night talking about the two weeks oh yes

46

00:03:59,900 --> 00:03:57,750

sounds about right yeah it's the punch

47

00:04:01,220 --> 00:03:59,910

in my way through the darkness trying to

48

00:04:01,490 --> 00:04:01,230

bring some stories with good people out

49

00:04:04,220 --> 00:04:01,500

there

50

00:04:06,020 --> 00:04:04,230

what's happy to tell you yeah I was

51
00:04:11,000 --> 00:04:06,030
getting [h__h] so hard by my in

52
00:04:14,510 --> 00:04:11,010
shekharan Turin company yeah I got a

53
00:04:16,910 --> 00:04:14,520
upgraded over the the VW so the new car

54
00:04:20,630 --> 00:04:16,920
is on I put it my new insurance and drop

55
00:04:24,110 --> 00:04:20,640
the VW yeah and they wanted to change my

56
00:04:25,760 --> 00:04:24,120
insurance like up to its progressive and

57
00:04:28,250 --> 00:04:25,770
they wanted me to it would have been

58
00:04:30,530 --> 00:04:28,260
like a hundred and like seventy dollars

59
00:04:33,590 --> 00:04:30,540
a month for it and that's not like

60
00:04:35,180 --> 00:04:33,600
insane cover like like my I had a DUI

61
00:04:36,530 --> 00:04:35,190
was nineteen a my insurance like went up

62
00:04:44,800 --> 00:04:36,540
to like two hundred dollars a month to

63
00:04:49,280 --> 00:04:46,670

hundred and seventy a month I mean

64

00:04:51,200 --> 00:04:49,290

that's quite significant yeah so I get I

65

00:04:53,570 --> 00:04:51,210

just go to I just get a quote from Geico

66

00:04:55,460 --> 00:04:53,580

and I'm now paying for the same amount

67

00:04:57,890 --> 00:04:55,470

of coverage I'm pain like fifty eight

68

00:05:01,340 --> 00:04:57,900

dollars a month aggressive just fisting

69

00:05:04,370 --> 00:05:01,350

me yeah I uh I got the progressive I get

70

00:05:07,520 --> 00:05:04,380

charged about a hundred and eleven a

71

00:05:10,750 --> 00:05:07,530

month I got something close to DUI but I

72

00:05:13,400 --> 00:05:10,760

ran from the cops they couldn't find me

73

00:05:16,070 --> 00:05:13,410

outside next to the toilet in the

74

00:05:17,480 --> 00:05:16,080

restroom at Arby's that's right and they

75

00:05:19,670 --> 00:05:17,490

couldn't hear you just kept flushing got

76

00:05:22,790 --> 00:05:19,680

the left neutral said yeah to hide my

77

00:05:25,180 --> 00:05:22,800

presence it's a classic cloaking

78

00:05:28,460 --> 00:05:25,190

technique when running from the cops

79

00:05:30,020 --> 00:05:28,470

yeah yeah I mean look these insurance

80

00:05:30,650 --> 00:05:30,030

companies they'll get yet ten ways from

81

00:05:33,590 --> 00:05:30,660

Sunday

82

00:05:34,820 --> 00:05:33,600

but that's a significant drop so but how

83

00:05:37,760 --> 00:05:34,830

much you paid a month for insurance now

84

00:05:42,830 --> 00:05:37,770

like fifty eight bucks now geez

85

00:05:45,200 --> 00:05:42,840

for the same coverage yeah it's uh well

86

00:05:48,080 --> 00:05:45,210

I've collision liability full where we

87

00:05:49,790 --> 00:05:48,090

caught um you know fire or weather

88

00:05:51,860 --> 00:05:49,800

damage will recall that full coverage or

89

00:05:54,260 --> 00:05:51,870

total water I can't remember awesome

90

00:05:59,870 --> 00:05:54,270

comprehensive let's set your car on fire

91

00:06:01,790 --> 00:05:59,880

you're covered yes I'm is ready for

92

00:06:05,150 --> 00:06:01,800

insurance fraud that's for sure

93

00:06:06,830 --> 00:06:05,160

yes I like the way you think yeah well

94

00:06:07,670 --> 00:06:06,840

hey paying a hundred and twenty less a

95

00:06:09,920 --> 00:06:07,680

month

96

00:06:14,870 --> 00:06:09,930

can't go wrong Geico they're a great

97

00:06:16,400 --> 00:06:14,880

company how much do you think up into DC

98

00:06:19,159 --> 00:06:16,410

for the last two weekends in a row I

99

00:06:21,860 --> 00:06:19,169

went for well last I just got back from

100

00:06:23,749 --> 00:06:21,870

a friend's wedding and I went with I'll

101
00:06:25,490 --> 00:06:23,759
just say it I've had a girlfriend for a

102
00:06:29,090 --> 00:06:25,500
while now and I kind of a weekend before

103
00:06:31,219 --> 00:06:29,100
yeah it's all the questions they can

104
00:06:32,600 --> 00:06:31,229
answer about her though yeah but what do

105
00:06:36,700 --> 00:06:32,610
you hold you think of Manhattan cost to

106
00:06:39,050 --> 00:06:36,710
Washington DC hmm go out to big city

107
00:06:43,010 --> 00:06:39,060
Manhattan that's a that's a fancy boy

108
00:06:46,400 --> 00:06:43,020
drink I'm gonna say at least \$10 how

109
00:06:47,990 --> 00:06:46,410
about like 15 bucks for a Manhattan

110
00:06:50,240 --> 00:06:48,000
depends on where he got it was like

111
00:06:52,250 --> 00:06:50,250
between 12 and 15 dollars oh my god

112
00:06:56,750 --> 00:06:52,260
those are New York City prices right

113
00:06:58,760 --> 00:06:56,760

there for ya that was insane and as for

114

00:07:00,650 --> 00:06:58,770

the room at the Fairmont in like the bar

115

00:07:01,850 --> 00:07:00,660

tab I charged to my room it was it's

116

00:07:07,850 --> 00:07:01,860

good it's not gonna be pretty it could

117

00:07:12,020 --> 00:07:07,860

be they under bucks dude stop stop no

118

00:07:14,510 --> 00:07:12,030

stop going out I am for a long time not

119

00:07:16,820 --> 00:07:14,520

going out you you ordered drinks in your

120

00:07:19,370 --> 00:07:16,830

room at a hotel no we

121

00:07:21,740 --> 00:07:19,380

this is at the wedding we were out

122

00:07:23,180 --> 00:07:21,750

drinking at the bar downstairs Oh still

123

00:07:24,469 --> 00:07:23,190

oh no I pro rata

124

00:07:27,080 --> 00:07:24,479

I brought some Captain Morgan with me

125

00:07:28,850 --> 00:07:27,090

actually this is at the reception or

126

00:07:31,820 --> 00:07:28,860

after the reception action stop stop

127

00:07:34,070 --> 00:07:31,830

stop going out God why since I stopped

128

00:07:36,200 --> 00:07:34,080

drinking my alcohol bill as plummeted

129

00:07:38,960 --> 00:07:36,210

thank God

130

00:07:42,200 --> 00:07:38,970

it's it's ridiculous like I don't really

131

00:07:44,060 --> 00:07:42,210

drink when I go out to eat anymore under

132

00:07:46,339 --> 00:07:44,070

special occasions I'll have a drink but

133

00:07:50,060 --> 00:07:46,349

I really don't my in my alcohol bill has

134

00:07:52,520 --> 00:07:50,070

plummeted thank God yeah I'm gonna try

135

00:07:54,290 --> 00:07:52,530

to adopt that same policy because it

136

00:07:55,760 --> 00:07:54,300

just give you an insane insanely

137

00:07:57,219 --> 00:07:55,770

expensive if you even if you're having

138

00:08:01,640 --> 00:07:57,229

two drinks when you go out for dinner

139

00:08:04,580 --> 00:08:01,650

still it's no joke let's uh

140

00:08:06,170 --> 00:08:04,590

oh god it's enough alcohol talk and beer

141

00:08:09,320 --> 00:08:06,180

talk Oh God

142

00:08:12,290 --> 00:08:09,330

donate to the patreon in the show and I

143

00:08:16,790 --> 00:08:12,300

we're not gonna tell bill help call me

144

00:08:19,580 --> 00:08:16,800

he pays a hotel bill Jesus Christ let's

145

00:08:21,279 --> 00:08:19,590

continue yeah yeah we're gonna move on

146

00:08:30,339 --> 00:08:21,289

to our first story

147

00:08:33,639 --> 00:08:30,349

oh I could go on and on yeah yeah mr.

