

NIGHT TALK
with
MIDNIGHT MIKE

1
00:00:10,380 --> 00:00:06,909
all right we are streaming I believe oh

2
00:00:28,470 --> 00:00:20,510
[Music]

3
00:00:33,750 --> 00:00:32,130
I don't want to be unreasonable but you

4
00:00:41,720 --> 00:00:33,760
know what happens to you when you get

5
00:00:48,110 --> 00:00:41,730
around women hey welcome back to another

6
00:00:54,620 --> 00:00:52,160
I'm your host midnight Mike and my

7
00:00:58,130 --> 00:00:54,630
brother clown baby

8
00:01:02,780 --> 00:00:58,140
is driving with me he bribed his shotgun

9
00:01:06,260 --> 00:01:02,790
oh yeah on this nighttime voyage do it

10
00:01:09,680 --> 00:01:06,270
again yeah there he is

11
00:01:13,070 --> 00:01:09,690
do it again I got a great idea

12
00:01:16,490 --> 00:01:13,080
take your shirt off yeah it's a good

13
00:01:20,180 --> 00:01:16,500

idea this is the first night talking

14

00:01:22,460 --> 00:01:20,190

about two weeks I've been busy and you

15

00:01:25,340 --> 00:01:22,470

know friends family that kind of stuff

16

00:01:27,770 --> 00:01:25,350

and I was contemplating not doing it

17

00:01:32,150 --> 00:01:27,780

today because I am a little under the

18

00:01:37,400 --> 00:01:32,160

weather I had migraine headache last

19

00:01:38,030 --> 00:01:37,410

night oh boy not good and it finally

20

00:01:40,580 --> 00:01:38,040

went away

21

00:01:43,430 --> 00:01:40,590

this afternoon you know but I was in

22

00:01:47,690 --> 00:01:43,440

tears last night because I am I was just

23

00:01:52,010 --> 00:01:47,700

so happy and the [h__h] thing sucks

24

00:01:55,670 --> 00:01:52,020

pizza my head [h__h] suck before that I

25

00:01:59,139 --> 00:01:55,680

believe I got ecoli on Thursday oh my

26

00:02:02,300 --> 00:01:59,149

god I think I got a coli on Thursday

27

00:02:03,830 --> 00:02:02,310

from a little restaurant called I'm not

28

00:02:06,529 --> 00:02:03,840

gonna mention I don't want to disparage

29

00:02:08,510 --> 00:02:06,539

anybody that wasn't it Bob's country

30

00:02:10,860 --> 00:02:08,520

bunker no this is the chain restaurant

31

00:02:13,190 --> 00:02:10,870

that makes sub sandwiches

32

00:02:16,059 --> 00:02:13,200

[Music]

