2
00:00:10,490 --> 00:00:05,490
Hamill responds to criticism of sharing

3
00:00:19,250 --> 00:00:15,110
ah may the force be with you but perhaps

00:00:21,560 --> 00:00:19,260
not the missed opportunities but love

5
00:00:23,240 --> 00:00:21,570
Star Wars film series will complete the

6
00:00:26,599 --> 00:00:23,250
sequel trilogy at the end of this year

7
00:00:29,150 --> 00:00:26,609
but I I con ik original trilogy leading

8
00:00:32,359 --> 00:00:29,160
man Mark Hamill has faced criticism

9
00:00:33,799 --> 00:00:32,369
after sharing a fan-made image which is

10
00:00:37,009 --> 00:00:33,809
on screen look at this

11
00:00:39,200 --> 00:00:37,019
Mark Hamill tweeted hashtag missed

12
00:00:43,930 --> 00:00:39,210
opportunities with a with a picture of

13
00:00:47,240 --> 00:00:43,940

the Millennium Falcon featuring a

14

00:00:49,880 --> 00:00:47,250

Harrison Ford Carrie Fisher you got

15

00:00:52,670 --> 00:00:49,890

Billy Dee Williams and Mark Hamill

16

00:00:56,720 --> 00:00:52,680

himself same suggesting is like a Disney

17

00:01:00,010 --> 00:00:56,730

really [h__\h] up here yeah oh wow

18

00:01:05,770 --> 00:01:03,280

the actor tweeted an image by Stephen

19

00:01:07,900 --> 00:01:05,780

Wayne art that was a photoshopped image

20

00:01:11,260 --> 00:01:07,910

of Hamill as Luke Skywalker alongside

21

00:01:13,390 --> 00:01:11,270

Billy Dee Williams and Lando Calculon

22

00:01:16,630 --> 00:01:13,400

recovery of Lando Calrissian and

23

00:01:18,850 --> 00:01:16,640

Harrison for Baba Han will capture the

24

00:01:21,040 --> 00:01:18,860

fan made image with hashtag missed

25

00:01:24,150 --> 00:01:21,050

opportunities following the divisive

26
00:01:27,250 --> 00:01:24,160
response to the most recent series entry

27
00:01:32,140 --> 00:01:27,260
into the Star Wars movies the last Jedi

28
00:01:35,020 --> 00:01:32,150
and the abuse levelled at the star Kelly

29
00:01:38,200 --> 00:01:35,030
marine Tran some fans were criticized

30
00:01:41,680 --> 00:01:38,210
we're criticizing the post as Fanning

31
00:01:44,530 --> 00:01:41,690
the flames because it's all social

32
00:01:48,580 --> 00:01:44,540
justice one Twitter user replied I don't

33
00:01:51,550 --> 00:01:48,590
feel the same we already have seen that

34
00:01:55,480 --> 00:01:51,560
time for a new generation to get their

35
00:02:04,310 --> 00:01:55,490
turn undermining the creative team isn't

36
00:02:15,170 --> 00:02:09,249
touches it FH TBF touch butt-fuck touch

37
00:02:17,390 --> 00:02:15,180
touch the it's interesting because you

38
00:02:21,020 --> 00:02:17,400

you like just to go to the conspiracy

39

00:02:22,820 --> 00:02:21,030

world you got to go to history and and

40

00:02:24,230 --> 00:02:22,830

look at how they wanted women to smoke

41

00:02:26,570 --> 00:02:24,240

too just so that they can get them

42

00:02:28,490 --> 00:02:26,580

addicted you got to go to like getting

43

00:02:30,230 --> 00:02:28,500

women to go to the workforce for self

44

00:02:32,720 --> 00:02:30,240

empowerment and division of family

45

00:02:34,310 --> 00:02:32,730

separating children from their families

46

00:02:35,660 --> 00:02:34,320

I mean who does this more it's the

47

00:02:38,690 --> 00:02:35,670

government it's not like they're doing

48

00:02:40,010 --> 00:02:38,700

it to just Mexicans and you know South

