

NIGHT TALK
with
MIDNIGHT MIKE

1
00:00:05,430 --> 00:00:15,590

[Music]

2
00:00:15,600 --> 00:00:21,930

boy

3
00:00:38,580 --> 00:00:31,300

we go to the anti-psychotic ring like a

4
00:00:38,590 --> 00:00:45,860

[Music]

5
00:00:54,270 --> 00:00:48,360

all righty

6
00:01:03,660 --> 00:00:54,280

welcome back to another night talk

7
00:01:08,750 --> 00:01:03,670

coming at you live night talk live make

8
00:01:15,420 --> 00:01:08,760

it that echo up their night talk live

9
00:01:17,540 --> 00:01:15,430

and I'm joined on this show by the one

10
00:01:23,160 --> 00:01:17,550

or only clown baby he's over there oh

11
00:01:32,540 --> 00:01:23,170

yeah don't worry

12
00:01:36,030 --> 00:01:32,550

oh yes oh yes it's all happening

13
00:01:37,250 --> 00:01:36,040

as always we can't stop it from

14

00:01:39,780 --> 00:01:37,260

happening

15

00:01:43,470 --> 00:01:39,790

[Music]

16

00:01:46,230 --> 00:01:43,480

and hand down the music a little bit

17

00:01:52,140 --> 00:01:46,240

okay all right hand it down a little bit

18

00:01:54,720 --> 00:01:52,150

wow the music's a little loud yeah yeah

19

00:01:57,650 --> 00:01:54,730

so there we go yes there's the show

20

00:01:59,850 --> 00:01:57,660

we'll talk to you guys next time yeah

21

00:02:00,450 --> 00:01:59,860

that's tomorrow and that is it for us

22

00:02:04,620 --> 00:02:00,460

today

23

00:02:09,210 --> 00:02:04,630

balls over the weekend actually

24

00:02:11,400 --> 00:02:09,220

yesterday I went to a psychic fair in

25

00:02:16,949 --> 00:02:11,410

Columbus Ohio it's called the gift of

26
00:02:19,850 --> 00:02:16,959
light Expo interesting and you know this

27
00:02:22,800 --> 00:02:19,860
is a we're a bunch of psychics mediums

28
00:02:26,430 --> 00:02:22,810
Chandler's people selling runes or

29
00:02:28,320 --> 00:02:26,440
stones congregate and they have booths

30
00:02:32,390 --> 00:02:28,330
and you walk through there you pay \$13

31
00:02:35,910 --> 00:02:32,400
\$13 us to get in and they leave it at

32
00:02:36,870 --> 00:02:35,920
the Ohio Expo Center it's like the Ohio

33
00:02:38,910 --> 00:02:36,880
State Fairgrounds they have some

34
00:02:40,560 --> 00:02:38,920
buildings so it was not the Arnold

35
00:02:42,540 --> 00:02:40,570
Classic building them no not Arnold

36
00:02:45,660 --> 00:02:42,550
Classic downtown this is the Ohio State

37
00:02:50,640 --> 00:02:45,670
Fairgrounds off 17th Avenue and a

38
00:02:52,740 --> 00:02:50,650

wonderful sunny Columbus Ohio and pay 13

39

00:02:54,660 --> 00:02:52,750

bucks you go in there and you you have

40

00:02:57,710 --> 00:02:54,670

the opportunity to visit many different

41

00:02:59,850 --> 00:02:57,720

booths and buy books or talk to people

42

00:03:02,400 --> 00:02:59,860

then I got to say there's a lot of

43

00:03:05,250 --> 00:03:02,410

people in there a lot a lot of psychics

44

00:03:10,650 --> 00:03:05,260

people doing channeling they doing past

45

00:03:12,330 --> 00:03:10,660

life regressions very interesting

46

00:03:14,070 --> 00:03:12,340

experience that people from all walks of

47

00:03:16,560 --> 00:03:14,080

life people from all walks of life

48

00:03:20,310 --> 00:03:16,570

I actually saw quite a few younger

49

00:03:21,750 --> 00:03:20,320

people that I didn't expect to see now a

50

00:03:25,110 --> 00:03:21,760

lot of people who are running the booths

51
00:03:29,100 --> 00:03:25,120
were older in nature my age range that

52
00:03:33,509 --> 00:03:29,110
is in the 20s issue late 20s late 30s

53
00:03:34,800 --> 00:03:33,519
early 40s in older but there are a lot

54
00:03:36,449 --> 00:03:34,810
of people that are walking around this

55
00:03:43,470 --> 00:03:36,459
scene though did you translate your age

56
00:03:45,240 --> 00:03:43,480
range is late 20s kind of massage the if

57
00:03:47,699 --> 00:03:45,250
you're listening to the audio only is

58
00:03:49,860 --> 00:03:47,709
the magic imagine me midnight mic in my

59
00:03:53,790 --> 00:03:49,870
late 20s okay

60
00:03:56,220 --> 00:03:53,800
and a lot of obscene stuff there I was

61
00:04:00,960 --> 00:03:56,230
I'm drawn right now I'm drawn to like

62
00:04:06,000 --> 00:04:00,970
rune like ancient Nordic runes and that

63
00:04:08,400 --> 00:04:06,010

kind of stuff I I'm into that and the

64

00:04:10,740 --> 00:04:08,410

mall and I actually went to this seminar

65

00:04:13,850 --> 00:04:10,750

they had this this older woman and her

66

00:04:18,960 --> 00:04:13,860

husband were giving a seminar about the

67

00:04:21,840 --> 00:04:18,970

the natural hum of Earth and that she

68

00:04:23,940 --> 00:04:21,850

had a whole dissertation about what the

69

00:04:26,850 --> 00:04:23,950

earth resonates at and what it resonated

70

00:04:29,850 --> 00:04:26,860

at it in like the 2008 then it changed

71

00:04:32,550 --> 00:04:29,860

it's a it's amplitude or his resignation

72

00:04:35,879 --> 00:04:32,560

signature and went higher in 2012 and

73

00:04:38,280 --> 00:04:35,889

2015 and she used tuning forks to

74

00:04:40,680 --> 00:04:38,290

cleanse people chakras and she had a

75

00:04:42,840 --> 00:04:40,690

dowsing rod seminar found the entire

76

00:04:45,840 --> 00:04:42,850

thing absolutely fascinating it's just

77

00:04:48,300 --> 00:04:45,850

you know charming or was uh was a doctor

78

00:04:51,050 --> 00:04:48,310

Amanda Noel there buddy chance mister

79

00:04:53,520 --> 00:04:51,060

University him no I did not see anybody

80

00:04:56,400 --> 00:04:53,530

that I recognized

81

00:04:57,870 --> 00:04:56,410

no Aphrodite University no I did not see

82

00:04:59,820 --> 00:04:57,880

anybody like that

83

00:05:01,650 --> 00:04:59,830

these were psychic these are local

84

00:05:05,430 --> 00:05:01,660

psychics people from Indiana

85

00:05:07,469 --> 00:05:05,440

Pennsylvania in Ohio I didn't okay on

86

00:05:10,050 --> 00:05:07,479

Sylvania represent yeah Pennsylvania

87

00:05:11,730 --> 00:05:10,060

definitely representing there and so

88

00:05:13,350 --> 00:05:11,740

this this woman she went through I was

89

00:05:14,969 --> 00:05:13,360

part of our demonstrations she took me

90

00:05:18,390 --> 00:05:14,979

up on stage and used tuning forks and

91

00:05:22,740 --> 00:05:18,400

she had a particular scale that she was

92

00:05:24,810 --> 00:05:22,750

using to well let's listen grab me can

93

00:05:29,520 --> 00:05:24,820

grab the paper and properly describe his

94

00:05:31,260 --> 00:05:29,530

one second climbing okay well as a

95

00:05:34,710 --> 00:05:31,270

preview later I was at a bachelor party

96

00:05:38,029 --> 00:05:34,720

and some events occurred that's coming

97

00:05:43,980 --> 00:05:38,039

up next well so Mike searches for his

98

00:05:46,909 --> 00:05:43,990

paper that I need is not in here of

99

00:05:49,520 --> 00:05:46,919

course okay

100

00:05:54,499 --> 00:05:49,530

in any event she had a whole like little

101

00:05:55,939 --> 00:05:54,509

booklet about the tuning and it was

102

00:05:59,540 --> 00:05:55,949

interesting and then she did like a

103

00:06:01,939 --> 00:05:59,550

cleansing of me using tuning forks in

104

00:06:04,369 --> 00:06:01,949

vibrational waves it was a odd

105

00:06:06,110 --> 00:06:04,379

experience because when I sat in a chair

106

00:06:09,890 --> 00:06:06,120

and she would hold up two different

107

00:06:14,570 --> 00:06:09,900

tones up to the ear and they would

108

00:06:15,920 --> 00:06:14,580

create some kind of like discord kind of

109

00:06:18,920 --> 00:06:15,930

feeling through your head like if you're

110

00:06:21,619 --> 00:06:18,930

listening to like a G and then like a G

111

00:06:23,209 --> 00:06:21,629

sharp and the other hear it pierced your

112

00:06:24,709 --> 00:06:23,219

head and it did have some interesting

113

00:06:27,980 --> 00:06:24,719

sensations going on

114

00:06:29,600 --> 00:06:27,990

I enjoyed the entire kind of thing I

115

00:06:31,760 --> 00:06:29,610

liked her dissertation I'll be looking

116

00:06:35,149 --> 00:06:31,770

through her pamphlet and talking about

117

00:06:37,909 --> 00:06:35,159

that on future shows overall for \$13 to

118

00:06:39,529 --> 00:06:37,919

get into a psychic fair absolutely worth

119

00:06:41,420 --> 00:06:39,539

it there's a lot of cool things that

120

00:06:46,750 --> 00:06:41,430

were going on I didn't have some CDs

121

00:06:54,000 --> 00:06:49,210

I did buy I did buy some CDs this guy

122

00:06:59,500 --> 00:06:54,010

was selling CDs and he is he creates a

123

00:07:05,940 --> 00:06:59,510

relaxation in meditation music that are

124

00:07:11,040 --> 00:07:09,690

and this is like the natural residents

125

00:07:15,570 --> 00:07:11,050

of the earth according to a lot of

126

00:07:18,480 --> 00:07:15,580

people and so CDs right now and how mp3s

127

00:07:21,050 --> 00:07:18,490

are encoded there it done it for 4.1

128

00:07:25,830 --> 00:07:21,060

which there's a whole conspiracy behind

129

00:07:29,970 --> 00:07:25,840

for 4.1 vs. 432 Hertz like the Nazis

130

00:07:30,660 --> 00:07:29,980

introduced I think for 4.1 note it's not

131

00:07:32,400 --> 00:07:30,670

a joke

132

00:07:34,770 --> 00:07:32,410

I think that's actually the conspiracy

133

00:07:37,320 --> 00:07:34,780

oh but of that what's going on so this

134

00:07:39,270 --> 00:07:37,330

guy recorded at 4-4 yeah yeah behind

135

00:07:41,160 --> 00:07:39,280

that like I'll see if we can bring it up

136

00:07:42,750 --> 00:07:41,170

on strategy all right

137

00:07:47,990 --> 00:07:42,760

that's uh let's see if we can actually

138

00:07:51,510 --> 00:07:48,000

talk about it so you type in for 4.1

139

00:07:54,900 --> 00:07:51,520

it's the hurt conspiracy we'll talk

140

00:07:59,250 --> 00:07:54,910

about it so three or four three two

141

00:08:00,270 --> 00:07:59,260

versus four four one so I'll go on over

142

00:08:02,190 --> 00:08:00,280

his readers this is what this is about

143

00:08:03,660 --> 00:08:02,200

and this is what the actual this woman

144

00:08:04,860 --> 00:08:03,670

was talking about as well this is a big

145

00:08:06,240 --> 00:08:04,870

thing there and I was drawn to this so

146

00:08:08,820 --> 00:08:06,250

would you believe that there is a

147

00:08:12,090 --> 00:08:08,830

conspiracy theory about the way we tune

148

00:08:15,090 --> 00:08:12,100

musical instruments and that this theory

149

00:08:17,040 --> 00:08:15,100

even involves the Nazis chakras and well

150

00:08:18,330 --> 00:08:17,050

what not no well then sit down and enjoy

151
00:08:20,040 --> 00:08:18,340
perhaps the most ridiculous conspiracy

152
00:08:21,090 --> 00:08:20,050
theory of all time I don't know if this

153
00:08:23,100 --> 00:08:21,100
so ridiculous we're talking about

154
00:08:27,090 --> 00:08:23,110
vibration we're talking about the Nazis

155
00:08:29,100 --> 00:08:27,100
who didn't they delve into this stuff so

156
00:08:32,190 --> 00:08:29,110
you know but Nazis knew their technology

157
00:08:33,960 --> 00:08:32,200
no doubt about that to understand what

158
00:08:35,460 --> 00:08:33,970
all the fuss is about fuss is about we

159
00:08:37,560 --> 00:08:35,470
need a little bit of historical

160
00:08:40,080 --> 00:08:37,570
background as you probably know musical

161
