and tonight we'll be talking about the

8
00:02:15,610 --> 00:02:11,870

few different topics few different

9
00:02:18,790 --> 00:02:15,620

subjects we got got a lot of things

10
00:02:20,380 --> 00:02:18,800

going on too many things going on too

11
00:02:21,820 --> 00:02:20,390

many in fact that just might stop the

12
00:02:27,180 --> 00:02:21,830

shara now there's just too many things

13
00:02:33,670 --> 00:02:27,190

going on we got the the headless men of

14

00:02:37,780 --> 00:02:33,680

Lebanese other creatures from medieval

15

00:02:43,600 --> 00:02:37,790

times got a little story about sea land

16

00:02:47,920 --> 00:02:43,610

and possibly some Bigfoot news oh yeah

17

00:02:52,120 --> 00:02:47,930

oh right oh right this is right

18

00:02:56,680 --> 00:02:52,130

oh right and I'll open up the phone

19

00:03:02,200 --> 00:02:56,690

lines here in a little bit it's all

20

00:03:07,830 --> 00:03:03,960

[Music]

21

00:03:11,550 --> 00:03:07,840

is it all happening it's all happening

22

00:03:14,070 --> 00:03:11,560

it is all happening yes alright just

23

00:03:18,570 --> 00:03:14,080

want to make sure that just wanna make

24

00:03:20,070 --> 00:03:18,580

absolute we need concrete evidence that

25

00:03:23,220 --> 00:03:20,080

it was all happening and I got it right

26

00:03:25,620 --> 00:03:23,230

then and there sometimes I just don't

27

00:03:27,300 --> 00:03:25,630

know I mean check in with AJ every now

28

00:03:30,020 --> 00:03:27,310

and again he lets me know if it's all

29

00:03:33,380 --> 00:03:30,030

happening all right thanks everyone for

30

00:03:38,940 --> 00:03:33,390

for tuning in for tonight's just

31

00:03:41,550 --> 00:03:38,950

astounding magnificent night talk and we

32

00:03:43,710 --> 00:03:41,560

will roll into some stuff well get on

33

00:03:46,470 --> 00:03:43,720

will get on the news wagon will get on

34

00:03:50,699 --> 00:03:46,480

the topic wagon right here and we'll go

35

00:03:56,670 --> 00:03:50,709

over and talk about some crazy crazy

36

00:03:59,250 --> 00:03:56,680

mysterious creatures creatures here we

37

00:04:01,050 --> 00:03:59,260

go oh look at that I already got it up

38

00:04:04,620 --> 00:04:01,060

on the board I'm trying to improve my

39

00:04:06,870 --> 00:04:04,630

transitions and and video quality and

40

00:04:10,920 --> 00:04:06,880

all that stuff so it's all seamless how

41

00:04:13,800 --> 00:04:10,930

do you like it ha ha all right this

42

00:04:17,009 --> 00:04:13,810

story comes from the Daily Mail UK and I

43

00:04:20,250 --> 00:04:17,019

do ask mothers websites as well I'm

44

00:04:22,920 --> 00:04:20,260

doing dual sourcing here this is title

45

00:04:25,469 --> 00:04:22,930

medieval beasts unleashed headless men

46

00:04:29,180 --> 00:04:25,479

and dog demons among monsters thought to

47

00:04:31,920 --> 00:04:29,190

roam exotic lands in the Middle Ages and

48

00:04:35,340 --> 00:04:31,930

you know this is this is an article

49

00:04:38,330 --> 00:04:35,350

written by the Daily Mail UK so bear

50

00:04:41,340 --> 00:04:38,340

with me and it's condescending nature of

51
00:04:44,159 --> 00:04:41,350
these cryptozoological topics they

52
00:04:46,610 --> 00:04:44,169
they're not all in like I am and some of

53
00:04:50,040 --> 00:04:46,620
you out there so we'll read it and then

54
00:04:50,370 --> 00:04:50,050
talk about it and all that stuff here we

55
00:04:52,469 --> 00:04:50,380
go

56
00:04:54,360 --> 00:04:52,479
so from Twilight's werewolves to

57
00:04:56,430 --> 00:04:54,370
monsters in Harry Potter terrifying

58
00:04:59,760 --> 00:04:56,440
creatures continue to haunt the pages of

59
00:05:01,530 --> 00:04:59,770
modern novels but in the Middle Ages the

60
00:05:04,290 --> 00:05:01,540
monsters seen in books and manuscripts

61
00:05:06,510 --> 00:05:04,300
were understood to be real living in

62
00:05:09,810 --> 00:05:06,520
far-flung lands to scare missionaries

63
00:05:13,920 --> 00:05:09,820

and terrorize the sea to laurel lure

64

00:05:17,430 --> 00:05:13,930

sailors to their death well that's not

65

00:05:20,760 --> 00:05:17,440

very nice of them in a new book called

66

00:05:22,290 --> 00:05:20,770

evil monsters details the many monstrous

67

00:05:25,070 --> 00:05:22,300

creatures that were illustrated in

68

00:05:27,750 --> 00:05:25,080

religious texts and illuminated

69

00:05:31,980 --> 00:05:27,760

travelingtales and there's some pictures

70

00:05:33,960 --> 00:05:31,990

up on screen right now that are some of

71

00:05:37,320 --> 00:05:33,970

these illustrations and they're

72

00:05:40,950 --> 00:05:37,330

absolutely horrific creatures we see in

73

00:05:44,000 --> 00:05:40,960

the lower left hand screen that there is

74

00:05:46,980 --> 00:05:44,010

a man what I assume to be a man with

75

00:05:49,230 --> 00:05:46,990

eyes in his shoulders and mouth where he

76

00:05:53,940 --> 00:05:49,240

where his stomach and in chess would be

77

00:05:55,590 --> 00:05:53,950

and then a man with a giant chin I don't

78

00:05:57,870 --> 00:05:55,600

mean it's not even practical to live

79

00:05:59,310 --> 00:05:57,880

like this I don't know what they why

80

00:06:02,100 --> 00:05:59,320

would they choose to be looking like

81

00:06:05,400 --> 00:06:02,110

this is ridiculous in the Middle Ages

82

00:06:07,560 --> 00:06:05,410

roughly between the 5th and 15th century

83

00:06:10,260 --> 00:06:07,570

people debated the significance of

84

00:06:13,050 --> 00:06:10,270

masters questioning why all part Wyatt

85

00:06:18,690 --> 00:06:13,060

an all-powerful God would inflict them

86

00:06:21,210 --> 00:06:18,700

upon them for some of fabulous races

87

00:06:23,310 --> 00:06:21,220

were against nature for others they

88

00:06:26,210 --> 00:06:23,320

manifested God's power to create

89

00:06:29,640 --> 00:06:26,220

different life forms named humph and

90

00:06:31,770 --> 00:06:29,650

marija Gilbert wrote to Crete to create

91

00:06:34,530 --> 00:06:31,780

the books the academics compiled

92

00:06:38,000 --> 00:06:34,540

monstrous images from text kept in the

93

00:06:40,680 --> 00:06:38,010

British Library and among other museums

94

00:06:42,330 --> 00:06:40,690

medieval writers and artists rejoiced in

95

00:06:44,540 --> 00:06:42,340

bringing to life these fanciful

96

00:06:48,930 --> 00:06:44,550

grotesque creatures demons dragons

97

00:06:51,690 --> 00:06:48,940

fantastic beasts human-animal hybrids as

98

00:06:53,700 --> 00:06:51,700

well they continued that medieval people

99

00:06:57,930 --> 00:06:53,710

believed that monstrous races races

100

00:07:00,210 --> 00:06:57,940

lived on the edge of the world and in

101
00:07:03,570 --> 00:07:00,220
recesses of the farthest mountains in

102
00:07:05,850 --> 00:07:03,580
the remotest islands so what I mean this

103
00:07:06,570 --> 00:07:05,860
is a lot of preamble here let's get to

104
00:07:09,510 --> 00:07:06,580
the good stuff

105
00:07:10,980 --> 00:07:09,520
shall we sure and there's a lot of

106
00:07:12,060 --> 00:07:10,990
interesting maps of on-screen here if

107
00:07:13,290 --> 00:07:12,070
you follow the the links in the

108
00:07:16,200 --> 00:07:13,300
description there's some really

109
00:07:19,680 --> 00:07:16,210
interesting illustrations here of these

110
00:07:24,690 --> 00:07:19,690
monsters and maps of the medieval world

111
00:07:28,409 --> 00:07:24,700
according to the people back then he was

112
00:07:30,360 --> 00:07:28,419
had done very few people visited the

113
00:07:31,170 --> 00:07:30,370

inhabited places mentioned by ancient

114

00:07:36,320 --> 00:07:31,180

authors side

115

00:07:41,340 --> 00:07:39,659

plasterer world the plaster world map

116

00:07:43,200 --> 00:07:41,350

drawn in the 13th century represents

117

00:07:46,260 --> 00:07:43,210

remote and hostile environments

118

00:07:48,749 --> 00:07:46,270

inhabited by monsters on the map Christ

119

00:07:51,510 --> 00:07:48,759

is watching over the earth which is

120

00:07:54,990 --> 00:07:51,520

depicted as a circle with an ocean

121

00:07:57,930 --> 00:07:55,000

around it kind of like flat earth huh

122

00:08:00,210 --> 00:07:57,940

Asia is on the top Europe to the lower

123

00:08:04,650 --> 00:08:00,220

left Africa next to it in Jerusalem is

124

00:08:07,140 --> 00:08:04,660

at the center the authors told the Daily

125

00:08:09,510 --> 00:08:07,150

Mail Online the fact that the world is

126

00:08:12,029 --> 00:08:09,520

round was already known by the

127

00:08:15,900 --> 00:08:12,039

greco-roman by the in the greco-roman

128

00:08:18,150 --> 00:08:15,910

period and transmitted as such to the

129

00:08:20,610 --> 00:08:18,160

medieval period well I don't know this

130

00:08:22,170 --> 00:08:20,620

this round map they got here it's not

131

00:08:25,170 --> 00:08:22,180

it's not I know what they're trying to

132

00:08:27,810 --> 00:08:25,180

do here but I guess they did a good job

133

00:08:29,790 --> 00:08:27,820

trying to create a globe with the the

134

00:08:33,120 --> 00:08:29,800

amount of a trigonometry geometry and

135

00:08:37,469 --> 00:08:33,130

what they knew of the blow back then so

136

00:08:39,779 --> 00:08:37,479

hats off to them for trying the world

137

00:08:41,850 --> 00:08:39,789

map thus called plasters world map

138

00:08:44,430 --> 00:08:41,860

that's called because it was included in

139

00:08:48,290 --> 00:08:44,440

the 13th century English class tower

140

00:08:50,760 --> 00:08:48,300

assaulters is that Salter or plasters

141

00:08:54,420 --> 00:08:50,770

maybe a peace sign with Salters world

142

00:08:57,030 --> 00:08:54,430

map is representative of Western maps of

143

00:09:00,150 --> 00:08:57,040

the time which Ruslan located in its

144

00:09:03,690 --> 00:09:00,160

centre and its peripheries inhabited by

145

00:09:06,720 --> 00:09:03,700

monstrous creatures okay so let's get

146

00:09:10,340 --> 00:09:06,730