49

00:02:41,900 --> 00:02:40,020

Americans who are crossing the border

50

00:02:42,920 --> 00:02:41,910

illegally they're not separating those

51
00:02:46,550 --> 00:02:42,930
families they're separating those

52
00:02:48,380 --> 00:02:46,560
families with when they take them to

53
00:02:50,030 --> 00:02:48,390
public school and indoctrinate them to

54
00:02:53,090 --> 00:02:50,040
teach them how to be gay as how its

55
00:02:54,949 --> 00:02:53,100
Jones tells you and then what they do is

56
00:02:58,550 --> 00:02:54,959
they create this new generation of Star

57
00:03:00,830 --> 00:02:58,560
Wars which creates this wall between the

58
00:03:03,620 --> 00:03:00,840
people who grew up on Star Wars the

59
00:03:05,270 --> 00:03:03,630
people who grew up wanting the prequels

60
00:03:06,560 --> 00:03:05,280
to be good and then those people who

61
00:03:08,150 --> 00:03:06,570
grew up with the prequels who think the

62
00:03:10,070 --> 00:03:08,160
prequels are good who don't understand

63
00:03:12,410 --> 00:03:10,080

the first set of ones that came out in

64

00:03:13,880 --> 00:03:12,420

the 70s and then 80s well then you've

65

00:03:15,680 --> 00:03:13,890

got this new generation who are like

66

00:03:17,570 --> 00:03:15,690

yeah we all love social justice and I

67

00:03:18,500 --> 00:03:17,580

love lesbians flying around in space I

68

00:03:20,090 --> 00:03:18,510

think this is great

69

00:03:22,400 --> 00:03:20,100

and so now you've got like who's

70

00:03:24,320 --> 00:03:22,410

separating people from families it's pop

71

00:03:25,640 --> 00:03:24,330

culture it's millionaires it's the

72

00:03:28,009 --> 00:03:25,650

government it's all these [h__h] people

73

00:03:31,509 --> 00:03:28,019

this is annoying this is so annoying and

74

00:03:34,220 --> 00:03:31,519

Mark Hamill has a point you could wait

75

00:03:36,440 --> 00:03:34,230

you've got an opportunity to make a

76

00:03:39,800 --> 00:03:36,450

generation of people who didn't grow up

77

00:03:42,530 --> 00:03:39,810

with Star Wars appreciate a movie that

78

00:03:44,570 --> 00:03:42,540

meant so much to their parents but no

79

00:03:47,390 --> 00:03:44,580

you're gonna go oh we're gonna turn it

80

00:03:51,699 --> 00:03:47,400

into a big gay lesbian [h__h] off you know

81

00:03:54,160 --> 00:03:51,709

like no it's you you screwed it up no

82

00:03:56,300 --> 00:03:54,170

I'm with you another Twitter user

83

00:03:58,699 --> 00:03:56,310

commented whether you agree with him or

84

00:04:02,960 --> 00:03:58,709

not he should be trying to unite us as a

85

00:04:06,199 --> 00:04:02,970

fanbase and this is all the directors

86

00:04:09,650 --> 00:04:06,209

and writers should be while one tweeted

87

00:04:12,020 --> 00:04:09,660

I love you mark but don't do this all

88

00:04:14,180 --> 00:04:12,030

four of you already had some of the most

89

00:04:17,210 --> 00:04:14,190

amazing moments and star wars even

90

00:04:17,990 --> 00:04:17,220

especially in the new films let the new

91

00:04:21,610 --> 00:04:18,000

cast have

92

00:04:29,350 --> 00:04:26,350

what it's clown world dude it's totally

93

00:04:31,000 --> 00:04:29,360

clown world it's a to assume that these

94

00:04:34,060 --> 00:04:31,010

movies are good just because they're

95

00:04:39,430 --> 00:04:34,070

