

NIGHT TALK
with
MIDNIGHT MIKE

1
00:00:14,480 --> 00:00:09,430
I will swing back into this and see what

2
00:00:17,930 --> 00:00:16,609
we'll transition back over I think I'm

3
00:00:23,940 --> 00:00:17,940
screaming again I think so

4
00:00:27,830 --> 00:00:23,950
[Music]

5
00:00:40,930 --> 00:00:30,550
I think so

6
00:00:40,940 --> 00:00:47,730
you

7
00:00:54,549 --> 00:00:51,210
let's see what's happening here via for

8
00:01:01,200 --> 00:00:58,720
I lost power I lost a lot of power and I

9
00:01:05,439 --> 00:01:01,210
was kicked off the internet big time

10
00:01:08,710 --> 00:01:05,449
and I don't know why I had battery

11
00:01:12,130 --> 00:01:08,720
backups going and I just I'd lost all

12
00:01:15,520 --> 00:01:12,140
power in the house and so my computers

13
00:01:22,700 --> 00:01:15,530

continue to to work but there was no

14

00:01:26,300 --> 00:01:24,260

so I'm gonna try to swing back into this

15

00:01:32,249 --> 00:01:26,310

what an interruption my god what an

16

00:01:37,560 --> 00:01:34,649

let me see here see what the hell's

17

00:01:39,149 --> 00:01:37,570

going on I'm trying to do this on the

18

00:01:42,090 --> 00:01:39,159

fly usually when you get stuff set up

19

00:01:46,830 --> 00:01:42,100

like this you kind of just hope it kind

20

00:01:50,789 --> 00:01:46,840

of works and but then you have you got

21

00:01:58,200 --> 00:01:50,799

things going on sometimes and you got to

22

00:02:01,680 --> 00:01:59,810

we're trying to deal with it right now

23

00:02:03,450 --> 00:02:01,690

so I guess there's got to be a two

24

00:02:06,360 --> 00:02:03,460

parter like someone in the chat says no

25

00:02:11,070 --> 00:02:06,370

I was trying to read leave the Bigfoot

26

00:02:13,640 --> 00:02:11,080

story in in the UK and I got so rudely

27

00:02:19,580 --> 00:02:13,650

interrupted by a power outage that

28

00:02:24,570 --> 00:02:19,590

happens and now I think I'm back up

29

00:02:29,810 --> 00:02:24,580

again I think we've gotta give him more

30

00:02:35,760 --> 00:02:29,820

time yes please that thing's operational

31

00:02:37,260 --> 00:02:35,770

yes it is okay okay I can roll back into

32

00:02:41,600 --> 00:02:37,270

this and finish up this Bigfoot story

33

00:02:47,460 --> 00:02:44,610

my apologies people I am sincerely sorry

34

00:02:51,510 --> 00:02:47,470

for that I did something I didn't

35

00:02:57,510 --> 00:02:51,520

anticipate did not anticipate

36

00:03:00,870 --> 00:02:57,520

all right the Bigfoot story she went on

37

00:03:02,310 --> 00:03:00,880

to say or he that there's a hundred

38

00:03:04,979 --> 00:03:02,320

percent certain it was the English

39

00:03:08,430 --> 00:03:04,989

Bigfoot while sightings of the hairy

40

00:03:10,260 --> 00:03:08,440

creature which walk on two legs are an

41

00:03:12,540 --> 00:03:10,270

almost daily occurrence somewhere in

42

00:03:14,610 --> 00:03:12,550

North America and the subject of the TV

43

00:03:16,979 --> 00:03:14,620

series books and film even seasoned

44

00:03:19,680 --> 00:03:16,989

Bigfoot experts have questioned whether

45

00:03:22,199 --> 00:03:19,690

the animal could exist in the British

46

00:03:24,420 --> 00:03:22,209

Isles that's something I was pondering

47

00:03:27,240 --> 00:03:24,430

before us so we really interrupted by a

48

00:03:29,250 --> 00:03:27,250

power outage

49

00:03:32,040 --> 00:03:29,260

but sightings continue to be reported to

50

00:03:35,100 --> 00:03:32,050

British Bigfoot researchers from the

51
00:03:38,250 --> 00:03:35,110
dense woods of Suffolk to the remote

52
00:03:40,680 --> 00:03:38,260
mountains of Scotland so but there they

53
00:03:42,960 --> 00:03:40,690
are there they're always been folklore

54
00:03:45,300 --> 00:03:42,970
there all been foreclosed tales about

55
00:03:47,190 --> 00:03:45,310
hairy men like creatures living in the

56
00:03:50,010 --> 00:03:47,200
forests of England back in the Middle

57
00:03:52,470 --> 00:03:50,020
Ages where they are known as wood woes

58
00:03:56,340 --> 00:03:52,480
no there's some is an illustration of a

59
00:03:58,980 --> 00:03:56,350
wood whoa wood woes one leading British

60
00:04:01,050 --> 00:03:58,990
Bigfoot researcher Deborah hats well

61
00:04:03,270 --> 00:04:01,060
said it is possible a bigfoot-like

62
00:04:05,670 --> 00:04:03,280
creature could still exist in Britain in

63
00:04:08,730 --> 00:04:05,680

2012 the government produced the

64

00:04:11,699 --> 00:04:08,740

National ecosystem assessment and it

65

00:04:14,340 --> 00:04:11,709

showed that only between 6 & 8 percent

66

00:04:16,650 --> 00:04:14,350

of the land in Britain is actually built

67

00:04:19,830 --> 00:04:16,660

on the rest is he the forest farmland or

68

00:04:22,440 --> 00:04:19,840

wild mountains or downs she said people

69

00:04:24,960 --> 00:04:22,450

who are open-minded about whether such a

70

00:04:27,030 --> 00:04:24,970

creature could exist in the vast forests

71

00:04:30,420 --> 00:04:27,040

of North America might think Britain is

72

00:04:31,770 --> 00:04:30,430

to build up but it's actually not when

73

00:04:33,510 --> 00:04:31,780

you look at the reports of sightings in

74

00:04:35,760 --> 00:04:33,520

this country they tend to follow rivers

75

00:04:39,150 --> 00:04:35,770

and force interesting so it is

76

00:04:43,230 --> 00:04:39,160

completely possible that the UK has

77

00:04:44,850 --> 00:04:43,240

their own little Bigfoot there have

78

00:04:46,440 --> 00:04:44,860

always been folklore stories about wild

79

00:04:49,920 --> 00:04:46,450

men living in the woods in this country

80

00:04:51,840 --> 00:04:49,930

they date back to centuries they back

81

00:04:54,000 --> 00:04:51,850

centuries and have those in those

82

00:04:55,890 --> 00:04:54,010

stories have continued okay people are

83

00:04:56,280 --> 00:04:55,900

still reporting such a thing and there

84

00:05:00,630 --> 00:04:56,290

we go

85

00:05:02,550 --> 00:05:00,640

there is the the Bigfoot story from the

86

00:05:07,950 --> 00:05:02,560

UK six one four three eight now and oh

87

00:05:18,090 --> 00:05:07,960

nine is the telephone number and it's

88

00:05:24,790 --> 00:05:21,400

