

ALIENS ARE HERE

1
00:00:00,290 --> 00:00:06,450
[Applause]

2
00:00:11,280 --> 00:00:10,610
some more stuff I got some stuff

3
00:00:13,630 --> 00:00:11,290
[Applause]

4
00:00:16,160 --> 00:00:13,640
[Music]

5
00:00:18,120 --> 00:00:16,170
[Applause]

6
00:00:19,580 --> 00:00:18,130
all right well we're trying to get this

7
00:00:21,810 --> 00:00:19,590
show going for everyone out there

8
00:00:26,249 --> 00:00:21,820
definitely trying to get some stuff

9
00:00:29,370 --> 00:00:26,259
going and I got a headline right here

10
00:00:32,339 --> 00:00:29,380
for everyone out there here we go here

11
00:00:35,310 --> 00:00:32,349
we go and this is ghostbusters dan

12
00:00:38,990 --> 00:00:35,320
Aykroyd says aliens are here and there

13
00:00:41,520 --> 00:00:39,000

and they want sex with human women

14

00:00:49,610 --> 00:00:41,530

that's they want job they want human

15

00:00:55,390 --> 00:00:53,310

anybody who just turn off the [h__\h] ad

16

00:00:57,820 --> 00:00:55,400

my god

17

00:01:00,100 --> 00:00:57,830

a Ghostbusters star dan Aykroyd is

18

00:01:02,080 --> 00:01:00,110

convinced aliens are already here and

19

00:01:07,450 --> 00:01:02,090

they want to have sex with our women Joe

20

00:01:08,590 --> 00:01:07,460

food I wonder if this is legal what if

21

00:01:11,530 --> 00:01:08,600

these were same aliens they had sex with

22

00:01:13,450 --> 00:01:11,540

Mike fake Mike from Braska yeah hey Mike

23

00:01:16,780 --> 00:01:13,460

from Nebraska with the pulsating lizard

24

00:01:20,890 --> 00:01:16,790

cold yes the actor says he's seen four

25

00:01:23,170 --> 00:01:20,900

UFOs and the most in that most

26
00:01:25,450 --> 00:01:23,180
extraterrestrials who Popeye earth are

27
00:01:27,460 --> 00:01:25,460
just tourists coming to look at the

28
00:01:30,070 --> 00:01:27,470
beautiful planet however the star is

29
00:01:33,640 --> 00:01:30,080
concerned that some aliens want to harm

30
00:01:37,480 --> 00:01:33,650
people and use them as lab rats and Dan

31
00:01:40,480 --> 00:01:37,490
is convinced that 60% of us already know

32
00:01:42,310 --> 00:01:40,490
that's true he told the Daily Star the

33
00:01:45,900 --> 00:01:42,320
proof is going to start dribbling out

34
00:01:48,790 --> 00:01:45,910
the aliens are interested in your OVA

35
00:01:53,090 --> 00:01:48,800
your femininity or your femininity and

36
00:01:54,920 --> 00:01:53,100
your reproductive parts and your DNA

37
00:01:58,219 --> 00:01:54,930
Wow so they just want to start having

38
00:02:00,170 --> 00:01:58,229

such as women all right they would love

39

00:02:01,969 --> 00:02:00,180

to look out there on a [h__h] strike

40

00:02:04,310 --> 00:02:01,979

right now because we banned abortion

41

00:02:05,990 --> 00:02:04,320

again yeah a Muslim Milano and maybe the

42

00:02:08,480 --> 00:02:06,000

I don't know if the aliens have Twitter

43

00:02:10,490 --> 00:02:08,490

or not but they might have to tweet at

44

00:02:13,940 --> 00:02:10,500

her and say okay I guess we'll come back

45

00:02:16,250 --> 00:02:13,950

we'll come back later they would love to

46

00:02:18,350 --> 00:02:16,260

draw blood and fluid and would love to

47

00:02:22,160 --> 00:02:18,360

impregnate a woman and produce a hybrid

48

00:02:24,470 --> 00:02:22,170

baby this is what they're up to here

49

00:02:27,530 --> 00:02:24,480

this is coming from the Ghostbusters

50

00:02:29,840 --> 00:02:27,540

star dan Aykroyd this is what I want

51
00:02:31,460 --> 00:02:29,850
this is what I need yes he added I

52
00:02:34,760 --> 00:02:31,470
believe some aliens are here to harm us

53
00:02:36,710 --> 00:02:34,770
there are many to come here many of them

54
00:02:40,220 --> 00:02:36,720
they come here with nefarious purposes

55
