PARENTAL  
ADVISORY  
EXPLICIT CONTENT

1  
00:00:05,440 --> 00:00:02,200  
[Applause]

2  
00:00:12,730 --> 00:00:08,810  
no sightings spaceship with aliens on

3  
00:00:14,930 --> 00:00:12,740  
board seen landing in Doncaster garden

4  
00:00:19,310 --> 00:00:14,940  
Doncaster garden this is over there in

5  
00:00:23,750 --> 00:00:19,320  
the leave in the UK we'll see he comes

6  
00:00:26,269 --> 00:00:23,760  
from the Express UK so here we go there

7  
00:00:28,880 --> 00:00:26,279  
might be some video with this oh no it's

8  
00:00:31,609 --> 00:00:28,890  
just an HBO advertisement a video titled

9  
00:00:36,920 --> 00:00:31,619  
UFO ship with aliens on board crashed

10  
00:00:39,979 --> 00:00:36,930  
into the sand pile on my driveway that

11  
00:00:41,780 --> 00:00:39,989  
was uploaded to YouTube by the user by a

12  
00:00:44,270 --> 00:00:41,790  
user the video quickly racked up

13  
00:00:45,770 --> 00:00:44,280

thousands of visitors because of the

14

00:00:48,319 --> 00:00:45,780

strange activity which some are

15

00:00:50,319 --> 00:00:48,329

struggling to explain a bright pulsating

16

00:00:52,670 --> 00:00:50,329

light can be seen drifting slowly

17

00:00:57,110 --> 00:00:52,680

towards the ground and we will see that

18

00:00:59,770 --> 00:00:57,120

here in a second and here we here we go

19

00:01:05,000 --> 00:00:59,780

Treach had found a good image terrific

20

00:01:06,140 --> 00:01:05,010

if you don't mind real quick people who

21

00:01:08,240 --> 00:01:06,150

don't subscribe to the YouTube channel

22

00:01:09,890 --> 00:01:08,250

or watch the videos the videos are fun

23

00:01:12,740 --> 00:01:09,900

Cratchit always has some visuals to go

24

00:01:15,080 --> 00:01:12,750

along with it he's got aliens guide says

25

00:01:19,550 --> 00:01:15,090

we're the History Channel let's talk

26

00:01:21,859 --> 00:01:19,560

about so the the video being displayed

27

00:01:24,260 --> 00:01:21,869

it looks like it's a security camera

28

00:01:28,760 --> 00:01:24,270

footage is black and white and you can

29

00:01:33,380 --> 00:01:28,770

see a pulsating light come down to the

30

00:01:35,149 --> 00:01:33,390

driveway continue to pulse I don't see

31

00:01:38,810 --> 00:01:35,159

any alien this looks small so I would

32

00:01:42,980 --> 00:01:38,820

have to estimate that that this ball of

33

00:01:47,870 --> 00:01:42,990

light is maybe five to six feet maybe

34

00:01:50,030 --> 00:01:47,880

five six feet in diameter maybe perhaps

35

00:01:51,590 --> 00:01:50,040

even less than that way less than that

36

00:01:54,889 --> 00:01:51,600

you look at as they as it zooms and it's

37

00:01:58,399 --> 00:01:54,899