yeah what happens sometimes people get

89

00:05:27,939 --> 00:05:24,800

interrupted by a power outage or Wi-Fi

90

00:05:30,340 --> 00:05:27,949

down edge and you got a plow on you got

91

00:05:34,060 --> 00:05:30,350

it go on

92

00:05:37,870 --> 00:05:34,070

I do have right here that I'm holding

93

00:05:40,390 --> 00:05:37,880

screen I have a copy of the missing 411

94

00:05:42,460 --> 00:05:40,400

documentary on blu-ray that I will send

95

00:05:45,430 --> 00:05:42,470

to somebody maybe the next caller who

96

00:05:47,890 --> 00:05:45,440

calls them Malala Thea I've watched it

97

00:05:51,070 --> 00:05:47,900

is good if you want to own it I will I

98

00:05:54,490 --> 00:05:51,080

will give it to you I got it too funny

99

00:05:58,360 --> 00:05:54,500

clown baby who got it from mr. David

100

00:06:01,570 --> 00:05:58,370

Boies himself and let's not forget what

101
00:06:04,060 --> 00:06:01,580
the great David Politis once said on our

102
00:06:06,460 --> 00:06:04,070
bow show oh I hid the glory hole right

103
00:06:08,560 --> 00:06:06,470
here that's right

104
00:06:12,159 --> 00:06:08,570
and you get the glory hole to want to

105
00:06:13,719 --> 00:06:12,169
call on 6 1 4 3 8 9 109 and I will I'll

106
00:06:17,320 --> 00:06:13,729
send that out there and you can have a

107
00:06:19,060 --> 00:06:17,330
little part of missing for 11 in your

108
00:06:20,529 --> 00:06:19,070
life as well I don't know if you want

109
00:06:23,800 --> 00:06:20,539
that in your life but you certainly

110
00:06:28,080 --> 00:06:23,810
could have it even though it is

111
00:06:32,760 --> 00:06:28,090
streaming on Hulu you know the blu-ray a

112
00:06:35,290 --> 00:06:32,770
mr. Teddy spaghetti how you doing pal

113
00:06:37,089 --> 00:06:35,300

pretty good there Magic Mike how we

114

00:06:39,820 --> 00:06:37,099

doing big fella I'm doing well I'm

115

00:06:42,070 --> 00:06:39,830

battling power outages and everything no

116

00:06:44,560 --> 00:06:42,080

I was like what the hell's going to the

117

00:06:48,190 --> 00:06:44,570

stream that got us man they're onto us

118

00:06:50,710 --> 00:06:48,200

yes shut it down did you call in for the

119

00:06:53,620 --> 00:06:50,720

missing 411 blu-ray or use call in to

120

00:06:56,920 --> 00:06:53,630

say hi I called in to say hi and talk

121

00:06:58,300 --> 00:06:56,930

some stuff innocent 411 blu-ray you can

122

00:07:01,690 --> 00:06:58,310

give it somebody with a blu-ray player

123

00:07:03,430 --> 00:07:01,700

okay yeah I'm still a VHS man I got a

124

00:07:07,120 --> 00:07:03,440

few Betamax tapes I need to go now I'm

125

00:07:08,610 --> 00:07:07,130

just kidding I got DVDs but I'll give it

126
00:07:11,950 --> 00:07:08,620
to another person who's a blu-ray player

127
00:07:13,240 --> 00:07:11,960
sweet yeah I mean yeah I don't want to

128
00:07:16,150 --> 00:07:13,250
take it from somebody and I've seen it

129
00:07:20,409 --> 00:07:16,160
on Hulu yeah yeah it's a great dog yeah

130
00:07:23,260 --> 00:07:20,419
what is what is on your mind well I got

131
00:07:25,180 --> 00:07:23,270
new neighbors right and I was doing some

132
00:07:27,190 --> 00:07:25,190
work for them they wanted some

133
00:07:30,460 --> 00:07:27,200
a little bit of demo construction done

134
00:07:31,750 --> 00:07:30,470
and as I do with a lot of people I mean

135
00:07:33,760 --> 00:07:31,760
you know you get to talk and you start

136
00:07:35,710 --> 00:07:33,770
shooting the [h__h] and conspiracies

137
00:07:37,510 --> 00:07:35,720
coming up I'm like oh I'm a big

138
00:07:40,680 --> 00:07:37,520

conspiracy theorist it's like what do

139

00:07:43,600 --> 00:07:40,690

you think about 9/11 it all gets quiet

140

00:07:46,300 --> 00:07:43,610

hmm so what kind of kids used any do

141

00:07:48,520 --> 00:07:46,310

they believe in then no there are not

142

00:07:50,170 --> 00:07:48,530

conspiracy people I can't even remember

143

00:07:51,580 --> 00:07:50,180

all the topic it was probably me that

144

00:07:54,430 --> 00:07:51,590

brought up conspiracy theories in

145

00:07:56,230 --> 00:07:54,440

general and this guy's the paramedic

146

00:07:58,600 --> 00:07:56,240

so he was like well what do you think

147

00:08:01,120 --> 00:07:58,610

about 9/11 and you know that I could

148

00:08:03,670 --> 00:08:01,130

just like it since it was like it was

149

00:08:05,650 --> 00:08:03,680

like well I don't want to you know say

150

00:08:08,440 --> 00:08:05,660

anything that would make anybody mad or

151

00:08:10,300 --> 00:08:08,450

oh I see I mean I misunderstood you they

152

00:08:11,800 --> 00:08:10,310

were made you are saying your conspiracy

153

00:08:15,910 --> 00:08:11,810

there's necessarily questioning you I'm

154

00:08:17,740 --> 00:08:15,920

sorry yeah yeah yeah you know I told my

155

00:08:19,270 --> 00:08:17,750

I just loved studying it you know it's

156

00:08:21,580 --> 00:08:19,280

kind of like even if you don't believe

157

00:08:23,200 --> 00:08:21,590

in it it's like the greatest sight you

158

00:08:25,360 --> 00:08:23,210

can take it as like the greatest scifi

159

00:08:27,460 --> 00:08:25,370

ever written it's just so alive because

160

00:08:29,230 --> 00:08:27,470

you almost want to you want to believe

161

00:08:31,000 --> 00:08:29,240

it's real but at the same time it really

162

00:08:32,529 --> 00:08:31,010

could be real you you just never know

163

00:08:35,980 --> 00:08:32,539

that's always been my thing with them

164

00:08:38,529 --> 00:08:35,990

but he seemed to get mad when I said

165

00:08:40,240 --> 00:08:38,539

well I think the intelligence agencies

166

00:08:45,010 --> 00:08:40,250

of the world kind of had something to do

167

00:08:47,290 --> 00:08:45,020

with that altogether I people get touchy

168

00:08:50,050 --> 00:08:47,300

about 9/11 they do because they you know

169

00:08:51,820 --> 00:08:50,060

it devolves into you know holographic

170

00:08:53,410 --> 00:08:51,830

planes and all that kind of stuff and

171

00:08:55,750 --> 00:08:53,420

like how could the government ever do

172

00:08:57,400 --> 00:08:55,760

this to our to their own people the

173