00:08:42,900 --> 00:08:40,090
instruments need to be tuned when you

162
00:08:44,880 --> 00:08:42,910
tune a tuning peg on a string instrument

163
00:08:47,130 --> 00:08:44,890

or adjust the length of the tube of the

164

00:08:49,590 --> 00:08:47,140

wind instrument of a wind instrument it

165

00:08:50,040 --> 00:08:49,600

makes it sound a little bit higher or

166

00:08:52,740 --> 00:08:50,050

lower

167

00:08:55,500 --> 00:08:52,750

no [h__h] [h__h] we know this let's get on

168

00:08:56,670 --> 00:08:55,510

to conspiracy theory theory for a

169

00:09:00,510 --> 00:08:56,680

different instrument I'm just gonna I'm

170

00:09:03,180 --> 00:09:00,520

just going to go on okay so the four

171

00:09:07,590 --> 00:09:03,190

three two Hertz conspiracy if you go if

172

00:09:09,510 --> 00:09:07,600

you google four three two Hz you'll find

173

00:09:13,830 --> 00:09:09,520

a tremendous number of articles and

174

00:09:17,160 --> 00:09:13,840

YouTube videos about the tuning a equals

175

00:09:20,079 --> 00:09:17,170

four three two Hertz and it's presumed

176

00:09:22,210 --> 00:09:20,089

healing in soothing properties

177

00:09:23,850 --> 00:09:22,220

you dig a little deeper you'll also find

178

00:09:28,030 --> 00:09:23,860

an explanation of this phenomenon

179

00:09:30,100 --> 00:09:28,040

presumably the 432 Hertz tuning is in

180

00:09:33,129 --> 00:09:30,110

some way tuned to the vibrations of

181

00:09:36,879 --> 00:09:33,139

nature itself whereas four four zero

182

00:09:39,549 --> 00:09:36,889

Hertz was introduced by Joseph gurbles

183

00:09:40,900 --> 00:09:39,559

the Nazi minister of propaganda yes

184

00:09:42,639 --> 00:09:40,910

that's right there are millions of

185

00:09:46,449 --> 00:09:42,649

people in the world who believed that

186

00:09:49,989 --> 00:09:46,459

gurbles dictated the tuning to make

187

00:09:52,569 --> 00:09:49,999

people feel more anxious now hopefully

188

00:09:55,210 --> 00:09:52,579

the so this is everything that I heard

189

00:09:56,619 --> 00:09:55,220

there might be some research here that

190

00:10:00,160 --> 00:09:56,629

indicates maybe everything we've heard

191

00:10:04,629 --> 00:10:00,170

about this tuning is wrong maybe a

192

00:10:08,350 --> 00:10:04,639

source that did the Nazis introduced

193

00:10:10,890 --> 00:10:08,360

four four zero Hertz I didn't see it

194

00:10:12,750 --> 00:10:10,900

[h__\h] PD article

195

00:10:15,230 --> 00:10:12,760

oh wow here's something on the Resident

196

00:10:17,310 --> 00:10:15,240

Evil forums great okay okay well I mean

197

00:10:18,830 --> 00:10:17,320

they're just as reliable as anything

198

00:10:20,720 --> 00:10:18,840

else

199

00:10:25,520 --> 00:10:20,730

[Music]

200

00:10:26,600 --> 00:10:25,530

so I go go on so yeah yes that's right

201
00:10:28,880 --> 00:10:26,610
there are millions of people in the

202
00:10:30,200 --> 00:10:28,890
world who believe that gurbles dictated

203
00:10:33,530 --> 00:10:30,210
the tuning to make people feel

204
00:10:35,300 --> 00:10:33,540
uncomfortable now why should four three

205
00:10:37,520 --> 00:10:35,310
two Hertz be so great according to

206
00:10:40,100 --> 00:10:37,530
proponents proponents of the theory the

207
00:10:42,590 --> 00:10:40,110
number 432 has special properties and

208
00:10:45,350 --> 00:10:42,600
indeed it is an interest interesting

209
00:10:48,170 --> 00:10:45,360
number it is the sum of four consecutive

210
00:10:50,540 --> 00:10:48,180
primes one hundred and three hundred and

211
00:10:53,690 --> 00:10:50,550
seven hundred nine and one hundred

212
00:10:55,910 --> 00:10:53,700
thirteen is exactly three gross where

213
00:10:57,860 --> 00:10:55,920

gross is 114 okay yeah it's a great

214

00:11:01,340 --> 00:10:57,870

number we get it then you'll find many

215

00:11:04,850 --> 00:11:01,350

mystical arrangements such as such that

216

00:11:08,420 --> 00:11:04,860

there are 432 Buddha statues on Mount

217

00:11:10,160 --> 00:11:08,430

Meru all this kind of stuff so why is

218

00:11:11,810 --> 00:11:10,170

there saying what it is but why is it

219

00:11:16,610 --> 00:11:11,820

also saying it's ridiculous at the same

220

00:11:20,210 --> 00:11:16,620

time so yeah the four three two tuning

221

00:11:24,520 --> 00:11:20,220

is divine tuning in nature self is

222

00:11:27,080 --> 00:11:24,530

ultimately defined as one vibration per

223

00:11:29,240 --> 00:11:27,090

let's are they going to bunk this

224

00:11:32,510 --> 00:11:29,250

they're saying it's ridiculous without

225

00:11:34,370 --> 00:11:32,520

actually saying why is ridiculous so I

226

00:11:36,680 --> 00:11:34,380

typed in four or four point one

227

00:11:38,750 --> 00:11:36,690

kilohertz Nazis and I got royalty free

228

00:11:41,300 --> 00:11:38,760

music Nazi music sound effects the stock

229

00:11:48,440 --> 00:11:41,310

stage so you want to put it in four four

230

00:11:50,670 --> 00:11:48,450

zero Hertz Nazis okay or four 0 Hz Nazi

231

00:11:57,440 --> 00:11:50,680

conspiracy

232

00:12:01,340 --> 00:11:59,060

it's not really the bunking they're just

233

00:12:01,970 --> 00:12:01,350

saying it's ridiculous maybe I in any

234

00:12:04,700 --> 00:12:01,980

event

235

00:12:06,350 --> 00:12:04,710

these people at the psychic affair that

236

00:12:08,120 --> 00:12:06,360

are all about this this guy put a CD out

237

00:12:09,380 --> 00:12:08,130

about it he's he's recording engineer

238

00:12:10,970 --> 00:12:09,390

I'm gonna have him this show I talk I

239

00:12:13,100 --> 00:12:10,980

talk to him about this podcast was very

240

00:12:14,480 --> 00:12:13,110

podcast and I'm gonna get him on the on

241

00:12:17,120 --> 00:12:14,490

the show to talk about this you might

242

00:12:19,130 --> 00:12:17,130

have more of an insight than this

243

00:12:22,070 --> 00:12:19,140

article that popped up on Google or Bing

244

00:12:26,870 --> 00:12:22,080

well someone someone's blog says it's a

245

00:12:30,230 --> 00:12:26,880

seed of historical story or hoax so who

246

00:12:37,250 --> 00:12:30,240

knows we cover everything on here and

247

00:12:40,820 --> 00:12:37,260

pseudo historical oh yeah so I I find it

248

00:12:44,950 --> 00:12:40,830

to be interesting I like the aspect of

249

00:12:48,230 --> 00:12:44,960

tuning to the earth or more subtle

250

00:12:51,680 --> 00:12:48,240

tuning even if you're a bit of a music

251
00:12:53,900 --> 00:12:51,690
snob and I am that you want to have your

252
00:12:55,880 --> 00:12:53,910
[h__\h] tuned correct so it sounds good and

253
00:12:58,280 --> 00:12:55,890
there is a difference if you listen to

254
00:12:59,900 --> 00:12:58,290
something at four three two versus four

255
00:13:04,220 --> 00:12:59,910
four zero you can hear a subtle

256
00:13:05,810 --> 00:13:04,230
difference there is and if you believe

257
00:13:08,540 --> 00:13:05,820
that the residents of the earth is

258
00:13:10,490 --> 00:13:08,550
impacts you in your life then maybe

259
00:13:13,340 --> 00:13:10,500
believing in this will actually benefit

260
00:13:17,570 --> 00:13:13,350
benefit you in some way like a placebo

261
00:13:20,780 --> 00:13:17,580
and in some way so so all said and done

262
00:13:22,790 --> 00:13:20,790
I went in there I bought I got I got new

263
00:13:26,630 --> 00:13:22,800

pendants I got some runes I got a

264

00:13:29,270 --> 00:13:26,640

pendulum I got books on tuning Forex I'm

265

00:13:33,170 --> 00:13:29,280

Olin and I will be an expert by next

266

00:13:34,519 --> 00:13:33,180

week I believe yeah

267

00:13:36,110 --> 00:13:34,529

that's all I got I'll probably talk

268

00:13:38,179 --> 00:13:36,120

about it more on the next show once I

269

00:13:41,660 --> 00:13:38,189

can find my papers and do some research

270

00:13:45,949 --> 00:13:41,670

on this stuff and the the resonating

271

00:13:49,340 --> 00:13:45,959

frequency of the of the earth I want to

272

00:13:52,250 --> 00:13:50,840

let's transition over you guys you got a

273

00:13:52,700 --> 00:13:52,260

story before I have some headlines come

274

00:13:55,190 --> 00:13:52,710

on baby

275

00:14:08,000 --> 00:13:55,200

yeah yeah sure alright friends let's

276
00:14:11,060 --> 00:14:08,010
move on over bringing out some old ones

277
00:14:17,720 --> 00:14:11,070
tonight people hot dog yeah bringing out

278
00:14:19,100 --> 00:14:17,730
old hot dogs tonight oh is that another

279
00:14:20,570 --> 00:14:19,110
bachelor party too

280
00:14:22,670 --> 00:14:20,580
two weekends in a row this one was in

281
00:14:25,730 --> 00:14:22,680
Washington DC you were in DC last

282
00:14:31,000 --> 00:14:25,740
weekend ah just passed yet like

283
00:14:33,530 --> 00:14:31,010
yesterday okay and okay so we stayed in

284
00:14:35,240 --> 00:14:33,540
Dupont Circle was like a nice area of DC

285
00:14:38,000 --> 00:14:35,250
you've got an air B&B there were [h__h]

286
00:14:39,560 --> 00:14:38,010
14 of us that's ridiculous we're TV

287
00:14:41,150 --> 00:14:39,570
viewing an Airbnb did you tell the

288
00:14:43,370 --> 00:14:41,160

people you rented from that this would

289

00:14:44,720 --> 00:14:43,380

be 14 of you uh well they knew about

290

00:14:45,710 --> 00:14:44,730

like nine of us and then the other

291

00:14:51,400 --> 00:14:45,720

people just kind of like slept on

292

00:14:53,180 --> 00:14:51,410

couches yeah so so technically no but

293

00:14:56,120 --> 00:14:53,190

they also didn't know about the other

294

00:14:58,250 --> 00:14:56,130

thing good enough to tell you about it

295

00:14:59,450 --> 00:14:58,260

was great the first uh you know got

296

00:15:01,040 --> 00:14:59,460

they're sure they're gonna beer me was a

297

00:15:02,690 --> 00:15:01,050

great time in jail in DC and then so I

298

00:15:08,200 --> 00:15:02,700

get up and like I know 5:00 in the

299

00:15:11,450 --> 00:15:08,210

morning at the piss go really bad and

300

00:15:13,220 --> 00:15:11,460

I've really broken up you know but the

301

00:15:14,960 --> 00:15:13,230

guys we were like Nurik five people in

302

00:15:18,890 --> 00:15:14,970

one rooms I go [h__h] barracks someone

303

00:15:20,450 --> 00:15:18,900

my buddy Nick came back go back he musta

304

00:15:22,760 --> 00:15:20,460

use the bathroom went back down to Lee

305

00:15:24,380 --> 00:15:22,770

get back to sleep and I got up had to go

306

00:15:26,120 --> 00:15:24,390

piss I go into the bathroom McMahon

307

00:15:29,090 --> 00:15:26,130

smells like [h__h] in here so anyway Nick

308

00:15:31,670 --> 00:15:29,100

must have just pooped so I go out I piss

309

00:15:35,540 --> 00:15:31,680

and I wasn't getting ready like like

310

00:15:37,460 --> 00:15:35,550

this yes I see that someone has left a

311

00:15:39,800 --> 00:15:37,470

giant heard log in the shower in the

312

00:15:45,170 --> 00:15:39,810

shower in the shower in the tub of it's

313

00:15:46,750 --> 00:15:45,180

like a tub shower but yeah someone

314

00:15:49,430 --> 00:15:46,760

drunkenly took a [h__h] in the shower oh

315

00:15:52,010 --> 00:15:49,440

yeah we can't it was there was a phantom

316

00:15:55,070 --> 00:15:52,020

pooper yeah and this thing was huge - it

317

00:15:58,760 --> 00:15:55,080

wasn't just like a little nugget of [h__h]

