man-wolf we also have a story about the

20

00:02:23,770 --> 00:02:19,640

possible UFO on Oklahoma Highway

21

00:02:26,320 --> 00:02:23,780

23

00:02:32,170 --> 00:02:27,830

reptilians uh-huh

24

00:02:33,490 --> 00:02:32,180

and we might have a road rage story

25

00:02:37,210 --> 00:02:33,500

about [h\_\_h] you like [h\_\_h]

26

00:02:39,190 --> 00:02:37,220

uh-huh you like this uh-huh is do you

29

00:02:47,620 --> 00:02:45,290

30

00:02:50,800 --> 00:02:47,630

33

00:02:59,560 --> 00:02:55,040

uh-huh okay all right okay no I said

34

00:02:59,830 --> 00:02:59,570

okay uh-huh okay all right I'm done I'm

35

00:03:05,650 --> 00:02:59,840

done

36

00:03:06,759 --> 00:03:05,660

show's over okay yes it's uh it's just

37

00:03:08,650 --> 00:03:06,769

me right now

38

00:03:10,180 --> 00:03:08,660

I don't know if anybody's gonna be

39

00:03:14,949 --> 00:03:10,190

coming on the show come on baby said

40

00:03:19,210 --> 00:03:14,959

hypothetically hypothetically you might

41

00:03:22,330 --> 00:03:19,220

be on the show but I don't know I don't

42

00:03:26,710 --> 00:03:25,180

it's okay it's okay if you want to pop

43

00:03:28,960 --> 00:03:26,720

in it's okay if he doesn't want to pop

44

00:03:32,320 --> 00:03:28,970

in the phone lines will be open at some

45

00:03:37,120 --> 00:03:32,330

point here in the near future

46

00:03:38,140 --> 00:03:37,130

uh-huh mm-hmm and this the talk with you

47

00:03:39,520 --> 00:03:38,150

here a little bit before I actually get

48

00:03:42,100 --> 00:03:39,530

their stories god I've been watching so

49

00:03:44,740 --> 00:03:42,110

much video game news because of the the

50

00:03:47,650 --> 00:03:44,750

e3 press conference announcing all the

51  
00:03:50,800 --> 00:03:47,660  
all the video games coming out and I

52  
00:03:52,720 --> 00:03:50,810  
haven't really delved into video game

53  
00:03:55,199 --> 00:03:52,730  
news yeah it's not really what we do on

54  
00:03:57,760 --> 00:03:55,209  
the show anymore but for whatever reason

55  
00:04:00,610 --> 00:03:57,770  
this time of year the past month or two

56  
00:04:02,020 --> 00:04:00,620  
I've been dipping my toes back into

57  
00:04:03,130 --> 00:04:02,030  
video games and there's a lot of

58  
00:04:05,590 --> 00:04:03,140  
good-looking games coming out the one

59  
00:04:08,380 --> 00:04:05,600  
that it really has a captured my

60  
00:04:12,790 --> 00:04:08,390  
attention and a lot of other people's

61  
00:04:16,840 --> 00:04:12,800  
attention is Seibert cyberpunk 2077 it

62  
00:04:18,130 --> 00:04:16,850  
kind of looks amazing and what if I can

63  
00:04:22,810 --> 00:04:18,140

play a little bit of this for everyone

64

00:04:24,760 --> 00:04:22,820

out there it it kind of looks like I

65

00:04:27,490 --> 00:04:24,770

don't have any buddies a fan of the the

66

00:04:29,500 --> 00:04:27,500

role-playing game shadow run where

67

00:04:32,440 --> 00:04:29,510

there's a lot of cyberpunk errs in the

68

00:04:33,790 --> 00:04:32,450

future and they Jack into the into the

69

00:04:36,909 --> 00:04:33,800

internet and they do a bunch of

70

00:04:38,710 --> 00:04:36,919

shenanigans that's what 2077 naval is

71

00:04:41,279 --> 00:04:38,720

like city the worst place to live in

72

00:04:44,339 --> 00:04:41,289

America

73

00:04:46,679 --> 00:04:44,349

main issues sky high rate of violence

74

00:04:48,029 --> 00:04:46,689

and more people living below the poverty

75

00:04:49,499 --> 00:04:48,039

line that anywhere else

76  
00:04:54,439 --> 00:04:49,509  
what about people's Mohawk this problem

77  
00:04:59,670 --> 00:04:58,170  
tonight it's all true everybody still

78  
00:05:02,010 --> 00:04:59,680  
wants they're doing that on this great

79  
00:05:05,240 --> 00:05:02,020  
the city's always got a promise for you

80  
00:05:10,050 --> 00:05:05,250  
might be a lie there on the computers

81  
00:05:13,080 --> 00:05:10,060  
paranoid universe just around the corner

82  
00:05:17,030 --> 00:05:13,090  
guess you're going for kicking people on

83  
00:05:20,100 --> 00:05:17,040  
the ground the plane pole in the future

84  
00:05:21,710 --> 00:05:20,110  
beat robots off in the future

85  
00:05:25,409 --> 00:05:21,720  
they're thinking Patsy's in the futures

86  
00:05:26,730 --> 00:05:25,419  
it's a city of dreams and the driving

87  
00:05:29,399 --> 00:05:26,740  
cars from the future

88  
00:05:33,559 --> 00:05:29,409

this looks good you can just look up

89

00:05:36,990 --> 00:05:33,569

cyberpunk 2077 it looks like a

90

00:05:38,580 --> 00:05:37,000

compelling story although I didn't see

91

00:05:41,580 --> 00:05:38,590

much gameplay in this trailer and

92

00:05:44,040 --> 00:05:41,590

hopefully the the cinematics don't

93

00:05:46,890 --> 00:05:44,050

oversell it I'm hoping for like an open

94

00:05:49,459 --> 00:05:46,900

world kind of GTA kind of thing in the

95

00:05:51,929 --> 00:05:49,469

future with a more fleshed out

96

00:05:55,080 --> 00:05:51,939

multiplayer online experience I'm not

97

00:05:56,459 --> 00:05:55,090

asking for much that's what I want

98

00:06:00,420 --> 00:05:56,469

I like this future stuff I've been

99

00:06:02,629 --> 00:06:00,430

playing Fallout 3 again for past few

100

00:06:06,029 --> 00:06:02,639

days it's kind of dip my toes back in

101  
00:06:09,270 --> 00:06:06,039  
getting a feel for role playing games

102  
00:06:14,149 --> 00:06:09,280  
and I enjoy I like the the the future

103  
00:06:17,249 --> 00:06:14,159  
kind of scenarios that Bethesda puts out

104  
00:06:19,019 --> 00:06:17,259  
but uh yeah I'm looking forward to this

105  
00:06:22,920 --> 00:06:19,029  
this is not Bethesda this is a some

106  
00:06:24,570 --> 00:06:22,930  
other company I think something PC it

107  
00:06:27,420 --> 00:06:24,580  
looks good and there's a lot of

108  
00:06:28,170 --> 00:06:27,430  
interesting games coming out and a lot

109  
00:06:30,540 --> 00:06:28,180  
of [h\_\_\h] too

110  
00:06:33,689 --> 00:06:30,550  
you know you expect some innovation

111  
00:06:37,230 --> 00:06:33,699  
firms game companies and it seems to be

112  
00:06:40,159 --> 00:06:37,240  
a lot of retread and they just improve

113  
00:06:42,640 --> 00:06:40,169

the graphics like by five to ten percent

114

00:06:46,090 --> 00:06:42,650

so

115

00:06:47,320 --> 00:06:46,100

oh yeah yeah that's it gaming news

116

00:06:50,290 --> 00:06:47,330

show's over

117

00:06:52,980 --> 00:06:50,300

gotta go alright we'll move on we'll

118

00:06:55,110 --> 00:06:52,990

move on to some cryptozoology it is

119

00:06:58,370 --> 00:06:55,120

[Music]

