

ARE THE  
SMILEY  
FACE  
KILLERS  
REAL?

PARENTAL

1  
00:00:11,660 --> 00:00:09,320  
let's let's go to a headline here and

2  
00:00:13,970 --> 00:00:11,670  
this is titled is a serial killer gang

3  
00:00:16,849 --> 00:00:13,980  
murdering young men across the u.s. this

4  
00:00:22,250 --> 00:00:16,859  
comes from a Daily Beast a serial killer

5  
00:00:24,019 --> 00:00:22,260  
gang dozens of college-age men dead from

6  
00:00:26,660 --> 00:00:24,029  
accidental drownings but a team of

7  
00:00:29,839 --> 00:00:26,670  
retired detectives say the boys were

8  
00:00:32,720 --> 00:00:29,849  
drugged and killed by a shadowy gang

9  
00:00:35,780 --> 00:00:32,730  
with a sinister symbol the smiley face

10  
00:00:37,670 --> 00:00:35,790  
gang now some people say this is this

11  
00:00:39,860 --> 00:00:37,680  
this really kind of has some hallmarks

12  
00:00:41,840 --> 00:00:39,870  
of missing 411 that very well could be

13  
00:00:44,360 --> 00:00:41,850

true because in some of the missing 411

14

00:00:47,119 --> 00:00:44,370

fiction victims a trace amounts of GHB

15

00:00:50,660 --> 00:00:47,129

are found and their most of the victims

16

00:00:53,119 --> 00:00:50,670

a lot of the the missing 411 profile are

17

00:00:56,720 --> 00:00:53,129

found near bodies of water or in bodies

18

00:00:57,500 --> 00:00:56,730

of water on the evening of December 15th

19

00:00:59,090 --> 00:00:57,510

2016

20

00:01:01,459 --> 00:00:59,100

Dakota James which we've talked about on

21

00:01:04,429 --> 00:01:01,469

the show called his friend Shelley in a

22

00:01:06,469 --> 00:01:04,439

panic he was cold disoriented and scared

23

00:01:08,270 --> 00:01:06,479

out of his mind wandering the streets of

24

00:01:11,750 --> 00:01:08,280

downtown Pittsburgh trying to find

25

00:01:13,399 --> 00:01:11,760

someone anyone who would help him he

26  
00:01:15,950 --> 00:01:13,409  
says I don't know where I am he told her

27  
00:01:16,580 --> 00:01:15,960  
sobbing I'm so cold please help me I'm

28  
00:01:19,070 --> 00:01:16,590  
lost

29  
00:01:21,410 --> 00:01:19,080  
Shelley didn't hesitate I'm thinking did

30  
00:01:22,490 --> 00:01:21,420  
he get mugged did he get beat up was he

31  
00:01:24,440 --> 00:01:22,500  
in a car accident

32  
00:01:26,620 --> 00:01:24,450  
she told the bait Daily Beast I was so

33  
00:01:29,420 --> 00:01:26,630  
scared where are you I'm coming

34  
00:01:31,730 --> 00:01:29,430  
Pittsburgh North Side she quickly hopped

35  
00:01:33,770 --> 00:01:31,740  
into her car to go get him then

36  
00:01:36,530 --> 00:01:33,780  
remembered she could use her cell phone

37  
00:01:38,330 --> 00:01:36,540  
to figure out where he was so this is a

38  
00:01:40,969 --> 00:01:38,340

big long story we talk we talk about

39

00:01:43,929 --> 00:01:40,979

Dakota James and he was laughs I

40

00:01:48,020 --> 00:01:43,939

blasting I think it seemed leaving a bar

41

00:01:49,609 --> 00:01:48,030

near fairly close to a river and just

42

00:01:52,370 --> 00:01:49,619

like three rivers going going on in

43

00:01:54,859 --> 00:01:52,380

Pittsburgh and he was found near a river

44

00:01:59,630 --> 00:01:54,869

so I was cut to cut down to the the

45

00:02:07,670 --> 00:01:59,640

ended article which is very lengthy so

46

00:02:09,859 --> 00:02:07,680

there's a side screen yes so a lot of

47

00:02:12,020 --> 00:02:09,869

people who speculate on the missing four

48

00:02:12,650 --> 00:02:12,030

oh and one who want to find something a

49

00:02:14,870 --> 00:02:12,660

little bit

50

00:02:16,490 --> 00:02:14,880

more non-paranormal suggests it is a

51  
00:02:19,160 --> 00:02:16,500  
gang of serial killers doing the missing

52  
00:02:21,320 --> 00:02:19,170  
411 stop so have you been looking for

53  
00:02:26,420 --> 00:02:21,330  
digital SLRs I see the banners that

54  
00:02:28,430 --> 00:02:26,430  
you're being targeted with I am I am I'm

55  
