

think about that hi like them apples

642

00:33:46,390 --> 00:33:50,050

right

643

00:33:55,810 --> 00:33:52,990

let's take a look at reddit conspiracy

644

00:34:00,400 --> 00:33:55,820

and see what's going on over there

645

00:34:04,420 --> 00:34:00,410

oh my gun oh my god the shampoo caller

646

00:34:10,030 --> 00:34:04,430

go ahead Oh what up boy hey what's going

647

00:34:13,510 --> 00:34:10,040

on this man I'm saying 5,000 alien sex

648

00:34:15,460 --> 00:34:13,520

tonight well I tried to read the alien

649

00:34:17,230 --> 00:34:15,470

sex story and it didn't get to too much

650

00:34:20,350 --> 00:34:17,240

sex maybe just didn't go down far enough

651
00:34:22,360 --> 00:34:20,360
and it maybe I didn't I'd maybe I should

652
00:34:25,240 --> 00:34:22,370
go down further in the article but yeah

653
00:34:29,020 --> 00:34:25,250
I'm trying to talk about it right all

654
00:34:31,600 --> 00:34:29,030
right just you tonight man where's his

655
00:34:33,340 --> 00:34:31,610
night talk live midnight Mike mind this

656
00:34:35,500 --> 00:34:33,350
is the Monday night open lines where

657
00:34:38,169 --> 00:34:35,510
anything can happen and I was on here

658
00:34:43,869 --> 00:34:38,179
babbling to myself so yeah just me right

659
00:34:46,270 --> 00:34:43,879
on I thought I call it a little bit it's

660
00:34:50,320 --> 00:34:46,280
open lines I mean so anybody can call in

661
00:35:08,550 --> 00:34:50,330
with anything they want and what's going

662
00:35:11,830 --> 00:35:08,560
on back it sounds like this dying yeah

663
00:35:14,200 --> 00:35:11,840

yeah I asked you about doing dabs and

664

00:35:19,780 --> 00:35:14,210

that's that's what doing jabs is like

665

00:35:22,140 --> 00:35:19,790

they're really really [h__h] insane you

666

00:35:27,160 --> 00:35:22,150

do dabs and you use coffee brains out

667

00:35:30,100 --> 00:35:27,170

yeah yeah I mean you can control it but

668

00:35:33,070 --> 00:35:30,110

when you get to get to like they you

669

00:35:34,930 --> 00:35:33,080

just do really big ones and kind of like

670

00:35:37,630 --> 00:35:34,940

a head rush you know I don't know I've

671

00:35:40,660 --> 00:35:37,640

never I've never done but I smoke

672

00:35:44,470 --> 00:35:40,670

marijuana so what is dabs compared to

673

00:35:46,840 --> 00:35:44,480

marijuana it's just it's a concentrate

674

00:35:50,470 --> 00:35:46,850

like they they take the weed and they

675

00:35:55,000 --> 00:35:50,480

just blast it with butane or propane or

676
00:35:59,650 --> 00:35:55,010
alcohol and purge off the solvents and

677
00:36:02,800 --> 00:35:59,660
what's left over is your your oil patch

678
00:36:04,030 --> 00:36:02,810
you know and you just instead of smoking

679
00:36:06,670 --> 00:36:04,040
it in a pipe like you would

680
00:36:08,560 --> 00:36:06,680
rolling it up in a joint you just you

681
00:36:12,400 --> 00:36:08,570
heat up what's called a nail and you

682
00:36:14,530 --> 00:36:12,410
drop your oil on there and just it just

683
00:36:17,260 --> 00:36:14,540
vaporized instantly and gives you like a

684
