

NIGHT TALK
with
MIDNIGHT MIKE

1
00:00:06,520 --> 00:00:18,190

you

2
00:00:18,200 --> 00:00:24,880

[Music]

3
00:00:30,580 --> 00:00:29,060

but we'll see usually when I was 18 I

4
00:00:33,820 --> 00:00:30,590

had eight

5
00:00:39,340 --> 00:00:36,220

[Music]

6
00:00:47,420 --> 00:00:39,350

in green skin

7
00:00:54,569 --> 00:00:52,410

different condoms you know you read what

8
00:00:56,189 --> 00:00:54,579

others have done and you put the next

9
00:00:57,770 --> 00:00:56,199

step you didn't earn the knowledge for

10
00:01:01,370 --> 00:00:57,780

yourselves so you don't take

11
00:01:01,380 --> 00:01:06,920

three day

12
00:01:21,200 --> 00:01:18,370

[Music]

13
00:01:21,600 --> 00:01:21,210

guys we're just gonna have a great time

14

00:01:22,719 --> 00:01:21,610

together

15

00:01:25,880 --> 00:01:22,729

[Music]

16

00:01:29,000 --> 00:01:25,890

hey everyone welcome back to another

17

00:01:33,340 --> 00:01:29,010

night talk night

18

00:01:39,410 --> 00:01:33,350

[Music]

19

00:01:45,340 --> 00:01:39,420

my name is midnight Mike haha aka the

20

00:01:48,370 --> 00:01:45,350

night Ripper aka Michael kick aka

21

00:01:53,380 --> 00:01:48,380

the young scissor haha hey Patrick

22

00:01:59,160 --> 00:01:53,390

London hey Chuck jingle aka the one who

23

00:02:01,420 --> 00:01:59,170

walks the earth I think that's all I got

24

00:02:02,469 --> 00:02:01,430

it's all the names I have for now I

25

00:02:06,640 --> 00:02:02,479

might be missing something

26
00:02:10,749 --> 00:02:06,650
uh-huh hey thanks for everyone showing

27
00:02:14,410 --> 00:02:10,759
up in the the live chat the live YouTube

28
00:02:16,900 --> 00:02:14,420
stream if you want the audio only

29
00:02:18,160 --> 00:02:16,910
version of this you can subscribe to the

30
00:02:20,590 --> 00:02:18,170
patreon there's a link on the website

31
00:02:23,199 --> 00:02:20,600
that just been updated I'm working up

32
00:02:25,560 --> 00:02:23,209
some DNS issues some domain issues so

33
00:02:28,510 --> 00:02:25,570
you get a warning saying hey this is

34
00:02:31,210 --> 00:02:28,520
some goofy stuff going on usually by a

35
00:02:33,280 --> 00:02:31,220
Google browser Chrome don't worry about

36
00:02:36,670 --> 00:02:33,290
that you can click through and the the

37
00:02:38,920 --> 00:02:36,680
site works normally I'm not asking for

38
00:02:40,780 --> 00:02:38,930

any login information any payment

39

00:02:42,250 --> 00:02:40,790

information on the site right now so

40

00:02:43,630 --> 00:02:42,260

there's really no exchange of

41

00:02:45,310 --> 00:02:43,640

information all there is the link

42

00:02:47,020 --> 00:02:45,320

provide or although site provides is

43

00:02:48,970 --> 00:02:47,030

links to the show patreon and all that

44

00:02:51,250 --> 00:02:48,980

kind of stuff and the donations and a

45

00:02:56,110 --> 00:02:51,260

tree honor handled by third parties so

46

00:02:58,360 --> 00:02:56,120

don't worry about it okay uh-huh but

47

00:03:02,620 --> 00:02:58,370

yeah the zoo site is out there are big

48

00:03:06,819 --> 00:03:02,630

demo com OBD and pod comm check it out

49

00:03:11,130 --> 00:03:06,829

and many thanks to my my girlfriend

50

00:03:13,810 --> 00:03:11,140

Rihanna who diligently worked with me

51
00:03:16,990 --> 00:03:13,820
very patiently work with me to get that

52
00:03:21,100 --> 00:03:17,000
that site up and running and looking

53
00:03:22,720 --> 00:03:21,110
good so big thanks to my girlfriend me

54
00:03:23,380 --> 00:03:22,730
give her the thing tonight thank you

55
00:03:24,940 --> 00:03:23,390
very much

56
00:03:27,250 --> 00:03:24,950
it wouldn't have gotten done without her

57
00:03:28,900 --> 00:03:27,260
well it may have been it would have

58
00:03:34,120 --> 00:03:28,910
gotten done but probably just like a

59
00:03:37,509 --> 00:03:34,130
year from now so so thanks to everyone

60
00:03:39,940 --> 00:03:37,519
helping out drawing illustrations and

61
00:03:41,860 --> 00:03:39,950
cartoons for it it was fun to work on it

62
00:03:45,100 --> 00:03:41,870
was fun to make some some new artwork

63
00:03:48,720 --> 00:03:45,110

and get a site up there that people can

64

00:03:52,509 --> 00:03:48,730

use on multiple different browsers and

65

00:03:54,460 --> 00:03:52,519

have it function in a very similar

66

00:03:57,069 --> 00:03:54,470

format the previous site didn't have

67

00:03:58,140 --> 00:03:57,079

that I think people with the Firefox

68

00:04:01,350 --> 00:03:58,150

users were have

69

00:04:03,059 --> 00:04:01,360

trouble accessing the site listen when

70

00:04:04,710 --> 00:04:03,069

you puppy when you program a website by

71

00:04:07,520 --> 00:04:04,720

yourself from the from the from the

72

00:04:10,649 --> 00:04:07,530

server up you're bound to forget a few

73

00:04:12,149 --> 00:04:10,659

testing browsers like the biggest one

74

00:04:19,170 --> 00:04:12,159

probably one the bigger ones out there

75

00:04:22,469 --> 00:04:19,180

Firefox well lesson learned tonight on

76

00:04:23,700 --> 00:04:22,479

the show as you might be able to see

77

00:04:26,730 --> 00:04:23,710

from the title I don't know if you can

78

00:04:30,090 --> 00:04:26,740

read and I can't but for those of you

79

00:04:32,490 --> 00:04:30,100

who do read we're gonna be talking about

80

00:04:33,810 --> 00:04:32,500

the skinwalker ranch a little bit I've

81

00:04:36,020 --> 00:04:33,820

been reading through that book and

82

00:04:38,520 --> 00:04:36,030

there's a new movie coming out in

83

00:04:39,420 --> 00:04:38,530

mid-september we'll talk about that a

84

00:04:42,810 --> 00:04:39,430

little bit well let's talk about

85

00:04:44,760 --> 00:04:42,820

disappearing objects things that just

86

00:04:46,740 --> 00:04:44,770

happened you saw him one second in the

87

00:04:48,210 --> 00:04:46,750

next second they're gone like I'm

88

00:04:50,100 --> 00:04:48,220

looking for my keys I knew that around

89

00:04:51,150 --> 00:04:50,110

the goddamn table I go to get my keys

90

00:04:52,469 --> 00:04:51,160

they're not there and you look all

91

00:04:55,409 --> 00:04:52,479

around the house like you're some sort

92

00:04:58,650 --> 00:04:55,419

of buffoon tearing everything apart

93

00:05:00,390 --> 00:04:58,660

flipping couches over and then then you

94

00:05:02,339 --> 00:05:00,400

go back and look at the table and there

95

00:05:04,230 --> 00:05:02,349

they are exactly what you thought you

96

00:05:06,360 --> 00:05:04,240

put them we've talked about that a

97

00:05:09,330 --> 00:05:06,370

little bit there's also a dog man

98

00:05:11,189 --> 00:05:09,340

sighting or a man dog sighting I don't

99

00:05:13,469 --> 00:05:11,199

know which one it is but that that's the

100

00:05:16,260 --> 00:05:13,479

story and I believe there is some sort

101
00:05:18,960 --> 00:05:16,270
of video evidence possibly photography

102
00:05:22,399 --> 00:05:18,970
don't know what yet I just saw the

103
00:05:26,969 --> 00:05:22,409
headline grabbed it for for the show and

104
00:05:28,890 --> 00:05:26,979
possibly we might have some Bigfoot

105
00:05:31,320 --> 00:05:28,900
erotica I know it's been a hot topic

106
00:05:35,129 --> 00:05:31,330
people been talking about all over the

107
00:05:37,950 --> 00:05:35,139
news I you know I never thought that I

108
00:05:41,460 --> 00:05:37,960
would see the day were Bigfoot erotica

109
00:05:42,469 --> 00:05:41,470
would be the subject of mainstream talk

110
00:05:49,649 --> 00:05:42,479
but here we are

111
00:05:51,899 --> 00:05:49,659
2018 and it is in the news so I it might

112
00:05:53,909 --> 00:05:51,909
be nice to read through some Bigfoot

113
00:05:56,760 --> 00:05:53,919

erotica so people can get an overall

114

00:05:59,129 --> 00:05:56,770

feel for what it is what it includes I'm

115

00:06:01,080 --> 00:05:59,139

sure we all can speculate sure we all

116

00:06:03,450 --> 00:06:01,090

have an imagination sure there's

117

00:06:05,850 --> 00:06:03,460

probably a penis are too involved in

118

00:06:09,450 --> 00:06:05,860

these romance romance novels featuring

119

00:06:11,460 --> 00:06:09,460

Bigfoot or other cryptids but we'll get

120

00:06:14,340 --> 00:06:11,470

the hard facts here soon we'll read

121

00:06:17,430 --> 00:06:14,350

some paragraphs I'll glance I'll peer at

122

00:06:20,580 --> 00:06:17,440

the books try to read so we can have an

123

00:06:24,030 --> 00:06:20,590

entertaining in fun time so everyone out

124

00:06:26,850 --> 00:06:24,040

there can just relax sit back and enjoy

125

00:06:29,760 --> 00:06:26,860

the madness uh-huh

126

00:06:31,950 --> 00:06:29,770

all right I'm glad we're all in the same

127

00:06:34,380 --> 00:06:31,960

page I guess I'll I'll open up the phone

128

00:06:39,740 --> 00:06:34,390

lines and you guys can ride shotgun with

129

00:06:41,850 --> 00:06:39,750

me for a little bit no talk perhaps

130

00:06:43,680 --> 00:06:41,860

maybe for a little bit let's transition

131

00:06:45,260 --> 00:06:43,690

over to our first topic of discussion

132

00:06:49,129 --> 00:06:45,270

which is skinwalker ranch

133

00:06:52,010 --> 00:06:49,139

[Music]

