25

00:02:22,830 --> 00:02:21,010

going on there was usually when you go

26

00:02:26,430 --> 00:02:22,840

31

00:02:49,380 --> 00:02:39,280

35

00:03:33,130 --> 00:03:25,190

there's some kind of maneuvers pretty

36

00:03:48,590 --> 00:03:35,510

I'm gonna need to start fighting this

37

00:04:03,800 --> 00:03:48,600

like daily and get all like I hit a rock

38

00:04:15,229 --> 00:04:12,540

ridiculous and if the stagecoach life

39

00:04:23,939 --> 00:04:15,239

40

00:04:26,250 --> 00:04:23,949

41

00:04:31,580 --> 00:04:26,260

this one yeah you got a single horse I

42

00:04:31,590 --> 00:04:38,180

good traction

43

00:04:46,860 --> 00:04:43,800

infiltrating right there Oh God got him

44

00:04:50,010 --> 00:04:46,870

oh and that's a I had a cow running away

45

00:04:52,200 --> 00:04:50,020

that I had a cage on it it would have

46

00:04:57,080 --> 00:04:52,210

been a nice smell and now now this in my

47

00:05:01,530 --> 00:04:57,090

own stage goes black damn it

48

00:05:07,710 --> 00:05:01,540

alright alright it's about one of it

49

00:05:11,520 --> 00:05:07,720

okay I'll wait over here for you well

50

00:05:12,900 --> 00:05:11,530

51
00:05:17,510 --> 00:05:12,910
know and the other one you were in just

52
00:05:20,820 --> 00:05:17,520
disappeared oh my sports day is [h__h]

53
00:05:26,220 --> 00:05:20,830
my spider okay

54
00:05:28,890 --> 00:05:26,230
oh yeah this is good it's some good

55
00:05:35,210 --> 00:05:28,900
handling there's trash in there for the

56
00:05:50,960 --> 00:05:35,220
one thing out the door I'm patching you

57
00:06:27,810 --> 00:06:21,330
good they're good they're back all right

58
00:06:29,750 --> 00:06:27,820
we'll find one situation we can get

59
00:06:34,500 --> 00:06:29,760
[h__h] up a little bit with Dana back

60
00:06:38,820 --> 00:06:34,510
flip equation normal yeah it's a horse

61
00:06:41,760 --> 00:06:38,830
farm coming up I do declare that I need

62
00:06:42,930 --> 00:06:41,770
guilt stage vote there's two guys were

63
00:06:43,890 --> 00:06:42,940

here you get one I'll get the other I'll

64

00:06:45,070 --> 00:06:43,900

get the guy on the left you get the guy

65

00:06:52,980 --> 00:06:45,080

on the right with your knife

66

00:07:03,270 --> 00:06:52,990

nice Akari 5000 sorry Oh God really

67

00:07:10,059 --> 00:07:03,280

my god he murdered me for some reason

68

00:07:12,610 --> 00:07:10,069

Oh God it's quite a few people uh yeah

69

00:07:13,149 --> 00:07:12,620

we should have planned this better I'm

70

00:07:19,330 --> 00:07:13,159

dying

71

00:07:28,260 --> 00:07:19,340

oh my god I'm getting quite the body

72

00:07:28,270 --> 00:07:34,780

might get back there

73

00:07:39,160 --> 00:07:37,240

Kevi debía stage goes somewhere around

74

00:07:46,240 --> 00:07:39,170

here or somebody I'm supposed to take

75

00:07:54,969 --> 00:07:46,250

some resource aha look at this if your

76

00:08:19,270 --> 00:07:59,739

don't fall in the back of my heart yeah

77

00:08:25,070 --> 00:08:22,100

[Laughter]

78

00:08:27,110 --> 00:08:25,080

well then I could do that well I guess

79

00:08:31,380 --> 00:08:27,120

[Music]

80

00:08:40,880 --> 00:08:31,390

very smooth controls of this game are

81

00:08:44,850 --> 00:08:40,890

just amazing it makes a blackboard yeah

82

00:08:56,660 --> 00:08:44,860

yeah yeah okay often watch out I know

83

00:09:04,200 --> 00:09:00,380

I killed Mike Caesar

84

00:09:06,510 --> 00:09:04,210

everything's working out yeah see if you

85

00:09:09,090 --> 00:09:06,520

can get yeah there we go that's what we

86

00:09:15,620 --> 00:09:09,100

need and then where's the map

87

00:09:22,780 --> 00:09:15,630

am I going the right way you yet no boy

88

00:09:22,790 --> 00:09:28,540

party

89

00:09:34,840 --> 00:09:32,320

I saw something that was pretty cool

90

00:09:37,270 --> 00:09:34,850

in the online I got in a couple of

91

00:09:41,050 --> 00:09:37,280

situations where at one I was coming

92

00:09:45,250 --> 00:09:41,060

across an area and like the Midwest part

93

00:09:47,440 --> 00:09:45,260

of the map and there was a there was

94

00:09:49,690 --> 00:09:47,450

like a farmhouse that was open that you

95

00:09:53,770 --> 00:09:49,700

could run into and there are like six

96

00:09:55,660 --> 00:09:53,780

people all running towards it and they

97

00:09:59,560 --> 00:09:55,670

would get him they were doing like nice

98

00:10:01,750 --> 00:09:59,570

and fist fight down any cool oh Jesus

99

00:10:03,520 --> 00:10:01,760

oh yeah and every time they would die

100

00:10:05,500 --> 00:10:03,530

they would convert back to the house

101
00:10:08,170 --> 00:10:05,510
that was cool

102
00:10:15,060 --> 00:10:08,180
and I saw someone doing someone was like

103
00:10:18,250 --> 00:10:15,070
oh god we were worthless I think upset

104
00:10:20,590 --> 00:10:18,260
me and this guy were kept I he was

105
00:10:21,820 --> 00:10:20,600
hunting and I killed him and I took his

106
00:10:23,860 --> 00:10:21,830
birds feathers

107
00:10:27,490 --> 00:10:23,870
and then he came back and kept murdering

108
00:10:29,770 --> 00:10:27,500
me non-stop then we were in a burned-out

109
00:10:36,820 --> 00:10:29,780
mill or something and we were just like

110
00:10:38,460 --> 00:10:36,830
that was my thing at each other I need I

111
00:10:46,390 --> 00:10:38,470
need

112
00:10:51,820 --> 00:10:46,400
yeah gun store or oh god this is too big

113
00:11:04,140 --> 00:10:51,830

to maneuver perfect hey this is how you

114

00:11:16,750 --> 00:11:07,780

alright sorry mister fast we can get

115

00:11:18,250 --> 00:11:16,760

with the yarn loop around leather around

116

00:11:39,490 --> 00:11:18,260

the square

117

00:11:42,940 --> 00:11:39,500

yeah I'm terrified yeah yeah oh damn I

118

00:11:56,820 --> 00:11:42,950

wish you can go right over this guy

119

00:12:10,460 --> 00:11:58,650

disappeared

120

00:12:10,470 --> 00:12:19,780

[Music]

121

00:12:28,449 --> 00:12:21,450

and Gavin on the roof

122

00:12:32,389 --> 00:12:28,459

[Music]

123

00:12:37,759 --> 00:12:32,399

[Music]

128

00:13:26,329 --> 00:12:56,339

130

00:13:30,620 --> 00:13:28,360

out pretty well

131

00:13:36,160 --> 00:13:30,630

[Applause]

132

00:13:38,180 --> 00:13:36,170

141

00:15:37,250 --> 00:15:30,590