00:36:19,540 --> 00:36:17,270
really really big hit you know but I

685
00:36:21,280 --> 00:36:19,550
don't know it's it's a kind of

686
00:36:22,510 --> 00:36:21,290
overpowering honestly like if you were

687
00:36:25,210 --> 00:36:22,520
to give it to somebody who'd never

688
00:36:27,850 --> 00:36:25,220

smoked pot before they might [\h__\h] end

689

00:36:29,800 --> 00:36:27,860

up in the emergency room me thinking

690

00:36:31,750 --> 00:36:29,810

thinking they're having a freakout or

691

00:36:35,800 --> 00:36:31,760

some [\h__\h] yeah I can imagine

692

00:36:37,690 --> 00:36:35,810

want to smoke some reefer yeah so you

693

00:36:38,830 --> 00:36:37,700

probably shouldn't give it to kids is

694

00:36:42,790 --> 00:36:38,840

that what you're saying it's not like a

695

00:36:45,640 --> 00:36:42,800

good like for sure yeah no mm-hmm I

696

00:36:48,040 --> 00:36:45,650

don't think so I don't think I don't

697

00:36:50,200 --> 00:36:48,050

believe that kids under the age of well

698

00:36:54,070 --> 00:36:50,210

I mean I don't know I guess everybody

699

00:36:55,900 --> 00:36:54,080

matures at a different age yeah but me

700

00:36:57,820 --> 00:36:55,910

myself I know that when I started

701
00:37:00,520 --> 00:36:57,830
smoking pot in high school it [h__h]

702
00:37:02,530 --> 00:37:00,530
everything up you know I mean maybe he

703
00:37:05,140 --> 00:37:02,540
didn't [h__h] everything up but my

704
00:37:06,760 --> 00:37:05,150
priorities certainly changed sure and I

705
00:37:09,730 --> 00:37:06,770
don't think it's I don't think it's good

706
00:37:12,280 --> 00:37:09,740
for a developing brain you know probably

707
00:37:14,920 --> 00:37:12,290
not I think sporadically it was it's

708
00:37:16,780 --> 00:37:14,930
fine I wasn't smoking weed every day in

709
00:37:19,570 --> 00:37:16,790
high school but I would say I would say

710
00:37:23,740 --> 00:37:19,580
three or four days of the week I was

711
00:37:25,540 --> 00:37:23,750
high in junior and senior year that's

712
00:37:28,200 --> 00:37:25,550
kind of how I was yeah I wasn't really

713
00:37:32,200 --> 00:37:28,210

an everyday an everyday type deal but

714

00:37:34,930 --> 00:37:32,210

that's that's that was for me too

715

00:37:37,990 --> 00:37:34,940

yeah I eventually stopped smoking and

716

00:37:41,110 --> 00:37:38,000

like aged 23 I just had I had to quit

717

00:37:42,760 --> 00:37:41,120

smoking weed for job and I never really

718

00:37:47,860 --> 00:37:42,770

looked back after that and occasionally

719

00:37:51,040 --> 00:37:47,870

I'll smoke like once a month but uh kick

720

00:37:52,230 --> 00:37:51,050

your ass oh yeah I'll do I think do is

721

00:37:55,030 --> 00:37:52,240

I'm [h__\h] done

722

00:37:57,880 --> 00:37:55,040

that's see that's nice though you know

723

00:38:00,700 --> 00:37:57,890

like I would do that I mean and I have I

724

00:38:05,230 --> 00:38:00,710

stopped before and loaded my tolerance

725

00:38:07,300 --> 00:38:05,240

but yeah and yeah honestly if you were

726

00:38:08,950 --> 00:38:07,310

to do a jab man you'd probably [\h__\h]