33

00:02:19,730 --> 00:02:16,069

it's that I wonder what it could be

34

00:02:21,940 --> 00:02:19,740

remember any LPR a good PR no I don't

35

00:02:24,770 --> 00:02:21,950

know and I don't know if this is but uh

36

00:02:26,330 --> 00:02:24,780

yeah hey I got a coli and then this

37

00:02:28,430 --> 00:02:26,340

boerboel migrating last night but I'm

38

00:02:36,130 --> 00:02:28,440

back again and we're gonna do some UFO

39

00:02:41,360 --> 00:02:38,450

so you didn't get any coli from eating

40

00:02:42,620 --> 00:02:41,370

poop with bogey not that I'm aware that

41

00:02:48,320 --> 00:02:42,630

could have been a separation I mean

42

00:02:51,650 --> 00:02:48,330

considered that but it's possible boy

43

00:02:55,820 --> 00:02:51,660

there's been a lot of UFO news as of

44

00:02:58,310 --> 00:02:55,830

late some headlines here and there that

45

00:03:00,640 --> 00:02:58,320

are going on and I'll rim down I got I

46

00:03:05,690 --> 00:03:00,650

might have some clips for people and

47

00:03:08,960 --> 00:03:05,700

just a whole bunch of fun and so let's

48

00:03:11,350 --> 00:03:08,970

go ahead and get into some UFO headlines

49

00:03:15,500 --> 00:03:11,360

here come on let's move over there oh

50

00:03:20,330 --> 00:03:15,510

boy let me let me do my laser transition

51
00:03:22,330 --> 00:03:20,340
again there we go laser transition

52
00:03:25,690 --> 00:03:22,340
complete

53
00:03:29,680 --> 00:03:25,700
or the first UFO headline I have here it

54
00:03:33,400 --> 00:03:29,690
is a Lear jet and Airbus had strange

55
00:03:36,720 --> 00:03:33,410
encounter with mysterious craft and this

56
00:03:43,860 --> 00:03:40,500
and I believe a mom when she was on

57
00:03:46,770 --> 00:03:43,870
vacation down in Arizona she she texted

58
00:03:51,120 --> 00:03:49,680
he's against all the raid yeah all the

59
00:03:55,230 --> 00:03:51,130
old folks are talking about the UFO

60
00:03:58,110 --> 00:03:55,240
sighting hang he were you check out the

61
00:04:00,930 --> 00:03:58,120
afoul a series of strange events

62
00:04:03,860 --> 00:04:00,940
occurred i up in the flight levels above

63
00:04:09,420 --> 00:04:03,870

sound southern Arizona On February 24th

64

00:04:13,140 --> 00:04:09,430

2018 between roughly 3:30 p.m. and 4:15

65

00:04:15,349 --> 00:04:13,150

local time a Lear 36 belonging to

66

00:04:20,220 --> 00:04:15,359

Phoenix air in American Airlines flight

67

00:04:21,870 --> 00:04:20,230

1095 and Airbus a321 had independent

68

00:04:26,550 --> 00:04:21,880

close encounters with the strange craft

69

00:04:30,120 --> 00:04:26,560

flying around 40,000 feet the planes

70

00:04:34,890 --> 00:04:30,130

were flying East at about 37,000 feet

71

00:04:36,990 --> 00:04:34,900

between the so sono ran Sonoran Desert

72

00:04:39,930 --> 00:04:37,000

National Monument and the northern

73

00:04:41,909 --> 00:04:39,940

desert I guess so Sonoran Desert

74

00:04:44,070 --> 00:04:41,919

National Monument and the New Mexico

75

00:04:48,090 --> 00:04:44,080

border when the incident took place and

76
00:04:51,870 --> 00:04:48,100
is actually FAA audio of this that I

77
00:04:54,810 --> 00:04:51,880
will I'll go ahead and play and for

78
00:04:58,170 --> 00:04:54,820
whatever reason as of the late the FAA

79
00:04:59,850 --> 00:04:58,180
has been more willing to share this data

80
00:05:03,270 --> 00:04:59,860
or maybe more people are requesting it

81
00:05:06,600 --> 00:05:03,280
and they're uh they're given in so I'll

82
00:05:10,860 --> 00:05:06,610
play this and you know with air traffic

83
00:05:13,710 --> 00:05:10,870
control and in pilots there's it's hard

84
00:05:18,060 --> 00:05:13,720
to discern at times it's very distorted

85
00:05:20,130 --> 00:05:18,070
and there's a lot of pilot jargon but

86
00:05:22,950 --> 00:05:20,140
I'll fast forward it to where I believe

87
00:05:24,210 --> 00:05:22,960
it takes place right around two minute

88
00:05:35,030 --> 00:05:24,220

twenty minutes twenty work they start

89

00:05:40,940 --> 00:05:37,850

being loved dinner yeah a lot of dead

90

00:05:43,600 --> 00:05:40,950

air see thanks thanks pilot job pilot

91

00:05:45,950 --> 00:05:43,610

yeah where'd you get a pile of skull

92

00:05:49,850 --> 00:05:45,960

good talk about what you eat or

93

00:05:51,060 --> 00:05:49,860

something no all right I'll go back I'll

94

00:05:54,970 --> 00:05:51,070

go back a little further

95

00:06:01,710 --> 00:05:57,420

34 when I find a three seven zero

96

00:06:03,280 --> 00:06:01,720

American 1095 Albuquerque Center no I

97

00:06:07,360 --> 00:06:03,290

was exciting

98

00:06:11,890 --> 00:06:07,370

yeah or ship it I don't know if he said

99

00:06:20,940 --> 00:06:11,900

that American 571 contact Albuquerque

100

00:06:20,950 --> 00:06:24,390

you

101
00:06:37,260 --> 00:06:26,879
see listen this is what these as we get

102
00:06:42,659 --> 00:06:37,270
from the FAA yeah 41 cigarette Cisco 41

103
00:06:48,300 --> 00:06:42,669
Cisco I was 56 86 spent a cup to Center

104
00:06:49,800 --> 00:06:48,310
one to five point four getting back and

105
00:06:51,300 --> 00:06:49,810
forth I listened to it a little bit I

106
00:06:53,070 --> 00:06:51,310
thought it marked it correctly but I

107
00:06:57,570 --> 00:06:53,080
guess it didn't the initial portion came

108
00:07:00,360 --> 00:06:57,580
from the in 71 PG the Learjet asking

109
00:07:01,200 --> 00:07:00,370
Albuquerque Center if traffic had passed

110
00:07:04,080 --> 00:07:01,210
over them

111
00:07:06,180 --> 00:07:04,090
the controller yeah the controller

112
00:07:08,879 --> 00:07:06,190
replied negative meaning that there was

113
00:07:11,279 --> 00:07:08,889

no traffic to his knowledge that would

114

00:07:14,400 --> 00:07:11,289

account for such an observation so the

115

00:07:19,020 --> 00:07:14,410

pilots were seen some the leadership

116

00:07:21,540 --> 00:07:19,030

pilot replies definitely something did

117

00:07:24,740 --> 00:07:21,550

fly over another pilot chimed in on the

118

00:07:28,710 --> 00:07:24,750

frequency saying UFO and the Learjet

119

00:07:31,980 --> 00:07:28,720

pilot replied yeah a few minutes later

120

00:07:33,719 --> 00:07:31,990

the controller asked American 1095 to

121

00:07:37,529 --> 00:07:33,729

let them know if they see anything else

122

00:07:40,200 --> 00:07:37,539

pass over in the next 15 miles the

123

00:07:42,719 --> 00:07:40,210

American Airlines pilot replies replied

124

00:07:45,360 --> 00:07:42,729

in a puzzled manner if anything passes

125

00:07:48,000 --> 00:07:45,370

over us the controller responds

126

00:07:51,659 --> 00:07:48,010

affirmative we have an aircraft in front

127

00:07:53,580 --> 00:07:51,669

of you at 37,000 feet that reports

128

00:07:55,350 --> 00:07:53,590

something passed over him and we didn't

129

00:07:56,760 --> 00:07:55,360

have anything on radar targets so just

130

00:07:59,219 --> 00:07:56,770

let me know if you see anything pass

131

00:08:02,189 --> 00:07:59,229

over you at this point things get even

132

00:08:04,409 --> 00:08:02,199

more interesting as the Lear jet pilot

133

00:08:08,219 --> 00:08:04,419

chimes in saying I don't know what it

134

00:08:10,620 --> 00:08:08,229

was it wasn't airplane but it was the

135

00:08:12,990 --> 00:08:10,630

path was going in the opposite direction

136

00:08:15,240 --> 00:08:13,000

a minute later the American Airlines

137

00:08:17,790 --> 00:08:15,250

pilot calls back saying yes something

138

00:08:20,310 --> 00:08:17,800

just passed over us like I don't know

139

00:08:22,170 --> 00:08:20,320

what it is or what it was but it was at

140

00:08:24,210 --> 00:08:22,180

least two to three thousand feet above

141

00:08:26,640 --> 00:08:24,220

us yeah it passed right over the top of

142

00:08:28,650 --> 00:08:26,650

us the controller calmly acknowledged

143

00:08:31,260 --> 00:08:28,660

the pilots report and said nothing else

144

00:08:31,770 --> 00:08:31,270

okay all right guys let's not talk about

145

00:08:40,370 --> 00:08:31,780

this

146

00:08:47,160 --> 00:08:43,889

shortly after the communication of pilot

147

00:08:52,710 --> 00:08:47,170

asked on a frequency was it a Google

148

00:08:54,720 --> 00:08:52,720

balloon to which so the response was

149

00:08:57,569 --> 00:08:54,730

doubtful another voice comes on the

150

00:08:59,100 --> 00:08:57,579

frequency and says a UFO so they're

151
00:09:03,930 --> 00:08:59,110
already there just openly saying yeah

152
00:09:05,910 --> 00:09:03,940
UFO UFO and someone tried to say you

153
00:09:07,680 --> 00:09:05,920
know try to play a little project

154
00:09:12,120 --> 00:09:07,690
Bluebook there and say Google balloon

155
00:09:14,340 --> 00:09:12,130
weather balloon project mogul and yeah

156
00:09:17,280 --> 00:09:14,350
this link is up there in the description

157
00:09:20,460 --> 00:09:17,290
it's a very thorough article about this

158
00:09:23,430 --> 00:09:20,470
sighting that happened and much more

159
00:09:25,970 --> 00:09:23,440
than their but obviously it through the

160
00:09:29,310 --> 00:09:25,980
article they try to examine different

161
00:09:31,470 --> 00:09:29,320
avenues of what could be but look if the

162
00:09:35,040 --> 00:09:31,480
pilots are saying UFO and the air

163
00:09:37,019 --> 00:09:35,050

traffic controller is seeing it or at

164

00:09:41,190 --> 00:09:37,029

least I guess by proxy they're not

165

00:09:45,230 --> 00:09:41,200

getting on radar then it's UFO course

166

00:09:48,810 --> 00:09:45,240

but down there down there in Arizona and

167

00:09:51,750 --> 00:09:48,820

aren't there a lot of Air Force bases

168

00:09:54,480 --> 00:09:51,760

don't they do a lot of testing down in

169

00:09:57,510 --> 00:09:54,490

the southwest out in the desert yeah

170

00:10:02,379 --> 00:09:59,460

so it's probably not beyond reason that

171