318

00:16:01,540 --> 00:15:58,770

like some he done the law and there's a

319

00:16:05,380 --> 00:16:01,550

big-time party foul

320

00:16:06,970 --> 00:16:05,390

it might be the ultimate party fell yeah

321

00:16:08,769 --> 00:16:06,980

because you know in the next day you

322

00:16:10,329 --> 00:16:08,779

you're gonna want to wake up and take a

323

00:16:12,610 --> 00:16:10,339

shower you don't want us to step in a

324

00:16:15,699 --> 00:16:12,620

bunch of [h__h] there's no one wants to

325

00:16:19,710 --> 00:16:15,709

barefoot step in [h__h] that's for sure

326

00:16:22,590 --> 00:16:21,119

you wake everyone up and say hey we got

327

00:16:25,019 --> 00:16:22,600

an emergency big time in the shower

328

00:16:29,100 --> 00:16:25,029

right now someone took a [\h__\h] and I went

329

00:16:30,749 --> 00:16:29,110

back to my room I was still awake he had

330

00:16:32,550 --> 00:16:30,759

just been in there but he he swears he

331

00:16:33,990 --> 00:16:32,560

did not do it and he wasn't like none

332

00:16:36,360 --> 00:16:34,000

was really wasted at times I think it

333

00:16:37,439 --> 00:16:36,370

happened overnight but I don't know but

334

00:16:38,460 --> 00:16:37,449

I went in there I talked to Mike Nick

335

00:16:41,040 --> 00:16:38,470

did you just [\h__\h] [\h__\h] in the shower

336

00:16:43,319 --> 00:16:41,050

dude it's why you didn't see that in

337

00:16:45,840 --> 00:16:43,329

there he's like oh yeah I don't know the

338

00:16:47,400 --> 00:16:45,850

deal was like Nick was uh he might be

339

00:16:49,590 --> 00:16:47,410

the culprit but he's like ha she'll make

340

00:16:50,220 --> 00:16:49,600

everybody up right now so I go I'm like

341

00:16:52,860 --> 00:16:50,230

I'm wide awake

342

00:16:54,780 --> 00:16:52,870

we got a sec right now I discovered a

343

00:16:59,100 --> 00:16:54,790

worker well I waited until 6:00 in the

344

00:17:00,179 --> 00:16:59,110

morning and then I uh I just started

345

00:17:01,829 --> 00:17:00,189

with a room that I was dating this orb

346

00:17:02,220 --> 00:17:01,839

right people like yeah some pooping in

347

00:17:04,500 --> 00:17:02,230

the shower

348

00:17:07,230 --> 00:17:04,510

yeah leave it there because no one is

349

00:17:09,990 --> 00:17:07,240

gonna oh I am remixer and I left it

350

00:17:11,490 --> 00:17:10,000

there I didn't touch it I documented but

351

00:17:13,409 --> 00:17:11,500

photographically and I left it there

352

00:17:13,649 --> 00:17:13,419

because no one's gonna [h__\h] believe

353

00:17:14,909 --> 00:17:13,659

that

354

00:17:16,890 --> 00:17:14,919

oh yeah someone's hit the shower i

355

00:17:21,870 --> 00:17:16,900

totally cleaned it up you clean up the

356

00:17:23,340 --> 00:17:21,880

[h__\h] no so after i started telling

357

00:17:25,620 --> 00:17:23,350

people that there was some poop in the

358

00:17:27,809 --> 00:17:25,630

shower and you would have no idea how

359

00:17:29,399 --> 00:17:27,819

fast people wake up whenever you like

360

00:17:30,810 --> 00:17:29,409

wake them up from a drunken slumber and

361

00:17:37,350 --> 00:17:30,820

you're like hey dude some poop in the

362

00:17:39,270 --> 00:17:37,360

shower really pretty much so i finally i

363

00:17:41,010 --> 00:17:39,280

get down to the guy is he he's his

364

00:17:43,470 --> 00:17:41,020

bachelor party and like steve do you

365

00:17:45,330 --> 00:17:43,480

[h__h] [h__h] in the shower dude you know

366

00:17:46,830 --> 00:17:45,340

I interrogated him awhile and he was

367

00:17:48,510 --> 00:17:46,840

still pretty drunk when he woke up so he

368

00:17:50,250 --> 00:17:48,520

like originally confessed to it but then

369

00:17:53,130 --> 00:17:50,260

he like took it back and said oh and he

370

00:17:55,289 --> 00:17:53,140

he said it was a coerced confession no

371

00:17:58,169 --> 00:17:55,299

[h__h] Steve did it was this bachelor

372

00:17:59,730 --> 00:17:58,179

party yeah he was completely blacked out

373

00:18:01,080 --> 00:17:59,740

like I could believe he did it and he

374

00:18:02,549 --> 00:18:01,090

doesn't remember at all he wanted to do

375

00:18:04,529 --> 00:18:02,559

something crazy for his bachelor party

376

00:18:07,740 --> 00:18:04,539

he's in the shower

377

00:18:09,740 --> 00:18:07,750

hey that's uh pretty uh pretty good idea

378

00:18:15,299 --> 00:18:09,750

I guess he said my crazy Joe

379

00:18:18,539 --> 00:18:15,309

so eventually couldn't figure it out

380

00:18:20,940 --> 00:18:18,549

essentially there Nick and Steve and

381

00:18:23,720 --> 00:18:20,950

Dave sisters fiance cleaned it up he was

382

00:18:27,020 --> 00:18:25,310

so wasn't really a bachelor party at

383

00:18:29,120 --> 00:18:27,030

their fiancées and girlfriends game

384

00:18:31,820 --> 00:18:29,130

right oh no no no their Nick

385

00:18:32,960 --> 00:18:31,830

Steve is a guy getting married okay his

386

00:18:38,800 --> 00:18:32,970

two brothers were there they have a

387

00:18:43,580 --> 00:18:38,810

sister her fiance was there okay okay I

388

00:18:46,240 --> 00:18:43,590

so she he cleaned it up after he came

389

00:18:48,530 --> 00:18:46,250

back I think from dinner we had a

390

00:18:50,450 --> 00:18:48,540

attempted to have a show trial and large

391

00:18:51,590 --> 00:18:50,460

charges against people I like that I

392

00:18:55,310 --> 00:18:51,600

like that you're all nice and drunk

393

00:18:56,690 --> 00:18:55,320

still no admissions so no one's fest up

394

00:18:58,640 --> 00:18:56,700

to it there's a phantom shooter

395

00:19:01,310 --> 00:18:58,650

someone's gonna have to hang for this is

396

00:19:02,180 --> 00:19:01,320

a party foul beyond party fouls someone

397

00:19:04,820 --> 00:19:02,190

must pay the ultimate price

398

00:19:06,080 --> 00:19:04,830

one police I just don't care I don't I'm

399

00:19:08,020 --> 00:19:06,090

none of us really matter I don't know

400

00:19:10,790 --> 00:19:08,030

who did it

401
00:19:11,960 --> 00:19:10,800
doesn't matter someone's gotta tell the

402
00:19:15,560 --> 00:19:11,970
owner of the house that someone pooped

403
00:19:16,910 --> 00:19:15,570
in the shower no one do that but there

404
00:19:19,940 --> 00:19:16,920
are bleaching cleaning there's bleach in

405
00:19:20,420 --> 00:19:19,950
cleaning supplies so whatever get

406
00:19:23,120 --> 00:19:20,430
cleaned

407
00:19:26,690 --> 00:19:23,130
no you must you must execute somebody to

408
00:19:29,030 --> 00:19:26,700
make them example I wanted to us pretty

409
00:19:31,520 --> 00:19:29,040
that's pretty head of some blood uh some

410
00:19:32,870 --> 00:19:31,530
blood lust there no no one wanted to

411
00:19:34,010 --> 00:19:32,880
shower after I had to be the first one

412
00:19:35,180 --> 00:19:34,020
in the shower cuz everybody else like be

413
00:19:36,710 --> 00:19:35,190

really running out of time go get ready

414

00:19:38,180 --> 00:19:36,720

for brunch and I was like okay [\h__\h] it

415

00:19:42,980 --> 00:19:38,190

I'll do it it's clean with bleach I

416

00:19:47,540 --> 00:19:42,990

don't give a [\h__\h] I'm Sharon well I mean

417

00:19:52,060 --> 00:19:47,550

it happens but I yeah I understand

418

00:19:52,060 --> 00:19:52,070

[Laughter]

419

00:19:59,030 --> 00:19:55,930

brothers in the shower what happens yeah

420

00:20:02,280 --> 00:19:59,040

you want you under some headlines yeah

421

00:20:05,760 --> 00:20:02,290

that's okay

422

00:20:10,460 --> 00:20:05,770

look at that guy what is all this stuff

423

00:20:14,040 --> 00:20:10,470

[Music]

424

00:20:16,070 --> 00:20:14,050

all right hey we open up the phone lines

425

00:20:19,410 --> 00:20:16,080

right here six by four three eight nine

426
00:20:21,150 --> 00:20:19,420
109 and clumb baby and I are gonna read

427
00:20:23,250 --> 00:20:21,160
down some headlines and just kind of

428
00:20:24,690 --> 00:20:23,260
chill out for the next few minutes I

429
00:20:27,150 --> 00:20:24,700
don't know if we're gonna go to eight we

430
00:20:28,920 --> 00:20:27,160
might we might not I don't know we're

431
00:20:30,480 --> 00:20:28,930
gonna find out what happens here I'm

432
00:20:33,510 --> 00:20:30,490
gonna eat that's fine as long as you

433
00:20:35,220 --> 00:20:33,520
want to I mean see yeah we'll see we'll

434
00:20:39,000 --> 00:20:35,230
see how it goes oh my

435
00:20:41,220 --> 00:20:39,010
I might commit to anything I feel like

436
00:20:42,930 --> 00:20:41,230
the show's tapering off the show's taper

437
00:20:44,840 --> 00:20:42,940
enough I'm not gonna go to eight just

438
00:20:51,020 --> 00:20:44,850

because I feel like I gotta go to eight

439

00:20:54,570 --> 00:20:51,030

that's it okay yeah exactly

440

00:20:56,400 --> 00:20:54,580

now they're having someone's random fact

441

00:20:59,070 --> 00:20:56,410

I don't know if this is true or not from

442

00:21:01,140 --> 00:20:59,080

chat but apparently Andre the Giant used

443

00:21:02,160 --> 00:21:01,150

to get two bathrooms he's traveling so

444

00:21:04,980 --> 00:21:02,170

he could [h__h] in one of the bathtub

445

00:21:08,010 --> 00:21:04,990

since he wouldn't fit the toilet that's

446

00:21:11,790 --> 00:21:08,020

a fun fact that's true but that's now

447

00:21:14,070 --> 00:21:11,800

true I'll be the [h__h] in bathtubs I can

448

00:21:17,270 --> 00:21:14,080

see that he's a big dude but at the same

449

00:21:20,210 --> 00:21:17,280

time so Hulk Hogan Hulk Hogan is a huge

450

00:21:23,550 --> 00:21:20,220

he's a big deal all those wrestlers are

451
00:21:24,810 --> 00:21:23,560
absolutely huge and so I guess as part

452
00:21:26,160 --> 00:21:24,820
of my writer if I was gonna do like a

453
00:21:31,010 --> 00:21:26,170
show and wrestle

454
00:21:38,970 --> 00:21:34,350
who poops and tubs me Hulk Hogan Hulk

455
00:21:42,240 --> 00:21:38,980
Hogan me Hulk Hogan I'm hold of it yeah

456
00:21:46,440 --> 00:21:42,250
and you're all cooking you like to take

457
00:21:49,920 --> 00:21:46,450
a [h__h] in bathtubs right okay you're

458
00:21:50,490 --> 00:21:49,930
right all right token are you poop in

459
00:21:53,550 --> 00:21:50,500
the shower

460
00:21:55,950 --> 00:21:53,560
I don't know Hulk did you uh did you

461
00:22:01,250 --> 00:21:55,960
poop in the shower oh yes I do

462
00:22:02,400 --> 00:22:01,260
oh you did okay okay who do you think's

463
00:22:09,480 --> 00:22:02,410

bigger

464

00:22:11,820 --> 00:22:09,490

or Andre the Giant

465

00:22:12,750 --> 00:22:11,830

who's bigger no I think I'm bigger than

466

00:22:14,070 --> 00:22:12,760

you okay

467

00:22:16,370 --> 00:22:14,080

not bigger than me but you're bigger

468

00:22:18,980 --> 00:22:16,380

than John okay oh [h__h]