727

00:38:11,440 --> 00:38:08,960

think you were hallucinating or

728

00:38:13,540 --> 00:38:11,450

something yeah no no I don't need that

729

00:38:15,850 --> 00:38:13,550

it seems like a lot of pressure I'm not

730

00:38:17,700 --> 00:38:15,860

I'm not good when on weed when I blow

731

00:38:22,420 --> 00:38:17,710

weird bad things either

732

00:38:25,240 --> 00:38:22,430

not for everybody yeah I think it's I

733

00:38:27,370 --> 00:38:25,250

know I personally know some people who

734

00:38:30,910 --> 00:38:27,380

moved out to Colorado and that's what

735

00:38:35,590 --> 00:38:30,920

they've used to come off of heroin and

736

00:38:37,720 --> 00:38:35,600

other harder drugs is is you know the I

737

00:38:40,720 --> 00:38:37,730

guess the wheat itself wasn't enough you

738

00:38:45,340 --> 00:38:40,730

know like doing dance so that's how they

739

00:38:49,360 --> 00:38:45,350

control their pain and [h__\h] yeah what's

740

00:38:51,340 --> 00:38:49,370

he saying oh she's she's back here I got

741

00:38:54,040 --> 00:38:51,350

[h__\h] kittens running around my house

742

00:38:57,790 --> 00:38:54,050

so he's back here getting attached to

743

00:38:59,340 --> 00:38:57,800

him okay well hey I just saw that was

744

00:39:02,740 --> 00:38:59,350

one of the don't hammer these kittens

745

00:39:05,800 --> 00:39:02,750

yeah well I love cats I just I just got

746

00:39:09,520 --> 00:39:05,810

too many [h__\h] animals yeah what's on

747

00:39:11,860 --> 00:39:09,530

your mind tonight um I don't know man I

748

00:39:13,740 --> 00:39:11,870

just wanted to call in and say hey and I

749

00:39:16,690 --> 00:39:13,750

appreciate that you know

750

00:39:25,390 --> 00:39:16,700

jingle jingle bingo [h__\h] what up

751
00:39:44,080 --> 00:39:25,400
with that that's what he's talking about

752
00:39:53,280 --> 00:39:44,090
right now okay thank you buddy

753
00:40:00,940 --> 00:39:57,370
they're doing dams in Nebraska couldn't

754
00:40:04,420 --> 00:40:00,950
believe that I don't think I can do dabs

755
00:40:06,770 --> 00:40:04,430
if it sounds like that I don't think I

756
00:40:10,910 --> 00:40:06,780
would do very well

757
00:40:14,330 --> 00:40:10,920
I just know I couldn't operate on that

758
00:40:16,340 --> 00:40:14,340
level I was gonna go back I was gonna do

759
00:40:19,640 --> 00:40:16,350
the are conspiracy but I probably should

760
00:40:21,830 --> 00:40:19,650
finish finish up the alien sex daddy I

761
00:40:25,540 --> 00:40:21,840
didn't even get to the sex part of of

762
00:40:29,030 --> 00:40:25,550
the aliens did I know I didn't

763
00:40:33,710 --> 00:40:29,040

so this is also same article from

764

00:40:36,020 --> 00:40:33,720

collective - evolution com it goes on to

765

00:40:37,730 --> 00:40:36,030

say decades of study have led many

766

00:40:40,040 --> 00:40:37,740

researchers to conclude that these

767

00:40:42,350 --> 00:40:40,050

beings abduct humans in the dead of

768

00:40:44,120 --> 00:40:42,360

night and perform various procedures on

769

00:41:04,670 --> 00:40:44,130

them these procedures are often

770

00:41:09,290 --> 00:41:08,270

alien sex and abductions dad I'm trying

771

00:41:11,570 --> 00:41:09,300

to get there I'm trying to get their

772

00:41:14,990 --> 00:41:11,580

Jungian sex I was wondering if you would

773

00:41:17,300 --> 00:41:15,000

yeah you were gonna watch Star Trek yeah

774

00:41:23,500 --> 00:41:17,310

yeah my kind of literally want some TNG

775

00:41:25,000 --> 00:41:23,510

yeah yes the best one finished did [h__\h]

776

00:41:28,210 --> 00:41:25,010

[h__\h]

