

# WITCH ATTACK IN MEXICO

PARENTAL  
ADVISORY  
EXPLICIT CONTENT

1  
00:00:00,290 --> 00:00:06,510  
[Applause]

2  
00:00:20,380 --> 00:00:07,780  
yes

3  
00:00:22,330 --> 00:00:20,390  
here we go monster day very polished I

4  
00:00:24,070 --> 00:00:22,340  
like it yeah I work on that production

5  
00:00:25,529 --> 00:00:24,080  
you know I mean people don't stick

6  
00:00:28,029 --> 00:00:25,539  
around for the good humor and

7  
00:00:31,270 --> 00:00:28,039  
articulated news analysis they stick

8  
00:00:34,330 --> 00:00:31,280  
around for maybe a good sounding podcast

9  
00:00:37,930 --> 00:00:34,340  
maybe so what I have up on screen here

10  
00:00:42,160 --> 00:00:37,940  
is a story and this is titled policeman

11  
00:00:44,779 --> 00:00:42,170  
in Mexico attack by flying which thank

12  
00:00:48,979 --> 00:00:46,669  
and this is not that old this is comes

13  
00:00:50,900 --> 00:00:48,989

from 2017 and I'll read down the article

14

00:00:52,660 --> 00:00:50,910

and actually read up on this little bit

15

00:00:55,640 --> 00:00:52,670

and we'll see what the article has and

16

00:00:58,610 --> 00:00:55,650

what they may have missed

17

00:01:00,500 --> 00:00:58,620

so in the foothills of Monterey Mexico

18

00:01:03,380 --> 00:01:00,510

up loose officer encountered what he

19

00:01:07,370 --> 00:01:03,390

called a witch flying over the top of a

20

00:01:10,370 --> 00:01:07,380

graveyard this witch then turned to

21

00:01:12,650 --> 00:01:10,380

attack him frightened and confused he

22

00:01:14,960 --> 00:01:12,660

reacted by calling in the bizarre

23

00:01:17,690 --> 00:01:14,970

encounter to his fellow patrol officers

24

00:01:19,160 --> 00:01:17,700

so I'll try to recount this off top my

25

00:01:20,710 --> 00:01:19,170

head so what would happen is that this

26

00:01:23,330 --> 00:01:20,720

police officer was patrolling a

27

00:01:26,570 --> 00:01:23,340

neighborhood that had a various reports

28

00:01:30,710 --> 00:01:26,580

of burglary he looked up at the the sky

29

00:01:32,870 --> 00:01:30,720

and saw what to be like a large almost

30

00:01:36,560 --> 00:01:32,880

like a hefty bag kind of shape I'm long

31

00:01:38,630 --> 00:01:36,570

kind of shape and so he kind of remarked

32

00:01:43,219 --> 00:01:38,640

that out it's this kind of like hovering

33

00:01:46,490 --> 00:01:43,229

there in in midair and sure enough it

34

00:01:49,219 --> 00:01:46,500

landed down right in front of his patrol

35

00:01:51,920 --> 00:01:49,229

vehicle and this was in at dusk a little

36

00:01:53,840 --> 00:01:51,930

bit night so his lights were on and so

37

00:01:56,960 --> 00:01:53,850

the the lights were shining right on

38

00:02:00,100 --> 00:01:56,970

this which light creature he said it had

39

00:02:03,410 --> 00:02:00,110

long kind of scraggly black hair large

40

00:02:05,749 --> 00:02:03,420

black eyes and when the lights came upon

41

00:02:07,969 --> 00:02:05,759

it it kind of recoiled from the light

42

00:02:11,949 --> 00:02:07,979

and covering its face a little bit he

43

00:02:14,510 --> 00:02:11,959

freaked out he freaked out immediately

44

00:02:16,370 --> 00:02:14,520

shoving his car in reverse and

45

00:02:20,660 --> 00:02:16,380

hightailing it back to the end of the

46

00:02:22,150 --> 00:02:20,670

block in Reverse and you know as you go

47

00:02:24,199 --> 00:02:22,160

and reverse you turn your head kind of

48

00:02:26,150 --> 00:02:24,209

turn around so you can see where your

49

00:02:28,190 --> 00:02:26,160

rear backing up to at the end of the

50

00:02:30,559 --> 00:02:28,200

block he stopped some people do some

51  
00:02:32,180 --> 00:02:30,569  
people yeah I guess I can go in reverse

52  
00:02:35,059 --> 00:02:32,190  
completely blind

53  
00:02:36,949 --> 00:02:35,069  
have you ever seen this at the grocery

54  
00:02:39,140 --> 00:02:36,959  
store you get like some old lady except

55  
00:02:41,270 --> 00:02:39,150  
that she's just like look everyone I'm

56  
00:02:43,940 --> 00:02:41,280  
going back that's what I do

57  
00:02:45,949 --> 00:02:43,950  
anyway go ahead he probably does do ya

