

NIGHT TALK  
*with*  
MIDNIGHT MIKE

1  
00:00:12,210 --> 00:00:09,410

[Music]

2  
00:00:19,080 --> 00:00:12,220

guys we're just gonna have a great time

3  
00:00:24,960 --> 00:00:19,090

together do not fully understand only

4  
00:00:33,790 --> 00:00:28,710

[Music]

5  
00:00:35,680 --> 00:00:33,800

what is that thing I'm scared you sir

6  
00:00:39,670 --> 00:00:35,690

and I'm protecting myself that is all

7  
00:00:43,160 --> 00:00:39,680

I'm doing it now this man claims he has

8  
00:00:59,970 --> 00:00:43,170

been to pier 5000

9  
00:00:59,980 --> 00:01:06,190

[Music]

10  
00:01:23,649 --> 00:01:18,680

oh I hit the glory hole right here wanna

11  
00:01:28,930 --> 00:01:23,659

take you to the bank

12  
00:01:32,039 --> 00:01:28,940

hey welcome back to another night talk

13  
00:01:32,049 --> 00:01:35,950

I

14

00:01:54,230 --> 00:01:46,310

yes nighthawk lie yeah it's all

15

00:01:57,800 --> 00:01:54,240

happening today July 2nd 2018 is the

16

00:02:06,169 --> 00:01:57,810

anniversary of the Roswell crash it is

17

00:02:09,050 --> 00:02:06,179

world UFO day world UFO day let's all

18

00:02:12,740 --> 00:02:09,060

take the time pause and think about all

19

00:02:15,979 --> 00:02:12,750

the mysterious and unusual things out

20

00:02:20,410 --> 00:02:15,989

there in the world there are normal

21

00:02:25,789 --> 00:02:20,420

sightings activity encounters and

22

00:02:28,580 --> 00:02:25,799

Roswell kind of thing that started it

23

00:02:33,559 --> 00:02:28,590

all but what's the - popularized until

24

00:02:35,949 --> 00:02:33,569

the late 80s early 90s and since that

25

00:02:41,840 --> 00:02:35,959

time there's been many theories about

26

00:02:43,849 --> 00:02:41,850

what crashed in New Mexico who is

27

00:02:46,580 --> 00:02:43,859

responsible what happened with that

28

00:02:47,449 --> 00:02:46,590

debris afterwards oh my lord and people

29

00:02:53,060 --> 00:02:47,459

make fun of it

30

00:02:55,940 --> 00:02:53,070

people will use that as a as a point in

31

00:02:58,729 --> 00:02:55,950

any argument in any argument they will

32

00:03:00,800 --> 00:02:58,739

use Roswell as a point to say hey

33

00:03:03,830 --> 00:03:00,810

nothing's real where we would have found

34

00:03:06,349 --> 00:03:03,840

out something by now or it will say oh

35

00:03:10,640 --> 00:03:06,359

look at the cover-ups it's such a

36

00:03:12,229 --> 00:03:10,650

convoluted subject at this point over 50

37

00:03:14,630 --> 00:03:12,239

years how many how many I can't even do

38

00:03:17,059 --> 00:03:14,640

the math I can't do the math how many

39

00:03:19,449 --> 00:03:17,069

years ago it's been like 70 years 70

40

00:03:23,800 --> 00:03:19,459

plus years

41

00:03:28,059 --> 00:03:23,810

yeah but it is world UFO day and I'll be

42

00:03:30,250 --> 00:03:28,069

talking about some UFO news what's been

43

00:03:35,020 --> 00:03:30,260

going on in the news when it comes to

44

00:03:38,259 --> 00:03:35,030

UFOs and aliens it's alright it seems to

45

00:03:41,920 --> 00:03:38,269

be back on the radar now thanks to the

46

00:03:44,830 --> 00:03:41,930

space force space force everyone is

47

00:03:47,140 --> 00:03:44,840

concerned about an alien threat because

48

00:03:51,699 --> 00:03:47,150

we might we might need that space force

49

00:03:53,289 --> 00:03:51,709

space force to combat a extraterrestrial

50

00:03:57,449 --> 00:03:53,299

threat out there that might be coming in

51  
00:04:02,490 --> 00:03:57,459  
to take our food off our family mm-hmm

52  
00:04:09,840 --> 00:04:06,360  
I've been reading the skin skinwalker

53  
00:04:11,640 --> 00:04:09,850  
ranch book written by George Knapp and

54  
00:04:15,660 --> 00:04:11,650  
another gentleman whose name I don't

55  
00:04:18,420 --> 00:04:15,670  
remember and it is just a fascinating

56  
00:04:20,060 --> 00:04:18,430  
tale make about 1/3 of the way through

57  
00:04:22,530 --> 00:04:20,070  
the book right before the actual

58  
00:04:24,320 --> 00:04:22,540  
investigation begins of for anybody

59  
00:04:26,730 --> 00:04:24,330  
doesn't know what skinwalker ranch is

60  
00:04:29,700 --> 00:04:26,740  
i-i-i implore you go out there if you're

61  
00:04:33,720 --> 00:04:29,710  
fascinated with the paranoid topic and

62  
00:04:37,140 --> 00:04:33,730  
UFOs Bigfoot and just the the absurdity

63  
00:04:38,430 --> 00:04:37,150

of some of these encounters look up a

64

00:04:39,630 --> 00:04:38,440

skinwalker ranch I'm gonna be doing

65

00:04:41,520 --> 00:04:39,640

another segment

66

00:04:45,150 --> 00:04:41,530

pretty soon on it but I've been reading

67

00:04:48,300 --> 00:04:45,160

this book at night which is a mistake

68

00:04:51,390 --> 00:04:48,310

don't read these books at night I get

69

00:04:53,430 --> 00:04:51,400

scared of dark and of weird things that

70

00:04:56,070 --> 00:04:53,440

go bump in the night and when you read

71

00:04:58,710 --> 00:04:56,080

these books especially with some of

72

00:05:00,390 --> 00:04:58,720

these more strange evil entities and

73

00:05:02,520 --> 00:05:00,400

then when you lay your your head down to

74

00:05:05,370 --> 00:05:02,530

go to sleep you my mind is swimming with

75

00:05:07,560 --> 00:05:05,380

all this stuff and it's just hard I got

76

00:05:09,600 --> 00:05:07,570

to read this stuff during the day the

77

00:05:11,490 --> 00:05:09,610

reason is like this some of the stories

78

00:05:12,780 --> 00:05:11,500

that happened on the skinwalker ranch I

79

00:05:14,940 --> 00:05:12,790

know I played him but it's different

80

00:05:19,740 --> 00:05:14,950

when you you read in the full text of

81

00:05:21,990 --> 00:05:19,750

these accounts like these uh these balls

82

00:05:23,760 --> 00:05:22,000

of light would show up on these uh on

83

00:05:26,190 --> 00:05:23,770

this on the ranch you know so family out

84

00:05:29,370 --> 00:05:26,200

there and skinwalker ranch and every

85

00:05:33,150 --> 00:05:29,380

time these uh wisps of light would show

86

00:05:35,870 --> 00:05:33,160

up the next the next day they would find

87

00:05:37,980 --> 00:05:35,880

a couple of our cattle mutilated

88

00:05:40,320 --> 00:05:37,990

traditional katha Malaysian where there

89

00:05:42,930 --> 00:05:40,330

would be laser-like precision cuts

90

00:05:46,920 --> 00:05:42,940

taking out some of the reproductive

91

00:05:49,320 --> 00:05:46,930

organs of the cattle and you know it

92

00:05:50,640 --> 00:05:49,330

when you hear that kind of oh my god

93

00:05:53,130 --> 00:05:50,650

they're they're observe these lights

94

00:05:54,600 --> 00:05:53,140

they can the ranchers are able to kind

95

00:05:56,610 --> 00:05:54,610

of put together like a pattern like they

96

00:05:58,290 --> 00:05:56,620

see the lights oh my god I got to keep

97

00:06:00,750 --> 00:05:58,300

an eye on the on the herd to make sure

98

00:06:03,810 --> 00:06:00,760

they're safe but without fail they like

99

00:06:05,670 --> 00:06:03,820

keep an eye on on the herd and then 20

100

00:06:09,300 --> 00:06:05,680

minutes later when they come back one of

101  
00:06:12,120 --> 00:06:09,310  
the one of the piece of one of the cows

102  
00:06:15,060 --> 00:06:12,130  
or calves or babies or ox or something

103  
00:06:15,610 --> 00:06:15,070  
like that's dead within a 20 minute time

104  
00:06:18,190 --> 00:06:15,620  
span

105  
00:06:20,440 --> 00:06:18,200  
and then these these these whips of

106  
00:06:25,120 --> 00:06:20,450  
light seemed to be taunting not only the

107  
00:06:27,250 --> 00:06:25,130  
the humans there but dogs and harassing

108  
00:06:29,320 --> 00:06:27,260  
and like they're obviously these with

109  
00:06:31,470 --> 00:06:29,330  
wisps of lights almost like a classical

110  
00:06:33,580 --> 00:06:31,480  
like ball of light UFO kind of thing

111  
00:06:36,730 --> 00:06:33,590  
seem to be aware that they're being

112  
00:06:40,170 --> 00:06:36,740  
observed and interact with the

113  
00:06:44,080 --> 00:06:40,180

surroundings in in the the people there

114

00:06:46,410 --> 00:06:44,090

it is such a fascinating story

115

00:06:49,000 --> 00:06:46,420

skinwalker ranch because I think it has

116

00:06:51,760 --> 00:06:49,010

elements of like cryptozoology when

117

00:06:54,030 --> 00:06:51,770

there's a there's a there's a Bigfoot

118

00:06:58,150 --> 00:06:54,040

sightings sasquatch dog Minh sightings

119

00:07:02,770 --> 00:06:58,160

there are UFO sightings portals in the

120

00:07:04,960 --> 00:07:02,780

sky and then you have what only can be

121

00:07:06,940 --> 00:07:04,970

described as portals in the ground and

122

00:07:10,600 --> 00:07:06,950

I'm still digging through it and it's

123

00:07:12,640 --> 00:07:10,610

it's I parts just creepy and terrifying

124

00:07:16,990 --> 00:07:12,650

because the legend of the skinwalker

125

00:07:22,150 --> 00:07:17,000

itself is a Native American Navajo ute a

126  
00:07:25,810 --> 00:07:22,160  
legend of a witch a pure evil that can

127  
00:07:29,350 --> 00:07:25,820  
change shape take any form it wants to

128  
00:07:32,130 --> 00:07:29,360  
do just ungodly acts to another person

129  
00:07:38,650 --> 00:07:32,140  
and the curse of the skinwalker is that

130  
00:07:41,140 --> 00:07:38,660  
if a skinwalker happens to be a target

131  
00:07:45,640 --> 00:07:41,150  
or or let's say ice-cream Walker targets

132  
00:07:48,280 --> 00:07:45,650  
you with one say it's a curse you're

133  
00:07:50,710 --> 00:07:48,290  
pretty much good as gone unless you

134  
00:07:52,570 --> 00:07:50,720  
recognize that you are actually cursed

135  
00:07:55,300 --> 00:07:52,580  
by a skinwalker and then that curse

136  
00:07:56,980 --> 00:07:55,310  
actually gets flipped around and it will

137  
00:07:59,050 --> 00:07:56,990  
go back and kill the person who

138  
00:08:02,410 --> 00:07:59,060

performed that curse it's just these

139

00:08:03,970 --> 00:08:02,420

legends and stories that come from that

140

00:08:07,720 --> 00:08:03,980

part of the world in New Mexico you have

141

00:08:10,540 --> 00:08:07,730

accounts of police officers being chased

142

00:08:15,340 --> 00:08:10,550

by large dogs I mean not just like

143

00:08:18,280 --> 00:08:15,350

wolves but huge dogs pacing there police

144

00:08:21,700 --> 00:08:18,290

cars and thing and then you have a UFO

145

00:08:23,290 --> 00:08:21,710

sightings in the same area and in in a

146

00:08:25,300 --> 00:08:23,300

Newton Mexico you had the Roswell crash

147

00:08:29,360 --> 00:08:25,310

you have another crash away from Roswell

148

00:08:33,050 --> 00:08:29,370

Dulce what's going on in New Mexico

149

00:08:34,250 --> 00:08:33,060

what is all this stuff they're having

150

00:08:37,040 --> 00:08:34,260

there haven't been enough books we're

151  
00:08:39,110 --> 00:08:37,050  
done the stuff and I'm obviously digging

152  
00:08:41,000 --> 00:08:39,120  
into it and I know this is probably old

153  
00:08:43,070 --> 00:08:41,010  
hat for a lot of people out there when

154  
00:08:44,720 --> 00:08:43,080  
it comes but I try to keep up on this

155  
00:08:46,880 --> 00:08:44,730  
stuff you you get you read all this

156  
00:08:48,590 --> 00:08:46,890  
stuff and you forget some of the some of

157  
00:08:50,660 --> 00:08:48,600  
the details and so you go back and

158  
00:08:52,540 --> 00:08:50,670  
reread it again or learn some new

159  
00:08:57,470 --> 00:08:52,550  
information we realize how truly bizarre

160  
00:09:01,610 --> 00:08:57,480  
New Mexico is it's a strange place

161  
00:09:05,350 --> 00:09:01,620  
people come on but uh we put together

162  
00:09:07,880 --> 00:09:05,360  
another skinwalker ranch segment soon

163  
00:09:10,869 --> 00:09:07,890

I'm pouring through that book I can only

164

00:09:13,449 --> 00:09:10,879

read it in a day time to get scared

165

00:09:14,979 --> 00:09:13,459

six one four three eight eight nine 109

166

00:09:17,429 --> 00:09:14,989

the phone lines are wide open I will

167

00:09:24,639 --> 00:09:17,439

break open some of the stories I got

168

00:09:26,499 --> 00:09:24,649

about the UFOs and we'll start with this

169

00:09:28,719 --> 00:09:26,509

when we transition on over there people

170

00:09:29,199 --> 00:09:28,729

come on let's go what are you waiting

171

00:09:34,239 --> 00:09:29,209

for

172

00:09:39,069 --> 00:09:34,249

let's go I lose my mind today I know

173

00:09:42,279 --> 00:09:39,079

lose my mind today crazy with UFOs oh my

174

00:09:42,879 --> 00:09:42,289

god in the skinwalker ranch it's got me

175

00:09:47,859 --> 00:09:42,889

crazy

176  
00:09:52,150 --> 00:09:47,869  
oh boy hey it is teddy spaghetti how you

177  
00:09:56,669 --> 00:09:52,160  
doing there [h\_\_h] aliens I feel sorry

178  
00:10:02,889 --> 00:09:56,679  
for your mother yes sorry about that

179  
00:10:04,569 --> 00:10:02,899  
it is world UFO day let's celebrate it

180  
00:10:07,659 --> 00:10:04,579  
is world UFO day and you know we're

181  
00:10:10,900 --> 00:10:07,669  
recognizing and remembering the vissa

182  
00:10:16,719 --> 00:10:10,910  
anniversary of the Roswell crash Roswell

183  
00:10:19,359 --> 00:10:16,729  
Roswell crash yes look yeah it's been

184  
00:10:20,799 --> 00:10:19,369  
too long without another answer is one

185  
00:10:22,059 --> 00:10:20,809  
thing you went over earlier I was

186  
00:10:23,710 --> 00:10:22,069  
listening to it was the whole cattle

187  
00:10:25,929 --> 00:10:23,720  
mutilation thing I've always been

188  
00:10:31,749 --> 00:10:25,939

extremely interested in a mutilation

189

00:10:33,460 --> 00:10:31,759

case cases especially since since it's

190

00:10:34,989 --> 00:10:33,470

since the 90s when it was like yet at

191

00:10:39,639 --> 00:10:34,999

the dinner proportions and I think years

192

00:10:42,609 --> 00:10:39,649

old I think there's only a few cases of

193

00:10:43,929 --> 00:10:42,619

a human mutilation I'm real sorry Mike

194

00:10:46,029 --> 00:10:43,939

can I call you right back I believe my

195

00:10:48,579 --> 00:10:46,039

drug dealers Ethan in oh yeah sure yeah

196

00:10:49,869 --> 00:10:48,589

I'll give you a call right back my

197

00:10:56,529 --> 00:10:49,879

apologies I just gotta talk to my drug

198

00:11:04,539 --> 00:10:56,539

dealer oh I hid the glory hole right

199

00:11:08,859 --> 00:11:04,549

here yes yeah cattle mutilations is a

200

00:11:11,769 --> 00:11:08,869

big deal it's its physical evidence

201  
00:11:14,319 --> 00:11:11,779  
that's left behind of some unexplained

202  
00:11:16,329 --> 00:11:14,329  
kind of phenomenon now there was a big

203  
00:11:18,909 --> 00:11:16,339  
investigation that went on I believe in

204  
00:11:21,879 --> 00:11:18,919  
the it probably was like the 80s and 90s

205  
00:11:24,790 --> 00:11:21,889  
when it really came to the forefront of

206  
00:11:26,560 --> 00:11:24,800  
mainstream culture and news

207  
00:11:30,280 --> 00:11:26,570  
there's a lot of Rangers out there in

208  
00:11:32,290 --> 00:11:30,290  
the southwest and in Colorado that were

209  
00:11:34,810 --> 00:11:32,300  
impacted by a cattle mutilation so much

210  
00:11:37,570 --> 00:11:34,820  
so they petitioned the government to do

211  
00:11:39,610 --> 00:11:37,580  
an official investigation a senator got

212  
00:11:41,230 --> 00:11:39,620  
involved there were actually I think

213  
00:11:43,990 --> 00:11:41,240

there was a congressional hearing on

214

00:11:45,850 --> 00:11:44,000

this because you know the ranchers they

215

00:11:49,000 --> 00:11:45,860

have a large amount of land out there

216

00:11:51,540 --> 00:11:49,010

they probably pretty involved in the

217

00:11:54,850 --> 00:11:51,550

community looking after the land and

218

00:11:56,829 --> 00:11:54,860

it's their livelihood to make sure that

219

00:11:59,199 --> 00:11:56,839

their livestock is taken care of and

220

00:12:01,329 --> 00:11:59,209

when they're impacted and they're losing

221

00:12:03,130 --> 00:12:01,339

thousands of dollars worth of cattle

222

00:12:04,420 --> 00:12:03,140

yeah you're gonna call your Congressman

223

00:12:05,440 --> 00:12:04,430

you're gonna call it a local sheriff to

224

00:12:07,870 --> 00:12:05,450

see if they're going to investigate and

225

00:12:09,760 --> 00:12:07,880

they did investigate they they signed

226

00:12:12,040 --> 00:12:09,770

they had a blue-ribbon panel put

227

00:12:14,019 --> 00:12:12,050

together to investigate what was behind

228

00:12:17,470 --> 00:12:14,029

the cattle mutilations and they assigned

229

00:12:21,370 --> 00:12:17,480

some X X FBI guy who had no background

230

00:12:23,170 --> 00:12:21,380

and veterinary science or forensics or

231

00:12:27,329 --> 00:12:23,180

pathology to really determine cause of

232

00:12:30,280 --> 00:12:27,339

death and he just wrote it all off as

233

00:12:33,130 --> 00:12:30,290

natural predators some some predator was

234

00:12:34,389 --> 00:12:33,140

doing all these cattle mutilations he

235

00:12:39,280 --> 00:12:34,399

didn't take into account the the

236

00:12:41,139 --> 00:12:39,290

surgical precision laser-like cuts on

237

00:12:45,790 --> 00:12:41,149

the cattle didn't take into account a

238

00:12:48,220 --> 00:12:45,800

timeframe or where some of these kind of

239

00:12:51,850 --> 00:12:48,230

missions took place one of the incidents

240

00:12:53,949 --> 00:12:51,860

from a skinwalker ranch the rancher was

241

00:12:56,170 --> 00:12:53,959

out in the middle of a blizzard trying

242

00:12:58,510 --> 00:12:56,180

to hurt his cattle and that were freaked

243

00:13:03,430 --> 00:12:58,520

out I probably buy one of these wisps of

244

00:13:05,019 --> 00:13:03,440

light and he tracked the the cow and it

245

00:13:07,240 --> 00:13:05,029

looked like through the the tracks in

246

00:13:09,910 --> 00:13:07,250

the snow it was going like full steam it

247

00:13:11,350 --> 00:13:09,920

was this going full-bore running as fast

248

00:13:14,170 --> 00:13:11,360

as it could which is according to the

249

00:13:15,400 --> 00:13:14,180

rancher very unusual for a cattle to do

250

00:13:18,130 --> 00:13:15,410

in the snowstorm they probably want to

251  
00:13:20,920 --> 00:13:18,140  
huddle up next to some tree or some

252  
00:13:26,139 --> 00:13:20,930  
brush to get cover but this thing was in

253  
00:13:28,210 --> 00:13:26,149  
folk out out into the middle of the

254  
00:13:30,280 --> 00:13:28,220  
ranch where there was no cover from the

255  
00:13:33,160 --> 00:13:30,290  
snow or blizzard and then all of a

256  
00:13:35,350 --> 00:13:33,170  
sudden the tracks stopped dead there was

257  
00:13:38,050 --> 00:13:35,360  
no signs of struggle

258  
00:13:39,070 --> 00:13:38,060  
it was just you see hoof prints and then

259  
00:13:42,880 --> 00:13:39,080  
nothing

260  
00:13:46,000 --> 00:13:42,890  
like he got sucked up into the sky or it

261  
00:13:48,730 --> 00:13:46,010  
went through a doorway and wound up

262  
00:13:50,560 --> 00:13:48,740  
someplace else but he never saw that

263  
00:13:52,750 --> 00:13:50,570

cattle again they're on a skinwalker

264

00:13:55,410 --> 00:13:52,760

ranch but some of the other cattle

265

00:13:59,170 --> 00:13:55,420

mutilations there's evidence you can see

266

00:14:01,360 --> 00:13:59,180

it's photographs it was a big deal it

267

00:14:02,860 --> 00:14:01,370

was a big deal and still is I don't

268

00:14:06,819 --> 00:14:02,870

think it happens as much or if it does

269

00:14:09,509 --> 00:14:06,829

it's not being as reported and there

270

00:14:12,190 --> 00:14:09,519

have been rumors like what causes and

271

00:14:16,570 --> 00:14:12,200

one of the more interesting theories I

272

00:14:23,540 --> 00:14:20,420

military using advanced technology to

273

00:14:26,590 --> 00:14:23,550

come in and out to get samples from a

274

00:14:29,390 --> 00:14:26,600

cattle to measure the impact of

275

00:14:33,079 --> 00:14:29,400

radioactive fallout from all the testing

276

00:14:35,390 --> 00:14:33,089

done in Don West there so they explode

277

00:14:37,480 --> 00:14:35,400

bombs that the radiation would go up

278

00:14:41,570 --> 00:14:37,490

into the atmosphere fall back down on to

279

00:14:43,910 --> 00:14:41,580

land cattle would graze on that land

280

00:14:46,670 --> 00:14:43,920

and they wanted to measure the impact of

281

00:14:51,440 --> 00:14:46,680

that radioactive element within the

282

00:14:53,360 --> 00:14:51,450

cattle by abducting the cattle in super

283

00:14:56,390 --> 00:14:53,370

high technology flying saucers than

284

00:14:58,400 --> 00:14:56,400

laser ly cutting a laser-like precision

285

00:15:04,850 --> 00:14:58,410

to cut out their organs and then analyze

286

00:15:07,519 --> 00:15:04,860

them later ah maybe it's possible I'm

287

00:15:08,840 --> 00:15:07,529

not gonna throw it out but I would I

288

00:15:11,600 --> 00:15:08,850

would hope that there would be a more

289

00:15:14,210 --> 00:15:11,610

efficient way in legal way to measure

290

00:15:16,400 --> 00:15:14,220

the damage done by radioactive fallout

291

00:15:19,400 --> 00:15:16,410

done by the test wood that we did out

292

00:15:20,750 --> 00:15:19,410

there in the West I guess if you're so

293

00:15:23,420 --> 00:15:20,760

scared that you're contaminating

294

00:15:24,920 --> 00:15:23,430

possibly the entire country you might

295

00:15:28,060 --> 00:15:24,930

want to keep that testing under wraps

296

00:15:30,090 --> 00:15:28,070

it's a very strong possibility

297

00:15:32,639 --> 00:15:30,100

[Music]