777

00:41:30,230 --> 00:41:28,220

did you finish watching Discovery I

778

00:41:34,220 --> 00:41:30,240

watched the first two episodes and I

779

00:41:38,390 --> 00:41:34,230

could not get past the the lack of Star

780

00:41:42,880 --> 00:41:38,400

Trek miss you gotta watch it really is

781

00:41:45,530 --> 00:41:42,890

it good because it resembled nothing

782

00:41:47,570 --> 00:41:45,540

discovery and diplomacy and then it

783

00:41:49,130 --> 00:41:47,580

seemed like a war a war vehicle just

784

00:41:50,060 --> 00:41:49,140

seemed like a good special effects in

785

00:41:52,640 --> 00:41:50,070

war

786

00:41:55,790 --> 00:41:52,650

does he like Star Trek was just it was

787

00:41:58,940 --> 00:41:55,800

just fun I said I have enough don't have

788

00:42:00,560 --> 00:41:58,950

to get worse in the mouth although with

789

00:42:04,460 --> 00:42:00,570

Star Wars it's kind of hard not to do

790

00:42:06,080 --> 00:42:04,470

that you watch the Orval on Fox was set

791

00:42:07,940 --> 00:42:06,090

in farland which is like a teen he

792

00:42:17,600 --> 00:42:07,950

ripoff that's more Star Trek than the

793

00:42:23,120 --> 00:42:20,300

[Music]

794

00:42:26,900 --> 00:42:23,130

that alien sex thing yeah you want a

795

00:42:31,100 --> 00:42:26,910

story yeah I do a friend of mine told me

796

00:42:41,870 --> 00:42:31,110

a story about having sex with an alien

797

00:42:44,750 --> 00:42:41,880

Oh apparently it was it had blue skin it

798

00:42:49,450 --> 00:42:44,760

didn't have green skin and blue skin it

799

00:42:56,250 --> 00:42:49,460

had light blue skin heart-shaped face

800

00:43:05,150 --> 00:42:57,370

[Music]