right here on screen is the headless the

147

00:09:13,490 --> 00:09:10,350

headless men of the Blue Meanies

148

00:09:16,250 --> 00:09:13,500

if you to the right we see what can only

149

00:09:18,710 --> 00:09:16,260

be scribed as a headless man with I

150

00:09:22,160 --> 00:09:18,720

would say pubic hair at least two and a

151
00:09:26,840 --> 00:09:22,170
half feet long covering what we can call

152
00:09:29,770 --> 00:09:26,850
the penis that's so it's in and then on

153
00:09:32,630 --> 00:09:29,780
the left there appear to be Knights

154
00:09:35,920 --> 00:09:32,640
people carrying Spears and swords riding

155
00:09:39,050 --> 00:09:35,930
horses greeting the headless men and

156
00:09:42,470 --> 00:09:39,060
their fantastically long pubic hair and

157
00:09:46,010 --> 00:09:42,480
the the headless man has is his arm out

158
00:09:48,830 --> 00:09:46,020
as if to say hey shake my hand I swear

159
00:09:50,690 --> 00:09:48,840
it wasn't touching my pubic hair in the

160
00:09:53,150 --> 00:09:50,700
and the guys on the left that the

161
00:09:56,330 --> 00:09:53,160
Knights I recorded weak or lean in fear

162
00:09:59,720 --> 00:09:56,340
in horror at meeting this creature and

163
00:10:06,140 --> 00:09:59,730

having to stare at its naked body they

164

00:10:07,790 --> 00:10:06,150

look ridiculous but we'll move on to dig

165

00:10:09,749 --> 00:10:07,800

a little more into these headless

166

00:10:13,559 --> 00:10:09,759

creatures

167

00:10:15,389 --> 00:10:13,569

so on this is uh this is also on the in

168

00:10:18,389 --> 00:10:15,399

the links down below is this comes from

169

00:10:21,599 --> 00:10:18,399

ancient origins net which is a very cool

170

00:10:24,119 --> 00:10:21,609

site and has a lot of different stories

171

00:10:26,939 --> 00:10:24,129

and blog articles about just fantastic

172

00:10:28,019 --> 00:10:26,949

stories like headless horseman or and I

173

00:10:30,979 --> 00:10:28,029

had this horseman have this man like

174

00:10:37,949 --> 00:10:30,989

this and other made beautiful stories

175

00:10:41,909 --> 00:10:37,959

but the blem eni's lebanese Bloomie's me

176
00:10:44,729 --> 00:10:41,919
el e mmm y eso I guess Bloomie's were

177
00:10:47,309 --> 00:10:44,739
first described in two thousand five

178
00:10:49,979 --> 00:10:47,319
hundred to two thousand five hundred

179
00:10:52,769 --> 00:10:49,989
years ago in the history is written by

180
00:10:55,859 --> 00:10:52,779
the fifth century BC Greek historian

181
00:10:58,499 --> 00:10:55,869
here at --ss heavens creatures with eyes

182
00:11:01,400 --> 00:10:58,509
in their chest at least that's what the

183
00:11:05,669 --> 00:11:01,410
the Libyans say according to Harris's

184
00:11:07,619 --> 00:11:05,679
hero DotA's Herodotus these creatures

185
00:11:10,470 --> 00:11:07,629
inhabited the western part of Libya

186
00:11:12,929 --> 00:11:10,480
which is supposed to be a very hilly and

187
00:11:16,019 --> 00:11:12,939
thickly wooded in is teeming with

188
00:11:17,819 --> 00:11:16,029

wildlife in addition to these headless

189

00:11:20,579 --> 00:11:17,829

creatures this part of the world is said

190

00:11:23,599 --> 00:11:20,589

to be home to such creatures as the as

191

00:11:26,970 --> 00:11:23,609

an enormous snake donkeys with horns and

192

00:11:28,919 --> 00:11:26,980

dog headed creatures all of which the

193

00:11:32,369 --> 00:11:28,929

historian tells his audience are not

194

00:11:34,619 --> 00:11:32,379

merely the stuff of fables here ad Otis

195

00:11:38,639 --> 00:11:34,629

Harvard does not give these headless

196

00:11:40,979 --> 00:11:38,649

creatures of Libya a name so he sees

197

00:11:42,779 --> 00:11:40,989

this I say and I've got some headless

198

00:11:45,689 --> 00:11:42,789

dudes over there and I'm not gonna call

199

00:11:49,819 --> 00:11:45,699

him anything but they're over there the

200

00:11:54,199 --> 00:11:49,829

name bloom knees can be found in the

201
00:11:58,229 --> 00:11:54,209
you've got a geography of Strabo

202
00:12:01,919 --> 00:11:58,239
Strabo okay this first century greek

203
00:12:05,429 --> 00:12:01,929
geographer describes the lebanese uh not

204
00:12:10,710 --> 00:12:05,439
not as strange monsters but as a tribe

205
00:12:13,679 --> 00:12:10,720
inhabiting the lower part of Nubia along

206
00:12:18,710 --> 00:12:13,689
the Nile towards the Red Sea it is in

207
00:12:25,400 --> 00:12:22,910
and plenty Recor records that the blinis

208
00:12:28,579 --> 00:12:25,410
are said to have no heads their mouths

209
00:12:32,030 --> 00:12:28,589
and their eyes being seated in their

210
00:12:35,930 --> 00:12:32,040
breasts but that's a lot I mean how do

211
00:12:37,820 --> 00:12:35,940
you eat how do you even nod your head in

212
00:12:39,950 --> 00:12:37,830
agreement or nod your head shaking your

213
00:12:42,980 --> 00:12:39,960

head like you don't want something it's

214

00:12:48,350 --> 00:12:45,680

it may be pointed out that here at

215

00:12:50,630 --> 00:12:48,360

DotA's clean these knowledge of the blue

216

00:12:52,579 --> 00:12:50,640

matias is also based upon hearsay

217

00:12:55,250 --> 00:12:52,589

additionally clean these views on

218

00:12:58,460 --> 00:12:55,260

geography is similar to that of

219

00:13:01,280 --> 00:12:58,470

Herodotus but in which not the edge

220

00:13:03,110 --> 00:13:01,290

edges of the unknown world are inhabited

221

00:13:07,210 --> 00:13:03,120

by strange creatures for instance Pliny

222

00:13:12,949 --> 00:13:07,220

also wrote about the hippopotamus or

223

00:13:17,210 --> 00:13:12,959

hippopotamus hammo toe photos what is

224

00:13:20,240 --> 00:13:17,220

going on here a race of people with feet

225

00:13:24,860 --> 00:13:20,250

resembling thongs upon which they move

226

00:13:28,310 --> 00:13:24,870

along by nature well with a serpentine

227

00:13:30,560 --> 00:13:28,320

crying a crawling kind of gait so we

228

00:13:32,810 --> 00:13:30,570

have snake creatures you can see

229

00:13:36,290 --> 00:13:32,820

depicted here you have headless men and

230

00:13:38,030 --> 00:13:36,300

in their chests and everyone's just

231

00:13:41,210 --> 00:13:38,040

hanging out in the outer reaches of the

232

00:13:43,290 --> 00:13:41,220

world according to ancient texts this is

233

00:13:45,930 --> 00:13:43,300

insane

234

00:13:50,070 --> 00:13:45,940

according to the Lebanese survived into

235

00:13:51,509 --> 00:13:50,080

the Middle Ages and they make it

236

00:13:54,509 --> 00:13:51,519

appearance I'll be in a slightly

237

00:13:57,600 --> 00:13:54,519

modified form in the 14th century known

238

00:14:00,690 --> 00:13:57,610

as the travels of Sir John Mandeville

239

00:14:02,790 --> 00:14:00,700

although they're not namely Lebanese

240

00:14:07,400 --> 00:14:02,800

Mandeville describes these creatures the

241

00:14:11,970 --> 00:14:07,410

headless men as folk a foul stature and

242

00:14:15,030 --> 00:14:11,980

of a curse kind that have no heads and

243

00:14:16,980 --> 00:14:15,040

their eyes be in their shoulders their

244

00:14:20,670 --> 00:14:16,990

eyes be in their shoulders they must

245

00:14:24,120 --> 00:14:20,680

have scurvy Mandeville does not place

246

00:14:27,930 --> 00:14:24,130

them in Africa however but on the island

247

00:14:30,290 --> 00:14:27,940

in Asia instead in the 6th and 7th

248

00:14:33,120 --> 00:14:30,300

century English explorer Sir Walter

249

00:14:35,220 --> 00:14:33,130

Raleigh also provides an account of

250

00:14:38,370 --> 00:14:35,230

creatures resembling the Blue Meanies

251
00:14:42,569 --> 00:14:38,380
rally reports that the creatures are

252
00:14:45,240 --> 00:14:42,579
called Amaka even pronounce this which

253
00:14:50,130 --> 00:14:45,250
is ridiculous you can look this up this

254
00:14:51,840 --> 00:14:50,140
is a ye hwa pon ma you want Panama they

255
00:14:53,550 --> 00:14:51,850
are reported to have their eyes and

256
00:14:56,220 --> 00:14:53,560
their shoulders and mouths in the middle

257
00:14:59,280 --> 00:14:56,230
of their breasts and that a long train

258
00:15:00,569 --> 00:14:59,290
of hair growth backwards between their

259
00:15:02,519 --> 00:15:00,579
shoulders but no one's talking about

260
00:15:04,980 --> 00:15:02,529
their pubic hair e we saw the on the

261
00:15:07,270 --> 00:15:04,990
other page it's ridiculous no one talks

262
00:15:10,990 --> 00:15:08,740
come on you guys are traveling the world

263
00:15:14,860 --> 00:15:11,000

I'm not gonna take a look down and see

264

00:15:17,020 --> 00:15:14,870

if they got what they're packing these

265

00:15:19,450 --> 00:15:17,030

are common observational detective

266

00:15:22,570 --> 00:15:19,460

questions that you want to ask I'm not

267

00:15:25,240 --> 00:15:22,580

doing it well so you have like accounts

268

00:15:28,060 --> 00:15:25,250

I granted there they're working off of

269

00:15:30,910 --> 00:15:28,070

each other they are I can understand how

270

00:15:32,980 --> 00:15:30,920

you maybe you read with somebody else

271

00:15:35,350 --> 00:15:32,990

Rodin's you included in your tax there I

272

00:15:37,000 --> 00:15:35,360

don't how many expeditions were going on

273

00:15:39,700 --> 00:15:37,010

back then and and accurate information

274

00:15:42,820 --> 00:15:39,710

was passing from one place to another

275

00:15:45,790 --> 00:15:42,830

and how quickly so maybe these tales

276

00:15:48,340 --> 00:15:45,800

spun out of control but over thousands

277

00:15:49,840 --> 00:15:48,350

of years you saw from the first century

278

00:15:52,480 --> 00:15:49,850

they were talking about it and then up

279

00:15:54,310 --> 00:15:52,490

until the sixteenth century they were

280

00:15:56,740 --> 00:15:54,320

talking about the same creature headless

281

00:15:59,050 --> 00:15:56,750

men with eyes in their in their

282

00:16:00,220 --> 00:15:59,060

shoulders and I would suppose they don't

