

NIGHT TALK
with
MIDNIGHT MIKE

1
00:00:07,670 --> 00:00:18,970

[Music]

2
00:00:24,380 --> 00:00:21,050

let me give you a little inside

3
00:00:25,050 --> 00:00:24,390

information about God God likes the

4
00:00:28,380 --> 00:00:25,060

water

5
00:00:31,470 --> 00:00:28,390

yes man it stinks

6
00:00:39,799 --> 00:00:31,480

he sets the rules and opposition it's

7
00:00:39,809 --> 00:00:43,799

understand

8
00:00:46,860 --> 00:00:46,319

okay good what is it winner winner

9
00:00:55,500 --> 00:00:46,870

chicken dinner

10
00:01:08,130 --> 00:00:58,510

guys we're just gotta have a great time

11
00:01:15,930 --> 00:01:08,140

together all right

12
00:01:23,140 --> 00:01:15,940

[Music]

13
00:01:31,440 --> 00:01:23,150

hey everyone welcome back to another

14

00:01:42,389 --> 00:01:35,010

it's all happening it'll continue to

15

00:01:47,280 --> 00:01:42,399

happen for the next P or so MIT and we

16

00:01:47,999 --> 00:01:47,290

have white secured watch the show lined

17

00:01:52,109 --> 00:01:48,009

up Frodo

18

00:02:00,580 --> 00:01:57,010

can we talk about kitv Corey good and

19

00:02:04,929 --> 00:02:00,590

David Wilcock leading the diet Eevee

20

00:02:09,400 --> 00:02:04,939

Network luciferianism infiltrating the

21

00:02:14,949 --> 00:02:09,410

guy TV philosophy in programming and I

22

00:02:18,550 --> 00:02:14,959

have a lot of clips concerning the the

23

00:02:23,770 --> 00:02:18,560

new series and question ancient

24

00:02:28,090 --> 00:02:23,780

civilization that's the new Gaia series

25

00:02:32,440 --> 00:02:28,100

that has the point to controversy with a

26

00:02:36,660 --> 00:02:32,450

David Wilcock and Corey Goode asking to

27

00:02:39,030 --> 00:02:36,670

be let out of their contracts you'll see

28

00:02:40,780 --> 00:02:39,040

[Music]

