[Applause]

2
00:00:13,780 --> 00:00:10,520

let's let's let's go to something a

3
00:00:18,910 --> 00:00:13,790

little different and I'm gonna play this

4
00:00:32,569 --> 00:00:18,920

this NBC report about reincarnation Oh

5
00:00:35,389 --> 00:00:32,579

God okay phone call who's that who's on

6
00:00:38,840 --> 00:00:35,399

the phone please Chris hey Chris how you

7
00:00:41,959 --> 00:00:38,850

doing good I just wanted to say Mike

8
00:00:45,080 --> 00:00:41,969

that that uh Midwest app at the album

9
00:00:47,119 --> 00:00:45,090

that he put out yes yes man that was

10
00:00:50,029 --> 00:00:47,129

really good that was like a really good

11
00:00:51,860 --> 00:00:50,039

metalcore elbow hey thank you yeah for

12
00:00:54,290 --> 00:00:51,870

anybody who doesn't subscribe to YouTube

13
00:00:56,330 --> 00:00:54,300

I uploaded an album that I'd that I

14

00:00:58,639 --> 00:00:56,340

wrote and recorded on with my friend

15

00:01:01,819 --> 00:00:58,649

Scott and the drummer Chad and we put

16

00:01:04,759 --> 00:01:01,829

that out in like 2004 2005 yeah so thank

17

00:01:07,190 --> 00:01:04,769

you no that was you on vocals and guitar

18

00:01:10,700 --> 00:01:07,200

yeah we're a three-piece band that was I

19

00:01:13,460 --> 00:01:10,710

would never guess that was you you're so

20

00:01:14,600 --> 00:01:13,470

mild-mannered well I mean a

21

00:01:17,630 --> 00:01:14,610

mild-mannered

22

00:01:22,460 --> 00:01:17,640

Packo's podcast host by day and that

23

00:01:25,580 --> 00:01:22,470

night I scream a lot for [h__h] you're a

24

00:01:28,609 --> 00:01:25,590

[h__h] madman oh yeah yeah I mean I

25

00:01:31,340 --> 00:01:28,619

appreciate it but you know it's a it's

26

00:01:33,499 --> 00:01:31,350

definitely it's hard to sing like that I

27

00:01:35,840 --> 00:01:33,509

will upload our second album probably

28

00:01:37,910 --> 00:01:35,850

next week and if you like the first one

29

00:01:41,060 --> 00:01:37,920

it's probably more kind of like that one

30

00:01:42,800 --> 00:01:41,070

but more refined yeah I can I can scream

31

00:01:47,539 --> 00:01:42,810

in a metal band but I certainly can't

32

00:01:50,539 --> 00:01:47,549

sing for [h__\h] well it was great I really

33

00:01:52,550 --> 00:01:50,549

liked it yeah I'm an old metalhead I go

34

00:01:53,960 --> 00:01:52,560

way back in the metal scene and that was

35

00:01:56,510 --> 00:01:53,970

that was really good

36

00:01:59,120 --> 00:01:56,520

I appreciate ya that that that demo or

37

00:02:01,580 --> 00:01:59,130

album almost got assigned to Hatebreed

38

00:02:03,679 --> 00:02:01,590

label and they just fell through you

39

00:02:05,480 --> 00:02:03,689

know and then I got sick with lupus and

40

00:02:07,670 --> 00:02:05,490

I really couldn't tour or play out that

41

00:02:10,400 --> 00:02:07,680

much anymore we continued to write music

42

00:02:13,110 --> 00:02:10,410

but it I just at that point in my life I

43

00:02:15,869 --> 00:02:13,120

knew that taurine and

44

00:02:17,490 --> 00:02:15,879

trying to make that band even further or

45

00:02:20,220 --> 00:02:17,500

he go further than what it was it just

46

00:02:24,199 --> 00:02:20,230

wasn't really in the cards for me right

47

00:02:27,750 --> 00:02:24,209

[h__h] well I appreciate this new idea

48

00:02:30,270 --> 00:02:27,760

yeah you you should persevered on Mike

49

00:02:32,430 --> 00:02:30,280

but that's okay I love it I love the

50

00:02:35,280 --> 00:02:32,440

pure podcasting so I initially started

51
00:02:37,020 --> 00:02:35,290
the podcast as a means to promote my

52
00:02:38,699 --> 00:02:37,030
band and then the podcast has kind of

53
00:02:40,440 --> 00:02:38,709
took over like I initially started the

54
00:02:42,990 --> 00:02:40,450
broadcast I like play music and talk

55
00:02:45,030 --> 00:02:43,000
about music and play some like local

56
00:02:46,830 --> 00:02:45,040
bands and like you know promote my own

57
00:02:50,430 --> 00:02:46,840
stuff but then it just kind of became a

58
00:02:53,670 --> 00:02:50,440
like beast of a song so right you got

59
00:02:55,080 --> 00:02:53,680
anything else worth Chris Paul I just my

60
00:02:59,399 --> 00:02:55,090