00:02:30,680 --> 00:02:28,440  
looking for a good camera we are also

56  
00:02:36,890 --> 00:02:30,690  
looking for a camera for Nicole's

57  
00:02:38,210 --> 00:02:36,900  
daughter yeah I don't know how much

58  
00:02:41,690 --> 00:02:38,220  
money I really want to spend on it but

59  
00:02:44,390 --> 00:02:41,700  
this the wrap this up real quick de kado

60  
00:02:46,460 --> 00:02:44,400  
Dakota was clearly murdered Kevin Gannon

61  
00:02:49,100 --> 00:02:46,470  
a retired New York City police sergeant

62  
00:02:50,870 --> 00:02:49,110  
said who has devoted his life to solving

63  
00:02:52,520 --> 00:02:50,880

these cases he told The Daily Beast the

64

00:02:55,370 --> 00:02:52,530

evidence to support that claim

65

00:02:57,560 --> 00:02:55,380

James's body wasn't decomposed enough to

66

00:02:59,930 --> 00:02:57,570

have been in the water for 40 days

67

00:03:02,420 --> 00:02:59,940

Deanna said his body was undamaged

68

00:03:05,330 --> 00:03:02,430

despite traveling 10 miles downriver and

69

00:03:08,660 --> 00:03:05,340

underneath a concrete concrete and steel

70

00:03:12,470 --> 00:03:08,670

dam to get where was found someone used

71

00:03:14,630 --> 00:03:12,480

his PayPal account for \$11.99

72

00:03:22,010 --> 00:03:14,640

transaction two days after he vanished

73

00:03:26,150 --> 00:03:22,020

and there appeared to be la littérature

74

00:03:29,090 --> 00:03:26,160

marks ligature marks around the gutter

75

00:03:32,900 --> 00:03:29,100

marks around his neck indicating he was

76  
00:03:34,850 --> 00:03:32,910  
strangled and so there are the and there

77  
00:03:39,020 --> 00:03:34,860  
were 11 smiley face symbols

78  
00:03:41,300 --> 00:03:39,030  
spray-painted on the Roberto Clemente

79  
00:03:43,520 --> 00:03:41,310  
bridge the closest bridge to where James

80  
00:03:48,290 --> 00:03:43,530  
was found and where police believe he

81  
00:03:50,120 --> 00:03:48,300  
fell into the water so this is a fairly

82  
00:03:53,140 --> 00:03:50,130  
well done article by The Daily Beast

83  
00:03:59,240 --> 00:03:53,150  
concerning a gang of serial killers

84  
00:04:01,010 --> 00:03:59,250  
doing this kind of criminal activity you

85  
00:04:02,720 --> 00:04:01,020  
know David Politis touched on some stuff

86  
00:04:06,040 --> 00:04:02,730  
I believe in the book off the grid where

87  
00:04:09,410 --> 00:04:06,050  
he kind of focused on college aged men

88  
00:04:11,090 --> 00:04:09,420

that went missing and there are you can

89

00:04:12,729 --> 00:04:11,100

you can research some of the more

90

00:04:16,010 --> 00:04:12,739

high-profile ones there's one in

91

00:04:19,490 --> 00:04:16,020

Columbus Ohio where there was a there's

92

00:04:21,110 --> 00:04:19,500

a college guy he was at a bar he was

93

00:04:24,170 --> 00:04:21,120

seen on camera and he was never seen

94

00:04:25,820 --> 00:04:24,180

again and and David played us goes

95

00:04:27,020 --> 00:04:25,830

through some of that stuff

96

00:04:28,610 --> 00:04:27,030

I don't know what do you think about a

97

00:04:30,189 --> 00:04:28,620

gang of sewer killers called the smiley

98

00:04:33,499 --> 00:04:30,199

face killers Joe

99

00:04:34,909 --> 00:04:33,509

well I wouldn't join it yeah I mean I

100

00:04:36,200 --> 00:04:34,919

don't know with the Luthor that they

101  
00:04:39,230 --> 00:04:36,210  
have a see your handshake or anything

102  
00:04:42,379 --> 00:04:39,240  
like that but it sounds it sounds pretty

103  
00:04:44,149 --> 00:04:42,389  
menacing a gang of serial killers like

104  
00:04:45,649 --> 00:04:44,159  
one serial killer is pretty bad I mean

105  
00:04:48,439 --> 00:04:45,659  
you think about Jack the Ripper and all

106  
00:04:52,100 --> 00:04:48,449  
that other stuff Jeffrey Dahmer and one

107  
00:04:53,659 --> 00:04:52,110  
serial killers pretty bad the article

108  
00:04:55,909 --> 00:04:53,669  
goes on to say the targeting the best of