00:09:00,280 --> 00:08:57,410

people get upset about that and then I

174

00:09:02,110 --> 00:09:00,290

always like to reference a book called

175

00:09:04,600 --> 00:09:02,120

black 9/11 which is all about the

176

00:09:06,430 --> 00:09:04,610

financial transactions and some of the

177

00:09:09,210 --> 00:09:06,440

business dealings that happened running

178

00:09:11,850 --> 00:09:09,220

up to 9/11 and they're tracked there's

179

00:09:15,490 --> 00:09:11,860

even rumors of insider trading going on

180

00:09:16,900 --> 00:09:15,500

I don't have the the name or the author

181

00:09:18,760 --> 00:09:16,910

of the book but you to point people to

182

00:09:21,100 --> 00:09:18,770

that and said look there's a lot of

183

00:09:24,370 --> 00:09:21,110

anomalies here that really haven't been

184

00:09:26,620 --> 00:09:24,380

really dressed in a public forum which

185

00:09:29,190 --> 00:09:26,630

should give anybody pause I mean there's

186

00:09:32,170 --> 00:09:29,200

one more example of insider trading

187

00:09:34,180 --> 00:09:32,180

being done right before 9/11 and that

188

00:09:36,340 --> 00:09:34,190

was done through the 9/11 9/11

189

00:09:38,780 --> 00:09:36,350

Commission and they investigated it and

190

00:09:40,720 --> 00:09:38,790

they declined to pursue

191

00:09:43,820 --> 00:09:40,730

any further because the people that were

192

00:09:46,820 --> 00:09:43,830

were were being investigated had no

193

00:09:49,070 --> 00:09:46,830

known ties to terrorists or terrorism so

194

00:09:50,750 --> 00:09:49,080

therefore they weren't they had there's

195

00:09:52,790 --> 00:09:50,760

no possible in a way they could have had

196

00:09:53,990 --> 00:09:52,800

any foreknowledge of it but that's a

197

00:09:56,060 --> 00:09:54,000

that's a contradiction

198

00:09:58,340 --> 00:09:56,070

they didn't pursue it any further since

199

00:09:59,570 --> 00:09:58,350

they they were terrorists they therefore

200

00:10:01,070 --> 00:09:59,580

they couldn't be terrorists or they

201
00:10:03,380 --> 00:10:01,080
couldn't have had knowledge and some

202
00:10:06,830 --> 00:10:03,390
[h__h] like that that gets brought up

203
00:10:08,870 --> 00:10:06,840
over and over again it's mind-numbing

204
00:10:12,320 --> 00:10:08,880
trying to talk to people that just don't

205
00:10:22,490 --> 00:10:12,330
want to hear like that stuff like a you

206
00:10:25,660 --> 00:10:22,500
watch fan Tripoli right yeah I I watched

207
00:10:28,280 --> 00:10:25,670
a few of his episodes I'm not like a

208
00:10:29,780 --> 00:10:28,290
huge fan I didn't have like I've watched

209
00:10:33,980 --> 00:10:29,790
a few episodes and they seem to do an

210
00:10:36,200 --> 00:10:33,990
okay job over there but one thing that

211
00:10:36,680 --> 00:10:36,210
he always says he calls it the code of

212
00:10:39,680 --> 00:10:36,690
the Ronin

213
00:10:41,930 --> 00:10:39,690

it's basically don't share information

214

00:10:44,480 --> 00:10:41,940

with those who do not seek it and I find

215

00:10:46,250 --> 00:10:44,490

myself breaking that that code all the

216

00:10:47,480 --> 00:10:46,260

time because you're kind of just talking

217

00:10:49,370 --> 00:10:47,490

at a brick well I mean I brought up

218

00:10:51,590 --> 00:10:49,380

things like you know there are there was

219

00:10:53,480 --> 00:10:51,600

first responders you know like he's the

220

00:10:55,370 --> 00:10:53,490

first responder that were there saying

221

00:10:57,320 --> 00:10:55,380

that they heard explosions there was

222

00:10:58,340 --> 00:10:57,330

molten metal coming out I don't think

223

00:11:00,290 --> 00:10:58,350

that could have been steel it could have

224

00:11:01,700 --> 00:11:00,300

been aluminum I said you know I'm trying

225

00:11:03,110 --> 00:11:01,710

to get ration out he's like look I'm

226

00:11:05,090 --> 00:11:03,120

kind of like a fence rider even though

227

00:11:07,130 --> 00:11:05,100

I'm not you know because I don't want

228

00:11:09,140 --> 00:11:07,140

them to think I'm full-on I'm their

229

00:11:10,990 --> 00:11:09,150

neighbor yeah you know what I'm saying

230

00:11:13,850 --> 00:11:11,000

but at the same time it just seemed like

231

00:11:17,150 --> 00:11:13,860

there was just some anger coming towards

232

00:11:19,460 --> 00:11:17,160

him and he said um so you think in

233

00:11:22,250 --> 00:11:19,470

conspiracy theories but do you really

234

00:11:23,630 --> 00:11:22,260

think the government he rubbed the gulf

235

00:11:24,950 --> 00:11:23,640

of tonkin like all they had to do was

236

00:11:27,020 --> 00:11:24,960

lie about a ship why would they have to

237

00:11:29,480 --> 00:11:27,030

crash planes into there do you think the

238

00:11:30,770 --> 00:11:29,490

government is that good and my responses

239

00:11:32,090 --> 00:11:30,780

I was like no I don't think the

240

00:11:33,530 --> 00:11:32,100

government's that good and I think

241

00:11:35,540 --> 00:11:33,540

that's what makes it right for

242

00:11:38,240 --> 00:11:35,550

conspiracies because you have all this

243

00:11:39,950 --> 00:11:38,250

bureaucracy you have all this over check

244

00:11:42,590 --> 00:11:39,960

but really nobody knows what the other

245

00:11:44,900 --> 00:11:42,600

hand does so I think it kind of creates

246

00:11:48,180 --> 00:11:44,910

a fertile ground for these people to

247

00:11:50,040 --> 00:11:48,190

just actually be

248

00:11:51,360 --> 00:11:50,050

and I also rolled up another conspiracy

249

00:11:53,730 --> 00:11:51,370

theory I was like well you know you

250

00:11:56,220 --> 00:11:53,740

could also say that they did it it

251
00:11:57,390 --> 00:11:56,230
happened exactly how it happened and the

252
00:12:00,570 --> 00:11:57,400
government got caught with their pants

253
00:12:02,880 --> 00:12:00,580
down and then they had to make up these

254
00:12:04,380 --> 00:12:02,890
conspiracy theories to make kind of like

255
00:12:07,080 --> 00:12:04,390
the whole south part I think it was a

256
00:12:08,460 --> 00:12:07,090
South Park episode we're like the

257
00:12:10,140 --> 00:12:08,470
government are the ones actually

258
00:12:12,540 --> 00:12:10,150
