[Music]

7
00:01:37,870 --> 00:01:34,490

my name's Ben my Mike and I am joined by

8
00:01:41,139 --> 00:01:37,880

klom babies over there

9
00:01:44,490 --> 00:01:41,149

oh yeah god I don't know right got a

10
00:01:47,109 --> 00:01:44,500

little clown action smoke crack oh yeah

11
00:01:49,300 --> 00:01:47,119

going on I mean no we do not smoke crack

12
00:01:53,800 --> 00:01:49,310

here on the show or even after troll

13
00:01:56,560 --> 00:01:53,810

yeah no no we do not no we don't our

14

00:02:00,149 --> 00:01:56,570

brother no we do not smoke crack on this

15

00:02:02,310 --> 00:02:00,159

show this is the anti crack show

16

00:02:07,190 --> 00:02:02,320

I've been clown baby what's going on in

17

00:02:09,749 --> 00:02:07,200

your world pretty good pretty good

18

00:02:12,300 --> 00:02:09,759

you know I was keeping it real working

19

00:02:13,400 --> 00:02:12,310

hanging out with girlfriends keeping it

20

00:02:18,300 --> 00:02:13,410

real huh

21

00:02:19,710 --> 00:02:18,310

yeah so I was like you know I told my

22

00:02:21,720 --> 00:02:19,720

girlfriend I was gonna give up drinking

23

00:02:23,600 --> 00:02:21,730

for Lent cuz what last year was like oh

24

00:02:25,860 --> 00:02:23,610

that's like four weeks right

25

00:02:29,880 --> 00:02:25,870

turns out let this year's about eight

26

00:02:32,309 --> 00:02:29,890

weeks oh my god mine so how are you

27

00:02:35,009 --> 00:02:32,319

holding up up doing good I had my

28

00:02:38,460 --> 00:02:35,019

stomach drink was a last Tuesday oh nice

29

00:02:40,979 --> 00:02:38,470

good few couple Jack and cokes nice not

30

00:02:42,210 --> 00:02:40,989

bad at all do you still keep up like no

31

00:02:43,229 --> 00:02:42,220

you haven't done the OBD I'm showing

32

00:02:44,850 --> 00:02:43,239

well it's been a while since we did a

33

00:02:47,309 --> 00:02:44,860

night talk if you kept up on any of the

34

00:02:50,490 --> 00:02:47,319

the crypto zoological stuff or

35

00:02:52,170 --> 00:02:50,500

paranormal or conspiracies just the

36

00:02:53,340 --> 00:02:52,180

stuff that I hear in the show yeah I

37

00:02:55,199 --> 00:02:53,350

mean I've been keeping up on current

38

00:02:57,150 --> 00:02:55,209

events in politics I mean I could talk

39

00:03:00,059 --> 00:02:57,160

about more about that stuff and you know

40

00:03:01,860 --> 00:03:00,069

I guess geopolitical conspiracies in a

41

00:03:04,590 --> 00:03:01,870

cane about cryptozoology unfortunately I

42

00:03:06,140 --> 00:03:04,600

still have to read that a young adult a

43

00:03:10,560 --> 00:03:06,150

Bigfoot book that I got for Christmas

44

00:03:12,330 --> 00:03:10,570

young adult Bigfoot what is that well I

45

00:03:13,890 --> 00:03:12,340

mean it's it's called like Bigfoot in me

46

00:03:17,699 --> 00:03:13,900

but it's like written for eighth graders

47

00:03:20,310 --> 00:03:17,709

cuz like I don't know if it was in a

48

00:03:23,699 --> 00:03:20,320

normal book like print if each page it

49

00:03:26,670 --> 00:03:23,709

might be a paragraph so each page might

50

00:03:30,810 --> 00:03:26,680

might be a paragraph in like a normal

51
00:03:32,069 --> 00:03:30,820
book yeah well that easy you should have

52
00:03:34,780 --> 00:03:32,079
been able to plow through that already

53
00:03:36,190 --> 00:03:34,790
yeah I would imagine

54
00:03:38,559 --> 00:03:36,200
oh hey get back on the train we're gonna

55
00:03:41,349 --> 00:03:38,569
be doing a night talk a little bit more

56
00:03:44,199 --> 00:03:41,359
often maybe every three weeks or so

57
00:03:48,309 --> 00:03:44,209
every so often so we'll figure that out

58
00:03:51,360 --> 00:03:48,319
on this episode I'm going to be talking

59
00:03:53,979 --> 00:03:51,370
about the Spring Heeled Jack

60
00:03:56,259 --> 00:03:53,989
cryptozoological kind of mysterious

61
00:03:58,270 --> 00:03:56,269
figure I also got a story about some

62
00:04:00,250 --> 00:03:58,280
UFOs taking water and I know you have a

63
00:04:05,170 --> 00:04:00,260

very special story for the end of the

64

00:04:09,580 --> 00:04:05,180

show a very special story um do you know

65

00:04:10,960 --> 00:04:09,590

anything about Spring Heeled Jack uh no

66

00:04:12,190 --> 00:04:10,970

I do not I probably should've looked it

67

00:04:14,080 --> 00:04:12,200

up the first time you mentioned it

68

00:04:15,420 --> 00:04:14,090

that's all right I got a good chunk

69

00:04:18,460 --> 00:04:15,430

information here I'm just gonna tell you

70

00:04:20,110 --> 00:04:18,470

everything I know about Spring Heeled

71

00:04:21,550 --> 00:04:20,120

Jack now I've been doing quite a bit of

72

00:04:22,810 --> 00:04:21,560

research let me break up these books

73

00:04:24,189 --> 00:04:22,820

that I that I got or not you're not

74

00:04:26,260 --> 00:04:24,199

gonna be able to see into you you look

75

00:04:27,850 --> 00:04:26,270

at the the use are the YouTube stream

76

00:04:31,810 --> 00:04:27,860

but here this movie this is what I'm

77

00:04:36,970 --> 00:04:33,730

at three books that I'm planning three

78

00:04:38,620 --> 00:04:36,980

or four cryptozoological material one of

79

00:04:41,020 --> 00:04:38,630

the ones is encounters with flying

80

00:04:44,740 --> 00:04:41,030

humanoids this just just came out this

81

00:04:47,440 --> 00:04:44,750

year then I also have the complete books

82

00:04:49,480 --> 00:04:47,450

of charles fort which is a huge book

83

00:04:53,100 --> 00:04:49,490

it's like the size of a Bible and this

84

00:04:57,640 --> 00:04:53,110

guide tracked paranormal and weird

85

00:05:00,160 --> 00:04:57,650

events in the 1800's in America this

86

00:05:02,470 --> 00:05:00,170

really strange stuff and a book that I

87

00:05:05,770 --> 00:05:02,480

keep going back to called vanishings by

88

00:05:07,800 --> 00:05:05,780

Michael Harrison which is where I really

89

00:05:13,300 --> 00:05:07,810

got reacquainted with Spring Hill Jack

90

00:05:18,400 --> 00:05:13,310

now Spring Heeled Jack aka the jumping

91

00:05:22,740 --> 00:05:18,410

man made his birth feel yeah yes thank

92

00:05:26,560 --> 00:05:22,750

you super spring feel Springfield

93

00:05:29,560 --> 00:05:26,570

Springfield Jack made his first

94

00:05:34,090 --> 00:05:29,570

appearance according to Michael Harrison

95

00:05:36,670 --> 00:05:34,100

in the book vanishings in 1837 he's also

96

00:05:38,380 --> 00:05:36,680

known as the jumping man because

97

00:05:41,560 --> 00:05:38,390

supposedly this guy could just jump

98

00:05:43,870 --> 00:05:41,570

around and leap around at incredible

99

00:05:48,270 --> 00:05:43,880

hikes this guy and reportedly could just

100

00:05:53,830 --> 00:05:48,280

make it a single leap of about 14 feet

101
00:05:56,170 --> 00:05:53,840
so this guy or creature like to stalk

102
00:05:59,470 --> 00:05:56,180
women and his first appearance was like

103
00:06:01,150 --> 00:05:59,480
I said was 1837 and according to Michael

104
00:06:05,200 --> 00:06:01,160
Harrison really making this easy for

105
00:06:09,370 --> 00:06:05,210
spring fees yeah really it's it's an

106
00:06:11,860 --> 00:06:09,380
easy drop okay according according to

107
00:06:16,270 --> 00:06:11,870
Michael Harrison this the first

108
00:06:20,920 --> 00:06:16,280
encounter happened with a woman named

109
00:06:24,340 --> 00:06:20,930
Jane also and she was in her house her

110
00:06:27,820 --> 00:06:24,350
doorbell rang she quickly grabbed a

111
00:06:32,200 --> 00:06:27,830
candle and lit it went down there and

112
00:06:35,410 --> 00:06:32,210
she saw at her front door a figure

113
00:06:37,690 --> 00:06:35,420

wearing a black cloak a tight-fitting

114

00:06:40,360 --> 00:06:37,700

like one piece almost like kind of like

115

00:06:43,120 --> 00:06:40,370

a Star Trek kind of uniform like a

116

00:06:45,050 --> 00:06:43,130

onesie the the kind of uniform that

117

00:06:49,040 --> 00:06:45,060

people from the future

118

00:06:53,600 --> 00:06:49,050

would wear that kind of stuff and he

119

00:06:55,910 --> 00:06:53,610

also had almost like a fishbowl kind of

120

00:07:00,110 --> 00:06:55,920

helmet like a transparent fishbowl

121

00:07:04,040 --> 00:07:00,120

helmet with piercing red eyes and this

122

00:07:06,770 --> 00:07:04,050

this thing reached out to her tried to

123

00:07:07,270 --> 00:07:06,780

tried to grab her and molest her in some

124

00:07:12,860 --> 00:07:07,280

way

125

00:07:17,330 --> 00:07:12,870

and she screamed alerting a young man a

126

00:07:19,220 --> 00:07:17,340

nearby and she she called the

127

00:07:20,330 --> 00:07:19,230

authorities the authorities came over

128

00:07:22,610 --> 00:07:20,340

the policeman this is like a night in

129

00:07:24,230 --> 00:07:22,620

the nineteen are the 1830s so they came

130

00:07:27,380 --> 00:07:24,240

over investigated and it's like okay

131

00:07:31,640 --> 00:07:27,390

this is this is kind of BS like of guy

132

00:07:34,060 --> 00:07:31,650

wearing a cape with with razor fingers

133

00:07:36,290 --> 00:07:34,070

and a like that was we're in a fishbowl

134

00:07:38,090 --> 00:07:36,300

attacked you yeah sure whatever

135

00:07:42,080 --> 00:07:38,100

but it turns out there was a similar

136

00:07:45,760 --> 00:07:42,090

report that in in a in that same week

137

00:07:48,500 --> 00:07:45,770

from a butcher's assistant who

138

00:07:51,680 --> 00:07:48,510

interrupted this figure attacking his

139

00:07:54,640 --> 00:07:51,690

two sisters and he said this butchers

140

00:07:59,660 --> 00:07:54,650

assistant chased this jumping man

141

00:08:01,850 --> 00:07:59,670

spring-heeled Jack to a wall and at this

142

00:08:04,790 --> 00:08:01,860

wall this this this guy the springfield

143

00:08:06,980 --> 00:08:04,800

spring-heeled jack just jumped over this

144

00:08:09,470 --> 00:08:06,990

this wall in one single bound and

145

00:08:11,150 --> 00:08:09,480

according to what I and the book is at

146

00:08:12,440 --> 00:08:11,160

least eight feet tall this wall and just

147

00:08:15,980 --> 00:08:12,450

jumped right over it

148

00:08:17,840 --> 00:08:15,990

and there are also reports that that

149

00:08:22,730 --> 00:08:17,850

this creature I'm just gonna call it a

150

00:08:28,010 --> 00:08:22,740

creature was also able to spit flames of

151
00:08:32,930 --> 00:08:28,020
blue and white so you got a guy wearing

152
00:08:35,270 --> 00:08:32,940
a cloak with a whitish grey onesie he's

153
00:08:40,250 --> 00:08:35,280
got a fishbowl head piercing red eyes

154
00:08:42,410 --> 00:08:40,260
and he's able to spit flame of blue and

155
00:08:45,110 --> 00:08:42,420
white and his fingers came to points

156
00:08:46,790 --> 00:08:45,120
almost like they're their razors how

157
00:08:48,920 --> 00:08:46,800
does he spit flame with a fish ball

158
00:08:50,360 --> 00:08:48,930
helmet I don't know see this is where

159
00:08:53,450 --> 00:08:50,370
there's there's some things that are

160
00:08:55,220 --> 00:08:53,460
kind of contradictory like did he have a

161
00:08:58,580 --> 00:08:55,230
metal helmet where they're like slits in

162
00:09:02,690 --> 00:08:58,590
in in the the helmet or what

163