801
00:43:09,010 --> 00:43:05,160
very green skin yes not voluptuous like

802
00:43:11,540 --> 00:43:09,020
very like skinny diminutive mouth

803
00:43:13,820 --> 00:43:11,550
obviously the highs would be the most

804
00:43:17,150 --> 00:43:13,830
overpowering future honey how do you say

805
00:43:20,300 --> 00:43:17,160
Lea does it have a vagina or anus like I

806
00:43:23,920 --> 00:43:20,310
mean the thing that that was weird about

807
00:43:29,380 --> 00:43:23,930
the that was weird about it apparently

808
00:43:32,680 --> 00:43:29,390
it had like a proboscis

809
00:43:36,819 --> 00:43:32,690
mm-hmm that came out of the vaginal

810
00:43:45,880 --> 00:43:42,099
I am engulfed the poultice member osode

811
00:43:51,420 --> 00:43:45,890
reached out and grabbed him it was like

812
00:44:03,009 --> 00:43:51,430
a prehensile [h__h] something like that

813
00:44:05,190 --> 00:44:03,019

but it was like that's disturbing to me

814

00:44:08,049 --> 00:44:05,200

that this is how they make love in space

815

00:44:15,269 --> 00:44:08,059

extremely disturbing yes and he said

816

00:44:21,339 --> 00:44:15,279

that basically sucked up his thingy and

817

00:44:24,430 --> 00:44:21,349

started with undulating motions and the

818

00:44:25,720 --> 00:44:24,440

dragon couldn't he couldn't you know

819

00:44:28,420 --> 00:44:25,730

couldn't help himself

820

00:44:30,130 --> 00:44:28,430

well I mean look I mean he was it was

821

00:44:31,720 --> 00:44:30,140

against his own will he didn't want this

822

00:44:34,089 --> 00:44:31,730

to happen there's just what was happy at

823

00:44:36,400 --> 00:44:34,099

the time I'm very lucky this pipe story

824

00:44:41,620 --> 00:44:36,410

I mean this is she had she had

825

00:44:43,509 --> 00:44:41,630

dreadlocks this is all very weird and

826

00:44:46,809 --> 00:44:43,519

it's very weird don't you think

827

00:44:49,509 --> 00:44:46,819

it's it's almost too incredible real

828

00:44:54,519 --> 00:44:49,519

weird I know but it was weird enough

829

00:44:56,019 --> 00:44:54,529

that I was like maybe it's true I mean I

830

00:44:59,750 --> 00:44:56,029

mean I don't know it sounds like the

831

00:45:04,100 --> 00:45:01,340

you're seeing movie with no Bruce Willis

832

00:45:05,900 --> 00:45:04,110

I have yeah but it's been a long time

833

00:45:08,540 --> 00:45:05,910

when I go back and read what's really

834

00:45:13,940 --> 00:45:08,550

she was like he was he couldn't move

835

00:45:19,570 --> 00:45:13,950

and she's on top both kiss thing comes

836

00:45:22,190 --> 00:45:19,580

out and why is the Ambu sextillion

837

00:45:25,750 --> 00:45:22,200

having sex with the predator or the

838

00:45:28,610 --> 00:45:25,760

xenomorph I this is a fantastical story

839

00:45:30,440 --> 00:45:28,620

was fantastical [h__h] there was another

840

00:45:34,099 --> 00:45:30,450

one

841

00:45:37,880 --> 00:45:34,109

encounter he had the impression that it

842

00:45:45,170 --> 00:45:37,890

was wearing a wig okay this is all I

843

00:45:47,509 --> 00:45:45,180

have a feeling I gotta say I'm big I

844

00:45:52,569 --> 00:45:47,519

gotta say I think you're putting me on

845

00:45:56,380 --> 00:45:52,579

here it sounds like you might be a

846

00:46:03,500 --> 00:45:56,390

skeleton okay well then this is serious

847

00:46:13,910 --> 00:46:03,510

I'm telling you actual story that may or

848

00:46:16,279 --> 00:46:13,920

may not be true okay

849

00:46:18,410 --> 00:46:16,289

details that are so strange that it's

850

00:46:20,210 --> 00:46:18,420

like how can you make this [h__h] up I

851
00:46:22,039 --> 00:46:20,220
mean these are person there was another

852
00:46:27,829 --> 00:46:22,049
one of them sitting on the edge of the

853
00:46:31,079 --> 00:46:27,839
bed who was who had like short white

854