298

00:15:35,759 --> 00:15:32,649

but as for this first article I will

299

00:15:42,040 --> 00:15:35,769

bring up on screen please

300

00:15:48,540 --> 00:15:44,560

yes we're loading up my Internet's a

301

00:15:52,020 --> 00:15:48,550

little slow just a tiny bit slow

302

00:15:53,820 --> 00:15:52,030

the headline here X NASA physics

303

00:15:56,370 --> 00:15:53,830

professor claims many governments have

304

00:15:59,070 --> 00:15:56,380

covered up alien encounters and says

305

00:16:02,670 --> 00:15:59,080

humanity must face the possibility UFO

306

00:16:06,330 --> 00:16:02,680

sightings really are alien craft this is

307

00:16:08,130 --> 00:16:06,340

what an extern asset guys named what

308

00:16:11,820 --> 00:16:08,140

happened there the call finally hang up

309

00:16:15,700 --> 00:16:12,750

I don't know what happened there I

310

00:16:20,020 --> 00:16:17,380

was Teddy spaghetti on the line that

311

00:16:22,810 --> 00:16:20,030

entire time I was sitting there babbling

312

00:16:25,660 --> 00:16:22,820

like an idiot oh my lord

313

00:16:27,900 --> 00:16:25,670

I do not fully understand I didn't hang

314

00:16:31,500 --> 00:16:27,910

up the phone

315

00:16:34,170 --> 00:16:31,510

okay this article X NASA physics

316

00:16:37,080 --> 00:16:34,180

professor claims many governments have

317

00:16:40,200 --> 00:16:37,090

covered up alien counters are we alone

318

00:16:43,860 --> 00:16:40,210

unfortunately neither of the answers

319

00:16:49,210 --> 00:16:46,450

to be alone in the vast universe is a

320

00:16:51,040 --> 00:16:49,220

lonely prospect on the other hand if we

321

00:16:53,530 --> 00:16:51,050

are not alone and there is someone or

322

00:16:56,470 --> 00:16:53,540

something more powerful out there that

323

00:17:00,390 --> 00:16:56,480

too is terrifying a NASA research

324

00:17:06,280 --> 00:17:00,400

scientist and now professor of physics

325

00:17:08,650 --> 00:17:06,290

but this is a weird sentence okay steady

326

00:17:10,540 --> 00:17:08,660

as a NASA research scientist and a

327

00:17:14,050 --> 00:17:10,550

professor of physics I attended the 2002

328

00:17:16,110 --> 00:17:14,060

NASA contact conference in which which

329

00:17:19,320 --> 00:17:16,120

focused on serious speculation about

330

00:17:22,240 --> 00:17:19,330

extraterrestrials during the meeting a

331

00:17:24,730 --> 00:17:22,250

concern participant said loudly in a

332

00:17:27,820 --> 00:17:24,740

sinister tone you have absolutely no

333

00:17:30,310 --> 00:17:27,830

idea what is out there the silence was

334

00:17:33,430 --> 00:17:30,320

palpable as a truth of his statements

335

00:17:35,230 --> 00:17:33,440

sunk in humans are fearful of

336

00:17:37,210 --> 00:17:35,240

extraterrestrials visiting earth perhaps

337

00:17:42,159 --> 00:17:37,220

unfortunately the distance between the

338

00:17:45,549 --> 00:17:44,289

myyy says maybe perhaps fortunately I'm

339

00:17:49,450 --> 00:17:45,559

having a tough time reading folks stick

340

00:17:51,549 --> 00:17:49,460

with me at least this is what we novices

341

00:17:53,830 --> 00:17:51,559

who are just learning to travel - into

342

00:17:56,259 --> 00:17:53,840

space tell ourselves of course I've

343

00:17:59,499 --> 00:17:56,269

always been interested in UFOs of course

344

00:18:02,470 --> 00:17:59,509

there was an excitement that could that

345

00:18:05,799 --> 00:18:02,480

there could be aliens and others living

346

00:18:07,359 --> 00:18:05,809

in in other living worlds but more

347

00:18:09,820 --> 00:18:07,369

exciting to me was the possibility that

348

00:18:12,759 --> 00:18:09,830

interstellar travel was technologically

349

00:18:14,799 --> 00:18:12,769

achievable in 1988 during my second week

350

00:18:16,450 --> 00:18:14,809

of graduate school at Montana State

351  
00:18:18,509 --> 00:18:16,460  
University several students and I were

352  
00:18:22,479 --> 00:18:18,519  
discussing a recent cattle mutilation

353  
00:18:24,609 --> 00:18:22,489  
that was associated with UFOs physics

354  
00:18:27,159 --> 00:18:24,619  
professor joined the conversation and

355  
00:18:31,210 --> 00:18:27,169  
told us that he had colleagues working

356  
00:18:33,159 --> 00:18:31,220  
at MOUs Malstrom Air Force Base in Great

357  
00:18:35,049 --> 00:18:33,169  
Falls Montana where they were having

358  
00:18:38,109 --> 00:18:35,059  
problems with UFOs shutting down nuclear

359  
00:18:40,210 --> 00:18:38,119  
missiles at the time I thought the

360  
00:18:42,099 --> 00:18:40,220  
professor was talking nonsense but 20

361  
00:18:43,690 --> 00:18:42,109  
years later I was stunned to see a

362  
00:18:45,879 --> 00:18:43,700  
recording of the press conference

363  
00:18:49,259 --> 00:18:45,889

featuring several former US Air Force

364

00:18:53,080 --> 00:18:49,269

personnel with a couple of Maelstrom

365

00:18:56,320 --> 00:18:53,090

Malstrom Air Force Base describing

366

00:18:58,090 --> 00:18:56,330

similar occurrences in 1960 in the 1960s

367

00:19:00,759 --> 00:18:58,100

surely there must be something to this

368

00:19:02,369 --> 00:19:00,769

this is quite a lengthy article when I'm

369

00:19:06,080 --> 00:19:02,379

obviously having trouble reading today

370

00:19:10,720 --> 00:19:06,090

so I will try to

371

00:19:15,580 --> 00:19:13,300

so this is cut the middle of this

372

00:19:17,590 --> 00:19:15,590

article here Carl Sagan correctly

373

00:19:18,820 --> 00:19:17,600

summarized the situation by saying that

374

00:19:21,610 --> 00:19:18,830

extraordinary claims require

375

00:19:24,640 --> 00:19:21,620

extraordinary evidence the problem is

376

00:19:25,360 --> 00:19:24,650

there is no single well documented UFO

377

00:19:29,560 --> 00:19:25,370

huh

378

00:19:32,350 --> 00:19:29,570

you and foam UFO UFO encounter that

379

00:19:34,360 --> 00:19:32,360

would alone qualify as a smoking gun the

380

00:19:36,040 --> 00:19:34,370

situation is exacerbated by the fact

381

00:19:38,500 --> 00:19:36,050

that many governments around the world

382

00:19:41,230 --> 00:19:38,510

have covered up and classified

383

00:19:43,510 --> 00:19:41,240

information about such encounters well

384

00:19:47,130 --> 00:19:43,520

we had that the article last year about

385

00:19:50,770 --> 00:19:47,140

this yeah they're covering up a lot

386

00:19:53,710 --> 00:19:50,780

obviously what about the Rendlesham

387

00:19:56,050 --> 00:19:53,720

forest UFO encounter by the military

388

00:19:56,380 --> 00:19:56,060

base they covered it up to their stuff

389

00:20:00,090 --> 00:19:56,390

though

390

00:20:06,300 --> 00:20:02,910

great UFO encounters with plenty of

391

00:20:08,520 --> 00:20:06,310

evidence if they don't [h\_\_\h] us of

392

00:20:11,340 --> 00:20:08,530

course when it comes to science the

393

00:20:14,790 --> 00:20:11,350

scientific method requires hypothesis to

394

00:20:17,100 --> 00:20:14,800

be testable so that inference can be

395

00:20:19,080 --> 00:20:17,110

made or inferences can be made UFO

396

00:20:21,360 --> 00:20:19,090

encounters are neither controllable nor

397

00:20:24,360 --> 00:20:21,370

repeatable which makes their study

398

00:20:27,150 --> 00:20:24,370

extremely challenging but the real

399

00:20:29,790 --> 00:20:27,160

problem in my view is that the UFO topic

400

00:20:31,290 --> 00:20:29,800

is taboo that's absolutely correct when

401  
00:20:33,330 --> 00:20:31,300  
you bring up any of this paranormal

402  
00:20:35,580 --> 00:20:33,340  
stuff to anyone out there in the

403  
00:20:38,700 --> 00:20:35,590  
mainstream they say Oh little green men

404  
00:20:40,440 --> 00:20:38,710  
or green skin they say it over and over

405  
00:20:43,080 --> 00:20:40,450  
again you can't talk about this stuff in

406  
00:20:45,990 --> 00:20:43,090  
a an irrational reasonable logical way

407  
00:20:48,150 --> 00:20:46,000  
with it's changing you I mean I think

408  
00:20:51,020 --> 00:20:48,160  
the UFO topic is definitely way more

409  
00:20:52,580 --> 00:20:51,030  
accepted needs to be

410  
00:20:54,890 --> 00:20:52,590  
the general public has been fascinated

411  
00:20:56,900 --> 00:20:54,900  
with UFOs for decades our government

412  
00:20:59,060 --> 00:20:56,910  
scientists and media have essentially

413  
00:21:01,280 --> 00:20:59,070

declared that all of the UFO sightings

414

00:21:04,340 --> 00:21:01,290

are a result of weather phenomenon or

415

00:21:07,430 --> 00:21:04,350

human actions that is true what if I

416

00:21:11,540 --> 00:21:07,440

increase the size of my text what if my

417

00:21:13,040 --> 00:21:11,550

peepers oh that's it ah there we go I

418

00:21:16,730 --> 00:21:13,050

increase the size that text so I can

419

00:21:20,690 --> 00:21:19,250

they declare none are actually

420

00:21:22,580 --> 00:21:20,700

extraterrestrial spacecraft and no

421

00:21:24,650 --> 00:21:22,590

aliens have visited earth essentially we

422

00:21:27,410 --> 00:21:24,660

are told the topic is nonsense

423

00:21:29,270 --> 00:21:27,420

UFOs are off-limits off-limits to

424

00:21:31,190 --> 00:21:29,280

serious scientific scientific study and

425

00:21:33,380 --> 00:21:31,200

a rational discussion which

426

00:21:35,810 --> 00:21:33,390

unfortunately leaves a topic in the

427

00:21:37,880 --> 00:21:35,820

domain of Fringe in pseudo scientists

428

00:21:39,890 --> 00:21:37,890

many of whom litter the field with

429

00:21:42,590 --> 00:21:39,900

conspiracy theories and wild speculation

430

00:21:45,710 --> 00:21:42,600

that's what I do although I'm not pseudo

431

00:21:46,070 --> 00:21:45,720

scientific I'm just pseudo talk-show

432

00:21:49,850 --> 00:21:46,080

host

433

00:21:52,400 --> 00:21:49,860

I think the UFO skepticism has become

434

00:21:54,250 --> 00:21:52,410

something of a religion with the with an

435

00:21:56,270 --> 00:21:54,260

agenda discounting the possibility of

436

00:21:58,430 --> 00:21:56,280

extraterrestrials without scientific

437

00:22:00,770 --> 00:21:58,440

evidence while offer while often

438

00:22:03,380 --> 00:22:00,780

providing silly hypotheses describing

439

00:22:05,060 --> 00:22:03,390

only one or two aspects of the UFO

440

00:22:08,030 --> 00:22:05,070

encounters reinforcing the popular

441

00:22:10,490 --> 00:22:08,040

belief that there is a conspiracy which

442

00:22:13,610 --> 00:22:10,500

is true it builds strong in arguments

443

00:22:15,350 --> 00:22:13,620

all the time when you talk about any of

444

00:22:18,080 --> 00:22:15,360

these topics that seem a little bit off

445

00:22:19,310 --> 00:22:18,090

the beaten path though say oh my god you

446

00:22:22,130 --> 00:22:19,320

saw UFO encounter

447

00:22:24,830 --> 00:22:22,140

oh yeah et he loves Reese's Pieces we're

448

00:22:28,400 --> 00:22:24,840

not gonna talk about this anymore let's

449

00:22:30,260 --> 00:22:28,410

uh let's carry on down here how does

450

00:22:32,270 --> 00:22:30,270

this end what are the last two

451  
00:22:34,549 --> 00:22:32,280  
paragraphs because I love that because

452  
00:22:39,169 --> 00:22:34,559  