00:09:05,780 --> 00:09:02,700

it just just give the impression that it

164

00:09:08,210 --> 00:09:05,790

was a helmet that all the accounts are

165

00:09:10,790 --> 00:09:08,220

somewhat similar but it was that hasn't

166

00:09:13,010 --> 00:09:10,800

been kind of cleared up and either the

167

00:09:15,680 --> 00:09:13,020

either of the books like so the first

168

00:09:18,950 --> 00:09:15,690

appearance according to Harrison that it

169

00:09:21,320 --> 00:09:18,960

happened right there with Jean also but

170

00:09:23,120 --> 00:09:21,330

according to the the encounters were

171

00:09:26,390 --> 00:09:23,130

flying humanoids the book that just came

172

00:09:29,930 --> 00:09:26,400

out this year it was with a person named

173

00:09:34,550 --> 00:09:29,940

Mary Stevens in the Clapham Commons of

174

00:09:37,430 --> 00:09:34,560

South London and in this encounter the

175

00:09:40,190 --> 00:09:37,440

the Springfield Jack ripped at her

176

00:09:42,980 --> 00:09:40,200

clothing and tried to kiss her so that

177

00:09:44,420 --> 00:09:42,990

this and that those are the the common

178

00:09:46,760 --> 00:09:44,430

reports with with this

179

00:09:50,330 --> 00:09:46,770

spring-heeled Jack character is that he

180

00:09:54,230 --> 00:09:50,340

would target women and tried to assault

181

00:09:56,120 --> 00:09:54,240

them and and with the the Mary Stevens

182

00:09:58,190 --> 00:09:56,130

case he reached out with his claw like

183

00:09:59,540 --> 00:09:58,200

metal fingers and ripped out her

184

00:10:04,040 --> 00:09:59,550

clothing so probably I think tore out

185

00:10:08,390 --> 00:10:04,050

some of her hair and tried to kiss her

186

00:10:11,300 --> 00:10:08,400

almost uh in some weird weird way the

187

00:10:13,610 --> 00:10:11,310

following day this Springfield Jack

188

00:10:16,130 --> 00:10:13,620

jumped in front of a horse-drawn

189

00:10:19,670 --> 00:10:16,140

carriage causing it to crash but all the

190

00:10:22,730 --> 00:10:19,680

while diabolically laughing and jumping

191

00:10:26,300 --> 00:10:22,740

and prancing off into the distance and

192

00:10:28,910 --> 00:10:26,310

these reports happened over the years

193

00:10:32,420 --> 00:10:28,920

now there were some lols you know after

194

00:10:34,130 --> 00:10:32,430

the the 90 or the 1837 case there he

195

00:10:38,720 --> 00:10:34,140

there were no more reports for about

196

00:10:40,670 --> 00:10:38,730

eight years and it kind of just died off

197

00:10:43,330 --> 00:10:40,680

a little bit authorities like the entire

198

00:10:45,860 --> 00:10:43,340

town knew about it I mean their reports

199

00:10:48,170 --> 00:10:45,870

that were written up in the London Times

200

00:10:50,870 --> 00:10:48,180

so this was kind of it was a well known

201
00:10:52,630 --> 00:10:50,880
phenomenon and I have to think that the

202
00:10:56,510 --> 00:10:52,640
authorities knew about this

203
00:10:59,270 --> 00:10:56,520
that they had to be quite concerned

204
00:11:04,600 --> 00:10:59,280
people were being attacked girls are

205
00:11:11,950 --> 00:11:07,640
approached on the street by this had a

206
00:11:18,100 --> 00:11:11,960
fishbowl head guy it's ridiculous but

207
00:11:20,940 --> 00:11:18,110
in 1945 it was reported that people saw

208
00:11:23,980 --> 00:11:20,950
spring-heeled jack throw a prostitute

209
00:11:28,150 --> 00:11:23,990
over a bridge and she wound up drowning

210
00:11:33,370 --> 00:11:28,160
in a sewer in 1940 in 1845 I'm sorry

211
00:11:36,160 --> 00:11:33,380
1845 then in 1877 he was seen jumping

212
00:11:39,930 --> 00:11:36,170
from building to building with many

213
00:11:43,240 --> 00:11:39,940

different people in that area witnessing

214

00:11:45,100 --> 00:11:43,250

that this guy was up on a roof twirling

215

00:11:47,200 --> 00:11:45,110

about jumping from roof to roof almost

216

00:11:49,780 --> 00:11:47,210

as if he was trying to show off what he

217

00:11:58,240 --> 00:11:54,550

and so the most I guess the the most

218

00:12:04,600 --> 00:11:58,250

impressive what I consider oppressive

219

00:12:08,650 --> 00:12:04,610

encounter was in 1877 where this this

220

00:12:10,870 --> 00:12:08,660

jumpy man was seen by two of the the

221

00:12:13,840 --> 00:12:10,880

green Queens Victoria's redcoats on

222

00:12:17,380 --> 00:12:13,850

guard at a powder magazine facility in

223

00:12:18,640 --> 00:12:17,390

Hampshire he was a approached them was

224

00:12:22,360 --> 00:12:18,650

started jumping up and down like a

225

00:12:24,310 --> 00:12:22,370

lunatic and I don't know if he's trying

226

00:12:26,020 --> 00:12:24,320

to communicate with with these guards

227

00:12:27,460 --> 00:12:26,030

but he was this harassing him I think

228

00:12:29,230 --> 00:12:27,470

the spring-heeled jack was actually just

229

00:12:32,410 --> 00:12:29,240

trying to troll these redcoats

230

00:12:36,220 --> 00:12:32,420

I do not fully understand yeah

231

00:12:40,090 --> 00:12:36,230

so using their martini-henry rifles they

232

00:12:43,180 --> 00:12:40,100

drew on the Spring Heeled jumping man

233

00:12:46,960 --> 00:12:43,190

and they shot at him they cracked off a

234

00:12:48,910 --> 00:12:46,970

couple shots to no effect the bullets

235

00:12:52,990 --> 00:12:48,920

either bounced off of them or failed to

236

00:12:54,970 --> 00:12:53,000

take down this creature they were

237

00:12:58,240 --> 00:12:54,980

brought up on charges they were

238

00:13:00,910 --> 00:12:58,250

court-martial and at the time this is

239

00:13:04,180 --> 00:13:00,920

the since there were so many reports

240

00:13:07,150 --> 00:13:04,190

about the the Spring Heeled Jack the

241

00:13:08,920 --> 00:13:07,160

judge advocate thought it was an

242

00:13:12,670 --> 00:13:08,930

extenuating circumstance and their

243

00:13:14,590 --> 00:13:12,680

soldiers were let go the judge good yeah

244

00:13:16,030 --> 00:13:14,600

the soldiers were thrown in the brig for

245

00:13:18,760 --> 00:13:16,040

the rest of your life he didn't kill the

246

00:13:21,070 --> 00:13:18,770

cryptid yeah or yeah you accidentally

247

00:13:24,520 --> 00:13:21,080

shot somebody you works as supposed to

248

00:13:26,980 --> 00:13:24,530

share with you but the judges actually

249

00:13:29,530 --> 00:13:26,990

sympathize with them and realize that

250

00:13:32,860 --> 00:13:29,540

they were under fear they had injure s

251
00:13:34,690 --> 00:13:32,870
and that firing upon this creature was

252
00:13:37,210 --> 00:13:34,700
well within their right and he totally

253
00:13:39,820 --> 00:13:37,220
understood so a court heard evidence

254
00:13:42,730 --> 00:13:39,830
took it took took into account that

255
00:13:45,520 --> 00:13:42,740
these sightings and the the amount of

256
00:13:49,210 --> 00:13:45,530
fear that it caused was common sense and

257
00:13:51,220 --> 00:13:49,220
so these soldiers firing weapons at this

258
00:13:57,960 --> 00:13:51,230
thing made sense to him so they let let

259
00:14:03,270 --> 00:14:00,870
the one of the last known sighting so it

260
00:14:06,990 --> 00:14:03,280
died off they liked their there were a

261
00:14:11,760 --> 00:14:07,000
few more sightings after 1877 the last

262
00:14:16,140 --> 00:14:11,770
official sighting with was in 1908

263
00:14:19,470 --> 00:14:16,150

I'm sorry 1904 and that was a in

264

00:14:21,360 --> 00:14:19,480

Liverpool which was seen by hundreds of

265

00:14:22,920 --> 00:14:21,370

people and this guy was just kind of

266

00:14:25,800 --> 00:14:22,930

twirling about on the roof probably

267

00:14:28,980 --> 00:14:25,810

doing some kind of Mary Poppins routine

268

00:14:31,380 --> 00:14:28,990

then there's been quite a law and then

269

00:14:34,530 --> 00:14:31,390

the most recent sighting of the Spring

270

00:14:37,320 --> 00:14:34,540

Heeled Jack was in 2012 by a family in

271

00:14:40,770 --> 00:14:37,330

South London while they were in their

272

00:14:43,020 --> 00:14:40,780

car and they just witnessed this figure

273

00:14:45,830 --> 00:14:43,030

bounding off leaping off in the distance

274

00:14:48,960 --> 00:14:45,840

they claimed that was Spring Heeled Jack

275

00:14:52,470 --> 00:14:48,970

so I just find this to be absolutely

276

00:14:55,110 --> 00:14:52,480

fascinating that there is a there's a

277

00:14:57,210 --> 00:14:55,120

basically a masked villain or helmeted

278

00:15:02,100 --> 00:14:57,220

villain going around the streets of

279

00:15:06,480 --> 00:15:02,110

London trying to assault women in the in

280

00:15:09,060 --> 00:15:06,490

the 1830s 40s 50s and I I want III did a

281

00:15:10,410 --> 00:15:09,070

little like just a little research on

282

00:15:12,240 --> 00:15:10,420

Jack the Ripper to see if there's any

283

00:15:15,690 --> 00:15:12,250

correlation at all as soon as I read

284

00:15:18,510 --> 00:15:15,700

that this spring-heeled Jack was accused

285

00:15:21,800 --> 00:15:18,520

of killing a prostitute almost like is

286

00:15:24,930 --> 00:15:21,810

there any connection to Jack the Ripper

287

00:15:26,970 --> 00:15:24,940

and I couldn't find much other than that

288

00:15:31,590 --> 00:15:26,980

some of the sightings of spring-heeled

289

00:15:34,860 --> 00:15:31,600

Jack did they happened within about an

290

00:15:39,230 --> 00:15:34,870

hour or two hour walk to some of the

291

00:15:41,690 --> 00:15:39,240

murders that happened in the 1880s that

292

00:15:44,850 --> 00:15:41,700

were attributed to Jack the Ripper

293

00:15:48,600 --> 00:15:44,860

apparently eight Jack the Ripper

294

00:15:52,230 --> 00:15:48,610

operated between 1888 and 1891 yeah yeah

295

00:15:57,120 --> 00:15:52,240

not a long time but this spring hill

296

00:16:01,260 --> 00:15:57,130

Jack I operated from 1830s to the late

297

00:16:04,770 --> 00:16:01,270

18-hundreds 1904 and I just wondered

298

00:16:06,510 --> 00:16:04,780

like I can't find any correlation

299

00:16:09,030 --> 00:16:06,520

there's no there's there's none to be

300

00:16:11,880 --> 00:16:09,040

had other than the general location that

301
00:16:13,170 --> 00:16:11,890
this happened in London there and some

302
00:16:18,360 --> 00:16:13,180
of the sightings of spring-heeled Jack

303
00:16:21,480 --> 00:16:18,370
South London and most of the Jack the

304
00:16:24,329 --> 00:16:21,490
Ripper happened in a very fairly

305
00:16:26,190 --> 00:16:24,339
confined area that was only about two

306
00:16:28,070 --> 00:16:26,200
hours maybe three hours away from some

307
00:16:31,260 --> 00:16:28,080
of the sightings of spring-heeled Jack

308
00:16:33,870 --> 00:16:31,270
and I although I don't know enough of

309
00:16:36,840 --> 00:16:33,880
the rumors around Jack the Ripper some

310
00:16:39,660 --> 00:16:36,850
people said it was a royal maybe a

311
00:16:41,790 --> 00:16:39,670
surgeon but when you had

312
00:16:44,580 --> 00:16:41,800
ports of the spring-heeled Jack having

313
00:16:47,820 --> 00:16:44,590

knife like pointy fingers and has been

314

00:16:50,100 --> 00:16:47,830

rumoured that Jack the Ripper used a

315

00:16:52,140 --> 00:16:50,110

straight razor or very precise instant