there you know they're not good they're

96

00:04:41,860 --> 00:04:39,440

not because they just smoke like he's

97

00:04:43,540 --> 00:04:41,870

like this huge villain and then he just

98

00:04:45,070 --> 00:04:43,550

dies immediately and nobody cares

99

00:04:47,560 --> 00:04:45,080

anymore and then we're gonna go on to

100

00:04:50,879 --> 00:04:47,570

Palpatine apparently are you kidding me

101
00:04:55,570 --> 00:04:50,889
come on this way

102
00:04:57,310 --> 00:04:55,580
lazy you know bid for money from Disney

103
00:04:59,260 --> 00:04:57,320
and they should they should all be

104
00:05:00,460 --> 00:04:59,270
ashamed of themselves Mark Hamill has

105
00:05:02,890 --> 00:05:00,470
nothing to be ashamed of

106
00:05:05,080 --> 00:05:02,900
well the criticism resulted in Martin

107
00:05:09,640 --> 00:05:05,090
Hamill posting a new tweet in response

108
00:05:11,830 --> 00:05:09,650
with the other iconic role as the in

109
00:05:14,879 --> 00:05:11,840
response with his other iconic role as

110
00:05:17,770 --> 00:05:14,889
the voice of the Joker and Batman

111
00:05:20,800 --> 00:05:17,780
serious photoshopped into that image too

112
00:05:25,300 --> 00:05:20,810
Hamill twitted solved the solve a pic of

113
00:05:27,430 --> 00:05:25,310

me with Billy Dee and Fisher and

114

00:05:30,219 --> 00:05:27,440

Harrison posted it because I missed them

115

00:05:32,440 --> 00:05:30,229

nothing more nothing nothing less I love

116

00:05:35,050 --> 00:05:32,450

the new cast - and didn't mean to get

117

00:05:37,510 --> 00:05:35,060

everyone's knickers in a twist

118

00:05:40,750 --> 00:05:37,520

he also joked maybe I shouldn't have

119

00:05:42,159 --> 00:05:40,760

posted a bunch of in-game spoilers maybe

120

00:05:46,540 --> 00:05:42,169

I should have posted a bunch of in-game

121

00:05:52,250 --> 00:05:48,830

sounds reasonable

122

00:05:53,060 --> 00:05:52,260

Mike you know Disney [h__h] to bet on this

123

00:05:55,720 --> 00:05:53,070

Lucasfilm

124

00:05:58,159 --> 00:05:55,730

[h__h] to bet on this the problem is they

125

00:06:01,100 --> 00:05:58,169

like from what I've read and I've done a

126

00:06:05,360 --> 00:06:01,110

lot of listening on this with criticism

127

00:06:07,850 --> 00:06:05,370

is that JJ had a good a fairly good

128

00:06:10,580 --> 00:06:07,860

story for all kind of a good idea for

129

00:06:12,020 --> 00:06:10,590

all three of these new movies Kathleen

130

00:06:14,420 --> 00:06:12,030

Kennedy and some other producers came in

131

00:06:17,840 --> 00:06:14,430

said no there's gonna be much more of

132

00:06:20,510 --> 00:06:17,850

like a soft reboot and with to which

133

00:06:24,080 --> 00:06:20,520

that JJ said no I want the original cast

134

00:06:26,470 --> 00:06:24,090

to kind of carry much of the first two

135

00:06:28,640 --> 00:06:26,480

movies and then there will be a gentle

136

00:06:31,490 --> 00:06:28,650

passing of the torch during the second

137

00:06:33,500 --> 00:06:31,500

movie and it would it would follow a

138

00:06:36,890 --> 00:06:33,510

great story at least it would be

139

00:06:39,170 --> 00:06:36,900

consistent and cohesive not like the

140

00:06:41,780 --> 00:06:39,180

mess that we got thus far with the force

141

00:06:43,940 --> 00:06:41,790

awakens in the last Jedi which are [\h__\h]

