

ALIEN FALSE FLAG?

PARENTAL

1
00:00:00,300 --> 00:00:07,509
[Applause]

2
00:00:12,940 --> 00:00:09,470
all right

3
00:00:16,129 --> 00:00:12,950
this segment is about humanoid-looking

4
00:00:18,769 --> 00:00:16,139
aliens I've been reading some documents

5
00:00:22,130 --> 00:00:18,779
some books and I got this book for

6
00:00:26,179 --> 00:00:22,140
Christmas is called we are here call by

7
00:00:32,810 --> 00:00:26,189
Michael serger as eager he has an alien

8
00:00:35,360 --> 00:00:32,820
name yes Zi rger and this goes over it

9
00:00:38,510 --> 00:00:35,370
pretty thoroughly all the early contact

10
00:00:41,270 --> 00:00:38,520
these from like I would say in the 19th

11
00:00:43,639 --> 00:00:41,280
or yeah the 20th century so we're

12
00:00:47,000 --> 00:00:43,649
talking about the 1940s 1950s very early

13
00:00:50,119 --> 00:00:47,010

contact these and it's very well

14

00:00:53,049 --> 00:00:50,129

documented this guy goes into witness

15

00:00:56,270 --> 00:00:53,059

accounts early photographs and dissects

16

00:00:58,520 --> 00:00:56,280

pretty much all the early stuff and one

17

00:01:00,290 --> 00:00:58,530

of the common themes that I uh that I

18

00:01:03,650 --> 00:01:00,300

found out about that I really I guess I

19

00:01:05,800 --> 00:01:03,660

really didn't know is that a lot of the

20

00:01:09,700 --> 00:01:05,810

early contact these when they were

21

00:01:14,840 --> 00:01:09,710

contacted it was by humanoid-looking

22

00:01:16,249 --> 00:01:14,850

aliens aliens that pretty much looked

23

00:01:17,749 --> 00:01:16,259

like URI Joe they might be a little

24

00:01:23,440 --> 00:01:17,759

taller might have platinum blonde hair

25

00:01:25,390 --> 00:01:23,450

and many of them claim to be from Venus

26

00:01:28,100 --> 00:01:25,400

if you can believe that

27

00:01:31,819 --> 00:01:28,110

now one of the the first guys that has

28

00:01:35,030 --> 00:01:31,829

been has been heralded as like the the

29

00:01:39,080 --> 00:01:35,040

most outspoken contactee is a guy named

30

00:01:41,480 --> 00:01:39,090

adam Minsky now adam in ski very

31

00:01:43,730 --> 00:01:41,490

controversial in the contactee move into

32

00:01:46,520 --> 00:01:43,740

you and ufology i was giving you a

33

00:01:50,630 --> 00:01:46,530

little background on what his experience

34

00:01:52,760 --> 00:01:50,640

was on the 20th of november 1952 a

35

00:01:55,520 --> 00:01:52,770

Polish immigrant by the name of George

36

00:01:58,340 --> 00:01:55,530

Adam in ski Adam in ski and six of his

37

00:02:00,200 --> 00:01:58,350

friends made an expedition to look for

38

00:02:03,200 --> 00:02:00,210

UFOs in the Mojave Desert

39

00:02:05,749 --> 00:02:03,210

shortly after having lunch as a group

40

00:02:09,020 --> 00:02:05,759

scanned the sky for activity a gigantic

41

00:02:13,460 --> 00:02:09,030

cigar cigar-shaped craft glided into

42

00:02:15,170 --> 00:02:13,470

view hoping to get closer as well as as

43

00:02:18,380 --> 00:02:15,180

as getting a better spot for pictures

44

00:02:21,400 --> 00:02:18,390

adamant Hedda Minsky and two of his

45

00:02:24,050 --> 00:02:21,410

friends set off deeper into the desert

46

00:02:26,450 --> 00:02:24,060

George managed to take several photos

47

00:02:29,600 --> 00:02:26,460

through his tripod mounted portable

48

00:02:31,400 --> 00:02:29,610

telescope and wondered a wander alone

49

00:02:34,040 --> 00:02:31,410

trying to get a clear shot

50

00:02:37,490 --> 00:02:34,050

before long the silent silver craft rose

51
00:02:40,340 --> 00:02:37,500
into the sky and rocketed into space but

52
00:02:43,370 --> 00:02:40,350
this is not his first close encounter or

53
00:02:46,610 --> 00:02:43,380
this is not the end to his encounters so

54
00:02:50,230 --> 00:02:46,620
that was like the first major encounter

55
00:02:55,250 --> 00:02:50,240
that he had he had additional ones where

56
00:02:57,530 --> 00:02:55,260
his friends observed George walking up

57
00:02:59,960 --> 00:02:57,540
to a craft his friends liked his six

58
00:03:01,880 --> 00:02:59,970
friends were probably about a

59
00:03:04,600 --> 00:03:01,890
quarter-mile half-mile away and they

60
00:03:08,650 --> 00:03:04,610
observed him walking up to a craft and

61
00:03:10,580 --> 00:03:08,660
this alien stepping out of the craft

62
00:03:15,230 --> 00:03:10,590
interacting with George

63
00:03:17,710 --> 00:03:15,240

Adam insky and this alien claimed to be

64

00:03:23,479 --> 00:03:17,720

from Venus

65

00:03:25,220 --> 00:03:23,489

now I there's a lot of people I know I'm

66

00:03:26,870 --> 00:03:25,230

just going on the I'm going on what this

67

00:03:27,620 --> 00:03:26,880

guy is saying there's been a lot of

68

00:03:32,979 --> 00:03:27,630

people that come out it's like this

69

00:03:36,260 --> 00:03:32,989

guy's a fraud he's a fake Venus so Venus

70

00:03:38,750 --> 00:03:36,270

as we know as what modern science tells

71

00:03:41,060 --> 00:03:38,760

us is that the Venus has a surface

72

00:03:44,229 --> 00:03:41,070

temperature of right around 700 degrees

73

00:03:47,509 --> 00:03:44,239

that's a little too hot to live on and

74

00:03:51,650 --> 00:03:47,519

Venus since it's a too hot to live on

75

00:03:55,280 --> 00:03:51,660

these venus people claim to live on the

76

00:03:58,370 --> 00:03:55,290

interior and they came all this way all

77

00:04:02,270 --> 00:03:58,380

this way to earth to talk to us humans

78

00:04:04,280 --> 00:04:02,280

and to convey to us that hey you guys

79

00:04:06,830 --> 00:04:04,290

are ruining the environment you guys are

80

00:04:10,310 --> 00:04:06,840

ruining earth knock it off

81

00:04:12,050 --> 00:04:10,320

they flew a they flew one planet over

82

00:04:14,750 --> 00:04:12,060

just to come talk to us

83

00:04:18,849 --> 00:04:14,760

now this venus is the planet of love -

84

00:04:23,990 --> 00:04:22,130

George Adam iski he planed that these

85

00:04:26,730 --> 00:04:24,000

guys these aliens are just like us he

86

00:04:29,850 --> 00:04:26,740

called him a space brothers

87

00:04:33,180 --> 00:04:29,860

you know like they are our brothers in

88

00:04:35,550 --> 00:04:33,190

the solar system and that we should take

89

00:04:37,529 --> 00:04:35,560

take their warnings very seriously and

90

00:04:40,379 --> 00:04:37,539

he was part of the whole contact Eve

91

00:04:42,960 --> 00:04:40,389

movement back in the 50s very like UFO

92

00:04:47,219 --> 00:04:42,970

cults kind of cropped up around America

93

00:04:49,830 --> 00:04:47,229

and that movie Mirage men kind of was

94

00:04:53,999 --> 00:04:49,840

about that but the the the CIA

95

00:04:57,300 --> 00:04:54,009

infiltrating these groups and trying to

96

00:04:59,490 --> 00:04:57,310

mislead them off one path then there is

97

00:05:01,050 --> 00:04:59,500

see if I can bring up on the screen here

98

00:05:02,580 --> 00:05:01,060

eventually but there's another one so

99

00:05:04,980 --> 00:05:02,590

that was this one and he like a

100

00:05:07,350 --> 00:05:04,990

Tennessee called that the this guy from

101
00:05:11,730 --> 00:05:07,360
Venus ortho there's another one in the

102
00:05:15,510 --> 00:05:11,740
50s of an account of a guy from Venus

103
00:05:18,330 --> 00:05:15,520
his name was valiant Thor who contacted

104
00:05:21,390 --> 00:05:18,340
u.s. government and met with Eisenhower

105
00:05:22,890 --> 00:05:21,400
and he was allowed and he they

106
00:05:25,020 --> 00:05:22,900
interacted the sky Valley Authority

107
00:05:26,999 --> 00:05:25,030
interacted with the with the president

108
00:05:28,649 --> 00:05:27,009
and various high-ranking officials he

109
00:05:31,020 --> 00:05:28,659
stated up front say hey you guys were in

110
00:05:34,980 --> 00:05:31,030
the planet also I can go ahead and help

111
00:05:37,890 --> 00:05:34,990
cure everyone in the world I got I got I

112
00:05:39,810 --> 00:05:37,900
got the goods and according to various