29

00:02:44,259 --> 00:02:40,790

hopefully you all could hear me out

30

00:02:47,100 --> 00:02:44,269

there I hope you can I'm just gonna go

31

00:02:50,640 --> 00:02:47,110

ahead and assume you can hear me

32

00:02:52,750 --> 00:02:50,650

sometimes it's got Trump the headphone

33

00:02:56,170 --> 00:02:52,760

let's go ahead and turn up the headphone

34

00:02:59,740 --> 00:02:56,180

there we go Oh God there we go all right

35

00:03:01,270 --> 00:02:59,750

yes I got the headphones turned up so I

36

00:03:04,449 --> 00:03:01,280

can hear everyone out there thanks for

37

00:03:07,420 --> 00:03:04,459

joining the live stream this is night

38

00:03:11,199 --> 00:03:07,430

talk live and we'll be doing all the

39

00:03:13,449 --> 00:03:11,209

things I just said we should we're

40

00:03:16,900 --> 00:03:13,459

talking about the Gaia TV and David

41

00:03:18,449 --> 00:03:16,910

Wilcock inquiry good a little bit I'll

42

00:03:19,630 --> 00:03:18,459

give you one of these out there it's all

43

00:03:23,650 --> 00:03:19,640

happening

44

00:03:26,110 --> 00:03:23,660

will be taking some phone calls in a

45

00:03:30,520 --> 00:03:26,120

little bit but I think we gotta get to

46

00:03:34,240 --> 00:03:30,530

the brass tacks here and talk about the

47

00:03:37,990 --> 00:03:34,250

main topic Gaia TV cuz the gaya TV Gaia

48

00:03:42,100 --> 00:03:38,000

TV and David Wilcock I've watched a lot

49

00:03:45,129 --> 00:03:42,110

of guy TV and one of my favorite series

50

00:03:47,069 --> 00:03:45,139

on guy TV is deep space it's it's two

51
00:03:49,599 --> 00:03:47,079
seasons long I think each seasons about

52
00:03:54,220 --> 00:03:49,609
15 episodes and it goes over the history

53
00:03:58,539 --> 00:03:54,230
of ufology Project Paperclip

54
00:04:01,629 --> 00:03:58,549
Roswell German UFO technology I think it

55
00:04:03,849 --> 00:04:01,639
weaves his way into kind of every other

56
00:04:05,379 --> 00:04:03,859
conspiracy and paranormal event and

57
00:04:07,270 --> 00:04:05,389
they're really took some Bigfoot yet in

58
00:04:10,210 --> 00:04:07,280
the series but they they touched on

59
00:04:13,210 --> 00:04:10,220
remote viewing MKULTRA living in the

60
00:04:16,120 --> 00:04:13,220
matrix of features Corey good day also

61
00:04:18,430 --> 00:04:16,130
has that they've Wilcox and David Flight

62
00:04:20,979 --> 00:04:18,440
is's in there David Icke they take these

63
00:04:22,990 --> 00:04:20,989

different segments of people talking

64

00:04:26,740 --> 00:04:23,000

about a particular topic and edit them

65

00:04:31,390 --> 00:04:26,750

into the episode so difficult is all

66

00:04:33,460 --> 00:04:31,400

over the deep space series but I guess

67

00:04:39,250 --> 00:04:33,470

he's also been featured in the new

68

00:04:42,760 --> 00:04:39,260

series ancient civilizations and David

69

00:04:45,640 --> 00:04:42,770

wasn't happy about the this new series

70

00:04:48,460 --> 00:04:45,650

ancient civilizations and he wrote a

71

00:04:51,659 --> 00:04:48,470

resignation letter and this was all over

72

00:04:54,929 --> 00:04:51,669

reddit conspiracy in his own reddit

73

00:04:56,279 --> 00:04:54,939

cosmic disclosure in early July I kind

74

00:05:00,119 --> 00:04:56,289

of sat with it I didn't know much about

75

00:05:02,670 --> 00:05:00,129

it I didn't know that the there was

76

00:05:05,159 --> 00:05:02,680

anything going on guy TV I just like

77

00:05:05,939 --> 00:05:05,169

their programming they got some good

78

00:05:08,580 --> 00:05:05,949

stuff on there

79

00:05:12,300 --> 00:05:08,590

they certainly do and I will read a

80

00:05:17,239 --> 00:05:12,310

little blog post from this other guy

81

00:05:20,969 --> 00:05:17,249

this other researcher and noted of

82

00:05:25,040 --> 00:05:20,979

leading mind in in various in various

83

00:05:28,980 --> 00:05:25,050

areas and this is from from Jason

84

00:05:30,209 --> 00:05:28,990

Colavito and I guess I'll bring this up

85

00:05:35,070 --> 00:05:30,219

on screen should I bring it up on screen

86

00:05:36,689 --> 00:05:35,080

let's go ahead and we'll get some stuff

87

00:05:38,820 --> 00:05:36,699

up on screen for people's you guys can

88

00:05:41,999 --> 00:05:38,830

read along it'll be funny

89

00:05:43,640 --> 00:05:42,009

want to be fun to read I think it will

90

00:05:45,590 --> 00:05:43,650

be

91

00:05:50,150 --> 00:05:45,600

okay here we go I'll bring this up on

92

00:05:50,800 --> 00:05:50,160

screen boom bang pal and we'll read

93

00:05:54,290 --> 00:05:50,810

along

94

00:05:55,909 --> 00:05:54,300

could be a bun scream okay so this is

95

00:05:58,820 --> 00:05:55,919

titled friends of David Wilcox say he

96

00:06:01,939 --> 00:05:58,830

resigned from Gaia TV over bad pay poor

97

00:06:04,250 --> 00:06:01,949

working conditions and Lucifer late

98

00:06:07,100 --> 00:06:04,260

Friday night ufologist Laura Eisenhower

99

00:06:09,980 --> 00:06:07,110

released a letter she said that ancient

100

00:06:12,500 --> 00:06:09,990

astronaut theorist David Wilcock sent to

101
00:06:14,480 --> 00:06:12,510
his employer Gaia TV asked him to be let

102
00:06:16,430 --> 00:06:14,490
out of his contract and Oh Martha stamen

103
00:06:18,920 --> 00:06:16,440
or hell was written okay according to a

104
00:06:21,860 --> 00:06:18,930
letter gaya TV has an abusive work

105
00:06:24,740 --> 00:06:21,870
environment unfairly compensates its

106
00:06:27,529 --> 00:06:24,750
employees and deceptively edits its

107
00:06:30,710 --> 00:06:27,539
program to promote what Wilcox describes

108
00:06:33,610 --> 00:06:30,720
as a loose Luciferian beliefs as a

109
00:06:36,320 --> 00:06:33,620
Luciferian beliefs this is already

110
00:06:38,779 --> 00:06:36,330
starting to cause me significant career

111
00:06:41,150 --> 00:06:38,789
damage and it will get far worse if I

112
00:06:44,300 --> 00:06:41,160
don't do something about it fast Wilcox

113
00:06:47,300 --> 00:06:44,310

is said to have written I have willfully

114

00:06:50,360 --> 00:06:47,310

ignored an enormous number of offensive

115

00:06:52,640 --> 00:06:50,370

disrespectful in abusive situations in

116

00:06:55,969 --> 00:06:52,650

order to do this job the last six years

117

00:06:59,450 --> 00:06:55,979

primarily out of sense out of a sense of

118

00:07:01,310 --> 00:06:59,460

financial dependency he attributes this

119

00:07:04,730 --> 00:07:01,320

to having suffered physical abuse at the

120

00:07:06,320 --> 00:07:04,740

hands of his former girlfriend the

121

00:07:08,300 --> 00:07:06,330

letter was not meant for a public

122

00:07:11,210 --> 00:07:08,310

consumption but eisenhower posted it to

123

00:07:13,550 --> 00:07:11,220

Facebook after she said Gaia a new age

124

00:07:14,930 --> 00:07:13,560

streaming video service authenticated

125

00:07:16,790 --> 00:07:14,940

the letter she pulled it off her

126
00:07:19,670 --> 00:07:16,800
Facebook page a few hours later claiming

127
00:07:23,180 --> 00:07:19,680
that she wishes to avoid negative energy

128
00:07:26,570 --> 00:07:23,190
from Gaia TV but the letter was reposted

129
00:07:28,520 --> 00:07:26,580
to Reddit and paranormal radio host

130
00:07:31,129 --> 00:07:28,530
Jimmy Church confirmed it on Twitter

131
00:07:33,219 --> 00:07:31,139
that the letter is in fact authentic

132
00:07:36,200 --> 00:07:33,229
well I have not independently

133
00:07:40,430 --> 00:07:36,210
authenticated it the blogger writes the

134
00:07:42,140 --> 00:07:40,440
letter bears all the hallmarks of Wilcox

135
00:07:45,279 --> 00:07:42,150
style and contains references to his

136
00:07:48,560 --> 00:07:45,289
mini and confusing conspiracy theories

137
00:07:51,439 --> 00:07:48,570
that it reads to be authentic to this

138
00:07:55,339 --> 00:07:51,449

blogger who just wrote this and the crux

139

00:07:57,350 --> 00:07:55,349
of it and I love this play a clip is

140

00:08:00,559 --> 00:07:57,360
that I have a clip of the health

141

00:08:02,899 --> 00:08:00,569
I think Mike Adams talking about this my

142

00:08:07,249 --> 00:08:02,909
and the health Ranger he's got a big

143

00:08:09,529 --> 00:08:07,259
YouTube presence he is all about he's

144

00:08:11,390 --> 00:08:09,539
got he might be in charge of natural

145

00:08:13,550 --> 00:08:11,400
news.com don't hold me to that but I

146

00:08:15,379 --> 00:08:13,560
think it could be he's got his own

147

00:08:19,270 --> 00:08:15,389
YouTube channel he talks about

148

00:08:25,309 --> 00:08:22,809
Lucifer Satan really elite Illuminati

149

00:08:29,119 --> 00:08:25,319
Christianity talks about good versus

150

00:08:30,290 --> 00:08:29,129
evil a lot of that stuff and he weighs

151
00:08:33,860 --> 00:08:30,300
in on this

152
00:08:36,230 --> 00:08:33,870
and David's resignation he's gonna read

153
00:08:39,680 --> 00:08:36,240
on this audio clip ever he's gonna read

154
00:08:41,529 --> 00:08:39,690
a little segment from David's David

155
00:08:43,909 --> 00:08:41,539
Wilcock resignation letter

156
00:08:46,550 --> 00:08:43,919
ancient civilizations he says is

157
00:08:49,490 --> 00:08:46,560
tantamount to illegal and intellectual

158
00:08:51,440 --> 00:08:49,500
argument in favor of Lucifer every

159
00:08:53,380 --> 00:08:51,450
episode I watched of season 1 inevitably

160
00:08:57,050 --> 00:08:53,390
steered the viewer back to the idea that

161
00:08:59,060 --> 00:08:57,060
he says God is evil and Lucifer is good

162
00:09:01,610 --> 00:08:59,070
that's what he says the episodes are

163
00:09:02,630 --> 00:09:01,620

putting out there the company he's

164

00:09:04,910 --> 00:09:02,640

talking about Gaia

165

00:09:06,620 --> 00:09:04,920

represented itself to me as a positive

166

00:09:08,630 --> 00:09:06,630

spiritual organization that promotes

167

00:09:11,990 --> 00:09:08,640

health wellness transformation and

168

00:09:13,400 --> 00:09:12,000

seeking truth but then they flipped and

169

00:09:17,329 --> 00:09:13,410

the turn on that he explains in this

170

00:09:19,880 --> 00:09:17,339

letter he says quote - then edit Corey

171

00:09:21,620 --> 00:09:19,890

Goode and me both into a show that

172

00:09:24,560 --> 00:09:21,630

aggressively attacks God is evil and

173

00:09:27,400 --> 00:09:24,570

Lucifer as good constitutes a breach of

174

00:09:31,160 --> 00:09:27,410

the contract I signed as an employee

175

00:09:33,410 --> 00:09:31,170

okay so that's the crux of it and it

176
00:09:35,569 --> 00:09:33,420
sounded like David was unhappy with this

177
00:09:38,750 --> 00:09:35,579
contract and how he was presented in

178
00:09:42,050 --> 00:09:38,760
this new program in civilizations I

179
00:09:45,350 --> 00:09:42,060
watched the first episode and I got some

180
00:09:46,699 --> 00:09:45,360
clips then I'll pull and and play for

181
00:09:49,460 --> 00:09:46,709
you guys here in a little bit to kind of

182
00:09:53,030 --> 00:09:49,470
give context about why David might have

183
00:09:55,250 --> 00:09:53,040
been upset but he's upset that there's a

184
00:09:58,880 --> 00:09:55,260
Luciferian agenda behind this ancient

185
00:10:00,889 --> 00:09:58,890
civilizations program but meanwhile all

186
00:10:03,050 --> 00:10:00,899
the theories that a lot of conspiracy

187
00:10:06,199 --> 00:10:03,060
shows that I listen to have listened to

188
00:10:09,050 --> 00:10:06,209

our Bell we can go to coast coast am the

189

00:10:11,210 --> 00:10:09,060

things kind of go back to okay how do we

190

00:10:13,460 --> 00:10:11,220

get here did aliens into

191

00:10:18,259 --> 00:10:13,470

year with our genetic structure in some

192