120

00:07:00,810 --> 00:06:58,380

I love Regis first story about the

121

00:07:04,230 --> 00:07:00,820

Montana manual thinna opened the phone

122

00:07:07,740 --> 00:07:04,240

lines okay uh-huh you're with me you are

123

00:07:11,490 --> 00:07:07,750

with me here we go the Montana man wolf

124

00:07:13,920 --> 00:07:11,500

report another cryptid canid Kenai and I

125

00:07:18,659 --> 00:07:13,930

suppose this comes from Linda Godfrey

126

00:07:21,780 --> 00:07:18,669

calm she is just a prolific author and

127

00:07:25,020 --> 00:07:21,790

investigator author writer researcher

128

00:07:29,550 --> 00:07:25,030

all this stuff she's got a great sight

129

00:07:31,110 --> 00:07:29,560

in series of books out there here we go

130

00:07:33,810 --> 00:07:31,120

there's been a lot of excitement in the

131

00:07:36,350 --> 00:07:33,820

past few weeks over a wolf like animal

132

00:07:40,560 --> 00:07:36,360

shot by a rancher near Denton in

133

00:07:43,050 --> 00:07:40,570

north-central Montana is some kind of

134

00:07:46,290 --> 00:07:43,060

canid most experts agree and possibly

135

00:07:48,900 --> 00:07:46,300

some type of wolf dog hybrid a few have

136

00:07:51,330 --> 00:07:48,910

gone so far as it called a dog man or

137

00:07:53,969 --> 00:07:51,340

even a weredog although it's only been

138

00:07:55,890 --> 00:07:53,979

seen running on all fours this week I

139

00:07:58,080 --> 00:07:55,900

received a Montana sighting report

140

00:08:00,450 --> 00:07:58,090

describing something much more like a

141

00:08:03,270 --> 00:08:00,460

typical dog man report in terms of size

142

00:08:06,360 --> 00:08:03,280

appearance and behavior the witness had

143

00:08:08,250 --> 00:08:06,370

seen the news photos and felt that he

144

00:08:10,890 --> 00:08:08,260

could reveal what he has personally seen

145

00:08:13,140 --> 00:08:10,900

and my request he also drew the attached

146

00:08:16,260 --> 00:08:13,150

sketch of what he observed standing of

147

00:08:19,050 --> 00:08:16,270

the tree line of his own backyard less

148

00:08:21,060 --> 00:08:19,060

than a year ago it occurred only 150

149

00:08:24,150 --> 00:08:21,070

miles southwest of Denton near the

150

00:08:26,450 --> 00:08:24,160

northern edge of the beaver head deer

151  
00:08:29,129 --> 00:08:26,460  
lodged National Forest and wise River

152  
00:08:31,589 --> 00:08:29,139  
just a glance at the map will confirm

153  
00:08:35,339 --> 00:08:31,599  
what a great habitat it would be for

154  
00:08:39,180 --> 00:08:35,349  
awhile canid and the witness has since

155  
00:08:41,820 --> 00:08:39,190  
moved from the area he said I could call

156  
00:08:45,570 --> 00:08:41,830  
him Zach here but I do have his full

157  
00:08:47,699 --> 00:08:45,580  
name for contact info he in his he's in

158  
00:08:49,470 --> 00:08:47,709  
his mid-20s and at the time the event

159  
00:08:51,420 --> 00:08:49,480  
worked in the environmental science

160  
00:08:54,170 --> 00:08:51,430  
department of the state's conservation

161  
00:08:56,820 --> 00:08:54,180  
course here is his own account of the

162  
00:09:00,440 --> 00:08:56,830  
2017 incident why it's quite long but

163  
00:09:05,990 --> 00:09:03,740

all right I lived alone and in this

164

00:09:08,150 --> 00:09:06,000

remote location we don't have cable so

165

00:09:11,150 --> 00:09:08,160

the only option is satellite TV is that

166

00:09:13,580 --> 00:09:11,160

the only option don't you have Wi-Fi or

167

00:09:14,990 --> 00:09:13,590

can just read a magazine or a book or be

168

00:09:17,660 --> 00:09:15,000

off into the toilet there's plenty of

169

00:09:18,170 --> 00:09:17,670

options free pal only option satellite

170

00:09:20,810 --> 00:09:18,180

TV

171

00:09:22,940 --> 00:09:20,820

it was a human summer night in July and

172

00:09:27,110 --> 00:09:22,950

the TV was acting up so I needed to go

173

00:09:29,900 --> 00:09:27,120

out and just and in readjust the

174

00:09:32,450 --> 00:09:29,910

satellite like usual I took a flashlight

175

00:09:36,170 --> 00:09:32,460

and when I moved and when I went outside

176

00:09:39,560 --> 00:09:36,180

it was unusually quiet like so silent it

177

00:09:42,320 --> 00:09:39,570

was unnerving I brushed the thought off

178

00:09:44,120 --> 00:09:42,330

and went up to the dish which is in the

179

00:09:46,340 --> 00:09:44,130

corner of my backyard I went to work

180

00:09:48,950 --> 00:09:46,350

making sure all the wires were all right

181

00:09:50,870 --> 00:09:48,960

pointing the different point to a

182

00:09:53,600 --> 00:09:50,880

different angle suddenly I heard a small

183

00:09:55,790 --> 00:09:53,610

snap of stick a small snap of a stick to

184

00:09:57,800 --> 00:09:55,800

my left and turned the flashlight to the

185

00:10:00,230 --> 00:09:57,810

direction and saw a creature standing

186

00:10:02,060 --> 00:10:00,240

there I got a good look at it for what

187

00:10:04,550 --> 00:10:02,070

seemed like an eternity but it was only

188

00:10:06,560 --> 00:10:04,560

about 10 seconds I slowly backed off and

189

00:10:09,680 --> 00:10:06,570

ran back to my house and locked all the

190

00:10:12,620 --> 00:10:09,690

doors and windows the creature was

191

00:10:15,290 --> 00:10:12,630

unlike anything I've ever seen before

192

00:10:17,780 --> 00:10:15,300

when I shine a light at it the first

193

00:10:21,770 --> 00:10:17,790

thing I saw was the head it had cropped

194

00:10:25,790 --> 00:10:21,780

ears that pointed upwards it's not was

195

00:10:27,650 --> 00:10:25,800

narrower than a bear and longer and I

196

00:10:30,140 --> 00:10:27,660

could make out large T protruding from

197

00:10:32,690 --> 00:10:30,150

the job its eyes were deep yellow amber

198

00:10:34,910 --> 00:10:32,700

shade it seemed to reflect the light off

199

00:10:39,230 --> 00:10:34,920

of the flesh that was shining out of it

200

00:10:41,360 --> 00:10:39,240

the body was muscular and huge it had a

201  
00:10:43,880 --> 00:10:41,370  
long it had long arms that appear to be

202  
00:10:44,330 --> 00:10:43,890  
longer than his legs like a typical dog

203  
00:10:49,190 --> 00:10:44,340  
man

204  
00:10:51,200 --> 00:10:49,200  
you know we had I had a jack jack carry

205  
00:10:55,340 --> 00:10:51,210  
on we talked about dog man a little bit

206  
00:10:57,590 --> 00:10:55,350  
man dog if you will and the common story

207  
00:11:00,040 --> 00:10:57,600  
is people who run into these creatures

208  
00:11:02,750 --> 00:11:00,050  
is him that they have extremely long

209  
00:11:06,020 --> 00:11:02,760  
arms that that fall past their knees

210  
00:11:08,210 --> 00:11:06,030  
it's a very interesting the body was

211  
00:11:11,120 --> 00:11:08,220  
muscular it had long arms that appear to

212  
00:11:14,329 --> 00:11:11,130  
be longer than his legs broad shoulders

213  
00:11:16,249 --> 00:11:14,339

that had tapered into a skinnier waist

214

00:11:18,230 --> 00:11:16,259

it was slightly crouched over when I saw

215

00:11:21,319 --> 00:11:18,240

it and one hand wrapped around the small

216

00:11:24,410 --> 00:11:21,329

tree I can make out the legs which looks

217

00:11:28,009 --> 00:11:24,420

similar to a dog's legs it had obvious

218

00:11:30,829 --> 00:11:28,019

hocks I guess that's a the the crook the

219

00:11:32,119 --> 00:11:30,839

backwards knee area I'm just taking a

220

00:11:34,610 --> 00:11:32,129

guess there nothing there was dog

221

00:11:36,559 --> 00:11:34,620

anatomy of that much even with the

222

00:11:39,860 --> 00:11:36,569

Crouch position it was about my height

223

00:11:41,600 --> 00:11:39,870

which is six foot standing up to its

224

00:11:45,530 --> 00:11:41,610

full height this creature could easily

225

00:11:47,540 --> 00:11:45,540

be six or seven and a half feet tall the

226

00:11:50,920 --> 00:11:47,550

fur was black and thicker around the

227

00:11:54,530 --> 00:11:50,930

neck and chest and the bottom half

228

00:11:55,780 --> 00:11:54,540

significantly so I don't know if it was

229

00:11:59,239 --> 00:11:55,790

aggressive or not

230

00:12:02,960 --> 00:11:59,249

was it observing me or stalking me for a

231

00:12:05,960 --> 00:12:02,970

creature this large it is it was

232

00:12:08,569 --> 00:12:05,970

deceivingly silent it got within 15

233

00:12:10,400 --> 00:12:08,579

yards of me without me noticing it all I

234

00:12:13,699 --> 00:12:10,410

knew I needed to get out of there and

235

00:12:15,679 --> 00:12:13,709

not find out I don't live on the

236

00:12:18,009 --> 00:12:15,689

property anymore but after the event I

237

00:12:20,629 --> 00:12:18,019

never had another face-to-face encounter

238

00:12:23,329 --> 00:12:20,639

but I would hear sounds in the wood I

239

00:12:26,329 --> 00:12:23,339

can't explain they would start off

240

00:12:28,369 --> 00:12:26,339

relatively quiet and work their way to a

241

00:12:31,400 --> 00:12:28,379

furious howl screams then back down

242

00:12:33,799 --> 00:12:31,410

quiet again I don't know if this was the

243

00:12:36,350 --> 00:12:33,809

same thing because it could be local

244

00:12:40,430 --> 00:12:36,360

wildlife once I got back to the house

245

00:12:44,690 --> 00:12:42,170

I opened the window closest to where I

246

00:12:47,840 --> 00:12:44,700

saw it and began to shine alike exactly

247

00:12:51,140 --> 00:12:47,850

where it was but it was gone it was

248

00:12:53,480 --> 00:12:51,150

still dead silent outside when I had the

249

00:12:55,610 --> 00:12:53,490

window open some nights it would just be

250

00:12:58,310 --> 00:12:55,620

very quiet outside and others he'd be

251

00:13:04,700 --> 00:12:58,320

like normal there you go there is the

252

00:13:09,290 --> 00:13:04,710

sighting of a 2000 and I guess 16 or 17

253

00:13:12,290 --> 00:13:09,300

report of a dog man encounter in Montana

254

00:13:18,569 --> 00:13:12,300

Montana but what the story she's

255

00:13:24,549 --> 00:13:21,789

Montana that's that's the story she was

256

00:13:27,519 --> 00:13:24,559

a originally referencing right here and

257

00:13:29,409 --> 00:13:27,529

I'll bring this up is a wolfdog shooting

258

00:13:31,929 --> 00:13:29,419

in Montana draws international attention

259

00:13:36,819 --> 00:13:31,939

and you can see this thing I have it

260

00:13:38,679 --> 00:13:36,829

right here on the screen it uh it looks

261

00:13:43,119 --> 00:13:38,689

like so it does look like a wolf dog

262

00:13:45,759 --> 00:13:43,129

hybrid cryptozoology is about studying

263

00:13:48,489 --> 00:13:45,769

the hidden and unknown animals that are

264

00:13:50,679 --> 00:13:48,499

based upon legend and evidence Colin

265

00:13:54,309 --> 00:13:50,689

says okay so this is picture up here

266

00:13:56,789 --> 00:13:54,319

does look look like maybe a wolf had sex

267

00:14:02,199 --> 00:13:56,799

with a dog and produced this offspring

268

00:14:08,650 --> 00:14:05,710

but uh but I guess this story provoked

269

00:14:13,119 --> 00:14:08,660

the reversal one I just read about

270

00:14:14,949 --> 00:14:13,129

someone running into a dog man and I

271

00:14:18,189 --> 00:14:14,959

like the theory of dog man

272

00:14:21,249 --> 00:14:18,199

I like those stories of man a dog man

273

00:14:25,869 --> 00:14:21,259

because it runs in an opposite direction

274

00:14:27,460 --> 00:14:25,879

a Bigfoot because Bigfoot you know you

275

00:14:31,480 --> 00:14:27,470

could you could probably say you know

276

00:14:32,859 --> 00:14:31,490

that that's a it's a human ape hybrid

277

00:14:36,489 --> 00:14:32,869

that didn't go along the same

278

00:14:38,530 --> 00:14:36,499

evolutionary path as as mankind

279

00:14:41,259 --> 00:14:38,540

you could you could probably explain it

280

00:14:43,210 --> 00:14:41,269

away in science and in some way I'm sure

281

00:14:44,079 --> 00:14:43,220

Darwin has something to say about this

282

00:14:46,629 --> 00:14:44,089

uh-huh

283

00:14:48,489 --> 00:14:46,639

he died I'm sure he does it's probably

284

00:14:52,449 --> 00:14:48,499

more likely to find you could probably

285

00:14:54,669 --> 00:14:52,459

convince an anthropologist hey Bigfoot

286

00:14:56,650 --> 00:14:54,679

exists the Sasquatch exists but if you'd

287

00:15:01,150 --> 00:14:56,660

be probably hard to press that convince

288

00:15:04,090 --> 00:15:01,160

them a man dog exists because we're in

289

00:15:07,030 --> 00:15:04,100

nature do you see that kind of creature

290

00:15:08,619 --> 00:15:07,040

of a half man half any other kind of

291

00:15:11,889 --> 00:15:08,629

beast other than legends and fairy tales

292

00:15:15,039 --> 00:15:11,899

in mythology uh-huh you can get around

293

00:15:19,090 --> 00:15:15,049

it with Sasquatch because of the missing

294

00:15:22,509 --> 00:15:19,100

link and an evolution seems like it's

295

00:15:24,609 --> 00:15:22,519

much more plausible I'll open up the

296

00:15:26,499 --> 00:15:24,619

phone lines right now six one four three

297

00:15:30,689 --> 00:15:26,509

eight and nine 109 you can call in with

298

00:15:37,090 --> 00:15:30,699

your favorite man dog theory possibly

299

00:15:41,369 --> 00:15:37,100

Bigfoot theory or Bigfoot habits

300

00:15:43,629 --> 00:15:41,379

sightings bathroom habits of the Bigfoot

301

00:15:46,190 --> 00:15:43,639

not accurate I should ask ya Carrie

302

00:15:53,540 --> 00:15:49,610

I know he on his site they do have stool

303

00:15:55,400 --> 00:15:53,550

samples of a sasquatch and some pretty

304

00:15:58,160 --> 00:15:55,410

good evidence over there the paranormal

305

00:15:59,510 --> 00:15:58,170

research intelligence need to get into

306

00:16:01,580 --> 00:15:59,520

that stuff because those are droppings

307

00:16:03,530 --> 00:16:01,590

left behind by an animal you can

308

00:16:05,030 --> 00:16:03,540

probably tell what they eat Pawel

309

00:16:06,980 --> 00:16:05,040

possibly even get some DNA from that

310

00:16:09,200 --> 00:16:06,990

from that sample curious about that

311

00:16:11,600 --> 00:16:09,210

here's about the Bigfoot [h\_\_h] curious

312

00:16:13,820 --> 00:16:11,610

about dog men [h\_\_h] it's left behind

313

00:16:16,010 --> 00:16:13,830

evidence you're gonna want that evidence

314

00:16:18,500 --> 00:16:16,020

for later to prove your case you need

315

00:16:20,870 --> 00:16:18,510

that especially in a courtroom and

316

00:16:25,040 --> 00:16:20,880

you're being judged by your crazy

317

00:16:29,780 --> 00:16:25,050

beliefs oh boy but a alien [h\_\_h]

318

00:16:36,290 --> 00:16:33,260

I will move on to the next door this

319

00:16:37,640 --> 00:16:36,300

this this is this is rock this is rock

320

00:16:44,890 --> 00:16:37,650

over there come on

321

00:16:54,629 --> 00:16:47,450

we're rocking over there

322

00:16:59,079 --> 00:16:54,639

[Music]

323

00:17:00,480 --> 00:16:59,089

all right guitar Teddy spaghetti you are

324

00:17:03,220 --> 00:17:00,490

on the air

325

00:17:08,559 --> 00:17:03,230

hey Mike what is we talking about dawg

326

00:17:12,730 --> 00:17:10,240

if you're a living creature you leave

327

00:17:15,970 --> 00:17:12,740

behind something as some kind some kind

328

00:17:18,460 --> 00:17:15,980

of waste I know jack here who had on the

329

00:17:20,770 --> 00:17:18,470

show he does collect evidence all kinds

330

00:17:23,880 --> 00:17:20,780

of evidence some from from Bigfoot

331

00:17:28,810 --> 00:17:23,890

sasquatch whether it's a broken twigs

332

00:17:32,340 --> 00:17:28,820

fur skin pictures and even droppings

333

00:17:34,870 --> 00:17:32,350

waste [h\_\_h] so why not dog dog man [h\_\_h]

334

00:17:38,110 --> 00:17:34,880

well my question about the dog man [h\_\_h]

335

00:17:39,250 --> 00:17:38,120

is does it turn white after a while why

336

00:17:41,710 --> 00:17:39,260

would you say that because it's like a

337

00:17:43,510 --> 00:17:41,720

werewolf kind of thing well you know

338

00:17:44,860 --> 00:17:43,520

dogs I mean I haven't seen that many

339

00:17:46,450 --> 00:17:44,870

white turds around but I remember

340

00:17:48,430 --> 00:17:46,460

playing around in the kid you always see

341

00:17:50,380 --> 00:17:48,440

those white dog turds it always chalky

342

00:17:51,700 --> 00:17:50,390

and you know maybe you thought it was

343

00:17:53,080 --> 00:17:51,710

the neighbor's dog but it could have

344

00:17:55,210 --> 00:17:53,090

been a dog man you never know

345

00:17:58,600 --> 00:17:55,220

I mean if their turrets turn white that

346

00:18:02,409 --> 00:17:58,610

is ie I guess I'm not familiar with with

347

00:18:04,570 --> 00:18:02,419

with with that familiar with dog [h\_\_\h]

