

Anakin Skywalker from Star Wars: The Clone Wars is shown in a close-up, looking shocked with his mouth wide open. In the background, the Iron Throne is visible, with Emperor Palpatine sitting on it. The scene is set in a dimly lit, red-hued environment.

NEW STAR WARS MOVIES

PARENTAL
ADVISORY
EXPLICIT CONTENT

1
00:00:00,290 --> 00:00:06,430

[Applause]

2
00:00:13,220 --> 00:00:10,129

you can't own Disney announces release

3
00:00:15,289 --> 00:00:13,230

dates for new Star Wars avatar in Marvel

4
00:00:19,790 --> 00:00:15,299

movies I didn't even know I didn't know

5
00:00:21,769 --> 00:00:19,800

Disney had a stake in Avatar I guess the

6
00:00:26,560 --> 00:00:21,779

next three Star Wars movies after

7
00:00:31,690 --> 00:00:26,570

December's rise the rise of a Skywalker

8
00:00:34,700 --> 00:00:31,700

will arrive in theaters in 2020 to 2024

9
00:00:37,100 --> 00:00:34,710

2026 whatever they are

10
00:00:39,709 --> 00:00:37,110

the revelation popped up on Disney's

11
00:00:42,350 --> 00:00:39,719

release schedule updated Tuesday and

12
00:00:45,170 --> 00:00:42,360

which now includes projects from newly

13
00:00:46,369 --> 00:00:45,180

acquired 20th Century Fox the future of

14

00:00:49,130 --> 00:00:46,379

the Star Wars franchise has been

15

00:00:51,740 --> 00:00:49,140

seemingly up in the air since the studio

16

00:00:53,569 --> 00:00:51,750

decided to pump the brakes after five

17

00:00:56,930 --> 00:00:53,579

straight years of new movies which

18

00:01:00,290 --> 00:00:56,940

included solo a critical and box-office

19

00:01:02,209 --> 00:01:00,300

disappointment that sparked talk of Star

20

00:01:05,840 --> 00:01:02,219

Wars fatigue I disagreed there's no Star

21

00:01:08,330 --> 00:01:05,850

Wars fatigue it is there is no it's it

22

00:01:11,000 --> 00:01:08,340

is crappy movie fatigue and OH and

23

00:01:13,490 --> 00:01:11,010

poorly written Star Wars movies fatigue

24

00:01:16,609 --> 00:01:13,500

that's it I see yeah it's a you're being

25

00:01:17,960 --> 00:01:16,619

very direct about it like it's it's Star

26
00:01:19,520 --> 00:01:17,970
Wars fatigue makes it sound like people

27
00:01:21,859 --> 00:01:19,530
are tired of Star Wars you could have

28
00:01:23,390 --> 00:01:21,869
probably milked that [h__h] cow oh no

29
00:01:25,340 --> 00:01:23,400
you could have milked that whatever

30
00:01:30,200 --> 00:01:25,350
animal Luke was milking in the last

31
00:01:34,190 --> 00:01:30,210
movie forever if you didn't have justice

32
00:01:36,520 --> 00:01:34,200
retards making them yeah it's not Star

33
00:01:39,980 --> 00:01:36,530
Wars fatigue it is poorly written

34
00:01:41,600 --> 00:01:39,990
versions of Star Wars it's it is the

35
00:01:44,450 --> 00:01:41,610
Star Wars written by people who

36
00:01:47,420 --> 00:01:44,460
seemingly don't give a [h__h] about the

37
00:01:49,399 --> 00:01:47,430
the expanded universe the Canon of Star

38
00:01:50,690 --> 00:01:49,409

Wars uh that's that's what we're tired

39

00:01:52,460 --> 00:01:50,700

of we're tired about people who don't

40

00:01:54,740 --> 00:01:52,470

give a [\h__\h] about the things that we

41

00:01:58,069 --> 00:01:54,750

care about and that they and that

42

00:02:01,459 --> 00:01:58,079

they're more concerned about current you

43

00:02:03,560 --> 00:02:01,469

know cultural social whatever

44

00:02:05,690 --> 00:02:03,570

discussions and debates it's like can

45

00:02:08,270 --> 00:02:05,700

you just put me in a galaxy far far away

46

00:02:12,920 --> 00:02:08,280

I am sick of this [\h__\h] that's right

47

00:02:13,430 --> 00:02:12,930

I isn't known yet what these what the

48

00:02:15,470 --> 00:02:13,440

what

