

NIGHT TALK
with
MIDNIGHT MIKE

1
00:00:06,460 --> 00:00:13,280

yeah hello

2
00:00:28,450 --> 00:00:22,510

[Music]

3
00:00:31,240 --> 00:00:28,460

guys we're just gonna have a great time

4
00:00:42,810 --> 00:00:31,250

together the staff can't believe you

5
00:00:55,590 --> 00:00:45,940

let's [\h__\h] hook that [\h__\h] and we'll

6
00:01:33,419 --> 00:01:28,940

[Music]

7
00:01:36,150 --> 00:01:33,429

everyone welcome back to another night

8
00:01:38,980 --> 00:01:36,160

talk lie

9
00:01:41,230 --> 00:01:38,990

[Music]

10
00:01:44,800 --> 00:01:41,240

I'm your host midnight Mike

11
00:01:46,719 --> 00:01:44,810

[Music]

12
00:01:52,170 --> 00:01:46,729

and I'll be with you for the next 55

13
00:02:01,600 --> 00:01:52,180

minutes you may be 58 minutes

14

00:02:07,240 --> 00:02:03,880

and we're just a ball a lot of fun

15

00:02:09,730 --> 00:02:07,250

tonight okay we just gotta have a great

16

00:02:12,580 --> 00:02:09,740

time you guys it's a great time together

17

00:02:15,550 --> 00:02:12,590

this afternoon this evening this morning

18

00:02:18,420 --> 00:02:15,560

whatever you might be listening to this

19

00:02:21,060 --> 00:02:18,430

I appreciate you check out the show

20

00:02:25,890 --> 00:02:21,070

we've got a lot of topics to talk about

21

00:02:28,170 --> 00:02:25,900

we've got the Star Wars to talk about

22

00:02:33,370 --> 00:02:28,180

sexuality with install Mars we have

23

00:02:37,270 --> 00:02:33,380

cryptozoological news coming at you some

24

00:02:40,300 --> 00:02:37,280

new store is some weird strange I woods

25

00:02:44,110 --> 00:02:40,310

and counters from across the globe we're

26

00:02:46,050 --> 00:02:44,120

talking about that and I believe we

27

00:02:48,520 --> 00:02:46,060

might even have some time to takes me

28

00:02:51,910 --> 00:02:48,530

phone calls from everyone out there

29

00:02:57,720 --> 00:02:51,920

possibly come on oh my is correct

30

00:03:00,280 --> 00:02:57,730

oh me oh my that's what I say it's uh

31

00:03:04,000 --> 00:03:00,290

this could be a tremendously fun show I

32

00:03:07,180 --> 00:03:04,010

can feel it I can feel that right now

33

00:03:12,729 --> 00:03:07,190

and I wouldn't [h__h] yeah not one bit

34

00:03:16,090 --> 00:03:12,739

yeah no no not one bit so let's go ahead

35

00:03:18,400 --> 00:03:16,100

and get on over there tease some news

36

00:03:27,699 --> 00:03:18,410

why not come on school come on come with

37

00:03:30,490 --> 00:03:27,709

me we're not any kind of Time Warp we

38

00:03:35,130 --> 00:03:30,500

slid right on over that to our first

39

00:03:41,500 --> 00:03:35,140

story of the eaves of the evenings and

40

00:03:46,210 --> 00:03:41,510

that is Lando Calrissian is pansexual

41

00:03:48,160 --> 00:03:46,220

says solo co-writer and they've got a

42

00:03:53,020 --> 00:03:48,170

new movie coming out this week han Solo

43

00:03:54,970 --> 00:03:53,030

a Star Wars story and a lot of hype

44

00:03:57,280 --> 00:03:54,980

around this and there's also been a lot

45

00:03:59,979 --> 00:03:57,290

of controversy around Star Wars as of

46

00:04:03,310 --> 00:03:59,989

late since a Disney's ownership about

47

00:04:06,430 --> 00:04:03,320

pushing pushing pushing pushing certain

48

00:04:07,930 --> 00:04:06,440

agendas some people are fans of it some

49

00:04:12,010 --> 00:04:07,940

people are not but this is the story

50

00:04:15,320 --> 00:04:12,020

it's comes from polygon calm it doesn't

51
00:04:17,570 --> 00:04:15,330
say it's a big day for Lando han shipper

52
00:04:20,479 --> 00:04:17,580
Linda kerosene one of Star Wars most

53
00:04:23,240 --> 00:04:20,489
popular characters has recently has

54
00:04:27,620 --> 00:04:23,250
recently reimagined by the actor Donald

55
00:04:30,140 --> 00:04:27,630
Glover is pansexual Jonathan Caston the

56
00:04:32,840 --> 00:04:30,150
co-writer of the upcoming solo a Star

57
00:04:35,090 --> 00:04:32,850
Wars story and son of legendary Star

58
00:04:37,630 --> 00:04:35,100
Wars writer Lourdes Catherine told her

59
00:04:40,460 --> 00:04:37,640
from Huffington Post that Lando is

60
00:04:43,540 --> 00:04:40,470
pansexual meaning that he is not limited

61
00:04:46,600 --> 00:04:43,550
in sexual choice with regard to

62
