

NIGHT TALK
with
MIDNIGHT MIKE

1
00:00:07,660 --> 00:00:13,550
congratulations speechless

2
00:00:22,740 --> 00:00:20,120
[Music]

3
00:00:24,750 --> 00:00:22,750
you know you read what others have done

4
00:00:25,710 --> 00:00:24,760
and you took the next step

5
00:00:37,950 --> 00:00:25,720
did you learn the knowledge for

6
00:00:44,170 --> 00:00:37,960
yourselves so that is one big pile of

7
00:00:50,570 --> 00:00:46,560
that is one response

8
00:00:52,790 --> 00:00:50,580
Japan Mexico

9
00:00:56,690 --> 00:00:52,800
and it only makes common sense what

10
00:01:17,450 --> 00:01:04,290
[Music]

11
00:01:28,010 --> 00:01:20,140
hey everyone welcome back to another

12
00:01:30,590 --> 00:01:28,020
night talk lie yes oh no I think I'm

13
00:01:32,060 --> 00:01:30,600

bigger than you yes you could be bigger

14

00:01:37,820 --> 00:01:32,070

than me brother

15

00:01:40,340 --> 00:01:37,830

oh yes brother oh oh yes don't do it

16

00:01:41,420 --> 00:01:40,350

Paul Co you are you in the cave with me

17

00:01:43,400 --> 00:01:41,430

okay

18

00:01:44,510 --> 00:01:43,410

I mean are you in the cave with me oh

19

00:01:47,630 --> 00:01:44,520

yes I do

20

00:01:53,260 --> 00:01:47,640

no just are you in the cave with me yeah

21

00:02:00,399 --> 00:01:53,270

okay we're in the night talk on live

22

00:02:07,209 --> 00:02:03,850

I know enough goofing around we turn

23

00:02:12,309 --> 00:02:07,219

down the the Nighthawk music there we go

24

00:02:14,020 --> 00:02:12,319

turn that down all right I hate to

25

00:02:18,370 --> 00:02:14,030

intrude oh you're not intruding just

26

00:02:22,449 --> 00:02:18,380

doing a show it's me you can stick

27

00:02:25,000 --> 00:02:22,459

around and hang out with me for the next

28

00:02:27,520 --> 00:02:25,010

hour or so while I maybe take some phone

29

00:02:30,940 --> 00:02:27,530

calls talk about some some stories I got

30

00:02:36,009 --> 00:02:30,950

to the stories about real-life vampires

31

00:02:40,900 --> 00:02:36,019

uh shapeshifters some Russian space

32

00:02:44,080 --> 00:02:40,910

forest news space force base force needs

33

00:02:48,880 --> 00:02:44,090

some of echo on it you see what happens

34

00:02:51,430 --> 00:02:48,890

with this space force yeah we're still

35

00:02:56,949 --> 00:02:51,440

pretty well we also have some technology

36

00:02:59,380 --> 00:02:56,959

news with ibm's new AI and a nazi toy

37

00:03:02,789 --> 00:02:59,390

that has been pulled off the shelves all

38

00:03:06,520 --> 00:03:02,799

that more coming up on night talk live

39

00:03:09,520 --> 00:03:06,530

Joe and I we had a good time on Saturday

40

00:03:12,729 --> 00:03:09,530

doing a show in command central one he

41

00:03:16,420 --> 00:03:12,739

was the first person that I've had in

42

00:03:17,319 --> 00:03:16,430

the new command center off of 1.3 and it

43

00:03:19,240 --> 00:03:17,329

was nice

44

00:03:21,160 --> 00:03:19,250

Nellie that it was a nice and sadly I

45

00:03:24,539 --> 00:03:21,170

guest in here finally to do the show's

46

00:03:27,280 --> 00:03:24,549

name it was also nice to seem in person

47

00:03:30,220 --> 00:03:27,290

I've had a chance to reflect on it it

48

00:03:33,250 --> 00:03:30,230

was just it's like a genuinely good guy

49

00:03:36,759 --> 00:03:33,260

and you know I talk with them every

50

00:03:37,120 --> 00:03:36,769

every week for probably about three

51

00:03:42,039 --> 00:03:37,130

hours

52

00:03:44,650 --> 00:03:42,049

talk to each other about whatever is

53

00:03:47,759 --> 00:03:44,660

going on in our life current events and

54

00:03:51,580 --> 00:03:47,769

all the the wacky stuff and it's nice to

55

00:03:53,410 --> 00:03:51,590

actually see the person who you talk

56

00:03:55,720 --> 00:03:53,420

with and who you know you're you know

57

00:03:58,720 --> 00:03:55,730

you're friends with them but to seem in

58

00:04:01,569 --> 00:03:58,730

person and you can see their facial

59

00:04:04,360 --> 00:04:01,579

expressions a bit more and it is kind of

60

00:04:06,460 --> 00:04:04,370

like solidified our friendship I believe

61

00:04:07,960 --> 00:04:06,470

I think we actually were closer friends

62

00:04:09,240 --> 00:04:07,970

now that we've we've seen each other

63

00:04:11,319 --> 00:04:09,250

again for the first time in 15 years

64

00:04:13,130 --> 00:04:11,329

than before I don't know if that makes

65

00:04:16,400 --> 00:04:13,140

any sense but that's that's

66

00:04:18,199 --> 00:04:16,410

at least how I feel so I think we'll

67

00:04:21,710 --> 00:04:18,209

will definitely be able to do another

68

00:04:25,370 --> 00:04:21,720

300 shows together yeah and what oh yeah

69

00:04:28,810 --> 00:04:25,380

300 shows it's very possible it's very

70

00:04:34,490 --> 00:04:28,820

possible to happen okay okay all right

71

00:04:37,820 --> 00:04:34,500

so first up on the docket first up like

72

00:04:39,530 --> 00:04:37,830

I'm - on the docket we have some vampire

73

00:04:42,500 --> 00:04:39,540

news but we don't talk about vampires

74

00:04:45,440 --> 00:04:42,510

too much on on the are big dumb mouth

75

00:04:49,130 --> 00:04:45,450

show occasionally we'll talk about some

76

00:04:51,050 --> 00:04:49,140

cryptids or some weird of Mothman like

77

00:04:54,110 --> 00:04:51,060

creatures vampires don't often come up

78

00:04:56,780 --> 00:04:54,120

oh well I all even touch on dog man or

79

00:04:59,570 --> 00:04:56,790

werewolf but vampires don't really come

80

00:05:02,000 --> 00:04:59,580

up too much but you know there is a

81

00:05:03,920 --> 00:05:02,010

vampire culture out there and I remember

82

00:05:09,890 --> 00:05:03,930

when I was a grown-up back in the 90s

83

00:05:13,190 --> 00:05:09,900

back in my day the interview with a

84

00:05:15,980 --> 00:05:13,200

vampire movie came out the the Anne Rice

85

00:05:16,700 --> 00:05:15,990

books were very popular and that's you

86

00:05:19,490 --> 00:05:16,710

know that yet

87

00:05:21,920 --> 00:05:19,500

spawn Konica of vampires subculture of

88

00:05:24,110 --> 00:05:21,930

people dressing like like vampires and

89

00:05:26,810 --> 00:05:24,120

that kind of linked to the the goth

90

00:05:28,219 --> 00:05:26,820

industrial culture and and I'd be out of

91

00:05:30,950 --> 00:05:28,229

like at local shows and I'd see people

92

00:05:32,840 --> 00:05:30,960

with like fake vampire teeth end and a

93

00:05:33,920 --> 00:05:32,850

little weird I don't know why you want

94

00:05:36,469 --> 00:05:33,930

to be slam-dancing

95

00:05:38,900 --> 00:05:36,479

in a mosh pit and have to worry about

96

00:05:41,659 --> 00:05:38,910

your fake vampire teeth it seems like a

97

00:05:42,520 --> 00:05:41,669

big headache think of the dental bill my

98

00:05:46,590 --> 00:05:42,530

lord

99

00:05:51,950 --> 00:05:49,470

they're all around us don't know if

100

00:05:54,420 --> 00:05:51,960

that's true but let's be sensational

101
00:05:56,270 --> 00:05:54,430
your mother's a vampire how about that

102
00:05:58,560 --> 00:05:56,280
she's gonna suck your blood

103
00:06:01,260 --> 00:05:58,570
pretty god she doesn't suck anything

104
00:06:05,520 --> 00:06:01,270
else and I'm talking about yeah all

105
00:06:10,310 --> 00:06:05,530
right let's get this vampire story of

106
00:06:12,660 --> 00:06:10,320
and running this comes from the Sun UK

107
00:06:15,270 --> 00:06:12,670
inside the bizarre world of the

108
00:06:17,660 --> 00:06:15,280
real-life vampire king and queen who

109
00:06:18,870 --> 00:06:17,670
have fangs drink blood and are

110
00:06:21,480 --> 00:06:18,880
polyamorous

111
00:06:24,870 --> 00:06:21,490
but hey Twilight uh-huh that's what they

112
00:06:26,880 --> 00:06:24,880
say they hate Twilight so here we go is

113
00:06:31,050 --> 00:06:26,890

this a picture show they can do a run

114

00:06:33,960 --> 00:06:31,060

down or do I have to read please God

115

00:06:37,040 --> 00:06:33,970

don't make me read just what I have this

116

00:06:40,110 --> 00:06:37,050

this kind of awakening I ran off with it

117

00:06:41,760 --> 00:06:40,120

and I was just so empowered by and I

118

00:06:43,480 --> 00:06:41,770

didn't care what anybody said it was you

119

00:06:47,570 --> 00:06:43,490

I'm a vampire

120

00:06:49,770 --> 00:06:47,580

[Music]