134

00:06:53,570 --> 00:06:52,020

all right

135

00:06:55,279 --> 00:06:53,580

I'm not gonna transition the screen over

136

00:06:57,050 --> 00:06:55,289

just yet cuz I'm just gonna be talking

137

00:07:00,920 --> 00:06:57,060

off the top of my head I've been reading

138

00:07:07,610 --> 00:07:00,930

the book hunt for skinwalker which is

139

00:07:10,550 --> 00:07:07,620

written by PhD scientist and George

140

00:07:12,439 --> 00:07:10,560

Knapp of the of coast to coast am fame

141

00:07:14,719 --> 00:07:12,449

he's also a journalist investigative

142

00:07:17,619 --> 00:07:14,729

journalist and maybe I'll bring up on

143

00:07:19,520 --> 00:07:17,629

the screen maybe I'll help everybody to

144

00:07:23,089 --> 00:07:19,530

understand what I'm talking about

145

00:07:25,520 --> 00:07:23,099

hunt for skinwalker it's a book I'm

146

00:07:30,230 --> 00:07:25,530

reading it I read it at night and I get

147

00:07:32,420 --> 00:07:30,240

scared I do and I've been reading

148

00:07:37,370 --> 00:07:32,430

through this book of very slowly and as

149

00:07:39,860 --> 00:07:37,380

I didn't read and I already have like a

150

00:07:45,469 --> 00:07:39,870

fairly good overall view of paranormal

151
00:07:48,529 --> 00:07:45,479
activity UFOs Bigfoot dog men and

152
00:07:52,999 --> 00:07:48,539
poltergeist events and the skinwalker

153
00:07:57,379 --> 00:07:53,009
ranch book really incorporates all those

154
00:08:00,200 --> 00:07:57,389
elements from cattle mutilation UFO

155
00:08:00,909 --> 00:08:00,210
sightings portals to your

156
00:08:03,680 --> 00:08:00,919
run-of-the-mill

157
00:08:04,730 --> 00:08:03,690
poltergeist infestation of your house

158
00:08:07,790 --> 00:08:04,740
and it really is an infestation

159
00:08:09,800 --> 00:08:07,800
poltergeist infestation now I'll bring

160
00:08:13,820 --> 00:08:09,810
this up on screen right now so we all

161
00:08:16,580 --> 00:08:13,830
can enjoy enjoys together so in this

162
00:08:21,740 --> 00:08:16,590
book uh I've gotten past the the point

163
00:08:23,480 --> 00:08:21,750

where the the family on this ranch have

164

00:08:24,800 --> 00:08:23,490

been plagued with like almost all the

165

00:08:26,959 --> 00:08:24,810

events I just described cattle

166

00:08:28,610 --> 00:08:26,969

mutilations big UFO sightings Bigfoot

167

00:08:30,649 --> 00:08:28,620

sightings dog moon sightings and and

168

00:08:33,889 --> 00:08:30,659

poltergeists in the station of their

169

00:08:37,250 --> 00:08:33,899

house and a team of scientists have been

170

00:08:40,819 --> 00:08:37,260

dispatched to this location in Utah

171

00:08:42,969 --> 00:08:40,829

skinwalker ranch and every step of the

172

00:08:45,230 --> 00:08:42,979

way where they tried to go out and get

173

00:08:47,510 --> 00:08:45,240

photographic proof of video observation

174

00:08:48,230 --> 00:08:47,520

using infrared goggles or night-vision

175

00:08:51,380 --> 00:08:48,240

goggles

176

00:08:53,420 --> 00:08:51,390

this this intelligence this entity is

177

00:08:55,100 --> 00:08:53,430

like one step ahead so they'll go to a

178

00:08:57,199 --> 00:08:55,110

location where they see a ball of light

179

00:09:00,710 --> 00:08:57,209

they'll go out there disappear they set

180

00:09:02,689 --> 00:09:00,720

up cameras on on poles that are like 15

181

00:09:04,519 --> 00:09:02,699

20 feet high and they'll find that these

182

00:09:05,560 --> 00:09:04,529

security cameras have been dismantled

183

00:09:08,320 --> 00:09:05,570

from the inside

184

00:09:10,600 --> 00:09:08,330

out in in in particular ways where it's

185

00:09:14,380 --> 00:09:10,610

not easy to accomplish then it would

186

00:09:16,990 --> 00:09:14,390

take somebody many many minutes to

187

00:09:20,860 --> 00:09:17,000

unwrap electoral tape take out the cords

188

00:09:22,450 --> 00:09:20,870

climb the pole and descend and get done

189

00:09:24,580 --> 00:09:22,460

in a way where it's not seen and they

190

00:09:26,740 --> 00:09:24,590

had video cameras other video cameras

191

00:09:28,140 --> 00:09:26,750

pointed at other security cameras so

192

00:09:31,420 --> 00:09:28,150

they're like watching each other and

193

00:09:33,870 --> 00:09:31,430

none of that footage that the that was

194

00:09:35,980 --> 00:09:33,880

captured displayed anything on screen

195

00:09:37,630 --> 00:09:35,990

that would indicate they were there was

196

00:09:40,450 --> 00:09:37,640

a person that would climb a climb up

197

00:09:42,580 --> 00:09:40,460

there and was doing this they're chasing

198

00:09:45,670 --> 00:09:42,590

essentially these the scientists are

199

00:09:50,380 --> 00:09:45,680

chasing phantoms they're chasing

200

00:09:52,530 --> 00:09:50,390

entities that cannot be seen by the the

201
00:09:56,590 --> 00:09:52,540
human eye they will see balls of light

202
00:09:59,080 --> 00:09:56,600
that interact with the environment these

203
00:10:01,840 --> 00:09:59,090
take the shape and color of vodka of

204
00:10:04,510 --> 00:10:01,850
let's say a basketball-sized blue sphere

205
00:10:08,100 --> 00:10:04,520
that appears to be filled with some sort

206
00:10:11,590 --> 00:10:08,110
of liquid in those blue spheres kind of

207
00:10:14,770 --> 00:10:11,600
circle and maintain a presence around

208
00:10:17,200 --> 00:10:14,780
the the house but then you have other

209
00:10:20,830 --> 00:10:17,210
balls of light that are a yellowish in

210
00:10:22,870 --> 00:10:20,840
nature and in red that kind of go about

211
00:10:25,840 --> 00:10:22,880
the the property terrorized the cattle

212
00:10:27,580 --> 00:10:25,850
and other people on the property and

213
00:10:32,290 --> 00:10:27,590

what do I mean by terrorize like if they

214

00:10:34,330 --> 00:10:32,300

see a red ball of light everything in

215

00:10:36,690 --> 00:10:34,340

the story in the book bus far indicates

216

00:10:38,830 --> 00:10:36,700

that when you see this red ball of light

217

00:10:42,700 --> 00:10:38,840

most of the people that encounter this

218

00:10:45,580 --> 00:10:42,710

red ball light have an overwhelming fear

219

00:10:48,070 --> 00:10:45,590

they become panicked it not only panics

220

00:10:50,920 --> 00:10:48,080

the the human and also panics cattle

221

00:10:54,220 --> 00:10:50,930

causes Stampede causes a horse's to

222

00:10:56,920 --> 00:10:54,230

taboc and freak out and in in a couple

223

00:10:59,020 --> 00:10:56,930

instances that it these ranchers around

224

00:11:01,450 --> 00:10:59,030

their horses they encountered this red

225

00:11:05,800 --> 00:11:01,460

ball of light you panic the horse so

226

00:11:09,820 --> 00:11:05,810

much it frenzy the horse driving it

227

00:11:13,080 --> 00:11:09,830

almost off a cliff almost killing the

228

00:11:16,350 --> 00:11:13,090

horse because it did fall and almost

229

00:11:19,870 --> 00:11:16,360

severely injuring the rider and the

230

00:11:22,210 --> 00:11:19,880

ranch hands so these paranoid

231

00:11:25,330 --> 00:11:22,220

counters do have real-world physical

232

00:11:27,970 --> 00:11:25,340

consequences and as I'm digging through

233

00:11:30,480 --> 00:11:27,980

this this skinwalker ranch book there

234

00:11:36,250 --> 00:11:30,490

are some parallels to missing for 11

235

00:11:39,640 --> 00:11:36,260

with with how quickly these entities

236

00:11:41,290 --> 00:11:39,650

these now that you have you have the do

237

00:11:43,900 --> 00:11:41,300

a quick rundown of these types of

238

00:11:46,480 --> 00:11:43,910

objects or entities on skinwalker ranch

239

00:11:48,340 --> 00:11:46,490

thus far we have balls of light the

240

00:11:50,980 --> 00:11:48,350

there are sightings of Bigfoot but they

241

00:11:52,930 --> 00:11:50,990

don't really seem to interact with the

242

00:11:55,750 --> 00:11:52,940

the ranch too much meaning they don't

243

00:12:00,760 --> 00:11:55,760

come in and destroy stuff they have

244

00:12:05,590 --> 00:12:00,770

encountered dog people they poltergeist

245

00:12:08,860 --> 00:12:05,600

and also large black entities ranging

246

00:12:11,650 --> 00:12:08,870

from six foot to eight foot and they

247

00:12:13,630 --> 00:12:11,660

have been described as just large a

248

00:12:18,910 --> 00:12:13,640

massive black almost like a moving

249

00:12:23,770 --> 00:12:18,920

shadow but when looked at through FLIR

250

00:12:28,030 --> 00:12:23,780

or night-vision goggles they display no

251
00:12:30,670 --> 00:12:28,040
features and they're able to navigate

252
00:12:34,530 --> 00:12:30,680
the environment without leaving any

253
00:12:38,080 --> 00:12:34,540
footprints behind they've been shot at

254
00:12:40,180 --> 00:12:38,090
many times and the people who have shot

255
00:12:43,270 --> 00:12:40,190
this entity claim that they they hit it

256
00:12:46,800 --> 00:12:43,280
dead on and it led left no blood trail

257
00:12:50,440 --> 00:12:46,810
and even when this thing was chased by

258
00:12:53,760 --> 00:12:50,450
multiple people through the snow it only

259
00:12:58,660 --> 00:12:53,770
left one footprint one circular

260
00:13:00,520 --> 00:12:58,670
footprint in the snow and that is

261
00:13:04,330 --> 00:13:00,530
bizarre in and of itself so we have a

262
00:13:08,950 --> 00:13:04,340
creature out on this on this ranch that

263
00:13:13,150 --> 00:13:08,960

is able to come to and fro leaving no

264

00:13:18,540 --> 00:13:13,160

trace of itself and seemingly unable to

265

00:13:22,750 --> 00:13:18,550

be injured by by guns which is the same

266

00:13:27,400 --> 00:13:22,760

the the ranchers that have lived on the

267

00:13:28,990 --> 00:13:27,410

property seem to know when events are

268

00:13:32,680 --> 00:13:29,000

going to take place they kind of get a

269

00:13:33,430 --> 00:13:32,690

sense of a stillness over the ranch

270

00:13:36,270 --> 00:13:33,440

whether

271

00:13:38,470 --> 00:13:36,280

is the insects and birds quieting down

272

00:13:41,740 --> 00:13:38,480

and when they hear something like that

273

00:13:43,390 --> 00:13:41,750

or the way the the air seems to remain

274

00:13:46,930 --> 00:13:43,400

still they know something's going to

275

00:13:50,740 --> 00:13:46,940

happen and use the Society of the ball

276

00:13:53,860 --> 00:13:50,750

light in the the ranch or the the

277

00:13:56,680 --> 00:13:53,870

grazing area for the cattle and most of

278

00:13:58,630 --> 00:13:56,690

time after they see a ball light one or

279

00:14:00,300 --> 00:13:58,640

a couple of their cattle will be

280

00:14:03,010 --> 00:14:00,310

mutilated either picked up or dropped

281

00:14:04,930 --> 00:14:03,020

but they never really see it happen

282

00:14:07,390 --> 00:14:04,940

they will observe the ball light observe

283

00:14:09,550 --> 00:14:07,400

the cattle they'll turn to another

284

00:14:12,360 --> 00:14:09,560

segment of the farmer ranch and then

285

00:14:15,310 --> 00:14:12,370

when they return minutes later they find

286

00:14:20,260 --> 00:14:15,320

one of the cattle severely injured

287

00:14:22,390 --> 00:14:20,270

broken legs and or just dead and the

288

00:14:24,100 --> 00:14:22,400

scientist who on or on the ground trying

289

00:14:26,590 --> 00:14:24,110

to investigate this stuff are equally as

290

00:14:30,820 --> 00:14:26,600

perplexed they're called the nits this

291

00:14:32,800 --> 00:14:30,830

is Robert Bigelow's group and he funds

292

00:14:35,350 --> 00:14:32,810

them to go out and basically be his

293

00:14:38,230 --> 00:14:35,360

personal Ghostbusters he wants them to

294

00:14:42,460 --> 00:14:38,240

get scientific evidence of paranormal

295

00:14:47,130 --> 00:14:42,470

activity ranging they but they need to

296

00:14:50,470 --> 00:14:47,140

have some sort of solid video proof

297

00:14:55,290 --> 00:14:50,480

magnetic readings Geiger counters stuff

298

00:15:00,400 --> 00:14:58,480

some night-vision goggles are able to

299

00:15:02,680 --> 00:15:00,410

see these balls of light better than

300

00:15:07,000 --> 00:15:02,690

others and they also have noticed that

301

00:15:11,350 --> 00:15:07,010

people that interact with this

302

00:15:14,770 --> 00:15:11,360

environment some of them do display a

303

00:15:18,490 --> 00:15:14,780

larger electromagnetic field than others

304

00:15:25,800 --> 00:15:18,500

like the wife of the Maine rancher the

305

00:15:27,640 --> 00:15:25,810

Gorman's she was she had many different

306

00:15:30,910 --> 00:15:27,650

encounters with poltergeists in the

307

00:15:33,010 --> 00:15:30,920

house ranging from coming home dropping

308

00:15:34,300 --> 00:15:33,020

for ghosts groceries in fog just to go

309

00:15:36,600 --> 00:15:34,310

into another room come back and the

310

00:15:39,220 --> 00:15:36,610

groceries are all over the place so

311

00:15:40,660 --> 00:15:39,230

she's had many different terrifying

312

00:15:46,030 --> 00:15:40,670

encounters with poltergeists and when

313

00:15:47,020 --> 00:15:46,040

they when they measured her magnetic

314

00:15:49,510 --> 00:15:47,030

field it was

315

00:15:52,690 --> 00:15:49,520

the charts they started measuring it and

316

00:15:55,090 --> 00:15:52,700

it was not anything else in the vicinity

317

00:15:57,910 --> 00:15:55,100

they double-checked and then that that

318

00:15:59,410 --> 00:15:57,920

field slowly faded um they don't know

319

00:16:03,850 --> 00:15:59,420

what this means they have all this

320

00:16:07,000 --> 00:16:03,860

pieces of EPI TSA's of evidence ranging

321

00:16:09,970 --> 00:16:07,010

from a singular photograph of a ball

322

00:16:11,950 --> 00:16:09,980

light to these anomalous electromagnetic

323

00:16:13,300 --> 00:16:11,960

readings magnetic readings but they

324

00:16:16,230 --> 00:16:13,310

can't pull it all together and it's not

325

00:16:20,260 --> 00:16:16,240

reproducible so these the scientists are

326

00:16:22,360 --> 00:16:20,270

frustrated absolutely frustrated that

327

00:16:25,600 --> 00:16:22,370

they're not able to get the evidence

328

00:16:28,510 --> 00:16:25,610

they they want to present to the

329

00:16:30,670 --> 00:16:28,520

scientific board to warrant maybe even

330

00:16:32,520 --> 00:16:30,680

further funding or investigation

331

00:16:34,900 --> 00:16:32,530

bringing some more resources who knows

332

00:16:36,880 --> 00:16:34,910

but they're unable to reproduce that the

333

00:16:40,080 --> 00:16:36,890

evidence that they need but what they

334

00:16:44,950 --> 00:16:40,090

haven't what they but they've have

335

00:16:48,370 --> 00:16:44,960

discovered is that meditation seems to

336

00:16:53,440 --> 00:16:48,380

bring on the entities at least near

337

00:16:56,470 --> 00:16:53,450

skinwalker ranch once us such instance

338

00:17:01,600 --> 00:16:56,480

is that before the the knids team

339

00:17:02,860 --> 00:17:01,610

actually arrived on location stories

340

00:17:04,240 --> 00:17:02,870

around the town have already spread

341

00:17:06,160 --> 00:17:04,250

people it was already kind of like a

342

00:17:08,440 --> 00:17:06,170

little bit of urban legend but what was

343

00:17:10,330 --> 00:17:08,450

going on there and other people around

344

00:17:11,740 --> 00:17:10,340

the area also had their own sightings of

345

00:17:13,630 --> 00:17:11,750

with petting the paranormal ranging from

346

00:17:15,880 --> 00:17:13,640

UFOs to Bigfoot it's all that that whole

347

00:17:19,240 --> 00:17:15,890

area you go down there you throw stone

348

00:17:21,610 --> 00:17:19,250

you can hit a Bigfoot and we're spread

349

00:17:25,240 --> 00:17:21,620

and someone requested to come on the

350

00:17:27,130 --> 00:17:25,250

property talk to the the Gorman's and

351

00:17:30,490 --> 00:17:27,140

they ask for permission to just go out

352

00:17:32,620 --> 00:17:30,500

in the woods and to meditate just want

353

00:17:34,870 --> 00:17:32,630

to go out there medic tape he didn't

354

00:17:39,660 --> 00:17:34,880

really give offer any explanation of why

355

00:17:42,490 --> 00:17:39,670

or what he thought might occur but

356

00:17:45,040 --> 00:17:42,500

Gorman of the the ranch

357

00:17:48,220 --> 00:17:45,050

I guess owner at this time he was the

358

00:17:50,110 --> 00:17:48,230

owner yes and sold it to Bigelow but at

359

00:17:52,060 --> 00:17:50,120

the time he was the owner he led the

360

00:17:55,720 --> 00:17:52,070

this person who won't do meditation out

361

00:17:57,340 --> 00:17:55,730

to a clearing and he stood about if I

362

00:17:59,740 --> 00:17:57,350

remember correctly anywhere from forty