it's way smaller than that I never know

38

00:02:00,770 --> 00:01:58,409

if you ever see and man I haven't seen

39

00:02:02,630 --> 00:02:00,780

that man now

40

00:02:05,540 --> 00:02:02,640

yes if you could get very small you can

41

00:02:07,490 --> 00:02:05,550

get very small so it floats down in a

42

00:02:10,190 --> 00:02:07,500

very weird way almost like oh shoot

43

00:02:13,240 --> 00:02:10,200

sorry about that my phone bad guy oh hey

44

00:02:18,410 --> 00:02:13,250

Nick what's going on your back charger

45

00:02:21,670 --> 00:02:18,420

no I just used my buddies call yeah okay

46

00:02:26,210 --> 00:02:21,680

yeah we wonder we got cut off and so

47

00:02:28,970 --> 00:02:26,220

what do you have to say oh yeah about

48

00:02:32,449 --> 00:02:28,980

the social media you know yes it's been

49

00:02:34,580 --> 00:02:32,459

like three months without it and I just

50

00:02:37,940 --> 00:02:34,590

feel happy like with the industry I'm

51  
00:02:42,470 --> 00:02:37,950  
not giving a [\h\_\_\h] what other people's

52  
00:02:44,150 --> 00:02:42,480  
wives are going on you know it's and and

53  
00:02:48,050 --> 00:02:44,160  
with the the Facebook it's just the

54  
00:02:50,990 --> 00:02:48,060  
arguing and all the narrow mindedness

55  
00:02:53,060 --> 00:02:51,000  
you know if if you don't agree with

56  
00:02:56,600 --> 00:02:53,070  
somebody you're wrong and you could just

57  
00:02:59,660 --> 00:02:56,610  
get blocked and deleted and just create

58  
00:03:03,650 --> 00:02:59,670  
this some friendzone yeah you can just

59  
00:03:06,680 --> 00:03:03,660  
create this world where nobody disagrees

60  
00:03:08,870 --> 00:03:06,690  
with you yeah I think Facebook is is

61  
00:03:10,789 --> 00:03:08,880  
that it's like the aquarium and anybody

62  
00:03:12,410 --> 00:03:10,799  
who's not the fish there like any fish

63  
00:03:14,750 --> 00:03:12,420

in the aquarium is like hey we're in

64

00:03:18,350 --> 00:03:14,760

this water you say hey don't point out

65

00:03:20,330 --> 00:03:18,360

the water like it just beautiful anymore

66

00:03:23,060 --> 00:03:20,340

that's dangerous I mean if you just have

67

00:03:24,620 --> 00:03:23,070

an echo chamber that it constantly

68

00:03:26,630 --> 00:03:24,630

agrees with yourself it can be dangerous

69

00:03:29,330 --> 00:03:26,640

now granted the show can be an echo

70

00:03:37,220 --> 00:03:29,340

chamber but we're aware of the echo

71

00:03:50,149 --> 00:03:47,089

I tried to get you know like that but I

72

00:03:58,369 --> 00:03:50,159

found it and you know like I like I

73

00:04:00,170 --> 00:03:58,379

learned something that's like so [h\_\_h]