00:04:50,510 --> 00:04:46,610
biological sex gender or gender identity

63
00:04:52,970 --> 00:04:50,520

according to one definition there's a

64

00:04:55,850 --> 00:04:52,980

fluidity to Donald and Billy Dee's

65

00:04:58,340 --> 00:04:55,860

portrayal of Lando sexuality constant

66

00:05:00,970 --> 00:04:58,350

told The Huffington Post I mean I would

67

00:05:04,130 --> 00:05:00,980

have loved to gotten more explicitly

68

00:05:07,160 --> 00:05:04,140

LGBT characters into the movie I think

69

00:05:09,740 --> 00:05:07,170

it's time certainly for that and I love

70

00:05:12,910 --> 00:05:09,750

the fluidity sort of the spectrum of

71

00:05:18,020 --> 00:05:12,920

sexuality that Donald appears to and

72

00:05:22,130 --> 00:05:18,030

that droids are a part of interesting he

73

00:05:26,480 --> 00:05:22,140

throws in droids as some kind of gender

74

00:05:29,570 --> 00:05:26,490

or sexual fluidity okay questions about

75

00:05:31,880 --> 00:05:29,580

lando sexuality are aren't new but this

76

00:05:33,920 --> 00:05:31,890

was but this is the first time someone

77

00:05:36,110 --> 00:05:33,930

who worked on Star Wars is addressing

78

00:05:39,050 --> 00:05:36,120

the conversation it's understandable

79

00:05:43,370 --> 00:05:39,060

Solo is full of scenes between Han Solo

80

00:05:46,070 --> 00:05:43,380

and Lando that can be deemed flirty the

81

00:05:48,590 --> 00:05:46,080

to have unquestionable connection so

82

00:05:51,670 --> 00:05:48,600

Kasten remarkably remarking upon Londa

83

00:05:56,210 --> 00:05:51,680

Lando's perceived sexuality makes sense

84

00:05:57,890 --> 00:05:56,220

but I wonder how Donald Glover uh views

85

00:06:00,830 --> 00:05:57,900

this and you know these are kids movies

86

00:06:03,170 --> 00:06:00,840

you know I don't I never really you

87

00:06:05,030 --> 00:06:03,180

know cared about someone's sexuality in

88

00:06:07,659 --> 00:06:05,040

Star Wars that much I mean the biggest

89

00:06:09,860 --> 00:06:07,669

kind of sexual thing that went on is

90

00:06:12,409 --> 00:06:09,870

orkhon sexual controversy that really

91

00:06:14,860 --> 00:06:12,419

happened in Star Wars is when when Luke

92

00:06:17,270 --> 00:06:14,870

kicked it kissed his sister Leia and

93

00:06:18,980 --> 00:06:17,280

turned out to be you know brother and

94

00:06:21,260 --> 00:06:18,990

sister that was like very controversial

95

00:06:24,770 --> 00:06:21,270

you know we'll incest stuff going on now

96

00:06:28,550 --> 00:06:24,780

we have Lando who's willing to bang

97

00:06:29,119 --> 00:06:28,560

anything and I wonder if they told him

98

00:06:30,619 --> 00:06:29,129

up front

99

00:06:32,989 --> 00:06:30,629

they told Donna Glover upfront like hey

100

00:06:35,089 --> 00:06:32,999

by the way your your your character is

101
00:06:37,879 --> 00:06:35,099
pansexual he's he's attracted to

102
00:06:41,329 --> 00:06:37,889
multiple different things and in genders

103
00:06:45,350 --> 00:06:41,339
and and species I would imagine in the

104
00:06:49,159 --> 00:06:45,360
Star Wars cosmos and not just not just

105
00:06:53,199 --> 00:06:49,169
women and to have scenes were that that

106
00:06:56,509 --> 00:06:53,209
could be a little flirty with with Han

107
00:06:58,609 --> 00:06:56,519
that could be a little a little weird I

108
00:07:02,600 --> 00:06:58,619
would suppose least though from a

109
00:07:04,070 --> 00:07:02,610
context of Star Wars what have we here

110
00:07:07,719 --> 00:07:04,080
what would he say that

111
00:07:11,659 --> 00:07:07,729
would win Lando now say that to Han Solo

112
00:07:15,409 --> 00:07:11,669
what if what if Han Solo could like is

113
00:07:17,149 --> 00:07:15,419

not able to perform it wasn't like he

114

00:07:22,129 --> 00:07:17,159

was this kind of being in a

115

00:07:22,790 --> 00:07:22,139

unintentional flirty with with Lando we

116

00:07:25,100 --> 00:07:22,800

don't know that

117

00:07:28,159 --> 00:07:25,110

come on handle but it don't let me know

118

00:07:31,219 --> 00:07:28,169

oh he might han old buddy might let you

119

00:07:33,079 --> 00:07:31,229

down that very well could be the case

120

00:07:35,329 --> 00:07:33,089

with Lando I mean he doesn't know he's

121

00:07:38,540 --> 00:07:35,339