363

00:18:00,520 --> 00:17:59,750

to fifty feet away from this person

364

00:18:02,440 --> 00:18:00,530

doing meditation

365

00:18:07,120 --> 00:18:02,450

another person to sat down he just sat

366

00:18:09,760 --> 00:18:07,130

down and started meditating and you know

367

00:18:11,170 --> 00:18:09,770

him ranch hand was or the Rangers is

368

00:18:12,880 --> 00:18:11,180

observing this guy he thought I was a

369

00:18:17,830 --> 00:18:12,890

little goofy they just want to come to

370

00:18:20,950 --> 00:18:17,840

the ranch and meditate but sure enough

371

00:18:25,870 --> 00:18:20,960

that did provoke some sort of entity

372

00:18:29,500 --> 00:18:25,880

they heard a large growl roar if you

373

00:18:30,160 --> 00:18:29,510

will and what Gorman describes is her

374

00:18:32,680 --> 00:18:30,170

creature

375

00:18:36,610 --> 00:18:32,690

mrs. broad-daylight mind you he he

376

00:18:39,460 --> 00:18:36,620

described a creature that was much like

377

00:18:42,700 --> 00:18:39,470

the predator kind of stomp out of the

378

00:18:44,430 --> 00:18:42,710

woods like rushed towards the person who

379

00:18:48,490 --> 00:18:44,440

was doing the meditating meditating

380

00:18:50,860 --> 00:18:48,500

scream and or yell or growl and some

381

00:18:53,470 --> 00:18:50,870

powerful animalistic kind of vocal

382

00:18:57,640 --> 00:18:53,480

expression scares the [h__\h] out of this

383

00:18:59,260 --> 00:18:57,650

meditator and he got up and just ran the

384

00:19:01,270 --> 00:18:59,270

[h__\h] out of there that meditated in him

385

00:19:01,540 --> 00:19:01,280

then he looked back and he never came

386

00:19:05,680 --> 00:19:01,550

back

387

00:19:07,450 --> 00:19:05,690

and I think Gorman the ranch hand did

388

00:19:12,160 --> 00:19:07,460

reach for his rifle and try to crack off

389

00:19:16,510 --> 00:19:12,170

a few shots so with that in mind the the

390

00:19:18,610 --> 00:19:16,520

knids the scientists that called the NIT

391

00:19:22,610 --> 00:19:18,620

so much I mean we find out with the

392

00:19:29,450 --> 00:19:22,620

needs exactly stands for

393

00:19:34,700 --> 00:19:32,750

I mean I kind of I don't want to know

394

00:19:38,580 --> 00:19:34,710

what knids stands for I've written it

395

00:19:45,200 --> 00:19:41,010

and maybe maybe other people want to

396

00:19:48,000 --> 00:19:45,210

know what niche stands for I'm curious

397

00:19:52,470 --> 00:19:48,010

nudes National Institute for discovery

398

00:19:54,690 --> 00:19:52,480

science okay so the the the nudes people

399

00:19:58,730 --> 00:19:54,700

national to discovery science come on

400

00:20:02,370 --> 00:19:58,740

board and one of one of the scientists

401
00:20:05,340 --> 00:20:02,380
wants to meditate he has also been on

402
00:20:07,890 --> 00:20:05,350
other investigations and realized that

403
00:20:11,519 --> 00:20:07,900
when he meditates it does provoke

404
00:20:14,639 --> 00:20:11,529
whatever entity is around in the

405
00:20:16,710 --> 00:20:14,649
environment to come out so he scaled

406
00:20:18,510 --> 00:20:16,720
down to a little clearing this is then

407
00:20:20,820 --> 00:20:18,520
like two o'clock in the morning starts

408
00:20:23,070 --> 00:20:20,830
to meditate he did that for about half

409
00:20:26,190 --> 00:20:23,080
hour 45 minutes didn't really see

410
00:20:28,560 --> 00:20:26,200
anything goes back up to his his little

411
00:20:32,820 --> 00:20:28,570
perch with his other partner and sure

412
00:20:35,460 --> 00:20:32,830
enough they they they start to see a

413
00:20:38,370 --> 00:20:35,470

yellow ball of light in the distance

414

00:20:39,960 --> 00:20:38,380

start to grow larger and larger one of

415

00:20:44,190 --> 00:20:39,970

the guys grabs the the night vision

416

00:20:45,810 --> 00:20:44,200

goggles starts looking at it and what

417

00:20:50,850 --> 00:20:45,820

the guy with the night vision goggles

418

00:20:52,799 --> 00:20:50,860

describes is a portal a yellow three

419

00:20:57,659 --> 00:20:52,809

dimensional portal opening up above the

420

00:21:00,840 --> 00:20:57,669

ground and a pitch-black entity crawl

421

00:21:03,389 --> 00:21:00,850

out of it stand up and run into the

422

00:21:04,860 --> 00:21:03,399

woods now meanwhile the guy who did the

423

00:21:06,750 --> 00:21:04,870

meditating was not looking through the

424

00:21:10,139 --> 00:21:06,760

night-vision goggles he was trying to do

425

00:21:12,240 --> 00:21:10,149

long exposure photography and could not

426

00:21:16,500 --> 00:21:12,250

get anything of value got like a little

427

00:21:20,190 --> 00:21:16,510

dot of light and he could not see the

428

00:21:22,399 --> 00:21:20,200

ball of light with his own eyes the one

429

00:21:25,649 --> 00:21:22,409

observer if I'm if I read it correctly

430

00:21:28,440 --> 00:21:25,659

one observer was able to see it the

431

00:21:31,529 --> 00:21:28,450

person who is meditating was not able to

432

00:21:33,180 --> 00:21:31,539

see it so there was a discrepancy in

433

00:21:35,460 --> 00:21:33,190

what they were absolutely actually

434

00:21:38,130 --> 00:21:35,470

observing but the person with a night

435

00:21:43,440 --> 00:21:38,140

vision binoculars described in detail

436

00:21:47,580 --> 00:21:43,450

that he saw this black shadow person

437

00:21:49,289 --> 00:21:47,590

crawl out of a yellow portal that

438

00:21:51,149 --> 00:21:49,299

erupted above the ground and they

439

00:21:52,440 --> 00:21:51,159

estimated it was anywhere from four to

440

00:21:57,840 --> 00:21:52,450

five feet

441

00:22:00,570 --> 00:21:57,850

in in diameter absolutely insane they

442

00:22:03,090 --> 00:22:00,580

described with a witnessed to the the

443

00:22:05,460 --> 00:22:03,100

rest of their there's the girls signed

444

00:22:07,920 --> 00:22:05,470

his friends they're staying on the ranch

445

00:22:10,260 --> 00:22:07,930

and but you know they just had a story

446

00:22:11,970 --> 00:22:10,270

to tell they didn't have a good

447

00:22:14,880 --> 00:22:11,980

photograph they didn't have any other

448

00:22:18,540 --> 00:22:14,890

recording and that's what they're

449

00:22:20,220 --> 00:22:18,550

getting with their entire months and I

450

00:22:23,580 --> 00:22:20,230

maybe I think they might even be up to a

451

00:22:26,190 --> 00:22:23,590

year of interacting with the ranch all

452

00:22:28,290 --> 00:22:26,200

they're getting are our stories they're

453

00:22:30,810 --> 00:22:28,300

not they can't collect any evidence

454

00:22:34,080 --> 00:22:30,820

because this this entity this whatever

455

00:22:36,720 --> 00:22:34,090

whatever paranormal intelligence this is

456

00:22:39,600 --> 00:22:36,730

is reacting to them before they're even

457

00:22:42,570 --> 00:22:39,610

making their moves they're able to evade

458

00:22:45,540 --> 00:22:42,580

detection play with them essentially

459

00:22:47,760 --> 00:22:45,550

show up whether or not it's a it is one

460

00:22:48,770 --> 00:22:47,770

step ahead and it as you're reading the

461

00:22:50,910 --> 00:22:48,780

book you can tell they're just

462

00:22:53,690 --> 00:22:50,920

frustrated all to help they know

463

00:22:56,270 --> 00:22:53,700

something's there they know it as

464

00:22:58,410 --> 00:22:56,280

scientists they know it they have

465

00:23:00,330 --> 00:22:58,420

feelings they've seen stuff with their

466

00:23:02,310 --> 00:23:00,340

with their own two eyes they hear stuff

467

00:23:04,140 --> 00:23:02,320

but they're never quick enough or

468

00:23:06,060 --> 00:23:04,150

they're never in the right spot at the

469

00:23:08,880 --> 00:23:06,070

right moment to get it on video film or

470

00:23:11,100 --> 00:23:08,890

get any sort of electronic readings from

471

00:23:16,080 --> 00:23:11,110

it so it is pissing them the [h__\h] off

472

00:23:19,860 --> 00:23:16,090

part in the language but this is not the

473

00:23:22,710 --> 00:23:19,870

only ranch that experiences paranormal

474

00:23:23,660 --> 00:23:22,720

activity they mentioned another ranch in

475

00:23:27,330 --> 00:23:23,670

the book they don't they don't even

476

00:23:30,870 --> 00:23:27,340

detail where exactly it is it's they say

477

00:23:33,750 --> 00:23:30,880

somewhere in Colorado Colorado and it's

478

00:23:36,450 --> 00:23:33,760

another look another ranch that had a

479

00:23:38,610 --> 00:23:36,460

long history of paranormal activity UFO

480

00:23:42,660 --> 00:23:38,620

sightings Bigfoot and they say this

481

00:23:48,420 --> 00:23:42,670

ranch is fairly close to a United States

482

00:23:50,820 --> 00:23:48,430

military base and this this family who's

483

00:23:53,160 --> 00:23:50,830

on this separate ranch in Colorado this

484

00:23:57,900 --> 00:23:53,170

is I if I remember correctly is in the

485

00:24:00,420 --> 00:23:57,910

60s early 70s was experiencing all the

486

00:24:04,020 --> 00:24:00,430

same activity that they were getting at

487

00:24:07,020 --> 00:24:04,030

skinwalker ranch in the 90s but this was

488

00:24:14,340 --> 00:24:07,030

Becky's previous

489

00:24:17,820 --> 00:24:14,350

and the activity was incredible it it

490

00:24:20,340 --> 00:24:17,830

was a written about in a book I'll post

491

00:24:21,390 --> 00:24:20,350

a book link up in the description but

492

00:24:24,000 --> 00:24:21,400

what their experience but the family of

493

00:24:27,419 --> 00:24:24,010

experience II was a extreme poltergeist

494

00:24:31,860 --> 00:24:27,429

activity one event was that the the

495

00:24:33,600 --> 00:24:31,870

family was entertaining they had some

496

00:24:35,820 --> 00:24:33,610

people over for like a dinner party how

497

00:24:39,270 --> 00:24:35,830

nice and while they were listening to

498

00:24:43,500 --> 00:24:39,280

the radio and all the electricity got

499

00:24:45,450 --> 00:24:43,510

cut out in the in the in the the room

500

00:24:47,100 --> 00:24:45,460

that they're in in the house and then

501
00:24:49,409 --> 00:24:47,110
over all speakers including the

502
00:24:53,100 --> 00:24:49,419
television stereo and the record player

503
00:24:57,390 --> 00:24:53,110
in in unison the speaker's said we are

504
00:24:59,310 --> 00:24:57,400
watching you in unison and that freaked

505
00:25:01,169 --> 00:24:59,320
out everyone in at the dinner party

506
00:25:02,610 --> 00:25:01,179
everyone was freaked out so much so that

507
00:25:05,039 --> 00:25:02,620
one of the one of the people have been a

508
00:25:06,690 --> 00:25:05,049
party was a an electrician took apart

509
00:25:09,180 --> 00:25:06,700
the radio the TV to try to figure out

510
00:25:11,430 --> 00:25:09,190
how whoever was doing this prank

511
00:25:13,890 --> 00:25:11,440
quote-unquote how they would pull it off

512
00:25:16,100 --> 00:25:13,900
by by linking all these speakers

513
00:25:21,539 --> 00:25:16,110

together and he couldn't figure it out

514

00:25:23,850 --> 00:25:21,549

but the the guy the lead Ranch Hand was

515

00:25:26,669 --> 00:25:23,860

frustrated the family was frustrated

516

00:25:30,240 --> 00:25:26,679

they were experiencing years of UFO

517

00:25:33,360 --> 00:25:30,250

sightings of beings appearing in their

518

00:25:36,169 --> 00:25:33,370

room poltergeist activity Bigfoot

519

00:25:39,270 --> 00:25:36,179

chasing people off their property

520

00:25:41,100 --> 00:25:39,280

Bigfoot vandalism these big feet in in

521

00:25:43,230 --> 00:25:41,110

this instance we're taking crops

522

00:25:46,470 --> 00:25:43,240

throwing things this being violent

523

00:25:50,010 --> 00:25:46,480

vandals jobless and anarchistic Bigfoot

524

00:25:52,289 --> 00:25:50,020

out of control oh my lord out of control

525

00:25:54,990 --> 00:25:52,299

in this one but it kind of called this

526

00:26:00,539 --> 00:25:55,000

this this story kind of culminates with

527

00:26:02,850 --> 00:26:00,549

the with the the the the head of the

528

00:26:05,789 --> 00:26:02,860

family the man going outside screaming

529

00:26:08,340 --> 00:26:05,799

to these entities if you don't leave us

530

00:26:11,490 --> 00:26:08,350

alone I'm going to blow up the ranch and

531

00:26:14,610 --> 00:26:11,500

if we can't have this thing then no one

532

00:26:18,070 --> 00:26:14,620

can and you got the back like a

533

00:26:23,090 --> 00:26:18,080

telepathic message saying okay alright

534

00:26:26,240 --> 00:26:23,100

don't do anything but a couple months

535

00:26:30,830 --> 00:26:26,250

later on the truth truce was broken and

536

00:26:33,409 --> 00:26:30,840

he saw a UFO like land in a wooded area

537

00:26:35,810 --> 00:26:33,419

nearby so he marched out there with his

538

00:26:37,549 --> 00:26:35,820

rifle to go see what's up

539

00:26:39,350 --> 00:26:37,559

I mean basically say hey I thought we

540

00:26:41,299 --> 00:26:39,360

had a deal I threatened to blow up this

541

00:26:43,210 --> 00:26:41,309

range we didn't leave us alone and you

542

00:26:46,490 --> 00:26:43,220

broke the truce so he marched out there

543

00:26:54,110 --> 00:26:46,500

to go hey give him what's what he comes

544

00:26:59,470 --> 00:26:54,120

upon two platinum haired human-like

545

00:27:01,909 --> 00:26:59,480

beans and a Bigfoot hanging out and

546

00:27:04,039 --> 00:27:01,919

there they the two humans were

547

00:27:05,120 --> 00:27:04,049

interacting with the Bigfoot I don't

548

00:27:06,169 --> 00:27:05,130

know they didn't say who exactly I don't

549

00:27:07,580 --> 00:27:06,179

know if they're playing checkers or

550

00:27:11,799 --> 00:27:07,590

something but they said interacting some

551
00:27:14,450 --> 00:27:11,809
like communicating some way and the the

552
00:27:17,720 --> 00:27:14,460
the guy who walked over there was just

553
00:27:19,850 --> 00:27:17,730
awestruck and in fact so much so that he

554
00:27:22,610 --> 00:27:19,860
conveyed that he didn't feel like he was

555
00:27:26,600 --> 00:27:22,620
under his own control like he was

556
00:27:29,000 --> 00:27:26,610
hypnotized in a way and the communicated

557
00:27:32,630 --> 00:27:29,010
you know and they expressed to these

558
00:27:34,760 --> 00:27:32,640
aliens expressed to the the human that

559
00:27:36,649 --> 00:27:34,770
they're in full control they could do

560
00:27:38,870 --> 00:27:36,659
anything they want and even so much so

561
00:27:40,640 --> 00:27:38,880
they can control this Bigfoot and they

562
00:27:41,539 --> 00:27:40,650
ordered the Bigfoot to pick up a rock

563
00:27:44,029 --> 00:27:41,549

and throw it down

564

00:27:45,230 --> 00:27:44,039

not much of a parlor gag if you ask me

565

00:27:46,460 --> 00:27:45,240

they could have had him do it jumped

566

00:27:48,200 --> 00:27:46,470

some jumping jacks a cartwheel

567

00:27:50,570 --> 00:27:48,210

somersault mo no but they just had the

568

00:27:54,289 --> 00:27:50,580

Bigfoot just pick up a rock and throw it

569

00:27:57,860 --> 00:27:54,299

down at their request and but they they

570

00:27:59,960 --> 00:27:57,870

assured the human that their interest in

571

00:28:03,289 --> 00:27:59,970

the property was almost over and

572

00:28:05,419 --> 00:28:03,299

everything would return to normal but

573

00:28:07,549 --> 00:28:05,429

there is no and there was no deals to be

574

00:28:10,060 --> 00:28:07,559

made this guy this human thought he got

575

00:28:13,840 --> 00:28:10,070

their wheel and deal with these aliens

576
00:28:16,940 --> 00:28:13,850
quickly found himself under some sort of

577
00:28:19,070 --> 00:28:16,950
mind control and he was only able to

578
00:28:22,279 --> 00:28:19,080
listen and receive information and not

579
00:28:26,090 --> 00:28:22,289
express his his point of view on the

580
00:28:28,280 --> 00:28:26,100
situation at hand just bizarre and there

581
00:28:29,810 --> 00:28:28,290
there are a few other ranches like this

582
00:28:31,550 --> 00:28:29,820
I think I'm gonna compile a list of like

583
00:28:33,470 --> 00:28:31,560
these haunted ranches but

584
00:28:35,990 --> 00:28:33,480
when you have these these poltergeist

585
00:28:39,710 --> 00:28:36,000
interactions along with Bigfoot and dog

586
00:28:44,090 --> 00:28:39,720
man your folks hidings and portals it's

587
00:28:46,610 --> 00:28:44,100
all I know you it sounds like you we're

588
00:28:48,770 --> 00:28:46,620

all wrap it up every conspiracy and

589

00:28:51,470 --> 00:28:48,780

paranormal thing in the one but they

590

00:28:53,960 --> 00:28:51,480

seem to be interconnected almost as

591

00:28:56,660 --> 00:28:53,970

though there are certain sections of