283

00:16:03,900 --> 00:16:00,230

mention anything about a nose my nose a

284

00:16:09,730 --> 00:16:03,910

mouth in their chest area absolutely

285

00:16:12,010 --> 00:16:09,740

insane absolutely insane are all these

286

00:16:15,280 --> 00:16:12,020

people just making this stuff up or all

287

00:16:19,050 --> 00:16:15,290

they are they seeing some sort of tribe

288

00:16:21,150 --> 00:16:19,060

of deformed humans at this point

289

00:16:22,590 --> 00:16:21,160

I don't want to write I I don't want to

290

00:16:24,540 --> 00:16:22,600

write at all office that hey there does

291

00:16:26,880 --> 00:16:24,550

they've read with somebody else wrote

292

00:16:28,440 --> 00:16:26,890

their parity it and they're turning it

293

00:16:31,680 --> 00:16:28,450

into their own story they're using it

294

00:16:35,940 --> 00:16:31,690

for their own manuscripts to send back

295

00:16:39,420 --> 00:16:35,950

home so they can paint a fantastic image

296

00:16:43,140 --> 00:16:39,430

of what the the world is like in some of

297

00:16:46,260 --> 00:16:43,150

the the more exotic places that are less

298

00:16:48,900 --> 00:16:46,270

explored I would hate to think that they

299

00:16:50,940 --> 00:16:48,910

just kind of made his stuff up maybe

300

00:16:54,450 --> 00:16:50,950

they have maybe they miss saw some stuff

301

00:16:59,480 --> 00:16:54,460

I mean there are people that do look

302

00:17:03,510 --> 00:16:59,490

like they have maybe no net or that they

303

00:17:04,590 --> 00:17:03,520

could potentially pass as somebody that

304

00:17:06,200 --> 00:17:04,600

doesn't have a head I'll bring up a

305

00:17:08,690 --> 00:17:06,210

bring up an image right now and screen

306

00:17:10,680 --> 00:17:08,700

something like that Danny DeVito he

307

00:17:15,240 --> 00:17:10,690

almost looks like a headless man

308

00:17:17,280 --> 00:17:15,250

sometimes I'm kind of joking here but I

309

00:17:19,580 --> 00:17:17,290

mean if you take off Danny DeVito shirt

310

00:17:23,640 --> 00:17:19,590

just go ahead take it off in your head

311

00:17:24,930 --> 00:17:23,650

take it off and hmm you can leave

312

00:17:26,430 --> 00:17:24,940

everything else on take off your shirt

313

00:17:30,090 --> 00:17:26,440

and then you make them like hunched over

314

00:17:30,540 --> 00:17:30,100

it's gonna look like the guy's got no

315

00:17:32,850 --> 00:17:30,550

head

316

00:17:36,390 --> 00:17:32,860

he's got a it's in his chest it's

317

00:17:42,450 --> 00:17:40,080

but then you have all these other things

318

00:17:46,490 --> 00:17:42,460

going on all these other people talking

319

00:17:49,340 --> 00:17:46,500

about the same thing over and over again

320

00:17:51,440 --> 00:17:49,350

so today very few would seriously

321

00:17:53,470 --> 00:17:51,450

believe in the existence of such a

322

00:17:55,820 --> 00:17:53,480

creature as the the headless men

323

00:17:58,010 --> 00:17:55,830

nevertheless this is not stop

324

00:18:00,649 --> 00:17:58,020

speculation about what made the ancient

325

00:18:02,210 --> 00:18:00,659

authors write about such beans when

326

00:18:05,240 --> 00:18:02,220

science fiction author author for

327

00:18:07,970 --> 00:18:05,250

instance wrote in a short story that the

328

00:18:11,510 --> 00:18:07,980

abilities were aliens another

329

00:18:14,480 --> 00:18:11,520

explanation is that the blinis were

330

00:18:17,029 --> 00:18:14,490

human beings with shoulders raised to

331

00:18:21,020 --> 00:18:17,039

extreme Heights an anatomical

332

00:18:25,760 --> 00:18:21,030

modification that may be done to their

333

00:18:28,159 --> 00:18:25,770

infants which is depressing to think

334

00:18:30,470 --> 00:18:28,169

about but that doesn't doesn't stop

335

00:18:32,270 --> 00:18:30,480

various tribes there are various tribes

336

00:18:34,250 --> 00:18:32,280

in Africa that will extend people's

337

00:18:37,340 --> 00:18:34,260

necks or have various Abadi

338

00:18:39,020 --> 00:18:37,350

modifications so but to extend how do

339

00:18:41,600 --> 00:18:39,030

you extend someone's shoulders from

340

00:18:43,950 --> 00:18:41,610

earth or from earth from birth how would

341

00:18:46,770 --> 00:18:43,960

you do that

342

00:18:50,280 --> 00:18:46,780

we'll get that done was that cost we do

343

00:18:53,850 --> 00:18:50,290

a patreon on that find out yeah another

344

00:18:57,600 --> 00:18:53,860

theory is that the that the traditional

345

00:19:01,860 --> 00:18:57,610

desert garb and headdress has worn by

346

00:19:03,600 --> 00:19:01,870

the dawn and other desert nomads of the

347

00:19:05,370 --> 00:19:03,610

bloomin eaves might have given the

348

00:19:09,900 --> 00:19:05,380

ancient writers the wrong impression

349

00:19:11,730 --> 00:19:09,910

that these people were headless I don't

350

00:19:13,740 --> 00:19:11,740

know I don't that's all the theories

351

00:19:16,680 --> 00:19:13,750

they got on it and this has all the

352

00:19:20,460 --> 00:19:16,690

sources of reference on this article

353

00:19:23,190 --> 00:19:20,470

from ancient origins dotnet I I want to

354

00:19:25,530 --> 00:19:23,200

I have to believe that people in the

355

00:19:27,510 --> 00:19:25,540

14th century 15th century 16th century

356

00:19:33,810 --> 00:19:27,520

ran into these headless people could

357

00:19:36,780 --> 00:19:33,820

distinguish between a robe or Arabic

358

00:19:42,100 --> 00:19:36,790

garments of the time versus people that

359

00:19:47,700 --> 00:19:45,190

I don't from these from this article and

360

00:19:50,919 --> 00:19:47,710

the previous one I have not read if

361

00:19:53,350 --> 00:19:50,929

there were as any sort of interaction

362

00:19:54,789 --> 00:19:53,360

did they want a trade was there a what

363

00:19:57,750 --> 00:19:54,799

kind of what was on their coin I know

364

00:20:00,430 --> 00:19:57,760

our coins here we have the heads of

365

00:20:02,799 --> 00:20:00,440

presidents did they have headless people

366

00:20:05,560 --> 00:20:02,809

on their coins that's what I would like

367

00:20:11,310 --> 00:20:05,570

to know none of those things are

368

00:20:19,230 --> 00:20:14,780

but it is interesting nonetheless I uh I

369

00:20:20,600 --> 00:20:19,240

would have to I don't have to assume

370

00:20:26,100 --> 00:20:20,610

anything

371

00:20:27,450 --> 00:20:26,110

it's just curious on this face that this

372

00:20:30,390 --> 00:20:27,460

other article over here doesn't really

373

00:20:33,180 --> 00:20:30,400

give a concrete explanation as to why

374

00:20:38,390 --> 00:20:33,190

these authors would make this stuff up

375

00:20:41,270 --> 00:20:38,400

only trying to explain it away as

376

00:20:43,350 --> 00:20:41,280

misidentification which could happen

377

00:20:46,170 --> 00:20:43,360

they just kind of like leave it hang

378

00:20:48,660 --> 00:20:46,180

there I'm not sure if there's a good

379

00:20:50,460 --> 00:20:48,670

explanation of how over multiple

380

00:20:53,460 --> 00:20:50,470

centuries they could just miss identify

381

00:20:57,290 --> 00:20:53,470

these these these people over and over

382

00:21:00,120 --> 00:20:57,300

again and they call them foul like

383

00:21:01,890 --> 00:21:00,130

that's not a good interaction to have if

384

00:21:03,210 --> 00:21:01,900

you're calling a race I'm gonna call

385

00:21:05,630 --> 00:21:03,220

this a race of people foul

386

00:21:08,610 --> 00:21:05,640

they I'm assuming they didn't have very

387

00:21:12,720 --> 00:21:08,620

high thoughts or high value on these

388

00:21:14,420 --> 00:21:12,730

people maybe they couldn't talk I don't

389

00:21:16,110 --> 00:21:14,430

know I mean they can't wear shirts I

390

00:21:19,530 --> 00:21:16,120

guess they could wear a button-down

391

00:21:21,570 --> 00:21:19,540

shirts but if you look at it these

392

00:21:24,340 --> 00:21:21,580

people just have those people I don't

393

00:21:28,029 --> 00:21:26,529

I guess we'd be pretty good at limbo

394

00:21:33,120 --> 00:21:28,039

that's for damn sure

395

00:21:36,220 --> 00:21:33,130

wouldn't they oh my god oh no

396

00:21:38,380 --> 00:21:36,230

six one four three eight eight nine 109

397

00:21:44,270 --> 00:21:38,390

that's the the headless people right

398

00:21:52,310 --> 00:21:47,660

suggesting it is

399

00:21:59,960 --> 00:21:54,870

okay I have a something a little

400

00:22:02,910 --> 00:21:59,970

different here this is not not the

401
00:22:04,650 --> 00:22:02,920
cryptozoology or anything like that and

402
00:22:06,630 --> 00:22:04,660
it'll definitely will include less

403
00:22:09,630 --> 00:22:06,640
reading so I think we're all going to

404
00:22:15,190 --> 00:22:12,520
yeah I do I do good at reading when it's

405
00:22:17,830 --> 00:22:15,200
just not these weird words like the and

406
00:22:21,970 --> 00:22:17,840
what and if all those weird words

407
00:22:25,600 --> 00:22:21,980
hung up on them well this one is about

408
00:22:28,210 --> 00:22:25,610
the world's tiniest countries and the

409
00:22:32,740 --> 00:22:28,220
eccentric people who rule them this is

410
00:22:34,120 --> 00:22:32,750
about the seal and sea land and I'll

411
00:22:35,800 --> 00:22:34,130
play the sunscreen so everyone can watch

412
00:22:38,950 --> 00:22:35,810
we're just gonna we're gonna play this

413
00:22:42,030 --> 00:22:38,960

this is the article and I have a youtube

414

00:22:44,230 --> 00:22:42,040

video yay and I think we can play it

415

00:22:48,150 --> 00:22:44,240

let's go ahead and play this bad boy

416

00:22:52,380 --> 00:22:50,550

seven fashion designer Gianni Versace

417

00:22:54,600 --> 00:22:52,390

was shot and killed on the steps of his

418

00:22:57,090 --> 00:22:54,610

Miami Beach mansion by one of the FBI's

419

00:22:58,410 --> 00:22:57,100

10 most wanted fugitives days later a

420

00:23:00,150 --> 00:22:58,420

car was found containing some of the