hitting out everything hey hey Lando

122

00:07:41,509 --> 00:07:38,550

here's the rancor what do you say hello

123

00:07:44,569 --> 00:07:41,519

what have we here okay Lando you're

124

00:07:46,579 --> 00:07:44,579

attracted to drank or hey Lando here's

125

00:07:48,799 --> 00:07:46,589

the Sarlacc you know that Sarlacc pit

126

00:07:50,989 --> 00:07:48,809

from a Return of the Jedi with a big

127

00:07:56,359 --> 00:07:50,999

hole in the sand what do you think about

128

00:07:59,540 --> 00:07:56,369

this [h__h] everything at this point

129

00:08:02,329 --> 00:07:59,550

I don't know I just thought he was a

130

00:08:07,040 --> 00:08:02,339

gambler and he'd had administrative

131

00:08:10,339 --> 00:08:07,050

duties up on up on the Bespin the Cloud

132

00:08:14,480 --> 00:08:10,349

City are you telling me he was attracted

133

00:08:18,139 --> 00:08:14,490

to dearth Vader possibly what yeah maybe

134

00:08:19,759 --> 00:08:18,149

whoa what have we here this this is this

135

00:08:21,499 --> 00:08:19,769

is getting to be a little bit too much I

136

00:08:25,399 --> 00:08:21,509

just want Star Wars to be like a nice

137

00:08:27,679 --> 00:08:25,409

fantasy sci-fi thing listen my stories

138

00:08:30,819 --> 00:08:27,689

and I don't care about people's

139

00:08:34,990 --> 00:08:30,829

sexuality they want to be gay fine I am

140

00:08:39,870 --> 00:08:35,000

that's fine I don't I don't care I mean

141

00:08:44,990 --> 00:08:41,639

but yes a lot of adults are watching

142

00:08:51,050 --> 00:08:45,000

them at this point I'm watching them I

143

00:08:55,740 --> 00:08:51,060

guess begrudgingly I guess I mean I

144

00:08:58,680 --> 00:08:55,750

wasn't a super big fan of uh of the last

145

00:09:01,019 --> 00:08:58,690

Jedi but I watched it it's fine six one

146

00:09:04,980 --> 00:09:01,029

four three eight eight nine one oh nine

147

00:09:08,069 --> 00:09:04,990

I guess I'll take your opinions on Star

148

00:09:12,509 --> 00:09:08,079

Wars and the pansexual nature of Lando

149

00:09:15,389 --> 00:09:12,519

Calrissian hey Lando there is an

150

00:09:18,329 --> 00:09:15,399

assassin robot coming after you IG 88

151

00:09:21,150 --> 00:09:18,339

what do you think hello what have we

152

00:09:23,509 --> 00:09:21,160

here exactly exactly the guy is so

153

00:09:25,800 --> 00:09:23,519

smooth he's gonna [h__h] the entire galaxy

154

00:09:27,749 --> 00:09:25,810

that's just the way it is the guy's

155

00:09:29,879 --> 00:09:27,759

smooth Billie Dean was smooth I'm sure

156

00:09:32,639 --> 00:09:29,889

Donald Glover does a great job of being

157

00:09:37,450 --> 00:09:32,649

smooth I'm sure he doesn't a fantastic

158

00:09:43,780 --> 00:09:41,530

oh no boy we've gotta give him more time

159

00:09:46,960 --> 00:09:43,790

whoo hon so we gotta get more time to

160

00:09:48,790 --> 00:09:46,970

get it up well I guess we got to get on

161

00:09:49,960 --> 00:09:48,800

some more time to get it up that's fine

162

00:09:53,200 --> 00:09:49,970

we can do that

163

00:09:54,730 --> 00:09:53,210

no pressure we don't want any pressure

164

00:09:56,350 --> 00:09:54,740

you know we don't need sort of

165

00:09:58,750 --> 00:09:56,360

performance issues between you and Han

166

00:10:01,360 --> 00:09:58,760

Solo that's that's for damn sure

167

00:10:07,000 --> 00:10:01,370

come on handle but it don't let me know

168

00:10:09,519 --> 00:10:07,010

okay okay I do have some

169

00:10:13,180 --> 00:10:09,529

cryptozoological news coming up maybe we

170

00:10:15,970 --> 00:10:13,190

will we'll sweep on over to some crypto

171

00:10:25,570 --> 00:10:15,980

zoos yeah sure let's do it that's an

172

00:10:31,960 --> 00:10:25,580

Alex Jones quote oh no I wanted this yo

173

00:10:34,300 --> 00:10:31,970

and just to start things off with a just

174

00:10:37,870 --> 00:10:34,310

some I guess regular cryptozoological

175

00:10:40,030 --> 00:10:37,880

news something not as a not like Bigfoot

176

00:10:42,329 --> 00:10:40,040

or Mothman this is something a little

177

00:10:46,000 --> 00:10:42,339

difference comes from foxnews.com

178

00:10:49,360 --> 00:10:46,010

mysterious 20-foot sea creature covered

179

00:10:52,540 --> 00:10:49,370

in shaggy hair washes up on the