148

00:08:36,100 --> 00:08:33,649

Bill Clinton could go on and on but we

149

00:08:38,050 --> 00:08:36,110

mustn't go on on any more about that

150

00:08:41,409 --> 00:08:38,060

we'll go on and on about this first

151
00:08:45,249 --> 00:08:41,419
story paranormal expert art bell speaks

152
00:08:48,670 --> 00:08:45,259
from beyond the grave and a good member

153
00:08:49,449 --> 00:08:48,680
of our /at was kind enough to drop this

154
00:08:52,030 --> 00:08:49,459
in there

155
00:08:54,129 --> 00:08:52,040
and I'll bring it up on screen posthaste

156
00:08:56,410 --> 00:08:54,139
so everyone at home can play along and

157
00:09:00,430 --> 00:08:56,420
read and it's being brought up and

158
00:09:04,120 --> 00:09:00,440
screened right now please will you

159
00:09:05,559 --> 00:09:04,130
please display the article please it's

160
00:09:08,170 --> 00:09:05,569
pretty it's running a little slow so

161
00:09:09,999 --> 00:09:08,180
I'll break it open on my backup computer

162
00:09:11,530 --> 00:09:10,009
that's what I have have a backup

163
00:09:15,850 --> 00:09:11,540

computer to read the stories and play

164

00:09:20,550 --> 00:09:15,860

audio and I will do that right now okay

165

00:09:23,639 --> 00:09:20,560

so on screen and this says art was

166

00:09:26,710 --> 00:09:23,649

original in every sense of the word

167

00:09:28,870 --> 00:09:26,720

he was the first host of paranormal

168

00:09:30,670 --> 00:09:28,880

themed radio program Coast Coast AM art

169

00:09:32,110 --> 00:09:30,680

was a firm believer in paranormal

170

00:09:34,689 --> 00:09:32,120

related subjects including but not

171

00:09:37,750 --> 00:09:34,699

limited to aliens ghosts and more our

172

00:09:40,809 --> 00:09:37,760

bail lot our bail died this year back in

173

00:09:43,150 --> 00:09:40,819

April 13th 2018 when he has 73 years old

174

00:09:46,000 --> 00:09:43,160

Wow

175

00:09:48,430 --> 00:09:46,010

Hough paranormal I don't know what

176
00:09:50,430 --> 00:09:48,440
paranormal is a paranormal published a

177
00:09:53,340 --> 00:09:50,440
YouTube video documenting what is

178
00:09:55,860 --> 00:09:53,350
believed to be evidence that art Bell

179
00:09:59,139 --> 00:09:55,870
was communicating from beyond the grave

180
00:10:02,069 --> 00:09:59,149
it is both eerie and creepy yet the

181
00:10:04,809 --> 00:10:02,079
voice heard seems to resemble art Bell

182
00:10:07,329 --> 00:10:04,819
so let's let's see if I can actually

183
00:10:09,220 --> 00:10:07,339
play this there's a lot of a vlogger

184
00:10:12,790 --> 00:10:09,230
things going on I'll play this on screen

185
00:10:14,670 --> 00:10:12,800
and there's the Lincoln two in the

186
00:10:16,720 --> 00:10:14,680
description just sort of if you want to

187
00:10:21,900 --> 00:10:16,730
hear this make me a believer

188
00:10:25,540 --> 00:10:21,910

dad so this is a Larry King thing and to

189

00:10:26,740 --> 00:10:25,550

kind of give a little preface to what's

190

00:10:28,510 --> 00:10:26,750

going on here there are things that we

191

00:10:35,610 --> 00:10:28,520

don't know about

192

00:10:40,410 --> 00:10:38,910

in case arts but our bells rest in peace

193

00:10:52,460 --> 00:10:40,420

he speaks in the grave I'll play this

194

00:10:58,530 --> 00:10:57,480

okay so he's a art Bell was he's trying

195

00:11:00,740 --> 00:10:58,540

to communicate with this guy

196

00:11:03,030 --> 00:11:00,750

it's hard to talk with people over

197

00:11:05,070 --> 00:11:03,040

interdimensional portals and passageways

198

00:11:07,080 --> 00:11:05,080

what were they using to allegedly

199

00:11:11,490 --> 00:11:07,090

contact him it looks like a computer

200

00:11:15,230 --> 00:11:11,500

device and like a computer application a

201
00:11:17,490 --> 00:11:15,240
speaker and I I'm assuming some kind of

202
00:11:19,770 --> 00:11:17,500
receiver in some way I'll go ahead and

203
00:11:21,450 --> 00:11:19,780
continue to play this but obviously

204
00:11:23,490 --> 00:11:21,460
there's words in the screen describing

205
00:11:25,710 --> 00:11:23,500
what's going on which is a [h__h] video to

206
00:11:27,510 --> 00:11:25,720
do you shouldn't put this words in the

207
00:11:30,360 --> 00:11:27,520
screen describe the process in which

208
00:11:33,600 --> 00:11:30,370
you're communicating to our belt okay

209
00:11:36,030 --> 00:11:33,610
it's a video you sound not just pictures

210
00:11:40,860 --> 00:11:36,040
you piece of [h__h] art what do you see on

211
00:11:45,470 --> 00:11:44,010
did you see a gun show yeah dizzy he's

212
00:11:52,710 --> 00:11:45,480
watching the Avengers

213
00:11:55,230 --> 00:11:52,720

hi let's prove this you're talking you

214

00:12:05,880 --> 00:11:55,240

can help me prove this come

215

00:12:09,450 --> 00:12:05,890

what do you see art he says he thinks he

216

00:12:11,550 --> 00:12:09,460

sees he says a son and then he says I

217

00:12:13,590 --> 00:12:11,560

don't think it and so I'll continue

218

00:12:15,360 --> 00:12:13,600

oblivious this is I don't know what the

219

00:12:18,060 --> 00:12:15,370

technology that are exactly there's some

220

00:12:20,120 --> 00:12:18,070

kind of amplified speaker going into a

221

00:12:22,200 --> 00:12:20,130

computer to do some kind of

222

00:12:28,070 --> 00:12:22,210

interpretation of the sounds of scene

223

00:12:43,650 --> 00:12:31,320

okay our bell passed away Friday April

224

00:12:45,710 --> 00:12:43,660

13 2018 do you train come on art you can

225

00:12:52,460 --> 00:12:45,720

be heard

226

00:12:59,320 --> 00:12:52,470

you can does ad assist with this process

227

00:13:02,840 --> 00:12:59,330

have you met IDI who said how bizarre

228

00:13:05,810 --> 00:13:02,850

okay is there anything is there anything

229

00:13:07,790 --> 00:13:05,820

in this like if this is our Bell he's

230

00:13:10,880 --> 00:13:07,800

not really directly answering the

231

00:13:16,010 --> 00:13:10,890

questions being asked to to this by this

232

00:13:19,370 --> 00:13:16,020

guy he's just speaking in like non

233

00:13:21,770 --> 00:13:19,380

sequiturs so I'll fast forward a little

234

00:13:24,530 --> 00:13:21,780

bit here and maybe our Bell speaks

235

00:13:31,070 --> 00:13:24,540

clearly in responds in a timely in

236

00:13:33,920 --> 00:13:31,080

professional way he says and I to

237

00:13:39,680 --> 00:13:33,930

largest wonder box in I'm gonna unplug

238

00:13:46,580 --> 00:13:39,690

the soul box okay which has now wonder

239

00:13:50,050 --> 00:13:46,590

box here where are you calling on art

240

00:13:54,260 --> 00:13:50,060

Bell he passed away last night

241

00:13:55,540 --> 00:13:54,270

yes today

242

00:13:57,079 --> 00:13:55,550

[Applause]

243

00:14:00,860 --> 00:13:57,089

[Music]

244

00:14:02,420 --> 00:14:00,870

okay I'll have to scrub through some

245

00:14:05,269 --> 00:14:02,430

more but you know there's a couple

246

00:14:07,040 --> 00:14:05,279

different ways to contact the dead in it

247

00:14:08,689 --> 00:14:07,050

to get audio one of his one of the ways

248

00:14:10,670 --> 00:14:08,699

is just to flip through radio

249

00:14:13,160 --> 00:14:10,680

frequencies over and over again and then

250

00:14:16,879 --> 00:14:13,170

in between the channels and the static

251
00:14:20,840 --> 00:14:16,889
you're able to possibly hear voices and

252
00:14:24,559 --> 00:14:20,850
and and get some some voices and some

253
00:14:26,210 --> 00:14:24,569
maybe even legible sentences but not

254
00:14:27,980 --> 00:14:26,220
here so here's a guy explaining maybe

255
00:14:29,360 --> 00:14:27,990
what was going on he's actually talking

256
00:14:31,970 --> 00:14:29,370
about this device I wish she was doing

257
00:14:34,189 --> 00:14:31,980
this up front you just saw a short

258
00:14:36,769 --> 00:14:34,199
little session I did for art Bell I woke

259
00:14:40,009 --> 00:14:36,779
up this morning and had maybe 13 emails

260
00:14:42,610 --> 00:14:40,019
right off the bat asking if I can

261
00:14:45,079 --> 00:14:42,620
connect or try to connect with art bell

262
00:14:48,679 --> 00:14:45,089
art Bell was the original host and

263
00:14:50,299 --> 00:14:48,689

founder of coast to coast am if you're

264

00:14:54,100 --> 00:14:50,309

really into the paranormal you've heard

265

00:14:58,150 --> 00:14:54,110

out Art Bell at some point in your life

266

00:15:01,220 --> 00:14:58,160

he spoke about on his radio show go

267

00:15:02,960 --> 00:15:01,230

alright thank you very much for doing

268

00:15:06,679 --> 00:15:02,970

that but I wish there was something a

269

00:15:10,489 --> 00:15:06,689

little bit more discernible you know

270

00:15:12,530 --> 00:15:10,499

when when Houdini passed away he was he

271

00:15:16,929 --> 00:15:12,540

supposedly gave like a secret or code

272

00:15:19,460 --> 00:15:16,939

word to his wife in an effort to

273

00:15:21,139 --> 00:15:19,470

disprove channeling in some way and

274

00:15:23,259 --> 00:15:21,149

there's a lot of chant chandler's and

275

00:15:25,400 --> 00:15:23,269

mediums that claim to be in contact with

276

00:15:27,379 --> 00:15:25,410

with Houdini but I don't know that that

277

00:15:28,879 --> 00:15:27,389

secret word was ever passed to his wife

278

00:15:30,590 --> 00:15:28,889

or to the Chandler so they can

279

00:15:31,910 --> 00:15:30,600

communicate and I wish there is

280

00:15:33,530 --> 00:15:31,920

something just a little bit more it did

281

00:15:36,470 --> 00:15:33,540

sound like art bells voice but it was

282

00:15:38,660 --> 00:15:36,480

hard to tell it they programmed the the

283

00:15:39,949 --> 00:15:38,670

voice box to sound like that or if

284

00:15:42,350 --> 00:15:39,959

that's what's actually coming through I

285

00:15:44,389 --> 00:15:42,360

gotta figure out more about the device

286

00:15:49,040 --> 00:15:44,399

he used I'm just not familiar with that

287

00:15:54,079 --> 00:15:49,050

technology I've never seen that oh yeah

288

00:15:56,689 --> 00:15:54,089

look I'm into it in the chances Hough is

289

00:16:00,079 --> 00:15:56,699

one of the spirit box guys I'm not sure

290

00:16:02,449 --> 00:16:00,089

what a spirit box is um let me see if I

291

00:16:03,980 --> 00:16:02,459

can I can bring it open like I I'm like

292

00:16:05,600 --> 00:16:03,990

I'm into the paranormal but when it

293

00:16:09,450 --> 00:16:05,610

comes to contacting the dead or

294

00:16:12,030 --> 00:16:09,460

apparitions I don't know a lot about it

295

00:16:14,300 --> 00:16:12,040

does anybody know what I guess we can

296

00:16:18,150 --> 00:16:14,310

buy a spirit box on Amazon

297

00:16:18,660 --> 00:16:18,160

here it is we can buy for 70 bucks it's

298

00:16:21,240 --> 00:16:18,670

uh

299

00:16:24,420 --> 00:16:21,250

[Music]