348

00:18:09,730 --> 00:18:04,580

turning white no I guess I didn't play

349

00:18:14,470 --> 00:18:09,740

with it like you did as a kid no if I

350

00:18:16,450 --> 00:18:14,480

did know after a while I guess up there

351

00:18:18,340 --> 00:18:16,460

a weak dog [h\_\_h] turns like white I mean

352

00:18:20,740 --> 00:18:18,350

I haven't seen it around for I think

353

00:18:22,360 --> 00:18:20,750

even Sarah Silverman made a song about

354

00:18:25,720 --> 00:18:22,370

it like whatever happened to all that

355

00:18:27,970 --> 00:18:25,730

white dog [h\_\_h] in the 70s it's common

356

00:18:30,039 --> 00:18:27,980

well it's not that common anymore we fed

357

00:18:31,600 --> 00:18:30,049

them I I mean I have two dogs and I I

358

00:18:34,570 --> 00:18:31,610

and I picked up after him and I don't

359

00:18:37,570 --> 00:18:34,580

see their their waist turning white I

360

00:18:39,730 --> 00:18:37,580

don't see that was that a sad dream yeah

361

00:18:42,250 --> 00:18:39,740

that's your problem you're responsible

362

00:18:45,100 --> 00:18:42,260

owner yes I guess there's got to leave

363

00:18:47,049 --> 00:18:45,110

out there longer I guess yeah let that

364

00:18:47,649 --> 00:18:47,059

let that [h\_\_h] just kind of age like a

365

00:18:50,260 --> 00:18:47,659

fine wine

366

00:18:52,630 --> 00:18:50,270

but anyway it's also on the dog topic

367

00:18:56,230 --> 00:18:52,640

there used to be these legends of dog

368

00:18:57,760 --> 00:18:56,240

headed and tribes like I think across

369

00:18:59,200 --> 00:18:57,770

many cultures and I'm not sure if it was

370

00:19:01,510 --> 00:18:59,210

in the Bible or not but it may have been

371

00:19:04,380 --> 00:19:01,520

in some holy book but they're used to

372

00:19:06,250 --> 00:19:04,390

and I think even Magellan or whoever

373

00:19:07,869 --> 00:19:06,260

circumnavigated the world came across

374

00:19:09,879 --> 00:19:07,879

this dog

375

00:19:13,599 --> 00:19:09,889

headed man tribe and they were said to

376

00:19:15,789 --> 00:19:13,609

be very hostile and cannibalistic so I

377

00:19:19,359 --> 00:19:15,799

always wonder did that tight in some way

378

00:19:20,889 --> 00:19:19,369

with the local dogma and sightings of

379

00:19:23,889 --> 00:19:20,899

these were like out shoots of the

380

00:19:26,519 --> 00:19:23,899

long-lost weird dog headed men tribe you

381

00:19:30,249 --> 00:19:26,529

ever heard anything about that yeah Jack

382

00:19:32,289 --> 00:19:30,259

carry a reference to him because he he

383

00:19:33,939 --> 00:19:32,299

knows about this stuff there are links

384

00:19:36,309 --> 00:19:33,949

out there I kind of read about it there

385

00:19:39,839 --> 00:19:36,319

was like an isle an island

386

00:19:43,509 --> 00:19:39,849

I believe near the Mediterranean where I

387

00:19:45,729 --> 00:19:43,519

believe a traveler stopped by to do

388

00:19:49,119 --> 00:19:45,739

trading with these creatures that were

389

00:19:52,180 --> 00:19:49,129

men with dog heads and it was maybe

390

00:19:55,089 --> 00:19:52,190

around the time of Homer and Homer's

391

00:19:58,899 --> 00:19:55,099

Odyssey it was he was years ago far

392

00:20:00,609 --> 00:19:58,909

below far before the 70s and yeah

393

00:20:05,229 --> 00:20:00,619

they're they're very selections like

394

00:20:09,039 --> 00:20:05,239

that and it's is it's like do you take

395

00:20:11,769 --> 00:20:09,049

those stories for face value or do you

396

00:20:13,959 --> 00:20:11,779

say oh this is what this is just a fable

397

00:20:16,599 --> 00:20:13,969

this is just a myth to tell a larger

398

00:20:18,669 --> 00:20:16,609

story and the fact that they mentioned

399

00:20:21,789 --> 00:20:18,679

man dogs is not important to the overall

400

00:20:24,729 --> 00:20:21,799

story I I think I'm under the impression

401  
00:20:26,619 --> 00:20:24,739  
and in belief at this point that when it

402  
00:20:29,949 --> 00:20:26,629  
comes to the Bible and old religious

403  
00:20:31,269 --> 00:20:29,959  
texts and and just old old writings that

404  
00:20:34,269 --> 00:20:31,279  
people are actually describing what they

405  
00:20:36,159 --> 00:20:34,279  
saw and they weren't really inventing

406  
00:20:39,339 --> 00:20:36,169  
too much they were they were dictating

407  
00:20:41,019 --> 00:20:39,349  
what they saw and that was that in a way

408  
00:20:43,899 --> 00:20:41,029  
that they could describe it yeah at

409  
00:20:46,359 --> 00:20:43,909  
their at their current vocabulary skills

410  
00:20:47,529 --> 00:20:46,369  
or what technology was then I think that

411  
00:20:49,899 --> 00:20:47,539  
whole ancient aliens kind of did that

412  
00:20:52,419 --> 00:20:49,909  
wheels with with in Wills the whole

413  
00:20:54,819 --> 00:20:52,429

Ezekiel thing and everything that that

414

00:20:57,069 --> 00:20:54,829

was just their way of describing the

415

00:20:58,749 --> 00:20:57,079

most technological crazy thing they

416

00:21:00,879 --> 00:20:58,759

could think of and of course wheels with

417

00:21:02,379 --> 00:21:00,889

with it was like a you know a marvel

418

00:21:04,989 --> 00:21:02,389

backed and the will of the marble so

419

00:21:07,809 --> 00:21:04,999

wills within within wills would be like

420

00:21:10,809 --> 00:21:07,819

an comprehend interval to them so yeah I

421

00:21:14,639 --> 00:21:10,819

get that I'm kind of a long thing token

422

00:21:17,079 --> 00:21:14,649

is that I just got a fantastic magazine

423

00:21:18,339 --> 00:21:17,089

that my girlfriend bought me it was it's

424

00:21:20,120 --> 00:21:18,349

about ancient aliens put off by the

425

00:21:23,960 --> 00:21:20,130

History Channel and it goes through

426

00:21:26,700 --> 00:21:23,970

it starts off you know as a very kind of

427

00:21:31,440 --> 00:21:26,710

even-handed approach to ancient aliens

428

00:21:32,250 --> 00:21:31,450

and the possible origins of mankind you

429

00:21:34,289 --> 00:21:32,260

know it starts off with like with

430

00:21:36,240 --> 00:21:34,299

fairies paradox and Drake's equation and

431

00:21:41,159 --> 00:21:36,250

it goes into these some of the Sumerian

432

00:21:43,590 --> 00:21:41,169

texts and and in just as you said trying

433

00:21:45,690 --> 00:21:43,600

to put yourself in the mindset of these

434

00:21:47,940 --> 00:21:45,700

all these ancient people trying to

435

00:21:49,620 --> 00:21:47,950

describe what they were seeing with the

436

00:21:52,169 --> 00:21:49,630

vocabulary that they had so they may

437

00:21:54,360 --> 00:21:52,179

call balls of light in the sky with

438

00:21:56,580 --> 00:21:54,370

wings attached well they're describing

439

00:21:59,430 --> 00:21:56,590

you know what what they could you know

440

00:22:01,289 --> 00:21:59,440

they see wings on birds and birds fly so

441

00:22:02,820 --> 00:22:01,299

therefore if it's in the sky he must be

442

00:22:06,090 --> 00:22:02,830

flying and therefore has

443

00:22:07,860 --> 00:22:06,100

must have wings the wings kind of like

444

00:22:09,690 --> 00:22:07,870

giving it the characteristic of flight

445

00:22:12,019 --> 00:22:09,700

not saying that it actually had wings

446

00:22:16,789 --> 00:22:12,029

sort of their way of conveying the idea

447

00:22:19,139 --> 00:22:16,799

yeah I Sakurai us it's a big one and

448

00:22:21,000 --> 00:22:19,149

that you know with the the default

449

00:22:23,430 --> 00:22:21,010

planning I believe he rode and his

450

00:22:25,889 --> 00:22:23,440

interpretation of Sumerian text it's all

451

00:22:29,789 --> 00:22:25,899

fascinating to me and I that's what I

452

00:22:32,789 --> 00:22:29,799

don't like about academia in in the this

453

00:22:36,090 --> 00:22:32,799

this culture in the university they

454

00:22:37,500 --> 00:22:36,100

claim to be open to new ideas and all

455

00:22:42,029 --> 00:22:37,510

this stuff but they really don't they

456

00:22:43,649 --> 00:22:42,039

really don't allow researchers to go off

457

00:22:45,690 --> 00:22:43,659

the beaten path because fear of losing

458

00:22:46,769 --> 00:22:45,700

funding and into some of this stuff and

459

00:22:49,769 --> 00:22:46,779

especially if you're an anthropologist

460

00:22:51,930 --> 00:22:49,779

or a paleontologist they can't really

461

00:22:53,879 --> 00:22:51,940

stray from the path you know if you're

462

00:22:56,460 --> 00:22:53,889

gonna be drummed out of the academic

463

00:22:58,799 --> 00:22:56,470

circles well they're also afraid of

464

00:23:00,810 --> 00:22:58,809

cracking the paradigm just the consensus

465

00:23:03,299 --> 00:23:00,820

that they have right now any rewriting

466

00:23:05,310 --> 00:23:03,309

of history would be so immense that I

467

00:23:08,190 --> 00:23:05,320

think there's a lot of fear behind that

468

00:23:10,560 --> 00:23:08,200

- yeah they just want to you know like

469

00:23:12,600 --> 00:23:10,570

we always believed with Columbus and

470

00:23:14,279 --> 00:23:12,610

America and now we're going well maybe

471

00:23:16,289 --> 00:23:14,289

the Vikings were here Oh everybody was

472

00:23:17,669 --> 00:23:16,299

here now but it's crazy but that's not

473

00:23:18,930 --> 00:23:17,679

all I got there is one more thing I

474

00:23:21,360 --> 00:23:18,940

wanted to talk to you before I get on

475

00:23:22,620 --> 00:23:21,370

though it's more about a subject I think

476

00:23:25,529 --> 00:23:22,630

you all might be interested in looking

477

00:23:28,740 --> 00:23:25,539

into yeah you ever heard of the

478

00:23:32,770 --> 00:23:28,750

mechanical elves I've heard of the

479

00:23:35,920 --> 00:23:32,780

clockwork elves when people do DMT trips

480

00:23:38,100 --> 00:23:35,930

what I'm talking about and some it's

481

00:23:40,600 --> 00:23:38,110

just it's always struck me as odd that

482

00:23:43,600 --> 00:23:40,610

people different people not even hearing

483

00:23:45,070 --> 00:23:43,610

about it have experienced this I guess

484

00:23:47,740 --> 00:23:45,080

when they go deeper in it and they all

485

00:23:49,240 --> 00:23:47,750

describe the same trip no i-i've done

486

00:23:51,790 --> 00:23:49,250

hallucinogens and I've been in around

487

00:23:53,110 --> 00:23:51,800

people and I've been on the same wave as

488

00:23:55,240 --> 00:23:53,120

people where you experience the same

489

00:23:57,760 --> 00:23:55,250

peaks and valleys as two people you're

490

00:24:00,310 --> 00:23:57,770

tripping with but I don't think I've

491

00:24:01,930 --> 00:24:00,320

ever tripped and described the same

492

00:24:05,170 --> 00:24:01,940

instance of somebody else who was

493

00:24:06,790 --> 00:24:05,180

tripping States away have so I just

494

00:24:11,380 --> 00:24:06,800

thought that that might actually be a

495

00:24:13,120 --> 00:24:11,390

cryptid in a weird sense I think I've

496

00:24:15,460 --> 00:24:13,130

listened to a lot of talks on Joe Rogan

497

00:24:17,890 --> 00:24:15,470

about people convey in their experiences

498

00:24:19,240 --> 00:24:17,900

while using hallucinogens and some some

499

00:24:21,790 --> 00:24:19,250

have similar experiences

500

00:24:25,180 --> 00:24:21,800

most of them view it as some sort of

501  
00:24:26,500 --> 00:24:25,190  