421

00:23:01,950 --> 00:23:00,160

personal effects of the killer including

422

00:23:02,790 --> 00:23:01,960

a passport from the Principality of

423

00:23:05,760 --> 00:23:02,800

Sealand

424

00:23:07,440 --> 00:23:05,770

the country no one even knew existed or

425

00:23:09,900 --> 00:23:07,450

was seal and even a country to begin

426

00:23:11,220 --> 00:23:09,910

with during World War two the United

427

00:23:13,050 --> 00:23:11,230

Kingdom built a series of forts in the

428

00:23:15,240 --> 00:23:13,060

North Sea and in an attempt to defend

429

00:23:17,220 --> 00:23:15,250

vital shipping lanes against the Germans

430

00:23:18,960 --> 00:23:17,230

one such fort roughs tower was erected

431

00:23:20,610 --> 00:23:18,970

roughly seven nautical miles off the

432

00:23:22,530 --> 00:23:20,620

coast of Suffolk fast forward to the

433

00:23:23,910 --> 00:23:22,540

1960s the fort's had been vacated by the

434

00:23:25,680 --> 00:23:23,920

government making them available to

435

00:23:27,690 --> 00:23:25,690

radio DJs trying to meet a growing

436

00:23:29,730 --> 00:23:27,700

demand for pop and rock music not being

437

00:23:31,500 --> 00:23:29,740

catered to by BBC Radio 2 of these

438

00:23:33,690 --> 00:23:31,510

so-called radio pirates patty Roy Bates

439

00:23:35,460 --> 00:23:33,700

operator of radio Essex and Ronan

440

00:23:38,130 --> 00:23:35,470

O'Reilly operator of Radio Caroline

441

00:23:39,630 --> 00:23:38,140

began occupying roughs tower differences

442

00:23:42,180 --> 00:23:39,640

between the two emerged however and

443

00:23:43,680 --> 00:23:42,190

bates sees the tower as his own members

444

00:23:45,450 --> 00:23:43,690

of radio Caroline then attempted to take

445

00:23:47,730 --> 00:23:45,460

back the fort but Bates and his crew

446

00:23:50,280 --> 00:23:47,740

held the fort with guns and Molotov

447

00:23:51,540 --> 00:23:50,290

cocktails following the attack Bates and

448

00:23:53,610 --> 00:23:51,550

his family decided to permanently

449

00:23:55,050 --> 00:23:53,620

relocate to roughs tower however before

450

00:23:57,030 --> 00:23:55,060

they could even finish decorating their

451
00:23:58,980 --> 00:23:57,040
new home a ship carrying British Royal

452
00:24:00,750 --> 00:23:58,990
Marines ordered Bates to surrender and

453
00:24:02,550 --> 00:24:00,760
vacate the fort Bates refused and

454
00:24:05,430 --> 00:24:02,560
established his own nation all in roughs

455
00:24:06,930 --> 00:24:05,440
tower on September 2nd 1967 Bates

456
00:24:09,660 --> 00:24:06,940
declared independence and the

457
00:24:11,160 --> 00:24:09,670
Principality of Sealand was born sadly

458
00:24:13,440 --> 00:24:11,170
this Declaration of Independence was

459
00:24:15,360 --> 00:24:13,450
largely ignored until year later when

460
00:24:16,650 --> 00:24:15,370
was 15 year old son Michael fired

461
00:24:18,420 --> 00:24:16,660
warning shots at workmen who were

462
00:24:20,070 --> 00:24:18,430
servicing a navigational buoy near the

463
00:24:21,750 --> 00:24:20,080

platform the next time Roy and his son

464

00:24:23,700 --> 00:24:21,760

Michael set foot on the mainland of the

465

00:24:25,350 --> 00:24:23,710

United Kingdom they were arrested on

466

00:24:27,480 --> 00:24:25,360

weapons charges however British

467

00:24:29,220 --> 00:24:27,490

territorial claim at the time was judged

468

00:24:31,710 --> 00:24:29,230

by how far a cannon could shoot from

469

00:24:33,720 --> 00:24:31,720

land into the North Sea in this case

470

00:24:35,430 --> 00:24:33,730

three nautical miles since sea land was

471

00:24:36,960 --> 00:24:35,440

more than twice that distance away from

472

00:24:38,640 --> 00:24:36,970

the mainland the court ruled that the

473

00:24:40,470 --> 00:24:38,650

fort laid outside of the United

474

00:24:41,430 --> 00:24:40,480

Kingdom's jurisdiction and thus the case

475

00:24:43,320 --> 00:24:41,440

could not proceed

476

00:24:45,210 --> 00:24:43,330

so that's it he lands a country right

477

00:24:47,760 --> 00:24:45,220

well not exactly

478

00:24:50,100 --> 00:24:47,770

mini micro nations like Ceylon cite the

479

00:24:51,300 --> 00:24:50,110

1933 Montevideo convention when

480

00:24:53,280 --> 00:24:51,310

attempting to legitimize their

481

00:24:55,290 --> 00:24:53,290

sovereignty this convention came up with

482

00:24:57,240 --> 00:24:55,300

four criteria for legitimate nations a

483

00:24:58,460 --> 00:24:57,250

permanent population a defined territory

484

00:25:00,350 --> 00:24:58,470

a government

485

00:25:02,360 --> 00:25:00,360

and the capacity to enter into relations

486

00:25:04,249 --> 00:25:02,370

with other states co-ed has the Bates

487

00:25:06,019 --> 00:25:04,259

family is a permanent population roughs

488

00:25:07,249 --> 00:25:06,029

tower as a defined territory and Roy

489

00:25:08,600 --> 00:25:07,259

Bates has also established some

490

00:25:10,249 --> 00:25:08,610

semblance of a government on the

491

00:25:11,810 --> 00:25:10,259

structure the tricky one and the one

492

00:25:14,840 --> 00:25:11,820

that often trips nations up is number

493

00:25:16,490 --> 00:25:14,850

four in August 1978 the self-proclaimed

494

00:25:17,960 --> 00:25:16,500

prime minister of Sealand Alexander

495

00:25:20,060 --> 00:25:17,970

Achenbach hired German and Dutch

496

00:25:21,529 --> 00:25:20,070

mercenaries to attack seal and while Roy

497

00:25:23,180 --> 00:25:21,539

Bates and his wife were in England

498

00:25:24,169 --> 00:25:23,190

Rokenbok and the mercenary stormed the

499

00:25:26,060 --> 00:25:24,179

fort with speedboats

500

00:25:27,889 --> 00:25:26,070

jet skis and helicopters and took

501
00:25:29,539 --> 00:25:27,899
Michael Bates hostage however Michael

502
00:25:31,779 --> 00:25:29,549
was able to use weapons stashed on the

503
00:25:33,740 --> 00:25:31,789
platform to escape and retake the fort

504
00:25:35,840 --> 00:25:33,750
capturing Aachen Bock and his

505
00:25:37,399 --> 00:25:35,850
mercenaries aachen Bock the holder of a

506
00:25:39,169 --> 00:25:37,409
seal and passport was charged with

507
00:25:40,850 --> 00:25:39,179
treason and was held on the fort as a

508
00:25:43,970 --> 00:25:40,860
prisoner unless he agreed to pay the

509
00:25:45,499 --> 00:25:43,980
Bates family \$35,000 the governments of

510
00:25:47,389 --> 00:25:45,509
the Netherlands Austria and Germany

511
00:25:49,159 --> 00:25:47,399
petitioned the United Kingdom for the

512
00:25:52,129 --> 00:25:49,169
release of the German citizen but the UK

513
00:25:54,259 --> 00:25:52,139

denied the requests citing the 1968 case

514

00:25:55,070 --> 00:25:54,269

which ruled that Sealand was outside of

515

00:25:57,169 --> 00:25:55,080

their jurisdiction

516

00:25:59,480 --> 00:25:57,179

Germany then sent a diplomat from their

517

00:26:01,519 --> 00:25:59,490

Embassy in London to Ceylon to negotiate

518

00:26:03,560 --> 00:26:01,529

the release of Aachen balk a gesture in

519

00:26:05,450 --> 00:26:03,570

which the Bates family claims proves

520

00:26:07,460 --> 00:26:05,460

their capacity to enter in relations

521

00:26:09,409 --> 00:26:07,470

with other states while also proving

522

00:26:12,169 --> 00:26:09,419

Germany's recognition of Sealand as a

523

00:26:13,509 --> 00:26:12,179

sovereign nation so the UK conceded that

524

00:26:15,889 --> 00:26:13,519

Ceylon was outside of their jurisdiction

525

00:26:18,139 --> 00:26:15,899

Ceylon fulfills the four requirements of

526

00:26:19,970 --> 00:26:18,149

the Montevideo convention and has de

527

00:26:23,180 --> 00:26:19,980

facto recognition from Germany now it's

528

00:26:25,100 --> 00:26:23,190

a country right again not really the sad

529

00:26:27,259 --> 00:26:25,110

truth is that no one really cares about

530

00:26:28,850 --> 00:26:27,269

the Montevideo convention whether anion

531

00:26:30,710 --> 00:26:28,860

Asian sovereignty is recognised comes

532

00:26:33,289 --> 00:26:30,720

down to whether or not other recognized

533

00:26:36,169 --> 00:26:33,299

countries recognize them today despite

534

00:26:38,119 --> 00:26:36,179

the 1968 court case and the negotiations

535

00:26:40,159 --> 00:26:38,129

with the German diplomat no country

536

00:26:43,610 --> 00:26:40,169

recognizes Zealand as a country and

537

00:26:45,529 --> 00:26:43,620

therefore it is not a country in 1987

538

00:26:47,720 --> 00:26:45,539

the UK extended its territorial waters

539

00:26:50,029 --> 00:26:47,730

from 3 nautical miles to 12 nautical

540

00:26:52,159 --> 00:26:50,039

miles thus including roughs tower within

541

00:26:53,869 --> 00:26:52,169

its jurisdiction cool however despite

542

00:26:55,369 --> 00:26:53,879

this lack of recognition the Bates

543

00:26:57,200 --> 00:26:55,379

family has stood by the fact that

544

00:26:59,389 --> 00:26:57,210

Zealand is its own sovereign country

545

00:27:00,980 --> 00:26:59,399

they have their own constitution proudly

546

00:27:03,470 --> 00:27:00,990

fly their own flag

547

00:27:05,180 --> 00:27:03,480

and had their own passport that was of

548

00:27:07,580 --> 00:27:05,190

course until Versace's murderer was

549

00:27:09,560 --> 00:27:07,590

found possessing one in 1997 and prince

550

00:27:11,000 --> 00:27:09,570

roy immediately revoked all of the

551

00:27:14,060 --> 00:27:11,010

passports that had previously been

552

00:27:15,860 --> 00:27:14,070

issued Prince Roy died in 2012 and his

553

00:27:17,690 --> 00:27:15,870

son Michael has assumed the title as the

554

00:27:18,380 --> 00:27:17,700

monarch of Sealand yeah after nearly 50

555

00:27:20,210 --> 00:27:18,390

years

556

00:27:22,669 --> 00:27:20,220

a tense court ruling in a hostage

557

00:27:24,169 --> 00:27:22,679

situation Ceylon still proudly stands in

558

00:27:29,520 --> 00:27:24,179

the North Sea as the world's smallest

559

00:27:36,350 --> 00:27:31,960

[Music]

