we're gonna be talking about a lot of

15

00:01:42,859 --> 00:01:40,650

different subjects tonight we might

16

00:01:44,050 --> 00:01:42,869

perhaps be taking phone calls at some

17

00:01:49,570 --> 00:01:44,060

point

18

00:01:52,370 --> 00:01:49,580

I'm joined I don't know exactly but

19

00:01:54,960 --> 00:01:52,380

we'll negotiate that we'll get that

20

00:01:58,770 --> 00:01:54,970

going at some point

21

00:02:02,109 --> 00:01:58,780

[Music]

00:02:05,890 --> 00:02:02,119

the phone calls stop that please please

23

00:02:10,330 --> 00:02:05,900

and the hammering no phone calls no

24

00:02:14,170 --> 00:02:10,340

hammering it's all happening getting

25

00:02:17,460 --> 00:02:14,180

everything lined up your people want to

26

00:02:22,600 --> 00:02:17,470

make sure we get all the appropriate

27

00:02:24,850 --> 00:02:22,610

clips pulled up right there that's was

28

00:02:28,210 --> 00:02:24,860

looking for all right hey stuff all my

29

00:02:32,229 --> 00:02:28,220

clips I'm either you got all your clips

30

00:02:34,840 --> 00:02:32,239

on my other computer files you got this

31

00:02:39,340 --> 00:02:34,850

one urinating all over it and dancing

32

00:02:45,070 --> 00:02:39,350

around like clowns now not that's my my

33

00:02:48,400 --> 00:02:45,080

secret club that I have well as you can

34

00:02:52,059 --> 00:02:48,410

tell by the title of this streaming and

35

00:02:56,770 --> 00:02:52,069

this podcast segment this is gonna be

36

00:02:59,080 --> 00:02:56,780

about Roswell UFOs and whatnot if you

37

00:03:02,830 --> 00:02:59,090

45

00:03:23,680 --> 00:03:20,360

46

00:03:25,650 --> 00:03:23,690

you can just listen on on YouTube that's

47

00:03:29,140 --> 00:03:25,660

fine too we're not we're not trying to

48

00:03:31,420 --> 00:03:29,150

put people over a barrel here we're just

49

00:03:32,949 --> 00:03:31,430

trying to have anyway who knows maybe we

50

00:03:35,440 --> 00:03:32,959

are trying to do that just try to

51
00:03:38,740 --> 00:03:35,450
generate a little extra revenue to pay

52
00:03:46,060 --> 00:03:38,750
for the show and maybe move me to

53
00:03:51,970 --> 00:03:46,070
Arizona oh yeah pasa I am in deep talks

54
00:03:54,780 --> 00:03:51,980
with with certain people vaz wasn't me

55
00:03:57,490 --> 00:03:54,790
so I mean the list is getting smaller

56
00:04:01,420 --> 00:03:57,500
it's possible that uh my girlfriend I

57
00:04:04,420 --> 00:04:01,430
might be moving to Arizona next year at

58
00:04:06,699 --> 00:04:04,430
some point somewhere pause you can

59
00:04:08,770 --> 00:04:06,709
handle that well I hope I can handle

60
00:04:10,059 --> 00:04:08,780
that it's gonna be difficult no doubt

61
00:04:13,780 --> 00:04:10,069
the the summers are going

62
00:04:17,710 --> 00:04:13,790
brutal for me but the Knights and the

63
00:04:20,050 --> 00:04:17,720

the the desert winters will be a nice

64

00:04:22,330 --> 00:04:20,060

change of pace I'm actually go down

65

00:04:26,290 --> 00:04:22,340

there into Arizona in the Scottsdale

66

00:04:27,939 --> 00:04:26,300

Sedona area and I believe October or

67

00:04:28,629 --> 00:04:27,949

November of this year just to kind of

68

00:04:30,879 --> 00:04:28,639

test it out

69

00:04:33,010 --> 00:04:30,889

that's the waters I've been down the in

70

00:04:34,600 --> 00:04:33,020

the Phoenix area uh maybe about a year

71

00:04:37,540 --> 00:04:34,610

and a half ago two years ago

72

00:04:39,670 --> 00:04:37,550

I enjoyed it March summer might be a

73

00:04:41,890 --> 00:04:39,680

different experience this could be

74

00:04:44,650 --> 00:04:41,900

hotter I mean it gets like like August

75

00:04:47,529 --> 00:04:44,660

in July it's a temper it's like 110

76
00:04:49,600 --> 00:04:47,539
degrees sometimes yeah yeah it's gonna

77
00:04:52,450 --> 00:04:49,610
be [h__h] hot no doubt about that

78
00:04:57,339 --> 00:04:52,460
the reports then it can even get up 225

79
00:04:59,950 --> 00:04:57,349
you can fried egg on your car good or

80
00:05:02,409 --> 00:04:59,960
engine if I guess that's what I've heard

81
00:05:06,939 --> 00:05:02,419
or you can fry eggs and cars out there

82
00:05:11,770 --> 00:05:06,949
you serve Brown cars yes he old classic

83
00:05:13,120 --> 00:05:11,780
Arizona you know the you just dry it you

84
00:05:15,040 --> 00:05:13,130
drive to work you leave the engine

85
00:05:16,510 --> 00:05:15,050
needed going and just cook on your hood

86
00:05:18,580 --> 00:05:16,520
right before you go into work everyone

87
00:05:19,749 --> 00:05:18,590
does it when it has paint ripped off all

88
00:05:22,270 --> 00:05:19,759

their cards yeah

89

00:05:24,909 --> 00:05:22,280

they sometime get to work Raipur

90

00:05:26,560 --> 00:05:24,919

breakfast on your way there so I'm

91

00:05:30,070 --> 00:05:26,570

looking forward to actually going going

92

00:05:31,060 --> 00:05:30,080

there and enjoying some of the sights

93

00:05:33,730 --> 00:05:31,070

though definitely one of the one of the

94

00:05:38,290 --> 00:05:33,740

things I want to do is the night vision

95

00:05:40,899 --> 00:05:38,300

UFO tour that that they do in Sedona now

96

00:05:43,450 --> 00:05:40,909

they they think like groups I think

97

00:05:46,210 --> 00:05:43,460

groups of anywhere from like 10 to 20

98

00:05:49,270 --> 00:05:46,220

people out in the desert word they will

99

00:05:52,149 --> 00:05:49,280

give you like the the newer versions of

100

00:05:56,350 --> 00:05:52,159

the night-vision goggles and you look up

101
00:05:57,790 --> 00:05:56,360
at the sky and you're able some videos

102
00:06:01,510 --> 00:05:57,800
and some testimonies and you're able to

103
00:06:03,730 --> 00:06:01,520
see craft or at least lights that you

104
00:06:08,649 --> 00:06:03,740
wouldn't otherwise see moving around the

105
00:06:10,089 --> 00:06:08,659
sky in in aerodynamically unique ways so

106
00:06:11,709 --> 00:06:10,099
I'm looking forward to seeing that and

107
00:06:13,659 --> 00:06:11,719
if you go on YouTube you can look up

108
00:06:16,540 --> 00:06:13,669
like night vision space battles there's

109
00:06:20,140 --> 00:06:16,550
people that have video of this stuff

110
00:06:22,510 --> 00:06:20,150
going going on there on YouTube fasting

111
00:06:24,010 --> 00:06:22,520
and in just in that area of the country

112
00:06:25,420 --> 00:06:24,020
a lot of UFO sighting

113
00:06:29,170 --> 00:06:25,430

obviously clear sky is great night

114

00:06:32,189 --> 00:06:29,180

watching and pretty close to I would say

115

00:06:35,200 --> 00:06:32,199

very close to New Mexico and in Roswell

116

00:06:37,240 --> 00:06:35,210

so I will be taking a trip out there I'm

117

00:06:40,659 --> 00:06:37,250

assuming you're gonna like trying a job

118

00:06:42,490 --> 00:06:40,669

at Intel or something yeah I don't know

119

00:06:44,559 --> 00:06:42,500

what I'm gonna do it work for the army

120

00:06:46,689 --> 00:06:44,569

like our uncle I might just take a job

121

00:06:48,249 --> 00:06:46,699

this bum around I don't it does anything

122

00:06:50,950 --> 00:06:48,259

but I was like a hobo sign in the street

123

00:06:54,760 --> 00:06:50,960

Python programmer for hire or something

124

00:06:58,830 --> 00:06:54,770

like that will program for food will

125

00:07:01,990 --> 00:06:58,840

Python program your server for board or

126
00:07:05,200 --> 00:07:02,000
my car yes I'll start sucking [\h__\h] on

127
00:07:08,529 --> 00:07:05,210
the side of the socket on route 66 with

128
00:07:10,450 --> 00:07:08,539
I think news for Arizona and all the

129
00:07:12,339 --> 00:07:10,460
time probably yes you'll find me in this

130
00:07:16,990 --> 00:07:12,349
on the side the road sucking in [\h__\h]

131
00:07:19,719 --> 00:07:17,000
making my way again I'll get to work at

132
00:07:22,719 --> 00:07:19,729
Intel one day yeah you know next year

133
00:07:25,510 --> 00:07:22,729
I'm this this whole rest stop businesses

134
00:07:27,969 --> 00:07:25,520
has gone pretty good for me so if

135
00:07:31,570 --> 00:07:27,979
anybody move the Arizona Justino be a

136
00:07:33,760 --> 00:07:31,580
lot lizard yeah if anybody in the this

137
00:07:35,950 --> 00:07:33,770
lacks add listeners has suggestions for

138
00:07:38,800 --> 00:07:35,960

me about where to live in and around the

139

00:07:41,820 --> 00:07:38,810

Phoenix area I'm open to suggestions

140

00:07:43,629 --> 00:07:41,830

I don't know a lot about the area and

141

00:07:47,559 --> 00:07:43,639

obviously I'm looking for something

142

00:07:50,080 --> 00:07:47,569

affordable cheap you may be anywhere

143

00:07:54,010 --> 00:07:50,090

from I want a three-bedroom house with a

144

00:07:56,200 --> 00:07:54,020

garage a basement a solarium in a full

145

00:07:59,980 --> 00:07:56,210

backyard for 200 bucks a night is that

146

00:08:04,800 --> 00:07:59,990

good it's a hotel yes

147

00:08:07,649 --> 00:08:04,810

\$200 three times 73 thousand a year

148

00:08:13,839 --> 00:08:07,659

[Laughter]

149

00:08:15,580 --> 00:08:13,849

maybe get it for like for that no just

150

00:08:16,629 --> 00:08:15,590

that money and yet living in a hotel

151

00:08:19,059 --> 00:08:16,639

yeah probably not

152

00:08:20,649 --> 00:08:19,069

yeah I'm at the Best Western I own the

153

00:08:22,959 --> 00:08:20,659

room yeah I don't think I can afford

154

00:08:25,629 --> 00:08:22,969

that what about \$200 a month that might

155

00:08:28,030 --> 00:08:25,639

be more affordable that be yes much

156

00:08:33,010 --> 00:08:31,060

yeah so I said that's a distinct

157

00:08:35,980 --> 00:08:33,020

possibility me moving down to Arizona

158

00:08:38,200 --> 00:08:35,990

would you come visit me clown baby first

159

00:08:41,670 --> 00:08:38,210

yeah I'd be great we can go look for a

160

00:08:45,850 --> 00:08:41,680

Sasquatch in big save Arizona Bigfoot

161

00:08:50,680 --> 00:08:45,860

I'm sure there's no way there isn't yeah

162

00:08:52,450 --> 00:08:50,690

desert Bigfoot oh I would hope so I know

163

00:08:54,460 --> 00:08:52,460

they have a snowman out there where they

164

00:08:58,330 --> 00:08:54,470

have Sandman oh yes

165

00:08:59,950 --> 00:08:58,340

yes they do have Sandman and it snowman

166

00:09:02,140 --> 00:08:59,960

out their snowman might be down there

167

00:09:04,180 --> 00:09:02,150

some point in time who knows but yeah

168

00:09:06,220 --> 00:09:04,190

that's what's going up me making some

169

00:09:09,700 --> 00:09:06,230

considerations on a big move next year

170

00:09:11,260 --> 00:09:09,710

so trying to save up for it now what

171

00:09:15,250 --> 00:09:11,270

happens I'll be broadcasting from the

172

00:09:18,070 --> 00:09:15,260

desert leg art belt exactly you can call

173

00:09:20,470 --> 00:09:18,080

it like almost midnight in the desert or

174

00:09:22,240 --> 00:09:20,480

something somewhere close to midnight in

175

00:09:25,450 --> 00:09:22,250

the desert well the show my Anthony I

176

00:09:29,560 --> 00:09:25,460

mean we do it a 7 p.m. Eastern Standard

177

00:09:31,900 --> 00:09:29,570

Time now on on Wednesdays and on Monday

178

00:09:34,450 --> 00:09:31,910

so partha moved back I don't know it

179

00:09:36,310 --> 00:09:34,460

might be later uh yeah I like work

180

00:09:38,770 --> 00:09:36,320

normal hours you'd probably have to like

181

00:09:42,700 --> 00:09:38,780

do it at 8:00 or 9:00 o'clock Eastern

182

00:09:46,840 --> 00:09:42,710

yeah we'll figure that out we'll get

183

00:09:50,350 --> 00:09:46,850

there and all all in due time we'll move

184

00:09:54,090 --> 00:09:50,360

on now and talk about some topics

185

00:09:57,620 --> 00:09:54,100

[Music]