votes for [\h__\h] monster

61
00:03:04,110 --> 00:02:59,409
okay well we'll put you down vote maybe

62
00:03:06,479 --> 00:03:04,120
we can lock you in on for [\h__\h] monster

63
00:03:08,369 --> 00:03:06,489

right there we'll see if we can do it

64

00:03:10,770 --> 00:03:08,379

you're a lot of the way that's a great

65

00:03:13,199 --> 00:03:10,780

that's a great cat name [h__\h] monster by

66

00:03:16,920 --> 00:03:13,209

the way terrifying absolutely terrifying

67

00:03:21,509 --> 00:03:19,650

thank you Chris Bri fans all right yeah

68

00:03:22,770 --> 00:03:21,519

[h__\h] monster was a pretty good one man

69

00:03:24,270 --> 00:03:22,780

they make it they're making it hard to

70

00:03:29,909 --> 00:03:24,280

choose so it's so fun

71

00:03:32,009 --> 00:03:29,919

those blow up man domain yeah and a

72

00:03:35,099 --> 00:03:32,019

little origin story for the show that's

73

00:03:37,619 --> 00:03:35,109

always yeah yeah yeah yeah playing a

74

00:03:41,190 --> 00:03:37,629

metal band was a big part of my life for

75

00:03:43,530 --> 00:03:41,200

for so darn long and I'm still writing

76

00:03:45,720 --> 00:03:43,540

music yeah and put up put up some of

77

00:03:48,300 --> 00:03:45,730

that stuff on on YouTube so yeah yeah

78

00:03:50,670 --> 00:03:48,310

Mike was Mike was notorious always

79

00:03:53,849 --> 00:03:50,680

wearing like a like a studded or was it

80

00:03:57,059 --> 00:03:53,859

spiked leather black leather always

81

00:03:59,640 --> 00:03:57,069

wearing black yes in back in college I

82

00:04:01,770 --> 00:03:59,650

would wear like a studded leather jacket

83

00:04:05,009 --> 00:04:01,780

and yeah I was really punk rock and

84

00:04:07,439 --> 00:04:05,019

metal doubt no Punk and metal so oh my

85

00:04:08,849 --> 00:04:07,449

god it's so hardcore now you just look

86

00:04:12,449 --> 00:04:08,859

like you could [\h__\h] get on the

87

00:04:15,240 --> 00:04:12,459

tractor any minute yep it's a lot of

88

00:04:17,909 --> 00:04:15,250

work dressing up and wearing a [h__h] and

89

00:04:20,279 --> 00:04:17,919

I just kind of I kind of just grew out

90

00:04:22,320 --> 00:04:20,289

of trying to look like a punk rocker and

91

00:04:23,520 --> 00:04:22,330

trying to look like I was part of a

92

00:04:25,350 --> 00:04:23,530

scene you know everyone's trying to

93

00:04:26,580 --> 00:04:25,360

belong dude everyone's trying to be

94

00:04:28,290 --> 00:04:26,590

somebody

95

00:04:30,180 --> 00:04:28,300

that was my favorite thing about college

96

00:04:31,800 --> 00:04:30,190

is that everybody was all trying to be

97

00:04:33,570 --> 00:04:31,810

different in the exact same way I'm

98

00:04:35,460 --> 00:04:33,580

gonna dye my hair I'm gonna dye my hair

99

00:04:37,200 --> 00:04:35,470

I'm gonna get bell-bottom jeans I'm

100

00:04:40,230 --> 00:04:37,210

gonna give bell-bottom jeans look how

101
00:04:42,780 --> 00:04:40,240
different we all are thanks Amy what

102
00:04:45,719 --> 00:04:42,790
happened everyone starry-eyed become the

103
00:04:47,070 --> 00:04:45,729
same but to only to each other out to

104
00:04:48,600 --> 00:04:47,080
the normies out there and the rest of

105
00:04:52,050 --> 00:04:48,610
society we are a bunch of freaks

106
00:04:54,830 --> 00:04:52,060
okay well I'm glad there's that yeah so

107
00:04:58,740 --> 00:04:54,840
I got this reincarnation story from NBC

108
00:04:59,909 --> 00:04:58,750
News and this is Lester Holt talking

109
00:05:01,530 --> 00:04:59,919
about this this is probably gonna give

110
00:05:02,520 --> 00:05:01,540
us into the content strike but this is

111
00:05:07,130 --> 00:05:02,530
another reason why you should subscribe

112
00:05:14,390 --> 00:05:11,750
Lester you have to hear all the way to

113
00:05:16,340 --> 00:05:14,400

the very last twist a young boy who says

114

00:05:18,890 --> 00:05:16,350

he remembers things he couldn't possibly

115

00:05:20,990 --> 00:05:18,900

from a time long before he was born

116

00:05:23,360 --> 00:05:21,000

that's according to his mom she turned

117

00:05:25,610 --> 00:05:23,370

to experts and answers

118

00:05:29,270 --> 00:05:25,620

NBC's Cynthia McFadden tonight with the

119

00:05:31,070 --> 00:05:29,280