113
00:05:41,969 --> 00:05:39,820

records as a book I called a stranger at

114

00:05:44,249 --> 00:05:41,979

the Pentagon it documents this entire

115

00:05:48,060 --> 00:05:44,259

thing that this guy who looks remarkably

116

00:05:50,430 --> 00:05:48,070

like a human he's working in the

117

00:05:53,959 --> 00:05:50,440

Pentagon trying to get this all these

118

00:05:58,529 --> 00:05:53,969

good this good information out to people

119

00:06:02,999 --> 00:05:58,539

okay I mean that's very kind of him

120

00:06:04,740 --> 00:06:03,009

that's uh yeah that's very nice wouldn't

121

00:06:08,040 --> 00:06:04,750

it be that the hardest thing in the

122

00:06:10,620 --> 00:06:08,050

world voted you're coming in from some

123

00:06:14,700 --> 00:06:10,630

other planet to some other species in a

124

00:06:16,560 --> 00:06:14,710

culture all those macro micro levels of

125

00:06:20,490 --> 00:06:16,570

understanding can they just go ahead and

126

00:06:23,010 --> 00:06:20,500

make it just like you wouldn't be like

127

00:06:25,680 --> 00:06:23,020

[h__h] in the urinal or doing so like

128

00:06:27,810 --> 00:06:25,690

they don't understand our culture yeah I

129

00:06:29,850 --> 00:06:27,820

would imagine that these space brothers

130

00:06:31,879 --> 00:06:29,860

would make when they land down they're

131

00:06:35,100 --> 00:06:31,889

gonna be like what the hell is going on

132

00:06:37,290 --> 00:06:35,110

yeah they're they don't want a deal like

133

00:06:39,779 --> 00:06:37,300

I understand their sentiment they want

134

00:06:40,679 --> 00:06:39,789

to come down they want to help us humans

135

00:06:43,199 --> 00:06:40,689

but if they observe

136

00:06:46,559 --> 00:06:43,209

for even any length of time they realize

137

00:06:51,509 --> 00:06:46,569

were very hard-headed and we don't take

138

00:06:54,449 --> 00:06:51,519

advice very well it was cruising around

139

00:06:56,909 --> 00:06:54,459

above us and just taking it all in space

140

00:07:00,959 --> 00:06:56,919

brothers you can determine that we don't

141

00:07:04,409 --> 00:07:00,969

take guidance very well exactly

142

00:07:06,059 --> 00:07:04,419

so a valiant Thor the other guy from

143

00:07:08,789 --> 00:07:06,069

Venus he interacted with Eisenhower

144

00:07:10,889 --> 00:07:08,799

Eisenhower like this guy so much so that

145

00:07:13,529 --> 00:07:10,899

they he wanted to implement the in

146

00:07:15,779 --> 00:07:13,539

Thor's plan of trying to get the cures

147

00:07:17,279 --> 00:07:15,789

out for diseases and cancers and all

148

00:07:19,709 --> 00:07:17,289

kinds of ailments and sicknesses they

149

00:07:22,559 --> 00:07:19,719

had a plan to roll this into the United

150

00:07:24,029 --> 00:07:22,569

States and if these worked then release

151

00:07:27,449 --> 00:07:24,039

it to the rest of the world and even

152

00:07:30,659 --> 00:07:27,459

Nixon was on board with this stuff this

153

00:07:32,969 --> 00:07:30,669

is all in the in the 50s here all right

154

00:07:35,339 --> 00:07:32,979

it's okay in the 50s great

155

00:07:37,979 --> 00:07:35,349

we had a humanoid-looking aliens coming

156

00:07:41,729 --> 00:07:37,989

down to earth interacting with people

157

00:07:44,069 --> 00:07:41,739

and there are people coming out speaking

158

00:07:47,669 --> 00:07:44,079

about this and that takes me to like the

159

00:07:50,699 --> 00:07:47,679

third a little interaction here of

160

00:07:52,799 --> 00:07:50,709

people with people on earth interacting

161

00:07:55,949 --> 00:07:52,809

with people from Venus and this is an

162

00:07:59,040 --> 00:07:55,959

article that we read on the show about

163

00:08:01,889 --> 00:07:59,050

the brown mountain UFO this is about a

164

00:08:03,929 --> 00:08:01,899

furniture salesman oh man I had a Brown

165

00:08:14,449 --> 00:08:03,939

Mountain this morning exactly I was

166

00:08:20,459 --> 00:08:18,899

so we clown baby brought this up on the

167

00:08:25,339 --> 00:08:20,469

show and this is about a furniture

168

00:08:31,769 --> 00:08:25,349

salesman going to Venus and so this guy

169

00:08:34,499 --> 00:08:31,779

Ralph Lay was near Brown Mountain he

170

00:08:38,759 --> 00:08:34,509

visited the cave found some weird stuff

171

00:08:40,529 --> 00:08:38,769

went back interacted with these guys

172

00:08:44,929 --> 00:08:40,539

from Venus they took him on their

173

00:08:49,110 --> 00:08:44,939

spacecraft and Ralph had sex with

174

00:08:51,509 --> 00:08:49,120

multiple Venus women probably without

175

00:08:53,950 --> 00:08:51,519

protection and that's the way you want

176

00:08:55,600 --> 00:08:53,960

to do it yeah and came power science

177

00:08:59,410 --> 00:08:55,610

and told the tale this hat and this

178

00:09:01,840 --> 00:08:59,420

happened in the 1950s as well there were

179

00:09:04,930 --> 00:09:01,850

way bigger Horrors back then yeah this

180

00:09:07,000 --> 00:09:04,940

guy who could who could even a sparse

181

00:09:11,380 --> 00:09:07,010

how could you even wrap your head around

182

00:09:13,720 --> 00:09:11,390

this like a furniture salesman going out

183

00:09:16,170 --> 00:09:13,730

there and just having sex with

184

00:09:19,240 --> 00:09:16,180

humanoid-looking aliens

185

00:09:22,449 --> 00:09:19,250

it's absolutely bizarre and I understand

186

00:09:23,110 --> 00:09:22,459

people might want to make sure that like

187

00:09:24,850 --> 00:09:23,120

this [h__h] up

188

00:09:27,460 --> 00:09:24,860

but obviously wouldn't that discredit

189

00:09:29,730 --> 00:09:27,470

you as a furniture salesman your sales

190

00:09:32,530 --> 00:09:29,740

might plummet at this point I don't know

191

00:09:35,230 --> 00:09:32,540

he was begging cocktail waitresses two

192

00:09:38,019 --> 00:09:35,240

at a time yeah okay well he was banging

193

00:09:39,430 --> 00:09:38,029

a Venetians that's for sure I don't you

194

00:09:41,560 --> 00:09:39,440

know that's the proper turn it could be

195

00:09:44,590 --> 00:09:41,570

cocktail waitresses on Venus to

196

00:09:47,410 --> 00:09:44,600

part-time so what I'm establishing here

197

00:09:52,000 --> 00:09:47,420

is like a good chunk of the early

198

00:09:54,120 --> 00:09:52,010

contactees we're interacting with people

199

00:09:58,360 --> 00:09:54,130

from Venus that's what they claimed and

200

00:10:02,440 --> 00:09:58,370

then all of a sudden it changed from

201
00:10:04,840 --> 00:10:02,450
humanoid-looking aliens to little green

202
00:10:08,140 --> 00:10:04,850
a or little grey guys with large eyes

203
00:10:11,199 --> 00:10:08,150
and they were really known in like in

204
00:10:13,210 --> 00:10:11,209
popular culture it shifted it shifted

205
00:10:15,850 --> 00:10:13,220
from something that looked very human

206
00:10:20,380 --> 00:10:15,860
and relatable to something that was

207
00:10:22,570 --> 00:10:20,390
small and looked very alien and if you

208
00:10:24,550 --> 00:10:22,580
had the CIA infiltrating contactee

209
00:10:26,740 --> 00:10:24,560
groups and leading them off what they

210
00:10:29,440 --> 00:10:26,750
believed was the real path to some sort

211
00:10:31,240 --> 00:10:29,450
of the UFO truth I have to I have to

212
00:10:34,180 --> 00:10:31,250
wonder how much hand they had into

213
00:10:36,670 --> 00:10:34,190

pushing the the little grey man or the

214

00:10:40,510 --> 00:10:36,680

little green big eyed aliens into a

215

00:10:43,360 --> 00:10:40,520

purpose is it because if they they

216

00:10:45,610 --> 00:10:43,370

wanted to guide our perception is it too

217

00:10:47,980 --> 00:10:45,620

freakish to think about like oh there

218

00:10:50,710 --> 00:10:47,990

are humanoid looking aliens walking

219

00:10:53,889 --> 00:10:50,720

among us right now that'd be much more

220

00:10:55,600 --> 00:10:53,899

of a national security threat than great

221

00:10:59,949 --> 00:10:55,610