469

00:22:21,470 --> 00:22:18,990

I don't think I want to go against

470

00:22:22,549 --> 00:22:21,480

Hawking like a who makes a bigger [h__h]

471

00:22:31,730 --> 00:22:22,559

what are you chicken

472

00:22:34,250 --> 00:22:31,740

no hello caller guys yeah this is this

473

00:22:37,840 --> 00:22:34,260

is Mike how you doing hi good thank you

474

00:22:40,130 --> 00:22:37,850

how are you I'm doing very well

475

00:22:43,460 --> 00:22:40,140

nice to meet you hi Monica

476

00:22:44,750 --> 00:22:43,470

nice to meet you so I'm calling and this

477

00:22:47,270 --> 00:22:44,760

might sound a bit weird I'm kind of

478

00:22:49,460 --> 00:22:47,280

embarrassed but I'm kind of embarrassed

479

00:22:53,480 --> 00:22:49,470

really about why I'm calling

480

00:22:58,490 --> 00:22:53,490

um it's about stroke Ebell like where is

481

00:23:00,950 --> 00:22:58,500

he I thought stroke e-bill I honestly I

482

00:23:03,830 --> 00:23:00,960

don't know where he's at

483

00:23:07,520 --> 00:23:03,840

we were in communication two weeks ago

484

00:23:10,490 --> 00:23:07,530

about possibly doing some bits or doing

485

00:23:13,820 --> 00:23:10,500

some material and he dropped off the

486

00:23:17,210 --> 00:23:13,830

face of the earth he is uh he's gone I

487

00:23:19,850 --> 00:23:17,220

don't know where is that because I don't

488

00:23:22,730 --> 00:23:19,860

know I kind of I was really warming to

489

00:23:24,440 --> 00:23:22,740

him you know I mean that's kind of well

490

00:23:29,779 --> 00:23:24,450

I think I've kind of fallen for him yeah

491

00:23:35,840 --> 00:23:29,789

you might be the only one shaman come on

492

00:23:41,210 --> 00:23:35,850

he's very charming the way HIV is

493

00:23:45,860 --> 00:23:41,220

charming it's a journal of it I have a

494

00:23:49,669 --> 00:23:45,870

charming super infection he's funny

495

00:23:52,100 --> 00:23:49,679

yes he's he's a bills very funny he has

496

00:23:54,020 --> 00:23:52,110

that Canadian churn that does everyone

497

00:23:56,270 --> 00:23:54,030

dies four people love it and Fatima

498

00:23:58,789 --> 00:23:56,280

Kenzie brother you can just go ahead

499

00:24:00,590 --> 00:23:58,799

over heels for that I just I'm all over

500

00:24:02,810 --> 00:24:00,600

that you know I mean yeah well yeah I

501
00:24:08,810 --> 00:24:02,820
mean yeah I mean a lot of people in

502
00:24:11,570 --> 00:24:08,820
Canada and the UK it's just he's got a

503
00:24:16,370 --> 00:24:11,580
courage to say anything and like yes no

504
00:24:19,250 --> 00:24:16,380
not like that you're not he's he is a

505
00:24:22,850 --> 00:24:19,260
handsome devil he's a and he's got he's

506
00:24:23,539 --> 00:24:22,860
no filter uh bill is he just says what's

507
00:24:26,420 --> 00:24:23,549
on his mind

508
00:24:29,940 --> 00:24:26,430
and sometimes I think

509
00:24:32,940 --> 00:24:29,950
he's a weak strokey bill or bad news

510
00:24:36,420 --> 00:24:32,950
bill who knows but you like him yeah

511
00:24:38,280 --> 00:24:36,430
well I thought you were with him

512
00:24:40,800 --> 00:24:38,290
I can I can put you in contact and just

513
00:24:45,390 --> 00:24:40,810

like like that I I put the iheartradio

514

00:24:47,490 --> 00:24:45,400

people in contact with them barely uh

515

00:24:51,300 --> 00:24:47,500

Turkey Bill's gonna get a his own radio

516

00:24:54,750 --> 00:24:51,310

show on a bankrupt radio company good

517

00:24:56,700 --> 00:24:54,760

friend we have radio in Yorkshire we

518

00:24:58,650 --> 00:24:56,710

have that it's called hot radio but

519

00:25:00,780 --> 00:24:58,660

that's and we have Capitol radio in

520

00:25:02,700 --> 00:25:00,790

Yorkshire but I don't know I don't know

521

00:25:04,740 --> 00:25:02,710

I Heart Radio cuz obviously I'm not in

522

00:25:06,240 --> 00:25:04,750

there you are yeah it's a it's a big

523

00:25:08,340 --> 00:25:06,250

radio conglomerate they buy up a lot of

524

00:25:10,800 --> 00:25:08,350

stuff around here but they're uh they're

525

00:25:11,750 --> 00:25:10,810

bankrupt at this point I believe Chapter

526

00:25:14,280 --> 00:25:11,760

eleven

527

00:25:16,500 --> 00:25:14,290

that's a u.s. term about going bankrupt

528

00:25:25,920 --> 00:25:16,510

is there any is there any kind of

529

00:25:27,180 --> 00:25:25,930

message yeah is there a message that you

530

00:25:28,200 --> 00:25:27,190

want to like stroke you're both

531

00:25:29,160 --> 00:25:28,210

listening right now is there anything

532

00:25:30,630 --> 00:25:29,170

you want to tell them this is your

533

00:25:35,700 --> 00:25:30,640

opportunity and then we're gonna move on

534

00:25:37,680 --> 00:25:35,710

please know that I'm available I smell

535

00:25:41,420 --> 00:25:37,690

like chicken down there and he's looking

536

00:25:44,670 --> 00:25:41,430

for some Swedish period time to get DNA

537

00:25:46,230 --> 00:25:44,680

yes yes I will pass that on there's a

538

00:25:47,850 --> 00:25:46,240

very explicit message I don't know if I

539

00:25:51,000 --> 00:25:47,860

feel caramel typing all that I'll use

540

00:25:53,550 --> 00:25:51,010

some I'll use some you theme isms and

541

00:26:02,910 --> 00:25:53,560

we'll get that along to him okay thank

542

Kip Kip on from Ireland and I don't like

563
00:27:35,749 --> 00:27:26,819

the British because they stole my help

564

00:27:44,699 --> 00:27:42,389

hey what's going on this man 5000 maybe

565

00:27:46,229 --> 00:27:44,709

yeah my name is drunken called in and

566

00:27:49,139 --> 00:27:46,239

started calling everyone going

567

00:28:00,659 --> 00:27:49,149

especially Bryce yeah good time was that

568

00:28:06,629 --> 00:28:00,669

anything 2014 2013 okay yeah yeah go out

569

00:28:09,410 --> 00:28:06,639

on the podcast yeah I did no use this

570

00:28:11,570 --> 00:28:09,420

Georgie water

571

00:28:14,930 --> 00:28:11,580

yeah those were the days those were the

572

00:28:18,050 --> 00:28:14,940

days of drunk Thursday nights yes it was

573

00:28:21,590 --> 00:28:18,060

catastrophic but we're better now we're

574

00:28:22,880 --> 00:28:21,600

much more professional and prompt how

575

00:28:32,630 --> 00:28:22,890

can we help you sir what is on your mind

576

00:28:34,460 --> 00:28:32,640

tonight said it in a very prompt and

577

00:28:37,010 --> 00:28:34,470

professional British way she didn't get

578

00:28:39,230 --> 00:28:37,020

on the air old drunken say it and call

579

00:28:41,930 --> 00:28:39,240

us a bunch of racist her she has her

580

00:28:43,550 --> 00:28:41,940

love and she loves Bill and she smells

581

00:28:52,640 --> 00:28:43,560

like chicken down there she said that I

582

00:28:54,740 --> 00:28:52,650

didn't she means you didn't like Bill's

583

00:29:01,130 --> 00:28:54,750

into that build build things about weird

584

00:29:04,390 --> 00:29:01,140

stuff yeah yeah bill bills oh I don't

585

00:29:09,530 --> 00:29:04,400

know that doesn't go through my mind but

586

00:29:10,700 --> 00:29:09,540

bill it's yeah it's top some bills list

587

00:29:12,710 --> 00:29:10,710

when it comes to girls he wants to know

588

00:29:15,230 --> 00:29:12,720

if they smell like and where and how and

589

00:29:17,480 --> 00:29:15,240

all that stuff in fact I think that he

590

00:29:19,100 --> 00:29:17,490

beats off that one his first dates like

591

00:29:20,090 --> 00:29:19,110

hey I'm gonna take you out the dinner by

592

00:29:23,600 --> 00:29:20,100

the way what do you smell like down

593

00:29:25,910 --> 00:29:23,610

there that's what does should always

594

00:29:39,650 --> 00:29:25,920

lead all for that one what's on your

595

00:29:41,330 --> 00:29:39,660

mind great cago and I had a lesbian

596

00:29:44,450 --> 00:29:41,340

couple at work for me one of them

597

00:29:46,730 --> 00:29:44,460

invited me through a party and they're

598

00:29:49,400 --> 00:29:46,740

in this party this girl is you know her

599

00:29:55,610 --> 00:29:49,410

girlfriend instead has sex with my best

600

00:29:59,030 --> 00:29:55,620

friend who's the guy everybody and then

601
00:30:01,340 --> 00:29:59,040
get on the floor and then when we all

602
00:30:03,620 --> 00:30:01,350
woke up in the morning everybody that

603
00:30:06,470 --> 00:30:03,630
was in the room saw her she tried to say

604
00:30:09,230 --> 00:30:06,480
that the friend of mine that she had sex

605
00:30:11,570 --> 00:30:09,240
with that she caught him doing it and

606
00:30:15,470 --> 00:30:11,580
that the owner was charging him for

607
00:30:16,970 --> 00:30:15,480
damages so wait a second these these

608
00:30:18,920 --> 00:30:16,980
people are having sex in front of

609
00:30:20,600 --> 00:30:18,930
everybody and then as some sort of

610
00:30:22,700 --> 00:30:20,610
celebration he [h__h] on the floor

611
00:30:25,940 --> 00:30:22,710
afterwards

612
00:30:28,310 --> 00:30:25,950
she said it was like every time I walked

613
00:30:30,440 --> 00:30:28,320

into another round he was in the other

614

00:30:39,350 --> 00:30:30,450

room with another guy having sex

615

00:30:42,230 --> 00:30:39,360

oh so she doesn't seem like safe sex

616

00:30:44,750 --> 00:30:42,240

that doesn't seem very cleanly or safe

617

00:30:46,070 --> 00:30:44,760

at all especially mixing the the [h__\h] in

618

00:30:48,590 --> 00:30:46,080

the mix that this doesn't seem like a

619

00:31:09,220 --> 00:30:48,600

very clean situation I want to be a part

620

00:31:14,090 --> 00:31:11,990

that's a good [h__\h] story but as much but

621

00:31:16,880 --> 00:31:14,100

it's more of a sex story in the shins

622

00:31:33,050 --> 00:31:16,890

the byproduct of the shove it the [h__\h]