560

00:27:39,380 --> 00:27:36,360

there you go there is a little little

561

00:27:41,600 --> 00:27:39,390

thing about Micronesian called Ceylon

562

00:27:43,340 --> 00:27:41,610

which is fascinating absolutely

563

00:27:46,480 --> 00:27:43,350

fascinating

564

00:27:50,210 --> 00:27:46,490

that this family tried to just make a

565

00:27:53,210 --> 00:27:50,220

nation and just try to do it on their

566

00:27:57,380 --> 00:27:53,220

own it's ballsy certainly it's ballsy

567

00:28:00,530 --> 00:27:57,390

you've got to give them that they had

568

00:28:02,570 --> 00:28:00,540

sovereign sovereign citizen that that

569

00:28:04,790 --> 00:28:02,580

topic comes up over and over again when

570

00:28:07,640 --> 00:28:04,800

you when you dive into some of the

571

00:28:09,350 --> 00:28:07,650

conspiracy realms and New World Order's

572

00:28:13,010 --> 00:28:09,360

like I'm a sovereign citizen you don't

573

00:28:15,470 --> 00:28:13,020

have a right to to do anything to me I'm

574

00:28:17,900 --> 00:28:15,480

ruled and governed by my own law and

575

00:28:21,080 --> 00:28:17,910

here's a family that actually tried to

576

00:28:25,250 --> 00:28:21,090

go out and do it start their own country

577

00:28:27,500 --> 00:28:25,260

start something new and they refuse to

578

00:28:30,140 --> 00:28:27,510

be recognized and then Britain just said

579

00:28:34,280 --> 00:28:30,150

screw you we'll just extend the waters

580

00:28:37,640 --> 00:28:34,290

around the UK and we'll just adopt you

581

00:28:40,250 --> 00:28:37,650

we'll just take you in so someone who's

582

00:28:43,130 --> 00:28:40,260

yet how do they get food in clean water

583

00:28:47,570 --> 00:28:43,140

now that's a good question I wonder if

584

00:28:51,950 --> 00:28:47,580

this article from wired.com will have

585

00:28:56,050 --> 00:28:51,960

anything to say about that I just try to

586

00:28:58,670 --> 00:28:56,060

do a search for food nothing comes up

587

00:29:01,420 --> 00:28:58,680

now water I mean obviously maybe you

588

00:29:05,390 --> 00:29:01,430

will capture water in in rain buckets

589

00:29:08,860 --> 00:29:05,400

but food that's a big thing but there

590

00:29:10,970 --> 00:29:08,870

are only a couple miles away from the

591

00:29:14,240 --> 00:29:10,980

from the mainland so they might be able

592

00:29:16,940 --> 00:29:14,250

take a boat take a boat over to good old

593

00:29:18,920 --> 00:29:16,950

jolly old England stop by the Old Crow

594

00:29:20,450 --> 00:29:18,930

gus' out there what do you guys got in

595

00:29:22,370 --> 00:29:20,460

England you guys got Kroger's our Big

596

00:29:24,770 --> 00:29:22,380

Bear which is supermarket I'm gonna

597

00:29:27,260 --> 00:29:24,780

start by Whole Foods and then I'm gonna

598

00:29:31,490 --> 00:29:27,270

go back to state land I am and be a

599

00:29:32,840 --> 00:29:31,500

pirate and catch scurvy I will I bagged

600

00:29:35,230 --> 00:29:32,850

him assume that's what they do

601
00:29:38,420 --> 00:29:35,240
so I'll take I'll type in seal and

602
00:29:41,390 --> 00:29:38,430
country food and what do they got what

603
00:29:43,790 --> 00:29:41,400
is their native food can we go to seal

604
00:29:46,580 --> 00:29:43,800
and I bet if we get like a GoFundMe

605
00:29:48,170 --> 00:29:46,590
might be able to be able to hire a maybe

606
00:29:49,910 --> 00:29:48,180
some Blackwater some mercenaries and

607
00:29:53,420 --> 00:29:49,920
force we take over this thing we

608
00:29:54,410 --> 00:29:53,430
probably could do it knows but we can't

609
00:29:55,970 --> 00:29:54,420
do it now we should have done a long

610
00:29:57,380 --> 00:29:55,980
time ago I think they're technically

611
00:30:00,260 --> 00:29:57,390
part of Great Britain now we would be

612
00:30:04,340 --> 00:30:00,270
declaring a war on Great Britain can't

613
00:30:07,760 --> 00:30:04,350

do that now whole foods yoga whole foods

614

00:30:08,690 --> 00:30:07,770

in England ouya y'all got Chilean

615

00:30:11,720 --> 00:30:08,700

crumpets

616

00:30:14,600 --> 00:30:11,730

here's some Wiggum e Roos and egggy

617

00:30:18,200 --> 00:30:14,610

wedgies do you what a seal and ooh will

618

00:30:20,890 --> 00:30:18,210

induce in this B seal and people buy all

619

00:30:23,690 --> 00:30:20,900

five them do they have their own accents

620

00:30:25,330 --> 00:30:23,700

do they talk like southerners from the

621

00:30:30,050 --> 00:30:25,340

US that'd be great

622

00:30:33,880 --> 00:30:30,060

so here's a wiki on on seal and live

623

00:30:35,830 --> 00:30:33,890

let's find out if we can

624

00:30:38,799 --> 00:30:35,840

if how they actually get food or how

625

00:30:41,690 --> 00:30:38,809

they would get food over there so see

626

00:30:47,029 --> 00:30:44,840

see world okay it says there are no

627

00:30:50,450 --> 00:30:47,039

eateries in steel and most of them are

628

00:30:51,230 --> 00:30:50,460

supplies most supplies are got from the

629

00:30:54,289 --> 00:30:51,240

mainland

630

00:30:56,960 --> 00:30:54,299

it is very recommendable to get your own

631

00:30:59,750 --> 00:30:56,970

food and snacks so before traveling to

632

00:31:02,570 --> 00:30:59,760

see land bring your own snacks that's

633

00:31:07,490 --> 00:31:02,580

we're saying here as for drinks canned

634

00:31:09,620 --> 00:31:07,500

beers pop and bottle water there those

635

00:31:11,570 --> 00:31:09,630

are also supplied from England sleep

636

00:31:13,600 --> 00:31:11,580

what are you gonna do over there there

637

00:31:17,090 --> 00:31:13,610

are various bedrooms in Ceylon pillars

638

00:31:19,310 --> 00:31:17,100

with some can consisting of just a bed

639

00:31:22,879 --> 00:31:19,320

and concrete walls where others are

640

00:31:23,930 --> 00:31:22,889

decorated quite cozily so hey depending

641

00:31:25,519 --> 00:31:23,940

on how much money you're willing to

642

00:31:27,560 --> 00:31:25,529

throw around stealin depends on your

643

00:31:30,320 --> 00:31:27,570

accommodations not like any other place

644

00:31:33,919 --> 00:31:30,330

in this world you got them where you get

645

00:31:36,860 --> 00:31:33,929

and when if we can air B&B over in seal

646

00:31:37,340 --> 00:31:36,870

and how much does that cost let's see

647

00:31:39,200 --> 00:31:37,350

here

648

00:31:41,899 --> 00:31:39,210

you can online see land has a

649

00:31:43,970 --> 00:31:41,909

comprehensive catalogue of all things

650

00:31:46,519 --> 00:31:43,980

seal and this includes shirt stamps

651
00:31:48,470 --> 00:31:46,529
coins and even Lordships holy [h__h] we

652
00:31:51,470 --> 00:31:48,480
can get an Obi Adam LARP [h__\h] lordship

653
00:31:54,799 --> 00:31:51,480
for for seal and as Danny DeVito on

654
00:31:59,910 --> 00:31:54,809
screen Missy seal and what's this type

655
00:32:07,110 --> 00:32:01,860
doing business we can do business with

656
00:32:08,310 --> 00:32:07,120
Sealand okay maybe we can do this find a

657
00:32:11,310 --> 00:32:08,320
schedule you can search point-to-point

658
00:32:15,000 --> 00:32:11,320
find a port call vessels and schedules I

659
00:32:17,700 --> 00:32:15,010
need something else what is this is this

660
00:32:19,890 --> 00:32:17,710
what I want I don't think this is the

661
00:32:20,100 --> 00:32:19,900
ceiling I want this is like a something

662
00:32:24,840 --> 00:32:20,110
else

663
00:32:28,290 --> 00:32:24,850

Sealand country yes I need their website

664

00:32:30,890 --> 00:32:28,300

ah the Principality of Sealand the

665

00:32:34,980 --> 00:32:30,900

official site that's what we need

666

00:32:39,630 --> 00:32:34,990

here we go online shop I'll become a

667

00:32:42,060 --> 00:32:39,640

lord or lady okay I can become a lord or

668

00:32:44,400 --> 00:32:42,070

lady if I want to for 30 pounds

669

00:32:48,750 --> 00:32:44,410

I like that become a count or a countess

670

00:32:52,410 --> 00:32:48,760

for 200 pounds become a Duke or Duchess

671

00:32:55,350 --> 00:32:52,420

that's 500 you can join the Knights of

672

00:32:57,480 --> 00:32:55,360

sovereign the Knights of the Sovereign

673

00:33:00,660 --> 00:32:57,490

Military Order of Steel and you can get

674

00:33:02,670 --> 00:33:00,670

that for 100 smackeroos I kind of like

675

00:33:05,670 --> 00:33:02,680

that but I don't want to be drafted I'd

676

00:33:08,490 --> 00:33:05,680

be more comfortable with being a lady or

677

00:33:10,399 --> 00:33:08,500

a count that's a little bit more

678

00:33:12,139 --> 00:33:10,409

affordable

679

00:33:14,840 --> 00:33:12,149

now you can get a seal and identity card

680

00:33:17,269 --> 00:33:14,850

for 25 you can own a piece of seal and

681

00:33:20,149 --> 00:33:17,279

for 20 what are those options though I'm

682

00:33:24,019 --> 00:33:20,159

kind of curious of how we can actually

683

00:33:26,749 --> 00:33:24,029

own some piece of of seal and hear about

684

00:33:29,659 --> 00:33:26,759

a piece of land in the Principality of

685

00:33:31,669 --> 00:33:29,669

Sealand territory and become part of its

686

00:33:34,430 --> 00:33:31,679

swashbuckling history haha

687

00:33:38,210 --> 00:33:34,440

I can become I can become a pirate I

688

00:33:40,340 --> 00:33:38,220

will we are continually striving to

689

00:33:42,379 --> 00:33:40,350

improve and maintain our territory by

690

00:33:43,730 --> 00:33:42,389

purchasing a piece of the land in the

691

00:33:45,049 --> 00:33:43,740

seal and territory you will

692

00:33:47,450 --> 00:33:45,059

significantly help to sustain

693

00:33:49,669 --> 00:33:47,460

independence for the Principality for

694

00:33:53,210 --> 00:33:49,679

many years to come included with your

695

00:33:56,960 --> 00:33:53,220

696

00:33:58,850 --> 00:33:56,970

seal and well that's great I'd like to

703
00:34:16,220 --> 00:34:14,010
know what I'm signing up for like a

704
00:34:18,559 --> 00:34:16,230
little bit of back history about the the

705
00:34:20,329 --> 00:34:18,569
the war you struggled and fought against

706
00:34:22,430 --> 00:34:20,339

712
00:34:36,680 --> 00:34:34,889
hey you know what I might buy a piece of

713
00:34:39,530 --> 00:34:36,690

property sounds like a nice vacation

714

00:34:42,800 --> 00:34:39,540

property for myself I can retire on my

715

00:34:46,629 --> 00:34:42,810

one square foot of sea land I guess I

716

00:34:48,009 --> 00:34:46,639

could just stay in there okay

717

00:34:49,359 --> 00:34:48,019

I wonder what are other things that

718

00:34:52,539 --> 00:34:49,369

can't get like hey it'd be kind of cool

719

00:34:57,250 --> 00:34:52,549

to get like a seal and passport that'd

720

00:34:58,329 --> 00:34:57,260

be that'd be kind of killer actually six

721

00:35:01,240 --> 00:34:58,339

probably features a coffee cup and a

733

00:35:36,460 --> 00:35:34,490

little flag for your desk I would like

734

00:35:37,630 --> 00:35:36,470

that one definitely when I'm programming

735

00:35:40,269 --> 00:35:37,640

in Python I want to look down at my

736

00:35:42,700 --> 00:35:40,279

coffee cup and my seal and flag just to

737

00:35:44,829 --> 00:35:42,710

remind myself when I retire to that one

738

00:35:49,569 --> 00:35:44,839

square foot I know it's gonna be safe