186

00:10:03,870 --> 00:09:57,630

all right we're talking about Roswell

187

00:10:12,449 --> 00:10:06,689

now one of these subjects that got me

188

00:10:15,569 --> 00:10:12,459

into UFOs and paranormal topics was the

189

00:10:18,360 --> 00:10:15,579

the crash at Roswell well they talked

190

00:10:20,340 --> 00:10:18,370

about it all the time on like unsolved

191

00:10:22,079 --> 00:10:20,350

mysteries and you you heard about it

192

00:10:25,710 --> 00:10:22,089

just in passing

193

00:10:27,259 --> 00:10:25,720

but a book that really kind of really

194

00:10:31,410 --> 00:10:27,269

opened me up to it was the day after

195

00:10:35,490 --> 00:10:31,420

Roswell written by I think he was a

196

00:10:37,530 --> 00:10:35,500

colonel philip corso and he was at the

197

00:10:40,740 --> 00:10:37,540

research and development arm of the

198

00:10:44,519 --> 00:10:40,750

Pentagon he was given a whole box of a

199

00:10:46,860 --> 00:10:44,529

UFO junk from Roswell was told hey get

200

00:10:48,870 --> 00:10:46,870

this out to some corporations get it out

201
00:10:51,300 --> 00:10:48,880
to the pond and see what they could do

202
00:10:53,189 --> 00:10:51,310
with it and kind of integrated into

203
00:10:56,540 --> 00:10:53,199
society and suppose that's where the

204
00:10:59,850 --> 00:10:56,550
transistor came from or integrated

205
00:11:01,610 --> 00:10:59,860
circuit chip elements of night vision

206
00:11:05,490 --> 00:11:01,620
and various other things

207
00:11:08,460 --> 00:11:05,500
this was Colonel colonel philip corso

208
00:11:11,309 --> 00:11:08,470
second about what happened at Roswell

209
00:11:13,740 --> 00:11:11,319
it was it was an actual alien crash

210
00:11:16,230 --> 00:11:13,750
landing according to him there were

211
00:11:17,910 --> 00:11:16,240
alien bodies that were there a couple

212
00:11:19,410 --> 00:11:17,920
cases I'm not gonna see his like

213
00:11:22,699 --> 00:11:19,420

[h__\h] Russian children or anything

214

00:11:26,790 --> 00:11:22,709

well this is what philip corso said and

215

00:11:30,870 --> 00:11:26,800

so i'll bring this up the philip corso

216

00:11:33,269 --> 00:11:30,880

was all about that and he wrote a whole

217

00:11:38,850 --> 00:11:33,279

book about it he did multiple interviews

218

00:11:40,499 --> 00:11:38,860

he has since passed away and but he he

219

00:11:42,379 --> 00:11:40,509

went to you went through his death his

220

00:11:45,780 --> 00:11:42,389

on his deathbed he was his deathbed

221

00:11:49,740 --> 00:11:45,790

swearing up and down that what crashed

222

00:11:54,509 --> 00:11:49,750

at Roswell was was in in fact alien

223

00:12:00,269 --> 00:11:54,519

beings e-e-e extraterrestrial biological

224

00:12:03,269 --> 00:12:00,279

entities and if I can bring this up a

225

00:12:06,929 --> 00:12:03,279

little bit EBE and he had various

226

00:12:09,420 --> 00:12:06,939

accounts and I stood by it so the more

227

00:12:13,230 --> 00:12:09,430

the most significant of course those

228

00:12:16,290 --> 00:12:13,240

claims are the head website well you

229

00:12:17,790 --> 00:12:16,300

know this is the bibliotheca of UFOs

230

00:12:19,710 --> 00:12:17,800

it's a good website

231

00:12:23,070 --> 00:12:19,720

the information here's a pretty good

232

00:12:25,290 --> 00:12:23,080

synopsis of of his book and so this guy

233

00:12:27,509 --> 00:12:25,300

he was a head of the foreign technology

234

00:12:29,880 --> 00:12:27,519

desk at the Army Research & Development

235

00:12:31,920 --> 00:12:29,890

for two years he dismantled

236

00:12:34,019 --> 00:12:31,930

extraterrestrial technologies to private

237

00:12:36,060 --> 00:12:34,029

industry like I said he witnessed in

238

00:12:38,670 --> 00:12:36,070

extraterrestrial biological entity bees

239

00:12:39,960 --> 00:12:38,680

being shipped overland from Roswell hum

240

00:12:44,370 --> 00:12:39,970

rebate Air Force Base to

241

00:12:46,889 --> 00:12:44,380

wright-patterson Air Force Base and it's

242

00:12:48,930 --> 00:12:46,899

it's pretty good I had this link in the

243

00:12:51,569 --> 00:12:48,940

description of this video and he kind of

244

00:12:55,680 --> 00:12:51,579

the good synopsis of what he's claiming

245

00:12:57,329 --> 00:12:55,690

and this book the day after Roswell kind

246

00:13:00,030 --> 00:12:57,339

of like opened up my eyes and I was it

247

00:13:01,530 --> 00:13:00,040

kind of it opened up the box and it

248

00:13:03,360 --> 00:13:01,540

maybe go down the rabbit hole everyone I

249

00:13:04,710 --> 00:13:03,370

guess anybody listens to the show whose

250

00:13:07,079 --> 00:13:04,720

instant conspiracy theories are

251
00:13:09,750 --> 00:13:07,089
paranormal stuff there's always some

252
00:13:12,660 --> 00:13:09,760
story there's always some subject that

253
00:13:14,550 --> 00:13:12,670
goes ah this is it and then suddenly

254
00:13:16,199 --> 00:13:14,560
you're all in I don't know clown baby if

255
00:13:20,199 --> 00:13:16,209
you have like a book or TV show like

256
00:13:25,169 --> 00:13:22,119
check it out at some point and I still

257
00:13:33,430 --> 00:13:25,179
have to uh after that new Politis book

258
00:13:38,710 --> 00:13:36,030
all these different claims there were

259
00:13:41,890 --> 00:13:38,720
various reports after this you know

260
00:13:44,230 --> 00:13:41,900
initially there were reports so it was

261
00:13:45,970 --> 00:13:44,240
it was a crass crashed alien craft and

262
00:13:48,070 --> 00:13:45,980
then it all was a weather balloon and

263
00:13:51,190 --> 00:13:48,080

then the US government's a project mogul

264

00:13:53,710 --> 00:13:51,200

and then they were testing weather

265

00:13:55,480 --> 00:13:53,720

balloons and then high-altitude weather

266

00:13:58,360 --> 00:13:55,490

balloons that were super secret to

267

00:13:59,920 --> 00:13:58,370

measure radioactive fallout from all the

268

00:14:02,890 --> 00:13:59,930

testing that was done between the Soviet

269

00:14:06,340 --> 00:14:02,900

Union and and United States story if the

270

00:14:08,230 --> 00:14:06,350

story [h__h] upon [h__h] and it's

271

00:14:09,940 --> 00:14:08,240

hard to make heads or tails about what

272

00:14:12,610 --> 00:14:09,950

really happened there if anything really

273

00:14:17,950 --> 00:14:12,620

did crash at all and I've always

274

00:14:21,100 --> 00:14:17,960

maintained that it has I think it it's

275

00:14:23,830 --> 00:14:21,110

beyond what we consider to be aliens at

276

00:14:27,880 --> 00:14:23,840

this point it's way beyond that it's not

277

00:14:30,970 --> 00:14:27,890

just some gray aliens from Zeta Reticuli

278

00:14:33,100 --> 00:14:30,980

there's some convoluted story here and

279

00:14:37,120 --> 00:14:33,110

we'll we'll try to set it up and and

280

00:14:39,220 --> 00:14:37,130

dissect it what do you think before we

281

00:14:43,030 --> 00:14:39,230

dive any further into this Columbia what

282

00:14:48,160 --> 00:14:46,600

um good question

283

00:14:50,260 --> 00:14:48,170

something crashed we know that I think

284

00:14:52,630 --> 00:14:50,270

that's I think we can establish that I

285

00:14:57,580 --> 00:14:52,640

mean there was an incident occurred some

286

00:14:59,170 --> 00:14:57,590

something crashed yeah now honestly at

287

00:15:00,790 --> 00:14:59,180

this point we probably have had all the

288

00:15:03,910 --> 00:15:00,800

Declassified records if it was just some

289

00:15:06,100 --> 00:15:03,920

stupid [h__h] weather balloon yeah you

290

00:15:08,710 --> 00:15:06,110

don't think she wasn't everything they I

291

00:15:10,510 --> 00:15:08,720

mean back in the late 90s they they did

292

00:15:12,340 --> 00:15:10,520

have a press conference and the press

293

00:15:14,110 --> 00:15:12,350

conference and they did say that a it

294

00:15:18,550 --> 00:15:14,120

was in fact something called Project

295

00:15:20,850 --> 00:15:18,560

mogul high altitude disk crashing and

296

00:15:25,000 --> 00:15:20,860

they did release a lot of information

297

00:15:27,850 --> 00:15:25,010

about these secret programs for weather

298

00:15:30,630 --> 00:15:27,860

balloons and high-altitude testing but

299

00:15:34,780 --> 00:15:30,640

it didn't in there they were using craft

300

00:15:36,820 --> 00:15:34,790

that were saucer shaped but I don't know

301

00:15:38,550 --> 00:15:36,830

I think you could I I have to believe

302

00:15:41,290 --> 00:15:38,560

that a rancher and all the witnesses

303

00:15:44,710 --> 00:15:41,300

ranging from nurses the doctors would

304

00:15:47,710 --> 00:15:44,720

not confuse dummies with small little

305

00:15:49,960 --> 00:15:47,720

corpse corpse small like alien corpses I

306

00:15:53,470 --> 00:15:49,970

mean they're the professional ranchers

307

00:15:56,680 --> 00:15:53,480

know what they look at so something did

308

00:15:57,910 --> 00:15:56,690

crash I don't think you yeah there's a

309

00:16:00,880 --> 00:15:57,920

difference between like if I found a

310

00:16:02,530 --> 00:16:00,890

crash-test dummy and like a body of a

311

00:16:05,470 --> 00:16:02,540

living being like you can know the

312

00:16:08,530 --> 00:16:05,480

difference I would hope yeah I would I

313

00:16:11,700 --> 00:16:08,540

would hope so and so this next article

314

00:16:14,800 --> 00:16:11,710

that I'll bring up this is from NPR and

315

00:16:17,260 --> 00:16:14,810

it's an actual interview with a person

316

00:16:18,700 --> 00:16:17,270

who wrote the book area 51 which you let

317

00:16:23,200 --> 00:16:18,710

me borrow Columbia me I think I'll give

318

00:16:25,720 --> 00:16:23,210

it back to you ah perhaps I don't know

319

00:16:27,280 --> 00:16:25,730

or maybe good to me and I gave it back

320

00:16:28,480 --> 00:16:27,290