74

00:04:02,059 --> 00:04:00,180

ridiculous like you have to say

75

00:04:04,850 --> 00:04:02,069

something you know and it's like little

76

00:04:07,369 --> 00:04:04,860

sister's not there you just don't you

77

00:04:09,080 --> 00:04:07,379

know like that I truly I truly do

78

00:04:12,170 --> 00:04:09,090

believe that I am happier without it you

79

00:04:14,869 --> 00:04:12,180

know we probably all would be I yeah

80

00:04:16,490 --> 00:04:14,879

it's not one break instead of scrolling

81

00:04:19,069 --> 00:04:16,500

through Facebook or Instagram I'm

82

00:04:21,650 --> 00:04:19,079

talking to people you know like doing

83

00:04:23,659 --> 00:04:21,660

real things real life looking at the

84

00:04:25,610 --> 00:04:23,669

world listening to birds and all that

85

00:04:27,379 --> 00:04:25,620

stuff I find myself like obsessively

86

00:04:29,270 --> 00:04:27,389

like I remember when Facebook first came

87

00:04:31,250 --> 00:04:29,280

out and it was open to the public

88

00:04:33,320 --> 00:04:31,260

I remember thinking wow I got to keep up

89

00:04:35,420 --> 00:04:33,330

with the feet and then Instagram I got

90

00:04:37,550 --> 00:04:35,430

nude I got to keep up with it and it

91

00:04:39,200 --> 00:04:37,560

just makes you a DD and I think that

92

00:04:41,629 --> 00:04:39,210

what you're saying is absolutely correct

93

00:04:43,670 --> 00:04:41,639

it's like could you just sit outside and

94

00:04:45,110 --> 00:04:43,680

let the wind blow for a minute and and

95

00:04:46,490 --> 00:04:45,120

listen to what the sounds are going

96

00:04:48,440 --> 00:04:46,500

around with the kids playing in the

97

00:04:50,469 --> 00:04:48,450

corner the neighborhood and all this

98

00:04:53,540 --> 00:04:50,479

other stuff like what about all that

99

00:04:55,550 --> 00:04:53,550

yeah like when you drop down with your

100

00:04:57,830 --> 00:04:55,560

when you dropped acid with your with

101

00:05:00,080 --> 00:04:57,840

your significant other you probably

102

00:05:02,570 --> 00:05:00,090

weren't worried about soul for me you're

103

00:05:08,930 --> 00:05:02,580

more concerned about like that your acid

104

00:05:12,820 --> 00:05:08,940

came from a chicken right exactly and

105

00:05:18,589 --> 00:05:12,830

she still has it too but she's a yeah

106

00:05:20,750 --> 00:05:18,599

she does she does HR and and uh you know

107

00:05:23,529 --> 00:05:20,760

it's a business you have to advertise

108

00:05:28,279 --> 00:05:23,539

and all that [h\_\_h]

