ADVISORY
EXPLICIT CONTENT

1
00:00:00,300 --> 00:00:06,610
[Applause]

2
00:00:11,749 --> 00:00:08,770
phone call that's it

3
00:00:12,589 --> 00:00:11,759
caller you're on your Wilson is Patrick

4
00:00:15,680 --> 00:00:12,599
what's your name

5
00:00:18,470 --> 00:00:15,690
hey Patrick my name is Mike were you

6
00:00:20,330 --> 00:00:18,480
from Pat I just caught I was just

7
00:00:23,120 --> 00:00:20,340
kidding hey Mike how you doing good man

8
00:00:24,980 --> 00:00:23,130
what's on your mind yo Mike I'm actually

9
00:00:29,810 --> 00:00:24,990
from Spokane Washington

10
00:00:33,500 --> 00:00:29,820
nice nice yeah I love it out of here

11
00:00:38,270 --> 00:00:33,510
Suns coming through and I needed to jump

12
00:00:41,330 --> 00:00:38,280
on after the previous caller kind of

13
00:00:46,069 --> 00:00:41,340

rattled my cage nothin personal the guy

14

00:00:51,139 --> 00:00:46,079

it's focusing on the negative its we got

15

00:00:54,020 --> 00:00:51,149

to use a lot of what's it called skies

16

00:00:56,110 --> 00:00:54,030

above so below yeah you know there's

17

00:00:59,299 --> 00:00:56,120

gonna be positive and negative

18

00:01:03,110 --> 00:00:59,309

everywhere yes right we're good people

19

00:01:05,870 --> 00:01:03,120

bad people different degrees so we can

20

00:01:10,100 --> 00:01:05,880

approach this thing and go to the

21

00:01:12,320 --> 00:01:10,110

negative all we want you don't want to

22

00:01:16,010 --> 00:01:12,330

you don't want to need a reptilian

23

00:01:18,230 --> 00:01:16,020

though I can promise you that it's

24

00:01:20,300 --> 00:01:18,240

terrifying

25

00:01:22,010 --> 00:01:20,310

I'd actually you can you can tell me

26

00:01:25,310 --> 00:01:22,020

here the tone in my voice change I

27

00:01:29,539 --> 00:01:25,320

apologize for that I've had two

28

00:01:31,010 --> 00:01:29,549

experiences myself wanting to talk about

29

00:01:33,289 --> 00:01:31,020

yeah I would love to hear your

30

00:01:39,740 --> 00:01:33,299

experiences what you ask what kind of

31

00:01:42,319 --> 00:01:39,750

dog is that oh you I would be

32

00:01:44,539 --> 00:01:42,329

interrupting its that's fine we're just

33

00:01:46,969 --> 00:01:44,549

joking around yeah we sometimes play a

34

00:01:48,380 --> 00:01:46,979

sound bite called from Charlie Sheen

35

00:01:50,749 --> 00:01:48,390

asking what kind of dog is that

36

00:01:52,490 --> 00:01:50,759

and so it's a real non sequitur that

37

00:01:54,109 --> 00:01:52,500

really interrupts the phone call but

38

00:01:58,280 --> 00:01:54,119

would you like that what kind of dog is

39

00:01:59,929 --> 00:01:58,290

that well feel free to record it and use

40

00:02:01,609 --> 00:01:59,939

it at your discretion

41

00:02:05,469 --> 00:02:01,619

absolutely so I'd love to hear about

42

00:02:11,720 --> 00:02:09,499

happen with my daughter she was 7 years

43

00:02:15,949 --> 00:02:11,730

old and witnessed it with me is around

44

00:02:22,509 --> 00:02:15,959

the holidays would have been funny

45

00:02:27,289 --> 00:02:22,519

14 going on 15 I think and we saw a norm

46

00:02:32,440 --> 00:02:27,299

over the neighbors area we I thought we

47

00:02:36,140 --> 00:02:32,450

are my folks they live on the took area

48

00:02:40,220 --> 00:02:36,150

I'm sorry not it I'm getting ahead of

49

00:02:42,349 --> 00:02:40,230

myself okay it's uh it it's Azhar so

50

00:02:45,199 --> 00:02:42,359

I've never heard an experience really

51
00:02:51,500 --> 00:02:45,209
like it it was an orb it floated right

52
00:02:58,150 --> 00:02:51,510
up to uh and it was literally like a 4

53
00:03:01,900 --> 00:02:58,160
to 5 inch humanoid was insane

54
00:03:05,590 --> 00:03:01,910
criss-cross on what looked like I would

55
00:03:07,720 --> 00:03:05,600
say a five inch in diameter frisbee like

56
00:03:09,420 --> 00:03:07,730
one of those mini frisbees you would get

57
00:03:12,760 --> 00:03:09,430
as a kid yeah

58
00:03:16,270 --> 00:03:12,770
looked identical but it was obviously

59
00:03:18,550 --> 00:03:16,280