to you to read again so I could have it

321

00:16:33,930 --> 00:16:28,490

back so I could finally read it I don't

322

00:16:37,150 --> 00:16:36,550

stuff tribal Bigfoot never crack that

323

00:16:40,330 --> 00:16:37,160

one yet

324

00:16:44,830 --> 00:16:40,340

that's all right this on screen here is

325

00:16:49,180 --> 00:16:44,840

a federal area 51 uncensored was it UFOs

326

00:16:51,760 --> 00:16:49,190

or the USSR and they did a 45-minute

327

00:16:54,460 --> 00:16:51,770

podcast this is linked on the page by I

328

00:16:56,910 --> 00:16:54,470

click to a segment here I'll play the

329

00:16:59,280 --> 00:16:56,920

audio of this I wonder if we'll get

330

00:17:01,889 --> 00:16:59,290

flagged but who gives a [\h__\h] who gives a

331

00:17:06,539 --> 00:17:01,899

[\h__\h] and this is where they talk about

332

00:17:12,449 --> 00:17:06,549

some of the strays misses surrounding

333

00:17:14,189 --> 00:17:12,459

the USSR the Roz Roswell crash and all

334

00:17:19,199 --> 00:17:14,199

that if she has a completely different

335

00:17:22,049 --> 00:17:19,209

take on what crashed at Roswell began to

336

00:17:24,030 --> 00:17:22,059

become very upset and told me some

337

00:17:25,140 --> 00:17:24,040

things that were cited is what you're

338

00:17:27,210 --> 00:17:25,150

talking about in the end of the book

339

00:17:31,560 --> 00:17:27,220

that's almost impossible to believe at

340

00:17:33,900 --> 00:17:31,570

first read and that is that a flying

341

00:17:36,299 --> 00:17:33,910

disc really did crash in New Mexico and

342

00:17:38,310 --> 00:17:36,309

that it was transported to

343

00:17:42,720 --> 00:17:38,320

wright-patterson Air Force Base and then

344

00:17:45,360 --> 00:17:42,730

in 1951 it was transferred to area 51

345

00:17:49,380 --> 00:17:45,370

which is why the base is called area 51

346

00:17:52,289 --> 00:17:49,390

and the stunning part about this reveal

347

00:17:54,210 --> 00:17:52,299

was that my source who I absolutely

348

00:17:59,250 --> 00:17:54,220

believed and worked with for 18 months

349

00:18:01,409 --> 00:17:59,260

on this was one of the engineers who

350

00:18:04,049 --> 00:18:01,419

received the equipment he refers to it

351

00:18:08,669 --> 00:18:04,059

as equipment and he also received the

352

00:18:09,870 --> 00:18:08,679

people who were in the craft and so do

353

00:18:12,450 --> 00:18:09,880

you mean the remains of the people in

354

00:18:14,310 --> 00:18:12,460

the craft the people were according to

355

00:18:17,700 --> 00:18:14,320

the source the people in the craft who

356

00:18:21,720 --> 00:18:17,710

were child sized pilots and there's a

357

00:18:23,610 --> 00:18:21,730

lot of debate about how old they were he

358

00:18:26,010 --> 00:18:23,620

believes that they were 13 although

359

00:18:28,560 --> 00:18:26,020

other people believe that they may have

360

00:18:32,430 --> 00:18:28,570

been older but this is a first-hand

361

00:18:34,200 --> 00:18:32,440

witness to this and you know I made a

362

00:18:37,080 --> 00:18:34,210

decision to write about this in the book

363

00:18:39,270 --> 00:18:37,090

at the very end of the book after I take

364

00:18:40,680 --> 00:18:39,280

the traditional journalists form of

365

00:18:43,620 --> 00:18:40,690

telling you everything all the stories

366

00:18:45,570 --> 00:18:43,630

in the third person I switch and I kind

367

00:18:49,799 --> 00:18:45,580

of lean into the reader and I say look

368

00:18:51,390 --> 00:18:49,809

this is not why area 51 is classified to

369

00:18:54,380 --> 00:18:51,400

the point where no one in the government

370

00:18:57,419 --> 00:18:54,390

will admit it exists the reason is

371

00:19:01,049 --> 00:18:57,429

because of what one man told me and then

372

00:19:02,570 --> 00:19:01,059

using the first-person I tell you what I

373

00:19:05,330 --> 00:19:02,580

was told

374

00:19:09,110 --> 00:19:05,340

and there is no doubt that people are

375

00:19:10,700 --> 00:19:09,120

going to be upset alarmed and skeptical

376

00:19:13,310 --> 00:19:10,710

of this information but I absolutely

377

00:19:16,580 --> 00:19:13,320

believe the veracity of my source and I

378

00:19:19,759 --> 00:19:16,590

believe that it was important that I put

379

00:19:22,909 --> 00:19:19,769

this information out there as relayed to

380

00:19:25,279 --> 00:19:22,919

me by him because it is the tip of a

381

00:19:29,360 --> 00:19:25,289

very big iceberg and what he says is

382

00:19:33,889 --> 00:19:29,370

that the child-sized aviators in this

383

00:19:36,409 --> 00:19:33,899

craft were the result of a Soviet human

384

00:19:39,980 --> 00:19:36,419

experimentation program and they had

385

00:19:44,269 --> 00:19:39,990

been made to look like aliens Allah

386

00:19:48,529 --> 00:19:44,279

Orson Welles War of the Worlds so right

387

00:19:50,810 --> 00:19:48,539

there there you go so this this

388

00:19:53,960 --> 00:19:50,820

journalist this is reporter this author

389

00:19:57,860 --> 00:19:53,970

right here the book this year that she

390

00:20:00,350 --> 00:19:57,870

wrote very dense very very well

391

00:20:02,870 --> 00:20:00,360

researched when it comes to the origins

392

00:20:06,019 --> 00:20:02,880

of the Atomic Energy Commission in the

393

00:20:08,750 --> 00:20:06,029

US the and then the pseudo space race

394

00:20:11,840 --> 00:20:08,760

between the Russians and in the US and

395

00:20:14,360 --> 00:20:11,850

the atomic and nuclear testing on both

396

00:20:19,129 --> 00:20:14,370

sides and then her to reveal this that

397

00:20:20,060 --> 00:20:19,139

it was deformed children not even

398

00:20:23,120 --> 00:20:20,070

deformed

399

00:20:26,120 --> 00:20:23,130

genetically or or surgically altered

400

00:20:29,210 --> 00:20:26,130

children to mate to made to look like

401
00:20:30,919 --> 00:20:29,220
aliens only to crash over here that

402
00:20:35,020 --> 00:20:30,929
sounds like that's a little [h__h] to

403
00:20:38,410 --> 00:20:35,030
me but nothing to it

404
00:20:41,050 --> 00:20:38,420
I to what end so Stalin would would

405
00:20:45,730 --> 00:20:41,060
genetically alter or just surgically

406
00:20:49,590 --> 00:20:45,740
alter children ranges 10 to 13 put them

407
00:20:53,549 --> 00:20:51,600
crash them on purpose or to go on real

408
00:20:55,110 --> 00:20:53,559
missions because you would imagine that

409
00:20:56,400 --> 00:20:55,120
if they had this saucer technology that

410
00:20:57,570 --> 00:20:56,410
can fly that's um

411
00:20:59,460 --> 00:20:57,580
you know you probably don't want to give

412
00:21:00,930 --> 00:20:59,470
it up I would imagine that this is

413
00:21:02,370 --> 00:21:00,940

pretty cool technology they probably got

414

00:21:03,960 --> 00:21:02,380

it from the Nazis they don't want to

415

00:21:06,570 --> 00:21:03,970

give it up and would you really put

416

00:21:08,669 --> 00:21:06,580

children in charge of flying this thing

417

00:21:12,090 --> 00:21:08,679

not let's think of remotely control it

418

00:21:13,710 --> 00:21:12,100

would have it in the desert yeah it

419

00:21:16,610 --> 00:21:13,720

doesn't make much sense to me at all

420

00:21:18,600 --> 00:21:16,620

it sounds through all that work to

421

00:21:20,400 --> 00:21:18,610

essentially like do plastic surgery

422

00:21:21,750 --> 00:21:20,410

meteorite children to put them to make

423

00:21:23,760 --> 00:21:21,760

them look like aliens so we could send

424

00:21:28,289 --> 00:21:23,770

our best tech and crash in the Unites

425

00:21:29,789 --> 00:21:28,299

States it is almost infuriating who to

426

00:21:31,799 --> 00:21:29,799

listen to

427

00:21:35,760 --> 00:21:31,809

it's um it's almost more far-fetched

428

00:21:38,460 --> 00:21:35,770

than and then UFOs and aliens crashing

429

00:21:42,570 --> 00:21:38,470

in the desert that doesn't go it's just

430

00:21:44,850 --> 00:21:42,580

a joke it sounds like a joke it sounds

431

00:21:47,240 --> 00:21:44,860

absolutely bizarre me I don't discount

432

00:21:49,260 --> 00:21:47,250

it that they were doing genetic

433

00:21:52,620 --> 00:21:49,270

experimentations and we read papers that

434

00:21:57,240 --> 00:21:52,630

Stalin wanted to create hybrid human

435

00:21:59,430 --> 00:21:57,250

guerrilla soldiers so he mansi's the

436

00:22:01,380 --> 00:21:59,440

humans he's a super soldier army of

437

00:22:03,180 --> 00:22:01,390

humanity's that could transfer ooh

438

00:22:06,960 --> 00:22:03,190

Eastern Europe and overtake the

439

00:22:09,690 --> 00:22:06,970

tyrannical West then go through all the

440

00:22:11,490 --> 00:22:09,700

dumpsters and eat all the bananas it's

441

00:22:16,080 --> 00:22:11,500

hard to control those Humanzee they kind

442

00:22:18,840 --> 00:22:16,090

of do their own thing but so that's her

443

00:22:21,720 --> 00:22:18,850

account we have philip corso initially

444

00:22:23,610 --> 00:22:21,730

the the guy from Pentagon research and

445

00:22:26,880 --> 00:22:23,620

Technology division saying it was aliens

446

00:22:31,110 --> 00:22:26,890

this author just said it was surgically

447

00:22:34,020 --> 00:22:31,120

altered Soviet children and then we also

448

00:22:38,310 --> 00:22:34,030

have people that saying that it was

449

00:22:41,640 --> 00:22:38,320

actually Nazi craft that crashed there

450

00:22:43,820 --> 00:22:41,650

and I'll break this open and they

451
00:22:47,549 --> 00:22:43,830
surgically altered children look again

452
00:22:50,870 --> 00:22:47,559
they they surgically altered Nazis to

453
00:22:52,279 --> 00:22:50,880
make them look like Soviet children

454
00:22:56,130 --> 00:22:52,289
pretty good

455
00:22:59,010 --> 00:22:56,140
it gets convoluted at at certain times

456
00:23:01,799 --> 00:22:59,020
but I'll go ahead and and play this for