there's obviously a lot of documents

453  
00:22:41,600 --> 00:22:39,179  
here on on this and there's a lot of

454  
00:22:43,760 --> 00:22:41,610  
cool things in this article which is

455  
00:22:45,919 --> 00:22:43,770  
featured you can you can click on the

456  
00:22:48,590 --> 00:22:45,929  
the article in the description below

457  
00:22:50,610 --> 00:22:48,600  
and you can read it to your heart's

458  
00:22:52,140 --> 00:22:50,620  
content

459  
00:22:55,320 --> 00:22:52,150  
while there is much excitement about

460  
00:22:58,710 --> 00:22:55,330  
such disclosures I am reminded of a

461  
00:23:02,580 --> 00:22:58,720  
quote from retired Army colonel John

462  
00:23:04,140 --> 00:23:02,590  
Alexander disclosure has happened I've

463  
00:23:05,430 --> 00:23:04,150

gotten thought I've gotten stacks of

464

00:23:07,470 --> 00:23:05,440

generals including Soviet generals

465

00:23:09,900 --> 00:23:07,480

who've come out and said UFOs are real

466

00:23:11,460 --> 00:23:09,910

my point is how many times do senior

467

00:23:14,430 --> 00:23:11,470

officials need to come forward and say

468

00:23:16,290 --> 00:23:14,440

that this is real and that's that's true

469

00:23:18,660 --> 00:23:16,300

there's there's been plenty of

470

00:23:20,700 --> 00:23:18,670

whistleblowers of former Air Force Army

471

00:23:24,240 --> 00:23:20,710

Navy guys there was a whole disclosure

472

00:23:26,880 --> 00:23:24,250

panel and I think 2000-2001 Steven Greer

473

00:23:29,220 --> 00:23:26,890

was there they've been in from the media

474

00:23:31,440 --> 00:23:29,230

they've been on Larry King Live there's

475

00:23:33,750 --> 00:23:31,450

been plenty of people associated with

476

00:23:36,299 --> 00:23:33,760

with the government in high-ranking

477

00:23:38,430 --> 00:23:36,309

positions I've come forward and said hey

478

00:23:40,919 --> 00:23:38,440

these UFOs are real there's something

479

00:23:42,540 --> 00:23:40,929

crazy out there probably aliens

480

00:23:45,180 --> 00:23:42,550

they've come forward and said that but

481

00:23:48,390 --> 00:23:45,190

you know the media still laughs why does

482

00:23:51,670 --> 00:23:48,400

the media still laugh well well hazard

483

00:23:55,480 --> 00:23:53,710

there is a great deal of evidence that a

484

00:23:58,600 --> 00:23:55,490

small percentage of these UFO sightings

485

00:24:00,760 --> 00:23:58,610

are unidentified structures structured

486

00:24:04,150 --> 00:24:00,770

craft exhibiting flight capabilities

487

00:24:05,800 --> 00:24:04,160

beyond any known human technology while

488

00:24:08,230 --> 00:24:05,810

there's no single case for which there

489

00:24:10,960 --> 00:24:08,240

exists evidence that would stand up to

490

00:24:13,900 --> 00:24:10,970

scientific rigor there are cases with

491

00:24:16,540 --> 00:24:13,910

simultaneous observations by multiple

492

00:24:17,920 --> 00:24:16,550

reliable witnesses along with radar

493

00:24:21,100 --> 00:24:17,930

returns and photographic evidence

494

00:24:23,710 --> 00:24:21,110

reviewing patterns of activity that are

495

00:24:26,320 --> 00:24:23,720

compelling d-class Declassified

496

00:24:28,360 --> 00:24:26,330

information from covert studies is

497

00:24:32,080 --> 00:24:28,370

interesting but not scientifically

498

00:24:34,920 --> 00:24:32,090

helpful this is a topic worthy of open

499

00:24:37,420 --> 00:24:34,930

scientific inquiry until there is a

500

00:24:40,120 --> 00:24:37,430

scientific consensus based on evidence

501  
00:24:43,810 --> 00:24:40,130  
rather than prior expectation or belief

502  
00:24:46,030 --> 00:24:43,820  
if there are indeed extraterrestrial

503  
00:24:48,250 --> 00:24:46,040  
crafts visiting earth it would greatly

504  
00:24:51,220 --> 00:24:48,260  
benefit us to know about them their

505  
00:24:53,890 --> 00:24:51,230  
nature and their intent no [h\_\_\h]

506  
00:24:57,160 --> 00:24:53,900  
[h\_\_\h] that's what we believe we

507  
00:24:59,140 --> 00:24:57,170  
should do this moreover this would

508  
00:25:01,600 --> 00:24:59,150  
present a great opportunity for mankind

509  
00:25:03,250 --> 00:25:01,610  
promising to expand and advance our

510  
00:25:05,560 --> 00:25:03,260  
knowledge and technology as well as

511  
00:25:09,150 --> 00:25:05,570  
reshaping our understanding for our

512  
00:25:13,990 --> 00:25:09,160  
planet our for our place in the universe

513  
00:25:17,380 --> 00:25:14,000

so why is it you have X UX astronauts

514

00:25:19,270 --> 00:25:17,390

you have X Navy officials government

515

00:25:21,160 --> 00:25:19,280

officials you even have yeah hey guys

516

00:25:22,930 --> 00:25:21,170

now working with Tom DeLonge on some

517

00:25:25,960 --> 00:25:22,940

kind of space business and they come out

518

00:25:27,760 --> 00:25:25,970

the there by proxy saying yeah UFOs real

519

00:25:30,790 --> 00:25:27,770

or they will just come out and say yeah

520

00:25:31,780 --> 00:25:30,800

UFOs there is there are alien craft

521

00:25:34,240 --> 00:25:31,790

flying the skies we don't know exactly

522

00:25:35,950 --> 00:25:34,250

what they are but they're real and then

523

00:25:40,480 --> 00:25:35,960

the media will just turn around and go

524

00:25:42,760 --> 00:25:40,490

huh well a little green men it's their

525

00:25:45,520 --> 00:25:42,770

only can be a couple explanations is

526

00:25:47,590 --> 00:25:45,530

that it is so unbelievable that the the

527

00:25:51,010 --> 00:25:47,600

media I'm just using the media as like

528

00:25:53,260 --> 00:25:51,020

this one great media entity like they

529

00:25:54,880 --> 00:25:53,270

have one mind doesn't maybe they do that

530

00:25:56,890 --> 00:25:54,890

it this the information that they're

531

00:25:59,380 --> 00:25:56,900

hearing about this UFO disclosure from

532

00:26:02,200 --> 00:25:59,390

these uh former government officials is

533

00:26:03,550 --> 00:26:02,210

so jarring that they can't process and

534

00:26:05,470 --> 00:26:03,560

don't want to believe it because it

535

00:26:07,960 --> 00:26:05,480

would change their perspective

536

00:26:11,530 --> 00:26:07,970

of reality and they're just not ready

537

00:26:12,760 --> 00:26:11,540

for yet possibility that was dismissive

538

00:26:15,600 --> 00:26:12,770

I think they don't want to have that

539

00:26:18,220 --> 00:26:15,610

reality shaken another possibility is

540

00:26:19,840 --> 00:26:18,230

obviously they know about this

541

00:26:24,870 --> 00:26:19,850

information when they interview it or

542

00:26:28,110 --> 00:26:24,880

they go to report on it and someone or

543

00:26:31,360 --> 00:26:28,120

something the editor the news editor

544

00:26:34,659 --> 00:26:31,370

government influences may suggest to

545

00:26:36,880 --> 00:26:34,669

these media people to make fun of a

546

00:26:40,090 --> 00:26:36,890

little bit so poke fun out of it

547

00:26:41,919 --> 00:26:40,100

make make a mockery of it yeah in a

548

00:26:44,530 --> 00:26:41,929

journalistic way so it discredits the

549

00:26:45,940 --> 00:26:44,540

entire thing because it's not time for

550

00:26:48,789 --> 00:26:45,950

the public to know about this stuff

551  
00:26:51,460 --> 00:26:48,799  
because they have a timetable for

552  
00:26:53,710 --> 00:26:51,470  
disclosure and when these whistleblowers

553  
00:26:56,310 --> 00:26:53,720  
come out and talk about this stuff it

554  
00:26:58,960 --> 00:26:56,320  
undermines whatever kind of disclosure

555  
00:27:03,039 --> 00:26:58,970  
timetable they have so they have to make

556  
00:27:08,260 --> 00:27:03,049  
fun or bump fun of it up until it's

557  
00:27:10,090 --> 00:27:08,270  
ready to be to be declared real by the

558  
00:27:13,419 --> 00:27:10,100  
powers that be I think that's the most

559  
00:27:16,659 --> 00:27:13,429  
likely scenario I don't think that that

560  
00:27:18,970 --> 00:27:16,669  
whatever kind of secret space program

561  
00:27:23,289 --> 00:27:18,980  
that has this technology really wants

562  
00:27:24,490 --> 00:27:23,299  
its hand forced to be this okay our hand

563  
00:27:25,510 --> 00:27:24,500

is your force in your hand we'll just

564

00:27:26,530 --> 00:27:25,520

come out with all the information no

565

00:27:29,890 --> 00:27:26,540

they wanted to let it out on their own

566

00:27:31,210 --> 00:27:29,900

this is some awesome technology they

567

00:27:33,430 --> 00:27:31,220

don't want anyone just to get their

568

00:27:35,350 --> 00:27:33,440

hands on it they have a monopoly on this

569

00:27:37,690 --> 00:27:35,360

technology right now meaning they have

570

00:27:40,060 --> 00:27:37,700

the rights and I don't they have the

571

00:27:42,640 --> 00:27:40,070

rights to they had their willfully

572

00:27:44,950 --> 00:27:42,650

keeping it that technology away from any

573

00:27:47,500 --> 00:27:44,960

other government or business to make

574

00:27:50,350 --> 00:27:47,510

money off of this free if it's free

575

00:27:52,030 --> 00:27:50,360

energy or much more free energy than

576

00:27:56,230 --> 00:27:52,040

what it currently is that undermine the

577

00:27:57,789 --> 00:27:56,240

economy collapse certain economies yeah

578

00:27:59,560 --> 00:27:57,799

they want it they want to manage this

579

00:28:01,769 --> 00:27:59,570

thing it's all about information

580

00:28:06,310 --> 00:28:01,779

management

581

00:28:10,090 --> 00:28:08,350

hmm that's why the one cares about

582

00:28:11,230 --> 00:28:10,100

disclosure that's why the scientific

583

00:28:13,120 --> 00:28:11,240

community doesn't want to investigate

584

00:28:16,120 --> 00:28:13,130

any of this stuff and when it is

585

00:28:18,580 --> 00:28:16,130

investigated they just make fun of it

586

00:28:20,080 --> 00:28:18,590

they don't even take it seriously why

587

00:28:22,320 --> 00:28:20,090

aren't you taking me seriously person on

588

00:28:25,030 --> 00:28:22,330

the phone

589

00:28:29,980 --> 00:28:25,040

little pig comes along seriously because

590

00:28:33,580 --> 00:28:29,990

he's an X of ice [h\_\_h] musician yeah

591

00:28:34,860 --> 00:28:33,590

and yeah yeah thank you by the way yeah

592

00:28:37,570 --> 00:28:34,870

that's right

593

00:28:40,480 --> 00:28:37,580

this is angry leprechaun yes thank you

594

00:28:43,030 --> 00:28:40,490

yeah I've yeah look there's a I know why

595

00:28:45,160 --> 00:28:43,040

they're not taking him seriously but but

596

00:28:48,040 --> 00:28:45,170

all the other whistleblowers all the

597

00:28:49,300 --> 00:28:48,050

other like ex-navy people are me there's

598

00:28:52,300 --> 00:28:49,310

been a lot of whistleblowers that come

599

00:28:55,690 --> 00:28:52,310

out to address the UFO topic in the

600

00:28:57,160 --> 00:28:55,700

media yeah I think they don't want isn't

601  
00:28:58,690 --> 00:28:57,170  
also on type seriously as you were

602  
00:29:00,100 --> 00:28:58,700  
saying was like they're kind of early to

603  
00:29:01,570 --> 00:29:00,110  
think about away and these guys are like

604  
00:29:04,720 --> 00:29:01,580  
no let's just get all this [h\_\_\h] out here