623

00:31:34,370 --> 00:31:33,060

the order sex I should say so yeah hey

624

00:31:36,110 --> 00:31:34,380

thank you for eco you got anything else

625

00:31:46,910 --> 00:31:36,120

before we let you go you get on to our

626

00:31:50,000 --> 00:31:46,920

first story yeah online where they tell

627

00:31:52,250 --> 00:31:50,010

you that before I think World War 2 or

628

00:31:54,530 --> 00:31:52,260

whatever were they played music from

629

00:31:59,180 --> 00:31:54,540

that area and then they'd play the same

630

00:32:02,000 --> 00:31:59,190

Orchestra piece with 440 and it's like a

631

00:32:05,150 --> 00:32:02,010

pawn sound like you can there's this

632

00:32:08,330 --> 00:32:05,160

conspiracy that they they taste it and

633

00:32:11,180 --> 00:32:08,340

play music and 440 just to kind of keep

634

00:32:13,630 --> 00:32:11,190

people on the edge and you know almost

635

00:32:16,100 --> 00:32:13,640

you know make them need the

636

00:32:20,390 --> 00:32:16,110

antidepressants but uh you know I tried

637

00:32:20,960 --> 00:32:20,400

tuning my bass for 32 and it sounds a

638

00:32:24,590 --> 00:32:20,970

lot better

639

00:32:28,130 --> 00:32:24,600

yeah it just don't make sense why would

640

00:32:30,440 --> 00:32:28,140

they change it to 440 when 432 sounds so

641

00:32:32,720 --> 00:32:30,450

much better and you know at the average

642

00:32:34,820 --> 00:32:32,730

person I would think could hear the

643

00:32:36,470 --> 00:32:34,830

difference it sounds so much better it's

644

00:32:38,780 --> 00:32:36,480

it's slight if you're musician

645

00:32:41,210 --> 00:32:38,790

it's there it's slight but there is a

646

00:32:43,400 --> 00:32:41,220

difference and now every mp3 is encoded

647

00:32:46,340 --> 00:32:43,410

with 440 everything that you streamed

648

00:32:49,160 --> 00:32:46,350

for 40 as far as I know and I think you

649

00:32:51,290 --> 00:32:49,170

have to specifically record and an

650

00:32:53,750 --> 00:32:51,300

export at 432 in order to give it like

651
00:32:55,490 --> 00:32:53,760
that so there's a difference that there

652
00:32:59,360 --> 00:32:55,500
is is that the Nazis introduced it

653
00:33:01,430 --> 00:32:59,370
although we can't find any validation

654
00:33:04,640 --> 00:33:01,440
for that that's um is that false history

655
00:33:06,290 --> 00:33:04,650
hoax history clown baby I don't know I

656
00:33:07,370 --> 00:33:06,300
just heard about this today yeah so

657
00:33:14,050 --> 00:33:07,380
we're gonna be looking into that more

658
00:33:16,930 --> 00:33:14,060
and more I find it fascinating that you

659
00:33:19,430 --> 00:33:16,940
get on one of them you know

660
00:33:21,970 --> 00:33:19,440
documentaries and they really go in

661
00:33:26,450 --> 00:33:21,980
depth about everything that aligns with

662
00:33:30,170 --> 00:33:26,460
4:32 and you know why 432 is more

663
00:33:32,540 --> 00:33:30,180

natural but yes I'm trying to get on

664

00:33:34,850 --> 00:33:32,550

board I I want to know about it I'm

665

00:33:38,150 --> 00:33:34,860

all-in with this and I'm gonna have a

666

00:33:41,780 --> 00:33:38,160

guy on who I talked to you at the the

667

00:33:44,630 --> 00:33:41,790

psychic fair he has produced many CDs he

668

00:33:46,190 --> 00:33:44,640

he's a audio engineer and so hopefully

669

00:33:49,450 --> 00:33:46,200

he will be able to enlighten us a little

670

00:34:03,050 --> 00:33:49,460

bit more on the benefits of 432 versus

671

00:34:07,550 --> 00:34:03,060

440 yeah they want a recording I think

672

00:34:09,590 --> 00:34:07,560

it's analog like oh and they only say

673

00:34:11,840 --> 00:34:09,600

well we want to we want to record an

674

00:34:18,260 --> 00:34:11,850

analog since the new digital sound is

675

00:34:20,420 --> 00:34:18,270

too clean yeah the the first two records

676

00:34:23,600 --> 00:34:20,430

I did my metal band we recorded drums

677

00:34:25,820 --> 00:34:23,610

and bass 2 analog tape and we did the

678

00:34:30,530 --> 00:34:25,830

rest digital and there's a very specific

679

00:34:34,580 --> 00:34:30,540

reason for it but go ahead the reason

680

00:34:37,330 --> 00:34:34,590

why we did it is that you can push sound

681

00:34:40,490 --> 00:34:37,340

to tape really hard and it naturally

682

00:34:43,820 --> 00:34:40,500

saturates and compresses the low end so

683

00:34:46,310 --> 00:34:43,830

it sounds warmer and it just has a

684

00:34:50,180 --> 00:34:46,320

natural compression you can push a

685

00:34:52,309 --> 00:34:50,190

signal to tape and it's sound

686

00:34:55,099 --> 00:34:52,319

better and it sounds better on lower

687

00:34:59,809 --> 00:34:55,109

frequencies as warmer as a richer gives

688

00:35:01,280 --> 00:34:59,819

more of a natural tube sound that's why

689

00:35:02,359 --> 00:35:01,290

we hope I don't know I don't know I

690

00:35:05,180 --> 00:35:02,369

don't know if there's a metaphysical

691

00:35:05,930 --> 00:35:05,190

reason why too old is it I did it or

692

00:35:08,450 --> 00:35:05,940

does it

693

00:35:09,740 --> 00:35:08,460

that was our reason and we can tell the

694

00:35:13,640 --> 00:35:09,750

difference and there's various plugins

695

00:35:15,410 --> 00:35:13,650

you can use to that you could use to do

696

00:35:17,270 --> 00:35:15,420

some kind of facsimile of that on your

697

00:35:19,099 --> 00:35:17,280

on your desktop but I don't know we we

698

00:35:20,300 --> 00:35:19,109

use tape it's very expensive to do and I

699

00:35:22,640 --> 00:35:20,310

don't think I would do it again is

700

00:35:28,130 --> 00:35:22,650

impractical at this point but the money

701
00:35:29,839 --> 00:35:28,140
we do it alright buddy well thank you

702
00:35:36,410 --> 00:35:29,849
for calling in we got to get to this

703
00:35:47,359 --> 00:35:36,420
news right you want to be blown up

704
00:35:49,130 --> 00:35:47,369
you're gonna do that right now we're

705
00:35:50,210 --> 00:35:49,140
gonna take some more phone calls here in

706
00:35:51,620 --> 00:35:50,220
a few minutes I'm gonna read down some

707
00:35:54,920 --> 00:35:51,630
some headlines here

708
00:35:58,640 --> 00:35:54,930
Maureen package bomb kills teen injures

709
00:36:01,940 --> 00:35:58,650
women injures woman there are some mail

710
00:36:03,410 --> 00:36:01,950
bombs going off in Austin Texas can you

711
00:36:05,089 --> 00:36:03,420
believe this clown baby this is insane

712
00:36:07,940 --> 00:36:05,099
it's uncle it's uncle Ted back in action

713
00:36:10,640 --> 00:36:07,950

I don't think his uncle Ted it might be

714

00:36:13,099 --> 00:36:10,650

somebody inspired by uncle Ted but these

715

00:36:14,930 --> 00:36:13,109

are three package bombs in two weeks are

716

00:36:21,740 --> 00:36:14,940

likely connected likely connected no

717

00:36:24,770 --> 00:36:21,750

shits here like I play this police say

718

00:36:27,230 --> 00:36:24,780

two explosions today and one earlier

719

00:36:29,329 --> 00:36:27,240

this month are all related there is no

720

00:36:31,069 --> 00:36:29,339

obvious connection between the victims

721

00:36:33,109 --> 00:36:31,079

their neighborhoods or their neighbors

722

00:36:35,180 --> 00:36:33,119

but police say the devices and the

723

00:36:37,640 --> 00:36:35,190

circumstances are just too similar to

724

00:36:40,069 --> 00:36:37,650

ignore interim police chief Brian Manley

725

00:36:42,559 --> 00:36:40,079

had this warning this evening if you

726

00:36:44,839 --> 00:36:42,569

receive a suspicious package then call

727

00:36:46,460 --> 00:36:44,849

us and let us come out because a device

728

00:36:48,319 --> 00:36:46,470

like this can be hidden in many

729

00:36:50,420 --> 00:36:48,329

different ways and so it's important

730

00:36:52,400 --> 00:36:50,430

again did you define suspicious package

731

00:36:54,770 --> 00:36:52,410

because that could be anything from

732

00:36:56,359 --> 00:36:54,780

Amazon affecting a delivery and yet one

733

00:36:57,680 --> 00:36:56,369

shows up and it's not from something

734

00:36:59,359 --> 00:36:57,690

that you do business with or that you

735

00:37:02,780 --> 00:36:59,369

were expecting it's important that you

736

00:37:04,910 --> 00:37:02,790

call us KXAN s Brittany glass is

737

00:37:06,530 --> 00:37:04,920

this is troubling but this in total

738

00:37:09,170 --> 00:37:06,540

three explosions have killed two people

739

00:37:13,670 --> 00:37:09,180

and injured two others in the third

740

00:37:15,770 --> 00:37:13,680

explosion just 11:50 a.m. today Monday a

741

00:37:18,590 --> 00:37:15,780

75 year old Hispanic woman walked

742

00:37:20,300 --> 00:37:18,600

outside her home in Southeast Austin and

743

00:37:22,580 --> 00:37:20,310

found a package exploded when she picked

744

00:37:24,290 --> 00:37:22,590

it up and so that's the this isn't

745

00:37:28,070 --> 00:37:24,300

pretty troubling things

746

00:37:32,150 --> 00:37:28,080

AJ Alex Jones is speculating that this

747

00:37:34,700 --> 00:37:32,160

could be anti gentrification people

748

00:37:38,600 --> 00:37:34,710

although I don't know anything about

749

00:37:39,350 --> 00:37:38,610

that everybody an anti gentrification

750

00:37:41,780 --> 00:37:39,360

bomber

751

00:37:46,250 --> 00:37:41,790

there's been anti gentrification

752

00:37:50,020 --> 00:37:46,260

protests in Austin in LA but I don't

753

00:37:53,570 --> 00:37:50,030

know why bombing a Hispanic person would

754

00:37:54,980 --> 00:37:53,580

would be anti gentrification unless they

755

00:37:57,080 --> 00:37:54,990

totally in the wrong address

756

00:38:00,560 --> 00:37:57,090

but I guess the bad miss yeah yeah

757

00:38:02,420 --> 00:38:00,570

pretty good I I don't know he's reaching

758

00:38:06,860 --> 00:38:02,430

a little bit there but we'll we'll go on

759

00:38:08,210 --> 00:38:06,870

to the next story here which we all know

760

00:38:10,210 --> 00:38:08,220

and love

761

00:38:13,000 --> 00:38:10,220

[Music]