spiritual process and they need to get

502  
00:24:29,560 --> 00:24:26,510  
rid of their demons and they encounter

503  
00:24:31,990 --> 00:24:29,570  
different entities over there it's a

504  
00:24:33,820 --> 00:24:32,000  
fascinating subject and it's hard to

505  
00:24:36,340 --> 00:24:33,830  
talk about unless you experience it I've

506  
00:24:39,300 --> 00:24:36,350  
done I've done acid I've done mushrooms

507  
00:24:43,960 --> 00:24:39,310  
and I haven't experienced that level of

508  
00:24:46,120 --> 00:24:43,970  
of hallucination or experience I haven't

509  
00:24:48,610 --> 00:24:46,130  
done anything that serious curious about

510  
00:24:51,370 --> 00:24:48,620  
it I literally could I'd be curious to

511  
00:24:54,130 --> 00:24:51,380  
try it likes an ayahuasca or DMT but I

512  
00:24:57,100 --> 00:24:54,140  
would needed to go on a voyage quest for

513  
00:25:00,370 --> 00:24:57,110

myself some kind I need to be in an

514

00:25:02,170 --> 00:25:00,380

amongst people experienced shaman who to

515

00:25:03,550 --> 00:25:02,180

administer that and guide me through the

516

00:25:05,260 --> 00:25:03,560

process it's not something you want to

517

00:25:07,210 --> 00:25:05,270

do at home listening to Led Zeppelin

518

00:25:09,370 --> 00:25:07,220

yeah yeah yeah you got to have an

519

00:25:11,860 --> 00:25:09,380

atmosphere in an environment conducive

520

00:25:13,480 --> 00:25:11,870

to your spiritual journey you just can't

521

00:25:15,710 --> 00:25:13,490

turn on the Wizard of Oz and expect to

522

00:25:17,480 --> 00:25:15,720

meet God

523

00:25:19,970 --> 00:25:17,490

I agree we should we just set up a

524

00:25:21,919 --> 00:25:19,980

GoFundMe and all the listeners of this

525

00:25:23,570 --> 00:25:21,929

show should take a collective voyage and

526  
00:25:24,770 --> 00:25:23,580  
see if we can contact these mechanical

527  
00:25:27,740 --> 00:25:24,780  
else I'm with you

528  
00:25:37,330 --> 00:25:27,750  
let's do it all right all right thanks

529  
00:25:41,270 --> 00:25:37,340  
Danny does anybody remember laughter

530  
00:25:44,180 --> 00:25:41,280  
when it comes to to researching this

531  
00:25:48,039 --> 00:25:44,190  
these bizarre topics I had a one of my

532  
00:25:50,990 --> 00:25:48,049  
Facebook friends who is a successful

533  
00:25:52,850 --> 00:25:51,000  
magician comedian on the college circuit

534  
00:25:55,399 --> 00:25:52,860  
he posted up a lot of political stuff

535  
00:25:59,260 --> 00:25:55,409  
and wants to talk about belief systems

536  
00:26:01,940 --> 00:25:59,270  
and he posted up something that was

537  
00:26:06,140 --> 00:26:01,950  
asking his facebook followers which he

538  
00:26:07,520 --> 00:26:06,150

has thousands what is a what is a belief

539

00:26:10,940 --> 00:26:07,530

that people have that you think is

540

00:26:12,350 --> 00:26:10,950

stupid and people post it in there oh

541

00:26:15,260 --> 00:26:12,360

people believe in UFOs they're stupid

542

00:26:16,880 --> 00:26:15,270

people believe in and Sasquatch they're

543

00:26:19,760 --> 00:26:16,890

stupid people believe in God they're

544

00:26:23,890 --> 00:26:19,770

stupid and I posted up in there people

545

00:26:26,960 --> 00:26:23,900

actually believe Giants didn't exist and

546

00:26:29,539 --> 00:26:26,970

he posted up what yeah and I was like

547

00:26:32,270 --> 00:26:29,549

yeah people actually believe Giants

548

00:26:34,039 --> 00:26:32,280

didn't exist and I said well there's

549

00:26:38,240 --> 00:26:34,049

there's a whole host of evidence ranging

550

00:26:40,700 --> 00:26:38,250

from articles from the late 1800s Early

551  
00:26:43,159 --> 00:26:40,710  
1900s there's quotes from former

552  
00:26:45,110 --> 00:26:43,169  
presidents there is there are skeletal

553  
00:26:47,390 --> 00:26:45,120  
remains there is the myth Sounion

554  
00:26:49,430 --> 00:26:47,400  
covering stuff up there's a there's a

555  
00:26:51,549 --> 00:26:49,440  
lava a lot of evidence out there to

556  
00:26:55,279 --> 00:26:51,559  
suggest that there was a race of beings

557  
00:26:58,909 --> 00:26:55,289  
ranging from seven-foot even up to I've

558  
00:27:02,120 --> 00:26:58,919  
read 20-foot and beyond that these

559  
00:27:04,279 --> 00:27:02,130  
creatures these Giants did exist people

560  
00:27:05,029 --> 00:27:04,289  
don't believe it because it's not a part

561  
00:27:07,580 --> 00:27:05,039  
of our history

562  
00:27:10,270 --> 00:27:07,590  
Andy yeah he retorted backs they know if

563  
00:27:13,039 --> 00:27:10,280

it was real it would be part of

564

00:27:15,500 --> 00:27:13,049

anthropology and the university would

565

00:27:17,840 --> 00:27:15,510

have examined the this evidence and then

566

00:27:21,049 --> 00:27:17,850

either included it or its into the

567

00:27:24,860 --> 00:27:21,059

curriculum and would have been taught as

568

00:27:26,840 --> 00:27:24,870

human history and my retort to him was

569

00:27:29,310 --> 00:27:26,850

well what if it didn't fall in line with

570

00:27:32,850 --> 00:27:29,320

their belief system so they

571

00:27:37,230 --> 00:27:32,860

curated history to remove Giants and any

572

00:27:39,720 --> 00:27:37,240

other kind of weird creature or fossil

573

00:27:41,070 --> 00:27:39,730

evidence that it's curated it they just

574

00:27:42,659 --> 00:27:41,080

put it in the box he shoved it away

575

00:27:44,759 --> 00:27:42,669

because back in the eighteen hundreds

576

00:27:47,340 --> 00:27:44,769

early 1900s you know news didn't really

577

00:27:49,080 --> 00:27:47,350

travel as fast as I can now and when you

578

00:27:53,580 --> 00:27:49,090

had when you've discovered a burial

579

00:27:56,430 --> 00:27:53,590

ground of giants you could just swoop it

580

00:27:58,350 --> 00:27:56,440

up and put it away and support

581

00:28:00,960 --> 00:27:58,360

supposedly a good number of these these

582

00:28:05,549 --> 00:28:00,970

giants skeletons still could exist in

583

00:28:08,129 --> 00:28:05,559

burial mounds which my understanding a

584

00:28:09,930 --> 00:28:08,139

good chunk of the Barrow mounds is under

585

00:28:11,759 --> 00:28:09,940

a Native American ownership in

586

00:28:13,860 --> 00:28:11,769

possession and they probably don't want

587

00:28:15,659 --> 00:28:13,870

that stuff dug up and a good way to

588

00:28:19,529 --> 00:28:15,669

explain away a lot of these giant

589

00:28:21,029 --> 00:28:19,539

especially red hair Giants is uh is is

590

00:28:22,649 --> 00:28:21,039

the going thing is to call Native

591

00:28:24,690 --> 00:28:22,659

Americans and give them to the Native

592

00:28:26,159 --> 00:28:24,700

Americans and then you know modern-day

593

00:28:28,740 --> 00:28:26,169

academia doesn't want to touch it they

594

00:28:30,869 --> 00:28:28,750

can't touch it to investigate once you

595

00:28:33,119 --> 00:28:30,879

get the university involved in front and

596

00:28:34,409 --> 00:28:33,129

public funding involved I think he'd be

597

00:28:36,240 --> 00:28:34,419

amazed what people would be wrong and

598

00:28:37,999 --> 00:28:36,250

not willing to investigate when their

599

00:28:41,480 --> 00:28:38,009

livelihood depends on it

600

00:28:43,160 --> 00:28:41,490

it's why I love this [h\_\_\h]

601  
00:28:46,640 --> 00:28:43,170  
that's why I like talking about these

602  
00:28:50,120 --> 00:28:46,650  
strange things I think it's all real I

603  
00:28:54,100 --> 00:28:50,130  
think every honestly at this point I

604  
00:28:58,970 --> 00:28:54,110  
think it's all real Bigfoot dog man

605  
00:29:02,180 --> 00:28:58,980  
poltergeists UFOs aliens fairies gnomes

606  
00:29:06,710 --> 00:29:02,190  
dwarves elves the underworld Hollow

607  
00:29:10,310 --> 00:29:06,720  
Earth I think it's all real flat earth

608  
00:29:15,510 --> 00:29:10,320  
and round earth at the same time I think

609  
00:29:19,280 --> 00:29:16,800  
I think your belief is the reality at

610  
00:29:28,250 --> 00:29:24,380  
and I I actually I'm no longer like

611  
00:29:30,500 --> 00:29:28,260  
reserved in casual conversation to talk

612  
00:29:32,780 --> 00:29:30,510  
about this stuff with people wanted like

613  
00:29:35,180 --> 00:29:32,790

it is when people want to challenge you

614

00:29:37,820 --> 00:29:35,190

on your belief system when it comes to

615

00:29:40,280 --> 00:29:37,830

Sasquatch Dogman or poltergeist there's

616

00:29:42,080 --> 00:29:40,290

there's a lot of evidence out there for

617

00:29:44,030 --> 00:29:42,090

this stuff whether or not they actually

618

00:29:46,970 --> 00:29:44,040

want to take the time to read or look it

619

00:29:49,690 --> 00:29:46,980

up is up to them but for the most part

620

00:29:54,260 --> 00:29:49,700

like my friend online went presented

621

00:29:57,500 --> 00:29:54,270

with links about giants or articles

622

00:29:59,990 --> 00:29:57,510

about Giants or strange beings you know

623

00:30:02,810 --> 00:30:00,000

they challenged you in your belief

624

00:30:05,030 --> 00:30:02,820

system but you present not necessarily

625

00:30:08,240 --> 00:30:05,040

evidence but at least a path towards

626  
00:30:12,580 --> 00:30:08,250  
evidence and they don't take it they do

627  
00:30:14,810 --> 00:30:12,590  
not take the time or the initiative to

628  
00:30:16,910 --> 00:30:14,820  
investigate something that they don't

629  
00:30:18,230 --> 00:30:16,920  
they they just called stupid he's like

630  
00:30:20,260 --> 00:30:18,240  
whoa take a look at this and let me know

631  
00:30:22,910 --> 00:30:20,270  
what you think they're not gonna do it

632  
00:30:25,220 --> 00:30:22,920  
they've already confirmed in their own

633  
00:30:27,590 --> 00:30:25,230  
mind that it doesn't exist and

634  
00:30:29,180 --> 00:30:27,600  
presenting evidence to the contrary is

635  
00:30:32,540 --> 00:30:29,190  
not going to change their mind they're

636  
00:30:34,220 --> 00:30:32,550  
not open-minded they're not they're not

637  
00:30:36,860 --> 00:30:34,230  
open-minded that it not curious about

638  
00:30:40,220 --> 00:30:36,870

this reality or history they just want

639

00:30:42,680 --> 00:30:40,230

news and links and information that

640

00:30:45,800 --> 00:30:42,690

reconfirm their belief system that's it

641

00:30:50,620 --> 00:30:45,810

and since I believe in everything I'm

642

00:30:57,550 --> 00:30:52,960

I'm a Democrat in Republican I'm every

643

00:31:01,150 --> 00:30:57,560

party I have no affiliation

644

00:31:05,230 --> 00:31:01,160

I like talking about all this stuff well

645

00:31:07,330 --> 00:31:05,240

that's why I really want to get a flat

646

00:31:09,970 --> 00:31:07,340

earther on the end to talk about their

647

00:31:11,350 --> 00:31:09,980

position that's why I like talking to

648

00:31:13,750 --> 00:31:11,360

people about these these

649

00:31:16,370 --> 00:31:13,760

off-the-beaten-path topics it's

650

00:31:19,909 --> 00:31:16,380

interesting to me

651

00:31:20,900 --> 00:31:19,919

I just like to read about this stuff my

652

00:31:23,900 --> 00:31:20,910

destiny

653

00:31:24,980 --> 00:31:23,910

alright we should move on we should move

654

00:31:29,650 --> 00:31:24,990

on to the next story

655

00:31:33,310 --> 00:31:29,660

[Music]