00:10:08,420 --> 00:10:05,369

some sort of secret military project

172

00:10:11,870 --> 00:10:08,430

secret military airplane

173

00:10:13,640 --> 00:10:11,880

why Annette 40,000 feet feet in I I

174

00:10:16,910 --> 00:10:13,650

would have to say this a bit careless

175

00:10:18,230 --> 00:10:16,920

wouldn't you I mean yeah if you were

176

00:10:20,240 --> 00:10:18,240

flying a test craft and you just flew

177

00:10:21,590 --> 00:10:20,250

her over another plane a civilian liner

178

00:10:23,500 --> 00:10:21,600

yeah it would be little careless let's

179

00:10:26,930 --> 00:10:23,510

go buzz the airport

180

00:10:28,730 --> 00:10:26,940

maybe they didn't freak some people up

181

00:10:31,280 --> 00:10:28,740

let's pull a Top Gun and Buzz the

182

00:10:33,710 --> 00:10:31,290

airport yes if the airlines were flying

183

00:10:36,890 --> 00:10:33,720

at 37,000 feet and they said this thing

184

00:10:41,120 --> 00:10:36,900

was at 40 that's it's pretty close I

185

00:10:43,130 --> 00:10:41,130

don't know I wouldn't be flying that

186

00:10:45,370 --> 00:10:43,140

close first of all I wouldn't be fine in

187

00:10:49,070 --> 00:10:45,380

general but you get my drift

188

00:10:53,480 --> 00:10:49,080

those are our first UFO story on that

189

00:10:56,120 --> 00:10:53,490

one another UFO story that I have up

190

00:10:59,540 --> 00:10:56,130

here is a UFO researchers released a

191

00:11:03,650 --> 00:10:59,550

video of a strange craft hovering in the

192

00:11:06,880 --> 00:11:03,660

night sky over North Carolina over North

193

00:11:09,440 --> 00:11:06,890

Carolina town video of yet another

194

00:11:13,430 --> 00:11:09,450

claimed UFO sighting over North Carolina

195

00:11:17,000 --> 00:11:13,440

has hit YouTube this time in Columbus a

196

00:11:19,190 --> 00:11:17,010

Polk County town 85 miles south of

197

00:11:22,100 --> 00:11:19,200

Charlotte the video shot a night

198

00:11:26,030 --> 00:11:22,110

features a hovering south of I guess

199

00:11:32,790 --> 00:11:28,740

Wester farallon's I'm sorry

200

00:11:34,710 --> 00:11:32,800

I didn't was that Wow you might know you

201
00:11:37,140 --> 00:11:34,720
must have cut out or something okay yeah

202
00:11:39,420 --> 00:11:37,150
that probably I'll play this video on

203
00:11:41,820 --> 00:11:39,430
screen right here there's not much to it

204
00:11:44,070 --> 00:11:41,830
because it's shot at night but Oh

205
00:11:47,100 --> 00:11:44,080
perfect I mean I know that's not exactly

206
00:11:48,930 --> 00:11:47,110
what we want but this is what we what we

207
00:11:51,870 --> 00:11:48,940
get I'll play some of the audio of it

208
00:12:00,630 --> 00:11:51,880
while you watching the video I love FAA

209
00:12:03,930 --> 00:12:00,640
dead air and crappy video quality seems

210
00:12:11,110 --> 00:12:03,940
to be dropping the camera sees better

211
00:12:34,329 --> 00:12:12,730
yeah I don't know exactly what we're

212
00:12:39,069 --> 00:12:34,339
looking at all I see is what looks to be

213
00:12:41,230 --> 00:12:39,079

a triangular shape aircraft I mean

214

00:12:44,230 --> 00:12:41,240

there's a total of six lights there's

215

00:12:47,470 --> 00:12:44,240

two up front and then to Don down either

216

00:12:49,780 --> 00:12:47,480

side it looks like a not like a

217

00:12:52,629 --> 00:12:49,790

perfectly right triangle but you know

218

00:12:56,829 --> 00:12:52,639

it's a obtuse in nature I suppose if I

219

00:12:58,900 --> 00:12:56,839

want to get geometrical about it and but

220

00:13:01,090 --> 00:12:58,910

it's hard to discern what it is I don't

221

00:13:04,480 --> 00:13:01,100

know if the UFO are the two dots in the

222

00:13:07,449 --> 00:13:04,490

middle and the and then the peripheral

223

00:13:09,610 --> 00:13:07,459

lights are something else I wish the guy

224

00:13:26,990 --> 00:13:09,620

would talk more and describe exactly

225

00:13:33,250 --> 00:13:29,130

darn

226

00:13:35,050 --> 00:13:33,260

nothing's happening here they says back

227

00:13:37,650 --> 00:13:35,060

to the article it says whatever it is it

228

00:13:41,110 --> 00:13:37,660

seems to be dropping although I saw no

229

00:13:42,610 --> 00:13:41,120

dropping motion at all he he zoomed away

230

00:13:45,640 --> 00:13:42,620

and you can see the moon you would you

231

00:13:47,110 --> 00:13:45,650

would expect to see some sort of visible

232

00:13:48,130 --> 00:13:47,120

dropping to the lights but I didn't see

233

00:13:52,870 --> 00:13:48,140

that because it is zooming in and out

234

00:13:54,220 --> 00:13:52,880

like some kind of maniac he said I'd

235

00:13:56,320 --> 00:13:54,230

like to know what those six lights are

236

00:13:58,690 --> 00:13:56,330

so he did confirm those six lights are

237

00:14:02,110 --> 00:13:58,700

part of one craft or those six lights

238

00:14:05,650 --> 00:14:02,120

are the UFO that that he was filming

239

00:14:11,890 --> 00:14:08,230

oh my god I just you know why can't we

240

00:14:13,950 --> 00:14:11,900

have night vision on every smartphone at

241

00:14:16,890 --> 00:14:13,960

this point

242

00:14:20,190 --> 00:14:16,900

isn't it cheap now or at least enhance

243

00:14:21,900 --> 00:14:20,200

lighting at some point uh yeah you think

244

00:14:26,310 --> 00:14:21,910

you mmm my vision would come down in

245

00:14:28,020 --> 00:14:26,320

price there's a market demand so like

246

00:14:32,100 --> 00:14:28,030

some kind of infrared because I remember

247

00:14:34,770 --> 00:14:32,110

back in the late 90s early 2000s the you

248

00:14:38,610 --> 00:14:34,780

had camcorders that had built-in

249

00:14:40,620 --> 00:14:38,620

infrared ability and it caused quite a

250

00:14:42,330 --> 00:14:40,630

controversy because it was that such a

251
00:14:45,600 --> 00:14:42,340
frequency that it could see through

252
00:14:49,740 --> 00:14:45,610
clothing and so walking down the street

253
00:14:53,550 --> 00:14:49,750
you could look at people's you know who

254
00:14:55,230 --> 00:14:53,560
has in wing ones and it created quite a

255
00:14:59,040 --> 00:14:55,240
stir on the news and I actually when I

256
00:15:00,660 --> 00:14:59,050
was in in school for uh for video we had

257
00:15:02,430 --> 00:15:00,670
some of that stuff and it was night

258
00:15:04,500 --> 00:15:02,440
there's good night vision and it shot at

259
00:15:06,120 --> 00:15:04,510
like an infrared beam and you could film

260
00:15:07,620 --> 00:15:06,130
in the dark looks like you can get

261
00:15:10,260 --> 00:15:07,630
something like a hundred bucks so yeah

262
00:15:11,910 --> 00:15:10,270
you could definitely get it a night do

263
00:15:13,800 --> 00:15:11,920

they have anything that's like that you

264

00:15:16,200 --> 00:15:13,810

can like clip on the the front of your

265

00:15:18,690 --> 00:15:16,210

phone because that would yeah these are

266

00:15:22,020 --> 00:15:18,700

all like binoculars and [\h__\h] okay well

267

00:15:23,940 --> 00:15:22,030

I'm trying here that's a product right

268

00:15:27,080 --> 00:15:23,950

there like night vision for your phone

269

00:15:28,740 --> 00:15:27,090

we should be able to do that

270

00:15:34,139 --> 00:15:28,750

[Music]

271

00:15:37,129 --> 00:15:34,149

I don't know I kind of disturbed that I

272

00:15:41,670 --> 00:15:37,139

mean that we're not we're not there yet

273

00:15:43,230 --> 00:15:41,680

yes I am so so very disturbed okay

274

00:15:45,210 --> 00:15:43,240

I just put the phone lines open if you

275

00:15:48,240 --> 00:15:45,220

guys want to give a call back in 6 1 438

276

00:15:52,889 --> 00:15:48,250

909 I have a couple more UFOs stories

277

00:15:57,329 --> 00:15:52,899

that we are going to get to what is the

278

00:16:02,910 --> 00:15:57,339

next one I have here oh yes town wants

279

00:16:06,920 --> 00:16:02,920

UFO memorial moved witnesses object to

280

00:16:11,429 --> 00:16:06,930

this ok or a witness subject's in

281

00:16:14,970 --> 00:16:11,439

Sheffield Massachusetts long term using

282

00:16:17,610 --> 00:16:14,980

was that mere you I think it was me when

283

00:16:19,439 --> 00:16:17,620

I had to close a tab a memorial in a

284

00:16:22,619 --> 00:16:19,449

remote corner of Massachusetts that

285

00:16:25,350 --> 00:16:22,629

marks the 1969 UFO sighting has been

286

00:16:26,670 --> 00:16:25,360

ordered moved but one man who

287

00:16:30,720 --> 00:16:26,680

experienced a close encounter is

288

00:16:34,259 --> 00:16:30,730

objecting the 5,000 pound Memorial in

289

00:16:37,170 --> 00:16:34,269

Sheffield was installed in 2015 but was

290

00:16:39,329 --> 00:16:37,180

moved about 30 feet a few weeks later

291

00:16:43,079 --> 00:16:39,339

when it was discovered it was on Town

292

00:16:47,460 --> 00:16:43,089

land now Town Administrator Rhonda la

293

00:16:49,379 --> 00:16:47,470

bombard tells the Berkshire Eagle it has

294

00:16:52,230 --> 00:16:49,389

been moved again because it's in it's

295

00:16:53,759 --> 00:16:52,240

because it's on a town right-of-way

296

00:16:55,410 --> 00:16:53,769

easement

297

00:16:57,749 --> 00:16:55,420

well these town people really don't want

298

00:17:00,329 --> 00:16:57,759

to honor this UFO sighting not at all

299

00:17:03,540 --> 00:17:00,339

Lonnie's leave it on Town property like

300

00:17:04,559 --> 00:17:03,550

whose property was it on and then I

301
00:17:15,829 --> 00:17:04,569
ordered a move

302
00:17:22,799 --> 00:17:20,520
yeah quite a few some FAA reports some

303
00:17:25,319 --> 00:17:22,809
some dollars there over that FAA decide

304
00:17:28,980 --> 00:17:25,329
to release some some video or at least

305
00:17:32,220 --> 00:17:28,990
have some audio of it and yeah there's

306
00:17:34,169 --> 00:17:32,230
some UFO news going on big time oh I

307
00:17:34,799 --> 00:17:34,179
mean I think all these guys are [h__h]