121

00:06:51,930 --> 00:06:49,780

this is a guy talking about being a

122

00:06:53,610 --> 00:06:51,940

vampire they're showing little images of

123

00:06:56,430 --> 00:06:53,620

him in a court of Austin is essentially

124

00:06:58,890 --> 00:06:56,440

a town hall for all of Austin's awakened

125

00:07:01,170 --> 00:06:58,900

vampires other kin and your human

126
00:07:03,240 --> 00:07:01,180
supporters or black swans that assist us

127
00:07:04,710 --> 00:07:03,250
with our you know everyday life and what

128
00:07:06,720 --> 00:07:04,720
we do with the court as well it's

129
00:07:08,940 --> 00:07:06,730
essentially a safe haven for anyone who

130
00:07:11,880 --> 00:07:08,950
applies and wants to be part of our kind

131
00:07:16,410 --> 00:07:11,890
of family style group to learn from each

132
00:07:18,330 --> 00:07:16,420
other married couple Logan in Dallas

133
00:07:22,470 --> 00:07:18,340
south founded the vampire quarantine

134
00:07:24,780 --> 00:07:22,480
stairs have been married now for almost

135
00:07:28,320 --> 00:07:24,790
two years from the moment that we got

136
00:07:30,690 --> 00:07:28,330
together we decided to have an open

137
00:07:32,310 --> 00:07:30,700
relationship and then shortly after that

138
00:07:34,140 --> 00:07:32,320

we decided to have a polyamorous

139

00:07:36,510 --> 00:07:34,150

relationship which meant that not only

140

00:07:38,370 --> 00:07:36,520

could we play with other partners but we

141

00:07:40,170 --> 00:07:38,380

could also love other people what does

142

00:07:42,090 --> 00:07:40,180

it have to do with vampire culture this

143

00:07:44,160 --> 00:07:42,100

sounds like they're just having sex to

144

00:07:46,830 --> 00:07:44,170

have sex under the guise of being

145

00:07:49,410 --> 00:07:46,840

vampires and finding my wife I found my

146

00:07:51,630 --> 00:07:49,420

other half in finding Ilona

147

00:07:55,620 --> 00:07:51,640

I found that that soulmate that we all

148

00:08:00,180 --> 00:07:55,630

search for who exists if you I have

149

00:08:08,100 --> 00:08:03,240

where does where do the where does the

150

00:08:10,020 --> 00:08:08,110

vampirism come in this is an Austin

151
00:08:12,150 --> 00:08:10,030
Texas holy [h__\h] yo watch out these

152
00:08:13,740 --> 00:08:12,160
people can we get him on the show joke

153
00:08:15,570 --> 00:08:13,750
Jeff I don't know if you're listening or

154
00:08:17,370 --> 00:08:15,580
watching I'll sing this article later

155
00:08:19,170 --> 00:08:17,380
but these people whose vampires are in

156
00:08:25,410 --> 00:08:19,180
Austin Texas I'd love to interview them

157
00:08:27,090 --> 00:08:25,420
when we talk about vampires they believe

158
00:08:29,040 --> 00:08:27,100
that they will become some trying to

159
00:08:31,110 --> 00:08:29,050
read the subtitles here of this vo they

160
00:08:34,170 --> 00:08:31,120
believe that they will become ill they

161
00:08:36,300 --> 00:08:34,180
spend too long in the Sun or don't feed

162
00:08:38,880 --> 00:08:36,310
I get ill if I spend too much time his

163
00:08:41,399 --> 00:08:38,890

son I got lupus [h__h] I'm

164

00:08:45,150 --> 00:08:41,409

allergic to the Sun it hurts me I'm

165

00:08:48,810 --> 00:08:45,160

white I'm Irish most people I believe

166

00:08:51,330 --> 00:08:48,820

will will get sick you spend too much

167

00:08:55,740 --> 00:08:51,340

science time in the Sun which maybe most

168

00:08:59,820 --> 00:08:55,750

white folks Sun poisoning all right

169

00:09:01,770 --> 00:08:59,830

a lot of vampires experience Sun

170

00:09:03,480 --> 00:09:01,780

sensitivity and the theory with that is

171

00:09:05,070 --> 00:09:03,490

that the son of such an intense form of

172

00:09:07,380 --> 00:09:05,080

energy and as vampires we are very

173

00:09:09,420 --> 00:09:07,390

sensitive to energy I can feed from it

174

00:09:10,920 --> 00:09:09,430

if you stop feeding for extended period

175

00:09:12,600 --> 00:09:10,930

of time you're probably gonna get sick I

176

00:09:14,490 --> 00:09:12,610

actually know someone who had a heart

177

00:09:16,080 --> 00:09:14,500

condition and she stopped feeding for an

178

00:09:18,030 --> 00:09:16,090

extended period of time and she was they

179

00:09:20,700 --> 00:09:18,040

told her she was gonna die so our donors

180

00:09:23,220 --> 00:09:20,710

are human as far as how we do it the

181

00:09:25,230 --> 00:09:23,230

most utilized court method that we

182

00:09:27,330 --> 00:09:25,240

promote is a Lancet which is an

183

00:09:28,800 --> 00:09:27,340

instrument that is utilized for people

184

00:09:30,660 --> 00:09:28,810

who are diabetic oh it does this prick

185

00:09:32,400 --> 00:09:30,670

the finger a few times and we feed that

186

00:09:33,260 --> 00:09:32,410

way you don't want to go cutting into

187

00:09:34,910 --> 00:09:33,270

people

188

00:09:36,470 --> 00:09:34,920

with dyes or anything you know and I've

189

00:09:38,090 --> 00:09:36,480

heard horror stories of people doing

190

00:09:40,519 --> 00:09:38,100

that kind of thing and I think it's very

191

00:09:42,889 --> 00:09:40,529

important that we that we educate people

192

00:09:44,900 --> 00:09:42,899

on how to do that very safely there's no

193

00:09:46,820 --> 00:09:44,910

reason to go cut and then slice and when

194

00:09:48,949 --> 00:09:46,830

you could just have a tiny bowl and

195

00:09:52,760 --> 00:09:48,959

afraid to thank here's how they got into

196

00:09:55,310 --> 00:09:52,770

this macaws of Anne Rice and in vampire

197

00:09:57,079 --> 00:09:55,320

culture was his father a vampire was he

198

00:09:59,570 --> 00:09:57,089

born into this was his son of vampire

199

00:10:02,300 --> 00:09:59,580

son of Dracula I'd like to know or was

200

00:10:04,760 --> 00:10:02,310

it part of the music culture he's kind

201
00:10:07,699 --> 00:10:04,770
of dressed up like a level 12 Ranger

202
00:10:10,670 --> 00:10:07,709
from D&D he's got that brim is a cross

203
00:10:12,650 --> 00:10:10,680
between Steve Irwin and a D&D Ranger

204
00:10:18,310 --> 00:10:12,660
that's what he's dressed as not typical

205
00:10:23,990 --> 00:10:20,420
there there are many misconceptions

206
00:10:25,730 --> 00:10:24,000
about that it's just a lifestyle and

207
00:10:27,440 --> 00:10:25,740
it's just something that we decided one

208
00:10:29,030 --> 00:10:27,450
day we said hey I'm gonna put on some

209
00:10:31,100 --> 00:10:29,040
black and some things be a vampire

210
00:10:34,699 --> 00:10:31,110
the only immortality that we believe in

211
00:10:37,160 --> 00:10:34,709
is what you'll find she didn't really

212
00:10:40,639 --> 00:10:37,170
clear up any misconceptions like so how

213
00:10:47,210 --> 00:10:40,649

did you get into this culture we are

214

00:10:49,010 --> 00:10:47,220

hoping to actually see this guy's

215

00:10:51,620 --> 00:10:49,020

bringing the seven kingdoms of vampirism

216

00:10:56,219 --> 00:10:51,630

together my day is probably just like

217

00:11:04,059 --> 00:10:58,449

we do first day job

218

00:11:07,259 --> 00:11:04,069

see a dentist maybe perhaps even some

219

00:11:10,719 --> 00:11:07,269

sort of like technician when it comes to

220

00:11:14,079 --> 00:11:10,729

lamps or something like that I don't I

221

00:11:15,909 --> 00:11:14,089

don't know I do not fully others I'd

222

00:11:18,009 --> 00:11:15,919

like to know more about this every month

223

00:11:21,339 --> 00:11:18,019

the vampire court of Austin meets at

224

00:11:23,229 --> 00:11:21,349

their private member's Club fetes venue

225

00:11:25,869 --> 00:11:23,239

a fetish venue about 15 minutes from

226

00:11:28,149 --> 00:11:25,879

Central Austin where they hold an

227

00:11:32,799 --> 00:11:28,159

official court meeting before relaxing

228

00:11:34,719 --> 00:11:32,809

with a drink or a little BDSM on their

229

00:11:38,169 --> 00:11:34,729

sex floor they have a whole floor

230

00:11:40,899 --> 00:11:38,179

dedicated to sex my god most people just

231

00:11:44,529 --> 00:11:40,909

have like one room or a bed have a whole

232

00:11:46,749 --> 00:11:44,539

floor is it linoleum married couple

233

00:11:48,999 --> 00:11:46,759

Logan in Dallas south founded the court

234

00:11:51,429 --> 00:11:49,009

around six years ago to provide a safe

235

00:11:54,009 --> 00:11:51,439

haven for all the city's awakened

236

00:11:56,379 --> 00:11:54,019

vampires and other kin which includes

237

00:11:58,749 --> 00:11:56,389

werewolves fairies and and people who

238

00:12:00,659 --> 00:11:58,759

identify with their animal spirits I'd

239

00:12:02,859 --> 00:12:00,669

like that this sounds great in practice

240

00:12:06,789 --> 00:12:02,869

it sounds great in practice I like guys

241

00:12:10,929 --> 00:12:06,799

wonder how people become vampire or find

242

00:12:12,879 --> 00:12:10,939

that that side of themselves they advise

243

00:12:15,969 --> 00:12:12,889

members who include security guards

244

00:12:18,669 --> 00:12:15,979

property managers ex-military in actors

245

00:12:21,339 --> 00:12:18,679

on how to drink blood safely and shield

246

00:12:23,949 --> 00:12:21,349

themselves from psychic attacks panel on

247

00:12:26,199 --> 00:12:23,959

board these psychic attacks are launched

248

00:12:28,299 --> 00:12:26,209

by so-called energy vampires who feed

249

00:12:30,399 --> 00:12:28,309

off of people's positive energy in order

250

00:12:33,279 --> 00:12:30,409

to boost their own but they're like a

251
00:12:34,389 --> 00:12:33,289
blood vampire and you know Alex Jenna

252
00:12:37,769 --> 00:12:34,399
stocks well the second vampires are

253
00:12:40,599 --> 00:12:37,779
ruling elite the Illuminati who create a

254
00:12:43,179 --> 00:12:40,609
devastating world events death and chaos

255
00:12:45,399 --> 00:12:43,189
turmoil sadness in order for these

256
00:12:47,469 --> 00:12:45,409
energy vampires to feed off of that that

257
00:12:49,649 --> 00:12:47,479
negative energy some kind of on board

258
00:12:52,329 --> 00:12:49,659
with some of this stuff and his goals

259
00:12:55,149 --> 00:12:52,339
but I don't know about the the whole

260
00:12:57,819 --> 00:12:55,159
putting teeth in kind of thing that's

261
00:13:00,729 --> 00:12:57,829
just not me I don't know if I like that

262
00:13:02,949 --> 00:13:00,739
and then I couldn't go into the office

263
00:13:04,749 --> 00:13:02,959

wearing vampire teeth I think my office

264

00:13:08,230 --> 00:13:04,759

has a strict no vampire policy they're

265

00:13:10,840 --> 00:13:08,240

very bigoted they really are 6.43

266

00:13:13,600 --> 00:13:10,850

9 is your father a vampire do you have

267

00:13:17,710 --> 00:13:13,610

an uncle perhaps that is a vampire Colin

268

00:13:20,650 --> 00:13:17,720

let me know it is said you can tell if

269

00:13:23,350 --> 00:13:20,660

you're suffering an attack a psychic

270

00:13:25,269 --> 00:13:23,360

attack by the way you feel when you're

271

00:13:27,850 --> 00:13:25,279

around them sometimes a sudden nausea or

272

00:13:29,980 --> 00:13:27,860

stomach ache or stabbing pains around

273

00:13:32,350 --> 00:13:29,990

the back chest and shoulders work will

274

00:13:34,060 --> 00:13:32,360

occur but these aren't just a group of

275

00:13:36,880 --> 00:13:34,070

role players the members of the court

276

00:13:39,130 --> 00:13:36,890

truly believe that if they do not feed

277

00:13:42,910 --> 00:13:39,140

or if they spend too long in the Sun

278

00:13:44,829 --> 00:13:42,920

they will become ill or even die as I've

279

00:13:50,139 --> 00:13:44,839

talked about on many of the past shows

280

00:13:52,300 --> 00:13:50,149

as of late that I think that the the the

281

00:13:53,290 --> 00:13:52,310

belief system is very powerful so if

282

00:13:55,269 --> 00:13:53,300

they believe this

283

00:13:57,010 --> 00:13:55,279

they might wind up causing some kind of

284

00:13:58,930 --> 00:13:57,020

reaction within themselves look I didn't

285

00:14:00,250 --> 00:13:58,940

get into blood I'm in the Sun too long I

286

00:14:03,070 --> 00:14:00,260

believe this is gonna harm me so maybe

287

00:14:07,530 --> 00:14:03,080

therefore it will so they they might be

288

00:14:12,790 --> 00:14:07,540

really inventing by using their mind

289

00:14:14,920 --> 00:14:12,800

manifesting that on their own and Austin

290

00:14:17,620 --> 00:14:14,930

vampires are not alone one census

291

00:14:20,319 --> 00:14:17,630

estimated there were 50,000 vampires in

292

00:14:22,120 --> 00:14:20,329

the u.s. at last count I don't know if

293

00:14:24,280 --> 00:14:22,130

they had that in the US census form I

294

00:14:26,949 --> 00:14:24,290

know they they track ethnicity I think

295

00:14:28,600 --> 00:14:26,959

and household couples I don't know if

296

00:14:31,600 --> 00:14:28,610

they ask you does your household include

297

00:14:33,730 --> 00:14:31,610

a vampire werewolf or fairy I don't know

298

00:14:35,860 --> 00:14:33,740

if that's I don't think the the US

299

00:14:38,110 --> 00:14:35,870

Census system is that forward-thinking

300

00:14:42,010 --> 00:14:38,120

at this point but maybe they'll get to

301
00:14:45,639 --> 00:14:42,020
it there are three main types of vampire

302
00:14:48,460 --> 00:14:45,649
queen daily explains identified by their

303
00:14:52,060 --> 00:14:48,470
main source of feeding either blood sex

304
00:14:55,060 --> 00:14:52,070
or energy daily of 30 told Sun online

305
00:14:58,150 --> 00:14:55,070
you got vampires who feed from blood the

306
00:14:59,949 --> 00:14:58,160
sanguine vampires you got vampires that

307
00:15:03,240 --> 00:14:59,959
feed directly from energy psychic

308
00:15:07,360 --> 00:15:03,250
vampires and you got vampires who feed

309
00:15:11,079 --> 00:15:07,370
sexually not just from sex acts but from

310
00:15:12,940 --> 00:15:11,089
the energy of arousal you also got

311
00:15:14,500 --> 00:15:12,950
vampires who feed from all three well

312
00:15:17,860 --> 00:15:14,510
geez there's pigs aren't they at that

313
00:15:19,650 --> 00:15:17,870

point they're gluttons at that point

314

00:15:22,020 --> 00:15:19,660

okay

315

00:15:25,230 --> 00:15:22,030

this is this this is a fairly lengthy

316

00:15:29,040 --> 00:15:25,240

article about about vampir is there

317

00:15:30,870 --> 00:15:29,050

anything like super controversial about

318

00:15:32,880 --> 00:15:30,880

this this does kind of just seem like a

319

00:15:36,080 --> 00:15:32,890

club and they don't really seem to be

320

00:15:38,640 --> 00:15:36,090

doing anybody harm as long as the

321

00:15:41,330 --> 00:15:38,650

participants or who are giving the blood

322

00:15:44,700 --> 00:15:41,340

do so of their own volition

323

00:15:46,230 --> 00:15:44,710

let's get down to some nitty-gritty from

324

00:15:49,050 --> 00:15:46,240

the moment that we got together we

325

00:15:51,240 --> 00:15:49,060

decided to have an open relationship and

326

00:15:53,730 --> 00:15:51,250

then shortly after we decided to have a

327

00:15:56,610 --> 00:15:53,740

polyamorous relationship which meant

328

00:15:59,370 --> 00:15:56,620