605  
00:29:06,700 --> 00:29:04,730  
now and just shovel it out because you

606  
00:29:10,240 --> 00:29:06,710  
know people might need accesses

607  
00:29:12,730 --> 00:29:10,250  
technology but what I'm wondering is if

608  
00:29:14,620 --> 00:29:12,740  
that it's like the unveiling of

609  
00:29:17,350 --> 00:29:14,630  
technology is gonna escalate because our

610  
00:29:18,910 --> 00:29:17,360  
nerves were Trump was elected I was

611  
00:29:23,350 --> 00:29:18,920  
listen Alex Jones been warned he was

612  
00:29:25,650 --> 00:29:23,360  
saying once gold would be to start

613  
00:29:28,270 --> 00:29:25,660

rolling out this advanced technology

614

00:29:29,680 --> 00:29:28,280

yeah like I was wanted that was

615

00:29:31,960 --> 00:29:29,690

something like they were talking about

616

00:29:35,860 --> 00:29:31,970

and you know somebody was gonna plan on

617

00:29:38,890 --> 00:29:35,870

doing so this might be him doing it I I

618

00:29:42,160 --> 00:29:38,900

think if if we are to believe that that

619

00:29:43,690 --> 00:29:42,170

they Trump as I guess you know Alex

620

00:29:46,900 --> 00:29:43,700

Jones had private conversations with

621

00:29:49,480 --> 00:29:46,910

Trump and Trump is aware of this

622

00:29:51,040 --> 00:29:49,490

technology and this I heard the same

623

00:29:52,180 --> 00:29:51,050

thing as well that the Trump wants to

624

00:29:54,460 --> 00:29:52,190

roll out this advanced technology

625

00:29:56,410 --> 00:29:54,470

whether it's propulsion systems or

626

00:29:58,260 --> 00:29:56,420

energy sources or life extension

627

00:30:01,600 --> 00:29:58,270

technology he wants to roll it out and

628

00:30:04,120 --> 00:30:01,610

is that Trump forcing the hand of this

629

00:30:05,320 --> 00:30:04,130

this deep space program I mean called

630

00:30:07,030 --> 00:30:05,330

the deep state when it comes to

631

00:30:09,180 --> 00:30:07,040

intelligence but the deep space space

632

00:30:11,800 --> 00:30:09,190

program that holds all this technology

633

00:30:13,600 --> 00:30:11,810

possibly and but they're not gonna do it

634

00:30:16,450 --> 00:30:13,610

willy-nilly they gotta be it's gotta be

635

00:30:18,550 --> 00:30:16,460

some kind of tit for tat here so what

636

00:30:19,869 --> 00:30:18,560

are they gonna get in return if they

637

00:30:23,319 --> 00:30:19,879

release this technology

638

00:30:24,549 --> 00:30:23,329

to the public so there's got to be some

639

00:30:26,079 --> 00:30:24,559

kind of give-and-take here they're just

640

00:30:27,189 --> 00:30:26,089

not gonna do it out of the goodness of

641

00:30:31,509 --> 00:30:27,199

their heart because they haven't done

642

00:30:32,439 --> 00:30:31,519

done done it before what are they

643

00:30:35,049 --> 00:30:32,449

getting yeah

644

00:30:38,019 --> 00:30:35,059

I'm not sure maybe it's like some sort

645

00:30:40,749 --> 00:30:38,029

of space force will give you all yes

646

00:30:42,249 --> 00:30:40,759

maybe space force um maybe if we

647

00:30:45,489 --> 00:30:42,259

actually are under threat from the

648

00:30:48,129 --> 00:30:45,499

aliens then just the whole space marines

649

00:30:51,129 --> 00:30:48,139

basically and it's get load that that

650

00:30:54,009 --> 00:30:51,139

might be yeah it might be like if we

651  
00:30:57,430 --> 00:30:54,019  
release this technology you've got to

652  
00:31:00,369 --> 00:30:57,440  
give us another branch the military that

653  
00:31:01,779 --> 00:31:00,379  
is hugely funded we need more government

654  
00:31:05,619 --> 00:31:01,789  
contacts basically they want to

655  
00:31:06,819 --> 00:31:05,629  
guaranteed income it is the military

656  
00:31:10,180 --> 00:31:06,829  
industrial complex we're talking about

657  
00:31:12,669 --> 00:31:10,190  
they run on on billions of dollars a

658  
00:31:16,149 --> 00:31:12,679  
year and the the defense budget is gonna

659  
00:31:18,159 --> 00:31:16,159  
balloon up even more so that means they

660  
00:31:20,769 --> 00:31:18,169  
can just line their pockets with our tax

661  
00:31:24,119 --> 00:31:20,779  
dollars for years to come because of the

662  
00:31:26,789 --> 00:31:24,129  
space force yeah

663  
00:31:29,739 --> 00:31:26,799

definitely seems like it's likely and

664

00:31:31,599 --> 00:31:29,749

the other thing going back to like maya

665

00:31:33,549 --> 00:31:31,609

conspiracy theorists are by oranger

666

00:31:35,949 --> 00:31:33,559

labeled as crazy it's because like i

667

00:31:38,619 --> 00:31:35,959

don't know if it was or why they said it

668

00:31:40,919 --> 00:31:38,629

but somebody said the the people who

669

00:31:43,239 --> 00:31:40,929

tell the truth will be labeled as crazy

670

00:31:45,669 --> 00:31:43,249

the people who are on the cutting edge

671

00:31:47,829 --> 00:31:45,679

of like saying what needs to be said

672

00:31:50,169 --> 00:31:47,839

will always be labeled as insane because

673

00:31:52,419 --> 00:31:50,179

it [h\_\_h] with the paradigm and people

674

00:31:54,519 --> 00:31:52,429

like to live in the paradigm people like

675

00:31:57,069 --> 00:31:54,529

the matrix it's very comfortable to be

676  
00:31:58,749 --> 00:31:57,079  
to be in that world where all the rules

677  
00:32:02,439 --> 00:31:58,759  
are giving for you how to think is given

678  
00:32:04,899 --> 00:32:02,449  
to you it is and i think there's

679  
00:32:06,669 --> 00:32:04,909  
something to that I mean if you kind of

680  
00:32:09,279 --> 00:32:06,679  
think outside the box or say think about

681  
00:32:10,329 --> 00:32:09,289  
just not necessarily believe in like

682  
00:32:12,939 --> 00:32:10,339  
this stuff but consider the

683  
00:32:16,659 --> 00:32:12,949  
possibilities not only is it more fun

684  
00:32:18,399 --> 00:32:16,669  
but you are an outlier of thinking in

685  
00:32:20,229 --> 00:32:18,409  
normal society and you'll be later

686  
00:32:21,639 --> 00:32:20,239  
labeled as crazy just talking about I

687  
00:32:23,739 --> 00:32:21,649  
don't even think I could have a

688  
00:32:27,009 --> 00:32:23,749

conversation at work realistically about

689

00:32:28,239 --> 00:32:27,019

Bigfoot and not be seen as a lunatic I

690

00:32:32,440 --> 00:32:28,249

think they would question all the code I

691

00:32:34,479 --> 00:32:32,450

write and yeah definitely

692

00:32:36,070 --> 00:32:34,489

it's not that I couldn't talk about this

693

00:32:38,220 --> 00:32:36,080

stuff in a serious manner but I don't

694

00:32:43,899 --> 00:32:38,230

think they would take me as serious as

695

00:32:46,479 --> 00:32:43,909

they might need to so yeah it's a there

696

00:32:47,739 --> 00:32:46,489

is a bit of a bit of hurdle to get over

697

00:32:49,539 --> 00:32:47,749

when talking about these subjects and

698

00:32:52,119 --> 00:32:49,549

like as this person wrote in this

699

00:32:53,560 --> 00:32:52,129

article scientists can't be afraid to

700

00:32:57,609 --> 00:32:53,570

investigate this stuff and there are

701  
00:32:59,109 --> 00:32:57,619  
plenty of other scientists who will dip

702  
00:33:00,580 --> 00:32:59,119  
their toe into these subjects and then

703  
00:33:03,430 --> 00:33:00,590  
they'll write a book about whether it's

704  
00:33:06,249 --> 00:33:03,440  
paranormal stuff psychic abilities or

705  
00:33:08,289 --> 00:33:06,259  
either consciousness and and it's just

706  
00:33:10,269 --> 00:33:08,299  
pant people don't it's not like oh my

707  
00:33:11,409 --> 00:33:10,279  
god we have proof now it's just people

708  
00:33:13,479 --> 00:33:11,419  
just don't talk about it on the

709  
00:33:14,710 --> 00:33:13,489  
mainstream media it's not talked about

710  
00:33:16,419 --> 00:33:14,720  
on Facebook that's for damn sure when

711  
00:33:17,619 --> 00:33:16,429  
people are asking begging for evidence

712  
00:33:20,259 --> 00:33:17,629  
and you send them links and they don't

713  
00:33:21,340 --> 00:33:20,269

read it so it's it's about the reality

714

00:33:24,099 --> 00:33:21,350

they don't want to they don't want to

715

00:33:26,409 --> 00:33:24,109

change their mind about what it is yeah

716

00:33:28,389 --> 00:33:26,419

and without disclosing too much I'm

717

00:33:31,960 --> 00:33:28,399

going to go into a more accelerated

718

00:33:34,109 --> 00:33:31,970

degree program and I already know the

719

00:33:38,139 --> 00:33:34,119

field I'm going into is like very

720

00:33:40,690 --> 00:33:38,149

scientific and if I discuss any of this

721

00:33:42,759 --> 00:33:40,700

[h\_\_h] that I listen to on this show it's

722

00:33:46,539 --> 00:33:42,769

gonna I'm they're gonna laugh me out of

723

00:33:48,310 --> 00:33:46,549

the classroom I'm like [h\_\_h] yeah I mean

724

00:33:50,560 --> 00:33:48,320

I think I could get away with it I was I

725

00:33:52,869 --> 00:33:50,570

mean my degree was in fine arts so they

726

00:33:55,180 --> 00:33:52,879

expect you to be kind of loony but you

727

00:33:57,430 --> 00:33:55,190

know I work in IT now and yeah there's a

728

00:33:59,889 --> 00:33:57,440

lot of goofy weird people in IT talking

729

00:34:02,590 --> 00:33:59,899

about UFOs is one thing but then talking

730

00:34:04,930 --> 00:34:02,600

about things like at skinwalker ranch or

731

00:34:06,489 --> 00:34:04,940

witches and in Bigfoot that's a whole

732

00:34:07,810 --> 00:34:06,499

nother thing I think it's a little bit

733

00:34:11,020 --> 00:34:07,820

more accessible to talk about the

734

00:34:12,430 --> 00:34:11,030

possibility of aliens out there and what

735

00:34:15,520 --> 00:34:12,440

they might look like it's another two

736

00:34:19,210 --> 00:34:15,530

does about is Bigfoot having sex with

737

00:34:21,129 --> 00:34:19,220

those aliens yeah well I mean though it

738

00:34:23,740 --> 00:34:21,139

is an important question yes there are

739

00:34:25,960 --> 00:34:23,750

we gonna get some hybrid Bigfoot alien

740

00:34:27,159 --> 00:34:25,970

chimera it kind of [ʌ\_\_h] here because

741

00:34:29,270 --> 00:34:27,169

if we are we might be in real trouble

742

00:34:31,310 --> 00:34:29,280

that what

743

00:34:33,350 --> 00:34:31,320

play that clip last of last week with

744

00:34:37,250 --> 00:34:33,360

the the dulce experiments about those

745

00:34:39,260 --> 00:34:37,260

small little furry creatures yeah yeah

746

00:34:42,320 --> 00:34:39,270

it's like that's about as close as that

747

00:34:43,520 --> 00:34:42,330

we've heard thus far but it might not be

748

00:34:46,070 --> 00:34:43,530

out of the realm of possibilities and

749

00:34:48,590 --> 00:34:46,080

weird stuff going on just know you don't

750

00:34:50,990 --> 00:34:48,600

tell me exactly what you're studying but

751  
00:34:55,010 --> 00:34:51,000  
is it computer science or it is like

752  
00:34:57,050 --> 00:34:55,020  
some kind of physics and in a softer or

753  
00:35:00,770 --> 00:34:57,060  
something softer science okay soft

754  
00:35:03,380 --> 00:35:00,780  
science oh okay yeah it's not it's in

755  
00:35:09,950 --> 00:35:03,390  
stem but it's not like physics or

756  
00:35:11,690 --> 00:35:09,960  
biology so yeah and this might be

757  
00:35:13,340 --> 00:35:11,700  
disclosing too much but like if you

758  
00:35:14,780 --> 00:35:13,350  
start getting into mind-control my

759  
00:35:15,470 --> 00:35:14,790  
cohorts will be like well that's just

760  
00:35:17,900 --> 00:35:15,480  
ridiculous

761  
00:35:20,930 --> 00:35:17,910  
I'd be like I actually know it's not

762  
00:35:23,740 --> 00:35:20,940  
cool and then eeehm fields and what and

763  
00:35:30,880 --> 00:35:23,750

the thing against my ear right now yeah

764

00:35:33,020 --> 00:35:30,890

yeah it's yeah just keep your mouth shut

765

00:35:34,250 --> 00:35:33,030

yeah they're not gonna take you

766

00:35:36,500 --> 00:35:34,260

seriously if you thought start talking

767

00:35:40,010 --> 00:35:36,510

about this stuff alright man you

768

00:35:46,220 --> 00:35:40,020

anything else me no all right thanks

769

00:35:52,490 --> 00:35:46,230

angry I think that's who that was

770

00:35:53,570 --> 00:35:52,500

sometimes I forget mid-sentence yeah

771

00:35:55,520 --> 00:35:53,580

this is there's so many different

772

00:35:57,350 --> 00:35:55,530

theories out there sometimes you can't

773

00:35:59,960 --> 00:35:57,360

talk about them sometimes you can

774

00:36:01,400 --> 00:35:59,970

depending on what company you keep oh

775

00:36:02,960 --> 00:36:01,410

you know I'm going to talk about this

776

00:36:05,840 --> 00:36:02,970

stuff with anybody if anybody asked me

777

00:36:07,490 --> 00:36:05,850

like in my personal life about any of

778

00:36:09,110 --> 00:36:07,500

this stuff cuz they know I knew like I

779

00:36:09,890 --> 00:36:09,120

got a conspiracy pair no more she'll

780

00:36:13,340 --> 00:36:09,900

just tell me

781

00:36:16,820 --> 00:36:13,350

I believe this this is what I think

782

00:36:18,020 --> 00:36:16,830

about and it's this the way I believe

783

00:36:19,220 --> 00:36:18,030

things are in fact I had this

784

00:36:21,890 --> 00:36:19,230

conversation with one of my good friends

785

00:36:23,630 --> 00:36:21,900

last night and with the with the college

786

00:36:26,960 --> 00:36:23,640

with them and oh you know you listen to

787

00:36:28,490 --> 00:36:26,970

Joe Rogan and so he he's familiar with

788

00:36:31,340 --> 00:36:28,500

the UFO topic but he doesn't really

789

00:36:35,480 --> 00:36:31,350

believe any of a cigars is all military

790

00:36:36,860 --> 00:36:35,490

stuff or or it's just people thinking

791

00:36:39,050 --> 00:36:36,870

they see stuff but it's all military

792

00:36:41,630 --> 00:36:39,060

craft and I was like I don't know it's

793

00:36:43,010 --> 00:36:41,640

not all military craft I don't believe

794

00:36:45,500 --> 00:36:43,020

it's all mill occurred

795

00:36:48,980 --> 00:36:45,510

paragraph I I do believe a significant

796

00:36:51,290 --> 00:36:48,990

portion of the eyewitnesses and I was

797

00:36:53,660 --> 00:36:51,300

like once you start digging in the UFO

798

00:36:56,900 --> 00:36:53,670

stuff and then you get into the

799

00:36:59,390 --> 00:36:56,910

consciousness stuff and it really opens

800

00:37:01,250 --> 00:36:59,400

up your eyes that the world of reality

801  
00:37:02,510 --> 00:37:01,260  
is much bigger it's not just about the

802  
00:37:03,980 --> 00:37:02,520  
technology there's something there's

803  
00:37:07,130 --> 00:37:03,990  
another element to this thing and it's

804  
00:37:09,860 --> 00:37:07,140  
it's us it's the observer that is the

805  
00:37:13,810 --> 00:37:09,870  
the other element to all this phenomenon

806  
00:37:16,070 --> 00:37:13,820  
I do have a clip here about an alternate

807  
00:37:19,430 --> 00:37:16,080  
roswell theory and this comes from Nick

808  
00:37:22,790 --> 00:37:19,440  
Redfern so the the theories thus far

809  
00:37:26,510 --> 00:37:22,800  
when it comes to Roswell Phillip corner

810  
00:37:29,900 --> 00:37:26,520  
Colonel Colonel Philip Corso of the

811  
00:37:32,060 --> 00:37:29,910  
author the death of Roswell in his book

812  
00:37:35,030 --> 00:37:32,070  
he said look there was a crash at

813  
00:37:36,590 --> 00:37:35,040

Roswell it was a extraterrestrial

814

00:37:38,570 --> 00:37:36,600

biological entities we harvest there

815

00:37:41,030 --> 00:37:38,580

their technology they were from I

816

00:37:44,120 --> 00:37:41,040

believe theta Reticuli the commonly

817

00:37:46,820 --> 00:37:44,130

known like the little greys and then you

818

00:37:50,650 --> 00:37:46,830

had a book come out called area 51 and

819

00:37:55,970 --> 00:37:50,660

that author claimed that it was a Soviet

820

00:38:00,440 --> 00:37:55,980

experiment that had mutated smaller

821

00:38:01,850 --> 00:38:00,450

humanoids in there that that went down

822

00:38:03,320 --> 00:38:01,860

and that's what it was that he wanted to

823

00:38:04,790 --> 00:38:03,330

say it was the Soviets today were to

824

00:38:06,980 --> 00:38:04,800

look like an invasion so they made up

825

00:38:10,760 --> 00:38:06,990

the UFO thing and they backtracked then

826

00:38:13,970 --> 00:38:10,770

people think that because of the Nazi

827

00:38:15,740 --> 00:38:13,980

UFOs it was a show of force by the Nazis

828

00:38:17,900 --> 00:38:15,750

and that's what crashed down and also

829

00:38:19,580 --> 00:38:17,910

they had to cover up that because you

830

00:38:21,740 --> 00:38:19,590

couldn't have Nazis invading the US

831

00:38:23,360 --> 00:38:21,750

after the war supposedly ended

832

00:38:25,340 --> 00:38:23,370

I like that theory a lot I liked the

833

00:38:27,170 --> 00:38:25,350

Nazi UFO and then here the government

834

00:38:31,240 --> 00:38:27,180

versions of like project mogul Heil

835

00:38:34,160 --> 00:38:31,250

high-altitude aircraft and them testing

836

00:38:35,780 --> 00:38:34,170

- well the weather balloons and the BOTS

837

00:38:38,180 --> 00:38:35,790

the dead bodies of aliens were actually

838

00:38:41,960 --> 00:38:38,190

dummies and then you have this theory

839

00:38:43,730 --> 00:38:41,970

which is by Nick Redfern which is along

840

00:38:46,160 --> 00:38:43,740

that line but with a little bit of a

841

00:38:48,350 --> 00:38:46,170

different twist well yeah I mean there

842

00:38:50,600 --> 00:38:48,360

are a number of theories as I said in

843

00:38:53,090 --> 00:38:50,610

relation to what did or didn't happen at

844

00:38:56,370 --> 00:38:53,100

Roswell one particular story that I've

845

00:38:59,999 --> 00:38:56,380

been investigating since the early 2000s

846

00:39:04,079 --> 00:39:00,009

suggests a theory that in many ways is

847

00:39:07,049 --> 00:39:04,089

more darker and more dangerous and a

848

00:39:10,200 --> 00:39:07,059

stunt reversal sinister than the idea

849

00:39:13,400 --> 00:39:10,210

that aliens crashed and it focuses on

850

00:39:16,200 --> 00:39:13,410

the idea of human experimentation

851  
00:39:18,920 --> 00:39:16,210  
essentially human guinea pigs used in