457
00:23:02,670 --> 00:23:01,809
people when current and former CIA

458
00:23:04,560 --> 00:23:02,680
employee

459
00:23:07,680 --> 00:23:04,570
get together to talk about the area 51

460
00:23:14,670 --> 00:23:07,690
military base at a public forum it was

461
00:23:18,600 --> 00:23:14,680
wrong wrong uh not easy and not look

462
00:23:22,560 --> 00:23:18,610
like aliens yeah sorry wrong wrong video

463
00:23:27,690 --> 00:23:25,110

many believe a UFO crashed there others

464

00:23:30,060 --> 00:23:27,700

say nothing happened at all but a new

465

00:23:33,330 --> 00:23:30,070

German film suggests what landed there

466

00:23:35,790 --> 00:23:33,340

was this a 10 foot wide 12 foot high

467

00:23:38,220 --> 00:23:35,800

craft that combined a rocket and

468

00:23:40,830 --> 00:23:38,230

helicopter technology created by Nazi

469

00:23:43,260 --> 00:23:40,840

Germany interesting Lauren Hanser took

470

00:23:46,110 --> 00:23:43,270

the photo to the UFO Museum for their

471

00:23:48,480 --> 00:23:46,120

feedback is this actually what landed in

472

00:23:50,940 --> 00:23:48,490

Roswell in 1947 both was the

473

00:23:53,430 --> 00:23:50,950

unidentified object really a secret

474

00:23:55,800 --> 00:23:53,440

aircraft that's what a new documentary

475

00:23:58,790 --> 00:23:55,810

is trying to paint but researchers at

476
00:24:02,760 --> 00:23:58,800
the UFO museum say it's not true fiction

477
00:24:05,040 --> 00:24:02,770
the Nazi story fiction don't forget no

478
00:24:07,290 --> 00:24:05,050
one was looking for that craft after it

479
00:24:09,270 --> 00:24:07,300
crashed if it had been an experiment was

480
00:24:10,410 --> 00:24:09,280
going on they would have been out there

481
00:24:13,200 --> 00:24:10,420
looking for the remains

482
00:24:16,860 --> 00:24:13,210
no one was paul davids is the executive

483
00:24:19,290 --> 00:24:16,870
producer of the 1994 film roswell town

484
00:24:21,000 --> 00:24:19,300
working on his next film and he says the

485
00:24:23,880 --> 00:24:21,010
theory that scientists are behind the

486
00:24:26,640 --> 00:24:23,890
crash is just another cover-up go screw

487
00:24:28,110 --> 00:24:26,650
yourself [h__h] earthbound experiment

488
00:24:30,150 --> 00:24:28,120

that went awry or people would have been

489

00:24:32,430 --> 00:24:30,160

on top of it next we took the theory to

490

00:24:34,410 --> 00:24:32,440

the museum library the technology was

491

00:24:37,620 --> 00:24:34,420

out of this world I don't believe it was

492

00:24:39,810 --> 00:24:37,630

made and again she's not buying it

493

00:24:42,120 --> 00:24:39,820

librarian crystal Griffiths says it

494

00:24:44,380 --> 00:24:42,130

comes down to technology she says the

495

00:24:47,050 --> 00:24:44,390

museum has sent off actual pieces

496

00:24:48,430 --> 00:24:47,060

the UFO to be tested in laboratory she

497

00:24:49,840 --> 00:24:48,440

says to this day two of the elements

498

00:24:52,360 --> 00:24:49,850

remain unidentified

499

00:24:53,980 --> 00:24:52,370

yeah it's like foil and you can crumble

500

00:24:56,800 --> 00:24:53,990

it up and it will just straighten right

501
00:24:58,630 --> 00:24:56,810
back out she says if indeed it was

502
00:25:00,940 --> 00:24:58,640
scientists that launched that object

503
00:25:03,370 --> 00:25:00,950
those elements would be identified there

504
00:25:05,230 --> 00:25:03,380
are one or two that are not explainable

505
00:25:07,480 --> 00:25:05,240
it looks like four New Mexicans this

506
00:25:09,430 --> 00:25:07,490
theory may have a ways to go but it's up

507
00:25:12,520 --> 00:25:09,440
to you do you believe this is what

508
00:25:18,580 --> 00:25:12,530
landed here in 1947 in Roswell Lorin

509
00:25:22,060 --> 00:25:18,590
Hansard KOB Eyewitness News for well

510
00:25:25,210 --> 00:25:22,070
there you go so there is a I believe

511
00:25:28,960 --> 00:25:25,220
that also in the the the new JFK

512
00:25:31,440 --> 00:25:28,970
documents or the the newer JFK doc you

513
00:25:34,900 --> 00:25:31,450

is that got released well late last year

514

00:25:38,950 --> 00:25:34,910

that you know that there is definitely

515

00:25:43,210 --> 00:25:38,960

some insinuation that a good majority of

516

00:25:46,000 --> 00:25:43,220

the higher Nazis escaped to South

517

00:25:49,300 --> 00:25:46,010

America Central America they they move

518

00:25:50,860 --> 00:25:49,310

some stuff around and that they probably

519

00:25:52,150 --> 00:25:50,870

had some technology then we also through

520

00:25:54,640 --> 00:25:52,160

MERS are the they they had a base in

521

00:25:55,900 --> 00:25:54,650

Antarctica and so I don't think it's

522

00:25:59,110 --> 00:25:55,910

that far-fetched I think it's actually

523

00:26:02,140 --> 00:25:59,120

much more likely that maybe a Nazi craft

524

00:26:08,050 --> 00:26:02,150

crashed at Roswell they said it was

525

00:26:08,800 --> 00:26:08,060

alien said oh [h__h] that's a worse lie oh

526

00:26:11,200 --> 00:26:08,810

crap

527

00:26:13,210 --> 00:26:11,210

make it a weather balloon oh no we cut

528

00:26:19,060 --> 00:26:13,220

all the Nazis that was aliens oh [\h__\h] oh

529

00:26:21,040 --> 00:26:19,070

my god people didn't want the Nazis to

530

00:26:22,840 --> 00:26:21,050

still be around you how [\h__\h] up that

531

00:26:24,700 --> 00:26:22,850

would have been after the war just say

532

00:26:27,040 --> 00:26:24,710

oh we didn't get all the Nazis and by

533

00:26:30,430 --> 00:26:27,050

the way they escaped with their super

534

00:26:33,210 --> 00:26:30,440

secret UFO technology that would have

535

00:26:37,420 --> 00:26:33,220

been pretty awkward a big foreign policy

536

00:26:40,690 --> 00:26:37,430

hubbub big blunder very big blunder to

537

00:26:42,630 --> 00:26:40,700

explain Illi got a try to go back and

538

00:26:45,940 --> 00:26:42,640

dig through those documents and find

539

00:26:47,590 --> 00:26:45,950

those parts where they talk about talk

540

00:26:49,870 --> 00:26:47,600

about that but that I think that's much

541

00:26:54,340 --> 00:26:49,880

more likely than Stalin Stalin

542

00:26:56,090 --> 00:26:54,350

surgically altered kid scenario I it's

543

00:26:58,070 --> 00:26:56,100

just

544

00:27:01,730 --> 00:26:58,080

because we talked about Nazis not see

545

00:27:05,990 --> 00:27:01,740

UFOs for a good chunk of the show since

546

00:27:07,730 --> 00:27:06,000

its inception and you know the Nazis

547

00:27:10,160 --> 00:27:07,740

were into occultism they were doing all

548

00:27:11,630 --> 00:27:10,170

this high-tech stuff we even talked

549

00:27:15,080 --> 00:27:11,640

about well in the in the Kecksburg

550

00:27:17,270 --> 00:27:15,090

incident that we I think you theorized

551
00:27:20,810 --> 00:27:17,280
and I kind of agree with you that what

552
00:27:24,260 --> 00:27:20,820
later there could have been the the Nazi

553
00:27:27,380 --> 00:27:24,270
bell the ache yeah given but description

554
00:27:31,310 --> 00:27:27,390
yeah it fits the fits the description a

555
00:27:33,380 --> 00:27:31,320
lot yeah the acorn so I think I do have

556
00:27:34,970 --> 00:27:33,390
a theory on what happened and I'll talk

557
00:27:37,370 --> 00:27:34,980
about that here a bit six one four three

558
00:27:40,430 --> 00:27:37,380
eight eight nine 109 8 you want to give

559
00:27:44,480 --> 00:27:40,440
a call in with your theories about

560
00:27:47,780 --> 00:27:44,490
Roswell was it the the Nazis what it was

561
00:27:49,780 --> 00:27:47,790
that UFOs was a project mogul was it was

562
00:27:53,750 --> 00:27:49,790
a Hitler was Hitler riding around

563
00:27:57,320 --> 00:27:53,760

dancing on his UFOs I'd like to believe

564

00:28:02,220 --> 00:27:57,330

so it's so stupid it's so stupid but it

565

00:28:06,090 --> 00:28:02,230

explains a good chunk of UFO lore

566

00:28:07,530 --> 00:28:06,100

that they that the the the Nazis had UFO

567

00:28:11,220 --> 00:28:07,540

technology because they channeled it

568

00:28:12,930 --> 00:28:11,230

from the draconians and the the problem

569

00:28:16,080 --> 00:28:12,940

is they had more knowledge than they

570

00:28:18,840 --> 00:28:16,090

knew to do with and to do with and they

571

00:28:22,590 --> 00:28:18,850

didn't have all the correct technology

572

00:28:24,810 --> 00:28:22,600

and alloys to manufacture this this

573

00:28:28,909 --> 00:28:24,820

technology accurately oh they did what

574

00:28:59,520 --> 00:28:49,289

hey was Kelly yeah yeah I love it so Roz

575

00:29:01,530 --> 00:28:59,530

what do you think I'll give you this is

576

00:29:03,600 --> 00:29:01,540

the multiple choice test this is a

577

00:29:09,630 --> 00:29:03,610

multiple choice test is it aliens

578

00:29:10,380 --> 00:29:09,640

was it a gyro or u.s. program like

579

00:29:17,000 --> 00:29:10,390

weather balloons

580

00:29:32,970 --> 00:29:31,350

choices I'm gonna go with something

581

00:29:34,890 --> 00:29:32,980

that's so bizarre that it would freak

582

00:29:37,440 --> 00:29:34,900

people out I'm gonna say it is Nazi UFO

583

00:29:39,390 --> 00:29:37,450

technology and that there was probably

584

00:29:41,960 --> 00:29:39,400

some genetic experimentation going on i

585

00:29:44,520 --> 00:29:41,970

we know we know that the Nazis were into

586

00:29:47,039 --> 00:29:44,530

they had no regard for human life so

587

00:29:48,570 --> 00:29:47,049

they experiment on people they would if

588

00:29:50,450 --> 00:29:48,580

they could use generic genetic

589

00:29:52,380 --> 00:29:50,460

experimentation in surgical alter

590

00:29:54,750 --> 00:29:52,390

altercations on people they would do

591

00:29:56,520 --> 00:29:54,760

that they were sick enough to do that so

592

00:29:58,980 --> 00:29:56,530

I I think they're into some crazy [h__\h]