looking aliens that are three feet high

222

00:11:01,930 --> 00:10:59,959

with with huge eyes and so it almost

223

00:11:04,630 --> 00:11:01,940

seems like the conversation of what an

224

00:11:06,610 --> 00:11:04,640

alien looks like was was guided to

225

00:11:08,460 --> 00:11:06,620

something that is now stereotypically

226

00:11:10,950 --> 00:11:08,470

alien

227

00:11:12,600 --> 00:11:10,960

and this will take me to this clip from

228

00:11:14,970 --> 00:11:12,610

the documentary unacknowledged which I

229

00:11:17,190 --> 00:11:14,980

have touched on before but let's listen

230

00:11:19,260 --> 00:11:17,200

to this they could pull it off they

231

00:11:21,780 --> 00:11:19,270

could definitely pull it off right now

232

00:11:23,730 --> 00:11:21,790

they have the technology to mimic the

233

00:11:25,920 --> 00:11:23,740

form fit and function of

234

00:11:28,350 --> 00:11:25,930

extraterrestrial UFOs they have the

235

00:11:30,240 --> 00:11:28,360

technology absolutely it's seamless and

236

00:11:31,920 --> 00:11:30,250

you can never tell the difference if

237

00:11:33,330 --> 00:11:31,930

they do have a false flag invasion

238

00:11:35,070 --> 00:11:33,340

they're going to use one of these this

239

00:11:39,000 --> 00:11:35,080

is the Hudson Valley bloomerang this is

240

00:11:41,490 --> 00:11:39,010

1982 to 1989 over 25,000 eyewitnesses

241

00:11:44,310 --> 00:11:41,500

reported this craft they can use these

242

00:11:46,980 --> 00:11:44,320

saucers the cigars the pyramids the

243

00:11:48,750 --> 00:11:46,990

triangles as a United coalition and

244

00:11:51,870 --> 00:11:48,760

that's how they're gonna do it we're

245

00:11:54,230 --> 00:11:51,880

talking about 150 to 170 two feet across

246

00:11:56,880 --> 00:11:54,240

for the wingspan which is the identical

247

00:11:59,580 --> 00:11:56,890

wingspan of the b-2 stealth bomber so

248

00:12:01,140 --> 00:11:59,590

the question we need to ask is what some

249

00:12:03,150 --> 00:12:01,150

of that twenty two point four billion

250

00:12:05,070 --> 00:12:03,160

used on the beach you poured into this

251
00:12:07,980 --> 00:12:05,080
program it's the exact same timeframe

252
00:12:10,740 --> 00:12:07,990
when they power up and when they

253
00:12:12,510 --> 00:12:10,750
accelerate it looks like a spark off a

254
00:12:13,200 --> 00:12:12,520
grinding wheel and you could never know

255
00:12:15,330 --> 00:12:13,210
the difference

256
00:12:17,550 --> 00:12:15,340
so if they wanted to hoax an alien

257
00:12:19,880 --> 00:12:17,560
invasion they could do it and they could

258
00:12:24,000 --> 00:12:19,890
do it in a way that's a hundred percent

259
00:12:27,960 --> 00:12:24,010
so that's one clip of the alien false

260
00:12:31,290 --> 00:12:27,970
flag yeah I'm gonna say PR managed alien

261
00:12:34,710 --> 00:12:31,300
interaction at this point I'm of the

262
00:12:36,930 --> 00:12:34,720
opinion that all this is managed the PR

263
00:12:39,240 --> 00:12:36,940

of every event is managed especially

264

00:12:41,580 --> 00:12:39,250

this and that if there's going to be any

265

00:12:44,130 --> 00:12:41,590

alien disclosure it's going to happen on

266

00:12:46,140 --> 00:12:44,140

the government's terms and not not

267

00:12:49,180 --> 00:12:46,150

anything that we would even come to

268

00:12:52,400 --> 00:12:49,190

recognize in a personal basis

269

00:12:55,010 --> 00:12:52,410

and so I got this the second clip of an

270

00:12:59,180 --> 00:12:55,020

alien false flag and this kind of speaks

271

00:13:00,889 --> 00:12:59,190

to what I'm talking about that the

272

00:13:02,900 --> 00:13:00,899

interactions between humans and aliens

273

00:13:05,170 --> 00:13:02,910

if you take it at face value to say it's

274

00:13:08,840 --> 00:13:05,180

happening that it has been managed and

275

00:13:11,060 --> 00:13:08,850

what we come to think are alien

276

00:13:15,070 --> 00:13:11,070

abductions might not be they started

277

00:13:18,350 --> 00:13:15,080

doing all kinds of psychological warfare

278

00:13:22,010 --> 00:13:18,360

entrapment of the public by staging

279

00:13:24,560 --> 00:13:22,020

hoaxed events such as cattle mutilations

280

00:13:27,290 --> 00:13:24,570

Oh as a flying saucer did that it's a

281

00:13:29,449 --> 00:13:27,300

covert paramilitary program human so if

282

00:13:33,019 --> 00:13:29,459

you wanted to start indoctrinating

283

00:13:35,120 --> 00:13:33,029

people into a false threat from outer

284

00:13:38,060 --> 00:13:35,130

space that Verner von Braun warned us

285

00:13:42,079 --> 00:13:38,070

about you would start staging events

286

00:13:44,960 --> 00:13:42,089

that look alien but that are completely

287

00:13:47,570 --> 00:13:44,970

man-made that are scary and scare the

288

00:13:49,370 --> 00:13:47,580

hell out of people UFO encounters are

289

00:13:51,110 --> 00:13:49,380

categorized into four groups close

290

00:13:52,579 --> 00:13:51,120

encounters of the Fourth Kind include

291

00:13:55,010 --> 00:13:52,589

people who claim to have been abducted

292

00:13:56,870 --> 00:13:55,020

by extraterrestrials if you had a close

293

00:13:58,790 --> 00:13:56,880

encounter of the Fourth Kind and you are

294

00:14:01,910 --> 00:13:58,800

back we're anxious to hear from you

295

00:14:04,760 --> 00:14:01,920

interstage left you got these sort of

296

00:14:07,190 --> 00:14:04,770

anti-gravity devices with creatures that

297

00:14:09,800 --> 00:14:07,200

look like ETS that are actually man-made

298

00:14:13,240 --> 00:14:09,810

robotic systems they're called program

299

00:14:16,910 --> 00:14:13,250

life-forms and you start doing select

300

00:14:17,749 --> 00:14:16,920

interfaces with the public we did do

301
00:14:21,309 --> 00:14:17,759
that yes

302
00:14:25,759 --> 00:14:21,319
os I did that there was a special group

303
00:14:28,549 --> 00:14:25,769
out of the 7600 second Arin towing at

304
00:14:33,590 --> 00:14:28,559
Fort Belvoir that came out and did that

305
00:14:37,729 --> 00:14:33,600
they had these people they had maybe

306
00:14:42,499 --> 00:14:37,739
some sort of defects economical defects

307
00:14:44,349 --> 00:14:42,509
that were brought brought into to fool

308
00:14:47,409 --> 00:14:44,359
people and thinking they're aliens yeah

309
00:14:50,210 --> 00:14:47,419
I can't give you any specifics because

310
00:14:52,129 --> 00:14:50,220
it's the program is so classified and

311
00:14:53,720 --> 00:14:52,139
they probably still doing it I wouldn't

312
00:14:55,249 --> 00:14:53,730
doubt Donna they were still doing it

313
00:14:58,369 --> 00:14:55,259

okay there we go

314

00:15:01,759 --> 00:14:58,379

alien false flag and a managed scenario

315

00:15:03,169 --> 00:15:01,769

so if the UFO contact movement just kind

316

00:15:06,199 --> 00:15:03,179

of took off and you just let it go its

317

00:15:08,150 --> 00:15:06,209

course then we would associate aliens

318

00:15:10,669 --> 00:15:08,160

being somewhat humanoid just like us

319

00:15:13,639 --> 00:15:10,679

probably much more easier to for us as

320

00:15:15,889 --> 00:15:13,649

humans to identify with and to deal with

321

00:15:18,349 --> 00:15:15,899

on a personal level but if they're alien

322

00:15:20,329 --> 00:15:18,359

and they look weird and we can really

323

00:15:22,099 --> 00:15:20,339

can't place them then it becomes a

324

00:15:23,929 --> 00:15:22,109

little bit more scary and once you scare

325

00:15:26,659 --> 00:15:23,939

somebody they're easily they're much

326

00:15:27,229 --> 00:15:26,669

more easy to manage I think that's where

327

00:15:30,400 --> 00:15:27,239

we're at

328

00:15:34,999 --> 00:15:30,410

well it's it's the whole they did this

329

00:15:38,779 --> 00:15:35,009

for years of World War one it was you

330

00:15:41,479 --> 00:15:38,789

know we all have our enemies World War

331

00:15:42,829 --> 00:15:41,489