technology and hi Josh literally to the

60
00:03:22,270 --> 00:03:18,560
[h__\h] floor I'm making eye contact

61
00:03:25,810 --> 00:03:22,280
with this [h__\h] he floats right up to

62
00:03:30,280 --> 00:03:25,820
me looks away just completely nonchalant

63
00:03:33,850 --> 00:03:30,290

and disappeared now would you would you

64

00:03:37,540 --> 00:03:33,860

say that this orb is it more humanoid or

65

00:03:40,060 --> 00:03:37,550

is it just like an orb of light no it

66

00:03:42,670 --> 00:03:40,070

was at first an orb of light and as it

67

00:03:46,930 --> 00:03:42,680

approached closer it turned into a clear

68

00:03:50,200 --> 00:03:46,940

figure like this was it would have been

69

00:03:55,720 --> 00:03:50,210

within four or five feet I was my

70

00:03:59,740 --> 00:03:55,730

daughter was with me so I what did she

71

00:04:08,080 --> 00:04:03,700

uh she actually concurs with what I saw

72

00:04:10,600 --> 00:04:08,090

I tried to split it up and make it as

73

00:04:13,270 --> 00:04:10,610

not biased as possible so I didn't want

74

00:04:15,490 --> 00:04:13,280

to feed her info so what I did is I

75

00:04:20,229 --> 00:04:15,500

waited at first because I was just

76

00:04:23,620 --> 00:04:20,239

shocked so like okay I really had to

77

00:04:25,930 --> 00:04:23,630

process this and you know I've had an

78

00:04:30,340 --> 00:04:25,940

experience previous to this as a child

79

00:04:32,500 --> 00:04:30,350

so this was not a new concept to me but

80

00:04:35,470 --> 00:04:32,510

this was a completely different degree

81

00:04:40,300 --> 00:04:35,480

you know this is kids in your face it's

82

00:04:45,340 --> 00:04:40,310

right here trying to deal so after I

83

00:04:47,610 --> 00:04:45,350

processed that whole like holy [h__h] that

84

00:04:54,040 --> 00:04:47,620

really [h__h] happen and there's

85

00:04:58,430 --> 00:04:54,050

another witness here I need to I need a

86

00:05:04,090 --> 00:05:00,110

talk about this in public basically

87

00:05:06,650 --> 00:05:04,100

because were we're just normal people I

88

00:05:09,950 --> 00:05:06,660

don't really have much to lose they

89

00:05:11,060 --> 00:05:09,960

can't come and take my house away over

90

00:05:14,480 --> 00:05:11,070

this I hope

91

00:05:17,150 --> 00:05:14,490

but look like crazy it's like she can't

92

00:05:19,250 --> 00:05:17,160

go talking about this you know in public

93

00:05:22,430 --> 00:05:19,260

so I told her you know these are things

94

00:05:25,400 --> 00:05:22,440

that you know happened to some people

95

00:05:29,600 --> 00:05:25,410

and they swear on it but it's it's

96

00:05:32,690 --> 00:05:29,610

usually not talked about in the general

97

00:05:35,990 --> 00:05:32,700

population and she's very smart

98

00:05:41,180 --> 00:05:36,000

understood that and just went with water

99

00:05:45,530 --> 00:05:41,190

it's what I told her but it's her story

100

00:05:47,990 --> 00:05:45,540

basically there's a few differences that

101
00:05:52,580 --> 00:05:48,000
I didn't notice that she did like the

102
00:05:55,610 --> 00:05:52,590
color she actually she picked up details

103
00:05:57,440 --> 00:05:55,620
that I did but again I mean I was

104
00:06:01,160 --> 00:05:57,450
literally looking at this [h__h] thing

105
00:06:05,390 --> 00:06:01,170
that was no more than forth it's no more

106
00:06:08,409 --> 00:06:05,400
than three feet tall and the detail I

107
00:06:12,500 --> 00:06:08,419
remember distinctly was like I had this

108
00:06:15,140 --> 00:06:12,510
like I actually felt bad about reacting

109
00:06:18,680 --> 00:06:15,150
to it because I looked at its feet and

110
00:06:20,900 --> 00:06:18,690
in his sitting crisscross and it had

111
00:06:24,230 --> 00:06:20,910
looked like this thing and probably sat

112
00:06:28,820 --> 00:06:24,240
like that for Qingyuan and it was ugly

113
00:06:31,130 --> 00:06:28,830

ugly ugly it was hidden and that was

114

00:06:34,220 --> 00:06:31,140

like my first reaction right cool [\h__\h]