316

00:16:54,240 --> 00:16:52,150

instruments to do his killing

317

00:16:55,890 --> 00:16:54,250

I am I want to make a leap in logic

318

00:17:00,900 --> 00:16:55,900

although I have absolutely no evidence

319

00:17:04,949 --> 00:17:02,819

we got any opinions on that I've told

320

00:17:07,949 --> 00:17:04,959

you so far this is it's it's incredibly

321

00:17:12,390 --> 00:17:07,959

bizarre to have a magic costume

322

00:17:14,100 --> 00:17:12,400

character do do these crimes honestly it

323

00:17:16,169 --> 00:17:14,110

kind of sounds like the Jersey Devil how

324

00:17:17,730 --> 00:17:16,179

it just jumps around people see it it's

325

00:17:19,319 --> 00:17:17,740

going from roof to roof or bounding

326

00:17:22,319 --> 00:17:19,329

around what was it insured I had to look

327

00:17:26,100 --> 00:17:22,329

that up the Jersey Devil Jersey Devil

328

00:17:30,060 --> 00:17:26,110

well it kind of makes me wonder if there

329

00:17:32,000 --> 00:17:30,070

is if the human consciousness and the

330

00:17:36,180 --> 00:17:32,010

human imagination of that time period

331

00:17:38,010 --> 00:17:36,190

directly impacts a type of paranormal

332

00:17:40,860 --> 00:17:38,020

activities you will have since these

333

00:17:42,750 --> 00:17:40,870

people the science fiction really wasn't

334

00:17:45,330 --> 00:17:42,760

a thing at the time there's not a lot of

335

00:17:48,330 --> 00:17:45,340

people like reading science fiction or

336

00:17:51,299 --> 00:17:48,340

fiction like that like fantastical ideas

337

00:17:55,350 --> 00:17:51,309

that the that these paranormal creatures

338

00:18:00,779 --> 00:17:55,360

or entities can only make themselves

339

00:18:04,620 --> 00:18:00,789

appear to what the common conception of

340

00:18:07,850 --> 00:18:04,630

of of the reality is so you saw a person

341

00:18:11,760 --> 00:18:07,860

with a fishbowl head with a cloak and

342

00:18:13,350 --> 00:18:11,770

and some weird fingers okay that that's

343

00:18:16,980 --> 00:18:13,360

conceivable in that day and age of the

344

00:18:19,130 --> 00:18:16,990

of the 1800s but as you as you go on the

345

00:18:22,020 --> 00:18:19,140

the paranormal encounters like UFOs

346

00:18:25,440 --> 00:18:22,030

get more complex they become much more

347

00:18:27,930 --> 00:18:25,450

futuristic or silvery I just wonder if

348

00:18:30,870 --> 00:18:27,940

there's a correlation with time period

349

00:18:33,930 --> 00:18:30,880

versus paranormal encounters and if the

350

00:18:37,950 --> 00:18:33,940

technology moves in the interaction

351
00:18:40,529 --> 00:18:37,960
moves because of people's conception

352
00:18:42,450 --> 00:18:40,539
ation of what they think is possible I

353
00:18:44,909 --> 00:18:42,460
got to believe the human consciousness

354
00:18:46,140 --> 00:18:44,919
plays into this a little bit I'll put

355
00:18:48,750 --> 00:18:46,150
the phone lines would open six point

356
00:18:51,600 --> 00:18:48,760
four three eight eight nine 109 if you

357
00:18:53,730 --> 00:18:51,610
guys want to give a call in and it looks

358
00:18:56,460 --> 00:18:53,740
like the New Jersey Devil started out as

359
00:18:58,500 --> 00:18:56,470
a legend I don't know in the late 1700s

360
00:19:02,399 --> 00:18:58,510
in the area of New Jersey eastern

361
00:19:03,690 --> 00:19:02,409
Pennsylvania couple leads devil and it

362
00:19:05,700 --> 00:19:03,700
was but the main sightings looks like

363
00:19:08,700 --> 00:19:05,710

we're in 1909 so a similar type of

364

00:19:11,730 --> 00:19:08,710

creature I guess kind of sighted over in

365

00:19:12,330 --> 00:19:11,740

the u.s. throughout the 1800s through 80

366

00:19:14,190 --> 00:19:12,340

hundreds

367

00:19:14,700 --> 00:19:14,200

yeah blame for livestock killings and

368

00:19:17,280 --> 00:19:14,710

stuff like

369

00:19:20,070 --> 00:19:17,290

the actual the big hysteria came at

370

00:19:23,280 --> 00:19:20,080

night like

371

00:19:24,480 --> 00:19:23,290

there's a lot of articles on Spring

372

00:19:26,070 --> 00:19:24,490

Heeled Jack needs to type it in and

373

00:19:28,530 --> 00:19:26,080

everything like everything everything I

374

00:19:31,260 --> 00:19:28,540

talked about pretty much pops up on on

375

00:19:34,680 --> 00:19:31,270

Google and you can read all about it

376

00:19:36,150 --> 00:19:34,690

it's just I wanted us one of the one of

377

00:19:38,790 --> 00:19:36,160

the search results they won't filter

378

00:19:41,940 --> 00:19:38,800

good oh yes yeah no but they put this

379

00:19:47,550 --> 00:19:41,950

one straight to the top I want to read

380

00:19:49,020 --> 00:19:47,560

about this this article says yeah Spring

381

00:19:51,810 --> 00:19:49,030

Heeled Jack mainly attacking women the

382

00:19:54,120 --> 00:19:51,820

figure monster would ring a doorbell and

383

00:19:55,890 --> 00:19:54,130

when someone would answer it would

384

00:19:57,660 --> 00:19:55,900

ravage their clothes with its claws

385

00:19:59,520 --> 00:19:57,670

other sightings have him simply

386

00:20:01,920 --> 00:19:59,530

ambushing people who were out walking

387

00:20:03,900 --> 00:20:01,930

someone reports continued to trickle in

388

00:20:05,430 --> 00:20:03,910

throughout the rest of year with strange

389

00:20:08,070 --> 00:20:05,440

crimes being attributed to the

390

00:20:12,450 --> 00:20:08,080

assailants in the guise of a ghost a

391

00:20:14,190 --> 00:20:12,460

bear or a devil these disparate reports

392

00:20:16,410 --> 00:20:14,200

would eventually lead to the theory that

393

00:20:19,050 --> 00:20:16,420

this mysterious monster might have been

394

00:20:21,060 --> 00:20:19,060

a group of well-to-do men dressing up

395

00:20:24,060 --> 00:20:21,070

and scaring people on a bet other

396

00:20:28,920 --> 00:20:24,070

reports other reported the figure as

397

00:20:31,410 --> 00:20:28,930

wearing red shoes or armor I've heard

398

00:20:33,510 --> 00:20:31,420

like some people try it like they

399

00:20:36,450 --> 00:20:33,520

thought that well this this guy could

400

00:20:39,000 --> 00:20:36,460

leap so high and far because he had some

401
00:20:43,970 --> 00:20:39,010
sort of pneumatic or Springs loaded in

402
00:20:46,680 --> 00:20:43,980
his boots propelling them up and over

403
00:20:49,380 --> 00:20:46,690
like walls like some sort of like

404
00:20:51,480 --> 00:20:49,390
flubber or something it

405
00:20:54,420 --> 00:20:51,490
steampunk Jack yeah like some sort of

406
00:20:56,010 --> 00:20:54,430
steampunk invention and I I did read

407
00:20:58,130 --> 00:20:56,020
reports that there were I believe

408
00:21:00,150 --> 00:20:58,140
certain German officers that

409
00:21:02,280 --> 00:21:00,160
paratroopers that would put Springs in

410
00:21:04,560 --> 00:21:02,290
their shoes when they would drop out of

411
00:21:07,170 --> 00:21:04,570
planes but I could not find any reports

412
00:21:09,150 --> 00:21:07,180
of anybody successfully making a

413
00:21:14,100 --> 00:21:09,160

contraption like this like it was some

414

00:21:15,390 --> 00:21:14,110

sort of weird movie I'll read the rest

415

00:21:17,880 --> 00:21:15,400

of this this is kind of do a follow up

416

00:21:19,620 --> 00:21:17,890

on just to read down what this article

417

00:21:21,720 --> 00:21:19,630

has to say about Spring Heeled Jack Jack

418

00:21:23,750 --> 00:21:21,730

really took shape after two of his most

419

00:21:25,980 --> 00:21:23,760

well known attacks according to an

420

00:21:30,660 --> 00:21:25,990

account that was widely publicized a

421

00:21:32,400 --> 00:21:30,670

time February 1838 then a man rang the

422

00:21:33,600 --> 00:21:32,410

door of Jane Alsop that's what I was I

423

00:21:35,489 --> 00:21:33,610

talked about

424

00:21:37,769 --> 00:21:35,499

just days days later another attack took

425

00:21:39,989 --> 00:21:37,779

place in a different part London Lucy

426

00:21:42,539 --> 00:21:39,999

scales is walking with her sisters when

427

00:21:46,169 --> 00:21:42,549

a shadowy man jumped out and also

428

00:21:48,810 --> 00:21:46,179

allegedly blew blue flames into her face

429

00:21:50,970 --> 00:21:48,820

causing her to have some sort of seizure

430

00:21:52,830 --> 00:21:50,980

which I didn't read in the ayah of the

431

00:21:54,690 --> 00:21:52,840

two books I had while many of the

432

00:21:57,210 --> 00:21:54,700

initial reports of Jack's attacks took

433

00:22:01,320 --> 00:21:57,220

place in outlying Hamlet's and villages

434

00:22:02,759 --> 00:22:01,330

both of the the al subs and scales cases

435

00:22:04,940 --> 00:22:02,769

took place closer to the city and

436

00:22:07,710 --> 00:22:04,950

received a great deal more attention

437

00:22:10,409 --> 00:22:07,720

stoking the fires of spring-heeled

438

00:22:14,159 --> 00:22:10,419

Jack's legend their testimonies also

439

00:22:19,200 --> 00:22:14,169

informed what would become his popular

440

00:22:21,359 --> 00:22:19,210

look of a gentlemanly devil figure so

441

00:22:23,669 --> 00:22:21,369

what are there any reports of what the

442

00:22:29,369 --> 00:22:23,679

Jersey Devil looks like other than oh

443

00:22:31,409 --> 00:22:29,379

yeah it was like it had bat wings like

444

00:22:33,720 --> 00:22:31,419

horseshoes it was like long kind of like

445

00:22:37,580 --> 00:22:33,730

a body like kind of like a crane but

446

00:22:42,060 --> 00:22:37,590

have a go a horse ish kind of head I'm

447

00:22:44,609 --> 00:22:42,070

going off him yeah sure Krejci can find

448

00:22:46,379 --> 00:22:44,619

the classic picture of the Jersey Devil

449

00:22:48,479 --> 00:22:46,389

he just type it in the Google come right

450

00:22:50,700 --> 00:22:48,489

up he wants to show it and whatever you

451

00:22:53,399 --> 00:22:50,710

call that image live in these yes Kris

452

00:22:57,599 --> 00:22:53,409

is doing live images and he's that he's

453

00:22:59,549 --> 00:22:57,609

down there and the cameras on yes it's

454

00:23:01,769 --> 00:22:59,559

just pointed at the ceiling yeah it's

455

00:23:02,820 --> 00:23:01,779

looking in my closets yeah isn't I

456

00:23:04,019 --> 00:23:02,830

thought that's what you wanted I thought

457

00:23:05,340 --> 00:23:04,029

you want to show everyone your closet

458

00:23:09,539 --> 00:23:05,350

yeah that's fine

459

00:23:11,159 --> 00:23:09,549

I get to over there oh right it's just

460

00:23:14,430 --> 00:23:11,169

one four three eight eight nine 100 mm

461

00:23:17,789 --> 00:23:14,440

you guys know some more about this bring

462

00:23:20,220 --> 00:23:17,799

he'll bring down the Jersey Devil it is

463

00:23:23,680 --> 00:23:20,230

David putty oh yes it is David David

464

00:23:26,799 --> 00:23:23,690

putty of Seinfeld yes

465

00:23:28,450 --> 00:23:26,809

there we go let's

466

00:23:31,529 --> 00:23:28,460

let's move on to some other stuff how

467

00:23:37,859 --> 00:23:34,919

a crying baby sure let's let's do this

468

00:23:39,290 --> 00:23:37,869

oh yeah how about a little clown action

469

00:23:45,220 --> 00:23:39,300

huh come on we're gonna transition over

470

00:23:50,680 --> 00:23:45,230

[Music]