00:02:42,830 --> 00:02:40,230
and want to use this as lab rats oh my

56
00:02:46,400 --> 00:02:42,840
god yeah he recently appeared on this

57
00:02:49,360 --> 00:02:46,410
morning to talk about her new podcast

58
00:02:51,380 --> 00:02:49,370
his wife's new podcast alien nation

59
00:02:54,229 --> 00:02:51,390
interesting so his wife is into this

60
00:02:57,080 --> 00:02:54,239
stuff too I like that he is out in front

61
00:02:58,580 --> 00:02:57,090
talking about this yeah and he's talking

62
00:03:00,289 --> 00:02:58,590
about how they're gonna slowly start

63
00:03:01,640 --> 00:03:00,299

revealing the information I just like I

64

00:03:03,470 --> 00:03:01,650

thought yeah that's so exactly what

65

00:03:07,490 --> 00:03:03,480

we've been saying so there's actually a

66

00:03:10,640 --> 00:03:07,500

clip here with this and it's about this

67

00:03:14,900 --> 00:03:10,650

Joe woods wild hair as she discusses

68

00:03:17,120 --> 00:03:14,910

alien encounters and former model and

69

00:03:19,580 --> 00:03:17,130

ex-wife of Rolling Stone star Ronnie

70

00:03:22,430 --> 00:03:19,590

Wood Joe Wood has been open about her

71

00:03:23,630 --> 00:03:22,440

beliefs in extraterrestrials too she

72

00:03:24,979 --> 00:03:23,640

originally appeared on this morning to

73

00:03:26,870 --> 00:03:24,989

talk about her new podcast let's take a

74

00:03:28,250 --> 00:03:26,880

look and let's take a listen and see

75

00:03:30,229 --> 00:03:28,260

what she has to say about aliens

76
00:03:32,539 --> 00:03:30,239
I like wooden these people come out and

77
00:03:35,270 --> 00:03:32,549
start talking openly and honestly about

78
00:03:38,990 --> 00:03:35,280
their belief systems this is what I want

79
00:03:42,800 --> 00:03:39,000
this is what I need in my life all right

80
00:03:45,220 --> 00:03:42,810
let's see what Joe would wife of Ronnie

81
00:03:50,050 --> 00:03:45,230
Wood has to say

82
00:03:53,070 --> 00:03:50,060
please Joe I beg of you yes they are

83
00:03:56,320 --> 00:03:53,080
trying to Hojo II know they're doing

84
00:04:02,440 --> 00:03:56,330
they're trying to make me listen to

85
00:04:06,040 --> 00:04:02,450
their stupid ads and he was out in the

86
00:04:08,740 --> 00:04:06,050
garden by this house on the beach and he

87
00:04:11,050 --> 00:04:08,750
said Joe quick there's a weird lights

88
00:04:13,839 --> 00:04:11,060

out here come and see this another all

89

00:04:17,640 --> 00:04:13,849

what's he up to his man and I went

90

00:04:20,590 --> 00:04:17,650

outside and there over the sea was this

91

00:04:22,629 --> 00:04:20,600

shape which had lights that just came

92

00:04:24,640 --> 00:04:22,639

down onto it reflected onto the sea and

93

00:04:27,730 --> 00:04:24,650

I stood there and watched it and it just

94

00:04:31,300 --> 00:04:27,740

lifted up and it went to the right and

95

00:04:33,670 --> 00:04:31,310

then it way and it was gone like nothing

96

00:04:38,950 --> 00:04:33,680

I'd ever seen on earth no noise no noise

97

00:04:41,469 --> 00:04:38,960

nothing noise no noise no anything they

98

00:04:42,510 --> 00:04:41,479

have an eager crumpets have anything any

99

00:04:48,340 --> 00:04:42,520

tea

100

00:04:49,690 --> 00:04:48,350

no well I appreciate that she's being

101
00:04:53,529 --> 00:04:49,700
this upfront with it

102
00:04:55,900 --> 00:04:53,539
Joe 64 told hosts about the time she saw

103
00:04:57,430 --> 00:04:55,910
a UFO in Brazil she was with Ronnie at

104
00:04:59,920 --> 00:04:57,440
the time Ronnie woods of the wrong stone

105
00:05:01,779 --> 00:04:59,930
Riven guitar player

106
00:05:03,820 --> 00:05:01,789
and he shouted for her to come outside

107
00:05:06,250 --> 00:05:03,830
so he must have been Ronnie Woods who

108