109  
00:04:57,499 --> 00:04:55,919  
the best these kids are the best

110  
00:05:00,320 --> 00:04:57,509  
students are the best athletes and they

111  
00:05:04,119 --> 00:05:00,330  
come from the best families the

112  
00:05:06,830 --> 00:05:04,129  
constantly recruiting yet years ago when

113  
00:05:09,589 --> 00:05:06,840

they're recruiting the the circle team

114

00:05:12,409 --> 00:05:09,599

is recruiting gonna LinkedIn job posts

115

00:05:17,330 --> 00:05:12,419

guys years ago when we were on their

116

00:05:19,969 --> 00:05:17,340

dark web page do you believe this at all

117

00:05:22,339 --> 00:05:19,979

it was asking us to turn on a video

118

00:05:24,260 --> 00:05:22,349

camera so they could see who was about

119

00:05:26,089 --> 00:05:24,270

to type in the password and there's no

120

00:05:31,399 --> 00:05:26,099

way that we were going to do that I

121

00:05:33,950 --> 00:05:31,409

don't this seems so there's a group of

122

00:05:39,529 --> 00:05:33,960

serial killer circulars who actively

123

00:05:41,659 --> 00:05:39,539

recruit on the dark web Thank You

124

00:05:43,070 --> 00:05:41,669

crashes the phone lines wide open six

125

00:05:49,719 --> 00:05:43,080

one four three eight eight nine one oh

126

00:05:57,700 --> 00:05:52,580

and let's go we do kill baby Hitler

127

00:06:02,839 --> 00:06:00,589

killer cult and thank you credit for

128

00:06:06,439 --> 00:06:02,849

this Oh figure that out hello caller

129

00:06:10,070 --> 00:06:06,449

you're on the air hello hello what could

130

00:06:13,279 --> 00:06:10,080

I help you with today what's going on

131

00:06:16,550 --> 00:06:13,289

what is I your mining mind I cannot

132

00:06:20,649 --> 00:06:16,560

believe my leafy pillars my current

133

00:06:23,930 --> 00:06:20,659

favorite conspiracy and/or urban legend

134

00:06:35,360 --> 00:06:23,940

hey this this is this is Rob me your age

135

00:06:38,029 --> 00:06:35,370

I'm from New York yeah I've been looking

136

00:06:39,830 --> 00:06:38,039

into this for a little bit there's a guy

137

00:06:42,890 --> 00:06:39,840

out there named William Lyons

138

00:06:45,080 --> 00:06:42,900

he covers this extensively

139

00:06:48,080 --> 00:06:45,090

there's also a piece book page called

140

00:06:48,980 --> 00:06:48,090

smiling face killers USA if you check

141

00:06:51,050 --> 00:06:48,990

that out

142

00:06:54,409 --> 00:06:51,060

Jim Smith I think this is the guy the

143

00:06:57,320 --> 00:06:54,419

researchers name basically it has

144

00:07:02,180 --> 00:06:57,330

elements of 401 1 in it missing 1 1 1

145

00:07:05,720 --> 00:07:02,190

but the similarities between all these

146

00:07:10,100 --> 00:07:05,730

cases that is young men college age 18

147

00:07:13,690 --> 00:07:10,110

to meet at the latest 40 and they go

148

00:07:18,409 --> 00:07:13,700

they disappear and then they're sound

149

00:07:21,050 --> 00:07:18,419

you know Oh days weeks months later but

150

00:07:23,600 --> 00:07:21,060

the other similarity is that they're

151  
00:07:27,260 --> 00:07:23,610  
usually found near a body of water or in

152  
00:07:29,510 --> 00:07:27,270  
a body of water yeah Mike we're still

153  
00:07:37,550 --> 00:07:29,520  
close we can maybe get you get in on

154  
00:07:40,640 --> 00:07:37,560  
this they might come for us some of some

155  
00:07:44,140 --> 00:07:40,650  
of the places where that body was put

156  
00:07:47,029 --> 00:07:44,150  
into water or found near water they

157  
00:07:49,520 --> 00:07:47,039  
happen to find a smiley face so it is

158  
00:07:56,240 --> 00:07:49,530  
not only the smiley face there but it

159  
00:07:58,490 --> 00:07:56,250  
all has the same similarities these

160  
00:08:00,020 --> 00:07:58,500  
killers we're like smiley face masks and

161  
00:08:01,850 --> 00:08:00,030  
walk around like that because that'd be

162  
00:08:10,129 --> 00:08:01,860  