308
00:17:37,049 --> 00:17:34,809
crazy

309
00:17:40,220 --> 00:17:37,059
it's oh it's all now to just send up

310
00:17:42,300 --> 00:17:40,230
space but it's gotta be you tease what

311
00:17:44,640 --> 00:17:42,310
it's now for just sending up

312
00:17:50,570 --> 00:17:44,650
all that space nut it could be could be

313
00:17:59,970 --> 00:17:56,520

spaces yes astronaut come it's all fun

314

00:18:01,610 --> 00:17:59,980

stuff I would hope that NASA if they

315

00:18:07,530 --> 00:18:01,620

were testing something wouldn't fly

316

00:18:11,040 --> 00:18:07,540

40,000 feet 3,000 feet over the heads of

317

00:18:13,890 --> 00:18:11,050

other aircraft in on the same path as

318

00:18:17,670 --> 00:18:13,900

other airlines that seems ridiculous and

319

00:18:21,270 --> 00:18:17,680

very hazardous it's just to show a force

320

00:18:24,480 --> 00:18:21,280

at this point yes lower your prices or

321

00:18:26,310 --> 00:18:24,490

stop charging us for luggage we're

322

00:18:28,140 --> 00:18:26,320

sending up space not we got to show

323

00:18:31,770 --> 00:18:28,150

other countries what we're doing here I

324

00:18:34,170 --> 00:18:31,780

mean well I can't afford it could be a

325

00:18:36,540 --> 00:18:34,180

show for us but then an intern wouldn't

326

00:18:39,530 --> 00:18:36,550

maybe I'm just not good in because I

327

00:18:41,910 --> 00:18:39,540

don't look at Russia news but is Russia

328

00:18:44,850 --> 00:18:41,920

experiencing the same amount of UFO

329

00:18:47,070 --> 00:18:44,860

sightings and does Russia's version of

330

00:18:49,410 --> 00:18:47,080

the FAA released this kind of stuff or

331

00:18:50,730 --> 00:18:49,420

they must more close lip about it I'm

332

00:18:53,550 --> 00:18:50,740

kind of curious about that another

333

00:18:55,050 --> 00:18:53,560

sightings in China and it seems as

334

00:18:56,460 --> 00:18:55,060

though China's a little bit more open

335

00:18:59,000 --> 00:18:56,470

about it maybe they'll have to do that

336

00:19:01,320 --> 00:18:59,010

on next week's night talk I don't know I

337

00:19:05,660 --> 00:19:01,330

heard I think I heard about something

338

00:19:08,640 --> 00:19:05,670

Russia putting out on their UFO

339

00:19:10,290 --> 00:19:08,650

information or something like that it

340

00:19:10,560 --> 00:19:10,300

was a while ago I heard it but I can't

341

00:19:14,010 --> 00:19:10,570

really

342

00:19:18,810 --> 00:19:14,020

yeah the any further on that when the

343

00:19:20,130 --> 00:19:18,820

USSR fell or supposedly fell there was a

344

00:19:23,760 --> 00:19:20,140

great rush to get some of these

345

00:19:26,280 --> 00:19:23,770

documents whatever UFO investigations

346

00:19:29,670 --> 00:19:26,290

they they did they in some video was

347

00:19:33,720 --> 00:19:29,680

released from some some MIG cockpits

348

00:19:36,270 --> 00:19:33,730

that that looked pretty convincing and I

349

00:19:37,470 --> 00:19:36,280

yeah they're around and they're on the

350

00:19:39,600 --> 00:19:37,480

internet they're on the YouTube right

351

00:19:40,890 --> 00:19:39,610

now if you want to check it out but as

352

00:19:43,550 --> 00:19:40,900

of late I don't know I don't know if

353

00:19:47,970 --> 00:19:43,560

Putin I don't know if Putin's UFOs are

354

00:19:50,010 --> 00:19:47,980

are out there as well out there as in

355

00:19:55,060 --> 00:19:50,020

open as ours are so I don't know I'd

356

00:19:58,690 --> 00:19:56,380

yeah I haven't heard anything from

357

00:20:00,760 --> 00:19:58,700

Russia but you know maybe that's it

358

00:20:03,610 --> 00:20:00,770

they're sending their space not over to

359

00:20:04,930 --> 00:20:03,620

us to show us that there's stuff at well

360

00:20:08,940 --> 00:20:04,940

that's just not nice to them we got

361

00:20:11,830 --> 00:20:08,950

enough of our own jizz over here quality

362

00:20:16,450 --> 00:20:11,840

made in America buddy been there yeah oh

363

00:20:25,090 --> 00:20:16,460

thank you anything else no you guys have

364

00:20:27,669 --> 00:20:25,100

a good night do you think Russia wants

365

00:20:31,240 --> 00:20:27,679

us see we won't brush it to worship my

366

00:20:35,350 --> 00:20:31,250

comments it's possible and Donald

367

00:20:39,730 --> 00:20:35,360

probably does at this point I is if

368

00:20:45,909 --> 00:20:39,740

these are the super-secret space program

369

00:20:47,350 --> 00:20:45,919

or super-secret test vehicles I don't

370

00:20:47,830 --> 00:20:47,360

know it's time to show them at this

371

00:20:49,870 --> 00:20:47,840

point

372

00:20:52,930 --> 00:20:49,880

don't ya do you want to show them at

373

00:20:54,580 --> 00:20:52,940

this point where we're gonna get into a

374

00:20:56,260 --> 00:20:54,590

little scuffle there in the Middle East

375

00:20:59,590 --> 00:20:56,270

and Syria and don't don't you want to

376

00:21:02,650 --> 00:20:59,600

say look by the way we have a fleet of

377

00:21:04,840 --> 00:21:02,660

UFOs that can destroy anything that you

378

00:21:07,830 --> 00:21:04,850

have up there so [h__h] your supersonic

379

00:21:10,270 --> 00:21:07,840

missiles [h__h] everything you got we got

380

00:21:12,760 --> 00:21:10,280

great technology we got gray alien

381

00:21:15,970 --> 00:21:12,770

technology you're just not gonna not

382

00:21:17,919 --> 00:21:15,980

justify this you know I gotta guess not

383

00:21:21,299 --> 00:21:17,929

I guess that's what I would do if I was

384

00:21:23,560 --> 00:21:21,309

playing ex-con UFO defense but

385

00:21:27,430 --> 00:21:23,570

unfortunately unfortunately

386

00:21:31,240 --> 00:21:27,440

unfortunately no so here's another

387

00:21:33,490 --> 00:21:31,250

little thing I have here this is this is

388

00:21:36,010 --> 00:21:33,500

not any use the art of and debunk UFO

389

00:21:40,780 --> 00:21:36,020

fans spotting 900-foot spaceship the

390

00:21:43,810 --> 00:21:40,790

size of the shard next to space station

391

00:21:47,980 --> 00:21:43,820

and I looked at this it looks like a

392

00:21:50,230 --> 00:21:47,990

reflection but you know this thing moves

393

00:21:52,750 --> 00:21:50,240

with the camera anytime you see a UFO

394

00:21:54,880 --> 00:21:52,760

that moves with the camera it's just

395

00:21:56,289 --> 00:21:54,890

it's it's I mean I'll play it it's

396

00:21:59,470 --> 00:21:56,299

there's no I'm not gonna play any audio

397

00:22:03,720 --> 00:21:59,480

okay but this is the UFO starts blinking

398

00:22:08,010 --> 00:22:03,730

lights near ISS this comes from 4:14

399

00:22:10,590 --> 00:22:08,020

2018 and you'll see it like blink on

400

00:22:15,900 --> 00:22:10,600

I think on the right hand side and it

401
00:22:21,450 --> 00:22:19,230
and it's like I I appreciate people

402
00:22:22,890 --> 00:22:21,460
looking for this stuff but anytime you

403
00:22:25,410 --> 00:22:22,900
have a UFO move with the cameras

404
00:22:29,020 --> 00:22:25,420
probably just reflection in the lens we

405
00:22:35,200 --> 00:22:32,290
it appears to be one of those top-secret

406
00:22:37,120 --> 00:22:35,210
government ships such as a craft that

407
00:22:37,810 --> 00:22:37,130
has the capability of flying from Earth

408
00:22:40,000 --> 00:22:37,820
to the Moon

409
00:22:46,290 --> 00:22:40,010
under a minute it's not light speed but

410
00:22:49,920 --> 00:22:46,300
it's fast who's saying this I'm fine

411
00:22:53,430 --> 00:22:49,930
record for saying it's the tr-3b UFO

412
00:22:56,080 --> 00:22:53,440
there seems the tr-3b and you can see

413
00:22:59,410 --> 00:22:56,090

there's some blinking lights on right

414

00:23:03,400 --> 00:22:59,420

there okay he just showed up I have my

415

00:23:10,030 --> 00:23:06,310

and it is triangular in nature I'll give

416

00:23:12,850 --> 00:23:10,040

it that but it is it is pacing instead

417

00:23:16,360 --> 00:23:12,860

it's going to the same pace as the space

418

00:23:20,710 --> 00:23:16,370

station like it's in complete

419

00:23:25,170 --> 00:23:20,720

equilibrium with its velocity and then

420

00:23:31,400 --> 00:23:27,680

well some people say it's the tr-3b UFO

421

00:23:33,750 --> 00:23:31,410

or here are three B is a UFO technology

422

00:23:35,940 --> 00:23:33,760

but as the government secret space

423

00:23:37,320 --> 00:23:35,950

program ship others are a little bit

424

00:23:38,760 --> 00:23:37,330

more skeptical saying that such

425

00:23:40,980 --> 00:23:38,770

sightings actually happen with

426

00:23:43,980 --> 00:23:40,990

surprising regularity and NASA has

427

00:23:46,920 --> 00:23:43,990

repeatedly said they're just distortions

428

00:23:50,190 --> 00:23:46,930

in the Liz in the lens not alien craft

429

00:23:53,730 --> 00:23:50,200

parking next to the ISS in this video

430

00:23:57,660 --> 00:23:53,740

I'm inclined to go with NASA there's

431

00:23:59,280 --> 00:23:57,670

other space video out there other Space

432

00:24:01,290 --> 00:23:59,290

Station video out there them that I

433

00:24:05,780 --> 00:24:01,300

always say is much more intriguing than

434

00:24:08,850 --> 00:24:05,790

this but keep looking keep a look in and

435

00:24:12,930 --> 00:24:08,860

I do have another story here mysterious

436

00:24:14,970 --> 00:24:12,940

booms across the u.s. part these again

437

00:24:18,720 --> 00:24:14,980

yeah and there's actual audio of this

438

00:24:22,860 --> 00:24:18,730

and actually the report is done by none

439

00:24:24,000 --> 00:24:22,870

other than secure team ten I have this

440

00:24:26,490 --> 00:24:24,010

it's only about a minute

441

00:24:29,610 --> 00:24:26,500

I'm sure Tyler of secure team ten who's

442

00:24:32,190 --> 00:24:29,620

got a YouTube channel probably won't

443

00:24:33,659 --> 00:24:32,200

mind too much

444

00:24:36,720 --> 00:24:33,669

but there's there's audio of the boom

445

00:24:38,039 --> 00:24:36,730

and the boom well I'll play it for you

446

00:24:42,360 --> 00:24:38,049

and you let me know what you think it

447

00:24:45,539 --> 00:24:42,370

sounds like because we've heard of this

448

00:24:48,510 --> 00:24:45,549

we've heard these booms stories what for

449

00:24:53,549 --> 00:24:50,549

or more you've been covering since

450

00:24:56,390 --> 00:24:53,559

layout of 2011-12 yeah these booms

451
00:24:57,710 --> 00:24:56,400
happen all the [h__\h] time

452
00:25:01,580 --> 00:24:57,720
I but I've never heard one until now

453
00:25:11,010 --> 00:25:01,590
I'll play this one from security intent

454
00:25:16,930 --> 00:25:13,980
[Music]