593

00:30:01,260 --> 00:29:58,990

yeah I think he probably did have and

594

00:30:04,020 --> 00:30:01,270

then and there had some pretty crazy

595

00:30:07,289 --> 00:30:04,030

actual you know undisclosed technology

596

00:30:10,620 --> 00:30:07,299

so yeah that they were pioneering the

597

00:30:12,419 --> 00:30:10,630

way like anti-gravity technology I think

598

00:30:14,340 --> 00:30:12,429

it's I think that's the likely scenario

599

00:30:15,960 --> 00:30:14,350

that it was really super bizarre

600

00:30:20,040 --> 00:30:15,970

technology that the Nazis

601
00:30:23,040 --> 00:30:20,050
they did have some altered humans on

602
00:30:25,920 --> 00:30:23,050
there that probably looked alien but

603
00:30:28,140 --> 00:30:25,930
they got inspired they wanted to emulate

604
00:30:29,700 --> 00:30:28,150
the aliens so they altered themselves to

605
00:30:31,500 --> 00:30:29,710
look like that

606
00:30:33,270 --> 00:30:31,510
just like they just like we've seen that

607
00:30:36,810 --> 00:30:33,280
these like these the footage from the

608
00:30:38,700 --> 00:30:36,820
1950s of the like of the the the United

609
00:30:41,100 --> 00:30:38,710
States Air Force trying to build saucers

610
00:30:42,270 --> 00:30:41,110
out of jets you know wasn't practical

611
00:30:44,010 --> 00:30:42,280
didn't have thickness they tried to

612
00:30:45,930 --> 00:30:44,020
emulate that what they saw this evil

613
00:30:48,380 --> 00:30:45,940

worked I think that Nazis did the same

614

00:30:51,270 --> 00:30:48,390

thing exactly exactly

615

00:30:56,310 --> 00:30:51,280

what's on your mind tonight oh yeah yeah

616

00:30:58,680 --> 00:30:56,320

um so uh with all that I love all that I

617

00:31:02,490 --> 00:30:58,690

love all these stories and the fact that

618

00:31:05,520 --> 00:31:02,500

it gets really complicated it does but I

619

00:31:07,650 --> 00:31:05,530

think like let you say it has like an

620

00:31:10,830 --> 00:31:07,660

earth-based it's like a secret like a

621

00:31:15,300 --> 00:31:10,840

secret technology type of extra aspect

622

00:31:17,400 --> 00:31:15,310

to it mostly probably I would say mom so

623

00:31:25,500 --> 00:31:17,410

that uh you guys look like gary mckinnon

624

00:31:27,300 --> 00:31:25,510

before right a little bit less uh it was

625

00:31:30,090 --> 00:31:27,310

like it was less show yeah the hacker

626

00:31:33,630 --> 00:31:30,100

from the UK all right so I did some

627

00:31:35,190 --> 00:31:33,640

reading on that guy and some of the

628

00:31:37,170 --> 00:31:35,200

things he found it was that list of

629

00:31:37,530 --> 00:31:37,180

non-terrestrial officers or whatever it

630

00:31:38,970 --> 00:31:37,540

was

631

00:31:42,630 --> 00:31:38,980

yeah he found an Excel spreadsheet

632

00:31:46,440 --> 00:31:42,640

basically of pretty yeah non-terrestrial

633

00:31:48,960 --> 00:31:46,450

soldiers yeah intriguing stuff yeah so

634

00:31:51,480 --> 00:31:48,970

also he found I think there's like two

635

00:31:54,600 --> 00:31:51,490

ships he found the names of two to the

636

00:31:56,130 --> 00:31:54,610

ships and it's called the USS you know

637

00:31:59,100 --> 00:31:56,140

like us spaceship

638

00:32:01,620 --> 00:31:59,110

instead of just like a US sailing ship

639

00:32:03,480 --> 00:32:01,630

or whatever yeah one of them was called

640

00:32:05,610 --> 00:32:03,490

Helen Cotter and the other one was

641

00:32:07,140 --> 00:32:05,620

called LeMay romaine

642

00:32:08,310 --> 00:32:07,150

that's pretty interesting yeah that's

643

00:32:10,770 --> 00:32:08,320

pretty interesting because both those

644

00:32:12,450 --> 00:32:10,780

guys were both generals that were

645

00:32:15,930 --> 00:32:12,460

involved with the UFO related stuff

646

00:32:22,680 --> 00:32:15,940

uh-huh so that's pretty intriguing

647

00:32:24,600 --> 00:32:22,690

pretty good I see I love this this

648

00:32:26,730 --> 00:32:24,610

hacker stuff because he broke in there

649

00:32:29,130 --> 00:32:26,740

he saw like some photos he got like some

650

00:32:31,290 --> 00:32:29,140

Excel spreadsheets

651
00:32:34,320 --> 00:32:31,300
and that's compelling stuff like I

652
00:32:36,570 --> 00:32:34,330
believe this guy I think this guy's more

653
00:32:38,700 --> 00:32:36,580
credible than Cory good and you know

654
00:32:41,010 --> 00:32:38,710
time traveling and going [h__h] and

655
00:32:42,990 --> 00:32:41,020
almost of it being regress to some

656
00:32:44,280 --> 00:32:43,000
[h__h] hidden infant Isles they do

657
00:32:46,530 --> 00:32:44,290
whatever the [h__h] you talk to that I

658
00:32:48,540 --> 00:32:46,540
don't even I don't even discount Cory

659
00:32:50,610 --> 00:32:48,550
good I think his story is compelling and

660
00:32:52,740 --> 00:32:50,620
it goes on and on and on he's got a lot

661
00:32:54,780 --> 00:32:52,750
of information I don't discount that I

662
00:32:56,640 --> 00:32:54,790
just I tend to believe what like you

663
00:32:58,350 --> 00:32:56,650

this hacker there's a little bit more it

664

00:33:01,170 --> 00:32:58,360

seems something they've got something

665

00:33:02,700 --> 00:33:01,180

some more yeah it there's something

666

00:33:04,110 --> 00:33:02,710

listen a little bit more that I can

667

00:33:06,750 --> 00:33:04,120

grasp on to a little bit more tangible

668

00:33:08,730 --> 00:33:06,760

for me so Dylan Dylan Connor he's I

669

00:33:10,530 --> 00:33:08,740

think using the first general or first

670

00:33:13,800 --> 00:33:10,540

yeah he's like the first general in

671

00:33:17,100 --> 00:33:13,810

charge of the CIA and also his name

672

00:33:20,790 --> 00:33:17,110

shows up on the mj-12 documents okay

673

00:33:23,250 --> 00:33:20,800

well yeah twelve documents a kind of

674

00:33:25,260 --> 00:33:23,260

dubious people say fake people say it's

675

00:33:27,560 --> 00:33:25,270

real I really don't know where to go

676

00:33:30,810 --> 00:33:27,570

with that but the fact that this guy

677

00:33:32,550 --> 00:33:30,820

pulls up you know this guy's name that

678

00:33:35,850 --> 00:33:32,560

was on the documents that are related to

679

00:33:39,300 --> 00:33:35,860

UFOs kind of interesting I think that

680

00:33:41,730 --> 00:33:39,310

the majestic 12 documents are real and

681

00:33:43,770 --> 00:33:41,740

content mostly real and content but the

682

00:33:46,980 --> 00:33:43,780

actual cut the actual documents that are

683

00:33:50,130 --> 00:33:46,990

put out there are fake it's kind of like

684

00:33:52,230 --> 00:33:50,140

almost like a red herring it sky is it's

685

00:33:55,020 --> 00:33:52,240

to discount the story it's like if you

686

00:33:59,070 --> 00:33:55,030

remember during the 2004 election with

687

00:34:03,270 --> 00:33:59,080

George Bush and and Kerry that there was

688

00:34:06,090 --> 00:34:03,280

a like an Air Force Reserve Note that

689

00:34:09,240 --> 00:34:06,100

went around and on CBS dan Rather rent

690

00:34:11,790 --> 00:34:09,250

went with it and it turned out that it

691

00:34:13,409 --> 00:34:11,800

was a forged document but the content of

692

00:34:17,490 --> 00:34:13,419

that document turned out to be mostly

693

00:34:19,919 --> 00:34:17,500

true but the document as as a whole was

694

00:34:22,380 --> 00:34:19,929

fabricated I think that's something like

695

00:34:23,880 --> 00:34:22,390

this is a place a little bit of

696

00:34:25,649 --> 00:34:23,890

different disinformation you send out

697

00:34:27,720 --> 00:34:25,659

some accurate information that you throw

698

00:34:31,200 --> 00:34:27,730

in enough [h__h] that so you'd have to

699

00:34:33,060 --> 00:34:31,210

discount the entire thing they do it

700

00:34:35,669 --> 00:34:33,070

yeah find some truth with some lives

701
00:34:42,260 --> 00:34:35,679
yeah so it is it so you can point to

702
00:34:43,820 --> 00:34:42,270
some yeah they have to cover their ass

703
00:34:45,409 --> 00:34:43,830
yeah I think there's there's good people

704
00:34:47,810 --> 00:34:45,419
in the government that want this info

705
00:34:50,629 --> 00:34:47,820
out so they got to try to get it out

706
00:34:53,960 --> 00:34:50,639
whatever way they can and unfortunately

707
00:34:55,550 --> 00:34:53,970
it's mostly disinfo right but we're left

708
00:35:00,260 --> 00:34:55,560
to sit through the rest of this garbage

709
00:35:02,660 --> 00:35:00,270
and LeMay here's another guy who's noted

710
00:35:05,030 --> 00:35:02,670
as one of the names of the ships he was

711
00:35:08,450 --> 00:35:05,040
involved a project Bluebook and he

712
00:35:10,460 --> 00:35:08,460
apparently said to barry goldwater at

713
00:35:12,340 --> 00:35:10,470

one point barry goldwater was it like I

714

00:35:14,960 --> 00:35:12,350

think use like a presidential course

715

00:35:16,880 --> 00:35:14,970

yeah I pretty much he told it he told

716

00:35:19,670 --> 00:35:16,890

them look we have alien technology

717

00:35:23,480 --> 00:35:19,680

alright just it's there and nobody's

718

00:35:24,920 --> 00:35:23,490

ever gonna learn about it there's a lot

719

00:35:29,270 --> 00:35:24,930

of these though that little stories I

720

00:35:32,359 --> 00:35:29,280

love yeah hmm and mckennon was supposed

721

00:35:33,650 --> 00:35:32,369

to be extradited but he never was I

722

00:35:36,890 --> 00:35:33,660

don't I don't think he was this hacker

723

00:35:39,050 --> 00:35:36,900

from the UK because he has autism so

724

00:35:41,660 --> 00:35:39,060

they fought extradition and I think he

725

00:35:52,550 --> 00:35:41,670

said he's doing hacker has autism no way

726

00:35:54,080 --> 00:35:52,560

yeah possible anything else I think that

727

00:35:55,550 --> 00:35:54,090

that gives his story a little more

728

00:35:57,940 --> 00:35:55,560

credibility is the fact that they were

729

00:36:01,820 --> 00:35:57,950

looking to lock him up yeah oh yeah yeah

730

00:36:05,180 --> 00:36:01,830

well he did I think he just used like he

731

00:36:07,280 --> 00:36:05,190

just went to certain NASA sites on their

732

00:36:09,770 --> 00:36:07,290

network and they just weren't protected

733

00:36:12,620 --> 00:36:09,780

and he just basically walked on in

734

00:36:16,250 --> 00:36:12,630

through the computer and was able to

735

00:36:18,380 --> 00:36:16,260

access these his files did this one

736

00:36:20,750 --> 00:36:18,390

password-protected or the passwords were

737

00:36:28,280 --> 00:36:20,760

so easy to crack like it was put in a

738

00:36:30,890 --> 00:36:28,290

password password was password kind of

739

00:36:33,620 --> 00:36:30,900

[h__\h] yeah we could hope we get hired

740

00:36:40,790 --> 00:36:33,630

alien technology come up with a password

741

00:36:42,109 --> 00:36:40,800

and still access Podesta's emails like

742

00:36:46,700 --> 00:36:42,119

after the leaks even occurred like

743

00:36:48,140 --> 00:36:46,710

people guessed his password yeah this is

744

00:36:51,020 --> 00:36:48,150

horrible password you should not be in

745

00:36:52,130 --> 00:36:51,030

charge passwords ever hey Rob thank you

746

00:36:55,760 --> 00:36:52,140

very much you anything else before I let

747

00:37:02,150 --> 00:36:59,810

thanks buddy bye don't worry do it don't

748

00:37:05,040 --> 00:37:02,160

make the trip from Rigel three just a

749

00:37:08,130 --> 00:37:05,050

drop-by that's right

750

00:37:11,910 --> 00:37:08,140

I do like those those little UFO stories

751

00:37:14,730 --> 00:37:11,920

there's there was one with Nixon and

752

00:37:17,520 --> 00:37:14,740

Jackie Gleason and when Nixon was a big

753

00:37:20,540 --> 00:37:17,530

fan of Jackie Gleason he was in the the

754

00:37:23,550 --> 00:37:20,550

honeymooners and supposedly down in

755

00:37:27,960 --> 00:37:23,560

Florida I believe Nixon took Jackie

756