180

00:10:54,690 --> 00:10:52,550

Philippines Beach I take a look at that

181

00:10:58,060 --> 00:10:54,700

thing look I mean this this thing's

182

00:11:01,410 --> 00:10:58,070

[h__\h] disgusting it looks like it

183

00:11:10,290 --> 00:11:04,560

Rando hello what have we here of course

184

00:11:12,210 --> 00:11:10,300

a giant hairy sea creature washed up in

185

00:11:16,820 --> 00:11:12,220

the Philippines over the weekend causing

186

00:11:19,560 --> 00:11:16,830

locals to flock to the San Antonio San

187

00:11:24,110 --> 00:11:19,570

Antonio beach to snap pictures of the

188

00:11:28,950 --> 00:11:24,120

mysterious blob that many dub the

189

00:11:30,510 --> 00:11:28,960

globster the creature I'm sorry the

190

00:11:32,850 --> 00:11:30,520

carcass of the animal which measured

191

00:11:35,220 --> 00:11:32,860

about 20 feet long according to the son

192

00:11:37,470 --> 00:11:35,230

was spotted on Friday a video of the

193

00:11:38,640 --> 00:11:37,480

massive grayish white creature was

194

00:11:41,460 --> 00:11:38,650

posted to YouTube

195

00:11:45,060 --> 00:11:41,470

the next day showing two men with ropes

196

00:11:47,460 --> 00:11:45,070

working together to pull the monster out

197

00:11:53,280 --> 00:11:47,470

of the water and might have some audio

198

00:11:54,960 --> 00:11:53,290

of what that may have sounded like yeah

199

00:11:57,450 --> 00:11:54,970

I guess there is some Boston guys down

200

00:11:58,860 --> 00:11:57,460

there working on this JJ we could get

201
00:12:02,150 --> 00:11:58,870
some big money for that if it's a

202
00:12:05,640 --> 00:12:02,160
[h__h] fish buddy come on that's right

203
00:12:07,350 --> 00:12:05,650
many residents considered the arrival of

204
00:12:11,250 --> 00:12:07,360
such an unusual creature to be a bad

205
00:12:12,990 --> 00:12:11,260
omen it has been told that when

206
00:12:15,660 --> 00:12:13,000
creatures from the deepest parts of the

207
00:12:20,330 --> 00:12:15,670
ocean start appearing something bad will

208
00:12:22,410 --> 00:12:20,340
happen ok well there's been a lot of a

209
00:12:24,780 --> 00:12:22,420
lot of earthquakes there's a lot of

210
00:12:26,070 --> 00:12:24,790
volcanoes as of late on the the Pacific

211
00:12:28,320 --> 00:12:26,080
Rim and I guess the Philippines are

212
00:12:32,130 --> 00:12:28,330
considered to be on the Pacific Rim yes

213
00:12:36,900 --> 00:12:32,140

so I think so an earthquake is heading

214

00:12:38,580 --> 00:12:36,910

for oriental mindoro the big

215

00:12:40,380 --> 00:12:38,590

Gloucester's a sign of something bad

216

00:12:44,220 --> 00:12:40,390

coming please pray for us another

217

00:12:46,620 --> 00:12:44,230

resident tam Malini added fishery law

218

00:12:49,200 --> 00:12:46,630

enforcement officer of Vox cruise Donna

219

00:12:50,730 --> 00:12:49,210

told the British newspaper that samples

220

00:12:53,130 --> 00:12:50,740

of the sea creature would be collected

221

00:12:54,990 --> 00:12:53,140

for further analysis however based on

222

00:12:57,780 --> 00:12:55,000

the size and shape of this creature and

223

00:13:02,010 --> 00:12:57,790

what marine experts have observed thus

224

00:13:06,000 --> 00:13:02,020

far they said that they can they can

225

00:13:07,410 --> 00:13:06,010

confirm it's the body of a whale it's

226

00:13:10,200 --> 00:13:07,420

the body of a whale look at that thing

227

00:13:13,800 --> 00:13:10,210

there there it is right there on the

228

00:13:15,700 --> 00:13:13,810

screen it is disgusting looking it's

229

00:13:20,030 --> 00:13:15,710

just like like

230

00:13:24,290 --> 00:13:20,040

I'm just like white rope slimy white

231

00:13:26,050 --> 00:13:24,300

rope but 20 feet long and this looks

232

00:13:28,100 --> 00:13:26,060

disgusting

233

00:13:30,230 --> 00:13:28,110

this isn't the first time the the

234

00:13:32,300 --> 00:13:30,240

globster has a pop up on land is that in

235

00:13:34,490 --> 00:13:32,310

February of 2017 a similar-looking

236

00:13:37,940 --> 00:13:34,500

creature also washed ashore in the

237

00:13:38,570 --> 00:13:37,950

Philippines just off the ding gap

238

00:13:43,760 --> 00:13:38,580

Islands

239

00:13:46,130 --> 00:13:43,770