00:10:21,980 --> 00:10:18,269

way where we created by aliens as a

193

00:10:24,139 --> 00:10:21,990

slave race to do their bidding these

194

00:10:28,369 --> 00:10:24,149

questions that we ask in the conspiracy

195

00:10:31,160 --> 00:10:28,379

paranormal realm and it just a glance

196

00:10:35,660 --> 00:10:31,170

are somewhat an affront to Christianity

197

00:10:39,350 --> 00:10:35,670

and what what we know as most of the

198

00:10:40,939 --> 00:10:39,360

belief systems and something I guess

199

00:10:43,309 --> 00:10:40,949

Christian Orthodox whether this being

200

00:10:44,869 --> 00:10:43,319

Catholic or Protestant or Baptist if

201
00:10:46,790 --> 00:10:44,879
you're asking about aliens so you could

202
00:10:48,139 --> 00:10:46,800
make it it could be construed and I'm

203
00:10:51,679 --> 00:10:48,149
sure it has been considered to past that

204
00:10:53,809 --> 00:10:51,689
you you are pro Satan and how dare you

205
00:10:56,720 --> 00:10:53,819
ask these questions God knows all so

206
00:10:59,550 --> 00:10:56,730
asking dipping your toes into these

207
00:11:03,329 --> 00:11:01,619
see I guess a little scandalous and I

208
00:11:05,429 --> 00:11:03,339
guess David Wilcock is upset about this

209
00:11:09,509 --> 00:11:05,439
at least how he was edited into the

210
00:11:12,090 --> 00:11:09,519
program and so I went looking to see if

211
00:11:14,489 --> 00:11:12,100
I can get some context around what this

212
00:11:20,840 --> 00:11:14,499
new ancient civilization series is about

213
00:11:24,840 --> 00:11:20,850

on guy TV and so I went looking and I

214

00:11:27,259 --> 00:11:24,850

found this segment now this is like a it

215

00:11:31,259 --> 00:11:27,269

called Episode one but it's actually

216

00:11:35,609 --> 00:11:31,269

Regina Meredith who is see if I can

217

00:11:42,929 --> 00:11:40,469

Regina Meredith has a very long running

218

00:11:45,119 --> 00:11:42,939

series on Gaia TV she interviews

219

00:11:48,029 --> 00:11:45,129

everyone she talks to people about UFOs

220

00:11:49,799 --> 00:11:48,039

or the quantum reality a Giants anything

221

00:11:52,949 --> 00:11:49,809

stuff's to everyone she likes this stuff

222

00:11:57,499 --> 00:11:52,959

and in this segment she is interviewing

223

00:12:01,229 --> 00:11:57,509

the producer of the new show in question

224

00:12:05,669 --> 00:12:01,239

her name the producers name is Melissa

225

00:12:07,619 --> 00:12:05,679

tittle and and I added it together to

226

00:12:10,859 --> 00:12:07,629

kind of give context so you'll hear jump

227

00:12:12,599 --> 00:12:10,869

but this is a regina Meredith one of the

228

00:12:16,099 --> 00:12:12,609

most prominent faces and personalities

229

00:12:19,139 --> 00:12:16,109

on Gaia TV interviewing the producer of

230

00:12:21,419 --> 00:12:19,149

this new series ancient civilizations

231

00:12:23,129 --> 00:12:21,429

I'm here at the guy a studio in Boulder

232

00:12:25,919 --> 00:12:23,139

Colorado with Melissa tittle the

233

00:12:28,679 --> 00:12:25,929

producer of our new series ancient

234

00:12:31,559 --> 00:12:28,689

civilizations and what about the whole

235

00:12:33,629 --> 00:12:31,569

is a subject of Atlantis does some

236

00:12:36,329 --> 00:12:33,639

speculation about Atlantis start seeping

237

00:12:37,499 --> 00:12:36,339

into the storyline of course I love

238

00:12:40,559 --> 00:12:37,509

Atlantis

239

00:12:42,629 --> 00:12:40,569

Anton parks version is that inky went

240

00:12:45,119 --> 00:12:42,639

there to escape in Lao and build his

241

00:12:47,519 --> 00:12:45,129

civilization of humans of knowledge and

242

00:12:49,169 --> 00:12:47,529

it was destroyed not because they were

243

00:12:51,749 --> 00:12:49,179

greedy not because they were misusing

244

00:12:54,419 --> 00:12:51,759

their power but they were defying the

245

00:12:56,009 --> 00:12:54,429

policies enforced by in law people are

246

00:12:57,929 --> 00:12:56,019

obviously going to perceive this in a

247

00:13:01,439 --> 00:12:57,939

lot of different ways depending on their

248

00:13:03,359 --> 00:13:01,449

own background and belief systems are

249

00:13:05,699 --> 00:13:03,369

you expecting that it will be a

250

00:13:07,919 --> 00:13:05,709

controversial series or do you think

251

00:13:12,960 --> 00:13:07,929

that it might build some new bridges

252

00:13:15,929 --> 00:13:12,970

between belief systems I think you can't

253

00:13:19,919 --> 00:13:15,939

build new bridges without controversy so

254

00:13:21,389 --> 00:13:19,929

I I'm I'm hoping for new bridges but I'm

255

00:13:24,299 --> 00:13:21,399

sure there's some people that are gonna

256

00:13:26,429 --> 00:13:24,309

be a little upset but but the the

257

00:13:28,979 --> 00:13:26,439

purpose is not to do that the purpose is

258

00:13:32,669 --> 00:13:28,989

to ask new questions because obviously

259

00:13:34,739 --> 00:13:32,679

where we're at right now in society the

260

00:13:37,319 --> 00:13:34,749

previous answer is kind of aren't

261

00:13:39,359 --> 00:13:37,329

working so what kind of attitude is it

262

00:13:41,219 --> 00:13:39,369

best for the viewer to arrive at the

263

00:13:44,399 --> 00:13:41,229

first episode with if they're looking at

264

00:13:48,239 --> 00:13:44,409

their own journey I really designed each

265

00:13:49,230 --> 00:13:48,249

episode to to kind of crack a little bit

266

00:13:51,630 --> 00:13:49,240

of a code

267

00:13:54,600 --> 00:13:51,640

then at the end how can they use that

268

00:13:56,460 --> 00:13:54,610

code to transform their lives you the

269

00:14:00,269 --> 00:13:56,470

viewer yourself how could you use this

270

00:14:05,639 --> 00:14:00,279

information in your everyday life okay

271

00:14:07,650 --> 00:14:05,649

so be so I'm not sure what is so

272

00:14:09,420 --> 00:14:07,660

controversial about this new one I play

273

00:14:10,530 --> 00:14:09,430

so I'll play some clips because if

274

00:14:12,090 --> 00:14:10,540

there's a there's been a long-running

275

00:14:15,840 --> 00:14:12,100

show on the History Channel called

276

00:14:18,060 --> 00:14:15,850

ancient aliens which talks about the

277

00:14:20,490 --> 00:14:18,070

possible origin mankind aliens

278

00:14:23,070 --> 00:14:20,500

interference with with our natural

279

00:14:27,829 --> 00:14:23,080

evolution so I'm not sure why David

280

00:14:30,900 --> 00:14:27,839

would be upset now that that Lucifer or

281

00:14:35,030 --> 00:14:30,910

Luciferian ideas are being interjected

282

00:14:38,670 --> 00:14:35,040

into content that he's a part of and

283

00:14:41,610 --> 00:14:38,680

maybe I'll put on what is luciferianism

284

00:14:44,130 --> 00:14:41,620

I guess I'll have to like put this up on

285

00:14:46,560 --> 00:14:44,140

on the screen and then we can talk about

286

00:14:47,610 --> 00:14:46,570

it like luciferianism like I don't know

287

00:14:49,860 --> 00:14:47,620

exactly what it is

288

00:14:53,819 --> 00:14:49,870

I'm not a big Lucifer guy not a big

289

00:14:55,920 --> 00:14:53,829

Beelzebub guy well I guess what we'll

290

00:14:59,600 --> 00:14:55,930

talk about it at a little bit put it up

291

00:15:03,389 --> 00:14:59,610

on screen and so luciferianism Satan

292

00:15:07,170 --> 00:15:03,399

Satanism is a rational focus on the self

293

00:15:08,790 --> 00:15:07,180

in relation to life here and now this

294

00:15:11,100 --> 00:15:08,800

philosophy is based upon carnal

295

00:15:13,740 --> 00:15:11,110

fulfillment with considerations for the

296

00:15:15,870 --> 00:15:13,750

preservation of self magic is practice

297

00:15:18,329 --> 00:15:15,880

as a type of ideological empowerment in

298

00:15:20,519 --> 00:15:18,339

psychodrama firstly was the fairy anism

299

00:15:24,329 --> 00:15:20,529

is a modern term for the ideological

300

00:15:27,000 --> 00:15:24,339

philosophical and magical attainment of

301

00:15:29,069 --> 00:15:27,010

applicable knowledge in inner power

302

00:15:32,519 --> 00:15:29,079

let's have a knowledge of sought through

303

00:15:34,050 --> 00:15:32,529

study initiation and the continual

304

00:15:36,420 --> 00:15:34,060

struggle of self-improvement through

305

00:15:40,079 --> 00:15:36,430

spiritual rebellion against the social

306

00:15:43,530 --> 00:15:40,089

concept of God and religion so that's

307

00:15:46,139 --> 00:15:43,540

just a cursory overview a brief an

308

00:15:48,300 --> 00:15:46,149

overview of luciferianism I'm so goes

309

00:15:50,280 --> 00:15:48,310

deeper than that

310

00:15:54,740 --> 00:15:50,290

but I don't really have time to go into

311

00:15:58,050 --> 00:15:54,750

the deep deep depths of luciferianism

312

00:15:59,610 --> 00:15:58,060

but David is worried about this he's

313

00:16:03,150 --> 00:15:59,620

worried about luciferianism so what is

314

00:16:06,150 --> 00:16:03,160

in this new ancient civilization

315

00:16:08,309 --> 00:16:06,160

program that is so controversial well

316

00:16:10,319 --> 00:16:08,319

I'll play I'll play I got three clips

317

00:16:12,480 --> 00:16:10,329

then I'll open up the phone lines here

318

00:16:18,660 --> 00:16:12,490

in a few just to give context around

319

00:16:20,939 --> 00:16:18,670

this this luciferianism in this new guy

320

00:16:21,990 --> 00:16:20,949

TV series and well might get flack for

321

00:16:24,619 --> 00:16:22,000

this he's gonna be about two minute

322

00:16:27,929 --> 00:16:24,629

clips but gotta play him here we go

323

00:16:30,059 --> 00:16:27,939

what Anton parks began to translate was

324

00:16:32,179 --> 00:16:30,069

a completely different version of the

325

00:16:34,410 --> 00:16:32,189

Garden of Eden than we've heard before

326

00:16:37,530 --> 00:16:34,420

not only have the words been

327

00:16:40,800 --> 00:16:37,540

mistranslated the actual location have

328

00:16:42,210 --> 00:16:40,810

been overlooked in biblical texts we

329

00:16:45,900 --> 00:16:42,220

constantly read about this idea of

330

00:16:48,179 --> 00:16:45,910

heaven or paradise this comes from the

331

00:16:51,990 --> 00:16:48,189

Greek pair Odysseus and this literally

332

00:16:53,519 --> 00:16:52,000

means enclosure for wild animals not

333

00:16:55,769 --> 00:16:53,529

paradise a term that was later

334

00:16:59,189 --> 00:16:55,779

transcribed as garden during the

335

00:17:01,050 --> 00:16:59,199

Hellenistic era if we go back to the

336

00:17:03,569 --> 00:17:01,060

original translation and the Sumerian

337

00:17:05,850 --> 00:17:03,579

tablets it says the men who served the

338

00:17:08,699 --> 00:17:05,860

gods work for them in the garden and are

339

00:17:11,490 --> 00:17:08,709

treated like animals it is a very clear

340

00:17:14,909 --> 00:17:11,500

and recurrent theme they are slaves who

341

00:17:17,279 --> 00:17:14,919

serve the divine community and Hebraic

342

00:17:19,829 --> 00:17:17,289

texts we understand that the humans seem

343

00:17:22,110 --> 00:17:19,839

happy in the so called paradise which is

344

00:17:24,630 --> 00:17:22,120

in fact more like a concentration camp

345

00:17:26,699 --> 00:17:24,640

according to Sumerian texts in my

346

00:17:30,360 --> 00:17:26,709

translations we also discovered the word

347

00:17:33,090 --> 00:17:30,370

carsick which translated to city of the

348

00:17:36,720 --> 00:17:34,919

it's interesting that all the highest

349

00:17:40,230 --> 00:17:36,730

points in Turkey are named Cara dog

350

00:17:42,930 --> 00:17:40,240

which strangely resembles car sog Cara

351

00:17:45,539 --> 00:17:42,940

dog translates to Black Mountain and