142

00:06:45,200 --> 00:06:43,950

movies they really are they could have

143

00:06:47,540 --> 00:06:45,210

done so much more they look fantastic

144

00:06:50,930 --> 00:06:47,550

and I'm with you people want to like

145

00:06:52,430 --> 00:06:50,940

them just because they exist it's it is

146

00:06:55,280 --> 00:06:52,440

a missed opportunity it's a missed

147

00:06:56,960 --> 00:06:55,290

opportunity for a better story not a me

148

00:06:59,300 --> 00:06:56,970

a better story with the new characters

149

00:07:02,000 --> 00:06:59,310

to like the new characters are fine if

150

00:07:03,710 --> 00:07:02,010

they were a part of a better story and

151

00:07:07,040 --> 00:07:03,720

don't let that one dude take his shirt

152

00:07:09,320 --> 00:07:07,050

off he's weird-looking yeah he's a

153

00:07:15,350 --> 00:07:09,330

little it's just a little weird look it

154

00:07:18,320 --> 00:07:15,360

is look at that guy there are other

155

00:07:20,810 --> 00:07:18,330

tweets calling like Mark Hamill alright

156

00:07:26,110 --> 00:07:20,820

for for posting that of course we're all

157

00:07:29,210 --> 00:07:26,120

right if we don't love whatever it's

158

00:07:31,370 --> 00:07:29,220

done you know what I mean it is clown

159

00:07:33,170 --> 00:07:31,380

world and I don't care call me racist I

160

00:07:36,680 --> 00:07:33,180

don't care I don't care I don't care I

161

00:07:39,710 --> 00:07:36,690

don't care I'm putting clown wigs on

162

00:07:42,260 --> 00:07:39,720

frogs because that's where we are if if

163

00:07:45,620 --> 00:07:42,270

you have to tell me that having a frog

164

00:07:47,659 --> 00:07:45,630

with a clown wig on is racist then we're

165

00:07:49,400 --> 00:07:47,669

gonna have to unpack a ton of stuff and

166

00:07:51,650 --> 00:07:49,410

if you don't have the goddamn

167

00:07:53,600 --> 00:07:51,660

intelligence to do it if you can't

168

00:07:56,120 --> 00:07:53,610

follow me through a conversation to

169

00:07:57,529 --> 00:07:56,130

understand what that all means and you

170

00:08:00,640 --> 00:07:57,539

just want to say racist racist racist

171

00:08:02,410 --> 00:08:00,650

then it's not me who's the problem sorry

172

00:08:10,820 --> 00:08:02,420

it's not

173

00:08:18,410 --> 00:08:10,830

that's right be part of amazing that's

174

00:08:20,870 --> 00:08:18,420

right dude that makes me feel good it's

175

00:08:22,790 --> 00:08:20,880

like taking a big dump well mark hamill

176

00:08:24,800 --> 00:08:22,800

whose politics are he's quite the

177

00:08:27,620 --> 00:08:24,810

liberal he's gonna taste it he's getting

178

00:08:29,840 --> 00:08:27,630

a taste this is this is the this culture

179

00:08:33,350 --> 00:08:29,850

war eating this zone the guy just didn't

180

00:08:35,180 --> 00:08:33,360

want his biggest his legacy as Luke

181

00:08:36,980 --> 00:08:35,190

Skywalker he embodied that character he

182

00:08:39,380 --> 00:08:36,990

made the character what we all know and

183

00:08:40,880 --> 00:08:39,390

love he doesn't want to be [h__h] on and

184

00:08:43,730 --> 00:08:40,890

that's what they're doing there I mean

185

00:08:46,280 --> 00:08:43,740

that's what they did well and I and I

186

00:08:48,290 --> 00:08:46,290

shared this on a for show notes on a

187

00:08:51,980 --> 00:08:48,300

show maybe a couple weeks ago where it

188

00:08:54,830 --> 00:08:51,990

was like the 55 times Mark Hamill talked

189

00:08:58,930 --> 00:08:54,840

warned us about the new Star Wars movies

190

00:09:03,650 --> 00:08:58,940

and he that's that's his consistent

191

00:09:06,200 --> 00:09:03,660

statement is that I I knew who law Luke

192

00:09:08,630 --> 00:09:06,210

Skywalker was and who they have written

193

00:09:11,030 --> 00:09:08,640

Luke Skywalker as is not who Luke

194

00:09:14,600 --> 00:09:11,040

Skywalker is it's just not who he is I

195

00:09:18,170 --> 00:09:14,610

think he's a Jedi he was an AI who is a

196

00:09:19,820 --> 00:09:18,180

constant optimist yes and I've watched

197

00:09:22,370 --> 00:09:19,830

many an interview with him I'm really

198

00:09:23,840 --> 00:09:22,380

surprised that Harrison Ford and Carrie

199

00:09:25,670 --> 00:09:23,850

Fisher and Mark Hamill not getting

200