592

00:28:58,520 --> 00:28:56,670

this earth that are dragged into other

593

00:29:02,240 --> 00:28:58,530

dimensions from time to time and we

594

00:29:07,850 --> 00:29:02,250

interact with them that these these

595

00:29:10,340 --> 00:29:07,860

aliens and Bigfoot just glide or skip it

596

00:29:12,710 --> 00:29:10,350

into our dimension occasionally they

597

00:29:14,630 --> 00:29:12,720

skip into our reality just occasionally

598

00:29:17,990 --> 00:29:14,640

for a little bit and they're able to dip

599

00:29:21,170 --> 00:29:18,000

it out as they please and while they're

600

00:29:26,030 --> 00:29:21,180

here they are able to perform

601
00:29:30,710 --> 00:29:26,040
experiments they're able to they're able

602
00:29:33,860 --> 00:29:30,720
to I guess abductors cattle for

603
00:29:36,500 --> 00:29:33,870
experimentation destroyed crops and I

604
00:29:38,810 --> 00:29:36,510
suspect that these these these nexus

605
00:29:40,760 --> 00:29:38,820
points where UFOs can come through or

606
00:29:43,660 --> 00:29:40,770
more easily they can come through stay

607
00:29:45,920 --> 00:29:43,670
with Bigfoot the shadow creatures that

608
00:29:47,390 --> 00:29:45,930
they're not interconnected that is

609
00:29:52,580 --> 00:29:47,400
happen to go through the same doorway

610
00:29:56,800 --> 00:29:52,590
much like Walmart Rob and New York you

611
00:29:59,840 --> 00:29:56,810
are on the air just talking about

612
00:30:01,700 --> 00:29:59,850
everything skinwalker Porter guys

613
00:30:09,890 --> 00:30:01,710

Bigfoot and everything I'm reading in

614

00:30:13,820 --> 00:30:09,900

hunting skinwalker I'm reading this book

615

00:30:15,410 --> 00:30:13,830

at night terrified you know I I'm

616

00:30:17,210 --> 00:30:15,420

sleeping next to my girlfriend she's

617

00:30:18,740 --> 00:30:17,220

asleep and meanwhile you know there

618

00:30:20,540 --> 00:30:18,750

could be a Bigfoot in the closet I don't

619

00:30:29,470 --> 00:30:20,550

know but you know your mind goes crazy

620

00:30:33,650 --> 00:30:31,820

you got a wife your imagination I was

621

00:30:37,760 --> 00:30:33,660

reading last night okay it's like 11:00

622

00:30:39,230 --> 00:30:37,770

p.m. my girlfriend's fast asleep and as

623

00:30:40,760 --> 00:30:39,240

I was like putting down the book I was

624

00:30:44,370 --> 00:30:40,770

like what if a hand comes up from

625

00:30:52,529 --> 00:30:44,380

underneath the bed and I'll lose my book

626

00:30:54,000 --> 00:30:52,539

my bookmark I need yeah I got a just

627

00:30:56,190 --> 00:30:54,010

read the stuff during a day time I have

628

00:30:56,789 --> 00:30:56,200

an active imagination what is that

629

00:31:00,990 --> 00:30:56,799

exactly

630

00:31:03,360 --> 00:31:01,000

what is on your mind Rob pretty pretty

631

00:31:06,500 --> 00:31:03,370

freaking and it's like it's a nexus of

632

00:31:10,080 --> 00:31:06,510

everything supernatural supernatural

633

00:31:13,710 --> 00:31:10,090

ghosts aliens don't men a foot that's

634

00:31:15,510 --> 00:31:13,720

pretty crazy it is yeah have you have

635

00:31:19,909 --> 00:31:15,520

you ever heard of the Montauk Project

636

00:31:22,730 --> 00:31:19,919

yeah yeah I have okay yeah well that's

637

00:31:25,260 --> 00:31:22,740

outside of like the time-travel thing

638

00:31:28,710 --> 00:31:25,270

story aspect to it

639

00:31:31,289 --> 00:31:28,720

there's also aspects of that with that

640

00:31:34,020 --> 00:31:31,299

are supernatural that's in the it's in

641

00:31:36,600 --> 00:31:34,030

the Montauk Project book but they talk

642

00:31:39,060 --> 00:31:36,610

about they created a creature they

643

00:31:41,340 --> 00:31:39,070

manifested this creature that came from

644

00:31:42,960 --> 00:31:41,350

another dimension and was able to go

645

00:31:45,090 --> 00:31:42,970

back and forth through dimensions and

646

00:31:48,299 --> 00:31:45,100

like what you described is like a big

647

00:31:50,820 --> 00:31:48,309

giant black shadow yeah and nobody and

648

00:31:54,180 --> 00:31:50,830

it was pretty much indestructible like

649

00:31:58,409 --> 00:31:54,190

nobody could figure out how to control

650

00:32:09,830 --> 00:31:58,419

it or how to even like I can damage it

651

00:32:16,830 --> 00:32:14,730

I I think that the my Walmart analogy

652

00:32:18,539 --> 00:32:16,840

you know like how there's a everyone has

653

00:32:20,940 --> 00:32:18,549

to use the same door to get in and out I

654

00:32:22,500 --> 00:32:20,950

think that these nexus points are used

655

00:32:24,149 --> 00:32:22,510

by multiple different creatures

656

00:32:26,549 --> 00:32:24,159

different entities different beings from

657

00:32:30,180 --> 00:32:26,559

different realms and while they can

658

00:32:32,909 --> 00:32:30,190

enter elsewhere there it's much more

659

00:32:34,380 --> 00:32:32,919

easy to enter into these locations and I

660

00:32:36,060 --> 00:32:34,390

think that I'll talk about this on the

661

00:32:37,110 --> 00:32:36,070

Wednesday show the missing for 11 show

662

00:32:39,510 --> 00:32:37,120

on Wednesday I'm going to talk about

663

00:32:41,190 --> 00:32:39,520

this because I think this might be a

664

00:32:43,380 --> 00:32:41,200

somewhat of an explanation there's

665

00:32:46,350 --> 00:32:43,390

people that that think that the the

666

00:32:49,710 --> 00:32:46,360

missing 411 is due to Sasquatch or UFOs

667

00:32:52,680 --> 00:32:49,720

or some sort of portal where I think

668

00:32:55,289 --> 00:32:52,690

they're all wanting the same or they're

669

00:32:56,580 --> 00:32:55,299

they're all part of the same doorway in

670

00:32:59,779 --> 00:32:56,590

different entities

671

00:33:03,299 --> 00:32:59,789

the doorway to get to and fro and

672

00:33:05,070 --> 00:33:03,309

they've just these doorways just so

673

00:33:09,120 --> 00:33:05,080

happen to be on sometimes on federal

674

00:33:10,529 --> 00:33:09,130

property or public sparks not to say

675

00:33:13,950 --> 00:33:10,539

these doorways don't happen elsewhere

676
00:33:15,480 --> 00:33:13,960
but I think maybe they're more likely in

677
00:33:22,380 --> 00:33:15,490
certain locations due to mineral

678
00:33:25,529 --> 00:33:22,390
deposits granite or bodies of water like

679
00:33:28,289 --> 00:33:25,539
certain ley lines or certain certain

680
00:33:30,919 --> 00:33:28,299
areas and latitudes on the planet that

681
00:33:33,450 --> 00:33:30,929
are more susceptible like magma

682
00:33:35,870 --> 00:33:33,460
electromagnetic energy and things like

683
00:33:38,190 --> 00:33:35,880
that and like you said like it could be

684
00:33:42,269 --> 00:33:38,200
it could just be a confluence of

685
00:33:44,370 --> 00:33:42,279
worldwide now the Montauk Project

686
00:33:47,250 --> 00:33:44,380
they're saying that the government was

687
00:33:50,930 --> 00:33:47,260
involved in with that do you is there

688
00:33:53,760 --> 00:33:50,940

any stories about skin-walker of like

689

00:33:55,830 --> 00:33:53,770

you know any federal people snooping

690

00:34:00,269 --> 00:33:55,840

around the property or trying you know

691

00:34:04,470 --> 00:34:00,279

any like the stories of people be of

692

00:34:06,570 --> 00:34:04,480

anyone from the government or like not

693

00:34:10,109 --> 00:34:06,580

that I know for sure but in the other

694

00:34:15,419 --> 00:34:10,119

ranch in Colorado it was said that the

695

00:34:18,270 --> 00:34:15,429

the guy who was in the ranch in Colorado

696

00:34:21,210 --> 00:34:18,280

was so frustrated by everything and he

697

00:34:24,780 --> 00:34:21,220

was experiencing that he thought that it

698

00:34:27,060 --> 00:34:24,790

was the military doing tests on his land

699

00:34:29,339 --> 00:34:27,070

so he was so frustrated and called up

700

00:34:31,379 --> 00:34:29,349

the base to complain to stop your tests

701
00:34:33,540 --> 00:34:31,389
over here stop stop dropping people ever

702
00:34:35,099 --> 00:34:33,550
stop harassing my family and that he

703
00:34:39,050 --> 00:34:35,109
supposedly talked to somebody over there

704
00:34:42,329 --> 00:34:39,060
and the the officer he spoke to claim to

705
00:34:44,510 --> 00:34:42,339
ask him questions about his Bigfoot

706
00:34:47,599 --> 00:34:44,520
experience his UFO experience and

707
00:34:50,070 --> 00:34:47,609
acknowledged that the base itself was

708
00:34:54,060 --> 00:34:50,080
observing UFOs and wonder if you had any

709
00:34:56,510 --> 00:34:54,070
information about this a bizarre

710
00:34:58,380 --> 00:34:56,520
communication a bizarre and candid

711
00:35:00,750 --> 00:34:58,390
conversation with someone in the

712
00:35:02,790 --> 00:35:00,760
military about Bigfoot and UFOs I with

713
00:35:04,620 --> 00:35:02,800

this stuff it's like I don't know what

714

00:35:06,060 --> 00:35:04,630

to believe about the Colorado ranch

715

00:35:08,040 --> 00:35:06,070

store I don't know everything about that

716

00:35:09,330 --> 00:35:08,050

the skinwalker ranch is much more

717

00:35:11,250 --> 00:35:09,340

detailed

718

00:35:13,650 --> 00:35:11,260

and that people are putting their names

719

00:35:15,390 --> 00:35:13,660

on this one the family's name is there

720

00:35:17,730 --> 00:35:15,400

you can go look at the property it's

721

00:35:23,070 --> 00:35:17,740

well documented and I haven't seen

722

00:35:24,690 --> 00:35:23,080

anybody related to like deep you know

723

00:35:27,090 --> 00:35:24,700

some kind of government organization

724

00:35:28,950 --> 00:35:27,100

interested in the ranch isn't I think

725

00:35:30,750 --> 00:35:28,960

it's still owned by Robert Bigelow at

726

00:35:32,790 --> 00:35:30,760

this point I mean he's got connections

727

00:35:42,750 --> 00:35:32,800

to the government but he's not a black

728

00:35:45,030 --> 00:35:42,760

budget or a secret projects guy no he's

729

00:35:47,820 --> 00:35:45,040

he's fascinated by the topics just like

730

00:35:50,190 --> 00:35:47,830

we are he wants you he's genuinely

731

00:35:53,610 --> 00:35:50,200

curious about these topics and wants to

732

00:35:55,740 --> 00:35:53,620

throw his money at it to get it get the

733

00:35:57,300 --> 00:35:55,750

best and brightest on this and he stole

734

00:36:00,270 --> 00:35:57,310

that for answers that would be great if

735

00:36:02,430 --> 00:36:00,280

we could you know get some scientific

736

00:36:03,630 --> 00:36:02,440

validity behind the stuff there's some

737

00:36:06,000 --> 00:36:03,640

of there's some that's hot

738

00:36:08,430 --> 00:36:06,010

there's poltergeist go have you ever

739

00:36:11,310 --> 00:36:08,440

heard the theory poltergeist activity is

740

00:36:15,090 --> 00:36:11,320

uh generated by your own subconscious

741

00:36:17,730 --> 00:36:15,100

activity yes like a super super active

742

00:36:20,010 --> 00:36:17,740

subconscious or super conscious yeah

743

00:36:23,490 --> 00:36:20,020

I've heard that I think there's some

744

00:36:25,670 --> 00:36:23,500

elements of maybe validity to that but I

745

00:36:28,170 --> 00:36:25,680

also think when in in instance of

746

00:36:35,160 --> 00:36:28,180

skinwalker ranch I think that when you

747

00:36:38,910 --> 00:36:35,170

have these nexus these vortices that it

748

00:36:40,530 --> 00:36:38,920

will create shifts in time and that much

749

00:36:43,020 --> 00:36:40,540

like ghosts or maybe apparitions are

750

00:36:45,060 --> 00:36:43,030

reliving the past that you see they're

751
00:36:48,780 --> 00:36:45,070
acting out some way that I think the the

752
00:36:51,810 --> 00:36:48,790
Porter guys is possibly an entity just

753
00:36:53,910 --> 00:36:51,820
not non-physical going through their

754
00:36:55,680 --> 00:36:53,920
daily life in that house that they did

755
00:36:56,970 --> 00:36:55,690
maybe five years previously like I

756
00:36:58,440 --> 00:36:56,980
didn't buy these groceries knock them on

757
00:37:01,860 --> 00:36:58,450
the floor something some [h__\h] like that

758
00:37:05,610 --> 00:37:01,870
I don't know but I think it could be

759
00:37:07,580 --> 00:37:05,620
just a difference in time and but God so

760
00:37:10,290 --> 00:37:07,590
terrifying would it be that if you're

761
00:37:22,260 --> 00:37:10,300
experiencing poltergeist like activity

762
00:37:44,780 --> 00:37:24,930
yeah yeah you got anything else right

763
00:37:47,180 --> 00:37:44,790

move on to some stories yes by it all

764

00:37:48,330 --> 00:37:47,190

that's all I'm gonna talk about for

765

00:37:50,820 --> 00:37:48,340

skinwalker

766

00:37:52,290 --> 00:37:50,830

right now I believe I will definitely

767

00:37:54,230 --> 00:37:52,300

bring it up on the Wednesday show for

768

00:37:58,410 --> 00:37:54,240

the missing 411 she'll bring out the

769

00:38:02,000 --> 00:37:58,420

there's some more articulated theories

770

00:38:04,830 --> 00:38:02,010

about missing for 11 and this phenomenon

771

00:38:09,430 --> 00:38:04,840

phenomena Minh Anh in general let's move

772

00:38:14,020 --> 00:38:11,350

I don't think I'll get to the the

773

00:38:16,090 --> 00:38:14,030

glitched out unusual cases of

774

00:38:17,890 --> 00:38:16,100

disappearing Keys and other objects

775

00:38:20,230 --> 00:38:17,900

because well that might just take too

776

00:38:22,560 --> 00:38:20,240

much time I babbled I literally babbled

777

00:38:24,970 --> 00:38:22,570

and talked for half hour straight

778

00:38:29,530 --> 00:38:24,980

someone's got to tell me to shut up the

779

00:38:35,340 --> 00:38:29,540

shampoo okay alright okay we're all

780

00:38:41,080 --> 00:38:35,350

calming down right now calm down okay

781

00:38:42,760 --> 00:38:41,090

this is a story about the dog man or man

782

00:38:46,420 --> 00:38:42,770

dog Sadie what you ever when you want to

783

00:38:49,330 --> 00:38:46,430

call it whatever you want to do so this

784

00:38:51,550 --> 00:38:49,340

is a terrified man film strange

785

00:38:54,430 --> 00:38:51,560

encounter with six-foot half-man

786

00:38:57,070 --> 00:38:54,440

half-dog after spotting mystery beast in

787

00:38:58,540 --> 00:38:57,080

woods in the footage the apparent dog

788

00:39:00,190 --> 00:38:58,550

man moves quickly through the thick

789

00:39:03,070 --> 00:39:00,200

undergrowth before disappearing from

790

00:39:05,680 --> 00:39:03,080

view hahaha alright well we'll see what

791

00:39:07,810 --> 00:39:05,690

we can see here we go I'm gonna bring

792

00:39:09,940 --> 00:39:07,820

this up this is up on screen yeah it is

793

00:39:15,250 --> 00:39:09,950

we're gonna take a look at this half-man

794

00:39:18,490 --> 00:39:15,260

half-dog all power I'm playing are you

795

00:39:20,700 --> 00:39:18,500

gonna play there we go

796

00:39:22,810 --> 00:39:20,710

[Music]

797

00:39:27,310 --> 00:39:22,820

that's the dog man right there we can

798

00:39:29,830 --> 00:39:27,320

see on screen so there is just

799

00:39:35,190 --> 00:39:29,840

overgrowth a lot of greenery and then in

800

00:39:41,560 --> 00:39:35,200

the the top of the screen a black object

801
00:39:45,220 --> 00:39:41,570
covered by foilage now claiming this is

802
00:39:49,570 --> 00:39:45,230
the head only he is hiding what that's

803
00:39:53,320 --> 00:39:49,580
what they do in the woods okay

804
00:39:57,070 --> 00:39:53,330
and so they zoom in and okay as they

805
00:39:59,800 --> 00:39:57,080
zoom in I'm definitely seeing a head of

806
00:40:02,500 --> 00:39:59,810
something it could kinda looks like the

807
00:40:06,400 --> 00:40:02,510
head maybe of a hyena some sort of

808
00:40:11,260 --> 00:40:06,410
doglike creature and it's tough to tell

809
00:40:13,510 --> 00:40:11,270
the the height off the ground that that

810
00:40:17,370 --> 00:40:13,520
it is but there it does appear to be

811
00:40:23,039 --> 00:40:19,140
like the music in the background the

812
00:40:25,710 --> 00:40:23,049
bass drops and the outline the head like

813
00:40:29,130 --> 00:40:25,720

and they and they point to an eye okay

814

00:40:33,870 --> 00:40:29,140

that's that's something right there okay

815

00:40:35,849 --> 00:40:33,880

hi I'm on board that this is something

816

00:40:36,269 --> 00:40:35,859

and here's here's the full video okay

817

00:40:44,400 --> 00:40:36,279

great

818

00:40:46,279 --> 00:40:44,410

moving video so okay why is it cut

819

00:40:48,900 --> 00:40:46,289

[Music]

820

00:40:55,250 --> 00:40:48,910

what's with all this ambient music are

821

00:40:56,599 --> 00:40:55,260

we in a nightclub where are the bongos

822

00:40:59,999 --> 00:40:56,609

[Music]