300

00:16:26,579 --> 00:16:24,430

okay sounds intriguing I want to know

301

00:16:29,189 --> 00:16:26,589

what program he was running in his

302

00:16:34,439 --> 00:16:29,199

computer what do you think long baby

303

00:16:35,579 --> 00:16:34,449

what's going on um it's obviously being

304

00:16:36,269 --> 00:16:35,589

powered by the spirit there's no other

305

00:16:39,540 --> 00:16:36,279

explanation

306

00:16:40,439 --> 00:16:39,550

look I'm not I'm not against talking to

307

00:16:42,090 --> 00:16:40,449

the dead I think it's completely

308

00:16:43,590 --> 00:16:42,100

possible with with the way they do that

309

00:16:46,559 --> 00:16:43,600

I believe in the paranormal even

310

00:16:47,910 --> 00:16:46,569

contacting the dead in spirits I ain't I

311

00:16:50,970 --> 00:16:47,920

but I'd like I said I don't know if they

312

00:16:53,550 --> 00:16:50,980

program the thing to sound like our Bell

313

00:16:55,590 --> 00:16:53,560

or if there was some other entity that

314

00:16:57,300 --> 00:16:55,600

was sounding like art Bell

315

00:16:59,249 --> 00:16:57,310

I wasn't responding things directly or

316

00:17:01,410 --> 00:16:59,259

if it was a misinterpretation of the

317

00:17:04,049 --> 00:17:01,420

readings that are getting I don't know

318

00:17:07,409 --> 00:17:04,059

enough about the spirit box I'd like to

319

00:17:09,529 --> 00:17:07,419

know charts very accurate I don't know I

320

00:17:12,809 --> 00:17:09,539

don't know anything about this guy I

321

00:17:15,120 --> 00:17:12,819

want to believe him in fact I'll go on a

322

00:17:19,140 --> 00:17:15,130

little bit more I'm curious about this

323

00:17:22,679 --> 00:17:19,150

thing it's a celebration of our life

324

00:17:25,399 --> 00:17:22,689

here on earth and when we pass we cross

325

00:17:29,220 --> 00:17:25,409

over into that spiritual realm we cross

326

00:17:33,149 --> 00:17:29,230

into that light some of us and some

327

00:17:35,430 --> 00:17:33,159

cross into different areas sounds to me

328

00:17:37,919 --> 00:17:35,440

like art already has crossed over

329

00:17:40,470 --> 00:17:37,929

possibly or he is about to because they

330

00:17:42,620 --> 00:17:40,480

mentioned in that first try about them

331

00:17:45,210 --> 00:17:42,630

helping him and he had a heart and

332

00:17:48,750 --> 00:17:45,220

seemed like they knew about art Bell

333

00:17:51,510 --> 00:17:48,760

okay well I'm interested in this guy's I

334

00:17:53,730 --> 00:17:51,520

do a little bit more research on HUF

335

00:17:54,570 --> 00:17:53,740

paranormal and the spirit box sounds

336

00:17:57,270 --> 00:17:54,580

intriguing to me

337

00:18:02,430 --> 00:17:57,280

I wish the DRDO was just a little bit

338

00:18:03,779 --> 00:18:02,440

more precise and but who knows I guess

339

00:18:05,640 --> 00:18:03,789

when you're talking through dimensions

340

00:18:07,919 --> 00:18:05,650

it might not come across clearly I

341

00:18:09,240 --> 00:18:07,929

suppose

342

00:18:10,950 --> 00:18:09,250

six point four three eight eight nine

343

00:18:12,600 --> 00:18:10,960

109 Colin do you know anything about

344

00:18:14,880 --> 00:18:12,610

does anybody know about anything about

345

00:18:17,060 --> 00:18:14,890

the spirit box is there other other

346

00:18:22,680 --> 00:18:17,070

examples that you could post up of

347

00:18:25,169 --> 00:18:22,690

possibly something using the spirit box

348

00:18:29,010 --> 00:18:25,179

or someone using the spirit box and in

349

00:18:31,140 --> 00:18:29,020

in communicating with the spirits or

350

00:18:34,799 --> 00:18:31,150

ghosts that's you know a statement and

351
00:18:38,130 --> 00:18:34,809
they're questions that asked and a firm

352
00:18:40,799 --> 00:18:38,140
statement is is given back in response

353
00:18:42,990 --> 00:18:40,809
I'd like to know curious about that

354
00:18:45,510 --> 00:18:43,000
stuff you buy some ghost hunting kids oh

355
00:18:46,799 --> 00:18:45,520
I have no doubt about that clown baby I

356
00:18:49,860 --> 00:18:46,809
in fact I have it up on screen we can

357
00:18:52,799 --> 00:18:49,870
buy a spirit box right now for 70 bucks

358
00:18:55,620 --> 00:18:52,809
on amazon.com this one called the basic

359
00:18:57,960 --> 00:18:55,630
portal I found for \$600 I think I'll go

360
00:19:01,409 --> 00:18:57,970
this 70 dollar model right now

361
00:19:04,649 --> 00:19:01,419
yeah what's the basic portal do I sign

362
00:19:07,049 --> 00:19:04,659
ghost hunters equipment by ghost

Augustin ghost hunters equipment calm

364

00:19:11,460 --> 00:19:08,860

let's look at the basic portal here yes

365

00:19:14,960 --> 00:19:11,470

700 bucks it's built to order usually it

366

00:19:22,820 --> 00:19:19,729

okay well good portal is an amplifier

367

00:19:25,279 --> 00:19:22,830

enhancer to use with a spirit box oh so

368

00:19:27,649 --> 00:19:25,289

this is like head onto it amplifies a

369

00:19:30,049 --> 00:19:27,659

radio signal for better volume reduces

370

00:19:33,440 --> 00:19:30,059

noise created between radio signals and

371

00:19:35,659 --> 00:19:33,450

walls sweeping and enhance the final

372

00:19:37,549 --> 00:19:35,669

signal with a reverb effect just plug

373

00:19:40,789 --> 00:19:37,559

your device into a unit with the

374

00:19:46,940 --> 00:19:40,799

included cable the basic poro just has

375

00:19:48,320 --> 00:19:46,950

just the basic components inaudible I

376

00:19:49,879 --> 00:19:48,330

don't I would want to add reverb you

377

00:19:52,460 --> 00:19:49,889

like I like what you shouldn't add

378

00:19:54,799 --> 00:19:52,470

reverb to stuff to make it sound spooky

379

00:19:57,200 --> 00:19:54,809

as I'm talking through reverb right now

380

00:19:58,999 --> 00:19:57,210

you don't want to add reverb to stuff

381

00:20:00,469 --> 00:19:59,009

because it makes it harder to understand

382

00:20:04,359 --> 00:20:00,479

what the person saying it's an effect

383

00:20:08,089 --> 00:20:04,369

typically used on vocals for music and

384

00:20:11,739 --> 00:20:08,099

sometimes [h__\h] talk radio host like Rush

385

00:20:14,749 --> 00:20:11,749

Limbaugh he'll use reverb like this

386

00:20:17,210 --> 00:20:14,759

sometimes like this a little bit more

387

00:20:19,999 --> 00:20:17,220

distant well yeah I don't know why they

388

00:20:22,450 --> 00:20:20,009

would add reverb as a feature to talk to

389

00:20:24,639 --> 00:20:22,460

the other side it makes things in

390

00:20:26,839 --> 00:20:24,649

unintelligible a little more so okay

391

00:20:29,299 --> 00:20:26,849

alright we'll move on to the next story

392

00:20:30,710 --> 00:20:29,309

so obviously I'm just pontificating

393

00:20:34,250 --> 00:20:30,720

about what this thing can and can't do

394

00:20:34,260 --> 00:20:41,230

I could go on and on yeah okay

395

00:20:46,540 --> 00:20:44,380

okay um I guess I should have done more

396

00:20:52,360 --> 00:20:46,550

research on that one

397

00:20:55,270 --> 00:20:52,370

you're right so I guess that's for day

398

00:21:00,460 --> 00:20:55,280

I'm sure right I got another story here

399

00:21:04,180 --> 00:21:00,470

for everyone this is military before

400

00:21:08,530 --> 00:21:04,190

UFOs may have attempted to rendezvous

401
00:21:11,530 --> 00:21:08,540
with giant undersea object beneath water

402
00:21:15,270 --> 00:21:11,540
the ocean and this comes from the

403
00:21:19,380 --> 00:21:17,160
oh my god and they're playing music

404
00:21:21,240 --> 00:21:19,390
they're playing a video and music with

405
00:21:24,870 --> 00:21:21,250
text on it oh my god we just love that

406
00:21:27,510 --> 00:21:24,880
don't we new details are emerging about

407
00:21:29,160 --> 00:21:27,520
efo sighting recorded by the US military

408
00:21:33,360 --> 00:21:29,170
in the waters off the coast of

409
00:21:37,190 --> 00:21:33,370
California 14 years ago and the 2004

410
00:21:39,870 --> 00:21:37,200
incident involving the tick-tack UFO

411
00:21:42,150 --> 00:21:39,880
named because it was a fast-moving white

412
00:21:44,370 --> 00:21:42,160
object that resembled one of the Mint's

413
00:21:47,210 --> 00:21:44,380

was first revealed late last year by the

414

00:21:52,590 --> 00:21:47,220

New York Times and The Washington Post

415

00:21:54,240 --> 00:21:52,600

k.a RKL a.s the CBS affiliate in Las

416

00:21:58,290 --> 00:21:54,250

Vegas obtained a copy of the report

417

00:21:59,970 --> 00:21:58,300

prepared by and for the military in 2009

418

00:22:03,600 --> 00:21:59,980

that details multiple interactions with

419

00:22:06,270 --> 00:22:03,610

anomalous aerial vehicles over for over

420

00:22:08,340 --> 00:22:06,280

two weeks in late 2004 the report also

421

00:22:10,830 --> 00:22:08,350

discussed the high speed in advanced

422

00:22:14,390 --> 00:22:10,840

cloaking capabilities that allowed the

423

00:22:17,640 --> 00:22:14,400

v's to evade observation and detection

424

00:22:19,710 --> 00:22:17,650

the Avs would descend very rapidly

425

00:22:22,170 --> 00:22:19,720

approximately 60,000 feet down to

426

00:22:24,480 --> 00:22:22,180

approximately 50 feet in a matter of

427

00:22:26,730 --> 00:22:24,490

seconds the report noted pilots

428

00:22:29,610 --> 00:22:26,740

indicated there may have been something

429

00:22:33,120 --> 00:22:29,620

in the water as well one pilot detailed

430

00:22:36,750 --> 00:22:33,130

the detailed of disturbance up to the

431

00:22:38,850 --> 00:22:36,760

size of a football field and it says the

432

00:22:42,180 --> 00:22:38,860

disturbance appeared to be fifty to a

433

00:22:47,370 --> 00:22:42,190

hundred meters in diameter and close to

434

00:22:49,680 --> 00:22:47,380

round it was only it was the area it was

435

00:22:52,020 --> 00:22:49,690

the only area and type of white water

436

00:22:53,850 --> 00:22:52,030

activity that could be seen in reminding

437

00:22:56,640 --> 00:22:53,860

him of images of something rapidly

438

00:22:59,910 --> 00:22:56,650

submerging from the surface like a

439

00:23:03,690 --> 00:22:59,920

submarine or ship sinking the disturbed

440

00:23:08,370 --> 00:23:03,700

area also resembled Shore shoal water

441

00:23:12,180 --> 00:23:08,380

and my shirt that is i'm a h o al water

442

00:23:14,970 --> 00:23:12,190

around a barely submerged reef or island

443

00:23:18,480 --> 00:23:14,980

I guess maybe it's a very white water

444

00:23:21,120 --> 00:23:18,490

I'm guessing but the pilot uh but as the

445

00:23:23,820 --> 00:23:21,130

pilot flew away he could see that the

446

00:23:25,530 --> 00:23:23,830

disturbance had cleared and sea has

447

00:23:27,419 --> 00:23:25,540

calmed although he never made visual

448

00:23:27,960 --> 00:23:27,429

contact with whatever caused the

449

00:23:29,420 --> 00:23:27,970

disturbance

450

00:23:32,210 --> 00:23:29,430

therefore stated that in

451
00:23:34,670 --> 00:23:32,220
may have been caused by an AAV that's

452
00:23:38,000 --> 00:23:34,680
what they're calling the UFOs which was

453
00:23:39,740 --> 00:23:38,010
unseen due to cloaking or invisible to

454
00:23:42,020 --> 00:23:39,750
the human eye well this is all

455
00:23:45,230 --> 00:23:42,030
fascinating that the military prepared

456
00:23:48,380 --> 00:23:45,240
report about aerial phenomenon that can

457
00:23:50,930 --> 00:23:48,390
cloak itself descend thousands of feet

458
00:23:54,410 --> 00:23:50,940
in seconds and then possibly come in

459
00:23:57,380 --> 00:23:54,420
contact with another vehicle under the

460
00:24:01,400 --> 00:23:57,390
ocean under the sea and they're just

461
00:24:07,850 --> 00:24:03,710
and the Huffington Report Huffington

462
00:24:11,360 --> 00:24:10,190
and it goes are they last a couple

463
00:24:14,000 --> 00:24:11,370

sentences here is like my personal

464

00:24:17,000 --> 00:24:14,010

belief is that there is very compelling

465

00:24:22,250 --> 00:24:17,010

evidence that we may not be alone he

466

00:24:25,549 --> 00:24:22,260

told CNN last December that was a Luis

467

00:24:29,960 --> 00:24:25,559

el zato the former military intelligence

468

00:24:32,060 --> 00:24:29,970

officer who led the program indicated

469

00:24:35,960 --> 00:24:32,070

that there was much more information the

470

00:24:37,159 --> 00:24:35,970

public has not seen yet other possible

471

00:24:39,440 --> 00:24:37,169

explanations include advanced

472

00:24:41,870 --> 00:24:39,450

capabilities by US military or foreign

473

00:24:44,509 --> 00:24:41,880

governments that have not been made

474

00:24:47,899 --> 00:24:44,519

public what do you think clown baby what

475

00:24:50,180 --> 00:24:47,909

do you think about these reports we've

476

00:24:51,950 --> 00:24:50,190

seen lots of we've covered in tons of

477

00:24:58,100 --> 00:24:51,960

you know underwater where you come USO

478

00:25:00,289 --> 00:24:58,110

so in the past I mean what 75% of the

479

00:25:03,379 --> 00:25:00,299

Earth's surface is covered by water so I

480

00:25:06,500 --> 00:25:03,389

mean would be a decent place to look it

481

00:25:08,450 --> 00:25:06,510

would make sense that if there was some

482

00:25:08,870 --> 00:25:08,460

sort of advanced civilization that's not

483

00:25:11,330 --> 00:25:08,880

ours

484

00:25:14,419 --> 00:25:11,340

that they would want a base under the

485

00:25:18,230 --> 00:25:14,429

water it would be very hard to to get

486

00:25:20,810 --> 00:25:18,240

access to it's a relatively unseen and

487

00:25:22,789 --> 00:25:20,820

undisturbed by us humans besides

488

00:25:26,210 --> 00:25:22,799

submarines whatnot so I think that's

489

00:25:28,430 --> 00:25:26,220

plausible the thing like they kind of

490

00:25:30,220 --> 00:25:28,440

make a caveat down here is like oh it

491

00:25:34,100 --> 00:25:30,230

could be aliens but it also could be

492

00:25:38,149 --> 00:25:34,110

advanced technology from the United

493

00:25:40,879 --> 00:25:38,159

States government and or another country

494

00:25:43,070 --> 00:25:40,889

sorry I'm a little stuffy right now and

495

00:25:47,060 --> 00:25:43,080

be bleep blue bird could be Ivan who

496

00:25:48,830 --> 00:25:47,070

knows but so let's hypothetically so if

497

00:25:52,580 --> 00:25:48,840

it is another country that's some super

498

00:25:55,310 --> 00:25:52,590

serious technology and do you think that

499

00:26:00,169 --> 00:25:55,320

they would issue a report suggesting

500

00:26:04,580 --> 00:26:00,179

that of a foreign intelligence or just

501
00:26:07,899 --> 00:26:04,590
another country has this super-secret an

502
00:26:11,360 --> 00:26:07,909
awesome technology that can go

503
00:26:13,700 --> 00:26:11,370
incredible speeds and also has visual

504
00:26:17,389 --> 00:26:13,710
cloaking capability like a Klingon

505
00:26:17,910 --> 00:26:17,399
bird-of-prey that's ugly that's a that's

506
00:26:20,280 --> 00:26:17,920
a big

507
00:26:21,960 --> 00:26:20,290
[Music]