00:09:27,110 --> 00:09:25,680

together with her agents and producing

201
00:09:30,560 --> 00:09:27,120
the contracts that yet we'll do the new

202
00:09:32,300 --> 00:09:30,570
movies but our contract stipulates we

203
00:09:35,840 --> 00:09:32,310
have to be in these scenes together

204
00:09:37,910 --> 00:09:35,850
because we know what the fans want you

205
00:09:39,920 --> 00:09:37,920
know like Mark Hamill knows more about

206
00:09:43,160 --> 00:09:39,930
Star Wars in the fans than probably

207
00:09:44,360 --> 00:09:43,170
anybody on that production set he should

208
00:09:46,310 --> 00:09:44,370
have had some of this contract y'all do

209
00:09:48,350 --> 00:09:46,320
Luke again I know everyone wants it it's

210
00:09:50,600 --> 00:09:48,360
a moneymaker but we I want script

211
00:09:52,430 --> 00:09:50,610
approval and they could they could have

212
00:09:55,100 --> 00:09:52,440
Harrison Ford could have got script

213
00:09:56,450 --> 00:09:55,110

approval yeah that's that's a really

214

00:09:59,120 --> 00:09:56,460

good point I'm surprised that they did

215

00:10:01,070 --> 00:09:59,130

not do that they must have threw so much

216

00:10:03,860 --> 00:10:01,080

so much money at him that they this shut

217

00:10:05,840 --> 00:10:03,870

up inside the contract yeah and I know

218

00:10:09,220 --> 00:10:05,850

Harrison Ford has more money probably

219

00:10:11,420 --> 00:10:09,230

than Hamill just due to the but he's

220

00:10:13,250 --> 00:10:11,430

Hamels not struggling that's I think

221

00:10:14,720 --> 00:10:13,260

they should have got together and said

222

00:10:15,470 --> 00:10:14,730

yeah it's gonna be us it's gonna be a

223

00:10:17,780 --> 00:10:15,480

bill

224

00:10:19,610 --> 00:10:17,790

Williams get the colt 45 guy over here

225

00:10:21,290 --> 00:10:19,620

let's bring in Chewbacca we want the

226

00:10:23,090 --> 00:10:21,300

original crew together here's the

227

00:10:24,800 --> 00:10:23,100

contract we want to be in these scenes

228

00:10:26,720 --> 00:10:24,810

show a kid Hulk Hogan this give Hulk

229

00:10:29,660 --> 00:10:26,730

Hogan here we can get them at a very

230

00:10:32,629 --> 00:10:29,670

cheap price we've been told that we can

231

00:10:38,860 --> 00:10:32,639

just get it for at 14 \$14,000 you'll do

232

00:10:41,210 --> 00:10:38,870

all three movies this could be a problem

233

00:10:44,329 --> 00:10:41,220

it'll be great

234

00:10:45,079 --> 00:10:44,339

Matt Poole sends us \$5 with no no no

235

00:10:50,449 --> 00:10:45,089

okay

236

00:10:51,889 --> 00:10:50,459

it's police unit thank you Matt I like

237

00:10:52,939 --> 00:10:51,899

talking about I like ranting about pop

238

00:10:55,900 --> 00:10:52,949

culture and where it's going

239

00:10:57,710 --> 00:10:55,910

I do too it's well it's nice that

240

00:11:00,040 --> 00:10:57,720

something like this it's such a

241

00:11:03,680 --> 00:11:00,050

cornerstone to our childhood I mean

242

00:11:05,090 --> 00:11:03,690

every one of my friends not every one of

243

00:11:07,340 --> 00:11:05,100

them the most of my friends were all

244

00:11:09,680 --> 00:11:07,350

Star Wars fans we were all we all love

245

00:11:12,730 --> 00:11:09,690

Star Wars we had the figures we you know

246

00:11:16,100 --> 00:11:12,740

it was it was a it was a moment for

247

00:11:18,769 --> 00:11:16,110

childhood and culture and now it's a

248

00:11:20,990 --> 00:11:18,779

cultural moment again unfortunately they

249

00:11:24,829 --> 00:11:21,000

can't help themselves from making it

250

00:11:27,500 --> 00:11:24,839

[h__h] the the issue is is they're

251
00:11:29,480 --> 00:11:27,510
trying to get a new fan base but

252
00:11:31,790 --> 00:11:29,490
meanwhile the old fan base still exists

253
00:11:33,290 --> 00:11:31,800
and still once like they still want to

254
00:11:35,809 --> 00:11:33,300
buy collectibles they want to buy toys

255
00:11:39,170 --> 00:11:35,819
and if you take a look at the toy sales

256
00:11:41,960 --> 00:11:39,180
for the new Star Wars it is in deep

257
00:11:44,300 --> 00:11:41,970
decline now if you look at because it's

258
00:11:47,000 --> 00:11:44,310
a dumb movie it's not the problem is not

259
00:11:49,400 --> 00:11:47,010
that it's new audience and tailoring to

260