455
00:25:19,629 --> 00:25:16,940
alright so again happen in Cleveland

456
00:25:22,779 --> 00:25:19,639
another bright flash in the sky followed

457
00:25:25,359 --> 00:25:22,789
by a window shattering boom with reports

458
00:25:26,950 --> 00:25:25,369
of people feeling the aftershock of this

459
00:25:29,159 --> 00:25:26,960
thing rumbling underneath their

460
00:25:31,350 --> 00:25:29,169
floorboards there is some sort of

461
00:25:35,169 --> 00:25:31,360
super-secret underground construction

462
00:25:37,899 --> 00:25:35,179
happening virtually from east to west

463
00:25:40,570 --> 00:25:37,909

underneath the continental US and I'm

464

00:25:43,269 --> 00:25:40,580

talking about some possible railway

465

00:25:45,399 --> 00:25:43,279

system or tunneling system that has been

466

00:25:49,060 --> 00:25:45,409

built and has been in the process of

467

00:25:51,669 --> 00:25:49,070

being built for over 50 years now now if

468

00:25:55,060 --> 00:25:51,679

you remember some years back a secretive

469

00:25:58,600 --> 00:25:55,070

map was leaked online that depicted an

470

00:26:00,700 --> 00:25:58,610

area on the west coast where a number of

471

00:26:03,399 --> 00:26:00,710

these underground tunneling systems were

472

00:26:06,399 --> 00:26:03,409

being built in secret and you're seeing

473

00:26:09,070 --> 00:26:06,409

that map here now it said that these

474

00:26:11,259 --> 00:26:09,080

tunneling systems and the circled areas

475

00:26:14,859 --> 00:26:11,269

that they are linking to our various

476
00:26:16,659 --> 00:26:14,869
deep underground secretive bases we're

477
00:26:19,960 --> 00:26:16,669
suffice it to say some heavily

478
00:26:21,609 --> 00:26:19,970
classified stuff is going on okay well

479
00:26:24,310 --> 00:26:21,619
that's what Tyler saying I don't deny

480
00:26:26,980 --> 00:26:24,320
that there is a there's a secret

481
00:26:28,869 --> 00:26:26,990
military bases whether or not these

482
00:26:32,080 --> 00:26:28,879
booms are connected to it as a whole

483
00:26:35,919 --> 00:26:32,090
another matter I'm inclined to believe

484
00:26:38,889 --> 00:26:35,929
that their sonic booms from aircraft but

485
00:26:42,549 --> 00:26:38,899
that will we heard on there getting a

486
00:26:47,830 --> 00:26:42,559
flash with a boom that could be blasting

487
00:26:50,100 --> 00:26:47,840
sure I can go with that the bizarre new

488
00:26:54,909 --> 00:26:50,110

footage has emerged from Cleveland Ohio

489

00:26:56,019 --> 00:26:54,919

as shown by the CCT CCTV recording of

490

00:26:57,909 --> 00:26:56,029

one of these mysterious occurrences

491

00:27:00,580 --> 00:26:57,919

residents say they have become

492

00:27:03,129 --> 00:27:00,590

accustomed to these activities but this

493

00:27:06,580 --> 00:27:03,139

one left many scared as pieces of their

494

00:27:09,159 --> 00:27:06,590

home started breaking homeowners say

495

00:27:11,739 --> 00:27:09,169

that noises came from below the surface

496

00:27:13,749 --> 00:27:11,749

of the floorboards shaking but no

497

00:27:16,570 --> 00:27:13,759

earthquake or natural occurrences were

498

00:27:18,509 --> 00:27:16,580

reported at the time so okay they're

499

00:27:19,640 --> 00:27:18,519

feeling tremors or something like that

500

00:27:21,440 --> 00:27:19,650

now

501
00:27:23,210 --> 00:27:21,450
the event has gotten conspiracy

502
00:27:25,570 --> 00:27:23,220
theorists speculating whether there is a

503
00:27:28,910 --> 00:27:25,580
secret government program running

504
00:27:31,340 --> 00:27:28,920
underground okay I'm with you there in

505
00:27:34,100 --> 00:27:31,350
Cleveland what's going on a Cleveland

506
00:27:36,530 --> 00:27:34,110
James Cruz who has been on the show and

507
00:27:38,660 --> 00:27:36,540
is in the slack and has a charisma stick

508
00:27:40,670 --> 00:27:38,670
podcast he's in Cleveland hey James you

509
00:27:45,440 --> 00:27:40,680
tell me did you experience any booms or

510
00:27:49,150 --> 00:27:45,450
bangs yeah I don't he's here no no well

511
00:27:52,400 --> 00:27:49,160
maybe he would listen later you know

512
00:27:55,160 --> 00:27:52,410
some have even linked the idea to the

513
00:27:57,170 --> 00:27:55,170

2005 hit movie War of the Worlds where

514

00:27:58,340 --> 00:27:57,180

an invasion strikes after aliens have

515

00:28:00,920 --> 00:27:58,350

been preparing underground

516

00:28:04,190 --> 00:28:00,930

for hundreds of years the theory goes on

517

00:28:07,400 --> 00:28:04,200

to document that these isms were first

518

00:28:10,870 --> 00:28:07,410

reported in the west of the country now

519

00:28:13,970 --> 00:28:10,880

spread it to the east we exact I

520

00:28:16,610 --> 00:28:13,980

remember I think back in 2012-2013 I

521

00:28:17,660 --> 00:28:16,620

actually played a but there was a noise

522

00:28:20,720 --> 00:28:17,670

a blast

523

00:28:23,960 --> 00:28:20,730

that that happened during a major league

524

00:28:27,020 --> 00:28:23,970

baseball game and it was so it was

525

00:28:28,760 --> 00:28:27,030

captured on broadcast television and I

526

00:28:32,180 --> 00:28:28,770

think at that time we were speculating

527

00:28:34,430 --> 00:28:32,190

that it was underground bases that they

528

00:28:37,760 --> 00:28:34,440

were blasting and they're reportedly

529

00:28:39,770 --> 00:28:37,770

that's popular yes yeah I think in 2012

530

00:28:43,210 --> 00:28:39,780

there's also speculation they were

531

00:28:45,590 --> 00:28:43,220

building stuff underneath of DC as well

532

00:28:46,940 --> 00:28:45,600

they were redoing some stuff so I have

533

00:28:49,370 --> 00:28:46,950

no doubt they're doing that whether or

534

00:28:51,130 --> 00:28:49,380

not this if specific booms related to

535

00:28:54,830 --> 00:28:51,140

that I don't know

536

00:28:57,530 --> 00:28:54,840

I'm gonna read on though they first were

537

00:28:59,600 --> 00:28:57,540

recorded in Arizona and has since also

538

00:29:04,150 --> 00:28:59,610

been captured in Texas Alabama Georgia

539

00:29:11,200 --> 00:29:04,160

and Rhode Island we got a caller here a

540

00:29:14,810 --> 00:29:11,210

caller go hey hey hey what's going on

541

00:29:17,150 --> 00:29:14,820

hey what's up Mitchell Mitchell I got a

542

00:29:20,390 --> 00:29:17,160

I just thought of a weird conspiracy on

543

00:29:23,030 --> 00:29:20,400

see how you like it okay so for what

544

00:29:25,580 --> 00:29:23,040

what if the aliens are actually people

545

00:29:26,750 --> 00:29:25,590

from the future coming back to just you

546

00:29:29,750 --> 00:29:26,760

know see what's going on on our timeline

547

00:29:31,730 --> 00:29:29,760

and that the text like those ships are

548

00:29:33,409 --> 00:29:31,740

actually just advanced technology that

549

00:29:35,899 --> 00:29:33,419

we created in the future

550

00:29:38,180 --> 00:29:35,909

that's a buck we are the aliens like

551
00:29:40,310 --> 00:29:38,190
from the timeline you know farther heads

552
00:29:41,569 --> 00:29:40,320
and they just come back to see how

553
00:29:43,579 --> 00:29:41,579
things are but obviously they're not

554
00:29:46,159 --> 00:29:43,589
doing too good of a job hiding when they

555
00:29:48,619 --> 00:29:46,169
should well if you look at the the

556
00:29:51,769 --> 00:29:48,629
Rendlesham forest incident that happened

557
00:29:53,239 --> 00:29:51,779
back in I believe the mid-80s that these

558
00:29:55,819 --> 00:29:53,249
structures were on a base they went to

559
00:30:01,249 --> 00:29:55,829
investigate a light in the forest one of

560
00:30:04,299 --> 00:30:01,259
the the soldiers was I believe came in

561
00:30:08,149 --> 00:30:04,309
contact with this this craft and he had

562
00:30:11,479 --> 00:30:08,159
binary code downloaded into his brain

563
00:30:13,879 --> 00:30:11,489

from his craft and you can go online and

564

00:30:16,729 --> 00:30:13,889

someone I keep like wrote it down

565

00:30:22,219 --> 00:30:16,739

through hypnotic regression and it did

566

00:30:25,159 --> 00:30:22,229

state that that craft according to what

567

00:30:27,859 --> 00:30:25,169

I read it's it's from the Year like 6000

568

00:30:30,619 --> 00:30:27,869

like in what we saw to be from the Year

569

00:30:33,499 --> 00:30:30,629

six now and basically it was it was an

570

00:30:35,209 --> 00:30:33,509

unmanned probe that was sent back now I

571

00:30:37,039 --> 00:30:35,219

don't know why I mean I think your

572

00:30:39,409 --> 00:30:37,049

theories just as valid as any any other

573

00:30:40,519 --> 00:30:39,419

of these aliens come from Planet bleep

574

00:30:42,739 --> 00:30:40,529

loop

575

00:30:44,180 --> 00:30:42,749

but it's aren't would they be concerned

576

00:30:45,799 --> 00:30:44,190

that they'd be disrupting the timeline

577

00:30:48,589 --> 00:30:45,809

or maybe that's their goal to disrupt

578

00:30:51,289 --> 00:30:48,599

the timeline so they have to come back

579

00:30:52,819 --> 00:30:51,299

here [h__\h] with us in order to evolve or

580

00:30:54,049 --> 00:30:52,829

maybe they [h__\h] up their timeline so

581

00:30:56,749 --> 00:30:54,059

bad they're coming back here to repair

582

00:30:58,159 --> 00:30:56,759

it yeah maybe they are aware of the

583

00:31:00,649 --> 00:30:58,169

butterfly sick and they've got

584

00:31:02,839 --> 00:31:00,659

calculated down to okay I need to come

585

00:31:04,430 --> 00:31:02,849

back show Mike my butt and somehow that

586

00:31:10,039 --> 00:31:04,440

saves the world in the year 6,000

587

00:31:12,680 --> 00:31:10,049

somehow so now by me by me observing an

588

00:31:15,549 --> 00:31:12,690

alien but that will set forth a chain of

589

00:31:18,769 --> 00:31:15,559

events that can change mankind forever

590

00:31:21,829 --> 00:31:18,779

that's it sounds like a great movie the

591

00:31:24,440 --> 00:31:21,839

but watch so we can't prove that

592

00:31:26,649 --> 00:31:24,450

actually another race I wonder like said

593

00:31:29,119 --> 00:31:26,659

made me think it's just humans

594

00:31:31,310 --> 00:31:29,129

maybe screw enough maybe sighs doing

595

00:31:33,879 --> 00:31:31,320

some timeline stuff or dimension stuff

596

00:31:36,019 --> 00:31:33,889

that unfortunately is no other life that

597

00:31:37,849 --> 00:31:36,029

we humans keep screwing up with

598

00:31:40,129 --> 00:31:37,859

ourselves I think it's definitely

599

00:31:41,509 --> 00:31:40,139

possible like we're already there

600

00:31:44,499 --> 00:31:41,519

already talking about genetically

601
00:31:47,360 --> 00:31:44,509
modifying ourselves or humans becoming

602
00:31:49,670 --> 00:31:47,370
cyborgs like in the very near

603
00:31:52,670 --> 00:31:49,680
future because he humans tinkering with

604
00:31:55,030 --> 00:31:52,680
her DNA and just totally transforming

605
00:31:57,200 --> 00:31:55,040
themselves beyond belief almost like

606
00:31:58,910 --> 00:31:57,210
like what you see with class of surgery

607
00:32:00,320 --> 00:31:58,920
that the what they did back in the 80s

608
00:32:02,990 --> 00:32:00,330
like the whole that [h__h] looks awful now

609
00:32:06,410 --> 00:32:03,000
right and so maybe you know these people

610
00:32:08,240 --> 00:32:06,420
maybe 100 now would mr. Abedini and that

611
00:32:10,310 --> 00:32:08,250
would transform him that they just holy

612
00:32:11,900 --> 00:32:10,320
look alien and like oh my god what we

613
00:32:15,049 --> 00:32:11,910

done to ourselves we [\h__\h] ourselves up

614

00:32:17,930 --> 00:32:15,059

let's go back in time and tell Mike

615

00:32:19,880 --> 00:32:17,940

about this but somebody to an awesome

616

00:32:23,150 --> 00:32:19,890

job transformed themselves into Bigfoot

617

00:32:24,860 --> 00:32:23,160

and that's a little other story yeah

618

00:32:27,590 --> 00:32:24,870

that's a whole nother story

619

00:32:28,970 --> 00:32:27,600

I think those times out here about yeah

620

00:32:32,000 --> 00:32:28,980

I just kind of thought maybe that would

621

00:32:33,740 --> 00:32:32,010

it be an interesting thought of uh well

622

00:32:35,990 --> 00:32:33,750

we are a quote-unquote the aliens just

623

00:32:44,740 --> 00:32:36,000

but from the future I like it I like it

624

00:32:48,820 --> 00:32:45,780

easier

625

00:32:52,220 --> 00:32:48,830

[Applause]