00:37:29,640 --> 00:37:27,970

Gleason to Air Force Base and you know

757

00:37:31,260 --> 00:37:29,650

he's the [h__\h] president United States

758

00:37:33,210 --> 00:37:31,270

at the time so as they begin any kind of

759

00:37:35,970 --> 00:37:33,220

facility he wanted he took Jackie

760

00:37:39,920 --> 00:37:35,980

Gleason into a super secret facility and

761

00:37:42,840 --> 00:37:39,930

showed him a body of a dead alien beam

762

00:37:44,520 --> 00:37:42,850

very intense Nixon's okay check this out

763

00:37:49,590 --> 00:37:44,530

check out this dead you want to go see

764

00:37:51,810 --> 00:37:49,600

you did alien drink whiskey one touches

765

00:37:56,540 --> 00:37:51,820

painter I come down here jerk on this

766

00:37:59,820 --> 00:37:58,170

big man

767

00:38:01,530 --> 00:37:59,830

yeah being present nice taste is not

768

00:38:04,110 --> 00:38:01,540

enough like the jerk-off in aliens let

769

00:38:07,320 --> 00:38:04,120

him know about who's boss

770

00:38:11,730 --> 00:38:07,330

welcome to earth though build good yeah

771

00:38:14,100 --> 00:38:11,740

I'm Nixon I get hard for alien bodies we

772

00:38:17,000 --> 00:38:14,110

need Foley we find some Nixon drops from

773

00:38:20,390 --> 00:38:17,010

Kennedy Tricky Dick

774

00:38:21,740 --> 00:38:20,400

oh boy um now open the phone lines back

775

00:38:23,420 --> 00:38:21,750

up there she's gone fourth grade eight

776

00:38:29,840 --> 00:38:23,430

and nine 109 call back in with your

777

00:38:31,520 --> 00:38:29,850

favorite Nazi alien Roswell Theory who

778

00:38:35,480 --> 00:38:31,530

knows who knows was going out there

779

00:38:37,580 --> 00:38:35,490

there I do have like another UFO clip

780

00:38:41,690 --> 00:38:37,590

that I can play now this guy that is

781

00:38:43,700 --> 00:38:41,700

this enthusiastic about the answer that

782

00:38:45,230 --> 00:38:43,710

he's found all the research that he's

783

00:38:46,970 --> 00:38:45,240

done maybe I'll play that before I uh

784

00:38:50,410 --> 00:38:46,980

I'll take another phone call I'll play

785

00:38:52,940 --> 00:38:50,420

this next little clip that I have from

786

00:38:54,710 --> 00:38:52,950

this gentleman and then I'll open the

787

00:39:01,140 --> 00:38:54,720

phone lines back up yes please thank you

788

00:39:06,370 --> 00:39:03,940

I'm just I'm just trying to bring up the

789

00:39:11,670 --> 00:39:06,380

I should have this clip already clown

790

00:39:14,320 --> 00:39:11,680

baby but I I did not so here it is

791

00:39:16,990 --> 00:39:14,330

this man's thinks she's from the yeah

792

00:39:19,990 --> 00:39:17,000

but I think this is indeed The Smoking

793

00:39:22,030 --> 00:39:20,000

Gun of Roswell that confirms there

794

00:39:26,200 --> 00:39:22,040

definitely were bodies recovered at

795

00:39:28,510 --> 00:39:26,210

Roswell dr. Dave Rudi ACK is a research

796

00:39:30,340 --> 00:39:28,520

scientist who believes he has found the

797

00:39:32,800 --> 00:39:30,350

long hope for a smoking gun of the

798

00:39:35,260 --> 00:39:32,810

Roswell incident in a photograph that's

799

00:39:40,600 --> 00:39:35,270

been in the public record since 1947

800

00:39:42,250 --> 00:39:40,610

even though I I believe that something

801
00:39:45,400 --> 00:39:42,260
and very unusual had happened in Roswell

802
00:39:47,200 --> 00:39:45,410
I was surprised at what I read in here I

803
00:39:50,050 --> 00:39:47,210
wasn't expecting to see some of this

804
00:39:52,810 --> 00:39:50,060
stuff Rudi ACK has spent the last two

805
00:39:55,090 --> 00:39:52,820
years using computer imaging to analyze

806
00:39:59,470 --> 00:39:55,100
what Roswell researchers know as the

807
00:40:02,110 --> 00:39:59,480
Ramey memo first there was the Roswell

808
00:40:04,030 --> 00:40:02,120
base press release about an hour after

809
00:40:05,500 --> 00:40:04,040
the press release general Ramey was

810
00:40:08,050 --> 00:40:05,510
already speaking on the phone to

811
00:40:10,180 --> 00:40:08,060
reporters and the Pentagon press room

812
00:40:13,570 --> 00:40:10,190
and saying it looked like a weather

813
00:40:16,030 --> 00:40:13,580

balloon to him and a radar target and

814

00:40:18,520 --> 00:40:16,040

that is in fact what is pictured here so

815

00:40:21,490 --> 00:40:18,530

they brought in the photographer from

816

00:40:23,740 --> 00:40:21,500

the Fort Worth star-telegram he took six

817

00:40:25,570 --> 00:40:23,750

photos for the photos have general

818

00:40:27,790 --> 00:40:25,580

Raymond he's holding this message in his

819

00:40:30,160 --> 00:40:27,800

hand the three of those photos the

820

00:40:32,440 --> 00:40:30,170

messages turned away from the camera in

821

00:40:35,180 --> 00:40:32,450

this particular photo though for some

822

00:40:39,770 --> 00:40:35,190

reason it's facing the camera

823

00:40:41,600 --> 00:40:39,780

and fortunately for us at the the images

824

00:40:43,940 --> 00:40:41,610

of sufficient quality that we can read

825

00:40:44,950 --> 00:40:43,950

quite a bit of the message yeah you

826

00:40:47,960 --> 00:40:44,960

wanna hear this message come on baby

827

00:40:52,580 --> 00:40:47,970

yeah I'll uh I'll break up with the

828

00:40:55,430 --> 00:40:52,590

sunscreen so it's documented so everyone

829

00:40:58,430 --> 00:40:55,440

at home watching can actually see the

830

00:41:01,490 --> 00:40:58,440

message and is how he he's coming to

831

00:41:04,460 --> 00:41:01,500

this conclusion this is all UFOs little

832

00:41:05,720 --> 00:41:04,470

town people the night tough cell about

833

00:41:06,080 --> 00:41:05,730

I'll bring this up and on screen right

834

00:41:11,210 --> 00:41:06,090

here

835

00:41:14,840 --> 00:41:11,220

one second oops that's what he muted

836

00:41:18,040 --> 00:41:14,850

right tells I think a very remarkable

837

00:41:23,240 --> 00:41:21,380

during the GAO investigation US Air

838

00:41:25,790 --> 00:41:23,250

Force representatives claimed they tried

839

00:41:28,010 --> 00:41:25,800

to enhance this photo themselves their

840

00:41:29,300 --> 00:41:28,020

official conclusion was that even using

841

00:41:30,800 --> 00:41:29,310

state-of-the-art equipment

842

00:41:34,250 --> 00:41:30,810

it was totally unreadable

843

00:41:36,290 --> 00:41:34,260

[Music]

844

00:41:38,170 --> 00:41:36,300

this is the mammal of the Air Force said

845

00:41:40,730 --> 00:41:38,180

that their high-level government

846

00:41:44,000 --> 00:41:40,740

organization photo analysis lab could

847

00:41:47,480 --> 00:41:44,010

not read anything on and if we zoom in

848

00:41:49,910 --> 00:41:47,490

here you can obviously make out some of

849

00:41:52,099 --> 00:41:49,920

the words quite easily and everybody

850

00:41:54,710 --> 00:41:52,109

sees this here this is the two words

851
00:41:57,410 --> 00:41:54,720
here weather balloons these words are

852
00:41:59,359 --> 00:41:57,420
very important because it tells us that

853
00:42:01,550 --> 00:41:59,369
this is about Roswell

854
00:42:07,090 --> 00:42:01,560
because rama's trying to sell a weather

855
00:42:11,410 --> 00:42:07,100
balloons story to the press there you go

856
00:42:15,470 --> 00:42:11,420
so that's uh is a forensic conclusions

857
00:42:22,910 --> 00:42:15,480
we're about yeah oh boy it's all this

858
00:42:24,740 --> 00:42:22,920
time and I finally found it no just five

859
00:42:27,410 --> 00:42:24,750
minutes too late that's all right

860
00:42:30,500 --> 00:42:27,420
better late than never Allah go ahead

861
00:42:33,760 --> 00:42:30,510
and open up the the phone lines and we

862
00:42:37,160 --> 00:42:33,770
will be mostly happy to take your calls

863
00:42:41,570 --> 00:42:37,170

I also love the the UFO flap of the

864

00:42:43,970 --> 00:42:41,580

1950's in 1955 the attack the the DC

865

00:42:49,810 --> 00:42:43,980

flyover I'll see if I can bring that up

866

00:42:53,599 --> 00:42:49,820

on screen that the big UFO fly over DC

867

00:42:57,109 --> 00:42:53,609

was huge one that wasn't like the cover

868

00:42:59,690 --> 00:42:57,119

of like the New York Times in the 1950s

869

00:43:02,810 --> 00:42:59,700

yeah put up on screen here you can take

870

00:43:05,450 --> 00:43:02,820

a look at this [h__h] and they're

871

00:43:07,670 --> 00:43:05,460

pictures of it sorry that guy you've a

872

00:43:09,230 --> 00:43:07,680

picture of right there that that guy's

873

00:43:09,770 --> 00:43:09,240

in the Air Force look isn't [h__h] in like

874

00:43:14,560 --> 00:43:09,780

two years

875

00:43:22,490 --> 00:43:14,570

yeah is Colonel Philip Corso yeah

876

00:43:26,030 --> 00:43:22,500

caller go ahead this man claims he has

877

00:43:36,530 --> 00:43:26,040

been to the year 6,000 well hey yeah

878

00:43:37,880 --> 00:43:36,540

call the guard yeah you got it what's

879

00:43:38,330 --> 00:43:37,890

going on with your best guest for

880

00:43:40,970 --> 00:43:38,340

Roswell

881

00:43:42,680 --> 00:43:40,980

I think the Nazis had something to do

882

00:43:45,650 --> 00:43:42,690

with it I think the whole Nazi thing is

883

00:43:47,450 --> 00:43:45,660

kind of weird how they got that

884

00:43:47,990 --> 00:43:47,460

technology my whole biggest question was

885

00:43:49,760 --> 00:43:48,000

like that

886

00:43:52,490 --> 00:43:49,770

about that is that there are but they

887

00:43:56,510 --> 00:43:52,500

were communicating with aliens how they

888

00:43:58,850 --> 00:43:56,520

get so uh so anti-jewish I don't know

889

00:44:01,160 --> 00:43:58,860

what aliens had against the Jews I don't

890

00:44:04,400 --> 00:44:01,170

know either I I don't I I mean obviously

891

00:44:06,470 --> 00:44:04,410

Hitler needed some kind of enemy to

892

00:44:09,710 --> 00:44:06,480

attack you needed to consolidate power

893

00:44:11,090 --> 00:44:09,720

and demon I as a group of people you

894

00:44:13,460 --> 00:44:11,100

know and users has been kicking around

895

00:44:16,430 --> 00:44:13,470

for thousands of years so why not do it

896

00:44:17,900 --> 00:44:16,440

again and yeah I guess everybody's a

897

00:44:21,830 --> 00:44:17,910

good scapegoat to kind of rally the

898

00:44:23,420 --> 00:44:21,840

public just like it comes from like from

899

00:44:26,030 --> 00:44:23,430

space of stuff at the data take it so

900

00:44:27,650 --> 00:44:26,040

they looks like pervert the technology

901
00:44:29,120 --> 00:44:27,660
and I understand manga pervert anything

902
00:44:31,250 --> 00:44:29,130
it's just crazy that that's where they

903
00:44:34,550 --> 00:44:31,260
went to it so all the technology we get

904
00:44:36,110 --> 00:44:34,560
from rocketry even computers I think has

905
00:44:38,780 --> 00:44:36,120
a lot that he was Nazi Germany like it

906
00:44:41,090 --> 00:44:38,790
was crazy how innovative Nazi Germany

907
00:44:43,790 --> 00:44:41,100
was it's a place where it was that by

908
00:44:46,250 --> 00:44:43,800
the at at the time when it was

909
00:44:48,680 --> 00:44:46,260
innovating it always blows mine it would

910
00:44:50,840 --> 00:44:48,690
be a completely ironic if the Nazis got

911
00:44:57,500 --> 00:44:50,850
their super secret technology from space

912
00:44:59,210 --> 00:44:57,510
Jews yeah it is weird that that the if

913
00:45:01,670 --> 00:44:59,220

the Nazis were channeling and

914

00:45:03,860 --> 00:45:01,680

communicating with the the reptilian

915

00:45:06,590 --> 00:45:03,870

draconian race that they wouldn't go

916

00:45:09,470 --> 00:45:06,600

whoa [h__\h] this universe this galaxy is

917

00:45:11,060 --> 00:45:09,480

way bigger than we ever realized

918

00:45:14,150 --> 00:45:11,070

if people could help us kill all the

919

00:45:16,940 --> 00:45:14,160

Jews well beyond that we need the unite

920

00:45:19,190 --> 00:45:16,950

mankind right now because holy [h__\h]