that not only could we play with other

329

00:16:03,330 --> 00:15:59,380

partners we could also love other people

330

00:16:06,720 --> 00:16:03,340

and that would be perfectly fine okay so

331

00:16:08,910 --> 00:16:06,730

they're kind of like a half vampire or

332

00:16:14,100 --> 00:16:08,920

half hippies from the sixty kind of

333

00:16:16,500 --> 00:16:14,110

thing okay I can I can see that

334

00:16:19,259 --> 00:16:16,510

it makes it probably easy hmm got to

335

00:16:22,069 --> 00:16:19,269

worry about sharing things at that point

336

00:16:25,079 --> 00:16:22,079

maybe you share fangs they do

337

00:16:29,329 --> 00:16:25,089

Fang condoms hmm which what are the last

338

00:16:32,819 --> 00:16:29,339

two paragraphs on this I'm kind of

339

00:16:35,910 --> 00:16:32,829

curious about how this all winds up son

340

00:16:37,860 --> 00:16:35,920

online was granted exclusive AXA access

341

00:16:40,800 --> 00:16:37,870

to June's meeting where a group of

342

00:16:43,319 --> 00:16:40,810

around 20 or 30 vampires many wearing

343

00:16:45,540 --> 00:16:43,329

specially made fangs and brightly

344

00:16:48,810 --> 00:16:45,550

colored contact lenses gathered to greet

345

00:16:50,190 --> 00:16:48,820

the king and queen well they just call

346

00:16:52,920 --> 00:16:50,200

themselves king and queen there is no

347

00:16:56,550 --> 00:16:52,930

voting that is kind of like preordained

348

00:16:59,310 --> 00:16:56,560

some kind of royal bloodline hahaha once

349

00:17:01,920 --> 00:16:59,320

inside the group the once inside the

350

00:17:03,900 --> 00:17:01,930

group took part in an energy shielding

351
00:17:05,730 --> 00:17:03,910
workshop where they learned how to

352
00:17:07,740 --> 00:17:05,740
protect themselves from psychic attacks

353
00:17:09,240 --> 00:17:07,750
and that mean there's various books out

354
00:17:13,020 --> 00:17:09,250
the out there and how to do this you can

355
00:17:15,510 --> 00:17:13,030
visualize a white light around yourself

356
00:17:16,740 --> 00:17:15,520
to guard against psychic attacks or if

357
00:17:19,350 --> 00:17:16,750
you go if you think you're going to go

358
00:17:22,020 --> 00:17:19,360
into a situation that might be a little

359
00:17:25,650 --> 00:17:22,030
bit more mentally stressful and

360
00:17:27,569 --> 00:17:25,660
emotionally charged you can you can slow

361
00:17:31,680 --> 00:17:27,579
down for a second sit down meditate a

362
00:17:36,840 --> 00:17:31,690
little bit and picture white light

363
00:17:39,240 --> 00:17:36,850

around yourself and be have that dispel

364

00:17:40,320 --> 00:17:39,250

the negative energy around you so it's

365

00:17:41,909 --> 00:17:40,330

not that different from what they're

366

00:17:45,150 --> 00:17:41,919

doing here versus what I've read in

367

00:17:47,730 --> 00:17:45,160

other books we do a lot of community

368

00:17:51,000 --> 00:17:47,740

outreach for the Austin community Daly

369

00:17:53,310 --> 00:17:51,010

explains a lot of that it a lot of that

370

00:17:55,350 --> 00:17:53,320

is to not only help the community but it

371

00:17:57,539 --> 00:17:55,360

also removes the negative stigma that

372

00:18:00,600 --> 00:17:57,549

often surrounds vampire organizations if

373

00:18:02,840 --> 00:18:00,610

they see a bunch of vampires out helping

374

00:18:05,549 --> 00:18:02,850

with Children's Hospital blood drives

375

00:18:08,850 --> 00:18:05,559

things like that then it gives people a

376

00:18:11,280 --> 00:18:08,860

more open mind as to what I don't this

377

00:18:13,950 --> 00:18:11,290

is not gonna work people it doesn't make

378

00:18:15,659 --> 00:18:13,960

sense to me they're gonna be stealing

379

00:18:18,260 --> 00:18:15,669

blood taking it back to their vampire

380

00:18:23,630 --> 00:18:18,270

den their sex floor doing god-knows-what

381

00:18:30,290 --> 00:18:25,890

how does this this is a very lengthy

382

00:18:35,600 --> 00:18:33,350

all right so just to wind this up they

383

00:18:37,820 --> 00:18:35,610

go on to say I would say I detest

384

00:18:41,210 --> 00:18:37,830

Twilight on a cellular level he said I

385

00:18:42,320 --> 00:18:41,220

absolutely abhor it and I think it is

386

00:18:47,810 --> 00:18:42,330

disgusting

387

00:18:50,120 --> 00:18:47,820

an abusive stalker and does not in any

388

00:18:52,630 --> 00:18:50,130

way attribute itself to anything the

389

00:18:56,570 --> 00:18:52,640

vampires are either in reality or in

390

00:18:58,820 --> 00:18:56,580

folklore or legend it's kind of a

391

00:19:04,490 --> 00:18:58,830

farcical version of vampires that I

392

00:19:08,930 --> 00:19:04,500

don't appreciate he says okay yeah all

393

00:19:11,780 --> 00:19:08,940

right there is a brief story of some

394

00:19:13,880 --> 00:19:11,790

real-life vampires there that they're in

395

00:19:15,800 --> 00:19:13,890

Austin Texas I don't know if they're

396

00:19:18,350 --> 00:19:15,810

open to new members but this is a

397

00:19:21,260 --> 00:19:18,360

perfect opportunity for Jo to do some do

398

00:19:23,840 --> 00:19:21,270

a deep cover mission I believe I think

399

00:19:25,790 --> 00:19:23,850

I'd like to see him do that and we could

400

00:19:28,460 --> 00:19:25,800

make him a costume I think I could have

401

00:19:32,210 --> 00:19:28,470

him go like wear a cape possibly elf

402

00:19:34,100 --> 00:19:32,220

shoes and even like Spock ears and I

403

00:19:36,200 --> 00:19:34,110

will set him in there get him on the

404

00:19:37,880 --> 00:19:36,210

gentleman that's this this court and

405

00:19:40,100 --> 00:19:37,890

then he could be the court jester for

406

00:19:42,980 --> 00:19:40,110

the king and queen vampire I think that

407

00:19:44,840 --> 00:19:42,990

would be quite nice if all else oh it

408

00:19:46,610 --> 00:19:44,850

would just be able to be be hilarious of

409

00:19:52,220 --> 00:19:46,620

the show all right let's move on a

410

00:19:57,280 --> 00:19:52,230

little bit 6 1 4 3 8 & 9 109 while we're

411

00:20:01,550 --> 00:19:57,290

on the topic of vampires and and whatnot

412

00:20:04,690 --> 00:20:01,560

I do have something that goes along with

413

00:20:06,710 --> 00:20:04,700

with shapeshifters and shape-shifting

414

00:20:09,149 --> 00:20:06,720

and I might actually have a personal

415

00:20:12,089 --> 00:20:09,159

story with this too

416

00:20:15,509 --> 00:20:12,099

but uh miss I'm not sure if I played

417

00:20:18,690 --> 00:20:15,519

this on the on the air but this is from

418

00:20:22,229 --> 00:20:18,700

the Howard Stern Show where he was

419

00:20:24,869 --> 00:20:22,239

interviewing Billy Corgan of the

420

00:20:26,909 --> 00:20:24,879

Smashing Pumpkins and I don't know if

421

00:20:28,109 --> 00:20:26,919

anybody follows Billy Corgan scurry Reza

422

00:20:31,789 --> 00:20:28,119

bleh he's very he's a very interesting

423

00:20:35,909 --> 00:20:31,799

dude I believe it's just a absolutely

424

00:20:38,729 --> 00:20:35,919

creative songwriter he's uh I written a

425

00:20:39,899 --> 00:20:38,739

lot of songs that I loved growing up and

426

00:20:42,419 --> 00:20:39,909

I think he's a great guitar player a

427

00:20:44,549 --> 00:20:42,429

great songwriter and he's into some of

428

00:20:46,460 --> 00:20:44,559

the the conspiracy paranormal stuff as

429

00:20:48,869 --> 00:20:46,470

well he's been on the outs Jones show

430

00:20:51,389 --> 00:20:48,879

he's been pretty open about his belief

431

00:20:53,099 --> 00:20:51,399

that there's more going on than meets

432

00:20:55,710 --> 00:20:53,109

the eye questions a lot of official

433

00:20:57,659 --> 00:20:55,720

events and he does touch on the

434

00:21:00,330 --> 00:20:57,669

paranormal side leaving that that there

435

00:21:02,159 --> 00:21:00,340

are ghosts there's an afterlife and some

436

00:21:06,060 --> 00:21:02,169

of those entities can creep into our

437

00:21:08,729 --> 00:21:06,070

life every now and again when he was on

438

00:21:11,399 --> 00:21:08,739

the Stern Show he actually told this

439

00:21:13,469 --> 00:21:11,409

story to Howard Stern this might get is

440

00:21:16,680 --> 00:21:13,479

flagged for content strike so make sure

441

00:21:18,570 --> 00:21:16,690

people that if you want the audio only

442

00:21:20,489 --> 00:21:18,580

version of the show subscribe to the

443

00:21:23,879 --> 00:21:20,499

patreon three dollars a month and you

444

00:21:26,119 --> 00:21:23,889

get the high bitrate version of the show

445

00:21:27,539 --> 00:21:26,129

mp3 only listened to around the go and

446

00:21:33,960 --> 00:21:27,549

here we go

447

00:21:35,940 --> 00:21:33,970

Billy Corgan on Stern what happened give

448

00:21:40,349 --> 00:21:35,950

me a give me a give me a for instance I

449

00:21:43,259 --> 00:21:40,359

I want to know don't be embarrassed come

450

00:21:45,539 --> 00:21:43,269

on share why not we have to discuss

451
00:21:47,789 --> 00:21:45,549
let's let's just say I was with somebody

452
00:21:50,999 --> 00:21:47,799
once and I saw I saw a transformation

453
00:21:53,129 --> 00:21:51,009
that I can't explain the person

454
00:21:55,080 --> 00:21:53,139
transformed into something other than

455
00:21:56,639 --> 00:21:55,090
human yes I saw it

456
00:21:58,289 --> 00:21:56,649
were you on dry it was not it was

457
00:22:00,029 --> 00:21:58,299
totally sober Wow

458
00:22:02,849 --> 00:22:00,039
you were talking with you I'm just gonna

459
00:22:04,680 --> 00:22:02,859
I'm guessing some questions you were

460
00:22:06,599 --> 00:22:04,690
taught you were talking to someone you

461
00:22:11,099 --> 00:22:06,609
have a conversation yes we are now yeah

462
00:22:14,129 --> 00:22:11,109
this close and the person suddenly not

463
00:22:16,080 --> 00:22:14,139

in a hallucination they said to you look

464

00:22:17,549 --> 00:22:16,090

something's gonna happen here I'm gonna

465

00:22:19,950 --> 00:22:17,559

show I'm gonna morph into something else

466

00:22:21,479 --> 00:22:19,960

and you're like what this is ridiculous

467

00:22:22,320 --> 00:22:21,489

that's not how it happened to Kimmy

468

00:22:23,160 --> 00:22:22,330

Kimmy Kimmy

469

00:22:24,750 --> 00:22:23,170

give me a pull

470

00:22:26,430 --> 00:22:24,760

I wanted to see this imagine you're

471

00:22:27,510 --> 00:22:26,440

doing something in suddenly you turn

472

00:22:31,170 --> 00:22:27,520

around and there's somebody else

473

00:22:32,460 --> 00:22:31,180

standing there a different human sorta

474

00:22:34,049 --> 00:22:32,470

it's hard to explain without going to

475

00:22:36,390 --> 00:22:34,059

detail rather going to tell kids but did

476
00:22:38,190 --> 00:22:36,400
you say to the person what'd you just do

477
00:22:40,110 --> 00:22:38,200
here like that yes and they acknowledged

478
00:22:42,270 --> 00:22:40,120
it and then what did they say they were

479
00:22:46,590 --> 00:22:42,280
from another planet and they wouldn't

480
00:22:48,810 --> 00:22:46,600
explain why not again without telling us

481
00:22:56,549 --> 00:22:48,820
it's a really messed-up story a famous

482
00:23:00,049 --> 00:22:56,559
person no good we're out there actually

483
00:23:09,660 --> 00:23:08,070
demeanor someone I've had that on

484
00:23:17,630 --> 00:23:09,670
purpose I was with a woman she took her

485
00:23:19,680 --> 00:23:17,640
makeup off Wow

486
00:23:23,960 --> 00:23:19,690
it's up there with one of the most

487
00:23:27,060 --> 00:23:23,970
intense things I've ever been through I

488
00:23:30,360 --> 00:23:27,070

believe them I think there's some weird

489

00:23:32,960 --> 00:23:30,370

[h__h] out there and these I think the

490

00:23:35,730 --> 00:23:32,970

there are weird creatures that exist

491

00:23:39,570 --> 00:23:35,740

look I believe in aliens I believe in

492

00:23:42,180 --> 00:23:39,580

UFOs and I believe that there are weird

493

00:23:46,200 --> 00:23:42,190

creatures out there whether or not it

494

00:23:49,470 --> 00:23:46,210

was an actual shapeshifter that's what

495

00:23:51,180 --> 00:23:49,480

he believed he saw somebody or something

496

00:23:55,710 --> 00:23:51,190

taking the form of humanity's kind of

497

00:23:57,150 --> 00:23:55,720

briefly saw it I don't know they the

498

00:23:58,830 --> 00:23:57,160

human mind works in weird ways

499

00:24:02,310 --> 00:23:58,840

especially with the eyes we only see a

500

00:24:04,620 --> 00:24:02,320

certain spectrum of light god knows what

501
00:24:06,840 --> 00:24:04,630
is living in any of spectrums we can't

502
00:24:08,220 --> 00:24:06,850
have access to that through our eyes we

503
00:24:12,750 --> 00:24:08,230
can do it like you know infrared

504
00:24:15,540 --> 00:24:12,760
thermography FLIR UV who knows but

505
00:24:18,290 --> 00:24:15,550
that's what that's what he saw and I

506
00:24:20,669 --> 00:24:18,300
don't think he expanded on everything

507
00:24:24,030 --> 00:24:20,679
before he actually talked talked about

508
00:24:27,330 --> 00:24:24,040
that he was actually referencing being

509
00:24:31,380 --> 00:24:27,340
at that that Hollywood party and how you

510
00:24:34,560 --> 00:24:31,390
ran into a person who was a medium or

511
00:24:36,390 --> 00:24:34,570
and that the medium actually kind of

512
00:24:38,040 --> 00:24:36,400
talk with him about

513
00:24:41,460 --> 00:24:38,050

this friend he had when he was grown up

514

00:24:43,650 --> 00:24:41,470

who died and they'd never had contact

515

00:24:45,660 --> 00:24:43,660

previously Billy Corgan and in this

516

00:24:47,310 --> 00:24:45,670

medium and reference that and that kind

517

00:24:49,410 --> 00:24:47,320

of solidified some stuff for him for him

518

00:24:52,380 --> 00:24:49,420

and then he had that other experience at

519

00:24:55,140 --> 00:24:52,390

the party so weird wild stuff definitely

520

00:24:58,770 --> 00:24:55,150

and I'll put this other clip that I have

521

00:25:01,470 --> 00:24:58,780

of bisley Corrigan on the Joe Rogan

522

00:25:03,330 --> 00:25:01,480

experience maybe maybe I haven't watched

523

00:25:04,440 --> 00:25:03,340

this I'm gonna go and blind here I'm

524

00:25:06,960 --> 00:25:04,450

just kind of flying by the seat of my

525

00:25:09,150 --> 00:25:06,970

pants to your people and it's kind of

526

00:25:12,090 --> 00:25:09,160

pulling things out here as they as they

527

00:25:14,940 --> 00:25:12,100

come to me and I'll bring this up on

528

00:25:19,500 --> 00:25:14,950

screen right now and we can all watch it

529

00:25:21,420 --> 00:25:19,510

together and here we go this is a Billy

530

00:25:23,790 --> 00:25:21,430

Corgan I got there's one thing for sure

531

00:25:27,890 --> 00:25:23,800

is because I read this and I was like

532

00:25:36,240 --> 00:25:27,900

what here we go you saw someone

533

00:25:38,220 --> 00:25:36,250

shape-shift Oh God we [h__\h] with

534

00:25:41,100 --> 00:25:38,230

people that's true really that's true

535

00:25:48,720 --> 00:25:41,110

because I wouldn't you take me enjoy

536

00:25:51,600 --> 00:25:48,730

Coffman like moments I was like hey mr.

