

NIGHT TALK  
*with*  
MIDNIGHT MIKE

1  
00:00:04,370 --> 00:00:02,960  
when a stream live in a place of entry

2  
00:00:06,410 --> 00:00:04,380  
music is going to get loud here for a

3  
00:00:09,590 --> 00:00:06,420  
second but bear with me alright thank

4  
00:00:29,520 --> 00:00:19,250  
[Music]

5  
00:00:33,780 --> 00:00:32,950  
hey welcome back to another night talk

6  
00:00:35,740 --> 00:00:33,790  
live

7  
00:00:39,750 --> 00:00:35,750  
my name's Ben I'm like I'm here with

8  
00:00:43,330 --> 00:00:39,760  
Jack Harry of paranormal intelligence

9  
00:00:46,650 --> 00:00:43,340  
report that's your website isn't yet in

10  
00:00:48,670 --> 00:00:46,660  
paranormal Intelligence Agency I'm sorry

11  
00:00:51,670 --> 00:00:48,680  
Andy can go if the link is in the

12  
00:00:52,900 --> 00:00:51,680  
description and it's in the the podcast

13  
00:00:55,930 --> 00:00:52,910

notes as well

14

00:00:58,890 --> 00:00:55,940  
you've got daily Intel reports very

15

00:01:03,310 --> 00:00:58,900  
active in the paranormal cryptozoology

16

00:01:05,290 --> 00:01:03,320  
beautiful ology he's a founding and

17

00:01:07,450 --> 00:01:05,300  
current director of the paranormal

18

00:01:11,380 --> 00:01:07,460  
Intelligence Agency and research at the

19

00:01:15,100 --> 00:01:11,390  
crypto for corners in the past he has

20

00:01:16,480 --> 00:01:15,110  
received top-secret s CI security

21

00:01:18,850 --> 00:01:16,490  
clearance serving as an encrypted

22

00:01:22,540 --> 00:01:18,860  
communication specialist on nuclear

23

00:01:23,080 --> 00:01:22,550  
submarines and he's a published author

24

00:01:25,390 --> 00:01:23,090  
as well

25

00:01:26,680 --> 00:01:25,400  
thank you jack for taking time out of

26

00:01:31,000 --> 00:01:26,690

your busy day to come in here and

27

00:01:34,810 --> 00:01:31,010

[h\_\_h] with me absolutely oh man I I

28

00:01:38,680 --> 00:01:34,820

saw you on Regina Meredith show on Gaia

29

00:01:42,430 --> 00:01:38,690

TV and I saw you talking about Bigfoot

30

00:01:44,560 --> 00:01:42,440

and dog man and then also I mean it was

31

00:01:46,840 --> 00:01:44,570

a just a whole host of different

32

00:01:50,470 --> 00:01:46,850

subjects and then you got into missing

33

00:01:53,740 --> 00:01:50,480

for 11 and you touched on Antarctica it

34

00:01:56,920 --> 00:01:53,750

was and decided together together so

35

00:02:01,060 --> 00:01:56,930

well I was like oh my god does anybody

36

00:02:02,770 --> 00:02:01,070

know this guy I could answer that when

37

00:02:03,910 --> 00:02:02,780

my friends are one of listeners who's

38

00:02:05,170 --> 00:02:03,920

friends with one of your friends and I

39

00:02:08,559 --> 00:02:05,180

think that's how this all happens so

40

00:02:10,749 --> 00:02:08,569

thank you it's my pleasure to be here

41

00:02:14,259 --> 00:02:10,759

and then talk about some weirdness with

42

00:02:16,449 --> 00:02:14,269

you the so one of the most popular

43

00:02:18,460 --> 00:02:16,459

topics that is going on I think in the

44

00:02:21,910 --> 00:02:18,470

the paranormal and conspiracy community

45

00:02:23,410 --> 00:02:21,920

is missing for 11 and you had an

46

00:02:25,479 --> 00:02:23,420

interesting interesting theory when it

47

00:02:29,290 --> 00:02:25,489

came when it comes to quartz crystals

48

00:02:33,100 --> 00:02:29,300

and granite deposits and how that might

49

00:02:34,630 --> 00:02:33,110

explain some people going missing can

50

00:02:38,229 --> 00:02:34,640

you give us a brief reading out on your

51  
00:02:40,190 --> 00:02:38,239  
theory absolutely I call it the Mach

52  
00:02:44,240 --> 00:02:40,200  
effect theory

53  
00:02:47,210 --> 00:02:44,250  
and really to make a long story short

54  
00:02:50,540 --> 00:02:47,220  
all through paranormal investigation

55  
00:02:53,210 --> 00:02:50,550  
history going in this country going back

56  
00:02:55,550 --> 00:02:53,220  
decades a number of paranormal

57  
00:02:57,979 --> 00:02:55,560  
researchers have identified areas around

58  
00:03:01,340 --> 00:02:57,989  
this particular country and around the

59  
00:03:04,520 --> 00:03:01,350  
world for that matter that they refer to

60  
00:03:06,140 --> 00:03:04,530  
as vortex or portal areas and when you

61  
00:03:09,110 --> 00:03:06,150  
begin to study the history of those

62  
00:03:12,080 --> 00:03:09,120  
areas you find that these are all areas

63  
00:03:14,150 --> 00:03:12,090

where the indigenous Indian populations

64

00:03:16,550 --> 00:03:14,160

held sacred places that they would

65

00:03:19,850 --> 00:03:16,560

describe as being places where the veil

66

00:03:23,120 --> 00:03:19,860

between worlds is then that's cetera and

67

00:03:26,210 --> 00:03:23,130

so on and what we discover when we look

68

00:03:28,880 --> 00:03:26,220

at these places are vast a positive both

69

00:03:32,690 --> 00:03:28,890

mineral quartz crystal and a limestone

70

00:03:35,630 --> 00:03:32,700

and in some areas like Sedona Arizona

71

00:03:38,150 --> 00:03:35,640

for example you can study Aero magnetic

72

00:03:42,259 --> 00:03:38,160

maps of the mountain ranges there and

73

00:03:44,270 --> 00:03:42,269

they have electromagnetic field fields

74

00:03:47,120 --> 00:03:44,280

being produced by this underground

75

00:03:49,130 --> 00:03:47,130

topography that are in excess of 500

76  
00:03:51,710 --> 00:03:49,140  
times more powerful than the surrounding

77  
00:03:54,020 --> 00:03:51,720  
electromagnetic fields and the same

78  
00:03:56,479 --> 00:03:54,030  
thing is is proving true in each one of

79  
00:04:00,229 --> 00:03:56,489  
these areas and that led me into the

80  
00:04:03,620 --> 00:04:00,239  
idea that it was it might just be a

81  
00:04:05,509 --> 00:04:03,630  
viable scientific explanation that and

82  
00:04:08,240 --> 00:04:05,519  
each one of these areas where you have

83  
00:04:12,229 --> 00:04:08,250  
high deposits of crystal and and

84  
00:04:15,440 --> 00:04:12,239  
limestone you might have fields being

85  
00:04:18,289 --> 00:04:15,450  
generated that are so strong that they

86  
00:04:20,029 --> 00:04:18,299  
could possibly rip what this is called

87  
00:04:22,640 --> 00:04:20,039  
the electromagnetic membrane that

88  
00:04:27,590 --> 00:04:22,650

separates this particular dimension from

89

00:04:29,510 --> 00:04:27,600

others what's fascinating is that in in

90

00:04:31,310 --> 00:04:29,520

the last few years there's been a

91

00:04:34,190 --> 00:04:31,320

scientist who's developed what he calls

92

00:04:37,640 --> 00:04:34,200

the Mach effect thruster this is based

93

00:04:39,409 --> 00:04:37,650

on a very interesting new find and

94

00:04:42,550 --> 00:04:39,419

that's that they've discovered that as

95

00:04:46,820 --> 00:04:42,560

mass travels through space it creates

96

00:04:50,659 --> 00:04:46,830

minut fluctuations and you can literally

97

00:04:52,460 --> 00:04:50,669

harness the power being generated by

98

00:04:53,280 --> 00:04:52,470

those might need fluctuations and use

99

00:04:55,410 --> 00:04:53,290

them as a

100

00:04:57,870 --> 00:04:55,420

of space propulsion and so he designed

101

00:04:59,850 --> 00:04:57,880

this this interesting little device that

102

00:05:02,670 --> 00:04:59,860

some people believe will be the future

103

00:05:04,650 --> 00:05:02,680

of space propulsion but when I was

104

00:05:06,450 --> 00:05:04,660

reading through his papers I came across

105

00:05:08,340 --> 00:05:06,460

something very interesting called the

106

00:05:11,130 --> 00:05:08,350

Mach effect and there are various side

107

00:05:13,890 --> 00:05:11,140

effects of this occurrence taking place

108

00:05:17,490 --> 00:05:13,900

and one of those side effects is the

109

00:05:20,220 --> 00:05:17,500

construction natural formation of what

110

00:05:22,290 --> 00:05:20,230

he described as benign wormholes and

111

00:05:23,880 --> 00:05:22,300

what you have with the earth is

112

00:05:25,650 --> 00:05:23,890

basically the same thing that this

113

00:05:29,090 --> 00:05:25,660

scientist is taking advantage of and

114

00:05:31,400 --> 00:05:29,100

smaller you know mass bodies you have a

115

00:05:34,560 --> 00:05:31,410

massive body traveling through space

116

00:05:37,380 --> 00:05:34,570

that has these various quartz crystal

117

00:05:39,930 --> 00:05:37,390

deposits around that are you know

118

00:05:42,260 --> 00:05:39,940

extremely large in nature and as these

119

00:05:45,180 --> 00:05:42,270

magnetic flux as these small

120

00:05:48,050 --> 00:05:45,190

fluctuations in the mass of the body

121

00:05:50,640 --> 00:05:48,060

take place it's causing the the

122

00:05:54,360 --> 00:05:50,650

underground topography of quartz crystal

123

00:05:57,030 --> 00:05:54,370

to actually become compressed and when

124

00:06:00,960 --> 00:05:57,040

it does it exhibits electro magnetic

125

00:06:02,730 --> 00:06:00,970

membrane energy electromagnetic energy

126  
00:06:04,980 --> 00:06:02,740  
that could possibly tear this membrane

127  
00:06:07,110 --> 00:06:04,990  
or create a benign wormhole as he

128  
00:06:09,660 --> 00:06:07,120  
describes in his papers and it's

129  
00:06:12,120 --> 00:06:09,670  
possible that a lot of these cases are

130  
00:06:13,680 --> 00:06:12,130  
maybe somebody just takes a step and

131  
00:06:17,670 --> 00:06:13,690  
they literally disappear into another

132  
00:06:19,440 --> 00:06:17,680  
dimension for a while it's interesting

133  
00:06:21,960 --> 00:06:19,450  
that in all of when you look at the

134  
00:06:25,170 --> 00:06:21,970  
cluster maps for for one one missing

135  
00:06:27,060 --> 00:06:25,180  
cases most the majority are in National

136  
00:06:30,000 --> 00:06:27,070  
Park areas and it just so happens that

137  
00:06:31,830 --> 00:06:30,010  
it's in these mountainous areas where

138  
00:06:34,950 --> 00:06:31,840

our national parks are that you find the

139

00:06:36,390 --> 00:06:34,960

largest deposits of quartz crystal so

140

00:06:38,790 --> 00:06:36,400

that's kind of how it all ties together

141

00:06:40,140 --> 00:06:38,800

yeah that is absolutely terrifying

142

00:06:42,000 --> 00:06:40,150

probably for an individual who

143

00:06:43,800 --> 00:06:42,010

accidentally steps into a warm normal

144

00:06:46,740 --> 00:06:43,810

and then winds up underneath a tree or

145

00:06:49,110 --> 00:06:46,750

partially in in a rock or something like

146

00:06:51,810 --> 00:06:49,120

that because there's a lot of at least

147

00:06:54,470 --> 00:06:51,820

from the books we read from missing for

148

00:06:57,390 --> 00:06:54,480

11 David Politis that there are unusual

149

00:07:01,140 --> 00:06:57,400

I guess discoveries people that will

150

00:07:03,360 --> 00:07:01,150

this randomly leave their their house or

151  
00:07:04,970 --> 00:07:03,370  
wander away from something and then next

152  
00:07:06,850 --> 00:07:04,980  
thing you know they're they're found

153  
00:07:10,689 --> 00:07:06,860  
inside or

154  
00:07:12,999 --> 00:07:10,699  