00:05:08,350 --> 00:05:06,260
actually saw the UFO and called for her

109
00:05:09,400 --> 00:05:08,360
to come out which is interesting so

110
00:05:10,870 --> 00:05:09,410
there you go

111
00:05:12,430 --> 00:05:10,880
I don't know Ronnie woods I've never

112
00:05:14,650 --> 00:05:12,440
heard of Ronnie Woods coming out talking

113
00:05:18,070 --> 00:05:14,660

about UFOs I've I've heard about Sammy

114

00:05:21,760 --> 00:05:18,080

Hagar talking about UFOs

115

00:05:25,089 --> 00:05:21,770

man this stuff is this trick Oh nacho

116

00:05:29,230 --> 00:05:25,099

should put a clip in care chop their

117

00:05:35,720 --> 00:05:29,240

well yeah I said it's a time on 649 host

118

00:05:48,700 --> 00:05:37,850

which which pose he has two things in

119

00:05:53,600 --> 00:05:51,590

right here in Nelson wanted to start a

120

00:05:55,400 --> 00:05:53,610

colony of supermen would have sex with

121

00:05:57,530 --> 00:05:55,410

older women because they said and I

122

00:06:01,430 --> 00:05:57,540

quote they really know what they're

123

00:06:02,870 --> 00:06:01,440

doing we do Oh girls girls do you

124

00:06:04,490 --> 00:06:02,880

actually believe that they're creatures

125

00:06:14,420 --> 00:06:04,500

from outer space and want to have sex

126

00:06:18,780 --> 00:06:15,990

[Applause]

127

00:06:24,130 --> 00:06:18,790

this is what I want this is what I need

128

00:06:25,510 --> 00:06:24,140

is return the movie rocks and the Steve

129

00:06:28,570 --> 00:06:25,520

Martin good movie

130

00:06:30,760 --> 00:06:28,580

oh yeah I got a one your Cratchit has

131

00:06:33,670 --> 00:06:30,770

like a photographic memory type of deep

132

00:06:35,620 --> 00:06:33,680

thing because I think I saw that movie

133

00:06:38,860 --> 00:06:35,630

once back when it came out and I

134

00:06:39,700 --> 00:06:38,870

couldn't I knew about the nose thing

135

00:06:42,129 --> 00:06:39,710

that's about it

136

00:06:44,140 --> 00:06:42,139

it's about it yeah

137

00:06:45,429 --> 00:06:44,150

I must have washed it religiously of

138

00:06:47,679 --> 00:06:45,439

course they did I don't know how old

139

00:06:48,850 --> 00:06:47,689

Cratchit is hey Cratchit how old are you

140

00:06:50,790 --> 00:06:48,860

can you try them for a second how old

141

00:06:59,409 --> 00:06:50,800

are you I demand to know

142

00:07:04,050 --> 00:06:59,419

42 Mike 42 years young we all turn into

143

00:07:07,719 --> 00:07:04,060

goats we get to 42 I turn I turned 42

144

00:07:10,420 --> 00:07:07,729

this year as as well so I'll be up there

145

00:07:12,249 --> 00:07:10,430

and you know when you have HBO gröna if

146

00:07:14,290 --> 00:07:12,259

you have HBO like I had I was lucky

147

00:07:15,879 --> 00:07:14,300

enough to have HBO and so there are

148

00:07:18,159 --> 00:07:15,889

times during the summer where you do

149

00:07:19,899 --> 00:07:18,169

nothing but just watch HBO like for

150

00:07:22,749 --> 00:07:19,909

hours on end or during the during the

151

00:07:24,969 --> 00:07:22,759

winter you couldn't go outside and so

152

00:07:27,670 --> 00:07:24,979

you've watched shows religiously I

153

00:07:30,490 --> 00:07:27,680

probably saw Roxanne five times saw

154

00:07:31,779 --> 00:07:30,500

Ghostbusters at least at this point I

155

00:07:34,629 --> 00:07:31,789

can tell you how many times I've seen

156

00:07:36,339 --> 00:07:34,639

the movie but yeah yeah you can quote

157

00:07:39,860 --> 00:07:36,349

the movie by heart because I watched

158

00:07:45,800 --> 00:07:42,710

there goes on there's our UFO round up

159

00:07:48,530 --> 00:07:45,810

right there on on that one let's let's

160

00:07:52,310 --> 00:07:48,540

move on if you want to join the stack or