823

00:41:03,059 --> 00:41:00,009

that's it okay

824

00:41:05,099 --> 00:41:03,069

a man was left in shock after spotting

825

00:41:07,799 --> 00:41:05,109

what he described as a dog man a

826

00:41:09,239 --> 00:41:07,809

six-foot half-man half-dog creature

827

00:41:11,819 --> 00:41:09,249

running through the woods scott

828

00:41:14,039 --> 00:41:11,829

Carpenter is walking when he saw a dog a

829

00:41:16,319 --> 00:41:14,049

dark-colored beast and decided to start

830

00:41:18,719 --> 00:41:16,329

filming hey way to go Scott

831

00:41:21,299 --> 00:41:18,729

he used his computer software and

832

00:41:24,029 --> 00:41:21,309

stabilization tools on his own video

833

00:41:27,059 --> 00:41:24,039

it's a slow down the frantic action and

834

00:41:29,579 --> 00:41:27,069

he claimed it shows creepy details about

835

00:41:31,700 --> 00:41:29,589

the odd creature what is scott scott

836

00:41:34,559 --> 00:41:31,710

carpenter why just upload the full video

837

00:41:37,469 --> 00:41:34,569

without any kind of modification without

838

00:41:39,329 --> 00:41:37,479

the the the the ax twin ambient music

839

00:41:44,489 --> 00:41:39,339

background so we can see it for

840

00:41:46,200 --> 00:41:44,499

ourselves pal come on in the footage the

841

00:41:47,400 --> 00:41:46,210

apparent dog man moves quickly through

842

00:41:48,779 --> 00:41:47,410

the thick undergrowth before

843

00:41:50,370 --> 00:41:48,789

disappearing from view i didn't see that

844

00:41:53,239 --> 00:41:50,380

in the video i did not see that in the

845

00:41:56,700 --> 00:41:53,249

video at all I didn't see it scamper off

846

00:41:59,069 --> 00:41:56,710

mr. carpenter who uploads his strange

847

00:42:02,009 --> 00:41:59,079

encounters to you to his YouTube channel

848

00:42:03,599 --> 00:42:02,019

which has had almost 5 million views

849

00:42:06,930 --> 00:42:03,609

describes himself as an amateur

850

00:42:10,950 --> 00:42:06,940

sasquatch they're named for Bigfoot

851

00:42:14,219 --> 00:42:10,960

researcher huh what is this what is this

852

00:42:17,459 --> 00:42:14,229

YouTube channel I'm gonna go there now

853

00:42:20,219 --> 00:42:17,469

quick Odie yeah I wanna go as YouTube

854

00:42:23,729 --> 00:42:20,229

okay let's go to his a youtube channel

855

00:42:25,589 --> 00:42:23,739

scott Carpenter I'm kind of curious to

856

00:42:28,079 --> 00:42:25,599

see what else he films I'll read the

857

00:42:30,680 --> 00:42:28,089

rest of that story here soon but I got

858

00:42:32,329 --> 00:42:30,690

to figure out what scott Carpenter

859

00:42:38,299 --> 00:42:32,339

dog man is doing why don't I just

860

00:42:41,269 --> 00:42:38,309

provide a direct link on this site in

861

00:42:42,200 --> 00:42:41,279

his ripped off his video okay we'll find

862

00:42:46,010 --> 00:42:42,210

out what else what else

863

00:42:50,930 --> 00:42:47,990

there we go got covered her dog man

864

00:42:53,330 --> 00:42:50,940

right there there we go is him

865

00:42:57,020 --> 00:42:53,340

I want to believe Scott carpenter I'm

866

00:43:01,190 --> 00:42:57,030

all-in okay full screen let's watch this

867

00:43:04,720 --> 00:43:01,200

and so this is most recent there's

868

00:43:04,730 --> 00:43:09,579

you got some stuff going on

869

00:43:13,339 --> 00:43:11,660

yeah I know he's trying to do some

870

00:43:15,289 --> 00:43:13,349

stabilization stuff right every day it

871

00:43:18,829 --> 00:43:15,299

ain't working for me Scottie boy but I

872

00:43:21,829 --> 00:43:18,839

appreciate your effort so yeah he does

873

00:43:24,430 --> 00:43:21,839

have on his on his website he has a lot

874

00:43:29,210 --> 00:43:24,440

of Bigfoot videos he's got a lot of

875

00:43:31,910 --> 00:43:29,220

cryptid videos and he's you know he does

876

00:43:36,010 --> 00:43:31,920

it does a good job getting his video out

877

00:43:38,990 --> 00:43:36,020

there I guess so no I want to see the

878

00:43:41,900 --> 00:43:39,000

other video Scott but hey I'll give you

879

00:43:43,339 --> 00:43:41,910

a benefit are down here he said during

880

00:43:46,069 --> 00:43:43,349

my research I have encountered many

881

00:43:48,950 --> 00:43:46,079

cryptid creatures to include dog man

882

00:43:54,019 --> 00:43:48,960

grey aliens cloaked into these orbs the

883

00:43:56,329 --> 00:43:54,029

little people and Sasquatch about this a

884

00:43:58,059 --> 00:43:56,339

parent document video he said this is

885

00:44:00,170 --> 00:43:58,069

the dog man which makes Minnie

886

00:44:02,569 --> 00:44:00,180

uncomfortable the stabilization tools

887

00:44:04,609 --> 00:44:02,579

bring out even more creepy details in

888

00:44:08,359 --> 00:44:04,619

this odd creature so there we go we have

889

00:44:08,779 --> 00:44:08,369

a dog man sighting I I don't know what

890

00:44:10,940 --> 00:44:08,789

to say

891

00:44:14,000 --> 00:44:10,950

I was kind of hoping that I would see

892

00:44:16,099 --> 00:44:14,010

this things kind of scamper off I don't

893

00:44:18,260 --> 00:44:16,109

maybe everyone needs to get some sort of

894

00:44:19,789 --> 00:44:18,270

stabilization tool a stabilization tool

895

00:44:22,789 --> 00:44:19,799

when they go out there and film because

896

00:44:27,680 --> 00:44:22,799

it's just a lot of panicked video

897

00:44:29,990 --> 00:44:27,690

quality just if you know the area if you

898

00:44:31,609 --> 00:44:30,000

know the area and mark that off GPS

899

00:44:35,829 --> 00:44:31,619

let's go back

900

00:44:38,589 --> 00:44:35,839

maybe I'll get let me I'll save Scott's

901
00:44:43,640 --> 00:44:38,599
YouTube right now I'll give him a call

902
00:44:47,089 --> 00:44:43,650
so you can get on the show ok 6 1 4 3 8

903
00:44:48,600 --> 00:44:47,099
9 1 o and I were to travel on to another

904
00:44:56,460 --> 00:44:48,610
story

905
00:45:00,870 --> 00:44:56,470
hey john-boy oh there's then this car is

906
00:45:05,160 --> 00:45:00,880
gonna drop off this story for me thank

907
00:45:08,790 --> 00:45:05,170
you got the story got the story oh boy I

908
00:45:09,810 --> 00:45:08,800
think that what do you say the chat I'm

909
00:45:12,210 --> 00:45:09,820
gonna give you a choice do you want to

910
00:45:17,300 --> 00:45:12,220
hear about disappearing objects or do

911
00:45:19,560 --> 00:45:17,310
you want me to read some Bigfoot erotica

912
00:45:21,390 --> 00:45:19,570
it's kind of up to you this boy I can

913
00:45:24,210 --> 00:45:21,400

really gotta go either way I get to stop

914

00:45:34,050 --> 00:45:24,220

the show altogether I don't got to do

915

00:45:37,860 --> 00:45:34,060

[h__\h] big Bigfoot erotica or disappearing

916

00:45:41,340 --> 00:45:37,870

objects by dimensional portal portals or

917

00:45:44,910 --> 00:45:41,350

poltergeists hmm I think maybe we got to

918

00:45:48,150 --> 00:45:44,920

go hmm unknown in the shadow saying

919

00:45:50,840 --> 00:45:48,160

Bigfoot a lot it's conflicted its

920

00:45:54,720 --> 00:45:50,850

conflicted right now

921

00:46:00,180 --> 00:45:54,730

Bigfoot about it okay maybe we can do

922

00:46:02,090 --> 00:46:00,190

some some Bigfoot some Bigfoot erotica

923

00:46:06,650 --> 00:46:02,100

okay I'll do that

924

00:46:11,640 --> 00:46:06,660

let's let's properly set the stage

925

00:46:15,690 --> 00:46:11,650

excuse me I will show you exactly what I

926
00:46:18,360 --> 00:46:15,700
will be reading please now this comes

927
00:46:20,850 --> 00:46:18,370
from the very controversial Bigfoot

928
00:46:24,980 --> 00:46:20,860
erotica don't vote for Virginia

929
00:46:27,540 --> 00:46:24,990
congressional hopeful Dever wiggle minh

930
00:46:30,450 --> 00:46:27,550
because he is full of hate not because

931
00:46:33,600 --> 00:46:30,460
Bigfoot makes him hard Kindle edition

932
00:46:35,070 --> 00:46:33,610
it's very long title for book probably

933
00:46:36,330 --> 00:46:35,080
doesn't sell a lot but I did buy this I

934
00:46:38,700 --> 00:46:36,340
bought this for three dollars so I could

935
00:46:42,660 --> 00:46:38,710
read it's like I read this at some point

936
00:46:45,300 --> 00:46:42,670
in time maybe late at night but mostly

937
00:46:46,890 --> 00:46:45,310
on the show here we go

938
00:46:50,100 --> 00:46:46,900

okay I'll bring this this is this is the

939

00:46:54,780 --> 00:46:50,110

this is the look at this the cover has

940

00:46:56,700 --> 00:46:54,790

this oily man with for some reason he's

941

00:46:58,860 --> 00:46:56,710

holding a magnifying glass and there's a

942

00:47:00,990 --> 00:46:58,870

Bigfoot behind him is he's insinuating

943

00:47:01,799 --> 00:47:01,000

that Bigfoot has a really small penis

944

00:47:04,890 --> 00:47:01,809

and that he

945

00:47:07,739 --> 00:47:04,900

the magnifying glass to see it or is he

946

00:47:10,319 --> 00:47:07,749

saying I need this magnifying glass to

947

00:47:13,019 --> 00:47:10,329

see my own penis I'm unclear of why

948

00:47:14,640 --> 00:47:13,029

there's a magnifying glass I wish I

949

00:47:17,459 --> 00:47:14,650

could talk to Chuck Chuck tingle the

950

00:47:20,579 --> 00:47:17,469

writer this Chuck tingles yes Chuck

951
00:47:26,249 --> 00:47:20,589
tingle thank God Chuck tingles doing

952
00:47:28,499 --> 00:47:26,259
this he's doing God's work okay all

953
00:47:30,299 --> 00:47:28,509
right let's get into a little Bigfoot

954
00:47:32,579 --> 00:47:30,309
porn now I'm proud to set the stage I'm

955
00:47:33,989 --> 00:47:32,589
just gonna jump right into it okay I got

956
00:47:36,329 --> 00:47:33,999
it because I don't have a lot of time

957
00:47:39,329 --> 00:47:36,339
chief like a lot of setup and like build

958
00:47:40,769 --> 00:47:39,339
with plot you know a lot of porn out

959
00:47:43,650 --> 00:47:40,779
there is a lot of good plot and we don't

960
00:47:46,259 --> 00:47:43,660
have time for that so what I'm what I'm

961
00:47:50,939 --> 00:47:46,269
just observing for when I read here on

962
00:47:55,339 --> 00:47:50,949
the screen is that there is a Bigfoot

963
00:47:58,410 --> 00:47:55,349

named lomo and they appear to be in some

964

00:48:02,069 --> 00:47:58,420

sort of setting where there's a couch

965

00:48:03,959 --> 00:48:02,079

and a camera presence so I don't know if

966

00:48:08,630 --> 00:48:03,969

this is like one of those casting couch

967

00:48:12,299 --> 00:48:08,640

porn situations but this is what we got

968

00:48:15,299 --> 00:48:12,309

so it starts off I realize almost

969

00:48:17,729 --> 00:48:15,309

immediately that there are two divergent

970

00:48:20,519 --> 00:48:17,739

paths lain laying out before me each one

971

00:48:22,949 --> 00:48:20,529

of them capable of altering my life in

972

00:48:29,999 --> 00:48:22,959

its own powerful way Oh got it we had a

973

00:48:32,609 --> 00:48:30,009

call call her go hey who is this edge

974

00:48:35,370 --> 00:48:32,619

dick Richards I was just in your your

975

00:48:36,989 --> 00:48:35,380

chat two seconds ago they was told him

976
00:48:39,630 --> 00:48:36,999
about a UFO abduction that happened to

977
00:48:45,599 --> 00:48:39,640
me in 2009 Hey hey dick Richards love to

978
00:48:48,569 --> 00:48:45,609
hear okay well what happened was I just

979
00:48:50,579 --> 00:48:48,579
woken up I was about 1:30 in the

980
00:48:54,509 --> 00:48:50,589
afternoon we lived at the corner of

981
00:48:56,609 --> 00:48:54,519
number 99 highway and 25th Avenue which

982
00:48:59,009 --> 00:48:56,619
is like right near White Rock if you

983
00:49:02,849 --> 00:48:59,019
keep going down the avenues to zero

984
00:49:05,939 --> 00:49:02,859
Avenue it's the ocean and if you keep

985
00:49:07,199 --> 00:49:05,949
going up 99 highway as the USA like

986
00:49:09,539 --> 00:49:07,209
literally like a couple hundred meters

987
00:49:12,660 --> 00:49:09,549
up the road they scrap the house and

988
00:49:14,489 --> 00:49:12,670

built a brick there now so anyway I just

989

00:49:15,930 --> 00:49:14,499

got coffee and was standing out in the

990

00:49:17,579 --> 00:49:15,940

backyard with the

991

00:49:20,609 --> 00:49:17,589

the two girls that have happened with

992

00:49:22,589 --> 00:49:20,619

and we're talking for five or ten

993

00:49:25,140 --> 00:49:22,599

minutes and I went to walk inside and

994

00:49:27,049 --> 00:49:25,150

they started screaming all of a sudden

995

00:49:30,870 --> 00:49:27,059

they said they just went from zero to

996

00:49:33,059 --> 00:49:30,880

900 and they were oh what what the f is

997

00:49:35,190 --> 00:49:33,069

that what the f is that what's and I

998

00:49:37,769 --> 00:49:35,200

thought by their reaction that somebody

999

00:49:39,479 --> 00:49:37,779

was like coming over the fence with a

1000

00:49:41,549 --> 00:49:39,489

gun that's all I could think because of

1001
00:49:44,849 --> 00:49:41,559
how crazy like how hysterical they went

1002
00:49:47,640 --> 00:49:44,859
so I ran across the yard and it was a

1003
00:49:49,259 --> 00:49:47,650
pretty big yard so I ran over to where

1004
00:49:52,620 --> 00:49:49,269
they were and I'm like what are you two

1005
00:49:55,049 --> 00:49:52,630
screaming about and Cindy goes that and

1006
00:49:57,499 --> 00:49:55,059
she points over the trees like the real

1007
00:50:01,410 --> 00:49:57,509
tall BC trees we had in the backyard and

1008
00:50:04,289 --> 00:50:01,420
this this silver orb started to fly over

1009
00:50:06,390 --> 00:50:04,299
the like flew over the tree and I could

1010
00:50:09,449 --> 00:50:06,400
barely see it for a second or two and as

1011
00:50:12,120 --> 00:50:09,459
soon as it crested the tree you know my

1012
00:50:14,009 --> 00:50:12,130
heart sank I was like are you [h__\h]