two rocks or boulders or in a you know

155  
00:07:16,270 --> 00:07:13,009  
in a body of water it's it's such a

156  
00:07:18,879 --> 00:07:16,280  
fascinating topic when it comes to

157  
00:07:20,800 --> 00:07:18,889  
missing people and they say it's a nice

158  
00:07:22,270 --> 00:07:20,810  
bridge for people who maybe maybe are

159  
00:07:25,059 --> 00:07:22,280  
not necessarily into the paranormal

160  
00:07:27,760 --> 00:07:25,069  
topic or anything like that and you ease

161  
00:07:30,790 --> 00:07:27,770  
them into missing 411 that opens up a

162  
00:07:32,709 --> 00:07:30,800  
whole wide range of stuff I'm not sure

163  
00:07:35,170 --> 00:07:32,719

if you saw the missing 411 documentary

164

00:07:38,170 --> 00:07:35,180

did you see that I did actually I've

165

00:07:42,040 --> 00:07:38,180

seen at night I've listened to hundreds

166

00:07:44,679 --> 00:07:42,050

of hours of David Pilates interviews and

167

00:07:47,589 --> 00:07:44,689

I've spoken with him he actually works

168

00:07:49,809 --> 00:07:47,599

with Gaia quite a bit and so my producer

169

00:07:53,140 --> 00:07:49,819

is very very good friends with David

170

00:07:56,350 --> 00:07:53,150

Pilates and has spoken with him about my

171

00:07:59,369 --> 00:07:56,360

theory which he really really exhibited

172

00:08:03,760 --> 00:07:59,379

a lot of interest in and even on their

173

00:08:05,950 --> 00:08:03,770

their main km missing website he's got a

174

00:08:08,409 --> 00:08:05,960

link to to my article explaining the

175

00:08:10,209 --> 00:08:08,419

Mach effect theory which was really

176

00:08:13,089 --> 00:08:10,219

interesting to me that that he decided

177

00:08:15,369 --> 00:08:13,099

to do that and very proud that he

178

00:08:17,950 --> 00:08:15,379

decided to do that but you know there's

179

00:08:19,959 --> 00:08:17,960

a lot of anecdotal evidence to suggest

180

00:08:23,619 --> 00:08:19,969

that that could be the case and one of

181

00:08:26,740 --> 00:08:23,629

the cases there was a preteen boy

182

00:08:28,719 --> 00:08:26,750

believe he was 11 12 years old and he

183

00:08:30,820 --> 00:08:28,729

said that he walked through this sort of

184

00:08:34,029 --> 00:08:30,830

archway he was out in the high desert

185

00:08:35,980 --> 00:08:34,039

around New Mexico and in northern New

186

00:08:38,079 --> 00:08:35,990

Mexico and walked through this little

187

00:08:42,089 --> 00:08:38,089

archway and he says the next thing he

188

00:08:44,949 --> 00:08:42,099

knows he's ten miles away up the road he

189

00:08:47,139 --> 00:08:44,959

sees the gas station down the road quite

190

00:08:49,210 --> 00:08:47,149

a ways and walks to the gas station and

191

00:08:51,819 --> 00:08:49,220

calls his parents to come pick him up

192

00:08:55,420 --> 00:08:51,829

and this happened in a very small period

193

00:08:59,430 --> 00:08:55,430

of time one of the things that caught my

194

00:09:02,259 --> 00:08:59,440

attention was that on one of David's and

195

00:09:05,800 --> 00:09:02,269

interviews on coast-to-coast am with

196

00:09:09,759 --> 00:09:05,810

George Noory he mentioned that they were

197

00:09:12,490 --> 00:09:09,769

able to trace some missing ships and

198

00:09:15,010 --> 00:09:12,500

airplanes in the Bermuda Triangle at

199

00:09:17,800 --> 00:09:15,020

exactly the same day in time as some of

200

00:09:19,780 --> 00:09:17,810

these missing people that took place in

201  
00:09:22,210 --> 00:09:19,790  
national park areas

202  
00:09:23,800 --> 00:09:22,220  
that really caught my attention I began

203  
00:09:26,890 --> 00:09:23,810  
to think wow this is something that's

204  
00:09:30,310 --> 00:09:26,900  
got to be occurring on a global scale in

205  
00:09:32,080 --> 00:09:30,320  
multiple places simultaneously and it's

206  
00:09:33,780 --> 00:09:32,090  
only through something like the Mach

207  
00:09:37,150 --> 00:09:33,790  
effect that that could be taking place

208  
00:09:38,590 --> 00:09:37,160  
the in the the missing 4:11 documentary

209  
00:09:40,450 --> 00:09:38,600  
they they allude to a lot of different

210  
00:09:42,760 --> 00:09:40,460  
angles they this that kind of set it up

211  
00:09:44,200 --> 00:09:42,770  
like a missing person murder mystery I

212  
00:09:46,690 --> 00:09:44,210  
now understand that the cell and movie a

213  
00:09:49,180 --> 00:09:46,700

certain way but they have Survivorman on

214

00:09:52,180 --> 00:09:49,190

there talking and alluding to Bigfoot

215

00:09:54,670 --> 00:09:52,190

sasquatch and I found that to be

216

00:09:56,320 --> 00:09:54,680

interesting but it david players doesn't

217

00:09:58,810 --> 00:09:56,330

come down really at least not in public

218

00:09:59,980 --> 00:09:58,820

on one way or the other what could be

219

00:10:01,750 --> 00:09:59,990

going on

220

00:10:04,600 --> 00:10:01,760

you're a cryptozoologist you have

221

00:10:06,850 --> 00:10:04,610

investigated bigfoot Dogman anything

222

00:10:10,120 --> 00:10:06,860

unusual you'll think the Ghostbuster of

223

00:10:13,930 --> 00:10:10,130

cryptozoology in your opinion does

224

00:10:16,390 --> 00:10:13,940

Sasquatch Bigfoot have anything to do

225

00:10:18,250 --> 00:10:16,400

with missing people in the national

226

00:10:21,670 --> 00:10:18,260

parks at least relieved of missing for

227

00:10:25,360 --> 00:10:21,680

11 you know in some of the cases that

228

00:10:26,650 --> 00:10:25,370

that could very well be the case I'm not

229

00:10:28,960 --> 00:10:26,660

gonna stand here and tell you I'm not

230

00:10:30,640 --> 00:10:28,970

one of the Bigfoot guys in the Bigfoot

231

00:10:31,870 --> 00:10:30,650

community that will stand here and tell

232

00:10:34,270 --> 00:10:31,880

you that these creatures aren't

233

00:10:37,300 --> 00:10:34,280

dangerous because they are you're

234

00:10:42,990 --> 00:10:37,310

talking about you know at full-grown a

235

00:10:46,570 --> 00:10:43,000

nine foot tall 600 to 800 pound bipedal

236

00:10:50,980 --> 00:10:46,580

apex predator roaming around the woods

237

00:10:53,140 --> 00:10:50,990

of North America and anybody that's

238

00:10:55,600 --> 00:10:53,150

studied anything about nature will tell

239

00:10:59,320 --> 00:10:55,610

you that that's you know that's a

240

00:11:01,060 --> 00:10:59,330

formula for a problem and you know in

241

00:11:03,730 --> 00:11:01,070

some of these cases it could be a

242

00:11:06,490 --> 00:11:03,740

sasquatch randomly we've discovered in

243

00:11:09,040 --> 00:11:06,500

our field investigations that really the

244

00:11:11,650 --> 00:11:09,050

only ones that that's appear to be

245

00:11:14,590 --> 00:11:11,660

dangerous and aggressive are the younger

246

00:11:17,530 --> 00:11:14,600

males who were a breeding age during

247

00:11:21,100 --> 00:11:17,540

breeding season the rest of them seemed

248

00:11:23,710 --> 00:11:21,110

pretty docile even though some people

249

00:11:26,100 --> 00:11:23,720

have had some pretty scary encounters

250

00:11:29,710 --> 00:11:26,110

with females of the species as well but

251  
00:11:30,970 --> 00:11:29,720  
we've had a number of cases that we've

252  
00:11:33,129 --> 00:11:30,980  
investigated

253  
00:11:35,650 --> 00:11:33,139  
where it would indicate that somebody

254  
00:11:37,540 --> 00:11:35,660  
was taken by a sasquatch

255  
00:11:39,759 --> 00:11:37,550  
so I'm gonna stand here and tell you

256  
00:11:43,019 --> 00:11:39,769  
that that doesn't happen however the

257  
00:11:46,420 --> 00:11:43,029  
vast number of the four one one cases

258  
00:11:49,210 --> 00:11:46,430  
would argue against it as well as some

259  
00:11:51,280 --> 00:11:49,220  
of the minor details involved in those

260  
00:11:53,769 --> 00:11:51,290  
cases where there just doesn't seem to

261  
00:11:55,629 --> 00:11:53,779  
be any sort of animal involvement at all

262  
00:11:57,250 --> 00:11:55,639  
I brought up on the screen here in

263  
00:11:58,870 --> 00:11:57,260

Article III I talked about maybe about

264

00:12:01,949 --> 00:11:58,880

two years ago on the chokes I found it

265

00:12:04,750 --> 00:12:01,959

to be bizarre and it's hard to discern

266

00:12:07,090 --> 00:12:04,760

eyewitness testimony what is like just

267

00:12:10,030 --> 00:12:07,100

an invented story for publicity and

268

00:12:11,680 --> 00:12:10,040

attention versus a credible actual story

269

00:12:13,210 --> 00:12:11,690

and I have up here in a headline here

270

00:12:15,939 --> 00:12:13,220

woman claims to be in a sexual

271

00:12:18,310 --> 00:12:15,949

relationship with Bigfoot trying for a

272

00:12:20,319 --> 00:12:18,320

baby and she goes on to say like she had

273

00:12:22,960 --> 00:12:20,329

a repeated encounters with this Bigfoot

274

00:12:25,689 --> 00:12:22,970

having sex with a Sasquatch in a

275

00:12:27,610 --> 00:12:25,699

marijuana field how do you discern when

276

00:12:29,829 --> 00:12:27,620

you're on the scene and you're actually

277

00:12:32,199 --> 00:12:29,839

investigating a cryptozoological case

278

00:12:34,720 --> 00:12:32,209

how do you discern what is a credible

279

00:12:36,639 --> 00:12:34,730

eyewitness testimony versus someone that

280

00:12:37,990 --> 00:12:36,649

is very sensational like to wrap your

281

00:12:39,129 --> 00:12:38,000

head around this if you're just coming

282

00:12:40,210 --> 00:12:39,139

to the subject you're gonna psyche

283

00:12:42,699 --> 00:12:40,220

you're here to blow off this woman oh

284

00:12:44,800 --> 00:12:42,709

yeah she's banging a Bigfoot but you

285

00:12:48,370 --> 00:12:44,810

would you put any validity into this

286

00:12:50,110 --> 00:12:48,380

case knowing what you know now well I

287

00:12:51,930 --> 00:12:50,120

know when somebody makes an outright

288

00:12:54,879 --> 00:12:51,940

claim like that it would it would take a

289

00:12:56,530 --> 00:12:54,889

huge amount of evidence for for me to

290

00:12:59,100 --> 00:12:56,540

you know to say yeah there could be

291

00:13:02,889 --> 00:12:59,110

something to that I can tell you that in

292

00:13:07,210 --> 00:13:02,899

a majority of our early on case is

293

00:13:10,150 --> 00:13:07,220

working with the now deceased famous

294

00:13:12,850 --> 00:13:10,160

world-famous JC Johnson who was my

295

00:13:14,860 --> 00:13:12,860

mentor and cryptozoology and he was the

296

00:13:17,500 --> 00:13:14,870

founder of crypto for coroner since my

297

00:13:19,210 --> 00:13:17,510

involvement with with them now and I'm

298

00:13:21,220 --> 00:13:19,220

sort of carrying on the torch with

299

00:13:24,189 --> 00:13:21,230

crypto for Horner's for JC because he

300

00:13:26,980 --> 00:13:24,199

had such a vast body of work that was a

301

00:13:28,930 --> 00:13:26,990

real contribution to the field but most

302

00:13:31,569 --> 00:13:28,940

of our cases where we started working

303

00:13:34,269 --> 00:13:31,579

together investigating Sasquatch or what

304

00:13:35,470 --> 00:13:34,279

he referred to as the furry people it

305

00:13:37,780 --> 00:13:35,480

was on

306