58  
00:02:47,360 --> 00:02:45,959  
AJ doesn't look what he turned he just

59  
00:02:52,339 --> 00:02:47,370  
goes back he ain't got no time to look

60  
00:02:55,160 --> 00:02:52,349  
the new orders after him 24/7 and so the

61  
00:02:57,170 --> 00:02:55,170  
police officer hightailed it in Reverse

62  
00:02:59,360 --> 00:02:57,180  
and then when he turned back around to

63  
00:03:02,390 --> 00:02:59,370

his head back around he saw this

64

00:03:05,750 --> 00:03:02,400

witch-like creature on the hood of his

65

00:03:08,929 --> 00:03:05,760

vehicle crawling at his window that's

66

00:03:09,380 --> 00:03:08,939

good that's good yeah clawing at his

67

00:03:11,750 --> 00:03:09,390

Winn

68

00:03:13,760 --> 00:03:11,760

though now before the like while he was

69

00:03:16,910 --> 00:03:13,770

in Reverse he actually made a call into

70

00:03:19,130 --> 00:03:16,920

the station to request for backup

71

00:03:21,020 --> 00:03:19,140

he was he was panicked absolutely

72

00:03:24,440 --> 00:03:21,030

panicked as anybody would be when you're

73

00:03:26,120 --> 00:03:24,450

confronted by a big which you don't know

74

00:03:30,530 --> 00:03:26,130

the which though she might be a good

75

00:03:32,480 --> 00:03:30,540

which I possibly but I think when it a

76

00:03:34,280 --> 00:03:32,490

which leave Sun for on top of your car

77

00:03:39,890 --> 00:03:34,290

so it's clawing at you that could be

78

00:03:43,810 --> 00:03:39,900

seen as aggressive or hostile me talking

79

00:03:46,300 --> 00:03:43,820

about that's how I met my husband okay

80

00:03:50,390 --> 00:03:46,310

people we meet in the weirdest ways

81

00:03:52,460 --> 00:03:50,400

certainly true so the yet he had called

82

00:03:55,670 --> 00:03:52,470

for backup he were back around saw the

83

00:03:59,210 --> 00:03:55,680

the witch on his car clawing at his

84

00:04:04,540 --> 00:03:59,220

windshield the guy passes out from sheer

85

00:04:07,780 --> 00:04:04,550

hair he was so he's pissing his pants

86

00:04:11,780 --> 00:04:07,790

because he was so alone I think this

87

00:04:15,920 --> 00:04:11,790

pantalones his botas he was pissing down

88

00:04:16,750 --> 00:04:15,930

into his shoes pass I think that's about

89

00:04:20,599 --> 00:04:16,760

though

90

00:04:24,120 --> 00:04:20,609

zapatos yeah his is sloppy zapatos

91

00:04:31,620 --> 00:04:28,650

passes out he comes to with his fellow

92

00:04:34,560 --> 00:04:31,630

officers trying to revive him and he

93

00:04:36,390 --> 00:04:34,570

flat-out tells him listen I was probably

94

00:04:39,710 --> 00:04:36,400

attacked by which I passed out because

95

00:04:46,760 --> 00:04:43,020

sorry I passed out excuse me so funny

96

00:04:52,620 --> 00:04:46,770

thing probably not gonna believe me

97

00:04:54,780 --> 00:04:52,630

losing guys so he recounts a story they

98

00:04:56,130 --> 00:04:54,790

take him to the hospital they give him a

99

00:04:58,050 --> 00:04:56,140

litany of tests they make sure that he

100

00:04:59,700 --> 00:04:58,060

wasn't on any drugs he wasn't inebriated

101

00:05:01,920 --> 00:04:59,710

that he wasn't overstressed that he

102

00:05:04,710 --> 00:05:01,930

wasn't hallucinating he this guy passes

103

00:05:08,070 --> 00:05:04,720

all tests this guy is a top-notch dude

104

00:05:09,240 --> 00:05:08,080

and with his coming forward talking

105

00:05:10,830 --> 00:05:09,250

about this not only to the police

106

00:05:13,710 --> 00:05:10,840

department but also reporting this to

107

00:05:15,990 --> 00:05:13,720

local newspapers in turn there have been

108

00:05:18,930 --> 00:05:16,000

other people from around that area that

109

00:05:22,410 --> 00:05:18,940

have recalled seen a very similar thing

110

00:05:24,570 --> 00:05:22,420

and so that kind of leads us to this

111

00:05:26,490 --> 00:05:24,580

article and I'll kind of read that read

112

00:05:31,020 --> 00:05:26,500

down this I kind of gave you the gist of

113

00:05:33,000 --> 00:05:31,030

the of the story here but this flying

114

00:05:35,130 --> 00:05:33,010

which then turned to attack in which I