656

00:31:35,800 --> 00:31:33,320

all right this is a headline news comes

657

00:31:39,780 --> 00:31:35,810

from the black vault comm UFO type craft

658

00:31:45,910 --> 00:31:39,790

scene hauled on large semi truck in

659

00:31:48,460 --> 00:31:45,920

Ponca City Oklahoma on June 3rd of 2018

660

00:31:52,360 --> 00:31:48,470

a post appeared on Facebook that went

661

00:31:53,680 --> 00:31:52,370

viral as posted to I'm not gonna say her

662

00:31:56,320 --> 00:31:53,690

name but it's listed here

663

00:31:58,720 --> 00:31:56,330

Ashley something the earliest post I

664

00:32:00,430 --> 00:31:58,730

could find is when this case file was

665

00:32:03,790 --> 00:32:00,440

written and it shows a photograph of a

666

00:32:06,750 --> 00:32:03,800

UFO or saucer-like craft on the back of

667

00:32:09,400 --> 00:32:06,760

a semi followed by 20 police cars and

668

00:32:13,930 --> 00:32:09,410

you can see it right here there's a

669

00:32:20,310 --> 00:32:13,940

picture and yeah that looks like a UFO

670

00:32:25,900 --> 00:32:20,320

on the back of a semi truck holy moley

671

00:32:28,600 --> 00:32:25,910

what is that thing I looks to be like a

672

00:32:31,090 --> 00:32:28,610

stereotypical UFO so how long is your

673

00:32:34,650 --> 00:32:31,100

average 18-wheeler semi-truck this thing

674

00:32:42,340 --> 00:32:34,660

looks I would say I'm just guessing as

675

00:32:44,560 --> 00:32:42,350

long as that and is saucer shaped and

676

00:32:46,930 --> 00:32:44,570

this is going down the street no big

677

00:32:55,420 --> 00:32:46,940

deal hey people we're just haul in a UFO

678

00:32:56,590 --> 00:32:55,430

down the road that is just insane but

679

00:32:59,140 --> 00:32:56,600

it's got to be some sort of military

680

00:33:02,470 --> 00:32:59,150

test some kind of military craft I would

681

00:33:06,220 --> 00:33:02,480

assume or it's part of a movie some kind

682

00:33:08,850 --> 00:33:06,230

of movie set and the analysis done by

683

00:33:11,320 --> 00:33:08,860

black vault comm which by the way is a

684

00:33:13,900 --> 00:33:11,330

far as I'm concerned a great sight when

685

00:33:16,480 --> 00:33:13,910

it comes to UFO UFO evidence and an

686

00:33:22,720 --> 00:33:16,490

analysis I guess I can play the video

687

00:33:38,330 --> 00:33:36,379

there it is David he said whoa yes it

688

00:33:40,669 --> 00:33:38,340

could be a drum it could be a drone I

689

00:33:44,419 --> 00:33:40,679

didn't see any wings but it could be a

690

00:33:46,070 --> 00:33:44,429

drone so the analysis is there was

691

00:33:48,350 --> 00:33:46,080

something eerily familiar when I saw

692

00:33:50,600 --> 00:33:48,360

this photograph make its round when when

693

00:33:53,570 --> 00:33:50,610

I am writing this report the post has

694

00:33:56,690 --> 00:33:53,580

just about 20,000 shares and more than

695

00:33:58,970 --> 00:33:56,700

7,000 likes and 3,000 comments I recall

696

00:34:01,970 --> 00:33:58,980

seen opposed nearly identical to this a

697

00:34:07,340 --> 00:34:01,980

few years back and I dug up a December

698

00:34:09,940 --> 00:34:07,350

2011 video for youtuber Alex Diaz in the

699

00:34:14,569 --> 00:34:09,950

same exact location as this posting

700

00:34:17,119 --> 00:34:14,579

specifically honka-honka City Oklahoma

701  
00:34:22,240 --> 00:34:17,129  
and there it is that's the video I just

702  
00:34:25,339 --> 00:34:22,250  
played of a very similar object on on a

703  
00:34:27,109 --> 00:34:25,349  
flatbed going down the street again it

704  
00:34:30,560 --> 00:34:27,119  
was this thing this UFO is going back

705  
00:34:36,379 --> 00:34:34,700  
get it fly JG we could get some big

706  
00:34:40,620 --> 00:34:36,389  
money for that if it's a [h\_\_h] fish

707  
00:34:47,490 --> 00:34:44,400  
so what is this in 2011 when this story

708  
00:34:50,340 --> 00:34:47,500  
was first circulated it went viral too

709  
00:34:53,520 --> 00:34:50,350  
with thousands of shares and likes it

710  
00:34:54,780 --> 00:34:53,530  
was unknown what was seen that day but

711  
00:34:57,660 --> 00:34:54,790  
it sparked various news stories and

712  
00:34:59,820 --> 00:34:57,670  
newspaper articles that is until Brooks

713  
00:35:04,170 --> 00:34:59,830

McKinney senior manager of public

714

00:35:06,570 --> 00:35:04,180

relations for North Grumman okay close

715

00:35:09,900 --> 00:35:06,580

the mystery he told life's little

716

00:35:12,180 --> 00:35:09,910

mystery as a project by a popular live

717

00:35:18,330 --> 00:35:12,190

science.com web site that the craft was

718

00:35:22,110 --> 00:35:18,340

a transport for the x-47b according to

719

00:35:25,260 --> 00:35:22,120

North Korea Grumman the x-47b is a

720

00:35:27,420 --> 00:35:25,270

tailless strike fighter sized unmanned

721

00:35:30,480 --> 00:35:27,430

aircraft developed by Northrop Grumman

722

00:35:34,700 --> 00:35:30,490

as part of the US Navy's unmanned combat

723

00:35:38,010 --> 00:35:34,710

air system commonly known as the UCAS

724

00:35:40,080 --> 00:35:38,020

under a contract awarded in 2007 the

725

00:35:45,150 --> 00:35:40,090

company design produced and is currently

726

00:35:47,820 --> 00:35:45,160

flight testing to x-47b aircraft in 2013

727

00:35:50,520 --> 00:35:47,830

these aircraft were used to demonstrate

728

00:35:53,720 --> 00:35:50,530

the first ever carrier based launches in

729

00:35:56,790 --> 00:35:53,730

recoveries by the autonomous

730

00:35:58,500 --> 00:35:56,800

low-observable relevant unmanned

731

00:36:02,160 --> 00:35:58,510

aircraft jeez

732

00:36:04,950 --> 00:36:02,170

so it's not a UFO well guess it is UFOs

733

00:36:08,520 --> 00:36:04,960

unidentified writing object that's not

734

00:36:12,230 --> 00:36:08,530

fine it's writing on a flatbed but yeah

735

00:36:17,850 --> 00:36:12,240

North Korea Grumman is claiming this as

736

00:36:19,560 --> 00:36:17,860

a tailless wingless autonomous drone

737

00:36:22,890 --> 00:36:19,570

autonomous drone this you're using the

738

00:36:27,780 --> 00:36:22,900

word autonomous but apparently and needs

739

00:36:32,670 --> 00:36:27,790

to be transported by 18-wheeler

740

00:36:33,840 --> 00:36:32,680

okay there you go there is the the link

741

00:36:36,000 --> 00:36:33,850

is in description you want to check this

742

00:36:39,900 --> 00:36:36,010

thing out although I'm not exactly sure

743

00:36:42,450 --> 00:36:39,910

they're saying that's what this is I'm

744

00:36:46,620 --> 00:36:42,460

kind of curious to see what exactly the

745

00:36:49,290 --> 00:36:46,630

point of this craft is here it is on on

746

00:36:56,760 --> 00:36:49,300

screen I'll bring it up they have a

747

00:37:06,250 --> 00:37:01,260

the foursome B is a demonstration

748

00:37:09,670 --> 00:37:06,260

unmanned combat air vehicle designed for

749

00:37:14,260 --> 00:37:09,680

aircraft carrier based operations it

750

00:37:16,810 --> 00:37:14,270

first flew in 2011 and as of 2015 is its

751  
00:37:18,190 --> 00:37:16,820  
two active demonstrators have undergone

752  
00:37:20,020 --> 00:37:18,200  
extensive flight and operational

753  
00:37:21,730 --> 00:37:20,030  
integration testing so there it is

754  
00:37:23,710 --> 00:37:21,740  
there's the they had a whole wiki on

755  
00:37:26,590 --> 00:37:23,720  
here how much is this thing cost I'm

756  
00:37:32,170 --> 00:37:26,600  
curious the cost of this project was

757  
00:37:34,270 --> 00:37:32,180  
initially funded under us it was a six

758  
00:37:38,430 --> 00:37:34,280  
hundred and thirty five million dollar

759  
00:37:40,510 --> 00:37:38,440  
contract awarded by the Navy in 2007 Wow

760  
00:37:46,270 --> 00:37:40,520  
six hundred million dollars for this

761  
00:37:48,790 --> 00:37:46,280  
contract by January 2012 the x-47b total

762  
00:37:51,940 --> 00:37:48,800  
program cost had grown to an estimated

763  
00:37:54,760 --> 00:37:51,950

eight hundred thirteen million dollars

764

00:37:57,490 --> 00:37:54,770

and they only supposedly have two of

765

00:38:01,990 --> 00:37:57,500

these [h\_\_h] out there that's it

766

00:38:05,170 --> 00:38:02,000

and almost almost if you round up if you

767

00:38:07,720 --> 00:38:05,180

round up as a billion dollars I like a

768

00:38:10,910 --> 00:38:07,730

round of because what's two hundred

769

00:38:14,240 --> 00:38:10,920

million dollars between friends

770

00:38:17,579 --> 00:38:14,250

government funding for the x-47b

771

00:38:20,370 --> 00:38:17,589

pregnant well was to run out at the end

772

00:38:23,280 --> 00:38:20,380

of september 2013 with the close of the

773

00:38:26,099 --> 00:38:23,290

fiscal year however in 2014 Navy

774

00:38:30,630 --> 00:38:26,109

provided an additional 63 million for

775

00:38:36,030 --> 00:38:33,990

in February 2015 the Navy stated that

776

00:38:39,420 --> 00:38:36,040

the completion of for private tenders

777

00:38:42,750 --> 00:38:39,430

for constructing the you see the you

778

00:38:44,430 --> 00:38:42,760

class fleet would begin in 2016 with the

779

00:38:48,120 --> 00:38:44,440

aircraft expected to enter service in

780

00:38:50,280 --> 00:38:48,130

early 2020s so there is there an

781

00:38:54,090 --> 00:38:50,290

additional contract coming because we're

782

00:38:57,830 --> 00:38:54,100

with this story that we just saw this is

783

00:39:01,290 --> 00:38:57,840

a new post so they're still testing

784

00:39:04,380 --> 00:39:01,300

because the end of the program for

785

00:39:07,740 --> 00:39:04,390

testing was supposed to be the end of

786

00:39:10,380 --> 00:39:07,750

2013 they extended it in 2014 we're here

787

00:39:14,630 --> 00:39:10,390

in 2018 are they still testing are they

788

00:39:16,710 --> 00:39:14,640

in the deployment phase it's unclear

789

00:39:17,160 --> 00:39:16,720

where's all this additional money come

790

00:39:20,870 --> 00:39:17,170

from

791

00:39:24,710 --> 00:39:22,850

because they knew they blew they had to

792

00:39:29,620 --> 00:39:24,720

blown through that that 63 million

793

00:39:37,240 --> 00:39:32,980

mm boy so they're getting ready to plate

794

00:39:39,910 --> 00:39:37,250

I would say so at this point they're

795

00:39:44,500 --> 00:39:39,920

probably getting ready to deploy

796

00:39:52,240 --> 00:39:44,510

so in January 2017 the first x-47b

797

00:39:54,700 --> 00:39:52,250

departed NES Pontiac honky tonk river to

798

00:40:00,310 --> 00:39:54,710

pronounce X's

799

00:40:01,900 --> 00:40:00,320

okay it's in there it's unclear of the

800

00:40:04,150 --> 00:40:01,910

status of this program other than is

801  
00:40:07,210 --> 00:40:04,160  
still being tested and being driven

802  
00:40:08,500 --> 00:40:07,220  
around in Oklahoma maybe they're taking

803  
00:40:10,270 --> 00:40:08,510  
this thing to drive-in movie theaters

804  
00:40:12,220 --> 00:40:10,280  
maybe they're taking out the fast food

805  
00:40:14,080 --> 00:40:12,230  
because it's run out of funding

806  
00:40:15,040 --> 00:40:14,090  
according to wiki there's not much they

807  
00:40:16,840 --> 00:40:15,050  
can do with it maybe they're taking to

808  
00:40:18,880 --> 00:40:16,850  
the kids parties how they're making some

809  
00:40:21,220 --> 00:40:18,890  
money back in this thing it's like a

810  
00:40:25,120 --> 00:40:21,230  
bouncy balloon for kids parties who

811  
00:40:28,520 --> 00:40:25,130  
knows the wiki is not clear we got to

812  
00:40:36,630 --> 00:40:29,970  
[Music]