762

00:38:16,420 --> 00:38:13,010

sadi general may have been tortured to

763

00:38:20,520 --> 00:38:16,430

death during rich carlton crackdown may

764

00:38:22,510 --> 00:38:20,530

have been tortured to death that's right

765

00:38:23,920 --> 00:38:22,520

so they like found him with the broom

766

00:38:27,520 --> 00:38:23,930

stick up his ass and thought maybe this

767

00:38:30,599 --> 00:38:27,530

might be accidental every tortured him

768

00:38:33,880 --> 00:38:30,609

but we don't know if the two are related

769

00:38:35,380 --> 00:38:33,890

mutually exclusive events yeah he was

770

00:38:37,180 --> 00:38:35,390

gonna die anyways we just so happened to

771

00:38:40,870 --> 00:38:37,190

torture before he died he just spent

772

00:38:43,240 --> 00:38:40,880

that process up by like 20 years he's no

773

00:38:46,230 --> 00:38:43,250

headline here exterminator finds babies

774

00:38:47,440 --> 00:38:46,240

preserved in jars beneath Tokyo home Oh

775

00:38:51,280 --> 00:38:47,450

interesting

776

00:38:52,690 --> 00:38:51,290

okay the exterminator put the babies in

777

00:38:56,680 --> 00:38:52,700

the jar cuz that's how you exterminate

778

00:38:59,589 --> 00:38:56,690

babies you put them in jars the bodies

779

00:39:01,870 --> 00:38:59,599

of up to four babies immersed in bottles

780

00:39:04,270 --> 00:39:01,880

filled with liquid have been found under

781

00:39:06,460 --> 00:39:04,280

the floor of a house in Tokyo Japan ages

782

00:39:08,410 --> 00:39:06,470

of the babies and how long they've been

783

00:39:11,170 --> 00:39:08,420

in the house remain unknown the gruesome

784

00:39:15,280 --> 00:39:11,180

discovery was made on Sunday at a house

785

00:39:17,920 --> 00:39:15,290

in Hokkaido according to fukusa moon

786

00:39:19,390 --> 00:39:17,930

which city is Northrop Alton Police

787

00:39:22,240 --> 00:39:19,400

Department okay so they found some

788

00:39:26,450 --> 00:39:22,250

babies and jars alright well let us know

789

00:39:31,309 --> 00:39:26,460

more when you find out buddy okay great

790

00:39:37,839 --> 00:39:31,319

let's see here here is an article a

791

00:39:43,970 --> 00:39:42,079

what do you think squeeze tax meat

792

00:39:47,329 --> 00:39:43,980

their logic behind it's like has

793

00:39:47,990 --> 00:39:47,339

cholesterol well maybe because it is

794

00:39:49,549 --> 00:39:48,000

ruining the earth

795

00:39:51,530 --> 00:39:49,559

you want your taxing meat because it's

796

00:39:54,520 --> 00:39:51,540

going just like Geico help you get

797

00:39:56,390 --> 00:39:54,530

affordable rents plain stuff right now

798

00:40:00,160 --> 00:39:56,400

blue

799

00:40:05,289 --> 00:40:02,410

their justification cheap meat comes at

800

00:40:08,049 --> 00:40:05,299

a high cost and it's America's it's

801
00:40:11,530 --> 00:40:08,059
American consumers who foot the bill

802
00:40:14,799 --> 00:40:11,540
according to data provided over email

803
00:40:18,370 --> 00:40:14,809
over email by research firm techno Matic

804
00:40:21,520 --> 00:40:18,380
or techno Mick the average fast food

805
00:40:23,770 --> 00:40:21,530
cheeseburger costs \$4.00 in two cents

806
00:40:25,870 --> 00:40:23,780
but that price tag does not take into

807
00:40:29,309 --> 00:40:25,880
account the number of invisible external

808
00:40:30,520 --> 00:40:29,319
costs also nerve also known as

809
00:40:33,039 --> 00:40:30,530
externalities

810
00:40:35,859 --> 00:40:33,049
these include poises methane emission

811
00:40:37,870 --> 00:40:35,869
from cows that accelerate climate change

812
00:40:41,140 --> 00:40:37,880
in higher health care costs associated

813
00:40:45,520 --> 00:40:41,150

with n unhealthy diets which oddly paid

814

00:40:47,109 --> 00:40:45,530

for by society it hopes to offset these

815

00:40:49,990 --> 00:40:47,119

external environmental and health costs

816

00:40:53,829 --> 00:40:50,000

of meet federal agencies and councils

817

00:40:55,480 --> 00:40:53,839

and Denmark Germany Sweden as well as

818

00:40:59,440 --> 00:40:55,490

members of parliament in England are

819

00:41:02,230 --> 00:40:59,450

calling for a meat tax we've had enough

820

00:41:06,150 --> 00:41:02,240

meat it is time to tax the meat we're

821

00:41:10,680 --> 00:41:06,160

trying to get a meat tax you got that

822

00:41:12,760 --> 00:41:10,690

this sounds a bit ridiculous yes it does

823

00:41:17,230 --> 00:41:12,770

they obviously but they're trying to use

824

00:41:19,870 --> 00:41:17,240

taxation to to curb behavior and i-iv

825

00:41:23,140 --> 00:41:19,880

I'm eating less meat you know I'm not

826

00:41:24,910 --> 00:41:23,150

you know me up I mean less meat but I

827

00:41:30,240 --> 00:41:24,920

don't believe in taxing something is

828

00:41:32,740 --> 00:41:30,250

because they believe that these external

829

00:41:34,510 --> 00:41:32,750

things are happening like climate change

830

00:41:36,970 --> 00:41:34,520

if people want meat they want that you

831

00:41:38,950 --> 00:41:36,980

can't have so people if tomorrow let's

832

00:41:41,200 --> 00:41:38,960

say hypothetically D meat is there

833

00:41:43,180 --> 00:41:41,210

enough is there enough sustainable plant

834

00:41:45,130 --> 00:41:43,190

life and growth and other things that

835

00:41:48,039 --> 00:41:45,140

people can to eat and supplement their

836

00:41:49,660 --> 00:41:48,049

non me diet I don't know

837

00:41:50,799 --> 00:41:49,670

doesn't seem practical right now I think

838

00:41:52,959 --> 00:41:50,809

people should wean themselves off they

839

00:41:55,790 --> 00:41:52,969

want to I don't think taxing it there's

840

00:42:00,660 --> 00:41:55,800

a way to go

841

00:42:02,490 --> 00:42:00,670

now it's just people whining I mean what

842

00:42:04,440 --> 00:42:02,500

is they're really gonna conserve a curb

843

00:42:06,750 --> 00:42:04,450

consumption you know people are gonna

844

00:42:09,930 --> 00:42:06,760

pay more from their meat yeah like if

845

00:42:13,559 --> 00:42:09,940

they increased the price of meat by 10

846

00:42:18,210 --> 00:42:13,569

cents I'd still buy it right here like a

847

00:42:22,109 --> 00:42:18,220

dollar come on probably yes caller go

848

00:42:24,540 --> 00:42:22,119

ahead how much is your meat hey I'm

849

00:42:26,640 --> 00:42:24,550

calling because this idea of taxing meat

850

00:42:30,089 --> 00:42:26,650

I mean what are they gonna do with that

851
00:42:32,609 --> 00:42:30,099
money I so they're saying it's gonna be

852
00:42:35,130 --> 00:42:32,619
used to offset the cost of climate

853
00:42:38,250 --> 00:42:35,140
change and health care but it's not a

854
00:42:40,950 --> 00:42:38,260
direct tax so I'd just go in the coffers

855
00:42:43,020 --> 00:42:40,960
probably yeah well I think that's

856
00:42:44,970 --> 00:42:43,030
exactly what it is I think that this

857
00:42:47,190 --> 00:42:44,980
idea of taxing meat is just gonna pay

858
00:42:49,380 --> 00:42:47,200
for other programs that's why the taxes

859
00:42:51,900 --> 00:42:49,390
tax stuff I know they say they do it for

860
00:42:53,819 --> 00:42:51,910
like to deter people from you know

861
00:42:57,420 --> 00:42:53,829
consuming things like almost like its

862
00:42:58,920 --> 00:42:57,430
syntax but I think definitely you know

863
00:43:00,300 --> 00:42:58,930

it's just gonna pay for other programs

864

00:43:02,190 --> 00:43:00,310

is another way to reach into your

865

00:43:04,940 --> 00:43:02,200

pockets basically yeah they probably use

866

00:43:08,339 --> 00:43:04,950

the money to build bombs to bomb cows

867

00:43:11,490 --> 00:43:08,349

and so they're just gonna kill more

868

00:43:15,900 --> 00:43:11,500

animals with the tablet via ham to make

869

00:43:20,480 --> 00:43:15,910

hamburgers hot dogs and chicken from the

870

00:43:24,210 --> 00:43:20,490

the tax and the blum blum up yeah yeah

871

00:43:26,579 --> 00:43:24,220

yeah as far as you there's far too cheap

872

00:43:28,349 --> 00:43:26,589

bill but hey what you listen to in the

873

00:43:33,569 --> 00:43:28,359

background there sounds like some for

874

00:43:37,319 --> 00:43:33,579

140 measured Nazi music it's my son he

875

00:43:41,970 --> 00:43:37,329

plays the plays of French I think you

876

00:43:44,780 --> 00:43:41,980

see please Nazi tuning fork no no I

877

00:43:45,990 --> 00:43:44,790

don't think so no he was a great brunch

878

00:43:55,230 --> 00:43:46,000

Wharram

879

00:43:56,849 --> 00:43:55,240

you know I play the rusty trombone hey

880

00:43:59,130 --> 00:43:56,859

one of the things since we're talking

881

00:44:01,290 --> 00:43:59,140

about music I wanted to talk about sound

882

00:44:05,520 --> 00:44:01,300

and your mentioned that you had the this

883

00:44:07,440 --> 00:44:05,530

cleansing done if they can use sound to

884

00:44:09,480 --> 00:44:07,450

make you uncomfortable I mean it could

885

00:44:11,190 --> 00:44:09,490

be said that they could definitely you

886

00:44:13,859 --> 00:44:11,200

sound - to bring you some type of

887

00:44:15,690 --> 00:44:13,869

comfort or relief as well oh sure and I

888

00:44:19,350 --> 00:44:15,700

think they're actually developing sonic

889

00:44:23,640 --> 00:44:19,360

technologies - in healthcare industries

890

00:44:25,470 --> 00:44:23,650

like sonic healthcare devices so well

891

00:44:28,200 --> 00:44:25,480

you know it's happy to also have like

892

00:44:30,720 --> 00:44:28,210

ultrasound I mean they do apply sound as

893

00:44:33,540 --> 00:44:30,730

it is currently so and I know the

894

00:44:35,160 --> 00:44:33,550

military has some devices also that you

895

00:44:37,380 --> 00:44:35,170

know you've utilized sound to basically

896

00:44:38,370 --> 00:44:37,390

break up people like riot control type

897

00:44:41,070 --> 00:44:38,380

stuff yeah

898

00:44:43,260 --> 00:44:41,080

and I just talked about a story on the

899

00:44:45,900 --> 00:44:43,270

last podcast that some computer

900

00:44:48,470 --> 00:44:45,910

scientists think that this that Cuban

901
00:44:52,550 --> 00:44:48,480
embassy sonic attack was done by

902
00:44:54,570 --> 00:44:52,560
alternating or two ultrasonic devices

903
00:44:56,430 --> 00:44:54,580
being closed to one another creating

904
00:44:59,190 --> 00:44:56,440
this weird freaky frequency that

905
00:45:01,170 --> 00:44:59,200
interrupted and harmed people in in the

906
00:45:03,390 --> 00:45:01,180
vicinity so yeah if they if the sound

907
00:45:05,100 --> 00:45:03,400
can't hurt it should be able to help in

908
00:45:06,720 --> 00:45:05,110
a certain way and you know there's

909
00:45:09,180 --> 00:45:06,730
various futuristic Star Trek devices

910
00:45:11,760 --> 00:45:09,190
that use sound to heal people so I think

911
00:45:15,000 --> 00:45:11,770
it's possible or or out of dealing they

912
00:45:15,720 --> 00:45:15,010
use the sound devices I think to destroy

913
00:45:18,150 --> 00:45:15,730

cells right

914

00:45:21,210 --> 00:45:18,160

yeah well it's also it's been rumored

915

00:45:23,460 --> 00:45:21,220

that that the ancient Egyptians you

916

00:45:28,920 --> 00:45:23,470

sound to move those large blocks to

917

00:45:30,359 --> 00:45:28,930

build the pyramids mm-hmm so what last

918

00:45:34,320 --> 00:45:30,369

thing I wanted to say about sound was

919

00:45:37,200 --> 00:45:34,330

just have you heard of binaural beats of

920

00:45:39,000 --> 00:45:37,210

binaural beats I've heard the term I

921

00:45:42,270 --> 00:45:39,010

don't really know what it means or how

922

00:45:44,280 --> 00:45:42,280

to use it so it's you can find apps on

923

00:45:46,020 --> 00:45:44,290

it but essentially it's two different

924

00:45:47,760 --> 00:45:46,030

like sound frequencies

925

00:45:49,980 --> 00:45:47,770

I don't know if they're different but

926
00:45:52,260 --> 00:45:49,990
they might be offset but they play like

927
00:45:53,940 --> 00:45:52,270
in your you know left ear one way the

928
00:45:55,980 --> 00:45:53,950
right ear had it at a different speed

929
00:45:58,920 --> 00:45:55,990
but it basically does the syncopation

930
00:46:01,590 --> 00:45:58,930
and creates sort of like a new beat but

931
00:46:03,210 --> 00:46:01,600
they have these you click the app you

932
00:46:05,400 --> 00:46:03,220
can get for like you know if you want

933
00:46:06,870 --> 00:46:05,410
focus or if you want to go to sleep you

934
00:46:09,870 --> 00:46:06,880
can listen to these beats and even

935
00:46:12,720 --> 00:46:09,880
overlay them or under it put under music

936
00:46:16,230 --> 00:46:12,730
and they can actually help you give you

937
00:46:17,550 --> 00:46:16,240
like a mood change even yeah I know you

938
00:46:19,410 --> 00:46:17,560

mentioned that I do have that app I

939

00:46:21,120 --> 00:46:19,420

haven't really listened to it but thank

940

00:46:22,420 --> 00:46:21,130

you for explaining that now that now I

941

00:46:24,819 --> 00:46:22,430

know what app I have

942

00:46:26,440 --> 00:46:24,829

I haven't used it yet but I didn't i

943

00:46:29,260 --> 00:46:26,450

didn't know the philosophy behind it so

944

00:46:30,849 --> 00:46:29,270

that's cool off the big I'm thinking

945

00:46:32,770 --> 00:46:30,859

into all this kind of stuff right now

946

00:46:34,960 --> 00:46:32,780

I'm on screen I'm holding up to the 432

947

00:46:36,549 --> 00:46:34,970

CD I have I gotta I gotta buy a CD

948

00:46:38,680 --> 00:46:36,559

player to listen to it I don't have I

949

00:46:41,740 --> 00:46:38,690

don't own a CD player that can just plug

950

00:46:43,359 --> 00:46:41,750

into a stereo and listen to it so well

951
00:46:44,980 --> 00:46:43,369
that in the the speakers have to be

952
00:46:46,960 --> 00:46:44,990
rated for all those things as well I

953
00:46:49,540 --> 00:46:46,970
noticed some type of ghost frequency

954
00:46:50,920 --> 00:46:49,550
it's like 19 Hertz or something but most

955
00:46:53,470 --> 00:46:50,930
people don't have the capability to

956
00:46:55,569 --> 00:46:53,480
actually listen to it no I got some I

957
00:46:57,220 --> 00:46:55,579
got some pretty cool bass amps maybe I

958
00:46:59,410 --> 00:46:57,230
can use that I don't know that can go

959
00:47:00,700 --> 00:46:59,420
some pretty low frequencies also I got a

960
00:47:09,000 --> 00:47:00,710
look in the ocean as far too much

961
00:47:11,220 --> 00:47:09,010
knowledge I don't have absolutely

962
00:47:13,580 --> 00:47:11,230
alright thank you for your call bye

963
00:47:13,980 --> 00:47:13,590

[Applause]