626

00:32:54,259 --> 00:32:52,230

yeah the mi the first broadcast from my

627

00:32:56,389 --> 00:32:54,269

new my new place my new apartment

628

00:32:59,029 --> 00:32:56,399

oh yeah yeah yeah you uh you're on your

629

00:33:03,669 --> 00:32:59,039

your bunker apartment right yeah I've

630

00:33:05,720 --> 00:33:03,679

got a I'm in the bunker now yeah the

631

00:33:07,759 --> 00:33:05,730

tables have turned now you're in the

632

00:33:13,340 --> 00:33:07,769

bunker and I am on the second floor ah

633

00:33:17,869 --> 00:33:13,350

ha ha ha I do like the alien from the

634

00:33:20,149 --> 00:33:17,879

future theory although I guess if I

635

00:33:22,129 --> 00:33:20,159

don't know like yeah because if you only

636

00:33:23,720 --> 00:33:22,139

have one timeline you'd imagine they

637

00:33:26,299 --> 00:33:23,730

wouldn't want to come back and [h__\h] up

638

00:33:28,580 --> 00:33:26,309

their timeline but if they're if we live

639

00:33:31,249 --> 00:33:28,590

in multiple different universes and we

640

00:33:33,200 --> 00:33:31,259

look in a multiverse maybe they are from

641

00:33:35,239 --> 00:33:33,210

a future of a parallel universe and so

642

00:33:36,710 --> 00:33:35,249

they don't really care and they come

643

00:33:38,690 --> 00:33:36,720

back and [h__h] up our timeline because

644

00:33:40,729 --> 00:33:38,700

it's not affecting theirs I guess that's

645

00:33:42,950 --> 00:33:40,739

the only way that would really work in a

646

00:33:45,860 --> 00:33:42,960

movie scenario with Inc in considering

647

00:33:48,440 --> 00:33:45,870

all the physics that we know right now

648

00:33:51,919 --> 00:33:48,450

so I guess you could jump back in time

649

00:33:55,659 --> 00:33:51,929

and like Marty McFly did and go beat up

650

00:33:59,450 --> 00:33:55,669

your father that's what he wanted yes

651
00:34:01,010 --> 00:33:59,460
Marty McFly just detested his father he

652
00:34:02,510 --> 00:34:01,020
wouldn't beat him up in high school and

653
00:34:07,130 --> 00:34:02,520
knocked up his mom yeah that's what he

654
00:34:08,740 --> 00:34:07,140
wanted he's a sick freak you know I care

655
00:34:12,829 --> 00:34:08,750
about rock and roll and drinking beer

656
00:34:19,780 --> 00:34:12,839
Marty McFly all right I got a few more

657
00:34:23,540 --> 00:34:19,790
things here that's gonna wrap up our UFO

658
00:34:27,500 --> 00:34:23,550
news so to speak but I do have a clipper

659
00:34:29,839 --> 00:34:27,510
to okay and these are audio clips from

660
00:34:32,210 --> 00:34:29,849
the George Noory show beyond belief

661
00:34:36,619 --> 00:34:32,220
that's on Gaia TV but I've been watching

662
00:34:38,899 --> 00:34:36,629
and he had major Eddie Danes on a remote

663
00:34:43,730 --> 00:34:38,909

viewer he helped run the CIA remote

664

00:34:45,260 --> 00:34:43,740

viewing program and George Diller asked

665

00:34:48,050 --> 00:34:45,270

him about remote viewing and remote

666

00:34:52,820 --> 00:34:48,060

viewing the dark side of the mountain

667

00:34:55,550 --> 00:34:52,830

and he had this question for ED Danes

668

00:35:00,560 --> 00:34:55,560

the late Ingo Swann in his book

669

00:35:02,660 --> 00:35:00,570

penetration remotely the far side that I

670

00:35:08,150 --> 00:35:02,670

know you laugh at the word penetration

671

00:35:10,640 --> 00:35:08,160

that's fine let's get you this the late

672

00:35:14,960 --> 00:35:10,650

Ingo Swann in his book penetration

673

00:35:14,970 --> 00:35:18,490

he saw structures

674

00:35:24,250 --> 00:35:21,550

very strange things he was pretty

675

00:35:26,020 --> 00:35:24,260

accurate what do you think of that I

676

00:35:28,060 --> 00:35:26,030

would have to think we've looked at it

677

00:35:30,010 --> 00:35:28,070

ourselves to my favorite what there's a

678

00:35:32,880 --> 00:35:30,020

lot of ancient status a honeymoon and

679

00:35:35,350 --> 00:35:32,890

these were mining operations by androids

680

00:35:37,300 --> 00:35:35,360

I'm half a million a million years ago

681

00:35:39,040 --> 00:35:37,310

they're good and the androids are gone

682

00:35:40,240 --> 00:35:39,050

the mining has stopped it on the back of

683

00:35:42,640 --> 00:35:40,250

the moon there's something that's

684

00:35:45,100 --> 00:35:42,650

working we call a layer cake it's

685

00:35:47,080 --> 00:35:45,110

sitting in the crater exposed on the

686

00:35:48,760 --> 00:35:47,090

Dark Side of the Moon its layer cake

687

00:35:51,820 --> 00:35:48,770

because it's got light and dark layers

688

00:35:53,860 --> 00:35:51,830

and and it's rectilinear structure a

689

00:35:56,140 --> 00:35:53,870

machine it's doing something and we

690

00:35:59,400 --> 00:35:56,150

can't fathom whether it's doing its

691

00:36:03,190 --> 00:35:59,410

operating we'll put it there don't know

692

00:36:04,990 --> 00:36:03,200

so he said the androids were part of a

693

00:36:05,980 --> 00:36:05,000

mining operation on the darks of the

694

00:36:08,650 --> 00:36:05,990

moon and right there up on screen

695

00:36:11,050 --> 00:36:08,660

actually brought up an image from the

696

00:36:18,580 --> 00:36:11,060

moon and it appears to be some sort of

697

00:36:21,550 --> 00:36:18,590

skull or head and it's curious it could

698

00:36:22,720 --> 00:36:21,560

be just a rock but you take a look at it

699

00:36:27,280 --> 00:36:22,730

it's definitely a shape of a head almost

700

00:36:29,110 --> 00:36:27,290

looks like got two eyes two eye sockets

701

00:36:32,530 --> 00:36:29,120

it's got a bridge for a nose and then

702

00:36:36,640 --> 00:36:32,540

almost like a gas gas mask like feature

703

00:36:40,110 --> 00:36:36,650

where the mouth would be so ed Dame's

704

00:36:42,640 --> 00:36:40,120

right there said there was a an Android

705

00:36:43,660 --> 00:36:42,650

mining operation on the moon millions of

706

00:36:46,060 --> 00:36:43,670

years old and there's some kind of

707

00:36:49,090 --> 00:36:46,070

device going on doing something that

708

00:36:53,319 --> 00:36:49,100

they they just don't know there's a lot

709

00:36:56,829 --> 00:36:54,699

there's a there's a whole channel

710

00:36:58,900 --> 00:36:56,839

dedicated to anomalies and moon crow

711

00:37:00,609 --> 00:36:58,910

truck crow triple7 who has a podcast I

712

00:37:04,299 --> 00:37:00,619

don't think he uploads his his moon

713

00:37:07,120 --> 00:37:04,309

footage to YouTube anymore but him and a

714

00:37:10,809 --> 00:37:07,130

lot of other sky watchers have have

715

00:37:14,469 --> 00:37:10,819

caught quite a few anomalies traversing

716

00:37:16,479 --> 00:37:14,479

the moon going around the moon and just

717

00:37:17,709 --> 00:37:16,489

leaving the moon this curious stop

718

00:37:20,559 --> 00:37:17,719

there's something going on with the moon

719

00:37:22,150 --> 00:37:20,569

and there's plenty of video proof to at

720

00:37:23,769 --> 00:37:22,160

least get people pause say oh god what

721

00:37:26,140 --> 00:37:23,779

the [h__\h] going on up there because

722

00:37:31,479 --> 00:37:26,150

it's not a lot of stuff it would be way

723

00:37:33,579 --> 00:37:31,489

too big to be the the the space station

724