352

00:17:48,779 --> 00:17:45,549

also refers to the highest mountains in

353

00:17:51,180 --> 00:17:48,789

Turkey the only summit with the name car

354

00:17:53,490 --> 00:17:51,190

a dog that is close to the Mesopotamian

355

00:17:56,029 --> 00:17:53,500

plane and tributary of the Tigris and

356

00:17:59,190 --> 00:17:56,039

only a few kilometers from the Euphrates

357

00:18:02,310 --> 00:17:59,200

stands 29 kilometres south of the city

358

00:18:05,460 --> 00:18:02,320

cert and 19 kilometers southwest of the

359

00:18:08,909 --> 00:18:05,470

city of Ur is this the paradise

360

00:18:10,649 --> 00:18:08,919

described in the Sumerian text so you

361

00:18:13,770 --> 00:18:10,659

can kind of hear where they're gonna

362

00:18:17,490 --> 00:18:13,780

take this program Bri examination of old

363

00:18:19,919 --> 00:18:17,500

Sumerian texts Bri translation from that

364

00:18:21,600 --> 00:18:19,929

the new guy he's prominently featured in

365

00:18:24,810 --> 00:18:21,610

the first episode of things themes on

366

00:18:27,899 --> 00:18:24,820

John parks Anton parks so they're

367

00:18:31,649 --> 00:18:27,909

re-examining what was the Garden of Eden

368

00:18:34,110 --> 00:18:31,659

which is definitely spitting in the face

369

00:18:35,789 --> 00:18:34,120

of the Bible and Christians I mean if

370

00:18:38,850 --> 00:18:35,799

you take it as verbatim Adam and Eve

371

00:18:40,770 --> 00:18:38,860

living in a garden snake comes by go say

372

00:18:42,990 --> 00:18:40,780

you want an apple go get that Apple I'm

373

00:18:45,120 --> 00:18:43,000

a nice snake I'm a nice take trust me

374

00:18:46,350 --> 00:18:45,130

kind of thing I mean I don't really I

375

00:18:49,400 --> 00:18:46,360

don't remember the last time I read the

376

00:18:54,350 --> 00:18:51,580

so uh David Wilcock appears to be

377

00:18:57,410 --> 00:18:54,360

concerned about that so I will play this

378

00:19:00,790 --> 00:18:57,420

next little clip here it's about two

379

00:19:02,840 --> 00:19:00,800

minutes and this is about a

380

00:19:06,400 --> 00:19:02,850

reexamination this is about the the

381

00:19:11,860 --> 00:19:10,150

and who might be at play here they are

382

00:19:16,300 --> 00:19:11,870

called gods but they were humanoid

383

00:19:18,370 --> 00:19:16,310

beings of a rather reptilian type the

384

00:19:19,780 --> 00:19:18,380

text of Eden that I translated depict

385

00:19:21,460 --> 00:19:19,790

clearly and quite frequently the

386

00:19:23,380 --> 00:19:21,470

reptilian features of the gods

387

00:19:25,240 --> 00:19:23,390

I personally estimate that the gods

388

00:19:28,000 --> 00:19:25,250

arrived approximately 300 thousand years

389

00:19:30,880 --> 00:19:28,010

ago and this derives from the fact that

390

00:19:32,520 --> 00:19:30,890

Homo sapiens arrives shortly after I say

391

00:19:34,450 --> 00:19:32,530

this because throughout the texts

392

00:19:37,900 --> 00:19:34,460

genetics and the transformation of the

393

00:19:39,910 --> 00:19:37,910

human being are recurrent themes the two

394

00:19:45,400 --> 00:19:39,920

particles that compose the word Eden are

395

00:19:49,110 --> 00:19:45,410

E which means home and in or 10 which is

396

00:19:52,150 --> 00:19:49,120

life but indeed they are not alone

397

00:19:57,040 --> 00:19:52,160

humans are already on earth who are

398

00:19:59,800 --> 00:19:57,050

these human beings if the Sumerian gods

399

00:20:01,540 --> 00:19:59,810

realized that they were not alone what

400

00:20:08,230 --> 00:20:01,550

might have been their interaction with

401
00:20:09,760 --> 00:20:08,240
these kinds of humans what can be noted

402
00:20:11,770 --> 00:20:09,770
in the Sumerian tablets when they

403
00:20:14,560 --> 00:20:11,780
clearly speak of creating workers to

404
00:20:17,410 --> 00:20:14,570
serve dannion as the main geneticist is

405
00:20:18,790 --> 00:20:17,420
always inky he works with the genome

406
00:20:21,550 --> 00:20:18,800
that is on the planet to create a new

407
00:20:23,080 --> 00:20:21,560
kind of human he is usually held by

408
00:20:26,340 --> 00:20:23,090
priestesses that we often call the

409
00:20:29,770 --> 00:20:26,350
ninties who are the priestesses of life

410
00:20:31,360 --> 00:20:29,780
they know how to clone with him he can

411
00:20:34,540 --> 00:20:31,370
change the human genomes according to

412
00:20:37,610 --> 00:20:34,550
what Enlil asks of him which would be

413
00:20:40,150 --> 00:20:37,620

left brained well disciplined humans

414

00:20:43,610 --> 00:20:40,160

when we look at the Sumerian tradition

415

00:20:46,190 --> 00:20:43,620

it is a group of beings rather than one

416

00:20:49,420 --> 00:20:46,200

being that creates humankind so it is

417

00:20:52,190 --> 00:20:49,430

not a single creator but a group of

418

00:20:55,780 --> 00:20:52,200

intelligent technologically advanced

419

00:20:59,360 --> 00:20:55,790

beings where the sumerian creation

420

00:21:00,710 --> 00:20:59,370

varies from the christian traditions for

421

00:21:04,300 --> 00:21:00,720

example and then some of the native

422

00:21:08,380 --> 00:21:04,310

traditions is in the sumerian traditions

423

00:21:11,630 --> 00:21:08,390

humankind began with the sacrifice of

424

00:21:15,680 --> 00:21:11,640

the life of an advanced being of a God

425

00:21:18,020 --> 00:21:15,690

from Sumeria so that that God's DNA or

426
00:21:20,960 --> 00:21:18,030
the blood is what the text say could be

427
00:21:26,930 --> 00:21:20,970
mixed with the elements of the earth to

428
00:21:28,160 --> 00:21:26,940
create the first viable human so you've

429
00:21:30,800 --> 00:21:28,170
got a Prometheus

430
00:21:33,380 --> 00:21:30,810
kind of storyline going on a Prometheus

431
00:21:35,390 --> 00:21:33,390
kind of you know the opening sequence of

432
00:21:40,850 --> 00:21:35,400
the movie Prometheus you had this bald

433
00:21:42,910 --> 00:21:40,860
white albino godlike or alien I don't

434
00:21:45,860 --> 00:21:42,920
know we shouldn't call him God alien

435
00:21:47,600 --> 00:21:45,870
sacrifice himself in his blood and guts

436
00:21:50,600 --> 00:21:47,610
gets boat out into the rivers and lakes

437
00:21:54,470 --> 00:21:50,610
of the planet Earth and that gives rise

438
00:21:57,260 --> 00:21:54,480

to life and us there's probably some

439

00:21:59,090 --> 00:21:57,270

parallels there with what the director I

440

00:22:01,130 --> 00:21:59,100

think really Scott was trying to get

441

00:22:04,220 --> 00:22:01,140

across versus Sumerian tax but this is

442

00:22:07,550 --> 00:22:04,230

this idea that they're presenting in

443

00:22:11,210 --> 00:22:07,560

this news here is is not anything new to

444

00:22:12,710 --> 00:22:11,220

ancient alien theory of the origin of

445

00:22:16,760 --> 00:22:12,720

mankind when we're talking about this so

446

00:22:21,440 --> 00:22:16,770

I don't see what David Wilcock is upset

447

00:22:24,020 --> 00:22:21,450

about when it comes to context about

448

00:22:27,590 --> 00:22:24,030

these ideas now may grant have only seen

449

00:22:29,200 --> 00:22:27,600

one episode thus far but these ideas

450

00:22:33,590 --> 00:22:29,210

that have been around for a while now

451
00:22:36,950 --> 00:22:33,600
here is the the spot that I saw that

452
00:22:40,310 --> 00:22:36,960
David Wilcock appeared in on this first

453
00:22:42,410 --> 00:22:40,320
episode and he was upset that also that

454
00:22:45,290 --> 00:22:42,420
the guilty we guy TV was trying to

455
00:22:47,420 --> 00:22:45,300
upload something to his YouTube channel

456
00:22:50,300 --> 00:22:47,430
I believe it was the interview that I

457
00:22:51,049 --> 00:22:50,310
played with with Regina and producer

458
00:22:56,960 --> 00:22:51,059
he's also upset

459
00:23:01,009 --> 00:22:56,970
about that but here's David in the guy

460
00:23:03,200 --> 00:23:01,019
TV show in two civilizations we now have

461
00:23:05,960 --> 00:23:03,210
the rebooted West world in which

462
00:23:08,659 --> 00:23:05,970
something that originated as the idea of

463
00:23:10,999 --> 00:23:08,669

a robotic consciousness turns into

464

00:23:13,220 --> 00:23:11,009

essentially a flesh-and-blood creation

465

00:23:15,080 --> 00:23:13,230

which is then infused with a

466

00:23:16,999 --> 00:23:15,090

consciousness thus asking the question

467

00:23:19,430 --> 00:23:17,009

if they can reproduce if they are

468

00:23:21,769 --> 00:23:19,440

self-aware is this not the next level of

469

00:23:23,930 --> 00:23:21,779

humanity damn Adama

470

00:23:25,489 --> 00:23:23,940

it was an interesting and very important

471

00:23:28,669 --> 00:23:25,499

name in the biblical text and the

472

00:23:31,039 --> 00:23:28,679

Sumerian text is the word Adam from the

473

00:23:32,629 --> 00:23:31,049

Garden of Eden extensive tests have been

474

00:23:35,299 --> 00:23:32,639

conducted to see where this word came

475

00:23:37,879 --> 00:23:35,309

from consistently looking for Hebrew

476

00:23:41,869 --> 00:23:37,889

roots but it is a Sumerian word which

477

00:23:43,159 --> 00:23:41,879

means animals again we understand that

478

00:23:45,560 --> 00:23:43,169

human beings were considered to be

479

00:23:47,629 --> 00:23:45,570

animals by the Sumerian gods and this is

480

00:23:51,200 --> 00:23:47,639

where lies the conflict between two gods

481

00:23:52,660 --> 00:23:51,210

Enki and Enlil Enki wants to treat them

482

00:23:55,590 --> 00:23:52,670

like the other gods

483

00:23:58,680 --> 00:23:55,600

[Music]

484

00:24:01,380 --> 00:23:58,690

these two Sumerian gods have a conflict

485

00:24:03,539 --> 00:24:01,390

over the use of humans and it is to be

486

00:24:06,690 --> 00:24:03,549

the root of the biblical story of the

487

00:24:09,060 --> 00:24:06,700

serpent in the garden as the story

488

00:24:12,419 --> 00:24:09,070

unravels the riddle starts with the

489

00:24:17,549 --> 00:24:12,429

origin of the word Satan or Satan in

490

00:24:20,310 --> 00:24:17,559

English Tom and Sumerian means the

491

00:24:21,750 --> 00:24:20,320

administrator for years everybody has

492

00:24:24,930 --> 00:24:21,760

been looking to find where this word

493

00:24:28,500 --> 00:24:24,940

came from books that revolve around this

494

00:24:30,120 --> 00:24:28,510

issue this is a Sumerian term I don't

495

00:24:34,010 --> 00:24:30,130

understand how nobody saw it it is very

496

00:24:36,779 --> 00:24:34,020

clear we find it in ancient lexicons and

497

00:24:39,899 --> 00:24:36,789

lille is often referred to as the greats

498

00:24:41,820 --> 00:24:39,909

a Tom the master administrator the 150th

499

00:24:43,710 --> 00:24:41,830

only Sumerian text and Lille

500

00:24:46,470 --> 00:24:43,720

systematically asked Enki to go

501
00:24:47,630 --> 00:24:46,480
negotiate and talk with humans he is

502
00:24:49,890 --> 00:24:47,640
always the one to deal with them

503
00:24:53,159 --> 00:24:49,900
remember he is a humanoid with reptilian

504
00:24:55,860 --> 00:24:53,169
features and in Sumerian tablets he is

505
00:24:59,070 --> 00:24:55,870
always or very often called the serpent

506
00:25:01,289 --> 00:24:59,080
just like in the Bible is the only one

507
00:25:02,909 --> 00:25:01,299
that the humans are going to see and

508
00:25:05,340 --> 00:25:02,919
when they see him they see a serpent

509
00:25:07,860 --> 00:25:05,350
like humanoid I reckon this is why he is

510
00:25:09,580 --> 00:25:07,870
called the serpent in the garden he is a

511
00:25:11,009 --> 00:25:09,590
friend of the humans

512
00:25:15,940 --> 00:25:11,019
[Music]