964

00:47:17,940 --> 00:47:13,990

[Music]

965

00:47:23,349 --> 00:47:21,970

alright we have another story here and

966

00:47:25,680 --> 00:47:23,359

we'll take some more phone calls in a

967

00:47:28,470 --> 00:47:25,690

little bit but we get to some stories

968

00:47:31,420 --> 00:47:28,480

Arnold Schwarzenegger is planning to sue

969

00:47:37,760 --> 00:47:31,430

oil companies for knowingly killing

970

00:47:42,260 --> 00:47:37,770

people all over the world okay yeah

971

00:47:43,640 --> 00:47:42,270

so he needed sue people like oil

972

00:47:45,620 --> 00:47:43,650

companies for killing people not like

973

00:47:47,770 --> 00:47:45,630

directly but I guess I guess again

974

00:47:49,850 --> 00:47:47,780

you know I guess you're in California

975

00:47:52,670 --> 00:47:49,860

there's known for being a very litigious

976

00:47:54,770 --> 00:47:52,680

State you just open up a suit against

977

00:47:56,780 --> 00:47:54,780

anybody former California Governor

978

00:47:59,930 --> 00:47:56,790

Arnold Schwarzenegger is planning to sue

979

00:48:01,880 --> 00:47:59,940

oil companies alleging alleging they are

980

00:48:06,290 --> 00:48:01,890

knowingly killing people all over the

981

00:48:07,150 --> 00:48:06,300

world source of naggers sad was what he

982

00:48:09,080 --> 00:48:07,160

say

983

00:48:11,810 --> 00:48:09,090

Martinez said during an interview with

984

00:48:14,390 --> 00:48:11,820

politico's off message podcast that he

985

00:48:18,050 --> 00:48:14,400

is still working on the timing for his

986

00:48:21,050 --> 00:48:18,060

push but he is now speaking with private

987

00:48:24,680 --> 00:48:21,060

law firms wrong no yeah you are

988

00:48:26,720 --> 00:48:24,690

yeah this is no different than the

989

00:48:28,850 --> 00:48:26,730

smoking issue the tobacco industry knew

990

00:48:30,620 --> 00:48:28,860

for years and years and years and

991

00:48:32,660 --> 00:48:30,630

decades of smoking would kill people

992

00:48:35,359 --> 00:48:32,670

would harm people and create cancer and

993

00:48:37,820 --> 00:48:35,369

we're hiding that fact from people and

994

00:48:39,260 --> 00:48:37,830

denied it then they eventually have

995

00:48:40,310 --> 00:48:39,270

taken to court and had to pay hundreds

996

00:48:42,340 --> 00:48:40,320

of millions of dollars because of that

997

00:48:47,420 --> 00:48:42,350

so he's alleging that the oil companies

998

00:48:50,150 --> 00:48:47,430

knew from 1959 on that date that they

999

00:48:53,480 --> 00:48:50,160

did their own study that there would be

1000

00:48:55,160 --> 00:48:53,490

a global warming issue in little warmer

1001
00:48:57,650 --> 00:48:55,170
would be happening because of fossil

1002
00:49:00,109 --> 00:48:57,660
fuels and on top of that it would be

1003
00:49:04,040 --> 00:49:00,119
risky for people's lives that it would

1004
00:49:05,750 --> 00:49:04,050
kill so Maui how he as has access to

1005
00:49:09,440 --> 00:49:05,760
these seeker studies that the oil

1006
00:49:12,470 --> 00:49:09,450
companies but suing Big Oil is soot is

1007
00:49:15,440 --> 00:49:12,480
different than suing big tobacco maybe

1008
00:49:28,250 --> 00:49:15,450
it was on the [h__h] I was thinking a

1009
00:49:30,800 --> 00:49:28,260
predator to SAS not because I'm going to

1010
00:49:33,190 --> 00:49:30,810
see that's really saying to the the oil

1011
00:49:38,030 --> 00:49:33,200
companies right now that's been doing

1012
00:49:44,849 --> 00:49:38,040
thank you I do not want to touch his ass

1013
00:49:53,670 --> 00:49:48,839

tim mcgraw collapse collapses on stage

1014

00:49:56,039 --> 00:49:53,680

during ireland c2c concert oh my god he

1015

00:49:58,319 --> 00:49:56,049

collapsed in Ireland a we know people

1016

00:50:02,339 --> 00:49:58,329

over there what did Tim McGraw collapse

1017

00:50:04,170 --> 00:50:02,349

on stage just got you high on meth oh it

1018

00:50:08,640 --> 00:50:04,180

turns out he found out he played country

1019

00:50:15,390 --> 00:50:08,650

music yeah hey guys it's Kelly Rizzo and

1020

00:50:16,769 --> 00:50:15,400

you will not believe uh on the phone

1021

00:50:18,930 --> 00:50:16,779

back lines back up here because we're

1022

00:50:22,109 --> 00:50:18,940

gonna be wine yeah yeah this next story

1023

00:50:23,579 --> 00:50:22,119

yes is so shocking was that pound here

1024

00:50:25,199 --> 00:50:23,589

wins eight hundred seventy six million

1025

00:50:28,229 --> 00:50:25,209

dollar US Army contract oh my lord

1026

00:50:33,089 --> 00:50:28,239

Palantir the big data warehouse and data

1027

00:50:35,559 --> 00:50:33,099

analysis company out of palo alto wins

1028

00:50:38,170 --> 00:50:35,569

almost

1029

00:50:39,579 --> 00:50:38,180

a billion dollar contract from the Army

1030

00:50:41,259 --> 00:50:39,589

what does that include

1031

00:50:46,329 --> 00:50:41,269

can you read can you break that story

1032

00:50:50,529 --> 00:50:48,729

his data mining it's a data mining

1033

00:50:53,079 --> 00:50:50,539

started about pound who'd won a much

1034

00:50:55,359 --> 00:50:53,089

contested contract the army pound here

1035

00:50:57,910 --> 00:50:55,369

will work with Raytheon to replace the

1036

00:51:00,160 --> 00:50:57,920

troubled was a distributed common ground

1037

00:51:01,989 --> 00:51:00,170

system now in effect they beat out seven

1038

00:51:03,219 --> 00:51:01,999

other proposals for a decade-long eight

1039

00:51:05,259 --> 00:51:03,229

hundred and seventy six million dollar

1040

00:51:07,569 --> 00:51:05,269

contract well I don't know what all

1041

00:51:10,989 --> 00:51:07,579

there is I don't know what distributed

1042

00:51:14,859 --> 00:51:10,999

common ground systems did so pound here

1043

00:51:17,319 --> 00:51:14,869

work working with Raytheon okay four

1044

00:51:18,609 --> 00:51:17,329

billion dollars okay only we had someone

1045

00:51:20,319 --> 00:51:18,619

in the Air Force that could tell us if

1046

00:51:23,920 --> 00:51:20,329

the system was Air Force distributed

1047

00:51:25,989 --> 00:51:23,930

common ground system let's all redresses

1048

00:51:29,140 --> 00:51:25,999

but this is a redresses Bloomberg

1049

00:51:33,189 --> 00:51:29,150

article the Peter Thiel is the investor

1050

00:51:38,400 --> 00:51:33,199

in this and Peter Thiel is a big backer

1051
00:51:41,229 --> 00:51:38,410
of Trump and now Palantir is uh and in

1052
00:51:44,650 --> 00:51:41,239
sweet contracts all right there you go

1053
00:51:50,189 --> 00:51:44,660
yeah the thought is that goes listen to

1054
00:51:52,689 --> 00:51:50,199
this description of this system okay so

1055
00:51:54,729 --> 00:51:52,699
which is what Swiss system is this this

1056
00:51:57,579 --> 00:51:54,739
is the common ground system yeah it

1057
00:51:59,349 --> 00:51:57,589
looks like this is their mission the Air

1058
00:52:02,160 --> 00:51:59,359
Force distributed common ground system

1059
00:52:04,509 --> 00:52:02,170
also referred to as this this acronym

1060
00:52:06,189 --> 00:52:04,519
something Sentinel weapon system is the

1061
00:52:07,900 --> 00:52:06,199
Air Force's primary intelligence

1062
00:52:09,430 --> 00:52:07,910
surveillance and reconnaissance planning

1063
00:52:11,589 --> 00:52:09,440

and Direction collection and processing

1064

00:52:14,140 --> 00:52:11,599

and exploitation analysis and

1065

00:52:18,939 --> 00:52:14,150

dissemination weapon system Wow it's a

1066

00:52:22,540 --> 00:52:18,949

one-stop shop yeah hmm fees Sam's Club

1067

00:52:27,130 --> 00:52:24,550

this article goes on since the election

1068

00:52:28,960 --> 00:52:27,140

of President Donald Trump Thiel Peter

1069

00:52:31,930 --> 00:52:28,970

Thiel has gained significant influence

1070

00:52:34,390 --> 00:52:31,940

in Washington he was the most promised

1071

00:52:36,400 --> 00:52:34,400

important Trump from Silicon Valley and

1072

00:52:38,350 --> 00:52:36,410

contributed money to his campaign he'll

1073

00:52:40,060 --> 00:52:38,360

help fill positions in trumps

1074

00:52:43,300 --> 00:52:40,070

administration with former staff

1075

00:52:45,430 --> 00:52:43,310

including Trey Stevens and one-time

1076

00:52:47,440 --> 00:52:45,440

Palantir in a one-time volunteer

1077

00:52:49,210 --> 00:52:47,450

employee although he recently told the

1078

00:52:52,210 --> 00:52:49,220

year Times that trumps presidency has

1079

00:52:53,920 --> 00:52:52,220

fallen short in some ways Steele says he

1080

00:52:57,130 --> 00:52:53,930

has no regrets about supporting them and

1081

00:53:01,120 --> 00:52:57,140

so what is I wonder what they really

1082

00:53:05,440 --> 00:53:01,130

gonna do with this program like not

1083

00:53:05,440 --> 00:53:05,450

saying what this is actually going to do

1084

00:53:10,150 --> 00:53:07,810

two thousand four pound here used used

1085

00:53:11,680 --> 00:53:10,160

by dozens of federal state and local law

1086

00:53:14,319 --> 00:53:11,690

enforcement agencies to aggregate

1087

00:53:17,319 --> 00:53:14,329

far-flung data my sure that means what

1088

00:53:19,510 --> 00:53:17,329

is far-flung data find patterns and

1089

00:53:22,150 --> 00:53:19,520

present results and colorful easy to use

1090

00:53:23,829 --> 00:53:22,160

in interpret graphics Oh it's used by

1091

00:53:26,099 --> 00:53:23,839

police in Los Angeles Chicago New

1092

00:53:29,500 --> 00:53:26,109

Orleans and elsewhere to raise ethical

1093

00:53:32,140 --> 00:53:29,510

concern about the potential for unfairly

1094

00:53:33,940 --> 00:53:32,150

targeting minorities Yeah right that's

1095

00:53:36,730 --> 00:53:33,950

what that's what they're using that for

1096

00:53:39,130 --> 00:53:36,740

I found I should have just kept reading

1097

00:53:40,839 --> 00:53:39,140

yeah because it's explained the weapons

1098

00:53:42,010 --> 00:53:40,849

system employs a global communications

1099

00:53:44,620 --> 00:53:42,020

architecture that connects multiple

1100

00:53:46,930 --> 00:53:44,630

Intelligence Platform and sensors it

1101
00:53:50,650 --> 00:53:46,940
says Airmen assigned assigned to the a

1102
00:53:52,180 --> 00:53:50,660
Air Force D CGS must be this unit at

1103
00:53:54,310 --> 00:53:52,190
distribution common ground system

1104
00:53:56,260 --> 00:53:54,320
produce actual intelligence from data

1105
00:53:59,230 --> 00:53:56,270