promoting the conspiracy theories

259
00:12:15,810 --> 00:12:12,550
because they're so incompetent and it's

260
00:12:18,060 --> 00:12:15,820
better to be took an advantage of by

261
00:12:20,610 --> 00:12:18,070
like a cabal of evil actors and just be

262
00:12:21,870 --> 00:12:20,620
so [h__\h] uncommon and competent that

263
00:12:25,020 --> 00:12:21,880

you would just let your country get

264

00:12:27,030 --> 00:12:25,030

attacked looking like nothing but people

265

00:12:29,040 --> 00:12:27,040

are so hard to hear stuff well it

266

00:12:30,630 --> 00:12:29,050

doesn't have to be just because you

267

00:12:31,890 --> 00:12:30,640

believe in conspiracy theories doesn't

268

00:12:34,230 --> 00:12:31,900

mean that you believe the government is

269

00:12:36,090 --> 00:12:34,240

behind everything it could be that there

270

00:12:38,760 --> 00:12:36,100

are real terrorists and that they were

271

00:12:40,620 --> 00:12:38,770

being watched and that maybe certain

272

00:12:43,530 --> 00:12:40,630

elements within the government let it

273

00:12:46,140 --> 00:12:43,540

happen because well that benefited the

274

00:12:48,360 --> 00:12:46,150

foreign policy and you can pull people

275

00:12:49,710 --> 00:12:48,370

off a case and assign them to different

276

00:12:52,380 --> 00:12:49,720

things or there could be

277

00:12:54,480 --> 00:12:52,390

interdepartmental communications or memo

278

00:12:56,190 --> 00:12:54,490

didn't get set up a chain so there's a

279

00:12:58,110 --> 00:12:56,200

multiple different ways to do this it

280

00:13:00,840 --> 00:12:58,120

could have been partly government and

281

00:13:03,300 --> 00:13:00,850

confidence and also partly well letting

282

00:13:05,250 --> 00:13:03,310

it happen we know no one really knows

283

00:13:07,410 --> 00:13:05,260

the full story behind 9/11 probably

284

00:13:10,200 --> 00:13:07,420

besides Dick Cheney and some people in

285

00:13:11,700 --> 00:13:10,210

the room all we have is a lot of

286

00:13:14,460 --> 00:13:11,710

speculation there's some financial

287

00:13:17,520 --> 00:13:14,470

documents there's a there's a lot of

288

00:13:19,470 --> 00:13:17,530

anomalies but if I mean almost every

289

00:13:22,890 --> 00:13:19,480

major event history it doesn't really

290

00:13:25,230 --> 00:13:22,900

happen the way the mainstream history

291

00:13:26,070 --> 00:13:25,240

narrative says it happens it all kind of

292

00:13:29,190 --> 00:13:26,080

unravels

293

00:13:31,770 --> 00:13:29,200

rattles a little later so people get

294

00:13:34,970 --> 00:13:31,780

angry at that stuff are upset because

295

00:13:37,260 --> 00:13:34,980

you're challenging their reality that's

296

00:13:38,520 --> 00:13:37,270

that's I'm gonna bring this up I'm not a

297

00:13:41,040 --> 00:13:38,530

flatterer but that's why I respect

298

00:13:44,910 --> 00:13:41,050

flattered first even though I know it's

299

00:13:47,010 --> 00:13:44,920

a big divisive divisive subject in the

300

00:13:48,750 --> 00:13:47,020

conspiracy community I respect those

301
00:13:50,790 --> 00:13:48,760
guys not because I believe in what they

302
00:13:52,680 --> 00:13:50,800
believe but just for the fact that

303
00:13:55,290 --> 00:13:52,690
they're willing to put out put

304
00:13:58,530 --> 00:13:55,300
themselves out there with such a idea

305
00:14:01,200 --> 00:13:58,540
that's so contrary that it makes my

306
00:14:01,980 --> 00:14:01,210
stomach turns like what like it's hard

307
00:14:03,240 --> 00:14:01,990
for me to believe in a

308
00:14:05,100 --> 00:14:03,250
something like that but at the same time

309
00:14:06,150 --> 00:14:05,110
I respect the [h__\h] out of those people

310
00:14:08,280 --> 00:14:06,160
because they got balls

311
00:14:09,960 --> 00:14:08,290
it does take balls I'd say what with

312
00:14:12,449 --> 00:14:09,970
your neighbor you should probably show

313
00:14:16,699 --> 00:14:12,459

them the missing 411 documentary on Hulu

314

00:14:19,590 --> 00:14:16,709

and then that's it that's entry-level

315

00:14:22,110 --> 00:14:19,600

paranormal conspiracy because they asks

316

00:14:25,980 --> 00:14:22,120

a lot of questions and there's not a lot

317

00:14:27,870 --> 00:14:25,990

of answers and so it's a great break in

318

00:14:29,280 --> 00:14:27,880

its it's about basically people in the

319

00:14:30,870 --> 00:14:29,290

woods it doesn't deal with the

320

00:14:33,030 --> 00:14:30,880

government so much other than the

321

00:14:35,040 --> 00:14:33,040

National Park Service's which is the

322

00:14:37,019 --> 00:14:35,050

federal you know there's federal land

323

00:14:38,760 --> 00:14:37,029

and you know federal bureaucracy to deal

324

00:14:42,389 --> 00:14:38,770

with but it's the Park Service's so it's

325

00:14:44,699 --> 00:14:42,399

not like the the monolithic CIA or the

326

00:14:47,970 --> 00:14:44,709

FBI behind something so it's the Rangers

327

00:14:49,620 --> 00:14:47,980

you know so break him on with that that

328

00:14:51,150 --> 00:14:49,630

if that opens up their eyes a little bit

329

00:14:53,030 --> 00:14:51,160

they're gonna say oh it's mountain lions

330

00:14:55,560 --> 00:14:53,040

but there's there's stuff in there that

331

00:15:04,290 --> 00:14:55,570

they can't just brush off as mountain

332

00:15:06,000 --> 00:15:04,300

lions or bears check it out on Hulu

333

00:15:07,430 --> 00:15:06,010

there all right daddy I gotta let you go

334

00:15:09,540 --> 00:15:07,440

and move on a little bit all right bud

335

00:15:10,980 --> 00:15:09,550

can I do a real quick question you

336

00:15:15,780 --> 00:15:10,990

should just let me go after I ask this

337

00:15:21,630 --> 00:15:15,790

question here you said Cal Ripken or

338

00:15:24,480 --> 00:15:21,640

lando calrissian that because I read an

339

00:15:27,510 --> 00:15:24,490

article about it yeah what do you think

340

00:15:35,040 --> 00:15:27,520

ages of consent are on alien planets and

341

00:15:36,900 --> 00:15:35,050

why no warmth I mean when how I mean you

342

00:15:38,639 --> 00:15:36,910

just have sex as a droid as soon as

343

00:15:47,910 --> 00:15:38,649