508
00:26:25,440 --> 00:26:21,970
a big subject to admit to say oh by the

509
00:26:27,720 --> 00:26:25,450
way a Russia or China they have cloaking

510
00:26:30,240 --> 00:26:27,730
ships that can go ungodly speeds and

511
00:26:31,890 --> 00:26:30,250
quite frankly we have no way to defend

512
00:26:34,140 --> 00:26:31,900
against it would they mitt that why

513
00:26:36,260 --> 00:26:34,150

would they even admit that if they knew

514

00:26:39,780 --> 00:26:36,270

if it was an alien civilization

515

00:26:41,820 --> 00:26:39,790

so that would only lead me to believe

516

00:26:44,310 --> 00:26:41,830

that they would only kind of won in a

517

00:26:45,600 --> 00:26:44,320

minute if it was ours and I think

518

00:26:47,280 --> 00:26:45,610

they're big I don't even know why

519

00:26:49,470 --> 00:26:47,290

they're begrudgingly admitting this or

520

00:26:52,110 --> 00:26:49,480

even talking about it so what's the real

521

00:26:54,690 --> 00:26:52,120

play here is this some sort of soft

522

00:26:56,100 --> 00:26:54,700

disclosure at this point they're saying

523

00:26:58,170 --> 00:26:56,110

I mean the Huffington Post is reporting

524

00:27:00,510 --> 00:26:58,180

on this is a this took place back in

525

00:27:02,370 --> 00:27:00,520

2004 so it's probably still going on

526

00:27:04,340 --> 00:27:02,380

they haven't identified it this has got

527

00:27:07,170 --> 00:27:04,350

to be some kind of soft disclosure

528

00:27:08,730 --> 00:27:07,180

acknowledging that there is really

529

00:27:11,760 --> 00:27:08,740

interesting technology out there that is

530

00:27:14,060 --> 00:27:11,770

not ours but if it is well that

531

00:27:16,380 --> 00:27:14,070

technology is in hands of some

532

00:27:18,630 --> 00:27:16,390

organization that is not connected to

533

00:27:20,910 --> 00:27:18,640

the Pentagon at least not in any

534

00:27:22,410 --> 00:27:20,920

official way which means that there's no

535

00:27:26,130 --> 00:27:22,420

kind of bility that the United States

536

00:27:27,810 --> 00:27:26,140

Air Force or or the Navy can't make

537

00:27:29,970 --> 00:27:27,820

contact with these things to find out

538

00:27:31,590 --> 00:27:29,980

who owns them which in and of itself is

539

00:27:34,080 --> 00:27:31,600

a security concern if it is ours

540

00:27:35,670 --> 00:27:34,090

means that they could have rogue pilots

541

00:27:37,290 --> 00:27:35,680

it could be a rogue civilization it

542

00:27:40,570 --> 00:27:37,300

could be a rogue group within the

543

00:27:44,110 --> 00:27:42,279

no our government probably knows who

544

00:27:45,730 --> 00:27:44,120

they are and if they're ours or somebody

545

00:27:47,860 --> 00:27:45,740

else's and they're just probably not

546

00:27:49,659 --> 00:27:47,870

gonna know I would I would assume that

547

00:27:52,810 --> 00:27:49,669

as well I would assume that the

548

00:27:54,460 --> 00:27:52,820

government at this point knows if they

549

00:27:59,320 --> 00:27:54,470

are one of ours

550

00:28:01,210 --> 00:27:59,330

or if they're not absolutely I'm with

551
00:28:02,710 --> 00:28:01,220
you on that but when you have articles

552
00:28:04,060 --> 00:28:02,720
like this come out from The Huffington

553
00:28:05,970 --> 00:28:04,070
Post it gets out there in the public

554
00:28:09,190 --> 00:28:05,980
gets out there in the mainstream and

555
00:28:12,279 --> 00:28:09,200
people start talking about this they it

556
00:28:15,970 --> 00:28:12,289
starts to confirm that the UFO

557
00:28:17,860 --> 00:28:15,980
phenomenon is oh just a little bit more

558
00:28:20,710 --> 00:28:17,870
real than what it was before this

559
00:28:23,350 --> 00:28:20,720
article was pushed out now this gets in

560
00:28:24,820 --> 00:28:23,360
these kind of articles when they're when

561
00:28:26,230 --> 00:28:24,830
they're published by something and you

562
00:28:28,240 --> 00:28:26,240
say what you want about the Huffington

563
00:28:29,649 --> 00:28:28,250

Post but they're reputable in the way

564

00:28:31,930 --> 00:28:29,659

that their mainstream a lot of people go

565

00:28:35,409 --> 00:28:31,940

to them to further their news and they

566

00:28:37,419 --> 00:28:35,419

they're often cited as as a source of

567

00:28:39,039 --> 00:28:37,429

news so when people when this gets into

568

00:28:42,549 --> 00:28:39,049

the public consciousness it starts to

569

00:28:45,340 --> 00:28:42,559

confirm a reality one way or another and

570

00:28:48,220 --> 00:28:45,350

I think when people start believing in

571

00:28:50,430 --> 00:28:48,230

that reality in using this articles like

572

00:28:55,259 --> 00:28:50,440

this as a basis for a reality it

573

00:28:58,049 --> 00:28:55,269

reinforces it and also pushes it into

574

00:28:59,860 --> 00:28:58,059

reality meaning the more people believe

575

00:29:03,250 --> 00:28:59,870

this I don't know if you believe this

576
00:29:03,879 --> 00:29:03,260
clown lady but I think that the mind our

577
00:29:06,009 --> 00:29:03,889
minds

578
00:29:09,490 --> 00:29:06,019
especially yours in line especially ours

579
00:29:12,460 --> 00:29:09,500
the more we believe in something and the

580
00:29:15,879 --> 00:29:12,470
more we think about it the more likely

581
00:29:18,759 --> 00:29:15,889
it will come to be especially when you

582
00:29:20,649 --> 00:29:18,769
tie in emotion to it some of this might

583
00:29:22,210 --> 00:29:20,659
scare some people an article like this

584
00:29:23,950 --> 00:29:22,220
might scare some people especially maybe

585
00:29:27,039 --> 00:29:23,960
some hardcore Christian conservatives

586
00:29:29,289 --> 00:29:27,049
who don't want to ponder whether or not

587
00:29:30,490 --> 00:29:29,299
we're being visited by extraterrestrial

588
00:29:32,740 --> 00:29:30,500

but then they come across an article

589

00:29:35,799 --> 00:29:32,750

like this and like oh my god or being

590

00:29:37,330 --> 00:29:35,809

visited by et bleep loops coming down

591

00:29:39,279 --> 00:29:37,340

here and the flying in the oceans doing

592

00:29:41,080 --> 00:29:39,289

god-knows-what underneath the water that

593

00:29:43,210 --> 00:29:41,090

might provoke some fear and they're

594

00:29:44,860 --> 00:29:43,220

attaching this new reality because this

595

00:29:47,230 --> 00:29:44,870

article and they're assigning the

596

00:29:48,789 --> 00:29:47,240

emotions fear to it solidifying it in

597

00:29:51,250 --> 00:29:48,799

our consciousness

598

00:29:53,470 --> 00:29:51,260

and in our reality I think that's a I

599

00:29:54,549 --> 00:29:53,480

think that's what happens now I think

600

00:29:57,100 --> 00:29:54,559

our reality is very calm

601
00:30:03,029 --> 00:29:57,110
flex and emotions tied to these thoughts

602
00:30:08,419 --> 00:30:05,769
some large concept do you understand

603
00:30:17,600 --> 00:30:14,049
I don't know okay our brother well

604
00:30:22,009 --> 00:30:17,610
that's that kind of ties into some you

605
00:30:23,659 --> 00:30:22,019
know cosmic or you know collective

606
00:30:26,299 --> 00:30:23,669
unconscious collective consciousness

607
00:30:28,369 --> 00:30:26,309
where and if if everyone starts

608
00:30:32,539 --> 00:30:28,379
believing something maybe it will start

609
00:30:35,779 --> 00:30:32,549
to exist okay all right no way

610
00:30:43,389 --> 00:30:35,789
oh yes okay maybe oh yeah no way

611
00:30:46,460 --> 00:30:43,399
okay well yeah oh yeah no way

612
00:30:48,409 --> 00:30:46,470
Isis fat okay we're gonna we're gonna

613
00:30:54,279 --> 00:30:48,419

wow you're pretty quick for a big guy

614

00:30:57,049 --> 00:30:54,289

huh eight inches that's not what I want

615

00:31:00,799 --> 00:30:57,059

definitely all right I guess I blew that

616

00:31:07,549 --> 00:31:00,809

one worship it okay sure no problem

617

00:31:12,080 --> 00:31:07,559

I hate to intrude again what okay we're

618

00:31:17,330 --> 00:31:12,090

gonna move on I I wonder if I went over

619

00:31:19,070 --> 00:31:17,340

the top there sorry about that

620

00:31:21,820 --> 00:31:19,080

six one four three eight nine oh nine I

621

00:31:24,169 --> 00:31:21,830

like I do believe that the the human

622

00:31:26,299 --> 00:31:24,179

consciousness does create some of these

623

00:31:28,389 --> 00:31:26,309

realities it does and I think the more

624

00:31:30,680 --> 00:31:28,399

willing the more willing one is to have

625

00:31:32,149 --> 00:31:30,690

paranormal experiences the more likely

626
00:31:34,249 --> 00:31:32,159
you are going that you're gonna have one

627
00:31:37,759 --> 00:31:34,259
and let's uh let's go to this color

628
00:31:41,269 --> 00:31:37,769
right here hey Bill you're on the air

629
00:31:43,519 --> 00:31:41,279
what say is you know much are you doing

630
00:31:45,320 --> 00:31:43,529
pretty good brother what's going on

631
00:31:48,619 --> 00:31:45,330
remember last week and make up when I

632
00:31:50,570 --> 00:31:48,629
call Jim last time I beg ly remembered I

633
00:31:52,820 --> 00:31:50,580
may have blocked it out and that the

634
00:31:55,369 --> 00:31:52,830
British girl called right after me uh

635
00:31:57,769 --> 00:31:55,379
yeah I yeah you would want this

636
00:31:59,810 --> 00:31:57,779
threatening to sue me that's great no no

637
00:32:02,480 --> 00:31:59,820
no the other oh yeah the other one yes

638
00:32:03,889 --> 00:32:02,490

yes it was girls fitzy girl yeah it was

639

00:32:07,850 --> 00:32:03,899

hard to hear but yeah I do remember yeah

640

00:32:10,600 --> 00:32:07,860

yeah man I'm sorry but you know I'm just

641

00:32:13,759 --> 00:32:10,610