49

00:02:17,330 --> 00:02:15,480

those new movies will be the rise of

50

00:02:19,520 --> 00:02:17,340

Skywalker is said to be the final film

51
00:02:21,350 --> 00:02:19,530
in the sequel trilogy though that

52
00:02:24,890 --> 00:02:21,360
doesn't necessarily mean The Adventures

53
00:02:28,640 --> 00:02:24,900
of Rey kylo Ren Finn and Poe are over

54
00:02:30,680 --> 00:02:28,650
also both the last Jedi in also both the

55
00:02:32,230 --> 00:02:30,690
last Jedi director Brian Johnson and

56
00:02:35,780 --> 00:02:32,240
Game of Thrones Game of Thrones

57
00:02:37,880 --> 00:02:35,790
showrunner David Benioff and DB Weiss

58
00:02:40,430 --> 00:02:37,890
are working on their own separate

59
00:02:42,650 --> 00:02:40,440
trilogies holy [h__h] so Rian Johnson's

60
00:02:46,190 --> 00:02:42,660
got his own trilogy and then the Game of

61
00:02:48,920 --> 00:02:46,200
Thrones guys who really are I in my

62
00:02:51,980 --> 00:02:48,930
opinion [h__h] the bed with the the

63
00:02:54,200 --> 00:02:51,990

with this they they have their own they

64

00:02:56,090 --> 00:02:54,210

each have their own trilogies so they

65

00:02:59,150 --> 00:02:56,100

can follow are you [h__h] up game of

66

00:03:01,970 --> 00:02:59,160

the Rings suite come [h__h] up Star Wars

67

00:03:03,260 --> 00:03:01,980

we're trying to do that too yeah great

68

00:03:07,400 --> 00:03:03,270

oh wow you're really [h__h] the bed

69

00:03:09,890 --> 00:03:07,410

over there that's fantastic [h__h] come

70

00:03:12,580 --> 00:03:09,900

sit in our bed we don't even make the

71

00:03:14,540 --> 00:03:12,590

damn thing I don't complain about

72

00:03:16,340 --> 00:03:14,550

compared to a lot of people out there I

73

00:03:20,060 --> 00:03:16,350

I kind of take it for what it is I'll

74

00:03:22,520 --> 00:03:20,070

watch it and that's that and I

75

00:03:25,160 --> 00:03:22,530

understand that you know the writing can

76

00:03:26,300 --> 00:03:25,170

take a multitude of directions you enjoy

77

00:03:29,660 --> 00:03:26,310

it for what it is and that's what I'm

78

00:03:32,030 --> 00:03:29,670

doing I would say 60 to 75% of the time

79

00:03:35,420 --> 00:03:32,040

when I watch Game of Thrones or all this

80

00:03:38,210 --> 00:03:35,430

kind of stuff but when series wind when

81

00:03:40,430 --> 00:03:38,220

series wind down when they wind down and

82

00:03:43,610 --> 00:03:40,440

you have so much time invested in it and

83

00:03:47,330 --> 00:03:43,620

it's not being wrapped up in a creative

84

00:03:48,890 --> 00:03:47,340

way much like the way lost wasn't

85

00:03:51,860 --> 00:03:48,900

wrapped up in a creative way you get you

86

00:03:53,750 --> 00:03:51,870

get disappointed and I'm kind of feeling

87

00:03:56,390 --> 00:03:53,760

that way with lost or not with lost but

88

00:03:57,380 --> 00:03:56,400

Game of Thrones but you know I'll see

89

00:03:59,240 --> 00:03:57,390

what happens in the next few episodes

90

00:04:00,680 --> 00:03:59,250

but I don't have a lot of faith in these

91

00:04:02,750 --> 00:04:00,690

writers to do the right thing

92

00:04:03,830 --> 00:04:02,760

with the new trilogy they've been handed

93

00:04:06,140 --> 00:04:03,840

I certainly don't have enough I don't

94

00:04:07,460 --> 00:04:06,150

have a lot of faith in ryan johnson to

95

00:04:08,720 --> 00:04:07,470

do the right thing and create and do

96

00:04:14,870 --> 00:04:08,730

something creative with another trilogy

97

00:04:18,620 --> 00:04:14,880

so you know [h__h] them both give them a

98

00:04:19,509 --> 00:04:18,630

good old fist into right oh please why

99

00:04:23,440 --> 00:04:19,519

not

100

00:04:26,480 --> 00:04:23,450