1013
00:50:16,019 --> 00:50:14,019

me and the two women they were

1014

00:50:19,229 --> 00:50:16,029

hysterical they were hugging they were

1015

00:50:20,729 --> 00:50:19,239

screaming they were they literally were

1016

00:50:22,650 --> 00:50:20,739

just screaming and hugging I was pretty

1017

00:50:24,749 --> 00:50:22,660

much what they were doing and I I might

1018

00:50:27,269 --> 00:50:24,759

quote my chins to the floor I am I

1019

00:50:30,269 --> 00:50:27,279

really seeing this right now so this

1020

00:50:32,430 --> 00:50:30,279

thing literally it was probably the size

1021

00:50:34,499 --> 00:50:32,440

of like a tennis ball up in the sky

1022

00:50:38,160 --> 00:50:34,509

where it was and it was this really odd

1023

00:50:40,140 --> 00:50:38,170

shape of silver I've never seen a shade

1024

00:50:44,279 --> 00:50:40,150

of silver like that and it felt really

1025

00:50:48,930 --> 00:50:44,289

really unnatural and it felt like I got

1026

00:50:50,969 --> 00:50:48,940

a real real sort of a where your soul

1027

00:50:53,430 --> 00:50:50,979

you know what I mean your your it's like

1028

00:50:57,209 --> 00:50:53,440

okay this is not good you can handle

1029

00:51:00,120 --> 00:50:57,219

most like a sick feeling it was it was

1030

00:51:04,729 --> 00:51:00,130

just it was just something in my my

1031

00:51:08,370 --> 00:51:04,739

brain was telling me this is not good so

1032

00:51:11,999 --> 00:51:08,380

the thing flies over top of us and stops

1033

00:51:16,920 --> 00:51:12,009

I was like oh my god what's going on

1034

00:51:20,219 --> 00:51:16,930

here so the thing stops along the bottom

1035

00:51:22,979 --> 00:51:20,229

of the orb like the bottom third there

1036

00:51:24,930 --> 00:51:22,989

was this little bright line appeared and

1037

00:51:27,749 --> 00:51:24,940

it looked like a smiley face but right

1038

00:51:29,520 --> 00:51:27,759

down at the bottom and it was very thin

1039

00:51:32,100 --> 00:51:29,530

but it was like a bright orange

1040

00:51:36,210 --> 00:51:32,110

yellow light and then if it would have

1041

00:51:39,090 --> 00:51:36,220

been my right it started twinkling and

1042

00:51:41,220 --> 00:51:39,100

as it started twinkling on the very

1043

00:51:44,370 --> 00:51:41,230

right hand side of it it was some sort

1044

00:51:46,590 --> 00:51:44,380

of some sort of technology and it

1045

00:51:49,560 --> 00:51:46,600

started twinkling and as this light

1046

00:51:52,110 --> 00:51:49,570

moved along this sort of smiley face

1047

00:51:53,940 --> 00:51:52,120

light it started to get brighter and

1048

00:51:56,970 --> 00:51:53,950

brighter and brighter and brighter and

1049

00:51:59,370 --> 00:51:56,980

brighter in my eyes I remember putting

1050

00:52:04,320 --> 00:51:59,380

my hands up to my face being like what

1051
00:52:05,250 --> 00:52:04,330
in the name of and it took a breath held

1052
00:52:07,800 --> 00:52:05,260
it in first

1053
00:52:10,350 --> 00:52:07,810
what second and then let it out again I

1054
00:52:12,210 --> 00:52:10,360
was consumed by this light but like

1055
00:52:14,580 --> 00:52:12,220
completely I couldn't see a thing I was

1056
00:52:16,380 --> 00:52:14,590
blind and then it was like somebody

1057
00:52:19,800 --> 00:52:16,390
snapped their finger and we were back

1058
00:52:21,410 --> 00:52:19,810
again so this thing kept flying and

1059
00:52:23,280 --> 00:52:21,420
along the path that it was going and it

1060
00:52:25,650 --> 00:52:23,290
what it did is it

1061
00:52:28,500 --> 00:52:25,660
Isaac Cressida and and went inside over

1062
00:52:31,320 --> 00:52:28,510
top of the house it flew into

1063
00:52:33,120 --> 00:52:31,330

invisibility and what I mean by that is

1064

00:52:35,820 --> 00:52:33,130

it looked like an invisible door was

1065

00:52:38,190 --> 00:52:35,830

there and it flew in this invisible door

1066

00:52:39,660 --> 00:52:38,200

so I could see half of the thing then a

1067

00:52:42,990 --> 00:52:39,670

quarter of the thing and then it was

1068

00:52:44,490 --> 00:52:43,000

gone and I was like are you you know

1069

00:52:46,230 --> 00:52:44,500

what I mean he's like there's a million

1070

00:52:49,830 --> 00:52:46,240

thoughts running through your head I was

1071

00:52:52,500 --> 00:52:49,840

I wasn't I I guess I had just been put

1072

00:52:55,400 --> 00:52:52,510

back so I I was a million thoughts

1073

00:52:57,960 --> 00:52:55,410

running through my head I ran inside and

1074

00:52:59,670 --> 00:52:57,970

I didn't I didn't mention this but the

1075

00:53:02,310 --> 00:52:59,680

two girls I was with their boyfriends

1076
00:53:04,890 --> 00:53:02,320
were inside as long as all my roommates

1077
00:53:08,430 --> 00:53:04,900
there was seven guys in that house what

1078
00:53:09,720 --> 00:53:08,440
I went to get coffee when I ran back in

1079
00:53:12,240 --> 00:53:09,730
the house I thought all the guys were

1080
00:53:15,840 --> 00:53:12,250
still that house there was one guy in

1081
00:53:18,090 --> 00:53:15,850
the house now and he's crying okay and

1082
00:53:18,540 --> 00:53:18,100
as soon as he sees me he starts

1083
00:53:23,520 --> 00:53:18,550
screaming

1084
00:53:25,860 --> 00:53:23,530
I mean bawling his eyes oh are you guys

1085
00:53:29,310 --> 00:53:25,870
they had watched it happen out the

1086
00:53:31,410 --> 00:53:29,320
window mat you can abduct it up at the

1087
00:53:34,710 --> 00:53:31,420
back window they just watch this

1088
00:53:37,050 --> 00:53:34,720

disappears or there and gone and look in

1089

00:53:39,300 --> 00:53:37,060

a blink of an eye in a blink of an eye

1090

00:53:42,960 --> 00:53:39,310

we were there and then where they were

1091

00:53:46,710 --> 00:53:42,970

watching we were gone do you have

1092

00:53:48,539 --> 00:53:46,720

do they see how long you were gone yeah

1093

00:53:49,980 --> 00:53:48,549

because I started arguing with the guy

1094

00:53:51,270 --> 00:53:49,990

on the couch I'm like what do you mean

1095

00:53:52,589 --> 00:53:51,280

I'm like we were going nowhere was

1096

00:53:54,720 --> 00:53:52,599

sitting in the backyard the whole time

1097

00:53:55,049 --> 00:53:54,730

and he's like dude look at what time it

1098

00:53:58,559 --> 00:53:55,059

is

1099

00:54:01,500 --> 00:53:58,569

it was like it was a 3:45 or whatever

1100

00:54:03,539 --> 00:54:01,510

and I just thought nah but after one it

1101
00:54:07,859 --> 00:54:03,549
did the way it was about an hour and 45

1102
00:54:09,450 --> 00:54:07,869
minutes were gone at that point did you

1103
00:54:13,260 --> 00:54:09,460
feel absolutely terrified that you can't

1104
00:54:16,020 --> 00:54:13,270
account for that time buddy are you

1105
00:54:19,289 --> 00:54:16,030
kidding me the dog the dog looked at me

1106
00:54:23,339 --> 00:54:19,299
and the the the look that that dog gave

1107
00:54:25,589 --> 00:54:23,349
me it was like I'm telling you it was

1108
00:54:28,620 --> 00:54:25,599
like buddy I know where you were but I

1109
00:54:30,569 --> 00:54:28,630
cannot possibly convey to you the horror

1110
00:54:31,859 --> 00:54:30,579
of what just like I didn't they wipe

1111
00:54:34,109 --> 00:54:31,869
their memories our memories were not

1112
00:54:35,490 --> 00:54:34,119
like we didn't remember it which is why

1113
00:54:35,880 --> 00:54:35,500

I was arguing with them we didn't go

1114

00:54:38,309 --> 00:54:35,890

anywhere

1115

00:54:42,180 --> 00:54:38,319

yeah like buddy we saw you we saw like

1116

00:54:43,380 --> 00:54:42,190

but they didn't see that silver orb have

1117

00:54:45,240 --> 00:54:43,390

you thought about dumb you know sort of

1118

00:54:57,299 --> 00:54:45,250

hypnotic regression to get that memory

1119

00:54:58,589 --> 00:54:57,309

back if you want to no no no you know

1120

00:55:00,569 --> 00:54:58,599

what I don't really want to know what

1121

00:55:04,589 --> 00:55:00,579

they did to be perfectly honest with you

1122

00:55:07,440 --> 00:55:04,599

I of this similar kind of thought

1123

00:55:10,710 --> 00:55:07,450

process you know I I had my my contact

1124

00:55:12,900 --> 00:55:10,720

records reading and you know trying to

1125

00:55:15,569 --> 00:55:12,910

figure a few things about whatever past

1126
00:55:18,299 --> 00:55:15,579
lives I may have lived and maybe I don't

1127
00:55:21,089 --> 00:55:18,309
maybe it's best if I don't know all the

1128
00:55:22,769 --> 00:55:21,099
details of my past lives

1129
00:55:24,960 --> 00:55:22,779
maybe not supposed to know and maybe

1130
00:55:26,819 --> 00:55:24,970
something like that when it comes to

1131
00:55:28,400 --> 00:55:26,829
alien abductions yeah you might be

1132
00:55:30,779 --> 00:55:28,410
curious but when you start poking around

1133
00:55:33,359 --> 00:55:30,789
I've also heard what you start poking

1134
00:55:35,339 --> 00:55:33,369
around there it might send up a signal

1135
00:55:41,490 --> 00:55:35,349
to them that you know and you might get

1136
00:55:43,740 --> 00:55:41,500
more visitations because how many times

1137
00:55:51,630 --> 00:55:43,750
how many times have you had UFO

1138
00:55:54,420 --> 00:55:51,640

encounters so every time every time this

1139

00:55:56,680 --> 00:55:54,430

is the first time that I know up okay

1140

00:55:58,809 --> 00:55:56,690

yeah what I started studying in

1141

00:56:00,550 --> 00:55:58,819

these things were and I really believe

1142

00:56:03,880 --> 00:56:00,560

that they are deceptive demons or

1143

00:56:05,770 --> 00:56:03,890

deceptive they are an extraterrestrial

1144

00:56:08,470 --> 00:56:05,780

entity and they live in a parallel

1145

00:56:10,690 --> 00:56:08,480

dimension not on another planet and the

1146

00:56:13,000 --> 00:56:10,700

reason I think this is because the way

1147

00:56:15,940 --> 00:56:13,010

that I was able to stop them from taking

1148

00:56:17,980 --> 00:56:15,950

me again and that was why I rebuking him

1149

00:56:19,569 --> 00:56:17,990

in the name of Jesus I was never a

1150

00:56:22,030 --> 00:56:19,579

follower of anything like that I was

1151
00:56:24,040 --> 00:56:22,040
never katha or Christian I should say I

1152
00:56:26,500 --> 00:56:24,050
was I was never a Christian I was never

1153
00:56:28,030 --> 00:56:26,510
a fault but until I always believed that

1154
00:56:31,960 --> 00:56:28,040
Jesus was my Savior

1155
00:56:34,630 --> 00:56:31,970
but I never followed in any sort of was

1156
00:56:36,370 --> 00:56:34,640
I I didn't know what the deal was but as

1157
00:56:38,859 --> 00:56:36,380
soon as that happened and somebody a

1158
00:56:40,900 --> 00:56:38,869
friend trusted friend told me well here

1159
00:56:43,660 --> 00:56:40,910
look at this and said I've had the same

1160
00:56:45,190 --> 00:56:43,670
experience out here he said and I've

1161
00:56:47,950 --> 00:56:45,200
been able to make them go away the name

1162
00:56:51,190 --> 00:56:47,960
of Jesus every time and I'm telling you

1163
00:56:53,319 --> 00:56:51,200

those other easily 10 or 11 times every

1164

00:56:55,030 --> 00:56:53,329

single time as soon as you say it they

1165

00:56:56,890 --> 00:56:55,040

go back in that invisible realm and

1166

00:56:58,540 --> 00:56:56,900

don't bother you again for weeks months

1167

00:57:01,030 --> 00:56:58,550

I think there's there's there's

1168

00:57:03,670 --> 00:57:01,040

something to that there's a testimony by

1169

00:57:06,700 --> 00:57:03,680

a person who encountered Mothman and he

1170

00:57:09,790 --> 00:57:06,710

did the same same thing as you and I I

1171

00:57:11,530 --> 00:57:09,800

don't know which way it's way on the UFO

1172

00:57:13,690 --> 00:57:11,540

encounters I think obviously if there's

1173

00:57:17,319 --> 00:57:13,700

if there were being visited by as many

1174

00:57:22,329 --> 00:57:17,329

as what's being speculated 50 or plus I

1175

00:57:23,319 --> 00:57:22,339