852  
00:39:22,440 --> 00:39:18,930  
high-altitude flights over New Mexico

853  
00:39:25,519 --> 00:39:22,450  
that encompassed gigantic balloon arrays

854  
00:39:28,140 --> 00:39:25,529  
and lifting body type aircraft

855  
00:39:31,499 --> 00:39:28,150  
essentially it was part and parcel of a

856  
00:39:35,009 --> 00:39:31,509  
program to determine how the human body

857  
00:39:37,170 --> 00:39:35,019  
would react to high-altitude exposure

858  
00:39:39,960 --> 00:39:37,180  
now this was something that was fairly

859  
00:39:42,390 --> 00:39:39,970  
not that well-known back in the 1940s

860  
00:39:45,960 --> 00:39:42,400  
and we know that experiments were done

861  
00:39:49,019 --> 00:39:45,970  
on chimpanzees and monkeys or rats mice

862  
00:39:52,109 --> 00:39:49,029  
even pigs but the story that I started

863  
00:39:54,359 --> 00:39:52,119

to uncover in the early 2000s suggested

864

00:39:57,930 --> 00:39:54,369

this far more controversial angle of

865

00:40:00,269 --> 00:39:57,940

using human test subjects and in many

866

00:40:01,589 --> 00:40:00,279

cases against their will and it seems

867

00:40:05,400 --> 00:40:01,599

that they're actually a number of these

868

00:40:07,890 --> 00:40:05,410

experiments undertaken in 47 throughout

869

00:40:10,440 --> 00:40:07,900

New Mexico that's according to the

870

00:40:12,809 --> 00:40:10,450

people I spoke to suggest you that these

871

00:40:15,210 --> 00:40:12,819

accounts these incidents that went wrong

872

00:40:18,059 --> 00:40:15,220

and crashed were responsible for the

873

00:40:21,590 --> 00:40:18,069

legends of dead aliens and crash flying

874

00:40:29,760 --> 00:40:26,310

there you go a military experiment using

875

00:40:31,320 --> 00:40:29,770

human test subjects and he went on to

876

00:40:37,200 --> 00:40:31,330

say that he believed that the humans

877

00:40:39,960 --> 00:40:37,210

test subjects were prisoners sounds

878

00:40:42,900 --> 00:40:39,970

inhumane and it is but if you think

879

00:40:45,900 --> 00:40:42,910

about the who they were who the US

880

00:40:49,740 --> 00:40:45,910

military was associating themselves with

881

00:40:52,280 --> 00:40:49,750

which they were ex-nazi people through

882

00:40:55,260 --> 00:40:52,290

project project paperclip and the Nazis

883

00:40:58,350 --> 00:40:55,270

had a track record of using human test

884

00:41:02,190 --> 00:40:58,360

subjects in their experiments maybe some

885

00:41:05,520 --> 00:41:02,200

of that mentality rubbed off on some of

886

00:41:07,230 --> 00:41:05,530

the top-secret projects in the United

887

00:41:10,640 --> 00:41:07,240

States of America

888

00:41:14,400 --> 00:41:10,650

I might this is definitely in theory

889

00:41:18,930 --> 00:41:14,410

another one to add to all the other

890

00:41:24,120 --> 00:41:20,339

make heads or tails of it there's so

891

00:41:28,710 --> 00:41:24,130

many so many different stories but since

892

00:41:30,780 --> 00:41:28,720

we live and in an infinite universe with

893

00:41:32,520 --> 00:41:30,790

a with all time happening once in all

894

00:41:34,380 --> 00:41:32,530

possibilities happen once maybe all the

895

00:41:34,740 --> 00:41:34,390

theories are true maybe all the theories

896

00:41:38,520 --> 00:41:34,750

are true

897

00:41:40,620 --> 00:41:38,530

hey you're back on what's going on no

898

00:41:43,130 --> 00:41:40,630

sorry about that earlier it's alright

899

00:41:45,210 --> 00:41:43,140

serenity now we were talking about

900

00:41:46,470 --> 00:41:45,220

cattle mutilations I kind of gave a

901  
00:41:48,030 --> 00:41:46,480  
little bit of a rundown the cattle

902  
00:41:51,589 --> 00:41:48,040  
mutilations and how they when they

903  
00:41:54,510 --> 00:41:51,599  
actually did the official investigation

904  
00:41:55,800 --> 00:41:54,520  
that it was kind of a whitewash they put

905  
00:41:58,800 --> 00:41:55,810  
someone in charge of the investigation

906  
00:42:03,599 --> 00:41:58,810  
who had no knowledge or background in

907  
00:42:06,960 --> 00:42:03,609  
pathology or forensic science was this

908  
00:42:08,940 --> 00:42:06,970  
the sheriff uh it was an FBI official

909  
00:42:11,309 --> 00:42:08,950  
who was appointed to do to lead the

910  
00:42:13,920 --> 00:42:11,319  
investigation he he said look these

911  
00:42:16,620 --> 00:42:13,930  
cattle mutilations the work of predators

912  
00:42:18,599 --> 00:42:16,630  
miss Kavanagh and then go for the soft

913  
00:42:20,309 --> 00:42:18,609

areas like the button the ice and the

914

00:42:21,569 --> 00:42:20,319

lips first because that's the easy to

915

00:42:24,000 --> 00:42:21,579

get to that's what you're saying right

916

00:42:25,500 --> 00:42:24,010

yeah I mean and no one believed that the

917

00:42:26,910 --> 00:42:25,510

the Rangers are still angry I think

918

00:42:29,730 --> 00:42:26,920

there are still some Academy waste is

919

00:42:32,339 --> 00:42:29,740

going on in there are as many as there

920

00:42:34,339 --> 00:42:32,349

once was the media is certainly not

921

00:42:37,319 --> 00:42:34,349

reporting about it as much as they were

922

00:42:38,550 --> 00:42:37,329

well I have an interesting take on it I

923

00:42:41,550 --> 00:42:38,560

think it's a take that people are

924

00:42:43,349 --> 00:42:41,560

probably familiar with I recall one

925

00:42:44,700 --> 00:42:43,359

story and it was a sheriff that was in

926

00:42:47,220 --> 00:42:44,710

charge of investigating just a local

927

00:42:48,359 --> 00:42:47,230

sheriff and he wasn't as far as we know

928

00:42:49,710 --> 00:42:48,369

you know he wasn't put there by the

929

00:42:52,290 --> 00:42:49,720

government he was just helping the

930

00:42:53,910 --> 00:42:52,300

farmers as far as we know and he said to

931

00:42:55,920 --> 00:42:53,920

him and I believe it's one of those

932

00:42:58,349 --> 00:42:55,930

sci-fi shows from back in the 90s or

933

00:43:01,559 --> 00:42:58,359

early 2000s I forget which one but he

934

00:43:04,530 --> 00:43:01,569

stated that they came upon a team after

935

00:43:06,750 --> 00:43:04,540

a team of what looked at these special

936

00:43:08,730 --> 00:43:06,760

ops people and as soon as they saw them

937

00:43:10,980 --> 00:43:08,740

the specialized people propelled up the

938

00:43:12,660 --> 00:43:10,990

ropes into a what looked like a triangle

939

00:43:14,849 --> 00:43:12,670

but when he looked at it clearly it was

940

00:43:17,309 --> 00:43:14,859

a helicopter that was quiet with a

941

00:43:19,680 --> 00:43:17,319

triangular light rig fitted at the

942

00:43:23,640 --> 00:43:19,690

bottom of it and when they explored the

943

00:43:26,280 --> 00:43:23,650

Cal they found a fetus inside of it that

944

00:43:28,410 --> 00:43:26,290

I guess the special officer Daryle

945

00:43:29,880 --> 00:43:28,420

harvest and he was saying this like he

946

00:43:32,099 --> 00:43:29,890

had the evidence he showed pictures of

947

00:43:33,180 --> 00:43:32,109

it and they tested it and they said the

948

00:43:39,240 --> 00:43:33,190

only way they could explain it

949

00:43:42,059 --> 00:43:39,250

is a frog fish human and that story

950

00:43:43,109 --> 00:43:42,069

always stuck out to me and he also said

951  
00:43:44,970 --> 00:43:43,119  
one of the reasons why you think the

952  
00:43:46,470 --> 00:43:44,980  
government was involved in and and what

953  
00:43:49,050 --> 00:43:46,480  
he was told is that they're testing for

954  
00:43:50,700 --> 00:43:49,060  
Mad Cow and but but then like there

955  
00:43:53,010 --> 00:43:50,710  
might be other black projects where they

956  
00:43:56,339 --> 00:43:53,020  
do cloning or genetic experimentations

957  
00:43:58,380 --> 00:43:56,349  
so I don't know with how much account of

958  
00:43:59,819 --> 00:43:58,390  
mutilation is alien and how much is

959  
00:44:03,450 --> 00:43:59,829  
government but I'm pretty sure there is

960  
00:44:06,420 --> 00:44:03,460  
a percentage that is government just for

961  
00:44:09,089 --> 00:44:06,430  
beef and quality control as you've heard

962  
00:44:12,030 --> 00:44:09,099  
that theory yeah I want heard the theory

963  
00:44:13,800 --> 00:44:12,040

that I I kind of ran past was that they

964

00:44:15,809 --> 00:44:13,810

were doing like it was a it was a

965

00:44:17,790 --> 00:44:15,819

government operation for the cattle

966

00:44:20,910 --> 00:44:17,800

mutilation to test the impact of the

967

00:44:23,579 --> 00:44:20,920

radioactive fallout after all the nuke

968

00:44:26,250 --> 00:44:23,589

bomb tests out there OS they want to see

969

00:44:29,460 --> 00:44:26,260

what impact that had on the cattle and

970

00:44:31,109 --> 00:44:29,470

in turn us well that's not because our

971

00:44:32,370 --> 00:44:31,119

stories kind of sound very similar i

972

00:44:33,720 --> 00:44:32,380

wonder if both are stories they're

973

00:44:35,760 --> 00:44:33,730

actually just cover stories what's

974

00:44:36,690 --> 00:44:35,770

actually going all dead because it's all

975

00:44:38,130 --> 00:44:36,700

you have the government's doing they're

976

00:44:39,300 --> 00:44:38,140

just testing it just for your safety

977

00:44:40,829 --> 00:44:39,310

just so you know

978

00:44:44,250 --> 00:44:40,839

so yeah it's doing something legal but

979

00:44:47,069 --> 00:44:44,260

it's where you're good yeah I would I

980

00:44:49,740 --> 00:44:47,079

would also and sometimes it also might

981

00:44:51,270 --> 00:44:49,750

be follow-the-leader that the cattle

982

00:44:54,480 --> 00:44:51,280

mutilations may have started off as

983

00:44:55,710 --> 00:44:54,490

something extraterrestrial and the

984

00:44:57,089 --> 00:44:55,720

government decided to get in that

985

00:44:59,460 --> 00:44:57,099

business to see what they're up to use

986

00:45:01,859 --> 00:44:59,470

like oh they're they're abducting cattle

987

00:45:04,050 --> 00:45:01,869

let's go ahead and do that ourselves and

988

00:45:06,900 --> 00:45:04,060

and and perform exactly what they're

989

00:45:09,480 --> 00:45:06,910

doing they they basically said why are

990

00:45:11,309 --> 00:45:09,490

the aliens removing the reproductive

991

00:45:12,660 --> 00:45:11,319

organ what is inside this we need that

992

00:45:13,800 --> 00:45:12,670

we need to find out now you would

993

00:45:17,040 --> 00:45:13,810

imagine that the government just could

994

00:45:19,890 --> 00:45:17,050

go out and like buy some cattle off that

995

00:45:21,089 --> 00:45:19,900

ranch and then do the experiments and

996

00:45:24,120 --> 00:45:21,099

testing themselves but maybe they don't

997

00:45:25,319 --> 00:45:24,130

want some accounting record of why

998

00:45:27,480 --> 00:45:25,329

they're buying this cattle or they might

999

00:45:30,920 --> 00:45:27,490

explain hey why did you buy six cattle

1000

00:45:33,720 --> 00:45:30,930

where are these were these cattle but

1001

00:45:37,260 --> 00:45:33,730

yeah it's a possibility this want to

1002

00:45:38,640 --> 00:45:37,270

repulse some ranchers and because they

1003

00:45:41,069 --> 00:45:38,650

saw the aliens do it and that's how they

1004

00:45:44,010 --> 00:45:41,079

got on to maybe like eight there's a

1005

00:45:45,690 --> 00:45:44,020

whole bunch of examples where there will

1006

00:45:46,650 --> 00:45:45,700

be one industry leader and everyone else

1007

00:45:49,860 --> 00:45:46,660

just follows

1008

00:45:51,750 --> 00:45:49,870

the lead follow that lead you want to be

1009

00:45:58,200 --> 00:45:51,760

first to market and see how it goes or

1010

00:46:00,690 --> 00:45:58,210

or just follow everyone else I at this

1011

00:46:03,860 --> 00:46:00,700

point since I I will have to go with

1012

00:46:07,140 --> 00:46:03,870

it's probably part of some secret

1013

00:46:09,510 --> 00:46:07,150

military testing going on I think I

1014

00:46:12,060 --> 00:46:09,520

think those are the most likely

1015

00:46:15,120 --> 00:46:12,070

explanations but the ones I saw a

1016

00:46:19,290 --> 00:46:15,130

skinwalker ranch or not saw but read

1017

00:46:24,600 --> 00:46:19,300

about at skinwalker ranch that doesn't

1018

00:46:28,380 --> 00:46:24,610

appear to be US military it could be a

1019

00:46:33,660 --> 00:46:28,390

different military faction pastas ours

1020

00:46:36,000 --> 00:46:33,670

as my sound from a parallel dimension no

1021

00:46:37,560 --> 00:46:36,010

I get pipe here actually Mandela

1022

00:46:39,780 --> 00:46:37,570

affected so like the whole parallel

1023

00:46:41,250 --> 00:46:39,790

universe theories I don't know what's

1024

00:46:44,070 --> 00:46:41,260

going on but it seems to be more

1025

00:46:45,660 --> 00:46:44,080

probable than not to me at the moment my

1026

00:46:50,600 --> 00:46:45,670

all accounts it seems as though

1027

00:46:53,400 --> 00:46:50,610

skinwalker ranch is a least of a fairly

1028

00:46:56,850 --> 00:46:53,410

consistent doorway to another dimension

1029

00:46:59,700 --> 00:46:56,860

where craft can come in and out and it

1030

00:47:02,760 --> 00:46:59,710

is like a nexus point of energy where it

1031

00:47:05,570 --> 00:47:02,770

is able to interact and open doorways

1032

00:47:07,890 --> 00:47:05,580

for a certain amount of time where craft

1033

00:47:10,530 --> 00:47:07,900

and or beans can come through and

1034

00:47:12,510 --> 00:47:10,540

interact with our environment but then

1035

00:47:15,540 --> 00:47:12,520

you also have to ask the question why

1036

00:47:16,920 --> 00:47:15,550

would they target the the cattle I could

1037

00:47:19,380 --> 00:47:16,930

give an answer that I think might be

1038

00:47:22,230 --> 00:47:19,390

satisfactory which is that we always

1039

00:47:23,550 --> 00:47:22,240

test our antibiotics out on them so

1040

00:47:25,140 --> 00:47:23,560

that's like our first line of the

1041

00:47:26,880 --> 00:47:25,150

defense against you know diseases and

1042

00:47:30,680 --> 00:47:26,890

stuff so maybe that's why they're

1043

00:47:32,910 --> 00:47:30,690

getting of an idea of our biological

1044

00:47:34,380 --> 00:47:32,920

capabilities to it because one of the

1045

00:47:36,570 --> 00:47:34,390

best ways to take over a place I think

1046

00:47:39,480 --> 00:47:36,580

would just to make some sort of mutated

1047

00:47:41,970 --> 00:47:39,490

virus and well I think you understand

1048

00:47:45,660 --> 00:47:41,980

where I'm going yeah I do it's a soft

1049

00:47:48,720 --> 00:47:45,670

kill weapon over a long time to impact

1050

00:47:49,520 --> 00:47:48,730

our fruit supply may be impact the way

1051  
00:47:53,430 --> 00:47:49,530  
we think

1052  
00:47:59,010 --> 00:47:53,440  
who knows maybe drive people crazy on

1053  
00:48:00,140 --> 00:47:59,020  
social media and they'd say

1054  
00:48:04,140 --> 00:48:00,150  
unfortunately I did

1055  
00:48:05,750 --> 00:48:04,150  
but the soda no there's so I have you if

1056  
00:48:09,300 --> 00:48:05,760  
you're had bison burgers

1057  
00:48:11,220 --> 00:48:09,310  
no I meant bison yet no no you got to do

1058  
00:48:15,450 --> 00:48:11,230  
it it's good get some bison bison

1059  
00:48:17,160 --> 00:48:15,460  
burgers good yeah Mike I'll try one more

1060  
00:48:18,750 --> 00:48:17,170  
thing before I go yeah what's up with

1061  
00:48:20,400 --> 00:48:18,760  
all rights negative blood I know this

1062  
00:48:21,930 --> 00:48:20,410  
was kind of like far out but it might be

1063  
00:48:24,420 --> 00:48:21,940

intermingled with the whole UFO thing

1064

00:48:26,550 --> 00:48:24,430

it's always interesting what's your

1065

00:48:29,430 --> 00:48:26,560

opinion on Rh negative blood I have

1066

00:48:32,190 --> 00:48:29,440

never heard of Rh negative blood isn't

1067

00:48:35,160 --> 00:48:32,200

that the rhesus factor like you're

1068

00:48:37,680 --> 00:48:35,170

either a positive or be negative or I

1069

00:48:39,180 --> 00:48:37,690

mean a negative it's a positive or

1070

00:48:41,310 --> 00:48:39,190

negative factor it was like the reason

1071

00:48:42,420 --> 00:48:41,320

factor it comes from us a monkey and

1072

00:48:44,690 --> 00:48:42,430

it's supposed to be one of these

1073

00:48:47,630 --> 00:48:44,700

evidence that were a hybrid species

1074

00:48:50,670 --> 00:48:47,640

because females with Rh negative blood

1075

00:48:54,720 --> 00:48:50,680

if they have a fetus with Rh positive

1076

00:48:56,760 --> 00:48:54,730

blood their body will reject the fetus

1077

00:48:58,560 --> 00:48:56,770

like it's a foreign body instead of

1078

00:49:00,420 --> 00:48:58,570

accepting it as part of its own no I

1079

00:49:02,820 --> 00:49:00,430

know all the science behind that but

1080

00:49:06,330 --> 00:49:02,830

it's argued that that proves that were I

1081

00:49:07,950 --> 00:49:06,340

bred species I I have no idea about

1082

00:49:10,020 --> 00:49:07,960

blood type I don't even know my own

1083

00:49:13,020 --> 00:49:10,030

blood type and the first time you just

1084

00:49:16,590 --> 00:49:13,030

met RH I've never heard this I obviously

1085

00:49:19,440 --> 00:49:16,600

didn't do well in biology okay but as

1086

00:49:21,540 --> 00:49:19,450

far as aliens is a very interesting the

1087

00:49:23,940 --> 00:49:21,550

Rh factor might be something you would

1088

00:49:25,140 --> 00:49:23,950

love to look into my okay yeah it's kind

1089

00:49:27,990 --> 00:49:25,150

of a rabbit oh I think you would enjoy

1090

00:49:30,690 --> 00:49:28,000

oh I have enough rabbit holes but I'll

1091

00:49:32,250 --> 00:49:30,700

take a look at it yeah but this is alien

1092

00:49:34,130 --> 00:49:32,260

[h\_\_h] you know what I mean we get enough

1093

00:49:37,410 --> 00:49:34,140

political stuff where's the aliens at

1094

00:49:39,450 --> 00:49:37,420

the Crypt is yeah that type [h\_\_h] you

1095

00:49:40,770 --> 00:49:39,460

know what I mean you know this is I got

1096

00:49:44,080 --> 00:49:40,780

my guys alright thank you Thank You

1097

00:49:49,380 --> 00:49:46,530

[Applause]