00:37:37,089 --> 00:37:33,589

I mean in the space station is not gonna

725

00:37:37,900 --> 00:37:37,099

cast a shadow on the moon no that

726

00:37:41,319 --> 00:37:37,910

doesn't make sense

727

00:37:44,979 --> 00:37:41,329

no so you didn't have this all this

728

00:37:49,620 --> 00:37:44,989

other question for ED Danes and this is

729

00:37:52,900 --> 00:37:49,630

about remote viewing the alien agenda

730

00:37:54,729 --> 00:37:52,910

have you ever remote viewed an ET agenda

731

00:37:57,910 --> 00:37:54,739

and if you have what are they trying to

732

00:38:01,359 --> 00:37:57,920

do yes the answer is yes it's a long

733

00:38:04,019 --> 00:38:01,369

answer I'll try to condense it there's

734

00:38:06,910 --> 00:38:04,029

one agenda that I will call tactical and

735

00:38:09,069 --> 00:38:06,920

that is we found that long ago that

736

00:38:11,890 --> 00:38:09,079

there's a system out there that's

737

00:38:14,259 --> 00:38:11,900

monitoring this planet that knows where

738

00:38:17,890 --> 00:38:14,269

every single nuclear warhead is whether

739

00:38:19,630 --> 00:38:17,900

it's in storage on a Boomer nuclear

740

00:38:21,279 --> 00:38:19,640

submarine in an aircraft knows where

741

00:38:23,439 --> 00:38:21,289

everyone is and they're capable of

742

00:38:27,430 --> 00:38:23,449

shutting those the navigation systems on

743

00:38:29,019 --> 00:38:27,440

those on those weapons down all of them

744

00:38:31,209 --> 00:38:29,029

at once they know where every weapon is

745

00:38:33,579 --> 00:38:31,219

so what that means essentially is there

746

00:38:36,609 --> 00:38:33,589

will never be a nuclear slugfest that

747

00:38:38,859 --> 00:38:36,619

system those monitors because of

748

00:38:40,930 --> 00:38:38,869

intervention would never allow it then

749

00:38:44,109 --> 00:38:40,940

people ask why did he allow Nagasaki and

750

00:38:45,759 --> 00:38:44,119

Hiroshima and Fukushima Daiichi unit 6

751

00:38:48,099 --> 00:38:45,769

because we have to learn to be

752

00:38:50,739 --> 00:38:48,109

responsible for ourselves and what the

753

00:38:54,549 --> 00:38:50,749

what the ramifications of this kind of

754

00:38:57,400 --> 00:38:54,559

thing is but that in slugfests know the

755

00:38:59,469 --> 00:38:57,410

other long-term agenda is one the

756

00:39:01,959 --> 00:38:59,479

project Bluebook could not solve all the

757

00:39:03,999 --> 00:39:01,969

10 hypotheses the game of wit didn't fit

758

00:39:05,890 --> 00:39:04,009

with what the system out there is

759

00:39:09,040 --> 00:39:05,900

actually promoting our

760

00:39:10,840 --> 00:39:09,050

consciousness tools the idea the lingua

761

00:39:13,000 --> 00:39:10,850

franca in the universe is not

762

00:39:16,120 --> 00:39:13,010

mathematics and physics though although

763

00:39:17,950 --> 00:39:16,130

those are close its consciousness you

764

00:39:20,140 --> 00:39:17,960

may look like a squid or something like

765

00:39:23,050 --> 00:39:20,150

that and be highly advanced and if I

766

00:39:25,570 --> 00:39:23,060

come armed with a shotgun because it's

767

00:39:27,160 --> 00:39:25,580

you're afraid but that thing may have

768

00:39:28,960 --> 00:39:27,170

all the answers to all the questions in

769

00:39:31,900 --> 00:39:28,970

the universe right and that's the way it

770

00:39:34,150 --> 00:39:31,910

is but using consciousness shared

771

00:39:36,670 --> 00:39:34,160

consciousness we can communicate that

772

00:39:40,210 --> 00:39:36,680

way and so I think what they're trying

773

00:39:41,890 --> 00:39:40,220

to do if by showing us all these various

774

00:39:44,440 --> 00:39:41,900

but then changes all the time

775

00:39:46,180 --> 00:39:44,450

novel that accesses stimulus not

776

00:39:48,100 --> 00:39:46,190

Hollywood knows that one day you're

777

00:39:50,050 --> 00:39:48,110

flying saucers next day this and next

778

00:39:52,510 --> 00:39:50,060

day that they're trying to keep us

779

00:39:53,890 --> 00:39:52,520

looking up and questioning what are

780

00:39:56,650 --> 00:39:53,900

these things and we're not going to know

781

00:39:58,900 --> 00:39:56,660

unless as my former intelligence

782

00:40:01,210 --> 00:39:58,910

agencies knew we use these tools like

783

00:40:03,940 --> 00:40:01,220

remote viewing to penetrate their system

784

00:40:05,710 --> 00:40:03,950

they can't hide from these tools so we

785

00:40:08,800 --> 00:40:05,720

read their remote viewing the alien

786

00:40:12,040 --> 00:40:08,810

agenda they're very curious about our

787

00:40:13,540 --> 00:40:12,050

nuclear weapons here and had major

788

00:40:15,130 --> 00:40:13,550

advance that right there that there's

789

00:40:19,750 --> 00:40:15,140

not going to be a nuclear exchange

790

00:40:22,120 --> 00:40:19,760

they're just going to stop it and that's

791

00:40:27,550 --> 00:40:22,130

been long suspected long reported about

792

00:40:28,900 --> 00:40:27,560

UFOs interest in nuclear weapons

793

00:40:31,720 --> 00:40:28,910

missile silos blinking on and off

794

00:40:33,910 --> 00:40:31,730

throughout history especially big UFO

795

00:40:35,950 --> 00:40:33,920

flops in the fifties and sixties and it

796

00:40:37,960 --> 00:40:35,960

caused quite the stir in the military

797

00:40:40,720 --> 00:40:37,970

about being able to respond if there's a

798

00:40:42,430 --> 00:40:40,730

nuclear attack from Russia and so if

799

00:40:44,260 --> 00:40:42,440

that's part of the evening agenda that

800

00:40:45,640 --> 00:40:44,270

there's they're just gonna stop a

801
00:40:47,700 --> 00:40:45,650
nuclear attack but they don't care about

802
00:40:49,510 --> 00:40:47,710
chemical weapons they don't care about

803
00:40:51,070 --> 00:40:49,520
cruise missiles or anything like that

804
00:40:55,120 --> 00:40:51,080
that's fine they just they're concerned

805
00:40:57,580 --> 00:40:55,130
about nuclear weapons because that would

806
00:40:58,600 --> 00:40:57,590
destroy the entire planet so why they so

807
00:41:00,130 --> 00:40:58,610
instead of our planet are they

808
00:41:03,970 --> 00:41:00,140
interested in us but they just want our

809
00:41:05,320 --> 00:41:03,980
planet yeah if they were to destroy us

810
00:41:08,230 --> 00:41:05,330
they've had already done it you would

811
00:41:10,270 --> 00:41:08,240
imagine not less long ago not unless

812
00:41:14,440 --> 00:41:10,280
they want a rule from the inside by

813
00:41:16,090 --> 00:41:14,450

implanting hybrid reptilian humanoids to

814

00:41:20,940 --> 00:41:16,100

rise to power through politics and

815

00:41:24,420 --> 00:41:20,950

implement draconian laws and

816

00:41:28,750 --> 00:41:24,430

governmental institutions for fun

817

00:41:30,250 --> 00:41:28,760

just for shits just for fun we're gonna

818

00:41:34,060 --> 00:41:30,260

get out of here soon so that like I said

819

00:41:36,250 --> 00:41:34,070

a bit of a light show for me because I'm

820

00:41:39,970 --> 00:41:36,260

not feeling top-notch and I'll put the

821

00:41:42,960 --> 00:41:39,980

phone line back open six one four three

822

00:41:45,470 --> 00:41:42,970

eight eight nine 109 and

823

00:41:48,170 --> 00:41:45,480

[Music]