incredible story of what they found it's

120

00:05:34,370 --> 00:05:31,080

not unusual for little boys to have

121

00:05:36,680 --> 00:05:34,380

vivid imaginations but Ryan stories were

122

00:05:39,080 --> 00:05:36,690

legendary he said mom I have something I

123

00:05:41,480 --> 00:05:39,090

need to tell you I think I used to be

124

00:05:43,340 --> 00:05:41,490

somebody else and he started just

125

00:05:45,800 --> 00:05:43,350

telling me stories about how he had

126

00:05:48,110 --> 00:05:45,810

lived in Hollywood his stories were so

127

00:05:49,970 --> 00:05:48,120

detailed it just wasn't like a child

128

00:05:52,430 --> 00:05:49,980

that could have made it that Ryan talked

129

00:05:55,640 --> 00:05:52,440

about dancing on Broadway working for an

130

00:05:58,370 --> 00:05:55,650

agency traveling the world being married

131

00:06:00,920 --> 00:05:58,380

five times even said the street he lived

132

00:06:03,290 --> 00:06:00,930

on had the word rock in it and it would

133

00:06:04,970 --> 00:06:03,300

be my last ring miss Grindr I want to go

134

00:06:06,680 --> 00:06:04,980

back to my swimming pool but things got

135

00:06:08,360 --> 00:06:06,690

really strange when they picked up a

136

00:06:11,240 --> 00:06:08,370

book about the Golden Age of Hollywood

137

00:06:14,570 --> 00:06:11,250

she turns to a page you may say that's

138

00:06:16,670 --> 00:06:14,580

me that's how who I was that's me yeah

139

00:06:20,030 --> 00:06:16,680

but the man of the picture wasn't even a

140

00:06:23,660 --> 00:06:20,040

major star just an unnamed extra with no

141

00:06:25,460 --> 00:06:23,670

lines in an old Mae West film that's

142

00:06:28,460 --> 00:06:25,470

when Ryan's mother turned to this man

143

00:06:30,680 --> 00:06:28,470

dr. Jim Tucker a child psychiatrist at

144

00:06:32,420 --> 00:06:30,690

the University of Virginia for 50 years

145

00:06:35,420 --> 00:06:32,430

the prestigious school has collected

146

00:06:38,240 --> 00:06:35,430

more than 2,500 cases of children

147

00:06:40,340 --> 00:06:38,250

claiming past lives and your conclusion

148

00:06:42,740 --> 00:06:40,350

after 15 years is what these cases

149

00:06:44,930 --> 00:06:42,750

demand an explanation that we can't just

150

00:06:47,900 --> 00:06:44,940

write them off he's written about them

151

00:06:50,180 --> 00:06:47,910

in his book return to life had you well

152

00:06:52,190 --> 00:06:50,190

well well getting some science involved

153

00:06:53,180 --> 00:06:52,200

into a reincarnation and past life I'm

154

00:06:56,060 --> 00:06:53,190

gonna play the rest of this because I

155

00:06:57,620 --> 00:06:56,070

find it absolutely fascinating well

156

00:06:59,360 --> 00:06:57,630

there you have a researcher looking into

157

00:07:03,830 --> 00:06:59,370

this stuff for 15 years and he doesn't

158

00:07:05,840 --> 00:07:03,840

have what I guess a current scientific

159

00:07:08,630 --> 00:07:05,850

accident explanation to what these kids

160

00:07:12,860 --> 00:07:08,640

are experiencing or remembering let's

161

00:07:15,530 --> 00:07:12,870

play the rest of us sorry incarnation no

162

00:07:16,640 --> 00:07:15,540

ma'am I grew up in a Baptist Church you

163

00:07:18,140 --> 00:07:16,650

know that's not something that we were

164

00:07:20,149 --> 00:07:18,150

taught to believe in but with the help

165

00:07:22,100 --> 00:07:20,159

of a movie historian the man

166

00:07:24,709 --> 00:07:22,110

pointed to in the picture was finally

167

00:07:27,109 --> 00:07:24,719

identified his name Marty Martin and

168

00:07:29,959 --> 00:07:27,119

just like Ryan said he was a former

169

00:07:32,719 --> 00:07:29,969

actor turned Hollywood agent who danced

170

00:07:34,790 --> 00:07:32,729

on Broadway was married five times and

171

00:07:37,669 --> 00:07:34,800

even lived on Roxbury Drive in Beverly

172

00:07:41,479 --> 00:07:37,679

Hills in all dr. Tucker confirmed that

173

00:07:43,489 --> 00:07:41,489

55 of the things Ryan said were true a

174

00:07:45,799 --> 00:07:43,499

lot of people are gonna say come on this

175

00:07:46,699 --> 00:07:45,809

is the parent or somebody else feeding

176