813  
00:40:39,460 --> 00:40:36,640

yes does anybody remember laughter I

814

00:40:41,650 --> 00:40:39,470

hope so

815

00:40:43,839 --> 00:40:41,660

maybe not on this show maybe on the next

816

00:40:48,170 --> 00:40:43,849

show on the Wednesday show we will all

817

00:40:51,130 --> 00:40:48,180

remember laughter then possibly

818

00:40:55,340 --> 00:40:51,140

six point four three eight eight nine

819

00:40:57,560 --> 00:40:55,350

109 and I'll be most happy to take your

820

00:40:59,930 --> 00:40:57,570

phone calls what if I want to thank the

821

00:41:01,790 --> 00:40:59,940

the chat for showing up and being part

822

00:41:05,600 --> 00:41:01,800

of the magic means a lot to me really

823

00:41:08,660 --> 00:41:05,610

does I'm trying to trying to read the

824

00:41:10,250 --> 00:41:08,670

chat but I'm also trying to read well

825

00:41:12,170 --> 00:41:10,260

I'm trying to glance at articles I gave

826

00:41:16,040 --> 00:41:12,180

up reading last year I'm peering I'm

827

00:41:17,480 --> 00:41:16,050

glancing articles not really reading

828

00:41:20,130 --> 00:41:17,490

them

829

00:41:25,500 --> 00:41:20,140

all right

830

00:41:29,040 --> 00:41:25,510

okay I do have another phone article

831

00:41:31,440 --> 00:41:29,050

it's a list I love lists and I hope you

832

00:41:37,470 --> 00:41:31,450

love lists too because oh boy

833

00:41:43,100 --> 00:41:37,480

do we have a list to get down to oh yes

834

00:41:46,890 --> 00:41:43,110

yay yay for lists and yay for you

835

00:41:53,520 --> 00:41:46,900

yay for me okay

836

00:41:57,450 --> 00:41:53,530

what and let us go to ten that's another

837

00:42:04,830 --> 00:41:57,460

ten shocking facts about the reptilian

838

00:42:09,360 --> 00:42:04,840

conspiracy reptilian that works for me

839

00:42:10,740 --> 00:42:09,370

okay whoa what have we here we have ten

840

00:42:14,520 --> 00:42:10,750

shocking facts about the reptilian

841

00:42:17,730 --> 00:42:14,530

conspiracies what we have and number ten

842

00:42:20,640 --> 00:42:17,740

reptilians are on Time Magazine's top

843

00:42:23,580 --> 00:42:20,650

ten most enduring conspiracy theories

844

00:42:25,800 --> 00:42:23,590

list this is a list about conspiracies

845

00:42:30,460 --> 00:42:25,810

about the reptilians for anybody doesn't

846

00:42:34,270 --> 00:42:30,470

know yeah it's what we're reading down

847

00:42:36,430 --> 00:42:34,280

2009 the timeless included details about

848

00:42:38,290 --> 00:42:36,440

the reptilians appetite for human flesh

849

00:42:40,210 --> 00:42:38,300

their responsibility for numerous

850

00:42:42,430 --> 00:42:40,220

terrorist attacks and their ultimate

851  
00:42:43,990 --> 00:42:42,440  
desire to enslave the human race also

852  
00:42:45,970 --> 00:42:44,000  
mentioned are a few high-ranking

853  
00:42:48,580 --> 00:42:45,980  
politicians believed to be reptilians oh

854  
00:42:50,970 --> 00:42:48,590  
that's nice sounds like a good list work

855  
00:42:54,280 --> 00:42:50,980  
I get that list about who might be

856  
00:42:56,320 --> 00:42:54,290  
reptilian send Time magazine article but

857  
00:42:59,650 --> 00:42:56,330  
Dick Cheney's he's got to be the number

858  
00:43:05,050 --> 00:42:59,660  
one reptilian out there I cannot think

859  
00:43:14,870 --> 00:43:09,670  
Obama he is a Reptoid like mmm Putin

860  
00:43:18,140 --> 00:43:14,880  
might be he's a ball

861  
00:43:21,740 --> 00:43:18,150  
hairless like a reptile alright uh

862  
00:43:24,160 --> 00:43:21,750  
number nine David Ickes used used to

863  
00:43:27,230 --> 00:43:24,170

refuse to wear any color other than

864

00:43:31,700 --> 00:43:27,240

turquoise houses reptilian conspiracy

865

00:43:34,130 --> 00:43:31,710

okay and what's turquoise have to do

866

00:43:36,800 --> 00:43:34,140

with any of this on a trip to ancient

867

00:43:39,530 --> 00:43:36,810

Inca ruins in 1991 Icke experienced an

868

00:43:41,570 --> 00:43:39,540

intense spiritual experience that he

869

00:43:43,700 --> 00:43:41,580

described as a complete change in the

870

00:43:47,240 --> 00:43:43,710

state of consciousness he described a

871

00:43:49,790 --> 00:43:47,250

state intense intense pure energy and

872

00:43:52,340 --> 00:43:49,800

claimed to hear voices that whispered

873

00:43:54,830 --> 00:43:52,350

hidden truths he emerged convinced that

874

00:43:58,700 --> 00:43:54,840

he was a new incarnation of Jesus Christ

875

00:44:00,950 --> 00:43:58,710

in his insistence on wearing only the

876

00:44:03,260 --> 00:44:00,960

color turquoise came from his belief

877

00:44:06,380 --> 00:44:03,270

that it would allow the continuous flow

878

00:44:08,630 --> 00:44:06,390

of positive energy through him he could

879

00:44:10,940 --> 00:44:08,640

then channel that energy more easily

880

00:44:14,740 --> 00:44:10,950

towards research being the extent of

881

00:44:20,270 --> 00:44:14,750

reptilians rule over the world

882

00:44:21,920 --> 00:44:20,280

David Icke really believe that he is

883

00:44:24,650 --> 00:44:21,930

Jesus Christ that's interesting theory

884

00:44:26,150 --> 00:44:24,660

and like everything else is the life

885

00:44:29,990 --> 00:44:26,160

force known as the light I mean the

886

00:44:32,300 --> 00:44:30,000

Bible refers to the light and within

887

00:44:35,180 --> 00:44:32,310

this light are various other energies

888

00:44:37,760 --> 00:44:35,190

which have certain gifts and these other

889

00:44:40,600 --> 00:44:37,770

energies have a frequency that is the

890

00:44:44,060 --> 00:44:40,610

same as all the colors and the turquoise

891

00:44:46,760 --> 00:44:44,070

actually is the same frequency as an

892

00:44:48,920 --> 00:44:46,770

energy called love and wisdom therefore

893

00:44:51,940 --> 00:44:48,930

when you wear that color you attract it

894

00:44:55,730 --> 00:44:51,950

when you wear black you attract a color

895

00:44:58,580 --> 00:44:55,740

that is the opposite to love and all the

896

00:45:00,670 --> 00:44:58,590

things we wish to bring to the earth hmm

897

00:45:05,150 --> 00:45:00,680

I wear a lot of black maybe I shouldn't

898

00:45:06,710 --> 00:45:05,160

but I think it looks good on me so I'm

899

00:45:09,010 --> 00:45:06,720

with like they're you know you know

900

00:45:14,450 --> 00:45:09,020

colors you have a frequency so sound

901  
00:45:16,670 --> 00:45:14,460  
they don't discount that it's employment

902  
00:45:18,650 --> 00:45:16,680  
to be Jesus Christ a thing if it is is

903  
00:45:20,720 --> 00:45:18,660  
it's a they link to another list article

904  
00:45:22,850 --> 00:45:20,730  
but not the research that but maybe I

905  
00:45:25,090 --> 00:45:22,860  
believe them I like a lot of what Ike's

906  
00:45:28,100 --> 00:45:25,100  
s I think he's a he's an interesting guy

907  
00:45:28,760 --> 00:45:28,110  
if he wants to wear Tork turquoise let

908  
00:45:32,720 --> 00:45:28,770  
him

909  
00:45:36,080 --> 00:45:32,730  
great I love it cover yourself in velvet

910  
00:45:38,990 --> 00:45:36,090  
turquoise you look great number eight

911  
00:45:42,770 --> 00:45:39,000  
you could be half reptilian and not even

912  
00:45:44,540 --> 00:45:42,780  
know it or you could be at least part of

913  
00:45:46,880 --> 00:45:44,550

the reptilian bloodline reptilians have

914

00:45:49,730 --> 00:45:46,890  
been crossbreeding with select

915

00:45:51,890 --> 00:45:49,740  
unsuspecting humans for millennia to

916

00:45:54,980 --> 00:45:51,900  
create desired elite bloodlines that

917

00:45:57,290 --> 00:45:54,990  
they can use to covertly control the

918

00:46:00,770 --> 00:45:57,300  
world duh I think everyone knows that

919

00:46:02,780 --> 00:46:00,780  
huh DNA from reptilians has passed down

920

00:46:06,050 --> 00:46:02,790  
through generations and some crossbreed

921

00:46:09,320 --> 00:46:06,060  
even with even begin life as

922

00:46:11,420 --> 00:46:09,330  
full-blooded humans at later points in

923

00:46:13,490 --> 00:46:11,430  
their lives they're taken away to have

924

00:46:16,340 --> 00:46:13,500  
reptilian DNA mixed with their own

925

00:46:18,650 --> 00:46:16,350  
they're returned to their normal lives

926  
00:46:21,500 --> 00:46:18,660  
with no memory of it diehard reptilians

927  
00:46:24,160 --> 00:46:21,510  
below diehard reptilian believers offer

928  
00:46:26,660 --> 00:46:24,170  
us offer this as a real explanation

929  
00:46:29,120 --> 00:46:26,670  
behind UFO abductions and strange

930  
00:46:33,040 --> 00:46:29,130  
disappearances in which the person

931  
00:46:35,630 --> 00:46:33,050  
returns unable to recall what happened I

932  
00:46:37,600 --> 00:46:35,640  
like this theory a bit because I

933  
00:46:42,410 --> 00:46:37,610  
actually kind of harkens back to the

934  
00:46:44,450 --> 00:46:42,420  
virile society that channeled the mutant

935  
00:46:48,290 --> 00:46:44,460  
technology in reptilian dracco

936  
00:46:52,970 --> 00:46:48,300  
technology for the Nazis a Stan from

937  
00:46:54,410 --> 00:46:52,980  
Alaska you are on the show hey Mike

938  
00:46:57,880 --> 00:46:54,420

how's it going good good good just

939

00:47:00,920 --> 00:46:57,890

talking about the reptilian conspiracy

940

00:47:02,690 --> 00:47:00,930

hey I was gonna I remembered your show

941

00:47:04,640 --> 00:47:02,700

was on here earlier and then I got

942

00:47:06,500 --> 00:47:04,650

caught up doing something and I was

943

00:47:07,970 --> 00:47:06,510

driving back from home doing some

944

00:47:10,400 --> 00:47:07,980

errands and whatnot going back to work

945

00:47:12,320 --> 00:47:10,410

and the thing that triggered me to

946

00:47:15,080 --> 00:47:12,330

remind to call you was that they just

947

00:47:16,370 --> 00:47:15,090

said that we had a cold storm that came

948

00:47:18,920 --> 00:47:16,380

through last night was all bit of rain

949

00:47:22,190 --> 00:47:18,930

but just a few miles north of here they

950

00:47:25,310 --> 00:47:22,200

had some snow there's a higher path like

951

00:47:26,900 --> 00:47:25,320

4000 C elevation and the ironically

952

00:47:29,750 --> 00:47:26,910

denies though they had was eight inches

953

00:47:33,010 --> 00:47:29,760

oh my lord what a magical number on this

954

00:47:34,540 --> 00:47:33,020

show hello

955

00:47:36,010 --> 00:47:34,550

yeah well well thanks going in with

956

00:47:38,530 --> 00:47:36,020

that's a that's a that's a nice little

957

00:47:44,380 --> 00:47:38,540

inside thing for our show

958

00:47:46,930 --> 00:47:44,390

no that's six is eight Joanne well you

959

00:47:49,900 --> 00:47:46,940

think about you think about video yeah

960

00:47:52,450 --> 00:47:49,910

absolutely everyone out there who listen

961

00:47:54,100 --> 00:47:52,460

to the show in a die-hard fashion every

962

00:47:56,620 --> 00:47:54,110

time you see the number eight you can't

963

00:47:58,890 --> 00:47:56,630

help but think it inches that's just the

964

00:48:03,210 --> 00:47:58,900

way it goes we get inside your head and

965

00:48:05,440 --> 00:48:03,220

that's all you can think about anymore

966

00:48:06,609 --> 00:48:05,450

there was a place in Alaska called

967

00:48:09,640 --> 00:48:06,619

Springfield I don't think we have one

968

00:48:12,010 --> 00:48:09,650

Springfield now every well I would look

969

00:48:13,480 --> 00:48:12,020

that up again because I think almost

970

00:48:18,040 --> 00:48:13,490

every state in the Union has a

971

00:48:23,859 --> 00:48:18,050

Springfield oh yeah maybe I know oh hi

972

00:48:25,960 --> 00:48:23,869

oh does Missouri Massachusetts I believe

973

00:48:34,359 --> 00:48:25,970

or some somewhere in the New England

974

00:48:45,400 --> 00:48:34,369

area so yeah they're around what else

975

00:48:47,050 --> 00:48:45,410

you got on your brain tonight let me ask

976

00:48:49,450 --> 00:48:47,060

you about the since I've been reading

977

00:48:52,840 --> 00:48:49,460

about the the reptilian conspiracy what

978

00:48:54,460 --> 00:48:52,850

do you think about the the yeah are you

979

00:48:57,580 --> 00:48:54,470

probably familiar with a David Icke

980

00:48:59,680 --> 00:48:57,590

conspiracy and everyone probably

981

00:49:01,840 --> 00:48:59,690

familiar the what about the the that

982

00:49:04,359 --> 00:49:01,850

they're actually the the elite are

983

00:49:07,200 --> 00:49:04,369

actually part reptilian as and they're

984

00:49:12,250 --> 00:49:07,210

part of a bloodline that descended or

985

00:49:14,440 --> 00:49:12,260

from the reptilian UFO bloodline uh you

986

00:49:16,000 --> 00:49:14,450

know I think it's it's somewhat

987

00:49:18,040 --> 00:49:16,010

plausible you know I come from the

988

00:49:19,840 --> 00:49:18,050

belief that you know they're all you

989

00:49:21,820 --> 00:49:19,850

know whatever you want to call them you

990

00:49:23,920 --> 00:49:21,830

know re-steamed FL um you know fallen

991

00:49:26,520 --> 00:49:23,930

angels that you know have crossbred with

992

00:49:28,570 --> 00:49:26,530

things and if they can shape-shift

993

00:49:31,180 --> 00:49:28,580

interdimensionally come in out of our

994

00:49:33,460 --> 00:49:31,190

reality and if they want to present

995

00:49:35,080 --> 00:49:33,470

themselves as reptilians I think they

996

00:49:37,900 --> 00:49:35,090

are some of the same characters that

997

00:49:39,670 --> 00:49:37,910

were working with the Nazis even three

998

00:49:41,440 --> 00:49:39,680

you know World War two with like the

999

00:49:44,290 --> 00:49:41,450

civil society and girl society and stuff

1000

00:49:46,660 --> 00:49:44,300

like that I think it's very real that

1001  
00:49:46,960 --> 00:49:46,670  
these are not just reptilians but if

1002  
00:49:50,350 --> 00:49:46,970  
they

1003  
00:49:52,270 --> 00:49:50,360  
shapeshifters if you know demons

1004  
00:49:55,120 --> 00:49:52,280  
whatever you are calling that are part

1005  
00:49:57,340 --> 00:49:55,130  
of this part of this universe and I

1006  
00:49:59,320 --> 00:49:57,350  
think that they are definitely evil guys

1007  
00:50:01,450 --> 00:49:59,330  
I'm not so sure about you know that I've

1008  
00:50:04,060 --> 00:50:01,460  
heard anywhere from like it's five to

1009  
00:50:05,920 --> 00:50:04,070  
ten to 15 different alien races that are

1010  
00:50:08,380 --> 00:50:05,930  
out there you know it's all Gray's the

1011  
00:50:10,720 --> 00:50:08,390  
short greys the white and all those you

1012  
00:50:13,780 --> 00:50:10,730  
know from David Icke and Corey Goode not

1013  
00:50:15,550 --> 00:50:13,790

like I said I I'm not sure how many

1014

00:50:17,170 --> 00:50:15,560

actual real ones how many different

1015

00:50:18,550 --> 00:50:17,180

kinds are out there but I think it's