so the rest is article read this down

101
00:04:27,050 --> 00:04:26,490
Weiss so DB Weiss there they're working

102
00:04:29,440 --> 00:04:27,060
on their own

103
00:04:32,210 --> 00:04:29,450
separate trilogies there have been long

104
00:04:34,730 --> 00:04:32,220
there have long been rumors of an

105
00:04:36,530 --> 00:04:34,740
obi-wan Kenobi or Boba Fett's standalone

106
00:04:39,260 --> 00:04:36,540
film as well and there was there was a

107
00:04:42,980 --> 00:04:39,270
both standalone film and I believe the

108
00:04:45,260 --> 00:04:42,990
director from the that movie Logan the

109
00:04:46,070 --> 00:04:45,270
last Wolverine movie he was attached and

110
00:04:47,690 --> 00:04:46,080
then they put the brakes on that

111
00:04:49,850 --> 00:04:47,700
meanwhile he's probably he probably

112
00:04:51,680 --> 00:04:49,860
seemed like the most competent filmmaker

113
00:04:55,940 --> 00:04:51,690

out of everyone to make a Star Wars

114

00:04:57,740 --> 00:04:55,950

movie who knows the upcoming Disney Plus

115

00:04:59,390 --> 00:04:57,750

television series the mandalorian could

116

00:05:01,730 --> 00:04:59,400

become a popular and could become

117

00:05:04,460 --> 00:05:01,740

popular enough to warrant a film the

118

00:05:07,969 --> 00:05:04,470

company also has new Star Wars theme

119

00:05:10,760 --> 00:05:07,979

land lands based on a never before seen

120

00:05:13,219 --> 00:05:10,770

planet at its parks in California in

121

00:05:16,159 --> 00:05:13,229

Florida to promote Wow okay Star Wars

122

00:05:18,020 --> 00:05:16,169

theme park and new planets each of the

123

00:05:20,860 --> 00:05:18,030

new Star Wars films will be released

124

00:05:23,450 --> 00:05:20,870

around Christmas time starting 2022 in

125

00:05:28,000 --> 00:05:23,460

alternate years with the four

126

00:05:33,650 --> 00:05:28,010

long-awaited avatar sequels for

127

00:05:36,520 --> 00:05:33,660

long-awaited avatar sequels I've for

128

00:05:41,170 --> 00:05:36,530

sequels I don't

129

00:05:43,390 --> 00:05:41,180

I will lose my mind today hello Glenna

130

00:05:44,980 --> 00:05:43,400

I feel like he doesn't make an

131

00:05:47,680 --> 00:05:44,990

appearance as much any so there's

132

00:05:50,110 --> 00:05:47,690

staggering these the avatar movies are

133

00:05:51,190 --> 00:05:50,120

coming out all right in twenty twenty

134

00:05:54,840 --> 00:05:51,200

one twenty two twenty three twenty

135

00:05:59,860 --> 00:05:54,850

twenty five and twenty twenty seven

136

00:06:01,930 --> 00:05:59,870

[h__h] Jimmy Cameron's a good

137

00:06:04,780 --> 00:06:01,940

filmmaker there's no doubt about that

138

00:06:08,560 --> 00:06:04,790

good old Jimmy a little Jimmy Cameron

139

00:06:13,330 --> 00:06:08,570

solid filmmaker I like what he does but

140

00:06:17,890 --> 00:06:13,340

I to say that the avatar sequels are

141

00:06:19,750 --> 00:06:17,900

long awaited is absolute crap well I

142

00:06:22,280 --> 00:06:19,760

don't think anybody's waiting for the

143

00:06:24,710 --> 00:06:22,290

sequels to avatar

144

00:06:27,620 --> 00:06:24,720

are they is there any hyper excitement

145

00:06:30,530 --> 00:06:27,630

around the sequels to avatar and my ex

146

00:06:32,630 --> 00:06:30,540

was a huge Avatar fan really love yeah I

147

00:06:34,970 --> 00:06:32,640

don't understand it I feel like it's

148

00:06:36,890 --> 00:06:34,980

exactly the same movie as a lot of other

149

00:06:38,480 --> 00:06:36,900

James Cameron movies especially it's

150

00:06:41,390 --> 00:06:38,490

like aliens it's like you get there

151
00:06:43,460 --> 00:06:41,400
things go wrong and then people die and