00:07:48,559 --> 00:07:46,709

them information

177

00:07:50,269 --> 00:07:48,569

I was just inconceivable they're the

178

00:07:51,949 --> 00:07:50,279

parents for some reason had done all

179

00:07:53,809 --> 00:07:51,959

that this information wasn't on the

180

00:07:55,699 --> 00:07:53,819

internet but there was one fact the

181

00:07:58,429 --> 00:07:55,709

detail obsessed scientist thought Ryan

182

00:08:01,100 --> 00:07:58,439

had wrong he said he didn't see why God

183

00:08:03,169 --> 00:08:01,110

would let you get to be 61 and then make

184

00:08:04,759 --> 00:08:03,179

he come back as a baby that looked like

185

00:08:05,809 --> 00:08:04,769

just an incorrect statement

186

00:08:08,089 --> 00:08:05,819

that's because Martin's death

187

00:08:10,309 --> 00:08:08,099

certificate says he was 59 when he died

188

00:08:11,659 --> 00:08:10,319

since then I've gotten information that

189

00:08:13,459 --> 00:08:11,669

the death certificate was actually

190

00:08:17,269 --> 00:08:13,469

incorrect which would have made mourning

191

00:08:19,969 --> 00:08:17,279

more than 61 when he died along are you

192

00:08:22,579 --> 00:08:19,979

glad you've had this experience yes I am

193

00:08:26,209 --> 00:08:22,589

a chance he says to all my brother his

194

00:08:28,939 --> 00:08:26,219

own wonderful life Cynthia McFadden NBC

195

00:08:31,040 --> 00:08:28,949

News Tulsa there's a I think there's a

196

00:08:35,389 --> 00:08:31,050

shift going on not only in mainstream

197

00:08:37,819 --> 00:08:35,399

news but just in general being more

198

00:08:40,009 --> 00:08:37,829

accepting of paranormal stuff I think

199

00:08:43,339 --> 00:08:40,019

there's a real genuine shift going on

200

00:08:45,410 --> 00:08:43,349

this is NBC News talking about this

201
00:08:47,389 --> 00:08:45,420
giving validity to this topic that

202
00:08:49,999 --> 00:08:47,399
attended five years ago would have been

203
00:08:51,470 --> 00:08:50,009
laughed off it's like to the time-life

204
00:08:55,579 --> 00:08:51,480
thing that we bring up on the show now

205
00:08:57,620 --> 00:08:55,589
and this time like any business media

206
00:08:59,600 --> 00:08:57,630
monarchy the you know james evan pilato

207
00:09:03,860 --> 00:08:59,610
who was on the show a few years ago he

208
00:09:06,290 --> 00:09:03,870
was last year yeah he always says that

209
00:09:08,019 --> 00:09:06,300
mainstream culture & conspiracy culture

210
00:09:11,120 --> 00:09:08,029
and now they're selling it back to you

211
00:09:12,559 --> 00:09:11,130
he's right that very well could be true

212
00:09:17,059 --> 00:09:12,569
I can I can see that

213
00:09:18,860 --> 00:09:17,069

I mean conspiracies are our super hot

214

00:09:21,199 --> 00:09:18,870

topic right now so is paranormal stuff I

215

00:09:24,379 --> 00:09:21,209

mean look at Ghost Adventures or even

216

00:09:27,470 --> 00:09:24,389

like scary videos and stories there are

217

00:09:30,290 --> 00:09:27,480

huge on on YouTube there is a there's a

218

00:09:32,990 --> 00:09:30,300

big audience for that stuff and but the

219

00:09:33,770 --> 00:09:33,000

problem is that the YouTube doesn't want

220

00:09:35,870 --> 00:09:33,780

to recommend

221

00:09:37,880 --> 00:09:35,880

conspiracy theories any more loose the

222

00:09:40,070 --> 00:09:37,890

videos but then you get it then they

223

00:09:42,590 --> 00:09:40,080

have to determine what is a conspiracy

224

00:09:44,870 --> 00:09:42,600

theory versus what is just a paranormal

225

00:09:47,660 --> 00:09:44,880

kind of encounter do you consider UFOs

226

00:09:50,570 --> 00:09:47,670

and aliens to be paranormal conspiracy

227

00:09:52,820 --> 00:09:50,580

and then what if it's not a conspiracy

228

00:09:55,250 --> 00:09:52,830

then how do you explain mj-12 an

229

00:09:56,900 --> 00:09:55,260

Eisenhower ear 51 so it gets very dicey

230

00:09:58,640 --> 00:09:56,910

when they try to curate reality for

231

00:10:00,530 --> 00:09:58,650

people yeah

232

00:10:03,830 --> 00:10:00,540

what is the Ministry of Truth say about

233

00:10:07,490 --> 00:10:03,840

this ah yes I do have an article about

234

00:10:12,590 --> 00:10:07,500

science notes I do have like an article