109

00:05:32,270 --> 00:05:28,289

it isn't what is it like it is sometimes

110

00:05:34,129 --> 00:05:32,280

required for a job yeah oh yeah you

111

00:05:37,520 --> 00:05:34,139

can't always completely escape it I just

112

00:05:41,510 --> 00:05:37,530

I just don't have to deal with people

113

00:05:44,529 --> 00:05:41,520

for work I just weld so I just listen to

114

00:05:47,390 --> 00:05:44,539

you guys literally like ten hours a day

115

00:05:49,570 --> 00:05:47,400

can can I ask you to say oh I really hit

116

00:05:58,300 --> 00:05:49,580

the glory hole right here

117

00:06:00,909 --> 00:05:58,310

close isn't it it's very good I'm trying

118

00:06:03,100 --> 00:06:00,919

to get him down but hey there's a loud

119

00:06:05,469 --> 00:06:03,110

ass train coming I gotta get my ass to

120

00:06:09,520 --> 00:06:05,479

work and the last [h\_\_h] but I love you

121

00:06:11,800 --> 00:06:09,530

guys the show I wanna all right I want

122

00:06:13,839 --> 00:06:11,810

to send an email in and get into flack

123

00:06:15,219 --> 00:06:13,849

and get involved and all the shenanigans

124

00:06:31,629 --> 00:06:15,229

and whatnot

125

00:06:34,390 --> 00:06:31,639

yeah we always there's a news explosion

126  
00:06:36,040 --> 00:06:34,400  
happening in the slack that many of the

127  
00:06:39,089 --> 00:06:36,050  
stories that we would love to talk about

128  
00:06:41,559 --> 00:06:39,099  
do not get covered but they are all

129  
00:06:43,450 --> 00:06:41,569  
surfaced and shared in the slack channel

130  
00:06:47,469 --> 00:06:43,460  
which you can join by emailing our

131  
00:06:50,860 --> 00:06:47,479  
victim outfit gmail.com or Facebook is

132  
00:06:53,110 --> 00:06:50,870  
still a thing despite our opposition to

133  
00:06:56,529 --> 00:06:53,120  
social media and solve problems that

134  
00:06:58,060 --> 00:06:56,539  
along with it it's just we know but in

135  
00:06:59,830 --> 00:06:58,070  
order to get more listeners more

136  
00:07:01,510 --> 00:06:59,840  
subscribers we have to be on social

137  
00:07:05,409 --> 00:07:01,520  
media that's the only way people can

138  
00:07:07,810 --> 00:07:05,419

find out about us yeah it's a it's

139

00:07:10,810 --> 00:07:07,820

pretty much the only way all right back

140

00:07:13,029 --> 00:07:10,820

to this UFO story that the UFO sighting

141

00:07:15,370 --> 00:07:13,039

spaceship with aliens on board seemed

142

00:07:17,649 --> 00:07:15,380

landing and doncaster garden we played

143

00:07:20,230 --> 00:07:17,659

the video right here it looks almost

144

00:07:23,709 --> 00:07:20,240

like a flare being dropped down on a

145

00:07:26,589 --> 00:07:23,719

parachute and it gracefully floats down

146

00:07:28,540 --> 00:07:26,599

on to the driveway it's black and white

147

00:07:31,469 --> 00:07:28,550

the user who uploaded a video said

148

00:07:36,860 --> 00:07:31,479

aliens exist and in now living in my

149

00:07:40,940 --> 00:07:38,750

listen this is goofy the sighting which

150

00:07:42,920 --> 00:07:40,950

the sighting was quickly picked up by

151  
00:07:45,620 --> 00:07:42,930  
conspiracy theorists with some claiming

152  
00:07:47,750 --> 00:07:45,630  
it is proof of alien activity who the

153  
00:07:53,930 --> 00:07:47,760  
[h\_\_\h] would jump to that conclusion over