00:13:41,200 --> 00:13:37,790

Navajo Indian Reservation land in

307

00:13:42,970 --> 00:13:41,210

northern New Mexico in areas literally I

308

00:13:46,450 --> 00:13:42,980

don't think a lot of people just can't

309

00:13:49,150 --> 00:13:46,460

grasp can't wrap their head around how

310

00:13:52,780 --> 00:13:49,160

how vast some of these reservation areas

311

00:13:55,180 --> 00:13:52,790

are and just how remote they are where

312

00:13:57,160 --> 00:13:55,190

you get off the the single blacktop that

313

00:13:59,140 --> 00:13:57,170

goes through it in your on roads that

314

00:14:02,350 --> 00:13:59,150

don't even qualify as roads they are

315

00:14:04,840 --> 00:14:02,360

trails and there were time and again

316

00:14:07,210 --> 00:14:04,850

where we would go to where a Navajo had

317

00:14:08,950 --> 00:14:07,220

reported to the Navajo Police Department

318

00:14:10,720 --> 00:14:08,960

that they had a sighting of what was

319

00:14:14,290 --> 00:14:10,730

called what they call yeah ed so it's

320

00:14:17,140 --> 00:14:14,300

their word for Bigfoot and we would find

321

00:14:20,310 --> 00:14:17,150

these people who have no electricity no

322

00:14:23,740 --> 00:14:20,320

running water no internet no television

323

00:14:25,960 --> 00:14:23,750

telling us things that they could have

324

00:14:27,430 --> 00:14:25,970

only had been exposed to if they were

325

00:14:30,670 --> 00:14:27,440

somebody who sat around and watched

326

00:14:33,250 --> 00:14:30,680

Bigfoot documentaries non-stop and you

327

00:14:34,930 --> 00:14:33,260

add to that the the sheer vast amount of

328

00:14:39,400 --> 00:14:34,940

physical evidence being left at these

329

00:14:41,380 --> 00:14:39,410

sites the first case I went on with JC I

330

00:14:43,300 --> 00:14:41,390

walked over this hill from where these

331

00:14:46,120 --> 00:14:43,310

this naba had an encounter and came

332

00:14:50,560 --> 00:14:46,130

across a stretch of 16 and a half inch

333

00:14:54,040 --> 00:14:50,570

footprints that were pristine on you

334

00:14:58,090 --> 00:14:54,050

know hardpan soil indented in this

335

00:15:00,730 --> 00:14:58,100

hardpan soil a creature had to wait 60

336

00:15:02,770 --> 00:15:00,740

under pounds to even leave a footprint

337

00:15:04,660 --> 00:15:02,780

there because you know we had stuff next

338

00:15:06,400 --> 00:15:04,670

to it there would be nothing and you

339

00:15:09,370 --> 00:15:06,410

look at the fact that you know Shaquille

340

00:15:12,460 --> 00:15:09,380

O'Neal's got a got a footprint size 16

341

00:15:14,380 --> 00:15:12,470

yeah I ate a giant I want you to

342

00:15:16,840 --> 00:15:14,390

documentary size 22 right there last

343

00:15:18,970 --> 00:15:16,850

night right you know and you got a you

344

00:15:21,880 --> 00:15:18,980

got to think to yourself wow this this

345

00:15:24,130 --> 00:15:21,890

was either a human being the size of

346

00:15:26,860 --> 00:15:24,140

Shaquille O'Neal out here in the middle

347

00:15:28,960 --> 00:15:26,870

of literally no we're trying to

348

00:15:31,480 --> 00:15:28,970

perpetrate a hoax in the hopes that

349

00:15:35,670 --> 00:15:31,490

somebody like me and JC Johnson would

350

00:15:39,100 --> 00:15:35,680

come across it you know is it just as

351  
00:15:41,890 --> 00:15:39,110  
incredulous to think you know that every

352  
00:15:44,630 --> 00:15:41,900  
one of these things are hosts some of

353  
00:15:47,420 --> 00:15:44,640  
the areas where we would find

354  
00:15:49,640 --> 00:15:47,430  
and physical evidence traces are just so

355  
00:15:51,320 --> 00:15:49,650  
hard to get to that to think somebody

356  
00:15:54,860 --> 00:15:51,330  
went out there to try to perpetrate a

357  
00:15:56,360 --> 00:15:54,870  
hoax this is ridiculous yeah I mean you

358  
00:15:58,280 --> 00:15:56,370  
have to go to certainly obviously some

359  
00:15:59,450 --> 00:15:58,290  
people want to create something to to

360  
00:16:01,760 --> 00:15:59,460  
make a name for themselves but some of

361  
00:16:04,490 --> 00:16:01,770  
some of its so out of the realm of

362  
00:16:07,190 --> 00:16:04,500  
possibility that yeah I'm with you when

363  
00:16:10,550 --> 00:16:07,200

it comes to Sasquatch and even some of

364

00:16:13,520 --> 00:16:10,560

the the more unknown cryptids I would

365

00:16:16,220 --> 00:16:13,530

say like dog man or goat man you have a

366

00:16:19,550 --> 00:16:16,230

military background does the military

367

00:16:21,350 --> 00:16:19,560

care about any of these weird things do

368

00:16:22,970 --> 00:16:21,360

they do they know about it do they

369

00:16:27,560 --> 00:16:22,980

investigate it you have any insight into

370

00:16:30,110 --> 00:16:27,570

that we think they obviously know about

371

00:16:32,750 --> 00:16:30,120

these creatures there's a number of

372

00:16:34,820 --> 00:16:32,760

credible cases where the witnesses had

373

00:16:36,830 --> 00:16:34,830

some sort of interaction with with a

374

00:16:40,040 --> 00:16:36,840

bigfoot-like creature only to be

375

00:16:43,190 --> 00:16:40,050

approached by what a ufologist would

376

00:16:45,320 --> 00:16:43,200

call a man in black agents from the

377

00:16:46,270 --> 00:16:45,330

government coming to tell them not to

378

00:16:50,330 --> 00:16:46,280

talk about it

379

00:16:52,310 --> 00:16:50,340

we've got some peripheral evidence

380

00:16:55,880 --> 00:16:52,320

coming from a gentleman named Bob

381

00:16:58,010 --> 00:16:55,890

Garrett who's now famous in the and sort

382

00:16:59,990 --> 00:16:58,020

of the inner rings of the Bigfoot

383

00:17:02,300 --> 00:17:00,000

community you know he's never been on

384

00:17:06,260 --> 00:17:02,310

television or radio or anything but he's

385

00:17:09,380 --> 00:17:06,270

a very respected researcher telling us

386

00:17:12,110 --> 00:17:09,390

that he literally saw video footage of

387

00:17:13,730 --> 00:17:12,120

what the parks department an agent in

388

00:17:17,480 --> 00:17:13,740

the parks department was calling a kill

389

00:17:20,510 --> 00:17:17,490

site where apparently there were campers

390

00:17:22,760 --> 00:17:20,520

who were killed by a Sasquatch creature

391

00:17:27,740 --> 00:17:22,770

this thing left gigantic footprints all

392

00:17:32,990 --> 00:17:27,750

around DNA in the form of hair and this

393

00:17:35,060 --> 00:17:33,000

was covered up as a bear attack you know

394

00:17:36,740 --> 00:17:35,070

when you have accounts coming in like

395

00:17:39,950 --> 00:17:36,750

that from sources that really aren't

396

00:17:43,190 --> 00:17:39,960

looking for notoriety in any way and

397

00:17:45,080 --> 00:17:43,200

certainly not money you have to ask you

398

00:17:46,340 --> 00:17:45,090

know what would be the possible motive

399

00:17:48,410 --> 00:17:46,350

for trying to make something like that

400

00:17:50,270 --> 00:17:48,420

up so they could fool a couple of

401  
00:17:52,790 --> 00:17:50,280  
Bigfoot researchers who the world

402  
00:17:54,860 --> 00:17:52,800  
already considers crazy I mean it just

403  
00:17:57,530 --> 00:17:54,870  
doesn't you know the math isn't good

404  
00:17:58,409 --> 00:17:57,540  
when it comes to being considered crazy

405  
00:18:01,139 --> 00:17:58,419  
because we

406  
00:18:02,489 --> 00:18:01,149  
dive into this stuff you are you're

407  
00:18:04,200 --> 00:18:02,499  
considered crazy you talk about UFOs or

408  
00:18:05,729 --> 00:18:04,210  
Bigfoot you're just that you're you're

409  
00:18:08,639 --> 00:18:05,739  
looney tunes according to a lot of

410  
00:18:12,239 --> 00:18:08,649  
people and in the in the normal filters

411  
00:18:14,249 --> 00:18:12,249  
of reality what is what is your family

412  
00:18:17,249 --> 00:18:14,259  
think about what you do how you spend

413  
00:18:19,159 --> 00:18:17,259

your time diving into this stuff oh well

414

00:18:21,720 --> 00:18:19,169

my family's used to it now

415

00:18:25,049 --> 00:18:21,730

yeah you have to consider that they're

416

00:18:27,299 --> 00:18:25,059

going constantly exposed to highly

417

00:18:29,070 --> 00:18:27,309

credible evidence that I've been able to

418

00:18:32,430 --> 00:18:29,080

show them over the course of two decades

419

00:18:35,099 --> 00:18:32,440

this you know they're they're by enlarge

420

00:18:37,680 --> 00:18:35,109

convinced of the you know especially of

421

00:18:40,979 --> 00:18:37,690

the cases that I have investigated on a

422

00:18:43,499 --> 00:18:40,989

personal basis as far as the material

423

00:18:46,220 --> 00:18:43,509

goes that I post on the paranormal

424

00:18:49,859 --> 00:18:46,230

Intelligence Agency website that is

425

00:18:52,259 --> 00:18:49,869

every bit of that evidence is as heavily

426

00:18:53,999 --> 00:18:52,269

vetted you know it's there's a lot of

427

00:18:56,489 --> 00:18:54,009

paranormal websites out there that'll

428

00:18:59,009 --> 00:18:56,499

post literally any account just in order

429

00:19:01,649 --> 00:18:59,019

to get clicks or hits on the website and

430

00:19:03,869 --> 00:19:01,659

I decided when I started the PIAA that

431

00:19:08,970 --> 00:19:03,879

we would focus solely on quality over

432

00:19:12,210 --> 00:19:08,980

quantity and and really kind of dig into

433

00:19:14,399 --> 00:19:12,220

the cases that apparently were very real

434

00:19:16,979 --> 00:19:14,409

and see if we could prove otherwise and

435

00:19:19,470 --> 00:19:16,989

you know it's been over two decades now

436

00:19:22,499 --> 00:19:19,480

and I've come across some things that

437

00:19:25,080 --> 00:19:22,509

just cannot be explained and have

438

00:19:26,729 --> 00:19:25,090

convinced me I saw a sasquatch from 20

439

00:19:30,450 --> 00:19:26,739

feet away so I know the creatures are

440

00:19:33,180 --> 00:19:30,460

real you often know that you have a

441

00:19:35,669 --> 00:19:33,190

credible eyewitness when their life is

442

00:19:38,099 --> 00:19:35,679

literally changed by the encounter and

443

00:19:40,109 --> 00:19:38,109

they don't want anybody else to know

444

00:19:44,039 --> 00:19:40,119

about it you know what I mean and that's

445

00:19:45,810 --> 00:19:44,049

happened numerous times yeah just as an

446

00:19:47,820 --> 00:19:45,820

aside up on paranormal Intelligence

447

00:19:50,849 --> 00:19:47,830

Agency comm your most recent post is

448

00:19:53,220 --> 00:19:50,859

about dog man and you have a very

449

00:19:56,430 --> 00:19:53,230

up-to-date website I mean you you do a

450

00:19:59,399 --> 00:19:56,440

good job at staying current with what

451  
00:20:03,269 --> 00:19:59,409  
you find and presented in a very concise

452  
00:20:04,349 --> 00:20:03,279  
way with pictures and links to video so

453  
00:20:06,570 --> 00:20:04,359  
yeah check that out the links in the

454  
00:20:08,820 --> 00:20:06,580  
description of this video we're the

455  
00:20:09,680 --> 00:20:08,830  
winner when it comes to Bigfoots big

456  
00:20:11,000 --> 00:20:09,690  
feet

457  
00:20:13,550 --> 00:20:11,010  
[Music]