513
00:25:18,489 --> 00:25:15,950

there you go so that certainly is a

514

00:25:22,810 --> 00:25:18,499

different take on the Garden of Eden

515

00:25:26,919 --> 00:25:22,820

that the serpent what we've all I guess

516

00:25:29,039 --> 00:25:26,929

not we all but I grew up believing that

517

00:25:32,560 --> 00:25:29,049

the the serpent represented the devil

518

00:25:34,930 --> 00:25:32,570

and but in this they they they turn it

519

00:25:38,830 --> 00:25:34,940

around that the serpents a good guy he

520

00:25:40,840 --> 00:25:38,840

is the friend of the human it definitely

521

00:25:42,879 --> 00:25:40,850

is a different take I can see why it

522

00:25:44,019 --> 00:25:42,889

might be considered controversial but I

523

00:25:45,909 --> 00:25:44,029

don't think it's controversial to

524

00:25:48,220 --> 00:25:45,919

anybody who watches the guide TV network

525

00:25:49,570 --> 00:25:48,230

it didn't seem controversial to me these

526

00:25:55,659 --> 00:25:49,580

ideas have been going around for quite a

527

00:25:58,149 --> 00:25:55,669

while and maybe that excuse by David

528

00:25:59,529 --> 00:25:58,159

Wilcox was just a the the last it's like

529

00:26:01,930 --> 00:25:59,539

okay I want to I want to get better pay

530

00:26:03,899 --> 00:26:01,940

yeah we get treated shitty there oh and

531

00:26:06,039 --> 00:26:03,909

by the way

532

00:26:07,810 --> 00:26:06,049

Lucifer's hanging around don't like that

533

00:26:10,499 --> 00:26:07,820

that's the last issue if you paid me

534

00:26:12,849 --> 00:26:10,509

well enough I might hang around Lucifer

535

00:26:15,190 --> 00:26:12,859

yeah that was the last one it wasn't it

536

00:26:18,549 --> 00:26:15,200

wasn't like my god these devil worship

537

00:26:21,549 --> 00:26:18,559

their Satanism it's just a bad message

538

00:26:23,229 --> 00:26:21,559

by the way they pay shitty no that was

539

00:26:25,659 --> 00:26:23,239

like the let the last one on the list

540

00:26:28,659 --> 00:26:25,669

I'm sure if they threw David enough

541

00:26:29,940 --> 00:26:28,669

money you might be able to fur over look

542

00:26:33,399 --> 00:26:29,950

look a few things

543

00:26:36,700 --> 00:26:33,409

sure I've watched a lot of David Wilcox

544

00:26:39,489 --> 00:26:36,710

on Gaia TV and in court you gotta watch

545

00:26:42,369 --> 00:26:39,499

them both and they both have left the

546

00:26:43,690 --> 00:26:42,379

guy a TV network I'm actually trying to

547

00:26:45,849 --> 00:26:43,700

get confirmation that they put the

548

00:26:48,549 --> 00:26:45,859

resignation letter in but I don't know

549

00:26:51,340 --> 00:26:48,559

if they if they've been let out of the

550

00:26:55,119 --> 00:26:51,350

contract yet I don't know ironclad those

551
00:26:57,129 --> 00:26:55,129
guy TV contracts are we should sure

552
00:26:59,470 --> 00:26:57,139
contact a.j Dyer he's the only person I

553
00:27:02,859 --> 00:26:59,480
know who works that I could actually

554
00:27:06,009 --> 00:27:02,869
talk to it works for guide TV six one

555
00:27:10,440 --> 00:27:06,019
four three eight nine 109 be mostly amp

556
00:27:15,529 --> 00:27:10,450
you take your phone calls mostly

557
00:27:19,940 --> 00:27:17,240
the first season of cosmic disclosure

558
00:27:23,870 --> 00:27:19,950
cosmic disclosure which it's pretty much

559
00:27:27,230 --> 00:27:23,880
just a show of David Wilcock and Corey

560
00:27:30,470 --> 00:27:27,240
Goode having a conversation about Corey

561
00:27:34,399 --> 00:27:30,480
Goode being in the secret space program

562
00:27:36,430 --> 00:27:34,409
years ago and him relaying what his

563
00:27:39,590 --> 00:27:36,440

experiences are of inner inner

564

00:27:42,470 --> 00:27:39,600

interacting with six-dimensional blue

565

00:27:46,399 --> 00:27:42,480

avian creatures and there being some

566

00:27:48,830 --> 00:27:46,409

almost galactic UN that he's a part of

567

00:27:51,799 --> 00:27:48,840

he talked about the Martian colonies

568

00:27:54,919 --> 00:27:51,809

he's talked about being on being a part

569

00:27:56,629 --> 00:27:54,929

of I guess a the solar warden project or

570

00:27:58,879 --> 00:27:56,639

at least being affiliated with them in

571

00:28:03,169 --> 00:27:58,889

some way talked about the dark fleet the

572

00:28:05,779 --> 00:28:03,179

the technology that was used by the

573

00:28:09,409 --> 00:28:05,789

Nazis and then is a rogue splinter group

574

00:28:11,299 --> 00:28:09,419

of the secret space program he's talked

575

00:28:13,549 --> 00:28:11,309

about it but it's just - guy is one guy

576

00:28:15,769 --> 00:28:13,559

listening to the other guy talk it's not

577

00:28:18,019 --> 00:28:15,779

really a TV show it actually probably

578

00:28:19,879 --> 00:28:18,029

fits better as a podcast and I wonder if

579

00:28:21,940 --> 00:28:19,889

these two guys got together to say look

580

00:28:23,690 --> 00:28:21,950

we could probably be getting bigger hits

581

00:28:26,750 --> 00:28:23,700

on YouTube

582

00:28:31,070 --> 00:28:26,760

rather than Gaia TV come on baby go

583

00:28:33,470 --> 00:28:31,080

ahead sure look you see your Saturday

584

00:28:35,090 --> 00:28:33,480

show but did you hear about this guy

585

00:28:36,889 --> 00:28:35,100

rich Russell divided you have to play

586

00:28:40,070 --> 00:28:36,899

and look for Jerrod and then eventually

587

00:28:41,720 --> 00:28:40,080

crafted I only heard about it on the no

588

00:28:44,990 --> 00:28:41,730

agenda show this morning we didn't do a

589

00:28:49,450 --> 00:28:45,000

show on Saturday but yeah it's pretty

590

00:28:52,850 --> 00:28:49,460

interesting yeah guy up near Alaska oh

591

00:28:55,279 --> 00:28:52,860

no I think you Washington State okay

592

00:28:57,320 --> 00:28:55,289

that's near Alaska when you're talking

593

00:29:00,139 --> 00:28:57,330

to me who's in Ohio right yeah it is

594

00:29:02,629 --> 00:29:00,149

closer than we are yeah yeah he was an

595

00:29:05,180 --> 00:29:02,639

airplane mechanic and he just decided to

596

00:29:07,120 --> 00:29:05,190

get on this plane and take it for a

597

00:29:09,620 --> 00:29:07,130

joyride he was presumably working on

598

00:29:10,870 --> 00:29:09,630

it's like some turboprop I don't know a

599

00:29:13,279 --> 00:29:10,880

propeller different plane

600

00:29:15,080 --> 00:29:13,289

apparently you do he has never had any

601
00:29:16,430 --> 00:29:15,090
like training whatsoever to be a biology

602
00:29:17,659 --> 00:29:16,440
all he was telling the air traffic

603
00:29:19,700 --> 00:29:17,669
controller that he played some video

604
00:29:22,100 --> 00:29:19,710
games apparently he was doing like

605
00:29:24,409 --> 00:29:22,110
barrel rolls and stuff those aviation

606
00:29:25,519 --> 00:29:24,419
industry people have their minds kind of

607
00:29:27,500 --> 00:29:25,529
blown that this guy could actually pull

608
00:29:28,970 --> 00:29:27,510
this off no formal training whatsoever

609
00:29:29,299 --> 00:29:28,980
yeah I brought it up on screen here he's

610
00:29:32,749 --> 00:29:29,309
act

611
00:29:34,460 --> 00:29:32,759
doing some loop-de-loops and it looks

612
00:29:36,799 --> 00:29:34,470
like I don't know what kind of plane

613
00:29:41,149 --> 00:29:36,809

it's not like a super small plane it

614

00:29:44,570 --> 00:29:41,159

looks um it's a twin twin-engine rotor

615

00:29:45,980 --> 00:29:44,580

you know it's not jet plane but it looks

616

00:29:47,480 --> 00:29:45,990

pretty actually if he had absolutely no

617

00:29:49,669 --> 00:29:47,490

training he's just going on pure

618

00:29:51,649 --> 00:29:49,679

instincts of using his game or gaming

619

00:29:55,999 --> 00:29:51,659

skills that he learned you know playing

620

00:29:59,539 --> 00:29:56,009

call duty or whatever GTA v he's doing

621

00:30:02,749 --> 00:29:59,549

pretty good Russell yes ed Russell a

622

00:30:05,840 --> 00:30:02,759

ground service worker in for her horizon

623

00:30:09,200 --> 00:30:05,850

air was permitted to get very close to

624

00:30:11,480 --> 00:30:09,210

passenger aircraft as part of his job he

625

00:30:13,369 --> 00:30:11,490

was to drive the tractor back that

626

00:30:15,169 --> 00:30:13,379

backed up the aircraft into position for

627

00:30:17,480 --> 00:30:15,179

takeoff he has fun too playing around

628

00:30:21,470 --> 00:30:17,490

Friday evening without raising suspicion

629

00:30:24,169 --> 00:30:21,480

and climbed aboard the 76 empty seat the

630

00:30:26,749 --> 00:30:24,179

76 seated plane but no one was in the

631

00:30:29,960 --> 00:30:26,759

plan yeah so it's pretty good 76 people

632

00:30:31,700 --> 00:30:29,970

could fit on there he would have flipped

633

00:30:33,019 --> 00:30:31,710

over so you would have you would have

634

00:30:35,869 --> 00:30:33,029

flipped overhead switches and set the

635

00:30:38,690 --> 00:30:35,879

propellers to Bombardier q400 spinning

636

00:30:42,080 --> 00:30:38,700

and spinning before he roared away from

637

00:30:45,350 --> 00:30:42,090

siano to coma International Airport so

638

00:30:48,100 --> 00:30:45,360

ok he took off from the International

639

00:30:51,139 --> 00:30:48,110

Airport so this is a pretty big deal

640

00:30:54,169 --> 00:30:51,149

anyone I'd say that day he was suicidal

641

00:30:56,570 --> 00:30:54,179

right yeah yeah that was that better

642

00:30:58,159 --> 00:30:56,580

than disturbance so I believe he uh he

643

00:30:59,509 --> 00:30:58,169

pretty much all around and play ran at

644

00:31:01,249 --> 00:30:59,519

fuel and they like took the plane off

645

00:31:03,859 --> 00:31:01,259

the coast and crashed at some habitat

646

00:31:04,600 --> 00:31:03,869

Island so I guess you don't wanna hurt

647

00:31:09,169 --> 00:31:04,610

anybody else

648

00:31:11,930 --> 00:31:09,179

yeah so it appears that this person has

649

00:31:14,450 --> 00:31:11,940

no manifesto no digital trail warning of

650

00:31:17,899 --> 00:31:14,460

signs that he might do anything like

651
00:31:19,999 --> 00:31:17,909
this he grins and selfies at work he and

652
00:31:23,419 --> 00:31:20,009
his wife Hannah started a bakery in

653
00:31:26,499 --> 00:31:23,429
Oregon in the early 20s and according to

654
00:31:30,320 --> 00:31:26,509
a 2012 story in a local paper

655
00:31:32,779 --> 00:31:30,330
they were depicted as happy and in a

656
00:31:34,310 --> 00:31:32,789
determined couple couple so it's just

657
00:31:37,039 --> 00:31:34,320
bizarre that this guy just kind of

658
00:31:38,990 --> 00:31:37,049
flipped out giving no indicators

659
00:31:40,340 --> 00:31:39,000
anywhere you can hear him a talking-to

660
00:31:42,680 --> 00:31:40,350
air traffic control you can find the

661
00:31:45,120 --> 00:31:42,690
videos on YouTube he doesn't like sound

662
00:31:47,490 --> 00:31:45,130
all that like he doesn't come along

663
00:31:49,500 --> 00:31:47,500

crazy he's actually joking or not having

664

00:31:52,170 --> 00:31:49,510

a good time with their control and

665

00:31:53,610 --> 00:31:52,180

they're not that happy about it no they

666

00:31:57,840 --> 00:31:53,620

gotta be [h__h] pissed off this guy

667

00:32:00,360 --> 00:31:57,850

could put I mean lo over like other

668

00:32:02,040 --> 00:32:00,370

airspace this guy is not a pilot then he

669

00:32:03,720 --> 00:32:02,050

could put a whole bunch of different

670

00:32:07,130 --> 00:32:03,730

people in danger the hundreds of people

671

00:32:12,840 --> 00:32:10,710

yeah then if they scrambled f-15s now

672

00:32:18,510 --> 00:32:12,850

the conspiracy here is that they may

673

00:32:20,010 --> 00:32:18,520

have shot him down like that guy's a

674

00:32:23,970 --> 00:32:20,020

threat he's like we're not over the

675

00:32:25,440 --> 00:32:23,980

ocean yes I am I have some audio here I

676

00:32:27,660 --> 00:32:25,450

can play it's 11 minutes long I doubt

677

00:32:28,980 --> 00:32:27,670

I'm gonna play it all about so hey good

678

00:32:30,600 --> 00:32:28,990

story though I think yeah thanks for

679

00:32:33,690 --> 00:32:30,610

bringing up I did not have that on the

680

00:32:36,690 --> 00:32:33,700

the docket for tonight but hey it sure

681

00:32:36,690 --> 00:32:36,700

shows as much mine

682

00:32:42,330 --> 00:32:39,120

anything else no that's good oh uh love

683

00:32:49,430 --> 00:32:42,340

it that's it for now so hang up and yes

684

00:32:51,960 --> 00:32:49,440

all right thanks shablagoo respond babe

685

00:32:57,330 --> 00:32:51,970

you have the air-traffic control thing

686

00:33:00,510 --> 00:32:57,340

this plane being stolen is his bonkers

687

00:33:02,370 --> 00:33:00,520

and I've read someone in the slack I

688

00:33:06,900 --> 00:33:02,380

think Stan from Alaska actually pointed

689

00:33:09,090 --> 00:33:06,910

out that this guy was from Alaska and

690

00:33:11,830 --> 00:33:09,100

I'll see if I can play a little bit of

691

00:33:15,520 --> 00:33:11,840

this audio here

692

00:33:18,580 --> 00:33:15,530

start it up get it to go there couple

693

00:33:23,890 --> 00:33:18,590

hours again but now I would not land it

694

00:33:25,600 --> 00:33:23,900

I wasn't really planning on landing you

695

00:33:27,640 --> 00:33:25,610

know how to fly one over there craft bus

696

00:33:39,340 --> 00:33:27,650

so we'll see what we can do and get you

697

00:33:43,060 --> 00:33:39,350

in contact with somebody the parts are

698

00:33:45,420 --> 00:33:43,070

void horses for you and so I can reach

699

00:33:49,060 --> 00:33:45,430

out to you a little easier

700

00:33:52,990 --> 00:33:49,070

I'm sorry say again sorry my bike it

701
00:33:59,800 --> 00:33:53,000
came up I threw up a little bit you know

702
00:34:01,990 --> 00:33:59,810
I you say I'm sorry about it I also saw

703
00:34:04,480 --> 00:34:02,000
the ruined your day 22 cross trailer

704
00:34:06,790 --> 00:34:04,490
takes let's contact just flying the

705
00:34:09,310 --> 00:34:06,800
plane around you seem comfortable with

706
00:34:13,090 --> 00:34:09,320
that oh oh yeah the flashback plays

707
00:34:17,170 --> 00:34:13,100
video games before so I know what I'm

708
00:34:19,300 --> 00:34:17,180
feeling a little bit okay and and you

709
00:34:21,700 --> 00:34:19,310
can see all the terrain around you you

710
00:34:26,470 --> 00:34:21,710
I've read too bad the guy doesn't mean

711
00:34:32,170 --> 00:34:26,480
if he's suicidal I don't he seems pretty

712
00:34:40,030 --> 00:34:32,180
chipper it's a bizarre situation got no

713
00:34:42,660 --> 00:34:40,040

issue with visibility or anything I

714

00:34:49,510 --> 00:34:42,670

think I got some jazz to go check out

715

00:34:52,060 --> 00:34:49,520

the Olympics and yeah okay and I rich

716

00:34:54,790 --> 00:34:52,070

you know I able to tell what altitude

717

00:34:56,430 --> 00:34:54,800

you're at yeah that's all I have no idea

718

00:35:01,020 --> 00:34:56,440

what all that means I would know how to

719

00:35:05,390 --> 00:35:01,030

punch it in fatherfather

720

00:35:10,710 --> 00:35:09,150

that's weren't a little bit here I want

721

00:35:14,190 --> 00:35:10,720

to know what this weather's gonna be

722

00:35:16,170 --> 00:35:14,200

like you feel that big if you can see

723

00:35:18,810 --> 00:35:16,180

the Olympics the weather's good I can

724

00:35:22,260 --> 00:35:18,820

see the Olympics from my window looks

725

00:35:22,720 --> 00:35:22,270

pretty good over there all right

726

00:35:24,650 --> 00:35:22,730

[Applause]

727

00:35:28,980 --> 00:35:24,660

[Music]

728

00:35:31,800 --> 00:35:28,990

yeah and so the guy died he's not he's

729

00:35:34,350 --> 00:35:31,810

not with us any longer but the up on

730

00:35:39,840 --> 00:35:34,360

screen here I'll bring up this guy I

731

00:35:44,640 --> 00:35:42,060

a man who authorities say took the

732

00:35:48,300 --> 00:35:44,650

airliner and crashed was a standout

733

00:35:50,760 --> 00:35:48,310

athlete in Alaska the man authorities

734

00:35:53,210 --> 00:35:50,770

say stole the horizon airplane from

735

00:35:58,130 --> 00:35:53,220

Seattle Tacoma International Airport and

736

00:36:02,150 --> 00:35:58,140

later crashed it was gregarious outgoing

737

00:36:05,580 --> 00:36:02,160

star athlete at the Aucilla

738

00:36:11,480 --> 00:36:05,590

was was Leah Bosnia

739

00:36:13,740 --> 00:36:11,490

Wazza Wazza Wazza Wazza high school

740

00:36:17,070 --> 00:36:13,750

remembered as a great kid

741

00:36:19,770 --> 00:36:17,080

by who those who know it knew him okay

742

00:36:23,190 --> 00:36:19,780

what's sad I when I'd listen to that

743

00:36:27,000 --> 00:36:23,200

audio of this guy you keep going towards

744

00:36:31,290 --> 00:36:27,010

it sound like a guy each other a lot of

745

00:36:35,250 --> 00:36:31,300

people care about me and it's gonna

746

00:36:39,540 --> 00:36:35,260

disappoint them but to hear that I did

747

00:36:44,360 --> 00:36:39,550

this I would like to apologize to each

748

00:36:50,769 --> 00:36:44,370

and every one of them how bizarre

749

00:36:55,390 --> 00:36:52,989

bizarre to hear somebody that coherent

750

00:36:57,909 --> 00:36:55,400

he doesn't seem like he's broken up

751
00:37:01,650 --> 00:36:57,919
I mean verbally doesn't he was broken up

752
00:37:10,430 --> 00:37:04,259
that was that was intention we heard

753
00:37:13,470 --> 00:37:10,440
right there my god 6.4 389 109 and

754
00:37:16,380 --> 00:37:13,480
transition on I don't think there's a

755
00:37:17,999 --> 00:37:16,390
real a real conspiracy there or anything

756
00:37:19,180 --> 00:37:18,009
paranormal going on it's just a bizarre

757
00:37:23,630 --> 00:37:19,190
story happen

758
00:37:31,940 --> 00:37:23,640
[Music]