00:46:38,069 --> 00:46:33,979
he doesn't remember anything beyond that

855
00:46:40,589 --> 00:46:38,079
so did did he get like some kind of like

856
00:46:42,539 --> 00:46:40,599
thanks for your participation we got a

857
00:46:44,309 --> 00:46:42,549
space baby now we'll come back and we'll

858
00:46:46,319 --> 00:46:44,319
we'll let you know if we need any kind

859
00:46:48,410 --> 00:46:46,329
of like assistance anything that was

860
00:46:54,539 --> 00:46:48,420
just wham bam thank you ma'am

861
00:47:01,739 --> 00:46:54,549
basically wham bam thank you sir he said

862
00:47:03,420 --> 00:47:01,749
he woke up drenched okay well sure yeah

863
00:47:08,609 --> 00:47:03,430

very hot experience very tantalizing

864

00:47:13,259 --> 00:47:08,619

tale lazing well I mean he got off right

865

00:47:15,479 --> 00:47:13,269

several times multiple partners well he

866

00:47:18,420 --> 00:47:15,489

he didn't say whether or not anything

867

00:47:19,709 --> 00:47:18,430

happened with the other oh okay

868

00:47:21,660 --> 00:47:19,719

so the other one was just a peeping tom

869

00:47:25,680 --> 00:47:21,670

I didn't either these are you know

870

00:47:30,289 --> 00:47:25,690

vaguely female sure I think this is

871

00:47:32,940 --> 00:47:30,299

about as best as they can do well

872

00:47:35,789 --> 00:47:32,950

apparently it's about presentation but I

873

00:47:37,469 --> 00:47:35,799

don't know about you know you I'm gonna

874

00:47:41,759 --> 00:47:37,479

assume that your girlfriend doesn't have

875

00:47:46,069 --> 00:47:41,769

like a you know thing that comes out no

876

00:47:49,109 --> 00:47:46,079

she's very human yeah and this was

877

00:47:52,019 --> 00:47:49,119

apparently a very non human very non

878

00:47:53,759 --> 00:47:52,029

human sexual encounter yeah just like

879

00:47:58,079 --> 00:47:53,769

just reminded me of like these old

880

00:48:01,380 --> 00:47:58,089

succubus stories yeah across across the

881

00:48:02,969 --> 00:48:01,390

centuries and that but you know it's

882

00:48:06,660 --> 00:48:02,979

it's alien sex night

883

00:48:09,269 --> 00:48:06,670

yeah it is I debated calling in

884

00:48:12,809 --> 00:48:09,279

everybody who's egging me on and I was

885

00:48:15,059 --> 00:48:12,819

like I'm not drunk enough yet but I'll

886

00:48:17,099 --> 00:48:15,069

do it anyway well I appreciate the story

887

00:48:19,349 --> 00:48:17,109

I'm gonna try and move on here and read

888

00:48:22,079 --> 00:48:19,359

the one last like little snippet of this

889

00:48:25,829 --> 00:48:22,089

alien sex stuff and then line things up

890

00:48:28,459 --> 00:48:25,839

but yeah yeah your story I had of course

891

00:48:29,910 --> 00:48:28,469

have you did great it's absolutely

892

00:48:32,099 --> 00:48:29,920

fantastic

893

00:48:36,759 --> 00:48:32,109

well I appreciate the call Ramona thank

894

00:48:42,849 --> 00:48:40,579

can't believe you've done this okay

895

00:48:45,949 --> 00:48:42,859

thank you for you cold

896

00:48:48,829 --> 00:48:45,959

alright just finish up these this

897

00:48:54,170 --> 00:48:52,190

that these procedures as often recounted

898

00:48:56,450 --> 00:48:54,180

by a ledge of the few seem to be geared

899

00:48:58,309 --> 00:48:56,460

towards some sort of breeding or genetic

900

00:49:01,400 --> 00:48:58,319

manipulation program in other words the

901
00:49:03,799 --> 00:49:01,410
greys may be creating a race that in

902
00:49:07,400 --> 00:49:03,809
some sort of hybrid is some sort of

903
00:49:10,219 --> 00:49:07,410
hybrid between human and gray if we ever

904
00:49:12,410 --> 00:49:10,229
prove openly that Gray's in these

905
00:49:14,479 --> 00:49:12,420
activities are real the public reaction

906
00:49:16,390 --> 00:49:14,489
would be overwhelming no [h__\h]