gonna go out there and tell you but like

642

00:32:15,350 --> 00:32:13,769

man your show you know you know it's

643

00:32:19,220 --> 00:32:15,360

rude it's you know you're you know here

644

00:32:22,310 --> 00:32:19,230

you're in the war it does feel like

645

00:32:24,529 --> 00:32:22,320

sometimes I'm in an info war your your

646

00:32:26,029 --> 00:32:24,539

show is smack dab in the middle of it

647

00:32:26,749 --> 00:32:26,039

man hey day certainly feels that way

648

00:32:31,430 --> 00:32:26,759

sometimes

649

00:32:33,830 --> 00:32:31,440

that girl is she's mi6 she's mi6 yeah

650

00:32:36,470 --> 00:32:33,840

she's like an agent who's supposed to

651
00:32:38,899 --> 00:32:36,480
like monitor your show and listen to it

652
00:32:42,349 --> 00:32:38,909
it's kind of like the elite know that

653
00:32:44,389 --> 00:32:42,359
you guys let you are the future of the

654
00:32:46,070 --> 00:32:44,399
internet and and news and that kind of

655
00:32:48,259 --> 00:32:46,080
thing and what they're doing is they're

656
00:32:51,409 --> 00:32:48,269
modern Inge you know the show and that

657
00:32:53,659 --> 00:32:51,419
kind of thing so though she fails you're

658
00:32:55,190 --> 00:32:53,669
saying that the girl called in here's

659
00:32:57,440 --> 00:32:55,200
part of some sort of British

660
00:33:00,289 --> 00:32:57,450
intelligence agency and was assigned to

661
00:33:02,210 --> 00:33:00,299
listen to our [h__h] show for whatever

662
00:33:04,730 --> 00:33:02,220
reason like maybe we have I don't just

663
00:33:06,799 --> 00:33:04,740

to keep tracks on us right yes that

664

00:33:08,779 --> 00:33:06,809

Scholz fitzy girl yeah the weren't the

665

00:33:11,869 --> 00:33:08,789

one that called in just to talk about me

666

00:33:13,789 --> 00:33:11,879

yeah she's in my six and she know

667

00:33:16,909 --> 00:33:13,799

that were I'm running an operation and

668

00:33:18,319 --> 00:33:16,919

she knows that you know I'm doing the

669

00:33:19,789 --> 00:33:18,329

same where I'm like listening to you

670

00:33:22,099 --> 00:33:19,799

guys and that kind of thing and she's

671

00:33:24,469 --> 00:33:22,109

she knows that I'm running operations

672

00:33:27,529 --> 00:33:24,479

and that's why we used the British girl

673

00:33:30,439 --> 00:33:27,539

to call in to say to the m.i.c guy mi6

674

00:33:32,149 --> 00:33:30,449

people hey you know you Yorkie [h__h] we

675

00:33:34,639 --> 00:33:32,159

know you're like listening to the show

676
00:33:36,949 --> 00:33:34,649
and we know you're putting a girl in to

677
00:33:39,109 --> 00:33:36,959
like get people that listen to the show

678
00:33:40,579 --> 00:33:39,119
to like get like her and that kind of

679
00:33:43,129 --> 00:33:40,589
thing and that's why they're using a

680
00:33:46,159 --> 00:33:43,139
woman and and got a girl with like big

681
00:33:49,189 --> 00:33:46,169
jugs to like big make guys like Mr Al

682
00:33:50,979 --> 00:33:49,199
like like her so that she gets embedded

683
00:33:54,619 --> 00:33:50,989
in the show more that kind of thing so

684
00:33:57,769 --> 00:33:54,629
she called she was calling into my bluff

685
00:34:00,229 --> 00:33:57,779
to like say hey we know that you guys

686
00:34:01,549 --> 00:34:00,239
are running an operation and so this is

687
00:34:04,999 --> 00:34:01,559
what's happening so that's why she

688
00:34:07,459 --> 00:34:05,009

called right in after her I called only

689

00:34:10,279 --> 00:34:07,469

talked about me um that kind of thing

690

00:34:12,169 --> 00:34:10,289

this um just kind of this is putting it

691

00:34:14,389 --> 00:34:12,179

out there and kind of warning you kind

692

00:34:17,299 --> 00:34:14,399

of thing well I thank you for the the

693

00:34:19,249 --> 00:34:17,309

warning I yeah your Bernie and Deep

694

00:34:22,339 --> 00:34:19,259

Cover operations and now we're finding

695

00:34:25,490 --> 00:34:22,349

out about this this this this woman is

696

00:34:27,019 --> 00:34:25,500

trying to run deep operations it's

697

00:34:28,849 --> 00:34:27,029

getting to be all too much I'll be

698

00:34:31,700 --> 00:34:28,859

honest me I know I know it's it's it's

699

00:34:34,099 --> 00:34:31,710

really kind of I'm yeah I'm just sorry

700

00:34:37,419 --> 00:34:34,109

I'm kind of dragging you further into

701
00:34:40,159 --> 00:34:37,429
the rabbit hole but you know she kind of

702
00:34:42,019 --> 00:34:40,169
plead her her hand kind of things so now

703
00:34:43,249 --> 00:34:42,029
it's kind of clunky clean that kind of

704
00:34:48,049 --> 00:34:43,259
thing well I'll definitely keep an eye

705
00:34:50,139 --> 00:34:48,059
on her and I'll say hey you spy I am

706
00:34:54,049 --> 00:34:50,149
warning you don't do anything crazy

707
00:34:57,349 --> 00:34:54,059
we're good people around here and don't

708
00:35:00,289 --> 00:34:57,359
spy on us please oh oh yes you stressin

709
00:35:02,599 --> 00:35:00,299
better so deeper into you guys so you

710
00:35:05,420 --> 00:35:02,609
know just watch out and don't trust big

711
00:35:08,210 --> 00:35:05,430
awesome Pitts Pitts and I'm looking at

712
00:35:10,519 --> 00:35:08,220
clown baby I think he's uh I think he

713
00:35:12,650 --> 00:35:10,529

likes big jugs and I think he's you know

714

00:35:16,700 --> 00:35:12,660

yes you know watch him

715

00:35:20,210 --> 00:35:16,710

and we definitely you know lawyer ships

716

00:35:24,609 --> 00:35:20,220

yeah well I think I think we're good

717

00:35:27,740 --> 00:35:24,619

here bill I appreciate your concern but

718

00:35:30,260 --> 00:35:27,750

we're we're rock solid over here where

719

00:35:32,470 --> 00:35:30,270

were we got the ship lockdown no one's

720

00:35:38,480 --> 00:35:32,480

coming on board without prior approval

721

00:35:39,470 --> 00:35:38,490

and and there's no way the madness will

722

00:35:42,109 --> 00:35:39,480

not be contained

723

00:35:43,789 --> 00:35:42,119

so don't worry we got to lock down over

724

00:35:46,819 --> 00:35:43,799

here I appreciate the heads-up though

725

00:35:49,789 --> 00:35:46,829

all right thanks man all right just try

726

00:35:51,620 --> 00:35:49,799

to keep you guys on the level and keep

727

00:35:54,770 --> 00:35:51,630

it seeking keep talking about the Cooley

728

00:35:56,900 --> 00:35:54,780

healing stuff yeah why well we're gonna

729

00:36:09,460 --> 00:35:56,910

have fun thanks Bill you're right you

730

00:36:13,549 --> 00:36:09,470

love it yeah you Maltby my car this

731

00:36:15,140 --> 00:36:13,559

immediately calls in a it's the the

732

00:36:18,559 --> 00:36:15,150

phone lines are not opening right now I

733

00:36:22,029 --> 00:36:18,569

need to cleanse the palate after that I

734

00:36:27,170 --> 00:36:22,039

I don't know what's going on sometimes

735

00:36:28,789 --> 00:36:27,180

the show is this somebody in the chat

736

00:36:33,620 --> 00:36:28,799

room uh a couple weeks ago when that

737

00:36:34,849 --> 00:36:33,630

happened had a good point we can't watch

738

00:36:35,990 --> 00:36:34,859

this live stream how did how did two

739

00:36:37,220 --> 00:36:36,000

people that listen to the show meet each

740

00:36:40,099 --> 00:36:37,230

other in public on accident it's not

741

00:36:42,460 --> 00:36:40,109

possible yeah I don't know you broke up

742

00:36:45,410 --> 00:36:42,470

right there with your statement yeah

743

00:36:46,970 --> 00:36:45,420

yeah how did how do two people who

744

00:36:49,760 --> 00:36:46,980

listen to this small show meet in public

745

00:36:54,620 --> 00:36:49,770

I know it's insane

746

00:36:56,599 --> 00:36:54,630

this show is absolutely small in fact I

747

00:36:58,970 --> 00:36:56,609

think too many people listen to it

748

00:37:00,710 --> 00:36:58,980

already it's out of control I'm gonna

749

00:37:03,620 --> 00:37:00,720

start banning people from listening we

750

00:37:05,930 --> 00:37:03,630

need to go get this downloads I put 300

751

00:37:08,390 --> 00:37:05,940

yeah the show is getting too big in fact

752

00:37:10,299 --> 00:37:08,400

we're gonna start doing less shows and I

753

00:37:13,910 --> 00:37:10,309

want to only do invite only

754

00:37:16,220 --> 00:37:13,920

we're hitting two popular and we don't

755

00:37:17,809 --> 00:37:16,230

need mi6 listening to this

756

00:37:21,380 --> 00:37:17,819

I don't want anybody listening to this

757

00:37:24,599 --> 00:37:21,390

anymore we're getting too big big

758

00:37:27,120 --> 00:37:24,609

channel private yes

759

00:37:29,429 --> 00:37:27,130

just kidding - goofy around here I don't

760

00:37:31,529 --> 00:37:29,439

know what's going on all right we're

761

00:37:40,289 --> 00:37:31,539

gonna move on clown baby for God's sakes

762

00:37:41,069 --> 00:37:40,299

please the shampoo yeah shampoo that's

763

00:37:43,380 --> 00:37:41,079

what's happening

764

00:37:49,380 --> 00:37:43,390

I guess I'll break open this last story

765

00:37:52,259 --> 00:37:49,390

that I have here actually yeah I'll give

766

00:37:53,219 --> 00:37:52,269

you what you call the audible here Jeff

767

00:37:55,679 --> 00:37:53,229

you want to hear about the Loch Ness

768

00:38:00,660 --> 00:37:55,689

monster footage or do you want to talk

769

00:38:02,429 --> 00:38:00,670

about the bob lazar new area 51

770

00:38:04,769 --> 00:38:02,439

documentary because that the let's go

771

00:38:07,859 --> 00:38:04,779

with a loch ness monster a little Loch

772

00:38:10,140 --> 00:38:07,869

Ness action coming at you okay a little

773

00:38:14,880 --> 00:38:10,150

Loch Ness monster coming at you got some