two we have our enemies in Germany we

332

00:15:46,429 --> 00:15:42,839

have our enemies in Germany and World

333

00:15:49,129 --> 00:15:46,439

War one as well and axis of evil becomes

334

00:15:51,710 --> 00:15:49,139

you know fascism and World War two and

335

00:15:53,629 --> 00:15:51,720

then it becomes communism so we got to

336

00:15:55,669 --> 00:15:53,639

go fight in Vietnam and Korea and all

337

00:15:57,679 --> 00:15:55,679

this other stuff and then you know we

338

00:16:00,139 --> 00:15:57,689

have to fight the terrorists because the

339

00:16:05,820 --> 00:16:00,149

Soviet Union fell so that's our new one

340

00:16:08,410 --> 00:16:05,830

and if it's funny because you think

341

00:16:12,079 --> 00:16:08,420

if it is a managed

342

00:16:14,780 --> 00:16:12,089

revelation of some sort having Donald

343

00:16:17,510 --> 00:16:14,790

Trump as the president would be one of

344

00:16:19,370 --> 00:16:17,520

the best doorways to like some

345

00:16:20,990 --> 00:16:19,380

subsequent president or even Donald

346

00:16:22,970 --> 00:16:21,000

Trump if he gets a second term or

347

00:16:25,550 --> 00:16:22,980

whatever next president you get you know

348

00:16:29,090 --> 00:16:25,560

aliens come then or you know what I mean

349

00:16:31,070 --> 00:16:29,100

it's like oh yeah Trump can be President

350

00:16:32,870 --> 00:16:31,080

then why can't aliens invade and we've

351
00:16:34,490 --> 00:16:32,880
grown up with these stories we grew up

352
00:16:36,769 --> 00:16:34,500
with video games we grew up with the

353
00:16:39,260 --> 00:16:36,779
time-life series and the all this other

354
00:16:41,630 --> 00:16:39,270
stuff hearing about it and the cattle

355
00:16:44,060 --> 00:16:41,640
mutilations it's I could see us there

356
00:16:46,700 --> 00:16:44,070
priming the pump you know we've talked

357
00:16:48,380 --> 00:16:46,710
about that Werner von Braun assistant

358
00:16:51,230 --> 00:16:48,390
who said that that was actually part of

359
00:16:52,940 --> 00:16:51,240
the plan we have space for us now we did

360
00:16:55,550 --> 00:16:52,950
we definitely have space for space for

361
00:17:03,380 --> 00:16:55,560
and I think Trump has a message for

362
00:17:06,110 --> 00:17:03,390
these aliens I hope you dump a lot up on

363
00:17:08,600 --> 00:17:06,120

screen right here I have what has be

364

00:17:13,819 --> 00:17:08,610

what popular culture considers nailing

365

00:17:15,590 --> 00:17:13,829

which is the blare of its of a book

366

00:17:18,620 --> 00:17:15,600

called communion by Whitley Strieber

367

00:17:20,870 --> 00:17:18,630

and this kind of popularized the the

368

00:17:23,689 --> 00:17:20,880

grey the grey alien with the large

369

00:17:27,740 --> 00:17:23,699

almond eyes black almond eyes smaller in

370

00:17:30,260 --> 00:17:27,750

stature and he kind of redefined what we

371

00:17:32,570 --> 00:17:30,270

kind of perceive eeling interactions to

372

00:17:33,710 --> 00:17:32,580

be which is some sort of a abduction

373

00:17:35,930 --> 00:17:33,720

from your house you're strapped to a

374

00:17:37,870 --> 00:17:35,940

table you're surrounded by these by

375

00:17:41,990 --> 00:17:37,880

these creatures and they they stick

376

00:17:44,060 --> 00:17:42,000

god-knows-what up a different orifices

377

00:17:45,950 --> 00:17:44,070

of your body now granted some people pay

378

00:17:47,480 --> 00:17:45,960

Google and money for that to happen

379

00:17:49,460 --> 00:17:47,490

but you don't want that to happen I'd

380

00:17:54,650 --> 00:17:49,470

like when you're in like 4 a.m. I'll

381

00:17:58,850 --> 00:17:54,660

give you \$10,000 no no tell you what

382

00:18:02,240 --> 00:17:58,860

I'll give you \$14,000 deal at that point

383

00:18:04,310 --> 00:18:02,250

deal but if you take a look at soon any

384

00:18:06,049 --> 00:18:04,320

hole you need to hit you just give me

385

00:18:09,140 --> 00:18:06,059

the money but if you take a look at oh

386

00:18:11,240 --> 00:18:09,150

you got any Pringles yeah yeah come on

387

00:18:13,070 --> 00:18:11,250

stop holding out I get some more than

388

00:18:16,000 --> 00:18:13,080

munchies you know if you're gonna abduct

389

00:18:19,000 --> 00:18:16,010

me please bring me a snack pack

390

00:18:20,180 --> 00:18:19,010

something like that for crying out loud

391

00:18:23,600 --> 00:18:20,190

like

392

00:18:24,350 --> 00:18:23,610

I had me bring up this ortho guy and you

393

00:18:25,970 --> 00:18:24,360

can take a look inside

394

00:18:28,789 --> 00:18:25,980

I brought the communion you can take a

395

00:18:32,419 --> 00:18:28,799

look at what ortho looks like an ortho

396

00:18:34,249 --> 00:18:32,429

this looks like a long long blonde hair

397

00:18:38,149 --> 00:18:34,259

guy you kind of look like a hippie

398

00:18:42,740 --> 00:18:38,159

walking out of what looks like a UFO

399

00:18:44,509 --> 00:18:42,750

that the Germans would have and honestly

400

00:18:48,049 --> 00:18:44,519

I believe that this is a managed

401

00:18:50,090 --> 00:18:48,059

situation and it's a far more

402

00:18:52,879 --> 00:18:50,100

complicated than just aliens coming here

403

00:18:54,889 --> 00:18:52,889

abducting people to do experiments you'd

404

00:18:57,830 --> 00:18:54,899

imagine they would have gotten all their

405

00:18:59,869 --> 00:18:57,840

experiments done out of us by now after

406

00:19:02,090 --> 00:18:59,879

a couple decades that all the DNA they

407

00:19:04,879 --> 00:19:02,100

needed collected would have been

408

00:19:06,560 --> 00:19:04,889

collected there's plenty of how many

409

00:19:11,180 --> 00:19:06,570

cows do you have to meet really they're

410

00:19:14,720 --> 00:19:11,190

cattle they mutilated hundreds if not

411

00:19:17,960 --> 00:19:14,730

thousands they wanted inside every cow

412

00:19:20,690 --> 00:19:17,970

in the on earth how many people do you

413

00:19:23,960 --> 00:19:20,700

have to milk in order to do I've milked

414

00:19:25,580 --> 00:19:23,970

enough theirs and they they drew all

415

00:19:28,190 --> 00:19:25,590

those cool things in the cut in the

416

00:19:29,990 --> 00:19:28,200

cornfields so they got the crop circles

417

00:19:31,310 --> 00:19:30,000

going and they left us art projects for

418

00:19:34,940 --> 00:19:31,320

when they killed the cows

419

00:19:38,240 --> 00:19:34,950

yeah it left us all injury mysteries to

420

00:19:43,669 --> 00:19:38,250

put together something's not adding up

421

00:19:45,980 --> 00:19:43,679

and I am not buying the official a a

422

00:19:49,330 --> 00:19:45,990

guess you'll folk communities align that

423

00:19:51,649 --> 00:19:49,340

these are gray aliens from Zeta Reticuli

424

00:19:53,899 --> 00:19:51,659

the phone lines are wide open six one

425

00:19:56,299 --> 00:19:53,909

four three eight eight nine 109 and now

426

00:19:59,919 --> 00:19:56,309

I will tell you something that is a

427

00:20:03,680 --> 00:19:59,929

little weird Joe I have a personal story

428

00:20:05,810 --> 00:20:03,690

of an interaction okay they said you

429

00:20:08,389 --> 00:20:05,820

look younger in the YouTube chat I look

430

00:20:09,139 --> 00:20:08,399

younger yeah are you using strong so

431

00:20:11,480 --> 00:20:09,149

that'll work

432

00:20:13,549 --> 00:20:11,490

no I look younger or a new eye cream

433

00:20:17,210 --> 00:20:13,559

well thank you you sound very that's

434

00:20:20,330 --> 00:20:17,220

very flattering Thank You caller you're

435

00:20:22,460 --> 00:20:20,340

on the air hey guys what is up a

436

00:20:23,899 --> 00:20:22,470

spaghetti calling in love this let me

437

00:20:25,519 --> 00:20:23,909

just leave the TV so you don't have to

438

00:20:28,070 --> 00:20:25,529

hear your beautiful voice what is all

439

00:20:31,279 --> 00:20:28,080

this stuff yeah what is all yeah what

440

00:20:33,740 --> 00:20:31,289

are we talking about I believe I might