115

00:05:36,870 --> 00:05:35,140

talked about frightened and confused he

116

00:05:38,490 --> 00:05:36,880

reacted by calling in the bizarre

117

00:05:41,850 --> 00:05:38,500

encounter apparently someone nearby

118

00:05:44,910 --> 00:05:41,860

recorded footage of the switch on a

119

00:05:46,710 --> 00:05:44,920

video as well the alleged which was

120

00:05:49,590 --> 00:05:46,720

flying near the hillside of this area

121

00:05:52,110 --> 00:05:49,600

while it seems like utter nonsense this

122

00:05:54,930 --> 00:05:52,120

officer was scared to the point of being

123

00:05:57,000 --> 00:05:54,940

made medically examined and was truly

124

00:05:58,380 --> 00:05:57,010

shaken up over the incident and on

125

00:06:01,500 --> 00:05:58,390

screen right here I have a picture of

126

00:06:03,390 --> 00:06:01,510

what they are saying is the the witch

127

00:06:06,630 --> 00:06:03,400

which does look remarkably like a hefty

128

00:06:09,360 --> 00:06:06,640

bag probably one of those unbreak will

129

00:06:11,760 --> 00:06:09,370

have to bag 50 gallon possibly best

130

00:06:14,640 --> 00:06:11,770

described best described as a flying

131

00:06:18,300 --> 00:06:14,650

humanoid entity the strangely shaped

132

00:06:20,250 --> 00:06:18,310

object has many baffled wondering

133

00:06:22,950 --> 00:06:20,260

exactly what it might be some believe

134

00:06:25,250 --> 00:06:22,960

this isn't a witch but some sort of

135

00:06:30,420 --> 00:06:25,260

extraterrestrial flying through the air

136

00:06:32,550 --> 00:06:30,430

well the police officer initially was

137

00:06:37,260 --> 00:06:32,560

out on patrol in the area like I talked

138

00:06:38,010 --> 00:06:37,270

about and you did a good job from memory

139

00:06:39,719 --> 00:06:38,020

way you just look at

140

00:06:43,200 --> 00:06:39,729

for any details you missed any sort of

141

00:06:46,439 --> 00:06:43,210

details that I may have missed and so I

142

00:06:47,879 --> 00:06:46,449

can I'll play on screen the the actual

143

00:06:50,520 --> 00:06:47,889

let's see if I can actually play the

144

00:06:54,570 --> 00:06:50,530

video now it just took me exactly to

145

00:06:58,230 --> 00:06:54,580

some sort of advertisement that's great

146

00:07:02,490 --> 00:06:58,240

here we go wait it virtus

147

00:07:05,040 --> 00:07:02,500

here we go oh here here's the the quote

148

00:07:08,430 --> 00:07:05,050

from him three days later as soon as I

149

00:07:11,070 --> 00:07:08,440

realized it was kind of a woman being or

150

00:07:13,770 --> 00:07:11,080

which very strange strand he's standing

151  
00:07:16,200 --> 00:07:13,780  
there trying to cover her face she threw

152  
00:07:18,350 --> 00:07:16,210  
herself against my car very fast falling

153  
00:07:21,510 --> 00:07:18,360  
on the front and hitting the windshield

154  
00:07:23,550 --> 00:07:21,520  
she was flying very fast and it took

155  
00:07:26,129 --> 00:07:23,560  
only a second to hit the windshield

156  
00:07:29,070 --> 00:07:26,139  
glass I was so shocked by this action

157  
00:07:31,170 --> 00:07:29,080  
that I put the car in reverse and push

158  
00:07:33,510 --> 00:07:31,180  
the accelerator trying to get away while

159  
00:07:36,659 --> 00:07:33,520  
requesting back of assistance by radio

160  
00:07:39,300 --> 00:07:36,669  
it was a woman what's the code for that

161  
00:07:44,100 --> 00:07:39,310  
what's the man we got a 504 there boy

162  
00:07:46,080 --> 00:07:44,110  
you got a good old 504 nine billion two

163  
00:07:48,210 --> 00:07:46,090

hundred and forty-nine billion two

164

00:07:53,879 --> 00:07:48,220

hundred forty is the I'm being attacked

165

00:07:57,330 --> 00:07:53,889

by which in pissing in my zapatos very

166

00:08:02,939 --> 00:07:57,340

specific radio call bring more pants and

167

00:08:06,779 --> 00:08:02,949

shoes maybe some witch spray yeah get me

168

00:08:09,870 --> 00:08:06,789

off you got any extra like fifty five

169

00:08:14,010 --> 00:08:09,880

gallons of off baby

170

00:08:19,860 --> 00:08:14,020

let's roofie this [h\_\_\h] chloroform

171