471

00:23:55,750 --> 00:23:50,690

I do not fully understand oh yeah oh

472

00:23:58,659 --> 00:23:55,760

yeah well I got some more stories for

473

00:24:02,289 --> 00:23:58,669

everyone out there most definitely we're

474

00:24:05,799 --> 00:24:02,299

gonna get into some UFO stuff get into

475

00:24:09,310 --> 00:24:05,809

some UFO stuff I talked about this next

476

00:24:10,690 --> 00:24:09,320

story on the last OBD MC I just didn't

477

00:24:12,600 --> 00:24:10,700

have time to get I didn't have time to

478

00:24:16,090 --> 00:24:12,610

get to it alright

479

00:24:19,539 --> 00:24:16,100

just couldn't get to get to this and

480

00:24:25,169 --> 00:24:19,549

this is a extraterrestrial stele about

481

00:24:29,799 --> 00:24:25,179

40,000 liters of water okay they need it

482

00:24:31,480 --> 00:24:29,809

have that water yes I can't even

483

00:24:36,460 --> 00:24:31,490

pronounce but this is this comes from

484

00:24:41,470 --> 00:24:36,470

the South American Hispanic you you fo

485

00:24:46,360 --> 00:24:41,480

ology website and I'm not even sure

486

00:24:47,649 --> 00:24:46,370

where this is at all oh all over I don't

487

00:24:49,810 --> 00:24:47,659

know I'm not getting pronounced I'm not

488

00:25:00,490 --> 00:24:49,820

gonna even try to pronounce this aloe

489

00:25:03,600 --> 00:25:00,500

vera aloe vera all right see I wish I

490

00:25:08,039 --> 00:25:03,610

could pronounce it's in Buenos Aires and

491

00:25:13,600 --> 00:25:08,049

so it's right there in your Buenos Aires

492

00:25:16,389 --> 00:25:13,610

so for many days the owners of the

493

00:25:17,830 --> 00:25:16,399

properties located in this district had

494

00:25:20,649 --> 00:25:17,840

been exchanging remarks on the

495

00:25:24,610 --> 00:25:20,659

appearances of black circles formed by a

496

00:25:27,879 --> 00:25:24,620

fine layer of ash over the grass not far

497

00:25:30,370 --> 00:25:27,889

from swimming pools upon touch the ash

498

00:25:32,710 --> 00:25:30,380

was smooth in rubbery what was on was

499

00:25:36,940 --> 00:25:32,720

the disturbance of the circles formed

500

00:25:38,710 --> 00:25:36,950

perfectly equilateral triangles we have

501
00:25:41,830 --> 00:25:38,720
seen in our possession a certain amount

502
00:25:43,480 --> 00:25:41,840
of the grass affected by this ash which

503
00:25:45,250 --> 00:25:43,490
shall be submitted to scientific

504
00:25:48,850 --> 00:25:45,260
scrutiny at first glance it appeared it

505
00:25:54,970 --> 00:25:48,860
to be impregnated by a soft extremely

506
00:25:57,519 --> 00:25:54,980
fragile dust in that is non-greasy and

507
00:25:59,180 --> 00:25:57,529
it does not adhere to paper or even

508
00:26:00,710 --> 00:25:59,190
itself

509
00:26:03,560 --> 00:26:00,720
close the closest thing that comes to

510
00:26:05,690 --> 00:26:03,570
mind is pulverized graphite in any case

511
00:26:09,500 --> 00:26:05,700
its presence at this location is wholly

512
00:26:11,510 --> 00:26:09,510
in explicitly inexplicable as it there

513
00:26:14,420 --> 00:26:11,520

are no industrial facilities nearby that

514

00:26:16,640 --> 00:26:14,430

could be sourced and even such a

515

00:26:21,260 --> 00:26:16,650

facility existed we cannot visually see

516

00:26:23,750 --> 00:26:21,270

how would fall would form repetitively

517

00:26:27,350 --> 00:26:23,760

circle geometric shapes without giving

518

00:26:29,180 --> 00:26:27,360

light to fancy so just for the chat

519

00:26:30,800 --> 00:26:29,190

that's all I can move the camera it's a

520

00:26:32,570 --> 00:26:30,810

mountain it's in a laptop mount and all

521

00:26:34,070 --> 00:26:32,580

I can do is go up and down yeah there

522

00:26:36,200 --> 00:26:34,080

you go you can see my chair and part of

523

00:26:37,700 --> 00:26:36,210

my head yeah there's nothing going on

524

00:26:40,400 --> 00:26:37,710

there check come on you know you don't

525

00:26:45,050 --> 00:26:40,410

get to see everything you got c-clown

526
00:26:47,750 --> 00:26:45,060
baby please so when it comes to the

527
00:26:49,580 --> 00:26:47,760
these black circles near the swimming

528
00:26:51,980 --> 00:26:49,590
pools the swimming pools were

529
00:26:53,690 --> 00:26:51,990
mysteriously drains something that came

530
00:26:56,090 --> 00:26:53,700
out of the sky descended upon the earth

531
00:26:57,710 --> 00:26:56,100
and took as much water as it could local

532
00:26:59,990 --> 00:26:57,720
residents had already noticed missing

533
00:27:02,980 --> 00:27:00,000
water from their pools but questioned

534
00:27:05,930 --> 00:27:02,990
their calculations or ascribed to it

535
00:27:10,790 --> 00:27:05,940
small fractures that all the cemented

536
00:27:13,250 --> 00:27:10,800
pools were afflicted with but things got

537
00:27:16,400 --> 00:27:13,260
out of hand when a pool belonging to the

538
00:27:20,450 --> 00:27:16,410

employee the employee club of the Wanaka

539

00:27:22,820 --> 00:27:20,460

national branch i guess some national

540

00:27:25,670 --> 00:27:22,830

branch was completely drained of 40,000

541

00:27:27,230 --> 00:27:25,680

litres of water and that's where we

542

00:27:31,220 --> 00:27:27,240

started our investigation of course on

543

00:27:32,900 --> 00:27:31,230

the 6th of february 1983 massively

544

00:27:35,180 --> 00:27:32,910

equipped with all still cameras

545

00:27:38,090 --> 00:27:35,190

recording channels of video and audio

546

00:27:40,580 --> 00:27:38,100

recording gear we reported to the the

547

00:27:42,740 --> 00:27:40,590

bank branch in question where we met

548

00:27:47,180 --> 00:27:42,750

with great difference by the the bank

549

00:27:51,340 --> 00:27:47,190

officials and staff so these guys were

550

00:27:55,460 --> 00:27:51,350

sent out on a mission to investigate

551
00:27:57,350 --> 00:27:55,470
what took 40,000 liters of water asked

552
00:28:01,400 --> 00:27:57,360
after they're already reports of water

553
00:28:07,490 --> 00:28:01,410
disappearing in a neighborhood from from

554
00:28:09,470 --> 00:28:07,500
other other people so they they go on so

555
00:28:11,690 --> 00:28:09,480
the conclusion of this after they did

556
00:28:13,040 --> 00:28:11,700
all their measuring after they did all

557
00:28:15,110 --> 00:28:13,050
their instrument reading

558
00:28:18,500 --> 00:28:15,120
this case will unquestionably enter UFO

559
00:28:20,330 --> 00:28:18,510
case histories as a classic and merits

560
00:28:23,299 --> 00:28:20,340
on being quoted by researchers worldwide

561
00:28:25,840 --> 00:28:23,309
it offers no target for nay sees his

562
00:28:29,470 --> 00:28:25,850
purpose his positive nature is

563
00:28:32,660 --> 00:28:29,480

impressive and can be summarized as thus

564

00:28:35,570 --> 00:28:32,670

qualified witnesses who attest to the in

565

00:28:37,610 --> 00:28:35,580

explicit loss of 40,000 litres of water

566

00:28:40,940 --> 00:28:37,620

from a swimming pool in a single night

567

00:28:43,160 --> 00:28:40,950

over five Lin owners reported

568

00:28:46,180 --> 00:28:43,170

manifestations of black circles the

569

00:28:49,280 --> 00:28:46,190

existence of Geo men geomagnetic alter

570

00:28:51,710 --> 00:28:49,290

alterations in at least one of the

571

00:28:56,590 --> 00:28:51,720

locations of the black circles a clear

572

00:28:59,330 --> 00:28:56,600

clear in blunt statement from a priest

573

00:29:02,270 --> 00:28:59,340

concerning the sighting of UFOs larger

574

00:29:05,480 --> 00:29:02,280

than a soccer ball self aluminous with

575

00:29:08,620 --> 00:29:05,490

powerful white light a clear and concise

576

00:29:12,680 --> 00:29:08,630

reference by a priest to the existential

577

00:29:15,110 --> 00:29:12,690

superiors superior who was encounter

578

00:29:18,830 --> 00:29:15,120

encountered three light sources of

579

00:29:22,940 --> 00:29:18,840

various colors and unknown province

580

00:29:24,919 --> 00:29:22,950

while fishing so just a weird I'll put

581

00:29:27,890 --> 00:29:24,929

this uh just linked up and it's uh this

582

00:29:31,070 --> 00:29:27,900

a long long report I'll put this up in

583

00:29:33,470 --> 00:29:31,080

the the notes for this investigation

584

00:29:36,799 --> 00:29:33,480

it's a long report it's just impressive

585

00:29:38,390 --> 00:29:36,809

that being able to measure something and

586

00:29:40,970 --> 00:29:38,400

they had that 40,000 litres of water

587

00:29:43,010 --> 00:29:40,980

missing my god we better blow whatever

588

00:29:45,350 --> 00:29:43,020

is down there before it blows us yes

589

00:29:48,650 --> 00:29:45,360

where you say come on baby no I just

590

00:29:50,299 --> 00:29:48,660

like goes maybe just translated like

591

00:29:54,740 --> 00:29:50,309

yeah it's about it's it's it's

592

00:29:57,190 --> 00:29:54,750

translated from Portuguese yeah it's

593

00:30:03,779 --> 00:29:57,200

translated from Portuguese my apologies

594

00:30:06,670 --> 00:30:03,789

right yes right I got another story here

595

00:30:10,510 --> 00:30:06,680

another story gonna see here

596

00:30:13,880 --> 00:30:10,520

if spaceforce won't fight aliens who the

597

00:30:22,080 --> 00:30:19,620

um who the hell will hopefully we get

598

00:30:23,670 --> 00:30:22,090

those shoes on Zilla her Martha Martha I

599

00:30:25,350 --> 00:30:23,680

can be deployed I think and deploy uh

600

00:30:26,970 --> 00:30:25,360

Captain Planet I believe as well

601
00:30:29,730 --> 00:30:26,980
well the aliens built a giant bonfire

602
00:30:33,120 --> 00:30:29,740
and the Mothra mm-hmm

603
00:30:35,010 --> 00:30:33,130
she multi just fly towards this pod last

604
00:30:37,440 --> 00:30:35,020
week military news sites task and

605
00:30:39,720 --> 00:30:37,450
purpose conformed confirmed a disturbing

606
00:30:41,790 --> 00:30:39,730
fact the newly created us space force

607
00:30:43,920 --> 00:30:41,800
has no intention of fighting aliens

608
00:30:46,170 --> 00:30:43,930
despite the recent uptick in milt of

609
00:30:52,170 --> 00:30:46,180
military UFO sightings the Pentagon

610
00:30:55,170 --> 00:30:52,180
appears on the Pentagon Pentagon appears

611
00:30:57,450 --> 00:30:55,180
uninterested at least officially in pot

612
00:31:00,840 --> 00:30:57,460
and the possibility of hostile aliens

613
00:31:03,720 --> 00:31:00,850

but if an alien valent alien invasion

614

00:31:05,250 --> 00:31:03,730

does take place which arm of the

615

00:31:08,640 --> 00:31:05,260

Pentagon would respond the answer

616

00:31:10,590 --> 00:31:08,650

probably all of them during a recent

617

00:31:12,140 --> 00:31:10,600

Pentagon roundtable task and purpose

618

00:31:16,560 --> 00:31:12,150

Pentagon's

619

00:31:19,290 --> 00:31:16,570

Pentagon reporter Jeff Scoville asked if

620

00:31:22,460 --> 00:31:19,300

space force is concerned about threats

621

00:31:26,990 --> 00:31:22,470

posed by extraterrestrial intelligences

622

00:31:29,520 --> 00:31:27,000

the official answer he got back was no

623

00:31:32,040 --> 00:31:29,530

Gogol's question was asked with tongue

624

00:31:33,560 --> 00:31:32,050

firmly planted in his cheek why well

625

00:31:36,150 --> 00:31:33,570

that's that's a perfectly valid question

626
00:31:38,760 --> 00:31:36,160
like if you have a space force and weave

627
00:31:41,100 --> 00:31:38,770
ink if we encounter like aliens out

628
00:31:44,070 --> 00:31:41,110
there that are hostile would space force

629
00:31:45,960 --> 00:31:44,080
fight them I think that's a valid

630
00:31:49,290 --> 00:31:45,970
question why would he have to ask like

631
00:31:51,030 --> 00:31:49,300
that as a goofy question no the aliens

632
00:31:53,240 --> 00:31:51,040
control us well then we fight our

633
00:31:55,950 --> 00:31:53,250
overlords and the Pentagon should

634
00:31:57,870 --> 00:31:55,960
responded back we don't know we don't

635
00:32:01,620 --> 00:31:57,880
know if we would fight them they but

636
00:32:03,090 --> 00:32:01,630
they flat out said no like they've

637
00:32:04,710 --> 00:32:03,100
already met the aliens and they know

638
00:32:11,270 --> 00:32:04,720

that we can't fight them or we don't

639

00:32:13,890 --> 00:32:11,280

want to fight them yes yes but the

640