441

00:20:34,400 --> 00:20:33,750

know it's a theory of a lot of people

442

00:20:36,590 --> 00:20:34,410

mine included

443

00:20:41,030 --> 00:20:36,600

is really into this alien stuff younger

444

00:20:45,770 --> 00:20:41,040

but I think it's more on the trickster

445

00:20:46,790 --> 00:20:45,780

element maybe el / Dean and demonic

446

00:20:48,740 --> 00:20:46,800

whatever you want to call it I don't

447

00:20:50,780 --> 00:20:48,750

think these entities are coming from

448

00:20:53,210 --> 00:20:50,790

other planets or other places in space

449

00:20:54,320 --> 00:20:53,220

they may be coming from our own line it

450

00:20:57,350 --> 00:20:54,330

seems like they've been with us for a

451
00:21:00,020 --> 00:20:57,360
bit there's like a an extra dimensional

452
00:21:01,430 --> 00:21:00,030
it's a dimensional thing they can't be

453
00:21:05,060 --> 00:21:01,440
coming from physical places they may

454
00:21:07,670 --> 00:21:05,070
always lie the information seems to be

455
00:21:09,950 --> 00:21:07,680
good but it changes as time goes on

456
00:21:12,710 --> 00:21:09,960
firstly we're from Venus now they're

457
00:21:15,950 --> 00:21:12,720
from Pleiades what about Mars there Mars

458
00:21:17,900 --> 00:21:15,960
do at some point yeah we get from Mars

459
00:21:19,640 --> 00:21:17,910
but but we get good information from

460
00:21:22,190 --> 00:21:19,650
them and if you study like the old magic

461
00:21:24,500 --> 00:21:22,200
things like magicians conjuring up

462
00:21:27,050 --> 00:21:24,510
demons and stuff they got a lot of their

463
00:21:30,800 --> 00:21:27,060

knowledge from the demons so they give

464

00:21:32,660 --> 00:21:30,810

you like truths and technologies but it

465

00:21:35,420 --> 00:21:32,670

comes at a price and all and it always

466

00:21:37,730 --> 00:21:35,430

comes at the price of a tricking or

467

00:21:39,950 --> 00:21:37,740

fooling you so I'm wondering if this is

468

00:21:43,340 --> 00:21:39,960

sort of in a way what our ancestors

469

00:21:45,020 --> 00:21:43,350

dealt with with like Loki or elves or

470

00:21:47,270 --> 00:21:45,030

you know even in like Rumpelstiltskin

471

00:21:49,280 --> 00:21:47,280

the price is your firstborn child or

472

00:21:52,250 --> 00:21:49,290

something so it's always something about

473

00:21:55,010 --> 00:21:52,260

taking the baby or the children away

474

00:21:56,780 --> 00:21:55,020

didn't and I'm sure you're familiar with

475

00:22:00,490 --> 00:21:56,790

that period little bit sure there's

476

00:22:03,290 --> 00:22:00,500

various history stories of folklore of

477

00:22:06,380 --> 00:22:03,300

goblins or some sort of small creatures

478

00:22:09,200 --> 00:22:06,390

coming up and abducting babies well is

479

00:22:11,360 --> 00:22:09,210

it Hansel and Gretel or what was the one

480

00:22:11,750 --> 00:22:11,370

where yeah it was that the one where

481

00:22:13,850 --> 00:22:11,760

they went

482

00:22:15,230 --> 00:22:13,860

the witch cooked him or something yeah

483

00:22:17,060 --> 00:22:15,240

that was I think that was Hansel and

484

00:22:18,560 --> 00:22:17,070

Gretel they left breadcrumbs through the

485

00:22:21,350 --> 00:22:18,570

woods so they could find their way back

486

00:22:26,360 --> 00:22:21,360

and the the witch was trying to cook

487

00:22:28,970 --> 00:22:26,370

them exactly yes oh and also if you ever

488

00:22:30,410 --> 00:22:28,980

studied in Aleister Crowley or he likes

489

00:22:35,840 --> 00:22:30,420

to be called Crowley but I call him

490

00:22:39,020 --> 00:22:35,850

Crowley go screw him lamb L AM was one

491

00:22:41,870 --> 00:22:39,030

of the spirits he was a conjuring up and

492

00:22:44,030 --> 00:22:41,880

if you look at lamb it's a gray alien he

493

00:22:47,300 --> 00:22:44,040

drew the picture it's a gray alien it

494

00:22:47,960 --> 00:22:47,310

looks like the communion book thing and

495

00:22:51,030 --> 00:22:47,970

so

496

00:22:53,100 --> 00:22:51,040

when I'm saying that it's maybe it's not

497

00:22:56,040 --> 00:22:53,110

managed maybe that maybe maybe they are

498

00:22:58,950 --> 00:22:56,050

what that alien false flag thing is a

499

00:23:01,230 --> 00:22:58,960

replication of what they've already have

500

00:23:02,820 --> 00:23:01,240

seen and that the government is like

501
00:23:04,050 --> 00:23:02,830
okay that there's these type of aliens

502
00:23:06,060 --> 00:23:04,060
maybe we can make them and manage the

503
00:23:07,770 --> 00:23:06,070
situation and I'm not I'm not

504
00:23:11,340 --> 00:23:07,780
discounting the spiritual side this I

505
00:23:13,770 --> 00:23:11,350
firmly believe that there is a nonverbal

506
00:23:15,690 --> 00:23:13,780
communication style look at the Royal

507
00:23:18,270 --> 00:23:15,700
Society and the Nazis occultism

508
00:23:20,820 --> 00:23:18,280
interaction with the with these entities

509
00:23:22,230 --> 00:23:20,830
I totally believe that but I also do

510
00:23:25,140 --> 00:23:22,240
believe that there's an actual physical

511
00:23:26,700 --> 00:23:25,150
side to this too in that there very well

512
00:23:28,050 --> 00:23:26,710
could be entities from different star

513
00:23:30,420 --> 00:23:28,060

systems I just think it's way more

514

00:23:32,610 --> 00:23:30,430

complex of an issue it's not cut and dry

515

00:23:34,590 --> 00:23:32,620

they're coming here talking to us giving

516

00:23:36,300 --> 00:23:34,600

us advice on how not to destroy our

517

00:23:38,070 --> 00:23:36,310

planet I think we all can agree that

518

00:23:40,410 --> 00:23:38,080

nuclear weapons are bad and we shouldn't

519

00:23:43,020 --> 00:23:40,420

destroy our planet it seems like well

520

00:23:45,930 --> 00:23:43,030

that it seems so simple and it's so

521

00:23:47,160 --> 00:23:45,940

simple well I understand what you're

522

00:23:50,340 --> 00:23:47,170

saying but see I think that's part of

523

00:23:52,290 --> 00:23:50,350

the the way they law UN they come in

524

00:23:54,540 --> 00:23:52,300

with this message of like we can all

525

00:23:57,000 --> 00:23:54,550

agree on that stuff but then when they

526

00:23:59,190 --> 00:23:57,010

start to say like when you go to the

527

00:24:00,180 --> 00:23:59,200

cult thing like a Heaven's Gate or

528

00:24:02,670 --> 00:24:00,190

something like that and they're talking

529

00:24:05,190 --> 00:24:02,680

about castrating themselves you can see

530

00:24:06,900 --> 00:24:05,200

how like people can get lulled into a

531

00:24:09,540 --> 00:24:06,910

sense like oh yeah it's all love and

532

00:24:13,590 --> 00:24:09,550

then like a powerful personality comes

533

00:24:15,630 --> 00:24:13,600

by and they they might be in it in a

534

00:24:19,080 --> 00:24:15,640

start to do something good but but it

535

00:24:21,150 --> 00:24:19,090

typically ends up going bad and that

536

00:24:23,150 --> 00:24:21,160

that's just classic trickster god

537

00:24:25,850 --> 00:24:23,160

element or trickster entity elements

538

00:24:29,040 --> 00:24:25,860

once Monday's ran down and give me

539

00:24:32,840 --> 00:24:29,050

\$14,000 I'll give you 14,000 I will be

540

00:24:35,460 --> 00:24:32,850

on board I really like that the Teddy's

541

00:24:37,020 --> 00:24:35,470

argument here where it's like these

542

00:24:39,510 --> 00:24:37,030

stories have been around forever and

543

00:24:42,000 --> 00:24:39,520

it's interesting that I think as we were

544

00:24:44,250 --> 00:24:42,010

growing up Mike the alien thing was like

545

00:24:46,170 --> 00:24:44,260

I think it hit peak alien because

546

00:24:48,900 --> 00:24:46,180

x-files was like one of the big shows

547

00:24:50,970 --> 00:24:48,910

and everything and XCOM was like one of

548

00:24:53,550 --> 00:24:50,980

the big video games at the time and it's

549

00:24:55,580 --> 00:24:53,560

almost like that news is super hard to

550

00:24:58,410 --> 00:24:55,590