1016

00:50:20,470 --> 00:50:18,560

probably a lot more than we think it is

1017

00:50:24,310 --> 00:50:20,480

just a it's probably more than eight

1018

00:50:26,110 --> 00:50:24,320

eight eight I would say is more than

1019

00:50:28,930 --> 00:50:26,120

eight but I actually you know when it

1020

00:50:33,790 --> 00:50:28,940

comes to different races

1021

00:50:35,080 --> 00:50:33,800

I heard that philip corso Colonel Corso

1022

00:50:40,180 --> 00:50:35,090

who wrote the book that day after

1023

00:50:42,390 --> 00:50:40,190

Roswell and has been on the UFO circuit

1024

00:50:45,430 --> 00:50:42,400

out in Europe until his until his death

1025

00:50:47,020 --> 00:50:45,440

I would say about maybe aa few years I

1026  
00:50:48,400 --> 00:50:47,030  
don't know exactly but he went on record

1027  
00:50:52,020 --> 00:50:48,410  
and said that he believed that there was

1028  
00:50:54,580 --> 00:50:52,030  
anywhere from 50 to 256 different

1029  
00:50:56,530 --> 00:50:54,590  
extraterrestrial races out there that he

1030  
00:50:58,120 --> 00:50:56,540  
knew about and that's you know just in

1031  
00:51:00,250 --> 00:50:58,130  
our local area

1032  
00:51:05,500 --> 00:51:00,260  
God knows anywhere else in the in the

1033  
00:51:08,680 --> 00:51:05,510  
universe other other galaxies so yeah

1034  
00:51:11,400 --> 00:51:08,690  
you have Corey Goode that comes out and

1035  
00:51:13,740 --> 00:51:11,410  
talks about different density beans

1036  
00:51:18,640 --> 00:51:13,750  
types of creatures that you can't even

1037  
00:51:19,750 --> 00:51:18,650  
perceive in like 3d terms because you

1038  
00:51:21,640 --> 00:51:19,760

have to go up to a higher level of

1039

00:51:25,240 --> 00:51:21,650

consciousness to to see him so there

1040

00:51:29,740 --> 00:51:25,250

could be far more who knows - maybe four

1041

00:51:33,160 --> 00:51:29,750

maybe four at least at the very least

1042

00:51:35,050 --> 00:51:33,170

but I do look a bit at least eight uh

1043

00:51:37,510 --> 00:51:35,060

burned down in Mexico all probably a

1044

00:51:41,080 --> 00:51:37,520

couple in China China yeah yeah there's

1045

00:51:43,690 --> 00:51:41,090

probably at least four maybe 40 grab

1046

00:51:45,100 --> 00:51:43,700

panda - Ill heard Trump say Canada over

1047

00:51:47,200 --> 00:51:45,110

the weekend you know talk about Trudeau

1048

00:51:48,880 --> 00:51:47,210

and there's a you know he wasn't talking

1049

00:51:50,410 --> 00:51:48,890

with fake eyebrows but you know that

1050

00:51:54,850 --> 00:51:50,420

became a big topic there on the internet

1051  
00:51:58,300 --> 00:51:54,860  
here briefly so yeah yeah yeah yeah yeah

1052  
00:51:59,610 --> 00:51:58,310  
I love the the Justin Trudeau lost his

1053  
00:52:08,130 --> 00:51:59,620  
eyebrow

1054  
00:52:09,990 --> 00:52:08,140  
on on-air it's just ridiculous so I

1055  
00:52:12,630 --> 00:52:10,000  
didn't hear a guy a few weeks ago on our

1056  
00:52:14,930 --> 00:52:12,640  
local radio whenever like lauric local

1057  
00:52:17,970 --> 00:52:14,940  
radio stations and he was talking about

1058  
00:52:19,760 --> 00:52:17,980  
anti-gravity technology and that he has

1059  
00:52:22,950 --> 00:52:19,770  
confirmation that they are doing them

1060  
00:52:25,230 --> 00:52:22,960  
mining on some asteroids for gold out in

1061  
00:52:26,510 --> 00:52:25,240  
the asteroid belt and he was dead

1062  
00:52:28,530 --> 00:52:26,520  
serious he said yeah we've had

1063  
00:52:32,250 --> 00:52:28,540

anti-gravity technology given it to us

1064

00:52:34,440 --> 00:52:32,260

since the late 1880s 1890's and they are

1065

00:52:36,540 --> 00:52:34,450

actively mining gold out in the asteroid

1066

00:52:39,600 --> 00:52:36,550

belt right now I can buy that I can buy

1067

00:52:43,110 --> 00:52:39,610

that that this super secret technology

1068

00:52:45,960 --> 00:52:43,120

has been given to corporations to you

1069

00:52:48,720 --> 00:52:45,970

know help their bottom line and you know

1070

00:52:50,040 --> 00:52:48,730

in exchange for providing and developing

1071

00:52:52,620 --> 00:52:50,050

this technologies anti-gravity

1072

00:52:55,230 --> 00:52:52,630

technology for for the US government in

1073

00:52:58,490 --> 00:52:55,240

in the secret space program they can use

1074

00:53:00,240 --> 00:52:58,500

it on their own to mine asteroids and

1075

00:53:04,110 --> 00:53:00,250

make a nice profit

1076  
00:53:06,300 --> 00:53:04,120  
and I think Elon Musk is gonna is gonna

1077  
00:53:07,410 --> 00:53:06,310  
run up against some competition like

1078  
00:53:07,620 --> 00:53:07,420  
they're letting him do this thing right

1079  
00:53:09,540 --> 00:53:07,630  
now

1080  
00:53:13,050 --> 00:53:09,550  
they're letting him get get into orbit

1081  
00:53:14,880 --> 00:53:13,060  
and they're letting them do some some

1082  
00:53:16,950 --> 00:53:14,890  
stuff that you know draws attention to

1083  
00:53:19,350 --> 00:53:16,960  
the private sector doing this type of

1084  
00:53:24,900 --> 00:53:19,360  
activity but you know you just cancelled

1085  
00:53:26,040 --> 00:53:24,910  
his is or re-evaluating his tourist trip

1086  
00:53:30,810 --> 00:53:26,050  
that he's gonna offer people to go

1087  
00:53:32,370 --> 00:53:30,820  
around the moon in back and so I he's

1088  
00:53:33,750 --> 00:53:32,380

gonna be forced into a situation where

1089

00:53:35,700 --> 00:53:33,760

he's gonna be confronted with the UFO

1090

00:53:37,230 --> 00:53:35,710

phenomenon and I'm really kind of

1091

00:53:40,740 --> 00:53:37,240

interested to see how he's gonna respond

1092

00:53:42,510 --> 00:53:40,750

to it yeah I think he's awesome to get

1093

00:53:44,070 --> 00:53:42,520

your double cross hey I got a jump off

1094

00:53:45,990 --> 00:53:44,080

the air but hey if you could do me a

1095

00:53:49,230 --> 00:53:46,000

solid maybe think about either tonight

1096

00:53:51,600 --> 00:53:49,240

or for the Wednesday so doing a unsolved

1097

00:53:54,030 --> 00:53:51,610

mysteries talking about Bob Lazar using

1098

00:53:56,010 --> 00:53:54,040

your London cockney accent oh god it's

1099

00:53:57,720 --> 00:53:56,020

complex I'll see if I can remember it

1100

00:54:00,840 --> 00:53:57,730

hopefully some of the slack will remain

1101

00:54:02,520 --> 00:54:00,850

but yes I will put it on the docket okay

1102

00:54:05,040 --> 00:54:02,530

because I think for your London London

1103

00:54:07,230 --> 00:54:05,050

cockney accent it is really good I think

1104

00:54:09,540 --> 00:54:07,240

you can you read that one article the

1105

00:54:10,260 --> 00:54:09,550

other day that was it almost felt

1106

00:54:12,360 --> 00:54:10,270

spot-on

1107

00:54:13,260 --> 00:54:12,370

thank you yes I'm working on my accents

1108

00:54:16,109 --> 00:54:13,270

yes

1109

00:54:23,640 --> 00:54:16,119

Thank You Stan have a good night happy

1110

00:54:24,750 --> 00:54:23,650

mic night back a few more of a list of

1111

00:54:26,400 --> 00:54:24,760

this listen I'm going to be getting out

1112

00:54:29,000 --> 00:54:26,410

of here in a few minutes but I want to

1113

00:54:31,170 --> 00:54:29,010

read down a few more of these reptilian

1114

00:54:33,600 --> 00:54:31,180

conspiracies number six as reptilians

1115

00:54:35,609 --> 00:54:33,610

came from both other planets and other

1116

00:54:37,920 --> 00:54:35,619

dimensions we we tend to talk about that

1117

00:54:40,230 --> 00:54:37,930

with the Vrill society and Rocko's I

1118

00:54:42,570 --> 00:54:40,240

don't aki reptilians traveled to earth

1119

00:54:46,380 --> 00:54:42,580

from doing solar systems surrounding the

1120

00:54:49,020 --> 00:54:46,390

Stars Bracco and Zeta Reticuli God just

1121

00:54:52,109 --> 00:54:49,030

trying to get into this stuff caller go

1122

00:54:54,450 --> 00:54:52,119

ahead you're on the air yeah hey Big

1123

00:54:56,940 --> 00:54:54,460

Mike this is hail and what's going on

1124

00:55:03,510 --> 00:54:56,950

serenity now what is on your mind

1125

00:55:05,850 --> 00:55:03,520

tonight hey Joe he doesn't usually do a

1126

00:55:09,480 --> 00:55:05,860

night talk with me he is on the

1127

00:55:11,690 --> 00:55:09,490

Wednesday and Saturday show with me well

1128

00:55:17,190 --> 00:55:11,700

you tell him I'm missing I will I will

1129

00:55:19,050 --> 00:55:17,200

maybe he'd be happy to do that I uh you

1130

00:55:22,220 --> 00:55:19,060

know I just heard you talking to that

1131

00:55:24,780 --> 00:55:22,230

other caller about and had that had the

1132

00:55:28,560 --> 00:55:24,790

so called flying saucer or whatever

1133

00:55:30,150 --> 00:55:28,570

being going down the highway mm-hmm and

1134

00:55:33,030 --> 00:55:30,160

the other we're talking about the

1135

00:55:36,599 --> 00:55:33,040

asteroid belt and all these different 57

1136

00:55:39,510 --> 00:55:36,609

varieties and all this stuff and you

1137

00:55:41,480 --> 00:55:39,520

know I I have another I just have

1138

00:55:44,930 --> 00:55:41,490

another outlook on this whole thing and

1139

00:55:47,070 --> 00:55:44,940

I'm not by any means of Flat Earth or

1140

00:55:48,570 --> 00:55:47,080

because I don't know like we talked

1141

00:55:51,980 --> 00:55:48,580

about this before I don't know exactly

1142

00:55:54,270 --> 00:55:51,990

you know what what it is you know what

1143

00:55:58,680 --> 00:55:54,280

you know if we're on a globe or what

1144

00:56:01,430 --> 00:55:58,690

world you know but I tend to think that

1145

00:56:06,210 --> 00:56:01,440

these extra so-called extraterrestrials

1146

00:56:11,430 --> 00:56:06,220

are I wouldn't say demons but I would

1147

00:56:13,410 --> 00:56:11,440

say they're some kind of entity and it's

1148

00:56:14,940 --> 00:56:13,420

just a facade and it's not really

1149

00:56:17,400 --> 00:56:14,950

extraterrestrials and I think the

1150

00:56:19,890 --> 00:56:17,410

government's happy for us to talk about

1151  
00:56:21,710 --> 00:56:19,900  
it being extraterrestrials and happy for

1152  
00:56:24,330 --> 00:56:21,720  
us to talk about going out into space

1153  
00:56:26,520 --> 00:56:24,340  
you know in mining asteroids because I

1154  
00:56:27,000 --> 00:56:26,530  
don't think we can get into space and I

1155  
00:56:32,580 --> 00:56:27,010  
think

1156  
00:56:34,320 --> 00:56:32,590  
come from a different dimension and they

1157  
00:56:36,570 --> 00:56:34,330  
come from this so-called realm that

1158  
00:56:38,400 --> 00:56:36,580  
we're on that I don't think is a ball

1159  
00:56:40,710 --> 00:56:38,410  
what do you think

1160  
00:56:42,350 --> 00:56:40,720  
I think I'm halfway there with you I

1161  
00:56:45,150 --> 00:56:42,360  
think that some of these

1162  
00:56:47,850 --> 00:56:45,160  
extraterrestrials they're real beings

1163  
00:56:51,240 --> 00:56:47,860

like us they they exist and they they

1164

00:56:54,360 --> 00:56:51,250

procreate but they're much more advanced

1165

00:56:56,130 --> 00:56:54,370

and I on the other side I also with some

1166

00:56:58,350 --> 00:56:56,140

of the abduction experiences and some of

1167

00:57:01,470 --> 00:56:58,360

the eyewitness testimony it does seem as

1168

00:57:04,850 --> 00:57:01,480

though that they can have a facade as if

1169

00:57:08,130 --> 00:57:04,860

they can read our minds as they they can

1170

00:57:10,560 --> 00:57:08,140

project what we think that they are and

1171

00:57:15,390 --> 00:57:10,570

whether you want to call them demons or

1172

00:57:17,640 --> 00:57:15,400

or beings that don't really aren't

1173

00:57:20,730 --> 00:57:17,650

really uh displaying their true nature I

1174

00:57:23,990 --> 00:57:20,740

think that could be true and with

1175

00:57:26,550 --> 00:57:24,000

everything like I would be wary of any

1176

00:57:29,010 --> 00:57:26,560

highly advanced civilization come

1177

00:57:31,440 --> 00:57:29,020

bearing gifts saying they're gonna save

1178

00:57:34,170 --> 00:57:31,450

us from ourselves you hope that's true

1179

00:57:36,030 --> 00:57:34,180

but that's not the way we that nature

1180

00:57:39,060 --> 00:57:36,040

works there's a yin and yang there is a

1181

00:57:41,040 --> 00:57:39,070

light in dark to everything and I I

1182

00:57:42,870 --> 00:57:41,050

think I'm partially I'm with you that

1183

00:57:44,970 --> 00:57:42,880

the government probably is happy with us

1184

00:57:46,470 --> 00:57:44,980

talking about them as being from

1185

00:57:48,780 --> 00:57:46,480

different planets because they're that

1186

00:57:50,610 --> 00:57:48,790

put some sort of distance between us and

1187

00:57:53,940 --> 00:57:50,620

them we could always ask them politely

1188

00:57:56,370 --> 00:57:53,950

to go back home if I mean in you know in

1189

00:57:58,740 --> 00:57:56,380

our child like mine if they wind up

1190

00:58:00,090 --> 00:57:58,750

being interdimensional which I clearly

1191

00:58:01,320 --> 00:58:00,100

think is the case and some of the

1192

00:58:03,630 --> 00:58:01,330

instances especially when you read about

1193

00:58:06,480 --> 00:58:03,640

skinwalker ranch that brings a whole

1194

00:58:09,180 --> 00:58:06,490

different element to this which is way

1195

00:58:12,420 --> 00:58:09,190

more exotic and scary I think to the

1196

00:58:14,460 --> 00:58:12,430

normal public which they're not from

1197

00:58:17,490 --> 00:58:14,470

Mars they're not from Zeta Reticuli

1198

00:58:20,970 --> 00:58:17,500

they're living right here in can't

1199

00:58:23,400 --> 00:58:20,980

access our dimension anytime they damn

1200

00:58:25,410 --> 00:58:23,410

well please which is much more scary

1201  
00:58:27,900 --> 00:58:25,420  
they can teleport they can go between

1202  
00:58:30,120 --> 00:58:27,910  
different worlds we can't have that we

1203  
00:58:32,100 --> 00:58:30,130  
we can't really understand that concept

1204  
00:58:34,530 --> 00:58:32,110  
because it hasn't really been explained

1205  
00:58:37,020 --> 00:58:34,540  
to how to us how that might work and

1206  
00:58:39,180 --> 00:58:37,030  
what that means for our mind it's a is

1207  
00:58:40,990 --> 00:58:39,190  
usually at a horror movie of event

1208  
00:58:43,900 --> 00:58:41,000  
horizon

1209  
00:58:46,839 --> 00:58:43,910  
yeah yeah where they had this the this

1210  
00:58:49,570 --> 00:58:46,849  
ship and it went out the the far reaches

1211  
00:58:51,010 --> 00:58:49,580  
of our solar system and they got out

1212  
00:58:53,080 --> 00:58:51,020  
there I think it was close to a black

1213  
00:58:56,680 --> 00:58:53,090

hole and they started encountering these

1214

00:58:59,380 --> 00:58:56,690

different realities and it was an inner

1215

00:59:02,470 --> 00:58:59,390