152
00:06:45,380 --> 00:06:43,470
it goes bad and you know what I mean

153
00:06:46,790 --> 00:06:45,390
it's it's always the same formula it

154
00:06:49,730 --> 00:06:46,800
feels like the same formulas big

155
00:06:52,400 --> 00:06:49,740
corporations are mean you know it's a

156
00:06:55,690 --> 00:06:52,410
lot of that and I'll don't know I mean

157
00:06:57,890 --> 00:06:55,700
it's it works I mean that's what even

158
00:06:59,450 --> 00:06:57,900
frightened Michael Crichton he did the

159
00:07:01,520 --> 00:06:59,460
same [h__h] with like Westworld

160
00:07:04,520 --> 00:07:01,530
nice apart it's the same movie and said

161
00:07:06,530 --> 00:07:04,530
you made the Cowboys dinosaurs mmm

162
00:07:09,830 --> 00:07:06,540
cowboy dinosaurs I'd watched that TV

163
00:07:12,050 --> 00:07:09,840

show watch that yeah good name for a

164

00:07:16,370 --> 00:07:12,060

band maybe how about we dinosaurs yeah

165

00:07:17,810 --> 00:07:16,380

exactly yeah saw them once but I'll post

166

00:07:19,700 --> 00:07:17,820

a link up in the description for this

167

00:07:21,110 --> 00:07:19,710

there's the whole schedule I mean they

168

00:07:22,610 --> 00:07:21,120

got another Black Panther movie coming

169

00:07:24,470 --> 00:07:22,620

out obviously another Captain Marvel

170

00:07:26,030 --> 00:07:24,480

movie they got Doctor Strange movies

171

00:07:28,730 --> 00:07:26,040

it's like they're not gonna stop pumping

172

00:07:33,910 --> 00:07:28,740

these movies on just they're pumping off

173

00:07:36,680 --> 00:07:33,920

no stop pumping they won't they will not

174

00:07:39,950 --> 00:07:36,690

they're not gonna stop pumping people

175

00:07:42,110 --> 00:07:39,960

know if you'd figured they'd take a

176

00:07:44,240 --> 00:07:42,120

little bit of a break after this newest

177

00:07:46,460 --> 00:07:44,250

Avengers movie but no it's full steam

178

00:07:48,890 --> 00:07:46,470

ahead if you keep pumping you're gonna

179

00:07:51,830 --> 00:07:48,900

get scabs man you did not want this no

180

00:07:55,220 --> 00:07:51,840

it's it's there's them it's just weird

181

00:07:56,960 --> 00:07:55,230

like the the bigger these corporations

182

00:07:59,450 --> 00:07:56,970

get the more they have to pump out stuff

183

00:08:01,220 --> 00:07:59,460

in a quicker fashion and there's

184

00:08:02,930 --> 00:08:01,230

obviously there's less care and

185

00:08:03,560 --> 00:08:02,940

creativity put into it but they don't

186

00:08:05,480 --> 00:08:03,570

give a [h__h]

187

00:08:07,760 --> 00:08:05,490

same with it though same of the triple-a

188

00:08:10,010 --> 00:08:07,770

game makers yeah they crank out some

189

00:08:12,290 --> 00:08:10,020

good good games every now and again but

190

00:08:13,850 --> 00:08:12,300

a lot of them you know you might like

191

00:08:16,550 --> 00:08:13,860

the new Call of Duty Joe but it's the

192

00:08:19,460 --> 00:08:16,560

same it's the same game just with new

193

00:08:22,250 --> 00:08:19,470

skins maybe a little bitty 5% better

194

00:08:24,890 --> 00:08:22,260

graphics that's it yeah I mean you're

195

00:08:27,170 --> 00:08:24,900

exactly right this is why it boggles the

196

00:08:28,910 --> 00:08:27,180

mind I mean I'm guilty of it buying a

197

00:08:30,620 --> 00:08:28,920

lot of these I stopped buying those I

198

00:08:32,510 --> 00:08:30,630

just waited for the good games that

199

00:08:34,130 --> 00:08:32,520

actually come out which is rare because

200

00:08:35,839 --> 00:08:34,140

you're right I mean they literally just

201
00:08:38,389 --> 00:08:35,849
control-c can

202
00:08:40,909 --> 00:08:38,399
you'll be alright let's send this [\h__\h]