921

00:45:22,400 --> 00:45:19,200

there is a bigger threat out there but

922

00:45:25,310 --> 00:45:22,410

no they decided to exterminate try to

923

00:45:28,580 --> 00:45:25,320

exterminate all the Jews and control the

924

00:45:31,280 --> 00:45:28,590

world or at least try to and yeah

925

00:45:34,310 --> 00:45:31,290

they I guess Hitler didn't have enough

926

00:45:34,940 --> 00:45:34,320

time to reflect on this and he didn't go

927

00:45:39,170 --> 00:45:34,950

into therapy

928

00:45:41,510 --> 00:45:39,180

and can you believe that do you think he

929

00:45:43,070 --> 00:45:41,520

actually knew or was kept [\h__\h] like as

930

00:45:45,110 --> 00:45:43,080

I know he kind of dabbled in the

931

00:45:47,060 --> 00:45:45,120

esoteric some people think he wasn't in

932

00:45:53,090 --> 00:45:47,070

the know as much as like some of those

933

00:45:55,250 --> 00:45:53,100

generals like Himmler or there is a

934

00:45:58,330 --> 00:45:55,260

whole I believe part of the SS the Auden

935

00:46:01,160 --> 00:45:58,340

Arabah which did all the college stuff

936

00:46:01,580 --> 00:46:01,170

so it was definitely prevalent it seemed

937

00:46:03,290 --> 00:46:01,590

like here

938

00:46:05,060 --> 00:46:03,300

there was enough of a control freak that

939

00:46:10,220 --> 00:46:05,070

he would want to know about all this

940

00:46:13,700 --> 00:46:10,230

stuff that's true I I see him wanting to

941

00:46:15,980 --> 00:46:13,710

be definitely involved or at least know

942

00:46:18,170 --> 00:46:15,990

hey hey by the way you know you know how

943

00:46:20,840 --> 00:46:18,180

you guys can travel through time now how

944

00:46:22,250 --> 00:46:20,850

did you develop that you know it's a

945

00:46:24,890 --> 00:46:22,260

weird technology you know how you guys

946

00:46:27,050 --> 00:46:24,900

can fly around and do like 90-degree

947

00:46:29,000 --> 00:46:27,060

turns in midair and should break

948

00:46:31,220 --> 00:46:29,010

everyone's necks but you guys are able

949

00:46:33,800 --> 00:46:31,230

to withstand those g-forces how did you

950

00:46:36,050 --> 00:46:33,810

come across the technology I think

951
00:46:37,880 --> 00:46:36,060
Hitler would ask those questions oh just

952
00:46:41,720 --> 00:46:37,890
a joke it's just a joke

953
00:46:47,270 --> 00:46:41,730
no she's just a joke hey got anything

954
00:46:49,250 --> 00:46:47,280
else on your on your mind yeah now I'm a

955
00:46:51,050 --> 00:46:49,260
pro Second Amendment guy but since we

956
00:46:53,090 --> 00:46:51,060
got all this alien technology when we

957
00:46:55,940 --> 00:46:53,100
get like handheld lasers which I'll put

958
00:46:57,410 --> 00:46:55,950
it we all want to restrict laser access

959
00:47:01,880 --> 00:46:57,420
because I don't know where I stand on

960
00:47:09,140 --> 00:47:01,890
that well did the founding fathers have

961
00:47:10,400 --> 00:47:09,150
laser cannons you know speaking on

962
00:47:12,290 --> 00:47:10,410
yourself against the tyrannical

963
00:47:14,530 --> 00:47:12,300

government that's why I always looked at

964

00:47:16,700 --> 00:47:14,540

like they get I don't know putting

965

00:47:18,980 --> 00:47:16,710

extremely powerful lasers and

966

00:47:23,240 --> 00:47:18,990

everybody's hands would be the best

967

00:47:26,210 --> 00:47:23,250

thing I say [h__h] it arm the teachers

968

00:47:28,700 --> 00:47:26,220

have lasers kids with lasers just laser

969

00:47:31,070 --> 00:47:28,710

everyone I would say once the the local

970

00:47:34,280 --> 00:47:31,080

police department are using lasers in

971

00:47:41,740 --> 00:47:34,290

law enforcement then the rest of the the

972

00:47:45,590 --> 00:47:44,510

this is the Pentagon program once the

973

00:47:47,390 --> 00:47:45,600

lasers come off

974

00:47:48,650 --> 00:47:47,400

you know the battleships and the Humvees

975

00:47:50,870 --> 00:47:48,660

they're gonna be filtered down to

976

00:47:52,400 --> 00:47:50,880

civilian use and then you know next

977

00:47:54,020 --> 00:47:52,410

thing you know you're gonna have you

978

00:47:57,020 --> 00:47:54,030

know laser police on the streets

979

00:47:58,910 --> 00:47:57,030

lasering you down and then I definitely

980

00:48:03,610 --> 00:47:58,920

buy your own laser but I think that

981

00:48:06,440 --> 00:48:03,620

hopefully they're cost-effective I mean

982

00:48:12,250 --> 00:48:06,450

that's all I got give me any aliens and

983

00:48:12,260 --> 00:48:23,520

when he wins there we go I'm a man

984

00:48:28,560 --> 00:48:26,370

we don't we had a crank caller or a

985

00:48:29,940 --> 00:48:28,570

prank caller written for teddy I think

986

00:48:34,170 --> 00:48:29,950

there yeah there are some farting going

987

00:48:35,490 --> 00:48:34,180

on sound sound board stuff going on and

988

00:48:39,599 --> 00:48:35,500

I think it's a guy I don't know who it

989

00:48:42,420 --> 00:48:39,609

is but you know can you improve the

990

00:48:44,250 --> 00:48:42,430

quality of your pranks yeah she's like

991

00:48:46,740 --> 00:48:44,260

at least Cullen's like the spring king

992

00:48:51,900 --> 00:48:46,750

no pervert or you know you handle that

993

00:48:54,839 --> 00:48:51,910

the sound quality too if I were you I'd

994

00:48:56,370 --> 00:48:54,849

be pretty ashamed of myself but you just

995

00:48:59,010 --> 00:48:56,380

really haven't put the time in if you're

996

00:49:00,960 --> 00:48:59,020

gonna do it do it well don't half-ass it

997

00:49:02,730 --> 00:49:00,970

like this would be like the third time

998

00:49:04,740 --> 00:49:02,740

you're calling in and seniors mic picks

999

00:49:07,859 --> 00:49:04,750

up we use here you put a bag for

1000

00:49:09,390 --> 00:49:07,869

hilarious be nice I love it excuse me no

1001

00:49:11,460 --> 00:49:09,400

I didn't say excuse me then I would like

1002

00:49:14,339 --> 00:49:11,470

hey where's the shampoo the shampoo yeah

1003

00:49:15,210 --> 00:49:14,349

we could have a good time but you got to

1004

00:49:19,440 --> 00:49:15,220

step up your game

1005

00:49:20,760 --> 00:49:19,450

okay I'm Pro pranks sometimes but you

1006

00:49:21,810 --> 00:49:20,770

got it you get really got to put some

1007

00:49:24,960 --> 00:49:21,820

effort in okay

1008

00:49:34,520 --> 00:49:24,970

I just I want you to work on I don't

1009

00:49:42,680 --> 00:49:41,700

yeah frankerz are you prank caller go

1010

00:49:46,710 --> 00:49:42,690

ahead

1011

00:49:52,140 --> 00:49:46,720

hey Mike hey clown baby it's toodles

1012

00:49:55,440 --> 00:49:52,150

hey truce oh hey I just wanted to add in

1013

00:49:58,920 --> 00:49:55,450

on the conversation about UFOs yeah Jack

1014

00:50:01,050 --> 00:49:58,930

Parsons have you guys ever like looked

1015

00:50:03,690 --> 00:50:01,060

into him know one of the founders of JPL

1016

00:50:05,339 --> 00:50:03,700

no Jack Parsons I am NOT moved to name a

1017

00:50:06,540 --> 00:50:05,349

whole loaf ever bring up on screen right

1018

00:50:07,400 --> 00:50:06,550

now can you give us a little background

1019

00:50:10,920 --> 00:50:07,410

her

1020

00:50:13,920 --> 00:50:10,930

he was an occultist who was like a

1021

00:50:16,440 --> 00:50:13,930

student of aleister crowley's and on the

1022

00:50:21,510 --> 00:50:16,450

day he died was the day the huge UFO

1023

00:50:25,320 --> 00:50:21,520

sightings started happening over DC okay

1024

00:50:28,980 --> 00:50:25,330

yeah this is Jack Whiteside Jack Parsons

1025

00:50:29,820 --> 00:50:28,990

okay yeah so look into that dude he's

1026

00:50:34,430 --> 00:50:29,830

[h__\h] crazy

1027

00:50:35,720 --> 00:50:34,440

but like he did like all kinds of like I

1028

00:50:37,730 --> 00:50:35,730

don't know

1029

00:50:41,900 --> 00:50:37,740

occult rituals out in the Mojave Desert

1030

00:50:43,160 --> 00:50:41,910

and stuff like all before Roswell so I

1031

00:50:45,069 --> 00:50:43,170

don't know all kinds of weird [h__\h]

1032

00:50:48,440 --> 00:50:45,079

happened yeah it's really interesting

1033

00:50:51,020 --> 00:50:48,450

yeah I'm looking at this and there is

1034

00:50:52,760 --> 00:50:51,030

he's definitely associated with Elsa

1035

00:50:55,540 --> 00:50:52,770

Crowley and I just started reading about

1036

00:50:57,980 --> 00:50:55,550

Crowley actually about two weeks ago and

1037

00:51:01,010 --> 00:50:57,990

yeah when you get it okay so this is

1038

00:51:04,010 --> 00:51:01,020

what you get when you get into the UFO

1039

00:51:05,599 --> 00:51:04,020

stuff in the aliens you you start to go

1040

00:51:07,700 --> 00:51:05,609

down and say oh the Nazis had it then

1041

00:51:10,730 --> 00:51:07,710

you go into a cultism and this is where

1042

00:51:15,410 --> 00:51:10,740

the spirituality the esoteric ain't on

1043

00:51:17,450 --> 00:51:15,420

the UFO and the the political leanings

1044

00:51:20,359 --> 00:51:17,460

and the political spirit sees all wrap

1045

00:51:23,180 --> 00:51:20,369

up into one giant thing and it's this

1046

00:51:25,280 --> 00:51:23,190

this right here this is where it starts

1047

00:51:27,829 --> 00:51:25,290

to get a little too bizarre for most

1048

00:51:31,370 --> 00:51:27,839

people I think is when you start getting

1049

00:51:33,650 --> 00:51:31,380

channeling and like mediumship yeah

1050

00:51:36,319 --> 00:51:33,660

you're yeah you're right in this stuff

1051

00:51:38,210 --> 00:51:36,329

like I I'm open to it I love this [h__\h]