458  
00:20:15,920 --> 00:20:13,560  
and UFOs do you think there's any

459  
00:20:17,780 --> 00:20:15,930  
correlation and I say that because there

460  
00:20:20,480 --> 00:20:17,790  
was a documentary out about the the

461  
00:20:22,580 --> 00:20:20,490  
Kecksburg UFO event by small town

462  
00:20:26,170 --> 00:20:22,590  
monsters and they made a pretty good

463  
00:20:29,480 --> 00:20:26,180

correlation with the the wave of cryptid

464

00:20:33,070 --> 00:20:29,490

observations preceding and then after

465

00:20:37,340 --> 00:20:33,080

the Kecksburg UFO event in the 1970s

466

00:20:39,530 --> 00:20:37,350

yeah and you know there's a very

467

00:20:42,410 --> 00:20:39,540

credible statistic out there that roams

468

00:20:44,390 --> 00:20:42,420

around the the darker corners of the

469

00:20:47,000 --> 00:20:44,400

Bigfoot community and most of the

470

00:20:49,670 --> 00:20:47,010

Bigfoot investigators that I know and I

471

00:20:52,190 --> 00:20:49,680

know all of the the main players in that

472

00:20:55,160 --> 00:20:52,200

field the guys that are the the real

473

00:20:59,330 --> 00:20:55,170

deal out in the field 250 days out of

474

00:21:01,310 --> 00:20:59,340

every year doing the ground work it's

475

00:21:06,350 --> 00:21:01,320

gonna take in order to finally prove it

476  
00:21:10,040 --> 00:21:06,360  
to the public but and in at least 20% of

477  
00:21:12,190 --> 00:21:10,050  
what we would consider to be very very

478  
00:21:15,890 --> 00:21:12,200  
credible Bigfoot sightings and

479  
00:21:18,250 --> 00:21:15,900  
interactions the eyewitness also reports

480  
00:21:22,700 --> 00:21:18,260  
having seen a UFO at the same time

481  
00:21:24,260 --> 00:21:22,710  
that's something that has really

482  
00:21:26,620 --> 00:21:24,270  
bothered a lot of paranormal

483  
00:21:29,180 --> 00:21:26,630  
investigators and you know slowly

484  
00:21:32,690 --> 00:21:29,190  
cryptozoologist Bigfoot investigators

485  
00:21:35,660 --> 00:21:32,700  
for a very long time and I went on a

486  
00:21:38,570 --> 00:21:35,670  
particular case that we called the track

487  
00:21:41,480 --> 00:21:38,580  
line case in in New Mexico and this is

488  
00:21:45,140 --> 00:21:41,490

an area where JC my partner at the time

489

00:21:47,210 --> 00:21:45,150

had investigated a sighting and went

490

00:21:51,620 --> 00:21:47,220

over this little Ridge and found a

491

00:21:54,470 --> 00:21:51,630

quarter of a mile long track line of 19

492

00:21:58,370 --> 00:21:54,480

inch footprints now these footprints are

493

00:22:01,610 --> 00:21:58,380

going through sandy desert and they

494

00:22:05,090 --> 00:22:01,620

start in a wilderness area and they go

495

00:22:09,230 --> 00:22:05,100

right out to the middle of a vast long

496

00:22:11,240 --> 00:22:09,240

field that you know by all rights that

497

00:22:13,070 --> 00:22:11,250

the prints should have continued after

498

00:22:16,430 --> 00:22:13,080

the quarter of a mile and this thing

499

00:22:18,230 --> 00:22:16,440

literally takes what we call two running

500

00:22:20,780 --> 00:22:18,240

steps I mean you could tell where it's

501  
00:22:22,580 --> 00:22:20,790  
walking and it kind of Boston to Iran

502  
00:22:26,030 --> 00:22:22,590  
the end which is interesting because the

503  
00:22:29,240 --> 00:22:26,040  
strides went from 6 feet apart from foot

504  
00:22:31,250 --> 00:22:29,250  
to foot print to 10 feet apart from foot

505  
00:22:33,020 --> 00:22:31,260  
to foot print so this was a creature

506  
00:22:36,470 --> 00:22:33,030  
that was walking and then all of a

507  
00:22:39,430 --> 00:22:36,480  
sudden burst into a run and then very

508  
00:22:42,230 --> 00:22:39,440  
mysteriously the footprints just stuck

509  
00:22:46,850 --> 00:22:42,240  
like the in mid-stride so it either

510  
00:22:48,680 --> 00:22:46,860  
hopped into some kind of limbo it flew

511  
00:22:50,960 --> 00:22:48,690  
straight up into the air went into orbit

512  
00:22:53,300 --> 00:22:50,970  
I mean how do you really explain that in

513  
00:22:57,050 --> 00:22:53,310

rational well we we consider rational

514

00:22:58,700 --> 00:22:57,060

terms right a lot of Bigfoot guys and

515

00:23:00,940 --> 00:22:58,710

investigators will tell you that they

516

00:23:02,690 --> 00:23:00,950

believe that these things are somehow

517

00:23:06,410 --> 00:23:02,700

interdimensional and that they can

518

00:23:09,650 --> 00:23:06,420

travel between dimensions and what we

519

00:23:11,540 --> 00:23:09,660

call in the community whoo wo oh and

520

00:23:14,180 --> 00:23:11,550

those are the whoo arias or you know

521

00:23:17,170 --> 00:23:14,190

regarding Bigfoot I came up with a

522

00:23:20,680 --> 00:23:17,180

unique theory because I've investigated

523

00:23:26,720 --> 00:23:20,690

so much UFO activity over the years and

524

00:23:29,540 --> 00:23:26,730

alien abductees that you know our DNA

525

00:23:31,460 --> 00:23:29,550

testing obsessed watches DNA which we

526

00:23:34,130 --> 00:23:31,470

found at two different sites and part of

527

00:23:36,770 --> 00:23:34,140

this was in the Melba Ketchum DNA

528

00:23:40,430 --> 00:23:36,780

review we had over a hundred samples in

529

00:23:43,820 --> 00:23:40,440

it they proved that the mitochondrial

530

00:23:46,580 --> 00:23:43,830

side of DNA from the Sasquatch creatures

531

00:23:48,980 --> 00:23:46,590

was in fact modern-day human goes back

532

00:23:51,470 --> 00:23:48,990

12 to 15 thousand years ago during the

533

00:23:53,990 --> 00:23:51,480

Younger Dryas period and according to

534

00:23:55,970 --> 00:23:54,000

her particular findings it appears that

535

00:23:58,430 --> 00:23:55,980

during the Younger Dryas which was a

536

00:24:01,370 --> 00:23:58,440

period where a comet had actually

537

00:24:03,590 --> 00:24:01,380

impacted the earth there was a megafauna

538

00:24:06,740 --> 00:24:03,600

extinction taking place of all kinds of

539

00:24:09,200 --> 00:24:06,750

species of animals and plants and it was

540

00:24:11,420 --> 00:24:09,210

during this period that a mating

541

00:24:14,660 --> 00:24:11,430

interaction took place between an

542

00:24:16,670 --> 00:24:14,670

unknown relic hominid species just

543

00:24:18,710 --> 00:24:16,680

meaning that you know the fossilized

544

00:24:21,080 --> 00:24:18,720

remains of this particular species have

545

00:24:24,170 --> 00:24:21,090

not been recovered yet apparently

546

00:24:26,360 --> 00:24:24,180

interbred with archaic human females and

547

00:24:28,760 --> 00:24:26,370

that's what led to the lineage that we

548

00:24:31,790 --> 00:24:28,770

call Sasquatch and that ties together

549

00:24:33,800 --> 00:24:31,800

with modern-day UFO abduction cases

550

00:24:36,500 --> 00:24:33,810

because it's it's my purse

551  
00:24:39,170 --> 00:24:36,510  
theory that these creatures because they

552  
00:24:41,570 --> 00:24:39,180  
have in part some human DNA are being

553  
00:24:45,290 --> 00:24:41,580  
abducted for their DNA just like human

554  
00:24:47,480 --> 00:24:45,300  
abductees are that's very interesting I

555  
00:24:50,390 --> 00:24:47,490  
just opened up the phone lines 6 1 4 3 2

556  
00:24:53,180 --> 00:24:50,400  
8 9 109 if you have a question for Jack

557  
00:24:55,160 --> 00:24:53,190  
or anyone the phone lines are now open I

558  
00:24:57,650 --> 00:24:55,170  
have often thought that the the

559  
00:25:00,290 --> 00:24:57,660  
Sasquatch the Bigfoot could be the boots

560  
00:25:03,110 --> 00:25:00,300  
on the ground for whatever alien

561  
00:25:06,530 --> 00:25:03,120  
presence might be here on her oh boy and

562  
00:25:10,580 --> 00:25:06,540  
we have a phone call right here

563  
00:25:12,590 --> 00:25:10,590

Teddy spaghetti go ahead holy crap I was

564

00:25:14,960 --> 00:25:12,600

calling in just waiting for these lines

565

00:25:16,780 --> 00:25:14,970

to open I am excited I love these shows

566

00:25:20,630 --> 00:25:16,790

when you bring somebody it's just right

567

00:25:23,930 --> 00:25:20,640

that's right all right this is great I

568

00:25:25,430 --> 00:25:23,940

have a couple questions just two one

569

00:25:26,720 --> 00:25:25,440

somewhat serious by the way how's it

570

00:25:30,230 --> 00:25:26,730

going guys I'm just excited

571

00:25:33,230 --> 00:25:30,240

good it's awesome the first question is

572

00:25:36,320 --> 00:25:33,240

about I believe seven years ago there's

573

00:25:38,630 --> 00:25:36,330

a documentary either on a Nat Geo or

574

00:25:40,820 --> 00:25:38,640

Discovery Channel with a famous Bigfoot

575

00:25:43,280 --> 00:25:40,830

guy he's the one who does the tracks and

576  
00:25:45,800 --> 00:25:43,290  
was talking about the lines on the foot

577  
00:25:47,720 --> 00:25:45,810  
I think it was a prime primatologists or

578  
00:25:49,460 --> 00:25:47,730  
something but he's like really

579  
00:25:51,560 --> 00:25:49,470  
well-known in the community and in that

580  
00:25:53,930 --> 00:25:51,570  
documentary they're bringing up scat

581  
00:25:55,340 --> 00:25:53,940  
samples and in one of the samples of the

582  
00:25:58,310 --> 00:25:55,350  
alleged Bigfoot scat

583  
00:26:00,730 --> 00:25:58,320  
they found a parasite that they couldn't

584  
00:26:03,260 --> 00:26:00,740  
identify and it seemed like it was

585  
00:26:05,750 --> 00:26:03,270  
related to the same type of parasite

586  
00:26:08,570 --> 00:26:05,760  
that would be in a human and the same

587  
00:26:11,510 --> 00:26:08,580  
type of parasite that would be in a much

588  
00:26:13,310 --> 00:26:11,520

hill but like a cross between the two of

589

00:26:17,150 --> 00:26:13,320

them and and these types of parasites

590

00:26:19,370 --> 00:26:17,160

are basically very they could only be in

591

00:26:21,080 --> 00:26:19,380

one species so it had to have a unique

592

00:26:26,080 --> 00:26:21,090

host but they couldn't figure out what

593

00:26:28,820 --> 00:26:26,090

host that parasite belonged to so the

594

00:26:30,260 --> 00:26:28,830

wondering is was a Bigfoot have you

595

00:26:33,560 --> 00:26:30,270

heard anything about that and has

596

00:26:35,180 --> 00:26:33,570

anything else come with that I'm pretty

597

00:26:38,500 --> 00:26:35,190

sure you're talking about dr. Jeff

598

00:26:41,270 --> 00:26:38,510

Meldrum at Idaho State University and

599

00:26:45,980 --> 00:26:41,280

he's the one that that studies the

600

00:26:50,810 --> 00:26:45,990

bipedal tracts of the animals and

601  
00:26:53,630 --> 00:26:50,820  
and he's basically the world's you know

602  
00:26:56,510 --> 00:26:53,640  
most credible scientist who's engaged in

603  
00:26:59,539 --> 00:26:56,520  
Bigfoot research at this time and I do

604  
00:27:02,779 --> 00:26:59,549  
remember that I think it's even more

605  
00:27:05,269 --> 00:27:02,789  
interesting that he traveled to a place

606  
00:27:07,700 --> 00:27:05,279  
called Snelgrove Lake in Canada and this

607  