there's off the assembly line I I don't

344

00:15:50,639 --> 00:15:47,920

know Mike this is stupid Star Wars

345

00:16:01,139 --> 00:15:50,649

hypothetical questions but okay thank

346

00:16:03,499 --> 00:16:01,149

you every night talking to people about

347

00:16:06,199 --> 00:16:03,509

conspiracies

348

00:16:10,519 --> 00:16:06,209

aren't open to the idea that the the

349

00:16:12,919 --> 00:16:10,529

official story or history isn't correct

350

00:16:16,519 --> 00:16:12,929

it's a challenging topic it certainly is

351
00:16:19,579 --> 00:16:16,529
it's a it certainly is 6 1 4 3 8 9 109

352
00:16:21,559 --> 00:16:19,589
and I'll I'll get on to I probably my

353
00:16:25,489 --> 00:16:21,569
last story of the night especially if I

354
00:16:29,919 --> 00:16:25,499
take any more phone calls and this was

355
00:16:31,819 --> 00:16:29,929
this was about the Loch Ness monster

356
00:16:34,759 --> 00:16:31,829
that's impossible

357
00:16:38,150 --> 00:16:34,769
a monster what this monster spotted

358
00:16:40,460 --> 00:16:38,160
lurking in a lake in China what does

359
00:16:42,650 --> 00:16:40,470
this thing's got a frequent flyer miles

360
00:16:43,850 --> 00:16:42,660
how's it getting to China they're not

361
00:16:44,900 --> 00:16:43,860
gonna let the Loch Ness monster on a

362
00:16:47,900 --> 00:16:44,910
plane that's for damn sure

363
00:16:50,449 --> 00:16:47,910

there's the Sun that resembles Nessie

364

00:16:54,400 --> 00:16:50,459

ding maybe a plesiosaur

365

00:16:56,989 --> 00:16:54,410

oh my god call her go ahead

366

00:16:58,669 --> 00:16:56,999

hey what's going on like it's Benny hey

367

00:17:01,489 --> 00:16:58,679

what's going on

368

00:17:03,309 --> 00:17:01,499

did uh did you call him for the missing

369

00:17:05,539 --> 00:17:03,319

411 dvd/blu-ray

370

00:17:06,289 --> 00:17:05,549

no but it didn't tell to talk about it

371

00:17:08,179 --> 00:17:06,299

okay great

372

00:17:10,490 --> 00:17:08,189

hey I wanted to see what you thought

373

00:17:12,679 --> 00:17:10,500

about it I know you liked it but did you

374

00:17:15,079 --> 00:17:12,689

like it in comparison to the books and

375

00:17:17,289 --> 00:17:15,089

all I mean it seems like it left a lot

376

00:17:20,960 --> 00:17:17,299

out to just appease the masses bro I

377

00:17:23,240 --> 00:17:20,970

believe that you know when trying to

378

00:17:24,980 --> 00:17:23,250

market a movie especially a documentary

379

00:17:26,990 --> 00:17:24,990

about something like missing 411 they

380

00:17:30,320 --> 00:17:27,000

had to angle it a certain way and I

381

00:17:32,930 --> 00:17:30,330

think of it more as a murder mystery and

382

00:17:35,299 --> 00:17:32,940

I believe because they saw the

383

00:17:37,340 --> 00:17:35,309

popularity of the Netflix series making

384

00:17:41,930 --> 00:17:37,350

how to make a murderer making a murderer

385

00:17:43,940 --> 00:17:41,940

and that was very very popular as Verte

386

00:17:46,070 --> 00:17:43,950

went viral and people love that so I

387

00:17:47,659 --> 00:17:46,080

think they try to do something like that

388

00:17:49,879 --> 00:17:47,669

when missing for 11 and I think they

389

00:17:52,370 --> 00:17:49,889

missed a mark when trying to explore the

390

00:17:56,600 --> 00:17:52,380

paranormal side of stuff and focus too

391

00:17:57,830 --> 00:17:56,610

much on like it being a kidnapping or

392

00:17:59,870 --> 00:17:57,840

murder mystery they did include some

393

00:18:01,669 --> 00:17:59,880

parents nothing they include the Lester

394

00:18:02,870 --> 00:18:01,679

house and talking about Bigfoot and they

395

00:18:06,680 --> 00:18:02,880

didn't but they didn't really go into

396

00:18:09,560 --> 00:18:06,690

UFOs or portals or as crazy we can go

397

00:18:11,240 --> 00:18:09,570

but overall that one case where those

398

00:18:14,269 --> 00:18:11,250

climbers were climbing up the mountain

399

00:18:15,220 --> 00:18:14,279

and they were abseiling I guess or going

400

00:18:17,260 --> 00:18:15,230

up or whatever

401
00:18:19,299 --> 00:18:17,270
and the rope which slack and one guy

402
00:18:20,890 --> 00:18:19,309
disappeared well they went back down to

403
00:18:22,480 --> 00:18:20,900
look for him and he just completely

404
00:18:23,740 --> 00:18:22,490
disappeared you know something simple

405
00:18:25,750 --> 00:18:23,750
like that would have been easy to

406
00:18:27,760 --> 00:18:25,760
discuss you know would have been and it

407
00:18:29,710 --> 00:18:27,770
kind of points out that like something

408
00:18:32,669 --> 00:18:29,720
random is happening something crazy

409
00:18:35,740 --> 00:18:32,679
yeah I really and I've gone back and

410
00:18:37,840 --> 00:18:35,750
listened to a few of the do place

411
00:18:40,090 --> 00:18:37,850
interviews since then even with our bail

412
00:18:40,780 --> 00:18:40,100
and you know I you should be proud of

413
00:18:42,549 --> 00:18:40,790

the movie I

414

00:18:44,590 --> 00:18:42,559

there's obviously cases that I would

415

00:18:47,140 --> 00:18:44,600

have chose over some of the ones that

416

00:18:49,060 --> 00:18:47,150

they featured in the in the movie but

417

00:18:52,150 --> 00:18:49,070

overall well produced I hope he does

418

00:18:53,470 --> 00:18:52,160

another one me too I hope so too hope he

419

00:18:56,039 --> 00:18:53,480

goes into the death you know like the

420

00:18:58,090 --> 00:18:56,049

Jared Adair old case where the the

421

00:19:00,700 --> 00:18:58,100

searchers have been searching that trail

422

00:19:03,070 --> 00:19:00,710

for like weeks on end and then also the

423

00:19:05,080 --> 00:19:03,080

tree falls across the trail that they've

424

00:19:06,990 --> 00:19:05,090

been traveling in and out and his skull

425

00:19:09,520 --> 00:19:07,000

capped is found on top of that tree

426

00:19:12,850 --> 00:19:09,530

laying down across the thing what

427

00:19:15,220 --> 00:19:12,860

there's so many bizarre bizarre little

428

00:19:17,260 --> 00:19:15,230

things even the there's a hiker that I

429

00:19:20,770 --> 00:19:17,270

believe it was over in Europe that he

430

00:19:22,780 --> 00:19:20,780