759
00:37:37,700 --> 00:37:33,800
I do have something here and this is a

760
00:37:40,280 --> 00:37:37,710
bit of an update British UFO researcher

761
00:37:43,400 --> 00:37:40,290
who died after vomiting black liquid has

762
00:37:46,250 --> 00:37:43,410
had his laptop wiped by authorities

763
00:37:48,200 --> 00:37:46,260

that's not fishing I mean you heard of

764

00:37:50,030 --> 00:37:48,210

want to do that I'm here he didn't have

765

00:37:53,560 --> 00:37:50,040

any good research on there about UFOs

766

00:37:55,850 --> 00:37:53,570

and everything was on the up-and-up

767

00:37:57,800 --> 00:37:55,860

so we just go ahead and wipe the drive

768

00:37:59,000 --> 00:37:57,810

because I got to read you the yeah they

769

00:38:00,910 --> 00:37:59,010

have to wipe the drive they wanna you

770

00:38:04,730 --> 00:38:00,920

reuse that they're gonna resell it

771

00:38:08,330 --> 00:38:04,740

it's christ british conspiracy theorists

772

00:38:10,820 --> 00:38:08,340

who died suddenly at 39 in poland after

773

00:38:12,680 --> 00:38:10,830

vomiting black liquid had his laptop

774

00:38:17,230 --> 00:38:12,690

wiped by authorities before they

775

00:38:23,350 --> 00:38:21,400

friend of found max buyers dead as the

776
00:38:25,450 --> 00:38:23,360
UFO expert was attending a conference

777
00:38:28,060 --> 00:38:25,460
the conspiracy theorists had messaged

778
00:38:31,390 --> 00:38:28,070
his mother to tell her he was in trouble

779
00:38:34,060 --> 00:38:31,400
UK hospital unable to find the death

780
00:38:41,810 --> 00:38:34,070
caused Polish authorities cited natural

781
00:38:48,650 --> 00:38:45,260
let's say today a priest respire

782
00:38:50,270 --> 00:38:48,660
messaged his mother saying you your boys

783
00:38:53,780 --> 00:38:50,280
in trouble if anything happens to me

784
00:38:57,350 --> 00:38:53,790
investigate it's pretty clear an initial

785
00:39:00,740 --> 00:38:57,360
inquest opened into December the father

786
00:39:03,230 --> 00:39:00,750
of two allegedly made many enemies in

787
00:39:07,040 --> 00:39:03,240
his investigations his inquest will now

788
00:39:10,580 --> 00:39:07,050

be held over four days from January 7th

789

00:39:13,310 --> 00:39:10,590

2019 measuring exact inquest is must be

790

00:39:15,230 --> 00:39:13,320

a Polish thing authorities in Poland

791

00:39:16,700 --> 00:39:15,240

where mr. spires was attending a

792

00:39:18,730 --> 00:39:16,710

conference initially concluded the

793

00:39:22,640 --> 00:39:18,740

sudden death was due to natural causes

794

00:39:26,660 --> 00:39:22,650

what natural causes make a person vomit

795

00:39:28,790 --> 00:39:26,670

two litres of black liquid in fact what

796

00:39:32,750 --> 00:39:28,800

poison does that it sounds like the

797

00:39:36,290 --> 00:39:32,760

x-files at the pre inquest review today

798

00:39:39,230 --> 00:39:36,300

at the guild hall in Sandwich Kent the

799

00:39:42,890 --> 00:39:39,240

court heard that barrister for Max's

800

00:39:44,600 --> 00:39:42,900

mother Adam Taylor call for members of

801
00:39:47,510 --> 00:39:44,610
the Polish emergency service to appear

802
00:39:50,830 --> 00:39:47,520
as witnesses at the inquest she's

803
00:39:55,780 --> 00:39:53,140
involved in what was his line of work or

804
00:39:57,520 --> 00:39:55,790
interest always very difficult to

805
00:40:00,880 --> 00:39:57,530
describe but it was to do with

806
00:40:03,610 --> 00:40:00,890
conspiracy theories believing that the

807
00:40:05,320 --> 00:40:03,620
world was not told the truth and seeking

808
00:40:06,880 --> 00:40:05,330
for people to come together under the

809
00:40:09,460 --> 00:40:06,890
name of love but he was certainly

810
00:40:12,100 --> 00:40:09,470
exposing people who he thought were

811
00:40:15,520 --> 00:40:12,110
dangerous in the world of government the

812
00:40:19,270 --> 00:40:15,530
entertainment world and that had led him

813
00:40:21,100 --> 00:40:19,280

to go to Poland and you're concerned

814

00:40:23,590 --> 00:40:21,110

about what happened to him there where

815

00:40:26,530 --> 00:40:23,600

he died yes what are the circumstances

816

00:40:27,330 --> 00:40:26,540

of that he didn't know the Polish people

817

00:40:29,830 --> 00:40:27,340

at all

818

00:40:32,740 --> 00:40:29,840

he'd always known the people he dealt

819

00:40:35,500 --> 00:40:32,750

with in the past these people seemed to

820

00:40:40,030 --> 00:40:35,510

be involved in some very very dark and

821

00:40:42,220 --> 00:40:40,040

dangerous areas of the world and I was

822

00:40:45,330 --> 00:40:42,230

afraid that as his as he was gaining

823

00:40:47,920 --> 00:40:45,340

popularity and fame that perhaps

824

00:40:51,550 --> 00:40:47,930

somebody would want him out of the way

825

00:40:54,130 --> 00:40:51,560

ie not alive any longer and I think he

826

00:40:57,310 --> 00:40:54,140

sent you a text didn't he which

827

00:40:59,710 --> 00:40:57,320

indicated that he had some concerns yes

828

00:41:02,590 --> 00:40:59,720

that takes a roughly that text said

829

00:41:05,230 --> 00:41:02,600

exactly your boys in trouble and I was

830

00:41:08,200 --> 00:41:05,240

in touch with max every single day for

831

00:41:11,890 --> 00:41:08,210

most of his life when you say your boy

832

00:41:14,260 --> 00:41:11,900

he was referring to himself yes but he

833

00:41:16,690 --> 00:41:14,270

also said something in the lines if

834

00:41:19,660 --> 00:41:16,700

anything happened to him yes in if

835

00:41:21,220 --> 00:41:19,670

anything happens to me make sure you

836

00:41:26,950 --> 00:41:21,230

make full inquiries

837

00:41:29,920 --> 00:41:26,960

now since his death you have asked for

838

00:41:31,540 --> 00:41:29,930

an investigation into his cause of death

839

00:41:34,360 --> 00:41:31,550

because he weren't happy with what the

840

00:41:36,720 --> 00:41:34,370

Polish authorities had had discovered or

841

00:41:39,580 --> 00:41:36,730

had concluded the Polish authorities

842

00:41:42,550 --> 00:41:39,590

simply concluded he died of natural

843

00:41:45,460 --> 00:41:42,560

causes I have had nothing else at all

844

00:41:48,160 --> 00:41:45,470

from the Polish authorities other than

845

00:41:49,870 --> 00:41:48,170

that they are in fact suggesting as of

846

00:41:51,520 --> 00:41:49,880

yesterday that they can't release any

847

00:41:53,470 --> 00:41:51,530

more than that to me because they

848

00:41:57,340 --> 00:41:53,480

haven't got his written permission to

849

00:41:59,680 --> 00:41:57,350

tell me and what you what are you

850

00:42:00,670 --> 00:41:59,690

waiting for now I'm waiting for a

851
00:42:03,070 --> 00:42:00,680
post-mortem

852
00:42:04,030 --> 00:42:03,080
that was done in England within a week

853
00:42:06,220 --> 00:42:04,040
of him dying I

854
00:42:10,360 --> 00:42:06,230
got him back here I have had absolutely

855
00:42:14,170 --> 00:42:10,370
nothing whatsoever on that so I have no

856
00:42:17,560 --> 00:42:14,180
idea of what's caused his death what

857
00:42:19,750 --> 00:42:17,570
what are your fears you you feel that he

858
00:42:24,120 --> 00:42:19,760
is please met some foul Ames

859
00:42:26,650 --> 00:42:24,130
yes I believe somebody's killed him and

860
00:42:28,330 --> 00:42:26,660
really the key to that might be the

861
00:42:31,120 --> 00:42:28,340
result of the postmortem

862
00:42:34,000 --> 00:42:31,130
it may be a key it could be a beginning

863
00:42:35,620 --> 00:42:34,010

it will certainly be a help if there

864

00:42:37,720 --> 00:42:35,630

isn't everything that I want that comes

865

00:42:41,260 --> 00:42:37,730

out of that post-mortem then I will do a

866

00:42:45,250 --> 00:42:41,270

second post-mortem because I think there

867

00:42:50,440 --> 00:42:47,440

they go a mother trying to get some

868

00:42:55,240 --> 00:42:50,450

answers for her son's death mr. Taylor

869

00:42:56,770 --> 00:42:55,250

said that mr. lose mr. Taylor there's 20

870

00:43:00,400 --> 00:42:56,780

misters in here but mr. Taylor said that

871

00:43:03,970 --> 00:43:00,410

mr. spires laptop was wiped but that it

872

00:43:07,420 --> 00:43:03,980

was not empty at the time of his death

873

00:43:09,370 --> 00:43:07,430

he confirmed analysis of the laptop and

874

00:43:13,240 --> 00:43:09,380

mobile phone that belonged to him should

875

00:43:15,670 --> 00:43:13,250

also be presented at the inquest the way

876

00:43:17,320 --> 00:43:15,680

in which they were returned and what was

877

00:43:19,360 --> 00:43:17,330

done to them is clearly one of the

878

00:43:22,090 --> 00:43:19,370

biggest mysteries he said the family has

879

00:43:25,540 --> 00:43:22,100

no knowledge whatsoever of what the

880

00:43:28,390 --> 00:43:25,550

results of that analysis were the issue

881

00:43:31,330 --> 00:43:28,400

is the SIM card and what was on it

882

00:43:33,580 --> 00:43:31,340

without site of the report with that

883

00:43:37,050 --> 00:43:33,590

without site of the report the family

884

00:43:39,400 --> 00:43:37,060

has no answers to these questions

885

00:43:41,230 --> 00:43:39,410

there's also a number of discrepancies

886

00:43:45,010 --> 00:43:41,240

in emergency service accounts about

887

00:43:48,520 --> 00:43:45,020

Max's death occurred the court heard so

888

00:43:50,440 --> 00:43:48,530

there's a big yeah I would be absolutely

889

00:43:52,690 --> 00:43:50,450

pissed if they said as natural car

890

00:43:54,490 --> 00:43:52,700

causes them to get back the contents of

891

00:43:56,590 --> 00:43:54,500

your loved one and they're all white

892

00:44:01,150 --> 00:43:56,600

this is reeks of coverup and conspiracy

893

00:44:05,170 --> 00:44:01,160

I want to know what I got to figure out

894

00:44:06,850 --> 00:44:05,180

what conference he was attending I heard

895

00:44:09,310 --> 00:44:06,860

it was a UFO conference but I would like

896

00:44:11,920 --> 00:44:09,320

to know who was speaking and

897

00:44:15,940 --> 00:44:11,930

[Applause]