you go there's this some disgusting

240

00:13:51,590 --> 00:13:46,140

pictures online of this of this stuff

241

00:13:54,560 --> 00:13:51,600

and but I do like this I do like the the

242

00:13:58,340 --> 00:13:54,570

bad omen thing and everything that going

243

00:14:02,560 --> 00:13:58,350

on in Hawaii with the volcanoes and and

244

00:14:05,750 --> 00:14:02,570

all that so oh boy just just god-awful

245

00:14:08,870 --> 00:14:05,760

absolutely god-awful and then we have

246

00:14:10,640 --> 00:14:08,880

this uh you know white creature that the

247

00:14:13,970 --> 00:14:10,650

Linda Christian is gonna [h__h] apparently

248

00:14:17,620 --> 00:14:13,980

oh yeah let's [h__h] hook that [h__h] and

249

00:14:20,630 --> 00:14:17,630

we'll be on the [h__h] news man da yes

250

00:14:20,630 --> 00:14:20,640

yes

251

00:14:24,620 --> 00:14:22,940

all right there's the globster there's

252

00:14:28,610 --> 00:14:24,630

the globster new six one four three

253

00:14:33,110 --> 00:14:28,620

eight eight nine 109 I'll be mostly I

254

00:14:35,930 --> 00:14:33,120

have to take your phone calls mostly all

255

00:14:38,230 --> 00:14:35,940

right meanwhile yeah meanwhile and we'll

256

00:14:46,280 --> 00:14:38,240

transition over to our next story

257

00:14:49,850 --> 00:14:46,290

featuring Bigfoot oh yes some Bigfoot

258

00:14:52,639 --> 00:14:49,860

news we all love Bigfoot news I try to

259

00:14:55,699 --> 00:14:52,649

stay current on the Bigfoot news a scour

260

00:14:58,639 --> 00:14:55,709

the internet for the latest sightings

261

00:15:02,000 --> 00:14:58,649

try to get some video you know when

262

00:15:04,490 --> 00:15:02,010

possible a lot of blurry trail cams or

263

00:15:07,699 --> 00:15:04,500

nothing's in focus or it's awful the

264

00:15:11,840 --> 00:15:07,709

Bigfoots off in the distance usually at

265

00:15:14,060 --> 00:15:11,850

some around a picnic or something no no

266

00:15:15,470 --> 00:15:14,070

one's really focused on them but we

267

00:15:17,990 --> 00:15:15,480

could hope for some clear video at some

268

00:15:20,960 --> 00:15:18,000

point in time and I believe that there

269

00:15:23,300 --> 00:15:20,970

is some mouth to mouth up on a jack

270

00:15:25,370 --> 00:15:23,310

harries web site paranormal intelligence

271

00:15:29,300 --> 00:15:25,380

comm and it really combed through the

272

00:15:32,060 --> 00:15:29,310

archives and suit he has here I'll bring

273

00:15:34,009 --> 00:15:32,070

this uh this news story on screen so you

274

00:15:38,199 --> 00:15:34,019

can all read along at home if you wish

275

00:15:42,439 --> 00:15:40,400

there's a video that's gonna start here

276

00:15:45,259 --> 00:15:42,449

I'm not sure if this is going to be one

277

00:15:50,820 --> 00:15:45,269

of those videos words and music or if

278

00:16:00,630 --> 00:15:55,560

no idea there's a video and nothing's

279

00:16:00,640 --> 00:16:09,290

I hear train noises

280

00:16:14,620 --> 00:16:12,310

sciencing from a train okay jiseop the

281

00:16:16,769 --> 00:16:14,630

11:17

282

00:16:20,379 --> 00:16:16,779

was a bright rhaggy morning on November

283

00:16:25,180 --> 00:16:20,389

okay and I was in a train from Exeter to

284

00:16:27,309 --> 00:16:25,190

Bristol approximately 11:30 a.m. the

285

00:16:30,370 --> 00:16:27,319

rush hour at least home and there was

286

00:16:33,759 --> 00:16:30,380

probably only about 30 to 40 people on

287

00:16:36,189 --> 00:16:33,769

the platform and the train rolled in the

288

00:16:39,519 --> 00:16:36,199

journey was smooth and I was bright and

289

00:16:42,040 --> 00:16:39,529

the sun was shining down boom we had

290

00:16:44,350 --> 00:16:42,050

branched away from the motorway and were

291

00:16:46,660 --> 00:16:44,360

between the hills and fields in the

292

00:16:49,930 --> 00:16:46,670

forest land

293

00:16:53,230 --> 00:16:49,940

in my courage was probably unto 12

294

00:16:55,240 --> 00:16:53,240

people most of them work with their head

295

00:16:58,420 --> 00:16:55,250

in either the mobile phones or the

296

00:16:59,580 --> 00:16:58,430

morning papers I haven't been on a train

297

00:17:02,380 --> 00:16:59,590

PDA

298

00:17:14,020 --> 00:17:02,390

he's gonna give it a pour not like this