154  
00:07:57,230 --> 00:07:53,940  
this how could you have done this the

155  
00:07:59,690 --> 00:07:57,240  
society prominent alien hunters Scott C

156  
00:08:02,060 --> 00:07:59,700  
Waring shared the sighting which

157  
00:08:04,070 --> 00:08:02,070  
occurred on January 17 okay there's not

158  
00:08:07,340 --> 00:08:04,080  
much here in fact somewhat like they

159  
00:08:09,020 --> 00:08:07,350  
have a picture of Chinese lanterns in

160  
00:08:10,700 --> 00:08:09,030  
fact they that's pretty racist to say

161  
00:08:18,770 --> 00:08:10,710  
they're asian-american lanterns I

162  
00:08:21,590 --> 00:08:18,780  
believe the security camera you can see

163  
00:08:24,260 --> 00:08:21,600

how the sphere of light once landed

164

00:08:24,710 --> 00:08:24,270

seems to stand for a few seconds in the

165

00:08:27,230 --> 00:08:24,720

garden

166

00:08:29,810 --> 00:08:27,240

the eyewitness then states that the

167

00:08:32,330 --> 00:08:29,820

light suddenly in a flash of light

168

00:08:35,030 --> 00:08:32,340

disappears but I didn't see that in the

169

00:08:39,950 --> 00:08:35,040

video so the most plausible explanation

170

00:08:41,870 --> 00:08:39,960

is a an Asian American Lantern there we

171

00:08:46,310 --> 00:08:41,880

go

172

00:08:51,170 --> 00:08:46,320

we do have we do have another UFO story

173

00:08:54,310 --> 00:08:51,180

here former baseball star Jose Canseco

174

00:08:58,280 --> 00:08:54,320

tweets about time travel and alien

175

00:09:01,310 --> 00:08:58,290

intervention remember Jose Canseco Joe

176

00:09:02,480 --> 00:09:01,320

oh yeah it was a big guy Oakland A's I

177

00:09:05,660 --> 00:09:02,490

believe could you collect baseball cards

178

00:09:07,550 --> 00:09:05,670

growing up you know I I felt like I was

179

00:09:08,990 --> 00:09:07,560

compelled to for a minute but I didn't

180

00:09:11,870 --> 00:09:09,000

really get into a garbage pail kids were

181

00:09:14,810 --> 00:09:11,880

more my deal yeah yeah I had Magic the

182

00:09:17,180 --> 00:09:14,820

Gathering became a thing I had both but

183

00:09:19,550 --> 00:09:17,190

I I remember when Jose Canseco first

184

00:09:21,410 --> 00:09:19,560

came on to the scene everyone wanted his

185

00:09:24,260 --> 00:09:21,420

rookie card I got it I think at the time

186

00:09:26,630 --> 00:09:24,270

paid like sixty dollars for his rookie

187

00:09:29,180 --> 00:09:26,640

card and that was during the the

188

00:09:31,130 --> 00:09:29,190

baseball card bubble where is this going

189

00:09:32,750 --> 00:09:31,140

crazy for prices and I still have that

190

00:09:35,300 --> 00:09:32,760

card in fact I think it's somewhere here

191

00:09:38,510 --> 00:09:35,310

and I think it's actually work twelve

192

00:09:40,910 --> 00:09:38,520

twelve dollars something like that he

193

00:09:42,980 --> 00:09:40,920

didn't turn out to be the best player no

194

00:09:45,920 --> 00:09:42,990

no but you could go ahead and turn it in

195

00:09:48,410 --> 00:09:45,930

for a couple value meals at McDonald's

196

00:09:50,390 --> 00:09:48,420

for you and your fiance Betty thank you

197

00:09:52,820 --> 00:09:50,400

good a suggestion but

198

00:09:55,400 --> 00:09:52,830

the former outfielder and designated

199

00:09:57,890 --> 00:09:55,410

hitter Jose Canseco tweeted a series of

200

00:10:00,550 --> 00:09:57,900

strange messages On January 30th 30th

201  
00:10:04,040 --> 00:10:00,560  
which present presented his belief in

202  
00:10:06,950 --> 00:10:04,050  
time-travel and alien life quote we are

203  
00:10:11,530 --> 00:10:06,960  
in communication with aliens with a very

204  
00:10:17,180 --> 00:10:11,540  
flexible body composition called AI 51

205  
00:10:21,019 --> 00:10:17,190  
exactly these aliens are going to teach

206  
00:10:23,900 --> 00:10:21,029  
us how teach us how in to try and time

207  
00:10:27,079 --> 00:10:23,910  
travel the brain can physically travel

208  
00:10:29,870 --> 00:10:27,089  
without the body Jose Canseco

209  
00:10:32,540 --> 00:10:29,880  
continues aliens have been trying to

210  
00:10:34,570 --> 00:10:32,550  
teach us how to time travel but first we

211  
00:10:37,970 --> 00:10:34,580  
have to change our body composition

212  
00:10:40,280 --> 00:10:37,980  
which we are not willing to do we have

213  
00:10:42,700 --> 00:10:40,290

tried with animals and it has failed

214

00:10:46,900 --> 00:10:42,710

that's right

215

00:10:50,019 --> 00:10:46,910

what does jose canseco doing he's always

216

00:10:52,000 --> 00:10:50,029

been pretty irreverent I appreciate it

217

00:10:56,019 --> 00:10:52,010

jose canseco goes on to say time travel

218

00:10:58,480 --> 00:10:56,029

puts 40 2651 pounds of pressure on the

219

00:11:01,180 --> 00:10:58,490

human skeletal skeletal structure that's

220

00:11:03,550 --> 00:11:01,190

right you can detach your brain from the

221

00:11:07,389 --> 00:11:03,560

body and equalize the pressure it could

222

00:11:08,380 --> 00:11:07,399

be done exactly how does he know this

223

00:11:11,220 --> 00:11:08,390

stuff

224

00:11:12,629 --> 00:11:11,230

[Laughter]