00:27:10,580 --> 00:27:07,710  
was featured on Discovery Channel's

608  
00:27:16,580 --> 00:27:10,590  
monster question I believe and it's

609  
00:27:20,139 --> 00:27:16,590  
called Sasquatch attack and during that

610  
00:27:24,289 --> 00:27:20,149  
period the man who owns the only fishing

611  
00:27:26,049 --> 00:27:24,299  
cabin on this extremely remote lake in

612  
00:27:30,710 --> 00:27:26,059  
Canada I mean you can only get there by

613  
00:27:32,389 --> 00:27:30,720

boat claimed had an incident where a

614

00:27:34,580 --> 00:27:32,399

creature broke into the cabin and

615

00:27:36,169 --> 00:27:34,590

literally destroyed this cabin I mean

616

00:27:38,240 --> 00:27:36,179

you've never seen such devastation

617

00:27:41,840 --> 00:27:38,250

whatever this was it picked up the

618

00:27:43,789 --> 00:27:41,850

bathtub a porcelain bathtub up off the

619

00:27:45,799 --> 00:27:43,799

ground and slammed it down on the ground

620

00:27:49,220 --> 00:27:45,809

so hard that it broke into pieces

621

00:27:50,960 --> 00:27:49,230

and he of course when he came across the

622

00:27:53,330 --> 00:27:50,970

damage thought oh my god this must have

623

00:27:55,460 --> 00:27:53,340

been bears so he decides he's going to

624

00:27:59,060 --> 00:27:55,470

get a bunch of boards and hammer nails

625

00:28:03,190 --> 00:27:59,070

through them and placed them in front of

626  
00:28:05,990 --> 00:28:03,200  
different doorways around the cabin and

627  
00:28:08,120 --> 00:28:06,000  
as a deterrent so if the bear comes up

628  
00:28:11,180 --> 00:28:08,130  
to the door and step on the on these

629  
00:28:13,070 --> 00:28:11,190  
nails and take off running well he comes

630  
00:28:16,880 --> 00:28:13,080  
back in about two weeks after having

631  
00:28:18,680 --> 00:28:16,890  
done this and he walks up to the board

632  
00:28:21,350 --> 00:28:18,690  
with the nails at the front door and

633  
00:28:24,590 --> 00:28:21,360  
there's a gigantic man-like footprint

634  
00:28:27,710 --> 00:28:24,600  
and blood left on this board and even

635  
00:28:30,409 --> 00:28:27,720  
that DNA was tested by a scientist in

636  
00:28:32,810 --> 00:28:30,419  
Minnesota who was on the expedition and

637  
00:28:34,549 --> 00:28:32,820  
it came back with with the same findings

638  
00:28:36,980 --> 00:28:34,559

that Melba Ketchum did that this thing

639

00:28:40,610 --> 00:28:36,990

was in fact part human now a lot of

640

00:28:42,919 --> 00:28:40,620

other DNA experts like Todd just to tell

641

00:28:44,720 --> 00:28:42,929

at New York University will tell you wow

642

00:28:47,029 --> 00:28:44,730

that's because it had to have been a

643

00:28:48,680 --> 00:28:47,039

contaminated sample all of these samples

644

00:28:51,350 --> 00:28:48,690

that they're calling contaminated

645

00:28:54,220 --> 00:28:51,360

because it shows human DNA because it's

646

00:28:57,799 --> 00:28:54,230

such a hard reality for them to swallow

647

00:28:58,549 --> 00:28:57,809

yeah Teddy you got that pal no no I'm

648

00:29:00,879 --> 00:28:58,559

definitely

649

00:29:04,759 --> 00:29:00,889

on the side of that if Bigfoot's a

650

00:29:07,070 --> 00:29:04,769

tangible creature and not uh not sort of

651  
00:29:09,110 --> 00:29:07,080  
like a phantom or interdimensional that

652  
00:29:12,139 --> 00:29:09,120  
it's definitely got to be a in lineage

653  
00:29:13,930 --> 00:29:12,149  
to us it has to be a close relative of

654  
00:29:17,509 --> 00:29:13,940  
some sort or maybe even a hybridization

655  
00:29:19,610 --> 00:29:17,519  
maybe Stalin exceeded and made his a

656  
00:29:22,519 --> 00:29:19,620  
monkey army and it was just these are

657  
00:29:26,980 --> 00:29:22,529  
the secret Soviet sleeper cells I doubt

658  
00:29:29,330 --> 00:29:26,990  
that's good but uh well thank you Danny

659  
00:29:31,129 --> 00:29:29,340  
he's gonna go pretty soon so I'm gonna

660  
00:29:33,049 --> 00:29:31,139  
hang up on you Teddy okay well one

661  
00:29:40,999 --> 00:29:33,059  
question one real question wait quick

662  
00:29:42,889 --> 00:29:41,009  
quick and I'm sorry to do this Bigfoot's

663  
00:29:47,539 --> 00:29:42,899

penis it comes up over and over again on

664

00:29:49,700 --> 00:29:47,549

the show I agree you have any

665

00:29:52,460 --> 00:29:49,710

speculation about the Bigfoot or cryptid

666

00:29:54,919 --> 00:29:52,470

genitalia I'd um but we'll have to ask

667

00:29:59,060 --> 00:29:54,929

the lady who's apparently yeah they're

668

00:30:01,009 --> 00:29:59,070

having a love affair with one and uh it

669

00:30:02,600 --> 00:30:01,019

does I'm curious about that because uh

670

00:30:03,649 --> 00:30:02,610

you know sometimes you want to know if

671

00:30:05,419 --> 00:30:03,659

there's something is real or not you

672

00:30:07,340 --> 00:30:05,429

look down and you want to see what they

673

00:30:10,009 --> 00:30:07,350

got maybe that's just me maybe I'm a

674

00:30:11,600 --> 00:30:10,019

sick freak but if we could look into

675

00:30:13,759 --> 00:30:11,610

that that'd be very helpful thank you

676

00:30:25,460 --> 00:30:13,769

okay Teddy thank you for the call thank

677

00:30:26,659 --> 00:30:25,470

you for the questions and I really

678

00:30:29,840 --> 00:30:26,669

appreciate your time

679

00:30:31,549 --> 00:30:29,850

how can people support you and you know

680

00:30:34,129 --> 00:30:31,559

continue to follow you I know you're on

681

00:30:35,509 --> 00:30:34,139

twitter at para Intel agency is there

682

00:30:38,539 --> 00:30:35,519

any other way that people can support

683

00:30:41,720 --> 00:30:38,549

you and find you they can we have a

684

00:30:43,580 --> 00:30:41,730

facebook channel paranormal Intelligence

685

00:30:46,159 --> 00:30:43,590

Agency getting registered a YouTube

686

00:30:48,980 --> 00:30:46,169

channel but the easiest way to support

687

00:30:51,639 --> 00:30:48,990

the PIAA and you know all funds go to

688

00:30:54,049 --> 00:30:51,649

directly to our field investigation work

689

00:30:55,879 --> 00:30:54,059

you know this is done on our own time in

690

00:30:57,669 --> 00:30:55,889

our own dime ninety percent of the time

691

00:31:01,340 --> 00:30:57,679

so but you can go to the website

692

00:31:04,879 --> 00:31:01,350

paranormal Intelligence Agency comm we I

693

00:31:08,629 --> 00:31:04,889

sell \$10 a year subscriptions to our

694

00:31:11,010 --> 00:31:08,639

special deep-black reports which is very

695

00:31:13,070 --> 00:31:11,020

in-depth multi-page reports

696

00:31:15,980 --> 00:31:13,080

that I write on any given number of

697

00:31:18,810 --> 00:31:15,990

paranormal phenomenon taking place and

698

00:31:21,750 --> 00:31:18,820

you can also go to patreon a paranormal

699

00:31:24,150 --> 00:31:21,760

Intelligence Agency and support us there

700

00:31:27,360 --> 00:31:24,160

there's donate buttons on various pages

701  
00:31:29,550 --> 00:31:27,370  
on the website so yeah if you want to

702  
00:31:32,220 --> 00:31:29,560  
help support us and bring the truth to

703  
00:31:33,420 --> 00:31:32,230  
light to the American public we

704  
00:31:35,700 --> 00:31:33,430  
appreciate the support

705  
00:31:37,200 --> 00:31:35,710  
well I'm sign up tonight you sold me

706  
00:31:39,750 --> 00:31:37,210  
when you're on retainer Meredith you

707  
00:31:41,910 --> 00:31:39,760  
speak very proficiently about all

708  
00:31:43,710 --> 00:31:41,920  
subjects I'm a big fan I'm gonna sign up

709  
00:31:46,200 --> 00:31:43,720  
for the Intel report for ten bucks a

710  
00:31:48,270 --> 00:31:46,210  
year yeah [h\_\_\h] yeah I'm doing it yeah

711  
00:31:50,010 --> 00:31:48,280  
ten bucks a year is all I charge because

712  
00:31:51,540 --> 00:31:50,020  
we're not trying to get rich we're just

713  
00:31:53,360 --> 00:31:51,550

trying to come up with enough funding to

714

00:31:57,000 --> 00:31:53,370

actually spend more and more time

715

00:31:58,280 --> 00:31:57,010

investigating these mysteries but if you

716

00:32:00,750 --> 00:31:58,290

happen to get rich they'd be great too

717

00:32:03,000 --> 00:32:00,760

yeah

718

00:32:04,260 --> 00:32:03,010

thank you Jack I really appreciate your

719

00:32:06,570 --> 00:32:04,270

time I hope to talk to you in the future

720

00:32:09,030 --> 00:32:06,580

and I'll definitely check out the the

721

00:32:10,320 --> 00:32:09,040

deep Intel report and and I got all the

722

00:32:12,030 --> 00:32:10,330

links in the description please check

723

00:32:13,710 --> 00:32:12,040

out Jack Kerry thank you very much I

724

00:32:15,420 --> 00:32:13,720

really appreciate your time hey thank

725

00:32:19,020 --> 00:32:15,430

you Mike all right have a good night you

726

00:32:22,200 --> 00:32:19,030

two all right there is there goes Jack

727

00:32:24,690 --> 00:32:22,210

he had some plans tonight I really

728

00:32:26,190 --> 00:32:24,700

appreciate his his time and the phone

729

00:32:30,270 --> 00:32:26,200

lines are back up in six one four three

730

00:32:33,660 --> 00:32:30,280

eight eight nine 109 and I'll be mostly

731

00:32:35,460 --> 00:32:33,670

happy to take some phone calls from you

732

00:32:37,980 --> 00:32:35,470

and we can talk about some other

733

00:32:40,260 --> 00:32:37,990

illogical stuff I I had so many

734

00:32:43,410 --> 00:32:40,270

questions for him and I know that seemed

735

00:32:45,000 --> 00:32:43,420

rushed because it was I got notes

736

00:32:48,540 --> 00:32:45,010

[h\_\_\h] that I want to get to and I

737

00:32:50,700 --> 00:32:48,550

couldn't get to him and I tried to weave

738

00:32:52,440 --> 00:32:50,710

it all together and I did his best I

739

00:32:55,290 --> 00:32:52,450

could we knew we only had about a

740

00:32:56,880 --> 00:32:55,300

half-hour and there's so many more

741

00:33:00,720 --> 00:32:56,890

things I wanted to get into more about

742

00:33:02,880 --> 00:33:00,730

the Kecksburg UFO Bigfoot connection I

743

00:33:05,040 --> 00:33:02,890

wanted I wanted to get more into the

744

00:33:07,410 --> 00:33:05,050

military and possibly scientific

745

00:33:09,300 --> 00:33:07,420

presence with skinwalker ranch I wanted

746

00:33:13,020 --> 00:33:09,310

a little bit more into his personal life

747

00:33:15,600 --> 00:33:13,030

to see really how he's passion for the

748

00:33:17,520 --> 00:33:15,610

paranormal and even conspiracy theories

749

00:33:21,330 --> 00:33:17,530

may impact his personal life and if it

750

00:33:23,550 --> 00:33:21,340

does at all and didn't get a chance to

751  
00:33:24,810 --> 00:33:23,560  
even he touched on personal account or

752  
00:33:26,960 --> 00:33:24,820  
encounters a little bit

753  
00:33:31,800 --> 00:33:26,970  
about seeing a Bigfoot 20 feet away

754  
00:33:34,080 --> 00:33:31,810  
which is great and probably would howdy

755  
00:33:36,510 --> 00:33:34,090  
there [\h\_\_\h] or piss my pants I'd probably

756  
00:33:45,720 --> 00:33:36,520  
take a crap or [\h\_\_\h] I don't know which