235

00:10:17,330 --> 00:10:12,600

about that is that people like their

236

00:10:19,850 --> 00:10:17,340

have ID it's got to be a struggle when

237

00:10:22,520 --> 00:10:19,860

they're trying to determine what is

238

00:10:25,220 --> 00:10:22,530

reality and what is not like this this

239

00:10:26,870 --> 00:10:25,230

article from The Daily Grail and this

240

00:10:29,990 --> 00:10:26,880

directly relates to what we're talking

241

00:10:31,490 --> 00:10:30,000

about with mainstream media talking

242

00:10:33,950 --> 00:10:31,500

about the conspiracy theories this is a

243

00:10:37,210 --> 00:10:33,960

titled weaponizing conspiracy theory the

244

00:10:42,590 --> 00:10:37,220

dangers in priming people for armed

245

00:10:45,470 --> 00:10:42,600

revolution and this this story goes over

246

00:10:47,990 --> 00:10:45,480

a made a form of propaganda I'll read a

247

00:10:50,720 --> 00:10:48,000

little bit of this start off and I'll

248

00:10:52,579 --> 00:10:50,730

skip down to the end but the world's the

249

00:10:55,130 --> 00:10:52,589

words of the French enlighten

250

00:10:58,579 --> 00:10:55,140

Enlightenment philosopher volaterrae

251
00:11:00,290 --> 00:10:58,589
above above have often in recent years

252
00:11:02,960 --> 00:11:00,300
been used to explain the madness of

253
00:11:05,570 --> 00:11:02,970
religious terrorism by getting lost lost

254
00:11:07,490 --> 00:11:05,580
in a belief system one can often lose

255
00:11:10,040 --> 00:11:07,500
their moral compass or perhaps more

256
00:11:12,470 --> 00:11:10,050
correctly have it realigned and by

257
00:11:15,050 --> 00:11:12,480
submitting to that belief system also

258
00:11:16,790 --> 00:11:15,060
surrenders their agency in the last

259
00:11:19,910 --> 00:11:16,800
couple years however both her statement

260
00:11:22,160 --> 00:11:19,920
has often come to come to my mind as

261
00:11:23,630 --> 00:11:22,170
I've watched the viral takeover of

262
00:11:25,220 --> 00:11:23,640
certain sections of the political

263
00:11:27,590 --> 00:11:25,230

spectrum by outlandish conspiracy

264

00:11:29,150 --> 00:11:27,600

theories a number of readers of the

265

00:11:32,360 --> 00:11:29,160

Grell have cited my focus in recent

266

00:11:34,790 --> 00:11:32,370

months on broadcaster Alex Jones and the

267

00:11:37,010 --> 00:11:34,800

somewhat linked pizza gate and cue a non

268

00:11:39,200 --> 00:11:37,020

conspiracy theories but that focus comes

269

00:11:42,740 --> 00:11:39,210

from both a deep interest and concern at

270

00:11:45,320 --> 00:11:42,750

what has been unfolding over the past 10

271

00:11:47,499 --> 00:11:45,330

to 15 years in the conspiracy theme and

272

00:11:51,669 --> 00:11:47,509

this is a very long article

273

00:11:52,989 --> 00:11:51,679

but there's been articles similar in a

274

00:11:54,999 --> 00:11:52,999

very similar fashion along these lines

275

00:11:57,939 --> 00:11:55,009

people being very concerned about what

276

00:12:02,079 --> 00:11:57,949

people believe and then what action they

277

00:12:03,309 --> 00:12:02,089

take with that belief system and I'm

278

00:12:05,350 --> 00:12:03,319

gonna see like look at this is

279

00:12:06,910 --> 00:12:05,360

well-sourced article and I love the

280

00:12:11,530 --> 00:12:06,920

daily Grail they put out a lot of cool

281

00:12:14,650 --> 00:12:11,540

stuff so I'll just go to the the last

282

00:12:16,689 --> 00:12:14,660

little paragraph here so it's important

283

00:12:19,419 --> 00:12:16,699

for the rest of us from conspiracy

284

00:12:21,309 --> 00:12:19,429

believer through the hardcore skeptic to

285

00:12:24,639 --> 00:12:21,319

realize how conspiracy theories can push

286

00:12:26,289 --> 00:12:24,649

us to commit atrocities that doesn't

287

00:12:28,059 --> 00:12:26,299

mean we should make discussion of

288

00:12:29,470 --> 00:12:28,069

conspiracy theory of forbidden topic

289

00:12:31,929 --> 00:12:29,480

conspiracies happen all the time

290

00:12:34,150 --> 00:12:31,939

and it's important they can be brought

291

00:12:35,739 --> 00:12:34,160

to light but this shows us the

292

00:12:37,509 --> 00:12:35,749

importance of staying rational

293