1098

00:49:51,750 --> 00:49:49,390

yeah I had never heard of like Rh blood

1099

00:49:55,110 --> 00:49:51,760

I mean apparently I should know this

1100

00:49:56,460 --> 00:49:55,120

should be common knowledge I should know

1101

00:49:58,770 --> 00:49:56,470

my own blood side for Colonel Locke I do

1102

00:50:00,570 --> 00:49:58,780

not what if I need a blood transfusion

1103

00:50:03,000 --> 00:50:00,580

what if someone needs to donate me blood

1104

00:50:07,050 --> 00:50:03,010

I don't even know what's what my blood

1105

00:50:10,690 --> 00:50:07,060

type is is it on my license do they have

1106

00:50:16,180 --> 00:50:13,839

it says bro oh that's my hair color is

1107

00:50:18,849 --> 00:50:16,190

brown I'm gonna bro I mean I'm not like

1108

00:50:27,040 --> 00:50:18,859

bro blood type maybe I am maybe I'm a

1109

00:50:36,760 --> 00:50:32,410

it's my birthday it doesn't say I'm a

1110

00:50:43,480 --> 00:50:40,240

that's not helpful please someone call

1111

00:50:49,780 --> 00:50:46,090

all right let's what do we do I gotten

1112

00:50:50,980 --> 00:50:49,790

yeah oh yeah here's my phone call caller

1113

00:50:54,000 --> 00:50:50,990

you're on the air go ahead please

1114

00:50:58,510 --> 00:50:54,010

thinking what's my blood type tell me

1115

00:51:01,920 --> 00:50:58,520

probably yeah psycho negative of course

1116

00:51:05,790 --> 00:51:01,930

not isn't that the most rare blood type

1117

00:51:07,990 --> 00:51:05,800

no no Rh is but it's one of the most

1118

00:51:09,910 --> 00:51:08,000

rare blood types if I remember I

1119

00:51:11,710 --> 00:51:09,920

somebody in the chat rowdy a thinker

1120

00:51:15,520 --> 00:51:11,720

plot said the same thing okay but

1121

00:51:18,640 --> 00:51:15,530

they're universal donors yeah yeah oh is

1122

00:51:22,960 --> 00:51:18,650

o-negative universal for everything no

1123

00:51:26,560 --> 00:51:22,970

no no Paula I just know the band Type O

1124

00:51:28,560 --> 00:51:26,570

Negative yeah yeah I think Type O

1125

00:51:31,630 --> 00:51:28,570

Negative you know we have own ages and

1126  
00:51:33,040 --> 00:51:31,640  
some other version but I'm not a hundred

1127  
00:51:35,050 --> 00:51:33,050  
percent sure I just remember having it

1128  
00:51:36,100 --> 00:51:35,060  
when I having it all tested when I was

1129  
00:51:39,160 --> 00:51:36,110  
in the Army so yeah

1130  
00:51:41,800 --> 00:51:39,170  
what's on your mind until CRH is crazy

1131  
00:51:45,880 --> 00:51:41,810  
because they've also linked it to some

1132  
00:51:47,170 --> 00:51:45,890  
of the redheaded Giants you know that

1133  
00:51:48,940 --> 00:51:47,180  
have been found all over the world oh

1134  
00:51:52,000 --> 00:51:48,950  
really I think that's pretty cool yeah

1135  
00:51:54,160 --> 00:51:52,010  
oh that's yeah I just really look in

1136  
00:51:56,140 --> 00:51:54,170  
today this is the first time I'm really

1137  
00:51:59,110 --> 00:51:56,150  
hearing about this I can't believe I'm

1138  
00:52:01,270 --> 00:51:59,120

not more involved with this yeah it's

1139

00:52:03,250 --> 00:52:01,280

pretty neat and if you if you really get

1140

00:52:06,340 --> 00:52:03,260

deep into it there's a lot of theories

1141

00:52:09,700 --> 00:52:06,350

about it you know I mean they also kind

1142

00:52:11,710 --> 00:52:09,710

of linked it to like my kid like an

1143

00:52:13,690 --> 00:52:11,720

extraterrestrial because it's not really

1144

00:52:16,780 --> 00:52:13,700

found very often I think it's like in

1145

00:52:19,720 --> 00:52:16,790

the one or two percent I love the the

1146

00:52:22,690 --> 00:52:19,730

whole entire world yeah it's a you type

1147

00:52:25,090 --> 00:52:22,700

into Bing or Google you can type in RH

1148

00:52:26,680 --> 00:52:25,100

blood type alien and there's a there's

1149

00:52:29,140 --> 00:52:26,690

some results coming up about this

1150

00:52:33,010 --> 00:52:29,150

interesting okay pretty cool yeah pretty

1151  
00:52:35,110 --> 00:52:33,020  
neat yeah I also wanted to share a UFO

1152  
00:52:37,030 --> 00:52:35,120  
story with you it just takes a second if

1153  
00:52:40,870 --> 00:52:37,040  
you if you get tired oh I got time go

1154  
00:52:44,800 --> 00:52:40,880  
for it I was in basic training in

1155  
00:52:48,160 --> 00:52:44,810  
Oklahoma and we were marching towards

1156  
00:52:50,320 --> 00:52:48,170  
the two-mile run just information just

1157  
00:52:51,850 --> 00:52:50,330  
marching towards it and it was like when

1158  
00:52:54,400 --> 00:52:51,860  
I was four thirty five o'clock in the

1159  
00:52:56,200 --> 00:52:54,410  
morning and some stars were still out

1160  
00:52:56,870 --> 00:52:56,210  
and beautiful when I was generally I

1161  
00:52:59,330 --> 00:52:56,880  
don't really

1162  
00:53:02,570 --> 00:52:59,340  
even a god I don't know I call him the

1163  
00:53:05,630 --> 00:53:02,580

maker but I was just kind of like oh I

1164

00:53:08,540 --> 00:53:05,640

think this is beautiful in this little

1165

00:53:11,360 --> 00:53:08,550

spot above a water tower we're looking

1166

00:53:13,430 --> 00:53:11,370

had three stars in a triangle shape and

1167

00:53:16,100 --> 00:53:13,440

as soon as I said that and I was looking

1168

00:53:20,210 --> 00:53:16,110

right at it it moved and started like

1169

00:53:24,470 --> 00:53:20,220

corkscrewing offs to I guess would but

1170

00:53:26,300 --> 00:53:24,480

it would have been in the east and I was

1171

00:53:27,890 --> 00:53:26,310

like information you're not supposed to

1172

00:53:30,410 --> 00:53:27,900

speak or say anything like anything

1173

00:53:31,880 --> 00:53:30,420

crazy or do anything really unless you

1174

00:53:35,420 --> 00:53:31,890

really absolutely have to but I was like

1175

00:53:37,850 --> 00:53:35,430

what the [h\_\_\h] is that huh and everybody

1176

00:53:39,590 --> 00:53:37,860

was like looking at that same spot

1177

00:53:41,780 --> 00:53:39,600

there's probably six seven people right

1178

00:53:43,790 --> 00:53:41,790

around me that heard it right there the

1179

00:53:46,460 --> 00:53:43,800

rest I'm just gonna missed it but it

1180

00:53:48,080 --> 00:53:46,470

corkscrewed and I showed one light to

1181

00:53:51,230 --> 00:53:48,090

light three lights like as it

1182

00:53:52,910 --> 00:53:51,240

corkscrewed like either insane or to

1183

00:53:55,040 --> 00:53:52,920

speed but originally it was just sitting

1184

00:53:57,650 --> 00:53:55,050

there and until I looked at it didn't it

1185

00:53:59,420 --> 00:53:57,660

didn't start to move and that is always

1186

00:54:03,740 --> 00:53:59,430

blowing my mind cuz I've never really

1187

00:54:05,750 --> 00:54:03,750

seen anything too crazy you know and it

1188

00:54:08,210 --> 00:54:05,760

was it was close enough to where like I

1189

00:54:12,320 --> 00:54:08,220

could see it disappear between the the

1190

00:54:14,420 --> 00:54:12,330

the tree line and horizon did anybody

1191

00:54:16,850 --> 00:54:14,430

else see it did anybody else around yeah

1192

00:54:18,500 --> 00:54:16,860

yeah yeah the people directly next to me

1193

00:54:20,920 --> 00:54:18,510

and usually it was you know multiple my

1194

00:54:24,260 --> 00:54:20,930

buddies would always line up with me and

1195

00:54:26,780 --> 00:54:24,270

we I was like literally loud I'm loud

1196

00:54:28,700 --> 00:54:26,790

yeah anyway you know what [h\_\_\h] is that

1197

00:54:30,050 --> 00:54:28,710

and I pointed that it was for me and

1198

00:54:32,390 --> 00:54:30,060

they're like well I don't know whenever

1199

00:54:33,290 --> 00:54:32,400

they're all looking at it like oh what

1200

00:54:36,260 --> 00:54:33,300

the [h\_\_\h] is that

1201

00:54:38,210 --> 00:54:36,270

and my platoon sergeant didn't say a

1202

00:54:40,280 --> 00:54:38,220

damn word he just he was just kept

1203

00:54:41,660 --> 00:54:40,290

marching us towards the line but I've

1204

00:54:43,640 --> 00:54:41,670

always thought about that I thought it

1205

00:54:46,880 --> 00:54:43,650

was so crazy I actually have already of

1206

00:54:49,750 --> 00:54:46,890

you saying that [h\_\_\h] [h\_\_\h] I think you

1207

00:54:53,660 --> 00:54:49,760

guys know is that how you said it he

1208

00:54:55,370 --> 00:54:53,670

might as well have been so looking okay

1209

00:54:59,240 --> 00:54:55,380

looking back on it if you if you had to

1210

00:55:02,320 --> 00:54:59,250

come up I'm with I guess a common

1211

00:55:04,820 --> 00:55:02,330

explanation an earthly explanation as

1212

00:55:08,570 --> 00:55:04,830

you think it could be aircraft a weather

1213

00:55:09,730 --> 00:55:08,580

balloon a swamp gas it had to be in an

1214

00:55:11,890 --> 00:55:09,740

aircraft and it

1215

00:55:13,830 --> 00:55:11,900

silent - and it was close enough to

1216

00:55:16,630 --> 00:55:13,840

where I would have heard something

1217

00:55:18,400 --> 00:55:16,640

humming or anything even though we were

1218

00:55:21,990 --> 00:55:18,410

marching we were quiet you know it was

1219

00:55:26,170 --> 00:55:22,000

dead quiet nobody talks information yeah

1220

00:55:28,090 --> 00:55:26,180

you talked yeah yeah I did and they

1221

00:55:29,500 --> 00:55:28,100

didn't punish me for it or anything I

1222

00:55:31,810 --> 00:55:29,510

just couldn't believe what I was seeing

1223

00:55:33,760 --> 00:55:31,820

it was just so crazy especially how it

1224

00:55:36,070 --> 00:55:33,770

they torched grid in the street lying

1225

00:55:38,590 --> 00:55:36,080

across their vision and it and took off

1226

00:55:40,300 --> 00:55:38,600

as soon as I saw it as soon as I looked

1227

00:55:42,550 --> 00:55:40,310

at the bevel point above the water tower

1228

00:55:45,820 --> 00:55:42,560

and the only thing I can say is probably

1229

00:55:47,980 --> 00:55:45,830

a unmanned drone or some kind of alien

1230

00:55:51,310 --> 00:55:47,990

technology I mean what what else is

1231

00:55:53,890 --> 00:55:51,320

there well I mean you so it was they're

1232

00:55:57,250 --> 00:55:53,900

just kind of doing something you noticed

1233

00:55:58,960 --> 00:55:57,260

it and then it reacted to you correct

1234

00:56:00,670 --> 00:55:58,970

that's what it seems that's what it

1235

00:56:02,440 --> 00:56:00,680

seemed like for sure and I have always

1236

00:56:04,570 --> 00:56:02,450

liked tenna tried to review it in my

1237

00:56:07,240 --> 00:56:04,580

mind and think of anything else it could

1238

00:56:09,760 --> 00:56:07,250

be and the way that it did it just

1239

00:56:12,370 --> 00:56:09,770

reacted instantly as soon as I fixed my

1240

00:56:14,470 --> 00:56:12,380

eyes on it it just reacted instantly and

1241

00:56:16,620 --> 00:56:14,480

started going off in an easterly

1242

00:56:19,359 --> 00:56:16,630

direction and corkscrewing

1243

00:56:22,990 --> 00:56:19,369

almost a show-off it was I don't know I

1244

00:56:24,400 --> 00:56:23,000

felt like they were using us as kind of

1245

00:56:26,890 --> 00:56:24,410

like target practice maybe they just

1246

00:56:28,870 --> 00:56:26,900

needed some surveillance system to check

1247

00:56:32,560 --> 00:56:28,880

you know we were moving in a mass

1248

00:56:35,200 --> 00:56:32,570

formation there's probably mmm 250

1249

00:56:37,020 --> 00:56:35,210

people in the formation separate

1250

00:56:39,280 --> 00:56:37,030

formations but multiple formations but

1251

00:56:42,520 --> 00:56:39,290

like that would be the perfect area to

1252

00:56:45,520 --> 00:56:42,530

like work on target systems or you know

1253

00:56:46,180 --> 00:56:45,530

figure out surveillance or anything like

1254

00:56:48,040 --> 00:56:46,190

that

1255

00:56:50,290 --> 00:56:48,050

Dannan to have somebody look up notice

1256

00:56:51,550 --> 00:56:50,300

that they were like oh [h\_\_h] but I don't

1257

00:56:53,980 --> 00:56:51,560

know I felt like they were showing off

1258

00:56:56,140 --> 00:56:53,990

so I don't know so when you guys got

1259

00:56:57,609 --> 00:56:56,150

back to the barracks and bathed each

1260

00:57:00,310 --> 00:56:57,619

other do you guys talk about it in the

1261

00:57:02,440 --> 00:57:00,320

in the bathroom with each other I don't

1262

00:57:04,390 --> 00:57:02,450

remember talking about it I just kind of

1263

00:57:06,910 --> 00:57:04,400

let it go and you know we did the rest

1264

00:57:09,220 --> 00:57:06,920

of the PT test and I don't remember

1265

00:57:10,900 --> 00:57:09,230

chatting with anybody about it maybe one

1266

00:57:13,750 --> 00:57:10,910

of my close buddies you know just D

1267

00:57:15,760 --> 00:57:13,760

asking me about it but I think in my

1268

00:57:18,790 --> 00:57:15,770

mind I just put it off as like a

1269

00:57:20,650 --> 00:57:18,800

military test plane or something that

1270

00:57:22,400 --> 00:57:20,660

was being tested so I didn't want to

1271

00:57:24,859 --> 00:57:22,410

mention anything to get you know

1272

00:57:25,970 --> 00:57:24,869

fear of getting backlash or anything

1273

00:57:27,380 --> 00:57:25,980

like that especially being under

1274

00:57:30,109 --> 00:57:27,390

contract with a security clearance

1275

00:57:32,690 --> 00:57:30,119

either like I didn't want to get any

1276  
00:57:34,779 --> 00:57:32,700  
backlash from that yeah you don't want

1277  
00:57:37,640 --> 00:57:34,789  
them to think you're goofy or anything

1278  
00:57:39,829 --> 00:57:37,650  
yeah well yeah I'm getting basic - I was

1279  
00:57:40,430 --> 00:57:39,839  
trying to be you know hardcore and do my

1280  
00:57:43,069 --> 00:57:40,440  
thing

1281  
00:57:46,520 --> 00:57:43,079  
yeah of course okay hey it's pretty cool

1282  
00:57:49,190 --> 00:57:46,530  
I guess I don't I don't have a story

1283  
00:57:51,049 --> 00:57:49,200  
like that I have yet to see a UFO I'm

1284  
00:57:53,630 --> 00:57:51,059  
hoping to change that when I got the

1285  
00:57:54,170 --> 00:57:53,640  
Arizona this next year and go look at

1286  
00:57:57,470 --> 00:57:54,180  
that

1287  
00:57:59,240 --> 00:57:57,480  
open sky yeah you really should

1288  
00:58:00,859 --> 00:57:59,250

especially if you lived in the city like

1289

00:58:02,390 --> 00:58:00,869

people don't really get a chance to look

1290

00:58:04,910 --> 00:58:02,400