00:11:53,300 --> 00:11:49,410
no arteries they're forcing all this

261
00:11:55,519 --> 00:11:53,310
political correctness weird [h__h] in

262
00:11:57,079 --> 00:11:55,529
there it's so you know what I mean it's

263
00:11:58,790 --> 00:11:57,089

like tiresome they're just they're not

264

00:12:00,379 --> 00:11:58,800

concerned about the story they're trying

265

00:12:02,769 --> 00:12:00,389

to put politics of a story in Star Trek

266

00:12:06,259 --> 00:12:02,779

discovery is doing the same thing and

267

00:12:09,139 --> 00:12:06,269

there's a there's a it actually kind of

268

00:12:11,509 --> 00:12:09,149

involves JJ Abrams JJ Abrams company is

269

00:12:14,750 --> 00:12:11,519

kind of headlining the Star Trek

270

00:12:19,400 --> 00:12:14,760

Discovery on CBS all access online and

271

00:12:22,759 --> 00:12:19,410

there is there's a dispute between what

272

00:12:26,540 --> 00:12:22,769

is actual Canon what is what is what

273

00:12:28,250 --> 00:12:26,550

look what style is going to sell for in

274

00:12:29,360 --> 00:12:28,260

versus what they want to display on

275

00:12:31,760 --> 00:12:29,370

screen it got comes

276

00:12:34,310 --> 00:12:31,770

to merchandising and the problem is I

277

00:12:37,190 --> 00:12:34,320

think that the writers when it comes to

278

00:12:39,710 --> 00:12:37,200

this new new Star Wars and Star Trek

279

00:12:45,980 --> 00:12:39,720

they don't care enough about the

280

00:12:47,780 --> 00:12:45,990

original material to carry it on and in

281

00:12:50,210 --> 00:12:47,790

a way that honors the past but also

282

00:12:51,829 --> 00:12:50,220

creates new stories in the future well

283

00:12:53,690 --> 00:12:51,839

no because we're Terry have to tear down

284

00:12:54,950 --> 00:12:53,700

all the statues yes they have to tear

285

00:12:58,040 --> 00:12:54,960

down the past that was the entire

286

00:13:00,230 --> 00:12:58,050

message of the last Jedi forget the past

287

00:13:02,600 --> 00:13:00,240

destroy it which makes absolutely no

288

00:13:04,700 --> 00:13:02,610

sense if you're a [\h__\h] adult if you

289

00:13:06,740 --> 00:13:04,710

forget your past okay

290

00:13:11,000 --> 00:13:06,750

then you learn from none of the mistakes

291

00:13:15,260 --> 00:13:11,010

you've made ya know and I and I find it

292

00:13:17,360 --> 00:13:15,270

to be emblematic of what that cultural

293

00:13:19,160 --> 00:13:17,370

side of the aisle if you want to call it

294

00:13:21,050 --> 00:13:19,170

an an aisle it's not a binary thing to

295

00:13:24,440 --> 00:13:21,060

me but it's it there is a philosophy

296

00:13:26,180 --> 00:13:24,450

that says well this guy you know he did

297

00:13:29,630 --> 00:13:26,190

a lot of good things but then he had

298

00:13:31,790 --> 00:13:29,640

these really bad ideas and you know so

299

00:13:33,500 --> 00:13:31,800

we have to tear everything down and

300

00:13:35,840 --> 00:13:33,510

eliminate him from history

301
00:13:38,870 --> 00:13:35,850
but at the same time Martin Luther King

302
00:13:44,090 --> 00:13:38,880
cheated on his wife he hated gays he was

303
00:13:45,890 --> 00:13:44,100
very anti-gay now do we go after him do

304
00:13:49,100 --> 00:13:45,900
we turn do we change all the Martin

305
00:13:51,650 --> 00:13:49,110
Luther King Boulevard streets names

306
00:13:55,430 --> 00:13:51,660
because Martin Luther King was a

307
00:13:57,210 --> 00:13:55,440
philanderer and hated the gays and a

308
00:14:00,600 --> 00:13:57,220
socialist

309
00:14:02,970 --> 00:14:00,610
no you that I mean like where where do

310
00:14:06,379 --> 00:14:02,980
we stop where do we stop and it wasn't

311
00:14:08,850 --> 00:14:06,389
like Mark Hamill and Harrison Ford and

312
00:14:11,069 --> 00:14:08,860
Carrie Fisher it wasn't like they were

313
00:14:14,129 --> 00:14:11,079

white supremacist yes they are

314

00:14:16,230 --> 00:14:14,139

it would probably probably Billy Dee

315

00:14:18,210 --> 00:14:16,240

Williams with the Colt 45 who's bad

316

00:14:22,050 --> 00:14:18,220

influence on the kids get rid of them

317

00:14:26,999 --> 00:14:22,060

outright Nazi oh they're all right Star

318

00:14:28,199 --> 00:14:27,009

Wars as an all-new episode 4 5 & 6 we're

319

00:14:30,809 --> 00:14:28,209

all right