collected by a variety of sensors on the

1106
00:54:01,990 --> 00:53:59,240
u2 rq-4 Global Hawk which is the drone

1107
00:54:03,579 --> 00:54:02,000
the mq-1 predator okay this is like

1108
00:54:06,010 --> 00:54:03,589
intelligence gathering from drones plus

1109
00:54:09,099 --> 00:54:06,020
the YouTube player yeah so there's

1110
00:54:12,160 --> 00:54:09,109
they're just gonna plug all the Army and

1111
00:54:13,660 --> 00:54:12,170
Air Force stuff in because in this plug

1112
00:54:15,880 --> 00:54:13,670
it into their their their data

1113
00:54:19,089 --> 00:54:15,890

aggregation I'm just gonna combine all

1114

00:54:20,500 --> 00:54:19,099

these different data bases just to have

1115

00:54:24,790 --> 00:54:20,510

a more complete picture of the entire

1116

00:54:26,890 --> 00:54:24,800

globe with your information as well too

1117

00:54:28,600 --> 00:54:26,900

all right that's great so law

1118

00:54:30,310 --> 00:54:28,610

enforcement I wonder thought to pay

1119

00:54:31,870 --> 00:54:30,320

extra local law enforcement might have

1120

00:54:35,950 --> 00:54:31,880

access to that intelligence in some way

1121

00:54:37,570 --> 00:54:35,960

or at the very least US Army who gave

1122

00:54:40,540 --> 00:54:37,580

this contract out will definitely have

1123

00:54:43,420 --> 00:54:40,550

access to all the local databases that

1124

00:54:46,480 --> 00:54:43,430

pollen tier concurrently does have

1125

00:54:51,280 --> 00:54:46,490

access to that makes more sense

1126

00:55:00,370 --> 00:54:55,650

yet lovely that's fun not great

1127

00:55:03,550 --> 00:55:00,380

he's in line here China prepares to

1128

00:55:04,720 --> 00:55:03,560

approve life president well this is just

1129

00:55:06,700 --> 00:55:04,730

awesome

1130

00:55:12,190 --> 00:55:06,710

who doesn't like a life or dictatorial

1131

00:55:13,420 --> 00:55:12,200

president especially in China I guess I

1132

00:55:15,930 --> 00:55:13,430

could I might be able to play this

1133

00:55:22,260 --> 00:55:17,280

probably should because I don't want to

1134

00:55:24,840 --> 00:55:22,270

read lord knows I don't want to read and

1135

00:55:26,430 --> 00:55:24,850

this about China we'd like we like to

1136

00:55:28,710 --> 00:55:26,440

talk about China over here don't we Jeff

1137

00:55:31,740 --> 00:55:28,720

oh yeah definitely

1138

00:55:36,690 --> 00:55:31,750

yeah shyness I can play that I can do

1139

00:55:40,470 --> 00:55:38,609

do it yeah I'm gonna play the reporter

1140

00:55:42,630 --> 00:55:40,480

now it's for BBC so they're gonna talk

1141

00:55:51,500 --> 00:55:42,640

like this they're gonna say China's

1142

00:55:57,030 --> 00:55:54,299

Congress these delegates will be

1143

00:55:59,190 --> 00:55:57,040

deciding whether or not to allow Xi

1144

00:56:02,069 --> 00:55:59,200

Jinping to extend his time as president

1145

00:56:03,660 --> 00:56:02,079

and effectively hold that position for

1146

00:56:04,579 --> 00:56:03,670

life let's see what they have to say

1147

00:56:07,109 --> 00:56:04,589

about it

1148

00:56:09,089 --> 00:56:07,119

yeah they're going to interview people

1149

00:56:17,460 --> 00:56:09,099

in China moving were they were they

1150

00:56:22,910 --> 00:56:17,470

gonna diss the Chinese good for our

1151
00:56:28,140 --> 00:56:22,920
country's ability ha ha this is good

1152
00:56:31,770 --> 00:56:28,150
[h__h] gay eager and no midoriyama beef

1153
00:56:36,089 --> 00:56:31,780
American pedestrians you got that mr.

1154
00:56:38,609 --> 00:56:36,099
Shermer China well it turns out everyone

1155
00:56:41,520 --> 00:56:38,619
on the street in China loves that this

1156
00:56:44,260 --> 00:56:41,530
guy is gonna be a president for life he

1157
00:56:49,370 --> 00:56:44,270
absolutely loves it

1158
00:56:51,790 --> 00:56:49,380
the vote is on Sunday and it needs a

1159
00:56:53,770 --> 00:56:51,800
two-thirds majority to change the

1160
00:56:58,280 --> 00:56:53,780
constitution to allow this guy to be

1161
00:57:02,300 --> 00:56:58,290
president for life so China has approved

1162
00:57:04,760 --> 00:57:02,310
the removal of the two-term limit on the

1163
00:57:07,610 --> 00:57:04,770

presidency effectively allowing Z

1164

00:57:09,950 --> 00:57:07,620

Jinping to remain in power for life so

1165

00:57:11,570 --> 00:57:09,960

it got past their their parliament and

1166

00:57:12,800 --> 00:57:11,580

now he is imagine if we were having a

1167

00:57:14,120 --> 00:57:12,810

constable could convened a

1168

00:57:16,010 --> 00:57:14,130

constitutional convention right now

1169

00:57:17,540 --> 00:57:16,020

where we remove term limits let Trump

1170

00:57:21,890 --> 00:57:17,550

stand for the rest of his life yeah

1171

00:57:23,690 --> 00:57:21,900

imagine the freak out China yeah yeah

1172

00:57:24,920 --> 00:57:23,700

you think they would get the people on

1173

00:57:26,810 --> 00:57:24,930

the street saying yeah this is this is

1174

00:57:29,150 --> 00:57:26,820

great for stability and peace for the

1175

00:57:33,740 --> 00:57:29,160

for the nation now people be freaking

1176
00:57:36,380 --> 00:57:33,750
the [h__\h] out freaky now go it's just a

1177
00:57:41,330 --> 00:57:36,390
joke that's right laughing laughing

1178
00:57:43,400 --> 00:57:41,340
about this they can't talk they can't

1179
00:57:45,650 --> 00:57:43,410
save me there are people in China that

1180
00:57:50,780 --> 00:57:45,660
are angry but I don't think they're on

1181
00:57:52,880 --> 00:57:50,790
this news report this could be one of

1182
00:57:56,260 --> 00:57:52,890
those times when people look back and

1183
00:57:59,510 --> 00:57:56,270
say that was when China's politics

1184
00:58:01,160 --> 00:57:59,520
changed because the decisions they're

1185
00:58:04,400 --> 00:58:01,170
going to be making at this meeting are

1186
00:58:12,920 --> 00:58:04,410
going to have a massive impact on the

1187
00:58:17,570 --> 00:58:12,930
way this country's governed yes all

1188
00:58:19,160 --> 00:58:17,580

right well that's not gonna be good but

1189

00:58:21,050 --> 00:58:19,170

uh there's one last good one here we

1190

00:58:25,340 --> 00:58:21,060

just I think sure man's body found

1191

00:58:28,430 --> 00:58:25,350

inside donation box in Queens no there

1192

00:58:31,760 --> 00:58:28,440

you go there's a video I can play it for

1193

00:58:34,190 --> 00:58:31,770

yourself bass wife played it's kind of a

1194

00:58:35,870 --> 00:58:34,200

sense is this tattoo the NYPD tells us

1195

00:58:37,670 --> 00:58:35,880

it belongs to a man found dead in a

1196

00:58:39,590 --> 00:58:37,680

donation box police caught him early

1197

00:58:41,300 --> 00:58:39,600

yesterday morning near 62nd Street at

1198

00:58:42,800 --> 00:58:41,310

Northern Boulevard on Woodside they're

1199

00:58:46,480 --> 00:58:42,810

still looking into how he died right now

1200

00:58:51,860 --> 00:58:50,510

so apparently you know it's in Queens it

1201
00:58:53,870 --> 00:58:51,870
was governor early Friday the middle

1202
00:58:55,490 --> 00:58:53,880
Boxton penile donation box from second

1203
00:58:58,309 --> 00:58:55,500
to second Street

1204
00:59:01,040 --> 00:58:58,319
Northern Boulevard and Woodside New York

1205
00:59:04,640 --> 00:59:01,050
appearances at five-foot-seven 160-pound

1206
00:59:06,079 --> 00:59:04,650
guy between 25 and 35 apparently he has

1207
00:59:08,599 --> 00:59:06,089
a distinctive tattoo which they showed

1208
00:59:16,579 --> 00:59:08,609
in the video sounds like he was an organ

1209
00:59:19,069 --> 00:59:16,589
donor yeah that's sad I mean no one was

1210
00:59:26,480 --> 00:59:19,079
a throw away a perfectly good person but

1211
00:59:27,790 --> 00:59:26,490
they did he knows alright let's get the

1212
00:59:33,079 --> 00:59:27,800
heck out of here

1213
00:59:35,990 --> 00:59:33,089

sounds good do it every kid might like a

1214

00:59:40,460 --> 00:59:36,000

man I think you everyone for hanging out

1215

00:59:43,490 --> 00:59:40,470

for a night talk live night talk lie

1216

00:59:46,280 --> 00:59:43,500

thanks for hanging out yeah that's well

1217

00:59:48,109 --> 00:59:46,290

thank you been great to have you here

1218

00:59:51,260 --> 00:59:48,119

clone baby we had some pretty

1219

00:59:55,400 --> 00:59:51,270

interesting calls we talked about music

1220

00:59:57,410 --> 00:59:55,410

and four three two versus the Nazi four

1221

00:59:59,089 --> 00:59:57,420

four zero I'm gonna look all into that

1222

01:00:00,620 --> 00:59:59,099

and see if we can come to some sort of

1223

01:00:03,319 --> 01:00:00,630

consensus about what the [h__h] is going

1224

01:00:06,500 --> 01:00:03,329

on poop stories talking about poop

1225

01:00:08,630 --> 01:00:06,510

stories lots of poop stories and we've

1226

01:00:13,520 --> 01:00:08,640

got they run down some headline news

1227

01:00:16,730 --> 01:00:13,530

just be all like the do it was good it

1228

01:00:17,530 --> 01:00:16,740

was real it was good it was real it

1229

01:00:20,510 --> 01:00:17,540

happened

1230

01:00:23,059 --> 01:00:20,520

they've had some more eclipses here you

1231

01:00:24,930 --> 01:00:23,069

know guys just have an awful lot of

1232

01:00:27,930 --> 01:00:24,940

clothes off

1233

01:00:29,220 --> 01:00:27,940

let's go that's best fruit guys we're

1234

01:00:30,210 --> 01:00:29,230

just got to have a great time together

1235

01:00:35,370 --> 01:00:30,220

this afternoon

1236

01:00:36,960 --> 01:00:35,380

I don't want to be unreasonable but you

1237

01:00:41,480 --> 01:00:36,970

1238

01:00:43,980 --> 01:00:41,490

and killed snoring elderly roommate

1240

01:00:48,450 --> 01:00:44,590

hello

1241

01:00:51,090 --> 01:00:48,460

yeah well it's a sad story this is

1242

01:00:52,590 --> 01:00:51,100

another crate set 27 pairs of severed

1243

01:00:57,230 --> 01:00:52,600

human hands mysteriously wash up on a

1244

01:01:02,730 --> 01:00:57,240

Russian aisle yeah caller go ahead

1245

01:01:05,640 --> 01:01:02,740

1249

01:01:17,820 --> 01:01:15,430

1252

01:01:25,170 --> 01:01:22,330

1253

01:01:29,910 --> 01:01:25,180

1254

01:01:31,470 --> 01:01:29,920

1255

01:01:39,950 --> 01:01:31,480

1259

01:01:53,970 --> 01:01:50,980

popular you love it people people love

1260

01:01:55,800 --> 01:01:53,980

the the popularity of Bill it's

1261

01:01:58,230 --> 01:01:55,810

spreading like a virus I think they