774

00:38:16,439 --> 00:38:14,890

footage there one can enjoy and bring it

775

00:38:21,109 --> 00:38:16,449

up on screen here and maybe I was gonna

776

00:38:22,259 --> 00:38:21,119

be able to play a little bit for you uh

777

00:38:25,049 --> 00:38:22,269

yeah

778

00:38:31,169 --> 00:38:25,059

would you just come out OH July or June

779

00:38:35,219 --> 00:38:31,179

1st 2018 ok I'll just go ahead and play

780

00:38:37,019 --> 00:38:35,229

the person says I it was not a boat it

781

00:38:39,089 --> 00:38:37,029

was not a log I would just say it was

782

00:38:41,249 --> 00:38:39,099

Nessie so I'll bring this up on screen

783

00:38:43,229 --> 00:38:41,259

this is a envelo I'll watch this

784

00:38:45,890 --> 00:38:43,239

together and the link is in the

785

00:38:51,120 --> 00:38:45,900

description oh how blurry it is

786

00:38:55,499 --> 00:38:51,130

excellent why is it so can't and this is

787

00:38:59,669 --> 00:38:55,509

that at 1080p and and they must have a

788

00:39:01,919 --> 00:38:59,679

zoomed in listen I want to but I I

789

00:39:05,880 --> 00:39:01,929

believe cruisers like this could exist I

790

00:39:09,779 --> 00:39:05,890

just would would like better non blurry

791

00:39:11,540 --> 00:39:09,789

footage of it well this is excellent

792

00:39:16,750 --> 00:39:11,550

footage

793

00:39:19,100 --> 00:39:16,760

this is like oh I'll read a description

794

00:39:21,470 --> 00:39:19,110

some because the footage is really not

795

00:39:23,180 --> 00:39:21,480

helping here at all okay that's someone

796

00:39:24,560 --> 00:39:23,190

it could be someone's it could be a duck

797

00:39:25,640 --> 00:39:24,570

because I can't see really anything I

798

00:39:27,320 --> 00:39:25,650

see awake in the water it could be

799

00:39:30,320 --> 00:39:27,330

someone's dog it could be nothing it's

800

00:39:34,340 --> 00:39:30,330

really tough to tell it says I believe

801
00:39:36,980 --> 00:39:34,350
in Nessie but not a plesiosaur but as

802
00:39:38,180 --> 00:39:36,990
something that has evolved in Loch Ness

803
00:39:40,520 --> 00:39:38,190
over thousands of years

804
00:39:42,710 --> 00:39:40,530
Garry Campbell keeper of the official

805
00:39:45,140 --> 00:39:42,720
register is of sightings at Loch Ness

806
00:39:48,260 --> 00:39:45,150
was particularly impressed by the sheer

807
00:39:50,330 --> 00:39:48,270
length of the footage given that most

808
00:39:54,080 --> 00:39:50,340
nest videos last for only a few seconds

809
00:39:56,090 --> 00:39:54,090
as far as Nessie footage goes this is

810
00:39:58,670 --> 00:39:56,100
the feature film he said normally you

811
00:40:01,490 --> 00:39:58,680
only get videos of one or two seconds is

812
00:40:04,400 --> 00:40:01,500
remarkable in its length and again shows

813
00:40:06,260 --> 00:40:04,410

an increasing in the increased sightings

814

00:40:08,570 --> 00:40:06,270

of Nessie from the Internet clearly is

815

00:40:10,370 --> 00:40:08,580

something that dives in and out of the

816

00:40:13,190 --> 00:40:10,380

surface with water splashes and

817

00:40:17,840 --> 00:40:13,200

reflections it is unexplained the object

818

00:40:19,580 --> 00:40:17,850

would be no larger than 20 feet okay

819

00:40:21,260 --> 00:40:19,590

you'll yeah there's something clearly in

820

00:40:25,040 --> 00:40:21,270

the water there there's no doubt about

821

00:40:27,020 --> 00:40:25,050

that I have it up on screen but it's not

822

00:40:28,820 --> 00:40:27,030

less there's some secret hidden footage

823

00:40:33,050 --> 00:40:28,830

somewhere that's a little bit more clear

824

00:40:39,470 --> 00:40:36,290

I mean is there can you do a quick Jeep

825

00:40:43,460 --> 00:40:39,480

or YouTube search for Loch Ness footage

826

00:40:47,570 --> 00:40:43,470

in 2018 like this is like must have been

827

00:40:56,110 --> 00:40:47,580

pulled from the Daily Mail and they must

828

00:41:01,410 --> 00:40:58,690

of all so maybe I'm still looking for I

829

00:41:07,770 --> 00:41:04,829

I look for Loch Ness monster 2018 here

830

00:41:12,720 --> 00:41:07,780

we go I'm looking for something here on

831

00:41:19,930 --> 00:41:15,150

I'm not saying this video is just as

832

00:41:28,410 --> 00:41:22,400

was this like on a webcam or something I

833

00:41:35,279 --> 00:41:32,819

why can't we just get a video

834

00:41:41,999 --> 00:41:35,289

that is like not a trail-cam not

835

00:41:43,259 --> 00:41:42,009

someone's like nokia like 240p i really

836

00:41:46,229 --> 00:41:43,269

would like something just a little bit

837

00:41:49,440 --> 00:41:46,239

better we should have that at this point

838

00:41:56,420 --> 00:41:49,450

and over and over again we are

839

00:42:00,420 --> 00:41:56,430

disappointed just supported yeah okay

840

00:42:02,160 --> 00:42:00,430

six one four three eight nine 109 and I

841

00:42:03,120 --> 00:42:02,170

will break up in the final story I

842

00:42:06,029 --> 00:42:03,130

thought that was actually gonna be

843

00:42:09,059 --> 00:42:06,039

better footage this only underscores

844

00:42:11,670 --> 00:42:09,069

this this whole entire show underscores

845

00:42:17,060 --> 00:42:11,680

my lack of preparation for this very

846

00:42:23,260 --> 00:42:19,550

I got the stories I should've done a

847

00:42:26,090 --> 00:42:23,270

little bit more research you know yeah I

848

00:42:29,200 --> 00:42:26,100

really screwed up this time clone baby

849

00:42:32,350 --> 00:42:29,210

I blew it you know we should probably

850

00:42:39,020 --> 00:42:32,360

probably shut down the show then

851
00:42:43,670 --> 00:42:39,030
permanently all right they Teddy you are

852
00:42:44,750 --> 00:42:43,680
on the air yeah hey yeah we're gonna

853
00:42:49,120 --> 00:42:44,760
shut this thing down

854
00:42:51,500 --> 00:42:49,130
oh my god guys we gotta shut it down

855
00:42:54,140 --> 00:42:51,510
sorry what's going on Teddy what's on

856
00:42:55,970 --> 00:42:54,150
your mind tonight nothing much just what

857
00:42:58,270 --> 00:42:55,980
you got bob lazar on the screen that's

858
00:43:01,310 --> 00:42:58,280
pretty interesting so good always Bob

859
00:43:02,600 --> 00:43:01,320
gonna be in a new documentary or there

860
00:43:04,730 --> 00:43:02,610
someone's doing a documentary about him

861
00:43:06,200 --> 00:43:04,740
and I'll play that trailer here in the

862
00:43:08,900 --> 00:43:06,210
next few minutes I've always found them

863
00:43:13,040 --> 00:43:08,910

to be a fascinating person I thought I

864

00:43:14,300 --> 00:43:13,050

his story is relatively unbelievable to

865

00:43:15,740 --> 00:43:14,310

me in that in the sense I don't believe

866

00:43:17,450 --> 00:43:15,750

what he's saying is just like oh here's

867

00:43:21,050 --> 00:43:17,460

a guy former scientist that claimed to

868

00:43:23,030 --> 00:43:21,060

work not only at area 51 but lost all

869

00:43:26,870 --> 00:43:23,040

the most labs he had his whole entire

870

00:43:28,490 --> 00:43:26,880

history erased his education erased but

871

00:43:30,260 --> 00:43:28,500

yet he was allowed to live

872

00:43:32,870 --> 00:43:30,270

I believe this story I actually I

873

00:43:35,360 --> 00:43:32,880

believe Bob Lazar and what he saw and

874

00:43:39,140 --> 00:43:35,370

what he believes and I think he's a

875

00:43:41,360 --> 00:43:39,150

fascinating guy well the most oddest

876

00:43:43,820 --> 00:43:41,370

fact about him was the company he

877

00:43:47,090 --> 00:43:43,830

started afterwards came up with a

878

00:43:50,300 --> 00:43:47,100

substance called aerogel and aerogel has

879

00:43:51,860 --> 00:43:50,310

great applications and uh heat resistant

880

00:43:53,090 --> 00:43:51,870

so they use it in space products and

881

00:43:56,540 --> 00:43:53,100

it's expensive as [h__\h] you've ever

882

00:43:57,860 --> 00:43:56,550

looked into that know him it's strange I

883

00:44:00,080 --> 00:43:57,870

guess it's like the way they line up in

884

00:44:02,480 --> 00:44:00,090

molecule Mountain molecules and uh in

885

00:44:04,430 --> 00:44:02,490

the gel it's like a hard substance but

886

00:44:06,860 --> 00:44:04,440

it's real resistant they eat and has

887

00:44:08,930 --> 00:44:06,870

great applications for space so if he's

888

00:44:12,590 --> 00:44:08,940

not if he is lying about the all the

889

00:44:15,020 --> 00:44:12,600

alien cheese he's still a genius or kind

890

00:44:16,790 --> 00:44:15,030

of went to the route of the field that

891

00:44:20,030 --> 00:44:16,800

he claims to be in so I tend to believe

892

00:44:22,340 --> 00:44:20,040

him more than I don't - yeah I yeah even

893

00:44:25,850 --> 00:44:22,350

hypothetically even if he is a liar you

894

00:44:29,000 --> 00:44:25,860

lied about his area51 experience for

895

00:44:30,380 --> 00:44:29,010

publicity he's still a really smart guy

896

00:44:33,079 --> 00:44:30,390

who's a

897

00:44:36,529 --> 00:44:33,089

to start his own business and knows

898

00:44:37,549 --> 00:44:36,539

about physics and engineering but I mean

899

00:44:39,620 --> 00:44:37,559

why would he

900

00:44:40,670 --> 00:44:39,630

I guess you know you can't you can we

901
00:44:42,170 --> 00:44:40,680
can speculate why would he lie about

902
00:44:43,460 --> 00:44:42,180
sand why would anybody lie about

903
00:44:46,519 --> 00:44:43,470
experience like that but didn't seem

904
00:44:49,220 --> 00:44:46,529
really beneficial to him considering

905
00:44:52,579 --> 00:44:49,230
that came out like what in the early 90s

906
00:44:56,569 --> 00:44:52,589
George Knapp of Costa Coast fame broke