1052

00:51:41,030 --> 00:51:38,220

this is great we talk about a called ism

1053

00:51:43,640 --> 00:51:41,040

and channeling and talking and in in in

1054

00:51:46,250 --> 00:51:43,650

getting powers from another dimension in

1055

00:51:48,440 --> 00:51:46,260

order to build your own technology I get

1056

00:51:50,030 --> 00:51:48,450

it that makes sense to me but if you

1057

00:51:51,609 --> 00:51:50,040

just talk to do an average person and

1058

00:51:53,569 --> 00:51:51,619

you say ask them if they believe in UFOs

1059

00:51:55,849 --> 00:51:53,579

they're gonna say yeah believe in UFOs

1060

00:51:57,290 --> 00:51:55,859

like oh by the way did you know Nazis

1061

00:52:01,309 --> 00:51:57,300

talk to UFOs you're gonna sound like a

1062

00:52:03,829 --> 00:52:01,319

lunatic right yeah Steven Greer or

1063

00:52:05,480 --> 00:52:03,839

whatever nobody can really like the

1064

00:52:07,970 --> 00:52:05,490

average person can't really get behind

1065

00:52:09,680 --> 00:52:07,980

like dr. Greer or you know like Tom

1066

00:52:12,470 --> 00:52:09,690

DeLonge because they seems like an

1067

00:52:14,599 --> 00:52:12,480

insane yeah like some of the stuff they

1068

00:52:17,329 --> 00:52:14,609

say does make sense when you look into

1069

00:52:19,520 --> 00:52:17,339

the history of like UFOs and occultism

1070

00:52:22,339 --> 00:52:19,530

and everything attached to it it's weird

1071

00:52:23,660 --> 00:52:22,349

I don't know it the more you research it

1072

00:52:25,940 --> 00:52:23,670

the more makes sense the problem is

1073

00:52:28,670 --> 00:52:25,950

we're talking we have to talk to people

1074

00:52:31,130 --> 00:52:28,680

who don't read as much about the stuff

1075

00:52:33,410 --> 00:52:31,140

we got to talk to them at like a first

1076

00:52:35,780 --> 00:52:33,420

or second grade levels like did you know

1077

00:52:39,109 --> 00:52:35,790

maybe there's aliens out there and they

1078

00:52:41,990 --> 00:52:39,119

come to earth and sometimes they take

1079

00:52:43,569 --> 00:52:42,000

people you have you ever heard of Nazis

1080

00:52:51,789 --> 00:52:43,579

yes

1081

00:52:55,569 --> 00:52:51,799

with the Nazis helped our NASA get

1082

00:52:58,420 --> 00:52:55,579

started and they helped found the US are

1083

00:53:00,640 --> 00:52:58,430

the the CIA isn't that right climate

1084

00:53:02,559 --> 00:53:00,650

didn't we adopt a lot of those Nazi

1085

00:53:06,279 --> 00:53:02,569

intelligence people to help Kickstarter

1086

00:53:10,410 --> 00:53:06,289

CIA well oh yeah that's correct

1087

00:53:12,400 --> 00:53:10,420

she lot of a scientist there was um I

1088

00:53:14,079 --> 00:53:12,410

can't think of his name there was a one

1089

00:53:16,420 --> 00:53:14,089

there were several SS guys they picked

1090

00:53:18,459 --> 00:53:16,430

up a button to the CIA was the number

1091

00:53:20,160 --> 00:53:18,469

one SS guy that I mean if you had a

1092

00:53:23,440 --> 00:53:20,170

trading it anywhere was in charge

1093

00:53:25,449 --> 00:53:23,450

Himmler was in charge of the SS if you

1094

00:53:30,239 --> 00:53:25,459

had a baseball card of Himmler he's tops

1095

00:53:32,920 --> 00:53:30,249

okay you got anything else first buddy

1096

00:53:34,359 --> 00:53:32,930

no that's pretty much it you guys have a

1097

00:53:38,949 --> 00:53:34,369

good night all right hey you don't call

1098

00:53:40,299 --> 00:53:38,959

in very much no not really no I can only

1099

00:53:42,160 --> 00:53:40,309

get to catch the show every once in a

1100

00:53:44,620 --> 00:53:42,170

while way to those thank you very much

1101
00:53:52,779 --> 00:53:44,630
appreciated no problem Mike good night

1102
00:53:55,180 --> 00:53:52,789
guys all right he was he was a he's been

1103
00:53:58,739 --> 00:53:55,190
around for a while like doodles looks

1104
00:54:01,859 --> 00:53:58,749
like the guy whose name was what's that

1105
00:54:05,249 --> 00:54:01,869
one of the main guys is Reinhard Galen

1106
00:54:09,249 --> 00:54:05,259
Reinhardt or Reinhardt ain't hired

1107
00:54:12,890 --> 00:54:09,259
Reinhard in hurts his first name getting

1108
00:54:16,579 --> 00:54:14,390
we'll take a few more phone calls here

1109
00:54:18,380 --> 00:54:16,589
and then we're gonna wind down the show

1110
00:54:21,019 --> 00:54:18,390
I could I could talk about UFOs and

1111
00:54:22,940 --> 00:54:21,029
Nazis all [h__\h] night I really could

1112
00:54:25,519 --> 00:54:22,950
we're not even scratching the surface

1113
00:54:29,109 --> 00:54:25,529

this is very surface stop this is like

1114

00:54:35,089 --> 00:54:29,119

this is entry-level stuff

1115

00:54:39,049 --> 00:54:35,099

caller go ahead this man claims he has

1116

00:54:41,019 --> 00:54:39,059

been to the Year 6,000 go hey Bill how

1117

00:54:43,849 --> 00:54:41,029

you doing buddy

1118

00:54:46,430 --> 00:54:43,859

thanks for sending me the information

1119

00:54:49,160 --> 00:54:46,440

for that Yorkshire girl uh-huh

1120

00:54:50,989 --> 00:54:49,170

look I'm sorry dude look I've been so

1121

00:54:53,210 --> 00:54:50,999

I've been so busy fighting the New World

1122

00:54:56,589 --> 00:54:53,220

Order I didn't have time to like send it

1123

00:55:00,680 --> 00:54:56,599

on as quickly as I would like to have

1124

00:55:03,130 --> 00:55:00,690

you know school it's I I got I gotta say

1125

00:55:06,980 --> 00:55:03,140

bill I'm kind of taking taken aback that

1126

00:55:19,099 --> 00:55:06,990

that this girl from England is it's

1127

00:55:22,400 --> 00:55:19,109

fitted in some Canuck like you what I

1128

00:55:26,479 --> 00:55:22,410

don't know bill he could be you could be

1129

00:55:30,319 --> 00:55:26,489

just the suave estai don't know it just

1130

00:55:34,339 --> 00:55:30,329

seems a little I don't know how I don't

1131

00:55:37,150 --> 00:55:34,349

know how happens but somehow you're

1132

00:55:39,710 --> 00:55:37,160

you're able to do this whatever kind of

1133

00:55:44,200 --> 00:55:39,720

strokey bill magic you're able to weave

1134

00:55:45,979 --> 00:55:44,210

it's it's being woven okay all right

1135

00:55:47,900 --> 00:55:45,989

what's on your mind what do you think

1136

00:55:50,690 --> 00:55:47,910

crash at Roswell so you're gonna conk

1137

00:55:52,609 --> 00:55:50,700

pop me yep don't know I'm not

1138

00:55:56,599 --> 00:55:52,619

cock-blocking you how my constant brain

1139

00:55:59,239 --> 00:55:56,609

feels no see what happens we'll see okay

1140

00:56:01,670 --> 00:55:59,249

no I know I will definitely city

1141

00:56:03,349 --> 00:56:01,680

information I have the the contact and I

1142

00:56:05,479 --> 00:56:03,359

just I've been very neglectful when I

1143

00:56:07,549 --> 00:56:05,489

apologize it's been inundated I with

1144

00:56:09,890 --> 00:56:07,559

other work and I just haven't done it

1145

00:56:14,870 --> 00:56:09,900

right so I apologize no problem the

1146

00:56:18,650 --> 00:56:14,880

problem yeah for the Roswell stuff yeah

1147

00:56:22,009 --> 00:56:18,660

word on the street is Jewish people are

1148

00:56:25,700 --> 00:56:22,019

actually closer to the aliens you know

1149

00:56:28,490 --> 00:56:25,710

based on their text you know they have

1150

00:56:31,220 --> 00:56:28,500

more of in with the aliens there are

1151
00:56:33,349 --> 00:56:31,230
more part of them and the normal people

1152
00:56:34,990 --> 00:56:33,359
are apparent what you see you're

1153
00:56:40,780 --> 00:56:35,000
actually talking about space Jews

1154
00:56:43,849 --> 00:56:40,790
exactly theory but what happened was

1155
00:56:46,490 --> 00:56:43,859
they need to keep it so it's getting

1156
00:56:50,540 --> 00:56:46,500
closer to the aliens DNA and less away

1157
00:56:53,930 --> 00:56:50,550
from you know monkey DNA so that's

1158
00:56:55,579 --> 00:56:53,940
apparently why the whole Nazi thing may

1159
00:56:58,280 --> 00:56:55,589
have actually occurred because they're

1160
00:57:01,819 --> 00:56:58,290
like we need to really really you know

1161
00:57:04,040 --> 00:57:01,829
get more solidified here and not be just

1162
00:57:06,500 --> 00:57:04,050
you know mixing with these monkey guys

1163
00:57:08,690 --> 00:57:06,510

we need to get more hardcore about our

1164

00:57:12,049 --> 00:57:08,700

space genes and that's why they did it

1165

00:57:14,000 --> 00:57:12,059

they did to themselves so okay so you're

1166

00:57:17,359 --> 00:57:14,010

saying the Nazis wanted to kill the Jews

1167

00:57:20,359 --> 00:57:17,369

because the Jews were too alien not

1168

00:57:23,299 --> 00:57:20,369

alien enough they want off in the herd

1169

00:57:25,790 --> 00:57:23,309

to really solidify it and once you your

1170

00:57:28,220 --> 00:57:25,800

own country it's really easy to solidify

1171

00:57:31,280 --> 00:57:28,230

more so Eden I mean well yeah and

1172

00:57:33,740 --> 00:57:31,290

there's also been reports of Nordic

1173

00:57:35,839 --> 00:57:33,750

aliens like you know the tall blonds

1174

00:57:37,430 --> 00:57:35,849

people talk about like six or seven foot

1175

00:57:40,010 --> 00:57:37,440

that have like you know gold and blond

1176

00:57:42,710 --> 00:57:40,020

hair that are up around that area that

1177

00:57:45,140 --> 00:57:42,720

has also been rumored to being contact

1178

00:57:48,589 --> 00:57:45,150

with the they're basically the Aryan

1179

00:57:50,089 --> 00:57:48,599

gods or the Aryan UFO healing people so

1180

00:57:52,220 --> 00:57:50,099

I don't know if they have anything to do

1181

00:57:55,190 --> 00:57:52,230

with it but seriously and Hitler wanted

1182

00:58:00,020 --> 00:57:55,200

to kill Jews because they weren't alien

1183

00:58:02,890 --> 00:58:00,030

enough he didn't want to it's like the

1184

00:58:06,500 --> 00:58:02,900

guys that really were in control of him

1185

00:58:10,430 --> 00:58:06,510

and thinking back it's kind of like

1186

00:58:12,230 --> 00:58:10,440

these wars really made good for the

1187

00:58:14,539 --> 00:58:12,240

bankers right yeah absolutely yeah yeah

1188

00:58:18,510 --> 00:58:14,549

yeah I mean yeah who is wearing the

1189

00:58:22,920 --> 00:58:20,370

which bank will be talking about the

1190

00:58:25,200 --> 00:58:22,930

bank in England yeah look at what the

1191

00:58:28,859 --> 00:58:25,210

Rothschilds we're talking about yeah so

1192

00:58:30,930 --> 00:58:28,869

maybe it's like hey you guys aren't you

1193

00:58:33,300 --> 00:58:30,940

know you guys aren't you know gonna send

1194

00:58:36,030 --> 00:58:33,310

some you'll you know buses over to grab

1195

00:58:37,740 --> 00:58:36,040

some buddies for you know you know taken

1196

00:58:39,000 --> 00:58:37,750

back to England no no no we're just

1197

00:58:43,770 --> 00:58:39,010

gonna let this happen

1198

00:58:45,120 --> 00:58:43,780

because you control the money sign I I

1199

00:58:46,590 --> 00:58:45,130

see what you're saying there

1200

00:58:49,770 --> 00:58:46,600

I see you're sounding weird right yeah

1201

00:58:51,840 --> 00:58:49,780

yeah look I you look and then do and

1202

00:58:54,930 --> 00:58:51,850

they could have but they didn't and then

1203

00:58:57,359 --> 00:58:54,940

you know and then you know it seems like

1204

00:59:00,510 --> 00:58:57,369

it's a bad thing but in reality it's

1205

00:59:03,570 --> 00:59:00,520

like hey we get to get more alien so we

1206

00:59:06,960 --> 00:59:03,580

gotta get mmm really thicken to it like

1207

00:59:09,390 --> 00:59:06,970

we gotta really get more alien into into

1208

00:59:11,460 --> 00:59:09,400

the mix and then we can really start

1209

00:59:12,720 --> 00:59:11,470

dealing you know is this kind of like

1210

00:59:14,460 --> 00:59:12,730

your own theory are you just kind of

1211

00:59:16,470 --> 00:59:14,470

assembling this face a lot of different

1212

00:59:18,150 --> 00:59:16,480

things you've heard I've heard yeah and

1213

00:59:20,580 --> 00:59:18,160

then like taking what we're talking

1214

00:59:23,010 --> 00:59:20,590

about and kind of combining it and like

1215

00:59:27,420 --> 00:59:23,020

okay yeah then say hey it's kind of

1216

00:59:29,940 --> 00:59:27,430

weird yeah I look I I mean look with all

1217

00:59:32,160 --> 00:59:29,950

this stuff I think every theory is just

1218

00:59:33,270 --> 00:59:32,170

as valid as an axe and I mean that's

1219

00:59:35,790 --> 00:59:33,280

what we do in this should we talk about

1220

00:59:38,430 --> 00:59:35,800

different strange [\h__\h] stupid [\h__\h]

1221

00:59:40,230 --> 00:59:38,440

oh and hey the fact that this all

1222

00:59:42,660 --> 00:59:40,240

happened way long ago before I was

1223

00:59:44,849 --> 00:59:42,670

[\h__\h] born you know so like we're

1224

00:59:47,070 --> 00:59:44,859

really dust in the wind here oh yeah oh

1225

00:59:49,260 --> 00:59:47,080

yeah absolutely the weirdest I mean

1226

00:59:51,840 --> 00:59:49,270

we're just pontificating at this point

1227

00:59:53,190 --> 00:59:51,850

which I like to do and we're still

1228

00:59:54,840 --> 00:59:53,200

talking about Roswell because it's a

1229

00:59:57,210 --> 00:59:54,850

very important event and we still talk

1230

01:00:00,000 --> 00:59:57,220

about Hitler in the Nazis because

1231

01:00:02,910 --> 01:00:00,010

everything is literally Hitler if you

1232

01:00:04,620 --> 01:00:02,920

disagree with somebody so the aliens are

1233

01:00:05,859 --> 01:00:04,630

literally Hitler if you disagree with

1234

01:00:09,999 --> 01:00:05,869

them

1235

01:00:12,910 --> 01:00:10,009

right yeah Hitler isn't an alien at all

1236

01:00:15,640 --> 01:00:12,920

he's a human being who was used as part

1237

01:00:19,390 --> 01:00:15,650

and parcel of the alien guys that want

1238

01:00:22,450 --> 01:00:19,400

mother the alien rebo's if you will as

1239

01:00:25,180 --> 01:00:22,460

their global plan to you know get Jewish

1240

01:00:28,569 --> 01:00:25,190

people to get really thick of the of the

1241

01:00:31,269 --> 01:00:28,579

alien you know gene and that will be

1242

01:00:34,599 --> 01:00:31,279

that will they have like difference

1243

01:00:38,289 --> 01:00:34,609

between humanity and the aliens at that

1244

01:00:39,249 --> 01:00:38,299

point yes well hey Bill thank you very

1245

01:00:46,450 --> 01:00:39,259

much for your call you got anything else

1246

01:00:48,670 --> 01:00:46,460

for us before we wind up the show I will

1247

01:01:01,539 --> 01:00:48,680

forward it on to you big time

1248

01:01:03,959 --> 01:01:01,549

I'm sorry I'm sorry I apologize we'll

1249

01:01:10,870 --> 01:01:03,969

talk next time we're mourning the show

1250

01:01:12,940 --> 01:01:10,880

there we go hot dog and a deer from bill

1251
01:01:16,499 --> 01:01:12,950
yeah I'm sorry I forgot the Ford I'm not

1252
01:01:18,700 --> 01:01:16,509
the number two you good night yeah

1253
01:01:21,819 --> 01:01:18,710
possibly getting contacted together I

1254
01:01:23,709 --> 01:01:21,829
have two more minutes until the song

1255
01:01:27,269 --> 01:01:23,719
ends and I'll take one more phone call

1256
01:01:29,890 --> 01:01:27,279
from almost gone 6 1 4 3 2 8 9 109 and

1257
01:01:31,719 --> 01:01:29,900
what do you want to do when we meet yeah

1258
01:01:34,569 --> 01:01:31,729
what do you want doing when we meet you

1259
01:01:34,989 --> 01:01:34,579
want to meet sometime yeah join me