907
00:49:20,479 --> 00:49:16,400
[h__\h] you hear that guy's story

908
00:49:26,920 --> 00:49:20,489
with that alien like vagina that is like

909
00:49:32,549 --> 00:49:28,510
how we're gonna deal with that stuff I

910
00:49:37,779 --> 00:49:32,559
don't think society's ready oh my god

911
00:49:41,900 --> 00:49:39,859
transsexuals inverse generally though

912
00:49:44,209 --> 00:49:41,910
those are did that ever society is just

913
00:49:47,709 --> 00:49:44,219

getting familiar with that used to that

914

00:49:50,809 --> 00:49:47,719

we can't have a reality show with

915

00:49:54,289 --> 00:49:50,819

Keeping Up with the Kardashians or the

916

00:49:57,469 --> 00:49:54,299

Klingons can't do that we're not ready

917

00:50:00,470 --> 00:49:57,479

yet having sex with the Klingons we

918

00:50:02,900 --> 00:50:00,480

can't do that reality show

919

00:50:05,210 --> 00:50:02,910

a well-known UFO abduction case involved

920

00:50:08,980 --> 00:50:05,220

the young Brazilian farmer named Antonio

921

00:50:11,630 --> 00:50:08,990

Villas Blas who lived near San Paolo

922

00:50:14,950 --> 00:50:11,640

harrassed had an apparent abduction

923

00:50:17,630 --> 00:50:14,960

experience on the night of October 15

924

00:50:20,810 --> 00:50:17,640

1957 he gave a detailed description of

925

00:50:24,440 --> 00:50:20,820

the insider craft and its occupants

926

00:50:27,170 --> 00:50:24,450

they wore tight white clothing was a

927

00:50:30,080 --> 00:50:27,180

light on their belt white shoes with no

928

00:50:32,660 --> 00:50:30,090

heels large gloves and opaque helmets

929

00:50:35,720 --> 00:50:32,670

with a slit at the level of the eyes he

930

00:50:38,210 --> 00:50:35,730

claimed to have been stripped naked and

931

00:50:42,940 --> 00:50:38,220

given a medical exam in which one of the

932

00:50:47,920 --> 00:50:44,380

it was then led to another room where

933

00:50:50,260 --> 00:50:47,930

they took some blood from his chin then

934

00:50:53,980 --> 00:50:50,270

left him alone an unpleasant odor caused

935

00:50:56,710 --> 00:50:53,990

him to vomit eventually an alien female

936

00:50:58,770 --> 00:50:56,720

entered the room entirely naked she was

937

00:51:01,930 --> 00:50:58,780

attractive but seems very much like

938

00:51:02,440 --> 00:51:01,940

later descriptions of the human alien

939

00:51:05,440 --> 00:51:02,450

hybrid

940

00:51:08,890 --> 00:51:05,450

she had hair that was nearly white large

941

00:51:12,180 --> 00:51:08,900

slanted blue eyes an ordinary nose but

942

00:51:17,950 --> 00:51:12,190

small ordinary ears high cheekbones in

943

00:51:21,069 --> 00:51:17,960

pointed chin they had sex this was no

944

00:51:23,349 --> 00:51:21,079

fantasy out of Star Trek Bo's later said

945

00:51:26,109 --> 00:51:23,359

he was uncontrollably excited

946

00:51:28,270 --> 00:51:26,119

despite being physically repelled by the

947

00:51:31,210 --> 00:51:28,280

experience he won't he wondered whether

948

00:51:34,180 --> 00:51:31,220

the liquid that had been spread over him

949

00:51:36,940 --> 00:51:34,190

had contribute to this when the sexual

950

00:51:39,190 --> 00:51:36,950

experience was over the woman lost

951
00:51:41,290 --> 00:51:39,200
interest and left the room just before

952
00:51:43,780 --> 00:51:41,300
she left she turned him pointed at her

953
00:51:46,569 --> 00:51:43,790
belly then pointed to the southern sky

954
00:51:47,410 --> 00:51:46,579
is that some kind of like gang symbol so

955
00:51:50,440 --> 00:51:47,420
some [h__h] like that

956
00:51:55,509 --> 00:51:52,269
well the guy was obviously raped by an

957
00:51:58,089 --> 00:51:55,519
alien because I must say frequently the

958
00:51:59,829 --> 00:51:58,099
abductees would be giving reassuring

959
00:52:02,620 --> 00:51:59,839
statements such as you are very special

960
00:52:04,599 --> 00:52:02,630
to us sperm would be collected collected

961
00:52:06,819 --> 00:52:04,609
for men eggs for in fetuses from the

962
00:52:08,500 --> 00:52:06,829