maybe they're not all good and I'm

1176
00:57:26,680 --> 00:57:23,329
looking to help you talk about the

1177
00:57:28,390 --> 00:57:26,690
skinwalker ranch situation but those

1178
00:57:29,980 --> 00:57:28,400
entities on that ranch when they're when

1179
00:57:31,900 --> 00:57:29,990
they're mutilating cattle and

1180
00:57:34,660 --> 00:57:31,910
terrorizing families that's not

1181
00:57:37,120 --> 00:57:34,670
something that a wise an intelligent

1182
00:57:40,859 --> 00:57:37,130
race of aliens what would I think they

1183
00:57:46,240 --> 00:57:42,790
they're taking people without their

1184
00:57:49,550 --> 00:57:46,250
consent and in doing and doing

1185
00:57:51,620 --> 00:57:49,560
operations here sexual experiments yes

1186
00:57:54,160 --> 00:57:51,630
you know cutting people's arms off and

1187
00:57:58,390 --> 00:57:54,170
letting them feel it like we'll do that

1188
00:58:00,590 --> 00:57:58,400

yeah it's it doesn't add up to AB 11th

1189

00:58:02,060 --> 00:58:00,600
extraterrestrial civilization looking

1190

00:58:03,980 --> 00:58:02,070
out for our best interest they might

1191

00:58:07,880 --> 00:58:03,990
just view as those cattle you know and

1192

00:58:10,970 --> 00:58:07,890
that's sad that's sad to think about and

1193

00:58:13,250 --> 00:58:10,980
you know what I have I've had several

1194

00:58:17,140 --> 00:58:13,260
encounters I had an encounter with a

1195

00:58:20,150 --> 00:58:17,150
shadow demon which was the single-most

1196

00:58:23,120 --> 00:58:20,160
it affected me more than anything else

1197

00:58:25,760 --> 00:58:23,130
that's ever happened it changed my life

1198

00:58:30,380 --> 00:58:25,770
in an instant it changed my life that

1199

00:58:32,840 --> 00:58:30,390
night forever and so help me God I'll

1200

00:58:34,160 --> 00:58:32,850
never stray from that path do you want

1201
00:58:39,380 --> 00:58:34,170
to hear that yeah I would love to hear

1202
00:58:40,940 --> 00:58:39,390
that all right this is just now I've got

1203
00:58:43,970 --> 00:58:40,950
I don't want to plug somebody else but

1204
00:58:46,040 --> 00:58:43,980
I've you know DDoS from berp I do not I

1205
00:58:48,020 --> 00:58:46,050
don't know from plugging people they

1206
00:58:49,970 --> 00:58:48,030
have put out if you think they put out

1207
00:58:51,860 --> 00:58:49,980
interesting information and stuff I'd be

1208
00:58:55,340 --> 00:58:51,870
more than happy to talk about them yeah

1209
00:58:57,880 --> 00:58:55,350
I did well I did this show like I did

1210
00:59:00,920 --> 00:58:57,890
everything I'm saying you can verify it

1211
00:59:03,760 --> 00:59:00,930
Canadian has an encounter multitude of

1212
00:59:07,940 --> 00:59:03,770
strange paranormal encounters which is I

1213
00:59:08,570 --> 00:59:07,950

what's the name of the show be DRP big

1214

00:59:17,540 --> 00:59:08,580

man

1215

00:59:19,520 --> 00:59:17,550

project and yeah he's my buddy and and

1216

00:59:22,760 --> 00:59:19,530

he's the one that first did a show on

1217

00:59:24,290 --> 00:59:22,770

this kind of stuff and it actually

1218

00:59:25,760 --> 00:59:24,300

really helped to get the stuff off my

1219

00:59:28,330 --> 00:59:25,770

chest and actually have people that

1220

00:59:30,800 --> 00:59:28,340

understood this kind of a thing and

1221

00:59:33,760 --> 00:59:30,810

because I thought this this world was

1222

00:59:37,100 --> 00:59:33,770

interesting but I didn't realize how all

1223

00:59:39,080 --> 00:59:37,110

engulfing it actually is and how like I

1224

00:59:42,590 --> 00:59:39,090

said until this stuff happened I was not

1225

00:59:45,200 --> 00:59:42,600

a Christian I was not you know I didn't

1226

00:59:48,350 --> 00:59:45,210

I thought it was interesting and after

1227

00:59:52,010 --> 00:59:48,360

that that UFO abduction I fell into the

1228

00:59:54,140 --> 00:59:52,020

ancient aliens the ancient aliens field

1229

00:59:55,700 --> 00:59:54,150

but then I started studying about what

1230

00:59:58,190 --> 00:59:55,710

they were doing to the people in Alaska

1231

00:59:59,900 --> 00:59:58,200

when they were taking them up worst

1232

01:00:04,160 --> 00:59:59,910

place in Alaska where they're taking

1233

01:00:06,010 --> 01:00:04,170

all the people Oh Nome Alaska no no not

1234

01:00:08,000 --> 01:00:06,020

me I must move

1235

01:00:10,099 --> 01:00:08,010

apparently they tell a lot of those

1236

01:00:12,380 --> 01:00:10,109

people that their God as they're scaring

1237

01:00:14,299 --> 01:00:12,390

the ever living crap out of them and and

1238

01:00:15,859 --> 01:00:14,309

it's like you know that really struck a

1239

01:00:17,660 --> 01:00:15,869

chord with me even before I was a

1240

01:00:20,299 --> 01:00:17,670

Christian I'm like why of all the names

1241

01:00:22,460 --> 01:00:20,309

in a world with this guy use God and

1242

01:00:25,010 --> 01:00:22,470

like as they're like doing all these

1243

01:00:27,200 --> 01:00:25,020

weird sadistic crazy experiments to the

1244

01:00:28,789 --> 01:00:27,210

people messing with their heads telling

1245

01:00:30,349 --> 01:00:28,799

them that you know it just it just

1246

01:00:34,250 --> 01:00:30,359

didn't make any sense to me

1247

01:00:39,829 --> 01:00:34,260

yeah let's talk about your Shadow Man

1248

01:00:42,859 --> 01:00:39,839

experience he's working it out here at

1249

01:00:45,799 --> 01:00:42,869

11:30 not wasn't even that late it was

1250

01:00:51,289 --> 01:00:45,809

maybe 11:00 at night and it was it was

1251
01:00:53,180 --> 01:00:51,299
in November of 2016 so late November

1252
01:00:55,880 --> 01:00:53,190
so it was crisp evening it wasn't too

1253
01:00:57,470 --> 01:00:55,890
cold out walking the dogs I to

1254
01:00:59,450 --> 01:00:57,480
Staffordshire Terriers they were both

1255
01:01:02,270 --> 01:00:59,460
pretty they were both in 13 and my

1256
01:01:05,089 --> 01:01:02,280
brother and sister so I got around two

1257
01:01:07,910 --> 01:01:05,099
blocks from my house I go around the

1258
01:01:10,339 --> 01:01:07,920
corner and there where it was was

1259
01:01:11,779 --> 01:01:10,349
sitting at a house that my friend used

1260
01:01:13,549 --> 01:01:11,789
to own I being that house a bunch of

1261
01:01:16,700 --> 01:01:13,559
times my brother's friend's parents own

1262
01:01:19,970 --> 01:01:16,710
it now so like I'm more than familiar

1263
01:01:22,549 --> 01:01:19,980

with that house but as I'm walking by

1264

01:01:26,390 --> 01:01:22,559

the house my peripheral vision actually

1265

01:01:28,549 --> 01:01:26,400

something stand up on the top the top

1266

01:01:30,589 --> 01:01:28,559

it's like a smoking porch on the second

1267

01:01:32,120 --> 01:01:30,599

floor and these are all old Victorian

1268

01:01:35,870 --> 01:01:32,130

houses so they're like three stories

1269

01:01:37,339 --> 01:01:35,880

tall like they've got a lot of addicts

1270

01:01:39,109 --> 01:01:37,349

that have been turned into extra

1271

01:01:41,299 --> 01:01:39,119

bedrooms and extra floors that sort of

1272

01:01:44,120 --> 01:01:41,309

thing so they're really tall they're

1273

01:01:48,559 --> 01:01:44,130

like at least 33 feet easy houses this

1274

01:01:50,569 --> 01:01:48,569

thing stands up stands up stands up and

1275

01:01:54,109 --> 01:01:50,579

keeps standing up it was so freakin big

1276

01:01:56,329 --> 01:01:54,119

and as it did it it started roaring and

1277

01:01:59,000 --> 01:01:56,339

I felt this instant connection where it

1278

01:02:01,309 --> 01:01:59,010

was right in my head now where people

1279

01:02:03,470 --> 01:02:01,319

talk about that mind speak yeah some

1280

01:02:05,870 --> 01:02:03,480

people say that Bigfoot dog men do well

1281

01:02:08,329 --> 01:02:05,880

that thing was a hundred percent in my

1282

01:02:10,400 --> 01:02:08,339

head I don't know if you've ever had a

1283

01:02:12,650 --> 01:02:10,410

supernatural encounter but every time I

1284

01:02:13,760 --> 01:02:12,660

have it feels like you're in a bubble

1285

01:02:17,780 --> 01:02:13,770

where

1286

01:02:20,540 --> 01:02:17,790

there's there's a definite atmospheric

1287

01:02:22,640 --> 01:02:20,550

change where it feels like your ears are

1288

01:02:24,860 --> 01:02:22,650

kind of it's strange it's almost like

1289

01:02:26,900 --> 01:02:24,870

you're isolated from the rest

1290

01:02:28,990 --> 01:02:26,910

it's a strange strange feeling but it's

1291

01:02:31,070 --> 01:02:29,000

happened every time I with that UFO

1292

01:02:33,170 --> 01:02:31,080

happened with this thing and having

1293

01:02:34,900 --> 01:02:33,180

another time it was just it I don't know

1294

01:02:37,370 --> 01:02:34,910

what they're doing if that's the

1295

01:02:40,130 --> 01:02:37,380

dimensional shift of these things coming

1296

01:02:44,300 --> 01:02:40,140

into our plane of existence or what it

1297

01:02:47,720 --> 01:02:44,310

is but this thing stands up and it was

1298

01:02:50,870 --> 01:02:47,730

pure pure black I mean the darkest black

1299

01:02:54,080 --> 01:02:50,880

it got through the night like it was

1300

01:02:57,080 --> 01:02:54,090

bright like it was so definable the

1301

01:02:59,240 --> 01:02:57,090

thing was at least ten feet tall it was

1302

01:03:02,030 --> 01:02:59,250

as big as you know The Wrestler doctor

1303

01:03:05,240 --> 01:03:02,040

to you oh yeah I saw him at WrestleMania

1304

01:03:06,980 --> 01:03:05,250

18 in Toronto okay and I remember from

1305

01:03:10,160 --> 01:03:06,990

the 438 seats

1306

01:03:11,810 --> 01:03:10,170

I did see his back muscles perfectly he

1307

01:03:12,350 --> 01:03:11,820

was the biggest man I've ever seen in my

1308

01:03:14,750 --> 01:03:12,360

life

1309

01:03:17,600 --> 01:03:14,760

that thing instantly reminded me of him

1310

01:03:19,160 --> 01:03:17,610

by the way that its neck muscles went

1311

01:03:21,080 --> 01:03:19,170

down to its shoulder like the top of its

1312

01:03:24,920 --> 01:03:21,090

head was connected to its daughter was

1313

01:03:26,900 --> 01:03:24,930

muscle it was the biggest strongest

1314

01:03:29,540 --> 01:03:26,910

looking thing I'd ever seen in my life

1315

01:03:35,660 --> 01:03:29,550

and what really got me was it had

1316

01:03:38,660 --> 01:03:35,670

stereotypical devil morals yeah yeah and

1317

01:03:43,580 --> 01:03:38,670

you just you just heard her a roar in

1318

01:03:45,440 --> 01:03:43,590

your head correct my head and then I

1319

01:03:47,600 --> 01:03:45,450

looked I could see through my peripheral

1320

01:03:51,110 --> 01:03:47,610

vision that it was standing up on this

1321

01:03:54,530 --> 01:03:51,120

deck on this balcony so as it did that

1322

01:03:57,560 --> 01:03:54,540

it jumped off the balcony down into the

1323

01:03:59,120 --> 01:03:57,570

yard between the two houses and began I

1324

01:04:02,150 --> 01:03:59,130

said to myself I'm like I've gone

1325

01:04:02,840 --> 01:04:02,160

instantly insane I look down at my two

1326

01:04:07,940 --> 01:04:02,850

dogs

1327

01:04:10,880 --> 01:04:07,950

they start freaking right out so I'm

1328

01:04:13,010 --> 01:04:10,890

like okay well the dogs mug and have

1329

01:04:15,320 --> 01:04:13,020

gone insane too like this is there if

1330

01:04:17,330 --> 01:04:15,330

they're seeing it too there has to be a

1331

01:04:22,340 --> 01:04:17,340

little bit more something do this right

1332

01:04:25,460 --> 01:04:22,350

so this thing was roaring so loud like I

1333

01:04:27,740 --> 01:04:25,470

mean like a million lion out of my ears

1334

01:04:31,609 --> 01:04:27,750

it was roaring sold out

1335

01:04:34,490 --> 01:04:31,619

and it starts shadowing me bad choice of

1336

01:04:36,500 --> 01:04:34,500

words but it starts like paralleling me

1337

01:04:39,500 --> 01:04:36,510

I was going up the sidewalk I'm like

1338

01:04:42,200 --> 01:04:39,510