at the stars in the city and I've always

1291

00:58:06,980 --> 00:58:04,920

lived in the country type areas and I

1292

00:58:08,960 --> 00:58:06,990

was raising the boy I went through the

1293

00:58:10,789 --> 00:58:08,970

Boy Scouts and you know like it was

1294

00:58:12,829 --> 00:58:10,799

always fascinated with the Stars but I

1295

00:58:14,720 --> 00:58:12,839

was always looking at the sky I never

1296

00:58:18,260 --> 00:58:14,730

saw anything until this moment and it

1297

00:58:21,620 --> 00:58:18,270

just blew my mind I I used to live out

1298

00:58:23,329 --> 00:58:21,630

in the country away from the city was

1299

00:58:25,970 --> 00:58:23,339

growing up and I'd go out and look at

1300

00:58:27,680 --> 00:58:25,980

the Stars as much as possible I'm a

1301

00:58:30,170 --> 00:58:27,690

little bit more observant now I saw some

1302

00:58:32,299 --> 00:58:30,180

satellites back then I nothing as I

1303

00:58:36,319 --> 00:58:32,309

probably have seen some things that

1304

00:58:38,150 --> 00:58:36,329

could be UFOs don't know but most likely

1305

00:58:40,670 --> 00:58:38,160

satellites never saw anything like a

1306

00:58:42,799 --> 00:58:40,680

corkscrew or zigzagging or really moving

1307

00:58:45,980 --> 00:58:42,809

in a way that couldn't be explained by

1308

00:58:47,089 --> 00:58:45,990

normal aircraft or satellites so I'm

1309

00:58:50,150 --> 00:58:47,099

looking forward to seeing something

1310

00:58:51,620 --> 00:58:50,160

though yeah it's pretty amazing and you

1311

00:58:53,569 --> 00:58:51,630

almost feel special about it you know

1312

00:58:56,779 --> 00:58:53,579

and one of my buddies actually had a

1313

00:58:59,240 --> 00:58:56,789

funny one I was driving and he saw a

1314

00:59:01,010 --> 00:58:59,250

green orb look like it crashed in

1315

00:59:04,250 --> 00:59:01,020

another neighborhood close by where we

1316

00:59:06,049 --> 00:59:04,260

were driving and I I didn't see the

1317

00:59:08,809 --> 00:59:06,059

green orb I just saw a glimpse of light

1318

00:59:10,490 --> 00:59:08,819

I went down and rich I just was out of

1319

00:59:12,500 --> 00:59:10,500

the corner of my eye but by the time he

1320

00:59:14,029 --> 00:59:12,510

said something to me it was already down

1321

00:59:15,920 --> 00:59:14,039

and we even went over into the

1322

00:59:19,160 --> 00:59:15,930

neighborhood to look and couldn't find

1323

00:59:22,490 --> 00:59:19,170

anything you know at all he bizarre

1324

00:59:24,160 --> 00:59:22,500

crazy that was up watching the state so

1325

00:59:28,060 --> 00:59:24,170

long courage things happen up there a

1326

00:59:30,190 --> 00:59:28,070

lot of Bigfoot sightings up there

1327

00:59:32,110 --> 00:59:30,200

yeah thanks again everything you do then

1328

00:59:35,140 --> 00:59:32,120

this is mani by the way thanks man I

1329

00:59:36,580 --> 00:59:35,150

appreciate you calling it I appreciate

1330

00:59:39,760 --> 00:59:36,590

you calling in man I really appreciate

1331

00:59:40,180 --> 00:59:39,770

this story alright thanks man have a

1332

00:59:43,110 --> 00:59:40,190

good night

1333

00:59:46,290 --> 00:59:43,120

oh hey yeah yeah also the Rendlesham

1334

00:59:49,510 --> 00:59:46,300

always incidents yes

1335

00:59:51,040 --> 00:59:49,520

that is crazy especially how detailed it

1336

00:59:53,470 --> 00:59:51,050

is by the I think it was a

1337

00:59:54,550 --> 00:59:53,480

lieutenant-colonel or somebody that went

1338

00:59:56,700 --> 00:59:54,560

out there with a group of people who

1339

00:59:58,870 --> 00:59:56,710

looked and found these these

1340

01:00:01,360 --> 00:59:58,880

triangle-shaped imprints in the ground

1341

01:00:04,240 --> 01:00:01,370

and still to this day nothing grows in

1342

01:00:07,810 --> 01:00:04,250

that area and in that right around those

1343

01:00:09,880 --> 01:00:07,820

prints and the Rendlesham forest is very

1344

01:00:12,820 --> 01:00:09,890

interesting because it's its account

1345

01:00:18,160 --> 01:00:12,830

from military officers out there in the

1346

01:00:20,080 --> 01:00:18,170

in the forest and they got back to base

1347

01:00:22,450 --> 01:00:20,090

they had you know audio recordings I

1348

01:00:24,220 --> 01:00:22,460

believe there and they were Close

1349

01:00:27,330 --> 01:00:24,230

Encounters and I believe one of the

1350

01:00:29,950 --> 01:00:27,340

officers actually got close enough and

1351  
01:00:32,890 --> 01:00:29,960  
had some sort of communication where

1352  
01:00:36,070 --> 01:00:32,900  
there was a bunch of binary downloaded

1353  
01:00:39,130 --> 01:00:36,080  
into his his brain and he was able to go

1354  
01:00:41,800 --> 01:00:39,140  
back and write the binary code yep

1355  
01:00:43,540 --> 01:00:41,810  
exactly and he I think he's the one that

1356  
01:00:46,270 --> 01:00:43,550  
touched it and then he got the binary

1357  
01:00:48,010 --> 01:00:46,280  
yeah Kevin it wasn't just like a small

1358  
01:00:51,610 --> 01:00:48,020  
paragraph either I think it was a couple

1359  
01:00:56,910 --> 01:00:51,620  
pages of binary it was it was a very

1360  
01:01:02,830 --> 01:00:56,920  
interesting code it was basically a

1361  
01:01:04,390 --> 01:01:02,840  
transmission from this craft that was

1362  
01:01:08,320 --> 01:01:04,400  
basically stating that it was almost

1363  
01:01:09,580 --> 01:01:08,330

like a drone from the future and I'm

1364

01:01:11,680 --> 01:01:09,590

trying to bring it up on screen right

1365

01:01:13,690 --> 01:01:11,690

now of what this actually read but it

1366

01:01:16,120 --> 01:01:13,700

the Rendlesham forest is one of those

1367

01:01:17,620 --> 01:01:16,130

things that has been I think it's more

1368

01:01:19,120 --> 01:01:17,630

important than Roswell at this point

1369

01:01:21,550 --> 01:01:19,130

because of the eyewitnesses in the

1370

01:01:24,460 --> 01:01:21,560

communication of this craft that that

1371

01:01:28,000 --> 01:01:24,470

was there and then and then took off and

1372

01:01:29,980 --> 01:01:28,010

there's a numerous eyewitnesses and then

1373

01:01:32,230 --> 01:01:29,990

the integrity of those people that

1374

01:01:33,970 --> 01:01:32,240

reported you know like they they were

1375

01:01:36,790 --> 01:01:33,980

legitimate people with legitimate

1376

01:01:39,730 --> 01:01:36,800

officers and his you know underlings or

1377

01:01:41,490 --> 01:01:39,740

whatever reporting this and and the

1378

01:01:44,610 --> 01:01:41,500

detail of reporting they had read

1379

01:01:45,560 --> 01:01:44,620

notes what you say I think that it's so

1380

01:01:48,630 --> 01:01:45,570

crazy

1381

01:01:52,140 --> 01:01:48,640

yeah it's absolutely insane

1382

01:01:57,660 --> 01:01:52,150

and there you go I actually have the

1383

01:02:00,570 --> 01:01:57,670

binary code up here on screen and it

1384

01:02:02,460 --> 01:02:00,580

says according according to this website

1385

01:02:04,500 --> 01:02:02,470

but you know it looks pretty legit when

1386

01:02:06,660 --> 01:02:04,510

it comes to the the Rendlesham forest

1387

01:02:08,670 --> 01:02:06,670

incident exploration is this what the

1388

01:02:10,080 --> 01:02:08,680

code says that was downloaded into this

1389

01:02:13,620 --> 01:02:10,090

guy's head and you wrote an exploration

1390

01:02:16,320 --> 01:02:13,630

of humanity six six six eight one zero

1391

01:02:19,140 --> 01:02:16,330

zero 52 and then I think some

1392

01:02:22,100 --> 01:02:19,150

coordinates actually are continuous for

1393

01:02:27,210 --> 01:02:22,110

planetary advance fourth coordinate

1394

01:02:30,960 --> 01:02:27,220

conduit uq s cube erp like before these

1395

01:02:35,100 --> 01:02:30,970

are all coordinates and it actually has

1396

01:02:39,080 --> 01:02:35,110

like the latitude and longitude of like

1397

01:02:43,320 --> 01:02:39,090

Brazil Arizona Great Pyramid of Giza

1398

01:02:48,180 --> 01:02:43,330

Nazca lines and then eyes of your eyes

1399

01:02:54,570 --> 01:02:48,190

origin the some it's it's then the

1400

01:03:01,990 --> 01:02:59,890

this man into the Year 5000 but yeah

1401

01:03:05,680 --> 01:03:02,000

that's what this got got downloaded into

1402

01:03:09,130 --> 01:03:05,690

this guy's head now remembering binary

1403

01:03:12,070 --> 01:03:09,140

is one thing write it as some sunk

1404

01:03:13,780 --> 01:03:12,080

somewhat coherent out of your head I

1405

01:03:15,250 --> 01:03:13,790

would say it's almost damn near

1406

01:03:17,620 --> 01:03:15,260

impossible unless you're some sort of

1407

01:03:19,570 --> 01:03:17,630

like savant that that's all you know how

1408

01:03:22,030 --> 01:03:19,580

to do is remember these these these

1409

01:03:24,790 --> 01:03:22,040

these these coded segments it's a right

1410

01:03:26,920 --> 01:03:24,800

binary yeah yeah and he wasn't even you

1411

01:03:29,620 --> 01:03:26,930

know just a lieutenant-colonel or

1412

01:03:31,960 --> 01:03:29,630

something like that in in the Army

1413

01:03:34,120 --> 01:03:31,970

stationed in the Rendell streamit area

1414

01:03:35,170 --> 01:03:34,130

you know like what there's no way he

1415

01:03:38,650 --> 01:03:35,180

could have known how to write that

1416

01:03:41,110 --> 01:03:38,660

coherent of the story any binary you

1417

01:03:44,020 --> 01:03:41,120

just make it up for you be very unlike

1418

01:03:45,570 --> 01:03:44,030

him very unlikely how to do that I mean

1419

01:03:48,640 --> 01:03:45,580

each I think each one of these

1420

01:03:50,650 --> 01:03:48,650

characters uh it'd be insane just to

1421

01:03:52,570 --> 01:03:50,660

just don't remember how to print the

1422

01:03:55,240 --> 01:03:52,580

word before in binary it would be insane

1423

01:03:58,620 --> 01:03:55,250

so yeah there's a lot to this there's no

1424

01:04:01,720 --> 01:03:58,630

way yeah there's a lot to this case and

1425

01:04:05,470 --> 01:04:01,730

yet happened over there in jolly old

1426  
01:04:06,850 --> 01:04:05,480  
England and not really talked about too

1427  
01:04:08,890 --> 01:04:06,860  
much when it comes to all this

1428  
01:04:11,710 --> 01:04:08,900  
sensational UFO people like to dwell on

1429  
01:04:14,440 --> 01:04:11,720  
Roswell and I like talking about it but

1430  
01:04:17,190 --> 01:04:14,450  
there's much more interesting incidents

1431  
01:04:20,860 --> 01:04:17,200  
out there like the this Renison burrito

1432  
01:04:22,930 --> 01:04:20,870  
yeah but it's world UFO day that's what

1433  
01:04:23,890 --> 01:04:22,940  
we're celebrating here that's what I'm

1434  
01:04:25,390 --> 01:04:23,900  
talking about that's why I figured a

1435  
01:04:27,340 --> 01:04:25,400  
chair story that I haven't really talked

1436  
01:04:28,570 --> 01:04:27,350  
about with and that's pretty much

1437  
01:04:31,420 --> 01:04:28,580  
anybody except for one of my best

1438  
01:04:33,550 --> 01:04:31,430

friends and it's pretty mind-blowing

1439

01:04:35,140 --> 01:04:33,560

still I still don't know what I saw but

1440

01:04:36,580 --> 01:04:35,150

it was cool well I appreciate you

1441

01:04:38,500 --> 01:04:36,590

sharing your story man means a lot to me

1442

01:04:39,820 --> 01:04:38,510

hopefully I'll have one that can share

1443

01:04:42,790 --> 01:04:39,830

it with everyone out there when I get

1444

01:04:44,950 --> 01:04:42,800

back from Arizona and late January of

1445

01:04:49,300 --> 01:04:44,960

2019 I can't believe I'm even seeing the

1446

01:04:54,310 --> 01:04:50,950

well thanks again Mike I appreciate

1447

01:05:00,220 --> 01:04:54,320

everything thanks man having

1448

01:05:07,430 --> 01:05:05,870

go back to work now Rendlesham what an

1449

01:05:09,440 --> 01:05:07,440

incident and the man's story about

1450

01:05:12,440 --> 01:05:09,450

observing a UFO and then as soon as he

1451  
01:05:15,130 --> 01:05:12,450  
noticed it it moved away and it seems

1452  
01:05:20,390 --> 01:05:15,140  
like that I've heard that quite often

1453  
01:05:23,000 --> 01:05:20,400  
that when a UFO traditional UFO is

1454  
01:05:24,740 --> 01:05:23,010  
observed it starts to act as though it

1455  
01:05:27,560 --> 01:05:24,750  
knows it's being watched

1456  
01:05:29,960 --> 01:05:27,570  
their force like that and the skinwalker

1457  
01:05:33,290 --> 01:05:29,970  
ranch book if there's a documentary

1458  
01:05:36,880 --> 01:05:33,300  
called Australian skies where the whole

1459  
01:05:39,620 --> 01:05:36,890  
documentary is about this guy who is

1460  
01:05:41,450 --> 01:05:39,630  
just has the most incredible experiences

1461  
01:05:45,770 --> 01:05:41,460  
of not only observing UFOs on a

1462  
01:05:47,390 --> 01:05:45,780  
consistent consistent basis but being

1463  
01:05:49,070 --> 01:05:47,400

able to predict where and when they

1464

01:05:50,300 --> 01:05:49,080

might occur he has a feeling that he

1465

01:05:53,780 --> 01:05:50,310

will go outside and be able to see them

1466

01:05:56,930 --> 01:05:53,790

they they they react to his observations

1467

01:06:00,590 --> 01:05:56,940

this guy in this documentary Australian

1468

01:06:06,920 --> 01:06:00,600

skies is harassed by men and black kind

1469

01:06:10,670 --> 01:06:06,930

of people fascinating that this guy has

1470

01:06:13,070 --> 01:06:10,680

so many clothes maybe Close Encounters

1471

01:06:14,960 --> 01:06:13,080

eyewitness comfort I guess Close

1472

01:06:18,860 --> 01:06:14,970

Encounters of the first or second kind I

1473

01:06:22,460 --> 01:06:18,870

guess and it has many I think

1474

01:06:24,020 --> 01:06:22,470

photographs of it videos and it's the

1475

01:06:27,730 --> 01:06:24,030

various teen documentary fall in the sky

1476

01:06:30,950 --> 01:06:27,740

round Australian skies check it out and

1477

01:06:32,330 --> 01:06:30,960

I'll be here for another few minutes I

1478

01:06:34,970 --> 01:06:32,340

don't know if there's any other stories

1479

01:06:37,430 --> 01:06:34,980

that I gotta get to I think we there's

1480

01:06:38,600 --> 01:06:37,440

plenty of implanting the links of plenty

1481

01:06:41,660 --> 01:06:38,610

in the description there's putting links

1482

01:06:43,520 --> 01:06:41,670

in the description world UFO day I guess

1483

01:06:48,190 --> 01:06:43,530