537

00:25:53,100 --> 00:25:51,610

Stephen Bradford how are you I'm good

538

00:25:58,530 --> 00:25:53,110

like I'm calling in Here I am

539

00:26:01,680 --> 00:25:58,540

hey there yeah buddy yeah Billy Corgan

540

00:26:04,110 --> 00:26:01,690

and is uh I don't know if you heard the

541

00:26:06,360 --> 00:26:04,120

clip I played of him seen a

542

00:26:08,430 --> 00:26:06,370

shape-shifter and in person I heard him

543

00:26:09,990 --> 00:26:08,440

on I heard him on Joe Rogan talking

544

00:26:12,330 --> 00:26:10,000

about I think he I don't know if it was

545

00:26:13,710 --> 00:26:12,340

I'm pretty sure was that yeah but I

546

00:26:17,910 --> 00:26:13,720

think you wouldn't the more detail there

547

00:26:19,590 --> 00:26:17,920

yes basically you listen to it I'm just

548

00:26:21,990 --> 00:26:19,600

getting ready to to played right now I

549

00:26:24,720 --> 00:26:22,000

just pull up the club okay

550

00:26:25,680 --> 00:26:24,730

yeah I don't play it if you want to as I

551
00:26:28,500 --> 00:26:25,690
said I didn't know if it was the one

552
00:26:30,300 --> 00:26:28,510
that he cuz he's being vague about it

553
00:26:34,200 --> 00:26:30,310
but I'm pretty sure it was a sexual

554
00:26:37,830 --> 00:26:34,210
experience he was having oh and and that

555
00:26:39,420 --> 00:26:37,840
in endured the shape-shifting so during

556
00:26:40,530 --> 00:26:39,430
during a sexual I can play you wanna

557
00:26:44,640 --> 00:26:40,540
hang on the phone when I play this real

558
00:26:46,500 --> 00:26:44,650
quick I would tell you off great but I

559
00:26:48,360 --> 00:26:46,510
won't say it publicly really the only

560
00:26:49,560 --> 00:26:48,370
way I'd say it publicly is if I write it

561
00:26:49,830 --> 00:26:49,570
and I've been writing this book for

562
00:26:52,500 --> 00:26:49,840
years

563
00:26:55,700 --> 00:26:52,510

it's in the book really so I'd tell you

564

00:27:00,450 --> 00:26:55,710

off grid but I can't you gets look I

565

00:27:02,490 --> 00:27:00,460

know Alex Jones sat in the seat all

566

00:27:05,190 --> 00:27:02,500

right I know you've been on in fours I

567

00:27:11,700 --> 00:27:05,200

bet you know there's a whole three or

568

00:27:13,710 --> 00:27:11,710

four times for mostly talking about free

569

00:27:16,950 --> 00:27:13,720

speech mm-hmm I think that's I think

570

00:27:19,289 --> 00:27:16,960

that's one thing that that is is

571

00:27:21,840 --> 00:27:19,299

critical and alternative media is to

572

00:27:25,950 --> 00:27:21,850

fight that that's a frontline issue for

573

00:27:28,019 --> 00:27:25,960

me yeah this D monetizing of people's

574

00:27:29,730 --> 00:27:28,029

videos and trying to censor message

575

00:27:30,870 --> 00:27:29,740

where's the where's was I'm gonna

576

00:27:33,240 --> 00:27:30,880

fast-forward through for the

577

00:27:34,980 --> 00:27:33,250

shape-shifting that ability I trust our

578

00:27:37,830 --> 00:27:34,990

democracy okay I'm gonna fast-forward a

579

00:27:39,899 --> 00:27:37,840

little bit and Billy yeah that's why we

580

00:27:43,470 --> 00:27:39,909

disagree with that initial okay so okay

581

00:27:46,110 --> 00:27:43,480

so maybe using a personnel if we if we

582

00:27:48,960 --> 00:27:46,120

generally agree than an idea is so

583

00:27:50,700 --> 00:27:48,970

abhorrent why can that agree with that's

584

00:27:54,299 --> 00:27:50,710

terrifying for this term you'll put it

585

00:27:56,639 --> 00:27:54,309

in a book yeah so please tell people how

586

00:27:59,100 --> 00:27:56,649

they can see you the the name of your

587

00:28:01,169 --> 00:27:59,110

new album where they get it I have an

588

00:28:02,070 --> 00:28:01,179

album out solo he's not going he's not

589

00:28:03,750 --> 00:28:02,080

talking about her you're not at least

590

00:28:05,430 --> 00:28:03,760

nothing this is well yeah well I mean

591

00:28:07,830 --> 00:28:05,440

yeah regardless I'm sure it's the same

592

00:28:09,720 --> 00:28:07,840

I'm sure it's the same thing where he's

593

00:28:12,269 --> 00:28:09,730

just very vague about seeing a

594

00:28:14,279 --> 00:28:12,279

quote-unquote shapeshifter I mean what

595

00:28:16,139 --> 00:28:14,289

do you what do you think it is well

596

00:28:20,279 --> 00:28:16,149

without I don't have too much detail

597

00:28:24,049 --> 00:28:20,289

about what you saw but there are various

598

00:28:27,080 --> 00:28:24,059

accounts throughout folklore history of

599

00:28:29,909 --> 00:28:27,090

shapeshifters whether it's a vampire or

600

00:28:34,019 --> 00:28:29,919

there's something called and Aswang

601
00:28:35,850 --> 00:28:34,029
which is a form of shape-shift you know

602
00:28:38,279 --> 00:28:35,860
bring bring this on screen here but it's

603
00:28:41,610 --> 00:28:38,289
there's a Wikipedia article on on this

604
00:28:43,560 --> 00:28:41,620
and yeah if you looked up an article

605
00:28:46,919 --> 00:28:43,570
just shape-shifting in folklore in

606
00:28:47,310 --> 00:28:46,929
general you know Irish cat you know yada

607
00:28:49,560 --> 00:28:47,320
yada

608
00:28:51,480 --> 00:28:49,570
everyone's got every everyone's gonna

609
00:28:53,789 --> 00:28:51,490
shapeshifter you get I think it's for a

610
00:28:56,070 --> 00:28:53,799
reason right I would I would say so so

611
00:28:59,190 --> 00:28:56,080
real quickly of the as Wang or the as

612
00:29:02,280 --> 00:28:59,200
wound based on the Sand Creek language

613
00:29:06,250 --> 00:29:02,290

hint Hindu concept of the

614

00:29:09,160 --> 00:29:06,260

Azra majora is a shape-shifting monster

615

00:29:10,540 --> 00:29:09,170

in Filipino folklore usually possessing

616

00:29:13,390 --> 00:29:10,550

a combination of the traits of either a

617

00:29:15,630 --> 00:29:13,400

vampire a ghoul a warlock witch or

618

00:29:18,130 --> 00:29:15,640

different species of where beasts and

619

00:29:19,720 --> 00:29:18,140

even all the above combined together it

620

00:29:21,310 --> 00:29:19,730

is the subject of a wide variety of

621

00:29:24,970 --> 00:29:21,320

myths and stories Spanish colonists

622

00:29:26,650 --> 00:29:24,980

noted that the as Wang was the most

623

00:29:29,560 --> 00:29:26,660

feared among the mythical creatures in

624

00:29:31,990 --> 00:29:29,570

the Philippines even in the 16th century

625

00:29:33,940 --> 00:29:32,000

oh yeah I'm under the impression that

626

00:29:36,790 --> 00:29:33,950

like a lot of ancient texts while there

627

00:29:39,760 --> 00:29:36,800

might be some hyperbole to illustrate a

628

00:29:42,880 --> 00:29:39,770

greater narrative or story that I think

629

00:29:44,500 --> 00:29:42,890

they come from a place of truth like the

630

00:29:46,780 --> 00:29:44,510

great flood if no libel comes from a

631

00:29:48,220 --> 00:29:46,790

place of truth I think all that stuff

632

00:29:51,550 --> 00:29:48,230

comes from a place of truth to be honest

633

00:29:53,200 --> 00:29:51,560

with you I mean truth becomes obscured

634

00:29:54,040 --> 00:29:53,210

Lee it's like a game of telephone but

635

00:29:56,500 --> 00:29:54,050

you know what I mean

636

00:29:58,450 --> 00:29:56,510

yeah there's this more is this truth

637

00:30:00,160 --> 00:29:58,460

like you know whether regardless of

638

00:30:02,650 --> 00:30:00,170

whether it is some some dude on some

639

00:30:05,170 --> 00:30:02,660

type of psychedelics at the time that

640

00:30:07,000 --> 00:30:05,180

was sauce on things like oh [\h__\h] you

641

00:30:08,710 --> 00:30:07,010

know and then I saw this and you know

642

00:30:10,570 --> 00:30:08,720

there's a ten-foot nacho monster out

643

00:30:13,300 --> 00:30:10,580

there man and he's [\h__\h] eating up the

644

00:30:15,280 --> 00:30:13,310

villagers yeah someone in the in the

645

00:30:18,850 --> 00:30:15,290

chat says there there are no

646

00:30:21,370 --> 00:30:18,860

shapeshifters granted they're not the if

647

00:30:23,080 --> 00:30:21,380

they are if they are existing at this

648

00:30:25,300 --> 00:30:23,090

point they're not walking around and

649

00:30:27,370 --> 00:30:25,310

making themselves known that's for damn

650

00:30:29,860 --> 00:30:27,380

sure there's no concrete proof we only

651

00:30:32,110 --> 00:30:29,870

we have billet Corgan's story he's like

652

00:30:35,260 --> 00:30:32,120

the most high-profile person that I

653

00:30:38,110 --> 00:30:35,270

heard come out and he's he's on that Tom

654

00:30:39,640 --> 00:30:38,120

DeLonge [h__h] right now - yeah going out

655

00:30:41,020 --> 00:30:39,650

and saying some weird [h__h] like there's

656

00:30:43,090 --> 00:30:41,030

there's some weird [h__h] going on right

657

00:30:45,990 --> 00:30:43,100

now and you know so this other thing

658

00:30:48,310 --> 00:30:46,000

that there's you know no such thing

659

00:30:51,340 --> 00:30:48,320

there's no such thing as shapeshifters

660

00:30:54,580 --> 00:30:51,350

you know I'll subscribe to the

661

00:30:57,640 --> 00:30:54,590

pornography version of reality where if

662

00:30:59,920 --> 00:30:57,650

I can think it it's probably real in

663

00:31:03,370 --> 00:30:59,930

some way shape or form you know what I

664

00:31:05,770 --> 00:31:03,380

mean yeah I am I'm probably right there

665

00:31:08,380 --> 00:31:05,780

with you at this point my life I did a

666

00:31:10,360 --> 00:31:08,390

show last week where I had my the

667

00:31:13,060 --> 00:31:10,370

Akashic records read to me through I

668

00:31:15,260 --> 00:31:13,070

went to it a channel medium to have that

669

00:31:17,540 --> 00:31:15,270

done and it was some caught up cause

670

00:31:20,420 --> 00:31:17,550

called up like saying hey because I was

671

00:31:22,460 --> 00:31:20,430

talking about a memory I had when I was

672

00:31:25,460 --> 00:31:22,470

growing up and it was a very traumatic

673

00:31:27,110 --> 00:31:25,470

memory and the the Akashic records

674

00:31:28,610 --> 00:31:27,120

reading said hey that was a past life

675

00:31:30,020 --> 00:31:28,620

and you somehow got a memory of past

676

00:31:33,200 --> 00:31:30,030

life and the guy called up saying hey

677

00:31:37,940 --> 00:31:33,210

isn't it just more likely or probable

678

00:31:39,230 --> 00:31:37,950

that it was just a spontaneous memory I

679

00:31:41,120 --> 00:31:39,240

forget the phrase he used just a

680

00:31:43,100 --> 00:31:41,130

misplaced memory or you invented it in

681

00:31:45,500 --> 00:31:43,110

your head or as a dream is not more more

682

00:31:47,060 --> 00:31:45,510

likely or plausible and I don't know

683

00:31:48,410 --> 00:31:47,070

what's really plausible anymore and how

684

00:31:50,510 --> 00:31:48,420

do you write it how do you really

685

00:31:51,980 --> 00:31:50,520

calculate the probability of something

686

00:31:53,720 --> 00:31:51,990

like that I don't think I was talking to

687

00:31:56,720 --> 00:31:53,730

a statistician on the phone it was some

688

00:31:58,190 --> 00:31:56,730

guy sure yeah in a problem is like

689

00:31:59,570 --> 00:31:58,200

people you know that's the other thing

690

00:32:01,040 --> 00:31:59,580

too it's like you know as you said I

691

00:32:03,740 --> 00:32:01,050

don't think I'm talking to a

692

00:32:05,360 --> 00:32:03,750

statistician you know there's a you know

693

00:32:07,340 --> 00:32:05,370

I always have the thing where it's like

694

00:32:09,410 --> 00:32:07,350

in my head well if he's a doctor he's

695

00:32:11,060 --> 00:32:09,420

got a PhD he must be smarter than me and

696

00:32:12,920 --> 00:32:11,070

be right but you know that being true

697

00:32:16,100 --> 00:32:12,930

probably I mean that being the truth

698

00:32:18,320 --> 00:32:16,110

might not be a thing you know it's just

699

00:32:19,850 --> 00:32:18,330

a monkey just like me but he's in a lab

700

00:32:22,040 --> 00:32:19,860

coat and I'm not you know what I mean

701
00:32:24,140 --> 00:32:22,050
yeah I mean it's like humans are

702
00:32:26,150 --> 00:32:24,150
fallible and pretty stupid

703
00:32:27,650 --> 00:32:26,160
yeah there's everyone else pretty much I

704
00:32:28,100 --> 00:32:27,660
mean there's an average like you for a

705
00:32:29,750 --> 00:32:28,110
reason

706
00:32:31,820 --> 00:32:29,760
I mean yes your doctors are probably

707
00:32:33,890 --> 00:32:31,830
there they're smarter I was I would say

708
00:32:35,570 --> 00:32:33,900
they're better at in certain areas with

709
00:32:37,880 --> 00:32:35,580
their with their memory and

710
00:32:40,430 --> 00:32:37,890
comprehension and you know reasoning

711
00:32:42,650 --> 00:32:40,440
ability but it's not infallible and

712
00:32:46,490 --> 00:32:42,660
there's a lot of it so there's a lot of

713
00:32:49,070 --> 00:32:46,500

things that are just weird and I mean my

714

00:32:49,970 --> 00:32:49,080

well I think 90% of the things around

715

00:32:52,340 --> 00:32:49,980

are just weird

716

00:32:54,110 --> 00:32:52,350

really if you think about it in general

717

00:32:55,790 --> 00:32:54,120

and you know coming back to the Billy

718