898

00:44:20,589 --> 00:44:15,950

who was who's there if we can look it up

899

00:44:23,059 --> 00:44:20,599

real quick 6 1 4 3 8 9 109 I'll be

900

00:44:24,769 --> 00:44:23,069

mostly happy

901

00:44:26,630 --> 00:44:24,779

you take your calls point and see if

902

00:44:32,510 --> 00:44:26,640

conference and see if we can find it

903

00:44:41,390 --> 00:44:35,330

and maybe we can actually maybe listen

904

00:44:41,400 --> 00:44:46,260

traumatized no see this is a

905

00:44:51,180 --> 00:44:49,110

his death was caused a controversy among

906

00:44:56,560 --> 00:44:51,190

members of the conspiracy community and

907

00:45:03,810 --> 00:45:00,550

speaking engagement before his death al

908

00:45:14,190 --> 00:45:10,580

the cribbage bow Mogambo yes for studies

909

00:45:17,730 --> 00:45:14,200

Roosevelt ebradham crude case suave

910

00:45:22,590 --> 00:45:17,740

Automatica Maya is too much welcome good

911

00:45:25,500 --> 00:45:22,600

luck hi everybody it's a pleasure to be

912

00:45:30,450 --> 00:45:25,510

here I have never done a presentation

913

00:45:31,920 --> 00:45:30,460

this way so nice place too long obscene

914

00:45:34,320 --> 00:45:31,930

there's a mother which to plays money

915

00:45:37,260 --> 00:45:34,330

just mean you again present that's

916

00:45:38,910 --> 00:45:37,270

extensible sort this has been the most

917

00:45:40,770 --> 00:45:38,920

this has been the biggest audience

918

00:45:43,890 --> 00:45:40,780

really I've spoken to about such

919

00:45:48,030 --> 00:45:43,900

personal things but I feel it needs to

920

00:45:51,840 --> 00:45:48,040

be addressed now because it's coming to

921

00:45:54,180 --> 00:45:51,850

a climax this this 2016 year everything

922

00:45:56,370 --> 00:45:54,190

is sort of up so I mean I'll post this

923

00:45:58,430 --> 00:45:56,380

link you can just look up max buyers

924

00:46:02,010 --> 00:45:58,440

last lecture he'll come up in YouTube

925

00:46:03,480 --> 00:46:02,020

I'll read this this is in the the

926

00:46:05,700 --> 00:46:03,490

description of this video his death

927

00:46:08,070 --> 00:46:05,710

caused controversy among members of the

928

00:46:11,520 --> 00:46:08,080

conspiracy community which made him the

929

00:46:13,590 --> 00:46:11,530

target of reports from from BBC News and

930

00:46:15,480 --> 00:46:13,600

other news outlets Matt's believed in a

931

00:46:18,150 --> 00:46:15,490

variety of paranormal events including

932

00:46:20,370 --> 00:46:18,160

that he had been altered as a child to

933

00:46:22,170 --> 00:46:20,380

become a super soldier Matt's his

934

00:46:24,480 --> 00:46:22,180

credibility as a conspiracy theorist has

935

00:46:26,850 --> 00:46:24,490

been doubted by other members of the

936

00:46:30,290 --> 00:46:26,860

conspiracy theory community including

937

00:46:33,210 --> 00:46:30,300

Adam Pulaski from a radio para

938

00:46:36,270 --> 00:46:33,220

paranormal a Polish independent news

939

00:46:39,180 --> 00:46:36,280

journalist who stated he max seemed to

940

00:46:42,030 --> 00:46:39,190

collect the research of other people and

941

00:46:45,480 --> 00:46:42,040

present it as his own and that Max had

942

00:46:47,790 --> 00:46:45,490

never proven and that Max had never

943

00:46:50,190 --> 00:46:47,800

proven having any abilities related to

944

00:46:56,880 --> 00:46:50,200

his claim of being made a super soldier

945

00:46:59,450 --> 00:46:56,890

at birth and then in July of 2016 spires

946

00:47:01,340 --> 00:46:59,460

died on the sofa at a friend's house in

947

00:47:03,960 --> 00:47:01,350

Warsaw Poland

948

00:47:06,510 --> 00:47:03,970

according to Polish prosecutor handling

949

00:47:07,220 --> 00:47:06,520

the case Max's partner called an

950

00:47:10,380 --> 00:47:07,230

ambulance

951
00:47:12,840 --> 00:47:10,390
doctors attendant attended the scene

952
00:47:15,180 --> 00:47:12,850
both unable to revive Max and then he

953
00:47:17,070 --> 00:47:15,190
picked up black star

954
00:47:18,420 --> 00:47:17,080
but I want to see what he's actually

955
00:47:20,610 --> 00:47:18,430
talking about what's that what's the

956
00:47:22,440 --> 00:47:20,620
meat of his presentation hospice

957
00:47:25,350 --> 00:47:22,450
obediently it's not to report on your

958
00:47:28,260 --> 00:47:25,360
sexual image they were like they track

959
00:47:30,540 --> 00:47:28,270
through a project oak tree to find these

960
00:47:33,030 --> 00:47:30,550
that I think there's only very few very

961
00:47:37,560 --> 00:47:33,040
very very few women who have these

962
00:47:40,560 --> 00:47:37,570
specific stargates let's say 11-11-11

963
00:47:42,990 --> 00:47:40,570

stargates in their wombs and they found

964

00:47:45,570 --> 00:47:43,000

those and they tracked those okay

965

00:47:47,460 --> 00:47:45,580

don't be supposed to play 11:11

966

00:47:49,350 --> 00:47:47,470

stargates in their womb I have no idea

967

00:47:52,320 --> 00:47:49,360

I've never heard of a Stargate in the

968

00:47:54,920 --> 00:47:52,330

womb yet off to look into it a little

969

00:47:57,660 --> 00:47:54,930

bit more sounds intriguing

970

00:48:00,360 --> 00:47:57,670

unfortunately he's dead it's unfortunate

971

00:48:04,050 --> 00:48:00,370

that his hard drive and SIM card where

972

00:48:07,320 --> 00:48:04,060

were white when they're they the family

973

00:48:09,840 --> 00:48:07,330

got those back insane I'll take a look

974

00:48:11,490 --> 00:48:09,850

at I wish it wasn't translated to polish

975

00:48:15,840 --> 00:48:11,500

but maybe there's another talk that I

976

00:48:17,970 --> 00:48:15,850

can find that well kind of enlighten us

977

00:48:20,610 --> 00:48:17,980

so here's another the moment and explain

978

00:48:25,680 --> 00:48:20,620

that this is a war on the human heart

979

00:48:27,600 --> 00:48:25,690

and is the final part of multiple other

980

00:48:30,300 --> 00:48:27,610

planets that have been this has been

981

00:48:32,280 --> 00:48:30,310

done too and then earth is the heart the

982

00:48:34,260 --> 00:48:32,290

heart sense of place so they're trying

983

00:48:38,580 --> 00:48:34,270

to take control of the earth because

984

00:48:42,240 --> 00:48:38,590

it's the heart and by the way to do that

985

00:48:43,230 --> 00:48:42,250

is attack innocence and the first thing

986

00:48:44,940 --> 00:48:43,240

you're going to do if you're going to

987

00:48:49,110 --> 00:48:44,950

take over a planet is you want to take

988

00:48:51,180 --> 00:48:49,120

away that the strongest male energy so

989

00:48:53,190 --> 00:48:51,190

that's been done very calculatedly

990

00:48:57,120 --> 00:48:53,200

especially over the the 20th century

991

00:48:59,670 --> 00:48:57,130

with the inversion the inversion of the

992

00:49:01,200 --> 00:48:59,680

original Baphomet the the original

993

00:49:03,930 --> 00:49:01,210

Batman I think we were talking about

994

00:49:04,470 --> 00:49:03,940

earlier he's got some theories no doubt

995

00:49:07,230 --> 00:49:04,480

about that

996

00:49:10,770 --> 00:49:07,240

and definitely the family deserves

997

00:49:15,849 --> 00:49:10,780

answers but as for how deep he's getting

998

00:49:20,650 --> 00:49:18,190

a lot of subjects we do a very surface

999

00:49:22,329 --> 00:49:20,660

level analysis of some of the stuff I

1000

00:49:23,680 --> 00:49:22,339

mean I don't have time to go deep until

1001

00:49:27,759 --> 00:49:23,690

all these topics in fact I got a comment

1002

00:49:30,190 --> 00:49:27,769

on a video posted we've posted up like a

1003

00:49:32,789 --> 00:49:30,200

few years ago and kalam baby was on the

1004

00:49:35,079 --> 00:49:32,799

show my brother and he was talking about

1005

00:49:36,489 --> 00:49:35,089

he's when he was doing his monsters of

1006

00:49:40,120 --> 00:49:36,499

the week episode someone you know

1007

00:49:41,680 --> 00:49:40,130

commented uh all the host doesn't he

1008

00:49:43,900 --> 00:49:41,690

doesn't even know what the beast of Bray

1009

00:49:45,279 --> 00:49:43,910

Road is or something like that he

1010

00:49:46,779 --> 00:49:45,289

doesn't know anything about what he's

1011

00:49:50,019 --> 00:49:46,789

talking about it's like I don't know

1012

00:49:52,900 --> 00:49:50,029

everything it is tough to know about

1013

00:49:56,079 --> 00:49:52,910

every paranormal topic about every

1014

00:49:58,059 --> 00:49:56,089

conspiracy topic and dig into it and be

1015

00:49:59,799 --> 00:49:58,069

able to give like an expert's opinion I

1016

00:50:02,589 --> 00:49:59,809

don't trust anybody he calls himself an

1017

00:50:04,599 --> 00:50:02,599

expert on anything and to have this kind

1018

00:50:07,809 --> 00:50:04,609

of in-depth knowledge about any one

1019

00:50:10,630 --> 00:50:07,819

subject it's tough to do if you also

1020

00:50:13,599 --> 00:50:10,640

talk about every other topic under - the

1021

00:50:21,069 --> 00:50:13,609

Under the Sun caller go ahead you're on

1022

00:50:22,749 --> 00:50:21,079

the air please thank you dog man video I

1023

00:50:26,079 --> 00:50:22,759

came here what they call it but the

1024

00:50:29,279 --> 00:50:26,089

gimbal film and I don't know if I had or

1025

00:50:31,420 --> 00:50:29,289

not know I don't know and you can I mean

1026

00:50:33,880 --> 00:50:31,430

it's pretty cool if you could just

1027

00:50:36,460 --> 00:50:33,890

YouTube it and check it out it's like

1028

00:50:39,220 --> 00:50:36,470

not even 30 seconds to where they show

1029

00:50:40,989 --> 00:50:39,230

it and it is freaky but I want to say

1030

00:50:43,210 --> 00:50:40,999

one thing there is a little bit of a

1031

00:50:46,299 --> 00:50:43,220

conspiracy in that airplane thing yeah I

1032

00:50:48,819 --> 00:50:46,309

followed people that talked about Q and

1033

00:50:51,640 --> 00:50:48,829

analyse Q and a couple of them are

1034

00:50:52,930 --> 00:50:51,650

saying well you know Q was saying look

1035

00:50:54,670 --> 00:50:52,940

for the symbol and this and that

1036

00:50:56,620 --> 00:50:54,680

literally if you look at the trajectory

1037

00:51:00,370 --> 00:50:56,630

that this guy was taking around the

1038

00:51:02,200 --> 00:51:00,380

island he made a Q and you know there's

1039

00:51:05,529 --> 00:51:02,210

they're gone as far as you know saying

1040

00:51:07,329 --> 00:51:05,539

that had ties to do with them if you

1041

00:51:09,700 --> 00:51:07,339

ever see the missile that was launched

1042

00:51:11,589 --> 00:51:09,710

you know we ended up taking down there

1043

00:51:15,099 --> 00:51:11,599

was you know somebody launched a missile

1044

00:51:21,099 --> 00:51:15,109

and it wasn't supposed to be launched

1045

00:51:23,289 --> 00:51:21,109

and they talked about TWA 800 no it's

1046

00:51:28,269 --> 00:51:23,299

just a missile didn't hit anything

1047

00:51:29,710 --> 00:51:28,279

oh but back in I think June you know you

1048

00:51:32,339 --> 00:51:29,720

should pictures of a men

1049

00:51:35,740 --> 00:51:32,349

soeul saying this was this was a

1050

00:51:37,270 --> 00:51:35,750

unauthorized launch you know why you

1051
00:51:39,400 --> 00:51:37,280
know and then he starts questioning why

1052
00:51:41,440 --> 00:51:39,410
was this done how did we stop it this

1053
00:51:45,160 --> 00:51:41,450
and that and there's a picture of the

1054
00:51:49,060 --> 00:51:45,170
missile there and then you know he makes

1055
00:51:51,370 --> 00:51:49,070
references to the people talking about

1056
00:51:54,310 --> 00:51:51,380
you make references of what he said and

1057
00:51:57,130 --> 00:51:54,320
that posting about the the missile being

1058
00:51:59,740 --> 00:51:57,140
launched and the airplane saying you

1059
00:52:04,120 --> 00:51:59,750
know this is probably controlled by

1060
00:52:05,859 --> 00:52:04,130
remote and I mean if you look at it he

1061
00:52:10,720 --> 00:52:05,869
really did he flew a cue around the

1062
00:52:12,339 --> 00:52:10,730
island well I'll be yeah I'm into

1063
00:52:14,859 --> 00:52:12,349

talking about I just found this article

1064

00:52:18,310 --> 00:52:14,869

Richard Russell plane crash cue in on

1065

00:52:21,190 --> 00:52:18,320

conspiracy theories Hugh a non followers

1066

00:52:23,710 --> 00:52:21,200

believe that ritual rustles richard

1067

00:52:26,770 --> 00:52:23,720

brussels suicide was a staged incident

1068

00:52:28,330 --> 00:52:26,780

russell 29 died on august 10th

1069

00:52:29,500 --> 00:52:28,340

but the during an audit exchange between

1070

00:52:32,320 --> 00:52:29,510

Russell and the controllers who

1071

00:52:35,260 --> 00:52:32,330

described himself as a broken guy got a

1072

00:52:44,770 --> 00:52:35,270

few of the screws I guess never really

1073

00:52:47,170 --> 00:52:44,780

knew it until now yeah and so okay that

1074

00:52:49,210 --> 00:52:47,180

does not sound like a guy that's a you

1075

00:52:52,570 --> 00:52:49,220

know that already made it up in his head

1076

00:52:55,390 --> 00:52:52,580

that he's gonna commit suicide that guy

1077

00:52:58,990 --> 00:52:55,400

just sounds to he put together in his

1078

00:53:02,050 --> 00:52:59,000

head you know maybe I was like man this

1079

00:53:04,000 --> 00:53:02,060

is crazy I listen to like five times and

1080

00:53:06,430 --> 00:53:04,010

to me that just something there right

1081

00:53:10,690 --> 00:53:06,440

and I might be a conspiracy theorist but

1082

00:53:12,460 --> 00:53:10,700

I am you know I am a I'm a conspiracy

1083

00:53:13,810 --> 00:53:12,470

theorist I'm a conspiracy analyst had

1084

00:53:15,730 --> 00:53:13,820

talked about all the stuff I don't know

1085

00:53:20,170 --> 00:53:15,740

if I make up to my stuff I will talk

1086

00:53:22,900 --> 00:53:20,180

about conspiracy theorists but listening

1087

00:53:27,160 --> 00:53:22,910

to the audio the guy in the cockpit

1088

00:53:29,970 --> 00:53:27,170

talking to the FAA he doesn't sound

1089

00:53:32,950 --> 00:53:29,980

broken it's not crying he seems quite

1090

00:53:35,410 --> 00:53:32,960

lucid he understands what he's doing he

1091

00:53:38,650 --> 00:53:35,420

he's not he doesn't seem disoriented in

1092

00:53:41,050 --> 00:53:38,660

any way he seems like he has clear

1093

00:53:43,359 --> 00:53:41,060

intent that he wanted to steal this and

1094

00:53:49,299 --> 00:53:43,369

kind of go on a joyride know

1095

00:53:49,809 --> 00:53:49,309

that he was going to die but as for this

1096

00:53:52,930 --> 00:53:49,819

incident

1097

00:53:55,779 --> 00:53:52,940

tracted the attention of President

1098

00:53:59,289 --> 00:53:55,789

Donald Trump's most loyal supporters hue

1099

00:54:03,039 --> 00:53:59,299

a non you a on or a non I guess it's Q a

1100

00:54:05,769 --> 00:54:03,049

not a one user cannot yeah an anonymous

1101
00:54:09,999 --> 00:54:05,779
Q a non one user believe that Russell

1102
00:54:12,400 --> 00:54:10,009
flew in a queue pattern on the group's

1103
00:54:14,230 --> 00:54:12,410
reddit thread the great awakened one

1104
00:54:16,180 --> 00:54:14,240
poster wrote does anyone else feel a

1105
00:54:18,309 --> 00:54:16,190
little weird about this entire scenario

1106
00:54:21,130 --> 00:54:18,319
I mean it feels like the mainstream

1107
00:54:24,130 --> 00:54:21,140
media channels all had the story running

1108
00:54:29,799 --> 00:54:24,140
with info as if it was staged what are

1109
00:54:33,670 --> 00:54:29,809
y'all dark thoughts the I mean just I

1110
00:54:36,640 --> 00:54:33,680
mean it's a big plane so if you have a

1111
00:54:46,059 --> 00:54:36,650
picture that says that this is a q400

1112
00:54:50,109 --> 00:54:46,069
plane yeah I was like if you look at you

1113
00:54:53,140 --> 00:54:50,119

know how for the you know carrier plane

1114

00:54:56,170 --> 00:54:53,150

that sheet metal Lumina may use it is

1115

00:54:58,450 --> 00:54:56,180

like it's like point zero for three

1116

00:55:01,299 --> 00:54:58,460

inches thick it's really thin I'm a

1117

00:55:03,759 --> 00:55:01,309