find anymore

551

00:25:01,180 --> 00:24:58,420

what is the current one it's like four

552

00:25:04,149 --> 00:25:01,190

one one is the current yeah

553

00:25:06,759 --> 00:25:04,159

I I'm with you I'm the trickster thing

554

00:25:09,489 --> 00:25:06,769

that the there probably has been

555

00:25:11,649 --> 00:25:09,499

something interacting with us on some

556

00:25:14,560 --> 00:25:11,659

level throughout the ages and there

557

00:25:17,080 --> 00:25:14,570

definitely seems to be as they want some

558

00:25:20,080 --> 00:25:17,090

sort of agreement they want like some

559

00:25:22,479 --> 00:25:20,090

sort of verbal contract in order to get

560

00:25:25,149 --> 00:25:22,489

whatever they need what else these

561

00:25:27,339 --> 00:25:25,159

verbal contracts though Mike what do you

562

00:25:29,619 --> 00:25:27,349

mean think about this a verbal contract

563

00:25:31,180 --> 00:25:29,629

so you enter into a verbal contract with

564

00:25:33,909 --> 00:25:31,190

these aliens I need some sort of verbal

565

00:25:36,460 --> 00:25:33,919

agreement it almost seems like a demon

566

00:25:41,859 --> 00:25:36,470

is asking you do you agree to these

567

00:25:43,419 --> 00:25:41,869

terms and conditions no no I I'm with

568

00:25:46,989 --> 00:25:43,429

you there I'm with you there I

569

00:25:48,219 --> 00:25:46,999

definitely would urge caution with this

570

00:25:49,450 --> 00:25:48,229

I'm because while you're in the phone

571

00:25:52,359 --> 00:25:49,460

getting I'm gonna get your opinion on

572

00:25:55,180 --> 00:25:52,369

this okay and Joe I went oh I want you

573

00:25:58,930 --> 00:25:55,190

to keep an open mind about this but I am

574

00:26:02,139 --> 00:25:58,940

open to this idea so Rianna and I we

575

00:26:04,690 --> 00:26:02,149

live next to a trail a mountain and we

576

00:26:07,359 --> 00:26:04,700

go out there like a brown mountain it

577

00:26:09,820 --> 00:26:07,369

yes it is thank you yes is a very brown

578

00:26:11,950 --> 00:26:09,830

color more sandy brown background and

579

00:26:14,529 --> 00:26:11,960

when we first moved here we would go out

580

00:26:17,440 --> 00:26:14,539

there and and obviously walk the trails

581

00:26:20,080 --> 00:26:17,450

and she had this encounter like every

582

00:26:22,210 --> 00:26:20,090

time my fiancée would go out there and

583

00:26:23,739 --> 00:26:22,220

walks you to have this other person meet

584

00:26:26,259 --> 00:26:23,749

her and this person was walking around

585

00:26:28,080 --> 00:26:26,269

with a baby on this mountain and they

586

00:26:30,940 --> 00:26:28,090

met up like a few different times and

587

00:26:33,549 --> 00:26:30,950

you know very nice kind of dry

588

00:26:36,879 --> 00:26:33,559

interaction and then to just go off on

589

00:26:39,609 --> 00:26:36,889

on her own and then I started going out

590

00:26:42,519 --> 00:26:39,619

hiking with with Rihanna more and I had

591

00:26:45,070 --> 00:26:42,529

a couple encounters with her and same

592

00:26:47,469 --> 00:26:45,080

thing she very nice very dry straight to

593

00:26:50,940 --> 00:26:47,479

the point and also carrying a baby with

594

00:26:54,009 --> 00:26:50,950

her and after the third interaction I

595

00:26:58,330 --> 00:26:54,019

said Nicole I was like I think this

596

00:27:00,129 --> 00:26:58,340

person is an alien and since that time

597

00:27:05,769 --> 00:27:00,139

since I mentioned that out loud

598

00:27:07,659 --> 00:27:05,779

haven't seen her once no yes yes yes I

599

00:27:09,219 --> 00:27:07,669

don't know if that means I know it's

600

00:27:12,159 --> 00:27:09,229

it's far-fetched he probably got

601
00:27:14,349 --> 00:27:12,169
preoccupied with her life but as soon as

602
00:27:14,920 --> 00:27:14,359
I announced it out loud she is nowhere

603
00:27:16,180 --> 00:27:14,930
to be found

604
00:27:20,200 --> 00:27:16,190
what do you think about that daddy I

605
00:27:22,540 --> 00:27:20,210
like them apples well I think if it is

606
00:27:25,270 --> 00:27:22,550
something offworld and maybe had

607
00:27:27,580 --> 00:27:25,280
telepathy why would it stop encountering

608
00:27:29,320 --> 00:27:27,590
you the moment you haven't made it that

609
00:27:30,760 --> 00:27:29,330
it doesn't want to be found out that's

610
00:27:32,890 --> 00:27:30,770
also another curious thing about this

611
00:27:36,220 --> 00:27:32,900
little alien phenomenon if they are

612
00:27:38,830 --> 00:27:36,230
offworld the greatest way to get the

613
00:27:40,870 --> 00:27:38,840

populace on their side would be to sort

614

00:27:45,370 --> 00:27:40,880

of uncloak themselves in a way that the

615

00:27:48,520 --> 00:27:45,380

governments can't attack or earnest if

616

00:27:51,820 --> 00:27:48,530

they have all this mental telepathy they

617

00:27:54,460 --> 00:27:51,830

could being false into the heads of the

618

00:27:57,730 --> 00:27:54,470

willing and receptive on earth you would

619

00:28:00,220 --> 00:27:57,740

think at least so I'm not too sure

620

00:28:03,340 --> 00:28:00,230

that's one way yes one way to go I would

621

00:28:04,870 --> 00:28:03,350

say but the when we had Cynthia Larsen

622

00:28:07,480 --> 00:28:04,880

on you know talking about that kind of

623

00:28:09,250 --> 00:28:07,490

thing once you observe it as the does

624

00:28:11,659 --> 00:28:09,260

the behavior change is the environment

625

00:28:15,560 --> 00:28:13,340

there's so many different angles to this

626
00:28:16,490 --> 00:28:15,570
hey Teddy thank you for your phone call

627
00:28:19,190 --> 00:28:16,500
thanks for calling you got anything else

628
00:28:20,629 --> 00:28:19,200
for us one last little tip unit of

629
00:28:23,620 --> 00:28:20,639
information with the aliens I think even

630
00:28:27,919 --> 00:28:23,630
the offer of communion said this that um

631
00:28:29,330 --> 00:28:27,929
if you are in a adult Jenness experience

632
00:28:30,590 --> 00:28:29,340
like you feel like you're being abducted

633
00:28:32,269 --> 00:28:30,600
the aliens are around you you're

634
00:28:35,299 --> 00:28:32,279
paralyzed a lot of people have reported

635
00:28:36,710 --> 00:28:35,309
actually praying makes it go away so

636
00:28:37,539 --> 00:28:36,720
that might be another clue to what these

637
00:28:41,120 --> 00:28:37,549
things are

638
00:28:45,950 --> 00:28:41,130

that's not all I got goblins worship my

639

00:28:47,750 --> 00:28:45,960

car well thank you I appreciate your

640

00:28:51,649 --> 00:28:47,760

your thoughts there have a good night

641

00:28:55,279 --> 00:28:51,659

yes bye okay thank you for your call

642

00:28:57,250 --> 00:28:55,289

stay warm nobody likes cold spaghetti no

643

00:28:59,389 --> 00:28:57,260

sorry about all of the cursing and

644

00:29:01,879 --> 00:28:59,399

profanity this this is a family show

645

00:29:03,799 --> 00:29:01,889

we're actively trying to do a better job

646

00:29:05,090 --> 00:29:03,809

really this is a family show we're

647

00:29:06,830 --> 00:29:05,100

trying to we're trying to do a better

648

00:29:08,360 --> 00:29:06,840

job at actually making this more of a

649

00:29:13,399 --> 00:29:08,370

family show it's quite a chore are we

650

00:29:14,990 --> 00:29:13,409

I'm not oh we're doing our best I guess

651
00:29:16,669 --> 00:29:15,000
we're doing our best we're doing we're

652
00:29:17,529 --> 00:29:16,679
doing something we're doing the best we

653
00:29:23,180 --> 00:29:17,539
can

654
00:29:26,990 --> 00:29:23,190
we appreciate everyone keeping that in

655
00:29:28,340 --> 00:29:27,000
mind absolutely we'll open up the phone

656
00:29:29,990 --> 00:29:28,350
lines again then we'll move on to some

657
00:29:31,610 --> 00:29:30,000
other topics six one four three eight

658
00:29:34,580 --> 00:29:31,620
eight nine one oh nine I know this is a

659
00:29:36,680 --> 00:29:34,590
bizarre topic humanoid-looking aliens

660
00:29:38,629 --> 00:29:36,690