299

00:17:16,090 --> 00:17:14,030

I don't know [h__\h] what a bike hey what's

300

00:17:19,780 --> 00:17:16,100

going on who do I have a pleasure

301

00:17:23,860 --> 00:17:19,790

pleasure of talking wish that's my crew

302

00:17:26,949 --> 00:17:23,870

Nebraska man hey how you doing oh pretty

303

00:17:28,300 --> 00:17:26,959

good man just [h__h] working right now

304

00:17:29,590 --> 00:17:28,310

having a smoke break

305

00:17:34,720 --> 00:17:29,600

oh yeah what kind of what are you

306

00:17:36,820 --> 00:17:34,730

smoking oh just tobacco's I know what

307

00:17:40,330 --> 00:17:36,830

kind of what kind of what your secret of

308

00:17:41,950 --> 00:17:40,340

choice oh well my cigarette of choice

309

00:17:45,300 --> 00:17:41,960

would probably be like a Marlboro red

310

00:17:48,990 --> 00:17:45,310

but right now I'm smoking pipe tobacco

311

00:17:52,300 --> 00:17:49,000

in top cubes I wrote my own right now oh

312

00:17:52,780 --> 00:17:52,310

yeah this come on what is what's on your

313

00:17:56,170 --> 00:17:52,790

mind tonight

314

00:17:57,670 --> 00:17:56,180

oh not much what are you guys talking

315

00:18:00,360 --> 00:17:57,680

about I can't [h__h] listen here oh

316

00:18:03,190 --> 00:18:00,370

it's just me I've been talking about

317

00:18:04,900 --> 00:18:03,200

strange creatures and vibrator I'm

318

00:18:07,150 --> 00:18:04,910

trying to break into this account of

319

00:18:10,810 --> 00:18:07,160

this woman in the UK seen a Bigfoot I

320

00:18:13,720 --> 00:18:10,820

also talked about the sexuality being in

321

00:18:16,480 --> 00:18:13,730

Star Wars and how Lando Calrissian is

322

00:18:21,870 --> 00:18:16,490

his pansexual which means that he will

323

00:18:25,930 --> 00:18:21,880

have sex with pretty much anyone so like

324

00:18:27,910 --> 00:18:25,940

anyone and any a like any alien like I'm

325

00:18:30,520 --> 00:18:27,920

assuming so I mean I'm assuming he's not

326

00:18:33,460 --> 00:18:30,530

gonna be speciesist and like only have

327

00:18:39,520 --> 00:18:33,470

sex with other human or humanoids the he

328

00:18:41,050 --> 00:18:39,530

might have sex with an Ewok I think the

329

00:18:42,880 --> 00:18:41,060

tauntaun is technically considered an

330

00:18:44,830 --> 00:18:42,890

animal and I would consider be

331

00:18:46,510 --> 00:18:44,840

considered bestiality and I don't think

332

00:18:50,230 --> 00:18:46,520

bland does that kind of guy I'm gonna

333

00:18:54,190 --> 00:18:50,240

give him the benefit did you see the did

334

00:18:55,780 --> 00:18:54,200

you I think it comes out Wednesday night

335

00:18:58,280 --> 00:18:55,790

it I think it comes out this Wednesday

336

00:19:03,410 --> 00:19:00,380

nice I want to see it even though I know

337

00:19:05,660 --> 00:19:03,420

it's gonna suck I am cautiously

338

00:19:07,070 --> 00:19:05,670

optimistic I you know I I want there to

339

00:19:09,260 --> 00:19:07,080

be good Star Wars movies but I had

340

00:19:11,870 --> 00:19:09,270

asserted as a certain side of me wants

341

00:19:16,220 --> 00:19:11,880

it to flop so they can readjust course

342

00:19:17,840 --> 00:19:16,230

and have bug start fresh again I don't

343

00:19:19,730 --> 00:19:17,850

know I think it's impossible to start

344

00:19:22,040 --> 00:19:19,740

fresh but at least have some sort of

345

00:19:23,660 --> 00:19:22,050

plan the way Marvel and the Avengers

346

00:19:25,250 --> 00:19:23,670

have a plan because I don't see that

347

00:19:26,990 --> 00:19:25,260

happening right now in this Star Wars

348

00:19:31,070 --> 00:19:27,000

universe or if they have one they're not

349

00:19:34,340 --> 00:19:31,080

being transparent right right yeah you

350

00:19:36,560 --> 00:19:34,350

know I liked the what was it force away

351

00:19:38,480 --> 00:19:36,570

kit or know what the [h__\h] there's a

352

00:19:40,490 --> 00:19:38,490

landing that the first one was the force

353

00:19:43,160 --> 00:19:40,500

awakens I mean you have the the most

354

00:19:45,680 --> 00:19:43,170

recent one the last Jedi yeah the last

355

00:19:47,150 --> 00:19:45,690

yet I I you know I like parts of it I

356

00:19:50,090 --> 00:19:47,160

really like the fight scenes and [h__\h]