00:32:15,510 --> 00:32:13,900

revelations last year that the US Navy

641

00:32:18,930 --> 00:32:15,520

fighter jets encountered alleged UFO

642

00:32:21,150 --> 00:32:18,940

craft in 2004 and 2015 in both instances

643

00:32:23,430 --> 00:32:21,160

appeared appearing on radar in leaving

644

00:32:27,060 --> 00:32:23,440

behind no leaving behind video evidence

645

00:32:27,779 --> 00:32:27,070

makes one wonder if the unidentified

646

00:32:29,639 --> 00:32:27,789

flying

647

00:32:31,859 --> 00:32:29,649

described by Navy pilots as well as

648

00:32:34,139 --> 00:32:31,869

military and civilian personnel for the

649

00:32:37,769 --> 00:32:34,149

past 70 years are really at the

650

00:32:41,219 --> 00:32:37,779

terrestrial in origin and unfriendly how

651
00:32:45,080 --> 00:32:41,229
could the Pentagon deal with them we

652
00:32:47,549 --> 00:32:45,090
don't know yes yes they don't know if

653
00:32:50,489 --> 00:32:47,559
UFOs suddenly descend from the skies

654
00:32:52,229 --> 00:32:50,499
toasting the Statue of Liberty then the

655
00:32:54,389 --> 00:32:52,239
Great Mall of America and the Golden

656
00:32:56,369 --> 00:32:54,399
Gate Bridge with death rays the Pentagon

657
00:32:58,590 --> 00:32:56,379
would need to convey some sort of study

658
00:33:01,499 --> 00:32:58,600
group to quickly determine what kind of

659
00:33:03,119 --> 00:33:01,509
threat it was dealing with if that

660
00:33:05,399 --> 00:33:03,129
happens forget about the Air Force well

661
00:33:06,839 --> 00:33:05,409
if you know what kind of threat they're

662
00:33:10,139 --> 00:33:06,849
dealing with if they're able to melt

663
00:33:11,549 --> 00:33:10,149

bridges and the Statue of Liberty so

664

00:33:13,499 --> 00:33:11,559

this this this [h__h] from the

665

00:33:18,060 --> 00:33:13,509

Pentagon that they wouldn't fight back

666

00:33:20,279 --> 00:33:18,070

is just that absolute BS they won't want

667

00:33:23,909 --> 00:33:20,289

they to say back yeah we were developing

668

00:33:25,859 --> 00:33:23,919

some sort of defensive capability such

669

00:33:27,029 --> 00:33:25,869

stick up their ass people they just

670

00:33:30,269 --> 00:33:27,039

don't want admit it because they're just

671

00:33:32,009 --> 00:33:30,279

a bunch of no dicks in the mud I would

672

00:33:34,049 --> 00:33:32,019

have to assume at this point or they

673

00:33:37,049 --> 00:33:34,059

know more who knows I gotta assume that

674

00:33:40,139 --> 00:33:37,059

they know more at this point and that it

675

00:33:42,359 --> 00:33:40,149

scares the [h__h] out of them yes probably

676
00:33:46,619 --> 00:33:42,369
they can't say yeah we we've identified

677
00:33:47,729 --> 00:33:46,629
that that these UFOs are altered ultra

678
00:33:49,349 --> 00:33:47,739
terrestrials they live between

679
00:33:51,330 --> 00:33:49,359
dimensions and they have an technology

680
00:33:53,129 --> 00:33:51,340
there's an so incredible and fascinating

681
00:33:55,739 --> 00:33:53,139
that we can't even comprehend it so

682
00:33:57,989 --> 00:33:55,749
there we won't even be fighting them all

683
00:34:06,330 --> 00:33:57,999
right like a man yeah please fight like

684
00:34:08,339 --> 00:34:06,340
a man bill I could go on and on yeah if

685
00:34:09,960 --> 00:34:08,349
they said going on say if that happens

686
00:34:13,109 --> 00:34:09,970
forget about the Air Force ironically

687
00:34:17,430 --> 00:34:13,119
the service that would most likely lead

688
00:34:19,710 --> 00:34:17,440

the way is the US Navy why the Navy

689

00:34:22,049 --> 00:34:19,720

aliens would likely come from vast

690

00:34:24,720 --> 00:34:22,059

distances traveling light-years in long

691

00:34:26,879 --> 00:34:24,730

distance voyages to smash puny humans

692

00:34:30,299 --> 00:34:26,889

the US Navy is unique among the services

693

00:34:32,490 --> 00:34:30,309

in planning similar though much much

694

00:34:34,530 --> 00:34:32,500

shorter voyages both submarines and UFOs

695

00:34:36,990 --> 00:34:34,540

deal with pressure in the case of

696

00:34:38,789 --> 00:34:37,000

submarines the pressure is the on the

697

00:34:41,010 --> 00:34:38,799

outside while in space the pressure is

698

00:34:42,899 --> 00:34:41,020

on the inside of the vehicles

699

00:34:45,060 --> 00:34:42,909

so from an operational technical

700

00:34:46,980 --> 00:34:45,070

standpoint aliens and sailors would have

701
00:34:49,290 --> 00:34:46,990
a few things in common so yeah we're

702
00:34:51,740 --> 00:34:49,300
gonna have send up our finest seaman to

703
00:34:54,180 --> 00:34:51,750
take care of the alien threats I suppose

704
00:34:57,120 --> 00:34:54,190
there is another reason that the the

705
00:34:59,490 --> 00:34:57,130
Navy might take the lead 71% of the

706
00:35:03,000 --> 00:34:59,500
earth's surface is covered by water and

707
00:35:05,580 --> 00:35:03,010
if aliens operate from from water

708
00:35:09,990 --> 00:35:05,590
remember the that the 2004 citing

709
00:35:12,870 --> 00:35:10,000
include reports of a 737 size object on

710
00:35:14,700 --> 00:35:12,880
the surface of an ocean of the ocean the

711
00:35:17,070 --> 00:35:14,710
Navy is unique in having manned aircraft

712
00:35:19,650 --> 00:35:17,080
surface ships and submarines prowling

713
00:35:22,530 --> 00:35:19,660

above on and below the surface of the

714

00:35:25,170 --> 00:35:22,540

ocean the Navy could sail to the most

715

00:35:26,940 --> 00:35:25,180

remote locations of the world establish

716

00:35:29,730 --> 00:35:26,950

some military presence for a week or a

717

00:35:32,850 --> 00:35:29,740

month to investigate and monitor the

718

00:35:35,400 --> 00:35:32,860

enemy activity so that makes sense and

719

00:35:38,700 --> 00:35:35,410

plus the United States is isn't the the

720

00:35:40,830 --> 00:35:38,710

Navy is its it's the second oldest

721

00:35:47,099 --> 00:35:40,840

branch of the military right behind the

722

00:35:53,640 --> 00:35:51,120

if humans could Laurel lure aliens into

723

00:35:56,339 --> 00:35:53,650

a set piece battle the air force could

724

00:35:59,309 --> 00:35:56,349

bring in a lot of firepower but we don't

725

00:36:00,930 --> 00:35:59,319

want to do that I mean would we just

726
00:36:04,019 --> 00:36:00,940
have to assume at that point if they're

727
00:36:05,609 --> 00:36:04,029
traveling millions of light-years just

728
00:36:06,859 --> 00:36:05,619
millions of miles how about that how

729
00:36:09,839 --> 00:36:06,869
about if they're just coming from Mars

730
00:36:13,620 --> 00:36:09,849
if it is coming from Mars they have

731
00:36:16,259 --> 00:36:13,630
superior technology and so we'd have to

732
00:36:18,749 --> 00:36:16,269
start negotiations right away well we

733
00:36:20,630 --> 00:36:18,759
could send a bunch of Rovers yeah we

734
00:36:24,479 --> 00:36:20,640
could send up a bunch of Mars rovers a

735
00:36:25,949 --> 00:36:24,489
suicide rover right we'll have them go

736
00:36:28,680 --> 00:36:25,959
all the way driving right at the alien

737
00:36:31,140 --> 00:36:28,690
base and Mars going like maybe about a

738
00:36:33,839 --> 00:36:31,150

mile a month I don't think it's gonna

739

00:36:35,009 --> 00:36:33,849

happen no everyone's slower than that if

740

00:36:36,660 --> 00:36:35,019

you look at their course like they

741

00:36:39,200 --> 00:36:36,670

covered like it was something stupid you

742

00:36:43,750 --> 00:36:41,450

yeah 30 30 miles in 20 years or

743

00:36:46,640 --> 00:36:43,760

something where we're technologically

744

00:36:49,490 --> 00:36:46,650

like you're behind anything that goes on

745

00:36:51,290 --> 00:36:49,500

in them I've been listening to through

746

00:36:52,670 --> 00:36:51,300

some talks about about this I'll

747

00:36:55,160 --> 00:36:52,680

probably touch on in some future

748

00:37:00,250 --> 00:36:55,170

episodes of obdam of just what the

749

00:37:02,590 --> 00:37:00,260

military might know and that there are

750

00:37:04,640 --> 00:37:02,600

what you'd consider just

751
00:37:07,370 --> 00:37:04,650
extraterrestrials from outside of our

752
00:37:09,350 --> 00:37:07,380
solar system like us but just like

753
00:37:11,930 --> 00:37:09,360
thousands of years more advanced and

754
00:37:14,240 --> 00:37:11,940
then there are entities that are inter

755
00:37:15,470 --> 00:37:14,250
dimensional in nature and I don't know

756
00:37:18,980 --> 00:37:15,480
if they can really tell the difference

757
00:37:22,640 --> 00:37:18,990
between the two and if we're trying to

758
00:37:24,230 --> 00:37:22,650
deal with interdimensional creatures

759
00:37:26,900 --> 00:37:24,240
that can just kind of dip in and dip out

760
00:37:29,660 --> 00:37:26,910
as they play as they please without like

761
00:37:30,830 --> 00:37:29,670
really using like like technology that

762
00:37:32,750 --> 00:37:30,840
we could recognize it would be

763
00:37:34,850 --> 00:37:32,760

impossible to battle and I don't even

764

00:37:36,950 --> 00:37:34,860

know why you'd want to they're like

765

00:37:38,600 --> 00:37:36,960

living right next to us the entire time

766

00:37:42,340 --> 00:37:38,610

and this got to freak out the military

767

00:37:49,980 --> 00:37:45,080

yeah I mean

768

00:37:56,480 --> 00:37:52,760

biological excerpt

769

00:37:58,940 --> 00:37:56,490

yeah they would both be alien I mean I

770

00:38:01,040 --> 00:37:58,950

guess ultimately you'd care where they'd

771

00:38:03,650 --> 00:38:01,050

come from but distinguishing the

772

00:38:05,089 --> 00:38:03,660

difference and hey hey wait a second

773

00:38:09,010 --> 00:38:05,099

wait a second are you an extra treasure

774

00:38:12,800 --> 00:38:09,020

are you interdimensional no no to both

775

00:38:14,480 --> 00:38:12,810

it would be extremely difficult to

776

00:38:17,150 --> 00:38:14,490

determine one if they're telling the

777

00:38:19,070 --> 00:38:17,160

truth to what their true intentions are

778

00:38:22,400 --> 00:38:19,080

and three if they would even respect us

779

00:38:23,839 --> 00:38:22,410

or respect our our whatever kind of

780

00:38:27,050 --> 00:38:23,849

treaty that we would have to sign with

781

00:38:31,160 --> 00:38:27,060

them or negotiation or some or non

782

00:38:33,859 --> 00:38:31,170

non-aggression pact how would

783

00:38:37,460 --> 00:38:33,869

it would be tough to determine what is

784

00:38:39,529 --> 00:38:37,470

what is real at that point and so I

785

00:38:42,049 --> 00:38:39,539

suspect that the there's multiple

786

00:38:43,519 --> 00:38:42,059

different government studies going on

787

00:38:45,589 --> 00:38:43,529

simultaneously like one was probably

788

00:38:47,569 --> 00:38:45,599

robert bigelow than the other branches

789

00:38:49,940 --> 00:38:47,579

the military had very similar programs

790

00:38:52,430 --> 00:38:49,950

going on and they all came to some sort

791

00:38:55,759 --> 00:38:52,440

of conclusion that we don't know what

792

00:38:58,970 --> 00:38:55,769

the hell is going on and but we got to

793

00:39:01,249 --> 00:38:58,980

build something course that won't fight

794

00:39:05,059 --> 00:39:01,259

aliens or you can't do it or they won't

795

00:39:06,920 --> 00:39:05,069

do it we don't know they I mean there's

796

00:39:09,769 --> 00:39:06,930

only there's only a couple things we can

797

00:39:12,319 --> 00:39:09,779

hope for I hope you dump a lot yes

798

00:39:14,900 --> 00:39:12,329

that's bad hope they do dump a lot space

799

00:39:17,029 --> 00:39:14,910

force you guys traveled all the way over

800

00:39:19,999 --> 00:39:17,039

from Alpha Centauri you guys must have

801
00:39:22,069 --> 00:39:20,009
just [h__h] I hope you dump a lot toys

802
00:39:25,609 --> 00:39:22,079
onboard you're like all the reports from

803
00:39:28,849 --> 00:39:25,619
like area 51 with Bob Lazar and like

804
00:39:30,890 --> 00:39:28,859
being side these UFOs there's no reports

805
00:39:34,099 --> 00:39:30,900
of any toilets being on any of these

806
00:39:36,109 --> 00:39:34,109
UFOs do these guys take craps or dumps

807
00:39:37,519 --> 00:39:36,119
or anything maybe they like designated

808
00:39:39,229 --> 00:39:37,529
cheating always like they have [h__h]