115

00:06:36,710 --> 00:06:34,230

you ugly [\h__\h] and then I was like oh I'm

116

00:06:40,460 --> 00:06:36,720

I'm very sorry you know I I don't want

117

00:06:43,760 --> 00:06:40,470

to but that was like my reaction and

118

00:06:46,940 --> 00:06:43,770

then it just looked at me like yeah okay

119

00:06:48,710 --> 00:06:46,950

fly on the wall and took off that's

120

00:06:49,370 --> 00:06:48,720

basically what I got out of it how long

121

00:06:52,310 --> 00:06:49,380

did it last

122

00:06:54,200 --> 00:06:52,320

how long did the interaction last total

123

00:06:58,460 --> 00:06:54,210

interaction would have been no more than

124

00:07:01,460 --> 00:06:58,470

10 minutes max from what I remember 10

125

00:07:03,830 --> 00:07:01,470

minutes that's considerably early in the

126

00:07:06,980 --> 00:07:03,840

morning it was the holidays so we're up

127

00:07:09,350 --> 00:07:06,990

late so it would have been around

128

00:07:12,379 --> 00:07:09,360

probably wanted to a.m. the weird

129

00:07:14,659 --> 00:07:12,389

witching type our thing she was up

130

00:07:19,279 --> 00:07:14,669

with me unusually but again is because

131

00:07:22,429 --> 00:07:19,289

the holidays and it happened in my folks

132

00:07:25,670 --> 00:07:22,439

kitchen they live overlooking the Puget

133

00:07:28,129 --> 00:07:25,680

Sound and have big windows and that's

134

00:07:31,129 --> 00:07:28,139

what this [h__h] thing loaded up to it

135

00:07:33,110 --> 00:07:31,139

started out as a light that just looked

136

00:07:35,570 --> 00:07:33,120

like a normal xenon light over in the

137

00:07:38,869 --> 00:07:35,580

neighbor's yard which about a hundred

138

00:07:42,439 --> 00:07:38,879

feet away or so but then it started

139

00:07:44,659 --> 00:07:42,449

moving and it caught my attention and I

140

00:07:46,969 --> 00:07:44,669

didn't bring it to hers until it was

141

00:07:49,879 --> 00:07:46,979

literally I didn't bring it to her

142

00:07:51,950 --> 00:07:49,889

attention at all she said she asked

143

00:07:55,399 --> 00:07:51,960

something along the lines of daddy what

144

00:08:00,529 --> 00:07:55,409

what is this thing what is that man or

145

00:08:04,040 --> 00:08:00,539

something a lot no slides and yeah my

146

00:08:07,490 --> 00:08:04,050

jaw completely on the floor I look right

147

00:08:11,390 --> 00:08:07,500

at it it maintained eye contact for a

148

00:08:12,200 --> 00:08:11,400

good solid two three seconds look to its

149

00:08:16,790 --> 00:08:12,210

right

150

00:08:20,450 --> 00:08:16,800

like I am very detailed with like you

151

00:08:25,249 --> 00:08:20,460

know subconscious type interactions

152

00:08:28,659 --> 00:08:25,259

that's that's my sort of thing so it was

153

00:08:29,899 --> 00:08:28,669

it was a good I had a good in the moment

154

00:08:33,380 --> 00:08:29,909

response

155

00:08:35,360 --> 00:08:33,390

I feel aside from genuinely feeling bad

156

00:08:38,750 --> 00:08:35,370

about looking at this [h__h] thing's

157

00:08:40,790 --> 00:08:38,760

legs and being shocked like that yeah I

158

00:08:45,620 --> 00:08:40,800

mean you're pretty superficial you're

159