357

00:19:53,870 --> 00:19:50,100

yes I thought they were pretty cool but

358

00:19:55,430 --> 00:19:53,880

I thought it was stupid how that chick

359

00:19:57,110 --> 00:19:55,440

saved that dude's life he should have

360

00:20:03,170 --> 00:19:57,120

just [h__\h] sacrificed himself like

361

00:20:04,550 --> 00:20:03,180

like he wanted to there's some overall

362

00:20:07,220 --> 00:20:04,560

is like I'm not gonna like you know

363

00:20:08,780 --> 00:20:07,230

totally diss the movie I found some

364

00:20:10,310 --> 00:20:08,790

parts enjoyable I just wish they would

365

00:20:14,240 --> 00:20:10,320

have used Luke Skywalker a different way

366

00:20:17,480 --> 00:20:14,250

and then some more how what do you say

367

00:20:19,910 --> 00:20:17,490

plot I like some more plot development

368

00:20:21,500 --> 00:20:19,920

and use some the crackers and some of

369

00:20:27,380 --> 00:20:21,510

these stories that were started in the

370

00:20:28,580 --> 00:20:27,390

first one a lot of risks with it last

371

00:20:28,910 --> 00:20:28,590

year I mean this throwing it out the

372

00:20:31,220 --> 00:20:28,920

window

373

00:20:36,590 --> 00:20:31,230

but whatever it's just a [h__\h] movie

374

00:20:41,300 --> 00:20:36,600

you know I'm talking about [h__\h] a

375

00:20:44,930 --> 00:20:41,310

Bengal yeah but yeah and I just wanted

376

00:20:47,330 --> 00:20:44,940

to go in and say hey [\h__\h] wait and

377

00:20:49,880 --> 00:20:47,340

say what's up I appreciate it Mike we

378

00:20:52,250 --> 00:20:49,890

were thinking of you I am honestly we

379

00:20:55,940 --> 00:20:52,260

are we were I thought about you today

380

00:20:57,200 --> 00:20:55,950

and I hope you're doing well actually we

381

00:20:58,670 --> 00:20:57,210

are we're doing a lot better we're

382

00:21:02,210 --> 00:20:58,680

supposed to be getting our own place

383

00:21:04,670 --> 00:21:02,220

here real quick and [\h__\h] got a job

384

00:21:06,980 --> 00:21:04,680

again so things are [\h__\h] looking up

385

00:21:09,920 --> 00:21:06,990

man good man I really I'm glad to hear

386

00:21:12,159 --> 00:21:09,930

that I really am oh yeah I appreciate

387

00:21:14,799 --> 00:21:12,169

the good thoughts brother no problem Hey

388

00:21:16,479 --> 00:21:14,809

can have a good Network all right I'm

389

00:21:19,170 --> 00:21:16,489

gonna download the show later and listen

390

00:21:25,169 --> 00:21:19,180

in all right take her easy guys Mike

391

00:21:32,769 --> 00:21:29,049

yeah there goes Mike from Nebraska

392

00:21:34,899 --> 00:21:32,779

he's a he I think playfully refers to

393

00:21:37,200 --> 00:21:34,909

himself as drugging Mike in the slack

394

00:21:39,700 --> 00:21:37,210

chat and I will I'm gonna release this

395

00:21:42,090 --> 00:21:39,710

this news nightcast' or night talk

396

00:21:45,009 --> 00:21:42,100

episode on the on the regular RSS feed

397

00:21:49,029 --> 00:21:45,019

for everyone since we Joe and I only did

398

00:21:51,609 --> 00:21:49,039

like an hour on Saturday an hour on last

399

00:21:55,479 --> 00:21:51,619

Wednesday so why not this will be a free

400

00:21:59,739 --> 00:21:55,489

one and but pretty much all the night

401
00:22:03,970 --> 00:21:59,749
talk audio only podcast go on the

402
00:22:05,830 --> 00:22:03,980
patreon \$3 a month private feed private

403
00:22:07,659 --> 00:22:05,840
RSS feed for subscribers over there but

404
00:22:12,970 --> 00:22:07,669
I have some additional content for you

405
00:22:15,840 --> 00:22:12,980
guys that will upload tonight okay sure

406
00:22:18,820 --> 00:22:15,850
I do have some additional stuff okay

407
00:22:21,129 --> 00:22:18,830
okay back to the the Bigfoot story and

408
00:22:22,509 --> 00:22:21,139
I'm sorry this this woman's just kind of

409
00:22:23,590 --> 00:22:22,519
rambling she's not getting tree she's

410
00:22:25,119 --> 00:22:23,600
talking about the first time she wrote a

411
00:22:26,499 --> 00:22:25,129
train and at first time she had dinner

412
00:22:28,359 --> 00:22:26,509
around her train the first time she use

413
00:22:31,989 --> 00:22:28,369

a toilet on a train who gives a [h__h]