757  
00:33:49,860 --> 00:33:45,730  
one it would be taller Jordan you're on

758  
00:33:52,410 --> 00:33:49,870  
the air my friend hey you just missed

759  
00:33:56,130 --> 00:33:52,420  
Jack Kerry who was on the air with us he

760  
00:33:58,650 --> 00:33:56,140  
had to go he had to run yeah

761  
00:34:00,690 --> 00:33:58,660  
I'm sorry Harford understand my recently

762  
00:34:02,550 --> 00:34:00,700  
accident bit my tongue so it's like

763  
00:34:03,830 --> 00:34:02,560

really freaking hard talk why'd you do

764

00:34:09,050 --> 00:34:03,840

that oh really

765

00:34:13,440 --> 00:34:12,210

okay so it's like a added was in

766

00:34:16,740 --> 00:34:13,450

hospital for he's like a really bad

767

00:34:18,240 --> 00:34:16,750

fight but uh anyway I wanted to call

768

00:34:21,000 --> 00:34:18,250

cause Jack was on and you were

769

00:34:23,460 --> 00:34:21,010

discussing about you know the secrecy

770

00:34:25,500 --> 00:34:23,470

with what's going on with you know he's

771

00:34:27,870 --> 00:34:25,510

a Bigfoot or dog man and I was gonna get

772

00:34:31,200 --> 00:34:27,880

with him well we both were together but

773

00:34:32,790 --> 00:34:31,210

since it's gone I want to ask you I

774

00:34:38,460 --> 00:34:32,800

don't have ever heard of this but

775

00:34:42,600 --> 00:34:38,470

there's a online Wikipedia flash form

776

00:34:45,690 --> 00:34:42,610

called SCP but it basically it's the

777

00:34:49,530 --> 00:34:45,700

x-files meets well if he wanted a deep

778

00:34:51,919 --> 00:34:49,540

state and basically it's about a secret

779

00:34:55,440 --> 00:34:51,929

government organization that catalogs

780

00:34:57,090 --> 00:34:55,450

any kind of like paranormal or

781

00:35:00,900 --> 00:34:57,100

supernatural supernatural activity

782

00:35:02,970 --> 00:35:00,910

objects humans Bigfoot's whatever you

783

00:35:05,700 --> 00:35:02,980

want to call him but one particular

784

00:35:08,280 --> 00:35:05,710

thing they were discussing was that in

785

00:35:10,830 --> 00:35:08,290

this particular story allegedly that

786

00:35:14,190 --> 00:35:10,840

Bigfoot's or whatever exactly the

787

00:35:19,110 --> 00:35:14,200

creatures like Bigfoot's were possibly

788

00:35:22,230 --> 00:35:19,120

an advanced civilization that evolved

789

00:35:25,290 --> 00:35:22,240

along with us and whatever certain

790

00:35:29,220 --> 00:35:25,300

particular reasons they were either out

791

00:35:31,830 --> 00:35:29,230

bred by us or out killed by us to

792

00:35:36,840 --> 00:35:31,840

certain points we're the only ones we

793

00:35:38,550 --> 00:35:36,850

see now or the Bigfoots of the but are

794

00:35:39,720 --> 00:35:38,560

described of today

795

00:35:42,410 --> 00:35:39,730

I thought was kind of saying that you

796

00:35:44,970 --> 00:35:42,420

would second well maybe there might be

797

00:35:47,820 --> 00:35:44,980

maybe might be a truth to it to where

798

00:35:50,750 --> 00:35:47,830

maybe the government knows that it's

799

00:35:53,910 --> 00:35:50,760

possible that this could have been

800

00:35:56,580 --> 00:35:53,920

creatures that were advanced race that

801  
00:35:59,700 --> 00:35:56,590  
lives a song that lives beside us and

802  
00:36:03,420 --> 00:35:59,710  
possibly maybe we had conflict system

803  
00:36:05,820 --> 00:36:03,430  
and now we are the dominant species well

804  
00:36:10,200 --> 00:36:05,830  
Jack kind of went into that a little bit

805  
00:36:12,060 --> 00:36:10,210  
about he has a theory maybe about ten to

806  
00:36:14,940 --> 00:36:12,070  
twelve thousand years ago there was some

807  
00:36:19,260 --> 00:36:14,950  
sort of event either comments some sort

808  
00:36:20,940 --> 00:36:19,270  
of Cataclysm and in order for some sort

809  
00:36:23,670 --> 00:36:20,950  
of species to be preserved there was a

810  
00:36:26,250 --> 00:36:23,680  
human race and then another race had sex

811  
00:36:29,190 --> 00:36:26,260  
and that produced the Bigfoot if I

812  
00:36:31,220 --> 00:36:29,200  
remember correctly what he said so there

813  
00:36:34,710 --> 00:36:31,230

was some sort of interspecies breeding

814

00:36:37,290 --> 00:36:34,720

which from what I read is common when

815

00:36:39,630 --> 00:36:37,300

there is a catastrophic event that there

816

00:36:41,310 --> 00:36:39,640

will be well they're not exactly related

817

00:36:43,890 --> 00:36:41,320

species they're close enough to where

818

00:36:45,950 --> 00:36:43,900

they can actually breed and that might

819

00:36:49,410 --> 00:36:45,960

be what happened and which spawned

820

00:36:52,980 --> 00:36:49,420

Bigfoot but there's so much history

821

00:36:55,170 --> 00:36:52,990

that's covered up like couple weeks ago

822

00:36:58,770 --> 00:36:55,180

we talked about the race of giants we've

823

00:37:02,570 --> 00:36:58,780

we've talked about even other crippled

824

00:37:06,870 --> 00:37:02,580

zoological stuff I suspect that actual

825

00:37:08,490 --> 00:37:06,880

history is not being told to us and it's

826

00:37:10,350 --> 00:37:08,500

being watered down like everything

827

00:37:15,360 --> 00:37:10,360

[h\_\_h] else everything else is butter

828

00:37:17,490 --> 00:37:15,370

down so do you think it's like somewhat

829

00:37:19,740 --> 00:37:17,500

because the hell SCP thing is kinda like

830

00:37:25,080 --> 00:37:19,750

a it's sort of like the man like it's

831

00:37:28,890 --> 00:37:25,090

sorta they're based on you know either

832

00:37:30,630 --> 00:37:28,900

legend or some hints of like like they

833

00:37:33,570 --> 00:37:30,640

said Bigfoot and they're like crippled

834

00:37:35,610 --> 00:37:33,580

cripples lots of features and then they

835

00:37:37,650 --> 00:37:35,620

kind of add and spice whatever they want

836

00:37:42,000 --> 00:37:37,660

to the stories but it does things I

837

00:37:43,920 --> 00:37:42,010

always had this mind that maybe the

838

00:37:46,980 --> 00:37:43,930

governments around the world worse or

839

00:37:51,540 --> 00:37:46,990

organizations you don't know about these

840

00:37:52,440 --> 00:37:51,550

sa paranormal creatures or any goals or

841

00:37:56,960 --> 00:37:52,450

anything that

842

00:37:59,940 --> 00:37:56,970

paranormal supernatural and that maybe

843

00:38:04,170 --> 00:37:59,950

shows like the x-files and other kind of

844

00:38:06,870 --> 00:38:04,180

stuff or like what's worth a little tiny

845

00:38:12,810 --> 00:38:06,880

leakage of maybe this truth to some of

846

00:38:16,410 --> 00:38:12,820

these things saying that that's called

847

00:38:18,450 --> 00:38:16,420

that's called gentle disclosure it's a

848

00:38:21,450 --> 00:38:18,460

it's a form of letting the public know

849

00:38:23,730 --> 00:38:21,460

what might be possible yeah and that's

850

00:38:26,220 --> 00:38:23,740

been a rumor that that might be

851  
00:38:28,530 --> 00:38:26,230  
happening but ranging from various UFO

852  
00:38:30,359 --> 00:38:28,540  
movies to introduce people to the

853  
00:38:33,569 --> 00:38:30,369  
possibility that we might be visiting

854  
00:38:38,960 --> 00:38:33,579  
visited by another race of beings from

855  
00:38:43,339 --> 00:38:38,970  
another star system but when it comes to

856  
00:38:47,339 --> 00:38:43,349  
the past and history legends and myths

857  
00:38:49,859 --> 00:38:47,349  
I'm now of the opinion that most of

858  
00:38:52,230 --> 00:38:49,869  
those legends are myth myths come from a

859  
00:38:56,310 --> 00:38:52,240  
place of truth they may have been kind

860  
00:39:00,690 --> 00:38:56,320  
of manipulated over time but as like up

861  
00:39:03,359 --> 00:39:00,700  
on screen I have like dog headed man of

862  
00:39:06,390 --> 00:39:03,369  
India that's that's a that's a real

863  
00:39:10,380 --> 00:39:06,400

legend or there's actually the dog the

864

00:39:14,130 --> 00:39:10,390

dog men of of an island like the the

865

00:39:16,020 --> 00:39:14,140

Odyssey and Homer's tale like there's so

866

00:39:18,540 --> 00:39:16,030

many different stories from long ago

867

00:39:19,589 --> 00:39:18,550

it's hard to brush off when she's once

868

00:39:21,960 --> 00:39:19,599

you start digging into all this [h\_\_\h]