739

00:35:52,509 --> 00:35:49,579

and sovereign that's what I want you get

740

00:35:55,990 --> 00:35:52,519

this a seal and football shirt for forty

741

00:35:58,930 --> 00:35:56,000

five pounds not bad and they do that

742

00:36:02,349 --> 00:35:58,940

various t-shirts down there one I love

743

00:36:06,339 --> 00:36:02,359

seal and white t-shirt and then I more

744

00:36:09,009 --> 00:36:06,349

liberties libertas black t-shirt and you

745

00:36:10,660 --> 00:36:09,019

can also buy a seal and flag for twelve

746

00:36:13,150 --> 00:36:10,670

this is just sounds like a wonderful

747

00:36:14,680 --> 00:36:13,160

thing that I can't wait to be a part of

748

00:36:18,349 --> 00:36:14,690

let's do it oh you can buy a little desk

749

00:36:22,579 --> 00:36:19,999

Kevin and chancing he's buying all that

750

00:36:25,189 --> 00:36:22,589

[h__h] absolutely are you buy up all that

751
00:36:27,890 --> 00:36:25,199
seal and stuff I wonder how much how

752
00:36:29,959 --> 00:36:27,900
much we could pull together to buy the

753
00:36:33,469 --> 00:36:29,969
entire island if he's if he's selling

754
00:36:36,380 --> 00:36:33,479
one square foot we got to find out the

755
00:36:38,749 --> 00:36:36,390
entire square footage of sealant and

756
00:36:41,630 --> 00:36:38,759
just buy the thing outright and kick

757
00:36:47,990 --> 00:36:44,349
Prison bargaining needs a place to stay

758
00:36:54,190 --> 00:36:48,000
let's see here let's just maybe do some

759
00:36:59,460 --> 00:36:56,980
own a piece of I kind of just want to

760
00:37:05,250 --> 00:36:59,470
know how big it is

761
00:37:06,960 --> 00:37:05,260
it is 550 square meters so that's

762
00:37:08,850 --> 00:37:06,970
roughly the if I can do some

763
00:37:10,170 --> 00:37:08,860

calculations here this they're selling

764

00:37:13,380 --> 00:37:10,180

the square feet I don't think they're

765

00:37:15,600 --> 00:37:13,390

selling a square meter so we knew 500

766

00:37:22,880 --> 00:37:15,610

I'm just gonna be rough estimate by 3 so

767

00:37:26,310 --> 00:37:22,890

maybe about 1,600 square feet ish so

768

00:37:28,590 --> 00:37:26,320

times that by roughly let's say 25

769

00:37:30,090 --> 00:37:28,600

including taxes we might be able to buy

770

00:37:32,780 --> 00:37:30,100

the entire nation for about fifty

771

00:37:37,880 --> 00:37:32,790

thousand dollars fifty thousand pounds

772

00:37:40,890 --> 00:37:37,890

maybe we could do that maybe

773

00:37:43,680 --> 00:37:40,900

okay well look it the options there I

774

00:37:45,660 --> 00:37:43,690

think it if they have an air B&B that

775

00:37:48,420 --> 00:37:45,670

would be an option to be kind of fun

776

00:37:51,000 --> 00:37:48,430

although they don't have we'd have to

777

00:37:52,800 --> 00:37:51,010

fly to England and take a boat out there

778

00:37:55,290 --> 00:37:52,810

and we're definitely either bringing

779

00:38:00,480 --> 00:37:55,300

snacks and food and probably some liquor

780

00:38:02,550 --> 00:38:00,490

and the concrete beds and in walls don't

781

00:38:05,370 --> 00:38:02,560

sound enticing about to bring sleeping

782

00:38:06,390 --> 00:38:05,380

bags probably an air filter didn't say

783

00:38:08,310 --> 00:38:06,400

anything about bringing your own toilet

784

00:38:12,170 --> 00:38:08,320

paper I'm just gonna assume that we're

785

00:38:14,280 --> 00:38:12,180

gonna have to bring our own toilet paper

786

00:38:16,310 --> 00:38:14,290

what do we get when we travel there this

787

00:38:20,400 --> 00:38:16,320

is what we do get when we go to seal and

788

00:38:23,490 --> 00:38:20,410

you get you get your fitness at the

789

00:38:25,950 --> 00:38:23,500

sealands tiny gym fantastic worship

790

00:38:26,340 --> 00:38:25,960

goddess he lands one and only Chapel

791

00:38:29,070 --> 00:38:26,350

room

792

00:38:34,130 --> 00:38:29,080

sounds great take a tour of the house

793

00:38:37,950 --> 00:38:34,140

size nation fantastic buy some seal and

794

00:38:40,710 --> 00:38:37,960

seal endemic stamps and coins fantastic

795

00:38:43,140 --> 00:38:40,720

pay 31 pounds to become an official seal

796

00:38:46,170 --> 00:38:43,150

and ik nobility I love it when we're

797

00:38:53,070 --> 00:38:46,180

going to seal and hey we're going to

798

00:38:54,950 --> 00:38:53,080

seal and you want to go yeah you've been

799

00:39:00,660 --> 00:38:54,960

to seal and come on man you're lying

800

00:39:07,980 --> 00:39:00,670

yeah great well I mean I hope so

801
00:39:10,500 --> 00:39:07,990
I mean doesn't seem I do well I mean I'm

802
00:39:12,590 --> 00:39:10,510
surprised they can even afford him sound

803
00:39:14,480 --> 00:39:12,600
like this is a very poor Mike

804
00:39:16,700 --> 00:39:14,490
nation and they're selling off pieces of

805
00:39:19,510 --> 00:39:16,710
our land just to fund this thing it's

806
00:39:23,200 --> 00:39:21,910
that that I'm sure the Queen has

807
00:39:25,090 --> 00:39:23,210
something to do with it

808
00:39:28,420 --> 00:39:25,100
I don't even think that you mean the

809
00:39:30,010 --> 00:39:28,430
Queen of England yeah I don't know they

810
00:39:31,480 --> 00:39:30,020
they're just ignoring this thing I mean

811
00:39:34,990 --> 00:39:31,490
I'll bring up a picture on screen it

812
00:39:37,990 --> 00:39:35,000
just looks like some kind of two pillars

813
00:39:40,570 --> 00:39:38,000

and there's like a house on yeah I saw

814

00:39:52,780 --> 00:39:40,580

it's weird I was kind of wondering if

815

00:39:55,780 --> 00:39:52,790

that was they had passports for and that

816

00:39:59,290 --> 00:39:55,790

law of concrete look what kind of dog

817

00:40:04,740 --> 00:39:59,300

you got with you she's a chihuahua okay

818

00:40:08,290 --> 00:40:04,750

is it nice - you did why is it nice oh

819

00:40:13,840 --> 00:40:08,300

yeah she loves people I heard that at

820

00:40:15,520 --> 00:40:13,850

Rollins can be a little bit yeah I got a

821

00:40:19,200 --> 00:40:15,530

picture of Sealand up on screen right

822

00:40:23,020 --> 00:40:19,210

now and it just looks depressing it's

823

00:40:24,610 --> 00:40:23,030

yeah I I don't I don't know if we could

824

00:40:26,410 --> 00:40:24,620

party there I mean we might be able to

825

00:40:32,610 --> 00:40:26,420

party on the right side but maybe not

826

00:40:45,220 --> 00:40:42,130

very well good yes you ever talk to

827

00:40:46,930 --> 00:40:45,230

clown baby about doing the monsters

828

00:40:49,990 --> 00:40:46,940

talking about them anymore

829

00:40:53,290 --> 00:40:50,000

no well the show kind of shifted a

830

00:40:55,720 --> 00:40:53,300

little bit you know when a clown baby

831

00:40:57,340 --> 00:40:55,730

kind of left the show for a little bit

832

00:41:01,570 --> 00:40:57,350

when he does come back on he doesn't

833

00:41:04,240 --> 00:41:01,580

have concrete segments about monsters I

834

00:41:06,610 --> 00:41:04,250

do like the monsters talking about them

835

00:41:08,830 --> 00:41:06,620

he did a lot of research on that and I

836

00:41:11,140 --> 00:41:08,840

think he just kind of got tired of doing

837

00:41:13,000 --> 00:41:11,150

it you know it's not that we don't were

838

00:41:14,500 --> 00:41:13,010

not going to talk about monsters ever

839

00:41:17,770 --> 00:41:14,510

again I just don't know if it's gonna be

840

00:41:19,330 --> 00:41:17,780

a dedicated segment like it was like I

841

00:41:24,070 --> 00:41:19,340

brought these like the headless the

842

00:41:25,540 --> 00:41:24,080

headless men kind of yeah so I kind of

843

00:41:28,240 --> 00:41:25,550

touch on some of that stuff during the

844

00:41:29,290 --> 00:41:28,250

Monday show but I don't do nearly as

845

00:41:32,320 --> 00:41:29,300

much research as

846

00:41:36,130 --> 00:41:32,330

klom baby did in the past but

847

00:41:40,660 --> 00:41:36,140

I'm trying have you ever heard of I

848

00:41:44,500 --> 00:41:40,670

found another was on YouTube and I found

849

00:41:48,010 --> 00:41:44,510

this thing that's all about this guy

850

00:41:49,570 --> 00:41:48,020

that does a crypto research and man they

851
00:41:51,730 --> 00:41:49,580
were talking about the weirdest thing

852
00:41:55,180 --> 00:41:51,740
you need have to hear it it's a guy who

853
00:41:58,690 --> 00:41:55,190
crypto PTSD but they were talking about

854
00:42:00,730 --> 00:41:58,700
a dog man I've always been really

855
00:42:02,590 --> 00:42:00,740
interested in dog man just because it's

856
00:42:05,110 --> 00:42:02,600
weird yet you've seen that old footage

857
00:42:06,610 --> 00:42:05,120
that there's black and white where

858
00:42:08,770 --> 00:42:06,620
they're driving the pickup truck and you

859
00:42:11,020 --> 00:42:08,780
see the dog man running off and somebody

860
00:42:13,000 --> 00:42:11,030
you know bought a swords unit and found

861
00:42:15,430 --> 00:42:13,010
that film and nobody really knows what

862
00:42:18,940 --> 00:42:15,440
it is but there's like a dog being in

863
00:42:21,160 --> 00:42:18,950

that I have not know I also try to take

864

00:42:22,780 --> 00:42:21,170

a take a look at it and find it here dog

865

00:42:24,580 --> 00:42:22,790

man footage you know I haven't seen that

866

00:42:28,230 --> 00:42:24,590

yet what do you think about what do you

867

00:42:35,110 --> 00:42:31,750

I learned a lot past couple days just

868

00:42:38,950 --> 00:42:35,120

listen to the show but it sounds they

869

00:42:43,510 --> 00:42:38,960

talk about these things making and it's

870

00:42:45,520 --> 00:42:43,520

like it's like they're saying it's in a

871

00:42:47,560 --> 00:42:45,530

higher-pitched and we can hear something

872

00:42:51,160 --> 00:42:47,570

like that what we hear is this it just

873

00:42:53,400 --> 00:42:51,170

sounds like gerbil nonsense and if you

874

00:42:57,990 --> 00:42:53,410

ever hear these sounds are their

875

00:43:01,540 --> 00:42:58,000

craziest thing I've ever heard it's like

876

00:43:03,400 --> 00:43:01,550

and you know this one guy lived in

877

00:43:06,160 --> 00:43:03,410

Florida and a lot of who he has on his

878

00:43:08,740 --> 00:43:06,170

bets you know they're talking about you

879

00:43:11,290 --> 00:43:08,750

know their experiences because they're

880

00:43:12,820 --> 00:43:11,300

you know more credible people and this

881

00:43:14,500 --> 00:43:12,830

guy's talking about the you know he's

882

00:43:16,120 --> 00:43:14,510

just hearing these things follow him in

883

00:43:18,360 --> 00:43:16,130

the woods and they're just going you

884

00:43:21,220 --> 00:43:18,370

know making these weird noises just

885

00:43:23,680 --> 00:43:21,230

manage if you just picture yourself in

886

00:43:26,830 --> 00:43:23,690

the woods and they say it's like it's

887

00:43:29,350 --> 00:43:26,840

more in your head but you you kind of

888

00:43:32,470 --> 00:43:29,360

feel it but you know that you're hearing

889

00:43:35,980 --> 00:43:32,480

it just imagining these sounds that you

890

00:43:38,170 --> 00:43:35,990

hear you know people have recordings of

891

00:43:43,000 --> 00:43:38,180

what's supposed to be just like it it is

892

00:43:46,300 --> 00:43:43,010

just insane gives you chills when it