I can we're talking about it I can bring

1484

01:06:50,110 --> 01:06:48,200

up the the article on world UFO day and

1485

01:06:54,790 --> 01:06:50,120

I don't know

1486

01:06:58,370 --> 01:06:54,800

they fly UFOs at half-mast on this day

1487

01:07:00,200 --> 01:06:58,380

world UFO day is upon us once again and

1488

01:07:02,390 --> 01:07:00,210

those hunting for extraterrestrial life

1489

01:07:05,450 --> 01:07:02,400

will be pointed will be pointed their

1490

01:07:07,820 --> 01:07:05,460

telescopes skyward once more but you got

1491

01:07:12,850 --> 01:07:07,830

to think like looking for a UFO through

1492

01:07:19,510 --> 01:07:16,120

caller you're on the air go ahead bend I

1493

01:07:21,910 --> 01:07:19,520

might hey what's going on how you doing

1494

01:07:25,090 --> 01:07:21,920

man I'm good just talking let's talk

1495

01:07:26,830 --> 01:07:25,100

about UFOs here oh yeah yeah I love it

1496

01:07:28,690 --> 01:07:26,840

I love everything guys talking about man

1497

01:07:31,840 --> 01:07:28,700

longtime listener first-time caller

1498

01:07:35,860 --> 01:07:31,850

hey you can call me hooker magnificent I

1499

01:07:38,740 --> 01:07:35,870

ordered my friends call me cool I really

1500

01:07:40,870 --> 01:07:38,750

don't have a personal UFO experience at

1501

01:07:43,000 --> 01:07:40,880

all I really just got the chance I just

1502

01:07:44,200 --> 01:07:43,010

got off work and tell you guys are alive

1503

01:07:45,790 --> 01:07:44,210

I just got the chance to call in and

1504

01:07:47,950 --> 01:07:45,800

tell you that you and Joe or my [h\_\_h]

1505

01:07:53,230 --> 01:07:47,960

superheroes man oh thank y'all kick-ass

1506

01:07:58,780 --> 01:07:56,110

oh my god that reminds me I lose my [h\_\_h]

1507

01:07:59,710 --> 01:07:58,790

every time I hear Alex Jones say you

1508

01:08:01,870 --> 01:07:59,720

piece of [h\_\_h]

1509

01:08:04,840 --> 01:08:01,880

I oh when I hang up you should call me a

1510

01:08:07,210 --> 01:08:04,850

piece of [h\_\_h] I will absolutely do that

1511

01:08:09,760 --> 01:08:07,220

so hooker I'm talking about UFOs this

1512

01:08:13,680 --> 01:08:09,770

world UFO day it is the anniversary of

1513

01:08:15,520 --> 01:08:13,690

Roswell do you have a theory on UFOs oh

1514

01:08:19,930 --> 01:08:15,530

definitely definitely

1515

01:08:21,340 --> 01:08:19,940

I'm kind of 50/50 on it cuz I like to

1516

01:08:24,970 --> 01:08:21,350

believe I've seen a couple things but

1517

01:08:27,099 --> 01:08:24,980

I'm also a avid flat earther yeah so I

1518

01:08:29,079 --> 01:08:27,109

really don't know what to think when it

1519

01:08:30,849 --> 01:08:29,089

comes to that but I like what I see [h\_\_\h]

1520

01:08:32,079 --> 01:08:30,859

and 4th of July is right around the

1521

01:08:34,539 --> 01:08:32,089

corner and I would see [h\_\_\h]

1522

01:08:37,059 --> 01:08:34,549

it's weird I always see [h\_\_\h] like in the

1523

01:08:39,220 --> 01:08:37,069

fireworks like they're just dirty land

1524

01:08:41,349 --> 01:08:39,230

cleanup in the area like them where I'm

1525

01:08:44,559 --> 01:08:41,359

from like is illuminated by the the

1526

01:08:46,990 --> 01:08:44,569

fireworks themselves yeah yeah we got a

1527

01:08:50,110 --> 01:08:47,000

couple pictures last year the year

1528

01:08:51,970 --> 01:08:50,120

before and there was just three little

1529

01:08:53,440 --> 01:08:51,980

orbs just kind of hanging out and you

1530

01:08:55,360 --> 01:08:53,450

can only they were only illuminated when

1531

01:08:57,340 --> 01:08:55,370

the fireworks went off and it was crazy

1532

01:08:58,690 --> 01:08:57,350

so you say you're an avid flat earther

1533

01:09:00,970 --> 01:08:58,700

we've been we've been hoping to get a

1534

01:09:02,440 --> 01:09:00,980

flat earth or on the show I'm open to

1535

01:09:04,240 --> 01:09:02,450

everything and there's people that send

1536

01:09:06,430 --> 01:09:04,250

me links okay Mike check out this link

1537

01:09:07,870 --> 01:09:06,440

about flatter this this kind of explains

1538

01:09:09,130 --> 01:09:07,880

all the questions you might have

1539

01:09:12,130 --> 01:09:09,140

do you have anything that you can

1540

01:09:13,870 --> 01:09:12,140

suggest to me a link that I can watch in

1541

01:09:16,000 --> 01:09:13,880

about a half hour to an hour that might

1542

01:09:18,030 --> 01:09:16,010

kind of explain the best evidence yet

1543

01:09:21,520 --> 01:09:18,040

for Flat Earth

1544

01:09:25,059 --> 01:09:21,530

you sir are in luck have you ever heard

1545

01:09:26,439 --> 01:09:25,069

of a man named Eric Dubay Eric Dubay the

1546

01:09:29,709 --> 01:09:26,449

name sounds familiar but

1547

01:09:32,259 --> 01:09:29,719

I don't know a lot about them I came

1548

01:09:34,329 --> 01:09:32,269

across this gentleman like about two

1549

01:09:38,259 --> 01:09:34,339

years ago I believe and I found him on

1550

01:09:39,399 --> 01:09:38,269

YouTube but he he has a couple he's got

1551

01:09:41,229 --> 01:09:39,409

his own page but he's got a couple

1552

01:09:43,299 --> 01:09:41,239

YouTube videos that are like an hour an

1553

01:09:48,849 --> 01:09:43,309

hour and a half long okay and it's just

1554

01:09:51,789 --> 01:09:48,859

him narrating slideshows basically but

1555

01:09:53,349 --> 01:09:51,799

he's very he's very calm he doesn't try

1556

01:09:56,469 --> 01:09:53,359

to argue with anybody he just presents

1557

01:09:58,359 --> 01:09:56,479

facts that he himself has gone out and

1558

01:10:00,790 --> 01:09:58,369

done the research on and all the

1559

01:10:02,949 --> 01:10:00,800

research throughout history and it is so

1560

01:10:04,449 --> 01:10:02,959

[h\_\_\h] compelling it's it's ridiculous

1561

01:10:06,189 --> 01:10:04,459

because I mean when I first heard it

1562

01:10:08,020 --> 01:10:06,199

obviously almost like anybody nowadays I

1563

01:10:09,339 --> 01:10:08,030

was like you're [\h\_\_\h] stupid like you

1564

01:10:09,850 --> 01:10:09,349

think the earth is flat you're [\h\_\_\h]

1565

01:10:12,430 --> 01:10:09,860

stupid

1566

01:10:13,540 --> 01:10:12,440

but I sat down and I really listened to

1567

01:10:16,390 --> 01:10:13,550

this guy and then I did a little bit

1568

01:10:19,060 --> 01:10:16,400

more but Eric Dubay if you really find

1569

01:10:21,459 --> 01:10:19,070

anything on on flat earths take a listen

1570

01:10:24,910 --> 01:10:21,469

to Eric Dubay I have it up on screen

1571

01:10:26,439 --> 01:10:24,920

right now I'm a dig through it I am like

1572

01:10:28,629 --> 01:10:26,449

I kind of believe in a little bit of

1573

01:10:31,390 --> 01:10:28,639

everything I think it can be both flat

1574

01:10:33,669 --> 01:10:31,400

and round at the same time depending on

1575

01:10:36,520 --> 01:10:33,679

the observation and what's needed for

1576

01:10:39,520 --> 01:10:36,530

that day if we do that like live like

1577

01:10:42,729 --> 01:10:39,530

you know if our reality is manifested by

1578

01:10:44,859 --> 01:10:42,739

our minds to a certain degree then we

1579

01:10:46,930 --> 01:10:44,869

can manifest it any which way that it

1580

01:10:49,330 --> 01:10:46,940

renders the most in the most optimal way

1581

01:10:51,699 --> 01:10:49,340

for the University give it to us so I

1582

01:10:53,020 --> 01:10:51,709

don't I don't discount this stuff I like

1583

01:10:54,609 --> 01:10:53,030

talking about this weird stuff

1584

01:10:56,109 --> 01:10:54,619

especially even even a flatter stuff I

1585

01:10:58,540 --> 01:10:56,119

know a lot of people in the conspiracy

1586

01:11:01,239 --> 01:10:58,550

community write flat earthers off as

1587

01:11:03,520 --> 01:11:01,249

this info there they're sent into the

1588

01:11:05,500 --> 01:11:03,530

our conspiracy to make all the rest of

1589

01:11:07,870 --> 01:11:05,510

the conspiracy theorists look insane I

1590

01:11:09,790 --> 01:11:07,880

don't really think that I can see why

1591

01:11:12,399 --> 01:11:09,800

they think that but I'm open to it it's

1592

01:11:15,250 --> 01:11:12,409

interesting to me well that's a lot

1593

01:11:17,080 --> 01:11:15,260

about the approach to a lot of these

1594

01:11:19,209 --> 01:11:17,090

people come it coming other people way

1595

01:11:22,509 --> 01:11:19,219

too strong yeah I'm kind of like them

1596

01:11:24,189 --> 01:11:22,519

stereotypical Christians yeah you know

1597

01:11:26,469 --> 01:11:24,199

that just hit you with it and don't

1598

01:11:28,899 --> 01:11:26,479

don't let up but some of its that I

1599

01:11:31,390 --> 01:11:28,909

think cuz I know a couple people that

1600

01:11:34,949 --> 01:11:31,400

are huge conspiracy theorists but they

1601

01:11:36,759 --> 01:11:34,959

go off about like the JFK stuff and

1602

01:11:39,520 --> 01:11:36,769

they've been going off lately about

1603

01:11:40,360 --> 01:11:39,530

pizza gate and they just hit you so hard

1604

01:11:45,370 --> 01:11:40,370

with it and

1605

01:11:47,170 --> 01:11:45,380

there they're just intensity to bring to

1606

01:11:48,280 --> 01:11:47,180

the subject is half the reason why I

1607

01:11:52,450 --> 01:11:48,290

don't like you've been talking about

1608

01:11:54,400 --> 01:11:52,460

some of it yeah and then yeah they

1609

01:11:56,280 --> 01:11:54,410

become like a zealot and there can be no

1610

01:11:58,180 --> 01:11:56,290

more communication after that and

1611

01:11:59,830 --> 01:11:58,190

they're right and you're wrong and

1612

01:12:01,540 --> 01:11:59,840

there's no debate yeah I I don't like

1613

01:12:04,060 --> 01:12:01,550

that they have a conversation where it's

1614

01:12:05,620 --> 01:12:04,070

a little bit more fluid and you know no

1615

01:12:07,750 --> 01:12:05,630

one's gonna be angry about this stuff we

1616

01:12:09,190 --> 01:12:07,760

should all be like we were living here

1617

01:12:11,920 --> 01:12:09,200

it should be a nice time it's never

1618

01:12:13,750 --> 01:12:11,930

conversations people like all right well

1619

01:12:15,910 --> 01:12:13,760

I like people with their that keep open

1620

01:12:17,830 --> 01:12:15,920

mind yeah absolutely and that's all it

1621

01:12:20,950 --> 01:12:17,840

takes and and that's one of the things I

1622

01:12:22,870 --> 01:12:20,960

like about Eric Dubay is he doesn't try

1623

01:12:24,550 --> 01:12:22,880

to argue with anybody he's not he's not

1624

01:12:26,650 --> 01:12:24,560

confrontational he just wants to tell

1625

01:12:28,150 --> 01:12:26,660

you what he knows and it's pretty cool

1626

01:12:30,540 --> 01:12:28,160

cool man wait man I really appreciate

1627

01:12:33,910 --> 01:12:30,550

you taking time to call in finally and

1628

01:12:36,460 --> 01:12:33,920

please call it against it right oh hell

1629

01:12:37,210 --> 01:12:36,470

yeah man hotel tell Joe he's [h\_\_h] sexy

1630

01:12:38,830 --> 01:12:37,220

as hell man

1631

01:12:41,320 --> 01:12:38,840

well then we'll call back in will do

1632

01:12:48,640 --> 01:12:41,330

we'll see everyone on Thursday have a

1633

01:12:53,200 --> 01:12:48,650

good night thank you for all the new

1634

01:12:56,740 --> 01:12:53,210

callers phone in feminine we'll be back

1635

01:13:01,990 --> 01:12:56,750

on Thursday because of the fourth of

1636

01:13:04,360 --> 01:13:02,000

July Independence Day space force is on

1637

01:13:08,470 --> 01:13:04,370

Wednesday probably going to a barbecue

1638

01:13:11,680 --> 01:13:08,480

setting up some fireworks and

1639

01:13:13,750 --> 01:13:11,690

firecrackers do not fully understand

1640

01:13:17,530 --> 01:13:13,760

it's a holiday in America where we

1641

01:13:23,950 --> 01:13:17,540

celebrate our independence from British

1642

01:13:26,620 --> 01:13:23,960

rule all those dirty Brits hi look at me

1643

01:13:30,040 --> 01:13:26,630

I'm a British I'm a British boy I'm

1644

01:13:30,550 --> 01:13:30,050

gonna put my authority over you calling

1645

01:13:32,950 --> 01:13:30,560

us

1646

01:13:35,110 --> 01:13:32,960

I will oh you don't like that I'll take

1647

01:13:37,510 --> 01:13:35,120

your guns you don't like that I'll text

1648

01:13:39,340 --> 01:13:37,520

you tea you don't like that oh you think

1649

01:13:42,130 --> 01:13:39,350

you're gonna declare independence oh you

1650

01:13:44,360 --> 01:13:42,140

want to fight oops you won oh look at

1651

01:13:48,080 --> 01:13:44,370

you you're a new country

1652

01:13:52,220 --> 01:13:48,090

that's how the war was won right there

1653

01:13:54,800 --> 01:13:52,230

so yeah we're bad we back on Thursday

1654

01:13:58,770 --> 01:13:54,810

yeah I got a barbecue to go to with uh

1655

01:14:04,350 --> 01:13:58,780

with my girlfriend and we're gonna have

1656

01:14:06,480 --> 01:14:04,360

a nice time I think so as long as they

1657

01:14:07,920 --> 01:14:06,490

don't give me fireworks I don't think I

1658

01:14:09,390 --> 01:14:07,930

have a good tracker with fireworks

1659

01:14:11,600 --> 01:14:09,400

should I not put the fireworks at my

1660

01:14:20,720 --> 01:14:11,610

hand and light them is that bad

1661

01:14:30,090 --> 01:14:23,310

keep me away from the firecrackers and

1662

01:14:33,390 --> 01:14:30,100

lighters he me away I Drive like a

1663

01:14:36,300 --> 01:14:33,400

grandpa on the road but I'm a maniac

1664

01:14:39,150 --> 01:14:36,310

with firecrackers and golf carts that's

1665

01:14:42,120 --> 01:14:39,160

right oh boy

1666

01:14:45,390 --> 01:14:42,130

we got the we already I'm already lined

1667

01:14:46,980 --> 01:14:45,400

up material for Thursday people already

1668

01:14:48,510 --> 01:14:46,990

Lana material for Thursday we've got

1669

01:14:51,420 --> 01:14:48,520

time portals I got it probably have a

1670

01:14:54,120 --> 01:14:51,430

little bit more skinwalker ranch weave

1671

01:14:56,670 --> 01:14:54,130

in as I read the book and that's a ton

1672

01:14:58,100 --> 01:14:56,680

of other things to get to I feel sorry

1673

01:15:00,250 --> 01:14:58,110

for your mother

1674

01:15:05,440 --> 01:15:00,260

[Music]

1675

01:15:08,560 --> 01:15:05,450

yes oh I hit the glory hole right here

1676

01:15:10,810 --> 01:15:08,570

thank you everyone and I'll talk to you

1677

01:15:22,450 --> 01:15:10,820

next time go back to work