907
00:44:59,029 --> 00:44:56,579
that story in Las Vegas area so and they

908
00:45:01,009 --> 00:44:59,039
put a lot of media attention on him he

909
00:45:03,740 --> 00:45:01,019
was a household name for a while since

910
00:45:06,680 --> 00:45:03,750
CNN Larry King did interviews as part of

911
00:45:09,259 --> 00:45:06,690
the whole big UFO craze of the 90s and I

912
00:45:10,400 --> 00:45:09,269
don't know like all the other people in

913
00:45:11,960 --> 00:45:10,410

the night he said I don't remember I

914

00:45:14,509 --> 00:45:11,970

remember him being a big name but I

915

00:45:17,180 --> 00:45:14,519

don't remember him taking like too many

916

00:45:18,529 --> 00:45:17,190

book offers or even specials I remember

917

00:45:19,700 --> 00:45:18,539

the Rhian specials of Valium but I don't

918

00:45:22,130 --> 00:45:19,710

even remember if he financially

919

00:45:23,960 --> 00:45:22,140

benefited from all that no I don't think

920

00:45:26,329 --> 00:45:23,970

that he did I didn't seem like Bob Lazar

921

00:45:29,059 --> 00:45:26,339

t-shirts like you know his name's Lazar

922

00:45:31,970 --> 00:45:29,069

so I go hey by al-azhar gun or something

923

00:45:34,999 --> 00:45:31,980

like that or I there's no he didn't like

924

00:45:38,079 --> 00:45:35,009

he didn't create him merchandising and

925

00:45:40,579 --> 00:45:38,089

if he did it wasn't that successful so I

926
00:45:42,109 --> 00:45:40,589
didn't come across as like some kind of

927
00:45:45,890 --> 00:45:42,119
huckster just trying to trying to sell

928
00:45:47,539 --> 00:45:45,900
some t-shirts or the baubles are in Nike

929
00:45:50,420 --> 00:45:47,549
Jordans or something like that like Bob

930
00:45:52,130 --> 00:45:50,430
Lazar Nike shoes or whatever no he was

931
00:45:58,849 --> 00:45:52,140
just a regular dude as far as I can tell

932
00:46:03,950 --> 00:45:58,859
it that the Snyder with the reptilian

933
00:46:06,349 --> 00:46:03,960
war at Dulce BAE's yeah Snyder I I've

934
00:46:08,690 --> 00:46:06,359
been looking into him as of as of late

935
00:46:11,390 --> 00:46:08,700
about his experience and listening to

936
00:46:15,230 --> 00:46:11,400
him speak about the underground alien

937
00:46:17,960 --> 00:46:15,240
bases in your Dulce and boys a whole big

938
00:46:20,960 --> 00:46:17,970

different subject so yeah but I think

939

00:46:22,519 --> 00:46:20,970

those two for me like Lazar and Snyder

940

00:46:25,220 --> 00:46:22,529

yeah

941

00:46:26,779 --> 00:46:25,230

it just seemed to be more on the it's

942

00:46:28,490 --> 00:46:26,789

kind of hard to say credible but but

943

00:46:30,529 --> 00:46:28,500

more on their like alright it's weird

944

00:46:31,910 --> 00:46:30,539

shits going weird I can kind of see

945

00:46:37,430 --> 00:46:31,920

their stories making sense in a weird

946

00:46:41,120 --> 00:46:37,440

way yeah yeah yeah I mean those people

947

00:46:42,799 --> 00:46:41,130

and I fir I guess better or worse I try

948

00:46:44,400 --> 00:46:42,809

to take people out there word about what

949

00:46:48,140 --> 00:46:44,410

they with the experience

950

00:46:50,549 --> 00:46:48,150

and what they what they seem to have

951
00:46:53,430 --> 00:46:50,559
been a part of so you got anything else

952
00:46:54,630 --> 00:46:53,440
me teddy well the whole mi6 thing with

953
00:46:56,130 --> 00:46:54,640
girls in the chat I've actually

954
00:46:58,470 --> 00:46:56,140
interacted with there on the chat before

955
00:46:59,670 --> 00:46:58,480
I don't know mi6 things real but I'll

956
00:47:02,519 --> 00:46:59,680
tell you this this clown baby's still

957
00:47:08,120 --> 00:47:02,529
there you see oh yes she wants your D

958
00:47:25,440 --> 00:47:16,319
that's unfortunate that sounds like

959
00:47:39,720 --> 00:47:25,450
something a psychopath would say thank

960
00:47:41,730 --> 00:47:39,730
you yeah oh the phone line someone tried

961
00:47:45,120 --> 00:47:41,740
to call at the same time as a as Teddy

962
00:47:47,400 --> 00:47:45,130
but it was an unknown number and Teddy

963
00:47:49,140 --> 00:47:47,410

spaghetti takes precedence over an

964

00:47:54,710 --> 00:47:49,150

unknown number that's for damn sure

965

00:47:57,450 --> 00:47:54,720

probably mi6 bills at MIT for a second

966

00:48:01,829 --> 00:47:57,460

he can't let this slip and they recreate

967

00:48:04,620 --> 00:48:01,839

the the the messages Massachusetts

968

00:48:08,849 --> 00:48:04,630

Institute of Technology they're on to us

969

00:48:11,519 --> 00:48:08,859

the cyber police power you're on the air

970

00:48:14,309 --> 00:48:11,529

for some reason you know why there isn't

971

00:48:18,480 --> 00:48:14,319

any Loch Ness one Loch Ness monster

972

00:48:20,880 --> 00:48:18,490

fetish more than my

973

00:48:22,499 --> 00:48:20,890

great-great-grandfather actually was a

974

00:48:24,480 --> 00:48:22,509

guy in the photo at like the neck it's

975

00:48:26,009 --> 00:48:24,490

just his deck and like that little hump

976

00:48:29,519 --> 00:48:26,019

just a giant stomach he's just floating

977

00:48:34,890 --> 00:48:29,529

the Loch he just like it's in there lion

978

00:48:37,049 --> 00:48:34,900

he but big all digging oh my god so

979

00:48:39,420 --> 00:48:37,059

you're saying that the Loch Ness monster

980

00:48:43,990 --> 00:48:39,430

the famous photograph is actually the

981

00:48:52,599 --> 00:48:51,040

hello oh yes okay right that's my that's

982

00:48:55,599 --> 00:48:52,609

my grams they call them the walk Ness

983

00:49:03,130 --> 00:48:55,609

monster you you went away the color is

984

00:49:04,839 --> 00:49:03,140

not there maybe my Internet's bad that I

985

00:49:07,060 --> 00:49:04,849

mean I remember yesterday Jeff when we

986

00:49:08,980 --> 00:49:07,070

were trying to play pub g-minor net we

987

00:49:09,370 --> 00:49:08,990

got up and down listen to you I wasn't

988

00:49:12,210 --> 00:49:09,380

good

989

00:49:15,190 --> 00:49:12,220

yeah maybe my internet is [\h__\h] it's

990

00:49:17,830 --> 00:49:15,200

very possible I gotta do something

991

00:49:19,630 --> 00:49:17,840

something's going on something's going

992

00:49:23,140 --> 00:49:19,640

on I'm gonna I'm gonna do some digging

993

00:49:25,300 --> 00:49:23,150

to see if I'm being throttled and I'm

994

00:49:27,339 --> 00:49:25,310

gonna find out so collar I'm sorry if

995

00:49:31,900 --> 00:49:27,349

you were talking I could not hear you I

996

00:49:35,109 --> 00:49:31,910

didn't want to hang up on ya I wonder

997

00:49:38,040 --> 00:49:35,119

you respond to the the Loch Ness penis

998

00:49:40,890 --> 00:49:38,050

allegations that's for damn sure

999

00:49:45,580 --> 00:49:40,900

well I have a feeling is goof around

1000

00:49:50,410 --> 00:49:45,590

probably yeah okay this uh gives you the

1001
00:49:52,570 --> 00:49:50,420
the bob lazar thing and we'll play that

1002
00:49:56,170 --> 00:49:52,580
for everyone talk about the the new bob

1003
00:49:58,750 --> 00:49:56,180
lazar documented Ari I'm gonna play it

1004
00:50:01,480 --> 00:49:58,760
on YouTube so everyone can follow along

1005
00:50:04,060 --> 00:50:01,490
at home we're gonna hear it and I'm

1006
00:50:08,470 --> 00:50:04,070
always up open to some new documentaries

1007
00:50:12,720 --> 00:50:08,480
especially mount use and pop it up play

1008
00:50:20,880 --> 00:50:12,730
the audio over here so clown baby can

1009
00:50:25,799 --> 00:50:23,099
one second clown baby I'm sorry I should

1010
00:50:32,489 --> 00:50:25,809
have had more prepared apps here we go

1011
00:50:35,190 --> 00:50:32,499
oh yeah nothing good comes from the

1012
00:50:38,980 --> 00:50:35,200
auto-filled forehead this is a reluctant

1013
00:50:41,299 --> 00:50:38,990

UFO Messiah he changed his life

1014

00:50:43,069 --> 00:50:41,309

this week we've heard the contention of

1015

00:50:44,990 --> 00:50:43,079

UFO researchers that there is a secret

1016

00:50:49,400 --> 00:50:45,000

government within our government well

1017

00:50:52,160 --> 00:50:49,410

there's several actually nine flying

1018

00:50:54,559 --> 00:50:52,170

saucers flying disks that are out there

1019

00:50:56,599 --> 00:50:54,569

of extraterrestrial origin the live

1020

00:50:58,670 --> 00:50:56,609

interview with the shadowy dentist drew

1021

00:51:01,069 --> 00:50:58,680

international attention portions were

1022

00:51:03,290 --> 00:51:01,079

broadcast by radio and six European

1023

00:51:06,680 --> 00:51:03,300

countries and in a nationally televised

1024

00:51:08,870 --> 00:51:06,690

TV special in Japan despite numerous

1025

00:51:11,329 --> 00:51:08,880

inquiries and feelers Dennis has

1026
00:51:14,359 --> 00:51:11,339
remained anonymous until now his real

1027
00:51:16,849 --> 00:51:14,369
name is Robert Lazar he says he was

1028
00:51:18,829 --> 00:51:16,859
hired to work at an area called s4 which

1029
00:51:21,890 --> 00:51:18,839
is a few miles south of groom Lake and

1030
00:51:24,200 --> 00:51:21,900
s4 he says our flying saucers antimatter

1031
00:51:26,180 --> 00:51:24,210
reactors and other working examples of

1032
00:51:28,460 --> 00:51:26,190
technology that is seemingly beyond

1033
00:51:30,380 --> 00:51:28,470
human capabilities I did not believe

1034
00:51:33,980 --> 00:51:30,390
that this should be a security matter

1035
00:51:37,299 --> 00:51:33,990
some of it sure but just the concept

1036
00:51:39,650 --> 00:51:37,309
that there's definite proof we even have

1037
00:51:51,870 --> 00:51:39,660
articles from another world another

1038
00:51:51,880 --> 00:51:55,740

[Music]