was a very skilled skier and he went off

431

00:19:24,549 --> 00:19:22,790

the path and then they found him almost

432

00:19:26,350 --> 00:19:24,559

completely naked without any snowshoes

433

00:19:28,240 --> 00:19:26,360

on after about a week and they were

434

00:19:29,650 --> 00:19:28,250

reports that he was seen of on top of

435

00:19:32,380 --> 00:19:29,660

the mound there's this bizarre things

436

00:19:35,530 --> 00:19:32,390

I'm glad they did feature like the they

437

00:19:39,370 --> 00:19:35,540

focused on little kids because that is

438

00:19:41,409 --> 00:19:39,380

that's that's that's a type of person a

439

00:19:43,210 --> 00:19:41,419

little person that would not have a real

440

00:19:45,010 --> 00:19:43,220

reason to run away from their family

441

00:19:46,750 --> 00:19:45,020

into the woods you know usually when a

442

00:19:48,159 --> 00:19:46,760

kid runs away like I'm running away from

443

00:19:51,130 --> 00:19:48,169

home but then they immediately you know

444

00:19:53,140 --> 00:19:51,140

they they they turn back so it's not

445

00:19:54,850 --> 00:19:53,150

there's no other motive they're not

446

00:19:56,289 --> 00:19:54,860

trying to go off and start a new life or

447

00:19:57,940 --> 00:19:56,299

they're not running away from a bad

448

00:20:01,240 --> 00:19:57,950

marriage or financial problems they're

449

00:20:02,710 --> 00:20:01,250

just innocent kids to go dissipating in

450

00:20:05,830 --> 00:20:02,720

the woods which I understand they focus

451
00:20:07,780 --> 00:20:05,840
on that because it's very compelling but

452
00:20:09,400 --> 00:20:07,790
there's that make sense financially I

453
00:20:10,990 --> 00:20:09,410
just it was just kind of frustrating

454
00:20:12,190 --> 00:20:11,000
after reading all the books and looking

455
00:20:13,990 --> 00:20:12,200
through all the cases you like wow

456
00:20:15,850 --> 00:20:14,000
that's the stories you pick the one that

457
00:20:18,130 --> 00:20:15,860
could be solved you know that one there

458
00:20:19,299 --> 00:20:18,140
was that one with the like like it could

459
00:20:21,610 --> 00:20:19,309
have been a murder or it could have been

460
00:20:23,169 --> 00:20:21,620
like it was really shady I can't

461
00:20:25,060 --> 00:20:23,179
remember the whole case in the movie but

462
00:20:26,530 --> 00:20:25,070
it was like there's a bunch of people

463
00:20:27,909 --> 00:20:26,540

involved and it seems like somebody

464

00:20:29,170 --> 00:20:27,919

disappeared and it seems like a real

465

00:20:31,960 --> 00:20:29,180

shady situation like

466

00:20:34,210 --> 00:20:31,970

I just got taken out or yeah or whatever

467

00:20:36,850 --> 00:20:34,220

there was one that was featured in the

468

00:20:39,610 --> 00:20:36,860

movie that it and David Plato said it

469

00:20:42,190 --> 00:20:39,620

was a very new case but it happened in a

470

00:20:45,010 --> 00:20:42,200

national park and had some of the the

471

00:20:47,080 --> 00:20:45,020

characteristics of a missing 411 case so

472

00:20:48,610 --> 00:20:47,090

they included it because it was new and

473

00:20:50,440 --> 00:20:48,620

they had the mother and the father that

474

00:20:53,230 --> 00:20:50,450

was there there was an uncle involved

475

00:20:55,630 --> 00:20:53,240

and there was I don't think it was

476

00:20:57,010 --> 00:20:55,640

completely fleshed out as as well as

477

00:20:58,150 --> 00:20:57,020

some of the other stories featured in

478

00:21:01,000 --> 00:20:58,160

his book and I think that was a little

479

00:21:03,700 --> 00:21:01,010

bit of a misstep but I understand what

480

00:21:05,140 --> 00:21:03,710

he was trying to do yeah well you got to

481

00:21:06,880 --> 00:21:05,150

make that money back they spent a lot of

482

00:21:09,220 --> 00:21:06,890

money on that yeah it looks great it's a

483

00:21:09,790 --> 00:21:09,230

well produced movie yeah they did a

484

00:21:11,110 --> 00:21:09,800

really good job

485

00:21:13,540 --> 00:21:11,120

I'm definitely impressed with the

486

00:21:15,430 --> 00:21:13,550

production yeah you got anything else

487

00:21:19,660 --> 00:21:15,440

we're talking about this Chinese Loch

488

00:21:28,420 --> 00:21:19,670

Ness monster no no go ahead hold you up

489

00:21:30,070 --> 00:21:28,430

all right thank you all right I'm gonna

490

00:21:31,930 --> 00:21:30,080

read a little bit about this then I open

491

00:21:34,300 --> 00:21:31,940

up the phone lines for the last part of

492

00:21:36,600 --> 00:21:34,310

the show I'll play this video even

493

00:21:38,740 --> 00:21:36,610

though it is god-awful I watch this

494

00:21:40,690 --> 00:21:38,750

though they have good like high

495

00:21:41,530 --> 00:21:40,700

resolution cell phones in China they

496

00:21:44,530 --> 00:21:41,540

should have some pretty awesome

497

00:21:47,160 --> 00:21:44,540

technology in China to capture video and

498

00:21:53,560 --> 00:21:47,170

all I'm see all the superior here is

499

00:22:10,080 --> 00:21:59,799

it's not even it's not even 480p this is

500

00:22:16,419 --> 00:22:14,169

alright the footage filmed by tourists

501
00:22:17,970 --> 00:22:16,429
in the China probe and in a Chinese

502
00:22:20,740 --> 00:22:17,980
province my name pronounced it

503
00:22:22,630 --> 00:22:20,750
apparently shows a 30-foot dark object

504
00:22:25,270 --> 00:22:22,640
moving in the deep dark waters on

505
00:22:25,870 --> 00:22:25,280
Tuesday one of the horse can be heard

506
00:22:29,080 --> 00:22:25,880
screaming

507
00:22:31,870 --> 00:22:29,090
really there it is there it is the Beast

508
00:22:33,580 --> 00:22:31,880
is built as the Chinese equivalent to

509
00:22:37,539 --> 00:22:33,590
Nessie and has been spotted numerous

510
00:22:48,970 --> 00:22:37,549
times over the years there is a worker

511
00:22:52,270 --> 00:22:48,980
at the cancer that spotted the monster

512
00:22:54,940 --> 00:22:52,280
in the scenic spot on the lake and 2018

513
00:22:57,280 --> 00:22:54,950

in 2012 worker claims his video caught

514

00:23:00,880 --> 00:22:57,290

the Beast swimming on the surface but

515

00:23:03,520 --> 00:23:00,890