824

00:41:51,050 --> 00:41:48,180

in the call - I like this alien stuff

825

00:41:54,740 --> 00:41:51,060

and I got to say guy TV has been quite a

826
00:41:56,750 --> 00:41:54,750
resource for me for finding new

827
00:41:59,570 --> 00:41:56,760
resources new audio clips for things

828
00:42:02,960 --> 00:41:59,580
ranging from Dulce which I am kind of

829
00:42:05,450 --> 00:42:02,970
reading about now the Dulce base and the

830
00:42:07,220 --> 00:42:05,460
UFO encounters there it's just

831
00:42:10,430 --> 00:42:07,230
incredible stories coming out of those

832
00:42:13,130 --> 00:42:10,440
things caller go ahead

833
00:42:17,390 --> 00:42:13,140
howdy it's booty reader from the flag it

834
00:42:19,040 --> 00:42:17,400
was a booty I would call it in because I

835
00:42:20,540 --> 00:42:19,050
had an experience that I thought you

836
00:42:23,510 --> 00:42:20,550
might be interested in this weekend I

837
00:42:25,310 --> 00:42:23,520
was at a beer tasting event that was

838
00:42:30,590 --> 00:42:25,320

like a two and a half day long kind of

839

00:42:33,500 --> 00:42:30,600

thing and what he says the long taste

840

00:42:35,090 --> 00:42:33,510

like that oh no no I mean it's they did

841

00:42:38,930 --> 00:42:35,100

sessions and I was at one of the session

842

00:42:41,150 --> 00:42:38,940

mothers but they had a psychic there who

843

00:42:42,770 --> 00:42:41,160

was doing tarot card readings and I

844

00:42:44,690 --> 00:42:42,780

don't really care much about them but I

845

00:42:46,700 --> 00:42:44,700

know you kind of do yeah but I thought

846

00:42:49,370 --> 00:42:46,710

I've signed my wife up for it so I

847

00:42:51,320 --> 00:42:49,380

signed her up and we were sitting there

848

00:42:54,320 --> 00:42:51,330

and she it was like some kind of weird

849

00:42:56,540 --> 00:42:54,330

thing where was only three cards and she

850

00:42:58,910 --> 00:42:56,550

would do a reading based on that and my

851

00:43:01,099 --> 00:42:58,920

wife the lady had been doing an all

852

00:43:02,570 --> 00:43:01,109

three sessions or whatever for days you

853

00:43:06,380 --> 00:43:02,580

know she had hundreds of people come by

854

00:43:07,460 --> 00:43:06,390

and my wife got up there and she got I'm

855

00:43:11,420 --> 00:43:07,470

trying remember the cards it was a

856

00:43:13,700 --> 00:43:11,430

necromancer uh sorry I'm trying to

857

00:43:17,480 --> 00:43:13,710

remember what else the horseman and the

858

00:43:19,250 --> 00:43:17,490

seer and the lady was like I haven't had

859

00:43:20,570 --> 00:43:19,260

a single person pull the necromancer

860

00:43:24,560 --> 00:43:20,580

because it's like one of the scariest

861

00:43:26,990 --> 00:43:24,570

cards I guess oh my god yeah and she

862

00:43:28,760 --> 00:43:27,000

said that basically there was some kind

863

00:43:31,820 --> 00:43:28,770

of the way that the cards were laid out

864

00:43:34,220 --> 00:43:31,830

it had yeah it was implying to the

865

00:43:36,560 --> 00:43:34,230

reader that there was a very strong

866

00:43:39,470 --> 00:43:36,570

connection to a person who had died and

867

00:43:41,270 --> 00:43:39,480

that this was like ruling over my wife's

868

00:43:44,120 --> 00:43:41,280

life which is a hundred percent true

869

00:43:45,890 --> 00:43:44,130

because my wife's my wife's mom passed

870

00:43:46,670 --> 00:43:45,900

away a few years back and it's just

871

00:43:49,400 --> 00:43:46,680

something that she thinks about

872

00:43:51,230 --> 00:43:49,410

constantly and it really is a big affect

873

00:43:54,650 --> 00:43:51,240

on our life and so she was right on

874

00:43:56,120 --> 00:43:54,660

there and then they talk about a little

875

00:43:57,830 --> 00:43:56,130

bit more I got it I'm not gonna lie it

876

00:43:59,450 --> 00:43:57,840

was pretty pretty well drunk at this

877

00:44:02,600 --> 00:43:59,460

point cheering all the tasting

878

00:44:05,180 --> 00:44:02,610

and then we get to my my reading and it

879

00:44:07,130 --> 00:44:05,190

was like it could not have been any less

880

00:44:09,260 --> 00:44:07,140

meaningful it made no sense at all and

881

00:44:10,310 --> 00:44:09,270

had nothing to do with my life but it I

882

00:44:12,050 --> 00:44:10,320

just thought it was interesting the

883

00:44:13,250 --> 00:44:12,060

contrast between the two and I don't

884

00:44:15,200 --> 00:44:13,260

know if it's because like I said I don't

885

00:44:17,090 --> 00:44:15,210

really care about that kind of stuff or

886

00:44:20,210 --> 00:44:17,100

you know I was coming into it not really

887

00:44:23,090 --> 00:44:20,220

giving it any any energy but anyway I

888

00:44:24,440 --> 00:44:23,100

thought I thought the the spot-on nature

889

00:44:25,640 --> 00:44:24,450

of my wife's reading was interesting

890

00:44:29,150 --> 00:44:25,650

well how did your wife feel about that

891

00:44:33,410 --> 00:44:29,160

afterwards she thought it was pretty

892

00:44:35,870 --> 00:44:33,420

interesting she's she like will reread

893

00:44:38,180 --> 00:44:35,880

the the horoscopes every day and it's we

894

00:44:39,890 --> 00:44:38,190

have the exact same whatever sign or

895

00:44:41,960 --> 00:44:39,900

whatever so it doesn't actually it's

896

00:44:43,550 --> 00:44:41,970

kind of silly for us to read it but she

897

00:44:45,740 --> 00:44:43,560

kind of cares about him again I don't

898

00:44:47,840 --> 00:44:45,750

but she did she wrote everything down

899

00:44:49,760 --> 00:44:47,850

because she thought it was so such an

900

00:44:52,160 --> 00:44:49,770

interesting read that that lady hadn't

901
00:44:53,780 --> 00:44:52,170
experienced that card and all the rest

902
00:44:56,420 --> 00:44:53,790
was in like I said in the other hundred

903
00:44:58,220 --> 00:44:56,430
or so reading so cool I'm glad you had

904
00:44:59,270 --> 00:44:58,230
to experience yeah I mean not a lot of

905
00:45:01,970 --> 00:44:59,280
people are open to it I don't know if

906
00:45:04,760 --> 00:45:01,980
that impacts their reading or not I

907
00:45:07,520 --> 00:45:04,770
don't also ask a psychic about that see

908
00:45:08,990 --> 00:45:07,530
if the closed mind is harder to read or

909
00:45:11,120 --> 00:45:09,000
not I just want our things in right yeah

910
00:45:12,800 --> 00:45:11,130
like I said that the cards that she read

911
00:45:14,240 --> 00:45:12,810
pulled for me actually seem to

912
00:45:16,220 --> 00:45:14,250
contradict each other if that even makes

913
00:45:18,410 --> 00:45:16,230

sense like she had no idea even how to

914

00:45:21,880 --> 00:45:18,420

read them so I mean some people are

915

00:45:23,510 --> 00:45:21,890

pretty contradictory at times yeah yeah

916

00:45:25,040 --> 00:45:23,520

anyway I just thought it'd be a fun

917

00:45:27,460 --> 00:45:25,050

story cause I know you like psychics so

918

00:45:32,500 --> 00:45:27,470

love it all right thank you falling in

919

00:45:37,270 --> 00:45:34,900

start to play out your music where we're

920

00:45:42,120 --> 00:45:37,280

getting out of here real soon okay

921

00:45:52,900 --> 00:45:48,370

we're getting out of here and be back

922

00:45:56,650 --> 00:45:52,910

next Monday more more energy what is all

923

00:45:59,050 --> 00:45:56,660

this stuff and probably I don't know I

924

00:46:03,730 --> 00:45:59,060

think I think next week I'm gonna have

925

00:46:05,440 --> 00:46:03,740

some stuff on dog man and Bigfoot okay

926

00:46:07,930 --> 00:46:05,450

see you like it might be able to cook up

927

00:46:12,940 --> 00:46:07,940

might be able to cook cook me up some

928

00:46:15,700 --> 00:46:12,950

Bigfoot and awesome some audio clips

929

00:46:17,770 --> 00:46:15,710

about that and I know that there is some

930

00:46:19,660 --> 00:46:17,780

Bigfoot news that we can touch on and

931

00:46:21,700 --> 00:46:19,670

probably some [h__h] video we can take

932

00:46:27,849 --> 00:46:21,710

a look at - excellent

933

00:46:31,359 --> 00:46:27,859

934

00:46:34,540 --> 00:46:31,369

we'll be back next week dog man dog man

935

00:46:37,180 --> 00:46:34,550

in Bigfoot I think that's enough I don't

936

00:46:38,920 --> 00:46:37,190

think we need to talk about goat man now

937

00:46:41,079 --> 00:46:38,930

you can cover that quite extensively in

938

00:46:44,300 --> 00:46:41,089

the past well talk about dog man a

939

00:46:46,910 --> 00:46:44,310