00:32:57,440 --> 00:32:55,800

Corgan thing it's like I'm not gonna say

719

00:32:59,150 --> 00:32:57,450

I would not say that he's wrong I would

720

00:33:02,270 --> 00:32:59,160

not dis I would not even try to disprove

721

00:33:05,090 --> 00:33:02,280

like he says and I'm like yeah sure you

722

00:33:07,970 --> 00:33:05,100

saw a shape-shifter I believe you you

723

00:33:11,000 --> 00:33:07,980

know I believe was good I believe that

724

00:33:14,660 --> 00:33:11,010

you saw that yeah oh yeah I I will

725

00:33:17,210 --> 00:33:14,670

though I prefer the the spoken word of

726

00:33:19,070 --> 00:33:17,220

testimony right as opposed to written

727

00:33:20,960 --> 00:33:19,080

word when it comes to this kind of stuff

728

00:33:23,360 --> 00:33:20,970

I I'd like to hear some either either

729

00:33:24,770 --> 00:33:23,370

way yeah like you know I mean they both

730

00:33:25,710 --> 00:33:24,780

he says he's coming out of the book you

731

00:33:27,660 --> 00:33:25,720

know

732

00:33:29,700 --> 00:33:27,670

him coming or the book is probably gonna

733

00:33:33,090 --> 00:33:29,710

be you know a first hands basically a

734

00:33:35,490 --> 00:33:33,100

spoken word just you know meri you know

735

00:33:36,900 --> 00:33:35,500

just putting down in words but the

736

00:33:39,530 --> 00:33:36,910

problem with the book thing is like when

737

00:33:42,660 --> 00:33:39,540

you got the you know other people

738

00:33:44,750 --> 00:33:42,670

revising revisionism revisionism is the

739

00:33:48,390 --> 00:33:44,760

problem when it comes to stuff like this

740

00:33:51,090 --> 00:33:48,400

then redefining things you know I'm

741

00:33:56,400 --> 00:33:51,100

gonna try to address the chat here Corvo

742

00:33:59,460 --> 00:33:56,410

from a-z says logic is are saying logic

743

00:34:02,100 --> 00:33:59,470

is not what this show is about la he or

744

00:34:04,980 --> 00:34:02,110

he says so it says why watch a show

745

00:34:06,870 --> 00:34:04,990

about these topics is topics if

746

00:34:09,510 --> 00:34:06,880

everything I know logic doesn't exist

747

00:34:12,630 --> 00:34:09,520

here just curiosity I do logic for a

748

00:34:14,520 --> 00:34:12,640

living I write code for a living I work

749

00:34:18,480 --> 00:34:14,530

with logic I'm pretty good at writing

750

00:34:19,890 --> 00:34:18,490

Python I have a career at it but I

751

00:34:22,590 --> 00:34:19,900

wouldn't be successful if I wasn't

752

00:34:25,560 --> 00:34:22,600

creative and exploring things house and

753

00:34:28,290 --> 00:34:25,570

in pushing that that logic to do things

754

00:34:30,990 --> 00:34:28,300

that maybe other people who have a

755

00:34:32,700 --> 00:34:31,000

strong programming background would do

756

00:34:34,530 --> 00:34:32,710

because I I kind of think outside the

757

00:34:36,870 --> 00:34:34,540

box and I don't know what is or isn't

758

00:34:38,820 --> 00:34:36,880

possible to program some more we're

759

00:34:40,110 --> 00:34:38,830

willing to try certain things that may

760

00:34:42,380 --> 00:34:40,120

be hard lessons have been learned

761

00:34:44,670 --> 00:34:42,390

previously but I'm only for him again

762

00:34:46,050 --> 00:34:44,680

it's the thinking of things you know

763

00:34:49,950 --> 00:34:46,060

it's like things that haven't been

764

00:34:52,170 --> 00:34:49,960

thought of already [h__h] you have to do

765

00:34:54,240 --> 00:34:52,180

it's a creative process I just don't

766

00:34:56,550 --> 00:34:54,250

like when someone says this doesn't

767

00:34:58,800 --> 00:34:56,560

exist this is not how reality is and

768

00:35:01,680 --> 00:34:58,810

there's yeah and they're in there like

769

00:35:02,340 --> 00:35:01,690

they call up and say hey this is not

770

00:35:06,210 --> 00:35:02,350

real

771

00:35:08,940 --> 00:35:06,220

about it or even consider the

772

00:35:12,480 --> 00:35:08,950

possibility that you've had a past life

773

00:35:14,100 --> 00:35:12,490

I believe in reincarnation there's been

774

00:35:16,620 --> 00:35:14,110

you full-on believe in reincarnation

775

00:35:18,510 --> 00:35:16,630

like that's that's just a belief that

776

00:35:20,400 --> 00:35:18,520

you're holding that you're holding on to

777

00:35:23,340 --> 00:35:20,410

it for the time being I would never

778

00:35:24,060 --> 00:35:23,350

anything I believe in could easily be

779

00:35:26,280 --> 00:35:24,070

changed

780

00:35:28,920 --> 00:35:26,290

the next day yeah I uh because of

781

00:35:32,220 --> 00:35:28,930

revisionism in progress yeah Ill do

782

00:35:34,020 --> 00:35:32,230

believe in in reincarnation there's been

783

00:35:35,400 --> 00:35:34,030

so many like you can hear you hear these

784

00:35:37,230 --> 00:35:35,410

stories about these little kids or like

785

00:35:39,370 --> 00:35:37,240

four to five years old and they talk to

786

00:35:42,099 --> 00:35:39,380

their parents about

787

00:35:44,620 --> 00:35:42,109

some horrible adult stuff like oh yeah

788

00:35:47,140 --> 00:35:44,630

like basically a past life that they're

789

00:35:48,670 --> 00:35:47,150

conveying at a very early age to their

790

00:35:50,589 --> 00:35:48,680

parents or family members and that kind

791

00:35:52,599 --> 00:35:50,599

of gets washed away the older they get

792

00:35:54,039 --> 00:35:52,609

they forget about it yeah well what if

793

00:35:55,720 --> 00:35:54,049

it was one of those crazy things and

794

00:35:58,059 --> 00:35:55,730

this is just a crazy thought I kind of

795

00:35:59,079 --> 00:35:58,069

had this in the last like month or so or

796

00:36:03,519 --> 00:35:59,089

it's like leave them

797

00:36:06,789 --> 00:36:03,529

the older you're born you kind of know

798

00:36:09,160 --> 00:36:06,799

more than you do you can't speak and as

799

00:36:11,890 --> 00:36:09,170

soon as you start as soon as your senses

800

00:36:14,259 --> 00:36:11,900

start coming in you know you start using

801
00:36:16,660 --> 00:36:14,269
it more and more the Dumber you get yeah

802
00:36:19,180 --> 00:36:16,670
when like you know you come out first

803
00:36:20,980 --> 00:36:19,190
and you're like you know fully blasted

804
00:36:23,259 --> 00:36:20,990
with divinity or whatever and you just

805
00:36:25,180 --> 00:36:23,269
know [h__h] and then you spend the rest of

806
00:36:28,870 --> 00:36:25,190
your life trying to remember what you

807
00:36:31,779 --> 00:36:28,880
forgot oh yeah I can subscribe to that I

808
00:36:33,670 --> 00:36:31,789
I think that once the once the filters

809
00:36:36,730 --> 00:36:33,680
of this world really start to be

810
00:36:39,279 --> 00:36:36,740
reinforced on ever a new mind you live

811
00:36:43,210 --> 00:36:39,289
sums you down yeah you lose that ability

812
00:36:46,029 --> 00:36:43,220
over time to be able to perceive of you

813
00:36:47,589 --> 00:36:46,039

known and not to have had that childlike

814

00:36:51,430 --> 00:36:47,599

wonderment and imagination is very

815

00:36:53,349 --> 00:36:51,440

powerful and you know that's the whole

816

00:36:54,809 --> 00:36:53,359

[h__\h] when you get down to like I mean if

817

00:36:57,460 --> 00:36:54,819

you're talking about anything looks like

818

00:36:58,660 --> 00:36:57,470

the Golden Dawn has [h__\h] and all that I

819

00:37:00,579 --> 00:36:58,670

mean though that [h__\h] deformed our

820

00:37:03,339 --> 00:37:00,589

societies now was all hidden

821

00:37:05,829 --> 00:37:03,349

you know the occult it basically is all

822

00:37:07,809 --> 00:37:05,839

that [h__\h] like people just using their

823

00:37:10,990 --> 00:37:07,819

imagination you know what do you think

824

00:37:14,620 --> 00:37:11,000

all these conspiracy thing realm of it

825

00:37:17,769 --> 00:37:14,630

using kids for ceremonies get AK rifice

826

00:37:19,420 --> 00:37:17,779

yeah you're using their pureness on top

827

00:37:21,130 --> 00:37:19,430

of the fact that you know there's

828

00:37:23,650 --> 00:37:21,140

something there there's a divinity that

829

00:37:24,880 --> 00:37:23,660

they need to you know and then of course

830

00:37:26,380 --> 00:37:24,890

I'm just saying this because other

831

00:37:31,029 --> 00:37:26,390

people say like whether I believe this

832

00:37:32,109 --> 00:37:31,039

or not is neither here nor there but the

833

00:37:34,450 --> 00:37:32,119

thing is talked about

834

00:37:36,490 --> 00:37:34,460

oh yeah well child trafficking is a very

835

00:37:38,170 --> 00:37:36,500

real thing now what that is a very real

836

00:37:40,839 --> 00:37:38,180

thing you're very right about when what

837

00:37:43,660 --> 00:37:40,849

y'all castelia yeah what the purpose is

838

00:37:45,579 --> 00:37:43,670

for that is yet to be determined but

839

00:37:47,680 --> 00:37:45,589

yeah that's that's the ruler like if you

840

00:37:49,539 --> 00:37:47,690

believe in the the Illuminati and and

841

00:37:52,940 --> 00:37:49,549

that kind of stuff that they want to

842

00:37:55,550 --> 00:37:52,950

prey on the the innocent to harness

843

00:37:57,170 --> 00:37:55,560

their lifeblood energy as where does

844

00:37:58,910 --> 00:37:57,180

that sounds I just talked about the

845

00:38:01,940 --> 00:37:58,920

first story I read was about the

846

00:38:04,940 --> 00:38:01,950

vampires vampires yeah yeah and in them

847

00:38:07,790 --> 00:38:04,950

acknowledging psychic vampires and and

848

00:38:09,680 --> 00:38:07,800

then holding classes about how to defend

849

00:38:11,690 --> 00:38:09,690

yourself against those psychic attacks

850

00:38:13,250 --> 00:38:11,700

and those predators oh yes like exam for

851
00:38:14,990 --> 00:38:13,260
as that goes to like you know that's if

852
00:38:17,089 --> 00:38:15,000
you read the Satanic Bible that's I

853
00:38:19,400 --> 00:38:17,099
haven't embed it embedded right in there

854
00:38:21,829 --> 00:38:19,410
like this one thing Anton LaVey says is

855
00:38:23,630 --> 00:38:21,839
beware of psychic vampires which is just

856
00:38:25,910 --> 00:38:23,640
that you know people that like well

857
00:38:28,310 --> 00:38:25,920
psychically this I mean it's a

858
00:38:30,020 --> 00:38:28,320
quote-unquote real thing where everyone

859
00:38:32,540 --> 00:38:30,030
has psychic vampires analyze where these

860
00:38:34,130 --> 00:38:32,550
people like get in your head like think

861
00:38:36,770 --> 00:38:34,140
about how how big of a psychic vampire

862
00:38:39,349 --> 00:38:36,780
trump is to a lot of like left wingers

863
00:38:42,380 --> 00:38:39,359

oh he on their minds most weres left

864

00:38:44,420 --> 00:38:42,390

wingers he eats their lunch every day

865

00:38:48,170 --> 00:38:44,430

because that's all they think about they

866

00:38:50,030 --> 00:38:48,180

he has real estate in their heads that's

867

00:38:52,310 --> 00:38:50,040

just saying psychic vampires it's it's

868

00:38:54,140 --> 00:38:52,320

not it's not beneficial for people to

869

00:38:57,020 --> 00:38:54,150

dwell on something that you hate so much

870

00:39:02,300 --> 00:38:57,030

it's not beneficial to you constantly be

871

00:39:05,180 --> 00:39:02,310

worked up it absolutely will it's it's

872

00:39:06,680 --> 00:39:05,190

it's much more beneficial to if you know

873

00:39:09,380 --> 00:39:06,690

you're gonna be angry by something don't

874

00:39:12,020 --> 00:39:09,390

go there now that's better easier said

875

00:39:13,970 --> 00:39:12,030

than done especially if you're like I

876

00:39:16,130 --> 00:39:13,980

get pulled into Facebook conversations

877

00:39:17,540 --> 00:39:16,140

every now and again oh well you know I

878

00:39:19,250 --> 00:39:17,550

do I just don't I just don't have a

879

00:39:23,109 --> 00:39:19,260

facebook if you just you know for that

880

00:39:27,050 --> 00:39:23,119

simple reason where it's like I you know

881

00:39:28,790 --> 00:39:27,060

being you know with my wife yet or

882

00:39:32,480 --> 00:39:28,800

whatever is she's she's one of those

883

00:39:35,690 --> 00:39:32,490

people that would look at like get up in

884

00:39:36,680 --> 00:39:35,700

the morning look at Facebook and her

885

00:39:38,780 --> 00:39:36,690

whole day is ruined

886

00:39:40,880 --> 00:39:38,790

you know what I mean it says psychic

887

00:39:43,640 --> 00:39:40,890

vampirism that in the universe a dis

888

00:39:45,319 --> 00:39:43,650

just and by any means necessary really

889

00:39:46,220 --> 00:39:45,329

now it's just easier because you can

890

00:39:49,250 --> 00:39:46,230

just go through the ether

891

00:39:52,160 --> 00:39:49,260

you know the ether the [h__\h] world

892

00:39:54,950 --> 00:39:52,170

wide web and [h__\h] you know and just

893

00:39:57,079 --> 00:39:54,960

attack people psychically getting

894

00:39:58,910 --> 00:39:57,089

people's heads and do [h__\h] like that you

895

00:40:00,290 --> 00:39:58,920

know that part of that's like the

896

00:40:02,390 --> 00:40:00,300

shape-changing thing too because I think

897

00:40:05,480 --> 00:40:02,400

I can completely see see that where it's

898