225

00:11:15,170 --> 00:11:12,639

I want to know how he came into this

226

00:11:17,490 --> 00:11:15,180

information baseball man

227

00:11:20,009 --> 00:11:17,500

yeah he was on the Oakland A's for quite

228

00:11:24,030 --> 00:11:20,019

a while so they must have must be some

229

00:11:27,720 --> 00:11:24,040

inside baseball this will be the last

230

00:11:31,879 --> 00:11:27,730

call it will be last call everybody last

231

00:11:34,889 --> 00:11:31,889

call you're on the air Rob New York

232

00:11:40,410 --> 00:11:34,899

happy Groundhog Day happy ground all

233

00:11:43,350 --> 00:11:40,420

done yeah it is Groundhog Day how about

234

00:11:44,160 --> 00:11:43,360

that yeah what's what did the groundhog

235

00:11:57,750 --> 00:11:44,170

see today

236

00:12:01,259 --> 00:11:57,760

who's the thing he saw okay

237

00:12:10,139 --> 00:12:01,269

well hey we all can endure that what's

238

00:12:12,120 --> 00:12:10,149

on your mind Rob got on the story jose

239

00:12:14,129 --> 00:12:12,130

canseco talking about time-traveling

240

00:12:17,189 --> 00:12:14,139

alien yeah I was completely unaware that

241

00:12:18,600 --> 00:12:17,199

he was I was completely in a unaware

242

00:12:24,870 --> 00:12:18,610

that he was into this kind of stuff

243

00:12:27,180 --> 00:12:24,880

I might have to follow on Twitter now I

244

00:12:30,120 --> 00:12:27,190

like it he's got an idiot savant or

245

00:12:32,100 --> 00:12:30,130

something he's always but he's always

246

00:12:33,750 --> 00:12:32,110

been pretty irreverent but like if you

247

00:12:35,579 --> 00:12:33,760

look at what's on screen he says he's

248

00:12:36,269 --> 00:12:35,589

got this tweet that says yes time travel

249

00:12:41,670 --> 00:12:36,279

is possible

250

00:12:49,560 --> 00:12:41,680

wilt will explain later I'll get to this

251  
00:12:52,230 --> 00:12:49,570  
away here sake put out in the tweet it's

252  
00:12:54,780 --> 00:12:52,240  
kind of pretty specific he almost

253  
00:12:56,069 --> 00:12:54,790  
reminds you that didn't it didn't come

254  
00:12:59,910 --> 00:12:56,079  
out and didn't they kind of have like

255  
00:13:02,699 --> 00:12:59,920  
the CIA declassified documents there's

256  
00:13:10,920 --> 00:13:02,709  
nothing about wormholes and time travel

257  
00:13:13,530 --> 00:13:10,930  
and it's it's kind of long the same

258  
00:13:15,780 --> 00:13:13,540  
lines I think you know if you want if

259  
00:13:17,610 --> 00:13:15,790  
you want hits on social media you can

260  
00:13:19,319 --> 00:13:17,620  
talk about paranormal and conspiracy

261  
00:13:20,639 --> 00:13:19,329  
theories maybe he's just trying to do

262  
00:13:23,880 --> 00:13:20,649  
this for attention I'll have to dig

263  
00:13:24,600 --> 00:13:23,890

through some tweets and see if he really

264

00:13:27,720 --> 00:13:24,610

is

265

00:13:29,100 --> 00:13:27,730

attention to get some extra subscribers

266

00:13:30,420 --> 00:13:29,110

I'll reach out to him to see if he wants

267

00:13:34,110 --> 00:13:30,430

to come on the show I could talk to them

268

00:13:38,430 --> 00:13:34,120

about baseball and why my rookie card of

269

00:13:40,769 --> 00:13:38,440

his has been devalued why I can only get

270

00:13:43,650 --> 00:13:40,779

to value meals and not like a thousand

271

00:13:46,230 --> 00:13:43,660

value meals it like Dom I'm gonna cater

272

00:13:48,449 --> 00:13:46,240

our wedding up on screen I have a

273

00:13:50,130 --> 00:13:48,459

classified ad that says wanted somebody

274

00:13:53,579 --> 00:13:50,140

go back in time with me this is not a

275

00:13:55,530 --> 00:13:53,589

joke P o box box 322 you'll get paid

276

00:13:57,420 --> 00:13:55,540

after we give back must bring your own

277

00:14:01,860 --> 00:13:57,430

weapon safety not guaranteed I have only

278

00:14:06,090 --> 00:14:01,870

done this once before I love you know

279

00:14:08,699 --> 00:14:06,100

I'm a man I'm all-in with Jose Canseco

280

00:14:10,620 --> 00:14:08,709

man he back in the early 2000s he I

281

00:14:12,930 --> 00:14:10,630