1039

00:52:01,620 --> 00:51:58,400

we go it's another minute and a half of

1040

00:52:04,620 --> 00:52:01,630

this little official sneak peek

1041

00:52:07,740 --> 00:52:04,630

area 51's edward snowed in UFO

1042

00:52:08,790 --> 00:52:07,750

documentaries are what's gonna be in it

1043

00:52:10,950 --> 00:52:08,800

like how much is this gonna call it's

1044

00:52:12,870 --> 00:52:10,960

like twenty bucks don't know so it's got

1045

00:52:14,430 --> 00:52:12,880

so a fast-forward a little bit like

1046

00:52:17,010 --> 00:52:14,440

there's like they're going out there and

1047

00:52:19,980 --> 00:52:17,020

talking to the Lazar now and I they have

1048

00:52:21,330 --> 00:52:19,990

never released information it's kind of

1049

00:52:24,120 --> 00:52:21,340

difficult once you release the

1050

00:52:26,040 --> 00:52:24,130

technology to be analyzed and give it to

1051
00:52:28,380 --> 00:52:26,050
everyone they can just run with it you

1052
00:52:31,920 --> 00:52:28,390
really can't keep the weapon potential

1053
00:52:34,380 --> 00:52:31,930
hidden you really can't look with et

1054
00:52:41,339 --> 00:52:34,390
Technology you can literally rule the

1055
00:52:43,440 --> 00:52:41,349
world well it's the driving use behind

1056
00:52:45,120 --> 00:52:43,450
it is not necessary it's cool music

1057
00:52:46,560 --> 00:52:45,130
that's pretty it's pretty loud it's but

1058
00:52:49,109 --> 00:52:46,570
it's pretty they got a remixed that a

1059
00:52:51,720 --> 00:52:49,119
little bit it's it's it's loud music and

1060
00:52:54,180 --> 00:52:51,730
I like that kind of music but come on

1061
00:52:56,550 --> 00:52:54,190
focus on the content which is Lazar

1062
00:53:01,680 --> 00:52:56,560
talking about what kind of technologies

1063
00:53:06,630 --> 00:53:01,690

there are is announcement so I there's

1064

00:53:11,130 --> 00:53:06,640

no release date on this this is just a

1065

00:53:13,589 --> 00:53:11,140

sneak peek and probably has the same

1066

00:53:18,410 --> 00:53:13,599

release date as the obdam DVD exactly

1067

00:53:20,280 --> 00:53:18,420

that'll be out any year now any year

1068

00:53:22,710 --> 00:53:20,290

yeah I think it's been in production for

1069

00:53:27,839 --> 00:53:22,720

like seven to eight years perhaps even

1070

00:53:29,310 --> 00:53:27,849

longer than that six one four three

1071

00:53:31,410 --> 00:53:29,320

eight nine window and I will take one

1072

00:53:34,170 --> 00:53:31,420

more phone call before we get the hay

1073

00:53:38,730 --> 00:53:34,180

out of here I do have a story we can

1074

00:53:40,500 --> 00:53:38,740

cover real quick okay apparently a

1075

00:53:42,329 --> 00:53:40,510

swimmer dies after a shark rips off his

1076
00:53:43,859 --> 00:53:42,339
penis despite horrified somebody there's

1077
00:53:45,900 --> 00:53:43,869
frantic battle to save his life on a

1078
00:53:50,700 --> 00:53:45,910
Brazilian Beach oh my god that is

1079
00:53:52,500 --> 00:53:50,710
horrific so so this guy Jose or or

1080
00:53:54,180 --> 00:53:52,510
Nestor de Silva was attacked yesterday

1081
00:53:59,400 --> 00:53:54,190
afternoon while baby in the waters off

1082
00:54:02,130 --> 00:53:59,410
of high debt pie de da da Beach yeah and

1083
00:54:03,690 --> 00:54:02,140
the brazil's northeast coast you're a

1084
00:54:04,970 --> 00:54:03,700
thief not even sure if that's pronounced

1085
00:54:07,320 --> 00:54:04,980
right

1086
00:54:09,150 --> 00:54:07,330
apparently the shark struck just as a

1087
00:54:09,450 --> 00:54:09,160
lifeguard station on the beach had told

1088
00:54:11,070 --> 00:54:09,460

you

1089

00:54:14,339 --> 00:54:11,080

to come closer to shore according to

1090

00:54:16,260 --> 00:54:14,349

reports a shocking video is taking my

1091

00:54:17,820 --> 00:54:16,270

passerby shoes and moments the mother

1092

00:54:19,500 --> 00:54:17,830

how he was pulled Jose from the sea

1093

00:54:21,920 --> 00:54:19,510

before emergency crews arrived in the

1094

00:54:25,050 --> 00:54:21,930

footage locals try to send the blood by

1095

00:54:26,940 --> 00:54:25,060

tying garments around the wound while

1096

00:54:29,550 --> 00:54:26,950

others can be heard clearly saying

1097

00:54:31,710 --> 00:54:29,560

telling a teacher to breathe my god that

1098

00:54:34,109 --> 00:54:31,720

is what a horrific way to go he had his

1099

00:54:37,200 --> 00:54:34,119

penis bitten off by a shark

1100

00:54:38,670 --> 00:54:37,210

and he bled to death oh my god wait a

1101
00:54:40,500 --> 00:54:38,680
minute probably caught like is femoral

1102
00:54:42,210 --> 00:54:40,510
artery or something - yeah I mean

1103
00:54:44,070 --> 00:54:42,220
depending what kind of shark it is I

1104
00:54:45,930 --> 00:54:44,080
mean just being bitten down there it is

1105
00:54:49,470 --> 00:54:45,940
everything so sensitive is probably hard

1106
00:54:52,770 --> 00:54:49,480
- how do you really like make a

1107
00:54:55,770 --> 00:54:52,780
tourniquet around that you don't you

1108
00:54:57,060 --> 00:54:55,780
just die you bleed out apparently even

1109
00:54:57,540 --> 00:54:57,070
gotten to the hospital I got him more

1110
00:54:59,730 --> 00:54:57,550
blood

1111
00:55:07,579 --> 00:54:59,740
apparently he got a hypovolemic shock

1112
00:55:21,000 --> 00:55:07,589
and in the water anymore that's horrific

1113
00:56:02,970 --> 00:55:21,010

yeah ever again is going on here what's

1114

00:56:05,790 --> 00:56:02,980

going on with the whole like they have a

1115

00:56:08,839 --> 00:56:05,800

different type of technology now but

1116

00:56:16,819 --> 00:56:08,849

yeah that's the only one I know and I

1117

00:56:24,440 --> 00:56:20,769

you guys talk about that Donna Malaysia

1118

00:56:27,949 --> 00:56:24,450

one lifetime if they ended the name of

1119

00:56:30,349 --> 00:56:27,959

the church for the 370 so yeah we talked

1120

00:56:31,940 --> 00:56:30,359

about it about a week and a half ago two

1121

00:56:34,699 --> 00:56:31,950

weeks ago but I have an additional

1122

00:56:37,729 --> 00:56:34,709

article about that coming out on the

1123

00:57:36,859 --> 00:56:37,739

show this coming week where it goes into

1124

00:57:39,259 --> 00:57:36,869

a whole different angle that was yeah we

1125

00:57:41,660 --> 00:57:39,269

talked about that when it came out claw

1126
00:57:43,549 --> 00:57:41,670
maybe nine and Joe we talked about at

1127
00:57:46,249 --> 00:57:43,559
length for several shows it looked like

1128
00:57:48,259 --> 00:57:46,259
it could have been part of a Ukrainian

1129
00:57:51,109 --> 00:57:48,269
task force to make it look like the

1130
00:57:53,150 --> 00:57:51,119
Russians or that enactment it was maybe

1131
00:57:55,849 --> 00:57:53,160
a splinter group that had brushing

1132
00:57:57,259 --> 00:57:55,859
technology that shot it down and there's

1133
00:57:58,880 --> 00:57:57,269
a new report that came up and says it

1134
00:58:06,320 --> 00:57:58,890
definitely was Russia that shot it down

1135
00:58:06,330 --> 00:58:23,910
[Music]

1136
00:58:28,079 --> 00:58:26,099
I just uh I just didn't know if you guys

1137
00:58:30,029 --> 00:58:28,089
had caught had to cover that whenever

1138
00:58:31,620 --> 00:58:30,039

that final report I mean I know I knew

1139

00:58:33,690 --> 00:58:31,630

there was a lot of speculation but

1140

00:58:39,960 --> 00:58:33,700

there's not a lot that we get a final

1141

00:58:43,319 --> 00:58:39,970

answer to you know yeah well every every

1142

00:58:45,000 --> 00:58:43,329

country has its own history about in

1143

00:58:49,039 --> 00:58:45,010

their interpretation about what happens

1144

00:58:52,109 --> 00:58:49,049

but the reality is 300 people died and

1145

00:58:55,289 --> 00:58:52,119

no one is really being held responsible

1146

00:58:58,740 --> 00:58:55,299

for this it it did happen over I believe

1147

00:59:01,680 --> 00:58:58,750

Ukrainian airspace so that's something

1148

00:59:04,349 --> 00:59:01,690

in the Ukrainian government is in

1149

00:59:32,039 --> 00:59:04,359

turmoil there I don't know how stable it

1150

00:59:32,730 --> 00:59:32,049

is I don't know how into I am using the

1151

00:59:35,579 --> 00:59:32,740

spear box

1152

00:59:38,640 --> 00:59:35,589

I'm just diving into some divination

1153

00:59:40,049 --> 00:59:38,650

right now using pendulums and that's

1154

00:59:42,599 --> 00:59:40,059

enough for me right now

1155

00:59:45,390 --> 00:59:42,609

spear boxes I don't know yet I'm not a

1156

00:59:48,589 --> 00:59:45,400

ghost investigator but I am a fit in

1157

00:59:51,960 --> 00:59:48,599

spirituality and some of the other more

1158

01:00:08,059 --> 00:59:51,970

metaphysical stuff and but spear box is

1159

01:00:16,170 --> 01:00:11,940

yeah I don't foresee them giving one too

1160

01:00:17,849 --> 01:00:16,180

well but okay also I windows down in my

1161

01:00:20,640 --> 01:00:17,859

car last night and it rained and my

1162

01:00:27,030 --> 01:00:20,650

assets so nice okay excellent

1163

01:00:29,609 --> 01:00:27,040

nice anything Mike definitely

1164

01:00:31,990 --> 01:00:29,619

[Applause]

1165

01:00:34,650 --> 01:00:32,000

and socks we have new windows done

1166

01:00:39,130 --> 01:00:37,390

right now as bad as uh getting your dick

1167

01:00:44,890 --> 01:00:39,140

bitten off by a shark and heading to

1168

01:00:48,010 --> 01:00:44,900

that that is through kwame be one of

1169

01:00:51,310 --> 01:00:48,020

thanks everyone for listening live phone

1170

01:00:56,280 --> 01:00:51,320

1171

01:01:01,990 --> 01:00:56,290

people being a part of the magic yes

1172

01:01:02,700 --> 01:01:02,000

being a part of the magic skidding to a

1173

01:01:04,690 --> 01:01:02,710

halt

1174

01:01:10,890 --> 01:01:04,700

there's my magic button that's what I

1175

01:01:14,950 --> 01:01:10,900

want there we go and we back on

1176

01:01:19,859 --> 01:01:14,960

1177

01:01:23,140 --> 01:01:19,869

and some odd news stories some

1178

01:01:26,190 --> 01:01:23,150

paranormal stories I'm sure all that

1179

01:01:30,280 --> 01:01:26,200

stuff probably people watching right now

1180

01:01:34,150 --> 01:01:30,290

twenty-eight people tell them to go to

1181

01:01:35,020 --> 01:01:34,160

1182

01:01:37,060 --> 01:01:35,030

thing we're talking about for a

1183

01:01:39,370 --> 01:01:37,070

conspiracy for when Wednesday yeah

1184