people from Venus if there are parallel

661
00:29:40,190 --> 00:29:38,639
dimensions and parallel universes

662
00:29:43,370 --> 00:29:40,200
who knows maybe they came from a

663
00:29:50,779 --> 00:29:43,380

parallel Venus caller you're on the air

664

00:29:59,180 --> 00:29:50,789

right Rob from New York you're on here

665

00:30:06,919 --> 00:29:59,190

there he is folks no this is a family

666

00:30:09,250 --> 00:30:06,929

show please excuse me yeah well we did

667

00:30:12,049 --> 00:30:09,260

just briefly talk about the guy

668

00:30:15,470 --> 00:30:12,059

furniture salesman who was taken up into

669

00:30:16,759 --> 00:30:15,480

a craft and taken to Venus to have sex

670

00:30:21,799 --> 00:30:16,769

with multiple people probably without

671

00:30:23,090 --> 00:30:21,809

protection did you get space herpes or

672

00:30:24,710 --> 00:30:23,100

something but you guys be careful

673

00:30:27,350 --> 00:30:24,720

oh man space

674

00:30:31,100 --> 00:30:27,360

sounds bad Oh humanoid aliens is a

675

00:30:33,380 --> 00:30:31,110

strange thing I like the concept of it

676

00:30:35,270 --> 00:30:33,390

but I think in reality aliens if we

677

00:30:39,860 --> 00:30:35,280

would ever meet them would be far from

678

00:30:41,620 --> 00:30:39,870

humanoid probably I mean it would be

679

00:30:43,610 --> 00:30:41,630

quite a quite the coincidence if they

680

00:30:46,220 --> 00:30:43,620

evolved to what they look like

681

00:30:48,680 --> 00:30:46,230

identically to us maybe just some minor

682

00:30:52,250 --> 00:30:48,690

variations that would be quite bizarre

683

00:30:55,149 --> 00:30:52,260

yeah I mean logic would say different

684

00:30:57,140 --> 00:30:55,159

environment different type of

685

00:30:59,240 --> 00:30:57,150

evolutionary traits and they wouldn't

686

00:31:01,760 --> 00:30:59,250

look anything like this now in this book

687

00:31:05,419 --> 00:31:01,770

in the in this book we think that life

688

00:31:07,490 --> 00:31:05,429

in in this book we are here it does

689

00:31:09,440 --> 00:31:07,500

document humanoid eight looking aliens

690

00:31:12,789 --> 00:31:09,450

but it is often mentioned that there are

691

00:31:15,289 --> 00:31:12,799

56 different types of alien races

692

00:31:18,649 --> 00:31:15,299

interacting or in and around earth some

693

00:31:20,630 --> 00:31:18,659

of them are insect-like some of them are

694

00:31:23,840 --> 00:31:20,640

a pure energy

695

00:31:25,659 --> 00:31:23,850

but the humanoid ones got the most

696

00:31:31,850 --> 00:31:25,669

attention when they came down and

697

00:31:38,509 --> 00:31:36,649

because basically they look like us yeah

698

00:31:41,419 --> 00:31:38,519

it's great our baby our own

699

00:31:44,360 --> 00:31:41,429

consciousness is what's decoding it into

700

00:31:46,220 --> 00:31:44,370

into something that we can make out you

701

00:31:48,409 --> 00:31:46,230

know like maybe they're not really

702

00:31:52,639 --> 00:31:48,419

humanoid but our conscious the way they

703

00:31:55,820 --> 00:31:52,649

want our consciousness to observe it is

704

00:31:57,889 --> 00:31:55,830

that it'll present itself in humanoid

705

00:31:59,720 --> 00:31:57,899

form maybe that's what's going on maybe

706

00:32:02,210 --> 00:31:59,730

they decide since they look like us and

707

00:32:03,889 --> 00:32:02,220

same basically same height and weight

708

00:32:05,720 --> 00:32:03,899

maybe they ask some pretty awesome

709

00:32:08,840 --> 00:32:05,730

clothing you know maybe they could

710

00:32:10,730 --> 00:32:08,850

double and I have some Styles man yeah

711

00:32:13,490 --> 00:32:10,740

exactly I'm talking about fashion here

712

00:32:16,250 --> 00:32:13,500

people this looks like Star Trek or

713

00:32:19,430 --> 00:32:16,260

something like that I told you guys a

714

00:32:20,779 --> 00:32:19,440

story yeah very few people in my life

715

00:32:25,370 --> 00:32:20,789

yes tell us a story

716

00:32:28,389 --> 00:32:25,380

oh god here we go oh my god reptilian

717

00:32:34,850 --> 00:32:28,399

story okay there we go

718

00:32:36,560 --> 00:32:34,860

myself as a child I had a I don't know

719

00:32:40,009 --> 00:32:36,570

that it was a reptilian encounter or

720

00:32:44,029 --> 00:32:40,019

rather more like a visitation so when I

721

00:32:47,360 --> 00:32:44,039

was a kid I was probably eight nine

722

00:32:52,639 --> 00:32:47,370

years old maybe Oh sick

723

00:32:55,730 --> 00:32:52,649

had flu had a PI fever my mom was taking

724

00:32:59,200 --> 00:32:55,740

care of me you know as moms as mom to do

725

00:33:04,039 --> 00:32:59,210

for their children and I had a

726

00:33:05,720 --> 00:33:04,049

experience I was laying in bed and my

727

00:33:07,850 --> 00:33:05,730

mom was like old school and she'd get

728

00:33:10,190 --> 00:33:07,860

the whole you know get to work dishrag

729

00:33:13,039 --> 00:33:10,200

and put her on you with this vacant

730

00:33:16,730 --> 00:33:13,049

vapor rub and put alcohol on it and all

731

00:33:18,620 --> 00:33:16,740

that so those laying in bed my mom was

732

00:33:21,200 --> 00:33:18,630

like hold on I'll be right back let me

733

00:33:26,690 --> 00:33:21,210

go wet this rag put some alcohol on this

734

00:33:33,440 --> 00:33:27,850

already no go ahead

735

00:33:38,960 --> 00:33:36,470

I closed my eyes and I open my eyes and

736

00:33:42,530 --> 00:33:38,970

I saw standing in front of me what could

737

00:33:46,130 --> 00:33:42,540

only be what I only knew it as as a diet

738

00:33:49,310 --> 00:33:46,140

like a dinosaur like the way I was

739

00:33:53,360 --> 00:33:49,320

looking at it was it had a head it had

740

00:33:55,790 --> 00:33:53,370

shoulders had eyes forward face Collins

741

00:33:58,400 --> 00:33:55,800

was looking right at me and it was

742

00:34:01,370 --> 00:33:58,410

basically a reptilian that I was looking

743

00:34:03,890 --> 00:34:01,380

at and I was scared out of my mind and I

744

00:34:05,780 --> 00:34:03,900

immediately called out mom I need you

745

00:34:06,950 --> 00:34:05,790

know and she came walking back in the

746

00:34:09,080 --> 00:34:06,960

room she said what's wrong what's wrong

747

00:34:12,470 --> 00:34:09,090

and obviously nothing was there when she

748

00:34:14,180 --> 00:34:12,480

came back she's like what is wrong why

749

00:34:18,350 --> 00:34:14,190

are you calling me I'm like mom I just

750

00:34:20,030 --> 00:34:18,360

saw a disgusting monster I just saw it

751

00:34:24,140 --> 00:34:20,040

like a dinosaur monster and she's like

752

00:34:27,140 --> 00:34:24,150

oh you know my poor baby you got a fever

753

00:34:29,510 --> 00:34:27,150

and this that and the other so I don't

754

00:34:31,670 --> 00:34:29,520

know if this experience I had was

755

00:34:33,680 --> 00:34:31,680

something that was like a consciousness

756

00:34:35,840 --> 00:34:33,690

or mental experience or something

757

00:34:39,760 --> 00:34:35,850

physical if I actually did see something

758

00:34:44,390 --> 00:34:39,770

there was the skin for crying a lot

759

00:34:57,250 --> 00:34:44,400

elucidation maybe I was sick color was

760

00:35:01,790 --> 00:34:57,260

the skin rub skin a couple years later

761

00:35:03,740 --> 00:35:01,800

I've always been in UFOs even after that

762

00:35:06,290 --> 00:35:03,750

as a little kid I was in the weird stuff

763

00:35:11,300 --> 00:35:06,300

I knew in the UFOs reading UFO books

764

00:35:14,060 --> 00:35:11,310

from like age like 11 or 12 later on in

765

00:35:15,740 --> 00:35:14,070

high school there was a book I read I

766

00:35:17,180 --> 00:35:15,750

don't know if you if you've ever heard

767

00:35:20,540 --> 00:35:17,190

of this book if you get a chance look it

768

00:35:23,390 --> 00:35:20,550

up called aliens the final answer and in

769

00:35:27,410 --> 00:35:23,400

this book the guide talks about an