think he did like a celebrity boxing

282

00:14:14,519 --> 00:14:12,940

with Danny Bonaduce and I think Danny

283

00:14:19,220 --> 00:14:14,529

Bonaduce kicked his ass or some like

284

00:14:21,750 --> 00:14:19,230

that me fought somebody but I'm

285

00:14:24,360 --> 00:14:21,760

Celebrity Apprentice or with Trump maybe

286

00:14:26,870 --> 00:14:24,370

ah you know what I think he was on

287

00:14:31,170 --> 00:14:26,880

Celebrity Apprentice with Trump

288

00:14:33,720 --> 00:14:31,180

connections yeah it could be some some

289

00:14:36,960 --> 00:14:33,730

kind of trying to trim time time travel

290

00:14:40,889 --> 00:14:36,970

connections know how much do the

291

00:14:44,759 --> 00:14:40,899

baseball is worth two or maybe four

292

00:14:45,840 --> 00:14:44,769

maybe four dollars at this point you got

293

00:14:50,250 --> 00:14:45,850

anything else worse Rob because you are

294

00:14:52,740 --> 00:14:50,260

to last call my friend no no I'm

295

00:14:54,569 --> 00:14:52,750

thinking maybe this isn't really him

296

00:14:57,150 --> 00:14:54,579

saying this maybe this is like some kind

297

00:14:59,400 --> 00:14:57,160

of slow disclosure thing and they just

298

00:15:01,139 --> 00:14:59,410

like alright well just [h\_\_\h] slide it

299

00:15:03,449 --> 00:15:01,149

under the radon things well he did say

300

00:15:06,319 --> 00:15:03,459

that aliens deleted his account so we

301

00:15:09,449 --> 00:15:06,329

don't know if it's him or a grey alien

302

00:15:11,400 --> 00:15:09,459

impersonating he did he said is his

303

00:15:12,930 --> 00:15:11,410

account was deleted by some aliens

304

00:15:15,509 --> 00:15:12,940

delete some aliens deleted my account

305

00:15:17,670 --> 00:15:15,519

that's what he says he's blaming the

306

00:15:26,670 --> 00:15:17,680

aliens for his Twitter mishap that's

307

00:15:27,449 --> 00:15:26,680

what I do take my homework I mean I give

308

00:15:30,680 --> 00:15:27,459

him credit for that

309

00:15:33,990 --> 00:15:30,690

good job dude alright Rob we gots to go

310

00:15:36,360 --> 00:15:34,000

all right enjoy go get some Pringles

311

00:15:38,579 --> 00:15:36,370

winter see you later

312

00:15:39,990 --> 00:15:38,589

while you're playing the music outplay

313

00:15:42,300 --> 00:15:40,000

the CNN clip let's hear about the

314

00:15:44,640 --> 00:15:42,310

groundhog okay this okay

315

00:15:46,079 --> 00:15:44,650

it is Groundhog Day and it's one of my

316

00:15:50,519 --> 00:15:46,089

favorite movies of all time

317

00:15:54,530 --> 00:15:50,529

absolutely okay thousands of people

318

00:15:57,840 --> 00:15:54,540

gathered Saturday at gobblers knob in

319

00:16:00,690 --> 00:15:57,850

Punxsutawney battle for Punxsutawney

320

00:16:03,870 --> 00:16:00,700

Pennsylvania and it's just the picture

321

00:16:07,290 --> 00:16:03,880

of the groundhog and there's holding up

322

00:16:13,350 --> 00:16:07,300

the groundhog placing the groundhog on

323

00:16:16,460 --> 00:16:13,360

the this ceremonial stone and they're

324

00:16:17,970 --> 00:16:16,470

all looking at this groundhog with all

325

00:16:21,780 --> 00:16:17,980

yeah

326

00:16:24,999 --> 00:16:21,790

big deal done it what do you say you

327

00:16:30,369 --> 00:16:27,679

yeah and not me did not see the shadow

328

00:16:31,609 --> 00:16:30,379

so there's gonna be an early spring okay

329

00:16:36,289 --> 00:16:31,619

okay

330

00:16:41,590 --> 00:16:36,299

straight from the groundhogs mouth from

331

00:16:44,989 --> 00:16:41,600

CNN and remember the Northam guy is a

332

00:16:47,030 --> 00:16:44,999

Republican yeah and the groundhog didn't

333

00:16:49,249 --> 00:16:47,040

see a shadow yeah I don't even know

334

00:16:53,749 --> 00:16:49,259

Judas tree knows anything why do I have

335

00:16:56,960 --> 00:16:53,759

to know what the hell is a beautiful

336

00:17:02,890 --> 00:16:56,970

spring it shall be well the ground up

337

00:17:06,639 --> 00:17:03,400

[Applause]

338

00:17:09,289 --> 00:17:06,649

[Music]

339

00:17:12,769 --> 00:17:09,299