00:40:06,319 --> 00:40:05,490

like your perception of reality can

899

00:40:08,630 --> 00:40:06,329

change

900

00:40:10,929 --> 00:40:08,640

from just in it's like let's say Billy

901
00:40:14,179 --> 00:40:10,939
Corgan was having sex you know there's a

902
00:40:16,459 --> 00:40:14,189
tantric sex yeah there's some sex magic

903
00:40:19,039 --> 00:40:16,469
mm-hmm you know and a lot of that has to

904
00:40:21,859 --> 00:40:19,049
do with the kids stuff too in the darker

905
00:40:23,059 --> 00:40:21,869
side of it anyway that's interesting in

906
00:40:24,709 --> 00:40:23,069
and of itself there's a couple different

907
00:40:27,620 --> 00:40:24,719
varieties of it you can you could have

908
00:40:29,479 --> 00:40:27,630
you can have close intimate contact with

909
00:40:31,640 --> 00:40:29,489
somebody without ever having penetration

910
00:40:34,069 --> 00:40:31,650
for hours I mean I think sting has it

911
00:40:37,039 --> 00:40:34,079
has gone on about that for like well

912
00:40:39,859 --> 00:40:37,049
yeah if you read tantric anything just

913
00:40:41,900 --> 00:40:39,869

is like the hidden side of like the

914

00:40:44,269 --> 00:40:41,910

tantric like if you're a suit Sufi would

915

00:40:46,669 --> 00:40:44,279

practice tantric stuff any hidden part

916

00:40:49,339 --> 00:40:46,679

of a religion yeah basically will

917

00:40:50,809 --> 00:40:49,349

Heather tantric side which is like from

918

00:40:54,049 --> 00:40:50,819

my understanding is like you just go

919

00:40:56,539 --> 00:40:54,059

into some type of deep meditation and I

920

00:41:01,579 --> 00:40:56,549

guess you're using meditation like

921

00:41:04,099 --> 00:41:01,589

basically you're you're altering how do

922

00:41:05,660 --> 00:41:04,109

I say this it's like taking LSD or

923

00:41:07,099 --> 00:41:05,670

something you know or mushrooms where

924

00:41:08,499 --> 00:41:07,109

yours is basically altering your

925

00:41:10,549 --> 00:41:08,509

perception you're altering reality

926

00:41:12,589 --> 00:41:10,559

you're looking at the tree from the

927

00:41:14,630 --> 00:41:12,599

other side you know what I mean yeah

928

00:41:16,189 --> 00:41:14,640

yeah and I could see the shape change

929

00:41:19,359 --> 00:41:16,199

like that I could see like you know

930

00:41:22,939 --> 00:41:19,369

these specific he says this was the most

931

00:41:26,059 --> 00:41:22,949

whatever the thing he's ever it's not

932

00:41:27,589 --> 00:41:26,069

not significant you know whatever big

933

00:41:29,059 --> 00:41:27,599

thing in his life and it being a big

934

00:41:32,059 --> 00:41:29,069

thing it's like of course you know when

935

00:41:33,410 --> 00:41:32,069

your mind changes it was probably you

936

00:41:35,989 --> 00:41:33,420

know I don't want to say what it was

937

00:41:37,459 --> 00:41:35,999

because I'm not Billy Corgan yeah but if

938

00:41:40,309 --> 00:41:37,469

I had if I'd you know it was probably

939

00:41:41,870 --> 00:41:40,319

something that's changed in my mind that

940

00:41:43,669 --> 00:41:41,880

was like oh [h__h] this person changed

941

00:41:46,339 --> 00:41:43,679

because you've taken LSD before right

942

00:41:48,199 --> 00:41:46,349

yes and you just kind of see like well

943

00:41:50,209 --> 00:41:48,209

you know shit's kind of changing it's

944

00:41:53,929 --> 00:41:50,219

like yeah people's faces are a little

945

00:41:56,779 --> 00:41:53,939

melly yeah you know it's a of reality

946

00:41:58,279 --> 00:41:56,789

well yeah all LSD does is trigger

947

00:42:01,519 --> 00:41:58,289

chemicals that you already have in your

948

00:42:03,890 --> 00:42:01,529

body yeah it's like if you if you can

949

00:42:06,739 --> 00:42:03,900

get into that you can get into those

950

00:42:09,410 --> 00:42:06,749

kind of mindsets without taking in

951
00:42:11,959 --> 00:42:09,420
theagenes you can hear breathing

952
00:42:13,279 --> 00:42:11,969
exercises you can do it I see if I just

953
00:42:14,719 --> 00:42:13,289
think your text you want to call back in

954
00:42:16,009 --> 00:42:14,729
on the other Skype so I can open up this

955
00:42:19,459 --> 00:42:16,019
phone line in case people want to call

956
00:42:19,960 --> 00:42:19,469
up and what's the other sky just send me

957
00:42:23,859 --> 00:42:19,970
the

958
00:42:25,450 --> 00:42:23,869
yes text it to you seeker Skype call

959
00:42:26,560 --> 00:42:25,460
back in over there so we can maybe take

960
00:42:28,630 --> 00:42:26,570
some phone calls and read a few more

961
00:42:34,840 --> 00:42:28,640
stories oh no you're good yeah I'll just

962
00:42:40,150 --> 00:42:37,570
there's a Steve you might call back in

963
00:42:41,620 --> 00:42:40,160

and I guess we'll finish up our

964

00:42:42,550 --> 00:42:41,630

conversation I don't know it's nice to

965

00:42:46,210 --> 00:42:42,560

have Steve on the phone and talk about

966

00:42:48,160 --> 00:42:46,220

all this weird stuff and I will open up

967

00:42:51,460 --> 00:42:48,170

the phone line six one four three eight

968

00:42:56,200 --> 00:42:51,470

eight nine one oh nine

969

00:42:58,900 --> 00:42:56,210

I gotta get a new phone system I do and

970

00:42:59,710 --> 00:42:58,910

I'm open to suggestions where it's got

971

00:43:02,080 --> 00:42:59,720

to be on the computer

972

00:43:04,200 --> 00:43:02,090

I gotta have a phone number but I gotta

973

00:43:06,910 --> 00:43:04,210

be able to add people to the group call

974

00:43:08,290 --> 00:43:06,920

so if someone's is already there I gotta

975

00:43:09,850 --> 00:43:08,300

be able to shove them into the existing

976
00:43:14,050 --> 00:43:09,860
call you'd imagine Skype would have that

977
00:43:17,080 --> 00:43:14,060
functionality does not and you do need

978
00:43:21,640 --> 00:43:17,090
to write Skype a very well-thought-out

979
00:43:24,760 --> 00:43:21,650
email without yelling or screaming and I

980
00:43:31,710 --> 00:43:24,770
don't know if I guess maybe I can call

981
00:43:31,720 --> 00:43:37,290
you see here

982
00:43:37,300 --> 00:43:44,070
you bear with me see people people

983
00:43:49,910 --> 00:43:47,410
there we go okay added contacts there we

984
00:43:52,520 --> 00:43:49,920
go okay

985
00:43:57,970 --> 00:43:52,530
all right I do have a story up here that

986
00:44:01,700 --> 00:43:57,980
I will bring up on the on the screen and

987
00:44:03,740 --> 00:44:01,710
this one is titled the toy UFO take it

988
00:44:05,990 --> 00:44:03,750

off shells for teaching kids that Nazis

989

00:44:06,890 --> 00:44:06,000

achieve space travel this is one of

990

00:44:11,589 --> 00:44:06,900

those things where I don't know if it's

991

00:44:13,549 --> 00:44:11,599

real or not it's so weird but I'm gonna

992

00:44:17,630 --> 00:44:13,559

make believe it is this has been going

993

00:44:22,400 --> 00:44:17,640

around and this is like from I guess it

994

00:44:24,020 --> 00:44:22,410

can be bought on amazon.com the Han abou

995

00:44:25,940 --> 00:44:24,030

to flying saucer I've talked about that

996

00:44:27,950 --> 00:44:25,950

with the the the Seager space program in

997

00:44:28,940 --> 00:44:27,960

the Nazis but that right there up in

998

00:44:30,559 --> 00:44:28,950

screen there you can buy that toy

999

00:44:32,510 --> 00:44:30,569

actually kind of want that toy deeper

1000

00:44:37,309 --> 00:44:32,520

interesting toys model manufacturers

1001
00:44:39,500 --> 00:44:37,319
Revell rebased in North rhine-westphalia

1002
00:44:41,510 --> 00:44:39,510
has announced that one of their products

1003
00:44:44,359 --> 00:44:41,520
an aircraft described as a war machine

1004
00:44:47,780 --> 00:44:44,369
during the Nazi period will no longer be

1005
00:44:51,109 --> 00:44:47,790
produced I suppose for a spokesperson

1006
00:44:52,640 --> 00:44:51,119
from Revell said on Monday that the

1007
00:44:54,829 --> 00:44:52,650
company will stop manufacturing and

1008
00:44:58,430 --> 00:44:54,839
distributing the product adding that

1009
00:45:00,799 --> 00:44:58,440
criticism of of it is absolutely

1010
00:45:03,650 --> 00:45:00,809
justified the German the German

1011
00:45:07,390 --> 00:45:03,660
children's Protection Association the DK

1012
00:45:10,910 --> 00:45:07,400
SB and the Military History Museum the

1013
00:45:13,039 --> 00:45:10,920

mhm in Dresden has previously criticized

1014

00:45:15,799 --> 00:45:13,049

the product for its inaccurate

1015

00:45:20,809 --> 00:45:15,809

representation of history well here wait

1016

00:45:23,030 --> 00:45:20,819

a second I'm not he says like a like

1017

00:45:26,380 --> 00:45:23,040

some pretty badass weird technology out

1018

00:45:31,160 --> 00:45:26,390

there you know they were way ahead of

1019

00:45:32,900 --> 00:45:31,170

the Allies why do you think we gobbled

1020

00:45:36,049 --> 00:45:32,910

up all their scientists it wasn't just

1021

00:45:37,880 --> 00:45:36,059

for the rocket program that they had but

1022

00:45:41,870 --> 00:45:37,890

what the Nazi Bell is very real that's

1023

00:45:44,510 --> 00:45:41,880

documented in its product description

1024

00:45:46,839 --> 00:45:44,520

the toy is called a round aircraft and

1025

00:45:50,599 --> 00:45:46,849

the first object in the world capable of

1026

00:45:52,460 --> 00:45:50,609

the world the first object in the world

1027

00:45:54,859 --> 00:45:52,470

capable of flying in space that's on the

1028

00:45:57,620 --> 00:45:54,869

toy description the description goes on

1029

00:46:00,829 --> 00:45:57,630

to say that aircraft can fly up to

1030

00:46:03,760 --> 00:46:00,839

speeds of 6,000 kilometers an hour and

1031

00:46:06,190 --> 00:46:03,770

it was not produced after and it

1032

00:46:10,900 --> 00:46:06,200

was not produced after its test phase in

1033

00:46:12,850 --> 00:46:10,910

1943 due to the Second World War it

1034

00:46:15,760 --> 00:46:12,860

embolize 'as emblems of the Third Reich

1035

00:46:18,070 --> 00:46:15,770

the product is presented as a war

1036

00:46:21,010 --> 00:46:18,080

machine from the period of the Nazi

1037

00:46:25,090 --> 00:46:21,020

regime even though aircraft like this

1038

00:46:27,250 --> 00:46:25,100

never existed according to the k rd ksb

1039

00:46:29,190 --> 00:46:27,260

this never existed the haunted would

1040

00:46:31,630 --> 00:46:29,200

never existed there are plans for it and

1041

00:46:35,830 --> 00:46:31,640

there are various accounts of Foo

1042

00:46:38,170 --> 00:46:35,840

Fighters weird lights in the sky I would

1043

00:46:42,300 --> 00:46:38,180

I want to jump to the fact that that

1044

00:46:45,970 --> 00:46:42,310

maybe didn't exist I believe that yeah

1045

00:46:52,250 --> 00:46:45,980

I'll try to give a call maybe maybe he's

1046

00:46:56,540 --> 00:46:52,260

offline now we'll see

1047

00:46:59,839 --> 00:46:56,550

we will see we will see if he I'm some

1048

00:47:03,920 --> 00:46:59,849

line here back to this this is

1049

00:47:07,819 --> 00:47:03,930

interesting because the interesting it

1050

00:47:10,310 --> 00:47:07,829

didn't exist at all but we know that

1051

00:47:13,370 --> 00:47:10,320

Nazis did have a some sort of UFO

1052

00:47:17,569 --> 00:47:13,380

program because I played many of a

1053

00:47:19,339 --> 00:47:17,579

segment on that there's crazy amounts of

1054

00:47:24,229 --> 00:47:19,349

documentation that the Nazis were

1055

00:47:28,249 --> 00:47:26,989

ah the fact that the Ravel's product

1056

00:47:30,859 --> 00:47:28,259

description fails to mention the

1057

00:47:33,049 --> 00:47:30,869

aircraft never existed is risky in that

1058

00:47:35,089 --> 00:47:33,059

people who buy it might actually believe

1059

00:47:38,629 --> 00:47:35,099

the Nazis possess superior technologies

1060

00:47:39,109 --> 00:47:38,639

well didn't they they had rocket

1061

00:47:43,339 --> 00:47:39,119

technology

1062

00:47:45,769 --> 00:47:43,349

they'd buzz bombs they had jet they had

1063

00:47:49,189 --> 00:47:45,779

jet propulsion on some of the their

1064

00:47:51,469 --> 00:47:49,199

experimental aircraft they did have by

1065

00:47:53,899 --> 00:47:51,479

some accounts more advanced technology

1066

00:47:54,849 --> 00:47:53,909

than what we had why is that hard to

1067

00:48:03,559 --> 00:47:54,859

believe

1068

00:48:05,689 --> 00:48:03,569

hey Steve I'm reading this story about a

1069

00:48:07,729 --> 00:48:05,699

toy UFO taking off the shelves for

1070

00:48:12,879 --> 00:48:07,739

teaching kids that Nazis achieve space

1071

00:48:16,309 --> 00:48:12,889

travel and I'm reading through this and

1072

00:48:18,349 --> 00:48:16,319

the the the German Historical Society

1073

00:48:20,599 --> 00:48:18,359

and Military History Museum are upset

1074

00:48:25,279 --> 00:48:20,609

that this toy is claiming that the Nazis

1075

00:48:28,419 --> 00:48:25,289

claims they achieved space travel with

1076

00:48:30,799 --> 00:48:28,429

experimental aircraft in World War two

1077

00:48:33,289 --> 00:48:30,809

and they're even going on to say that

1078

00:48:35,389 --> 00:48:33,299

this craft didn't ever exist but there I