893

00:43:50,230 --> 00:43:46,310

when it comes to the the dog man

894

00:43:53,470 --> 00:43:50,240

it gets into a much more of a paranormal

895

00:43:55,420 --> 00:43:53,480

area whereas with Bigfoot and Sasquatch

896

00:43:57,400 --> 00:43:55,430

there are people that have concrete

897

00:43:59,110 --> 00:43:57,410

sightings there's been multiple hundreds

898

00:44:00,610 --> 00:43:59,120

if not thousands of people tens of

899

00:44:02,350 --> 00:44:00,620

thousand people who have who have

900

00:44:04,630 --> 00:44:02,360

claimed to have running the Bigfoot

901
00:44:06,520 --> 00:44:04,640
scene something that resembles what we

902
00:44:08,230 --> 00:44:06,530
commonly know as a sasquatch when it

903
00:44:10,030 --> 00:44:08,240
comes to dog man that's that's a

904
00:44:13,810 --> 00:44:10,040
different thing there are there are

905
00:44:17,860 --> 00:44:13,820
multiple different legends of dog men in

906
00:44:19,720 --> 00:44:17,870
the Americas being worshipped the if you

907
00:44:21,970 --> 00:44:19,730
go back to an earlier night talk episode

908
00:44:26,080 --> 00:44:21,980
I had a paranormal researcher on Jack

909
00:44:28,150 --> 00:44:26,090
Harry who primarily you know his is a

910
00:44:31,060 --> 00:44:28,160
this thing is a Bigfoot and Sasquatch

911
00:44:32,680 --> 00:44:31,070
but he just kind of started in I guess

912
00:44:36,250 --> 00:44:32,690
in the last few years started digging

913
00:44:38,920 --> 00:44:36,260

into the dog man topic and it even

914

00:44:41,500 --> 00:44:38,930

perplexes him he's still trying to wrap

915

00:44:44,220 --> 00:44:41,510

his head around what this phenomenon is

916

00:44:46,750 --> 00:44:44,230

I find it to be absolutely fascinating

917

00:44:48,580 --> 00:44:46,760

because once you get to once you go from

918

00:44:50,980 --> 00:44:48,590

Bigfoot to dog man then you go to goat

919

00:44:55,150 --> 00:44:50,990

man and moth man and you realize that

920

00:44:56,380 --> 00:44:55,160

all these people aren't I don't believe

921

00:44:57,370 --> 00:44:56,390

these people are making up these stories

922

00:44:59,710 --> 00:44:57,380

they're experiencing something

923

00:45:01,480 --> 00:44:59,720

paranormal whether or not their

924

00:45:04,390 --> 00:45:01,490

expectations of what they're going to

925

00:45:06,910 --> 00:45:04,400

see is going is shaping that little

926

00:45:09,910 --> 00:45:06,920

piece of reality or their experience I

927

00:45:13,180 --> 00:45:09,920

don't know but it is a bizarre

928

00:45:14,890 --> 00:45:13,190

phenomenon and you if you dig into the

929

00:45:17,380 --> 00:45:14,900

skinwalker stuff there are there are

930

00:45:20,190 --> 00:45:17,390

elements of dog creatures and dog men

931

00:45:23,080 --> 00:45:20,200

all throughout the the skinwalker

932

00:45:24,370 --> 00:45:23,090

experience down there too so I think

933

00:45:26,740 --> 00:45:24,380

there's there's something going on

934

00:45:28,540 --> 00:45:26,750

obviously what exactly it is a it's

935

00:45:31,480 --> 00:45:28,550

tough to say I'm and if you have that

936

00:45:33,010 --> 00:45:31,490

that dog may in footage I don't know if

937

00:45:39,550 --> 00:45:33,020

you're part of the slack send it send it

938

00:45:44,050 --> 00:45:39,560

my way I'd love ya look at it okay hey

939

00:45:45,880 --> 00:45:44,060

Greg yeah yeah without I can't just find

940

00:45:47,980 --> 00:45:45,890

it right off the bat so if you have you

941

00:45:52,150 --> 00:45:47,990

happen to share a link I'd love to see

942

00:45:53,620 --> 00:45:52,160

it audio recording soon maybe you can

943

00:45:56,770 --> 00:45:53,630

share them a clown baby I think you

944

00:45:59,530 --> 00:45:56,780

might find it interesting because I you

945

00:46:03,280 --> 00:45:59,540

know I I kind of

946

00:46:05,950 --> 00:46:03,290

and Bigfoot I never really looked in the

947

00:46:08,770 --> 00:46:05,960

dog man until the past couple days and

948

00:46:10,360 --> 00:46:08,780

you know it you know some people think

949

00:46:13,450 --> 00:46:10,370

you know well it could be some kind of

950

00:46:15,760 --> 00:46:13,460

demon entity or something like that and

951
00:46:17,080 --> 00:46:15,770
just hearing the stories and people

952
00:46:23,380 --> 00:46:17,090
talking about it and there's this

953
00:46:25,930 --> 00:46:23,390
campsite in 83 where a dog man and this

954
00:46:27,880 --> 00:46:25,940
is around the Kentucky the the Land

955
00:46:30,190 --> 00:46:27,890
Between the Lakes area is what they were

956
00:46:32,560 --> 00:46:30,200
saying and this dog man came in they

957
00:46:35,710 --> 00:46:32,570
ripped this little girl apart and the

958
00:46:37,180 --> 00:46:35,720
trailer or the RV and the mom they found

959
00:46:39,910 --> 00:46:37,190
it clear nettles where she was trying to

960
00:46:43,180 --> 00:46:39,920
fight this thing off ripped a mom apart

961
00:46:48,000 --> 00:46:43,190
and and ended up putting the bodies up

962
00:46:49,990 --> 00:46:48,010
in a tree and they ended up you know the

963
00:46:51,160 --> 00:46:50,000

people went out there and found the

964

00:46:53,320 --> 00:46:51,170

bodies in the tree

965

00:46:55,570 --> 00:46:53,330

I guess they ended up leveling this

966

00:46:58,960 --> 00:46:55,580

place over with bulldozers and you know

967

00:47:01,330 --> 00:46:58,970

just kind of kept it on the hush and I

968

00:47:03,910 --> 00:47:01,340

mean just hearing these stories about it

969

00:47:05,710 --> 00:47:03,920

you know the guy that the researcher for

970

00:47:08,740 --> 00:47:05,720

this one's a you know seems to be a

971

00:47:12,040 --> 00:47:08,750

fairly credible guy but hearing him talk

972

00:47:13,990 --> 00:47:12,050

about this stuff it's like you know it's

973

00:47:17,530 --> 00:47:14,000

just insane it yeah what else would do

974

00:47:20,680 --> 00:47:17,540

that but it demon it was a demonic kind

975

00:47:22,450 --> 00:47:20,690

of thing to do it's it's evil to do if

976

00:47:24,430 --> 00:47:22,460

it's if it's or if it's a real creature

977

00:47:26,530 --> 00:47:24,440

let's say it has like the intelligence

978

00:47:29,110 --> 00:47:26,540

of a dog let cisco has said it has if as

979

00:47:32,410 --> 00:47:29,120

a dog man has the intelligence of a dog

980

00:47:34,870 --> 00:47:32,420

or if not like an ape if it feels

981

00:47:37,180 --> 00:47:34,880

threatened it will use whatever force it

982

00:47:39,460 --> 00:47:37,190

has in order to defend itself but I

983

00:47:42,850 --> 00:47:39,470

would I find it hard to believe that a

984

00:47:44,740 --> 00:47:42,860

creature would would do that to a kid we

985

00:47:47,890 --> 00:47:44,750

I mean we see we see kids that fall into

986

00:47:49,600 --> 00:47:47,900

an enclosure at a zoo and they for the

987

00:47:52,240 --> 00:47:49,610

most part pretty safe you know they

988

00:47:53,950 --> 00:47:52,250

don't perceive these kids or little

989

00:47:56,920 --> 00:47:53,960

babies as a threat because they're not

990

00:47:57,970 --> 00:47:56,930

so for a dog man or any sort of creature

991

00:48:00,400 --> 00:47:57,980

like that to do that

992

00:48:03,550 --> 00:48:00,410

yeah it's evil that would be evil in my

993

00:48:06,640 --> 00:48:03,560

book yeah yeah and they basically said

994

00:48:08,440 --> 00:48:06,650

like whatever drug these bodies well it

995

00:48:11,020 --> 00:48:08,450

didn't drag them because there was no

996

00:48:13,460 --> 00:48:11,030

blood trail or anything like that it

997

00:48:15,170 --> 00:48:13,470

carried them

998

00:48:16,430 --> 00:48:15,180

threw them up in the tree that's why

999

00:48:18,020 --> 00:48:16,440

they couldn't find the body because

1000

00:48:20,000 --> 00:48:18,030

there was no blood trail or any kind of

1001
00:48:21,830 --> 00:48:20,010
dragging trail or anything and it's like

1002
00:48:24,380 --> 00:48:21,840
you know they're saying the thing was

1003
00:48:26,180 --> 00:48:24,390
they had to be at least 8 foot tall to

1004
00:48:28,870 --> 00:48:26,190
do what it did and there's you know

1005
00:48:31,099 --> 00:48:28,880
there's other counts of a girl had a

1006
00:48:34,040 --> 00:48:31,109
something looking in her windows red

1007
00:48:36,710 --> 00:48:34,050
glowing eyes and that window was 8 feet

1008
00:48:38,750 --> 00:48:36,720
high on house and they said if something

1009
00:48:40,760 --> 00:48:38,760
looked in this windows 8 feet high it

1010
00:48:42,230 --> 00:48:40,770
ended up you know there's a lot of other

1011
00:48:44,180 --> 00:48:42,240
stuff that goes along with it but

1012
00:48:46,820 --> 00:48:44,190
they're like you know yeah that was a

1013
00:48:49,670 --> 00:48:46,830

big hairy dog looking thing and it kept

1014

00:48:52,070 --> 00:48:49,680

reaching its arm in the door and taking

1015

00:48:54,680 --> 00:48:52,080

the dogs food and hiding out in the old

1016

00:48:58,520 --> 00:48:54,690

smokehouse and eating the the grease

1017

00:49:00,950 --> 00:48:58,530

covered dirt in the smokehouse we you

1018

00:49:03,080 --> 00:49:00,960

know really smoked me it's it's crazy

1019

00:49:08,690 --> 00:49:03,090

I'll send this stuff yeah you can check

1020

00:49:10,430 --> 00:49:08,700

it out yeah guys what's that I think you

1021

00:49:13,550 --> 00:49:10,440

and clown baby would would get something

1022

00:49:16,849 --> 00:49:13,560

out of this but uh I didn't know this

1023

00:49:20,540 --> 00:49:16,859

much information on dog man existed in

1024

00:49:22,370 --> 00:49:20,550

one place you know that's kind of a you

1025

00:49:25,430 --> 00:49:22,380

hear a lot about dick but not a lot

1026
00:49:27,920 --> 00:49:25,440
about dog man but you know they this is

1027
00:49:29,540 --> 00:49:27,930
the most info I've seen on dog man and

1028
00:49:33,079 --> 00:49:29,550
I've you know looked it up here and

1029
00:49:35,570 --> 00:49:33,089
there for the past five years yeah for

1030
00:49:37,760 --> 00:49:35,580
the most part the encounters I've read

1031
00:49:39,680 --> 00:49:37,770
that with with humans that have

1032
00:49:42,800 --> 00:49:39,690
encountered dog man it hasn't been

1033
00:49:44,240 --> 00:49:42,810
Pleasant whereas the encounters I've

1034
00:49:47,030 --> 00:49:44,250
heard with people observing Bigfoot

1035
00:49:48,230 --> 00:49:47,040
there it seems to be like a mutual kind

1036
00:49:49,849 --> 00:49:48,240
of you leave me alone I'll leave you

1037
00:49:52,760 --> 00:49:49,859
alone kind of situation with a dog man

1038
00:49:55,520 --> 00:49:52,770

it there seems to be some sort of innate

1039

00:49:58,670 --> 00:49:55,530

fear when you see this thing it is it

1040

00:50:00,320 --> 00:49:58,680

it's still fear and in somebody so yeah

1041

00:50:02,260 --> 00:50:00,330

I don't think they're I don't think

1042

00:50:06,890 --> 00:50:02,270

they're good guys I don't think so

1043

00:50:08,030 --> 00:50:06,900

hopefully prove me wrong yeah a great

1044

00:50:10,520 --> 00:50:08,040

thank you very much appreciate you

1045

00:50:16,280 --> 00:50:10,530

calling in and they send in that info

1046

00:50:22,700 --> 00:50:19,269

[Applause]