00:12:39,910 --> 00:12:37,519

understanding that certain people might

294

00:12:41,859 --> 00:12:39,920

be pushing agendas rather than the

295

00:12:44,199 --> 00:12:41,869

search for truth and perhaps most

296

00:12:46,259 --> 00:12:44,209

importantly of all retaining our moral

297

00:12:48,609 --> 00:12:46,269

compass and I think that's very

298

00:12:50,799 --> 00:12:48,619

important I agree with that like when we

299

00:12:55,239 --> 00:12:50,809

entertain these ideas when we entertain

300

00:12:59,079 --> 00:12:55,249

these idea these ideas you gotta keep

301
00:13:00,879 --> 00:12:59,089
someone grounded gotta keep your cool

302
00:13:03,699 --> 00:13:00,889
Joe that's what I'm talking about

303
00:13:10,539 --> 00:13:03,709
oh I don't know anything about that I

304
00:13:14,379 --> 00:13:10,549
was a real horse's ass I apologize yeah

305
00:13:18,819 --> 00:13:14,389
thanks Hulk he's my advocate my head was

306
00:13:20,350 --> 00:13:18,829
huge alright I mean it is it's it's fun

307
00:13:21,989 --> 00:13:20,360
to talk about these topics it really is

308
00:13:24,699 --> 00:13:21,999
I love talking about all this stuff but

309
00:13:26,829 --> 00:13:24,709
as soon as it becomes as soon as you

310
00:13:28,509 --> 00:13:26,839
become a zealot it's no longer fun then

311
00:13:31,569 --> 00:13:28,519
it becomes just something to kind of

312
00:13:33,489 --> 00:13:31,579
like use against somebody now no I don't

313
00:13:36,909 --> 00:13:33,499

like that but there's this articles up

314

00:13:38,979 --> 00:13:36,919

it's posted in the description you guys

315

00:13:40,659 --> 00:13:38,989

can check it out I ate this they talked

316

00:13:42,850 --> 00:13:40,669

about the cute ain't on thing that that

317

00:13:45,220 --> 00:13:42,860

has just kind of taken over a large

318

00:13:48,159 --> 00:13:45,230

section of the conspiracy realm we had a

319

00:13:51,039 --> 00:13:48,169

guy one of the big qa9 guys on from

320

00:13:53,340 --> 00:13:51,049

YouTube Dustin and I don't think he

321

00:13:56,139 --> 00:13:53,350

convinced me one way or the other I

322

00:13:58,749 --> 00:13:56,149

think we were both kind of middle there

323

00:14:00,489 --> 00:13:58,759

yeah he's definitely a believer and I

324

00:14:01,290 --> 00:14:00,499

think there's certain things that when

325

00:14:03,930 --> 00:14:01,300

the prediction

326

00:14:05,640 --> 00:14:03,940

but but it's I I don't follow it enough

327

00:14:08,730 --> 00:14:05,650

yeah it's just one of the things I

328

00:14:11,220 --> 00:14:08,740

honestly I don't have the time to follow

329

00:14:12,840 --> 00:14:11,230

the queue ain't on conspiracy all the

330

00:14:14,580 --> 00:14:12,850

way so I can catch every little thing

331

00:14:17,010 --> 00:14:14,590

then look in the news to see if it's

332

00:14:19,350 --> 00:14:17,020

verified or not and I think it's

333

00:14:21,840 --> 00:14:19,360

interesting and I'm sure if something

334

00:14:24,630 --> 00:14:21,850

really interesting happens someone will

335

00:14:28,530 --> 00:14:24,640

let me know someone let me know but I

336

00:14:31,550 --> 00:14:28,540

don't know I know a Lionel from Lionel

337

00:14:35,510 --> 00:14:31,560

nation he's all in with the the QA non

338

00:14:37,620 --> 00:14:35,520

conspiracy yes he is really yes you are

339

00:14:39,570 --> 00:14:37,630

six point four three eight eight nine

340

00:14:40,830 --> 00:14:39,580

100 and I will take some phone calls and

341

00:14:44,670 --> 00:14:40,840

Joe do you got anything you want to talk

342

00:14:46,470 --> 00:14:44,680

about over there or the for the stuff we

343

00:14:49,050 --> 00:14:46,480

were just archiving whatever let's look

344

00:14:50,760 --> 00:14:49,060

we can move on to some let's let some

345

00:14:52,590 --> 00:14:50,770

people to I I mean I could bring up some

346

00:14:55,440 --> 00:14:52,600

stuff I mean there's definitely things

347

00:14:59,040 --> 00:14:55,450

happen and I got oh I got stuff I I have

348

00:15:06,630 --> 00:14:59,050

a definitely some one or two stories I

349

00:15:09,990 --> 00:15:06,640

definitely want to get you are on the

350

00:15:11,610 --> 00:15:10,000