this is not the only Nessie to have been

516

00:23:04,960 --> 00:23:03,530

spotted abroad shocking photographs and

517

00:23:08,940 --> 00:23:04,970

pictures of Loch Ness monster type

518

00:23:12,240 --> 00:23:08,950

beasts can be found on the US beaches

519

00:23:15,039 --> 00:23:12,250

like I think in also Lake Champlain

520

00:23:18,070 --> 00:23:15,049

called champ the mister creature was

521

00:23:21,370 --> 00:23:18,080

spotted found a wolf island in the state

522

00:23:24,070 --> 00:23:21,380

of Georgia so all over the world there

523

00:23:27,700 --> 00:23:24,080

are reports of these Lawton s type

524

00:23:30,400 --> 00:23:27,710

creatures mystery footage shows what

525

00:23:35,260 --> 00:23:30,410

looks like an icy sea creature weaving

526
00:23:39,820 --> 00:23:35,270
through the Alaskan Kenna River chai

527
00:23:44,019 --> 00:23:39,830
Shana river yeah okay they're all over

528
00:23:52,749 --> 00:23:48,839
of this kind of Plesiosaurus kind of

529
00:23:56,499 --> 00:23:52,759
nestled a creature of here in Siberia

530
00:23:59,259 --> 00:23:56,509
I don't I really wish there is some

531
00:24:01,209 --> 00:23:59,269
close-up of this a high-resolution all

532
00:24:04,060 --> 00:24:01,219
are getting this brainy [h__h] over and

533
00:24:05,499 --> 00:24:04,070
over again but that you can take a look

534
00:24:06,729 --> 00:24:05,509
at it the links are in the description

535
00:24:09,879 --> 00:24:06,739
you've got to take a look at this story

536
00:24:12,940 --> 00:24:09,889
and the the grainy and ultra compressed

537
00:24:15,399 --> 00:24:12,950
photos of these uh these nasty light

538
00:24:17,769 --> 00:24:15,409

creatures 6.43 dating now 109 I'm

539

00:24:25,119 --> 00:24:17,779

getting out of here real soon that power

540

00:24:31,169 --> 00:24:25,129

outage really got me down ain't that the

541

00:24:38,979 --> 00:24:31,179

truth brother hey Linda what did you say

542

00:24:42,129 --> 00:24:38,989

what have we here oh hey hey Bill what's

543

00:24:44,669 --> 00:24:42,139

going on so much man in Australia you

544

00:24:48,369 --> 00:24:44,679

know dragna this lawsuit thing

545

00:24:49,779 --> 00:24:48,379

well yeah it's uh I gotta be honest

546

00:24:53,200 --> 00:24:49,789

being dragged into the lawsuit is not

547

00:24:56,009 --> 00:24:53,210

tops my list of things to have occur in

548

00:24:59,799 --> 00:24:56,019

my life yeah man I'm sorry you know uh

549

00:25:04,060 --> 00:24:59,809

you know I just you know had people call

550

00:25:05,349 --> 00:25:04,070

cuz I love the show and a big shot we

551

00:25:07,810 --> 00:25:05,359

all want to look like a big shot I want

552

00:25:10,690 --> 00:25:07,820

to be a big shot podcaster and meanwhile

553

00:25:14,109 --> 00:25:10,700

I'm being harassed by by the likes of

554

00:25:15,820 --> 00:25:14,119

you and in all your cohorts yeah sorry

555

00:25:18,459 --> 00:25:15,830

man they just you know just trying to

556

00:25:20,259 --> 00:25:18,469

help the show cuz I'm a fan oh well I

557

00:25:25,029 --> 00:25:20,269

appreciate your enthusiasm I really do

558

00:25:26,829 --> 00:25:25,039

bill I like it when you call up and just

559

00:25:32,259 --> 00:25:26,839

talk about conspiracy theories in

560

00:25:37,119 --> 00:25:32,269

paranormal stuff that's cool I like that

561

00:25:40,719 --> 00:25:37,129

I like that bill okay I can do that can

562

00:25:42,729 --> 00:25:40,729

play that okay oh yeah I think people

563

00:25:44,349 --> 00:25:42,739

they like your shenanigans a little bit

564

00:25:46,209 --> 00:25:44,359

but sometimes can go a little too far I

565

00:25:49,450 --> 00:25:46,219

think you actually have a good input

566

00:25:54,700 --> 00:25:49,460

like on on all the craziness of the

567

00:25:57,820 --> 00:25:54,710

world I try to I try to you know but you

568

00:26:00,340 --> 00:25:57,830

know with this suit you know I

569

00:26:02,500 --> 00:26:00,350

kind of tamper down and focus on trying

570

00:26:07,799 --> 00:26:02,510

to pay this off but how much how much

571

00:26:15,820 --> 00:26:07,809

how much is this suit it's only like 1.5

572

00:26:19,480 --> 00:26:15,830

billion you know sorry 1.5 million okay

573

00:26:23,470 --> 00:26:19,490

is that the conduct dollars or us

574

00:26:23,980 --> 00:26:23,480

I think it's pounds so now that's a lot

575

00:26:26,680 --> 00:26:23,990

of money

576

00:26:29,380 --> 00:26:26,690

oh yeah right yeah I guess so you just

577

00:26:34,360 --> 00:26:29,390

convert it do you have that kind of cash

578

00:26:37,419 --> 00:26:34,370

laying around maybe some Bitcoin maybe

579

00:26:40,120 --> 00:26:37,429

half of it Bitcoin but after that I'm

580

00:26:43,000 --> 00:26:40,130

gonna have to start pulling some strings

581

00:26:45,700 --> 00:26:43,010

and getting creative I think did you

582

00:26:49,600 --> 00:26:45,710

know when I was 18 I had a silver dollar

583

00:26:53,889 --> 00:26:49,610

collection oh yeah do you still have it

584

00:26:55,690 --> 00:26:53,899

I I don't but if I guess if I had a

585

00:26:56,919 --> 00:26:55,700

silver dollar collection when I was 18

586

00:26:57,340 --> 00:26:56,929

that might that's over might be worth

587

00:26:59,789 --> 00:26:57,350

some money

588

00:27:03,250 --> 00:26:59,799

would you believe what I was 18 I had a

589

00:27:08,940 --> 00:27:03,260

silver dollar collection exactly just

590

00:27:11,830 --> 00:27:08,950

like Frank Estanza did you know what

591

00:27:14,080 --> 00:27:11,840

happens refused to indulge this person

592

00:27:16,840 --> 00:27:14,090

and they're stupid and silly nonsensical

593

00:27:19,600 --> 00:27:16,850

lawsuit can you be thrown in jail of UK

594

00:27:22,330 --> 00:27:19,610

jail I mean they could or they can like

595

00:27:25,480 --> 00:27:22,340

you know you know go after me from war

596

00:27:27,490 --> 00:27:25,490

and stuff like that maybe Bob travelled

597

00:27:29,710 --> 00:27:27,500

travel there kind of thing yeah not

598

00:27:31,529 --> 00:27:29,720

shoot not too sure not having the

599

00:27:35,049 --> 00:27:31,539

lawyers working I had to actually cancel

600

00:27:38,169 --> 00:27:35,059