809
00:39:44,450 --> 00:39:39,239
streets in India yeah they got a [h__h]

810
00:39:46,489 --> 00:39:44,460
closet in there yeah dump and I know

811
00:39:48,079 --> 00:39:46,499
it's kind of piled up it's been piled I

812
00:39:50,420 --> 00:39:48,089
mean he gives them traveling for several

813
00:39:57,519 --> 00:39:50,430

light-years you guys gotta be really

814

00:40:00,259 --> 00:39:57,529

backed up there you go yeah I mean

815

00:40:01,849 --> 00:40:00,269

there's no mention of it you actually

816

00:40:07,010 --> 00:40:01,859

ever see they [h__h] in the International

817

00:40:11,620 --> 00:40:08,690

like they had this it's essentially it's

818

00:40:13,550 --> 00:40:11,630

like a vacuum it doesn't like you know

819

00:40:15,230 --> 00:40:13,560

prolapse your calling but you

820

00:40:16,760 --> 00:40:15,240

essentially you [h__h] like you you're

821

00:40:18,080 --> 00:40:16,770

like you're your bowels drinks enough to

822

00:40:22,850 --> 00:40:18,090

push it out of your body but it'll just

823

00:40:24,170 --> 00:40:22,860

you know look there gravity so they had

824

00:40:25,640 --> 00:40:24,180

this kind of vacuum you kind of sit on

825

00:40:29,240 --> 00:40:25,650

and you shoot into and it sucks it into

826

00:40:31,100 --> 00:40:29,250

this like septic thing and essentially

827

00:40:35,240 --> 00:40:31,110

they just uh whenever one of the pods

828

00:40:38,210 --> 00:40:35,250

they switch off crew they like they

829

00:40:39,770 --> 00:40:38,220

packed I think this like other module

830

00:40:40,850 --> 00:40:39,780

they jettison that will burn off on

831

00:40:43,190 --> 00:40:40,860

re-entry when they would go through the

832

00:40:45,080 --> 00:40:43,200

Soyuz so essentially they just pack all

833

00:40:47,090 --> 00:40:45,090

the garbage and [h__\h] and stuff and these

834

00:40:48,620 --> 00:40:47,100

like you know biohazard things from

835

00:40:50,090 --> 00:40:48,630

their [h__\h] back came the put all into

836

00:40:51,740 --> 00:40:50,100

this one storage area on the Soyuz and

837

00:40:54,980 --> 00:40:51,750

they go back they jettison it and just

838

00:40:56,540 --> 00:40:54,990

just burn all that there's a dirty [h__\h]

839

00:41:03,860 --> 00:40:56,550

up in the atmosphere just throw it down

840

00:41:10,220 --> 00:41:03,870

back the earth yeah yeah I want one

841

00:41:11,840 --> 00:41:10,230

actually seems efficient I've a QP when

842

00:41:13,610 --> 00:41:11,850

I was one of these oh can you look up

843

00:41:17,450 --> 00:41:13,620

how much is the space toilet cost I'm

844

00:41:19,790 --> 00:41:17,460

kind of curious I kind of want to know

845

00:41:21,230 --> 00:41:19,800

what I mean

846

00:41:22,340 --> 00:41:21,240

I'm surprised like some eccentric

847

00:41:23,450 --> 00:41:22,350

billionaire has an installed I'm

848

00:41:25,940 --> 00:41:23,460

surprised dicker burg doesn't have a

849

00:41:27,740 --> 00:41:25,950

space toilet in in the the conference

850

00:41:30,620 --> 00:41:27,750

room at the yeah

851
00:41:32,330 --> 00:41:30,630
so really NASA agreed to pay 19 million

852
00:41:33,530 --> 00:41:32,340
dollars for a Russian built toilet

853
00:41:37,310 --> 00:41:33,540
system for the International Space

854
00:41:44,330 --> 00:41:37,320
Station 19 for a [h__\h] vacuum nine

855
00:41:46,070 --> 00:41:44,340
billion 240 million dollars from there's

856
00:41:47,270 --> 00:41:46,080
a on YouTube there's a tour of the

857
00:41:49,390 --> 00:41:47,280
International Space Station look a

858
00:41:51,770 --> 00:41:49,400
half-hour along they one of the

859
00:41:52,820 --> 00:41:51,780
astronauts take you through it I think

860
00:41:54,650 --> 00:41:52,830
that one what that looks like has that

861
00:41:56,060 --> 00:41:54,660
metal cane in the middle and like that

862
00:41:58,640 --> 00:41:56,070
little seat I think that's the actual

863
00:42:00,590 --> 00:41:58,650

one yeah he's had like this little you

864

00:42:02,180 --> 00:42:00,600

know curtain they put up because like

865

00:42:05,000 --> 00:42:02,190

smell kind of stays with you in the

866

00:42:06,950 --> 00:42:05,010

space station like like a big baby wiped

867

00:42:08,480 --> 00:42:06,960

down and you eventually just sit there

868

00:42:11,720 --> 00:42:08,490

stewing and your instinct when you're

869

00:42:15,140 --> 00:42:11,730

doing work Wow Jesus Christ but we don't

870

00:42:17,180 --> 00:42:15,150

know I would I'd love to be an astronaut

871

00:42:19,220 --> 00:42:17,190

it's so I mean the question is still is

872

00:42:21,980 --> 00:42:19,230

there look with these UFOs where their

873

00:42:25,070 --> 00:42:21,990

toilets are do they not need them do

874

00:42:27,710 --> 00:42:25,080

that is biologically in there 19 million

875

00:42:33,020 --> 00:42:27,720

dollars I really got cheap yeah here's

876

00:42:34,750 --> 00:42:33,030

some paper bags yeah aliens we spent all

877

00:42:37,280 --> 00:42:34,760

the money I'm built building UFO on

878

00:42:38,660 --> 00:42:37,290

propulsion we there's no toilets we

879

00:42:43,030 --> 00:42:38,670

forgot about that so you have these

880

00:42:48,520 --> 00:42:45,840

6.43 date 9 109 and those phone lines

881

00:42:50,500 --> 00:42:48,530

for some reason they're open thank you

882

00:42:58,870 --> 00:42:50,510

very much that's really nice thank you

883

00:43:01,090 --> 00:42:58,880

hmm yes no boy there's a documentary out

884

00:43:04,930 --> 00:43:01,100

that I'm going to be watching it's

885

00:43:08,890 --> 00:43:04,940

called a third eye spies it is about the

886

00:43:10,720 --> 00:43:08,900

remote viewing program that that the

887

00:43:12,940 --> 00:43:10,730

government was involved in psychic spies

888

00:43:15,760 --> 00:43:12,950

and all that all that good stuff I'll

889

00:43:17,800 --> 00:43:15,770

probably be pulling some clips or or

890

00:43:19,300 --> 00:43:17,810

some future shows here just uh it's it

891

00:43:21,040 --> 00:43:19,310

just came out I believe within the past

892

00:43:23,910 --> 00:43:21,050

a few weeks so check it out if you can

893

00:43:28,800 --> 00:43:25,860

yeah you gonna watch set up that [h__h]

894

00:43:30,570 --> 00:43:28,810

iam John Wayne Gacy movie called Gacy

895

00:43:31,680 --> 00:43:30,580

just watch the first ten minutes and

896

00:43:33,540 --> 00:43:31,690

you'll just want to turn it off in the

897

00:43:34,890 --> 00:43:33,550

opening scene once you watch it you'll

898

00:43:38,340 --> 00:43:34,900

see what I mean by how hilarious it is

899

00:43:39,870 --> 00:43:38,350

is it on Netflix it's on Amazon Prime's

900

00:43:43,740 --> 00:43:39,880

are crying it's called Gacy

901
00:43:46,350 --> 00:43:43,750
yep just GAC why is it just a like a bad

902
00:43:48,030 --> 00:43:46,360
movie oh yeah it's terrible yes

903
00:43:50,280 --> 00:43:48,040
okay well the opening scene is supposed

904
00:43:53,250 --> 00:43:50,290
to be him he's like 12 years old and his

905
00:43:54,990 --> 00:43:53,260
father but they used like an adult actor

906
00:43:56,760 --> 00:43:55,000
for the kid and kind of like hat I guess

907
00:43:58,410 --> 00:43:56,770
maybe he was a [h__\h] cuz the 12 year

908
00:44:00,660 --> 00:43:58,420
old has a full 5 o'clock shadow and

909
00:44:02,010 --> 00:44:00,670
looks like really fat like Samwise

910
00:44:06,360 --> 00:44:02,020
Gamgee from Lord of the Rings

911
00:44:09,480 --> 00:44:06,370
I was just terrible told you you're

912
00:44:11,610 --> 00:44:09,490
honest more fiction later than me you

913
00:44:14,850 --> 00:44:11,620

must have a lot of testosterone growing

914

00:44:18,870 --> 00:44:14,860

up get that extra hormone boost oh no no

915

00:44:21,420 --> 00:44:18,880

no no yeah yes I got that I got that

916

00:44:24,720 --> 00:44:21,430

story you sent over to me you want to do

917

00:44:25,890 --> 00:44:24,730

it well the New Zealand one yeah let's

918

00:44:29,340 --> 00:44:25,900

take a look at this one this will be the

919

00:44:31,650 --> 00:44:29,350

last story of the evening oh boy well

920

00:44:33,480 --> 00:44:31,660

we're get 44 at 8:45 we can probably do

921

00:44:37,470 --> 00:44:33,490

this and maybe uh what see what else we

922

00:44:42,780 --> 00:44:37,480

got oh yeah alright this is a the tale

923

00:44:47,430 --> 00:44:42,790

of the USB stick found in frozen sea Oh

924

00:44:49,320 --> 00:44:47,440

poop gets weird okay this is probably

925

00:44:51,420 --> 00:44:49,330

the weirdest set of coincidences in my

926
00:44:54,510 --> 00:44:51,430
life says the owner of a USB stick found

927
00:44:58,140 --> 00:44:54,520
in a lump of frozen steel poo here's how

928
00:45:01,470 --> 00:44:58,150
it unfolds in December of 2017 sea lion

929
00:45:03,150 --> 00:45:01,480
volunteer Amanda Denali found a see an

930
00:45:05,250 --> 00:45:03,160
alien sea lion on the beach of New

931
00:45:07,290 --> 00:45:05,260
Zealand's South Island and phone the

932
00:45:08,010 --> 00:45:07,300
phone to hotline while the animal was

933
00:45:10,710 --> 00:45:08,020
being examined

934
00:45:13,380 --> 00:45:10,720
Nally spotted the sea lions feces you

935
00:45:17,460 --> 00:45:13,390
spotted the feces randomly no look at

936
00:45:20,340 --> 00:45:17,470
that [h__h] which was collected and sent

937
00:45:21,870 --> 00:45:20,350
to a lab explains the Guardian when the

938
00:45:24,450 --> 00:45:21,880

scientists finally got around to looking

939

00:45:25,830 --> 00:45:24,460

at the frozen specimen via finally they

940

00:45:28,500 --> 00:45:25,840

must been bored it must've been like a

941

00:45:30,270 --> 00:45:28,510

Friday like 3 o'clock right you want to

942

00:45:32,370 --> 00:45:30,280

look at the seal poop yeah screw it

943

00:45:34,590 --> 00:45:32,380

let's do it this is breakout that [h__h]