air holy crap guys I wasn't even

351

00:15:13,110 --> 00:15:11,620

expecting to get on I was just calling

352

00:15:14,760 --> 00:15:13,120

to see if the phone lines are open

353

00:15:16,610 --> 00:15:14,770

it said it's to get here guys about the

354

00:15:19,350 --> 00:15:16,620

reincarnation thing yes

355

00:15:21,210 --> 00:15:19,360

did y'all ever go over birthmarks and

356

00:15:23,130 --> 00:15:21,220

their possibility that they might be

357

00:15:24,570 --> 00:15:23,140

linked to a past life so I know I have

358

00:15:27,950 --> 00:15:24,580

one on top of my head and whatever my

359

00:15:30,270 --> 00:15:27,960

heart maybe I was a sacrifice victim I

360

00:15:32,070 --> 00:15:30,280

have never talked about that before but

361

00:15:34,320 --> 00:15:32,080

I you know now you mentioned I do

362

00:15:35,670 --> 00:15:34,330

remember that being some sort of

363

00:15:39,200 --> 00:15:35,680

explanation do you know anything more

364

00:15:42,090 --> 00:15:39,210

about that then that's what it is I

365

00:15:45,000 --> 00:15:42,100

don't necessarily uh I don't know what I

366

00:15:46,650 --> 00:15:45,010

don't think about reincarnation but but

367

00:15:48,510 --> 00:15:46,660

I've heard that and to tell you the

368

00:15:50,970 --> 00:15:48,520

truth like it was one of those things I

369

00:15:52,170 --> 00:15:50,980

didn't want to hear cuz like I kind of

370

00:15:54,180 --> 00:15:52,180

felt I kind of looked at my birthmark

371

00:15:55,320 --> 00:15:54,190

like huh and you know I don't want to

372

00:15:57,150 --> 00:15:55,330

get too paranoid like what happened to

373

00:16:00,390 --> 00:15:57,160

me in my past life who killed me who

374

00:16:02,220 --> 00:16:00,400

stabbed me in my heart but a curious

375

00:16:06,120 --> 00:16:02,230

it's a curious line of thinking I think

376

00:16:09,360 --> 00:16:06,130

I reincarnate I know I had the the

377

00:16:11,550 --> 00:16:09,370

Akashic records readings and went again

378

00:16:14,220 --> 00:16:11,560

had had that my cosmic records read to

379

00:16:15,000 --> 00:16:14,230

me meaning that it will go and tell you

380

00:16:16,740 --> 00:16:15,010

about some past

381

00:16:19,050 --> 00:16:16,750

life experiences it doesn't really tell

382

00:16:20,670 --> 00:16:19,060

you what you need to work on this life

383

00:16:22,800 --> 00:16:20,680

and the point I think of reincarnation

384

00:16:25,170 --> 00:16:22,810

is that you are supposed to keep coming

385

00:16:26,700 --> 00:16:25,180

back until you learn all the lessons

386

00:16:29,550 --> 00:16:26,710

you're supposed to learn to where you

387

00:16:30,630 --> 00:16:29,560

can ascend to a higher plane correct me

388

00:16:34,140 --> 00:16:30,640

if I'm wrong but I think that's the

389

00:16:36,290 --> 00:16:34,150
point of it all and that from life to

390

00:16:39,420 --> 00:16:36,300
life you carry through certain traumas

391

00:16:42,050 --> 00:16:39,430
and if you continue dirt down that path

392

00:16:44,490 --> 00:16:42,060
of just repeating the same old [h__h] not

393

00:16:45,720 --> 00:16:44,500
acknowledging past traumas and trying to

394

00:16:48,480 --> 00:16:45,730
resolve it you're going to come back

395

00:16:51,330 --> 00:16:48,490
again that brings up an interesting

396

00:16:55,320 --> 00:16:51,340
question about dictators especially like

397

00:16:56,640 --> 00:16:55,330
now Stalin Hitler huh do you think those

398

00:16:59,040 --> 00:16:56,650
guys are walking the earth these days

399

00:17:01,440 --> 00:16:59,050
and if so do you think they are down

400

00:17:03,630 --> 00:17:01,450
here in the lower class system with us

401
00:17:05,610 --> 00:17:03,640
do you think they're reincarnated to an

402
00:17:07,560 --> 00:17:05,620
aristocratic level to rule other

403
00:17:09,569 --> 00:17:07,570
countries and perhaps make the same

404
00:17:12,380 --> 00:17:09,579
mistakes over until they get it right I

405
00:17:15,030 --> 00:17:12,390
see III have pretty good evidence that

406
00:17:20,490 --> 00:17:15,040
Hitler got reincarnated as Hulk Hogan

407
00:17:23,280 --> 00:17:20,500
Hulk Hogan Ricard H is always been an

408
00:17:26,210 --> 00:17:23,290
interesting subject and I'm curious