my my manager I had to let him go to for

601
00:27:40,210 --> 00:27:38,179
the lawyer well listen yeah I know you

602
00:27:42,070 --> 00:27:40,220
you're your manager that you hired for

603
00:27:43,600 --> 00:27:42,080
the i heart radio thing probably cost

604
00:27:45,190 --> 00:27:43,610
you a pretty penny and i guy i'm saying

605
00:27:49,750 --> 00:27:45,200
you got to cut money where you can

606
00:27:53,860 --> 00:27:49,760
it's it's exactly it stopped yeah yeah

607
00:27:55,810 --> 00:27:53,870
but you know that DVD bite that bluing

608
00:27:57,610 --> 00:27:55,820
might help you have that blu-ray still I

609
00:27:58,840 --> 00:27:57,620
do I have the blue area here missing for

610
00:28:01,080 --> 00:27:58,850
11 blu-ray you probably can sell this

611
00:28:07,330 --> 00:28:01,090
for a million bucks

612
00:28:10,120 --> 00:28:07,340
okay movie Ron else in oh yeah put aside

613
00:28:11,710 --> 00:28:10,130

to a maybe okay you know but I don't

614

00:28:14,019 --> 00:28:11,720

think it's gonna help it

615

00:28:15,879 --> 00:28:14,029

the dent in this built a thing yeah I

616

00:28:17,470 --> 00:28:15,889

think you're gonna go fund me or a

617

00:28:20,560 --> 00:28:17,480

Kickstarter for this I can't help you

618

00:28:22,330 --> 00:28:20,570

out here bill yeah I got to do something

619

00:28:25,690 --> 00:28:22,340

yeah I'll figure something apparently

620

00:28:27,369 --> 00:28:25,700

I'm being sued too I I have yet to get

621

00:28:28,629 --> 00:28:27,379

the legal documents in the in the in the

622

00:28:30,869 --> 00:28:28,639

mail I'm sure it's probably taken after

623

00:28:34,180 --> 00:28:30,879

time because it's coming from overseas

624

00:28:35,619 --> 00:28:34,190

because I'm in Canada and to put your

625

00:28:39,430 --> 00:28:35,629

closer I think you're technically closer

626

00:28:42,070 --> 00:28:39,440

to the okay yeah yeah yeah yeah sorry my

627

00:28:44,649 --> 00:28:42,080

K I you know I'm just trying to you know

628

00:28:46,509 --> 00:28:44,659

liven up the show because you know yet

629

00:28:49,539 --> 00:28:46,519

you're having these call you know you

630

00:28:51,279 --> 00:28:49,549

have the calls from mr. Howell about

631

00:28:52,980 --> 00:28:51,289

whether or not your friends gonna rent

632

00:28:55,720 --> 00:28:52,990

out to him that kind of thing yeah and

633

00:28:57,850 --> 00:28:55,730

that can only take you so far so you

634

00:29:00,460 --> 00:28:57,860

know I figured I could liven up the show

635

00:29:02,680 --> 00:29:00,470

but it looks like it's a you know the

636

00:29:03,519 --> 00:29:02,690

path to hell is paved with good

637

00:29:05,440 --> 00:29:03,529

intentions

638

00:29:08,169 --> 00:29:05,450

you're absolutely correct they're

639

00:29:12,669 --> 00:29:08,179

absolutely correct their goals forgiven

640

00:29:19,060 --> 00:29:12,679

okay all right thanks Mike what happens

641

00:29:20,259 --> 00:29:19,070

653
00:30:01,930 --> 00:29:57,789

668

00:31:33,539 --> 00:31:30,990

okay you're here yeah I guess you might

669

00:31:35,490 --> 00:31:33,549

be I'm a little bit of a delay yes right

670

00:31:39,269 --> 00:31:35,500

listen Mike we made such strong words

671

00:31:41,669 --> 00:31:39,279

yes what we need to have very strong

672

00:31:44,879 --> 00:31:41,679

words about strokey bail because he's

673

00:31:50,249 --> 00:31:44,889

doing magic oh my god okay what was what

674

00:31:52,860 --> 00:31:50,259

now well here's my time it's boring and

675

00:31:55,889 --> 00:31:52,870

it's got the most annoying voice my

676
00:31:58,139 --> 00:31:55,899
voice probably is annoying both his bird

677
00:32:00,930 --> 00:31:58,149
is absolutely irritating the life out of

678
00:32:02,850 --> 00:32:00,940
me well let's be fair to stroke you then

679
00:32:04,799 --> 00:32:02,860
he actually had a he had a stroke it's

680
00:32:05,879 --> 00:32:04,809
not as I mean he had a TS problem

681
00:32:16,850 --> 00:32:05,889
speaking because he has a medical

682
00:32:20,070 --> 00:32:16,860
condition I don't know what's going on

683
00:32:24,869 --> 00:32:20,080
soggy education programs in America

684
00:32:30,419 --> 00:32:24,879
Gemini's well maybe it's a fake ID and

685
00:32:31,919 --> 00:32:30,429
that's all about look I don't know so I

686
00:32:34,110 --> 00:32:31,929
don't know what the guys angle is this

687
00:32:34,619 --> 00:32:34,120
guy Ricky bill sometimes he's up to no

688
00:32:36,509 --> 00:32:34,629

good

689

00:32:42,570 --> 00:32:36,519

I don't endorse what he does I don't

690

00:32:43,360 --> 00:32:42,580

think doing it he put the link for his

691

00:32:45,670 --> 00:32:43,370

website

692

00:32:50,050 --> 00:32:45,680

on my YouTube page do you really what do

693

00:32:53,140 --> 00:32:50,060

694

00:32:54,730 --> 00:32:53,150

Chinese thank you I get a bit drunk and

695

00:33:01,330 --> 00:32:54,740

then start thinking I can sing I can

696

00:33:05,740 --> 00:33:03,790

well I I tell you what I told bill I

697

00:33:07,540 --> 00:33:05,750

like it when he calls I mean just talks

698

00:33:09,100 --> 00:33:07,550

about conspiracy stuff and paranormal

699

00:33:19,240 --> 00:33:09,110

stuff we don't need to get all goofy

700

00:33:24,960 --> 00:33:19,250

with a bunch of stuff you know no it's

701

00:33:34,090 --> 00:33:27,340

I've never been to be okay I'm never

702

00:33:37,210 --> 00:33:34,100

gonna go it's probably a very lovely

703

00:33:39,490 --> 00:33:37,220

place I just uh maybe at some point in

704

00:33:46,300 --> 00:33:39,500

the future I would love to go idea some

705

00:33:49,300 --> 00:33:46,310

friends there I'm going like where the

706

00:33:51,820 --> 00:33:49,310

Beatles used to know about no Abbey Road

707

00:33:57,420 --> 00:33:51,830

chip-chip Oh get some tea and crumpets

708

00:33:59,890 --> 00:33:57,430

together no need to talk about seriously

709

00:34:02,530 --> 00:33:59,900

thank you for England you keep doing the

710

00:34:04,990 --> 00:34:02,540

cockney accent which is Rwandan and we

711

00:34:12,180 --> 00:34:05,000

don't like that well here's the thing

712

00:34:16,210 --> 00:34:12,190