944

00:45:35,690 --> 00:45:34,600

finally we can we can finally take a

945

00:45:38,240 --> 00:45:35,700

look at this

946

00:45:40,640 --> 00:45:38,250

when the fire look at the seal poop it

947

00:45:42,140 --> 00:45:40,650

was good happy when the scientists

948

00:45:44,390 --> 00:45:42,150

finally got around to looking at the

949

00:45:48,460 --> 00:45:44,400

frozen specimen they found the USB stick

950

00:45:51,970 --> 00:45:48,470

inside I found a USB stick inside then

951
00:45:56,030 --> 00:45:51,980
put the footage on TV to find the owner

952
00:45:59,420 --> 00:45:56,040
okay now I saw it on the nightly news

953
00:46:02,270 --> 00:45:59,430
and realized USB stick was was hers she

954
00:46:04,640 --> 00:46:02,280
was shocked shocked her new sub but

955
00:46:06,620 --> 00:46:04,650
assumed that she had dropped a stick in

956
00:46:10,750 --> 00:46:06,630
the sample however researchers from the

957
00:46:14,329 --> 00:46:10,760
National Institute have a wilder theory

958
00:46:18,890 --> 00:46:14,339
because the stick was embedded deep into

959
00:46:20,780 --> 00:46:18,900
the seal [h__h] which also can contain

960
00:46:24,230 --> 00:46:20,790
plenty of feathers researchers are

961
00:46:27,470 --> 00:46:24,240
convinced that a bird ate the USB stick

962
00:46:31,099 --> 00:46:27,480
and then the leopard seal then ate the

963
00:46:33,799 --> 00:46:31,109

bird and then bizarrely I came along and

964

00:46:37,460 --> 00:46:33,809

oh there's a sample we need to send it

965

00:46:39,530 --> 00:46:37,470

in to be processed now he tells the

966

00:46:41,210 --> 00:46:39,540

Guardian which can which got

967

00:46:44,569 --> 00:46:41,220

confirmation of the theory from

968

00:46:49,609 --> 00:46:44,579

researchers sweet a bird stole her USB

969

00:46:52,789 --> 00:46:49,619

stick ate it and then the seal ate the

970

00:46:57,109 --> 00:46:52,799

u.s. beast that bait the bird [h__\h] it

971

00:46:59,870 --> 00:46:57,119

out she saw that this ailing seal looked

972

00:47:02,210 --> 00:46:59,880

at the crap and said hey and she was

973

00:47:06,590 --> 00:47:02,220

like I need it's crap I got a send his

974

00:47:11,060 --> 00:47:08,720

this is gonna be one important USB stick

975

00:47:14,930 --> 00:47:11,070

here did she get it back Edna send it

976
00:47:17,210 --> 00:47:14,940
back to her I think so mystic hidden in

977
00:47:18,590 --> 00:47:17,220
the samples kept scientist kept in the

978
00:47:21,500 --> 00:47:18,600
scientists freezers for more than a year

979
00:47:23,690 --> 00:47:21,510
contained footage of a very cool moment

980
00:47:27,320 --> 00:47:23,700
in which Nellie watched two seals sea

981
00:47:28,940 --> 00:47:27,330
lion pups from her blue kayak but as

982
00:47:33,110 --> 00:47:28,950
Nellie already has copies of the video

983
00:47:39,620 --> 00:47:33,120
she doesn't want this big I would demand

984
00:47:44,170 --> 00:47:39,630
it back I I would sue caller you're on

985
00:47:47,690 --> 00:47:44,180
the air go ahead hey this story yeah

986
00:47:49,910 --> 00:47:47,700
it's I think it's a bunch of [h__h] and it

987
00:47:53,750 --> 00:47:49,920
very well could be a bunch of crap it

988
00:47:55,880 --> 00:47:53,760

seemed very unlikely hey I just wanted

989

00:48:00,200 --> 00:47:55,890

you to know that I wrote a song for you

990

00:48:04,130 --> 00:48:00,210

oh cool okay uh do you want do you want

991

00:48:07,100 --> 00:48:04,140

the the the parent/guardian version

992

00:48:10,610 --> 00:48:07,110

first and then the the mature version

993

00:48:12,890 --> 00:48:10,620

second yeah let's let's do the the

994

00:48:14,600 --> 00:48:12,900

family-friendly version and then the one

995

00:48:16,610 --> 00:48:14,610

where you you put in all the curse word

996

00:48:18,650 --> 00:48:16,620

sure okay

997

00:48:22,220 --> 00:48:18,660

well it actually it's not too long of a

998

00:48:26,150 --> 00:48:22,230

song and it's a rap song no good no no

999

00:48:29,600 --> 00:48:26,160

here it goes man went downtown to see my

1000

00:48:33,819 --> 00:48:29,610

old lady hit her in the rear since yeah

1001
00:48:41,199 --> 00:48:38,579
version went downtown to see my old lady

1002
00:48:48,489 --> 00:48:41,209
[h__h] her in the rear said she had my

1003
00:48:53,620 --> 00:48:48,499
baby bump bump bump bump you want

1004
00:48:55,599 --> 00:48:53,630
to go into hip hop how long did it take

1005
00:48:58,239 --> 00:48:55,609
you to write that magnificent song I

1006
00:49:00,249 --> 00:48:58,249
wrote that a long time ago how could you

1007
00:49:04,209 --> 00:49:00,259
I've been ways I've been what I've been

1008
00:49:06,400 --> 00:49:04,219
waiting to put it on air you know for my

1009
00:49:09,670 --> 00:49:06,410
millions of dollars well I appreciate

1010
00:49:11,170 --> 00:49:09,680
you debuting this here do you go around

1011
00:49:13,529 --> 00:49:11,180
the house and sing this to yourself all

1012
00:49:16,390 --> 00:49:13,539
day long I do I do

1013
00:49:18,670 --> 00:49:16,400

lead on I like it hey Leon how you doing

1014

00:49:20,079 --> 00:49:18,680

buddy I'm doing good man I haven't

1015

00:49:21,989 --> 00:49:20,089

called in a while yeah I wanted to say

1016

00:49:24,819 --> 00:49:21,999

hi usually calling about serious

1017

00:49:26,890 --> 00:49:24,829

complete conspiracy [h__h] but I'm getting

1018

00:49:28,209 --> 00:49:26,900

sick all this of all these lives man

1019

00:49:30,009 --> 00:49:28,219

there's so many of them I don't even

1020

00:49:31,359 --> 00:49:30,019

want to talk about them anymore okay

1021

00:49:32,979 --> 00:49:31,369

well we don't talk about the lines but I

1022

00:49:34,930 --> 00:49:32,989

know you talk about the UFO stuff you

1023

00:49:36,400 --> 00:49:34,940

talk about paranormal stuff and yeah

1024

00:49:38,769 --> 00:49:36,410

dealing with the bladder

1025

00:49:40,900 --> 00:49:38,779

Flattr yeah dealing with the conspiracy

1026
00:49:43,509 --> 00:49:40,910
dog man what are you sick of this tell

1027
00:49:46,359 --> 00:49:43,519
me what you're sick of I'm just sick of

1028
00:49:50,079 --> 00:49:46,369
the fact that everyone is asleep you

1029
00:49:51,759 --> 00:49:50,089
know 90 97 and a half percent of

1030
00:49:54,789 --> 00:49:51,769
Americans have their heads up their

1031
00:49:57,069 --> 00:49:54,799
asses and I'm sick of it no one wants no

1032
00:50:00,039 --> 00:49:57,079
no one wants to you know they just let

1033
00:50:02,529 --> 00:50:00,049
all this [h__\h] news and all these lies

1034
00:50:04,449 --> 00:50:02,539
and all this [h__\h] just like they

1035
00:50:07,059 --> 00:50:04,459
just take it for face value and they

1036
00:50:09,099 --> 00:50:07,069
don't even think that it could be that

1037
00:50:12,099 --> 00:50:09,109
there could be anything wrong with it

1038
00:50:14,739 --> 00:50:12,109

that's for damn sure drives me crazy no

1039

00:50:16,900 --> 00:50:14,749

one cares no one cares and I mean I've

1040

00:50:19,630 --> 00:50:16,910

said before I can understand why but you

1041

00:50:22,150 --> 00:50:19,640

know I mean we've got a strangled in an

1042

00:50:25,449 --> 00:50:22,160

economy where you know you got it go to

1043

00:50:27,400 --> 00:50:25,459

work and come home and play with the

1044

00:50:29,349 --> 00:50:27,410

kids and go to bed and get up and go to

1045

00:50:31,420 --> 00:50:29,359

work and come home play with kids goes

1046

00:50:33,609 --> 00:50:31,430

but you know it's just and so most

1047

00:50:35,680 --> 00:50:33,619

people I'm retired so I you know I have

1048

00:50:37,329 --> 00:50:35,690

time to do this and I even thought about

1049

00:50:39,789 --> 00:50:37,339

the stuff while I was working too but

1050

00:50:42,130 --> 00:50:39,799

I'm just passionate about it you know

1051
00:50:44,769 --> 00:50:42,140
but about the fact that this is going on

1052
00:50:46,539 --> 00:50:44,779
but I can understand why people have

1053
00:50:47,680 --> 00:50:46,549
their heads up their asses but it just

1054
00:50:51,370 --> 00:50:47,690
really frustrates

1055
00:50:53,859 --> 00:50:51,380
that you know it's just it's I just get

1056
00:50:56,650 --> 00:50:53,869
tired of really trying to even turn

1057
00:50:59,680 --> 00:50:56,660
people on to some of these newer ideas

1058
00:51:02,349 --> 00:50:59,690
that aren't really newer ideas they're

1059
00:51:05,170 --> 00:51:02,359
reality to me but no one seems to want

1060
00:51:08,050 --> 00:51:05,180
to listen but I'm many I'm trying to get

1061
00:51:09,700 --> 00:51:08,060
my head up my ass and that I mean it's

1062
00:51:12,700 --> 00:51:09,710
it's drying for years I've been trying

1063
00:51:13,960 --> 00:51:12,710

and yeah you can't convince anybody to

1064

00:51:15,839 --> 00:51:13,970

do anything they don't want to do you

1065

00:51:19,780 --> 00:51:15,849

can't convince them that certain

1066

00:51:21,280 --> 00:51:19,790

paranormal things are real or ivory I

1067

00:51:23,079 --> 00:51:21,290

realized that over the past few years

1068

00:51:24,309 --> 00:51:23,089

there's no point arguing with people

1069

00:51:26,050 --> 00:51:24,319

trying to convince them of what you

1070

00:51:28,150 --> 00:51:26,060

believe real is they got to come to it

1071

00:51:29,859 --> 00:51:28,160

on their own if they don't then I mean

1072

00:51:31,630 --> 00:51:29,869

that's that's the life that they choose

1073

00:51:35,109 --> 00:51:31,640

to live

1074

00:51:36,730 --> 00:51:35,119

that's the Instagram society we live in

1075

00:51:40,599 --> 00:51:36,740

where people are really consumed with

1076
00:51:42,790 --> 00:51:40,609
the posting up of themselves hey Mike

1077
00:51:44,710 --> 00:51:42,800
yeah by the way I just wanted to say

1078
00:51:46,569 --> 00:51:44,720
that I'm really happy for you there in

1079
00:51:48,280 --> 00:51:46,579
Arizona I can tell it you know that's

1080
00:51:50,680 --> 00:51:48,290
really uplifted you is it your

1081
00:51:54,880 --> 00:51:50,690
girlfriend or your right oh my oh my

1082
00:51:56,290 --> 00:51:54,890
fiance yeah yeah yeah I'm happy for just

1083
00:51:58,180 --> 00:51:56,300
want to know I'm happy for both of you

1084
00:52:00,130 --> 00:51:58,190
because I can tell you know there's you

1085
00:52:01,870 --> 00:52:00,140
know you're really high on being there

1086
00:52:03,370 --> 00:52:01,880
and stuff so that's cool and and then

1087
00:52:06,040 --> 00:52:03,380
that's is it your brother there with you

1088
00:52:10,569 --> 00:52:06,050

now yeah come on baby's here the

1089

00:52:12,579 --> 00:52:10,579

cranberry guy yeah because I'm from I'm

1090

00:52:14,079 --> 00:52:12,589

from solely in Pittsburgh so okay well

1091

00:52:16,180 --> 00:52:14,089

that's right you called him before yeah

1092

00:52:18,630 --> 00:52:16,190

yeah so I know I know where he where

1093

00:52:20,800 --> 00:52:18,640

he's coming from I want I want to

1094

00:52:23,770 --> 00:52:20,810

Edinboro up there you know where that is

1095

00:52:24,190 --> 00:52:23,780

right yeah I know what is your brother's

1096

00:52:27,970 --> 00:52:24,200

name

1097

00:52:30,790 --> 00:52:27,980

he's a clown baby baby yeah yeah he

1098

00:52:32,770 --> 00:52:30,800

knows we're night clong today that was

1099

00:52:35,500 --> 00:52:32,780

years and years and years and years ago

1100

00:52:37,780 --> 00:52:35,510

but anyway we witnessed and I am happy

1101
00:52:39,790 --> 00:52:37,790
for you Mike and I just want to call and

1102
00:52:41,890 --> 00:52:39,800
say hey man I appreciate that yeah I'm