1079

00:48:37,579 --> 00:48:35,399

have read documents and have heard

1080

00:48:40,279 --> 00:48:37,589

people go on record saying yeah the

1081

00:48:42,649 --> 00:48:40,289

Nazis did have a space program and that

1082

00:48:47,059 --> 00:48:42,659

the han about han abouttwo while a

1083

00:48:50,539 --> 00:48:47,069

prototype was a very real thing I mean

1084

00:48:52,459 --> 00:48:50,549

isn't is I thought it was out there that

1085

00:48:55,669 --> 00:48:52,469

the Nazis had like a space program going

1086

00:48:56,359 --> 00:48:55,679

on I thought so too I thought like

1087

00:48:58,279 --> 00:48:56,369

public knowledge

1088

00:48:59,479 --> 00:48:58,289

like we just knew that that was the

1089

00:49:03,289 --> 00:48:59,489

whole reason why we took their

1090

00:49:05,209 --> 00:49:03,299

scientists paperclip yeah because we

1091

00:49:07,459 --> 00:49:05,219

wanted to we wanted their scientists

1092

00:49:09,739 --> 00:49:07,469

that we could go to space or the or the

1093

00:49:11,389 --> 00:49:09,749

inside the earth whichever one yeah

1094

00:49:13,849 --> 00:49:11,399

whether you want to go to inner earth or

1095

00:49:16,129 --> 00:49:13,859

outer space the we wanted the scientists

1096

00:49:18,619 --> 00:49:16,139

one to jumpstart our rocket program and

1097

00:49:20,719 --> 00:49:18,629

to jumpstart our intelligence agencies

1098

00:49:23,419 --> 00:49:20,729

in there and their intelligence of

1099

00:49:25,999 --> 00:49:23,429

gathering mechanisms and three to

1100

00:49:29,179 --> 00:49:26,009

basically get any scientists that worked

1101
00:49:31,899 --> 00:49:29,189
on their super-secret technology like

1102
00:49:35,389 --> 00:49:31,909
the Nazi bell or even their their

1103
00:49:36,910 --> 00:49:35,399
horrendous Nazi medical experiments to

1104
00:49:39,040 --> 00:49:36,920
get him in jail

1105
00:49:40,630 --> 00:49:39,050
we weren't going to take every everyone

1106
00:49:43,690 --> 00:49:40,640
we could the Russians were gonna take

1107
00:49:45,370 --> 00:49:43,700
them yeah well yeah that's true and you

1108
00:49:46,570 --> 00:49:45,380
know the only the only thing the Nazis

1109
00:49:49,000 --> 00:49:46,580
had that we didn't have was they were

1110
00:49:52,390 --> 00:49:49,010
using a cult power you know what I mean

1111
00:49:55,810 --> 00:49:52,400
they were using you know madam Provost

1112
00:49:57,790 --> 00:49:55,820
key they were using the yeah yeah the

1113
00:49:59,500 --> 00:49:57,800

awful Society they were just using all

1114

00:50:01,270 --> 00:49:59,510

these secret societies they were you

1115

00:50:02,590 --> 00:50:01,280

know science is like Jack Parsons you

1116

00:50:04,150 --> 00:50:02,600

know that's why Jack Parsons if it

1117

00:50:05,590 --> 00:50:04,160

wasn't for Jack Parsons we wouldn't have

1118

00:50:08,430 --> 00:50:05,600

gone to space because he was a fella

1119

00:50:13,120 --> 00:50:08,440

might you know it's these people that

1120

00:50:13,720 --> 00:50:13,130

are using the occult to move things

1121

00:50:16,300 --> 00:50:13,730

forward

1122

00:50:19,090 --> 00:50:16,310

they were channeling through the rural

1123

00:50:22,900 --> 00:50:19,100

society supposedly the rural society was

1124

00:50:25,000 --> 00:50:22,910

able to contact these entities possibly

1125

00:50:26,890 --> 00:50:25,010

single year light years away

1126

00:50:29,860 --> 00:50:26,900

they had like didn't they have like

1127

00:50:32,200 --> 00:50:29,870

three female mediums that were basically

1128

00:50:35,290 --> 00:50:32,210

channels I I don't know the exact number

1129

00:50:38,490 --> 00:50:35,300

but there was one that was it yeah I

1130

00:50:40,630 --> 00:50:38,500

think I think they're real major Washer

1131

00:50:43,150 --> 00:50:40,640

something like I can look that up real

1132

00:50:49,750 --> 00:50:43,160

fast I think it was let me think of a

1133

00:50:53,320 --> 00:50:49,760

real society and but yeah there's one

1134

00:50:55,960 --> 00:50:53,330

main woman that kind of as she was the

1135

00:51:02,260 --> 00:50:55,970

main conduit for some type of secret

1136

00:51:03,940 --> 00:51:02,270

knowledge more Maria ah stitch sure yes

1137

00:51:05,980 --> 00:51:03,950

I'm like that but yeah they they had the

1138

00:51:08,260 --> 00:51:05,990

channel supposedly these technologies

1139

00:51:12,220 --> 00:51:08,270

from the dracco civilization somewhere

1140

00:51:14,860 --> 00:51:12,230

else I would suspect baddies there some

1141

00:51:16,780 --> 00:51:14,870

some baddies and they got the technology

1142

00:51:18,550 --> 00:51:16,790

were able to use the technology they had

1143

00:51:20,440 --> 00:51:18,560

at the time to try to interpret what

1144

00:51:22,840 --> 00:51:20,450

they were receiving so you had some like

1145

00:51:26,020 --> 00:51:22,850

kind of like heavyweight UFOs not like

1146

00:51:27,880 --> 00:51:26,030

super light polymers and and aluminum

1147

00:51:29,620 --> 00:51:27,890

aircraft they probably they probably use

1148

00:51:32,890 --> 00:51:29,630

what they could some of them probably

1149

00:51:34,270 --> 00:51:32,900

look really ridiculous because they were

1150

00:51:36,700 --> 00:51:34,280

using the materials that they had at a

1151

00:51:38,440 --> 00:51:36,710

time and I think that's why over time

1152

00:51:40,690 --> 00:51:38,450

starting back in the 40s up to the 50s

1153

00:51:42,490 --> 00:51:40,700

there's a change in UFO sightings

1154

00:51:44,590 --> 00:51:42,500

someone from sort of started off looking

1155

00:51:47,350 --> 00:51:44,600

very clunky than going very sleek and

1156

00:51:49,420 --> 00:51:47,360

then being modernized and looking very

1157

00:51:50,610 --> 00:51:49,430

more aerodynamic like we see with

1158

00:51:54,220 --> 00:51:50,620

stealth fighters because

1159

00:51:56,710 --> 00:51:54,230

our projects receded from half half half

1160

00:51:59,050 --> 00:51:56,720

that was a seeded from Nazi UFO

1161

00:52:01,960 --> 00:51:59,060

technology the secret Nazi space program

1162

00:52:03,340 --> 00:52:01,970

yeah yeah you know and just so you know

1163

00:52:05,170 --> 00:52:03,350

the other word you know the other word

1164

00:52:08,470 --> 00:52:05,180

for the secret part would be the occult

1165

00:52:10,270 --> 00:52:08,480

space program yes you know I mean that's

1166

00:52:13,630 --> 00:52:10,280

that's all that's all it was they were

1167

00:52:18,150 --> 00:52:13,640

using a cult technology to channel

1168

00:52:20,580 --> 00:52:18,160

whatever to help them further you know

1169

00:52:23,200 --> 00:52:20,590

getting you know getting their

1170

00:52:25,450 --> 00:52:23,210

scientific discoveries so to speak out

1171

00:52:27,340 --> 00:52:25,460

there though so we're doing some weird

1172

00:52:29,860 --> 00:52:27,350

[h__h] yeah Bri does it's the last few

1173

00:52:32,950 --> 00:52:29,870

paragraphs of this this controversy over

1174

00:52:36,490 --> 00:52:32,960

over this story the company said it

1175

00:52:40,180 --> 00:52:36,500

agrees with the Historical Museum adding

1176

00:52:42,370 --> 00:52:40,190

that it is in fact a legend legendary

1177

00:52:44,830 --> 00:52:42,380

extraordinary aircraft which cannot be

1178

00:52:46,330 --> 00:52:44,840

proven in terms of its existence

1179

00:52:49,060 --> 00:52:46,340

unfortunately our product description

1180

00:52:52,150 --> 00:52:49,070

does not adequately express that this

1181

00:52:55,240 --> 00:52:52,160

and we apologize for it Revell said in a

1182

00:52:57,150 --> 00:52:55,250

statement a spokeswoman emphasized that

1183

00:52:59,590 --> 00:52:57,160

Revell explicitly distance itself from

1184

00:53:02,650 --> 00:52:59,600

any kind of glorification of Nazi

1185

00:53:05,890 --> 00:53:02,660

weaponry okay another go ahead you're on

1186

00:53:10,540 --> 00:53:05,900

the air with Steve and myself and I'm

1187

00:53:14,170 --> 00:53:10,550

like hey William here go ahead yeah but

1188

00:53:17,200 --> 00:53:14,180

what's up Mike how are you hey Leon

1189

00:53:20,530 --> 00:53:17,210

what's going on in your world I'm here

1190

00:53:23,440 --> 00:53:20,540

in my car and I overheard was it Joe or

1191

00:53:25,600 --> 00:53:23,450

or Steve I was talking with you there

1192

00:53:27,010 --> 00:53:25,610

tonight Steve is on the show of Newsies

1193

00:53:29,710 --> 00:53:27,020

Yeah right

1194

00:53:31,630 --> 00:53:29,720

he was talking about how he believed the

1195

00:53:34,300 --> 00:53:31,640

dude from Smashing Pumpkins what's that

1196

00:53:36,820 --> 00:53:34,310

guy's name Billy Corgan yes yeah yeah

1197

00:53:38,710 --> 00:53:36,830

about the shapeshifter there's a Billy

1198

00:53:42,970 --> 00:53:38,720

Corrigan or Billy Corgan Billy Corrigan

1199

00:53:45,280 --> 00:53:42,980

yes yeah and I do believe - and I was

1200

00:53:49,180 --> 00:53:45,290

going to say - that on a number of

1201
00:53:52,600 --> 00:53:49,190
interviews in Lynda Godfrey's last book

1202
00:53:53,020 --> 00:53:52,610
the monsters among us I think it's

1203
00:53:55,420 --> 00:53:53,030
called

1204
00:53:58,960 --> 00:53:55,430
she got signed affidavits from this

1205
00:53:59,620 --> 00:53:58,970
little Church in like Kentucky or

1206
00:54:02,020 --> 00:53:59,630
somewhere

1207
00:54:03,850 --> 00:54:02,030
Church is no longer there but the summer

1208
00:54:08,080 --> 00:54:03,860
of doubt there's people in the

1209
00:54:12,730 --> 00:54:08,090
pew and lady shape-shifted into a like a

1210
00:54:15,940 --> 00:54:12,740
goat like creature with with holes on

1211
00:54:18,190 --> 00:54:15,950
her and it was just real quick and it

1212
00:54:20,860 --> 00:54:18,200
was you know she totally shape-shifted

1213
00:54:21,610 --> 00:54:20,870

into this like monster looking thing no

1214

00:54:23,170 --> 00:54:21,620

clothes

1215

00:54:25,270 --> 00:54:23,180

it actually shapeshifter with the

1216

00:54:27,490 --> 00:54:25,280

clothes off right into the furry goat

1217

00:54:30,220 --> 00:54:27,500

saying like a devil looking kind of

1218

00:54:31,690 --> 00:54:30,230

thing and like I said she got affidavits

1219

00:54:33,730 --> 00:54:31,700

and I really believe her and I you know

1220

00:54:37,090 --> 00:54:33,740

I hear a lot of these people that

1221

00:54:38,680 --> 00:54:37,100

skeptics that are appalled and I know

1222

00:54:41,710 --> 00:54:38,690

they have a right to say what they got

1223

00:54:43,930 --> 00:54:41,720

to say it but I'll tell you what if if

1224

00:54:45,880 --> 00:54:43,940

some of these people only knew what the

1225

00:54:48,250 --> 00:54:45,890

government was hiding from all of us I

1226

00:54:50,620 --> 00:54:48,260

mean there's so much out there in the

1227

00:54:52,990 --> 00:54:50,630

force that people don't know about just

1228

00:54:55,630 --> 00:54:53,000

don't want to accept or understand and

1229

00:54:57,610 --> 00:54:55,640

it's really out there and really I can

1230

00:55:00,610 --> 00:54:57,620

understand them to to a degree until

1231

00:55:02,890 --> 00:55:00,620

they see it okay with their own two eyes

1232

00:55:05,260 --> 00:55:02,900

like they're not gonna believe it you

1233

00:55:06,970 --> 00:55:05,270

know right but but things are out there

1234

00:55:09,340 --> 00:55:06,980

that are unimaginable and the

1235

00:55:10,300 --> 00:55:09,350

shape-shifting thing like Steve was said

1236

00:55:12,760 --> 00:55:10,310

he believes him

1237

00:55:14,920 --> 00:55:12,770

you know believe it this stuff's going

1238

00:55:16,750 --> 00:55:14,930

on all around us well you know it in

1239

00:55:18,130 --> 00:55:16,760

like like Leon what you're saying is the

1240

00:55:20,560 --> 00:55:18,140

fact that like a lot of this stuff's

1241

00:55:22,270 --> 00:55:20,570

being hidden from us from the government

1242

00:55:24,880 --> 00:55:22,280

stuff and that's that's becoming less

1243

00:55:26,440 --> 00:55:24,890

and less every day and it's becoming

1244

00:55:27,520 --> 00:55:26,450

more of a more of a problem because you

1245

00:55:29,200 --> 00:55:27,530

know when we're yelling we want

1246

00:55:31,090 --> 00:55:29,210

disclosure we want we want to know the

1247

00:55:32,140 --> 00:55:31,100

secrets and when they tell it to us when

1248

00:55:33,820 --> 00:55:32,150

they actually give it to us

1249

00:55:35,830 --> 00:55:33,830

and I think this Billy Corgan and Tom

1250

00:55:37,240 --> 00:55:35,840

DeLonge stuff is part of that they're

1251
00:55:39,610 --> 00:55:37,250
kind of like they're kind of like give

1252
00:55:41,200 --> 00:55:39,620
you pushing nudging us towards like

1253
00:55:43,750 --> 00:55:41,210
what's going on and then it's just

1254
00:55:44,860 --> 00:55:43,760
polarizing us it's just and I think it's

1255
00:55:47,140 --> 00:55:44,870
I think that's the whole idea

1256
00:55:49,300 --> 00:55:47,150
it's like it's like the more disclosure

1257
00:55:51,040 --> 00:55:49,310
we get the worse it is it's better

1258
00:55:52,360 --> 00:55:51,050