203
00:08:43,459 --> 00:08:40,919
out [\h__\h] though we're not gonna even

204
00:08:44,629 --> 00:08:43,469
test it like that what makes you charge

205
00:08:47,749 --> 00:08:44,639
them for upgrades

206
00:08:51,620 --> 00:08:47,759
yes well hold back half the game and

207
00:08:53,420 --> 00:08:51,630
we'll resell it to them as DLC live

208
00:08:55,430 --> 00:08:53,430
services means we're gonna roll out a

209
00:08:58,160 --> 00:08:55,440
shitty game that hasn't been beta tested

210
00:08:59,389 --> 00:08:58,170
and we'll let the users play test it for

211
00:09:01,160 --> 00:08:59,399
us and then when they start to complain

212
00:09:05,240 --> 00:09:01,170
we'll give them a few extra coins so

213
00:09:08,259 --> 00:09:05,250

they can spend that on cosmetics this is

214

00:09:10,550 --> 00:09:08,269

a this is the world we live in and

215

00:09:11,930 --> 00:09:10,560

people keep buying the stuff and

216

00:09:13,970 --> 00:09:11,940

honestly I'm just as guilty as anybody

217

00:09:16,819 --> 00:09:13,980

else I keep watching these movies I

218

00:09:18,920 --> 00:09:16,829

watched shitty crap all the time on

219

00:09:23,449 --> 00:09:18,930

Netflix yeah are you still watching

220

00:09:25,189 --> 00:09:23,459

Walking Dead yes I guess not they got me

221

00:09:28,360 --> 00:09:25,199

I'm addicted to Star Wars and Rock

222

00:09:30,379 --> 00:09:28,370

Walking Dead are you gonna see the new

223

00:09:31,939 --> 00:09:30,389

Skywalker's everywhere or whatever the

224

00:09:36,350 --> 00:09:31,949

hell that damn thing is called again of

225

00:09:41,150 --> 00:09:36,360

course I will you are a sad man yeah I

226

00:09:44,120 --> 00:09:41,160

got Star Wars I don't know man I might

227

00:09:45,829 --> 00:09:44,130

go just so I can be able to [h__h] out it

228

00:09:48,269 --> 00:09:45,839

publicly when people start wanting to

229

00:09:50,059 --> 00:09:48,279

talk to me about it

230

00:09:52,829 --> 00:09:50,069

it's one of those things that it is a

231

00:09:54,960 --> 00:09:52,839

cultural kind of thing pop culture kind

232

00:09:58,800 --> 00:09:54,970

of thing you want to see it I saw the

233

00:10:00,569 --> 00:09:58,810

last Jedi you know what a [h__h] said

234

00:10:04,019 --> 00:10:00,579

movies look good I'll give them that

235

00:10:05,999 --> 00:10:04,029

they're visually impressive but I have

236

00:10:08,549 --> 00:10:06,009

no interesting going back to watch it I

237

00:10:10,230 --> 00:10:08,559

think it was on something or lega as I

238

00:10:12,509 --> 00:10:10,240

can't remember if it was rent arrow

239

00:10:15,150 --> 00:10:12,519

rentable or free and I was like I have

240

00:10:17,160 --> 00:10:15,160

literally no interest and I used to

241

00:10:19,470 --> 00:10:17,170

watch Star Wars I mean you could see

242

00:10:22,230 --> 00:10:19,480

that box behind me on the on the thing

243

00:10:25,100 --> 00:10:22,240

that's that VHS slat from the originals

244

00:10:29,030 --> 00:10:25,110

with all the original [h__h] that's like

245

00:10:31,650 --> 00:10:29,040

legit VHS original Star Wars used to I

246

00:10:32,610 --> 00:10:31,660

watched the hell out of those movies

247

00:10:35,670 --> 00:10:32,620

because I thought they were great I

248

00:10:39,509 --> 00:10:35,680

still think a lot of them hold up they

249

00:10:43,259 --> 00:10:39,519

do I I do agree they I think the what's

250