1103
00:52:45,760 --> 00:52:41,900
happy here and we're having a good time

1104
00:52:47,920 --> 00:52:45,770
here and in in Phoenix right now the

1105
00:52:51,069 --> 00:52:47,930
weather is amazing you know talk to me

1106
00:52:53,250 --> 00:52:51,079
in July and I'll be probably right here

1107
00:52:55,660 --> 00:52:53,260
doing a podcast melting before your eyes

1108
00:52:56,980 --> 00:52:55,670
keep your eyes up man there's a lot of

1109
00:52:58,480 --> 00:52:56,990
[h__\h] going all those guys over there

1110
00:53:01,359 --> 00:52:58,490
dude we do every

1111
00:53:04,030 --> 00:53:01,369
we're out we're looking up there is it's

1112
00:53:06,940 --> 00:53:04,040
beautiful skies down here but if there's

1113
00:53:09,520 --> 00:53:06,950

a great place to spot UFOs it is right

1114

00:53:11,980 --> 00:53:09,530

here in Arizona absolutely and there are

1115

00:53:13,780 --> 00:53:11,990

there man you are there we are gonna be

1116

00:53:15,490 --> 00:53:13,790

listen I know you guys are signing off

1117

00:53:18,040 --> 00:53:15,500

soon so I'm gonna let you go but I'll

1118

00:53:20,470 --> 00:53:18,050

talk to you again soon okay all right

1119

00:53:23,650 --> 00:53:20,480

bye Leon take care all right

1120

00:53:25,060 --> 00:53:23,660

yeah speaking of UFOs Columbia when you

1121

00:53:27,670 --> 00:53:25,070

come up to my wedding we're gonna be

1122

00:53:31,120 --> 00:53:27,680

doing that a UFO night-vision goggle

1123

00:53:34,359 --> 00:53:31,130

tour definitely I'm very excited for

1124

00:53:37,810 --> 00:53:34,369

that unfactored to go to contact in the

1125

00:53:39,730 --> 00:53:37,820

desert two or three years ago and I said

1126

00:53:42,430 --> 00:53:39,740

we found out it was like in Joshua Tree

1127

00:53:43,960 --> 00:53:42,440

which is in the middle of the maybe the

1128

00:53:45,700 --> 00:53:43,970

Sonoran Desert in California is in the

1129

00:53:47,320 --> 00:53:45,710

middle of desert California you're right

1130

00:53:49,990 --> 00:53:47,330

Mike's like Mike's like I can't go I

1131

00:53:53,800 --> 00:53:50,000

don't do but on the heat yes

1132

00:53:55,800 --> 00:53:53,810

well I showed myself there it's contact

1133

00:53:58,900 --> 00:53:55,810

in the desert is actually coming up but

1134

00:54:01,030 --> 00:53:58,910

it's super expensive it's it's like 300

1135

00:54:02,530 --> 00:54:01,040

bucks a day and if you want it if you

1136

00:54:04,660 --> 00:54:02,540

want to go to the International UFO

1137

00:54:06,400 --> 00:54:04,670

convention you can just stay with me and

1138

00:54:10,210 --> 00:54:06,410

we'll just go to the one here in Phoenix

1139

00:54:11,290 --> 00:54:10,220

like and we could that might be a little

1140

00:54:16,180 --> 00:54:11,300

bit cheaper specifically don't have to

1141

00:54:18,609 --> 00:54:16,190

pay for accommodations and pay \$4 a day

1142

00:54:20,710 --> 00:54:18,619

Peter dollars a day is ridiculous it's

1143

00:54:22,780 --> 00:54:20,720

insane and with that price you don't

1144

00:54:26,950 --> 00:54:22,790

even get to see George Noory sing for

1145

00:54:28,960 --> 00:54:26,960

free how much I think he was like \$35

1146

00:54:30,670 --> 00:54:28,970

and I got to see David Politis and all

1147

00:54:33,460 --> 00:54:30,680

those like Nick Pope you know and what's

1148

00:54:37,270 --> 00:54:33,470

his name Travis Walton yeah MUFON in

1149

00:54:38,620 --> 00:54:37,280

Pittsburgh so \$300 Jesus what do you you

1150

00:54:40,710 --> 00:54:38,630

know David polite it's gonna show you

1151

00:54:44,680 --> 00:54:40,720

his glory hole we found I'll give you

1152

00:54:48,000 --> 00:54:44,690

\$10,000 no it's only \$300 you don't get

1153

00:54:51,910 --> 00:54:48,010

it can't get a ten I'll go is hi boss

1154

00:54:54,220 --> 00:54:51,920

tell you what I'll give you \$14,000 and

1155

00:54:58,570 --> 00:54:54,230

I needed 300 okay you could get into the

1156

00:55:04,330 --> 00:55:02,020

oh boy never get a few minutes I don't

1157

00:55:05,260 --> 00:55:04,340

know the 6.43 date now anyone wants to

1158

00:55:06,820 --> 00:55:05,270

call me we're just kind of sitting

1159

00:55:08,530 --> 00:55:06,830

around biessing this is the first and

1160

00:55:12,310 --> 00:55:08,540

they talk in a while we're gonna get our

1161

00:55:15,340 --> 00:55:12,320

organized the last one last one I did a

1162

00:55:16,870 --> 00:55:15,350

quick one when I got here two to Phoenix

1163

00:55:20,830 --> 00:55:16,880

in December but it's been it's been a

1164

00:55:23,350 --> 00:55:20,840

mother to anybody I'd like to do more of

1165

00:55:25,390 --> 00:55:23,360

these cryptozoological kind of things

1166

00:55:27,490 --> 00:55:25,400

it's kind of long form stuff yeah I know

1167

00:55:32,820 --> 00:55:27,500

the second story I read not good and

1168

00:55:35,020 --> 00:55:32,830

don't take translated articles from

1169

00:55:38,170 --> 00:55:35,030

Portuguese and try to do that on the fly

1170

00:55:41,770 --> 00:55:38,180

that's not a good one no no no no that's

1171

00:55:43,360 --> 00:55:41,780

not a good one oh no yeah I know but the

1172

00:55:45,190 --> 00:55:43,370

the research stuff like the the flying

1173

00:55:49,320 --> 00:55:45,200

humanoids encrypted zoological stuff I

1174

00:55:51,760 --> 00:55:49,330

got a lot of stuff on that big time so

1175

00:55:53,890 --> 00:55:51,770

no there's anything we got to get to

1176
00:55:55,720 --> 00:55:53,900
come on babies or anything we got it we

1177
00:55:57,280 --> 00:55:55,730
got to say the wine is gone I emailed

1178
00:56:00,180 --> 00:55:57,290
you some poop story from new one that

1179
00:56:04,290 --> 00:56:00,190
just happened a new guy new poop story

1180
00:56:08,220 --> 00:56:04,300
yes yes

1181
00:56:10,110 --> 00:56:08,230
yes okay we'll do one one last piece of

1182
00:56:13,020 --> 00:56:10,120
the picture like half way three two

1183
00:56:14,160 --> 00:56:13,030
quarters of the way maybe two thirds

1184
00:56:18,900 --> 00:56:14,170
away down the article that had the guy

1185
00:56:21,720 --> 00:56:18,910
like caught on camera great okay

1186
00:56:24,030 --> 00:56:21,730
strangers disgusting act in front yard

1187
00:56:26,220 --> 00:56:24,040
caught on camera homeowners were left

1188
00:56:28,950 --> 00:56:26,230

disturbed after their security camera

1189

00:56:30,900 --> 00:56:28,960

filmed a man walking through their front

1190

00:56:33,990 --> 00:56:30,910

yard before pulling down his pants and

1191

00:56:35,540 --> 00:56:34,000

defecating next to their house footage

1192

00:56:38,760 --> 00:56:35,550

of the incident shows the stranger

1193

00:56:40,680 --> 00:56:38,770

trespassing on the city property with

1194

00:56:42,840 --> 00:56:40,690

all the toilet paper in handle he came

1195

00:56:44,600 --> 00:56:42,850

prepared he's bought this throwing

1196

00:56:48,140 --> 00:56:44,610

runner neighborhood with toilet paper

1197

00:56:50,630 --> 00:56:48,150

color you're on the air go ahead hey

1198

00:56:52,740 --> 00:56:50,640

blue what's going on man

1199

00:56:55,710 --> 00:56:52,750

nothing I'm super excited the night

1200

00:56:57,690 --> 00:56:55,720

talks back on yes sir a long hiatus yeah

1201
00:56:59,430 --> 00:56:57,700
but I wanted to point out I've been

1202
00:57:02,280 --> 00:56:59,440
posting a bunch of stuff in the

1203
00:57:03,630 --> 00:57:02,290
conspiracy sorry story ideas in the

1204
00:57:06,210 --> 00:57:03,640
discord cuz I just switched over the

1205
00:57:09,500 --> 00:57:06,220
discord primarily okay and so I'm

1206
00:57:12,240 --> 00:57:09,510
posting a ton of stuff and wonderingly

1207
00:57:14,700 --> 00:57:12,250
there because I did post something about

1208
00:57:17,850 --> 00:57:14,710
a crypto [h__h] is no logical thing a

1209
00:57:19,440 --> 00:57:17,860
while ago but if you if you have like a

1210
00:57:21,480 --> 00:57:19,450
specific place you want to stick stories

1211
00:57:22,830 --> 00:57:21,490
like that I definitely can sign into the

1212
00:57:25,680 --> 00:57:22,840
slack or whatever you want no I think

1213
00:57:27,570 --> 00:57:25,690

that's a good idea for now I didn't

1214

00:57:29,550 --> 00:57:27,580

actually I did not know that discord

1215

00:57:30,660 --> 00:57:29,560

channel was over there so I'll take a

1216

00:57:32,400 --> 00:57:30,670

look at that I got to go through all the

1217

00:57:33,900 --> 00:57:32,410

okay the slack stuff there's a

1218

00:57:34,920 --> 00:57:33,910

conspiracy channel and slack and that

1219

00:57:38,850 --> 00:57:34,930

there's one of discord yeah I'll be

1220

00:57:41,670 --> 00:57:38,860

mining it all between fracking discord

1221

00:57:45,480 --> 00:57:41,680

it's good you know no it's I'm not

1222

00:57:47,340 --> 00:57:45,490

surprised it's kind of stupid it's this

1223

00:57:49,110 --> 00:57:47,350

kind of stupid so yeah and I'm gonna be

1224

00:57:51,180 --> 00:57:49,120

letting I agree I'm gonna give any

1225

00:57:53,130 --> 00:57:51,190

people heads-up about what the possible

1226

00:57:55,080 --> 00:57:53,140

subjects are on upcoming shows so if

1227

00:57:55,920 --> 00:57:55,090

they have anything in behind and cool

1228

00:57:58,200 --> 00:57:55,930

like you

1229

00:57:59,790 --> 00:57:58,210

you put a call out for cryptozoological

1230

00:58:01,140 --> 00:57:59,800

stuff from the Victorian era and I

1231

00:58:03,420 --> 00:58:01,150

dumped Spring Heeled Jack and a bunch

1232

00:58:05,970 --> 00:58:03,430

other stuff so Oh glad that got followed

1233

00:58:08,100 --> 00:58:05,980

up on yeah awesome it yeah well hey man

1234

00:58:09,650 --> 00:58:08,110

thanks for calling it well no problem oh

1235

00:58:12,180 --> 00:58:09,660

and everybody make sure you vote for

1236

00:58:13,740 --> 00:58:12,190

taxation is best that's right you can

1237

00:58:15,990 --> 00:58:13,750

still vote for the Oh billion audio

1238

00:58:18,030 --> 00:58:16,000

contacts in slack and

1239

00:58:20,820 --> 00:58:18,040

all right every good night and escort

1240

00:58:22,860 --> 00:58:20,830

like it right there you guys is a man

1241

00:58:25,050 --> 00:58:22,870

how do you know people aren't voting in

1242

00:58:27,960 --> 00:58:25,060

slack and disk I don't know it could be

1243

00:58:31,170 --> 00:58:27,970

a complete nightmare telling votes we're

1244

00:58:33,270 --> 00:58:31,180

going to be like having voter fraud it's

1245

00:58:36,630 --> 00:58:33,280

like you can give two precincts you can

1246

00:58:39,030 --> 00:58:36,640

vote at the courthouse or the VFW can

1247

00:58:41,970 --> 00:58:39,040

actually but yeah this is it's a real

1248

00:58:44,310 --> 00:58:41,980

it's really poorly managed voting this

1249

00:58:48,390 --> 00:58:44,320

is the total in fact you can vote at any

1250

00:58:51,620 --> 00:58:48,400

precinct in your state it's totally not

1251

00:58:53,670 --> 00:58:51,630

good it put together well at all

1252

00:58:55,230 --> 00:58:53,680

trying to finish that store real quick

1253

00:58:57,210 --> 00:58:55,240

this is the photo this is like

1254

00:58:59,460 --> 00:58:57,220

two-thirds of the way down okay yeah

1255

00:59:01,860 --> 00:58:59,470

there he is yeah he's walking up to the

1256

00:59:07,140 --> 00:59:01,870

property with a roll of toilet paper in

1257

00:59:10,410 --> 00:59:07,150

his hand and then walking away the guy

1258

00:59:12,120 --> 00:59:10,420

is that a real picture I don't know

1259

00:59:13,470 --> 00:59:12,130