really easy to discover who they were if

163  
00:08:13,460 --> 00:08:10,139

they did that I think what the thing is

164

00:08:16,070 --> 00:08:13,470

is that it's symbolism like like a

165

00:08:18,800 --> 00:08:16,080

looking like a nihilistic symbolism like

166

00:08:23,719 --> 00:08:18,810

life doesn't matter and pretty much you

167

00:08:25,460 --> 00:08:23,729

know we get away with it and be happy

168

00:08:28,879 --> 00:08:25,470

about it it's kind of like what the

169

00:08:31,270 --> 00:08:28,889

smiley face symbolism is is the way that

170

00:08:33,949 --> 00:08:31,280

this guy William Ramsay explains it well

171

00:08:38,079 --> 00:08:33,959

do you think this accounts for some of

172

00:08:41,449 --> 00:08:40,070

because in some of the missing for 11

173

00:08:45,710 --> 00:08:41,459

cases there are bodies that are found

174

00:08:47,900 --> 00:08:45,720

under trees and you have kids that under

175

00:08:52,370 --> 00:08:47,910

the age of 3 that travel like 90 miles

176  
00:08:53,060 --> 00:08:52,380  
within a day and so when it comes to the

177  
00:08:55,250 --> 00:08:53,070  
young

178  
00:08:58,730 --> 00:08:55,260  
of college-aged highly-educated being

179  
00:09:00,440 --> 00:08:58,740  
killed in in near water that doesn't

180  
00:09:03,130 --> 00:09:00,450  
relate to the rest of like the national

181  
00:09:07,759 --> 00:09:06,280  
yeah exactly there's good big big

182  
00:09:09,800 --> 00:09:07,769  
differences there

183  
00:09:11,750 --> 00:09:09,810  
yeah this is something that was the

184  
00:09:13,340 --> 00:09:11,760  
fastest money they stock gets brought up

185  
00:09:14,720 --> 00:09:13,350  
over and over again on the show and it's

186  
00:09:16,460 --> 00:09:14,730  
honestly something I haven't taken the

187  
00:09:19,880 --> 00:09:16,470  
time to look at and I would probably

188  
00:09:27,199 --> 00:09:19,890

like to maybe try to get this guy in

189

00:09:30,170 --> 00:09:27,209

your show William William Ramsay I think

190

00:09:31,670 --> 00:09:30,180

that's a good idea yeah I think we need

191

00:09:32,900 --> 00:09:31,680

to do that sooner than later

192

00:09:36,350 --> 00:09:32,910

so I would like to know more about this

193

00:09:38,269 --> 00:09:36,360

and see actually how widespread it is

194

00:09:41,000 --> 00:09:38,279

because uh you've got The Daily Beast

195

00:09:43,610 --> 00:09:41,010

right now the nationwide phenomena and

196

00:09:46,040 --> 00:09:43,620

apparently the same thing happens and

197

00:09:51,560 --> 00:09:46,050

the same similar thing going on in

198

00:09:54,139 --> 00:09:51,570

England to I think it's called people

199

00:09:56,240 --> 00:09:54,149

know some wound up getting canal and

200

00:10:01,759 --> 00:09:56,250

they're like they're basically pushed

201  
00:10:06,530 --> 00:10:01,769  
into the canal by Joe I was gonna say

202  
00:10:08,840 --> 00:10:06,540  
like Dustin brought a lot on recession

203  
00:10:12,079 --> 00:10:08,850  
that I didn't know about another but

204  
00:10:14,199 --> 00:10:12,089  
from New York oh yeah I'm sorry Rob -

205  
00:10:17,120 --> 00:10:14,209  
Rob yeah I'm sorry Rob from New York

206  
00:10:19,130 --> 00:10:17,130  
what were you saying Joe yeah I think

207  
00:10:20,900 --> 00:10:19,140  
he's bringing a lot to the conversation

208  
00:10:25,000 --> 00:10:20,910  
I think if he's recommending this guest

209  
00:10:28,730 --> 00:10:25,010  
like this this it's tangent in Gentilly

210  
00:10:30,710 --> 00:10:28,740  
tangentially it's related to for one one

211  
00:10:32,000 --> 00:10:30,720  
but it doesn't sound like it's fallen

212  
00:10:34,160 --> 00:10:32,010  
one it sounds like a separate thing it's

213  
00:10:36,400 --> 00:10:34,170

like it's almost like a parody or

214

00:10:38,740 --> 00:10:36,410

something of it

215

00:10:39,850 --> 00:10:38,750

yeah I dig it well hey thank you Rob you

216

00:10:44,530 --> 00:10:39,860