869

00:39:23,790 --> 00:39:21,970

yeah if you just learn about in school

870

00:39:25,050 --> 00:39:23,800

so all these are just myths and legends

871

00:39:26,190 --> 00:39:25,060

they don't really actually happen once

872

00:39:29,670 --> 00:39:26,200

you start finding out well there might

873

00:39:31,500 --> 00:39:29,680

be giants and skeletons somewhere out

874

00:39:33,690 --> 00:39:31,510

there in a desert and mounds and then

875

00:39:36,030 --> 00:39:33,700

UFOs and Bigfoot it gets a little bit

876

00:39:38,819 --> 00:39:36,040

more credence to all this almost weirder

877

00:39:40,890 --> 00:39:38,829

stuff that might be like it might not be

878

00:39:42,750 --> 00:39:40,900

myths or history or man I mean it might

879

00:39:45,150 --> 00:39:42,760

not just be him myths and legends

880

00:39:47,339 --> 00:39:45,160

actually might be genuine history to a

881

00:39:49,980 --> 00:39:47,349

certain degree will throw your mind

882

00:39:53,700 --> 00:39:49,990

it'll throw your mind into chaos oh my

883

00:39:58,950 --> 00:39:53,710

god that's what daddy Alex wants us to

884

00:40:02,280 --> 00:39:58,960

have he wants chaos there's daddy

885

00:40:06,329 --> 00:40:02,290

outs want that I don't know I I think

886

00:40:09,150 --> 00:40:06,339

that's right Jordan thank you I'm gonna

887

00:40:10,529 --> 00:40:09,160

I want to move on a little bit here sir

888

00:40:14,910 --> 00:40:10,539

they might have a good one

889

00:40:18,209 --> 00:40:14,920

I appreciate the call but diggities see

890

00:40:20,069 --> 00:40:18,219

you around don't let the door and the

891

00:40:21,689 --> 00:40:20,079

way out okay thank you for your call

892

00:40:25,370 --> 00:40:21,699

after a while crocodile

893

00:40:30,650 --> 00:40:28,039

take it easy I said don't want it ready

894

00:40:32,390 --> 00:40:30,660

yeah up it up on the screen here I have

895

00:40:35,299 --> 00:40:32,400

a list

896

00:40:38,630 --> 00:40:35,309

Oh from list first calm oh we love lists

897

00:40:41,329 --> 00:40:38,640

here on night talk and rubidium we love

898

00:40:44,420 --> 00:40:41,339

lists oh my god we love lists so much

899

00:40:48,289 --> 00:40:44,430

and the one I brought up to Jordan was

900

00:40:51,439 --> 00:40:48,299

the dog headed men of India a Greek

901  
00:40:53,420 --> 00:40:51,449  
physician named said I don't want to

902  
00:40:56,049 --> 00:40:53,430  
read I don't want to read he was named

903  
00:40:59,120 --> 00:40:56,059  
something I can't read that word

904  
00:41:01,430 --> 00:40:59,130  
traveled out to India back in the 5th

905  
00:41:03,589 --> 00:41:01,440  
century BC and came back with some crazy

906  
00:41:06,729 --> 00:41:03,599  
stories up in the mountains he claimed

907  
00:41:11,449 --> 00:41:06,739  
there were a tribe called the collie

908  
00:41:13,279 --> 00:41:11,459  
stre and they had heads of dogs they

909  
00:41:16,880 --> 00:41:13,289  
speak the language but they bark like

910  
00:41:19,609 --> 00:41:16,890  
dogs he said they could understand the

911  
00:41:21,499 --> 00:41:19,619  
other people of India he claimed but had

912  
00:41:23,779 --> 00:41:21,509  
to reply by barking or using sign

913  
00:41:26,870 --> 00:41:23,789

language and there was no small number

914

00:41:28,699 --> 00:41:26,880

of them by his account his best guess

915

00:41:32,719 --> 00:41:28,709

there were about a hundred and twenty

916

00:41:35,479 --> 00:41:32,729

thousand of these dog like creatures dog

917

00:41:37,819 --> 00:41:35,489

men creatures document creatures but the

918

00:41:39,799 --> 00:41:37,829

really weird part is though is that

919

00:41:43,039 --> 00:41:39,809

people actually backed up his story

920

00:41:47,930 --> 00:41:43,049

about 200 years later a man named mega

921

00:41:49,189 --> 00:41:47,940

strings make is it Meg mega strings I'm

922

00:41:52,640 --> 00:41:49,199

not gonna pronounce it I should stop

923

00:41:54,650 --> 00:41:52,650

talking I'll go on to the story followed

924

00:41:57,049 --> 00:41:54,660

the previous person's path into India

925

00:42:01,189 --> 00:41:57,059

and reporter back that his claims were

926  
00:42:05,989 --> 00:42:01,199  
real yet seeing these uh dog meant for

927  
00:42:07,640 --> 00:42:05,999  
himself so it wasn't just the Greeks the

928  
00:42:11,319 --> 00:42:07,650  
Indians and these as well there's it

929  
00:42:14,150 --> 00:42:11,329  
like a Greek island that had a story of

930  
00:42:16,579 --> 00:42:14,160  
men as well and Jack Harry talked about

931  
00:42:19,120 --> 00:42:16,589  
that and his uh Regina Meredith up

932  
00:42:22,549 --> 00:42:19,130  
episode I wish I had to read you know I

933  
00:42:27,040 --> 00:42:22,559  
can I wish I could to read like at the

934  
00:42:28,840 --> 00:42:27,050  
level of a good sixth grader

935  
00:42:33,040 --> 00:42:28,850  
I don't understand sometimes how my mind

936  
00:42:35,940 --> 00:42:33,050  
works I can program Python I can read

937  
00:42:38,470 --> 00:42:35,950  
sometimes normally than at other times

938  
00:42:45,850 --> 00:42:38,480

when you give me words I don't recognize

939

00:42:47,050 --> 00:42:45,860

I fail over and over again I got the

940

00:42:49,300 --> 00:42:47,060

phone lines back over to this one four

941

00:42:53,140 --> 00:42:49,310

three eight nine 109 I'll be around here

942

00:42:56,590 --> 00:42:53,150

for another few minutes and the website

943

00:42:59,740 --> 00:42:56,600

that Jordan referenced the SCP

944

00:43:03,930 --> 00:42:59,750

foundation you can check it out at SCP -

945

00:43:06,790 --> 00:43:03,940

wiki net and it has a whole host of

946

00:43:10,600 --> 00:43:06,800

links and it looks like a classic like

947

00:43:13,500 --> 00:43:10,610

BBS forum and a lot of different things

948

00:43:16,780 --> 00:43:13,510

going on there and I think this is it a

949

00:43:19,030 --> 00:43:16,790

lot of different accounts I don't know

950

00:43:20,200 --> 00:43:19,040

how I mean I guess it's mobile you might

951  
00:43:22,270 --> 00:43:20,210  
people get on your phone I don't know

952  
00:43:23,550 --> 00:43:22,280  
how legible it's gonna be though so you

953  
00:43:26,680 --> 00:43:23,560  
can check that out

954  
00:43:28,300 --> 00:43:26,690  
alright I'm gonna move on we're gonna

955  
00:43:30,730 --> 00:43:28,310  
get away from this a little bit just I'm

956  
00:43:32,090 --> 00:43:30,740  
gonna clear the air after my disastrous

957  
00:43:36,410 --> 00:43:32,100  
reading ah

958  
00:43:42,120 --> 00:43:36,420  
[Music]

959  
00:43:44,490 --> 00:43:42,130  
all right we never humor things that I

960  
00:43:46,440 --> 00:43:44,500  
wanted to talk to Jack about definitely

961  
00:43:49,710 --> 00:43:46,450  
want to talk about the dog man thing the

962  
00:43:51,180 --> 00:43:49,720  
dog man subject is well you might say

963  
00:43:53,309 --> 00:43:51,190

hey dog man big foot

964

00:43:56,250 --> 00:43:53,319

they got to be linked they're both like

965

00:43:58,319 --> 00:43:56,260

cryptozoological creatures there's more

966

00:44:01,890 --> 00:43:58,329

sightings of Bigfoot than dog man he's

967

00:44:03,210 --> 00:44:01,900

dog men creatures are [\h\_\_\h] insane you

968

00:44:06,260 --> 00:44:03,220

might be able to relate to a Bigfoot in

969

00:44:10,310 --> 00:44:08,240

dog man that's just a we like a

970

00:44:12,260 --> 00:44:10,320

sasquatch is like you'd see how you

971

00:44:14,300 --> 00:44:12,270

you're like a hybrid between a human and

972

00:44:17,810 --> 00:44:14,310

a Pam you just happen to be giant dog

973

00:44:18,730 --> 00:44:17,820

man high bred and human and a wolf fur

974

00:44:24,770 --> 00:44:18,740

dog

975

00:44:26,390 --> 00:44:24,780

asinine completely bonkers so the this

976

00:44:29,810 --> 00:44:26,400

next thing that I want to talk to you

977

00:44:33,380 --> 00:44:29,820

guys about if you please we're gonna

978

00:44:35,630 --> 00:44:33,390

move on here to this story is about UFOs

979

00:44:39,590 --> 00:44:35,640

talk about UFOs a little bit right here

980

00:44:41,960 --> 00:44:39,600

a listener and they /at submitted this I

981

00:44:43,940 --> 00:44:41,970

believe and if you're interested in

982

00:44:45,710 --> 00:44:43,950

joining this latch at you can send an

983

00:44:52,070 --> 00:44:45,720

email to our big de mouth at gmail.com

984

00:44:54,470 --> 00:44:52,080

and I will admit you to the slack if you

985

00:44:57,890 --> 00:44:54,480

want to interact with Joe and I and all

986

00:45:00,020 --> 00:44:57,900

the other people to listen and some more

987

00:45:02,450 --> 00:45:00,030

story was submitted there and this says

988

00:45:05,710 --> 00:45:02,460

aliens at Dugway proving grounds

989

00:45:08,960 --> 00:45:05,720

spaceships taking off from the new area

990

00:45:15,560 --> 00:45:12,109

and the Dugway proving grounds comes up

991

00:45:19,520 --> 00:45:15,570

if you watch UFO documentaries and are

992

00:45:21,320 --> 00:45:19,530

even halfway in in the history of

993

00:45:23,500 --> 00:45:21,330

military test graph this comes up over

994

00:45:28,360 --> 00:45:23,510

and over again

995

00:45:29,980 --> 00:45:28,370

as home to 100 in I'm sorry 1000 and 400

996

00:45:32,190 --> 00:45:29,990

residents you might call Dugway proving

997

00:45:35,950 --> 00:45:32,200

ground the ultimate gated community

998

00:45:37,900 --> 00:45:35,960

there are an estimate 300 miles of roads

999

00:45:40,570 --> 00:45:37,910

around Dugway well residents have

1000

00:45:42,310 --> 00:45:40,580

clearance to only a fraction of the

1001  
00:45:46,000 --> 00:45:42,320  
secret area surrounding this mysterious

1002  
00:45:47,920 --> 00:45:46,010  
place in Utah's West Desert conspiracy

1003  
00:45:51,040 --> 00:45:47,930  
theorists claim that Dugway is the new

1004  
00:45:52,780 --> 00:45:51,050  
area 51 and that the US government

1005  
00:45:54,430 --> 00:45:52,790  
secret programs are hiding

1006  
00:45:57,010 --> 00:45:54,440  
extraterrestrial technology that could

1007  
00:46:00,130 --> 00:45:57,020  
liberate us from our fossil fuel-based

1008  
00:46:02,740 --> 00:46:00,140  
dependency for energy a friend and I

1009  
00:46:04,150 --> 00:46:02,750  
thought we would stop in and see we

1010  
00:46:07,570 --> 00:46:04,160  
could find out are you just gonna drop

1011  
00:46:09,820 --> 00:46:07,580  
by a military installation and so you

1012  
00:46:13,480 --> 00:46:09,830  
can find out I'm sure they would wave

1013  
00:46:16,570 --> 00:46:13,490

you in with fan fell fanfare horns and

1014

00:46:19,690 --> 00:46:16,580

they're gonna release dubs and shoot a

1015

00:46:23,890 --> 00:46:19,700

cannon in in your honor by just pop it

1016

00:46:26,380 --> 00:46:23,900

in the inhospitable wide swept Pony

1017

00:46:28,630 --> 00:46:26,390

Express Road led to Dugway lies in the

1018

00:46:31,510 --> 00:46:28,640

middle of nowhere we entered the gates

1019

00:46:34,570 --> 00:46:31,520

by showing my Utah State Legislators

1020

00:46:36,640 --> 00:46:34,580

past credentials oh man of government

1021

00:46:38,230 --> 00:46:36,650

but we were told that we must still

1022

00:46:40,180 --> 00:46:38,240

check in with security to gain

1023

00:46:42,490 --> 00:46:40,190

permission for our tour while we were

1024

00:46:44,830 --> 00:46:42,500

waiting to speak to Doug ways PR

1025

00:46:47,080 --> 00:46:44,840

director we watched a group of men

1026  
00:46:49,900 --> 00:46:47,090  
wearing bulletproof vests with sidearms

1027  
00:46:52,810 --> 00:46:49,910  
enter Doug ways main gate in black Ford

1028  
00:46:55,690 --> 00:46:52,820  
Excursion z-- they appear to be Army

1029  
00:46:58,090 --> 00:46:55,700  
Special Forces one man told one man told

1030  
00:47:00,640 --> 00:46:58,100  
me he was there for anti-terrorist

1031  
00:47:03,430 --> 00:47:00,650  
training after a 30-minute wait I was

1032  
00:47:05,020 --> 00:47:03,440  
denied access because I had an unpaid

1033  
00:47:08,230 --> 00:47:05,030  
ticket on my driving record

1034  
00:47:10,480 --> 00:47:08,240  
well the key for anything my colleague

1035  
00:47:12,190 --> 00:47:10,490  
was denied because he wasn't an American

1036  
00:47:14,980 --> 00:47:12,200  
citizen after being escorted by the

1037  
00:47:18,370 --> 00:47:14,990  
police I began to wonder what was really

1038  
00:47:21,940 --> 00:47:18,380

going on there well you just do like a

1039

00:47:25,750 --> 00:47:21,950

little cursory research on then kind of

1040

00:47:27,880 --> 00:47:25,760

find out this is a very thorough article

1041

00:47:29,560 --> 00:47:27,890

it is linked in the description of this

1042

00:47:33,370 --> 00:47:29,570

video if you want to if you want to read

1043

00:47:34,900 --> 00:47:33,380

it I myself as you know if you're any

1044

00:47:36,580 --> 00:47:34,910

sort of listening to this show I like to

1045

00:47:39,010 --> 00:47:36,590

skip to like the last two paragraph

1046

00:47:41,590 --> 00:47:39,020

the kind of windup and since we don't

1047

00:47:44,710 --> 00:47:41,600

got ten minutes left I'm to go skip to

1048

00:47:46,960 --> 00:47:44,720

these last two paragraphs in recent

1049

00:47:48,490 --> 00:47:46,970

years there has been an increase in the

1050

00:47:50,940 --> 00:47:48,500

displays of incredible extraterrestrial

1051  
00:47:53,770 --> 00:47:50,950  
life shows and spacecraft including

1052  
00:47:54,820 --> 00:47:53,780  
incidents in China Russia Norway and

1053  
00:47:57,400 --> 00:47:54,830  
Arizona

1054  
00:47:59,080 --> 00:47:57,410  
although these events have been covered

1055  
00:48:01,900 --> 00:47:59,090  
by the mainstream media a few questions

1056  
00:48:05,230 --> 00:48:01,910  
have been asked regarding the top speed

1057  
00:48:07,110 --> 00:48:05,240  
top secret space autopsy or programs in

1058  
00:48:10,750 --> 00:48:07,120  
huge funding gaps in military spending

1059  
00:48:13,090 --> 00:48:10,760  
it's time that at least non mainstream

1060  
00:48:17,560 --> 00:48:13,100  
media and the public began demanding

1061  
00:48:20,470 --> 00:48:17,570  
answers we it's time that at least non

1062  
00:48:24,370 --> 00:48:20,480  
mainstream media and the public began to

1063  
00:48:27,040 --> 00:48:24,380

begin demanding answers that's what

1064

00:48:29,610 --> 00:48:27,050

we've been doing for [\h\_\_\h] years it's

1065

00:48:33,550 --> 00:48:29,620

this all these questions about UFOs and

1066

00:48:36,310 --> 00:48:33,560

paranormal began in non mainstream media

1067

00:48:38,020 --> 00:48:36,320

and in the public its the mainstream

1068

00:48:40,090 --> 00:48:38,030

media that aren't doing their [\h\_\_\h]

1069

00:48:42,540 --> 00:48:40,100

job by answering questions or even

1070

00:48:45,340 --> 00:48:42,550

asking the questions to these people

1071

00:48:47,890 --> 00:48:45,350

they're too concerned about sex and

1072

00:48:49,780 --> 00:48:47,900

scandals and all this [\h\_\_\h] they're

1073

00:48:52,210 --> 00:48:49,790

not digging into the black budget you

1074

00:48:54,960 --> 00:48:52,220

got to go to non mainstream sources to

1075

00:49:01,440 --> 00:48:54,970

find out anything that's really going on

1076  
00:49:08,590 --> 00:49:06,580  
there's currently no Cold War buddy just

1077  
00:49:10,930 --> 00:49:08,600  
currently no Cold War unless you count

1078  
00:49:12,850 --> 00:49:10,940  
strange relations with Russia and the

1079  
00:49:14,110 --> 00:49:12,860  
war on terror has calmed down the

1080  
00:49:18,190 --> 00:49:14,120  
military needs to be held accountable

1081  
00:49:20,680 --> 00:49:18,200  
for our tax dollars and prove to us that

1082  
00:49:22,840 --> 00:49:20,690  
there isn't an enemy from within by

1083  
00:49:23,710 --> 00:49:22,850  
releasing what they have been hiding for

1084  
00:49:27,460 --> 00:49:23,720  
so many years

1085  
00:49:30,250 --> 00:49:27,470  
haha Greer I'm talking talking about dr.