00:08:47,120 --> 00:08:45,630

pretty judgy oh my god he did know I'm

160

00:08:50,569 --> 00:08:47,130

curious to know what do you guys think

161

00:08:53,389 --> 00:08:50,579

of that have you heard any stories like

162

00:08:56,150 --> 00:08:53,399

that like that you know heard that's a

163

00:08:59,540 --> 00:08:56,160

new yeah I mean for the leg yeah neither

164

00:09:02,780 --> 00:08:59,550

oh yeah I can I can only tell you what

165

00:09:04,250 --> 00:09:02,790

I've heard in read thus far and so when

166

00:09:06,230 --> 00:09:04,260

a current when it comes to alien

167

00:09:08,480 --> 00:09:06,240

interactions and different types of

168

00:09:11,150 --> 00:09:08,490

alien species there are some that are

169

00:09:15,050 --> 00:09:11,160

commonly referred to as the orbs you see

170

00:09:16,100 --> 00:09:15,060

orbs everywhere and orbs some people

171

00:09:18,079 --> 00:09:16,110

speculate that they're actually

172

00:09:20,360 --> 00:09:18,089

information conduits that if you

173

00:09:22,400 --> 00:09:20,370

interact with an orb it will pass on

174

00:09:24,139 --> 00:09:22,410

information into other dimensions that

175

00:09:25,730 --> 00:09:24,149

they're actually kind of like you can

176
00:09:26,150 --> 00:09:25,740
imagine that there are cell phone towers

177
00:09:28,340 --> 00:09:26,160
now

178
00:09:30,410 --> 00:09:28,350
that orb that traveled to you and

179
00:09:32,030 --> 00:09:30,420
transformed now correct me from wrong

180
00:09:35,100 --> 00:09:32,040
you said you had a 10-second interaction

181
00:09:37,350 --> 00:09:35,110
or 10-minute interaction

182
00:09:40,050 --> 00:09:37,360
that minute ten minutes from the time I

183
00:09:42,180 --> 00:09:40,060
noticed the orb okay from when you and

184
00:09:44,070 --> 00:09:42,190
notice it and when it actually kind of

185
00:09:48,210 --> 00:09:44,080
came to you and transformed into that

186
00:09:49,860 --> 00:09:48,220
that entity how long did that entity did

187
00:09:54,050 --> 00:09:49,870
you witness it is sitting cross-legged

188
00:10:02,009 --> 00:09:57,210

fifteen to thirty seconds fifteen to

189

00:10:04,560 --> 00:10:02,019

thirty okay it's loaded pretty slow so I

190

00:10:08,430 --> 00:10:04,570

remember seeing the light and it didn't

191

00:10:11,790 --> 00:10:08,440

transform it just became okay I saw what

192

00:10:16,170 --> 00:10:11,800

this was it was the frisbee thing it was

193

00:10:19,290 --> 00:10:16,180

levitating on was emitting the glycine

194

00:10:23,160 --> 00:10:19,300

after effect okay I do feel like it it

195

00:10:26,009 --> 00:10:23,170

had the technology to just pop out it's

196

00:10:28,019 --> 00:10:26,019

that kind of part is hazing it's very

197

00:10:31,139 --> 00:10:28,029

strange and there's more to the story

198

00:10:34,530 --> 00:10:31,149

that the night as I fell asleep

199

00:10:36,840 --> 00:10:34,540

I feel got more bizarre I don't want to

200

00:10:39,990 --> 00:10:36,850

look into it anymore I don't want to go

201

00:10:43,829 --> 00:10:40,000

get redress I'm good

202

00:10:46,170 --> 00:10:43,839

whatever happened I you know I'm cool I

203

00:10:48,720 --> 00:10:46,180