414

00:22:35,349 --> 00:22:31,999

what about the goddamn UK Bigfoot the

415

00:22:37,180 --> 00:22:35,359

eyewitness said she he the eyewitness

416

00:22:40,659 --> 00:22:37,190

she talked he talking to the eyewitness

417

00:22:44,529 --> 00:22:40,669

said he was on a train from Exeter to

418

00:22:46,509 --> 00:22:44,539

Bristol Temple Meads which was

419

00:22:48,249 --> 00:22:46,519

approached to City on the break Friday

420

00:22:52,269 --> 00:22:48,259

morning in November last year when he

421

00:22:55,479 --> 00:22:52,279

saw a massive creature taking huge

422

00:22:58,330 --> 00:22:55,489

strides along the hedge grow the

423

00:22:59,739 --> 00:22:58,340

hedgerow I love these UK words I guess

424

00:23:02,499 --> 00:22:59,749

hedgerows a word I can technically use

425

00:23:04,989 --> 00:23:02,509

in America I don't often do the report

426
00:23:06,820 --> 00:23:04,999
was made to the British Bigfoot

427
00:23:08,889 --> 00:23:06,830
sightings group a team of researchers

428
00:23:11,409 --> 00:23:08,899
based around the country who collect and

429
00:23:13,749 --> 00:23:11,419
investigate sightings of upright hairy

430
00:23:17,200 --> 00:23:13,759
ape-like creatures in this country that

431
00:23:17,590 --> 00:23:17,210
being the UK the man reported that he

432
00:23:20,169 --> 00:23:17,600
left

433
00:23:22,029 --> 00:23:20,179
Exeter late in the morning and there

434
00:23:24,700 --> 00:23:22,039
were a few people on the train as it

435
00:23:27,730 --> 00:23:24,710
approached Bristol

436
00:23:30,850 --> 00:23:27,740
my carriage there was probably 10 to 12

437
00:23:33,100 --> 00:23:30,860
pipe Oh most of them with their heads

438
00:23:34,419 --> 00:23:33,110

either in the mobile phones or in

439

00:23:37,480 --> 00:23:34,429

morning newspaper

440

00:23:40,000 --> 00:23:37,490

he told researchers I haven't been on a

441

00:23:43,750 --> 00:23:40,010

train for years so I was claimed to take

442

00:23:46,510 --> 00:23:43,760

in the scenery I did about 10 miles from

443

00:23:49,450 --> 00:23:46,520

Bisto we were traveling through an area

444

00:23:51,880 --> 00:23:49,460

and in the fields - my raw I saw

445

00:23:54,549 --> 00:23:51,890

something large in the middle of field

446

00:23:58,510 --> 00:23:54,559

walking it was walking kind of hunched

447

00:24:02,350 --> 00:23:58,520

over all silly like and all I could tell

448

00:24:05,769 --> 00:24:02,360

you it was a black figure I saw like the

449

00:24:08,950 --> 00:24:05,779

Queen you're hunched over like he and a

450

00:24:12,010 --> 00:24:08,960

guess I always say was 1,700 me away

451
00:24:14,950 --> 00:24:12,020
from the Train it did it was in my eyes

452
00:24:18,250 --> 00:24:14,960
were glued on it I was watching the way

453
00:24:23,019 --> 00:24:18,260
the thing was walking almost taursus

454
00:24:25,450 --> 00:24:23,029
Cyril field did it was edged up to the

455
00:24:28,180 --> 00:24:25,460
hedgerow as if walking alongside a head

456
00:24:33,940 --> 00:24:28,190
itself almost like it was used in the

457
00:24:35,680 --> 00:24:33,950
hedge for cover it did okay as I spun my

458
00:24:38,200 --> 00:24:35,690
head to the left to see if anybody else

459
00:24:39,789 --> 00:24:38,210
in the train had seen why was looking at

460
00:24:42,730 --> 00:24:39,799
I was the privacy nobody was really

461
00:24:44,680 --> 00:24:42,740
looking out from the seats in my

462
00:24:47,769 --> 00:24:44,690
direction or any direction other than

463
00:24:49,120 --> 00:24:47,779

down okay well everyone slid on the

464

00:24:50,980 --> 00:24:49,130

mobile phones no one's taking in the

465

00:24:52,269 --> 00:24:50,990

scenery this guy's right no one's no

466

00:24:54,610 --> 00:24:52,279

one's taking in the surroundings

467

00:24:57,250 --> 00:24:54,620

everyone's on Facebook or on reddit

468

00:25:01,450 --> 00:24:57,260

tweeting away when you could be looking

469

00:25:05,380 --> 00:25:01,460

at Bigfoot going along the hedgerow the

470

00:25:07,299 --> 00:25:05,390

countryside uh okay well why did he

471

00:25:11,019 --> 00:25:07,309

shoulda took that his mobile and snapped

472

00:25:14,019 --> 00:25:11,029

a picture or a video but I don't know I

473

00:25:16,060 --> 00:25:14,029

I guess I'm kind of new to Bigfoot

474

00:25:17,350 --> 00:25:16,070

sightings in the UK there's something

475

00:25:19,750 --> 00:25:17,360

I'm probably have to dive into a little

476
00:25:22,810 --> 00:25:19,760
bit more I I guess I was kind of unaware

477
00:25:25,060 --> 00:25:22,820
that there were a bigfoot-like creatures

478
00:25:28,600 --> 00:25:25,070
a sasquatch in the UK and I don't know

479
00:25:32,350 --> 00:25:28,610
if they're they're called Sasquatch in

480
00:25:35,590 --> 00:25:32,360
the UK I know there's there are other

481
00:25:37,270 --> 00:25:35,600
cryptozoological creatures in the UK but

482
00:25:40,720 --> 00:25:37,280
I

483
00:25:43,630 --> 00:25:40,730
don't often encounter of stories for my

484
00:25:46,420 --> 00:25:43,640
witnesses yeah he goes on to say I'm

485
00:25:49,690 --> 00:25:46,430
100% sure what I saw was the English

486
00:25:51,100 --> 00:25:49,700
Bigfoot Oh English Bigfoot ie the

487
00:25:54,310 --> 00:25:51,110
Bigfoot stopped off for some tea and

488
00:25:57,610 --> 00:25:54,320

crumpets did it sure did and what makes

489

00:25:59,620 --> 00:25:57,620

me so confident is the way it walked it

490

00:26:01,480 --> 00:25:59,630

walked with the cane in a little bit of