women many female abductees reported

963
00:52:10,690 --> 00:52:08,510

having fertilized eggs inserted into

964

00:52:12,900 --> 00:52:10,700

them while others who were already

965

00:52:15,940 --> 00:52:12,910

pregnant have their England in embryo

966

00:52:17,650 --> 00:52:15,950

extracted it also appeared that

967

00:52:19,539 --> 00:52:17,660

abductees were targeted in their

968

00:52:21,130 --> 00:52:19,549

childhood in mine for genetic and

969

00:52:26,829 --> 00:52:21,140

reproductive material throughout their

970

00:52:29,769 --> 00:52:26,839

lives how [h__h] scary that's just some

971

00:52:33,009 --> 00:52:29,779

fun sexual encounter now is it kids they

972

00:52:34,920 --> 00:52:33,019

track you for [h__h] life they track

973

00:52:37,210 --> 00:52:34,930

you for [h__h] life and they got you

974

00:52:39,779 --> 00:52:37,220

they can take you and they want you and

975

00:52:43,210 --> 00:52:39,789

do order the [h__h] they want with ya

976

00:52:45,160 --> 00:52:43,220

alright I'm getting out of your guys in

977

00:52:46,930 --> 00:52:45,170

about five minutes in fact I must start

978

00:52:48,160 --> 00:52:46,940

playing announcer music I'll take one

979

00:52:49,650 --> 00:52:48,170

last call if you guys want to call in if

980

00:52:54,700 --> 00:52:49,660

not tough [h__h] I'm getting out of here

981

00:52:57,560 --> 00:52:54,710

we've gotten us a helin damage I gotta

982

00:53:05,360 --> 00:52:57,570

go out Star Trek to cleanse the palate

983

00:53:07,370 --> 00:53:05,370

I can't be uh keep it Welling on like

984

00:53:11,440 --> 00:53:07,380

bad even in experience I want good

985

00:53:11,450 --> 00:53:15,620

[Music]

986

00:53:30,840 --> 00:53:19,590

yes it was all they coming to earth

987

00:53:32,340 --> 00:53:30,850

I think next week I'm going to call

988

00:53:35,160 --> 00:53:32,350

somebody to come on and I'm gonna I'm

989

00:53:36,600 --> 00:53:35,170

gonna do a guest interview I think here

990

00:53:37,850 --> 00:53:36,610

on out I'm gonna try to book somebody

991

00:53:40,380 --> 00:53:37,860

that I can talk to

992

00:53:42,170 --> 00:53:40,390

yeah I had some people in mind just

993

00:53:46,610 --> 00:53:42,180

didn't really reach out and make it I

994

00:53:51,680 --> 00:53:46,620

didn't solidify that connection for

995

00:53:53,970 --> 00:53:51,690

Monday Night Live talk Monday Night Live

996

00:54:01,890 --> 00:53:53,980

not solidified that but next week I will

997

00:54:06,720 --> 00:54:01,900

I must what is all this stuff that is

998

00:54:08,880 --> 00:54:06,730

right so much going on news that we're

999

00:54:13,520 --> 00:54:08,890

gonna get to them when today

1000

00:54:18,819 --> 00:54:16,130

how many know where to begin

1001

00:54:22,309 --> 00:54:18,829

[Music]

1002

00:54:24,049 --> 00:54:22,319

this craziness it's craziness you just

1003

00:54:30,680 --> 00:54:24,059

going to go on the internet and you see

1004

00:54:33,870 --> 00:54:30,690

nuts but craziness it happens

1005

00:54:33,880 --> 00:54:38,930

all right yeah we're getting out of here

1006

00:54:44,910 --> 00:54:42,030

didn't have one more story I don't think

1007

00:54:50,460 --> 00:54:44,920

that it was like relevant or what was it

1008

00:54:54,120 --> 00:54:50,470

oh yeah MERP Amer man beast or mermaid

1009

00:54:55,440 --> 00:54:54,130

beast I couldn't get to the store I'll

1010

00:55:00,170 --> 00:54:55,450

save it for next time it's like a

1011

00:55:05,520 --> 00:55:00,180

cryptozoological segment but it's a

1012

00:55:08,490 --> 00:55:05,530

strange Merman a banth legendary is lake

1013

00:55:12,920 --> 00:55:08,500

monster or just the Trading Post tracker

1014

00:55:16,320 --> 00:55:12,930

we'll find out next time on my talk live

1015

00:55:18,690 --> 00:55:16,330

mermaid mer creatures and all that fun

1016

00:55:25,760 --> 00:55:18,700

stuff thanks for hanging out guys I

1017

00:55:31,080 --> 00:55:25,770

really appreciate it look at my sausage

1018

00:55:31,090 --> 00:55:34,790

[Music]