770

00:35:30,140 --> 00:35:27,420

advanced reptilian human way he thinks

771

00:35:33,110 --> 00:35:30,150

that's what these reptile reptilian

772

00:35:35,810 --> 00:35:33,120

beings are and and the other hypothesis

773

00:35:38,060 --> 00:35:35,820

out there that dinosaurs could have

774

00:35:39,590 --> 00:35:38,070

advanced into this reptilian humanoid

775

00:35:40,370 --> 00:35:39,600

and like there's like this picture out

776

00:35:42,680 --> 00:35:40,380

there

777

00:35:44,450 --> 00:35:42,690

visit you know hypothesize being and

778

00:35:46,610 --> 00:35:44,460

when I saw this thing I was like my

779

00:35:52,880 --> 00:35:46,620

[h__h] god that's exactly what I saw

780

00:35:54,260 --> 00:35:52,890

hmm so you're saying that the dinosaurs

781

00:35:59,060 --> 00:35:54,270

didn't go extinct they simply just

782

00:36:00,760 --> 00:35:59,070

evolved and that's the reptilian aliens

783

00:36:04,010 --> 00:36:00,770

that people seem to encounter sometimes

784

00:36:06,740 --> 00:36:04,020

yeah that's the hypothesis yeah I don't

785

00:36:09,260 --> 00:36:06,750

know and all that's real of what I saw

786

00:36:11,660 --> 00:36:09,270

was a hallucination I don't buy to this

787

00:36:17,330 --> 00:36:11,670

day I'm just like it boggled my mind

788

00:36:20,780 --> 00:36:17,340

well whatever it was whatever it was it

789

00:36:22,670 --> 00:36:20,790

scared the hell out of you yeah God what

790

00:36:25,430 --> 00:36:22,680

can I ask a question and I don't want

791

00:36:27,859 --> 00:36:25,440

this to offend you

792

00:36:41,270 --> 00:36:27,869

go ahead was it was it hard being a

793

00:36:43,240 --> 00:36:41,280

crack baby but like okay so how old

794

00:36:45,829 --> 00:36:43,250

again were you when this happen

795

00:36:49,220 --> 00:36:45,839

probably like eight or nine years old

796

00:36:51,200 --> 00:36:49,230

yeah it's funny cuz Teddy's talking

797

00:36:53,450 --> 00:36:51,210

about it too it's like do we manifest

798

00:36:54,470 --> 00:36:53,460

how these things look to us based on

799

00:36:56,480 --> 00:36:54,480

what we're looking at were you into

800

00:36:59,150 --> 00:36:56,490

dinosaurs when you're a kid yeah

801
00:37:02,900 --> 00:36:59,160
absolutely I was way into dinosaurs like

802
00:37:04,550 --> 00:37:02,910
more than any kid of my age yeah I don't

803
00:37:10,190 --> 00:37:04,560
know if that's had something figure its

804
00:37:11,750 --> 00:37:10,200
factored into it I don't know if you

805
00:37:15,500 --> 00:37:11,760
remember the show random a loss and

806
00:37:18,290 --> 00:37:15,510
Killian guy is on there so maybe I saw

807
00:37:21,050 --> 00:37:18,300
something like that and hallucinating it

808
00:37:22,940 --> 00:37:21,060
I don't know I'm the Scully - mykes

809
00:37:25,220 --> 00:37:22,950
Mulder on the show for the most part so

810
00:37:28,190 --> 00:37:25,230
yeah I think except that's where I go

811
00:37:30,980 --> 00:37:28,200
with it I'm lucky though I'm with your

812
00:37:33,020 --> 00:37:30,990
way I play Mike once already he wants to

813
00:37:43,700 --> 00:37:33,030

see the genitals yeah did you look at

814

00:37:49,400 --> 00:37:43,710

the general did you look at that yeah

815

00:37:51,140 --> 00:37:49,410

well next time please we're trying to

816

00:37:53,690 --> 00:37:51,150

spread the message for people when you

817

00:37:57,079 --> 00:37:53,700

have these encounters do what matters

818

00:37:59,420 --> 00:37:57,089

okay get your phone out examine the junk

819

00:38:05,329 --> 00:37:59,430

yeah it's the only way to be sure okay

820

00:38:15,370 --> 00:38:05,339

boner wait thank you rob get out of here

821

00:38:21,880 --> 00:38:19,420

we gather the EM efforts mr. Falcon you

822

00:38:25,450 --> 00:38:21,890

because a mr. Falcon yeah that's a

823

00:38:27,010 --> 00:38:25,460

giraffe laughter oh you're asked we'll

824

00:38:30,220 --> 00:38:27,020

get out of here uh you're not such a

825

00:38:31,720 --> 00:38:30,230

rascal after all yeah mr. Falcon all

826

00:38:34,300 --> 00:38:31,730

right we don't know if his last name is

827

00:38:34,690 --> 00:38:34,310

mr. Falcon Rob Falcon that's a pretty

828

00:38:36,520 --> 00:38:34,700

cool name

829

00:38:39,550 --> 00:38:36,530

that's a pretty good name it's a good

830

00:38:42,580 --> 00:38:39,560

porn name all right well there there's a

831

00:38:46,060 --> 00:38:42,590

some alien humanoid alien discussion

832

00:38:47,920 --> 00:38:46,070

some talk just some of the things that

833

00:38:49,870 --> 00:38:47,930

I've been reading and thinking about and

834

00:38:53,110 --> 00:38:49,880

that's it Joe you have any closing

835

00:38:54,640 --> 00:38:53,120

thoughts before we move on uh no I think

836

00:38:56,440 --> 00:38:54,650

he did a good job with that one I think

837

00:38:58,660 --> 00:38:56,450

you got a brought the whole thread

838

00:39:00,550 --> 00:38:58,670

through the entire UFO thing that we've

839

00:39:02,340 --> 00:39:00,560

been able to talk about for years so

840

00:39:04,960 --> 00:39:02,350

that was it was interesting and I

841

00:39:08,650 --> 00:39:04,970

definitely liked Teddy's take on it so

842

00:39:13,360 --> 00:39:08,660

it brought a lot of anthropological and

843

00:39:15,040 --> 00:39:13,370

cultural it's sort of information in it

844

00:39:18,340 --> 00:39:15,050

you know like if these stories have been

845

00:39:20,830 --> 00:39:18,350

going on for years what it must be

846

00:39:23,740 --> 00:39:20,840

something doing it yeah and I'm within

847

00:39:28,200 --> 00:39:23,750

there Kenny had a great call Rob had a

848

00:39:32,050 --> 00:39:30,550

I'm joking Rob thank you for calling in

849

00:39:35,050 --> 00:39:32,060

thank you for sharing that story with us

850

00:39:36,610 --> 00:39:35,060

too if you a big time I know you haven't

851
00:39:39,250 --> 00:39:36,620
told many people that I'm sure it's kind

852
00:39:42,730 --> 00:39:39,260
of weird like I you know I'm trying to

853
00:39:44,770 --> 00:39:42,740
be much more open with my experiences

854
00:39:48,370 --> 00:39:44,780
and beliefs no one wants to be seen as a

855
00:39:51,520 --> 00:39:48,380
crazy loon and Wow man yeah I don't like

856
00:39:53,830 --> 00:39:51,530
talking about like I do a podcast you do

857
00:39:58,240 --> 00:39:53,840
a podcast what is it I'm not gonna tell

858
00:40:00,130 --> 00:39:58,250
you I do a podcast the things I could

859
00:40:02,950 --> 00:40:00,140
probably publicize this [h__h] on the

860
00:40:04,600 --> 00:40:02,960
podcast maybe I should but sometimes I'm

861
00:40:06,370 --> 00:40:04,610
worried is like are people gonna you

862
00:40:08,200 --> 00:40:06,380
know what I mean I'm right there with

863
00:40:10,960 --> 00:40:08,210

you and like I just went on record

864

00:40:14,170 --> 00:40:10,970

saying that yeah I encountered a woman

865

00:40:17,530 --> 00:40:14,180

on a mountain who I believe is an alien

866

00:40:19,660 --> 00:40:17,540

and they could you put you tried some

867

00:40:21,670 --> 00:40:19,670

kind of a you know facility for this

868

00:40:23,590 --> 00:40:21,680

yeah I could go straight to the head of

869

00:40:26,410 --> 00:40:23,600

the line at the Fema camp like I'm the

870

00:40:28,690 --> 00:40:26,420

first one needs to go in no windows in

871

00:40:29,090 --> 00:40:28,700

his room I'm just telling you the

872

00:40:30,680 --> 00:40:29,100

thoughts

873

00:40:32,390 --> 00:40:30,690

go through my head when I when I'm out

874

00:40:36,350 --> 00:40:32,400

there these are like the regular

875

00:40:38,930 --> 00:40:36,360

thoughts I have oh boy and this is where

876

00:40:41,150 --> 00:40:38,940

we're at people oh yeah exactly

877

00:40:43,880 --> 00:40:41,160

let's uh let's move on to some other

878

00:40:45,290 --> 00:40:43,890

stuff you're hearing if you want to join

879

00:40:48,260 --> 00:40:45,300

the snake or disco