because it's just stuff that we already

1259
00:55:53,950 --> 00:55:52,370
knew and then all of a sudden like you

1260
00:55:55,240 --> 00:55:53,960
know especially the Tom DeLonge stuff

1261
00:55:57,550 --> 00:55:55,250
when he's talking starts talking about

1262
00:55:59,500 --> 00:55:57,560
like you know the hey there's you know

1263
00:56:01,750 --> 00:55:59,510

aliens out there and people are like

1264

00:56:04,240 --> 00:56:01,760

half [h__h] who cares like you know you

1265

00:56:06,160 --> 00:56:04,250

know a lot of people are like it's it's

1266

00:56:07,300 --> 00:56:06,170

it's having someone like him say that

1267

00:56:10,030 --> 00:56:07,310

instead of like an actual government

1268

00:56:13,540 --> 00:56:10,040

official saying is you know you're

1269

00:56:15,340 --> 00:56:13,550

lessening you you couldn't me the last

1270

00:56:17,220 --> 00:56:15,350

time I called I said the government like

1271

00:56:19,080 --> 00:56:17,230

I did the last time you said morrel

1272

00:56:22,100 --> 00:56:19,090

the powers that be or whatever it's

1273

00:56:24,840 --> 00:56:22,110

really not the government per se yes

1274

00:56:27,300 --> 00:56:24,850

yeah it's whoever happens to be running

1275

00:56:29,430 --> 00:56:27,310

the show behind the scenes at the time I

1276

00:56:31,170 --> 00:56:29,440

think I think Steve's right yeah there

1277

00:56:33,000 --> 00:56:31,180

there's there's this weird form of

1278

00:56:34,290 --> 00:56:33,010

disclosure going on with with more

1279

00:56:36,150 --> 00:56:34,300

people talking about this stuff but

1280

00:56:38,520 --> 00:56:36,160

you're okay I don't think people care it

1281

00:56:40,050 --> 00:56:38,530

isn't be polarizing we don't know how

1282

00:56:41,820 --> 00:56:40,060

much of what Tom DeLonge is saying is

1283

00:56:44,730 --> 00:56:41,830

actual truth no one really knows maybe

1284

00:56:45,450 --> 00:56:44,740

someone in this programs but I think

1285

00:56:48,510 --> 00:56:45,460

some of it's true

1286

00:56:50,550 --> 00:56:48,520

ya know exactly some of the some of it

1287

00:56:52,170 --> 00:56:50,560

kind of has to be true you know and it's

1288

00:56:53,910 --> 00:56:52,180

just the thing where it's like when we

1289

00:56:55,890 --> 00:56:53,920

get this disclosure then we start

1290

00:56:57,960 --> 00:56:55,900

wondering what truth actually means I

1291

00:57:01,620 --> 00:56:57,970

was um

1292

00:57:02,850 --> 00:57:01,630

so okay so this guy Gary Lachman used to

1293

00:57:04,110 --> 00:57:02,860

be the bass player from blondie and

1294

00:57:05,670 --> 00:57:04,120

stuff he writes a lot of books about

1295

00:57:07,050 --> 00:57:05,680

like a cult stuff and he had just

1296

00:57:09,900 --> 00:57:07,060

written a book about the Trump

1297

00:57:12,210 --> 00:57:09,910

administration basically and he mentions

1298

00:57:14,580 --> 00:57:12,220

a man the Russian basically the Russian

1299

00:57:17,130 --> 00:57:14,590

Rasputin right now which is Alexander

1300

00:57:19,320 --> 00:57:17,140

Dugan and I started looking some of his

1301

00:57:21,870 --> 00:57:19,330

stuff up because he's really shifting

1302

00:57:23,880 --> 00:57:21,880

the truth around he's he's having this

1303

00:57:25,890 --> 00:57:23,890

thing where like and it's a weird thing

1304

00:57:28,290 --> 00:57:25,900

when you look at it like how Russia has

1305

00:57:30,540 --> 00:57:28,300

kind of kind of like you know push

1306

00:57:33,060 --> 00:57:30,550

themselves into our lives without us

1307

00:57:35,310 --> 00:57:33,070

really knowing about it and they're kind

1308

00:57:36,600 --> 00:57:35,320

of making up truth so the problem is

1309

00:57:38,130 --> 00:57:36,610

it's like even if this disclosure

1310

00:57:41,010 --> 00:57:38,140

happens there's a problem with what

1311

00:57:42,750 --> 00:57:41,020

truth actually is you know truth is just

1312

00:57:46,040 --> 00:57:42,760

getting made up at this point and and

1313

00:57:52,440 --> 00:57:48,810

Trump around is just not making it any

1314

00:57:54,120 --> 00:57:52,450

worse you know we have a and that's the

1315

00:57:56,310 --> 00:57:54,130

thing it's like we have someone in

1316

00:57:59,310 --> 00:57:56,320

office he's in the White House who prior

1317

00:58:01,650 --> 00:57:59,320

to that was a reality television star

1318

00:58:03,420 --> 00:58:01,660

and that says yeah and I think that

1319

00:58:06,240 --> 00:58:03,430

speaks volumes because it's like what

1320

00:58:09,230 --> 00:58:06,250

has reality become you know reality is

1321

00:58:16,080 --> 00:58:09,240

not really that real anymore I don't

1322

00:58:19,140 --> 00:58:16,090

sense yeah it's it's actually if there

1323

00:58:20,850 --> 00:58:19,150

was to be some sort of mass UFO flap or

1324

00:58:22,470 --> 00:58:20,860

some kind of mass disclosure it is the

1325

00:58:26,070 --> 00:58:22,480

perfect time for them to release it

1326

00:58:28,140 --> 00:58:26,080

under Trump's watch okay because because

1327

00:58:30,599 --> 00:58:28,150

what can you believe is a total chaos

1328

00:58:32,700 --> 00:58:30,609

and I think he would

1329

00:58:35,640 --> 00:58:32,710

like I would be very skeptical if there

1330

00:58:36,809 --> 00:58:35,650

would be a large UFO sighting now and

1331

00:58:38,819 --> 00:58:36,819

the and the government would come out

1332

00:58:40,859 --> 00:58:38,829

say yes there is some sort of

1333

00:58:42,779 --> 00:58:40,869

extraterrestrial fleet up there we don't

1334

00:58:44,849 --> 00:58:42,789

know exactly I'd be very skeptical of

1335

00:58:46,529 --> 00:58:44,859

any official story concerning that kind

1336

00:58:47,729 --> 00:58:46,539

of information that didn't they didn't

1337

00:58:49,319 --> 00:58:47,739

they actually come out with like months

1338

00:58:51,599 --> 00:58:49,329

ago like an official like and it was

1339

00:58:55,289 --> 00:58:51,609

kind of like really under the radar they

1340

00:58:56,910 --> 00:58:55,299

saw something 6k 2016 that New York

1341

00:59:02,509 --> 00:58:56,920

Times printed something but like it

1342

00:59:08,430 --> 00:59:06,420

right I mean yeah this soft disclosure

1343

00:59:11,099 --> 00:59:08,440

if the New York Times Ronan is it's soft

1344

00:59:13,289 --> 00:59:11,109

disclosure and the Navy came out and had

1345

00:59:15,960 --> 00:59:13,299

some you know clear imagery they gave

1346

00:59:18,989 --> 00:59:15,970

and it was like and then Tom DeLonge you

1347

00:59:20,700 --> 00:59:18,999

know have a rock star come out and say

1348

00:59:24,089 --> 00:59:20,710

like you know honestly that's the thing

1349

00:59:25,289 --> 00:59:24,099

too because you know rock stars have

1350

00:59:27,479 --> 00:59:25,299

been like they've been using these

1351

00:59:28,829 --> 00:59:27,489

people for you I hate that you know I'm

1352

00:59:30,870 --> 00:59:28,839

gonna get on board and say that kind of

1353

00:59:32,700 --> 00:59:30,880

[h__h] though but they've been they

1354

00:59:37,200 --> 00:59:32,710

quote-unquote they have been using these

1355

00:59:39,479 --> 00:59:37,210

people quote-unquote for so long to push

1356

00:59:41,009 --> 00:59:39,489

agenda isn't alike I mean now I'm

1357

00:59:44,579 --> 00:59:41,019

getting really into conspiracy [h__h]

1358

00:59:46,589 --> 00:59:44,589

but but you were really perceptive in

1359

00:59:48,900 --> 00:59:46,599

saying that this Trump administration

1360

00:59:51,599 --> 00:59:48,910

would be the perfect time to come out

1361

00:59:54,829 --> 00:59:51,609

with this stuff because it would be so

1362

00:59:57,180 --> 00:59:54,839

many layers of belief and disbelief and

1363

01:00:03,029 --> 00:59:57,190

information and disinformation that that

1364

01:00:04,559 --> 01:00:03,039

guy is a perfect guy my god honestly I

1365

01:00:05,910 --> 01:00:04,569

think it will because why why wouldn't

1366

01:00:09,420 --> 01:00:05,920

it why wouldn't it why wouldn't it

1367

01:00:12,720 --> 01:00:09,430

happen we're we're almost on a brink of

1368

01:00:14,849 --> 01:00:12,730

some type of ideological Civil War I

1369

01:00:17,009 --> 01:00:14,859

mean basically we are at an ideological

1370

01:00:19,650 --> 01:00:17,019

civil war where it's like people are too

1371

01:00:21,660 --> 01:00:19,660

worried about what names are being

1372

01:00:23,849 --> 01:00:21,670

called you know making sure that you're

1373

01:00:25,589 --> 01:00:23,859

getting correct pronouns to be like if

1374

01:00:26,970 --> 01:00:25,599

you're like hey you know aliens just

1375

01:00:29,220 --> 01:00:26,980

came down people like you know what but

1376

01:00:30,529 --> 01:00:29,230

I still want to be called the correct

1377

01:00:33,359 --> 01:00:30,539

pronoun you know what I mean it's

1378

01:00:35,009 --> 01:00:33,369

everything so so back and forth right

1379

01:00:37,229 --> 01:00:35,019

now like it's it's it's a huge

1380

01:00:39,390 --> 01:00:37,239

distraction it's a huge distraction for

1381

01:00:41,279 --> 01:00:39,400

something big you know there's a reason

1382

01:00:42,339 --> 01:00:41,289

why there's this huge break between the

1383

01:00:44,680 --> 01:00:42,349

left and the right right

1384

01:00:46,180 --> 01:00:44,690

for something it's for something that

1385

01:00:47,589 --> 01:00:46,190

come straight down the middle yeah as

1386

01:00:50,829 --> 01:00:47,599

for something straight the shield is

1387

01:00:51,699 --> 01:00:50,839

down this straight down rating it for

1388

01:00:54,339 --> 01:00:51,709

years and years

1389

01:00:56,289 --> 01:00:54,349

oh yeah oh yeah yeah and if he I mean if

1390

01:00:58,150 --> 01:00:56,299

you think that this wasn't like the

1391

01:01:03,819 --> 01:00:58,160

peeps the people that run our lives are

1392

01:01:06,009 --> 01:01:03,829

not stupid yeah I gotta get out of here

1393

01:01:07,930 --> 01:01:06,019

real soon pal hey no problem eat me too

1394

01:01:09,130 --> 01:01:07,940

man it was nice talking to you and Steve

1395

01:01:19,209 --> 01:01:09,140

take care all right have a good night

1396

01:01:21,939 --> 01:01:19,219

bye play the out room here Steve oh yeah

1397

01:01:23,829 --> 01:01:21,949

go for it yeah we're doing our show on

1398

01:01:25,599 --> 01:01:23,839

Monday but hey thanks for calling in man

1399

01:01:26,859 --> 01:01:25,609

ain't no problem do you thanks for

1400

01:01:28,329 --> 01:01:26,869

having me it was a good this is a good

1401

01:01:30,999 --> 01:01:28,339

talk yeah I like these talks like

1402

01:01:33,249 --> 01:01:31,009

gingers man yeah shapeshifters weird

1403

01:01:34,749 --> 01:01:33,259

stuff yeah I like how it's just kind of

1404

01:01:36,039 --> 01:01:34,759

my thing like if you ever talk like this

1405

01:01:37,359 --> 01:01:36,049

if you're poly you'll probably get a

1406

01:01:38,019 --> 01:01:37,369

call from me because this is really my

1407

01:01:40,420 --> 01:01:38,029

bag right now

1408

01:01:42,579 --> 01:01:40,430

yeah those weird [ʌ__ʌ] going on the

1409

01:01:45,400 --> 01:01:42,589

Monday shows are kind of reserved for

1410

01:01:46,839 --> 01:01:45,410

for this kind of talk it really is yeah

1411

01:01:49,900 --> 01:01:46,849

it's this is where I can get a little a

1412

01:01:52,779 --> 01:01:49,910

little loosey-goosey and well cool not

1413

01:01:54,759 --> 01:01:52,789

too many uh current events but yeah all

1414

01:01:56,140 --> 01:01:54,769

this kind of talk so these are all

1415

01:01:57,579 --> 01:01:56,150

current events as crit events that

1416

01:01:58,599 --> 01:01:57,589

aren't current yet you're right these

1417

01:02:06,640 --> 01:01:58,609

are all things that are gonna happen

1418

01:02:10,719 --> 01:02:06,650

you're right I guess everybody oh one

1419

01:02:13,180 --> 01:02:10,729

Steven Bradford the original co-host of

1420

01:02:15,130 --> 01:02:13,190

the are big dumb ass show opponent good

1421

01:02:16,809 --> 01:02:15,140

to hear from him about these weird

1422

01:02:18,759 --> 01:02:16,819

topics oh yeah

1423

01:02:20,559 --> 01:02:18,769

he's always an interesting guy to talk

1424

01:02:24,519 --> 01:02:20,569

to you about this stuff he he digs into

1425

01:02:28,269 --> 01:02:24,529

the the occult side sometimes talking

1426

01:02:30,370 --> 01:02:28,279

about KS magic and yeah I'm sure he'll

1427

01:02:32,620 --> 01:02:30,380

call back into some point in time to

1428

01:02:34,539 --> 01:02:32,630

delve into these topics even more and

1429

01:02:36,999 --> 01:02:34,549

these are strange topics trust me people

1430

01:02:39,069 --> 01:02:37,009

I know but it's getting to be a strange

1431

01:02:40,509 --> 01:02:39,079

world maybe it always was a strange

1432

01:02:43,630 --> 01:02:40,519

world and we're just I'm just kind of

1433

01:02:45,370 --> 01:02:43,640

waking up and realizing it yes probably

1434

01:02:47,620 --> 01:02:45,380

most likely the case

1435

01:02:50,170 --> 01:02:47,630

didn't get to have one I want to talk to

1436