this ship was somehow able to interact

1216

00:59:04,510 --> 00:59:02,480

with these other dimensions and through

1217

00:59:05,770 --> 00:59:04,520

I think through his power system or warp

1218

00:59:07,300 --> 00:59:05,780

drive or some like that and these other

1219

00:59:09,820 --> 00:59:07,310

dimensions they weren't happy they

1220

00:59:12,760 --> 00:59:09,830

weren't like a great alternate like

1221

00:59:16,030 --> 00:59:12,770

happy-go-lucky alternate reality or

1222

00:59:18,550 --> 00:59:16,040

dimension it was it was evil and bad I

1223

00:59:21,700 --> 00:59:18,560

think he had a recourse when dealing

1224

00:59:23,770 --> 00:59:21,710

with this stuff ask and if you encounter

1225

00:59:26,410 --> 00:59:23,780

one of these entities ask are they a

1226

00:59:28,150 --> 00:59:26,420

beam of light are they are they good

1227

00:59:31,420 --> 00:59:28,160

willed and hopefully they'll tell the

1228

00:59:33,310 --> 00:59:31,430

truth the weird part about it is that in

1229

00:59:36,390 --> 00:59:33,320

a lot of these cases that you hear when

1230

00:59:39,490 --> 00:59:36,400

people tend to pray these things go away

1231

00:59:42,550 --> 00:59:39,500

anywhere from this dog man you were

1232

00:59:44,710 --> 00:59:42,560

talking about which believe me I've

1233

00:59:46,270 --> 00:59:44,720

heard so much witness testimony I have a

1234

00:59:48,520 --> 00:59:46,280

lot of time on my hands and I listen to

1235

00:59:52,079 --> 00:59:48,530

a lot of different things and the

1236

00:59:55,720 --> 00:59:52,089

witness testimony and and the emotional

1237

00:59:58,300 --> 00:59:55,730

tone of hundreds of eyewitness accounts

1238

01:00:02,560 --> 00:59:58,310

I've heard of this thing this entity

1239

01:00:04,990 --> 01:00:02,570

does exist and and and again this I'm

1240

01:00:07,270 --> 01:00:05,000

know by no means the Holy Roller but I

1241

01:00:10,150 --> 01:00:07,280

actually I really do believe that the

1242

01:00:12,790 --> 01:00:10,160

government wants us to believe that we

1243

01:00:14,890 --> 01:00:12,800

came down through evolution and that

1244

01:00:16,480 --> 01:00:14,900

there's no God and we live on this fall

1245

01:00:19,120 --> 01:00:16,490

that where there's an infinite universe

1246

01:00:21,700 --> 01:00:19,130

and there's things out there that are

1247

01:00:23,500 --> 01:00:21,710

better than us and I feel that they're

1248

01:00:26,680 --> 01:00:23,510

there they're holding on to that just

1249

01:00:29,290 --> 01:00:26,690

for like push our our spirituality down

1250

01:00:32,650 --> 01:00:29,300

same reason why you know they say that

1251

01:00:34,630 --> 01:00:32,660

mushrooms and acid aren't any good but

1252

01:00:36,490 --> 01:00:34,640

you know that and they've kept that away

1253

01:00:38,140 --> 01:00:36,500

from us because it expands our mind and

1254

01:00:40,329 --> 01:00:38,150

so this pot you know and they keep that

1255

01:00:42,130 --> 01:00:40,339

away from us because you know it makes

1256

01:00:44,230 --> 01:00:42,140

us think and it makes us smart that

1257

01:00:45,910 --> 01:00:44,240

makes that you know realize that there's

1258

01:00:48,849 --> 01:00:45,920

more I don't know if you've ever done

1259

01:00:52,570 --> 01:00:48,859

acid oh yeah it when you when you do it

1260

01:00:54,880 --> 01:00:52,580

you just change you know you change your

1261

01:00:57,700 --> 01:00:54,890

back the way that you look at everything

1262

01:01:00,099 --> 01:00:57,710

you know and I just think the government

1263

01:01:02,289 --> 01:01:00,109

wants to dumb us down and I really

1264

01:01:04,950 --> 01:01:02,299

believe that these entities are coming

1265

01:01:07,660 --> 01:01:04,960

from another dimension and that they're

1266

01:01:10,960 --> 01:01:07,670

that there's no outer space and this

1267

01:01:12,700 --> 01:01:10,970

whole NASA thing I mean you know that

1268

01:01:15,190 --> 01:01:12,710

they just lie in line and they've been

1269

01:01:17,079 --> 01:01:15,200

caught so many lies and I and I really

1270

01:01:20,380 --> 01:01:17,089

believe that the space station isn't up

1271

01:01:22,809 --> 01:01:20,390

there and I I mean I know I'm sounding

1272

01:01:26,710 --> 01:01:22,819

goofy like a conspiracy theorist but

1273

01:01:28,900 --> 01:01:26,720

that's what I do so much evidence that I

1274

01:01:30,849 --> 01:01:28,910

just I just don't buy a lot of this

1275

01:01:34,930 --> 01:01:30,859

stuff the government's throwing at you

1276

01:01:36,339 --> 01:01:34,940

know I'm with you and I don't I don't

1277

01:01:38,079 --> 01:01:36,349

call goofy or anything like that

1278

01:01:39,339 --> 01:01:38,089

I'm with you on the praying think so

1279

01:01:41,980 --> 01:01:39,349

there's a lot of eyewitness testimony

1280

01:01:43,660 --> 01:01:41,990

there's a documentary on Mothman put out

1281

01:01:45,970 --> 01:01:43,670

by a small town monsters and there's a

1282

01:01:48,160 --> 01:01:45,980

lot of witness testimony in there and

1283

01:01:50,140 --> 01:01:48,170

one that that rang true to me was this

1284

01:01:53,019 --> 01:01:50,150

older gentleman who was confronted by

1285

01:01:55,660 --> 01:01:53,029

the Mothman this very dark entity that

1286

01:01:58,240 --> 01:01:55,670

was able to fly and when he started to

1287

01:02:01,660 --> 01:01:58,250

pray he said this thing almost D

1288

01:02:03,549 --> 01:02:01,670

materialized and in front of them and it

1289

01:02:05,650 --> 01:02:03,559

right whether you play to pray to Jesus

1290

01:02:08,920 --> 01:02:05,660

Christ or Buddha I think you're right

1291

01:02:10,210 --> 01:02:08,930

that the government maybe we can't even

1292

01:02:11,650 --> 01:02:10,220

just say the government we should say

1293

01:02:13,870 --> 01:02:11,660

the control structure because

1294

01:02:16,210 --> 01:02:13,880

governments change but there's a control

1295

01:02:19,210 --> 01:02:16,220

structure that wants to filter our

1296

01:02:21,009 --> 01:02:19,220

reality and filter our possibilities or

1297

01:02:23,710 --> 01:02:21,019

our thought of possibilities and what

1298

01:02:25,930 --> 01:02:23,720

our own potential is spiritually and

1299

01:02:27,490 --> 01:02:25,940

with our consciousness right and I think

1300

01:02:29,650 --> 01:02:27,500

it's much more powerful than what they

1301

01:02:33,329 --> 01:02:29,660

let on and they and I think they know

1302

01:02:42,640 --> 01:02:40,230

DMT talking to you when you don't I I

1303

01:02:47,950 --> 01:02:42,650

didn't talk about that but I have heard

1304

01:02:49,809 --> 01:02:47,960

that that it's not DMT the first thing

1305

01:02:52,029 --> 01:02:49,819

that happens is it says I'm glad you

1306

01:02:54,370 --> 01:02:52,039

found this technology I thought it was

1307

01:02:55,870 --> 01:02:54,380

on your show it could have been if we

1308

01:02:58,359 --> 01:02:55,880

said it was said in passing I've never

1309

01:03:00,249 --> 01:02:58,369

done DMT I've like I've only heard Joe

1310

01:03:02,230 --> 01:03:00,259

Rogan talk to people about that

1311

01:03:04,329 --> 01:03:02,240

experience and some people believe that

1312

01:03:06,730 --> 01:03:04,339

that is a chemical that the chemical

1313

01:03:08,480 --> 01:03:06,740

itself the the mushroom he take

1314

01:03:10,609 --> 01:03:08,490

mushrooms the mushrooms talking to you

1315

01:03:13,430 --> 01:03:10,619

is able to tap into a larger

1316

01:03:16,730 --> 01:03:13,440

consciousness it's it's it's a bizarre

1317

01:03:20,870 --> 01:03:16,740

and fascinating subject and I I hope

1318

01:03:23,750 --> 01:03:20,880

more science is is willing to delve into

1319

01:03:26,300 --> 01:03:23,760

these subjects and you know human

1320

01:03:27,830 --> 01:03:26,310

consciousness is so it's not very well

1321

01:03:30,050 --> 01:03:27,840

understood where it comes from how it

1322

01:03:32,240 --> 01:03:30,060

operates and it's tough for science to

1323

01:03:34,270 --> 01:03:32,250

wrap itself around it at time since it's

1324

01:03:37,310 --> 01:03:34,280

not really tangible it's hard to measure

1325

01:03:40,580 --> 01:03:37,320

but I think hopefully within the next

1326

01:03:42,290 --> 01:03:40,590

few years maybe fifteen they'll will

1327

01:03:45,260 --> 01:03:42,300

have a lot more to say about it and

1328

01:03:47,150 --> 01:03:45,270

maybe maybe hopefully science will open

1329

01:03:49,810 --> 01:03:47,160

up and be a little bit more open-minded

1330

01:03:52,160 --> 01:03:49,820

than has been the past hundred years

1331

01:03:53,660 --> 01:03:52,170

well this power structure that you're

1332

01:03:55,400 --> 01:03:53,670

right it isn't the government

1333

01:03:57,580 --> 01:03:55,410

generalised but it you're the power

1334

01:04:01,340 --> 01:03:57,590

structure you're talking about certainly

1335

01:04:04,160 --> 01:04:01,350

doesn't want us to have you know coming

1336

01:04:06,020 --> 01:04:04,170

anywhere out of our shell no and they've

1337

01:04:10,970 --> 01:04:06,030

proven that time and time again by the

1338

01:04:13,910 --> 01:04:10,980

way they treat us like kids no it's just

1339

01:04:16,250 --> 01:04:13,920

a bad situation and I hope science looks

1340

01:04:18,620 --> 01:04:16,260

at it that way but for science could be

1341

01:04:21,290 --> 01:04:18,630

as frayed as it is as afraid as it is

1342

01:04:24,230 --> 01:04:21,300

even knowledge something like Bigfoot

1343

01:04:27,040 --> 01:04:24,240

then I'm telling you is asset and in in

1344

01:04:30,770 --> 01:04:27,050

a lot more quantities than people think

1345

01:04:32,359 --> 01:04:30,780

it tells me something right there just

1346

01:04:34,520 --> 01:04:32,369

like he said about evolution I was

1347

01:04:37,790 --> 01:04:34,530

watching someone I mean evolution is

1348

01:04:39,890 --> 01:04:37,800

just such a such a stupid thing I mean I

1349

01:04:41,900 --> 01:04:39,900

just can't I don't know how they got us

1350

01:04:45,230 --> 01:04:41,910

believing in all this stuff but people

1351

01:04:46,790 --> 01:04:45,240

just take take it for granted and they

1352

01:04:48,620 --> 01:04:46,800

got us in this money thing where two

1353

01:04:50,690 --> 01:04:48,630

people work they come home they do this

1354

01:04:52,490 --> 01:04:50,700

they do that you know I just retired and

1355

01:04:55,550 --> 01:04:52,500

I have a lot more time to delve into a

1356

01:04:57,800 --> 01:04:55,560

lot of different things and I just it's

1357

01:05:00,440 --> 01:04:57,810

just a shame that we're so caught up in

1358

01:05:03,020 --> 01:05:00,450

material things and and I am too I mean

1359

01:05:05,840 --> 01:05:03,030

I just it's just awful but we can't

1360

01:05:08,599 --> 01:05:05,850

explore more than we do and we're dumbed

1361

01:05:11,390 --> 01:05:08,609

down day after day after day people have

1362

01:05:13,220 --> 01:05:11,400

to be willing to take that leap and you

1363

01:05:16,040 --> 01:05:13,230

know you're right they work us to death

1364

01:05:18,590 --> 01:05:16,050

we're we want things I like I like nice

1365

01:05:22,160 --> 01:05:18,600

things too but also I like to talk about

1366

01:05:24,440 --> 01:05:22,170

these topics it fascinates my

1367

01:05:26,330 --> 01:05:24,450

my whole personality this fascinates me

1368

01:05:28,060 --> 01:05:26,340

it fascinates my mind it keeps me

1369

01:05:30,830 --> 01:05:28,070

occupied I daydream about this stuff

1370

01:05:32,690 --> 01:05:30,840

it's to me what we talked about on this

1371

01:05:36,670 --> 01:05:32,700

show and our conversation right here is

1372

01:05:39,650 --> 01:05:36,680

what we should be doing on a daily basis

1373

01:05:42,650 --> 01:05:39,660

posing questions talking about the

1374

01:05:45,350 --> 01:05:42,660

nature reality and questioning what

1375

01:05:47,180 --> 01:05:45,360

exactly we're being told because I we

1376

01:05:48,920 --> 01:05:47,190

can all agree that but what we're being

1377

01:05:51,410 --> 01:05:48,930

told probably on a daily basis at least

1378

01:05:54,410 --> 01:05:51,420

about the nature reality isn't true

1379

01:05:56,330 --> 01:05:54,420

because well just take a look around I

1380

01:05:58,160 --> 01:05:56,340

mean we get treated like kids because to

1381

01:05:59,840 --> 01:05:58,170

a certain degree we act that way just

1382

01:06:02,270 --> 01:05:59,850

take a look at social media look look

1383

01:06:03,800 --> 01:06:02,280

how childish politics is look how

1384

01:06:06,380 --> 01:06:03,810

childish a lot of people on both sides

1385

01:06:07,850 --> 01:06:06,390

of the aisle in America it's very child

1386

01:06:10,940 --> 01:06:07,860

it's a lot of name-calling not a lot of

1387

01:06:14,240 --> 01:06:10,950

conversation there's not people throw

1388

01:06:16,850 --> 01:06:14,250

names around and we act like saying you

1389

01:06:18,890 --> 01:06:16,860

know the people who are probably

1390

01:06:20,570 --> 01:06:18,900

listening to us talk right now are

1391

01:06:22,820 --> 01:06:20,580

people who listen to this show and are a

1392

01:06:25,610 --> 01:06:22,830

little bit more open-minded but someone

1393

01:06:28,190 --> 01:06:25,620

who happens to come across this you know

1394

01:06:30,800 --> 01:06:28,200

I know they're looking boy these guys

1395

01:06:33,110 --> 01:06:30,810

are really really far out they're really

1396

01:06:35,120 --> 01:06:33,120

you know they're a lot and and that's

1397

01:06:36,590 --> 01:06:35,130

what's really sad I mean that people

1398

01:06:38,930 --> 01:06:36,600

aren't willing to open their minds like

1399

01:06:41,600 --> 01:06:38,940

you said in and to talk about this kind

1400

01:06:44,930 --> 01:06:41,610

of stuff right it's really heartbreaking

1401

01:06:46,460 --> 01:06:44,940

it really is yeah it is but hey it's

1402

01:06:49,490 --> 01:06:46,470

still fun to talk about it and

1403

01:06:51,680 --> 01:06:49,500

occasionally occasionally it the

1404

01:06:56,960 --> 01:06:51,690

conversation will spark interest in

1405

01:06:59,060 --> 01:06:56,970

somebody who was otherwise kind of doing

1406

01:07:00,830 --> 01:06:59,070

this and I wouldn't be calling up to

1407

01:07:02,390 --> 01:07:00,840

talk about it hey one more thing before

1408

01:07:05,240 --> 01:07:02,400

I go yeah I don't know whether or not

1409

01:07:08,270 --> 01:07:05,250

you've ever heard Linda Godfrey do an

1410

01:07:12,290 --> 01:07:08,280

interview at all hi I probably had keys

1411

01:07:15,020 --> 01:07:12,300

we heart and she I know she's been on so

1412

01:07:16,670 --> 01:07:15,030

many smaller shows I know that if you

1413