welder and I can tell you the heads it's

1118

00:55:06,370 --> 00:55:03,769

really easy to overheat it and it just

1119

00:55:08,049 --> 00:55:06,380

it just disintegrates to nothing when

1120

00:55:10,690 --> 00:55:08,059

you try to weld it because it's so thin

1121

00:55:11,920 --> 00:55:10,700

that you know that's just the wings you

1122

00:55:13,870 --> 00:55:11,930

would I would have thought they would

1123

00:55:15,549 --> 00:55:13,880

have sheared awesome like I thought when

1124

00:55:17,319 --> 00:55:15,559

I was watching it in the breaker in my

1125

00:55:20,859 --> 00:55:17,329

work I was like he's gonna sure those

1126
00:55:22,539 --> 00:55:20,869
wings off but you know that who knows I

1127
00:55:24,900 --> 00:55:22,549
don't know how that flame was made but I

1128
00:55:27,670 --> 00:55:24,910
didn't think that it could do a backflip

1129
00:55:30,509 --> 00:55:27,680
yeah you did some incredible maneuvers

1130
00:55:33,549 --> 00:55:30,519
with this with a little bit that I saw

1131
00:55:35,349 --> 00:55:33,559
they make those plane so light so they

1132
00:55:37,059 --> 00:55:35,359
can carry fuel and all the way to the

1133
00:55:39,069 --> 00:55:37,069
passengers and everything so it's not

1134
00:55:40,930 --> 00:55:39,079
like a fighter jet they don't have to

1135
00:55:44,259 --> 00:55:40,940
you know they don't have to carry the

1136
00:55:46,089 --> 00:55:44,269
weight of you know a hundred people or

1137
00:55:47,380 --> 00:55:46,099
whatever in a fighter jet so they can do

1138
00:55:51,519 --> 00:55:47,390

that stuff but when you're carrying

1139

00:55:52,569 --> 00:55:51,529

cargo or seventy six people you you get

1140

00:55:55,450 --> 00:55:52,579

a little bit of weight away from

1141

00:55:56,859 --> 00:55:55,460

structural just so you can support the

1142

00:56:00,220 --> 00:55:56,869

weight of people or

1143

00:56:02,130 --> 00:56:00,230

or cargo you know but I don't know

1144

00:56:04,690 --> 00:56:02,140

anything about that plane that's just

1145

00:56:06,819 --> 00:56:04,700

you know knowing a little bit of what I

1146

00:56:08,650 --> 00:56:06,829

know from 9/11 research and what they

1147

00:56:11,769 --> 00:56:08,660

say about the plane wings with a sheared

1148

00:56:14,759 --> 00:56:11,779

off and you know so they're the other

1149

00:56:17,470 --> 00:56:14,769

good thing Epis truck got fired and the

1150

00:56:20,380 --> 00:56:17,480

FBI's had a plane going back and forth

1151
00:56:22,599 --> 00:56:20,390
from Little Rock Arkansas carrying boxes

1152
00:56:24,539 --> 00:56:22,609
full of stuff and they're trying to sell

1153
00:56:27,519 --> 00:56:24,549
it has nothing to do with the Clintons

1154
00:56:29,289 --> 00:56:27,529
you know the Clinton Foundation it has

1155
00:56:33,329 --> 00:56:29,299
to do with a big drug bust

1156
00:56:36,039 --> 00:56:33,339
two planes holes yeah I've heard that

1157
00:56:41,079 --> 00:56:36,049
yeah Leigha that they're going to lend

1158
00:56:44,019 --> 00:56:41,089
down at the from DC to Arkansas to plane

1159
00:56:45,970 --> 00:56:44,029
loads of boxes and the information but

1160
00:56:49,319 --> 00:56:45,980
that's for a drug bust now back to

1161
00:56:55,690 --> 00:56:53,730
we'll see this qq8 on and this

1162
00:56:57,730 --> 00:56:55,700
interesting tank I didn't know about

1163
00:57:01,779 --> 00:56:57,740

this I just heard about the story on no

1164

00:57:03,309 --> 00:57:01,789

agenda this morning good catch here I

1165

00:57:04,930 --> 00:57:03,319

don't know about the conspiracy around

1166

00:57:06,549 --> 00:57:04,940

it but you know if you put enough stuff

1167

00:57:08,859 --> 00:57:06,559

out if you put enough stuff out there

1168

00:57:10,299 --> 00:57:08,869

yeah and you know spitballs at a wall

1169

00:57:11,589 --> 00:57:10,309

something's gonna stick what do you

1170

00:57:14,380 --> 00:57:11,599

think about Q you know what do you what

1171

00:57:15,849 --> 00:57:14,390

do you think he is or she is is that a a

1172

00:57:18,970 --> 00:57:15,859

I is it a real person what's their

1173

00:57:22,809 --> 00:57:18,980

purpose I think because the main reason

1174

00:57:26,680 --> 00:57:22,819

I continue to follow it is in October he

1175

00:57:30,729 --> 00:57:26,690

was talking about you know the third and

1176

00:57:33,460 --> 00:57:30,739

the coming months we'd see that we find

1177

00:57:35,859 --> 00:57:33,470

that we're being ripped off that you

1178

00:57:38,739 --> 00:57:35,869

know I think it was turkey in China was

1179

00:57:41,799 --> 00:57:38,749

selling us great a medal but giving us

1180

00:57:47,529 --> 00:57:41,809

great be and that was going into our

1181

00:57:49,809 --> 00:57:47,539

military equipment so she was talking

1182

00:57:53,589 --> 00:57:49,819

about this last October and it came out

1183

00:57:56,259 --> 00:57:53,599

in May or June and it kind of medicated

1184

00:57:58,329 --> 00:57:56,269

him and if you go through a lot of you

1185

00:58:00,489 --> 00:57:58,339

know stuff after that you know he's kind

1186

00:58:03,009 --> 00:58:00,499

of been right and that that's that's the

1187

00:58:06,279 --> 00:58:03,019

one that I looked at and I was like you

1188

00:58:08,559 --> 00:58:06,289

know that you know wow that's pretty

1189

00:58:10,840 --> 00:58:08,569

believable and then you look at you know

1190

00:58:13,600 --> 00:58:10,850

when he's talking about how what

1191

00:58:17,140 --> 00:58:13,610

your name well Peter struck in his

1192

00:58:19,750 --> 00:58:17,150

girlfriend Lisa Paige yeah how they get

1193

00:58:21,610 --> 00:58:19,760

this information without you know

1194

00:58:24,340 --> 00:58:21,620

showing that they were the people

1195

00:58:26,920 --> 00:58:24,350

looking for this information well they

1196

00:58:29,310 --> 00:58:26,930

would do it through the five eyes if our

1197

00:58:31,950 --> 00:58:29,320

intelligence agency wants to look some

1198

00:58:34,840 --> 00:58:31,960

information up through their database

1199

00:58:37,630 --> 00:58:34,850

they have to go to England or you know

1200

00:58:40,150 --> 00:58:37,640

one of the other four locations where it

1201
00:58:42,640 --> 00:58:40,160
doesn't tag their ID when they look up

1202
00:58:46,510 --> 00:58:42,650
information and he showed a picture of

1203
00:58:48,310 --> 00:58:46,520
Lisa Paige you know in England and then

1204
00:58:51,910 --> 00:58:48,320
you know because who's this other guy

1205
00:58:54,220 --> 00:58:51,920
and it looks like you know Peter struck

1206
00:58:56,080 --> 00:58:54,230
or you know it might be somebody else

1207
00:58:57,670 --> 00:58:56,090
that is definitely Lisa Paige and it's

1208
00:59:00,670 --> 00:58:57,680
like well how would he have that picture

1209
00:59:02,860 --> 00:59:00,680
of her standing outside of that building

1210
00:59:04,570 --> 00:59:02,870
and England and how would he have all

1211
00:59:06,460 --> 00:59:04,580
these pictures that he had if he's just

1212
00:59:09,760 --> 00:59:06,470
the nobody but I think it's a group of

1213
00:59:12,130 --> 00:59:09,770

people possibly oh yeah that barrel

1214

00:59:16,990 --> 00:59:12,140

could be it also could be some sort of

1215

00:59:19,630 --> 00:59:17,000

dis info scenario where it could be part

1216

00:59:21,850 --> 00:59:19,640

of a group of people working in an

1217

00:59:24,400 --> 00:59:21,860

apartment just to spread this info to

1218

00:59:28,630 --> 00:59:24,410

lead people down a different path it

1219

00:59:30,070 --> 00:59:28,640

also could be like a very simple like

1220

00:59:32,020 --> 00:59:30,080

maybe not even simple I guess it might

1221

00:59:34,210 --> 00:59:32,030

be fairly advanced machine learning or

1222

00:59:36,010 --> 00:59:34,220

some sort of AI kind of like that you're

1223

00:59:37,930 --> 00:59:36,020

here web bot it makes predictions based

1224

00:59:40,180 --> 00:59:37,940

upon other people's activity on the

1225

00:59:43,210 --> 00:59:40,190

internet and it makes predictions it can

1226

00:59:45,700 --> 00:59:43,220

make statements and the guy who runs

1227

00:59:48,430 --> 00:59:45,710

that cliff I you know uses that data to

1228

00:59:51,580 --> 00:59:48,440

make predictions about the economy the

1229

00:59:54,610 --> 00:59:51,590

world events and in this like forecasts

1230

00:59:58,600 --> 00:59:54,620

I I guess it's not beyond the the realm

1231

01:00:00,550 --> 00:59:58,610

of imagination that you could produce an

1232

01:00:05,470 --> 01:00:00,560

algorithm to collect all the same web

1233

01:00:08,530 --> 01:00:05,480

data and then make posts using headlines

1234

01:00:11,080 --> 01:00:08,540

and and suggestions to make prediction

1235

01:00:12,880 --> 01:00:11,090

make predictive posts so it almost kind

1236

01:00:14,950 --> 01:00:12,890

of runs itself at a certain point but

1237

01:00:18,550 --> 01:00:14,960

and I kind of like the idea that there's

1238

01:00:20,380 --> 01:00:18,560

a group of high-level intelligence

1239

01:00:24,190 --> 01:00:20,390

people trying to leak information to

1240

01:00:28,510 --> 01:00:24,200

4chan people seems like a good movie

1241

01:00:30,880 --> 01:00:28,520

and you know it's it's kind of if there

1242

01:00:33,220 --> 01:00:30,890

really is this deep step that's been

1243

01:00:37,380 --> 01:00:33,230

running the scenes and you know you're a

1244

01:00:39,220 --> 01:00:37,390

patriot and you truly Biewer a

1245

01:00:41,589 --> 01:00:39,230

constitutionalist and that's why you got

1246

01:00:44,470 --> 01:00:41,599

into that career and you see all these

1247

01:00:47,109 --> 01:00:44,480

backdoor deals and you know the just

1248

01:00:49,809 --> 01:00:47,119

that whole pedo gate if that's really

1249

01:00:52,480 --> 01:00:49,819

you know happening with the Podesta's

1250

01:00:55,390 --> 01:00:52,490

and Hillary Clinton not actually giving

1251

01:00:58,000 --> 01:00:55,400

her servers and you know a secondhand

1252

01:01:01,809 --> 01:00:58,010

company making a copy of the servers for

1253

01:01:03,880 --> 01:01:01,819

the FBI and that you know being let to

1254

01:01:07,630 --> 01:01:03,890

happen and all that yeah I would get fed

1255

01:01:09,069 --> 01:01:07,640

up and if I was in the Intelligence

1256

01:01:11,789 --> 01:01:09,079

Agency and I had all this stuff

1257

01:01:15,280 --> 01:01:11,799

happening and I didn't want to you know

1258

01:01:17,589 --> 01:01:15,290

lose my career yeah you might want to

1259

01:01:19,680 --> 01:01:17,599

think if you hear then you can't help in

1260

01:01:22,599 --> 01:01:19,690

the future yeah I think that's what

1261

01:01:25,240 --> 01:01:22,609

could be someone in the k-dog in the

1262

01:01:27,579 --> 01:01:25,250

chat says key with a left-wing troll

1263

01:01:28,990 --> 01:01:27,589

joke which that also could be true

1264

01:01:32,380 --> 01:01:29,000

that's why I haven't I really don't give

1265

01:01:33,940 --> 01:01:32,390

cue too much attention is is there's so

1266

01:01:35,829 --> 01:01:33,950

much to follow I know other people

1267

01:01:38,260 --> 01:01:35,839

follow it I'll be happy to talk about it

1268

01:01:41,980 --> 01:01:38,270

I just don't know enough about Q and the

1269

01:01:45,220 --> 01:01:41,990

posts I can go either way could be as

1270

01:01:47,589 --> 01:01:45,230

just a fun LARP it could be a troll by

1271

01:01:48,970 --> 01:01:47,599

the left it could be real information

1272

01:01:50,650 --> 01:01:48,980

from people within the intelligence

1273

01:01:52,930 --> 01:01:50,660

community it's almost kind of like

1274

01:01:54,190 --> 01:01:52,940

missing 411 I mean I'd like to talk

1275

01:01:57,030 --> 01:01:54,200

about it but we don't come down to a

1276

01:02:01,230 --> 01:01:57,040

conclusions about what who's behind it

1277

01:02:03,940 --> 01:02:01,240

but you forget the left can't even mean

1278

01:02:05,530 --> 01:02:03,950

they they got a mean problem there's no

1279

01:02:10,740 --> 01:02:05,540

doubt about that hey thank you very much

1280

01:02:16,270 --> 01:02:14,440

I played it on the I played it on the on

1281

01:02:20,530 --> 01:02:16,280

the show it was running in the

1282

01:02:22,120 --> 01:02:20,540

background and it's a so far for what

1283

01:02:24,069 --> 01:02:22,130

I've seen it looks pretty cool there's

1284

01:02:25,390 --> 01:02:24,079

like a plate when I when I leave the

1285

01:02:28,120 --> 01:02:25,400

show here but thank you very much

1286

01:02:30,819 --> 01:02:28,130

alright when you're looking to the story

1287

01:02:32,920 --> 01:02:30,829

of how this came to be if it's true it's

1288

01:02:34,790 --> 01:02:32,930

pretty cool so all right take it easy

1289

01:02:37,059 --> 01:02:34,800

man yeah but

1290

01:02:42,739 --> 01:02:37,069

[Applause]

1291

01:02:44,509 --> 01:02:42,749

okay thank you for you coming now

1292

01:02:50,209 --> 01:02:44,519

playing in the film right now and this

1293

01:02:54,650 --> 01:02:50,219

is the the Dogman video is called The

1294

01:03:03,319 --> 01:02:54,660

Legend of Michigan's Dogman gamble film

1295

01:03:14,599 --> 01:03:06,410

I'm saving fast works with me the

1296

01:03:18,569 --> 01:03:16,829

authentic and good beats right there

1297

01:03:25,769 --> 01:03:18,579

this is right there this that's the dog

1298

01:03:27,809 --> 01:03:25,779

man appearing and it's moving look at

1299

01:03:29,779 --> 01:03:27,819

that look at as moving it looks more

1300

01:03:34,370 --> 01:03:29,789

like a bear man as opposed to a dog man

1301
01:03:41,110 --> 01:03:38,720
and then the person's running oh my god

1302
01:03:46,360 --> 01:03:41,120
and they being chased by dog man and

1303
01:03:48,590 --> 01:03:46,370
then there's teeth and on the screen it

1304
01:03:50,690 --> 01:03:48,600
could be like a Blair Witch kind of

1305
01:03:52,640 --> 01:03:50,700
thing could be a real dog man I'll have

1306
01:03:54,830 --> 01:03:52,650
to look into the actual story I don't

1307
01:03:57,230 --> 01:03:54,840
want to write it off just yet hey thanks

1308
01:03:58,870 --> 01:03:57,240
for everyone hanging out for this night

1309
01:04:01,600 --> 01:03:58,880
talk Joe and I would be back on

1310
01:04:04,790 --> 01:04:01,610
Wednesday for the full podcast

1311
01:04:08,480 --> 01:04:04,800
experience oh yes the full podcast

1312
01:04:10,540 --> 01:04:08,490
experience and we'll be taking your

1313
01:04:12,860 --> 01:04:10,550

calls talking about

1314

01:04:16,360 --> 01:04:12,870

hello I don't know what we're talking

1315

01:04:18,200 --> 01:04:16,370

about yeah I don't have a goddamn clue

1316

01:04:19,310 --> 01:04:18,210

what the hell we're gonna be talking

1317

01:04:21,380 --> 01:04:19,320

about on Wednesday but it'll be

1318

01:04:23,240 --> 01:04:21,390

something maybe all these stores we

1319

01:04:25,280 --> 01:04:23,250

brought back up again maybe more

1320

01:04:31,150 --> 01:04:25,290

information will come out about that

1321

01:04:36,020 --> 01:04:31,160

pilot who stole that airliner with q400

1322

01:04:37,640 --> 01:04:36,030

might be talking about that got a lot of

1323

01:04:40,820 --> 01:04:37,650

things going on oh my god it's all

1324

01:04:44,290 --> 01:04:40,830

happening people you know it is I don't

1325

01:04:46,880 --> 01:04:44,300

tell you it's happening now it's all

1326

01:04:50,850 --> 01:04:46,890

happening it's happening people it's

1327

01:04:56,520 --> 01:04:50,860

real it I mean this is real right

1328

01:04:59,340 --> 01:04:56,530

all right thank you everyone thanks for

1329

01:05:02,640 --> 01:04:59,350

subscribing and if you want the audio

1330

01:05:04,770 --> 01:05:02,650

only versions podcast you go to our

1331

01:05:06,210 --> 01:05:04,780

victim outcome or obedient pod comm

1332

01:05:09,540 --> 01:05:06,220

subscribe to the patreon if you want to

1333

01:05:13,320 --> 01:05:09,550

join the slack send us an email at our

1334

01:05:17,190 --> 01:05:13,330

big dumb mouth at gmail.com say hey let