1047

00:50:25,339 --> 00:50:22,710

thank you for you come over oh I love a

1048

00:50:27,259 --> 00:50:25,349

dog man topics like that yeah that's as

1049

00:50:30,559 --> 00:50:27,269

for the the monsters talking about them

1050

00:50:32,120 --> 00:50:30,569

uh Ascalon baby we chitchat every now

1051

00:50:34,640 --> 00:50:32,130

and again and maybe next time he does

1052

00:50:36,680 --> 00:50:34,650

come on who I have like a maybe a topic

1053

00:50:38,749 --> 00:50:36,690

for a monster that we can talk about and

1054

00:50:40,849 --> 00:50:38,759

we can both research and talk about it

1055

00:50:42,529 --> 00:50:40,859

together I don't want to put that all on

1056

00:50:44,380 --> 00:50:42,539

him it's a lot of work to do he did a

1057

00:50:46,910 --> 00:50:44,390

lot of work in those segments and

1058

00:50:48,829 --> 00:50:46,920

hopefully we'll be able to collaborate

1059

00:50:50,870 --> 00:50:48,839

again I think he'll be on the missing

1060

00:50:52,579 --> 00:50:50,880

for 11 show I have to postpone the

1061

00:50:54,829 --> 00:50:52,589

missing for 11 show it's not going to be

1062

00:50:59,059 --> 00:50:54,839

this next Wednesday it's gonna be a week

1063

00:51:02,930 --> 00:50:59,069

from this coming Wednesday and I believe

1064

00:51:04,489 --> 00:51:02,940

he'll be a part of that doing uh making

1065

00:51:07,239 --> 00:51:04,499

some notes doing some research on the

1066

00:51:09,829 --> 00:51:07,249

missing for 11 show we'll have hopefully

1067

00:51:13,609 --> 00:51:09,839

some interesting topics to talk about

1068

00:51:17,089 --> 00:51:13,619

we'll just probably read some cases from

1069

00:51:20,239 --> 00:51:17,099

some missing for 11 books one or two I

1070

00:51:23,420 --> 00:51:20,249

have some new ideas on possibly what

1071

00:51:25,099 --> 00:51:23,430

could be causing some of these

1072

00:51:30,219 --> 00:51:25,109

disappearances not all of them but some

1073

00:51:32,989 --> 00:51:30,229

and as Greg said with the dog man I

1074

00:51:36,430 --> 00:51:32,999

think some of these creatures they can

1075

00:51:42,620 --> 00:51:36,440

take multiple different forms they can

1076
00:51:45,170 --> 00:51:42,630
much like some UFOs that can change form

1077
00:51:47,779 --> 00:51:45,180
based upon viewer perception I think

1078
00:51:50,509 --> 00:51:47,789
some of these these weird creatures can

1079
00:51:52,999 --> 00:51:50,519
I don't know if transforms a real word

1080
00:51:55,150 --> 00:51:53,009
but maybe be perceived differently

1081
00:51:58,249 --> 00:51:55,160
depending on who can who sees them and

1082
00:52:00,380 --> 00:51:58,259
reading through a skinwalker book where

1083
00:52:02,989 --> 00:52:00,390
these scientists are trying to chase

1084
00:52:06,319 --> 00:52:02,999
down some weird creatures you kinda get

1085
00:52:08,390 --> 00:52:06,329
the impression that their hat these

1086
00:52:11,150 --> 00:52:08,400
creatures are one foot in this reality

1087
00:52:13,339 --> 00:52:11,160
and simultaneously one foot and another

1088
00:52:15,920 --> 00:52:13,349

they can dip in and out whenever they

1089

00:52:17,410 --> 00:52:15,930

please barely leaving footprints and the

1090

00:52:20,059 --> 00:52:17,420

footprints they do leave

1091

00:52:22,969 --> 00:52:20,069

insane insane footprints but I'll talk

1092

00:52:24,440 --> 00:52:22,979

about that and in about a week I'm

1093

00:52:26,599 --> 00:52:24,450

during the missing for 11 show because I

1094

00:52:29,120 --> 00:52:26,609

think there's a correlation there all

1095

00:52:31,440 --> 00:52:29,130

right so I'll move on to my last topic

1096

00:52:37,009 --> 00:52:31,450

for the night please

1097

00:52:43,099 --> 00:52:40,339

what is show it's flown by talking about

1098

00:52:47,930 --> 00:52:43,109

headless headless dudes hanging out with

1099

00:52:49,820 --> 00:52:47,940

your shirt off early in the show

1100

00:52:51,740 --> 00:52:49,830

probably like they'd this headless dudes

1101
00:52:53,450 --> 00:52:51,750
are just walking around with my shirt

1102
00:52:57,410 --> 00:52:53,460
off with their shirt off like Alex Jones

1103
00:53:00,589 --> 00:52:57,420
in the 14th century yelling at people be

1104
00:53:04,640 --> 00:53:02,329
this is what I'm picturing in my head a

1105
00:53:07,269 --> 00:53:04,650
bunch of shirtless Alan's roaming around

1106
00:53:10,370 --> 00:53:07,279
the medieval countryside yelling about

1107
00:53:13,519 --> 00:53:10,380
toilets one not use it like a toilet yes

1108
00:53:16,999 --> 00:53:13,529

Instagram page of a muscle-bound Bigfoot

1122

00:54:07,819 --> 00:54:02,339

00:54:57,270 --> 00:54:54,670
nothing in this magnificent Tom don't

1137
00:55:00,540 --> 00:54:57,280
erase the sensor box Cockburn shared

1138
00:55:04,500 --> 00:55:00,550

another snap of wriggle men's Instagram

1139

00:55:07,650 --> 00:55:04,510

of his face over another Bigfoot drawing

1140

00:55:11,460 --> 00:55:07,660

with its general genitals also censored

1141

00:55:13,220 --> 00:55:11,470

and branded it's part of his Bigfoot

1142

00:55:16,050 --> 00:55:13,230

erotica collection

1143

00:55:18,570 --> 00:55:16,060

this guy's writing Bigfoot fanfiction

1144

00:55:21,330 --> 00:55:18,580

erotic fan fiction I want to read some

1145

00:55:25,509 --> 00:55:21,340

of it Riggleman who is also battling

1146

00:55:27,519 --> 00:55:25,519

Cockburn this is can't be a real story

1147

00:55:31,020 --> 00:55:27,529

his names are ridiculous he's like

1148

00:55:39,080 --> 00:55:34,170

it's hard to take this serious there's

1149

00:55:45,600 --> 00:55:42,960

it's just is hard to like I know it I

1150

00:55:47,880 --> 00:55:45,610

think the story about the headless guys

1151

00:55:54,420 --> 00:55:47,890

are more real than this these people

1152

00:55:56,550 --> 00:55:54,430

they have ridiculous names cockburn our

1153

00:55:58,740 --> 00:55:56,560

Riggleman who's battling cockburn for

1154

00:56:00,840 --> 00:55:58,750

virginia's hotly contested fifth

1155

00:56:04,200 --> 00:56:00,850

congressional district insists that

1156

00:56:06,210 --> 00:56:04,210

Rocchi drawings were a joke were a joke

1157

00:56:07,710 --> 00:56:06,220

his military friends played on him

1158

00:56:10,050 --> 00:56:07,720

however the former Air Force

1159

00:56:12,210 --> 00:56:10,060

intelligence officer has been promoting

1160

00:56:15,620 --> 00:56:12,220

these self-published media habits book

1161

00:56:21,560 --> 00:56:15,630

on a Facebook page which has since been

1162

00:56:29,730 --> 00:56:24,540

and Riggleman also co-authored a book

1163

00:56:32,400 --> 00:56:29,740

called bigfoot experiment ten years ago

1164

00:56:34,980 --> 00:56:32,410

also although the book does not appear

1165

00:56:37,550 --> 00:56:34,990

to be sexual in nature this guy just

1166

00:56:39,840 --> 00:56:37,560

wants to write Bigfoot fanfiction okay

1167

00:56:43,020 --> 00:56:39,850

Bigfoot is a huge hairy ape-like

1168

00:56:46,350 --> 00:56:43,030

creature creature fans claim that

1169

00:56:49,020 --> 00:56:46,360

claimed the fans claim that roams the

1170

00:56:50,580 --> 00:56:49,030

forest in the northwest of America

1171

00:56:52,530 --> 00:56:50,590

although its existence is widely

1172

00:56:55,430 --> 00:56:52,540

believed to be a myth I think it's

1173

00:56:59,819 --> 00:56:55,440

widely believed to be a real thing and

1174

00:57:05,559 --> 00:57:03,670

recommen has the condemned has been

1175

00:57:07,059 --> 00:57:05,569

condemned for his apparent support for

1176

00:57:09,190 --> 00:57:07,069

politicians with links to white

1177

00:57:12,069 --> 00:57:09,200

supremacists although he has personally

1178

00:57:15,490 --> 00:57:12,079

denounced white supremacy what's this

1179

00:57:17,410 --> 00:57:15,500

got to do with Bigfoot the district he

1180

00:57:20,609 --> 00:57:17,420

and Cockburn our fight includes

1181

00:57:22,960 --> 00:57:20,619

Charlottesville where an anti-racism

1182

00:57:29,710 --> 00:57:22,970

protestor was killed during classes with

1183

00:57:31,589 --> 00:57:29,720

far-right thugs in August of 2017 they

1184

00:57:32,760 --> 00:57:31,599

should stick to the Bigfoot porn of

1185

00:57:39,220 --> 00:57:32,770

fiction

1186

00:57:43,059 --> 00:57:39,230

6.43 date now and own I'm gonna get the

1187

00:57:46,599 --> 00:57:43,069

hell out here I I just got I got worn

1188

00:57:51,999 --> 00:57:49,269

hold on the musical did good as huffy

1189

00:57:54,430 --> 00:57:52,009

Huffington Post article big for porn has

1190

00:57:57,380 --> 00:57:54,440

become a major controversy in US House

1191

00:58:00,039 --> 00:57:57,390

race yes this is a real thing

1192

00:58:00,049 --> 00:58:03,540

oh my god

1193

00:58:06,690 --> 00:58:06,210

we're talking is this has everything I

1194

00:58:10,530 --> 00:58:06,700

didn't

1195

00:58:13,350 --> 00:58:10,540

this has Bigfoot genitalia it's got its

1196

00:58:15,300 --> 00:58:13,360

got a congressional seat controversy

1197

00:58:18,900 --> 00:58:15,310

it's it's got everything that US

1198

00:58:26,339 --> 00:58:21,359

the fight for the Republic in Big Foot

1199

00:58:32,640 --> 00:58:26,349

penis it's happening okay I'm getting

1200

00:58:34,259 --> 00:58:32,650

out of here the country's become caller

1201

00:58:36,150 --> 00:58:34,269

go ahead who's your favorite politician

1202

00:58:39,839 --> 00:58:36,160

he writes about Big Foot penis event at

1203

00:58:41,039 --> 00:58:39,849

Rock plantation go ahead yeah I was

1204

00:58:43,200 --> 00:58:41,049

actually hoping to call and tell you

1205

00:58:45,569 --> 00:58:43,210

about that Bigfoot story but you brought

1206

00:58:48,930 --> 00:58:45,579

it up already it's ridiculous thing had

1207

00:58:52,319 --> 00:58:48,940

a hammer on it yeah it had at least a

1208

00:58:55,740 --> 00:58:52,329

two-foot donger it's it's very

1209

00:58:56,849 --> 00:58:55,750

terrifying in fact the the genital hair

1210

00:58:59,400 --> 00:58:56,859

that I talked about with the headless

1211

00:59:00,870 --> 00:58:59,410

men of the Blue Meanies probably would

1212

00:59:03,059 --> 00:59:00,880

have covered it they had extremely long

1213

00:59:10,259 --> 00:59:03,069

pubic hair so it may have covered this

1214

00:59:13,950 --> 00:59:10,269

Bigfoot penis so yeah you would have

1215

00:59:18,269 --> 00:59:13,960

keep paying for that property per acre

1216

00:59:18,809 --> 00:59:18,279

you'd be paying 871 thousand dollars an

1217

00:59:20,609 --> 00:59:18,819

acre

1218

00:59:26,789 --> 00:59:20,619

well they didn't even take her over

1219

00:59:30,420 --> 00:59:26,799

there to make an offer I will sell you

1220

00:59:32,359 --> 00:59:30,430

an acre no at or per square foot at a

1221

00:59:36,450 --> 00:59:32,369

half the price for obdam

1222

00:59:38,190 --> 00:59:36,460

special deal only for you it's there's a

1223

00:59:39,930 --> 00:59:38,200

mountain there's not a whole lot of

1224

00:59:41,609 --> 00:59:39,940

water but I have like a water hose and I

1225

00:59:43,319 --> 00:59:41,619

can like throw a water hose over there

1226

00:59:43,589 --> 00:59:43,329

and you can turn it on sometimes you

1227

00:59:45,900 --> 00:59:43,599

want

1228

00:59:47,880 --> 00:59:45,910

sounds like a good offer count me in we

1229

00:59:49,859 --> 00:59:47,890

can I'll have my every state agent call

1230

00:59:53,789 --> 00:59:49,869

you and I'm sure we'll be able to work

1231

00:59:56,400 --> 00:59:53,799

something out potatoes yes we can get it

1232

00:59:57,960 --> 00:59:56,410

going got the hammering and I appreciate

1233

01:00:00,329 --> 00:59:57,970

the show all right thank you very much

1234

01:00:03,780 --> 01:00:00,339

we will talk to you next time I'm gonna

1235

01:00:08,050 --> 01:00:03,790

close you out bye

1236

01:00:17,710 --> 01:00:13,600

ah boy we covered a lot of different

1237

01:00:18,070 --> 01:00:17,720

things a lot of different things and I

1238

01:00:21,130 --> 01:00:18,080

uh

1239

01:00:25,770 --> 01:00:21,140

I'll give him a hammer stop the

1240

01:00:34,060 --> 01:00:29,020

in fact Wednesday was some more topics

1241

01:00:39,100 --> 01:00:34,070

and discussions yeah love when you guys

1242

01:00:44,620 --> 01:00:39,110

call in with with topics like Bigfoot

1243

01:00:48,280 --> 01:00:44,630

erotic fan fiction statements about seal

1244

01:00:54,700 --> 01:00:48,290

and although I gotta say the the the

1245

01:00:57,010 --> 01:00:54,710

headless people of Lemmy's I don't know

1246

01:01:04,450 --> 01:00:57,020

hit a bit of a maybe a bit of a downer

1247

01:01:05,860 --> 01:01:04,460

there but hey it's interesting the

1248

01:01:08,440 --> 01:01:05,870

content is interesting

1249

01:01:10,660 --> 01:01:08,450

maybe not the the the telling of psychic

1250

01:01:15,520 --> 01:01:10,670

content or the conveying of the content

1251
01:01:24,820 --> 01:01:15,530
you know I'm saying now no not back to

1252
01:01:26,700 --> 01:01:24,830
business I'm getting out of here yes all

1253
01:01:29,200 --> 01:01:26,710
right everyone

1254
01:01:34,080 --> 01:01:29,210
what do I do with that announcements oh

1255
01:01:36,730 --> 01:01:34,090
no I don't know announcements although

1256
01:01:41,260 --> 01:01:36,740
yes one brief announcement you happen to

1257
01:01:45,970 --> 01:01:41,270
slack I will be posting up some some I

1258
01:01:48,880 --> 01:01:45,980
guess I'll say some mock-ups some fairly

1259
01:01:53,170 --> 01:01:48,890
well crafted almost complete t-shirt

1260
01:01:55,090 --> 01:01:53,180
t-shirt designs for obdam so get some

1261
01:01:58,390 --> 01:01:55,100
feedback and opinions on that from the

1262
01:02:01,810 --> 01:01:58,400
people in slack and then we will maybe

1263
01:02:03,730 --> 01:02:01,820

start a pre-order figure out who may be

1264

01:02:05,650 --> 01:02:03,740

interested in purchasing one and then

1265

01:02:08,440 --> 01:02:05,660

pull the trigger and get use out to

1266

01:02:10,030 --> 01:02:08,450

people I gotta say I think they're gonna

1267