okay let's go dogs let's go as I'm its

1339

01:04:44,540 --> 01:04:42,210

it was walking facing me like as it

1340

01:04:46,790 --> 01:04:44,550

would be walking sideways and it looked

1341

01:04:49,580 --> 01:04:46,800

like it was like moving its fingers like

1342

01:04:51,470 --> 01:04:49,590

it was playing the piano hmm it was

1343

01:04:53,510 --> 01:04:51,480

trying to be all big and bad and as it

1344

01:04:55,700 --> 01:04:53,520

was like I just just a terrifying and

1345

01:04:57,560 --> 01:04:55,710

intimidating if it could be so I'm

1346

01:04:59,510 --> 01:04:57,570

looking at this thing and I'm trying to

1347

01:05:00,859 --> 01:04:59,520

not yawns trying to look away but I'm

1348

01:05:03,650 --> 01:05:00,869

like is this thing gonna jump it means

1349

01:05:05,900 --> 01:05:03,660

this thing you know attack me starts

1350

01:05:08,870 --> 01:05:05,910

telling me hates me I hate you I hate

1351
01:05:10,190 --> 01:05:08,880
you I hate you I hate you over and over

1352
01:05:12,470 --> 01:05:10,200
and over in my head

1353
01:05:15,020 --> 01:05:12,480
in the most guttural tone I've ever

1354
01:05:17,480 --> 01:05:15,030
heard I've never like this no there's no

1355
01:05:19,580 --> 01:05:17,490
voice like this in in in or what you

1356
01:05:21,830 --> 01:05:19,590
know what I mean in humanity and this

1357
01:05:23,570 --> 01:05:21,840
thing was in my head as roaring and

1358
01:05:25,849 --> 01:05:23,580
roaring and it was getting me with these

1359
01:05:28,670 --> 01:05:25,859
infrasonic I don't know if you heard of

1360
01:05:29,980 --> 01:05:28,680
that but it's like a sonic wave did

1361
01:05:31,970 --> 01:05:29,990
these entities some of these

1362
01:05:34,460 --> 01:05:31,980
supernatural creatures and put out I've

1363
01:05:36,560 --> 01:05:34,470

heard people say dog man and Bigfoot can

1364

01:05:39,650 --> 01:05:36,570

do it too yeah but it feels like it's

1365

01:05:41,210 --> 01:05:39,660

crushing their organs and it's painful

1366

01:05:44,150 --> 01:05:41,220

like I mean like it feels like

1367

01:05:47,079 --> 01:05:44,160

somebody's like but all it like it's

1368

01:05:50,060 --> 01:05:47,089

such a weird feeling words actually

1369

01:05:52,820 --> 01:05:50,070

squeezing your organs inside your body

1370

01:05:56,660 --> 01:05:52,830

and it's like every time I did would

1371

01:05:59,510 --> 01:05:56,670

roar so I'm gonna bite got my arms

1372

01:06:00,950 --> 01:05:59,520

across my chest the two dogs are jumping

1373

01:06:04,490 --> 01:06:00,960

over each other trying to be the one

1374

01:06:06,800 --> 01:06:04,500

that's farthest away from this thing the

1375

01:06:08,839 --> 01:06:06,810

thing takes one step and jumps up on the

1376

01:06:10,310 --> 01:06:08,849

house next to it one step I'm telling ya

1377

01:06:13,849 --> 01:06:10,320

one step and it was just like boom

1378

01:06:15,200 --> 01:06:13,859

applying the next three three stories on

1379

01:06:17,300 --> 01:06:15,210

top of the thing and then it perched

1380

01:06:19,609 --> 01:06:17,310

itself all big and bad looking Oh

1381

01:06:22,550 --> 01:06:19,619

roar roar and tell me I hates me hates

1382

01:06:24,620 --> 01:06:22,560

me over and over and over I don't know

1383

01:06:27,740 --> 01:06:24,630

why I wasn't more scared than I was I

1384

01:06:32,000 --> 01:06:27,750

don't know yeah I don't know I don't

1385

01:06:35,690 --> 01:06:32,010

know but this thing kept following me

1386

01:06:37,520 --> 01:06:35,700

okay down from the house and it was

1387

01:06:39,710 --> 01:06:37,530

there at one step and it was doing it

1388

01:06:41,540 --> 01:06:39,720

again where it was paralleling me and I

1389

01:06:44,120 --> 01:06:41,550

I thought to myself I'm like this thing

1390

01:06:45,440 --> 01:06:44,130

can only get so close to me I'm like if

1391

01:06:46,340 --> 01:06:45,450

this thing could attack me it would have

1392

01:06:49,190 --> 01:06:46,350

attacked me by now

1393

01:06:50,930 --> 01:06:49,200

why is it not getting me forget about

1394

01:06:52,730 --> 01:06:50,940

three or four houses and is doing this

1395

01:06:55,340 --> 01:06:52,740

each house man it's each house it's

1396

01:06:57,290 --> 01:06:55,350

jumping up on the thing up on the roof

1397

01:07:00,020 --> 01:06:57,300

of the house one step one step and it

1398

01:07:02,540 --> 01:07:00,030

was like it was the man this thing's

1399

01:07:04,670 --> 01:07:02,550

like 10 feet tall it's it's it's roaring

1400

01:07:07,040 --> 01:07:04,680

over repeatedly over and over and over

1401

01:07:09,140 --> 01:07:07,050

and over again and it was like hammer in

1402

01:07:12,500 --> 01:07:09,150

my head by or like it when I got to the

1403

01:07:14,270 --> 01:07:12,510

point where I started where I said to

1404

01:07:15,890 --> 01:07:14,280

myself I'm like okay Richard you can't

1405

01:07:17,300 --> 01:07:15,900

take this thing home with you man yeah

1406

01:07:20,120 --> 01:07:17,310

you cannot take this thing home

1407

01:07:23,060 --> 01:07:20,130

okay whatever the [h__h] this is I can't

1408

01:07:24,950 --> 01:07:23,070

take it home so I looked at the thing

1409

01:07:26,780 --> 01:07:24,960

and at first the end of my mouth is this

1410

01:07:29,750 --> 01:07:26,790

a couple years after this alien thing

1411

01:07:31,730 --> 01:07:29,760

happened and I had seen the UFOs get get

1412

01:07:34,100 --> 01:07:31,740

rebuked by the name of Jesus and

1413

01:07:36,460 --> 01:07:34,110

disappear instantly I turn to the thing

1414

01:07:40,220 --> 01:07:36,470

and I said in the name of Jesus [h__\h] off

1415

01:07:43,160 --> 01:07:40,230

ding box at me in that roaring tone like

1416

01:07:47,060 --> 01:07:43,170

that you're not going to do it buddy so

1417

01:07:47,600 --> 01:07:47,070

instantly I was like wow wow that's not

1418

01:07:50,690 --> 01:07:47,610

it

1419

01:07:53,120 --> 01:07:50,700

I sort of I I felt this hand on the back

1420

01:07:54,860 --> 01:07:53,130

of my head and all five fingers and as I

1421

01:07:57,380 --> 01:07:54,870

told you there's things in my head yeah

1422

01:07:58,850 --> 01:07:57,390

I saw the thing it was perched on a

1423

01:08:00,410 --> 01:07:58,860

bungalow like that it was only like a

1424

01:08:02,300 --> 01:08:00,420

story and a half house so if this thing

1425

01:08:05,360 --> 01:08:02,310

was only like man like 15 feet away from

1426

01:08:07,070 --> 01:08:05,370

me the thing looks at whatever's putting

1427

01:08:12,650 --> 01:08:07,080

his hand on the back of my head and I

1428

01:08:14,660 --> 01:08:12,660

sensed it sensed its impending defeat or

1429

01:08:19,160 --> 01:08:14,670

whatever it was transmitting in my head

1430

01:08:21,470 --> 01:08:19,170

it was like oh come on kind of crap yeah

1431

01:08:24,079 --> 01:08:21,480

I swear to God I swear to God I felt all

1432

01:08:26,720 --> 01:08:24,089

five fingers on my head said to me and

1433

01:08:28,460 --> 01:08:26,730

said Richard that's not gonna do it it

1434

01:08:31,550 --> 01:08:28,470

said you know what to say to this thing

1435

01:08:33,590 --> 01:08:31,560

just do it and I said in the name of

1436

01:08:36,590 --> 01:08:33,600

Jesus on the cross I owe you nothing I

1437

01:08:38,420 --> 01:08:36,600

said then this think as soon as I said

1438

01:08:40,670 --> 01:08:38,430

that I said on the on the blood of Jesus

1439

01:08:44,240 --> 01:08:40,680

and on the Holy Cross I owe you nothing

1440

01:08:46,579 --> 01:08:44,250

this then went bananas roared like one

1441

01:08:49,880 --> 01:08:46,589

like wild loud roar instantly

1442

01:08:52,059 --> 01:08:49,890

disappeared dear if you can you repeat

1443

01:08:55,340 --> 01:08:52,069

that one more time exactly what you said

1444

01:08:58,760 --> 01:08:55,350

what I said is on the Holy Blood

1445

01:09:00,830 --> 01:08:58,770

Jesus I are you not and on the cross I

1446

01:09:03,560 --> 01:09:00,840

owe you nothing and it's about Jesus

1447

01:09:06,050 --> 01:09:03,570

shed blood that works like a weapon like

1448

01:09:08,630 --> 01:09:06,060

a sword against these evil satanic or

1449

01:09:10,490 --> 01:09:08,640

these evil demonic creatures or these

1450

01:09:11,300 --> 01:09:10,500

evil creatures of Darkness whatever you

1451

01:09:14,720 --> 01:09:11,310

want to call them

1452

01:09:16,070 --> 01:09:14,730

it's the shed blood of Jesus apparently

1453

01:09:18,099 --> 01:09:16,080

there's seven sheddings there's

1454

01:09:20,180 --> 01:09:18,109

Redemption and you can say this to

1455

01:09:22,820 --> 01:09:20,190

ideally what you want to say to the

1456

01:09:25,099 --> 01:09:22,830

things is in Jesus Christ's name I

1457

01:09:28,240 --> 01:09:25,109

rebuke you and on the holy shed blood of

1458

01:09:31,160 --> 01:09:28,250

Jesus we are redeemed cleansed

1459

01:09:35,570 --> 01:09:31,170

sanctified justified give an

1460

01:09:37,670 --> 01:09:35,580

intercession life and cleansing our word

1461

01:09:39,890 --> 01:09:37,680

the testimony and I love my life not

1462

01:09:42,470 --> 01:09:39,900

unto death and as long as you believe

1463

01:09:47,210 --> 01:09:42,480

that Jesus is your Lord that would be

1464

01:09:49,970 --> 01:09:47,220

Satan himself those words those do some

1465

01:09:52,700 --> 01:09:49,980

good tools to have in your back pocket

1466

01:09:53,120 --> 01:09:52,710

if you encounter these creatures hey I

1467

01:09:55,130 --> 01:09:53,130

got it

1468

01:09:58,850 --> 01:09:55,140

I got to get out of here pal what's your

1469

01:10:00,680 --> 01:09:58,860

name okay Richard thank you so much for

1470

01:10:02,720 --> 01:10:00,690

calling I gotta get out of here I really

1471

01:10:05,420 --> 01:10:02,730

appreciate you taking time to share your

1472

01:10:12,080 --> 01:10:05,430

stories with us thank you sir thank you

1473

01:10:16,210 --> 01:10:12,090

all right have a good night bye stories

1474

01:10:19,160 --> 01:10:16,220

they're from from Richard UFO encounters

1475

01:10:21,830 --> 01:10:19,170

shadow people encounters and shadow

1476

01:10:24,650 --> 01:10:21,840

people and/or demon encounters and some

1477

01:10:27,640 --> 01:10:24,660

handy advice if you happen to encounter

1478

01:10:31,520 --> 01:10:27,650

those entities in your personal life

1479

01:10:32,720 --> 01:10:31,530

by in the name of Jesus you can get rid

1480

01:10:35,030 --> 01:10:32,730

of those things I've also heard when

1481

01:10:37,820 --> 01:10:35,040

you're when you encounter possible

1482

01:10:40,180 --> 01:10:37,830

entities in the astral realm you can ask

1483

01:10:42,110 --> 01:10:40,190

them if they're a being of light and

1484

01:10:44,270 --> 01:10:42,120

whatever reason that the answer yes or

1485

01:10:46,550 --> 01:10:44,280

no there's maybe some universal law

1486

01:10:50,960 --> 01:10:46,560

there or they can't lie about being a

1487

01:10:55,310 --> 01:10:50,970

beam of light and I be I've been in to

1488

01:11:22,899 --> 01:10:55,320

hear some more stuff one second

1489

01:11:26,950 --> 01:11:22,909

[Music]

1490

01:11:30,060 --> 01:11:26,960

sorry about this hands-on my girlfriend

1491

01:11:33,070 --> 01:11:30,070

it haha oh hey thanks everyone for

1492

01:11:36,520 --> 01:11:33,080

sticking around for the live show and

1493

01:11:40,950 --> 01:11:36,530

when we back on Wednesday you talked

1494

01:11:43,180 --> 01:11:40,960

about missing for 11 and other

1495

01:11:45,010 --> 01:11:43,190

interesting topics and take some more

1496

01:11:46,330 --> 01:11:45,020

phone calls Joe will be here

1497

01:11:51,459 --> 01:11:46,340

I think clown babies gonna make an

1498

01:11:53,610 --> 01:11:51,469

appearance and yeah we'll try to have my

1499

01:11:56,709 --> 01:11:53,620

spirited conversation discussion about