00:10:47,910 --> 00:10:43,269

tougher for me is the new 4k or blu-ray

251
00:10:49,860 --> 00:10:47,920
versions where actually the the VHS and

252
00:10:51,720 --> 00:10:49,870
the like the the at least standard

253
00:10:53,069 --> 00:10:51,730
definition quality kind of blurs all

254
00:10:54,749 --> 00:10:53,079
these special effects together so they

255
00:10:56,759 --> 00:10:54,759
don't look as fake but if you look if

256
00:10:58,829 --> 00:10:56,769
you watch them in HD that you could it

257
00:11:02,369 --> 00:10:58,839
just seems too fake now you need that

258
00:11:04,559 --> 00:11:02,379
that natural blurring and haze quality

259
00:11:08,620 --> 00:11:04,569
to the lower definition of stuff to make

260
00:11:10,870 --> 00:11:08,630
it look real but this is me

261
00:11:12,130 --> 00:11:10,880
I remember you where the ships would fly

262
00:11:14,260 --> 00:11:12,140
around and you could see sort of a

263
00:11:16,450 --> 00:11:14,270

little box where they were dropping the

264

00:11:19,360 --> 00:11:16,460

ship in there yeah I love that stuff I'm

265

00:11:21,730 --> 00:11:19,370

like man this guy like think about what

266

00:11:23,680 --> 00:11:21,740

George Lucas was was up against at that

267

00:11:25,330 --> 00:11:23,690

time to do all that stuff I mean he

268

00:11:27,430 --> 00:11:25,340

probably could have talked to Stanley

269

00:11:29,470 --> 00:11:27,440

Kubrick and learned a thing or two but

270

00:11:30,850 --> 00:11:29,480

no this dip shits cutting and pasting

271

00:11:33,100 --> 00:11:30,860

all these things he's got these little

272

00:11:34,210 --> 00:11:33,110

models around he made it work yeah it

273

00:11:36,310 --> 00:11:34,220

was a little bit more difficult than

274

00:11:39,460 --> 00:11:36,320

just cutting and pasting stuff Joe I

275

00:11:42,280 --> 00:11:39,470

mean maybe he invented a whole special

276

00:11:45,430 --> 00:11:42,290

effects company called ILM and that's

277

00:11:49,690 --> 00:11:45,440

your magics remarkable with varium yes

278

00:11:51,850 --> 00:11:49,700

he was he was a true innovator and rumor

279

00:11:55,930 --> 00:11:51,860

is rumor is since we're talking about

280

00:11:59,140 --> 00:11:55,940

that George Lucas has directed a few

281

00:12:01,180 --> 00:11:59,150

scenes on this last Star Wars movie the

282

00:12:03,580 --> 00:12:01,190

the rise of the style of Skywalker so

283

00:12:05,880 --> 00:12:03,590

they brought George Lucas back in to

284

00:12:09,130 --> 00:12:05,890

bounce some ideas off his fat head and

285

00:12:13,450 --> 00:12:09,140

they allowed him to direct some scenes

286

00:12:16,510 --> 00:12:13,460

between some of the main cast members I

287

00:12:18,730 --> 00:12:16,520

have milk that that space donkey or

288

00:12:20,380 --> 00:12:18,740

whatever the hell I guess so I'd love to

289

00:12:22,450 --> 00:12:20,390

see that you should do it they're gonna

290

00:12:28,690 --> 00:12:22,460

milk Jabba the Hutt or something like

291

00:12:30,100 --> 00:12:28,700

that a lot or dump dump it pump it do

292

00:12:32,680 --> 00:12:30,110

whatever you got to do out there they

293

00:12:34,900 --> 00:12:32,690

make it happen people if you want to

294

00:12:38,130 --> 00:12:34,910

join us thank all these calls give us an

295

00:12:42,310 --> 00:12:38,140

email at our big Dumbo and gmail.com

296

00:12:48,670 --> 00:12:42,320

check out OPM protocol for other social