409
00:17:29,160 --> 00:17:26,220
about it although I am kind of rated the

410
00:17:32,160 --> 00:17:29,170
implications what do you mean by worried

411
00:17:35,060 --> 00:17:32,170
about the implications well I was just

412
00:17:38,040 --> 00:17:35,070
saying a Hitler or stellar Stalin or now

413
00:17:40,740 --> 00:17:38,050

just be giving those monsters a second

414

00:17:45,060 --> 00:17:40,750

chance to monster it up would be worried

415

00:17:47,040 --> 00:17:45,070

them I yeah yeah so like the the new

416

00:17:51,300 --> 00:17:47,050

baby Hitler like which baby do we have

417

00:17:54,960 --> 00:17:51,310

to kill yeah I got it covered I see your

418

00:17:56,670 --> 00:17:54,970

point in that but okay hypothetically

419

00:17:59,760 --> 00:17:56,680

Hitler gets reincarnated let's just go

420

00:18:02,310 --> 00:17:59,770

with Stalin Stalin gets reincarnated he

421

00:18:04,500 --> 00:18:02,320

doesn't at that point that that new

422

00:18:06,630 --> 00:18:04,510

person who has the memories or that

423

00:18:08,430 --> 00:18:06,640

light or that that trauma or whatever

424

00:18:11,550 --> 00:18:08,440

experienced Stalin had you hopefully

425

00:18:13,290 --> 00:18:11,560

that doesn't carry through to current

426

00:18:14,820 --> 00:18:13,300

day where they feel the urge to become a

427

00:18:16,550 --> 00:18:14,830

tyrannical dictator and slaughter

428

00:18:19,560 --> 00:18:16,560

millions of people you hope that they

429

00:18:22,230 --> 00:18:19,570

learn from their their past mistakes and

430

00:18:25,110 --> 00:18:22,240

that they they try to go a different

431

00:18:26,640 --> 00:18:25,120

path raise your kids right people yes

432

00:18:27,970 --> 00:18:26,650

operating your kids to be horrible

433

00:18:30,399 --> 00:18:27,980

dictators

434

00:18:32,139 --> 00:18:30,409

laughter actually here here's also

435

00:18:34,539 --> 00:18:32,149

another question the opposite of Nirvana

436

00:18:38,230 --> 00:18:34,549

the opposite of becoming one with one is

437

00:18:40,779 --> 00:18:38,240

it possible to accrue so much negative

438

00:18:42,549 --> 00:18:40,789

karma that you have no more chances of

439

00:18:48,070 --> 00:18:42,559

reincarnation oh how many lifetimes

440

00:18:50,320 --> 00:18:48,080

would Hitler have I I love that I would

441

00:18:53,320 --> 00:18:50,330

I'm gonna have to bring on another

442

00:18:55,960 --> 00:18:53,330

psychic or Chandler and ask them like do

443

00:18:57,730 --> 00:18:55,970

you have an infinite amount of lives to

444

00:19:00,070 --> 00:18:57,740

get it right or do you at some point

445

00:19:01,120 --> 00:19:00,080

they say listen he'll there we gave you

446

00:19:06,039 --> 00:19:01,130

a bunch of chance you're going to

447

00:19:07,990 --> 00:19:06,049

[h__h] out dude oh yeah everybody may

448

00:19:12,070 --> 00:19:08,000

be if someone is just so bad someone

449

00:19:13,450 --> 00:19:12,080

this is such an awful person that they

450

00:19:16,769 --> 00:19:13,460

never get a chance to redeem themselves

451
00:19:19,600 --> 00:19:16,779
or possibly they have to reincarnate at

452
00:19:23,680 --> 00:19:19,610
this infinitum because they never get it

453
00:19:25,450 --> 00:19:23,690
right and that this is a form of hell to

454
00:19:30,340 --> 00:19:25,460
a certain degree but I don't believe

455
00:19:32,049 --> 00:19:30,350
that a I don't ask a question Eddie yes

456
00:19:33,730 --> 00:19:32,059
that's about all I got besides I want to

457
00:19:34,750 --> 00:19:33,740
talk to the CIA personally here I just

458
00:19:36,580 --> 00:19:34,760
want to tell him to get out of the

459
00:19:39,039 --> 00:19:36,590
conspiracy groups in the contact this is

460
00:19:40,930 --> 00:19:39,049
our realm we will find you you CIA glow

461
00:19:48,730 --> 00:19:40,940
in the dark people and that's about all

462
00:19:50,590 --> 00:19:48,740
I got thank you my lord

463
00:19:54,070 --> 00:19:50,600

that was the unlike Ted he's telling

464

00:19:57,879 --> 00:19:54,080

this Jerry to stay out of the content

465

00:20:00,250 --> 00:19:57,889

and that this is weird I hope you dump a

466

00:20:03,879 --> 00:20:00,260

lot yeah absolutely