00:08:21,719 --> 00:08:19,870

I gotta find out what she's doing and he

172

00:08:23,670 --> 00:08:21,729

goes on to say it was a woman with big

173

00:08:26,189 --> 00:08:23,680

black eyes everything was black no

174

00:08:27,960 --> 00:08:26,199

eyelids her skin was dark brown and her

175

00:08:30,689 --> 00:08:27,970

expression was horrible she was

176

00:08:32,430 --> 00:08:30,699

furiously trying to get me with her

177

00:08:34,490 --> 00:08:32,440

claws while I was running away in

178

00:08:37,409 --> 00:08:34,500

Reverse calling desperately for backup

179

00:08:39,000 --> 00:08:37,419

and to any units around when I finally

180

00:08:42,029 --> 00:08:39,010

hit the end of the street I was so

181

00:08:43,909 --> 00:08:42,039

shocked that I covered my eyes and then

182

00:08:52,129 --> 00:08:43,919

I fainted

183

00:08:53,929 --> 00:08:52,139

I got it is [h\_\_\h] the most in credit

184

00:08:55,939 --> 00:08:53,939

you're trained for these situations

185

00:08:58,369 --> 00:08:55,949

you're an officer in Mexico who deal

186

00:09:01,669 --> 00:08:58,379

with violence all the time you're

187

00:09:04,519 --> 00:09:01,679

dealing with drug cartels and beheadings

188

00:09:08,040 --> 00:09:04,529

and all the stuff and the Wicked Witch

189

00:09:08,880 --> 00:09:08,050

of the North scared yeah come on

190

00:09:12,930 --> 00:09:08,890

I'll give him the benefit of the doubt

191

00:09:17,460 --> 00:09:12,940

though excuse me I hope it's right there

192

00:09:20,970 --> 00:09:17,470

are and as I recounted with the owl man

193

00:09:23,250 --> 00:09:20,980

from England there are just accounts

194

00:09:26,550 --> 00:09:23,260

like this from all over the world of

195

00:09:28,920 --> 00:09:26,560

flying humanoids and and very day like

196

00:09:31,860 --> 00:09:28,930

varying degree of kind of expression

197

00:09:34,170 --> 00:09:31,870

shapes but they all tend to fly and a

198

00:09:36,870 --> 00:09:34,180

lot of them really provoke a sense of

199

00:09:40,190 --> 00:09:36,880

terror in people on the rare occasion I

200

00:09:43,860 --> 00:09:40,200

have read stories of them helping people

201  
00:09:46,680 --> 00:09:43,870  
or coming to the rescue in certain

202  
00:09:49,019 --> 00:09:46,690  
instances but for the most part they

203  
00:09:51,690 --> 00:09:49,029  
seem to be attacking people or wanting

204  
00:09:54,569 --> 00:09:51,700  
to attack humans swooping down from the

205  
00:09:57,240 --> 00:09:54,579  
sky trailing vehicles throwing

206  
00:09:59,130 --> 00:09:57,250  
themselves up against the side of a door

207  
00:10:00,780 --> 00:09:59,140  
of a vehicle that's already traveling or

208  
00:10:04,350 --> 00:10:00,790  
attacking the windshield of a police

209  
00:10:08,310 --> 00:10:04,360  
officer those are more common than these

210  
00:10:10,530 --> 00:10:08,320  
creatures coming in to help anybody so

211  
00:10:14,670 --> 00:10:10,540  
they're they're animalistic to a certain

212  
00:10:17,040 --> 00:10:14,680  
degree they have no regard for law and

213  
00:10:19,199 --> 00:10:17,050

order I don't care about law and order

214

00:10:22,929 --> 00:10:19,209

not like we do and I bet you they don't

215

00:10:24,789 --> 00:10:22,939

pay their which rent you know

216

00:10:26,349 --> 00:10:24,799

I probably don't go to their which jobs

217

00:10:28,779 --> 00:10:26,359

they probably could say all my grandma

218

00:10:30,519 --> 00:10:28,789

died out us seven grandmothers what's

219

00:10:32,799 --> 00:10:30,529

going on here which the Wicked Witch of

220

00:10:37,349 --> 00:10:32,809

the North the Northeast the South the

221

00:10:40,419 --> 00:10:37,359

southeast the West West East yes

222

00:10:45,879 --> 00:10:40,429

Northwest West Alden their LDL got

223

00:10:47,289 --> 00:10:45,889

witches okay that was a good one that

224

00:10:48,009 --> 00:10:47,299

was probably the best monster segment

225

00:10:50,289 --> 00:10:48,019

you've done so far

226

00:10:52,029 --> 00:10:50,299

all right let's let's move on if you

227

00:10:55,269 --> 00:10:52,039

want to join the stack all these calls