1086  
00:49:31,780 --> 00:49:30,260  
Greer of the disclosure project serious

1087  
00:49:34,510 --> 00:49:31,790  
project I don't know it's documentary

1088  
00:49:36,730 --> 00:49:34,520

career might be a bit of an opportunist

1089

00:49:39,060 --> 00:49:36,740

but his mission to disclose this

1090

00:49:42,099 --> 00:49:39,070

information is a mission we support

1091

00:49:45,160 --> 00:49:42,109

there we go

1092

00:49:48,519 --> 00:49:45,170

that makes me angry that this jerk-off

1093

00:49:50,920 --> 00:49:48,529

who just discovered a subject is now

1094

00:49:52,029 --> 00:49:50,930

interested in it's claiming that the

1095

00:49:55,239 --> 00:49:52,039

mainstream media's been here all along

1096

00:49:57,279 --> 00:49:55,249

and the public and non mainstream media

1097

00:50:01,239 --> 00:49:57,289

needs to get into this [h\_\_\h]

1098

00:50:03,759 --> 00:50:01,249

[h\_\_\h] alright he's a little angry

1099

00:50:05,289 --> 00:50:03,769

about these guys do this [h\_\_\h] but at

1100

00:50:09,489 --> 00:50:05,299

least here's the article open its you

1101

00:50:11,650 --> 00:50:09,499

toasters calm it's very uh very long I

1102

00:50:15,700 --> 00:50:11,660

don't know thorough is but it seems to

1103

00:50:17,289 --> 00:50:15,710

be a long yeah that's fair we'll move on

1104

00:50:18,450 --> 00:50:17,299

we'll move on a little rap this

1105

00:50:25,349 --> 00:50:18,460

[h\_\_\h] I appreciate

1106

00:50:33,329 --> 00:50:28,390

okay all right everyone calm down

1107

00:50:36,579 --> 00:50:33,339

oh boy everyone just calm down okay

1108

00:50:37,839 --> 00:50:36,589

everyone's panicking a little bit we're

1109

00:50:45,910 --> 00:50:37,849

just gonna calm down

1110

00:50:49,509 --> 00:50:45,920

6 1 4 3 8 9 109 and mostly if I take

1111

00:50:54,339 --> 00:50:49,519

your phone calls and talk just calm down

1112

00:50:57,359 --> 00:50:54,349

and wind down the show in a very serene

1113

00:51:01,989 --> 00:50:57,369

and calm way we're not gonna get angry

1114

00:51:04,370 --> 00:51:01,999

no one's panicking oh no everything's

1115

00:51:09,680 --> 00:51:06,170

look we're being told the truth about

1116

00:51:11,870 --> 00:51:09,690

UFOs Bigfoot Smith dog man's a myth

1117

00:51:14,180 --> 00:51:11,880

nothing's going on in national parks

1118

00:51:17,600 --> 00:51:14,190

there's nothing going on there yeah sure

1119

00:51:20,060 --> 00:51:17,610

people are disappearing and you know

1120

00:51:22,430 --> 00:51:20,070

sometimes they show up again and they're

1121

00:51:24,950 --> 00:51:22,440

dead in a place where that was already

1122

00:51:27,890 --> 00:51:24,960

searched sure but don't worry don't

1123

00:51:31,640 --> 00:51:27,900

worry don't ask any questions not a big

1124

00:51:33,890 --> 00:51:31,650

deal just keep on washing friends and

1125

00:51:36,680 --> 00:51:33,900

Seinfeld reruns like I like to do and

1126  
00:51:38,570 --> 00:51:36,690  
maybe you can even have an enjoyable

1127  
00:51:42,800 --> 00:51:38,580  
life well you don't question anything

1128  
00:51:45,960 --> 00:51:42,810  
going on around you oh sure isn't that

1129  
00:51:52,050 --> 00:51:50,220  
that would be lovely lovely isn't it

1130  
00:51:53,849 --> 00:51:52,060  
love is world were living in where

1131  
00:52:00,140 --> 00:51:53,859  
everything seems flips that upside down

1132  
00:52:05,140 --> 00:52:02,590  
I don't know if I have anything really

1133  
00:52:08,049 --> 00:52:05,150  
critical

1134  
00:52:10,720 --> 00:52:08,059  
to get to might just kind of [h\_\_h]

1135  
00:52:13,900 --> 00:52:10,730  
here for the next three minutes before I

1136  
00:52:15,789 --> 00:52:13,910  
get the [h\_\_h] out of here I would say big

1137  
00:52:19,660 --> 00:52:15,799  
thank you to all the the people who

1138  
00:52:22,299 --> 00:52:19,670

subscribe on on patreon thank you very

1139

00:52:25,240 --> 00:52:22,309

much I appreciate that the audio only

1140

00:52:27,220 --> 00:52:25,250

version of of night talk is going up on

1141

00:52:30,069 --> 00:52:27,230

there there's it's got its own RSS feed

1142

00:52:31,510 --> 00:52:30,079

so if you listen on your smartphone or

1143

00:52:32,950 --> 00:52:31,520

care to listen on your smartphone

1144

00:52:37,240 --> 00:52:32,960

there's another RSS feed there so you

1145

00:52:40,299 --> 00:52:37,250

can download this as a podcast we do

1146

00:52:43,329 --> 00:52:40,309

have a PayPal we've got a giant donation

1147

00:52:45,940 --> 00:52:43,339

in my god I guess sorry I'm bad I'm a

1148

00:52:48,190 --> 00:52:45,950

neglectful person when it comes to

1149

00:52:50,349 --> 00:52:48,200

saying thanks sometimes come so busy

1150

00:52:52,450 --> 00:52:50,359

fighting the New World Order as everyone

1151  
00:52:54,640 --> 00:52:52,460  
knows that sometimes I need to send out

1152  
00:52:56,620 --> 00:52:54,650  
notes to people and I'm gonna I'm gonna

1153  
00:53:00,309 --> 00:52:56,630  
do that so thank you to the people who

1154  
00:53:03,279 --> 00:53:00,319  
donate through PayPal I know some people

1155  
00:53:06,700 --> 00:53:03,289  
don't wanna use patreon I absolutely get

1156  
00:53:08,789 --> 00:53:06,710  
that big time and I just I'm very

1157  
00:53:12,039 --> 00:53:08,799  
thankful for everyone who listens and

1158  
00:53:16,200 --> 00:53:12,049  
continues to support the show it means a

1159  
00:53:18,730 --> 00:53:16,210  
lot to me and the big shout out to Felix

1160  
00:53:21,609 --> 00:53:18,740  
big time buddy I really appreciate your

1161  
00:53:23,500 --> 00:53:21,619  
note and I'm gonna start putting some

1162  
00:53:24,160 --> 00:53:23,510  
more stuff up on patreon starting this

1163  
00:53:26,289 --> 00:53:24,170

week

1164

00:53:28,089 --> 00:53:26,299

not just the night talk only downloads

1165

00:53:29,710 --> 00:53:28,099

when I start posting up some additional

1166

00:53:32,260 --> 00:53:29,720

audio content that I find fascinating

1167

00:53:34,240 --> 00:53:32,270

things that I come across that I watch

1168

00:53:37,269 --> 00:53:34,250

in properties down there and blabber

1169

00:53:38,859 --> 00:53:37,279

about nonsensical stuff and that is

1170

00:53:41,769 --> 00:53:38,869

starting this week so check out the

1171

00:53:44,829 --> 00:53:41,779

links in the description and tell a

1172

00:53:47,319 --> 00:53:44,839

friend or an enemy about this show I

1173

00:53:48,579 --> 00:53:47,329

don't care what you tell doesn't matter

1174

00:53:52,410 --> 00:53:48,589

me you can tell someone you hate about

1175

00:53:56,890 --> 00:53:52,420

the show that's fine I'm okay with that

1176  
00:53:59,319 --> 00:53:56,900  
alright do I have any wrap-up music I do

1177  
00:54:04,079 --> 00:53:59,329  
I do have some rather music right here

1178  
00:54:08,969 --> 00:54:04,089  
ah there it is

1179  
00:54:14,519 --> 00:54:08,979  
yes we are getting out of here this is

1180  
00:54:27,779 --> 00:54:14,529  
the end of night talk live I gotta run I

1181  
00:54:31,799 --> 00:54:27,789  
gotta do night talk live yes [\h\_\_\h] it is

1182  
00:54:34,049 --> 00:54:31,809  
awful Joe and I went back on a Wednesday

1183  
00:54:36,120 --> 00:54:34,059  
for an hour big dumb mouth podcast we

1184  
00:54:39,929 --> 00:54:36,130  
got plenty of stories to get to a lot of

1185  
00:54:42,719 --> 00:54:39,939  
shenanigans lam tomfoolery oh so much

1186  
00:54:45,449 --> 00:54:42,729  
tomfoolery you know I've been actually

1187  
00:54:49,819 --> 00:54:45,459  
being kind of consistent watching the

1188  
00:54:52,380 --> 00:54:49,829

Roseanne TV show it's funny I like it I

1189

00:54:57,089 --> 00:54:52,390

kind of like I haven't watched a new

1190

00:55:00,329 --> 00:54:57,099

sitcom and so long that it it's really

1191

00:55:02,400 --> 00:55:00,339

kicking me in my nostalgia heart we're

1192

00:55:04,589 --> 00:55:02,410

nostalgic balls it's kicking me right

1193

00:55:09,269 --> 00:55:04,599

there it's scratching that itch I need

1194

00:55:10,679 --> 00:55:09,279

to get scratched I'm not suggesting you

1195

00:55:17,549 --> 00:55:10,689

watch and I'm just implying that maybe

1196

00:55:19,829 --> 00:55:17,559

you should maybe perhaps want to thank

1197

00:55:23,699 --> 00:55:19,839

Jack Harry for taking time on his day to

1198

00:55:25,169 --> 00:55:23,709

join me on this very episode big time I

1199

00:55:26,099 --> 00:55:25,179

appreciate that I'm going to try to get

1200

00:55:27,689 --> 00:55:26,109

more guests or if you have any

1201  
00:55:30,029 --> 00:55:27,699  
recommendations for anybody who you

1202  
00:55:31,829 --> 00:55:30,039  
might think might be appropriate for

1203  
00:55:35,910 --> 00:55:31,839  
this show go you can give me an email

1204  
00:55:38,669 --> 00:55:35,920  
our big demel the gmail.com and I'll do

1205  
00:55:41,780 --> 00:55:38,679  
my best to booked up we'll see what

1206  
00:55:49,250 --> 00:55:41,790  
happens not promising anything

1207  
00:55:50,480 --> 00:55:49,260  
oh my god Jay that's right no that's

1208  
00:55:55,700 --> 00:55:50,490  
right to keep [h\_\_h] that chicken

1209  
00:55:57,110 --> 00:55:55,710  
[h\_\_h] that check it out yeah I always

1210  
00:55:59,600 --> 00:55:57,120  
try to imagine what it's like for a

1211  
00:56:01,600 --> 00:55:59,610  
person who hears the show for the first

1212  
00:56:04,550 --> 00:56:01,610  
time the call they're gonna talk about

1213  
00:56:06,860 --> 00:56:04,560

paranormal stuff and then they oh but

1214

00:56:13,160 --> 00:56:06,870

now they're cursing why why the curse

1215

00:56:14,510 --> 00:56:13,170

and then they're gonna curse probably

1216

00:56:17,740 --> 00:56:14,520

pretty off-putting that's why we're not

1217

00:56:20,480 --> 00:56:17,750

a bigger show I understand that I

1218

00:56:25,400 --> 00:56:20,490

understand you gotta do what you like

1219

00:56:28,330 --> 00:56:25,410

sometimes regardless of the cosplay all

1220

00:56:32,390 --> 00:56:28,340

right thanks for tuning in hanging out I

1221

00:56:34,960 --> 00:56:32,400

appreciate you all I'll see you next
